     B. The next scheduled meeting is 8:05 a.m. March 7, 2017, in the City Conference Room 2B.
   - **Land Committee**: Feb. 1, 2017, **Ross Kelley**
     A. Action Items: None
     B. The next scheduled meeting is 3 p.m. March 1, 2017, in the City Hall Conference Room 5A.
   - **Recreation Committee**: Feb. 2, 2017, **Lauren Pendergraft**
     A. Action Items: None
     B. Recreation monthly report – **Carl Strong** presented the January Recreation Department report.
     C. The next scheduled meeting is 3 p.m. March 2, 2017. Location: To be determined.
   - **Riverfront Park Committee**: Feb. 6, 2017, **Ted McGregor**
     A. Recreational Rink construction alternate #4 queuing canopy – **Contractors Northwest Inc.** ($38,200, plus tax) – **Berry Ellison** presented a proposed construction alternate with CNI for a queuing canopy at the Recreational Rink and SkyRide facility, in the amount of $38,200, plus tax.
tax. The steel canopy would be located in the front of the SkyRide, and is designed to provide shade and protection for park visitors who are waiting in line. Funding to pay for the canopy will come from the Furniture, Fixture & Equipment budget. There were concerns raised regarding the aesthetics of the canopy design. A question was raised whether the canopy may be extended to eliminate the gap between the canopy and the SkyRide building.

**Motion No. 3:** Ted McGregor moved to accept the Recreational Rink construction alternate #4 with Contractors Northwest Inc. for the queuing canopy, not to exceed $38,200, plus tax, with some minor adjustments to the aesthetics of the structure.

Rick Chase seconded.
The motion passed with unanimous consent.

B. **Recreational Rink construction alternate #6 lighting along Spokane Falls Boulevard and Post Street/Contractors Northwest Inc. ($120,900, plus tax).** – Berry Ellison presented an overview of the proposed construction alternate #6 with CNI, in the amount of $120,900, for street/sidewalk lighting along Spokane Falls Boulevard and Post Street. The Streets Department developed the design which matches the downtown street lighting standard. The Streets Department has agreed to contribute $43,000 to the project and the remaining $78,418 will come from the bond Program Level Environmental Contingency. This construction alternate includes light fixtures, conduits and fiber network connection to City Hall. Board members expressed concerns regarding the manner in which “alternative bids” are presented and whether the alternate bids are truly optional items. Garrett Jones explained the reasoning behind holding Alternative bids #4 and #6 for 60 days was due to variable factors, including: 1) negotiations with the Streets Department had not been finalized; and 2) other funding sources were potentially available, but not confirmed. Ms. Traver voiced apprehension on pulling funds from contingencies. For future reference, Lauren Pendergraft expressed that all adds need to be optional alternatives; and everything else should be incorporated in the base bid or specify why it is called out as an alt add when there is the full intention of incorporating the alternative. Park Board members agreed this could alleviate confusion in the future.

**Motion No. 4:** Ted McGregor moved to accept the Recreational Rink construction alternate #6 with Contractors Northwest Inc. for street lighting along Spokane Falls Boulevard and Post Street, not to exceed $120,900, plus tax, with $43,000 coming from the Streets Department.

Ross Kelley seconded.
The motion passed with unanimous consent.

C. **Carnation Building asbestos removal contract and EBO/Specialty Environmental Group, LLC ($74,263.84 – non-bond).** – Jason Conley and Dave Steele of Asset Management provided an overview of the Carnation Building asbestos removal contract with Specialty Environmental Group, LLC, in the amount of $74,263.84. The city bought the building in 1999 as part of a park bond property acquisition along the north bank of Riverfront Park. Currently, the building is being utilized for cold storage. Mr. Conley explained this clean-up work is required for any future plans, whether the building is demolished, remodeled or sold. When asked about containing the building during the removal process, Mr. Steele explained the contractor will probably tent the building and put the structure in a negative air pressure condition. Mr. Conley reported the funds to pay for the asbestos removal will come from cumulative reserves which were set aside at the time the property was purchased. These funds were designated for soil contamination mitigation.

**Motion No. 5:** Ted McGregor moved to accept the contract with Specialty Environmental
Group in the amount of $74,263.84 for the removal of asbestos from the Carnation Building. Mr. McGregor amended the motion to include the project will be handled as an Emergency Budget Ordinance.

Nick Sumner seconded.
Motion carried with unanimous consent.

D. [SkyRide Over the Falls sole source resolution and EBQ/Doppelmayr Graventa Group ($200,000) – Jon Moog reviewed the sole source resolution which declares Doppelmayr Graventa Group a sole source provider for the purchase of replacement parts and service to the Riverfront Park SkyRide Over the Falls for up to $200,000 without public bidding. The SkyRide was manufactured by CWA, which is now a subsidiary of Doppelmayr Graventa Group. An extensive 10-year service overhaul is required on the SkyRide. All parts and service must be compliant with ASTM Standards to be within manufacturer’s specifications. All maintenance work must be completed by August 2017 to pass the required inspections and to allow for the re-opening by November 2017. The SkyRide Maintenance/Cumulative Reserve Fund has a balance of $277,771. Of the total project cost, $62,000 is specified as bond-related work. The Park Board requested the following edit to the proposed resolution: 1) Change the language on the last page from “without further Council action” to “without further Park Board action.”

Motion No. 6: Ted McGregor moved to recommend the Park Board approve the sole source resolution declaring Doppelmayr Graventa Group as the sole source provider for purchasing replacement parts and service for the Riverfront Park SkyRide Over the Falls, not to exceed $200,000 as an Emergency Budget Ordinance, with noted language change to the resolution.

Ross Kelley seconded.
Motion carried with unanimous consent.

E. [RFP Bond update – Garrett Jones presented a bond update which included: 1) The infrastructure for the new Howard Street Bridge South is underway with bridge completion set for Fall 2017; 2) Fencing went up around the Recreational Ice Rink Feb. 1 and the restrooms have been demolished. The Rec Rink/SkyRide project is on track and set to be completed Fall 2017; 3) Walker Construction was awarded the Looff Carrousel facility construction project. Construction is scheduled from early 2017 through early 2018; 4) A recommendation for the Pavilion design team is expected to come before the Park Board in late March with the notice to proceed in April; and 5) More than 300 responses have been submitted on the Renaming Canada Island survey. A resolution renaming the island will be crafted in a collaborative effort with the Spokane Tribal Council. This resolution will be brought before the Park Board for approval March 9. The next redevelopment project community open house is schedule for the end of April.

F. The next scheduled meeting is 8:05 a.m. March 6, 2017, in the City Council Briefing Center.

A. [Turf and chemical value blanket ($195,000) – Susan Traver provided an overview of the proposed division-wide, ground chemical and turf value blanket not to exceed $195,000. Ms. Traver explained the money has been allocated and budgeted, and this action provides the ability to spend the money through a value blanket process.
Motion No. 7: Susan Traver moved to approve the turf and chemical value blanket, as presented, not to exceed $195,000.

Mike Fagan seconded
Motion carried with unanimous consent.

B. Administrative Policy for $400,000 annual payment from Utilities—Susan Traver provided an overview of a proposed administrative policy which outlines allocations for the annual $400,000 payment, plus annual 2.9% increase, from the Utilities Division for 20 years which was adopted in a Memorandum of Understanding between Parks and Utilities in 2015. Ms. Traver explained this is compensation for Park land that is utilized for CSO tanks and stormwater management. The proposed policy stipulates a certain amount will be budgeted to the Urban Forestry program, and the remaining amount will be allocated to the Park Fund and Golf Fund. None of the funds may be budgeted for staffing or for operating expenses. Ms. Traver shared concerns the recommended policy from the Finance Committee does not contain specificity on allocations which should be noted in the administrative policy. Ms. Traver urged Park Board members to consider a policy which specifies $100,000 to Urban Forestry each year, which is the amount allocated for 2016 and 2017. She explained the reasoning for the specific amount to Urban Forestry is to memorialize the intent of the MOU. Chris Wright suggested a percentage be allocated to Urban Forestry, as opposed to a specific dollar amount. This guideline could accommodate the 2.9% annual increase over the 20-year span. Lauren Pendergraft believed the language should be “no less than $100,000 to Urban Forestry” and pointed out Spokane’s Urban Forestry budgeted allocation is on the lower end of the spectrum in comparison to municipalities of similar size. Ross Kelley supports some of the funds be set aside for the urban forestry program, but reminded the board the intent of the MOU was not to use trees or other methods to assist in treating stormwater; it was intended as compensation for the use of Park property which was taken out of commission. Mr. Ross felt if the funds come in as a budgetary item each year, appropriate funds could be allocated to programs as the Park Board sees fit. Other board members felt the funding allocation should be linked to the benefits of urban forestry to stormwater mitigation. The Park Board requested an edit to Section 3.1 to read “budgeted,” rather than “budget.” Mr. Wright added that the board will need to determine the policy by the time Parks enters into the budgeting process of the year.

Motion No. 8: Susan Traver moved to approve the Park and Recreation administrative policy, as presented.

Ross Kelley seconded
Motion failed with a 3-to-5 vote.

Motion No. 9: Susan Traver moved to approve the policy, as presented, with the following amendment: 1) Section 3.1 to read: “No less than 25% of the funds shall be budgeted each year for the Urban Forestry Program; and 2) Section 3.2 to read: shall be budgeted to the Park Fund and/or Golf Fund annual Capital Outlay line items.”

Lauren Pendergraft seconded
Motion failed with a 4-to-4 vote.

C. The next regularly scheduled meeting is 3 p.m. March 7, 2017 in City Hall Conference Room 2B.

   **Motion No. 1:** Susan Traver moved to approve the Dec. 8, 2016, Regular Park Board meeting minutes and joint study session notes.
   
   Ross Kelley seconded.
   Motion carried with unanimous consent (7-0).

3. **Additions or Deletions to the Agenda:**
   A. None

4. **Special Guests:**
   A. New City Council liaison introduction – Chris Wright welcomed new Park Board Member Mike Fagan who was recently appointed by City Council as the council liaison on the Park Board.
   
   B. **Canada Island renaming** – Carol Evans, Spokane Tribal Council, presented two Salish names for the renaming of Canada Island. Ms. Evans explained the significance of handing down a name. Spokane tribal members and non-tribal representatives collaborated, and offered a first and second choice on the renaming of the island: 1) snxʷ meneʔ, meaning salmon people; and 2) nkʷrintews, meaning a land that causes a fork in the river. Chris Wright thanked Ms. Evans for presenting the names on behalf of the tribal council. The proposed names will be brought before the Riverfront Park Committee next month. The committee’s recommendation will be brought before the Park Board for the final approval.
C. Don Kardong Bridge – City Councilmember Lori Kinnear, Riverside State Park Area Manager Diana Dupius and Friends of the Centennial Trail executive director Loreen McFaul presented an overview of the estimated $1.2 million bridge renovation project which includes replacing decking above timber ties, removing viewing platform at Pier 4, securing the bridge railing, and repairing concrete and bearing seats on the 90-year-old bridge. Additional identified needs include new paint and tribute plaque. Ms. McFaul presented the following offer on behalf of the Friends of the Centennial Trail: 1) the Friends advocacy organization offers up to $75,000 to the Park Board for the 30% conceptual design with a commitment that the Park Board maintains the Don Kardong Bridge as a high priority in the Riverfront Park redevelopment project. Leroy Eadie explained staff will work closely with the organization in providing redevelopment plans as they relate to the Centennial Trail within Riverfront Park. This information will aid in creating the new, more detailed Centennial Trail map. Chris Wright suggested the following steps: 1) staff will craft an MOU; 2) the proposed MOU will be presented to the Land Committee; and 3) the committee may then present the MOU recommendation to the Park Board for approval.

5. **Claims:** Claims for the month of December 2016 – Susan Traver

   **Motion No. 2:** Susan Traver moved to approve claims for the month of December 2016 in the amount of $1,687,623.19.

      Ross Kelley seconded.
      Motion carried with unanimous consent (7-0).

6. **Financial Report & Budget Update:** Mark Buening provided the December Financial Report & Budget Update. Park Fund revenue is tracking at 93% of the projected budget. Parks and Recreation expenditures are tracking at 93% of the projected budget. The Golf Fund revenue is tracking at 95% of the projected budget. The Golf Fund expenditures are tracking at 92% of the projected budget. Both Park and Golf funds are experiencing an upward 5-year trend. Mr. Buening reported the 2016 financial books will not be finalized for another few months and a year-end report will be brought to the Park Board at that time.

7. **Special Discussion/Action Items:**
   A. **Looff Carrousel facility construction bids and recommended alternatives/Walker Construction ($7,064,600)** – Berry Ellison presented the Looff Carrousel bids and an explanation on the add alternatives. Walker Construction Inc. was the low bidder with a $7.06 million bid on the combined base bid and add alternatives for: effects lighting inside the rotunda; street lighting; South Gateway and Rotary Fountain site work; and Looff Carrousel site paving. This project will develop in conjunction with the bond-funded Looff Carrousel facility project. Walker agreed to include a 90-day hold price of $600,000 for the fountain project to allow Parks time to explore funding options for the Rotary Fountain repair/improvements.

      **Motion No. 3:** Ted McGregor moved to accept the low bid from Walker Construction for the Looff Carrousel facility construction which includes for the base bid, plus alternates #1, #2, #4 and #5, not to exceed $7,064,600.

      Mike Fagan seconded.
      Motion carried with unanimous consent (7-0).

A. Action Item: None
B. 2016 SpoCanopy project report – Angel Spell presented the SpoCanopy annual report which capsulized the goals and accomplishments relating to the MOU between Parks and Utilities. The purpose of the agreement is to maximize stormwater retention utilizing urban forestry plantings. This year’s 13 completed projects included: planting 45 trees, pruning 196, removing 17, and 17 additional treatments. The presentation also highlighted upcoming SpoCanopy projects.
C. The next regularly scheduled meeting is 4:15 p.m. Feb. 2, 2017, at the Woodland Center, Finch Arboretum.

Golf Committee: (The Jan. 10 was canceled.) Nick Sumner
A. No action items
B. The next scheduled meeting is 8:05 a.m. Feb. 7, 2017, in the City Conference Room 2B.

Land Committee: Jan. 4, 2017, Ross Kelley
A. Shadle Park stage and lighting project/Bacon Concrete ($83,100, excluding sales tax) – Garrett Jones presented a proposed contract with Bacon Concrete, Inc., to construct a new concrete amphitheater stage and associated amenities at Shadle Park. Bids were solicited through the small works roster for construction of the amphitheater stage and Bacon was the low bidder with a bid amount of $83,100 (excluding sales tax). The project is expected to be completed by June 1, 2017.

Motion No. 4: Ross Kelley move to award the Shadle Park amphitheater contract to Bacon Concrete, Inc., in the amount of $83,100, excluding sales tax.

Ted McGregor seconded.
Motion carried with unanimous consent (7-0).

B. The next scheduled meeting is 3 p.m. Feb. 1, 2017, in the City Hall Conference Room 5A.

Recreation Committee: (The Jan. 5 meeting was canceled.) – Lauren Pendergraft
A. Action Item: None
B. The next scheduled meeting is 3 p.m. Feb. 2, 2017, in the Manito Meeting Room, Manito Park.

Riverfront Park Committee: Jan. 9, 2017, Ted McGregor
A. Value blanket order/Sysco ($100,000) – Ted McGregor provided a brief overview of a proposed value blanket order with Sysco Food Service of Spokane, not to exceed $100,000 for 2017. The existing value blanket with Sysco ends Jan. 31, 2017. The new food service provider bid process for items purchased on an “as needed” basis was completed September 2016. Sysco was the low bidder of the two responsive bids received. Staff will request renewal on the value blanket on an annual basis based on anticipated sales.

Motion No. 5: Ted McGregor moved to increase funding on the existing Sysco Food Services of Spokane value blanket order for food and beverage products, not to exceed $100,000 for fiscal year 2017.

Ross Kelley seconded.
Motion carried with unanimous consent.

B. Rotary Fountain addendum/Berger Partnership ($75,000 – non-bond) – Berry Ellison
presented a proposed addendum with Berger Partnership to review and redesign all systems for the fountain, including concept drawings and construction drawings, not to exceed $75,000. Construction support is not included in the addendum. These funds will not come from bond funds, but the project will be coordinated with the bond-funded Looff Carrousel facility construction project.

**Motion No. 6:** Ted McGregor moved to approve the Rotary Fountain mechanical, plumbing and electrical addendum with Berger Partnership, not to exceed $75,000 of non-bond funds.

Susan Traver seconded.
Motion carried with unanimous consent (7-0).

C. West Havermale Island 30% design addendum/Berger Partnership ($80,000) – Ted McGregor and Berry Ellison provided an overview of the West Havermale Island 30% design addendum with Berger Partnership which includes restoration of the conservation area, establishing cost estimates, developing geometric alignments for hardscape, softscape, preliminary grading, lighting, major infrastructure, architectural, and design features that require additional coordination for engineering needs. Plans will be prepared to a level of detail as required to generate 30% cost estimates and identify elements defined in the design guidelines. The proposed 30% design addendum is not to exceed $80,000.

**Motion No. 7:** Ted McGregor moved to approve the West Havermale Island 30% design contract addendum with Berger Partnership, not to exceed $80,000.

Ross Kelley seconded.
Motion carried with unanimous consent (7-0).

D. Pavilion project management and construction management; Looff Carrousel facility construction management amendment/Hill International ($163,500) – Ted McGregor and Berry Ellison presented a proposed contract amendment, which increases the total contract amount with Hill International to $963,500 for the following additional services: 1) construction management for the Looff Carrousel project; and 2) project/construction management services for the progressive design-build Pavilion project. There was discussion regarding what amount should be requested for approval. Mr. Ellison explained the Park Board accepted a budget of up to $800,000 over the course of four years ($200,000/year). The Park Board has approved $550,000 contract with Hill and today’s request is to approve $413,500 for construction/project management for the Looff Carrousel and the Pavilion. Leroy Eadie explained $163,500 is above the original base contract of $800,000. Chris Wright recommended the motion should follow what is noted on the Park Board agenda.

**Motion No. 8:** Ted McGregor moved to amend the contract with Hill International to reach to a cap of $963,500 which is $163,500 above the previous amount for Pavilion project management and construction management, and Looff Carrousel construction management.

Mike Fagan seconded.
Motion carried with unanimous consent (6-0).

E. RFP redevelopment January update – Garrett Jones presented the following monthly updates: 1) Howard Street Bridge South - deconstruction continues while infrastructure is underway for the future bridge; 2) Recreational Rink Ice Ribbon/SkyRide facility – Contractors Northwest Inc. was awarded the contract and construction is slated to begin early 2017; 3) Looff Carrousel - Walker Construction was the low bidder. Construction is set to begin Feb. 1;
4) Pavilion – Design team selection is expected late March with notice to proceed in April; and
5) Lead Artist – Meejin Yoon visited Riverfront Park Jan. 6 and met with stakeholders including the mayor, Park Board, staff, Spokane Arts, Spokane Tribe and Berger Partnership.

F. The next scheduled meeting is 8:05 a.m. Feb. 6, 2017, in the City Council Briefing Center.

Finance Committee: Jan. 10, 2017, Susan Traver
A. Language amendment to 2016 Desautel Hege contract – Fianna Dickson presented an overview of the proposed language amendment to the 2016 Desautel Hege contract. Bond auditors recommended changes to clarify the agreement title and scope of work.

Motion No. 9: Susan Traver moved to approve the language amendment to the 2016 Desautel Hege contract as presented.

Ted McGregor seconded. 
Motion carried with unanimous consent (6-0). 

B. Extension of the 2016 Desautel Hege amended contract ($185,000) – Fianna Dickson presented an overview of the proposed extension terms in the 2016 Desautel Hege contract. The contract may be extended for four additional one-year contract terms subject to mutual agreement, with the total term of the contract not to exceed five years. The total requested contract amount is $185,000 with the following budget allocations: $150,000 from the Parks and Recreation marketing; $30,000 from Golf marketing; and $5,000 from Riverfront Park bond outreach.

Motion No. 10: Susan Traver moved to approve the extension of the Desautel Hege 2016 amended contract for 2017, in the amount of $185,000, as presented.

Ted McGregor seconded. 
Motion carried with unanimous consent (6-0). 

C. 2017 senior and community center contracts (10 contracts total: $647,773) – Susan Traver presented the proposed 2017 senior and community center contracts in the amount of $647,773 for the 10 centers. The contract amounts have not changed for the past four years. Leroy Eadie addressed questions regarding why the centers’ budgets have been static over the past few years and what will take place in the 2018 budget planning process. Mr. Eadie noted the following as future budgets are determined: 1) Parks will establish an equity process; 2) review the option of a cost of doing business adjustment; and 3) assess the impacts of the Affordable Care Act and the minimum wage increases.

Motion No. 11: Susan Traver moved to approve the 2017 senior and community center contracts, as presented, in the amount of $647,773 for the 10 centers.

Ted McGregor seconded. 
Motion carried with unanimous consent (6-0). 

D. The next regularly scheduled meeting is 3 p.m. Feb. 2, 2017, in City Hall Conference Room 2B.

Bylaws Committee: No report

Board members and staff for their dedication and hard work during the past year; 2) On Jan. 23, city council will be presented with the Park Board’s recommendation of Steve Salvatori to fill a vacant position; 3) A Park Board interview committee presented two names for the mayor’s consideration to fill the other Park Board vacancy; 4) Susan Traver, Ross Kelley and Lauren Pendergraft have been selected as the Nomination Committee. This committee is tasked with presenting the slate of 2017 Park Board officers which will be brought to the full board for approval Feb. 9.

B. Liaison Reports:
   1. Conservation Futures Liaison – No report
   2. Parks Foundation Liaison – No report
   3. Council Liaison – Mike Fagan presented four dates suggested dates for the 2017 Joint City Council/Park Board study sessions. Proposed dates are: Feb. 16, May 4, Aug. 24 and Nov. 30. Chris Wright explained the board will review the dates and look forward to coordinating this year’s study session schedule.

C. Director’s Report – Leroy Eadie noted the following: 1) Thank you to Carl Strong and Ryan Griffith for stepping in as acting recreation director and acting assistance recreation director, respectively; 2) Interviews for the Recreation Director position are expected to begin early- to mid-February; 3) Appreciation extended to Parks Accountant Nicole Edwards for her hard work and dedication. Ms. Edwards has resigned in pursuit of other career opportunities; and 4) Fianna Dickson is working on the annual report and will share it with the Park Board in the next couple of months.

2016 SYSCA Total Volunteer Hours
74,021 Hours of Service
Here’s Some 2016 Highlights!!
NEYC preschoolers learn about safety with the fire department. We had an opportunity to visit and learn about a local Fire Station. Firemen educated the kids about their jobs, what they do for the community and how to keep the entire community safe!

NEYC preschooler enjoys a day of indoor nerf softball!
Our partnerships with the ECEAP program at SWCC and The Ridge residents in our neighborhood provide great family program opportunities:

* In December we had a day of free haircuts offered to kids of our programs by hairstylists from Bombshell Salon.

* We also have a "Date Night" childcare event scheduled where ECEAP teachers, SWCC staff & volunteers from The Ridge neighborhood together provide an evening of activities and dinner for the kids of our programs so that parents may have a night out to themselves.
In the past months there has been a lot of fun activities at West Central Community Center. The photo to the right is of a few of our kids playing during our rec program at WCCC. The photo to the left features our kids on recent a field trip to “Paint Pottery”.

West Central also recently hosted the “Building Dreams” kick off breakfast featuring presentations by the Northeast Youth Center and West Central Community Center.
Spokane Basketball Clinics on Saturdays:
We have many participants in our Saturday Basketball Program. The program is geared towards youth that cannot afford AAU and still want to develop their skills. The program runs for 8 weeks at a time and is low cost to the participants.

East Central Community Ctr. Afterschool Program:
We are busy with our Afterschool Program. Many of our participants receive free or reduced lunch. The program starts after school when they get out at 3pm and runs until 6:30. Each day the youth work on developing athletic skills through a variety of sports. We give specific instruction on Basketball, Tennis, Soccer, Football, Baseball, and Golf! Plus homework!
Corbin has entered the new year with new enthusiasm and hopefully, a new elevator soon! The members of Corbin have been very flexible and continue to show up for regularly scheduled rec activities from dance to pinochle during this construction project. Corbin’s Moving and Grooving Health Fair is coming up on April 22nd and the elevator will be completed by then. We would like to thank the City of Spokane and Parks and Rec Board for their support in helping Corbin achieve this long awaited project. We are also happy to note that this is Corbin’s 50th year in operation serving the seniors of Spokane and we will be celebrating this golden anniversary with the community throughout the year.
Jerry Thomas, one of Project Joy’s newest performers, entertained 3 times for Project Joy recently. Jerry is a vocalist who accompanies himself with both 6 string and 12 string guitars. His program features both traditional and popular favorite songs.
Hillyard Senior Activity Center

2016 Recreation Highlights

- 10 week *Wii Bowling League* with 18 senior bowlers vying for top honors in a “Doubles” format League & Tourney.
- *Outdoor Recreation* adventure programs that included Canoeing, Kayaking, and Snowshoeing.
- 18th year of the Senior Summer *Croquet League* featuring 36 players.
- Summer *Pool Party & Aqua Exercise* Class at the Hillyard Pool.
- Multiple *Themed Special Events*: 50’s, Halloween, Western, Octoberfest!
Sinto Senior Activity Center

Sinto’s 6th annual chili cook-off: offered great competition, great entertainment, and lots of comradery.”

Game Day at Sinto is not about winning or losing; it’s about staying connected to an active and fulfilling lifestyle.”
In October, Mid-City Senior Center had a Halloween Party where they had a costume contest and played multiple games where prizes were awarded!

In November, Mid City Senior Center had a Mandala Art Coloring Contest.

In December, Mid City partnered with SCRAPS for a Pet Therapy Program. The seniors got to sit back and relax and enjoy watching a baseball game.
Southside's Ballroom is transformed into a beautiful wedding venue thanks to a creative wedding party and the SSAC staff. SSAC utilizes this outstanding venue for many of its special events and recreation classes on a daily basis!

Father and son bundled up to view 200+ eagles on Southside's $49er Club Eagle Cruise and Lunch after the holidays.
We appreciate our partnership with Parks and Recreation.

Your funding is a great investment in serving these two “at risk” populations through a partnership with 10 SYSCA center organizations.

RESOLUTION

A SOLE SOURCE RESOLUTION declaring Doppelmayr/Graventa Group a sole source provider and authorizing the purchase of replacement parts and service to the Riverfront Park SkyRide Over the Falls, which was manufactured by CWA, and is now a subsidiary of Doppelmayr/Graventa Group for up to $200,000.00 without public bidding.

WHEREAS, Riverfront Park’s (RFP’s) SkyRide Over the Falls is manufactured by Doppelmayr/Graventa Group and was placed into service in 2007; and,

WHEREAS, Riverfront Park’s SkyRide Over the Falls was designed primarily for use as a ski lift, and in this particular application the enclosed gondola is used as a year round, Spokane Falls sightseeing attraction for guests in Riverfront Park; and,

WHEREAS, The SkyRide Over the Falls generates over $600,000 in revenue for RFP and hosts 100,000+ riders a year; and,

WHEREAS, Spokane citizen voters approved a $64 Million bond to renovate RFP, which includes a new control room for the SkyRide Over the Falls and, as such, will require technical support and parts to reconnect SkyRide Over the Falls to its control system constituting a major alteration; and,

WHEREAS, The SkyRide Over the Falls is required to have periodic maintenance completed in accordance with Doppelmayr/Graventa Group OEM maintenance and operations manual, which includes completion of a ten (10) year maintenance service and overhaul of the various SkyRide components; and,

WHEREAS, all major alterations and maintenance are inspected and verified through the State of Washington Department of Labor and Industries (L&I) to be compliant with ASTM Standards for Amusement Rides and Devices to be within manufacturer’s specifications; and,

WHEREAS, all parts for the SkyRide Over the Falls must be original (OEM) parts from Doppelmayr/Graventa Group, as specified in Doppelmayr/Graventa Group’s OEM service and maintenance manual; and,

WHEREAS, Doppelmayr/Graventa Group will not certify third party parts as an as-equal equivalent to original manufacturer parts.

-- Now Therefore, BE IT RESOLVED by the Parks and Recreation Division for the City of Spokane that it hereby declares Doppelmayr/Graventa Group a sole source vendor of parts and service for RFP’s SkyRide Over the Falls; and
AND BE IT FURTHER RESOLVED that the City of Spokane Park Board hereby authorizes the purchase of replacement parts and modification services without further Council action from Doppelmayr/Graventa Group for up to $200,000.00 without public bidding.

Return to Park Board agenda
1.0 GENERAL: In 2015 the Parks and Recreation and Waste Water Management Department approved an Interdepartmental Agreement for the use of Park property to discharge stormwater and/or install, operate and maintain CSO control facilities and terms of compensation (OPR 2015-0364). The compensation transferred from the Waste Water Management Department to Parks and Recreation is Four Hundred Thousand Dollars ($400,000) per year plus an annual 2.9% increase for (20) years for the use of identified Parks Property (identified as Waste Water Management Funds throughout this policy). This sum includes funding, but does not mandate a certain dollar amount, for the Urban Forestry Tree Program and continued maintenance of above ground park property.

2.0 DEPARTMENTS/DIVISIONS AFFECTED

This policy shall apply to the Spokane Parks and Recreation Department.

3.0 POLICY: The purpose of this policy is to describe how the Waste Water Management Funds are to be budgeted by the Park Board on an annual basis.

3.1 A certain amount of the funds shall be budget each year for the Urban Forestry Tree Program. That amount is not set, although in 2016 and 2017 $100,000 was budgeted.

3.2 The remaining balance (if any) of the Waste Water Management Funds after a certain dollar amount is budgeted to the Urban Forestry Tree Program shall be budgeted to the Park Fund and Golf Fund Spokane Parks and Recreation annual Capital Outlay line items. This allocation shall be used to for continued maintenance of above ground park property consistent with the Interdepartmental Agreement.

3.3 At no time shall the Park Board budget the Waste Water Management Funds for staffing or other annual operating expenses that are inconsistent with the Interdepartmental Agreement.
3.4 The Waste Water Management Funds may be used for debt service associated with capital investments in Spokane Parks and Recreation assets that are consistent with the Interdepartmental Agreement as long as the term of the financing is equal to or less than the term of said Agreement.

4.0 PROCEDURE

4.1 The Parks and Recreation Director shall include in its annual budget proposal to the Park Board how the Waste Water Management Department’s transfer of funds is to be allocated in the following year consistent with this policy.

4.2 The Park Board shall adopt an annual budget that is consistent with this policy.

4.3 The Urban Forester shall report annually to the Park Board on how the funds were used the previous year.

4.4 The Park Planning Manager shall report annually to the Park Board on how the non-urban forestry funds were used the previous year.

4.5 This policy shall expire January December 31, 2035, and/or when the funds are no longer being transferred.
