Prepared by SPD Crime Analysis Office - Monday, March 21, 2016

With the exception of criminal homicides, this chart represents preliminary counts of the original Police Incident Reports. Full statistical analysis to determine the confidence level of this data has not been performed. The % change columns on the preliminary incident count differ from the percentage change on the UCR crime report, sometimes significantly.

Preliminary incidents are reported following Uniform Crime Reporting standards of removing unfounded incidents from actual totals.

Prepared by SPD Crime Analysis Office - Monday, March 21, 2016

With the exception of criminal homicides, this chart represents preliminary counts of the original Police Incident Reports. Full statistical analysis to determine the confidence level of this data has not been performed. The % change columns on the preliminary incident count differ from the percentage change on the UCR crime report, sometimes significantly.

Preliminary incidents are reported following Uniform Crime Reporting standards of removing unfounded incidents from actual totals.
