A. **Park Board regular standing committee meeting notices** – *Jennifer Ogden* presented a recommendation regarding language used in noticing the Park Board's regular standing committee meetings. The goal is to develop a coordinated and safe reopening strategy for aquatics facilities to provide equitable space for all. While Parks revenue is below the pre-Covid 19 level, staff is confident it has the capacity to support a modified aquatics season through a core service model. Staff reviewed the Foundational Services Model consisting primarily of learn-to-swim programs with very limited free open swim access. This core model is expected to support a maximum capacity of 12,996 at a total cost of about \$244,000. Staff also presented potential opportunities to build on the core service plan which would require funding support from outside Parks. This plan would increase open swim time, potentially offer a longer season at the aquatics facilities and increase maximum visitor capacity to almost 58,000. This expanded plan would involve a

Parks Fund investment of \$213,000 and outside funding of \$213,000.

Garrett Jones provided an update relating to conversations with City Council about potential funding for the expanded program. A resolution is expected to be presented to council later this month. The resolution will address the effects the pandemic has had on revenues and how the reduction in funds can impact the level of services provided to the community. 3. Special discussion/action items:

A. Lancer Food Holdings contract amendment #1

- 1) Presentation – *Jonathan Moog* presented an overview of the current contract with Lancer Food Holdings to provide food and beverage at all park food service sites, including future concerts at the Pavilion. Service associated with original contract approved March 19, 2020, with Lancer were not implemented due to the impacts associated with COVID-19 pandemic. During a Feb. 4, 2021, study session, the Park Board determined they would like the contract to offer greater opportunities for local food and beverage businesses within parks. The proposed amendment resets the start date of services and broadens local business activations.

- 2) Working group/developing contract amendment – Following the February study session, a working group was formed to review the existing food services agreement and seek opportunities for local food and beverage vendors. The group consisted of Jennifer Ogden, Bob Anderson, Gerry Sperling, Rick Chase and Nick Sumner, Garrett Jones, Amy Lindsey, Jon Moog and Dawn Frey. Representatives from Lancer met with the working group to create the proposed amended agreement. Changes to the contract include: 1) 15% of Lancer gross sales at Riverfront Park will be derived from local products; 2) Lancer will seek local providers in specific brand categories; 3) Pavilion concerts will include a minimum of three local food trucks but likely greater depending on attendance of shows; 3) site(s) for “pop up” location for local providers will be provided at Manito Park; 4) a minimum of five food and beverage activations will be annually supporting local providers at Riverfront Park; 5) the north bank will be reserved for local food and beverage providers; and 6) local food trucks will be allowed in Riverfront Park during high attendance days

when not in conflict with third-party events.

3) Discussion – Rick Chase shared concern that the proposed contract amendment did not offer enough opportunities to local businesses who have shown they are equipped to provide the needed food services. He cited Manito Park Bench Café as an example of a local food vendor providing services throughout last summer. Bob Anderson said the revised agreement is a good compromise which offers expanded opportunities for local businesses. Nick Sumner said there are opportunities for local vendors on the north bank of Riverfront Park since local food and beverage businesses will have exclusive rights in that area of the park. Jennifer Ogden shared her confidence in Lancer's management skills, and their willingness to work with the board and staff in creating opportunities which can result in everyone's success.

Motion No. 1: Jennifer Ogden moved to approve contract amendment #1 with Lancer Food Holdings, as presented.

Bob Anderson seconded.

Motion passed with a 7-1 vote.

 - e) Project schedule – The entire process from start to finish is expected to take one year. The master plan is scheduled come before the Park Board for final approval February 2022.
- 2) Big ideas, critical success factors
- a) Purpose – The plan is designed to be a long-range planning tool which sets values and goals for Parks, and serves as a platform for staff and the public to weigh in on the future of Spokane parks.
 - b) Plan Objectives – The group discussed the plan objectives. Committee members stressed the importance of community involvement in the development process; not just obtaining input from those who are currently involved with Parks but to gain insight from all areas of the community. Outreach will be in the form of online surveys, Utility billing inserts, focus groups and public workshops. Emphasis will be placed on gathering recommendations which are inclusive and reflect Spokane's diverse needs.
 - c) Critical success factors – Results from one of the polls conducted during the meeting reflected the most important success factor is equity. Jennifer Ogden viewed equity as valuing all of the parks, such as neighborhood parks, and not placing primary focus on downtown and the South Hill parks. In terms of economic equity, board members voiced a need to fill in identified gaps and update parks located in lower-income areas of the community. Equity was followed closely by responsiveness defined as a process which includes numerous and diverse opportunities for community members to participate. The committee also weighed in heavily on the need for inclusiveness where projects are identified that address gaps within the existing parks and natural lands system.
 - d) Existing trends and planning efforts – The committee discussed current national and statewide trends in the parks and recreation and what programming might be missing from current offerings.
 - e) Big ideas and outcomes – The committee shared what they hope to do better. These items included: 1) better avenues for public input; 2) maximize return to the public with every dollar spent; and 3) more long-range planning and less "firefighting" and responding to the cause or concern of the day.
- 3) Community, staff and stakeholder engagement
- a) Goals and opportunities – The committee provided a number of wish list items for Parks to be considered as a part of the park master planning process.
 - b) 2021 engagement timeline – Focus group meetings are scheduled to begin mid-April and a community survey will be conducted mid-April through mid-June. Design Workshop representatives will provide an update presentation to the Park Board around mid-April.

MEMORANDUM of UNDERSTANDING

This Memorandum of Understanding ("MOU") is between the CITY OF SPOKANE, a Washington municipal corporation, acting through its Parks and Recreation Division ("City") and the SPOKANE PARKS FOUNDATION, a Washington non-profit corporation ("Foundation"). For the purposes of this MOU the "Effective Date" shall be the date this MOU is fully executed by both City and Foundation.

City owns, operates and/or maintains, through its Parks and Recreation Division, parks and other recreational and entertainment facilities, and operates a variety of related programs and services ("Parks & Programs"). Foundation's purpose is to foster, encourage, and receive gifts, legacies, and devises (outright or in trust) to be used to make grants to acquire, provide, improve and equip park and recreational facilities for the public in Spokane and its adjacent areas within Spokane County; as well as to sponsor, assist or cooperate in and provide recreational, athletic, educational and scientific programs for the public in said areas.

City and Foundation desire to set forth their agreement regarding the use of funds raised by the Foundation specifically restricted for use by the City to operate the Parks & Programs.

NOW THEREFORE, in consideration of the mutual covenants, mutual benefits and synergistic effect created by entering this MOU, City and Foundation agree as follow:

1. Role of City. City owns, operates and maintains Parks & Programs for the benefit of the public and the City of Spokane. City will work independently, and also with Foundation, to solicit donations, recruit, manage and coordinate volunteer services for the Parks & Programs in compliance with this MOU and City's policies and project requirements. The parties acknowledge City may solicit donations, and recruit, manage and coordinate volunteer services to benefit Parks & Programs independent of the oversight and fundraising activities of Foundation. For both General and Specific Donations (as defined below) City will comply with donor intent, as conveyed to City by Foundation.
2. Role of Foundation. Foundation will work with City to solicit donations, recruit, manage and coordinate volunteer services for Parks & Programs in compliance with this MOU and City's policies and project requirements. Foundation will at all times maintain its status as a Washington nonprofit corporation exempt from federal income tax pursuant to §501(c)(3) of the Internal Revenue code to which contributions are deductible under §§170, 2055, and 2522 of the Internal Revenue Code. Foundation solicits and receives restricted and unrestricted charitable donations from donors. A restricted donation is one the donor designates for a specific purpose or project. Unrestricted donations are made without restriction and may be used as Foundation sees fit consistent with Foundation's tax-exempt purpose. This MOU only deals with gifts solicited and received by Foundation that are restricted by the donor to be used for Parks & Programs, i.e., restricted donations. Such donations are "General Donations" as defined below. A donor may further restrict their donation to a particular purpose or project within Parks & Programs, which are referred to below as "Specific Donations". Foundation will retain its usual and customary administrative fee from donations it receives for Parks & Programs, unless another administrative fee is specified in a separate agreement (such as a campaign agreement) between City and Foundation applicable to the donation.

3. Donations. Pursuant to the terms of this MOU, City may request, and Foundation may agree, to solicit and collect donations to support, enhance and promote Parks & Programs. Donations collected by Foundation are either "Specific Donations" or "General Donations" as these terms are defined herein. The collection, stewardship and allocation of donations will be carried out in a manner specific to the assigned category of each donation.
4. Specific Donations. Specific Donations are donations City requests Foundation to solicit and receive for specific programs or projects. If Foundation agrees to collect donations for a specific project or program, City and Foundation shall enter into a separate agreement (such as a campaign agreement), which details the project(s) or program(s) that benefit from such donations, the method and term of soliciting and collecting the donations, the stewardship and allocation of the donations, and Foundation's fee for providing its services. As of the Effective Date, City and Foundation are parties to the following agreements for Specific Donations:
 - a. Riverfront Park Campaign Agreement, under City Clerk's No. DPR-2017-0872.
 - b. The City of Spokane Memorial Bench Project Agreement as set forth in *Appendix A*, attached to this MOU.
5. General Donations. General Donations are donations to Foundation the donor designates for Parks & Programs that are not Specific Donations, i.e., are not solicited and received pursuant to a separate agreement as provided in paragraph 4, above. A donor of a General Donation, may, but need not designate their donation be used for a specific program or project within Parks & Programs. Without prior approval by City, Foundation may recruit, manage and coordinate volunteer services in connection with the solicitation and collection of General Donations, so long as such activities are at no cost to City. Upon request of City, Foundation will release General Donations to City, less the administrative fee retained by Foundation. City shall determine, subject to complying with donor intent, how to spend General Donations on Parks & Programs consistent with City's master plan.
6. Collaboration and Information Sharing. To carry-out the terms of this MOU, the parties agree to the following terms regarding collaboration and information sharing:
 - a. Pursuant to the bylaws of Foundation, a current member of the Park Board of the City of Spokane is appointed to Foundation's governing board. Furthermore, a representative of Foundation is invited to attend all meetings of the Park Board. This process enables the sharing of information relating to solicitation, receipt and expenditure of General and Specific Donations.
 - b. At least monthly Foundation will (i) share its financial statements and minutes of its board meetings with City, except for minutes taken during executive sessions, and (ii) provide City with an accounting of General Donations. Foundation will provide this information to the member of the Park Board serving on the Foundation's governing board.
 - c. Upon request of Foundation, City shall timely provide Foundation with City's (i) strategic and/or master plan(s) for Parks & Programs, and all amendments and revisions to such plans, and (ii) City's policies and project requirements applicable to Foundation's role under this MOU.

- d. If City requests Foundation to raise Specific Donations for a capital project, City shall provide Foundation with all material information pertaining to construction, maintenance and operation of the capital project, including requirements, restrictions, projected costs and timelines, additional funding sources, and a funding plan. If Foundation elects to engage in fundraising for the proposed capital project, the parties will negotiate a separate agreement setting forth the terms under which Foundation will participate in raising money for the project.
 - e. City may, but is not required to, notify Foundation of other organizations that plan to undertake events or activities intended to assist and improve Parks & Programs. City may, but is not required to, require such other organizations to collaborate with Foundation on any events or activities that are primarily intended to benefit Parks & Programs.
 - f. City may, but is not required to, provide, at no cost to Foundation, Foundation access, to City's parks and recreation facilities for Foundation fund raising purposes intended to benefit Parks & Programs.
 - g. At the discretion of the Director of the Parks and Recreation Division, and consistent with state and federal law, City may, but is not required to, assist Foundation with Foundation activities intended to benefit Parks & Programs. Such activities include, but are not limited to, tours of City parks, coordination of volunteers to clean up City parks, and events intended to create awareness of Foundation and its role in supporting Parks & Programs (pop up events).
 - h. City may, but is not required to, notify Foundation and provide Foundation with information necessary to determine the best methods for securing the donations when City becomes aware of donations, actual or potential, intended to benefit Parks & Programs. City and Foundation may collaborate in pursuing such donations so as to maximize the benefit to Parks & Programs.
 - i. When promoting Parks & Programs, Foundation shall comply with City's communications/social media policy, and City's naming policy, as both may be amended from time to time.
 - j. City will recognize gifts received from or through Foundation in City's annual report.
7. Notice of Non-Compliance. In the event of non-compliance with any provision of this MOU, the non-breaching party shall notify the other party in writing of the event or practice the non-breaching party believes does not comply with this MOU. The other party shall, within 15 days from receipt of the notice of non-compliance, either correct the non-compliance or show cause to the non-breaching party that the other party is in compliance. In the event the allegedly breaching party fails to comply within this time period, the non-breaching party may, at its option, terminate this MOU by providing written notice of such termination to the breaching party.
- a. In the event of termination under this Section 7, Foundation shall provide City with an accounting of all funds held by Foundation, including any Specific or General Donations held by Foundation. Any agreement for Specific Donations shall survive the termination of this MOU as consistent with the terms of such agreement. General Donations will be disbursed pursuant to Section 5 of this MOU.

8. Term & Termination. This MOU shall become effective upon execution by both parties and shall terminate on December 31, 2025, unless earlier terminated. This MOU may be terminated by either party, without cause, on at least sixty (60) days prior written notice. In the event of termination, the parties shall have the same obligations as set forth in Section 7.a of this MOU.
9. Ownership/Use after Project Completion. All Parks & Programs projects funded with donations raised by Foundation will be owned and maintained by City and used according to City policies.
10. Assignment. Neither party may assign, transfer, or subcontract, in whole or in part, its interest in this MOU without the prior written consent of the other party.
11. Anti-Kickback. No officer or employee of the City or Foundation, having the power or duty to perform an official act or action related to this MOU shall have or acquire any interest in this MOU.
12. Indemnification. Each party shall be responsible for any and all acts and omissions of its staff, employees, officers, agents and independent contractors. Each party shall defend and hold harmless the other party from any and all claims, damages, and liability of any kind arising from third party claims resulting from any breach of a parties' staff, employees, officers, agents and independent contractor's obligations of confidentiality under this MOU.
13. Nondiscrimination. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this MOU because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities.
14. Entire Agreement and Amendment. This MOU and its appendices represent the entire agreement of the parties with respect to the matters specified herein.
15. Governing Law and Venue. This MOU is governed by and construed under the laws of the State of Washington. Venue for any actions arising under this MOU shall be in Spokane County, Washington.
16. Severability. Any provision of this MOU that is prohibited or unenforceable shall be ineffective only to the extent of the prohibition or unenforceability without invalidating the remaining provisions of this MOU.

1. Accept a minimum donation of \$5000 per memorial bench. This donation amount includes the cost of a standard bench, site prep, installation and future repairs, as well as Foundation's administrative fee and the cost of the recognition plaque.
2. Work with the donor to receive the donation and complete the Memorial Bench Donation Form
3. Determine donor wishes for bench location and text for recognition plaque
4. Request approval from the City on site location and plaque text
5. Work with an engraver and the donor to finalize the recognition plaque

Funds remaining after paying these expenses, if any, will be retained in the Memorial Bench Program account to be used for bench repairs. Foundation will have no liability to pay for bench repairs beyond funds in the Memorial Bench Program account.
8. SPF will report to the City the account balance in the Memorial Bench Program fund once per quarter. This account reporting will be done at the same time that SPF reports its other financial reports to the City and Park Board.

The City of Spokane agrees to:

1. Provide a master list of available bench sites throughout the park system
2. Install approved memorial benches and recognition plaques
3. Invoice the Foundation for any expenses associated with bench purchase, site prep, installation, and future repairs.

1.0 GENERAL

Spokane Parks and Recreation is a Division of the City of Spokane whose services are primarily funded from the City's general fund. In recent years demands upon these funds have increased, a trend that is expected to continue.

To maintain and enhance the City's parks and recreation system, Spokane Parks and Recreation is actively seeking to establish revenue streams and resources that will increase Parks' ability to deliver services to the community and/or provide enhanced levels of service beyond the core levels funded from the City's general fund.

This policy will provide opportunities for the private sector to invest back into the community.

2.0 DIVISIONS/DEPARTMENTS AFFECTED

This policy and procedure shall apply to the Spokane Parks and Recreation Division.

5.0 POLICY

- 5.1 It is the policy of Spokane Parks and Recreation Division to actively seek sponsorships, charge fees for advertising, and to accept donations and gifts where appropriate, for its events, services, parks, equipment and facilities. The purpose of such is to increase the Division's ability to deliver services to the community and/or provide enhanced levels of service beyond the core levels funded from the City's general fund.
- 5.2 In appreciation of this support, it is the policy of the Division to provide suitable acknowledgement and recognition of these contributions. The recognition shall adhere to the aesthetic values and purpose of the Division's parks, facilities, and services, and to the recognition guidelines outlined in this policy.
- 5.3 Sponsorships and donations will be considered for the following broad

types of activities:

- 5.3.1 Event Sponsorship - financial or in-kind support for an event organized by the Parks Division on park property. Depending on the details of the agreement, the sponsor's name may or may not be directly linked to the event (e.g., a title sponsorship), and the sponsor may have a variety of temporary marketing opportunities.
 - 5.3.2 Park Facility or Feature - financial or in-kind support associated with the design, construction and/or ongoing maintenance and operation of a particular park or recreational, sport, entertainment or cultural facility. Recognition opportunities are negotiated with the agreement.
 - 5.3.3 Program Sponsorship - financial or in-kind support that facilitates the ongoing delivery of a particular citywide or site-specific program. Recognition of the sponsor could be associated directly to the program, or other marketing opportunities could be available, depending on the terms of the agreement.
 - 5.3.4 Memorials or Tributes – plaques, trees or similar in honor of a person or persons, with recognition benefits outlined in the proposal and agreement.
- 5.4 All sponsorships, gifts, donations, naming recognition, memorials, tributes and plaques shall be formalized legally in writing through a Sponsorship or Donation Agreement, and signed by a representative from each party.
- 5.4.1 The agreement should include a clear statement of the purpose, financial value, benefits associated including specific recognition and marketing opportunities, total costs, maintenance and replacement, each party's roles and responsibilities, and term and termination provisions.

6.0 GUIDING PRINCIPLES

The following principles form the basis of the Division's consideration of sponsorships, gifts and naming requests, and have been established to ensure all considerations are treated equitably.

- 6.1 Sponsorship, gift and donation proposals:
 - 6.1.1 Must directly relate to the intent of the facility or park, and its master plan or business plan.
 - 6.1.2 Cannot be made conditional on Division performance.
 - 6.1.3 Will not be accepted from organizations whose mission conflicts with the mission of the Division.
 - 6.1.4 Will provide a positive and desirable image to the community.
 - 6.1.5 Will provide benefits commensurate with the relative value of the sponsorship.
 - 6.1.6 Cannot limit the Division's ability to seek other sponsors.
 - 6.1.7 Will include an operating endowment or operating donation if the gift requires a level of service, maintenance or service

beyond current staffing levels.

6.1.8 Will enhance the design and visual integrity of the park/facility.

6.1.9 Will be evaluated individually and shall include, but not be limited to: products/services offered; sponsor's record of involvement in environmental stewardship and social responsibility; principles of the sponsor; sponsor's rationale for its interest; sponsor's expectations; and sponsor's timeliness and/or readiness to enter into an agreement.

6.2 Ethical Considerations

6.2.1 Sponsorships, gifts and donations may come with unintended consequences and need to receive careful consideration. On occasion, the Division may need to reject an offer under circumstances including, but not limited to: the potential sponsor contemporaneously seeks to secure a contract, permit or lease; the potential sponsor seeks to impose conditions that are inconsistent with the Division's mission, values, policies and/or planning documents; acceptance of a potential sponsorship would create a conflict of interest or policy (e.g., sponsorship from a tobacco company, political organization; the potential sponsor is in litigation with the City of Spokane.)

7.0 RECOGNITION OF SPONSORSHIPS AND GIFTS

7.1 The following principals will guide the recognition:

7.1.1 The recognition shall not detract from the visitors' experience or routine use, nor shall it impair the visual qualities of the site or be perceived as creating a proprietary interest.

7.1.2 All forms of recognition must meet Division design and maintenance guidelines.

7.1.3 Recognition shall not suggest in any way the endorsement of a sponsor's goods or services by the Division, or any proprietary interest of the sponsor in the Division.

7.1.4 All sponsorship, donation or naming rights agreements will be for a defined period of time having regard to the value and the life of the asset involved.

7.1.5 Benefits will be provided at a level of recognition and will specify costs commensurate with the contribution, as outlined in an annual plan by the Division.

7.1.6 All sponsorship marketing materials must be approved by the Division's Communication Manager.

7.1.7 The Division's Communication Manager must approve the use of the City's or Parks and Recreation's logos by the sponsor in their business publications.

7.1.8 All signs must comply with city ordinance.

- 7.2 Forms of recognition: The Division wishes to work closely with each donor to provide recognition that is meaningful to the donor. Acknowledgement may include one or more of the following:
 - 7.2.1 A thank you letter.
 - 7.2.2 Publicity through printed materials, publications, the Division website, social media, media releases, and through the sponsor's channels. Design standards of the Parks and Recreation Division will apply.
 - 7.2.3 Events such as a groundbreaking or ribbon cutting ceremony, private group tour or photo opportunity.
 - 7.2.4 Mayor, City Council and/or Park Board member acknowledgement at civic functions.
 - 7.2.5 Designated seating at an event, passes to an event, waived fee for facility use, or similar.
 - 7.2.6 Commemorative recognition such as a memorial, plaque or tribute (see Section 9.0).
 - 7.2.7 On-site recognition such as a temporary or permanent sign.
 - 7.2.7.1 The form of any on-site recognition shall be of an appropriate size and color, and shall not detract from the park surroundings or any interpretive message.
 - 7.2.7.2 The Division Communication Manager shall determine approval of the sign/plaque style and design, and inclusion of a sponsor's name and/or logo.
 - 7.2.7.3 The placement of temporary signs and plaques shall be determined between the Communication Manager and the appropriate Department Director. In the event of consensus not being reached, the Parks and Recreation Director's decision shall be final.
 - 7.2.7.4 Permanence of the sign is limited to the life of the asset.
 - 7.2.8 Name association to an event, program or project.
 - 7.2.9 Naming of a facility, feature or park (see Section 8.0).
- 7.3 Determining the form of recognition
 - 7.3.1 Annually, sponsor/donor opportunities and recognition tiers should be developed and/or reviewed by the Communication Manager and/or consultants or staff designated by the Director in collaboration with appropriate Department Directors.
 - 7.3.2 Annually, recommended sponsor/donor opportunities and recognition tiers should be presented to and approved by the Director and the Park Board.
 - 7.3.3 In determining the type and extent of recognition benefits, current market research data and cost analyses will be used to determine the value for each tangible and intangible benefit offered.
 - 7.3.4 If a recognition plan involves naming of a park, facility or feature within a park, the naming procedures will apply (Section 8.0).
- 7.4 Sample of sponsor/gift opportunities and recognition tiers: Each

sponsorship is negotiated and tailored; however, a hierarchy of benefits is associated with varied levels of sponsorships. The following are examples of benefits that may be included at various levels:

- 7.4.1 Lower investments may offer banner placements, give-away opportunities, recognition without logo in publications and social media, mention in a press release, recognition in remarks at the event, and recognition on site signs.
- 7.4.2 Mid-level investments may offer the above in addition to logo placement or advertisements in publications/print materials (e.g., the Activity Guide) and social media, passes or special access to events, product sampling, and waived fees for facility use.
- 7.4.3 High-level sponsorships may include the above plus name association to an event or program, designation as the official sponsor of an event or program, permanent signs or plaques, or naming rights of a park, facility or feature.

8 NAMING OF A PARK, FACILITY OR FEATURE

The following principles form the basis of the Division's consideration of naming or re-naming parks, facilities and features within a park (e.g., "Acme Park" or "Acme Field" or "Acme Fountain"). They do not apply to the associated naming of an event, program or project (e.g., "Acme Skate Night" or "Acme Softball Tournament"); those are temporary program name associations in accordance with the annual sponsor opportunities.

- 8.1 In accordance with the City Charter, Section 48, the Park Board may designate by name any park and structures thereon.
- 8.2 The recommendations for park, facility and feature names will be based on and chosen from the following criteria:
 - 8.2.1 Historic events, places and people related to Spokane and the region
 - 8.2.2 Exceptional individuals who have positively impacted parks and recreation in Spokane and the region
 - 8.2.3 In commemoration of a group or individuals who perished or survived a tragic event or war
 - 8.2.4 A suitable program or community related name which denotes an appropriate linkage to its function
 - 8.2.5 Living nominees must have been deemed by Park Board and the community to have made an outstanding contribution to the City
 - 8.2.6 Living political nominees must be retired from political life for at least five (5) years
 - 8.2.7 In recognition of a significant donation covering one or preferably more of the following:
 - 8.2.7.1 Sixty percent (60%) or more of the cost of the particular park or facility, or one hundred percent (100%) of the feature
 - 8.2.7.2 Deeding to the City all of the land on which the park,

- facility or feature will be situated
 - 8.2.7.3 Some long-term endowment for the repair and maintenance of the donated park; facility or feature
 - 8.2.7.4 The provision of costs that will service program needs
- 8.2.8 The duplication or repeat use of names will be avoided, where possible.
- 8.3 Renaming of a Park, Facility or Feature
 - 8.3.1 Proposals to rename parks are not allowed unless Park Board determines a legitimate public interest to do so.
 - 8.3.2 Proposals to rename facilities or features will be considered in accordance with any naming rights agreements (e.g., a 10-year agreement for naming rights to "Acme Fountain.")
- 8.4 Process for Naming Parks, Facilities and Features
 - 8.4.1 Anyone wishing to propose a name for a park, facility or feature must submit a written request to the Director. The request should include a brief synopsis of the reasons for the proposed name.
 - 8.4.2 All naming opportunities shall be developed under the guidance of the Communication Manager and/or a designated consultant in collaboration with the appropriate Department Director.
 - 8.4.3 The Communications Manager or other Parks staff may meet with neighborhood representatives, other City government organizations (e.g., Historic Preservation, Planning Services), or organizations concerned with parks and/or park facilities in order to prepare a recommendation.
 - 8.4.4 For assets with an annual contract dollar value at or less than \$20,000/year and/or at or less than five (5) years in duration, decisions about naming rights will be made within the Division and appropriate Department, and will not require Park Board approval (only Park Board notification through the appropriate committee).
 - 8.4.5 For assets with an annual contract dollar value greater than \$20,000 and/or greater than five (5) years in duration, the naming rights proposal will be submitted to the Park Board through the appropriate committee for approval.
 - 8.4.6 Accepted proposals will adhere to the City Charter, and all other relevant guidelines and procedures as previously outlined.
 - 8.4.7 If a new park or facility is completed and no fitting suggestion for a name has come from the community or in association with a gift, the Park Board will select a name and may involve community outreach (e.g., nominations, contest, etc.).

9.0 MEMORIALS, PLAQUES AND TRIBUTES

The following principles form the basis for the Division's consideration of memorial, plaque or tribute proposals and to help prevent proliferation of memorials, plaques and tributes:

- 9.1 Memorials, plaques or tributes should benefit the general public as a first priority with the benefit to the donor or honoree as a secondary goal.

- 9.2 Inventory options vary by location and are dependent upon space and need. The Director or Assistant Director of Park Operations will review and approve all requests.
- 9.3 An agreement will be consummated to include responsibilities related to the memorial or plaque, including but not limited to: installation costs including on-going upkeep, and replacement or repair costs.
- 9.4 Proposals of memorials, plaques or tributes in parks and recreation areas may include:
 - 9.4.1 New trees, tree replacement or seasonal planting beds;
 - 9.4.2 New or replacement park benches, picnic tables, barbeque pit stands, drinking fountains, or trash receptacles;
 - 9.4.3 New or replacement picnic shelters, play equipment or water misting stations
- 9.5 Accepted proposals will adhere to all other relevant guidelines and procedures as previously outlined.
- 9.6 Process for Memorials, Plaques and Tributes
 - 9.6.1 All memorial and plaque requests must be in writing and shall be referred to the Communication Manager.
 - 9.6.2 The Communication Manager is responsible for evaluation of requests and the provision of a recommendation to the Director of Park Operations or appropriate Department Director.
 - 9.6.3 The Communication Manager will liaise with the appropriate Department Director to execute the necessary agreement and benefit recognition provisions.

10.0 PLANNING AND FULFILLMENT

- 10.1 Sponsor and donation recognition will be determined as outlined in Section 7.0.
- 10.2 Solicitation Planning
 - 10.2.1 The Communication Manager and any designated consultants, in consultation with the Division Director and appropriate Department Directors, shall develop an on-going accrual plan that includes prioritized opportunities for the purpose of solicitation.
 - 10.2.2 Sponsorships and giving opportunities are either initiated by the Division through a formal Request for Sponsors (RFS) process, initiated by the Division or their representative based on perceived potential interest of a specific sponsor/donor, or self-initiated by the potential sponsor/donor.
 - 10.2.3 Identified opportunities shall be approved by the Director and subsequently communicated to the Spokane Parks

Foundation to facilitate an integrated approach to the procurement and management of sponsorships and gifts/donations by the two organizations.

10.2.4 Selected Parks and Recreation staff, Park Board members, and elected officials may be tasked with soliciting sponsors in accordance with the plan and upon their willingness.

10.2.5 All unsolicited sponsorship proposals shall be referred to the Communication Manager or designated consultant who shall be responsible for their evaluation and the provision of a recommendation to the appropriate authority level.

10.3 Fulfillment of Agreements

10.3.1 The Communication Manager shall liaise with the appropriate Department Director or their designee to execute the necessary sponsorship agreement and benefit recognition provisions.

10.3.2 Fulfillment of the promised recognition shall be the shared responsibility of the Communications Manager and the appropriate Department Director or their designee.

10.4 Monitoring and Performance Reporting

10.4.1 It will be reported annually by the Communication Manager or designated consultant to the Park Board the number of active sponsorships/donations and their dollar value.

11.0 TERMINATION

The Division reserves the right to terminate any contractual relationship should conditions arise during the life of the agreement that result in a conflict with this policy or if the agreement is no longer in the best interests of the Division. Decisions to terminate an agreement shall be made by the Director. Circumstances include but may not be limited to: the sponsor seeks to impose conditions that are inconsistent with the Division's mission, values, policies, and/or planning documents; a conflict of interest or policy arises during the agreement period; the potential sponsor is in litigation with the City of Spokane.

4.0 DEFINITIONS

- 4.1 "Social media" includes blogs and new shared information sites such as Twitter, Facebook, Pinterest, YouTube, Tumblr, Google Plus, Instagram, LinkedIn, etc. Such sites allow departments to distribute information through an additional public Internet presence. They are hosted outside of the City's network.

5.0 POLICY

5.1 Statement of Policy

- 5.1.1 Social Media is an evolving part of public communications efforts, and the City of Spokane is using blogs, Twitter, Facebook accounts, etc. to further enhance the City's outreach and provide an additional avenue to disseminate public information to constituents. Social media's immediate reach creates a demand for thoughtful use and dissemination of information.
 - 5.1.2 Division directors must approve the creation of social media accounts within their divisions and designate specific staff members to maintain the sites. The division directors also are responsible for monitoring appropriate use of the sites by their employees.
 - 5.1.3 No social media account shall be approved for departments or programs that do not generate enough news-worthy content to routinely post two (2) to three (3) times per work day.
 - 5.1.4 Staff members designated to write, post, and respond to items on social media sites act as additional public spokespersons for their department, division, and the City of Spokane. The City expects those staff members to adhere to best practices and to use common sense when using online outreach and community building. Staff must always remember that professional and personal lines can easily blur online, and at all times, they are representing their employer in their online interactions.
 - 5.1.5 All approved uses of social media must be reported to the City's Communications Director, who will maintain an overall inventory of such sites.
 - 5.1.6 Departments or programs without social media accounts are encouraged to send items to the Communications Department for posting on general City social media pages.
- 5.2 Employees are expressly forbidden to misuse any Social Media access privileges in any way that may include, but are not limited to:
- a. Using Social Media accounts for unlawful activities, including violations of copyright law, or for activities that are malicious or have a harassing effect on other users.
 - b. Violating the acceptable use policies of any network to which they connect to the account.

- c. Misrepresenting the City's brand, programs or policies in their communications.

6.0 PROCEDURE

- 6.1 Employees must get approval from their division director prior to creating a Social Media account for work-related purposes.

6.2 General Provisions

- 6.2.1 Some comments to City posts will need an answer. The answer needs to be timely and accurate.
- 6.2.2 Respect the account's audience and the City's workplace rules. Anything that is not acceptable in the workplace is not acceptable online—personal insults and obscenities, ethnic slurs, etc. Do not engage in topics that may be considered objectionable, inflammatory or derogatory.
- 6.2.3 Social media is subject to record retention requirements as set by state law.
- 6.2.4 All social media accounts must be connected to the City's social media archiving service for public records purposes.

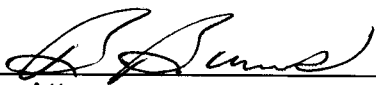

7.0 RESPONSIBILITIES

The Communications Department, in cooperation with the Human Resources Department, along with the City's division directors, is responsible for administering this policy.

City of Spokane Social Media Tips

Social Media is an emerging part of the City of Spokane's communications efforts. The Public Information and Communications staff are the primary leads on the use of social media. The use of blogs, Twitter, Facebook accounts, etc., are intended to further enhance the City's outreach, not replace other, more traditional, forms of outreach. The City expects staff entrusted with maintaining social media accounts to use best practices and common sense when engaging in on-line outreach and community building.

Be aware that professional and personal lines can easily blur on-line. If employees represent the City publicly, they should be prepared for people to find their names in social media circles, too.

- 1) Be honest and open.
- 2) Employees should identify themselves by name and role at the City.
- 3) Try to add value. The City's brand is best represented by its employees. What departments publish will reflect upon the City's reputation regarding the quality of work and services that are provided to the community.
- 4) Follow copyright and fair use laws.
- 5) Remember social media is subject to record retention, as set by state law.
- 6) If the employee publishes content to a site outside of the City of Spokane, make it clear that the employee is representing the City.
- 7) Do not pick fights; consider the tone of the response being given.
- 8) A Facebook or Twitter account needs frequent posts. One (1) to three (3) posts per day per account. Employees should plan out material that they can post about in their work day – weekly if possible – as a supplement to opportunistic content.
- 9) Social media and blog posts should be more casual than a new release. Both short and long-term entries work for the blog. Twitter is one hundred forty (140) characters, one hundred twenty (120) is ideal so it can be "re-tweeted."
- 10) Images drive (solicit or attract versus drives) views of social media posts and should be used frequently and include persons whenever possible.
- 11) Potential posts:

- a. Highlight a news release or other happening that would be of interest to people. e.g., community garden, Parks new pool and splash pads.
 - b. Interesting information about a department that is not worthy of full news release.
 - c. Interesting facts about the City and its programs during a particular time of year. e.g., summer street construction, Spokane river clean-up.
- 12) Follow key blogs and Twitter feeds related to the programs and services of the City. Know what individuals are saying about the City. Talk to the appropriate department head or Communications team if issues arise that need attention.
- 13) Employees should respect their audience and the City's workplace rules. Anything that is not acceptable in the workplace is not acceptable online—personal insults and obscenities, ethnic slurs, etc. Do not engage in topics that may be considered objectionable or inflammatory.

These contract documents are on file in the Parks and Recreation Department and are incorporated into this Contract by reference as if they were set forth at length. In the event of a conflict, or to resolve an ambiguity or dispute, federal and state requirements supersede this Contract, and this Contract supersedes the other contract documents.
3. **TIME OF PERFORMANCE.** The time of performance of the Contract shall begin on April 8, 2021 and shall run through March 1, 2022. Project time of completion and working days shall be in accordance with contract documents.
4. **LIQUIDATED DAMAGES.** Liquidated damages shall be in accordance with the contract documents.

THOUSAND NINE HUNDRED-FORTY-NINE AND NO/100 DOLLARS (\$2,129,949.00), including applicable taxes, unless modified by a written amendment to this Contract. This is the maximum amount to be paid under this Contract for the work described in Section 2 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

7. PAYMENT. The Contractor will send its applications for payment to the Parks and Recreation Department, 808 West Spokane Falls Blvd., Fifth Floor, Spokane, Washington 99201. All invoices should include the Department Contract No. "OPR XXXX-XXXX" and an approved L & I Intent to Pay Prevailing Wage number. 8. INDEMNIFICATION. The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

9. BONDS. The Contractor may not commence work until it obtains all insurance, permits and bonds required by the contract documents and applicable law. This includes the execution of a performance bond and a payment bond on the forms attached, each equal to one hundred percent (100%) of the contract price, and written by a corporate surety company licensed to do business in Washington State.

10. INSURANCE. The Contractor represents that it and its employees, agents and subcontractors, in connection with the Contract, are protected against the risk of loss by the insurance coverages required in the contract documents. The policies shall be issued by companies that meet with the approval of the City Risk Manager. The policies shall not be canceled without at least minimum required written notice to the City as Additional Insured.

11. CONTRACTOR'S WARRANTY. The Contractor's warranty for all work, labor and materials shall be in accordance with the contract documents.

12. WAGES. The Contractor and all subcontractors will submit a "Statement of Intent to Pay Prevailing Wages" certified by the industrial statistician of the Department of Labor and Industries, prior to any payments. The "Statement of Intent to Pay Prevailing Wages" shall include: (1) the Contractor's registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by the Contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the "Statement(s) of Intent to Pay Prevailing Wages" on file with the City. Prior to the payment of funds held under RCW 60.28, the Contractor and subcontractors must submit an "Affidavit of Wages Paid" certified by the industrial statistician.

15. SUBCONTRACTOR RESPONSIBILITY.

A. The Contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. 1. The utilization percentage requirement of apprenticeship labor for public works construction contracts shall also apply to all subcontracts which value exceeds one hundred thousand dollars (\$100,000), provided there is a state-approved apprenticeship program for the trade for which a subcontract is issued (see, SMC 7.06.510).
2. Each subcontractor which this chapter applies is required to execute a form, provided by the city, acknowledging that the requirements of Article X 07.06 SMC are applicable to the labor hours for the project.
3. Each subcontractor is required to submit by the 15th of each month, a City of Spokane Statement of Apprentice/Journeyman Participation form for worked performed the previous month.

16. NONDISCRIMINATION. General Construction Agreement

General Construction Agreement Date: Mar 24, 2021
Work Order # 1017952345

Expiration Date: Sep 20, 2021
Agreement No.: 38392

This General Construction Agreement (“Agreement”) is entered into between Avista Corporation, a Washington corporation (“Avista”), and the Requestor identified in Exhibit A, (“Requestor”) (sometimes, individually, a “Party”, and collectively, the “Parties”).

Background and Purpose

Requestor wishes to have Avista perform the work described in the attached Exhibit A (collectively, the “Work”) on or adjacent to property identified above (the “Property”). The purpose of this Agreement is to set forth the scope and terms and conditions under which Avista will perform the Work, together with the respective obligations of the Parties.

Therefore, the Parties agree as follows:

Section 1 Scope of Work

1.1 Avista will perform the Work described above and in the attached Exhibit A. The Work will be performed in accordance with Avista’s standards, as modified from time to time, as well as applicable law and, to the extent applicable, Avista’s Tariffs, as on file with the applicable state utilities commission

1.2 Avista will make every reasonable effort to commence the Work within thirty (30) days of execution of this Agreement and receipt of any monies owed in advance; provided, however, that Avista will not commence the Work until Requestor has complied with all requirements of this Agreement. Requestor acknowledges that the timing of the Work is dependent on Avista’s ability to schedule the same, and that completion of the Work may be delayed by conditions encountered in the course of the Work. Avista shall not be liable for any costs associated with delays in either the commencement or the completion of the Work.

1.3 Unless otherwise agreed to in writing, Avista shall retain ownership of any facilities that are installed by Avista, on the Property and upstream from the Requestor’s Point of Service, as that term is defined in Avista’s Tariffs (“Avista Facilities”).

Section 2 Compensation

2.1 Where a fixed charge is applicable, Requestor shall be responsible for the fixed charge as set forth in the attached Exhibit A. In all other instances, Requestor shall be responsible for Avista’s actual costs associated with performing the Work. An estimate of those costs is reflected in the attached Exhibit A. Requestor acknowledges that Avista’s actual costs may vary depending on conditions encountered during the course of the Work. In all cases, Requestor shall be responsible for all costs incurred in excess of Avista’s original estimate.

2.2 Requestor shall remit payment for the estimated cost of the Work, as reflected in the attached Exhibit ‘A’, prior to Avista’s commencement the Work. Requestor shall remit payment for any additional costs within thirty (30) days of their receipt of an invoice from Avista for the same.

2.3 Pre-Construction Obligations

2.3.1 In addition to the estimated cost of the Work, Requestor may be responsible for certain pre-construction obligations. Such pre-construction obligations may include, but are not limited to, trenching and final compaction. In the event Requestor is responsible for such pre-construction obligations, such cost responsibilities will be described in Exhibit A, attached hereto.

CUSTOMER COPY

2.3.2 If identified in Exhibit A, Requestor shall be required to provide all trenching, conduit, backfill, and padding as required to Avista specifications. At Avista's sole option, conduit may be provided by Avista. The location of said trenching shall be the responsibility of Requestor. To ensure the proper location of easements, prior to the commencement of the Work, Requestor shall certify that all utility trenching is located within the areas agreed upon by the parties.

2.3.3 Any work described in this Section or in Exhibit A and performed by Requestor, or a third party on behalf of Requestor, must meet Avista's specifications, pass Avista's inspection and be coordinated with Avista's scheduled work.

Section 3 Term of Agreement

This Agreement shall remain in effect until the Work has been completed, and Requestor has remitted payment in full for Avista's actual costs incurred.

Section 4 Requestor's Responsibilities

4.1 By signing this Agreement, Requestor authorizes Avista to proceed with any work necessary on the Property to accomplish the Work, and represents and warrants that they have fully authority to grant such authorization. This authorization includes, without limitation, the right to remove or otherwise disturb improvements on the Property, including lawns, shrubs, landscaping, driveways and sidewalks, for the purpose of the Work, and without any obligation to restore or reimburse Requestor for any resulting damages.

4.2 Requestor acknowledges that, in the event Requestor requests that Avista perform the Work during adverse ground/construction conditions ("Adverse Conditions"), including, without limitation, ice, water, mud or frozen ground due to winter weather, Requestor will be responsible for the repair of landscaping and/or other additional costs resulting from the performance of the Work during such Adverse Conditions.

4.3 Requestor acknowledges and understands that they are responsible for any damage to underground facilities that are not exposed by Requestor, including, but not limited to, sprinkler systems, sewer lines or other underground piping or wiring.

4.4 Requestor acknowledges that additional charges may apply in the event Avista is required to excavate in, drill through, or otherwise address rocky soil conditions.

4.5 Requestor is required to notify Avista in any instance where Requestor determines that construction or improvements on the Property may encroach on, or cross over, any Avista Facilities installed on the Property prior to commencing said activities. All costs related to subsequent relocation of any Avista Facilities necessitated by such encroachment shall be at Requestor's sole cost.

Section 5 Underground Locates

Prior to performing any required excavating work in relation to this Agreement, Avista and/or Requestor shall utilize the state-mandated one-call service to mark the location of other entities' underground utilities locations on the Property. When this Section is applicable to Avista, Avista will notify Requestor in advance of such excavation and make every reasonable effort to avoid or minimize any dislocation of improvements on the Property. However, Requestor is responsible for identifying or exposing any underground facilities not located by Avista prior to Avista performing the Work. In the event Requestor fails to identify or expose any underground facilities, Requestor will be solely responsible for any damage caused to such facilities, including, but not limited to, the cost to repair such facilities.

Section 6 Easements and Access to Property

Requestor grants Avista a perpetual right of ingress, egress and access over and across the Property to perform the Work, and to install, operate, inspect, replace and maintain any Avista Facilities installed as part of the Work. Upon request by Avista, Requestor shall grant, convey and warrant to Avista a perpetual, non-exclusive easement on, over, under, along and across the Property that ensures Avista's right to construct, reconstruct, operate, maintain, upgrade, repair, remove, relocate and said facilities and all related appurtenances. Such easement shall be in a form satisfactory to Avista and at no cost to Avista. In the event Avista is required to secure any additional easements or permits in order to install or maintain Avista Facilities installed pursuant to this Agreement, Requestor shall reimburse Avista for the actual costs applicable for securing such easements and permits. Requestor represents and warrants that they have full authority to make the commitments provided for in this Section.

Section 7 Mutual Indemnification

Each Party shall indemnify and defend the other Party, their directors, officers, employees and agents (collectively, "Indemnitees") from all claims, demands, suits losses, costs, and damages of every kind or nature, including attorney's fees (collectively, a "Loss") resulting from, arising out of, or in any way connected with any willful misconduct or negligence by the indemnifying Party. In the event that any such Loss is caused by the negligence of both Parties, the Loss will be borne by the Parties in proportion that their respective negligence bears to the total negligence causing the Loss.

Section 8 Party Representatives and Notices

8.1 Party Representatives

8.1.1 Avista's Construction Representative, identified in Exhibit A, will be the point of contact for Avista in all matters requiring Avista's approval, acceptance, authorization and/or notice under this Agreement.

8.1.2 Requestor's Representative, identified in Exhibit A, will be the point of contact for Requestor in all matters requiring Requestor's approval, acceptance, authorization and/or notice under this Agreement.

Such notices, demands, requests and other communications will be deemed given as of the date delivered, or, if sent electronically or by mail, upon receipt.

8.2.2 Either Party may change its address, designated Representative, or other point-of-contact or delegate by providing written notice to the other Party as set forth above.

9.2 Entire Agreement. This is the entire Agreement between the Parties with respect to the subject matter hereof. No other understandings, oral or otherwise, regarding the subject matter of this Agreement will bind the signatories to this Agreement unless agreed to by both Parties in writing.

9.3 Assignment by Requestor. Requestor shall not assign this Agreement, or any right or interest contained herein, without the prior written consent of Avista. General Construction Agreement

General Construction Agreement Date: Mar 24, 2021
Work Order # 1017952345

Expiration Date: Sep 20, 2021
Agreement No.: 38392

This General Construction Agreement (“Agreement”) is entered into between Avista Corporation, a Washington corporation (“Avista”), and the Requestor identified in Exhibit A, (“Requestor”) (sometimes, individually, a “Party”, and collectively, the “Parties”).

Background and Purpose

Requestor wishes to have Avista perform the work described in the attached Exhibit A (collectively, the “Work”) on or adjacent to property identified above (the “Property”). The purpose of this Agreement is to set forth the scope and terms and conditions under which Avista will perform the Work, together with the respective obligations of the Parties.

Therefore, the Parties agree as follows:

Section 1 Scope of Work

1.1 Avista will perform the Work described above and in the attached Exhibit A. The Work will be performed in accordance with Avista’s standards, as modified from time to time, as well as applicable law and, to the extent applicable, Avista’s Tariffs, as on file with the applicable state utilities commission

1.2 Avista will make every reasonable effort to commence the Work within thirty (30) days of execution of this Agreement and receipt of any monies owed in advance; provided, however, that Avista will not commence the Work until Requestor has complied with all requirements of this Agreement. Requestor acknowledges that the timing of the Work is dependent on Avista’s ability to schedule the same, and that completion of the Work may be delayed by conditions encountered in the course of the Work. Avista shall not be liable for any costs associated with delays in either the commencement or the completion of the Work.

1.3 Unless otherwise agreed to in writing, Avista shall retain ownership of any facilities that are installed by Avista, on the Property and upstream from the Requestor’s Point of Service, as that term is defined in Avista’s Tariffs (“Avista Facilities”).

Section 2 Compensation

2.1 Where a fixed charge is applicable, Requestor shall be responsible for the fixed charge as set forth in the attached Exhibit A. In all other instances, Requestor shall be responsible for Avista’s actual costs associated with performing the Work. An estimate of those costs is reflected in the attached Exhibit A. Requestor acknowledges that Avista’s actual costs may vary depending on conditions encountered during the course of the Work. In all cases, Requestor shall be responsible for all costs incurred in excess of Avista’s original estimate.

2.2 Requestor shall remit payment for the estimated cost of the Work, as reflected in the attached Exhibit ‘A’, prior to Avista’s commencement the Work. Requestor shall remit payment for any additional costs within thirty (30) days of their receipt of an invoice from Avista for the same.

2.3 Pre-Construction Obligations

2.3.1 In addition to the estimated cost of the Work, Requestor may be responsible for certain pre-construction obligations. Such pre-construction obligations may include, but are not limited to, trenching and final compaction. In the event Requestor is responsible for such pre-construction obligations, such cost responsibilities will be described in Exhibit A, attached hereto.

2.3.2 If identified in Exhibit A, Requestor shall be required to provide all trenching, conduit, backfill, and padding as required to Avista specifications. At Avista's sole option, conduit may be provided by Avista. The location of said trenching shall be the responsibility of Requestor. To ensure the proper location of easements, prior to the commencement of the Work, Requestor shall certify that all utility trenching is located within the areas agreed upon by the parties.

2.3.3 Any work described in this Section or in Exhibit A and performed by Requestor, or a third party on behalf of Requestor, must meet Avista's specifications, pass Avista's inspection and be coordinated with Avista's scheduled work.

Section 3 Term of Agreement

This Agreement shall remain in effect until the Work has been completed, and Requestor has remitted payment in full for Avista's actual costs incurred.

Section 4 Requestor's Responsibilities

4.1 By signing this Agreement, Requestor authorizes Avista to proceed with any work necessary on the Property to accomplish the Work, and represents and warrants that they have fully authority to grant such authorization. This authorization includes, without limitation, the right to remove or otherwise disturb improvements on the Property, including lawns, shrubs, landscaping, driveways and sidewalks, for the purpose of the Work, and without any obligation to restore or reimburse Requestor for any resulting damages.

4.2 Requestor acknowledges that, in the event Requestor requests that Avista perform the Work during adverse ground/construction conditions ("Adverse Conditions"), including, without limitation, ice, water, mud or frozen ground due to winter weather, Requestor will be responsible for the repair of landscaping and/or other additional costs resulting from the performance of the Work during such Adverse Conditions.

4.3 Requestor acknowledges and understands that they are responsible for any damage to underground facilities that are not exposed by Requestor, including, but not limited to, sprinkler systems, sewer lines or other underground piping or wiring.

4.4 Requestor acknowledges that additional charges may apply in the event Avista is required to excavate in, drill through, or otherwise address rocky soil conditions.

4.5 Requestor is required to notify Avista in any instance where Requestor determines that construction or improvements on the Property may encroach on, or cross over, any Avista Facilities installed on the Property prior to commencing said activities. All costs related to subsequent relocation of any Avista Facilities necessitated by such encroachment shall be at Requestor's sole cost.

Section 5 Underground Locates

Prior to performing any required excavating work in relation to this Agreement, Avista and/or Requestor shall utilize the state-mandated one-call service to mark the location of other entities' underground utilities locations on the Property. When this Section is applicable to Avista, Avista will notify Requestor in advance of such excavation and make every reasonable effort to avoid or minimize any dislocation of improvements on the Property. However, Requestor is responsible for identifying or exposing any underground facilities not located by Avista prior to Avista performing the Work. In the event Requestor fails to identify or expose any underground facilities, Requestor will be solely responsible for any damage caused to such facilities, including, but not limited to, the cost to repair such facilities.

Section 6 Easements and Access to Property

Requestor grants Avista a perpetual right of ingress, egress and access over and across the Property to perform the Work, and to install, operate, inspect, replace and maintain any Avista Facilities installed as part of the Work. Upon request by Avista, Requestor shall grant, convey and warrant to Avista a perpetual, non-exclusive easement on, over, under, along and across the Property that ensures Avista's right to construct, reconstruct, operate, maintain, upgrade, repair, remove, relocate and said facilities and all related appurtenances. Such easement shall be in a form satisfactory to Avista and at no cost to Avista. In the event Avista is required to secure any additional easements or permits in order to install or maintain Avista Facilities installed pursuant to this Agreement, Requestor shall reimburse Avista for the actual costs applicable for securing such easements and permits. Requestor represents and warrants that they have full authority to make the commitments provided for in this Section.

Section 7 Mutual Indemnification

Each Party shall indemnify and defend the other Party, their directors, officers, employees and agents (collectively, "Indemnitees") from all claims, demands, suits losses, costs, and damages of every kind or nature, including attorney's fees (collectively, a "Loss") resulting from, arising out of, or in any way connected with any willful misconduct or negligence by the indemnifying Party. In the event that any such Loss is caused by the negligence of both Parties, the Loss will be borne by the Parties in proportion that their respective negligence bears to the total negligence causing the Loss.

Section 8 Party Representatives and Notices

8.1 Party Representatives

8.1.1 Avista's Construction Representative, identified in Exhibit A, will be the point of contact for Avista in all matters requiring Avista's approval, acceptance, authorization and/or notice under this Agreement.

8.1.2 Requestor's Representative, identified in Exhibit A, will be the point of contact for Requestor in all matters requiring Requestor's approval, acceptance, authorization and/or notice under this Agreement.

8.2 Notices to the Parties

8.2.1 All notices, demands, requests, or other communications under this Agreement must be in writing and sent by mail (postage prepaid), or delivered to the other Party either electronically or by a recognized commercial courier, addressed as set forth in Exhibit A. Such notices, demands, requests and other communications will be deemed given as of the date delivered, or, if sent electronically or by mail, upon receipt.

8.2.2 Either Party may change its address, designated Representative, or other point-of-contact or delegate by providing written notice to the other Party as set forth above.

Section 9 Miscellaneous Provisions

9.1 Natural Gas and/or Electric Service: Any receipt and use of natural gas or electric service in connection with this Agreement shall be expressly conditioned upon, and subject to, all applicable Tariffs, as on file with the applicable state commission.

9.2 Entire Agreement. This is the entire Agreement between the Parties with respect to the subject matter hereof. No other understandings, oral or otherwise, regarding the subject matter of this Agreement will bind the signatories to this Agreement unless agreed to by both Parties in writing.

9.3 Assignment by Requestor. Requestor shall not assign this Agreement, or any right or interest contained herein, without the prior written consent of Avista. Assignment without Avista's prior written consent will be voidable at Avista's sole option. No such assignment, with or without Avista's prior written consent, will relieve Requestor from its responsibilities under this Agreement.

9.4 Survival. Any provision of this Agreement which may reasonably be interpreted or construed as surviving the completion, termination or cancellation of this Agreement will survive the completion, termination or cancellation of this Agreement.

9.5 Severability. The invalidity or unenforceability of any provision of the Agreement will not affect any other provisions; the Agreement will be construed in all respects as if such invalid or unenforceable provisions were omitted.

9.6 Amendments/Modifications. Any amendment or modification to the provisions of this Agreement will not be effective unless made by written amendment executed by both Parties.

9.7 Third Party Beneficiaries. Nothing in this Agreement is intended to confer any right or benefit on a person or entity not a Party to this Agreement, or impose any obligations of either Party to the Agreement on persons or entities not a Party to this Agreement.

9.8 Waiver of Provisions. The failure of a Party to insist upon or enforce performance of any of the provisions or to exercise any rights under the Agreement will not be construed as a waiver or relinquishment to any extent of its right to assert or rely upon any such provisions or rights in that or any other instance; rather, the same will be and remain in full force and effect.

9.9 Negotiation of Agreement. This Agreement, and each of the terms and provisions hereof, are deemed to have been explicitly negotiated, and the language in all parts of this Agreement shall, in all cases, be construed according to their fair meaning and not strictly for or against either Party.

9.10 Governing Law, Venue and Attorney's Fees. This Agreement will be construed and interpreted in accordance with the laws of the State in which the Property is located, excluding any choice of law rules. In the event of any action to enforce or interpret this Agreement, the prevailing party shall be entitled to an award of its reasonable costs and attorney's fees.

9.11 Effectiveness. This Agreement is effective on the date of the last signature below.

This Agreement has been signed by each Party's authorized representative on the date(s) set forth below.

Exhibit A – Spokane Park Board Member Duties and Responsibilities

SPOKANE PARK BOARD MEMBER DUTIES AND RESPONSIBILITIES FORM

Congratulations on your nomination to the Spokane Park Board. We hope you find your term on the Board rewarding. The Park Board is one of the most demanding and fulfilling board appointments in the City of Spokane. For this reason, we ask that you review and acknowledge the following “Member Duties and Responsibilities.” Knowing these duties and responsibilities will ensure that you are aware of your commitments to the Board and the expectations associated with your membership on the Spokane Park Board.

- A. The Spokane City Charter: Your appointment to the Park Board is pursuant to Article V of the Spokane City Charter. In accepting your appointment, you are presumed to have read Article V in its entirety and learned from it the scope of the Board’s responsibilities. While not exhaustive, the following highlights some of the key provisions of the Charter relating to the Board’s responsibilities:
- Complete control over expenditures from the Spokane Park Fund and expenditures from related park funds, such as the Golf Fund and Urban Forestry Fund: Typically this means an overall annual operating budget in excess of \$20 million, plus additional expenditures related to capital bond projects. The scope of this budget alone demands that members devote considerable time outside the regular meetings and committee meetings, so as to stay informed of Board activities.
 - The formulation and adoption of rules and regulations relating to Spokane Parks and Recreation facilities: By Charter the Park Board establishes policies and rules relating to park facilities, such as the Tobacco-Free Zones, sets pricing and fees for a variety of park facilities, etc.
 - Regular attendance at the required monthly and special meetings of the Spokane Board: Each Board member is expected to attend regular and special meetings of the Board, unless excused in advance by the President. The Spokane Park Board is scheduled for the second Thursday of each month at 3:30 p.m. unless otherwise posted. As a matter of practice, any absence is deemed excused so long as the President or Secretary is alerted in advance to your absence. There is no recent memory of a Board member being formally admonished for unexcused absenteeism, but it should be understood that continual absences may prompt the President to declare your absences unexcused, and three unexcused absences constitute grounds for removal from the Board.
- B. Park Board Bylaws: By Charter the Board is authorized to adopt bylaws relating to governance of the Board and its committees. The Bylaws were last revised and adopted October 2019, and are included in this Park Board Toolkit. By signing this form you acknowledge that you have read the Bylaws and understand them. A brief overview of these rules follows:

- There are nine Standing Committees of the Park Board. With Board consent, the President annually assigns Board members to committees and designates the chairs of those committees. Board members typically are assigned to at least three committees, and often serve as chair of at least one of those committees. Committees meet once per month, typically one to two weeks before the regular Park Board meeting. Depending on a given agenda item for the committee, Board members can expect to spend as much as one hour or more reviewing materials related to committee meetings and up to two hours at the committee meeting. Average monthly time commitment, excluding special Park Board meetings, ad hoc committees and special events, is 11-12 hours.

C. Additional Board member responsibilities include:

- New board members participate in an orientation provided by the director of Parks and Recreation, and the Board President. This is about a two-hour, one-time only meeting.
- Board members are called upon to attend additional special Parks and Recreation special events. A special event might include a site visit, a dedication event, public meetings, etc. These events are typically one hour long and will occur about two to three times a year.

D. Acknowledgement: As Respect to the Spokane Park Board, as a member of the Spokane Park Board, I acknowledge:

- I have read and understand the Member of the Board duties and responsibilities;
- I am responsible, collectively and with my fellow Board members, for ensuring effective governance, stewardship and strategic direction of the Spokane Parks and Recreation, and the Spokane Park Board;
- I understand and accept the time commitment involved as a Board member of the Spokane Park Board;
- I generally accept the duties and responsibilities of a Boardmember;

In signing this document, I understand that no rigid standards of measurement and achievement are being formed.

Exhibit A – Spokane Park Board Member Duties and Responsibilities

SPOKANE PARK BOARD
MEMBER DUTIES AND RESPONSIBILITIES FORM

Congratulations on your nomination to the Spokane Park Board. We hope you find your term on the Board rewarding. The Park Board is one of the most demanding and fulfilling board appointments in the City of Spokane. For this reason, we ask that you review and acknowledge the following “Member Duties and Responsibilities.” Knowing these duties and responsibilities will ensure that you are aware of your commitments to the Board and the expectations associated with your membership on the Spokane Park Board.

- A. The Spokane City Charter: Your appointment to the Park Board is pursuant to Article V of the Spokane City Charter. In accepting your appointment, you are presumed to have read Article V in its entirety and learned from it the scope of the Board’s responsibilities. While not exhaustive, the following highlights some of the key provisions of the Charter relating to the Board’s responsibilities:
- Complete control over expenditures from the Spokane Park Fund and expenditures from related park funds, such as the Golf Fund and Urban Forestry Fund: Typically this means an overall annual operating budget in excess of \$20 million, plus additional expenditures related to capital bond projects. The scope of this budget alone demands that members devote considerable time outside the regular meetings and committee meetings, so as to stay informed of Board activities.
 - The formulation and adoption of rules and regulations relating to Spokane Parks and Recreation facilities: By Charter the Park Board establishes policies and rules relating to park facilities, such as the Tobacco-Free Zones, sets pricing and fees for a variety of park facilities, etc.
 - Regular attendance at the required monthly and special meetings of the Spokane Board: Each Board member is expected to attend regular and special meetings of the Board, unless excused in advance by the President. The Spokane Park Board is scheduled for the second Thursday of each month at 3:30 p.m. unless otherwise posted. As a matter of practice, any absence is deemed excused so long as the President or Secretary is alerted in advance to your absence. There is no recent memory of a Board member being formally admonished for unexcused absenteeism, but it should be understood that continual absences may prompt the President to declare your absences unexcused, and three unexcused absences constitute grounds for removal from the Board.
- B. Park Board Bylaws: By Charter the Board is authorized to adopt bylaws relating to governance of the Board and its committees. The Bylaws were last revised and adopted October 2019, and are included in this Park Board Toolkit. By signing this form you acknowledge that you have read the Bylaws and understand them. A brief overview of these rules follows:

- There are ~~seven~~nine Standing Committees of the Park Board. With Board consent, the President annually assigns Board members to committees and designates the chairs of those committees. Board members typically are assigned to at least three committees, and often serve as chair of at least one of those committees. Committees meet once per month, typically one to two weeks before the regular Park Board meeting. Depending on a given agenda item for the committee, Board members can expect to spend as much as one hour or more reviewing materials related to committee meetings and up to two hours at the committee meeting. Average monthly time commitment, excluding special Park Board meetings, ad hoc committees and special events, is 11-12 hours.

C. Additional Board member responsibilities include:

- New board members participate in an orientation provided by the director of Parks and Recreation, and the Board President. This is about a two-hour, one-time only meeting.
- Board members are called upon to attend additional special Parks and Recreation special events. A special event might include a site visit, a dedication event, public meetings, etc. These events are typically one hour long and will occur about two to three times a year.

D. Acknowledgement: As Respect to the Spokane Park Board, as a member of the Spokane Park Board, I acknowledge:

- I have read and understand the Member of the Board duties and responsibilities;
- I am responsible, collectively and with my fellow Board members, for ensuring effective governance, stewardship and strategic direction of the Spokane Parks and Recreation, and the Spokane Park Board;
- I understand and accept the time commitment involved as a Board member of the Spokane Park Board;
- I generally accept the duties and responsibilities of a Board member;

In signing this document, I understand that no rigid standards of measurement and achievement are being formed.

A special committee of the Spokane Park Board

Updated: March 31, 2021

Purpose/Mission

The purpose of the Development and Volunteer Committee is to help guide fundraising priorities (capital and programmatic), and to enhance the growth and coordination of the “Friends of” volunteer groups who work to fulfill those fundraising priorities.

Goals

- Guide and support Parks & Recreation’s capital and programming fundraising priorities
- Serve as an umbrella over “Friends of” groups
- Foster the creation and growth of new “Friends of” groups

Objectives to obtain those goals

Goal: Guide and support Parks & Rec’s capital and programming fundraising priorities

- a. Develop an annual priority fundraising list for capital and programming projects, in concert with Parks & Recreation leadership and the full Park Board
- b. Develop a fundraising master plan
- c. Create toolkits/presentations/videos as needed
- d. Utilize Park Board members’ connections to solicit potential donors
- e. Develop procedures for accepting and recognizing funds

Goal: Serve as an umbrella over “Friends of” groups:

- f. Centralize MOU agreements for consistency
- g. Create a Citizens Advisory Committee (CAC) comprised of reps from all Friends groups, and Community Assembly/neighborhood councils as appropriate
- h. Increase coordination between Friends groups for shared resources, ideas, concerns/issues, marketing, and support
- i. Support Friends’ fundraising efforts, guided towards the determined fundraising priorities
- j. Support communication with their staff liaison and additional appropriate Park Board committees (i.e. Land, Riverfront Park)

Goal: Foster the creation and growth of new “Friends of” groups

- a. Create a Friends of Riverfront Park

Composition & Representation

The DVC is a “special” committee of the Park Board, similar to the Joint Arts Committee. All actions will come through a “regular” committee of the Park Board (i.e. Land, Riverfront). Please see Park Board Organizational Chart for reference.

It will be comprised of 50% Park Board and 50% non-Park Board community members. There will be four Park Board members, one representative from the CAC, and three business/community members.

As the weather improves and spring is on the way, I'm enjoying the sunshine today and thinking how sad it would be if the new water tank were to be built on the ridge directly behind our homes near 31st and Napa. Our sunlight would be cut off, taking the light and warmth we need. The negative impact on our lives would be significant. If you haven't seen the proposed site, I urge you to come over and see how close it is to us and visualize the damage the tank would cause if it were to be built here.

The site in Hamblen Park makes so much more sense. No nearby homes will be affected, and the cost will be so much less than what would have to be spent to build a road for heavy equipment and then blast tons of rock to make the 31st and Napa location suitable for the tank.

Thanks for your consideration,

Subject: Proposed South Hill Water Tank

Hello,

I live at the Rockridge View II Condominiums on east 30th, a few hundred feet from the 31st/Napa location that is being considered for the water tank. I'm writing to ask you to please consider the impact this would have on our neighborhood and our backyards. Because of the large amounts of basalt rock, there would be blasting, drilling and construction to get the ridge prepped for placement, not to mention the extra cost to the City. And once the tank is placed, we would lose any sunlight from the south and also the walking trails on the ridge.

Hamblen Park would be the ideal location for the tank because it would have little or no impact on the neighborhood. As all sketches have shown, it would leave a very small footprint where it is located as it would be surrounded by trees. Also, the cost would be considerably lower as there is easy access to the site.

I am asking you to please consider Hamblen Park for the location of the proposed water tank.

RE: Commemoration of King Cole

Dear Park Board:

Hal McGlathery called me recently to inform me that the Park Board is considering special commemoration of King Cole for Riverfront Park's 50th anniversary—and that you've formed a committee to study how to do so.

I fully support and applaud that effort. There is no one more deserving of such recognition than King Cole. Without his transformational vision, and without his herculean effort to rally our community and leverage a world's fair to realize that vision, there would not have been a Riverfront Park. Just as the Olmsteads are given credit for conceiving our present park system, so should we give credit to King Cole for envisioning and building the pathway to Riverfront Park.

So I ask you to "think big" when it comes to recognition and commemoration of King Cole. And, my suggestion for "thinking big" would be to name the Pavilion after him—The King Cole Pavilion. I suggest this because this gesture is significant and truly measures up to the man and his huge contribution to quality of life in Spokane.

I'm not opposed to the idea of a statue in King Cole's honor, but I'm lukewarm about it for two reasons. First, a statue in Riverfront Park (unless you build it on a scale something like the Lincoln Memorial) won't measure up to King Cole's accomplishment—and the scale of his statue should vastly exceed other statues elsewhere in the park. Second, we should be cautious about being excessive with statues and memorials, to the point where the park is dotted with them at every turn and starts to look like a cemetery.

Also, I realize that naming the Pavilion after King Cole might preclude selling the Pavilion's naming rights to a commercial enterprise. Basically I'm not fond of selling naming rights to publicly funded park features. Yes, I experienced the annual anxiety of strained park M&O budgets. But selling the naming rights of publicly funded park features always impressed me as somewhat crass—like selling one of your beloved children into indentured service because you couldn't otherwise afford them.

So I urge you to seriously consider naming the Pavilion after King Cole. The Pavilion is now clearly the park's glorious centerpiece...and it's completely appropriate to have that glory reflect on its founding father, King Cole.

Thanks for all your hard work.

Sincerely,

Steve McNutt

Past president and past member of the Park Board (for 12 years and 11 months)

P.S. Hal McGlathery and I haven't always been on the same page on how best to realize and execute Riverfront Park's vision. But our hearts have always been in the same place. On this issue, I think our hearts and visions are in alignment. So I'm thinking significant recognition of King Cole must be a really good idea. Go for it. And, again, think big.
