

Special Meeting of the Spokane Park Board Finance Committee Minutes

3 p.m. Tuesday, Oct. 9, 2018

City Conference Room Lobby – Tribal, first floor City Hall
808 W. Spokane Falls Blvd., Spokane, Washington
Parks & Recreation Finance/Budget Director Mark Buening

Committee Members:

X Chris Wright – Chair pro tem
X Gilman, Greta (call-in)
X Gerry Sperling

Parks Staff:

Leroy Eadie
Mark Buening
Jason Conley
Angel Spell
Fianna Dickson
Jennifer Papich
Jonathan Moog
Al Vorderbrueggen

Guests:

Ross Kelley

SUMMARY

1. The Finance Committee passed a recommendation to the Park Board to accept the 2019 Parks and Recreation Division budget as presented.
2. The Finance Committee discussed the potential of a Golf Fund reconciliation which involves four areas where the Golf Fund is not receiving available revenues resulting in an undue burden placed on the fund. Four potential areas of adjustment to true-up the budget involves the Pepsi contract, Parks/Spokane School District joint use agreement, Parks/Utilities stormwater agreement and the city admissions tax.
3. The September financials were presented by Mark Buening who reviewed each operating division.
4. Information Technology Project Plan update was presented by Jason Conley.
5. Golf SIP update was presented by Jason Conley.

The next regularly scheduled meeting is 3 p.m. Nov. 6, 2018, in the **City Conference Room Lobby – Tribal, first floor City Hall.**

MINUTES

The meeting was called to order at 3 p.m. by Chair Pro Tem Chris Wright.

Action Items:

1. [2019 Parks and Recreation budget](#) – *Mark Buening* presented an overview of the proposed 2019 Parks and Recreation budget. Mr. Buening explained a few slight adjustments which have been made to the preliminary budget since the committee reviewed it last month. These recent changes involved central adjustments in payroll and interfund transfers.
 - a. [Urban Forestry](#) – The 2019 Budget for Urban Forestry is largely status quo from 2018. The proposed budget reflects \$705,295 expenditures over revenues. The only increases relate to salary and benefits for COLA and longevity.
 - b. [Recreation](#) – The 2019 Recreation budget includes the addition of 1.0 FTE facility and grounds foreperson position. It also includes revenue adjustments for the free swim program and the slight increase in athletic field fees. The net cost of the free swim program is estimated at \$70,000 per year.
 - c. [Park Operations](#) – The 2019 Park Operations budget is status quo from 2018. The only increases relate to salary and benefits for COLA and longevity.
 - d. [Riverfront Park](#) – The total 2019 expenditures are projected at \$4.037 million and are expected to exceed revenues by \$562,261. There are three new Riverfront Park positions budgeted for next year, including an event and group rental manager, event specialist and park caretaker. These positions are consistent with the RFP staffing plan.
 - e. [Administration](#) – Total expenditures are projected at \$7.856 million and net revenues minus expenditures are projected at \$7.803 million.
 - f. [Grants](#) – Total grant revenues are projected at \$3.01 million, consisting of \$1.51 million from state grants and a \$1.5 million transfer from city Utilities for the irrigation improvement projects.
 - g. [Parks Fund](#) – Total revenues are projected at \$23.923 million in comparison to the 2018 budget of \$21.44 million. The proposed budget reflects \$4,111 expenditures over revenues.
 - h. [Golf Fund](#) – Total expenditures are budgeted at \$3.793 million and revenues are projected at \$3.805 million resulting in \$12,063 revenues over expenditures. These projections include debt services for the SIP loan. Mr. Buening explained the budgeted revenues are for base fees only and the revenues from the facility improvement fee are not included. He explained these dollars are expensed and are kept in a separate account. There was discussion as to whether the facility improvement fees should be noted as revenue. The first loan payment is due July and the second is due November/December 2019.

Motion #1: Chris Wright moved to recommend the Park Board approve the 2019 Parks and Recreation Division budget as presented.

Gerry Sperling seconded.
Motion pass unanimously.

Discussion Items:

1. [Golf Fund reconciliation](#) – *Jason Conley* provided background relating to the Golf Fund reconciliation. Golf hired a consultant last year to assist in the development of a strategic plan for the Golf Enterprise Fund. The consultant identified areas where the Golf Fund is not receiving available revenues resulting in an undue burden placed on the fund. The new \$7.5 million SIP loan will fund capital improvements at the city's four courses. Mr. Conley explained

a Golf Fund budget true-up with the Park Fund will provide fund relief and assist with the payback of the loan. *Mark Buening* review the following areas identified for this proposed Golf Fund true-up:

- a. Pepsi contract – The Pepsi contract pays the Park Fund \$45,000 annually in combination of annual support funds and annual sponsorship recognition fees. The Golf Fund sells 30% of the annual inventory of all Pepsi projects, but receives no dollars from the agreement. Golf Fund is asking for 30% of \$45,000 which would be \$13,500 annually from the Park Fund.
- b. School district joint use agreement – The Parks/Spokane Public School District agreement provides Parks access to gym space which benefits the Recreation adult sports program. The high school golf teams are allowed to practice and compete at the city courses at no cost. As an Enterprise Fund, Golf is contributing value to the agreement in the form of 2,300 rounds annually. The Golf Fund is asking for the junior rate of \$10/round which would be \$23,000 per year from the Park Fund.
- c. Stormwater agreement – The Parks/Utilities agreement provides for stormwater easements to Utilities for stormwater and CSO facility projects, and Parks is compensated \$400,000 annually. Five parcels of property at Downriver Golf Course are included in the joint agreement. Golf is asking for 16% of the \$400,000 which would be \$64,000 annually from the Park Fund.
- d. Admission tax – Golf Fund pays a 5% city admissions tax which is about \$171,000 per year. This tax will also apply to the facility impact fee used to pay back the SIP loan. Golf Fund is seeking an exemption to the admission tax or lowering the tax to 2.5% during the duration of the SIP loan. A 20% reduction in tax would result in an annual savings of \$36,000. In addition to Park Board approval, this option would require approval from Mayor/City Council.

Mr. Buening provided background relating to the annual Golf debt services currently paid by the Parks Fund. In 1999, the city issued a long-term general obligation bond which included \$454,495 to be used for golf improvements. Because the Golf Fund was purchasing Qualchan, the Golf Fund only paid about \$11,000 (interest on the bond and no principal) annually from 1999 to 2016. In 2016, they decided to refinance and the Parks Fund began to pick up the debt services for the Golf portion of the obligation. In the past two years, the Parks Fund has paid \$118,933 in debt services. The annual Golf debt services paid by Parks Fund is \$53,794. There was discussion that the Pepsi contract true-up could probably take place in 2019 which would result in \$13,500 being transferred from Riverfront Park to the Golf Fund. The committee agreed staff will come back with a proposal for a budget amendment sometime this year or next year. The other three potential true-ups could be phased in in future years as the Park Fund brings in more revenue, primarily as the Riverfront Park redevelopment project is completed. The committee and staff agreed this is a good time to relook at the joint use agreement and to renegotiate with the school district. Gerry Sperling suggested when the Pepsi contract is up for renewal in 2020, that Riverfront Park and Golf establish their own sponsorship contracts. The committee determined the Parks/Utilities stormwater agreement true-up option will move over to Land Committee. The committee agreed staff will come back with a proposal for a budget amendment sometime this year or next year. Mr. Conley and Mr. Buening will work on the admission tax true-up option. Ross Kelley, former Park Board member and guest at the meeting, provided figures on the admissions tax paid. In 2016, Golf Fund paid \$175,294.63, Riverfront Park paid \$77,010, and the combined other areas in Parks paid \$8,433.

Standing reports:

1. [September financials](#) – *Mark Buening* presented the September financials. Highlights included the following: 1) Riverfront Park brought in \$288,000 in revenues last month; 2) \$463,000 has been credited back to the Park Fund from the Bond Fund for the Rotary Fountain project and other expenses; 3) Park Fund total year-to-date expenses exceed revenue \$837,691; and 4) Parks is utilizing its 5% stabilization reserve and \$200,000 of the reserve has been spent year-to-date.
2. [Information Technology Project Plan update](#) – *Jason Conley* presented the Information Technology Project Plan update. Park Board members were reminded of dates when their email passwords will automatically expire. Mr. Conley reported notable progress has been made relating to the point-of-sale Recreation management software. Follow-up training is scheduled for October/November. There was discuss to remove this item as a standing report on the Finance Committee agenda. Since the remainder of software issues relates to Riverfront Park, the RFP Committee will review the IT project plan progress moving forward. Email password reminders will be emailed to Park Board members in the future. There were 3,382 on-line golf bookings for last month which is an increase of 1,417 over September 2017.
3. [Golf SIP update](#) – *Jason Conley* presented the Golf SIP Strategic Plan Projects update. The \$7.5 million SIP loan funds are dedicated for capital improvements at the four golf courses for the next four years. Irrigation renovation is underway at Indian Canyon Golf Course. Work on the mainline began last week. Full completion for holes 6-9 are scheduled for later this month. First phase of the tree work has been completed at Indian Canyon. The Esmeralda Golf Course irrigation renovation is in the design and construction phase, and construction bids are scheduled to be issued by February 2019.

Contract items from other committees: (*These items were not discussed.*)

1. Bernardo | Wills Architects contract amendment #2/North Bank skate park and basketball court design (\$30,800 tax inclusive) – Riverfront Park Committee
2. Garco change order #9/Pavilion and Promenade (\$757,596, plus tax) – Riverfront Park Committee
3. Höweler + Yoon Architecture contract amendment #1/Stepwell sculpture (\$450,000, tax inclusive) – Riverfront Park Committee

Adjournment: Meeting adjourned at 4:47 p.m.

The next regularly scheduled meeting is 3 p.m. Nov. 6, 2018, in the **City Conference Room Lobby – Tribal, first floor City Hall.**

Recommended Golf Fund Reconciliation 6.12.18

Background

The Golf Fund hired a consultant in 2017, to assist in the development of a strategic plan for the Golf Enterprise Fund. The Consultant identified specific areas where the Golf Fund is not receiving available revenues and thus placing an undue burden upon this fund. The Golf Fund recently exercised a \$7.5 million dollar loan for Capital Improvements. A true-up with the Park Fund will provide fund relief and assist with the payback of the loan.

Pepsi Contract:

The Pepsi Contract pays the Park Fund \$45,000 annually in a combination of Annual Support Funds and Annual Sponsorship Recognition Fees. Current contract with Pepsi is until 2023. The 4 City Courses are required to only sell Pepsi products under the term of the contract. The Golf Fund is not receiving any dollars from this annual agreement. The Golf Fund sells 30% of the annual inventory of all Pepsi Products under the master contract. Golf Fund is asking for 30% of \$45,000, in an annual amount of \$13,500 from the Park Fund.

High School Golf Rounds:

Parks and Recreation has a long-standing joint use agreement with the Spokane Public School District. As part of this agreement, Parks has access to gym space—a direct benefit to the Recreation adult sports program sponsored by Parks and Recreation. Recreation does not pay the District for gym rentals. As part of the joint use agreement, high school golf teams from the District are allowed to practice and compete at the City courses. The District does not pay the City for green fees. As an Enterprise Fund, golf is contributing value to the joint use agreement in the form of 2,300 rounds per year. Golf Fund is asking for the junior rate value of \$10.00 per round, in an annual amount of \$23,000 from the Park Fund.

Parks/Utilities Stormwater Agreement:

Parks and Utilities have a signed 20 year agreement that allows storm water easements to the Utilities Division, for Stormwater and CSO facility projects. As compensation, the Parks Fund receives \$400,000 a year, plus an annual escalation. At the time of the agreement, 27 land parcels owned by parks were designated in this agreement. Of the original 27, one parcel included Downriver Golf Course. Through a re-design of the project, 5 actual parcels at Downriver GC were touched [25023.0003, 25023.1501, 25023.1404, 25023.0710, and 25023.0910]. 5 parcels out of 31 total parcels, is 16%. Golf fund is asking for 16% of the 400,000, for an annual amount of \$64,000 per year from the Park Fund.

Admissions Tax:

Both the Park Fund and the Golf Fund pay Admissions tax to the City of Spokane. Golf Fund pays a 5% City Admissions tax that is levied on an admission charge. That term is defined as money paid, as a condition of being admitted to a place or an event, including a charge made for the use of facilities for the purposes of recreation or amusement (SMC 8.03.030). The Golf Fund pays an average City Admission tax of \$171,000 per year. This tax will also apply to any assessed Facility Impact Fee, used to pay back the SIP loan. Golf Fund is seeking support of the Park Board to formerly request City Council to create an exemption to their SMC Admission tax for Golf, or to lower the 5% rate of the tax for Golf to 2.5% during the duration of the SIP loan. Based on recent conversations, Council appears open to a 20% rebate to the golf fund related to the Admission Tax, with an annual savings of \$36,000 per year (\$180,000 @ 20%). Golf Fund is asking City Council for a 20% rebate of Admission Tax remittances.

Utility Tax:

The Utility Tax is an excise tax, which is a cost to the utility, in this case, the Water department, and is assessed against the gross receipts received by the utility. It is considered a cost of doing business for the utility. It is not a tax on the customer or the department.

Summary:

Golf Fund is seeking annual revenue of the following amount from the Park Fund:

Pepsi Contract	\$13,500
Joint Use Agreement (HS Golf)	\$23,000
Stormwater Agreement allotment	\$64,000
TOTAL	\$100,500

Golf Fund is seeking relief on the City Admissions Tax:

Projected savings: \$36,000

Total Golf Fund Savings \$136,500

FOOTNOTES:

- a** Donor provided \$121,501.95 in 2015 and \$5,000 in 2016 for her interest in "Conservation" of Parks/Land. Funds were used for acquisition of High Drive property.
- b** Includes capital asset purchases exceeding \$5,000 per the Parks' Vehicle and Capital purchasing policy. Any auction proceeds for sold vehicles is included in revenues.
- c** Used for the purpose of replacing capital equipment for each designated department with the use of auction proceeds.
- d** Park Board and Finance committee agreed to change fund balance reserve from 7% to 5% in 2018. The remaining 2%, approximately \$300,000, was intended to create line item designated for capital equipment major maintenance and replacements. Annual amounts, TBD, will be transferred from Parks Fund to maintain balance.
- e** Designated for Skyride maintenance and repairs. Payments for 2005A Bond previously paid from these funds are now budgeted and expensed from Parks Fund.
- f** Donations and grant revenues allocated for maintenance and operations of the following properties:
 Existing properties include: >Armstrong >Romaine-Palisades >Austin Ravine
 >Dahm >Stemper et al
- g** Levied taxes for maintenance and operations of specific properties:
 >Rim Rock >Trolley Trail >Downriver >Elliot >Palisades (Thomas & Gusman)
 >Camp Sekani >Latah Creek >Romine >Ashland Estate >Drumheller Springs

S.I.P. Funded Capital Improvements Project Status October 2018

Golf Course Architect: Robert Trent Jones II
Irrigation Consultant: Irrigation Technologies

Project Manager: Nick Hamad
Golf Manager: Dave Christenson
Park Planning & Development Manager: Garrett Jones

PROJECT GOALS

1. Rectify deferred golf course maintenance by strategically investing in on-course capital repair & improvement.
 - a. Conduct 1 golf course irrigation rebuild per year for the next 4 years.
2. Upgrade on-course golf experience for users:
 - a. Create system-wide course master plan with detailed recommendation for improving courses. (Reference survey results).
 - b. Implement up to \$600,000/year of on-course improvements for the next 4 years with remaining funds (budget dependent).

PROJECT FUNDING

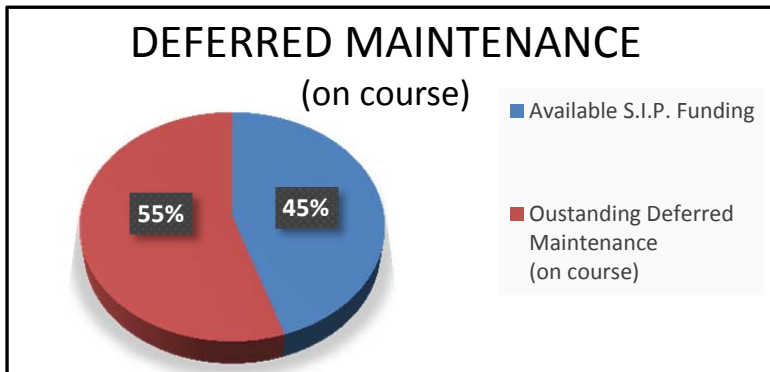

- \$7,500,000 in approved funding
- \$16,700,000 in deferred maintenance

DESIGN/CONSTRUCTION SCHEDULE

- Fall 18-Spring 19: Indian Canyon
- Fall 19-Spring 20: Esmeralda

CURRENT CONTRACTS

- System-Wide Master Plan
- Indian Canyon Irrigation & Tree Work
- Esmeralda Irrigation Design

Contracted Amount (includes WSST)	Change Orders	Current Expenditures thru 10/09/18	Remaining S.I.P. Capital Funding	Percent Complete by Budget	Construction Schedule Percent Complete	Physical Completion Date
\$2,321,339	\$1,632.00	\$8,035	\$5,178,661	0.001%	0.1%	7/1/22

Indian Canyon Golf Course Irrigation Renovation Construction Status October 2018

Contractor: Wadsworth Golf Construction Co.
General Superintendent: Mark Slugocki
Project Superintendents: Victor Delgado & Socorro Chavez

Project Manager: Nick Hamad
Irrigation Consultant: Irrigation Technologies
Golf Course Superintendent: Josh Harty

MAINLINE WORK UNDERWAY

- Training completed last week.
- Mainline & valves complete on holes 7, 8, 9 & lower half of hole 6.
- 3,000' of 22,000' of mainline complete
- Lateral lines currently underway.

CONSTRUCTION SCHEDULE

Irrigation Construction

- Rock encountered on holes 8 & 9.
- Work progressing.
- Full completion of holes 6-9 in October.

Irrigation Related Tree Work

- First phase completed.
- Omitted 570 feet of root treatment
- Added 7 tree removals
