MINUTES

The meeting was called to order at 3:00 p.m. by Committee Chair Bob Anderson.

Action items:

1. [Continuation of Parks Enterprise Fleet Program](#) – Rich Lentz presented. In March of 2019, Parks commenced a pilot program of lease-to-own vehicles. The division had approximately 50 light duty vehicles with an average fleet age of 14.9 years of age prior to beginning this program. Parks spent over \$150,000 per year on maintenance and repair costs for the existing fleet, prior to the pilot. Parks currently has 33 vehicles in the Enterprise fleet program. The average holding period is 5 years with an average annual acquisition rate of 6.6 vehicles per year (this includes new vehicles and trade-ins). The resale market has been extremely strong throughout this period. In 2026, Parks sold 6 vehicles with 4 of the 6 vehicles selling for more than the purchase price.

Motion 1: Bob Anderson moved to approve the Continuation of Parks Enterprise Fleet Program. Gerry Sperling seconded.
Motion passes unanimously, with 3-0 vote.

2. [Naming Rights List Update](#) – Fianna Dickson presented. In April 2022, the Park Board approved a list of Parks & Recreation assets available for naming rights. An updated list, approved for Park Board review, was presented. This list is meant to identify all Park assets available for naming sponsorship (Places, programs, projects, and equipment). Not all assets would be named but a list of options/inventory would be provided. Naming of places would follow policy and return to Park Board for naming approval. Some of the mentioned Parks assets included the following:
