## MINUTES

The meeting was called to order at 3:01 p.m. by committee chair Bob Anderson. Mr. Anderson appointed Kevin Brownlee as a voting member.

### Action items:

1. [Spokane Parks Foundation memorandum of understanding](#) – Fianna Dickson gave the presentation, stating that Parks has a long-standing history of collaboration with the Spokane Parks Foundation, an organization which is an independent 501c3 non-profit. Most recently, the agreement was twofold: a fiscal sponsorship and a memorandum of understanding; the current intent is to look at updating and combining the two. To this end, efforts have included the involvement of members of the Spokane Parks Foundation, Terri Fortner, Parks staff, and members from the legal teams of both agencies. This agreement is separate from the standing Campaign for Riverfront Spokane agreement, which expires November 2022. The new agreement allows both groups to work collaboratively and independently to solicit donations and volunteers that benefits Parks and Recreation. As part of the agreement, the Foundation will retain a customary administrative, currently set by their board at 10% for donations they secure, unless specified under a separate campaign agreement, such as the Campaign for Riverfront Spokane. In addition, the foundation will share a monthly financial report detailing Park Fund balances in each of our accounts held with them. Parks will determine how these funds are allocated. A member of Park Board is appointed to the Spokane Parks Foundation Board. This MOU would be effective until the end of 2025. The Spokane Memorial Bench program has been moved significantly in favor of the Foundation's stewardship, as the expertise to foster donor relationships lies with them, although Park Ops would still work toward the installation of the benches. The latest MOU will also remove the 5% designated fee, which allowed the Foundation to set their 10% customary fee.

**Motion 1:** Bob Anderson moved to approve the Spokane Parks Foundation memorandum of understanding.

Kevin Brownlee 2<sup>nd</sup>.

Motion passed with a 4-0 vote.

Recommendation will be presented to the Park Board as a regular agenda item.

2. [Garco Construction, Inc., renovation construction contract/Riverfront Park north suspension bridge \(\\$2,129,949, tax inclusive\)](#) – Nick Hamad gave the presentation. The bridge was second in part of an overall construction plan for 2014. Outside of the initial bond funding, the Board has approved about \$500,000 toward the bridge project. Since 2014, bridge renovations have presented challenges, with the bulk of the progress being made between 2018 and now. There was a push to have it finished by 2019, but this project remains incomplete. Parks currently has a new construction contract within budget and intends to move forward, contingent upon Board approval. If the Board approves, Parks intends to mobilize the contractor from Avista Utilities this month, following by the mobilization of the bridge construction and renovation contractor in May. The current goal is for completion of the bridge to happen around fall or early winter. Project funds, including contingencies, totals about \$3 million, with \$2 million originating from grants, locally sourced or general fund contributions: \$500,000 grant from 2018 and 2019 from WA State Recreation Conservation Office, which is a reimbursable grant. In addition, a Local Tax Increment Financing Grant from the City of Spokane from a year ago and the City General Fund has allocated \$1 million to the project. This is a total of about \$2 million originating from outside the Parks Fund. The Park Board has approved \$500,000 in City bonds to be allocated toward the project, also. Out of 4 bids for construction, the low bid was Garco for \$2.1 million. The Parks estimate was about \$2.3 million. There was a minimum of a 10% set aside for contingency on this project, totaling about \$280,000. At this time, a construction contract has not been approved.

**Motion 2:** Bob Anderson moved to approve Garco Construction, Inc., renovation construction contract/Riverfront Park north suspension bridge in the amount of \$2,129,949, tax inclusive. Gerry Sperling 2<sup>nd</sup>.

Motion passed with a 4-0 vote.

Recommendation will be presented to the Park Board as a regular agenda item.

3. **KPFF Consulting Engineers contract amendment #1 for engineering services/Riverfront Park north suspension bridge (\$82,168, no tax)** – Nick Hamad gave the presentation. This is an amendment to an existing contract regarding construction support, which covers KPFF's support on a time-and-material basis for RFI's, attending meetings as needed, on-site inspections and ensuring the build is taking place in the manner required. Most important, is the special structural inspection, due to an abundance of steel framing and connections that must be checked once the existing deck is removed. Mr. Hamad noted that construction management is not covered with KPFF, rather, the amendment is pertinent to KPFF performing specialized consultation. The City's Construction Management Office will work with Berry Ellison to handle 8% of the project.

**Motion 3:** Bob Anderson moved to approve KPFF Consulting Engineers contract amendment #1 for engineering services/Riverfront Park north suspension bridge in the amount of \$82,168, no tax. Kevin Brownlee 2<sup>nd</sup>.

Motion passed with a 4-0 vote.

Recommendation will be presented to the Park Board as a consent agenda item.

4. **Avista Utilities electric service agreement for temporary power/Riverfront Park north suspension bridge (\$192,233.40, no tax)** – Nick Hamad gave the presentation. Underneath the suspension bridge, are primary power cables supplying electricity to North bank of the river. For the renovation to occur, these cables must be removed. The plan is for Avista to remove these cables from underneath the bridge and install a high voltage, overhead power line. This would be accomplished by the installation of power poles on the North and South bank of the river. In the process of excavation, cultural and natural resources would be monitored. The \$192,233.40 would pay Avista to temporarily install this line and upon completion, remove the temporary line and restore the power cables underneath the bridge. Mr. Hamad noted that these conditions are unique to the North Bridge construction. Mr. Hamad also noted, the \$192,233.40 would come out of the Park budget. Garrett Jones and Nick Hamad noted some of Avista's previous contributions toward the project: in fall of 2019, Avista secured the design engineer and paid for the initial project design, which was about \$160,000 worth of work. Also, the removal of the South Bridge power cables will be performed by Avista, at no cost to Parks.

**Motion 4:** Bob Anderson moved to approve Avista Utilities electric service agreement for temporary power/Riverfront Park north suspension bridge in the amount of \$192,233.40, no tax. Gerri Sperling 2<sup>nd</sup>.

Motion passed with a 4-0 vote.

Recommendation will be presented to the Park Board as a regular agenda item.

*Greta Gilman left the meeting at 3:32 p.m.*

5. **Associated Garden Club memorandum of understanding** – Al Vorderbrueggen gave the presentation. The agreement is for the Parks and Recreation Department to provide access to areas and facilities, including grounds mostly at Manito Park. This for AGC to pursue the horticultural focus of their work. The biggest change to the agreement, allows AGC to act as a fiscal sponsor, meaning they can accept donations on behalf of the Parks Department, at no cost to the Parks Department. This serves as an opportunity to save on admin fees associated with

fundraising. The agreement would start upon signatures after approval by Park Board and would apply up to 2024, with two additional one-year options not to exceed an overall term of 5 years.

**Motion 5:** Bob Anderson moved to approve the Associated Garden Club memorandum of understanding.

Gerry Sperling 2<sup>nd</sup>.

Motion passed with a 3-0 vote.

Recommendation will be presented to the Park Board as a consent agenda item.

### **Standing report items:**

1. [March financials](#) – Mark Buening presented an overview of the March financials. The current financial position for the end of 2021's first quarter is nearly identical to the first quarter in 2020. The most significant difference was that Parks did not initiate the shutdowns in 2020 until late March. Lower revenues have been balanced by much lower expenditures, which have produced a current net balance comparable to the one in 2020. 1) [Natural Resources](#) – Revenues and expenditures are higher than this time, last year. This is due to storm activity and a grant from Boise Cascade (this grant was allocated toward revenue). There is less than a \$10,000 difference in net revenues and expenditures, compared to last year. 2) [Recreation](#) – Revenues are about \$78,000 less than last year, with expenditures at \$110,000 less. This is due to significantly decreased activity, compared to last year. 3) [Riverfront Park](#) – Revenues are about \$47,000 less than last year, with expenditures at about \$136,000 less. Comparing expenditures to revenues, the overall financial condition has improved by nearly \$100,000. 4) [Park Ops](#) – Revenues are about \$12,000 less, with expenditures at about \$85,000 less than last year. Overall, there has been an improvement of about \$73,000 in finance, in comparison to last year. 5) [Admin](#) – Revenues are about \$330,000 less than last year, with expenditures at about \$112,000 less than last year. Revenue disparities are due to an additional payment from the general fund and Numerica revenues in 2020. Overall, there is a \$375,000 difference, compared to last year. 6) [Capital](#) – Expenditures are significantly less than last year, mostly due to retainage payments on past Capital projects. This year, Capital is at \$86,000, compared to \$216,000 last year. Many Capital expenses have been moved to 1950. Most of the Capital expenses which impact 1400 will not happen until the 3<sup>rd</sup> and 4<sup>th</sup> quarters of this year. 7) [Parks Fund](#) – Revenues are at about \$437,000 less than last year, with expenditures at about \$272,000 less. This time, last year, revenues over expenditures were at \$1.7 million. This year revenues over expenditures are at \$1.64 million, with a difference of about \$35,000, compared to last year. Ending reserves are about \$2.4 million. Bob Anderson asked if most of the storm expenses had been accounted for. Mark Buening answered, stating that most of those expenses have not yet hit the Parks Fund and currently, encumbrances and labor costs account for much of Park Fund expenses. Expenses related to storm costs are anticipated to gradually hit the Fund in the coming months. Garrett Jones added, to mitigate expenses, the Finance Admin Committee will propose a Special Budget Ordinance out of the Emergency Reserves, transferring over to Parks to address Capital repairs, such as irrigation systems. The intent is to work with City Council to create a special account to draw from, which will not affect the general operating budget, with any FEMA reimbursement going back to the City, not the Parks Department. 8) [Golf](#) – Revenues are about \$20,000, \$19,000 more than last year. Expenditures are about \$26,000 more than last year, mostly due to storm damage. Overall, there is a difference of \$6650 in revenues over expenditures, compared to last year. Without counting the Facility Improvement fee, net cash is at a negative \$200,000. Mr. Buening anticipates improvements in the Golf Fund in the coming months, as activity increases. 9) 1950 – Other than CIP projects, there has not been much activity. \$244,000 has been spent on Capital projects, this will increase as bridge construction begins. There have been no expenditures in Capital Replacement Funds, but Mr. Buening did note minor expenses in Reserves. 10) [Riverfront Bond Project](#) – Mr. Buening presented a chart reflecting the combined finance RIP, expenses, and encumbrances. This presentation gave an overall view of significant progress in areas of construction, which are near to completion.

**Adjournment:** The meeting adjourned at 3:52 p.m.

## MEMORANDUM of UNDERSTANDING

This Memorandum of Understanding ("MOU") is between the CITY OF SPOKANE, a Washington municipal corporation, acting through its Parks and Recreation Division ("City") and the SPOKANE PARKS FOUNDATION, a Washington non-profit corporation ("Foundation"). For the purposes of this MOU the "Effective Date" shall be the date this MOU is fully executed by both City and Foundation.

City owns, operates and/or maintains, through its Parks and Recreation Division, parks and other recreational and entertainment facilities, and operates a variety of related programs and services ("Parks & Programs"). Foundation's purpose is to foster, encourage, and receive gifts, legacies, and devises (outright or in trust) to be used to make grants to acquire, provide, improve and equip park and recreational facilities for the public in Spokane and its adjacent areas within Spokane County; as well as to sponsor, assist or cooperate in and provide recreational, athletic, educational and scientific programs for the public in said areas.

City and Foundation desire to set forth their agreement regarding the use of funds raised by the Foundation specifically restricted for use by the City to operate the Parks & Programs.

NOW THEREFORE, in consideration of the mutual covenants, mutual benefits and synergistic effect created by entering this MOU, City and Foundation agree as follow:

1. Role of City. City owns, operates and maintains Parks & Programs for the benefit of the public and the City of Spokane. City will work independently, and also with Foundation, to solicit donations, recruit, manage and coordinate volunteer services for the Parks & Programs in compliance with this MOU and City's policies and project requirements. The parties acknowledge City may solicit donations, and recruit, manage and coordinate volunteer services to benefit Parks & Programs independent of the oversight and fundraising activities of Foundation. For both General and Specific Donations (as defined below) City will comply with donor intent, as conveyed to City by Foundation.
2. Role of Foundation. Foundation will work with City to solicit donations, recruit, manage and coordinate volunteer services for Parks & Programs in compliance with this MOU and City's policies and project requirements. Foundation will at all times maintain its status as a Washington nonprofit corporation exempt from federal income tax pursuant to §501(c)(3) of the Internal Revenue code to which contributions are deductible under §§170, 2055, and 2522 of the Internal Revenue Code. Foundation solicits and receives restricted and unrestricted charitable donations from donors. A restricted donation is one the donor designates for a specific purpose or project. Unrestricted donations are made without restriction and may be used as Foundation sees fit consistent with Foundation's tax-exempt purpose. This MOU only deals with gifts solicited and received by Foundation that are restricted by the donor to be used for Parks & Programs, i.e., restricted donations. Such donations are "General Donations" as defined below. A donor may further restrict their donation to a particular purpose or project within Parks & Programs, which are referred to below as "Specific Donations". Foundation will retain its usual and customary administrative fee from donations it receives for Parks & Programs, unless another administrative fee is specified in a separate agreement (such as a campaign agreement) between City and Foundation applicable to the donation.

3. Donations. Pursuant to the terms of this MOU, City may request, and Foundation may agree, to solicit and collect donations to support, enhance and promote Parks & Programs. Donations collected by Foundation are either "Specific Donations" or "General Donations" as these terms are defined herein. The collection, stewardship and allocation of donations will be carried out in a manner specific to the assigned category of each donation.
4. Specific Donations. Specific Donations are donations City requests Foundation to solicit and receive for specific programs or projects. If Foundation agrees to collect donations for a specific project or program, City and Foundation shall enter into a separate agreement (such as a campaign agreement), which details the project(s) or program(s) that benefit from such donations, the method and term of soliciting and collecting the donations, the stewardship and allocation of the donations, and Foundation's fee for providing its services. As of the Effective Date, City and Foundation are parties to the following agreements for Specific Donations:
  - a. Riverfront Park Campaign Agreement, under City Clerk's No. DPR-2017-0872.
  - b. The City of Spokane Memorial Bench Project Agreement as set forth in *Appendix A*, attached to this MOU.
5. General Donations. General Donations are donations to Foundation the donor designates for Parks & Programs that are not Specific Donations, i.e., are not solicited and received pursuant to a separate agreement as provided in paragraph 4, above. A donor of a General Donation, may, but need not designate their donation be used for a specific program or project within Parks & Programs. Without prior approval by City, Foundation may recruit, manage and coordinate volunteer services in connection with the solicitation and collection of General Donations, so long as such activities are at no cost to City. Upon request of City, Foundation will release General Donations to City, less the administrative fee retained by Foundation. City shall determine, subject to complying with donor intent, how to spend General Donations on Parks & Programs consistent with City's master plan.
6. Collaboration and Information Sharing. To carry-out the terms of this MOU, the parties agree to the following terms regarding collaboration and information sharing:
  - a. Pursuant to the bylaws of Foundation, a current member of the Park Board of the City of Spokane is appointed to Foundation's governing board. Furthermore, a representative of Foundation is invited to attend all meetings of the Park Board. This process enables the sharing of information relating to solicitation, receipt and expenditure of General and Specific Donations.
  - b. At least monthly Foundation will (i) share its financial statements and minutes of its board meetings with City, except for minutes taken during executive sessions, and (ii) provide City with an accounting of General Donations. Foundation will provide this information to the member of the Park Board serving on the Foundation's governing board.
  - c. Upon request of Foundation, City shall timely provide Foundation with City's (i) strategic and/or master plan(s) for Parks & Programs, and all amendments and revisions to such plans, and (ii) City's policies and project requirements applicable to Foundation's role under this MOU.

- d. If City requests Foundation to raise Specific Donations for a capital project, City shall provide Foundation with all material information pertaining to construction, maintenance and operation of the capital project, including requirements, restrictions, projected costs and timelines, additional funding sources, and a funding plan. If Foundation elects to engage in fundraising for the proposed capital project, the parties will negotiate a separate agreement setting forth the terms under which Foundation will participate in raising money for the project.
  - e. City may, but is not required to, notify Foundation of other organizations that plan to undertake events or activities intended to assist and improve Parks & Programs. City may, but is not required to, require such other organizations to collaborate with Foundation on any events or activities that are primarily intended to benefit Parks & Programs.
  - f. City may, but is not required to, provide, at no cost to Foundation, Foundation access, to City's parks and recreation facilities for Foundation fund raising purposes intended to benefit Parks & Programs.
  - g. At the discretion of the Director of the Parks and Recreation Division, and consistent with state and federal law, City may, but is not required to, assist Foundation with Foundation activities intended to benefit Parks & Programs. Such activities include, but are not limited to, tours of City parks, coordination of volunteers to clean up City parks, and events intended to create awareness of Foundation and its role in supporting Parks & Programs (pop up events).
  - h. City may, but is not required to, notify Foundation and provide Foundation with information necessary to determine the best methods for securing the donations when City becomes aware of donations, actual or potential, intended to benefit Parks & Programs. City and Foundation may collaborate in pursuing such donations so as to maximize the benefit to Parks & Programs.
  - i. When promoting Parks & Programs, Foundation shall comply with City's communications/social media policy, and City's naming policy, as both may be amended from time to time.
  - j. City will recognize gifts received from or through Foundation in City's annual report.
7. Notice of Non-Compliance. In the event of non-compliance with any provision of this MOU, the non-breaching party shall notify the other party in writing of the event or practice the non-breaching party believes does not comply with this MOU. The other party shall, within 15 days from receipt of the notice of non-compliance, either correct the non-compliance or show cause to the non-breaching party that the other party is in compliance. In the event the allegedly breaching party fails to comply within this time period, the non-breaching party may, at its option, terminate this MOU by providing written notice of such termination to the breaching party.
- a. In the event of termination under this Section 7, Foundation shall provide City with an accounting of all funds held by Foundation, including any Specific or General Donations held by Foundation. Any agreement for Specific Donations shall survive the termination of this MOU as consistent with the terms of such agreement. General Donations will be disbursed pursuant to Section 5 of this MOU.

8. Term & Termination. This MOU shall become effective upon execution by both parties and shall terminate on December 31, 2025, unless earlier terminated. This MOU may be terminated by either party, without cause, on at least sixty (60) days prior written notice. In the event of termination, the parties shall have the same obligations as set forth in Section 7.a of this MOU.
9. Ownership/Use after Project Completion. All Parks & Programs projects funded with donations raised by Foundation will be owned and maintained by City and used according to City policies.
10. Assignment. Neither party may assign, transfer, or subcontract, in whole or in part, its interest in this MOU without the prior written consent of the other party.
11. Anti-Kickback. No officer or employee of the City or Foundation, having the power or duty to perform an official act or action related to this MOU shall have or acquire any interest in this MOU.
12. Indemnification. Each party shall be responsible for any and all acts and omissions of its staff, employees, officers, agents and independent contractors. Each party shall defend and hold harmless the other party from any and all claims, damages, and liability of any kind arising from third party claims resulting from any breach of a parties' staff, employees, officers, agents and independent contractor's obligations of confidentiality under this MOU.
13. Nondiscrimination. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this MOU because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities.
14. Entire Agreement and Amendment. This MOU and its appendices represent the entire agreement of the parties with respect to the matters specified herein.
15. Governing Law and Venue. This MOU is governed by and construed under the laws of the State of Washington. Venue for any actions arising under this MOU shall be in Spokane County, Washington.
16. Severability. Any provision of this MOU that is prohibited or unenforceable shall be ineffective only to the extent of the prohibition or unenforceability without invalidating the remaining provisions of this MOU.

17. Contact Information. All notices and communications between City and Foundation pursuant to this MOU shall be directed as follows:

### **City of Spokane Memorial Bench Program**

The City of Spokane Parks and Recreation Division has transitioned their memorial bench program to the Spokane Parks Foundation for management and stewardship. As such, the Spokane Parks Foundation will take on the following responsibilities:

1. Accept a minimum donation of \$5000 per memorial bench. This donation amount includes the cost of a standard bench, site prep, installation and future repairs, as well as Foundation's administrative fee and the cost of the recognition plaque.
2. Work with the donor to receive the donation and complete the Memorial Bench Donation Form
3. Determine donor wishes for bench location and text for recognition plaque
4. Request approval from the City on site location and plaque text
5. Work with an engraver and the donor to finalize the recognition plaque
6. Provide the recognition plaque to the City for installation
7. From each donation Foundation will retain 10% as its administrative fee, and will purchase the recognition plaque. Remaining funds will be placed in a designated account; the Memorial Bench Program fund. Upon receipt of appropriate invoices, Foundation will reimburse the City of Spokane Parks and Recreation Division from the Memorial Bench Program fund the cost of the bench, site preparation and installation. Funds remaining after paying these expenses, if any, will be retained in the Memorial Bench Program account to be used for bench repairs. Foundation will have no liability to pay for bench repairs beyond funds in the Memorial Bench Program account.
8. SPF will report to the City the account balance in the Memorial Bench Program fund once per quarter. This account reporting will be done at the same time that SPF reports its other financial reports to the City and Park Board.

The City of Spokane agrees to:

1. Provide a master list of available bench sites throughout the park system
2. Install approved memorial benches and recognition plaques
3. Invoice the Foundation for any expenses associated with bench purchase, site prep, installation, and future repairs.

### 1.0 GENERAL

Spokane Parks and Recreation is a Division of the City of Spokane whose services are primarily funded from the City's general fund. In recent years demands upon these funds have increased, a trend that is expected to continue.

To maintain and enhance the City's parks and recreation system, Spokane Parks and Recreation is actively seeking to establish revenue streams and resources that will increase Parks' ability to deliver services to the community and/or provide enhanced levels of service beyond the core levels funded from the City's general fund.

This policy will provide opportunities for the private sector to invest back into the community.

### 2.0 DIVISIONS/DEPARTMENTS AFFECTED

This policy and procedure shall apply to the Spokane Parks and Recreation Division.

City Charter - Section 48. Park Board - Powers

## 4.0 DEFINITIONS

For the purpose of this policy, the following definitions apply:

- 4.1 "Advertising" - a form of marketing that is paid for by an individual or organization to attract the public's attention to a particular product or service.
- 4.2 "Division" - Spokane Parks and Recreation Division
- 4.3 "Department Directors" - senior Parks and Recreation management directly under the Director of Parks and Recreation or the Executive Officer who have responsibility for parks and recreation departments.
- 4.4 "Historical or Prominent Individuals/Families/Groups"- individuals, families or groups that have a historical connection to the City's heritage or have in some way made significant contributions to the Spokane community.
- 4.5 "Individual and Family Giving" – A donation garnered from members of the general public who desire to contribute financially to the Division, for which there may be some mutually agreed upon recognition benefit. Donations are typically driven by fondness or affection for Parks and Recreation, desire to memorialize self or loved ones, or in support of the Division mission.
- 4.6 "Interpretive sign" - a sign within a park that interprets natural, historic and/or cultural features.
- 4.7 "Logo" - a symbol or name that is used to brand an organization.
- 4.8 "Marketing" - all forms of promotional efforts to attract the public's attention to a particular product or service. Marketing opportunities offered to sponsors are specific to each sponsorship and detailed in the agreement in accordance with City laws and Division policies.
- 4.9 "Memorials and tributes" – plaques, benches, trees or other elements designed to honor an individual and/or in recognition of a contribution.
- 4.10 "Naming rights" – A financial transaction and form of advertising whereby a corporation or another entity purchases the right to name a park asset, typically for a defined period of time of three to 20 years, with the intent to promote its brand or market its programs and services.
- 4.11 "Park" – Division property designated as a park.

- 4.12 "Park asset" – Physical Division amenities, features and facilities identified by the Park Board as an opportunity for naming rights or individual and family giving.
- 4.13 "Park facilities" - buildings, outdoor fields, recreation, sports or entertainment facilities in which structured and unstructured activities are provided.
- 4.14 "Park feature" – fountains, artwork, amenities and similar.
- 4.15 "Plaque" - a flat memorial plate containing information that is either engraved or in bold relief that may be affixed to a park asset or displayed in a public place as a form of recognition.
- 4.16 "Program sponsorship" – A payment or in-kind service by a business to support a program, activity or special event of the Division in return for certain recognition benefits. Sponsorships will generally be a year or less in duration and not associated with a permanent park asset.
- 4.17 "Recognition benefits" – Opportunities provided to the sponsor or donor as an incentive or appreciation for charitable donations.
- 4.18 "Sign" - a structure that is used to identify a specific park, to convey directions/rules to park users, and/or to inform about a project or attraction. May be temporary or permanent.
- 4.19 "Sponsorship or donation agreement" - the legal instrument that sets out the terms and conditions agreed upon by the parties.

## 5.0 POLICY

- 5.1 It is the policy of Spokane Parks and Recreation Division to actively seek sponsorships, charge fees for advertising, and to accept donations and gifts where appropriate, for its events, services, parks, equipment and facilities. The purpose of such is to increase the Division's ability to deliver services to the community and/or provide enhanced levels of service beyond the core levels funded from the City's general fund.
- 5.2 In appreciation of this support, it is the policy of the Division to provide suitable acknowledgement and recognition of these contributions. The recognition shall adhere to the aesthetic values and purpose of the Division's parks, facilities, and services, and to the recognition guidelines outlined in this policy.
- 5.3 Sponsorships and donations will be considered for the following broad

types of activities:

- 5.3.1 Event Sponsorship - financial or in-kind support for an event organized by the Parks Division on park property. Depending on the details of the agreement, the sponsor's name may or may not be directly linked to the event (e.g., a title sponsorship), and the sponsor may have a variety of temporary marketing opportunities.
  - 5.3.2 Park Facility or Feature - financial or in-kind support associated with the design, construction and/or ongoing maintenance and operation of a particular park or recreational, sport, entertainment or cultural facility. Recognition opportunities are negotiated with the agreement.
  - 5.3.3 Program Sponsorship - financial or in-kind support that facilitates the ongoing delivery of a particular citywide or site-specific program. Recognition of the sponsor could be associated directly to the program, or other marketing opportunities could be available, depending on the terms of the agreement.
  - 5.3.4 Memorials or Tributes – plaques, trees or similar in honor of a person or persons, with recognition benefits outlined in the proposal and agreement.
- 5.4 All sponsorships, gifts, donations, naming recognition, memorials, tributes and plaques shall be formalized legally in writing through a Sponsorship or Donation Agreement, and signed by a representative from each party.
- 5.4.1 The agreement should include a clear statement of the purpose, financial value, benefits associated including specific recognition and marketing opportunities, total costs, maintenance and replacement, each party's roles and responsibilities, and term and termination provisions.

## 6.0 GUIDING PRINCIPLES

The following principles form the basis of the Division's consideration of sponsorships, gifts and naming requests, and have been established to ensure all considerations are treated equitably.

- 6.1 Sponsorship, gift and donation proposals:
  - 6.1.1 Must directly relate to the intent of the facility or park, and its master plan or business plan.
  - 6.1.2 Cannot be made conditional on Division performance.
  - 6.1.3 Will not be accepted from organizations whose mission conflicts with the mission of the Division.
  - 6.1.4 Will provide a positive and desirable image to the community.
  - 6.1.5 Will provide benefits commensurate with the relative value of the sponsorship.
  - 6.1.6 Cannot limit the Division's ability to seek other sponsors.
  - 6.1.7 Will include an operating endowment or operating donation if the gift requires a level of service, maintenance or service

beyond current staffing levels.

6.1.8 Will enhance the design and visual integrity of the park/facility.

6.1.9 Will be evaluated individually and shall include, but not be limited to: products/services offered; sponsor's record of involvement in environmental stewardship and social responsibility; principles of the sponsor; sponsor's rationale for its interest; sponsor's expectations; and sponsor's timeliness and/or readiness to enter into an agreement.

## 6.2 Ethical Considerations

6.2.1 Sponsorships, gifts and donations may come with unintended consequences and need to receive careful consideration. On occasion, the Division may need to reject an offer under circumstances including, but not limited to: the potential sponsor contemporaneously seeks to secure a contract, permit or lease; the potential sponsor seeks to impose conditions that are inconsistent with the Division's mission, values, policies and/or planning documents; acceptance of a potential sponsorship would create a conflict of interest or policy (e.g., sponsorship from a tobacco company, political organization; the potential sponsor is in litigation with the City of Spokane.)

## 7.0 RECOGNITION OF SPONSORSHIPS AND GIFTS

7.1 The following principals will guide the recognition:

7.1.1 The recognition shall not detract from the visitors' experience or routine use, nor shall it impair the visual qualities of the site or be perceived as creating a proprietary interest.

7.1.2 All forms of recognition must meet Division design and maintenance guidelines.

7.1.3 Recognition shall not suggest in any way the endorsement of a sponsor's goods or services by the Division, or any proprietary interest of the sponsor in the Division.

7.1.4 All sponsorship, donation or naming rights agreements will be for a defined period of time having regard to the value and the life of the asset involved.

7.1.5 Benefits will be provided at a level of recognition and will specify costs commensurate with the contribution, as outlined in an annual plan by the Division.

7.1.6 All sponsorship marketing materials must be approved by the Division's Communication Manager.

7.1.7 The Division's Communication Manager must approve the use of the City's or Parks and Recreation's logos by the sponsor in their business publications.

7.1.8 All signs must comply with city ordinance.

- 7.2 Forms of recognition: The Division wishes to work closely with each donor to provide recognition that is meaningful to the donor. Acknowledgement may include one or more of the following:
  - 7.2.1 A thank you letter.
  - 7.2.2 Publicity through printed materials, publications, the Division website, social media, media releases, and through the sponsor's channels. Design standards of the Parks and Recreation Division will apply.
  - 7.2.3 Events such as a groundbreaking or ribbon cutting ceremony, private group tour or photo opportunity.
  - 7.2.4 Mayor, City Council and/or Park Board member acknowledgement at civic functions.
  - 7.2.5 Designated seating at an event, passes to an event, waived fee for facility use, or similar.
  - 7.2.6 Commemorative recognition such as a memorial, plaque or tribute (see Section 9.0).
  - 7.2.7 On-site recognition such as a temporary or permanent sign.
    - 7.2.7.1 The form of any on-site recognition shall be of an appropriate size and color, and shall not detract from the park surroundings or any interpretive message.
    - 7.2.7.2 The Division Communication Manager shall determine approval of the sign/plaque style and design, and inclusion of a sponsor's name and/or logo.
    - 7.2.7.3 The placement of temporary signs and plaques shall be determined between the Communication Manager and the appropriate Department Director. In the event of consensus not being reached, the Parks and Recreation Director's decision shall be final.
    - 7.2.7.4 Permanence of the sign is limited to the life of the asset.
  - 7.2.8 Name association to an event, program or project.
  - 7.2.9 Naming of a facility, feature or park (see Section 8.0).
- 7.3 Determining the form of recognition
  - 7.3.1 Annually, sponsor/donor opportunities and recognition tiers should be developed and/or reviewed by the Communication Manager and/or consultants or staff designated by the Director in collaboration with appropriate Department Directors.
  - 7.3.2 Annually, recommended sponsor/donor opportunities and recognition tiers should be presented to and approved by the Director and the Park Board.
  - 7.3.3 In determining the type and extent of recognition benefits, current market research data and cost analyses will be used to determine the value for each tangible and intangible benefit offered.
  - 7.3.4 If a recognition plan involves naming of a park, facility or feature within a park, the naming procedures will apply (Section 8.0).
- 7.4 Sample of sponsor/gift opportunities and recognition tiers: Each

sponsorship is negotiated and tailored; however, a hierarchy of benefits is associated with varied levels of sponsorships. The following are examples of benefits that may be included at various levels:

- 7.4.1 Lower investments may offer banner placements, give-away opportunities, recognition without logo in publications and social media, mention in a press release, recognition in remarks at the event, and recognition on site signs.
- 7.4.2 Mid-level investments may offer the above in addition to logo placement or advertisements in publications/print materials (e.g., the Activity Guide) and social media, passes or special access to events, product sampling, and waived fees for facility use.
- 7.4.3 High-level sponsorships may include the above plus name association to an event or program, designation as the official sponsor of an event or program, permanent signs or plaques, or naming rights of a park, facility or feature.

## 8 NAMING OF A PARK, FACILITY OR FEATURE

The following principles form the basis of the Division's consideration of naming or re-naming parks, facilities and features within a park (e.g., "Acme Park" or "Acme Field" or "Acme Fountain"). They do not apply to the associated naming of an event, program or project (e.g., "Acme Skate Night" or "Acme Softball Tournament"); those are temporary program name associations in accordance with the annual sponsor opportunities.

- 8.1 In accordance with the City Charter, Section 48, the Park Board may designate by name any park and structures thereon.
- 8.2 The recommendations for park, facility and feature names will be based on and chosen from the following criteria:
  - 8.2.1 Historic events, places and people related to Spokane and the region
  - 8.2.2 Exceptional individuals who have positively impacted parks and recreation in Spokane and the region
  - 8.2.3 In commemoration of a group or individuals who perished or survived a tragic event or war
  - 8.2.4 A suitable program or community related name which denotes an appropriate linkage to its function
  - 8.2.5 Living nominees must have been deemed by Park Board and the community to have made an outstanding contribution to the City
  - 8.2.6 Living political nominees must be retired from political life for at least five (5) years
  - 8.2.7 In recognition of a significant donation covering one or preferably more of the following:
    - 8.2.7.1 Sixty percent (60%) or more of the cost of the particular park or facility, or one hundred percent (100%) of the feature
    - 8.2.7.2 Deeding to the City all of the land on which the park,

- facility or feature will be situated
- 8.2.7.3 Some long-term endowment for the repair and maintenance of the donated park; facility or feature
- 8.2.7.4 The provision of costs that will service program needs
- 8.2.8 The duplication or repeat use of names will be avoided, where possible.
- 8.3 Renaming of a Park, Facility or Feature
  - 8.3.1 Proposals to rename parks are not allowed unless Park Board determines a legitimate public interest to do so.
  - 8.3.2 Proposals to rename facilities or features will be considered in accordance with any naming rights agreements (e.g., a 10-year agreement for naming rights to "Acme Fountain.")
- 8.4 Process for Naming Parks, Facilities and Features
  - 8.4.1 Anyone wishing to propose a name for a park, facility or feature must submit a written request to the Director. The request should include a brief synopsis of the reasons for the proposed name.
  - 8.4.2 All naming opportunities shall be developed under the guidance of the Communication Manager and/or a designated consultant in collaboration with the appropriate Department Director.
  - 8.4.3 The Communications Manager or other Parks staff may meet with neighborhood representatives, other City government organizations (e.g., Historic Preservation, Planning Services), or organizations concerned with parks and/or park facilities in order to prepare a recommendation.
  - 8.4.4 For assets with an annual contract dollar value at or less than \$20,000/year and/or at or less than five (5) years in duration, decisions about naming rights will be made within the Division and appropriate Department, and will not require Park Board approval (only Park Board notification through the appropriate committee).
  - 8.4.5 For assets with an annual contract dollar value greater than \$20,000 and/or greater than five (5) years in duration, the naming rights proposal will be submitted to the Park Board through the appropriate committee for approval.
  - 8.4.6 Accepted proposals will adhere to the City Charter, and all other relevant guidelines and procedures as previously outlined.
  - 8.4.7 If a new park or facility is completed and no fitting suggestion for a name has come from the community or in association with a gift, the Park Board will select a name and may involve community outreach (e.g., nominations, contest, etc.).

## 9.0 MEMORIALS, PLAQUES AND TRIBUTES

The following principles form the basis for the Division's consideration of memorial, plaque or tribute proposals and to help prevent proliferation of memorials, plaques and tributes:

- 9.1 Memorials, plaques or tributes should benefit the general public as a first priority with the benefit to the donor or honoree as a secondary goal.

- 9.2 Inventory options vary by location and are dependent upon space and need. The Director or Assistant Director of Park Operations will review and approve all requests.
- 9.3 An agreement will be consummated to include responsibilities related to the memorial or plaque, including but not limited to: installation costs including on-going upkeep, and replacement or repair costs.
- 9.4 Proposals of memorials, plaques or tributes in parks and recreation areas may include:
  - 9.4.1 New trees, tree replacement or seasonal planting beds;
  - 9.4.2 New or replacement park benches, picnic tables, barbeque pit stands, drinking fountains, or trash receptacles;
  - 9.4.3 New or replacement picnic shelters, play equipment or water misting stations
- 9.5 Accepted proposals will adhere to all other relevant guidelines and procedures as previously outlined.
- 9.6 Process for Memorials, Plaques and Tributes
  - 9.6.1 All memorial and plaque requests must be in writing and shall be referred to the Communication Manager.
  - 9.6.2 The Communication Manager is responsible for evaluation of requests and the provision of a recommendation to the Director of Park Operations or appropriate Department Director.
  - 9.6.3 The Communication Manager will liaise with the appropriate Department Director to execute the necessary agreement and benefit recognition provisions.

## 10.0 PLANNING AND FULFILLMENT

- 10.1 Sponsor and donation recognition will be determined as outlined in Section 7.0.
- 10.2 Solicitation Planning
  - 10.2.1 The Communication Manager and any designated consultants, in consultation with the Division Director and appropriate Department Directors, shall develop an on-going accrual plan that includes prioritized opportunities for the purpose of solicitation.
  - 10.2.2 Sponsorships and giving opportunities are either initiated by the Division through a formal Request for Sponsors (RFS) process, initiated by the Division or their representative based on perceived potential interest of a specific sponsor/donor, or self-initiated by the potential sponsor/donor.
  - 10.2.3 Identified opportunities shall be approved by the Director and subsequently communicated to the Spokane Parks

Foundation to facilitate an integrated approach to the procurement and management of sponsorships and gifts/donations by the two organizations.

10.2.4 Selected Parks and Recreation staff, Park Board members, and elected officials may be tasked with soliciting sponsors in accordance with the plan and upon their willingness.

10.2.5 All unsolicited sponsorship proposals shall be referred to the Communication Manager or designated consultant who shall be responsible for their evaluation and the provision of a recommendation to the appropriate authority level.

#### 10.3 Fulfillment of Agreements

10.3.1 The Communication Manager shall liaise with the appropriate Department Director or their designee to execute the necessary sponsorship agreement and benefit recognition provisions.

10.3.2 Fulfillment of the promised recognition shall be the shared responsibility of the Communications Manager and the appropriate Department Director or their designee.

#### 10.4 Monitoring and Performance Reporting

10.4.1 It will be reported annually by the Communication Manager or designated consultant to the Park Board the number of active sponsorships/donations and their dollar value.

### 11.0 TERMINATION

The Division reserves the right to terminate any contractual relationship should conditions arise during the life of the agreement that result in a conflict with this policy or if the agreement is no longer in the best interests of the Division. Decisions to terminate an agreement shall be made by the Director. Circumstances include but may not be limited to: the sponsor seeks to impose conditions that are inconsistent with the Division's mission, values, policies, and/or planning documents; a conflict of interest or policy arises during the agreement period; the potential sponsor is in litigation with the City of Spokane.

## 3.0 REFERENCES

Email: City Policy ADMIN 0620-05-55  
Internet Access: City Policy ADMIN 0620-05-56.

## 4.0 DEFINITIONS

- 4.1 "Social media" includes blogs and new shared information sites such as Twitter, Facebook, Pinterest, YouTube, Tumblr, Google Plus, Instagram, LinkedIn, etc. Such sites allow departments to distribute information through an additional public Internet presence. They are hosted outside of the City's network.

## 5.0 POLICY

### 5.1 Statement of Policy

- 5.1.1 Social Media is an evolving part of public communications efforts, and the City of Spokane is using blogs, Twitter, Facebook accounts, etc. to further enhance the City's outreach and provide an additional avenue to disseminate public information to constituents. Social media's immediate reach creates a demand for thoughtful use and dissemination of information.
  - 5.1.2 Division directors must approve the creation of social media accounts within their divisions and designate specific staff members to maintain the sites. The division directors also are responsible for monitoring appropriate use of the sites by their employees.
  - 5.1.3 No social media account shall be approved for departments or programs that do not generate enough news-worthy content to routinely post two (2) to three (3) times per work day.
  - 5.1.4 Staff members designated to write, post, and respond to items on social media sites act as additional public spokespersons for their department, division, and the City of Spokane. The City expects those staff members to adhere to best practices and to use common sense when using online outreach and community building. Staff must always remember that professional and personal lines can easily blur online, and at all times, they are representing their employer in their online interactions.
  - 5.1.5 All approved uses of social media must be reported to the City's Communications Director, who will maintain an overall inventory of such sites.
  - 5.1.6 Departments or programs without social media accounts are encouraged to send items to the Communications Department for posting on general City social media pages.
- 5.2 Employees are expressly forbidden to misuse any Social Media access privileges in any way that may include, but are not limited to:
- a. Using Social Media accounts for unlawful activities, including violations of copyright law, or for activities that are malicious or have a harassing effect on other users.
  - b. Violating the acceptable use policies of any network to which they connect to the account.

- c. Misrepresenting the City's brand, programs or policies in their communications.

## 6.0 PROCEDURE

- 6.1 Employees must get approval from their division director prior to creating a Social Media account for work-related purposes.

### 6.2 General Provisions

- 6.2.1 Some comments to City posts will need an answer. The answer needs to be timely and accurate.
- 6.2.2 Respect the account's audience and the City's workplace rules. Anything that is not acceptable in the workplace is not acceptable online—personal insults and obscenities, ethnic slurs, etc. Do not engage in topics that may be considered objectionable, inflammatory or derogatory.
- 6.2.3 Social media is subject to record retention requirements as set by state law.
- 6.2.4 All social media accounts must be connected to the City's social media archiving service for public records purposes.

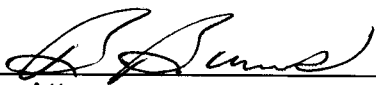

## 7.0 RESPONSIBILITIES

The Communications Department, in cooperation with the Human Resources Department, along with the City's division directors, is responsible for administering this policy.

## **City of Spokane Social Media Tips**

Social Media is an emerging part of the City of Spokane's communications efforts. The Public Information and Communications staff are the primary leads on the use of social media. The use of blogs, Twitter, Facebook accounts, etc., are intended to further enhance the City's outreach, not replace other, more traditional, forms of outreach. The City expects staff entrusted with maintaining social media accounts to use best practices and common sense when engaging in on-line outreach and community building.

Be aware that professional and personal lines can easily blur on-line. If employees represent the City publicly, they should be prepared for people to find their names in social media circles, too.

- 1) Be honest and open.
- 2) Employees should identify themselves by name and role at the City.
- 3) Try to add value. The City's brand is best represented by its employees. What departments publish will reflect upon the City's reputation regarding the quality of work and services that are provided to the community.
- 4) Follow copyright and fair use laws.
- 5) Remember social media is subject to record retention, as set by state law.
- 6) If the employee publishes content to a site outside of the City of Spokane, make it clear that the employee is representing the City.
- 7) Do not pick fights; consider the tone of the response being given.
- 8) A Facebook or Twitter account needs frequent posts. One (1) to three (3) posts per day per account. Employees should plan out material that they can post about in their work day – weekly if possible – as a supplement to opportunistic content.
- 9) Social media and blog posts should be more casual than a new release. Both short and long-term entries work for the blog. Twitter is one hundred forty (140) characters, one hundred twenty (120) is ideal so it can be "re-tweeted."
- 10) Images drive (solicit or attract versus drives) views of social media posts and should be used frequently and include persons whenever possible.
- 11) Potential posts:

- a. Highlight a news release or other happening that would be of interest to people. e.g., community garden, Parks new pool and splash pads.
  - b. Interesting information about a department that is not worthy of full news release.
  - c. Interesting facts about the City and its programs during a particular time of year. e.g., summer street construction, Spokane river clean-up.
- 12) Follow key blogs and Twitter feeds related to the programs and services of the City. Know what individuals are saying about the City. Talk to the appropriate department head or Communications team if issues arise that need attention.
- 13) Employees should respect their audience and the City's workplace rules. Anything that is not acceptable in the workplace is not acceptable online—personal insults and obscenities, ethnic slurs, etc. Do not engage in topics that may be considered objectionable or inflammatory.

Does the bidder have a record of multiple claims filed against the retainage or payment bonds for public works projects during the previous three (3) years?
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If "Yes", attach a separate signed / dated statement listing the claims filed against the retainage and/or payment bond for any completed public works projects and include for each project a written explanation of the circumstances surrounding the claim and the ultimate resolution of the claim. The City shall evaluate the statement to determine if it demonstrates a lack of effective management by the bidder of making timely and appropriate payments, unless there are extenuating circumstances acceptable to the City in its sole discretion.
<b>Part L. Termination for Cause</b>
Has the bidder had any public works contract terminated for cause by any government agency during the previous five (5) years?
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If "Yes", attach a separate signed / dated statement listing each contract terminated, the government agency terminating the contract and the circumstances involving the termination for cause. The City will determine if there are extenuating circumstances acceptable to the City in its sole discretion.
<b>Part M: Litigation</b>
Has the bidder been involved in lawsuits (or arbitrations for those instances where arbitration is completed in lieu of a lawsuit) with judgments entered against the bidder for failure to meet terms on contracts in the previous five (5) years?
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If "Yes", attach a list of lawsuits and/or arbitrations with judgments / arbitration awards entered against the bidder along with a written explanation of the circumstances surrounding each lawsuit and/or arbitration. The City will evaluate the explanations to determine whether the lawsuits and/or arbitrations demonstrate a pattern of failing to meeting terms of conditions of contracts, unless there are extenuating circumstances acceptable to the City in its sole discretion.
<b>Part N: Delinquent State Taxes</b>
Does the bidder owe delinquent taxes to the Washington State Department of Revenue without a payment plan approved by the Department before the date of contract award?
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If "Yes", attach a separate signed / dated statement describing the circumstances and stating that the bidder is not on the Washington State Department of Revenue's "Delinquent Taxpayer List".

Brief Project Description – Constructed new asymmetrical cable-stayed bridge which spans 240 feet in one direction and 174 feet in the other, crossing three BNSF RR tracks and a city street. The central pylon is a reinforced concrete arch soaring to 120 feet above the surrounding grade. An entrance plaza at each end transitions into the bridge via intricate concrete pavers, winding or spiral ramp structures, stairs and extensive architectural concrete and paver finishes			
Brief Summary Of Technical Work Completed By Bidder, Including Any Relevant Details To Demonstrate Similar Experience And Any Required Experience Detailed In the Specifications  This bridge is of similar unique construction to the Riverfront Park Suspension Bridges, albeit cable-stayed instead of suspended. Both are pedestrian bridges which utilize structural-steel framing, stay-in-place metal decking, cast-in-place concrete deck, metal bridge railing, lighting, and site concrete and landscaping. Garco self-performed 55% of the work on this project, including all reinforced concrete construction, structural steel and stay cable erection, and installation of handrail and metal railing.

Brief Project Description – Emergency contract for the rehabilitation and upgrade of two existing structural steel truss spans over 300 feet long each. The two-lane bridge spans cross over the Snoqualmie River and all work was performed over water.			
Brief Summary Of Technical Work Completed By Bidder, Including Any Relevant Details To Demonstrate Similar Experience And Any Required Experience Detailed In the Specifications  This project included reinforcement of truss girder to floor beam connections with additional structural steel plates and bolts and replacing existing structural bolts with upgraded A490 bolts. Lower chord gusset plates were removed and replaced with thicker steel to meet current seismic code requirements and upper chord connections were modified with added connection points. Nearly 3000 new structural bolts were added by field-drilling, and over 3300 existing bolts were replaced. After the existing connections were modified and inspected, they were coated with a multi-part zinc/urethane paint system. Garco designed and constructed temporary work platforms to access the work, as well as containment for prep and painting operations. All repairs were completed over water while maintaining one-way alternating traffic on the structures. Garco self-performed 92% of the work, including all structural steel activities.

Scope of Work

Riverfront Park Suspension Bridge Renovation  
Construction Support and Construction Management Services

PROJECT DESCRIPTION

Avista Corporation (Avista) on behalf of the City of Spokane (City) had previously contracted KPFF Consulting Engineers (KPFF) to perform the design of repairs and renovations to the Riverfront Park Bridge North and South Suspension Pedestrian Bridges. The project consists of repairs to the North Suspension bridge including concrete deck replacement, steel repairs, bridge railing retrofits, drainage improvements, lighting upgrades, and concrete vault lid replacement.

The project will be advertised for construction on in Spring 2021 with Contractor mobilization expected by early Summer 2021. The project construction is expected to be complete by Fall 2021.

PROJECT OBJECTIVES

This scope of work is to provide the following:

- Updated bid documents for project advertisement
- Technical engineering support services during the advertising/bid and construction phases of the project.
- Construction Management and Administration

PROJECT TEAM

The project team includes:

Owner & Construction Manager	City of Spokane
Prime Consultant	KPFF Consulting Engineers (KPFF)
Structural Engineering	KPFF
Civil Engineering	KPFF
Electrical & Lighting Design	Trindera Engineering

## **SCOPE OF WORK**

### ***TASK NO. 1.0 – PROJECT MANAGEMENT AND ADMINISTRATION***

#### **Task No. 1.1 – Invoices and Progress Reports**

KPFF compile invoices from the design team and will submit a combined monthly invoice and progress report which will be transmitted to the City.

##### Assumptions

- None

##### Deliverables

- Monthly invoices and progress reports (assume 10).

### ***TASK NO. 2.0 – BID DOCUMENT UPDATES & BID SUPPORT***

#### **Task No. 2.1 – Coordination with City**

KPFF and Trindera will coordinate with the City during the design phase to discuss project issues, schedule, and progress as needed.

#### **Task 2.2 – Update Bid Plans**

KPFF and Trindera will update the existing bid plans to include only the “base bid” design elements from the previous bid set and any other modifications related to the updated specifications (see Task 2.3). Base bid includes renovation of the North Suspension Bridge and replacement of the north vault lids. Replacement of south vault lids will be included as a bid alternate.

##### Assumptions

- Assume one (1) round of review and comment of the updated project specifications
- The City will compile all comments on Draft Bid Plans from project stakeholders into one, complete document and distribute to KPFF.
- KPFF and Trindera will incorporate plan modifications from previous bid addenda.

##### Deliverables

- Draft Bid Plans (PDF)
- Final Bid Plans (PDF)
- Responses to comments on the draft bid plans (Excel or PDF)

#### **Task 2.3 – Update Bid Specifications**

KPFF and Trindera will update the existing specifications to conform to the 2020 WSDOT Standard Specifications.

#### Assumptions

- The City will provide an updated specification boilerplate for use on the project. The
- Assume one (1) round of review and comment of the updated project specifications
- The City will compile all comments on Draft Bid Specifications from project stakeholders into one, complete document and distribute to KPFF.
- KPFF and Trindera will incorporate specification modifications from previous bid addenda.

#### Deliverables

- Draft Bid Specifications (Word Document)
- Final Bid Specifications (Word Document, PDF)
- Responses to comments on the draft bid plans (PDF)

### **Task 2.4 – Update Cost Estimate & Bid Items List**

KPFF and Trindera will updated the existing cost estimate and bid items list to conform to the 2020 WSDOT Standard Specifications and any plan changes (See Task 2.2).

#### Assumptions

- Assume one (1) round of review and comment of the updated project cost estimate and bid items list
- KPFF and Trindera will incorporate bid item modifications from previous bid addenda

#### Deliverables

- Draft Bid Cost Estimate & Bid Items List (Excel File)
- Final Bid Cost Estimate & Bid Items List (Excel File, PDF)

### **Task 2.5 – Pre-Bid Meeting & Bidder Questions**

The KPFF Project Manager will attend a pre-bid meeting to provide a summary of the project and answer any bidder questions.

KPFF and Trindera will answer up to six (6) official questions asked by potential bidders during the advertisement period. Responses to bidder questions will be sent to the City who will provide the official response.

#### Assumptions

- The pre-bid meeting will be held virtually by teleconference or video call.

- The pre-bid meeting will last two (2) hours
- The City will coordinate the details, agenda and notes for the pre-bid meeting.

#### Deliverables

- Pre-bid meeting preparation and attendance
- Responses to official bidder questions (email)

#### **Task 2.6 – Addenda**

KPFF and Trindera will issue up to two (2) addenda to the contract documents (e.g. plans and specifications) based on questions and/or clarifications requested from the potential bidders. Updated contract documents will be issued to the City who will issue the official addenda. Plan and specification addenda will be stamped and sealed by the engineer of record (EOR) of the original bid document.

#### Assumptions

- The City will coordinate and compile all addenda for issuance to the Contractor.

#### Deliverables

- Responses to bidder questions (email)
- Bid document addenda (PDF)

add task 3 items to project scope of work

### ***TASK NO. 3.0 – CONSTRUCTION SUPPORT SERVICES***

#### **Task No. 3.1 – Coordination with City**

KPFF and Trindera will coordinate with the City during the construction phase to discuss project issues, schedule, and progress as needed. The City will collect and disseminate information, submittals, RFIs and contractor requests for the team and coordinate schedules and inspections for the design team staff.

#### **Task 3.2 – Submittal Review & Response**

KPFF and Trindera will review and respond to submittals received during construction. Below is a list of submittals of anticipated structural submittals that will be reviewed by KPFF:

1. Demolition Plan
  - a. Type 2E Working Drawings
    - i. Demolition procedures
    - ii. Work Platform
    - iii. Containment

- b. Type 1 Working Drawings
      - i. Steel Cleaning
  - 2. Concrete Class 4000D
    - a. Mix Design
    - b. Formwork/Falsework
    - c. Request for Approval of Materials (RAM) – Aggregate, Cement, Compliance Certifications, Material Test Certs
  - 3. Rebar
    - a. Shop Drawings
    - b. RAMs – Compliance Certs, Mill Certs
  - 4. Stay-In-Place Forms
    - a. Shop Drawings
    - b. RAM – Steel certs, galvanizing
  - 5. Steel Repairs
    - a. Shop Drawings
    - b. RAMS – welder certs, mill certs
  - 6. Deck Drains
    - a. RAM – drain type
  - 7. Pedestrian Railing Retrofit
    - a. Shop Drawings
    - b. RAMs – Compliance Certs, Mill Certs, Welder Quals, Cable Components
  - 8. Expansion Joints
    - a. Shop Drawings (Steel & Expansion Joint)
    - b. RAMs – Compliance Certs, Mill Certs, Welder Quals
  - 9. Vault Lids (Uplight Bracket, Tower Collar, Edge Beam, Manhole)
    - a. Shop Drawings
    - b. RAMs – Compliance Certs, Mill Certs
  - 10. Resin Bonded Anchors
    - a. RAM – Epoxy, Anchor Material Certs
  - 11. Bridge Supported Utilities
    - a. Shop Drawings
    - b. RAMs – Fiberglass Conduit, hanger components
  - 12. Tower Repair Grout
    - a. RAMs – Grout, Bolt mill certs, epoxy resin
  - 13. Bridge Closure Gate
    - a. Shop Drawing
    - b. RAMs – Fence fabric, tension wire assembly, paint, mill certs, compliance certs
  - 14. Drainage Scupper & Trench Drains
    - a. Shop Drawings incl. Coring
    - b. RAMs

Trindera will review up to eight (8) electrical and/or lighting related submittals.

#### Assumptions

- The City will collect and distribute submittals and responses to/from the Contractor.

#### Deliverables

- Review and response of submittals (PDF)

### **Task 3.3 – Request for Information (RFI) Review & Response**

KPFF and Trindera will review and respond to RFIs received during construction. Below is the total number of RFIs to be reviewed by each firm:

- KPFF – 15
- Trindera – 5

#### Assumptions

- The City will collect and distribute RFIs and responses to/from the Contractor

#### Deliverables

- Review and response to RFIs (PDF)

### **Task 3.4 – Meetings, Site Visits & Punchlist Walkthroughs**

KPFF and Trindera will attend meetings, perform site visits (as needed) and participate in punchlist walkthroughs during the construction phase of the project. Below is the total number of assumed meetings, site visits and punchlist walkthroughs:

#### *Meetings:*

- KPFF – 10
- Trindera – 4

#### *Site Visits:*

- KPFF – 6
- Trindera – 4

#### *Punchlist Walkthroughs:*

- KPFF – 2
- Trindera – 2

#### Assumptions

- The City will coordinate and schedule meetings with the design team and the Contractor.
- Meetings are assumed to last one (1) hour and will occur via teleconference or phone.

- Site visits will occur on an as-needed basis and will be coordinated by the City. Travel for KPFF Seattle engineers is included for up to four (4) site visits. All other site visits will be performed by KPFF Spokane engineers.
- Assume one (1) weekly meeting for the 1<sup>st</sup> project construction month and one (1) meeting per month thereafter. Total duration is seven months.

#### Deliverables

- Attendance to meetings, site visits and punchlist walkthroughs.
- Punchlist items (PDF)

### **Task 3.5 – Special Structural Inspection**

KPFF bridge engineers will inspect the North bridge following the removal of the bridge deck and existing conduits. The purpose of the inspection is to determine the extent of the structural deterioration and provide specific direction to the Contractor in terms of the extent and type of steel repairs. If necessary, KPFF will provide updated repair details to supplement those already contained within the design drawings. These repair details will be stamped and sealed by the KPFF EOR.

Results of the inspection and recommended repairs will be summarized in a brief technical memo which will be provided to the City.

#### Deliverables

- Special structural inspection
- Technical memo summarizing inspection findings
- Additional repair details, as needed. (PDF)

### **Task No. 3.6 – Record Drawings**

As-built redlines will be provided to KPFF and Trindera from the City and Contractor after completion of construction. These redlines will be used to create Record Drawings. The Record Drawings will be prepared in accordance with the City's requirements and will not contain the stamp and seal of the engineer.

#### Assumptions

- The City will compile a complete red-line set of the Contractor's record drawings and distribute to the design team

#### Deliverables

- Draft Record Drawings (PDF)
- Final Record Drawings (PDF)

Work Order # 1017952345

Agreement No. 38392

Whereas, the parties entered into a General Construction Agreement for work on installation of underground cable and transformers, and

Whereas, the identified work is being performed at the cost of a public entity and is a public work for which prevailing wages must be paid, and

Whereas the original General Construction Agreement did not contain an explicit requirement that the Contractor comply with state requirements concerning the payment of prevailing wages,

Now, therefore, the parties agree as follows:

1. Avista will file a Statement of Intent to Pay Prevailing Wages form and Affidavit;
2. Avista will file any required wage compliance forms;
3. Avista will sign the attached Debarment form.

Dated this ??th day of April, 2021.

Dear Customer,

Enclosed are two copies of Avista's General Service Agreement for the above referenced property – one labeled "Avista Original" and the other, "Customer Copy".

After you have carefully reviewed all documents, please sign and date the documents where indicated, and return the Avista Original and your money order, personal check, or cashier's check in the amount of \$192,233.41, if you have been notified that an up-front payment is required, in the envelope provided. Avista will schedule your job as soon as feasible pending:

1. Completion of all customer onsite work and/or other obligations,
2. Avista's receipt of its copy of the signed Agreement,
3. If applicable, any required payment.

If you prefer to remit your payment via credit card, please be advised that an additional processing fee will apply. Please contact an Avista Customer Service Representative at 1-800-727-9170 extension 4717 for additional information.

If you request a copy of the fully executed Agreement one will be sent to you.

Please feel free to contact me if you have any questions regarding this matter or if I can be of any further assistance.

Sincerely,

Nick Harmon

## General Construction Agreement

General Construction Agreement Date: Mar 24, 2021  
Work Order # 1017952345

Expiration Date: Sep 20, 2021  
Agreement No.: 38392

This General Construction Agreement (“Agreement”) is entered into between Avista Corporation, a Washington corporation (“Avista”), and the Requestor identified in Exhibit A, (“Requestor”) (sometimes, individually, a “Party”, and collectively, the “Parties”).

### Background and Purpose

Requestor wishes to have Avista perform the work described in the attached Exhibit A (collectively, the “Work”) on or adjacent to property identified above (the “Property”). The purpose of this Agreement is to set forth the scope and terms and conditions under which Avista will perform the Work, together with the respective obligations of the Parties.

Therefore, the Parties agree as follows:

### Section 1 Scope of Work

1.1 Avista will perform the Work described above and in the attached Exhibit A. The Work will be performed in accordance with Avista’s standards, as modified from time to time, as well as applicable law and, to the extent applicable, Avista’s Tariffs, as on file with the applicable state utilities commission

1.2 Avista will make every reasonable effort to commence the Work within thirty (30) days of execution of this Agreement and receipt of any monies owed in advance; provided, however, that Avista will not commence the Work until Requestor has complied with all requirements of this Agreement. Requestor acknowledges that the timing of the Work is dependent on Avista’s ability to schedule the same, and that completion of the Work may be delayed by conditions encountered in the course of the Work. Avista shall not be liable for any costs associated with delays in either the commencement or the completion of the Work.

1.3 Unless otherwise agreed to in writing, Avista shall retain ownership of any facilities that are installed by Avista, on the Property and upstream from the Requestor’s Point of Service, as that term is defined in Avista’s Tariffs (“Avista Facilities”).

### Section 2 Compensation

2.1 Where a fixed charge is applicable, Requestor shall be responsible for the fixed charge as set forth in the attached Exhibit A. In all other instances, Requestor shall be responsible for Avista’s actual costs associated with performing the Work. An estimate of those costs is reflected in the attached Exhibit A. Requestor acknowledges that Avista’s actual costs may vary depending on conditions encountered during the course of the Work. In all cases, Requestor shall be responsible for all costs incurred in excess of Avista’s original estimate.

2.2 Requestor shall remit payment for the estimated cost of the Work, as reflected in the attached Exhibit ‘A’, prior to Avista’s commencement the Work. Requestor shall remit payment for any additional costs within thirty (30) days of their receipt of an invoice from Avista for the same.

### 2.3 Pre-Construction Obligations

2.3.1 In addition to the estimated cost of the Work, Requestor may be responsible for certain pre-construction obligations. Such pre-construction obligations may include, but are not limited to, trenching and final compaction. In the event Requestor is responsible for such pre-construction obligations, such cost responsibilities will be described in Exhibit A, attached hereto.

---

**CUSTOMER COPY**

2.3.2 If identified in Exhibit A, Requestor shall be required to provide all trenching, conduit, backfill, and padding as required to Avista specifications. At Avista's sole option, conduit may be provided by Avista. The location of said trenching shall be the responsibility of Requestor. To ensure the proper location of easements, prior to the commencement of the Work, Requestor shall certify that all utility trenching is located within the areas agreed upon by the parties.

2.3.3 Any work described in this Section or in Exhibit A and performed by Requestor, or a third party on behalf of Requestor, must meet Avista's specifications, pass Avista's inspection and be coordinated with Avista's scheduled work.

### **Section 3 Term of Agreement**

This Agreement shall remain in effect until the Work has been completed, and Requestor has remitted payment in full for Avista's actual costs incurred.

### **Section 4 Requestor's Responsibilities**

4.1 By signing this Agreement, Requestor authorizes Avista to proceed with any work necessary on the Property to accomplish the Work, and represents and warrants that they have fully authority to grant such authorization. This authorization includes, without limitation, the right to remove or otherwise disturb improvements on the Property, including lawns, shrubs, landscaping, driveways and sidewalks, for the purpose of the Work, and without any obligation to restore or reimburse Requestor for any resulting damages.

4.2 Requestor acknowledges that, in the event Requestor requests that Avista perform the Work during adverse ground/construction conditions ("Adverse Conditions"), including, without limitation, ice, water, mud or frozen ground due to winter weather, Requestor will be responsible for the repair of landscaping and/or other additional costs resulting from the performance of the Work during such Adverse Conditions.

4.3 Requestor acknowledges and understands that they are responsible for any damage to underground facilities that are not exposed by Requestor, including, but not limited to, sprinkler systems, sewer lines or other underground piping or wiring.

4.4 Requestor acknowledges that additional charges may apply in the event Avista is required to excavate in, drill through, or otherwise address rocky soil conditions.

4.5 Requestor is required to notify Avista in any instance where Requestor determines that construction or improvements on the Property may encroach on, or cross over, any Avista Facilities installed on the Property prior to commencing said activities. All costs related to subsequent relocation of any Avista Facilities necessitated by such encroachment shall be at Requestor's sole cost.

### **Section 5 Underground Locates**

Prior to performing any required excavating work in relation to this Agreement, Avista and/or Requestor shall utilize the state-mandated one-call service to mark the location of other entities' underground utilities locations on the Property. When this Section is applicable to Avista, Avista will notify Requestor in advance of such excavation and make every reasonable effort to avoid or minimize any dislocation of improvements on the Property. However, Requestor is responsible for identifying or exposing any underground facilities not located by Avista prior to Avista performing the Work. In the event Requestor fails to identify or expose any underground facilities, Requestor will be solely responsible for any damage caused to such facilities, including, but not limited to, the cost to repair such facilities.

## Section 6 Easements and Access to Property

Requestor grants Avista a perpetual right of ingress, egress and access over and across the Property to perform the Work, and to install, operate, inspect, replace and maintain any Avista Facilities installed as part of the Work. Upon request by Avista, Requestor shall grant, convey and warrant to Avista a perpetual, non-exclusive easement on, over, under, along and across the Property that ensures Avista's right to construct, reconstruct, operate, maintain, upgrade, repair, remove, relocate and said facilities and all related appurtenances. Such easement shall be in a form satisfactory to Avista and at no cost to Avista. In the event Avista is required to secure any additional easements or permits in order to install or maintain Avista Facilities installed pursuant to this Agreement, Requestor shall reimburse Avista for the actual costs applicable for securing such easements and permits. Requestor represents and warrants that they have full authority to make the commitments provided for in this Section.

## Section 7 Mutual Indemnification

Each Party shall indemnify and defend the other Party, their directors, officers, employees and agents (collectively, "Indemnitees") from all claims, demands, suits losses, costs, and damages of every kind or nature, including attorney's fees (collectively, a "Loss") resulting from, arising out of, or in any way connected with any willful misconduct or negligence by the indemnifying Party. In the event that any such Loss is caused by the negligence of both Parties, the Loss will be borne by the Parties in proportion that their respective negligence bears to the total negligence causing the Loss.

## Section 8 Party Representatives and Notices

### 8.1 Party Representatives

8.1.1 Avista's Construction Representative, identified in Exhibit A, will be the point of contact for Avista in all matters requiring Avista's approval, acceptance, authorization and/or notice under this Agreement.

8.1.2 Requestor's Representative, identified in Exhibit A, will be the point of contact for Requestor in all matters requiring Requestor's approval, acceptance, authorization and/or notice under this Agreement.

### 8.2 Notices to the Parties

8.2.1 All notices, demands, requests, or other communications under this Agreement must be in writing and sent by mail (postage prepaid), or delivered to the other Party either electronically or by a recognized commercial courier, addressed as set forth in Exhibit A. Such notices, demands, requests and other communications will be deemed given as of the date delivered, or, if sent electronically or by mail, upon receipt.

8.2.2 Either Party may change its address, designated Representative, or other point-of-contact or delegate by providing written notice to the other Party as set forth above.

## Section 9 Miscellaneous Provisions

9.1 Natural Gas and/or Electric Service: Any receipt and use of natural gas or electric service in connection with this Agreement shall be expressly conditioned upon, and subject to, all applicable Tariffs, as on file with the applicable state commission.

9.2 Entire Agreement. This is the entire Agreement between the Parties with respect to the subject matter hereof. No other understandings, oral or otherwise, regarding the subject matter of this Agreement will bind the signatories to this Agreement unless agreed to by both Parties in writing.

9.3 Assignment by Requestor. Requestor shall not assign this Agreement, or any right or interest contained herein, without the prior written consent of Avista. Assignment without Avista's prior written consent will be voidable at Avista's sole option. No such assignment, with or without Avista's prior written consent, will relieve Requestor from its responsibilities under this Agreement.

**CUSTOMER COPY**

9.4 Survival. Any provision of this Agreement which may reasonably be interpreted or construed as surviving the completion, termination or cancellation of this Agreement will survive the completion, termination or cancellation of this Agreement.

9.5 Severability. The invalidity or unenforceability of any provision of the Agreement will not affect any other provisions; the Agreement will be construed in all respects as if such invalid or unenforceable provisions were omitted.

9.6 Amendments/Modifications. Any amendment or modification to the provisions of this Agreement will not be effective unless made by written amendment executed by both Parties.

9.7 Third Party Beneficiaries. Nothing in this Agreement is intended to confer any right or benefit on a person or entity not a Party to this Agreement, or impose any obligations of either Party to the Agreement on persons or entities not a Party to this Agreement.

9.8 Waiver of Provisions. The failure of a Party to insist upon or enforce performance of any of the provisions or to exercise any rights under the Agreement will not be construed as a waiver or relinquishment to any extent of its right to assert or rely upon any such provisions or rights in that or any other instance; rather, the same will be and remain in full force and effect.

9.9 Negotiation of Agreement. This Agreement, and each of the terms and provisions hereof, are deemed to have been explicitly negotiated, and the language in all parts of this Agreement shall, in all cases, be construed according to their fair meaning and not strictly for or against either Party.

9.10 Governing Law, Venue and Attorney's Fees. This Agreement will be construed and interpreted in accordance with the laws of the State in which the Property is located, excluding any choice of law rules. In the event of any action to enforce or interpret this Agreement, the prevailing party shall be entitled to an award of its reasonable costs and attorney's fees.

9.11 Effectiveness. This Agreement is effective on the date of the last signature below.

This Agreement has been signed by each Party's authorized representative on the date(s) set forth below.

This General Construction Agreement (“Agreement”) is entered into between Avista Corporation, a Washington corporation (“Avista”), and the Requestor identified in Exhibit A, (“Requestor”) (sometimes, individually, a “Party”, and collectively, the “Parties”).

### Background and Purpose

Requestor wishes to have Avista perform the work described in the attached Exhibit A (collectively, the “Work”) on or adjacent to property identified above (the “Property”). The purpose of this Agreement is to set forth the scope and terms and conditions under which Avista will perform the Work, together with the respective obligations of the Parties.

Therefore, the Parties agree as follows:

### Section 1 Scope of Work

1.1 Avista will perform the Work described above and in the attached Exhibit A. The Work will be performed in accordance with Avista’s standards, as modified from time to time, as well as applicable law and, to the extent applicable, Avista’s Tariffs, as on file with the applicable state utilities commission

1.2 Avista will make every reasonable effort to commence the Work within thirty (30) days of execution of this Agreement and receipt of any monies owed in advance; provided, however, that Avista will not commence the Work until Requestor has complied with all requirements of this Agreement. Requestor acknowledges that the timing of the Work is dependent on Avista’s ability to schedule the same, and that completion of the Work may be delayed by conditions encountered in the course of the Work. 1.3 Unless otherwise agreed to in writing, Avista shall retain ownership of any facilities that are installed by Avista, on the Property and upstream from the Requestor’s Point of Service, as that term is defined in Avista’s Tariffs (“Avista Facilities”).

### Section 2 Compensation

2.1 Where a fixed charge is applicable, Requestor shall be responsible for the fixed charge as set forth in the attached Exhibit A. In all other instances, Requestor shall be responsible for Avista’s actual costs associated with performing the Work. An estimate of those costs is reflected in the attached Exhibit A. Requestor acknowledges that Avista’s actual costs may vary depending on conditions encountered during the course of the Work. In all cases, Requestor shall be responsible for all costs incurred in excess of Avista’s original estimate.

2.2 Requestor shall remit payment for the estimated cost of the Work, as reflected in the attached Exhibit ‘A’, prior to Avista’s commencement the Work. Requestor shall remit payment for any additional costs within thirty (30) days of their receipt of an invoice from Avista for the same.

### 2.3 Pre-Construction Obligations

2.3.1 In addition to the estimated cost of the Work, Requestor may be responsible for certain pre-construction obligations. Such pre-construction obligations may include, but are not limited to, trenching and final compaction. In the event Requestor is responsible for such pre-construction obligations, such cost responsibilities will be described in Exhibit A, attached hereto.

2.3.2 If identified in Exhibit A, Requestor shall be required to provide all trenching, conduit, backfill, and padding as required to Avista specifications. At Avista's sole option, conduit may be provided by Avista. The location of said trenching shall be the responsibility of Requestor. To ensure the proper location of easements, prior to the commencement of the Work, Requestor shall certify that all utility trenching is located within the areas agreed upon by the parties.

2.3.3 Any work described in this Section or in Exhibit A and performed by Requestor, or a third party on behalf of Requestor, must meet Avista's specifications, pass Avista's inspection and be coordinated with Avista's scheduled work.

### **Section 3 Term of Agreement**

This Agreement shall remain in effect until the Work has been completed, and Requestor has remitted payment in full for Avista's actual costs incurred.

### **Section 4 Requestor's Responsibilities**

4.1 By signing this Agreement, Requestor authorizes Avista to proceed with any work necessary on the Property to accomplish the Work, and represents and warrants that they have fully authority to grant such authorization. This authorization includes, without limitation, the right to remove or otherwise disturb improvements on the Property, including lawns, shrubs, landscaping, driveways and sidewalks, for the purpose of the Work, and without any obligation to restore or reimburse Requestor for any resulting damages.

4.2 Requestor acknowledges that, in the event Requestor requests that Avista perform the Work during adverse ground/construction conditions ("Adverse Conditions"), including, without limitation, ice, water, mud or frozen ground due to winter weather, Requestor will be responsible for the repair of landscaping and/or other additional costs resulting from the performance of the Work during such Adverse Conditions.

4.3 Requestor acknowledges and understands that they are responsible for any damage to underground facilities that are not exposed by Requestor, including, but not limited to, sprinkler systems, sewer lines or other underground piping or wiring.

4.4 Requestor acknowledges that additional charges may apply in the event Avista is required to excavate in, drill through, or otherwise address rocky soil conditions.

4.5 Requestor is required to notify Avista in any instance where Requestor determines that construction or improvements on the Property may encroach on, or cross over, any Avista Facilities installed on the Property prior to commencing said activities. All costs related to subsequent relocation of any Avista Facilities necessitated by such encroachment shall be at Requestor's sole cost.

### **Section 5 Underground Locates**

Prior to performing any required excavating work in relation to this Agreement, Avista and/or Requestor shall utilize the state-mandated one-call service to mark the location of other entities' underground utilities locations on the Property. When this Section is applicable to Avista, Avista will notify Requestor in advance of such excavation and make every reasonable effort to avoid or minimize any dislocation of improvements on the Property. However, Requestor is responsible for identifying or exposing any underground facilities not located by Avista prior to Avista performing the Work. In the event Requestor fails to identify or expose any underground facilities, Requestor will be solely responsible for any damage caused to such facilities, including, but not limited to, the cost to repair such facilities.

## Section 6 Easements and Access to Property

Requestor grants Avista a perpetual right of ingress, egress and access over and across the Property to perform the Work, and to install, operate, inspect, replace and maintain any Avista Facilities installed as part of the Work. Upon request by Avista, Requestor shall grant, convey and warrant to Avista a perpetual, non-exclusive easement on, over, under, along and across the Property that ensures Avista's right to construct, reconstruct, operate, maintain, upgrade, repair, remove, relocate and said facilities and all related appurtenances. Such easement shall be in a form satisfactory to Avista and at no cost to Avista. In the event Avista is required to secure any additional easements or permits in order to install or maintain Avista Facilities installed pursuant to this Agreement, Requestor shall reimburse Avista for the actual costs applicable for securing such easements and permits. Requestor represents and warrants that they have full authority to make the commitments provided for in this Section.

## Section 7 Mutual Indemnification

Each Party shall indemnify and defend the other Party, their directors, officers, employees and agents (collectively, "Indemnitees") from all claims, demands, suits losses, costs, and damages of every kind or nature, including attorney's fees (collectively, a "Loss") resulting from, arising out of, or in any way connected with any willful misconduct or negligence by the indemnifying Party. In the event that any such Loss is caused by the negligence of both Parties, the Loss will be borne by the Parties in proportion that their respective negligence bears to the total negligence causing the Loss.

## Section 8 Party Representatives and Notices

### 8.1 Party Representatives

8.1.1 Avista's Construction Representative, identified in Exhibit A, will be the point of contact for Avista in all matters requiring Avista's approval, acceptance, authorization and/or notice under this Agreement.

8.1.2 Requestor's Representative, identified in Exhibit A, will be the point of contact for Requestor in all matters requiring Requestor's approval, acceptance, authorization and/or notice under this Agreement.

### 8.2 Notices to the Parties

8.2.1 All notices, demands, requests, or other communications under this Agreement must be in writing and sent by mail (postage prepaid), or delivered to the other Party either electronically or by a recognized commercial courier, addressed as set forth in Exhibit A. Such notices, demands, requests and other communications will be deemed given as of the date delivered, or, if sent electronically or by mail, upon receipt.

8.2.2 Either Party may change its address, designated Representative, or other point-of-contact or delegate by providing written notice to the other Party as set forth above.

## Section 9 Miscellaneous Provisions

**UNLESS SPECIFIED BELOW IN SECTION V, CUSTOMER WILL BE RESPONSIBLE FOR THE FOLLOWING CONDITIONS:**

1.1 Customer warrants that, prior to the start of construction, the grading is or will be within six inches (6") of final grade. The cost of future changes to Avista's gas facilities to accommodate location or grade changes will be borne by Customer.

1.2 Customer shall not make any changes in location of structures, streets, driveways, sidewalks, alleys or other paved areas shown in any drawings (incorporated into this Agreement by this reference) prepared in anticipation of the work applicable under the Agreement, nor pave any such areas until Avista has installed any necessary underground facilities.

1.3 Customer shall be responsible for complying with all final compaction requirements and codes.

## V. EXCEPTIONS

NOTES: THESE ARE THE COSTS ASSOCIATED WITH THE INSTALLATION OF A TEMPORARY OH REROUTE OF AVISTA POWER OVER THE SPOKANE RIVER TO ACCOMMODATE THE UPCOMING PEDESTRIAN BRIDGE PROJECT. THESE COSTS INCLUDE THE INSTALLATION AND REMOVAL OF FACILITIES AS WELL AS ALL THE RESTORATION ASSOCIATED WITH THE COMPLETED WORK.

**MEMORANDUM OF UNDERSTANDING**

**Title: Use of Manito Park for Associated  
Garden Clubs of Spokane**

THIS MEMORANDUM OF UNDERSTANDING is made between the **City of Spokane Parks Dept.**, whose address is West 808 Spokane Falls Blvd., Spokane, Washington, 99201, as ("City") and the **Associated Garden Clubs of Spokane (AGC)**, whose address is P.O. Box 8363, Spokane, Washington, 99203 as "**AGC**".

WHEREAS, the purpose of AGC as a consortium of independent garden clubs and affiliated members who promote the beautifying of the Spokane, growing of fine flowers and food, and promoting the beautification of the Spokane area; and

WHEREAS, the City of Spokane Parks and Recreation Department will provide access to areas of the facilities and USE of grounds at Manito Park in order to pursue their mission in keeping with horticultural focus of the park; and

WHEREAS, AGC will be allowed to use the east end of the "pottery barn" (east maintenance/storage building) at Manito Park; and

WHEREAS, AGC may use the continuous raised beds facing the maintenance building from March 1<sup>st</sup> each year until two (2) days after their plant sale (last weekend of April each year) unless otherwise specified and agreed to by Parks staff; and

WHEREAS, AGC will be granted use of the small east polyhouse in the service yard and the open gravel area east of it from February 15<sup>th</sup> to April 30 or two (2) days after their plant sale unless otherwise specified and agreed upon by Parks staff; and

WHEREAS, AGC has agreed to act as a fiscal sponsor taking in donations at no cost to Parks to assist in enhancements and programs for the Spokane Parks Department; and

WHEREAS, the AGC consists of the following officers: President, Vice-President, Treasurer, and Secretary; and,

NOW, THEREFORE, the Parties agree as follows:

1. **TERM / RENEWAL**

The term of this Agreement shall have a three (3) year term to begin on April 8, 2021, and end April 8, 2024. Upon agreement of the "Parties" this agreement may be renewed for two (2) additional one (1) year terms not to exceed a total of five (5) years.

2. **AGREEMENT**

The Parties hereby agree to the following conditions and terms under this Agreement:

No structures will be built in the park unless approved by the Spokane Parks and Recreation authorized staff.

Spokane Parks and Recreation staff shall have full access to any locked storage or other approved structures.

The parties agree AGC will provide their own potting mix and other supplies and materials. The Manito greenhouse/operation may donate surplus plant materials as available.

The AGC agrees that none of the activity undertaken by the organization will be in conflict with any local, state, and federal regulations.

This agreement may be canceled by either party with 60 days notice to the other party.

If the facilities are not maintained at a reasonable level of upkeep as determined by the Manito Park Supervisor or Spokane Parks and Recreation Department, the fiscal agent will be responsible for returning the space to its original condition.

3. LIABILITY. Each party shall be responsible for its own negligence. Neither party assumes responsibility to the other party for the consequences of any act or omission of any person, firm or corporation not a party to this memorandum of understanding.

4. INSURANCE. Each party shall maintain, at all times, liability insurance to cover all actions by its employees or agents.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.
