INCIDENT SYNOPSIS

Officers responded to a Domestic Order Violation. The male suspect was located inside a bedroom of the victim's house, and officers had probable cause to arrest the suspect for Residential Burglary (Domestic Violence) as well as a warrant for the same charge. While officers made verbal announcements at the bedroom door, the suspect began barricading himself inside, stacking items against the door to prevent officer entry. Officers breached the door enough for a K9 to be inserted to search that room ahead of officers. The K9 located the suspect inside and officers took him into custody. The suspect was taken to the hospital for medical treatment and then booked into jail for Residential Burglary-DV, Violation of the Order, Resisting Arrest and Obstructing.
