### City of Spokane Park Board Golf Committee Meeting

8:00 a.m. Tuesday, Sep. 12, 2023 Hybrid in-person and WebEx virtual meeting Mark Poirier – Golf Manager

Parks Staff Jason Conley Mark Poirier Garrett Jones Jennifer Papich Fianna Dickson Kris Behr

### SUMMARY

- The committee approved to recommend the Park Board accept the following agenda items:
  - o 2024 golf fee increases regular agenda item
- Mark Poirier shared the progress on the Esmeralda boiler replacement.
- Mark Poirier gave a recap of the Spokane City Championship.
- Fianna Dickson presented the golf marketing report.
- Mark Poirier presented the financial reports.
- An overview of What's Happening at the Courses was presented by Mark Poirier.

The next regularly scheduled meeting is 8 a.m. Tue., Oct. 10, 2023.

### MINUTES

The meeting was called to order at 8:04 a.m. by committee chair Nick Sumner.

### Public comment - None

### Action items

- 1. 2024 golf fee increases Mark Poirier
  - a. A \$5 overall round increase is being proposed, apart from the 9- or 18-hole Junior Rate which remain the same. Passes and miscellaneous fees have also been raised, apart from the Junior Unlimited Pass. All the proposed changes will include sales tax and the Facility Improvement Fee. Barb Richey inquired about an out-of-area rate. Mark stated there is no special rate, however, the 18 Holes Prebook rate is slightly higher than the regular rate.
  - b. Prior to settling on the fee increase rate, Mark researched rates at several regional golf courses. He is familiar with the condition of each of the courses and stated the City courses are in much better condition, and in most cases, lower rates. Circling Raven was the exception but is no comparison. He also noted that over 60% of the City players purchase discount passes.
  - c. Mark shared list of capital items which have been completed already, as well as possible improvements subject to the fee increase. The most substantial items include an HVAC system, cart path repair or replacement, bunker sand replacement or rebuilds, and the 5-year pool of equipment leases. This list is constantly evolving and could change depending on unknown factors. Barb requested Marketing create signage to showcase how these fees are being used for their benefit. It was suggested to scroll this on the TV's already installed in the pro shops.
  - d. Mark also shared the proposed budget, which will be going to the Finance Committee for approval. The revenue reflects the anticipated fee increase. Expenditures have risen significantly due in part to salary and benefits, supplies, and bank fees, as more people use credit/debit cards rather than cash. The 2023 budgeted capital needs is not an actual figure as the bids have not come in for the Esmeralda boiler yet.

Motion #1 – Nick Sumner moved to recommend the 2024 golf fee increases.

Barb Richey seconded. The motion passed unanimously (4-0 vote).

The committee agreed to present this recommendation as a regular agenda item on the Sept. 14 Park Board meeting agenda.

### **Discussion item**

1. Esmeralda boiler replacement – Mark Poirier

The boiler is several decades old, as are the underground pipes. There will be an onsite walkthrough on Friday with the bidders. Three options are being entertained: a gas furnace, electric mini splits (similar to what is in a hotel room), and a new boiler, maintaining the current infrastructure. Although this option appears to be economical, the old pipes will begin failing, which will be very costly to replace. The gas forced air option was chosen with a complete decommissioning of the current boiler.

2. Spokane City Championship recap – Mark Poirier

This was a great event, with thanks to the sponsorship of Renaissance Financial as well as all the extra hours from the Indian Canyon, Downriver and Qualchan staff. There were 150 players with 30 waitlisted and continues to grow each year. Everyone came together Saturday night for a banquet with a live band and was very well received. Since the 3 courses rotate each year, Nick suggested a fun activity at the course which isn't included in the tournament, to involve all 4 courses. This will also be an opportunity for those waitlisted to participate.

#### Standing reports

1. Golf marketing report – Fianna Dickson

The commercials are continuing to air and will be bumped in the fall. All course flyovers have been filmed and are now being edited.

2. Golf financial report – Mark Poirier

Regular round counts have increased at each of the 4 courses, with a total increase of nearly 5% over the previous year. Pass sales increased overall 236 over 2022. The total year-to-date revenue rose over 7% with a year-to-date cash balance of nearly \$1,014,000. The Facility Improvement Fee shows a 2022-2023 monthly difference of \$-41,551.

3. Superintendents' reports - What's Happening at the Courses - Mark Poirier

Mark pointed out each of the 4 courses need new equipment, which was ordered last year and still has not been delivered. He is contemplating a meeting with the John Deere rep for options.

- a. <u>Downriver</u> has severe equipment issues, the 8 rough and trim mowers all need new decks at \$5,000 apiece. The afternoon leagues have finished for the season. Greens aeration will commence next week.
- b. <u>Qualchan</u> course is in great shape, had a slight set back in late August with the smoke, followed by heavy rain. They will be aerifying early October. They anticipate new carts next spring. They are down to 40 sprinkler heads needing replacement. They built a cedar plank screen to hide the port-a-johns. Bunker edging is continuing.
- c. <u>Indian Canyon</u> lost two full days due to smoke and rain, but still had a great month. All fall instructional programs are full. The inaugural couples Chapman with 42 players. They will be aerating next week. Stump grinding will continue. They discovered some disease on the greens, but it is healing well.
- d. <u>Esmeralda</u> 151 juniors came through for instruction, the PGA Junior League is wrapping up. Rob purchased 60 brand new golf carts. He is keeping the old carts and will be using them with rental services. The greens were aerified last week, and the remainder of the course next week. They have been without a rough mower for 3 months.

Adjournment: The meeting was adjourned at 9:13 a.m.

The next regularly scheduled meeting is 8 a.m. Tue., Oct. 10, 2023.
