

2023 HOME Investment Partnerships Program Allocations

Two projects were selected by the Affordable Housing Committee, approved by the CHHS Board, and by the City of Spokane City Council for funding from the 2023 HOME Investment Partnerships program RFP that closed on September 21, 2023.

1. \$2,015,000, St John's Two, West 9th Senior Housing project, located at approximately 315 W 9th Ave. This project will add 35 units of new construction affordable housing to the affordable housing inventory for Seniors in the City of Spokane.
2. \$1,500,000, Volunteers of America Eastern WA & Northern ID, Vets on N. Lacey project approximately located on the Southside of Francis Ave on Lacey Street in NE Spokane. This project adds 10 units of new construction affordable housing to extremely-low-income (30% AMI) Veterans in the City of Spokane.
