PROJECT: Make Beacon Hill Public – Phase 2

RE: Liberty Concrete LLC – Supplemental Bidder Responsibility Criteria

Part D: Record of Debarment/Disqualification

Has the bidder (including the primary contractor, any firm with which any of the primary contractor's owners, officers, or partners was associated) been debarred, disqualified, removed or has been otherwise prevented from bidding on, or completing any governmental agency or public works projects, including debarment by the federal, state, or other municipal government during the last five (5) years?

Thomas LaRiviere, Managing Member of Liberty Concrete LLC, is also President of LaRiviere, Inc, in which LaRiviere is debarred from bidding public works projects both as the prime contractor and a subcontractor in the state of Washington until December 2025. The debarment is due to prevailing wage violations required by the State of Washington. LaRiviere was audited on several projects that all ran concurrently. The violations were due to clerical errors primarily regarding the record keeping of Washington 4-10 agreements, in which these documents must be signed every 12 months by all employees that work on Washington public works projects. It was found that over the course of these projects there were periods in which there was a lapse between some forms, therefore overtime was not calculated accordingly. There was also calculation errors found in the fringes benefits for some employees pertaining to PTO and health insurance paid out within the time frame affected. LaRiviere has since changed several office staff, updated processes, been educated on these calculations by L&I, and changed how these time sensitive documents are filed and tracked to prevent future errors. LaRiviere has paid all wages, interest, fines, and penalties associated with the violations and will be in good standing once the debarment period has concluded.

Under Washington State business and licensing laws, Liberty Concrete LLC is its own licensed entity in the State of Washington. Liberty has approval through Washington State and L&I to bid public works jobs. The debarment of LaRiviere, Inc. has no effect on Liberty's ability, not only to bid on public work projects but to perform them as well. Furthermore, Thomas LaRiviere is not debarred from bidding on public works projects in the State of Washington.

Liberty Concrete LLC, in accordance with RCW 9A.72.085, verifying under penalty of perjury, that Liberty Concrete LLC is in compliance with the responsible bidder criteria of RCW 39.04.350(1)(g).

Subcontractor agrees to cooperate with and coordinate its efforts with Contractor and other subcontractors whose work may interfere with the Subcontract Work. Subcontractor shall participate in the preparation of coordination drawings and work schedules as may be required by Contractor in areas of congestion, specifically advising Contractor in writing of any interference by others within twenty-four (24) hours of discovery. Should Subcontractor fall behind, it shall take necessary action to meet and maintain job progress without additional compensation, and shall be liable to and reimburse Contractor for damages resulting from or related to any delay, including, but not limited to, overtime and off-hour supervisory costs incurred by Contractor and by any of its other Subcontractors resulting from or relating to such delay.

SECTION 4 PAYMENT

4.1 WAIVERS AND RELEASES. Contractor and Subcontractor expressly agree that Subcontractor shall provide, in a form satisfactory to Contractor, partial lien and claim waivers and releases on behalf of itself and all lower tier subcontractors and suppliers for their completed work. Subcontractor agrees that anyone completing a waiver or release on its behalf is authorized by Subcontractor to do so. Such partial lien and claim waivers and releases are an absolute condition precedent to Contractor's obligations to make progress or final payment to Subcontractor.

4.2 RIGHT TO PAYMENT. Subject to all other applicable terms in this Subcontract and Subcontractor's satisfaction of all payment prerequisites in the Contract Documents, Contractor shall pay Subcontractor the amount of its last approved application for payment within twenty (20) working days after Contractor receives payment from Owner for such progress billing. Contractor and Subcontractor expressly agree that Owner's payment to Contractor for the Subcontractor's account is an absolute condition precedent to Contractor's obligations to make progress or final payment to the Subcontractor. Subcontractor expressly

agrees to bear the risk of the Owner's non-payment, regardless of the reason. Subcontractor is relying on the credit of Owner, rather than Contractor, for payment of its Subcontract Work.

4.3 PAYMENT AS TRUST FUNDS. All payments to Subcontractor are trust funds for the payment of all sums owed by Subcontractor for labor, material, equipment, taxes, assessment, fees, penalties and all other charges pertaining to its work on the Project, and as such Subcontractor is a fiduciary for its employees, subcontractors, suppliers, and governmental entities to which taxes, assessments fees or penalties are owed, and shall pay them before it pays itself.

4.4 PAYMENT TO LOWER TIER ENTITIES. If it appears Subcontractor is not promptly paying its bills, if Subcontractor assigns or otherwise factors its accounts receivables, or if Contractor has any other grounds for concern, Contractor may take such steps as it deems necessary to insure that progress and final payments are used to pay such bills, including but not limited to the issuance of third party or two party checks.

4.5 WITHHOLDING PAYMENT. Contractor may withhold amounts otherwise due under this Subcontract, or under any other arrangement between the parties, as an offset to cover Contractor's reasonable estimate of any liability Contractor has incurred or may incur for which Subcontractor may be responsible under this Subcontract, or under any other agreement between the parties. This offset shall be subject to adjustment when the exact amounts of liability are determined, but in no event shall the amounts withheld bear interest.

4.6 UNIT PRICE PAYMENTS. In the event this Subcontract contains unit price items, it is understood and agreed that any quantities mentioned are approximate only, are based upon information furnished by Owner, and are subject to change as required by the Main Contract and as ordered and directed by Contractor. Price adjustments, if any, for variations in quantity are available to Subcontractor only if they are available to Contractor under the provisions of the Main Contract, and then only proportionate to any adjustment actually obtained by Contractor from the Owner.

SECTION 5 CHANGES

5.1 CHANGES AUTHORIZED. Contractor may at any time and without notice to Subcontractor's sureties, make changes in, additions to, deletions from or alterations in the Subcontract Work or time of performance. Should Subcontractor believe such order entitles it to extra time or compensation, it shall, within five working days from the date of such order, and prior to instituting the change, submit a change order proposal or cost estimate indicating the adjustment in price and/or contract time it is seeking. Failure to provide such proposal or estimate shall constitute a waiver by Subcontractor for any additional compensation or time but shall not relieve Subcontractor from performing the work and instituting the ordered changes. Should the parties be unable to agree on the price, Contractor may nevertheless order Subcontractor in writing to proceed with the Subcontract Work. Should Subcontractor begin work without such written order it shall be deemed to have waived any claim for additional compensation or time.

5.2 COMPENSATION FOR CHANGED WORK. Compensation for any change shall be based upon: (a) agreed upon lump sum; (b) unit prices previously agreed upon; (c) costs plus a mark-up not exceeding 10%, which percentage shall include overhead and profit; or (d) if the Subcontract amount is based upon the cost of the work plus a fee, then the amount shall be calculated as specified. Under any of the above methods the amount agreed upon shall include all time impacts, direct and indirect costs, and profit and overhead associated with the change. Furthermore, if the change is due to actions of the Owner or any person not a party to this Subcontract, then the compensation or time granted to Subcontractor shall be limited to the compensation or time Owner pays or grants Contractor for the change.

5.3 ALLOWANCE ON CHANGED WORK. Subcontractor shall be limited to the allowances for overhead and profit as stated in the Contract Documents. If such markups are not addressed in the Contract between Owner and Contractor, the allowance for overhead and profit shall not exceed 5% for work performed by lower tier subcontractors and 10% for work of subcontractor. This allowance for overhead and profit shall compensate Subcontractor for all costs of any kind attributable to direct and indirect delay, acceleration, or impact and for all noncraft labor, temporary construction facilities, engineering, estimating and home office costs, B&O taxes, or additional overhead because of extended time and any other cost incidental to the change in the Subcontract Work.

SECTION 6 UNCOVERING/CORRECTION OF WORK

6.1 UNCOVERING WORK. Subcontractor shall, at its own expense, uncover any portion of the Subcontract Work which it covered in violation of the Contract Documents or contrary to a directive issued by Contractor, or when Contractor reasonably believes that the covered work does not conform to the Contract Documents. Subcontractor shall uncover the work within twenty-four (24) hours of Contractor's directive to do so. If the uncovered work conforms to the Contract Documents, or if its non-conforming condition is not the fault of Subcontractor, then Subcontractor shall be reimbursed for the costs associated with uncovering and restoring the work. In all other cases Subcontractor shall be responsible for uncovering, correcting and restoring the work, including any damage to work performed by others which Subcontractor damaged in uncovering the Subcontract Work.

6.2 WARRANTIES. Subcontractor warrants the Subcontract Work and materials furnished hereunder to Contractor and Owner on the same terms, and for the same period, as Contractor warrants the work to Owner under the Main Contract. Subcontractor warrants that it will perform its Work in a good and workmanlike manner and in conformance with the Contract Documents. With respect to the Subcontract Work, Subcontractor shall assume all warranty obligations and responsibilities of Contractor under the Main Contract. Without limiting the preceding sentences, this warranty shall run at least one year from the Owner's final acceptance of the Project. In no event shall Subcontractor's obligation in this regard be less than the obligation to promptly correct improper or defective Subcontract Work or materials discovered within one year from the date of final acceptance of the Project by Owner.

SECTION 7 CLAIMS/DEFAULT

7.1 CLAIMS. Should Subcontractor desire to make a claim for additional compensation or time, or if it believes Contractor has breached the Subcontract, it shall submit a Notice of Claim within five (5) days of the directive or other event giving rise to the claim. The Notice of Claim shall provide, in as much detail and with as much supporting documentation as possible, the amount of additional compensation or time sought, and the contract provisions Subcontractor claims have been breached. Failure to provide such notice shall be deemed a waiver of any such claim.

7.2 DEFAULT. If Subcontractor refuses or fails to supply a sufficient quantity of skilled workers, proper materials, maintain the progress schedule, make prompt payment to laborers, subcontractors or suppliers, disregards any applicable law, or otherwise materially breaches this Subcontract, the Subcontractor shall be in default of this Agreement.

7.3 FAILURE TO CURE. If Subcontractor fails within three (3) days after written notification to commence and continue satisfactory correction of the default with diligence and promptness, then the Contractor, may without any prejudice to any other rights or remedies, shall have the right to any or all of the following remedies:

7.3.1 Supply sufficient laborers, material and equipment to complete the work and charge Subcontractor accordingly, including a 15% markup for overhead and profit;

7.3.2 Contract with other subcontractors to complete the work and back charge Subcontractor accordingly, including a 15% markup for overhead and profit; and/or

7.3.3 Withhold any payments due or to become due Subcontractor pending corrective action in amounts reasonably estimated as sufficient to cover potential losses.

7.3.4 Terminate this Subcontract upon three (3) days notice.

7.4 DELAYS. Contractor shall not be liable to Subcontractor for any damages or additional compensation as a consequence of delays caused by any person not a party to this Subcontract unless Contractor has first recovered the same on behalf of Subcontractor from said person, it being understood and agreed by Subcontractor that apart from such a recovery from said third party, Subcontractor's sole and exclusive remedy for delay shall be an extension of the Subcontract time.

7.5 WRONGFUL TERMINATION. If any finder of fact determines that Contractor wrongfully terminated Subcontractor for default, then the default termination shall be converted to one for convenience and damages shall be calculated as provided in Section 8.

SECTION 8 TERMINATION FOR CONVENIENCE

Contractor may terminate all or any part of this Subcontract at any time for Contractor's convenience. If Owner has terminated Contractor for convenience, Subcontractor shall be paid the amount due and paid from Owner to Contractor for the Subcontract Work, less markup. Otherwise, Contractor shall pay Subcontractor for the work actually performed prior to termination in an amount proportionate to the Subcontract Price. Contractor shall not be liable to Subcontractor for any other costs or amounts, including prospective profits or unabsorbed overhead on Subcontract Work not performed.

SECTION 9 INSURANCE

9.1 INSURANCE REQUIRED. Subcontractor shall procure, maintain and pay for such insurance as will protect against claims for bodily injury or for damage to property which may arise out of Subcontractor's Work or by the work of any lower tier subcontractor or by anyone employed by any of them or by anyone for whose acts any of them may be liable. Such insurance shall include, but not be limited to, Commercial General Liability, Excess Liability, Commercial Automobile Liability, Employers Liability and Workers Compensation. Subcontractor shall procure, maintain and pay for Workers Compensation Insurance coverage under the laws of the state where the work is performed. If Subcontractor is to provide any service involving asbestos, lead abatement, or other pollutant, Subcontractor shall also provide insurance coverage for asbestos/lead paint abatement/removal or pollution. **Minimum coverages and limits of liability for all insurance, shall be as specified in this section or if greater, the Main Contract.**

If a performance bond or liability insurance policy is required to be obtained by the subcontractor for the work covered or performed by this contract by subcontractor, subcontractor will provide a certificate of coverage and binder and/or policy declarations by a recognized insurance company or companies which requires notice to the Contractor of any lapse of coverage, payments delinquent, change in endorsements, intended cancellation of insurance reduction, alteration or other modifications which effect coverage to contractor, without giving 30 days notice to contractor as to the change in coverage. Notice shall be by regular mail to the address listed for contractor in this subcontract. Failure by Subcontractor to maintain insurance as required, Contractor may purchase said insurance or cure any default and deduct the cost of such insurance from the sums due the contractor or may maintain an action to recover said cost if no funds remain to be paid to subcontractor by this contract or retainage held. Failure by Subcontractor to maintain the required insurance constitutes a major breach of the Subcontract and in that event, Contractor is damaged by such breach, may pursue damages under applicable law or contract.

9.2 APPROPRIATE FORMS. Commercial General Liability insurance shall be based on Insurance Services Office ISO Form CG 00 01 or its equivalent and shall confer a status or contain an endorsement (Form CG 2503, or equivalent), requiring that the general aggregate limit of liability shall apply to this Project. The coverage includes Blanket Contractual Liability insurance applicable to Subcontractor's indemnity obligations under this Subcontract. The coverages required herein shall extend six years after substantial completion.

9.3 ADDITIONAL INSURED ENDORSEMENT. Subcontractor shall obtain both a Broad Form Additional Insured Status or Endorsement to its Commercial General Liability policy (Form CG 2010 10 01 and CG 2037 10 01 or equivalent) which includes completed operations coverage, as well as a Commercial Automobile Liability Policy, naming Contractor, Owner, and any other entity required by the Main Contract, as "additional insureds". The foregoing "additional insured" status or endorsements shall also include coverage for liability arising out of (a) completed operations for six years following substantial completion, (b) operations performed for Contractor or Owner by Subcontractor, (c) acts or omissions of Contractor or Owner in connection with general supervision of Subcontractor's operations, and (d) claims for bodily injury, death or property damage brought against Contractor or Owner by Subcontractor's employees, or the employees of Subcontractor's subcontractors of any tier, however caused, related to the performance of the work under the Main Contract. The insurance afforded to above stated additional insureds under Subcontractor's policies shall be primary insurance and not excess over, or contributing with, any

insurance purchased or maintained by additional insureds, and shall confer a status or contain an endorsement which provides the same. In the event Subcontractor and Contractor are covered by Contractor's insurance, Contractor's policy shall only apply in excess of Subcontractor's policy. Subcontractor shall provide Additional Insured Endorsements to Contractor upon request. Subcontractor shall not name Contractor or Owner as additional insured on a professional services liability agreement.

9.4 WORKER'S COMPENSATION. Owner-operators are required to furnish Worker's Compensation certificates, notwithstanding any statutory exemptions. For states that do not require Worker's Compensation coverage, Owner/Operators shall elect into coverage under the Workers Compensation laws of the governing state. Owner/Operators shall file with the Industrial Insurance Commission a written declaration stating that the provisions of the Worker's Compensation laws shall apply to it and its surety. The effective date of such coverage shall be the date of commencement of work under this Subcontract. Owner/Operators shall make all payments as they become due and shall furnish evidence satisfactory to Contractor of the same. Should Owner/Operator choose to revoke its election of coverage, fail to furnish satisfactory evidence of payment, or fail to elect into Worker's Compensation coverage, payments for the same shall be deducted from the Subcontract amount or from monthly progress payments, due the Subcontractor at Contractor's sole election.

9.5 LIMITS. Subcontractor is required to carry insurance for the amounts specified below and shall present current Certificates of Insurance and endorsements to Contractor prior to doing any work at the site. Those Certificates of Insurance shall be based on 25S Acord Form or equivalent and shall, together with appropriate endorsements, include the coverages described above and shall contain limits in the minimum amounts specified below. If Subcontractor receives any notices of cancellation or non-renewal, or any additional restrictive modifications, it shall immediately forward such notices to Contractor, but in no event later than five (5) days after receipt of same. Such Certificates of Insurance and applicable endorsements required herein shall be in a form acceptable to Contractor and shall provide satisfactory evidence that Subcontractor has complied with all insurance requirements. If Subcontractor's existing policy provides higher limits than those specified below, the higher limits shall be applicable and the certificates of insurance provided by Subcontractor shall reflect those higher limits, otherwise Subcontractor shall provide insurance with the following minimum coverage limits below:

[Remainder of Page Intentionally Left Blank]

Further, there shall be a 30-day written notice to Contractor of any reduction of coverage limits of liability for this policy. This policy shall have an extended reporting period of at least 24 months from the Substantial Completion of the Project. If hauling hazardous waste is part of the Subcontract Work, then this insurance and limits must be applicable to hazardous waste hauling vehicles and include an MCS 90 endorsement and the ISO Form CA 9948 (Pollution Liability Broadened Coverage for Business Automobile). If CGL 12/04 or later edition is provided, the CA0051 1204 Mobile Equipment Subject to Motor Vehicles Laws shall also be provided. This additional endorsement is not required if the 2006 ISO Auto form is provided.</i>

9.6 WAIVER OF SUBROGATION.

Contractor and Subcontractor waive all rights against each other and by and between the Subcontractor's lower tier subcontractors, suppliers, agents and employees for damages caused by fire or other perils to the extent covered by insurance obtained pursuant to this Subcontract or any other property insurance applicable to

the Work, except such rights as they may have to the proceeds of such insurance held by Contractor or Owner as fiduciary. Subcontractor shall require its lower tier subcontractors and suppliers to similarly waive subrogation in writing in favor of each of the parties named herein. The policies shall provide such waivers of subrogation by endorsement or otherwise. A waiver of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in the property damaged.

SECTION 10 INDEMNIFICATION

10.1 GENERAL RESPONSIBILITIES.

In addition to any other defense, indemnity or hold harmless obligation imposed on Subcontractor by the Subcontract or applicable law and to the fullest extent permitted by law, Subcontractor shall defend and indemnify and hold harmless, Owner, Contractor, and their respective directors, officers, employees, parents and subsidiaries of any tier, sureties, representatives, agents, successors and assigns, and any and all representatives, agents, directors, officers, employees of any of the foregoing ("Indemnified Parties") from claims, demands, costs, attorney fees, causes of action, judgments, fines, penalties, interest and liabilities of every kind whatsoever arising out of or in connection with this Subcontract, which includes but is not limited to, acts, omissions, services, work, product or fault of Subcontractor or its agents, representatives, suppliers, employees, or subcontractors. This defense and indemnity shall extend to claims occurring after this agreement is terminated as well as while it is in force. The defense and indemnity shall apply regardless of any active and/or passive negligent act or omission of the Owner, Contractor, Architect, or their agents or employees, but Subcontractor shall not be obligated to indemnify any party for claims arising out of the sole negligence or willful misconduct of the

Contractor or its agents or employees. The defense and indemnity set forth in the section shall not be limited by any insurance requirements, or by any provision of this Agreement.

Defense cost recovery shall include all fees (of attorneys and experts), and costs and expenses incurred in good faith.

Claims arising out of the injury or death to Subcontractor's own employees, and Subcontractor's obligations thereof are not limited by provisions of any Worker's Compensation or similar statute. Further, except as expressly required by law, no indemnification or defense obligation under the Subcontract shall be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable to or for any third party under workers' compensation acts; provided Subcontractor's waiver of immunity by the provisions of this section extends only to claims against Subcontractor by Contractor, and does not include, or extend to, any claims by Subcontractor's employees directly against Subcontractor.

Subcontractor acknowledges this Section applies to any breach of the obligations set forth in Section 2 (Safety).

Subcontractor's obligations under this Section survive termination of this Agreement and shall not be affected or limited in any way by any insurance required of or provided to Subcontractor under the Subcontract.

Claims by Contractor for defense and indemnity against Subcontractor shall be exempt from statutes of limitation and statutes of repose to the extent that claims by the Owner or any upper-tier contractor are exempt from those statutes. Notwithstanding any other statutory or contractual provision to the contrary, claims for defense and/or indemnity by Contractor against Subcontractor shall not be time-barred, provided that they are brought within 90 days of the service of suit on such claims against Contractor by Owner, any upper-tier contractor, or third party to this Subcontract.

10.2 WAIVER OF WORKER'S COMPENSATION IMMUNITY. For the purposes of these indemnification provisions only, Subcontractor specifically and expressly waives any immunity that may be granted it under the worker's compensation laws of any state; provided that such waiver shall be expressly limited to Subcontractor's indemnity obligations herein and shall not be intended as a benefit to any third party. Further, the indemnification obligation under this Subcontract shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable to or for any third party under worker's compensation acts, disability benefits acts, or other employee benefits acts.

10.3 INDEMNIFICATION SURVIVES TERMINATION. Subcontractor's indemnification obligations as stated herein shall extend to claims occurring after this subcontract agreement is terminated as well as while it is in force.

10.4 DUTY TO DEFEND. At Contractor's option, Subcontractor shall either defend Indemnitees using a law firm chosen by Contractor or reimburse Contractor for its defense costs in all lawsuits or other actions arising out of the foregoing obligations. Subcontractor's defense obligations shall not be apportioned or reduced in any way by the negligence or fault of Indemnitees.

THE UNDERSIGNED HEREBY CERTIFY THAT THIS SECTION WAS MUTUALLY NEGOTIATED.

Subcontractor further agrees to be bound by the decision resulting from that dispute to the same extent as Contractor, whether or not it was a party to the proceeding. Furthermore, Subcontractor will suspend or stay any action against Contractor pending resolution of Contractor's dispute with Owner, if any. Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II - Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III - Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;
whichever is less.

This endorsement shall not increase the applicable limits of insurance.

Such person(s) or organization(s) is an insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person(s) or organization(s).

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

1. Required by the contract or agreement you have entered into with the additional insured; or
2. Available under the applicable limits of insurance;

The projects as specified in the written contracts or agreements

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I - Coverage **A**, and for all medical expenses caused by accidents under Section I - Coverage **C**, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage **C** regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

 - 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E.** The provisions of Section III - Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section IV – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of such "controlling underlying insurance".

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

- (1) The amount we will pay for "ultimate net loss" is limited as described in Section II – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.
- b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as, a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".
 - c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

- (1) First-party physical damage coverage;
- (2) No-fault coverage;
- (3) Personal injury protection or auto medical payments coverage; or
- (4) Uninsured or underinsured motorists coverage.

c. Pollution

- (1) "Injury or damage" which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage".

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or suits brought, or number of vehicles involved;
- c. Persons or organizations making claims or bringing suits; or
- d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this Coverage Part will apply as follows:

- a. This insurance only applies in excess of the "retained limit".
- b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part. However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "controlling underlying insurance".
- c. Subject to Paragraph 2.b. above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".
- d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

- (1) How, when and where the "event" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any "injury or damage" arising out of the "event".

- b. If a claim is made or suit is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

- c. You and any other insured involved must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

- a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and
- b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION IV – DEFINITIONS

The definitions applicable to any "controlling underlying insurance" also apply to this insurance. In addition, the following definitions apply.

2. "Controlling underlying insurer" means any insurer who provides any policy of insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

 - a. Settlements, judgments, binding arbitration; or
 - b. Other binding alternate dispute resolution proceeding entered into with our consent.

"Ultimate net loss" includes defense expenses if the "controlling underlying insurance" specifies that limits are reduced by defense expenses.

EXCESS (FOLLOWING FORM) LIABILITY INSURANCE

THIS POLICY PROVIDES FOLLOWING FORM COVERAGE AND WILL BE CLAIMS-MADE WHEN FOLLOWING CLAIMS-MADE "CONTROLLING UNDERLYING INSURANCE". PLEASE READ THE ENTIRE FORM CAREFULLY.

Various provisions in this insurance restrict coverage. Read the entire contract carefully to determine rights, duties and what is and is not covered.

Throughout this insurance the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the Company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – EXCESS (FOLLOWING FORM) LIABILITY COVERAGE

1. INSURING AGREEMENT

- a. We will pay on behalf of the insured those sums, in excess of the "applicable underlying limit", that the insured becomes legally obligated to pay as damages to which this insurance applies, provided that the "controlling underlying insurance" would apply to such damages but for the exhaustion of its applicable limits of insurance. If a sublimit is specified in any "underlying insurance", this insurance does not apply to damages that are in excess of that sublimit unless such sublimit is shown for that "underlying insurance" in the Schedule Of Underlying Insurance or the Schedule Of Controlling Underlying Insurance in the Declarations.
- b. This insurance is subject to:
 - (1) The same terms, conditions, agreements, exclusions and definitions as the "controlling underlying insurance", except with respect to any provisions to the contrary contained in this insurance; and
 - (2) Any additional exclusions not contained in the "controlling underlying insurance" that are contained in any other "underlying insurance".
- c. For the purposes of Paragraph a. above, the applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance or the Schedule Of Controlling Underlying Insurance in the Declarations can only be reduced or exhausted by the following payments:
 - (1) Payments of judgments or settlements for damages that are covered by such "un-

derlying insurance". However, if such "underlying insurance" has a policy period which differs from the policy period of this Excess (Following Form) Liability Insurance Policy, none of such payments can be for damages that would not be covered by this Excess (Following Form) Liability Insurance Policy because of its different policy period; or

- (2) "Medical expenses" incurred for bodily injury caused by an accident that takes place during the policy period of this Excess (Following Form) Liability Insurance Policy.

If the applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance or the Schedule Of Controlling Underlying Insurance in the Declarations are reduced or exhausted by other payments, this insurance is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had such limit not been reduced or exhausted by such other payments.

2. DEFENSE OF CLAIMS OR SUITS

- a. We will have no duty to defend any claim or "suit" regardless of whether the claim or "suit" is for damages to which this insurance applies.
- b. We will have the right but not the duty to associate in the investigation, settlement or defense of any claims or "suits" for damages to which this insurance is likely to apply.
- c. We may investigate and settle any claim or "suit" at our discretion.

EXCESS (FOLLOWING FORM)

d. We will pay, with respect to any claim or "suit" for which we associate in the defense of the claim or "suit" or for which we pay our part of a judgment:

- (1) All expenses we incur.
- (2) The cost of appeal bonds and bonds to release attachments, but only for bond amounts within the "applicable limit of insurance". We do not have to furnish these bonds.
- (3) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the "applicable limit of insurance", we will not pay any prejudgment interest based on that period of time after the offer.

These payments will not reduce the "applicable limit of insurance".

3. EXCLUSIONS

In addition to the exclusions contained in any "underlying insurance", the following exclusions apply to this insurance:

a. Asbestos

- (1) Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of asbestos, asbestos fibers or products containing asbestos, provided that the damages are caused or contributed to by the hazardous properties of asbestos.
- (2) Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapors, soot, fumes, acids, alkalis, chemicals and waste, and that is part of any claim or "suit" which also alleges any damages described in Paragraph (1) of this exclusion.
- (3) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, asbestos, asbestos fibers or products containing asbestos; or
 - (b) Claim or "suit" by or on behalf of a governmental authority because of

testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, asbestos, asbestos fibers or products containing asbestos.

b. Employment-Related Practices

Damages because of injury to:

- (1) A person arising out of any:
 - (a) Refusal to employ that person;
 - (b) Termination of that person's employment; or
 - (c) Employment-related practices, policy, act or omission, such as coercion, demotion, evaluation, reassignment, discipline, failure to promote or advance, harassment, humiliation, discrimination, libel, slander, violation of the person's right of privacy, malicious prosecution or false arrest, detention or imprisonment, applied to or directed at that person, regardless of whether such practice, policy, act or omission occurs, is applied or is committed before, during or after the time of that person's employment; or
- (2) The spouse, child, parent, brother or sister of that person as a consequence of injury to that person as described in Paragraph (1) (a), (b) or (c) of this exclusion.

This exclusion applies:

- (1) Whether the insured may be held liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

c. ERISA, COBRA and Similar Laws

Any obligation of the insured under:

- (1) The Employees Retirement Income Security Act Of 1974 (ERISA);
- (2) The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA); or
- (3) Any similar common or statutory law of any jurisdiction;

including any amendments to such laws.

d. War

Damages arising out of:

- (1) War, including undeclared or civil war; or

- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

SECTION II – WHO IS AN INSURED

Any person or organization qualifying as an insured under the "controlling underlying insurance" is an insured under this policy.

If you have agreed to provide insurance for that person or organization in a written contract or agreement:

1. The limits of insurance afforded to such person or organization will be:
 - a. The amount by which the minimum limits of insurance you agreed to provide such person or organization in such written contract or agreement exceed the total limits of insurance of all applicable "underlying insurance"; or
 - b. The Limits of Insurance of this policy shown in the Declarations; whichever is less; and
2. Coverage under this policy does not apply to such person or organization if the minimum limits of insurance you agreed to provide such person or organization in such written contract or agreement are wholly within the total limits of insurance of all applicable "underlying insurance".

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
2. The Aggregate Limit is the most we will pay for all damages covered under this policy, except:
 - a. Damages because of injury or damage included in the "auto hazard"; or
 - b. Damages because of injury or damage for which insurance is provided under any Aircraft Liability coverage included as "controlling underlying insurance" to which no aggregate limit applies.

If a policy of "underlying insurance" that is immediately underlying this policy applies a separate products-completed operations aggregate limit in that same policy, a separate Aggregate Limit will apply to all damages covered under this policy that would have been subject to such products-completed operations aggregate limit in that policy of "underlying insurance".

3. Subject to Paragraph 2. above, the Occurrence Limit is the most we will pay for all damages covered under this policy arising out of any one "event" to which the applicable "controlling underlying insurance" applies a limit of insurance that is separate from the aggregate limit of insurance under that insurance.
4. The limits of this insurance apply separately to each consecutive annual period and to any remaining period of less than 12 months. The policy period begins with the effective date shown in the Declarations. If the policy period is extended after issuance for an additional period of less than 12 months, the additional period will be deemed part of the last preceding period.

SECTION IV – CONDITIONS

1. APPEALS

- a. If the insured or the insured's "underlying insurer" elects not to appeal a judgment which exceeds the "applicable underlying limit", we may do so.
- b. If we appeal such a judgment, we will pay all costs of the appeal. These sums are in addition to the "applicable limit of insurance". In no event will our liability exceed the "applicable limit of insurance".

2. BANKRUPTCY

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this insurance.

In the event of bankruptcy or insolvency of any "underlying insurer", this insurance will not replace such bankrupt or insolvent "underlying insurer's" policy, and this insurance will apply as if such "underlying insurer" not become bankrupt or insolvent.

3. CANCELLATION

- a. The first Named Insured shown in the Declarations may cancel this insurance by mailing or delivering to us advance written notice of cancellation.

EXCESS (FOLLOWING FORM)

b. We may cancel this insurance by mailing or delivering to such first Named Insured written notice of cancellation at least:

- (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

c. We will mail or deliver our notice to such first Named Insured's last mailing address known to us.

d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

e. If this insurance is cancelled, we will send such first Named Insured any premium refund due. The refund will be pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

4. CHANGES

This policy contains all the agreements between you and us concerning the insurance afforded. No change can be made in terms of this insurance except with our consent. The terms of this insurance can be amended or waived only by endorsement issued by us and made a part of this insurance.

5. DUTIES REGARDING AN EVENT, CLAIM OR SUIT

a. You must see to it that we are notified promptly of an "event" which may result in a claim under this insurance. Notice should include:

- (1) How, when and where the "event" took place; and
- (2) The names and addresses of any persons or organizations sustaining injury, damage or loss, and the names and addresses of any witnesses.

b. If a claim is made or "suit" is brought against any insured which may result in a claim against this insurance, you must see to it that we receive prompt written notice of the claim or "suit".

c. The insured must:

- (1) Cooperate with the "underlying insurers";

- (2) Comply with the terms of the "controlling underlying insurance"; and

- (3) Pursue all rights of contribution or indemnity against any person or organization who may be liable to the insured because of the injury, damage or loss for which insurance is provided under this policy or any policy of "underlying insurance".

d. If we associate in the investigation, settlement or defense of any claim or "suit", the insured must cooperate with us.

6. EXAMINATION OF YOUR BOOKS AND RECORDS

We may examine and audit your books and records as they relate to this insurance:

- a. At any time during the policy period;
- b. Up to three years after the end of the policy period; and
- c. Within one year after final settlement of all claims under this insurance.

7. INSPECTIONS AND SURVEYS

We have the right but are not obligated to:

- a. Make inspections and surveys at any time;
- b. Give you reports on the conditions we find; and
- c. Recommend changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. We do not warrant that conditions:

- a. Are safe or healthful; or
- b. Comply with laws, regulations, codes or standards.

8. LEGAL ACTION AGAINST US

No person or organization has a right under this insurance:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this insurance unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured. We will not be liable for damages that:

- a. Are not payable under the terms of this insurance; or
- b. Are in excess of the "applicable limit of insurance".

An agreed settlement means a settlement and release of liability signed by us, by the insured and by the claimant or the claimant's legal representative.

9. MAINTENANCE OF UNDERLYING INSURANCE

The insurance afforded by each policy of "underlying insurance" will be maintained for the full policy period of this Excess (Following Form) Liability Insurance Policy. This provision does not apply to the reduction or exhaustion of the aggregate limit or limits of such "underlying insurance" solely by payments as permitted in paragraph 1.c. of Section I – Excess Liability Coverage. As such policies expire, you will renew them at limits and with coverage at least equal to the expiring limits of insurance. If you fail to comply with the above requirements, this insurance is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had you complied with the above requirements.

The first Named Insured shown in the Declarations must give us a written notice of any change in the "underlying insurance" as respects:

- a. Coverage;
- b. Limits of insurance;
- c. Termination of any coverage; or
- d. Exhaustion of aggregate limits.

If you are unable to recover from any "underlying insurer" because you fail to comply with any term or condition of your "underlying insurance", this insurance is not invalidated. However, we will pay for any loss only to the extent that we would have paid had you complied with that term or condition in that "underlying insurance".

10. OTHER INSURANCE

This insurance is excess over any valid and collectible other insurance whether such other insurance is stated to be primary, contributing, excess, contingent or otherwise. This provision does not apply to a policy bought specifically to apply as excess of this insurance or as quota share with this insurance.

As used anywhere in this policy, other insurance:

- a. Means insurance, or the funding of losses, that is provided by, through or on behalf of:
 - (1) Another insurance company;

- (2) Us or any of our affiliated insurance companies;
- (3) Any risk retention group;
- (4) Any self-insurance method or program, including any failure to buy insurance, or decision to not buy insurance, for any reason, in which case the insured will be deemed to be the provider of other insurance; or
- (5) Any similar risk transfer or risk management method.

- b. Does not include any "underlying insurance".

11. OUR RIGHT TO RECOVER FROM OTHERS

If we make a payment under this insurance, the insured will assist us and the "underlying insurer" in recovering what we paid by using the insured's rights of recovery. Reimbursement will be made in the following order:

- a. First, to any person or organization (including us or the insured) who has paid any amount in excess of the applicable limit of insurance";
- b. Next, to us; and
- c. Then, to any person or organization (including the insured and the "underlying insurer") that is entitled to claim the remainder, if any.

Expenses incurred in the process of recovery will be divided among all persons or organizations receiving amounts recovered according to the ratio of their respective recoveries.

12. PREMIUM

- a. The first Named Insured shown in the Declarations is responsible for the payment of all premiums and will be the payee for any return premiums.
- b. If the premium is a flat charge, it is not subject to adjustment except as provided in Paragraph d. below.
- c. If the premium is other than a flat charge, it is an advance premium only. The earned premium will be computed at the end of the policy period, or at the end of each year of the policy period if the policy period is two years or longer, at the rate shown in the Declarations, subject to the Minimum Premium.
- d. Additional premium may become payable when coverage is provided for additional insureds under the provisions of Section II – Who Is An Insured.

13. PREMIUM AUDIT

If this policy is auditable:

- a. The first Named Insured shown in the Declarations must keep records of the information we need for premium computation, and send us copies at such times as we may request.
- b. At the close of each audit period, we will compute the earned premium for that period.
- c. Audit premiums are due and payable on notice to such first Named Insured.
- d. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to such first Named Insured, subject to the Minimum Premium.

14. REPRESENTATIONS

By accepting this insurance, you agree:

- a. The statements in the Declarations and any subsequent notice relating to "underlying insurance" are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this insurance in reliance upon your representations.

15. SEPARATION OF INSURED

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured shown in the Declarations, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

16. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS INSURANCE

Your rights and duties under this insurance may not be transferred without our written consent except in the case of death of an individual Named Insured.

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

17. WHEN LOSS IS PAYABLE

If we are liable under this insurance, we will pay for injury, damage or loss after:

- a. The insured's liability is established by:
 - (1) A court decision; or
 - (2) A written agreement between the claimant, the insured, any "underlying insurer" and us; and
- b. The amount of the "applicable underlying limit" is paid by or on behalf of the insured.

18. WHEN WE ARE PROHIBITED FROM PAYING DAMAGES ON BEHALF OF AN INSURED

If the laws or regulations of a country or jurisdiction prohibit us from paying, on behalf of an insured, amounts that the insured is legally obligated to pay as damages to which this insurance applies, the insured may pay such damages with our consent.

If the insured gives us proof of such payments, we will repay the insured for such damages. But we will only repay the insured for such damages until we have used up the "applicable limit of insurance" in the payment of judgments or settlements.

19. WHEN WE ARE PROHIBITED FROM PAYING OTHER EXPENSES ON BEHALF OF AN INSURED

If the laws or regulations of a country or jurisdiction prohibit us from paying expenses described in Paragraph 2.d. of Section I – Excess Liability Coverage on behalf of an insured, we will repay the insured for such expenses that the insured incurs with our consent.

20. CURRENCY

Payments for damages or expenses described in Paragraph 2.d. of Section I – Excess Liability Coverage will be in the currency of the United States of America. At our sole option, we may make these payments in a different currency. Any necessary currency conversion for such payments will be calculated based on the rate of exchange published in the Wall Street Journal immediately proceeding the date the payment is processed.

- 2. "Applicable underlying limit" means the sum of:
 - a. The applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance or the Schedule Of Controlling Underlying Insurance in the Declarations less the amount by which

that limit has been reduced solely by payments as permitted in paragraph 1.c. of Section I – Excess Liability Coverage; and

- b. The applicable limit of insurance of any other insurance that applies.

You shall have the duty to investigate and defend such **Claims**, and we will treat all reasonable and necessary fees and expenses paid to others in the course of doing so as **Claim Expense**.

2. If you and we cannot mutually agree upon defense counsel, we shall have the final right to select defense counsel, but we then will allow for a 25% Self-Insured Retention credit, up to a maximum of \$25,000 per **Claim**, towards the costs of having you retain your own counsel to monitor the **Claim**. Defense counsel selected by us will have the sole right and responsibility for defending you against the **Claim**.
3. In the event you are entitled by law to retain independent counsel of your choosing to defend you at our expense and you choose to do so, the attorney fee component of **Claim Expense** shall be limited to the average of the rates we actually pay to counsel we retain in the ordinary course of business in the defense of similar **Claims** in the community where the **Claim** arose or is being defended. In addition, we may require that the independent counsel possess certain minimum qualifications, which may include that the selected counsel have: (1) at least five years of civil litigation experience defending similar **Claims**; and (2) errors and omissions coverage. You further agree to require your independent counsel to provide us with information concerning the **Claim** in a timely manner, to respond to our requests for information concerning the **Claim**, and to comply with our reporting and billing guidelines.
4. We shall have no obligation to pay any **Claim Expense** or to defend any **Claim** after all applicable Limits of Liability have been exhausted by incurred amounts or by payment, or after deposit or tender of the remaining applicable Limit of Liability into court.

D. Proactive Resolution of Substantiated Protective Claim (Coverage A)

If you provide us substantiation that satisfies us that the liability of the **Responsible Entities** and the value of your **Protective Loss** are not reasonably disputable and exceed all collectible **Recoverable Insurance**, then upon your written request, we will provide you the following proactive assistance in pursuing recovery for your **Protective Loss**:

1. we will consult with you in the prosecution of your **Protective Claim** and provide our input on strategy for the efficient resolution of the **Protective Claim**;
2. we will attend or otherwise participate in settlement negotiations, including mediations and settlement conferences, for the resolution of the **Protective Claim**;

The costs we incur in performing the activities described in Paragraphs 1. through 3., above, shall be borne by us and shall not erode the Limits of Liability described in Section VL of this Policy.

3. You shall not voluntarily make any payment, assume or admit any liability, consent to any judgment, settle any **First Party Claim or Claim**, or incur any **Claim Expense or Mitigation Cost**, for which coverage may be sought under this Policy, without our prior written consent, except for **Emergency Expense**. We shall not be liable for any payment, assumed or admitted liability, consent judgment, settlement, or **Claim Expense** to which we have not consented. V. EXCLUSIONS

We will not be liable to make payments or indemnify you for any **First Party Claim, Claim** or **Loss** directly or indirectly for or arising out of:

- A. any amounts incurred in connection with the making or prosecution of a **Protective Claim**. This Exclusion applies at all times, including where we are providing Proactive Resolution of Substantiated Protective Claim under Section III.D. of this Policy, excepting only the Supplemental Coverage for Protective Claim Bankruptcy Litigation Expense Reimbursement.
- B. the amount of any default judgment, arbitration award or adjudicator's decision in circumstances where the **Responsible Entity** has failed to plead or provide a defense, response or answer, or take any other procedural step, except that this Exclusion shall not apply to the amount of **Protective Loss** which you would have been entitled to recover from the **Responsible Entity**, respectively, had such defense, response or answer been pleaded or provided, or procedural step been taken.

In such instance where the **Responsible Entity** has failed to plead or provide a defense, response or answer, or take any other procedural step, the burden of proving the extent of **Protective Loss** which you would have been entitled to recover from the **Responsible Entity**, respectively, will be upon you.

- C. any design or manufacture of any goods or products which are sold or supplied by you or by anyone under license to you, including any parts, components, assemblies or equipment installed or incorporated by or on behalf of you into your work. This Exclusion does not apply to (1) software sold or supplied by you in connection with your provision of other **Professional Services**, or (2) goods or products installed or incorporated in your work which have been specially designed, but not manufactured, by you or on your behalf by a qualified **Responsible Entity** for use in a specific project, or (3) goods or products installed or incorporated in your work that cause a **Pollution Loss** arising out of a **Pollution Condition** resulting from the performance of **Contractor Activities**, or (4) **Information Technology Products**.
- D. the cost to repair or replace faulty workmanship in any construction, erection, fabrication, installation, assembly, or manufacturing process, including materials, parts, or equipment furnished in connection therewith, unless the faulty workmanship is caused by otherwise covered **Professional Services** as respects the applicability of:
 1. Coverages A or B; or
 2. **Mitigation Cost** to mitigate or rectify **Professional Services** under Coverage F, except for any fees and direct costs relating to or resulting from the failure to prevent or detect faulty workmanship.

This Exclusion does not apply to Coverages C, D, E, **Mitigation Cost** to mitigate or rectify a **Pollution Condition** resulting from the performance of **Contractor Activities** under Coverage F, or Supplemental Coverage H. Emergency Expense.

- E. any actual or alleged harassment, humiliation, discrimination, or similar misconduct on any basis, whether as to a legally protected group or otherwise.
- F. any employment obligations, decisions, conduct, practices or policies as an employer, including but not limited to any obligation for which any party shall be liable under any worker's compensation, unemployment compensation, employer's liability, obligation to pay fair wages or benefits, or disability benefits law or under any similar law.
- G. liability under contract, agreement, warranty or guarantee, except such liability that would have existed in the absence of such contract, agreement, warranty or guarantee. This Exclusion extends to any contractual obligation to make payments to others, including subcontractors, subconsultants, or their employees, or for materials. Solely for purposes of Coverage C, this Exclusion shall not apply to liability of

others assumed under an **Insured Contract**. This Exclusion shall not apply to that portion of a contract that sets forth the **Insured's** participation in a legal entity that is insured under Definition 0.4. of this Policy.

- H. any fraudulent, criminal, dishonest, intentionally or knowingly wrongful, or malicious act, error, or omission, or those of an inherently harmful nature, except that this Exclusion shall not apply to a **Claim** against you if you did not commit, participate in, or have knowledge of such conduct.

- L. **First Party Claims** or **Claims** made by any **Insured** against any other **Insured**. However, this Exclusion shall not apply as respects **Claims** made by any entity or person only qualifying as an **Insured** under Paragraph 5. of the Definition of **Insured** in this Policy.

 5. that is an affiliate of you, where you both are ultimately owned in excess of twenty-five percent (25%), directly or indirectly, by the same entity.

With respect to Items 2., 3., and 4. above, this Exclusion shall be limited when the **Claim** or **Protective Claim** is made by a formal joint venture partnership of which you are a participant to your percentage of ownership interest in the joint venture, so that we shall only be responsible for that portion of **Third Party Loss** or **Protective Loss** that is the difference between your percentage of ownership interest and the total joint venture ownership interest percentage.

- N. **Bodily Injury** or **Property Damage** arising out of construction means, methods or techniques; site safety; crane erection, use, maintenance or operation; scaffolding; or demolition, but solely for the purposes of Coverage B, and for the purposes of Coverages A and F with respect to obligations arising from **Professional Services**.

 1. the discovery of a **Pollution Condition** on, at or under the **Non-Owned Location**; or
 2. a **Pollution Condition** on, at, under or migrating from a **Non-Owned Location**, for which the owner of the **Non-Owned Location** becomes legally obligated to pay unless such **Pollution Loss** results from the performance of the activities described in Paragraphs 1. through 3. of Definition G. **Contractor Activities**.
- Q. for purposes of Coverages D and E, the loss, theft, destruction, transfer, misappropriation, or any misuse of any of your employees' personal data, confidential information or other private **Content**, including but not limited to social security numbers, phone numbers, family names, family history, or home or medical information.

- R. any **Professional Services, Contractor Activities, Media Activities, or Information Technology Services** that constitute violations of either the laws of the United States or any jurisdiction in which they were performed, including U.S. economic, trade sanction or export control laws administered by the U.S. Treasury, State and Commerce Departments (e.g., the economic and trade sanctions administered by the U.S. Treasury Office of Foreign Assets Control), or the U.S. Controlled Substances Act or similar laws in the subject jurisdiction. Additionally, we shall not be required to provide any coverage, pay any **Claim** or **First Party Claim**, or provide any other benefit hereunder to the extent that provision of such coverage, payment of such **Claim** or **First Party Claim** or provision of such other benefit would be in violation of any trade or economic sanctions laws or regulations applicable in our jurisdiction of domicile or with which we are legally obligated to comply.

VI. LIMITS OF LIABILITY AND SELF-INSURED RETENTION

A. Limits of Liability

1. Limit of Liability Each **Claim** or **First Party Claim**: Our Limit of Liability for the sum of all **Loss** for each single **Claim** or **First Party Claim** to which this Policy applies shall not exceed the amount stated in Item 4.A. of the Declarations specified for each applicable coverage provided by this Policy.
2. Limit of Liability in the Aggregate for Each Coverage for the Policy: Our Limit of Liability for all **Loss** under each respective coverage provided by this Policy shall not exceed the amount stated in Item 4.B. of the Declarations for such coverage for the Policy.
3. Limit of Liability in the Aggregate for All Coverages Described in Section I. of this Policy for the Policy: Our Limit of Liability for the sum of all **Loss** arising out of all **Claims** or **First Party Claims** under the coverages described in Section I. provided by this Policy shall not exceed the amount stated in Item 4.C. of the Declarations for the Policy.

B. Self-Insured Retention

The Self-Insured Retention amount stated in Item 5.A. of the Declarations applies to each **Claim** or **First Party Claim**, if applicable. The Self-Insured Retention amount stated in Item 5.B. of the Declarations is the most you shall pay for the sum of all of your Self-Insured Retention obligations arising out of all **Claims** or **First Party Claims** under each respective coverage for the Policy, if applicable, provided that in no event shall your Self-Insured Retention obligation be less than the amount stated in Item 5.C. of the Declarations for any **Claim** or **First Party Claim** under each respective coverage. The Self-Insured Retention amount shall be paid by you before we pay any **Loss**, though any payments made by any **Recoverable Insurance** also implicated by the **Claim** or **First Party Claim** shall serve to reduce your Self-Insured Retention obligation. Our Limits of Liability set forth in Item 4. of the Declarations are in addition to and in excess of the Self-Insured Retention amount. No Self-Insured Retention amount shall apply with respect to the Supplemental Coverages provided by the Policy, except for Supplemental Coverage H. Emergency Expense. If a **Claim** arising out of the same set of circumstances for which we have paid **Mitigation Cost** is made, then any amounts paid under the Self-Insured Retention for such **Mitigation Cost** shall reduce the Self-Insured Retention for that **Claim**.

Mediation Credit: If you and we agree beforehand to attempt to resolve a **Claim** or **First Party Claim** at **Mediation**, and if you and we resolve such **Claim** or **First Party Claim** by such **Mediation**, your Self-Insured Retention obligation for such **Claim** or **First Party Claim** will be reduced by 50%, subject to a maximum reduction of \$25,000.

VII. MULTIPLE INSURED

The number of **Insureds** covered by this Policy shall not operate to increase the Limit of Liability specified in the Declarations, notwithstanding any other provision of this Policy.

VIII. MULTIPLE CLAIMS

Two or more **Claims** or **First Party Claims** arising out of one or more acts, errors, omissions, incidents, events, or **Pollution Conditions**, or a series thereof, that are related (either causally or logically), will be considered a single **Claim** or **First Party Claim** subject to:

- A. a single Each **Claim** or **First Party Claim** Limit of Liability; and

B. a single Self-Insured Retention (if applicable); and

shall not operate to increase our Limits of Liability. All such **Claims** or **First Party Claims** treated as a single **Claim** or **First Party Claim**, whenever made, shall be considered first made on the date the earliest such **Claim** or **First Party Claim** was first made, and only a Policy providing coverage for the earliest **Claim** or **First Party Claim** shall have any coverage for such **Claims** or **First Party Claims**.

If more than one Coverage applies to the whole or a part of a **Claim** treated as a single **Claim** pursuant to this Section VIII., then the Each **Claim** Limit of Liability for the entirety of that single **Claim** and the applicable Self-Insured Retention for that single **Claim** shall be those set forth in Items 4.A. and 5., respectively, of the Declarations for the applicable Coverage with the largest Each **Claim** Limit of Liability. If more than one applicable Coverage has the same Each **Claim** Limit of Liability, but have different Self-Insured Retentions, then the largest Self-Insured Retention shall apply to that single **Claim**.

IX. EXTENDED REPORTING PERIOD

A. Automatic Extended Reporting Period

If we or you do not renew this insurance with a renewal policy issued by us for any reason, other than after cancellation pursuant to Section XI.G. Cancellation and Termination, you shall be entitled to a period of sixty (60) days from the date of policy termination to report a **Claim** (except for a **Pollution Claim**) or **First Party Claim** which is made by or against you prior to such termination date. This Automatic Extended Reporting Period may not be canceled by you and does not require the payment of an additional premium. This Automatic Extended Reporting Period shall be included within the Optional Extended Reporting Period if such is purchased. The Automatic Extended Reporting Period shall not serve to increase or reinstate the Limits of Liability set forth in the Declarations. The Aggregate Limit of Liability for the Automatic Extended Reporting Period shall be the amount of coverage remaining in this Policy's aggregate liability limit set forth in the Declarations.

B. Optional Extended Reporting Period

If we or you do not renew this insurance with a renewal policy issued by us for any reason, other than after cancellation pursuant to Section XI.G. Cancellation and Termination, and if the total premium for this Policy has already been paid in full, then you shall have the option to pay an additional premium and extend the period by which a **Claim** (except for a **Pollution Claim**) or **First Party Claim** can be first made by or against you and reported to us.

The premium for the Optional Extended Reporting Period shall be: (1) 100% of the annual premium for twelve (12) months of extension; (2) 150% for twenty-four (24) months of extension; or (3) 200% for thirty-six (36) months of extension. The purchase of an Optional Extended Reporting Period shall not be effective unless endorsed herein.

Your option to purchase the Optional Extended Reporting Period must be exercised by notice in writing to us no later than sixty (60) days after the termination date of this Policy. Effective notice must indicate the total Optional Extended Reporting Period desired and must include payment of premium for such period. If such notice and premium are not mailed to us within such sixty (60) days, then you are not entitled to purchase an Optional Extended Reporting Period at a later date.

If purchased pursuant to the preceding paragraph, the Optional Extended Reporting Period shall commence upon the termination of the **Policy Period**. The Automatic Extended Reporting Period shall not apply after the termination of the Optional Extended Reporting Period. At the commencement of any Optional Extended Reporting Period, the entire premium shall be deemed fully earned. In the event you terminate the Optional Extended Reporting Period before its term for any reason, we shall not be obligated to return any portion of the premium.

Although the period during which a **Claim** (except for a **Pollution Claim**) or **First Party Claim** can be reported to us is extended by virtue of the Optional Extended Reporting Period, this fact shall not in any way increase or reinstate the Limits of Liability of this Policy. The Optional Extended Reporting Period shall not serve to increase or reinstate the Limits of Liability set forth in the Declarations. The Aggregate Limit of Liability for the Optional Extended Reporting Period shall be the amount of coverage remaining in this Policy's aggregate liability limit set forth in the Declarations.

X. REPORTING

A. Reporting a Claim or First Party Claim

As a condition precedent to coverage under this Policy, in the event of a **Claim** or **First Party Claim**, you must do the following:

1. Report the **Claim** or **First Party Claim** to us in writing as soon as reasonably possible, which (except for a **Pollution Claim**) must be during the **Policy Period**, the Automatic Extended Reporting Period, or during any applicable Optional Extended Reporting Period. Reporting should be sent to us at the address stated in the Claims Notice attached to this Policy; and
2. Promptly provide a copy of the **Claim** or **First Party Claim**, if in writing, and specify in the report: the names and addresses of the **Insured** reporting the **Claim** or **First Party Claim**, the persons or entities making the **Claim** or **First Party Claim**, and the persons or entities against whom the **Claim** or **First Party Claim** is made; when the **Claim** or **First Party Claim** was made; the subject of the **Claim** or **First Party Claim**; and any other relevant facts or allegations known to you.

B. Reporting a Circumstance

If during the **Policy Period**, you become aware of a circumstance that may reasonably be expected to give rise to a **Claim** or **First Party Claim** which may be covered under the Policy, and if you, during the **Policy Period**, provide a written report to us at the address stated in the Claim Notice attached to this Policy of the circumstance as soon as practicable containing particulars sufficient to identify you and all reasonably obtainable information with respect to:

1. when and how you first became aware of such circumstance;
2. any act, error, omission asserted or believed to be at issue;
3. the services or activities involved in the circumstance;
4. what happened and the dates and entities involved; and
5. the nature of any alleged or potential **Loss**;

then any **Claim** (except for a **Pollution Claim**) or **First Party Claim** arising out of such circumstance shall be deemed to have been made on the date we received the written report of the circumstance. At our sole discretion and cost, we may elect to investigate any circumstance which is reported; any such costs associated with the investigation of a circumstance prior to a **Claim** being made against you will not be considered **Claim Expense**, will not reduce the applicable Self-Insured Retention and shall be paid by us in addition to the Limit of Liability.

XI. CONDITIONS

A. Territory

The coverage afforded by this Policy applies worldwide.

B. Audit and Inspection

Upon reasonable prior notice, we shall be permitted to audit your final books and records at any time during the **Policy Period**, the Automatic Extended Reporting Period, the Optional Extended Reporting Period, if applicable, and within three years after the final termination of this Policy, as far as they relate to the subject matter of this Policy. We shall also be permitted to inspect, sample, and/or monitor your operations on a continuing basis. Neither our right to make inspections, sample, and/or monitor, nor the actual undertaking thereof, nor any report thereon shall constitute an undertaking, on behalf of us or others, to determine or warrant that your operations are safe, healthful, conform to acceptable practice, or are in compliance with any law, rule, or regulation.

C. Subrogation

In the event of any payment under this Policy, we shall be subrogated to all of your rights of recovery thereof. You shall execute and deliver all requested instruments and papers in furtherance of such rights to us and do whatever else is reasonably necessary to secure such rights. You shall do nothing to waive or prejudice such rights. We shall have priority in any recovery, and any amounts recovered in excess of our total payment and the cost to us of recovery shall be paid to you. However, we waive our rights of subrogation under this Policy, to the extent such a waiver is required by a written contract with you executed prior to the **Claim**, against any of the following that is not a **Responsible Entity**: your clients, their parents or other affiliates, and your client's designees; and your co-participants in an entity for which your

participation is insured under Definition 0.4. of this Policy.

For Coverage A only, we will not subrogate against a **Responsible Entity** in excess of its collectible insurance, provided it has maintained **Recoverable Insurance**, regardless of whether or not such **Recoverable Insurance** is exhausted or reduced.

D. Changes

None of the provisions of this Policy will be waived, changed, or modified except by written endorsement issued by us to form a part of this Policy. Notice to any of our agents or knowledge possessed by any such agent or any other person will not act as a waiver or change in any part of this Policy and will not prevent us from asserting any rights under the provisions of this Policy.

E. Action Against Us

Only you can make claims against us under Coverages A and F, and the Supplemental Coverages, of this Policy.

No action shall be taken against us with respect to Coverage A unless, as a condition precedent thereto, you shall have fully complied with all the terms of this Policy, and until the amount the **Responsible Entity** is legally obligated to pay shall have been finally determined either by judgment after actual contested trial or arbitration, or other method of dispute resolution for which we have given prior written approval.

No action shall be taken against us with respect to Coverage B, C, D or E unless, as a condition precedent thereto, you shall have fully complied with all the terms of this Policy, and until the amount you are legally obligated to pay shall have been finally determined either by judgment after actual contested trial or arbitration, or other method of dispute resolution for which we have given prior written approval.

No person or organization shall have any right under this Policy to join us in any action against you. No **Responsible Entity** shall be an **Insured** under this Policy.

F. Assignment of Interest

It is agreed that the insurance provided herein and your interests hereunder cannot be transferred or assigned to another party without our express written consent.

G. Cancellation and Termination

1. The premium paid for this Policy shall be fully earned in the first twelve months of the **Policy Period**.
2. This Policy may only be cancelled by us for one or more of the following reasons:
 - a. non-payment of premium; or
 - b. a material misrepresentation or concealment of facts; or
 - c. a material breach of any provision of this Policy.

If this Policy is cancelled by us, notice of cancellation will be sent in writing to the first **Named Insured** (except as modified by any Endorsement to this Policy, either electronically or at the address indicated on the Declarations. We will provide such written notice at least ninety (90) days prior to the date such cancellation is to take effect; except that, in the event of cancellation for non-payment of premium, we will provide only fifteen (15) days written notice. If the premium is paid by a premium financing company and the premium financing company, acting under a valid premium finance agreement with you, requests cancellation of the Policy due to non-payment of premium from you in the first twelve (12) months of the **Policy Period**, the earned premium shall be computed short-rate of the twelve-month policy term premium and the unearned premium shall be returned to the premium finance company.

The effective date and hour of cancellation will be stated in such notice. Cancellation by us also cancels the Automatic Extended Reporting Period and any Optional Extended Reporting Period; the **Policy Period**, the Automatic Extended Reporting Period, and any Optional Extended Reporting Period will end on that date. If we cancel for the reason specified in Subparagraph (a), there shall be no return premium. If we cancel for reasons stated in Subparagraphs (b) or (c) in the first twelve (12)

months of the **Policy Period**, the earned premium shall be computed pro-rata of the twelve-month earned policy term premium. Payment of any return premium shall not be a condition of cancellation.

3. This Policy may be cancelled by the first **Named Insured** for any reason. In the event that the first **Named Insured** cancels the Policy, the earned premium shall be computed under the customary short rate table and procedure as a percentage of the total Policy premium stated in the Declarations, and we will return the corresponding unearned premium to the first **Named Insured**. Cancellation by the first **Named Insured** shall also cancel the Automatic Extended Reporting Period and any Optional Extended Reporting Period on the date of cancellation.
4. Notwithstanding the foregoing, if you report a **Claim** or **First Party Claim** to us prior to the date of cancellation, the Policy premium shall be considered 100% earned, and no premium shall be returned upon cancellation.

H. No Limitation of Liability

You shall not limit the liability of any **Responsible Entity**, except to collectible insurance, without our prior written approval. If you limit the liability of a **Responsible Entity** in a manner that fails to comply with the foregoing, our obligation to pay **Loss** arising out of any **Claim** or **First Party Claim** involving such **Responsible Entity** shall apply solely in excess of the collectible insurance that would have been available in the absence of the limitation of liability to such **Responsible Entity** or any person or entity for which the **Responsible Entity** is responsible.

I. Your Bankruptcy

Your bankruptcy or insolvency shall not relieve us of our obligations under this Policy.

J. Authorization Clause

By acceptance of this Policy, the first **Named Insured** shall be the sole agent of and shall act on behalf of the **Insureds** for all purposes as to the Policy, including but not limited to the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this Policy, providing and receiving notice of cancellation, termination, or nonrenewal, the giving of notices and reporting of **First Party Claims, Claims** and circumstances, for completing applications and the making of any statements or representations, for making any change to the Policy, and for the exercising or declining to exercise any right under this Policy, including the purchase of an Optional Extended Reporting Period.

K. Severability of Policy Provisions

If any material provision or clause of this Policy is declared illegal or unenforceable by any court of competent jurisdiction and cannot be modified to be enforceable, that provision will immediately become null and void, leaving the remainder of this Policy in full force and effect.

L. Severability of Insureds (Coverages B, C, D and E)

Except with respect to the Limits of Liability and Self-Insured Retentions, the Authorization Clause of this Conditions Section and as otherwise provided in this Policy, this insurance applies as if each **Insured** were the only **Insured** and separately to each **Insured** against whom a **Claim** is made.

M. Other Insurance

This Policy is excess over the Self-Insured Retention and any other valid and collectible liability insurance available to you, whether such other insurance is stated to be primary, pro-rata, contributory, excess, contingent, self-insured or otherwise, unless such other insurance is written specifically excess of this Policy by reference in such other policy to the Policy number in this Policy's Declarations. When any other insurance has a duty to defend a **Claim**, we will have no duty to defend the **Claim**; if no such other insurance defends the **Claim**, we will have the right but not the duty to defend the **Claim**.

Under Coverage C only, when you are required by written contract, written agreement, or permit, executed prior to when the **Pollution Claim** was first made, to include any person or entity as an additional **Insured**, such coverage will be provided on a primary and non-contributory basis to the extent so required.

N. Choice of Law

All matters arising from or related to this Policy, including without limitation questions related to the validity, interpretation, performance, and enforcement of this Policy, all forms of contractual, tort and statutory claims, and all remedies and entitlement to costs or attorneys' fees in a dispute over any of the foregoing, shall be determined in accordance with the law and practice of the State of New York (notwithstanding New York's conflicts of law rules).

O. Jurisdiction and Venue

It is agreed that, in the event of any dispute arising from or related to this Policy, including without limitation questions related to the validity, interpretation, performance, and enforcement of this Policy, and all forms of contractual, tort and statutory claims, you and we will submit to the jurisdiction of any court (State or Federal) in New York and will comply with all the requirements necessary to give such court jurisdiction. Nothing in this clause constitutes or should be understood to constitute a waiver of your or our right to remove an action to the United States District Court, regardless of the jurisdiction in which an action is commenced.

Background/history:			
<p>City Golf would like to purchase (6) new fully furnished bundled pieces of maintenance equipment. These pieces include (2) Toro tank sprayers and (4) Toro Triflexes. Our existing equipment, that these pieces would replace, are long past expected life, are in constant need of maintenance, and have the ability to impact turf conditions/customer experience if not replaced. Tank sprayers are used to apply both chemical and organic applications for turf health, and the Triflexes are greens mowers that mow our most sacred asset (greens) each and everyday. Toro brand equipment falls under the Omnia State contract, to satisfy procurement needs, and allows us to tap into the best price point available for this equipment. Toro/Turf Star d.b.a. Western Equipment Distributors, Inc. is the sole provider for Toro equipment in this geographic area.</p>

Dear Garrett,
I'm writing to you in your role as City of Spokane staff liaison to the Park Board. I **strongly** oppose selling the naming rights to the U.S. Pavilion to anyone. The Pavilion exists in an entirely different category than a feature like the skate ribbon. The Pavilion, along with the Riverfront Park Clock Tower, is one of the iconic images of Spokane in the minds of the public, a cogent reminder of Expo '74, which transformed an industrial railyard into the much-loved park, the anchor of downtown Spokane, that we know today. It should continue to be known, now and in the future, as the U.S. Pavilion, which is its original identity. To sell that designation to the highest bidder would be a travesty of its true meaning.

Respectfully,
Jessie Norris

As a Spokane resident, I would just like to say thank you Mayor Brown for not selling naming rights to the pavilion. In an era where we are bombarded by relentless advertisements, keeping landmarks like the pavilion free of becoming a billboard helps maintain it as focus for community and identity.

Thank you

Dear Mr. Jones,

I am writing to you in your role as Director of Parks and Recreation in the City of Spokane. I write to express my strong opposition to the proposal to sell naming rights for the U.S. Pavilion in Riverfront Park. Its current name has historical significance to both the park and to the City of Spokane. That history, as you know, dates to the era of Expo '74 when the center of the city was transformed from being a railyard to having a beautiful park that makes the Spokane River the centerpiece of Spokane. For fifty years now, the Pavilion along with the Clocktower, as key features of Riverfront Park, have highlighted and signified the city's transformation and the beginning of its commitment bringing Spokane into a new maturation of its

development. This historical significance would be completely diluted by commodifying the Pavilion and changing its name.

If more funding is needed, surely there are other options for bringing in funds? For example, I've attended events at the Pavilion and elsewhere that have corporate sponsors. Let's not commodify Spokane landmarks! Thank you for considering my comments and for your service to our city. (I have sent similar comments to Jonathon Bingle in his role as liaison between the City Council and the Park Board.)

Sincerely,
Barry Chapman,
Spokane
