## King Cole Commemorative Project

Celebrate the contributions of King Cole and numerous other stakeholders who made Expo '74 and Riverfront Park a reality.

Through the extraordinary vision and contribution of King Cole and the numerous contributions of other City stakeholders, Expo '74 and Riverfront Park became a reality.

## Celebrating 50 years

The King Cole Commemorative Project is dedicated to the leadership team who led Spokane's designation as a World's Fair site in 1974 (also known as Expo '74). The year 2024 will mark the 50th anniversary of Expo '74.

Please join us in securing donations for an expanded King Cole Way and Gateway art piece for our 50th anniversary celebration in May of 2024.

## Recognizing King Cole

In celebration of this anniversary, the King Cole Commemorative Project will dedicate King Cole Way and an iconic King Cole Gateway in 2024.

The King Cole Commemorative Project is an endeavor of the Friends of Riverfront Park, and all gifts are tax-deductible.

Currently, King Cole is recognized by the naming of "King Cole Bridge" located at the southeast corner of Riverfront Park, and consists of a wide wooden pedestrian bridge crossing the south channel of the Spokane River.

The King Cole Commemorative Project envisions an expanded King Cole Way, including art that is interactive, sculptural, kinetic, illuminated at night, or some combination of those elements, creating an iconic gateway into Riverfront Park.

The art piece is expected to be located on, or adjacent to, the existing wood bridge. The art piece will anchor the expanded King Cole Way which would incorporate an artistic way-finding treatment and/or elements that includes acknowledgement of historic structures and key Expo '74 stakeholders, including Jim Cowles, U.S. Senator Warren Magnuson, Senator "Scoop" Jackson, and former U.S. Speaker Thomas Foley, the contribution of the Spokane Tribe, and the railroad lines once on Havermale Island.

## We need your help!
