INCIDENT SYNOPSIS

Officers executed a search warrant for a wanted suspect, for an investigation involving delivery of a controlled substance and unlawful possession of a firearm. The suspect was wanted on an unrelated DOC warrant, for a new charge of delivery of a controlled substance and was reported to be armed with a handgun. The SWAT team was on hand to execute the warrant. Officers attempted to surround the residence and order the occupants out of the residence. After a three-hour standoff, the SWAT team deployed Oleoresin Capsaicin (OC) rounds into the house to force him to surrender. The suspect and last remaining occupant exited without injury. The suspect was booked into jail for the charges and his DOC warrant.
