Prepared by SPD Crime Analysis Office - Monday, August 5, 2019

**NOTE:** SPD moved from UCR to the NIBRS reporting standard on 10/4/16 following the transition to a new RMS System. [Numbers on CompStat reports prior to this date should not be used as a comparison to those on this report.](#) Additional info on these reporting standards can be found on the FBI website: <https://ucr.fbi.gov/nibrs-overview>

This chart represents Preliminary counts of selected crime categories from Police Case Reports. Full statistical analysis to determine the confidence level of this data has not been performed. The % change columns on the preliminary counts differ from the percentage change on the NIBRS crime report, sometimes significantly. The CompStat report is designed for operational use and includes only selected NIBRS categories and coding less complex than full NIBRS rules. Official statistics for these and other NIBRS categories can be found on WASPC & FBI websites once available.
