

**City of Spokane Park Board  
Golf Committee Meeting**

8:00 a.m. Tuesday, Feb. 11, 2025  
Hybrid in-person and WebEx virtual meeting  
Mark Poirier – Golf Manager

**Committee Members**

- X Barb Richey – Acting Chair
- X Gerry Sperling
- X Doug Kelley

**Parks Staff**

Mark Poirier  
Jennifer Papich  
Nick Hamad  
Megan Dyson  
Kris Behr

**Golf Staff**

Rob Decker  
Ben Nelson

**SUMMARY**

- The committee approved to recommend the Park Board accept the following agenda items:
  - 2025 Golf/Parks Chemical/Fertilizer Value Blanket NTE \$325,000 – consent agenda item
  - Toro equipment pool purchase for the amount of \$379,842.58 plus tax - consent agenda item
- ForeUP software update was presented by Mark Poirier
- An overview of What's Happening at the Courses was presented by the superintendents and Mark

The next regularly scheduled meeting is 8 a.m. Tue., Mar. 11, 2025.

# MINUTES

The meeting was called to order at 8:00 a.m. by acting committee chair Barb Richie.

**Public comment** - None

## Action items

1. [2025 Golf/Parks Chemical/Fertilizer Value Blanket NTE \\$325,000](#) – Mark Poirier

Ben Nelson put together this extensive list of materials. The chemicals will be used for both Golf and Park Operations. The highlighted cells in the spreadsheet indicate the lowest bidder. Ben is working with Purchasing for permission to work around the lowest bidder rule and use a local source who may waive delivery fees. By using a local source, there is someone close in case there is an issue.

**Motion #1** – Doug Kelley moved to recommend the 2025 Golf/Parks Chemical/Fertilizer Value Blanket NTE \$325,000.

Gerry Sperling seconded. The motion passed unanimously (3-0 vote).

The committee agreed to present this recommendation as a consent agenda item on the Feb. 13 Park Board meeting agenda

2. [Toro equipment pool purchase for the amount of \\$379,842.58 plus tax](#) – Mark Poirier

Mark is requesting to purchase one small and one large Toro tank sprayers and four Toro triflexes from Toro Turf Star, all fully bundled. Both Toro and John Deere manufacture similar units, however, the Toro tank sprayers fits the course needs better and came in with better pricing. The existing equipment is long past the life expectancy and needs constant repair. The triflex units are in constant use for three seasons per year. The old units are not worth enough money to sell but are rather stored at Park Ops for parts. Toro equipment falls under the Omnia State contract, which will allow for the lowest and best price available. This purchase includes four free 14-blade cutting units (\$15,000 value). Mark would eventually like to be able to lease the equipment. He will discuss this with the management and finance team. Mark said the Toro representative said delivery should be around May.

**Motion #1** – Doug Kelley moved to recommend the Toro equipment pool purchase for the amount of \$379,842.58 plus tax.

Gerry Sperling seconded. The motion passed unanimously (3-0 vote).

The committee agreed to present this recommendation as a consent agenda item on the Feb. 13 Park Board meeting agenda.

## Discussion item

1. ForeUP software update – Mark Poirier

Mark stated that he and the Golf Pros have gone through three of six days of training so far. They are experiencing initial difficulties with the nuances of the software. They will be meeting to explore questions for the software developer on how to better utilize the system for the specific needs of Spokane Golf. They still feel the system has exceptional capabilities; however, the day-to-day operations seem to be a bit cumbersome. The go-live date for ForeUP is in March, however, the Club Prophet contract is still in effect and will not go offline until everyone is comfortable with the new software.

## Standing reports

1. Superintendents' reports - What's Happening at the Courses – Mark Poirier

- a. Downriver – Ben Nelson reports the cart path renovation is coming along nicely, when not hindered by weather. Paving should commence around the same time as the greens aerification. About 60 beetle-infested trees were removed last month with stump grinding still in process. A new entomologist from the state will be visiting next month to assess the situation. Fiberoptics should be installed at the pro shop soon.
- b. Qualchan - Rob Decker reports they are slowly working on clearing out trees around number 5 which will allow for ease of play for all skill levels and protecting the people on number 6. The concrete was poured at the new pump house. They are working quite diligently now and expect to be completed by the deadline.
- c. Indian Canyon & Esmeralda – the second assistants are back. The simulators are all up and running. The superintendents are getting everything ready for a successful season of golf

**Adjournment:** The meeting was adjourned at 8:53 a.m.

The next regularly scheduled meeting is 8 a.m. Tue., Mar. 11, 2025.

# Spokane Park Board

<b>Background/history:</b>			
<p>This annual bid goes out to distributors each spring, for various turf chemicals used throughout Golf and Parks systems. With new products, rising shipping/fuel/fertilizer costs, this gives Golf and Parks the best chance to acquire the lowest prices. This value blanket also locks us in for a year to help with consistent pricing for budgetary purposes.</p> <p>Attached is a tabulation sheet for these quotes as prepared by City Purchasing Department using required purchasing guidelines.</p>

<b>Item title:</b> (Use exact language noted on the agenda)	Toro equipment pool purchase from Toro/Turf Star d.b.a. Western Equipment Distributors, Inc. in the amount of \$379,842.58 plus tax		
<b>Begin/end dates</b>	Begins:	Ends:	<input checked="" type="checkbox"/> 06/01/2525
<b>Background/history:</b> City Golf would like to purchase (6) new fully furnished bundled pieces of maintenance equipment. These pieces include (2) Toro tank sprayers and (4) Toro Triflexes. Our existing equipment, that these pieces would replace, are long past expected life, are in constant need of maintenance, and have the ability to impact turf conditions/customer experience if not replaced. Tank sprayers are used to apply both chemical and organic applications for turf health, and the Triflexes are greens mowers that mow our most sacred asset (greens) each and everyday. Toro brand equipment falls under the Omnia State contract, to satisfy procurement needs, and allows us to tap into the best price point available for this equipment. Toro/Turf Star d.b.a. Western Equipment Distributors, Inc. is the sole provider for Toro equipment in this geographic area.			
<b>Motion wording:</b> To approve the Toro equipment pool purchase from Toro/Turf Star d.b.a. Western Equipment Distributors, Inc. for the amount of \$379,842.58 plus tax
