**7. Special discussion/action items**

A. [Vietzke Excavation Inc. contract for emergency sewer repair/Corbin Art Center \(\\$84,975.77, plus tax\)](#) – Nick Hamad presented the proposed contract with Vietzke Excavation for emergency sewer repair at Corbin Art Center in the amount of \$84,975.77, plus tax. The main sewer line serving the Corbin Art Center collapsed mid-August resulting in a sewage backup into the basement closing the facility to the public. Since the collapse, emergency authorization was approved to secure a contractor to repair the collapsed portion of the line and clean the unaffected portions of the sewer. After several attempts to repair portions of the line, the contractor was unable to restore sewer service. It has been determined a complete replacement of the sewer line is required. This emergency repair contract includes all repair and cleaning to date, as well as the required complete replacement work.

**Motion #2** – Jennifer Ogden moved to approve the Vietzke Excavation Inc. contract for emergency sewer repair at Corbin Art Center in the amount of \$84,975.77, plus tax.

A. [Garco Construction Vietnam Memorial alternate 1 \(\\$52,668, tax inclusive\)](#) – Berry Ellison presented an overview of the proposed alternate on the Vietnam Memorial project. The Park Board previously approved the renovation project's base bid scope of work and alternate #2. At time of approval, the Park Board and Parks director expressed a strong desire to find additional funding to support the expanded scope of work identified in alternate 1. This added scope of work includes additional concrete flatwork, flag poles, decorative handrail, and additional planting and irrigation. Garrett Jones was able to secure approximately \$25,000 in private donations. The remaining funds will come from the Redevelopment Bond and Park Fund.

**Motion #3** – Nick Sumner moved to approve the alternate 1 with Garco Construction for work on the Vietnam Memorial project in the amount of \$52,668, tax inclusive.

Nick Sumner seconded.

The motion passed unanimously (11-0 vote).

B. [King Cole Commemoration Project recommendation](#) – Jennifer Ogden presented the King Cole Commemoration Project recommendation which originated from the King Cole Commemoration Project ad hoc committee before coming before the RFP Committee this month for consideration. In March, the board approved the creation of ad hoc committee which was tasked to evaluate and recommend a prominent recognition of King Cole within Riverfront Park. At the Aug. 24 KCCP meeting, the committee agreed to recommend the following elements to the Riverfront Park Committee: 1) name the Howard Street Promenade walkway King Cole Way; 2) install interpretive signage along King Cole Way; 3) create an Expo '74 documentary; 4) install a frieze sculpture depicting Spokane's historical events leading up and including Expo '74; and 5) erect a King Cole statue. The recommendation also includes that the board would have a final vote on which elements allowing time for public input and the further development of the elements.

**Discussion:** Councilmember Cathcart asked if the greater anniversary celebration project could include acknowledgement of former City Councilmember Luke Williams who was instrumental in bringing the World's Fair to Spokane. Kevin Brownlee said it appears the KCCP recommendation focuses heavily on the Pavilion and questioned if there should be more focus on honoring King Cole and Expo. He also asked if the frieze, signage and video are duplicating efforts, and suggested it could be downscaled to fewer elements. Jennifer Ogden explained the recommendation allows for gathering more information, public outreach, input from Spokane Tribe and the option for the board to pare the scope down. She explained this is a starting place, and the intent is to cast a net wide enough to be certain the story of Expo is properly told. She agreed it is important to avoid duplication. Barb Richey asked who will be responsible for the project's fundraising efforts. Ms. Ogden explained fundraising is part of the KCCP committee's task. She anticipates the Development and Volunteer Committee will be assisting in these efforts, as well. Ms. Richey suggested the Parks Foundation director also be involved in the fundraising efforts. Foundation executive director Terri Fortner explained before any fundraising takes place, feasibility should be determined, and the board needs to be certain the proposed project falls within city policy. Gerry Sperling cautioned against erecting statues/memorials commemorating one individual. By recognizing one person, the board could inadvertently ignore some citizens who were instrumental in this part of Spokane history. She also cautioned against erecting a statue considering the current culture climate in our nation. Ms. Sperling added any elements installed in the park need to be something which will serve the community for years to come. Ms. Ogden explained this recommendation is being presented as a menu of options and the board has the opportunity to evaluate as they are developed. Ms. Ogden encouraged the board to approve this framework so a request for ideas (RFI), initiated by Spokane Arts, may be

sent to artists for their ideas. Nick Sumner said it is dangerous to fundraise for specific features which have not been approved by the board. Ms. Ogden suggested the board has the option of voting on the elements separately or the recommendation language could be more defined. Chris Wright said the KCCP needs to further develop the proposed elements before any fundraising efforts begin. He doesn't believe it is prudent to build the community's expectations before the board has approved the feature(s). Mr. Wright suggested the next step is to give artists the opportunity to offer ideas on the basic concepts. This process would run through the Joint Arts Committee, Riverfront Park Committee and to the board for final approval. Garrett Jones suggested making the art element(s) more broad, not specifying frieze or statue. This allows the artists the flexibility to be creative. After the elements are further developed and concepts approved by the board, fundraising efforts could then begin. Staff clarified that there is currently a King Cole Way at the south entrance to the King Cole Bridge. It is only at the entrance of the bridge and does not extend into the park. Mr. Jones said the existing King Cole will not go away, but there could be opportunities to further develop the existing King Cole Way.

**Motion #4** – Jennifer Ogden moved the Park Board support the KCCP Committee's recommendation for the board to evaluate and for the KCCP committee to seek funding opportunities, where needed, for the following King Cole commemorative elements at Riverfront Park: 1) designating King Cole Way; 2) interpretive signage along King Cole Way; 3) Expo '74 documentary video; 4) frieze sculpture; and 5) King Cole statue. In consideration of public input and the further development of these elements, the Park Board will have a final vote on which elements will be in the park.

Motion was not seconded.

**Motion #5** – Jennifer Ogden moved the Park Board support designating Howard Street Promenade from the south entrance of the park at the Rotary Fountain to the north entrance at Mallon as King Cole Way.

Motion was not seconded.

Since the recommendation was not accepted as presented, the KCCP Committee will be asked to further explore the recommended elements and to come back to the board with more specific information, including: 1) assess if there is duplication; and 2) provide the board opportunities for paring the number of commemorative elements down.

**Riverfront Park Committee:** Aug. 9, 2021, Nick Sumner

A. Coffman Engineers phase I design contract/Lilac Butterfly – Berry Ellison presented an overview of the Coffman Engineers phase I design work on the Lilac Butterfly. The butterfly failed in January 2021. An engineer assessment was performed and it was determined the failure was due to structural deficiencies in the wing structure and pivot point, at top of the mast. Coffman Engineers and specialty consultant Guildworks worked with park staff to study/preliminarily design the aerodynamics, stability, safety, aesthetics, and cost of building a new butterfly. The study was offered to various stakeholders Aug. 2 and was widely accepted as a feasible and attractive alternative to the original design. If the study is approved by the Park Board, the contract may be amended to include final design. Throughout the design process the concepts have been presented to the Save the Butterflies group, Parks Foundation and Riverfront Park Committee. While there have been nostalgic ties to the original design, from a durability, cost and safety standpoint, some diversion from that design is recommended. Mr. Ellison also presented a projected construction cost for a second new butterfly is \$192,450.

**Motion #3** – Nick Sumner moved to approve the Lilac Butterfly design by Coffman Engineers and allow Parks to negotiate contract addendum for final design.

Gerry Sperling seconded.

The motion passed with unanimous consent (8-0 vote).

B. Garco Construction Inc./Veterans Memorial renovation (\$56,198.30, tax inclusive) – Berry Ellison presented an overview of the proposed Veterans Memorial renovation contract with Garco Construction in the amount of \$56,198.30, tax inclusive. The memorial is approximately 37 years old, and in need of restoration and renovation. The Innovia Foundation, Operation Fly Together campaign, and Washington State Department of Veterans Affairs have donated funds to support the restoration. The Park Board authorized use of Bond Funds in the amount of \$20,000. Bids for the restoration were solicited with the lowest bidder being Garco Construction. The project bid includes a base bid scope of work and two additive alternates. The base bid and alternate #2 are within budget. Additional work for alternate #2 can be completed in a separate phase in the future. Jennifer Ogden requested staff to consider adding an interpretive sign telling the story of how the monument was first created. Park Board members expressed strong support for soliciting and finding the funds to complete the Veterans Memorial renovation in its full design with both alternates to honor the debt we all owe our veterans.

**Motion #4** – Nick Sumner moved to approve the Veterans Memorial renovation contract with Garco Construction, Inc., base bid and alternate #2 in the amount of

\$56,198.30, tax inclusive.

This month, the initial draft of the budget was presented to the Park Board committees who have the opportunity to ask questions or request any additional clarification of information. Recommendations will be forwarded to the Finance Committee by no later than Sept. 7. Due to the timing of the process, additional refinements will continue through the month of September. Any public comments may be made at the Sept. 9 Park Board meeting. The board is scheduled to adopt the final requested 2022 budget at the Oct. 14 Park Board meeting. Mr. Buening noted that minor changes typically continue to occur between the time board adopts the budget and when it is transferred to City Council. Finally, the Parks budget will be included in the City budget and transmitted to City Council by early November. An overview of the budget priorities was also presented.

**Development and Volunteer Committee:** Bob Anderson

A. DVC Citizen Advisory Committee structure and DVC non-Park Board member – Fianna Dickson presented an overview of the proposed membership structure and committee appointment process for the DVC Citizen Advisory Committee and DVC. In efforts to maintain consistency and continuity, the DVC recommends the Park Board align the new DVC CAC with the existing Urban Forestry Tree Committee CAC in terms of structure and committee appointments. The CACs will have identical processes for selecting the committee chair, and how the committee establishes its own rules and procedures. Some items need be slightly tailored to the DVC CAC, including: 1) members of the DVC CAC will serve staggered two-year terms, rather than four years as it is for UF CAC; and 2) members may serve two consecutive terms to a maximum of four years. There may be up to four members on the DVC who are not members of the Park Board. The DVC recommends these non-Park Board member appointments shall be two-year terms and will be signed off by the director of Parks and Recreation.

*Hannah Kitz left the meeting at 5:09 p.m.*

**Motion #6** – Bob Anderson moved to approve the DVC and DVC CAC structure matrix as presented.

## **Liberty Park – Research Project Concept**

### **Memorandum of Understanding**

#### **I. Purpose:**

This Memorandum of Understanding (“MOU”) is entered into by Avista Corporation (“Avista”), a public corporation; Itron, Inc. a public corporation (“Itron”), Urbanova, a non-profit corporation (“Urbanova”) and the City of Spokane Parks and Recreation Department (“the City”) to define the parties’ understandings regarding the collaboration on the City of Spokane’s Liberty Park.

#### **II. Background:**

Since 2014, Avista, the City, and Itron (among other organizations) have been participants and leaders relating to the Spokane University District smart city efforts. Progress has been made, including the formation of Urbanova, a non-profit urban innovation collaboration, and the successful implementation of a number of pilot projects including smart and connected streetlights, localized air quality associations with human health, and incorporating measures of resident voice and well-being into the design of project initiatives. As a next step in this collaboration, Itron, Avista, Urbanova and the City of Spokane’s Parks Department intend to develop a series of use cases designed to improve residents’ perceptions of safety, security and equity in Liberty Park. The project will expand the University District streetlight pilot to include Liberty Park and surrounding areas, in subsequent phases. The result is intended to be a multi-purpose IoT canopy. The addition of new smart city sensors has the additional goal of providing new actionable insights for park planning, operations and maintenance while measurably improving safety, utilization, and inclusiveness at the park and the new Library and associated amenities scheduled to open in 2021.

#### **City of Spokane Parks and Recreation Goals**

Listed below in general priority order are goals of the city. These are referenced to assist all partners to understand what would add value to this project. These are not requirements, and serve to be guiding information to help focus the desired end state of the project.

1. Where pedestrians enter or leave park, wayfinding (e.g. Ben Burr trail)
2. Counts during Library open hours versus closed
3. Geo-fencing, based on times, with messaging for afterhours users
4. Detection of unauthorized access
5. Irrigation -- advanced watering meters
6. Weather impacts on numbers, activities
7. Air quality impacts on numbers, activities
8. Lighting control

### **III. Definitions:**

For purposes of this Smart Park Research Project, the following terms have the ascribed meaning:

Street Lights: Avista owned streetlights and poles surrounding Liberty Park.

Hardware: means luminaires, lighting controllers, sensor integration hardware, sensor devices and associated physical components.

Network: means an Itron-supplied network canopy. The network is comprised of approximately up to five wireless access points, which have a cellular wide area network (WAN) connection to the cloud, and a mesh neighborhood area network (NAN) connection to edge devices, such as sensors.

Access Point: means the specific hardware used to route data from sensors for backhaul to the back office and/or Urbanova Cloud.

Sensors: means sensing devices, which can be owned by Itron or any third-party partner granted access to the network.

Data: means data collected from the Itron-owned sensors any third-party sensors that may be granted access to the network, that are intended for shared use by the Urbanova Partners, and which specifically excludes any personally identifiable information (PII). Note: no third-party sensors will be included in the phase 1 activities of this effort.

Urbanova: means the non-profit organization with the purpose of improving economic, social and environmental equity and resilience in communities by forging collaborations, harnessing data and empowering people to discover and develop new ways to solve urban challenges.

Urbanova Cloud Platform: means a shared platform to host the Data structured in a way such that authorized Urbanova Partners may access the Data. The network shall be configured such that sensor data has a path to the Urbanova Cloud platform. Itron will establish a project instance within Urbanova Cloud and will serve as the authorizing agent to determine access to the data posted into the project. See section IV D.

Urbanova Partners: means the City of Spokane, Avista Corporation, Itron, Inc., McKinstry, Co., Washington State University, Gallup, Verizon and the University District Development Association. The list of partners is not limited to this group, additional partners may be added.

Data Governance Plan: means the agreed upon framework by which users of the Urbanova platform agree to share their data with other Urbanova users. Itron will cooperate with the spirit of the Data Governance Plan, however, the plan is insufficiently complete and released to be utilized as a referenced framework for this MOU.

#### Personally Identifiable Information:

Personally Identifiable Information ("PII") means any information about an individual, including, without limitation: (A) any information that can be used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, biometric records, personal electronic mail address, Internet identification name, network password, or Internet password; or (B) any other information that is linked or linkable to an individual, such as medical, educational, financial, and employment information, as well as website tracking or analytic "cookie" information, usage and traffic data or profiles, meter location,

<b>Background/history:</b> Park Operations requires an investment in new equipment for the maintenance of City parks. The best way to do this is by a five-year lease purchase agreement. This allows the purchase of several items of new equipment and replace many of the older items in the inventory. Some of this equipment will also be utilized by Riverfront Park for their maintenance operations. This is a similar agreement utilized by the Golf Fund in 2020 for the acquisition of new equipment. Two separate lease agreements are required because of the availability and delivery times of the equipment.			
<b>Motion wording:</b> Approve the two separate lease agreements with Turf Star Western in the amounts of \$167,340.60 and \$181,992.40, and financed by Huntington National Bank.

**TERMS AND CONDITIONS**

Please read this Governmental Lease-Purchase Agreement No. 008-0676522-303 (including all attachments and schedules hereto, and any related escrow agreement, "Lease") carefully and feel free to ask US any questions YOU may have about it. Words "YOU" and "YOUR" refer to the "Lessee," and the words "WE," "US" and "OUR" refer to the "Lessor," its successors and assigns.

**1. LEASE:** WE agree to lease to YOU and YOU agree to lease from US, the equipment listed on Attachment 2: Equipment Description, including all replacement parts, repairs, additions and accessories ("Equipment") on the terms and conditions of this Lease and on any attached schedule.

**2. TERM:** This Lease is effective on the earlier of the date on which WE disburse funds to the vendor of the Equipment or the date on which WE deposit funds for the purchase of the Equipment with an escrow agent (the "Commencement Date"), which date YOU hereby authorize US to fill in on the executed Lease Payment Schedule following OUR receipt from YOU of the executed Acceptance Certificate in the form set forth as Attachment 3 hereto, and continues thereafter for an Initial Term ("Initial Term") ending at the end of YOUR budget year in effect on the Commencement Date and may be continued by YOU for additional one-year renewal terms ("Renewal Terms"), coinciding with YOUR budget year, up to the total number of months indicated above as the Maximum Lease Term; provided, however, that at the end of the Initial Term and at the end of each Renewal Term until the Maximum Lease Term has been completed, YOU will be deemed to have continued this Lease for the next Renewal Term unless YOU have terminated this Lease pursuant to Section 5 or Section 17. Lease Payments will be due as set forth on Attachment 1 until the balance of the Lease Payments and any additional Lease Payments or expenses chargeable to YOU under this Lease are paid in full. As set forth in the Lease Payment Schedule, a portion of each Lease Payment is paid as, and represents payment of, interest. YOUR obligation to pay Lease Payments and YOUR other Lease obligations are absolute and unconditional and are not subject to cancellation, reduction, setoff or counterclaim except as provided in Section 5. **THIS LEASE IS NON-CANCELABLE, EXCEPT AS PROVIDED IN SECTION 5.**

**3. LATE CHARGES.** If a Lease Payment is not made on the date when due, YOU will pay US a late charge at the rate of 10% of the amount due or the maximum amount permitted by law, whichever is less, from the due date.

**4. CONTINUATION OF LEASE TERM.** YOU currently intend, subject to Section 5, to continue this Lease, and to pay Lease Payments hereunder, through the Maximum Lease Term. YOU reasonably believe that legally available funds in an amount sufficient to make all Lease Payments during the Maximum Lease Term can be obtained. YOUR responsible financial officer will do all things lawfully within his or her power to obtain and maintain funds from which Lease Payments may be made, including making provision for Lease Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with YOUR applicable procedures and to exhaust all available reviews and appeals if that portion of the budget is not approved. Notwithstanding the foregoing, the decision whether to budget or appropriate funds and to extend this Lease for any Renewal Term is solely within the discretion of YOUR governing body.

**5. NONAPPROPRIATION.** YOU are obligated only to pay such Lease Payments under this Lease as may lawfully be made from funds budgeted and appropriated for that purpose during YOUR then current budget year. If YOU fail to appropriate or otherwise make available funds to pay the Lease Payments required to be paid in the next occurring Renewal Term, this Lease will be deemed terminated at the end of the then current Initial Term or Renewal Term. YOU agree to deliver written notice to US of such termination at least 90 days prior to the end of the then current Initial Term or Renewal Term, but failure to give such notice will not extend the term of this Lease beyond the then current Initial Term or Renewal Term. If this Lease is terminated in accordance with this Section, YOU agree, at YOUR cost and expense, to peaceably deliver the Equipment to US at the location or locations specified by US.

**6. WARRANTIES.** WE are leasing the Equipment to YOU "AS-IS" and WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. To the extent such warranties are transferrable, WE transfer to YOU, without recourse, for the term of this Lease all warranties, if any, made by the manufacturer. YOU ALSO ACKNOWLEDGE THAT NO ONE IS AUTHORIZED TO WAIVE OR CHANGE ANY TERM, PROVISION OR CONDITION OF THIS LEASE EXCEPT IN WRITING AND SIGNED BY THE PARTIES HERETO, AND, EXCEPT FOR THE MANUFACTURER WARRANTIES, MAKE ANY REPRESENTATION OR WARRANTY ABOUT THIS LEASE OR THE EQUIPMENT. WE WILL NOT BE LIABLE FOR SPECIAL, RESULTING OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFIT OCCASIONED BY ANY BREACH OF WARRANTY OR REPRESENTATION OR RESULTING FROM THE USE OR PERFORMANCE OF THE EQUIPMENT. YOUR OBLIGATION TO PAY IN FULL ANY AMOUNT DUE UNDER THE LEASE WILL NOT BE AFFECTED BY ANY DISPUTE, CLAIM, COUNTERCLAIM, DEFENSE OR OTHER RIGHT WHICH YOU MAY HAVE OR ASSERT AGAINST THE SUPPLIER OR THE EQUIPMENT MANUFACTURER.

**7. DELIVERY AND ACCEPTANCE.** YOU ARE RESPONSIBLE, AT YOUR OWN COST, TO ARRANGE FOR THE DELIVERY AND INSTALLATION OF THE EQUIPMENT (UNLESS THOSE COSTS ARE INCLUDED IN THE COSTS OF THE EQUIPMENT TO US). WHEN THE EQUIPMENT HAS BEEN DELIVERED AND INSTALLED, YOU WILL IMMEDIATELY SIGN AND DELIVER TO US A SEPARATE ACCEPTANCE CERTIFICATE IN THE FORM SET FORTH AS ATTACHMENT 3 HERETO. WE MAY, AT OUR DISCRETION, CONFIRM BY TELEPHONE THAT YOU HAVE ACCEPTED THE EQUIPMENT, AND THAT TELEPHONE VERIFICATION OF YOUR ACCEPTANCE OF THE EQUIPMENT WILL HAVE THE SAME EFFECT AS A SIGNED ACCEPTANCE CERTIFICATE.

(Terms and Conditions continued on the next page of this Lease.)

<b>LESSEE SIGNATURE</b>	YOU agree to all of the Terms and Conditions contained in both sides of this Lease, and in any attachments to this Lease (all of which are included by reference) and become part of this Lease. It is the intent of the parties hereto that any transfer of title to US pursuant to this Section will occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. YOU will, nevertheless, execute and deliver any such instruments as WE may request to evidence such transfer. As security for YOUR obligations hereunder, to the extent permitted by law, YOU grant to US a first and prior security interest in the Equipment, all cash and negotiable instruments comprising the escrow fund held under any related escrow agreement, and all proceeds of the foregoing. YOU agree that WE may sell, assign or transfer this Lease and, if WE do, the new owner will have the same rights and benefits, but not the obligations, that WE now have. The rights of the new owner will not be subject to any claims, counterclaims, defenses or set-offs that YOU may have against US. No assignment will be effective until YOU have received written notice from the assignor of the name and address of the assignee. YOU or YOUR agent will maintain a written record of each assignment in form necessary to comply with Section 149(a) of the Internal Revenue Code of 1986, as amended.

**11. LOSS OR DAMAGE.** YOU are responsible for the risk of loss or destruction of, or damage to, the Equipment. No such loss or damage relieves YOU from any obligation under this Lease. If any of the Equipment is damaged by fire or other casualty or if title to, or the temporary use of, any of the Equipment is taken under the exercise of the power of eminent domain, the net proceeds ("Net Proceeds") of any insurance claim or condemnation award will be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless YOU have exercised YOUR option to purchase the Equipment pursuant to Section 17. To the extent permitted by law, YOU agree to reimburse US for and to defend US against any claim for losses or injuries (including attorneys' fees and other expenses for the defense of such claim), regardless of nature, relating to the Equipment, including, without limitation, its manufacture, acquisition, delivery, installation, ownership, use, lease, possession, maintenance or operation. This indemnity will continue even after the termination of this Lease.

**13. TAXES.** YOU agree to pay any applicable license and registration fees, sale and use taxes, personal property taxes and all other taxes and charges, relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment (except those based on OUR net income). YOU agree that if WE pay any taxes or charges, YOU will reimburse US for all such payments and will pay US interest and a late charge (as calculated in Section 3) on such payments with the next Lease Payment, plus a fee for OUR collecting and administering any taxes, assessments or fees and remitting them to the appropriate authorities.

**14. INSURANCE.** During the term of this Lease, YOU will keep the Equipment insured against all risks of loss or damage in an amount not less than the replacement cost of the Equipment. YOU will also obtain and maintain for the term of this Lease, liability insurance insuring against liability for bodily injury and property damage with a minimum limit of \$1,000,000.00 combined single limit or such greater amount as may be prescribed by any applicable state law. WE will be the sole named loss payee on the property insurance and named as an additional insured on the liability insurance, and such insurance shall provide US at least thirty days written notice of cancellation. YOU will pay all premiums for such insurance and must deliver proof of insurance coverage satisfactory to US. DEFAULT.** Subject to Section 5, YOU are in default of this Lease if any of the following occurs: (a) YOU fail to pay any Lease Payment or other sum when due; (b) YOU breach any warranty or other obligation under this Lease, or any other agreement with US, (c) YOU become insolvent or unable to pay YOUR debts when due, YOU make an assignment for the benefit of creditors or YOU undergo a substantial deterioration in YOUR financial condition, or (d) YOU file or have filed against YOU a petition for liquidation, reorganization, adjustment of debt or similar relief under the Federal Bankruptcy Code or any other present or future federal or state bankruptcy or insolvency law, or a trustee, receiver or liquidator is appointed for YOU or a substantial part of YOUR assets.

**16. REMEDIES.** WE have the following remedies if YOU are in default of this Lease: WE may declare the entire balance of the unpaid Lease Payments for the then current Initial Term or Renewal Term immediately due and payable; sue for and receive all Lease Payments and any other payments then accrued or accelerated under this Lease; take whatever action at law or in equity may appear necessary or desirable to enforce OUR rights as owner of the Equipment; charge YOU interest on all monies due US at the rate of eighteen percent (18%) per year from the date of default until paid, but in no event more than the maximum rate permitted by law; charge YOU a return-check or non-sufficient funds charge ("NSF Charge") of \$25.00 for a check that is returned for any reason; and require that YOU return the Equipment to US and, if YOU fail to return the Equipment, enter upon the premises peaceably with or without legal process where the Equipment is located and repossess the Equipment. Such return or repossession of the Equipment will not constitute a termination of this Lease unless WE expressly notify YOU in writing. If the Equipment is returned or repossessed by US and unless WE have terminated this Lease, WE will sell or re-rent the Equipment to any persons with any terms WE determine, at one or more public or private sales, with or without notice to YOU, and apply the net proceeds after deducting the costs and expenses of such sale or re-rent, to YOUR obligations with YOU remaining liable for any deficiency and with any excess over the amounts described in this Section plus the then applicable Purchase Price to be paid to YOU. YOU are also required to pay (i) all expenses incurred by US in connection with the enforcement of any remedies, including all expenses of repossessing, storing, shipping, repairing and selling the Equipment, and (ii) reasonable attorneys' fees.

**17. PURCHASE OPTION.** Provided YOU are not in default, YOU will have the option to purchase all, but not less than all, of the Equipment (a) on the date the last Lease Payment is due (assuming this Lease is renewed at the end of the Initial Term and each Renewal Term), if this Lease is still in effect on that day, upon payment in full of Lease Payments and all other amounts then due and the payment of One Dollar to US; (b) on the last day of the Initial Term or any Renewal Term then in effect, upon at least 30 days' prior written notice to US and payment in full to US of the Lease Payments and all other amounts then due plus the then applicable Purchase Price set forth on the Lease Payment Schedule; or (c) if substantial damage to or destruction or condemnation of substantially all of the Equipment has occurred, on the day specified in YOUR written notice to US of YOUR exercise of the purchase option upon at least 30 days' prior notice to US and payment in full to US of the Lease Payments and all other amounts then due plus the then applicable Purchase Price set forth on the Lease Payment Schedule.

**18. REPRESENTATIONS AND WARRANTIES.** YOU warrant and represent as follows: (a) YOU are a public body corporate and politic duly organized and existing under the constitution and laws of YOUR State with full power and authority to enter into this Lease and to perform all of YOUR obligations hereunder; (b) YOU have duly authorized the execution and delivery of this Lease by proper action by YOUR governing body, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of this Lease; (c) YOU have complied with such public bidding requirements as are applicable to this Lease and the acquisition by YOU of the Equipment; (d) all authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by YOU of this Lease or in connection with the carrying out of YOUR obligations hereunder have been obtained; (e) this Lease constitutes the legal, valid and binding obligation of YOU enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally; (f) YOU have, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current budget year to make the Lease Payments scheduled to come due during the current budget year and to meet YOUR other obligations under this Lease during the current budget year, and those funds have not been expended for other purposes; (g) there is no proceeding pending or threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by this Lease or our interest in the Equipment; (h) the Equipment is essential to YOUR functions or to the services YOU provide to YOUR citizens, YOU have an immediate need for the Equipment and expect to make immediate use of the Equipment, YOUR need for the Equipment is not temporary and YOU do not expect the need for any item of the Equipment to diminish in the foreseeable future, including the Maximum Lease Term, and the Equipment will be used by YOU only for the purpose of performing one or more of YOUR governmental or proprietary functions consistent with the permissible scope of YOUR authority and will not be used in the trade or business of any other entity or person; and (i) YOU have never failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement.

**19. UCC FILINGS AND FINANCIAL STATEMENTS.** YOU authorize US to file a financing statement with respect to the Equipment. If WE feel it is necessary, YOU agree to submit financial statements (audited if available) on an annual basis.

**20. UCC – ARTICLE 2A PROVISIONS.** YOU agree that this Lease is a Finance Lease as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). YOU acknowledge that WE have given YOU the name of the Supplier of the Equipment. WE hereby notify YOU that YOU may have rights under the contract with the Supplier and YOU may contact the Supplier for a description of any rights or warranties that YOU may have under this supply contract. YOU also waive any and all rights and remedies granted YOU under Sections 2A-508 through 2A-522 of the UCC.

**21. TAX EXEMPTION.** YOU will comply with all applicable provisions of the Internal Revenue Code of 1986, as amended, and the applicable regulations thereunder to maintain the exclusion of the interest portion of the Lease Payments from gross income for purposes of federal income taxation. YOU will file all necessary informational returns with the IRS, on a timely basis, and provide US with copies of such filed returns relating to this Lease. If YOU fail to file the necessary informational returns on a timely basis, YOU authorize US, in OUR sole discretion, to engage a tax professional to complete the required returns on YOUR behalf and expense, which YOU will promptly execute and file. If it is determined that any of the interest may not be excluded from gross income, YOU agree to pay to US an additional amount determined by US for the loss of such excludability.

**22. BANK QUALIFICATION.** If this Lease has been designated a "qualified tax-exempt obligation" on the front page of this Lease, YOU and all YOUR subordinate entities will not issue in excess of \$10,000,000 of qualified tax-exempt obligations (including this Lease, but excluding private activity bonds other than qualified 501(c)(3) bonds) during the calendar year in which WE fund this Lease without first obtaining an opinion of nationally recognized counsel in the area of tax-exempt municipal obligations acceptable to US that the designation of this Lease as a "qualified tax-exempt obligation" will not be adversely affected.

**23. CHOICE OF LAW; JURY TRIAL WAIVER.** This Lease will be governed and construed in accordance with federal law and, to the extent not preempted by federal law, the laws of the state where YOU are located. To the extent permitted by law, YOU agree to waive YOUR rights to a trial by jury.

**24. ENTIRE AGREEMENT; SEVERABILITY; WAIVERS.** This Lease contains the entire agreement and understanding. No agreements or understandings are binding on the parties unless set forth in writing and signed by the parties. Any provision of this Lease which for any reason may be held unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective without invalidating the remaining provisions of this Lease.

**25. COUNTERPARTS; NOTICES; ELECTRONIC TRANSACTION.** This Lease may be simultaneously executed in counterparts, each of which will be an original and all of which will constitute but one and the same instrument. Notices hereunder shall be deemed given when delivered personally, sent via overnight courier, facsimile or e-mail (with confirmation of transmission), or certified U.S. Mail, addressed as set forth above. Copies, electronic files and other reproductions of original documents shall be deemed to be authentic counterparts for all purposes. There shall be only one original counterpart of this Lease and it shall bear OUR original ink or electronic signature and be marked "Original." To the extent that this Lease constitutes chattel paper (as that term is defined by the UCC), a security or ownership interest intended to be created through the transfer and possession of this Lease can be done only by the transfer of such original bearing OUR ink or electronic original signature. YOU consent to the use of electronic signatures on this Lease and any related documents.

**26. ROLE OF LESSOR.** WE have not acted and will not act as a fiduciary for YOU or as YOUR agent or municipal advisor. WE have not and will not provide financial, legal, tax, accounting or other advice to YOU or to any financial advisor or placement agent engaged by YOU with respect to this Lease. YOU, YOUR financial advisor, placement agent or municipal advisor, if any, shall each seek and obtain YOUR own financial, legal, tax, accounting and other advice with respect to this Lease from YOUR own advisors (including as it relates to structure, timing, terms and similar matters).

# OPINION OF COUNSEL

(To be on Attorney's Letterhead)

Date: July 21, 2021

Lessee: City of Spokane  
808 W Spokane Falls Blvd, 5th Floor City Hall  
Spokane, WA 99201

Lessor: The Huntington National Bank

Re: Governmental Lease-Purchase Agreement No. 008-0676522-303, dated as of July 21, 2021, by and between City of Spokane and The Huntington National Bank.

Ladies and Gentlemen:

I have acted as counsel to Lessee with respect to the Governmental Lease-Purchase Agreement described above and the related escrow agreement, if any (together, the "Lease") and various related matters, and in this capacity have reviewed a duplicate original or certified copy of the Lease and all exhibits and attachments thereto. Based upon the examination of these and such other documents as I deem relevant, it is my opinion that:

1. Lessee is a public corporation and political subdivision of the State of Washington (the "State") within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended, is duly organized, existing and operating under the Constitution and laws of the State, and has a substantial amount of the following sovereign powers: (a) the power to tax, (b) the power of eminent domain, and (c) police power. The full, true and correct legal name of Lessee is \_\_\_\_\_.
2. Lessee is authorized and has power under State law to enter into the Lease and lease the equipment with an option to purchase, and to carry out its obligations thereunder and the transactions contemplated thereby.
3. The Lease and the other documents described above have been duly authorized, approved, executed and delivered by and on behalf of Lessee, and the Lease is a valid and binding contract of Lessee enforceable in accordance with its terms, except to the extent limited by State and Federal laws affecting remedies and by bankruptcy, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights. No further approval, consent or withholding of objection is required from any federal, state or local governmental authority with respect to the entering into or performance by the Lessee of the Lease and the transaction contemplated thereby.
4. Lessee has no authority (statutory or otherwise) to terminate the Lease prior to the end of its term for any reason other than pursuant to the terms of Section 5 of the Lease.
5. The authorization, approval and execution of the Lease and all other proceedings of Lessee relating to the transactions contemplated thereby have been performed in accordance with all open meeting laws, public bidding laws and all other applicable State and Federal laws.
6. The execution of the Lease and the appropriation of moneys to pay the payments coming due under the Lease do not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.
7. There is no litigation, action, suit, or proceeding pending or before any court, administrative agency, arbitrator or governmental body that challenges the organization or existence of Lessee; the authority of the Lessee or its officers; the proper authorization, approval and execution of the Lease and the other documents described above; the

appropriation of monies to make Lease Payments under the Lease for the current fiscal year, or the ability of Lessee otherwise to perform its obligations under the Lease and the transactions contemplated thereby.

8. The equipment leased pursuant to the Lease constitutes personal property and when subject to use by Lessee will not be or become fixtures under applicable law.

9. The leasing of the equipment pursuant to the Lease is exempt from all sales, use and documentary stamp taxes against either Lessor or Lessee during the term of the Lease, and such equipment will be exempt from all state and local personal property or other ad valorem taxes.

This opinion of counsel may be relied upon by The Huntington National Bank and its successors and assigns.

Very truly yours,

# Instructions for Form 8038-G

Department of the Treasury  
Internal Revenue Service

(Rev. September 2018)

## Information Return for Tax-Exempt Governmental Bonds

Section references are to the Internal Revenue Code unless otherwise noted.

### Future Developments

For the latest information about developments related to Form 8038-G and its instructions, such as legislation enacted after they were published, go to [IRS.gov/Form8038G](https://www.irs.gov/Form8038G).

### What's New

The Tax Cuts and Jobs Act (P.L. 115-97) repealed the exclusion from gross income for interest on bonds issued to advance refund tax-exempt bonds. The repeal applies to advance refunding bonds issued after 2017. A bond is an advance refunding bond if it is issued more than 90 days before the redemption of the refunded bonds.

The Tax Cuts and Jobs Act also repealed the authority to issue tax-credit bonds and direct-pay bonds. The repeal applies to qualified forestry conservation bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, and qualified school construction bonds issued after 2017. The authority to issue recovery zone economic development bonds and build America bonds expired on January 1, 2011.

**Note.** The creation of an advance refunding escrow account to advance refund tax-credit bonds and/or direct-pay bonds may result in the reissuance of the bonds and the loss of the tax benefits.

### General Instructions

#### Purpose of Form

Form 8038-G is used by issuers of tax-exempt governmental bonds to provide the IRS with the information required by section 149(e) and to monitor compliance with the requirements of sections 141 through 150.

### Who Must File

IF the issue price (line 21, column (b)) is...	THEN, for tax-exempt governmental bonds issued after December 31, 1986, issuers must file...
\$100,000 or more	a <b>separate</b> Form 8038-G for <b>each</b> issue.
less than \$100,000	Form 8038-GC, Information Return for Small Tax-Exempt Governmental Bond Issues, Leases, and Installment Sales.

### When To File

File Form 8038-G on or before the 15th day of the 2nd calendar month after the close of the calendar quarter in which the bond is issued. Form 8038-G may not be filed before the issue date and must be completed based on the facts as of the issue date.

**Late filing.** An issuer may be granted an extension of time to file Form 8038-G under section 3 of Rev. Proc. 2002-48, 2002-37 I.R.B. 531, if it is determined that the failure to file timely is not due to willful neglect. Type or print at the top of the form "Request for Relief under section 3 of Rev. Proc. 2002-48" and attach a letter explaining why Form 8038-G was not submitted to the IRS on time. Also indicate whether the bond issue in question is under examination by the IRS. Do not submit copies of the trust indenture or other bond documents. See *Where To File* next.

### Where To File

File Form 8038-G, and any attachments, with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201.

**Private delivery services.** You can use certain private delivery services (PDS) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to [IRS.gov/PDS](https://www.irs.gov/PDS) for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to [IRS.gov/PDSstreetAddresses](https://www.irs.gov/PDSstreetAddresses).

**PDS can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.**

### Other Forms That May Be Required

For rebating arbitrage (or paying a penalty in lieu of arbitrage rebate) to the federal government, use Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate.

For private activity bonds, use Form 8038, Information Return for Tax-Exempt Private Activity Bond Issues.

### Rounding to Whole Dollars

You can round off cents to whole dollars. If you do round to whole dollars, you must round all amounts. To round, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar (for example, \$1.39 becomes \$1 and \$2.50 becomes \$3).

If two or more amounts must be added to figure the amount to enter on a line, include cents when adding the amounts and round off only the total.

### Definitions

**Bond.** This is any obligation, including bond, note, commercial paper, installment purchase agreement, or financing lease.

**Taxable bond.** This is any bond the interest on which is not excludable from gross income under section 103. Taxable bonds include tax credit bonds and direct pay bonds.

**Tax-exempt bond.** This is any obligation, including a bond, installment purchase agreement, or financial lease, on which the interest is excluded from income under section 103.

**Tax-exempt governmental bond.** A tax-exempt bond that is not a private activity bond (see next) is a tax-exempt governmental bond. This includes a bond issued by a qualified volunteer fire department under section 150(e).

**Private activity bond.** This includes a bond issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use; **and**
- More than 10% of the payment of principal or interest of the issue is **either (a)** secured by an interest in property to be used for a private business use (or

payments for such property), **or (b)** to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which **(a)** are to be used directly or indirectly to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units, and **(b)** exceeds the lesser of 5% of the proceeds **or** \$5 million.

**Issue price.** The issue price of bonds is generally determined under Regulations section 1.148-1(f). Thus, when issued for cash, the issue price is the first price at which a substantial amount of the bonds are sold to the public. To determine the issue price of a bond issued for property, see sections 1273 and 1274 and the related regulations.

**Issue.** Generally, bonds are treated as part of the same issue if they are issued by the same issuer, on the same date, and in a single transaction, or a series of related transactions (see Regulations section 1.149(e)-1(e)(2)). However, bonds issued during the same calendar year **(a)** under a loan agreement under which amounts are to be advanced periodically (a “draw-down loan”), or **(b)** with a term not exceeding 270 days, may be treated as part of the same issue if the bonds are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for bonds issued under a draw-down loan that meet the requirements of the preceding sentence, bonds issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first bond. Likewise, bonds (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first bond.

**Arbitrage rebate.** Generally, interest on a state or local bond is not tax exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

**Construction issue.** This is an issue of tax-exempt bonds that meets **both** of the following conditions.

1. At least 75% of the available construction proceeds are to be used for

construction expenditures with respect to property to be owned by a governmental unit or a section 501(c)(3) organization.

2. All the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a section 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make an irrevocable election to pay a penalty. The penalty is equal to 1½% of the amount of construction proceeds that do not meet certain spending requirements. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

**Pooled financing issue.** This is an issue of tax-exempt bonds, the proceeds of which are to be used to finance purpose investments representing conduit loans to two or more conduit borrowers, unless those conduit loans are to be used to finance a single capital project.

## Specific Instructions

### Part I—Reporting Authority

**Amended return.** An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you are filing to correct errors or change a previously filed return, check the *Amended Return* box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new or corrected information. Attach an explanation of the reason for the amended return and write across the top, “Amended Return Explanation.” Failure to attach an explanation may result in a delay in processing the form.

**Line 1.** The issuer's name is the name of the entity issuing the bonds, not the name of the entity receiving the benefit of the financing. For a lease or installment sale, the issuer is the lessee or the purchaser.

**Line 2.** An issuer that does not have an employer identification number (EIN) should apply online by visiting the IRS website at [IRS.gov/EIN](https://www.irs.gov/EIN). The organization may also apply for an EIN by faxing or mailing Form SS-4 to the IRS.

**Line 3a.** If the issuer wishes to authorize a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) to communicate with the IRS and whom the IRS may contact about this return (including in writing or by telephone), enter the name of such person here. The person listed on line 3a must be an individual. Do

not enter the name and title of an officer or other employee of the issuer here (use line 10a for that purpose).

**Note.** By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to communicate directly with the individual entered on line 3a and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

**Lines 4 and 6.** If you listed an individual on line 3a to communicate with the IRS and whom the IRS may contact about this return, enter the number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code of that person. Otherwise, enter the issuer's number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code.

**Note.** The address entered on lines 4 and 6 is the address the IRS will use for all written communications regarding the processing of this return, including any notices.

**Line 5.** This line is for IRS use only. Do not make any entries in this box.

**Line 7.** The date of issue is generally the first date on which the issuer physically exchanges any bond included in the issue for the underwriter's (or other purchaser's) funds. For a lease or installment sale, enter the date interest starts to accrue in an MM/DD/YYYY format.

**Line 8.** If there is no name of the issue, please provide other identification of the issue.

**Line 9.** Enter the CUSIP (Committee on Uniform Securities Identification Procedures) number of the bond with the latest maturity. If the issue does not have a CUSIP number, write “None.”

**Line 10a.** Enter the name and title of the officer or other employee of the issuer whom the IRS may call for more information. If the issuer wishes to designate a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) whom the IRS may call for more information about the return, enter the name, title, and telephone number of such person on lines 3a and 3b.

Complete lines 10a and 10b even if you complete lines 3a and 3b.

## Part II—Type of Issue

*Elections referred to in Part II are made on the original bond documents, not on this form.*

Identify the type of bonds issued by entering the issue price in the box corresponding to the type of bond (see *Issue price* under *Definitions*, earlier). Attach a schedule listing names and EINs of organizations that are to use proceeds of these bonds, if different from those of the issuer, include a brief summary of the use and indicate whether or not such user is a governmental or nongovernmental entity.

**Line 18.** Enter a description of the issue in the space provided.

**Line 19.** If the bonds are short-term tax anticipation notes or warrants (TANs) or short-term revenue anticipation notes or warrants (RANs), check box 19a. If the bonds are short-term bond anticipation notes (BANs), issued with the expectation that they will be refunded with the proceeds of long-term bonds at some future date, check box 19b. Do not check both boxes.

**Line 20.** Check this box if property other than cash is exchanged for the bond, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of bond is sometimes referred to as a “municipal lease.”) Also check this box if real property is directly acquired in exchange for a bond to make periodic payments of interest and principal. **Do not** check this box if the proceeds of the bond are received in the form of cash, even if the term “lease” is used in the title of the issue.

## Part III—Description of Bonds

**Line 21.** For column (a), the final maturity date is the last date the issuer must redeem the entire issue.

For column (b), see *Issue price* under *Definitions*, earlier.

For column (c), the stated redemption price at maturity of the entire issue is the sum of the stated redemption prices at maturity of each bond issued as part of the issue. For a lease or installment sale, write “N/A” in column (c).

For column (d), the weighted average maturity is the sum of the products of the issue price of each maturity and the number of years to maturity (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue (from line 21, column (b)). For a lease or installment sale, enter instead the total number of years the lease or installment sale will be outstanding.

For column (e), the yield, as defined in section 148(h), is the discount rate that, when used to figure the present value of all payments of principal and interest to be paid on the bond, produces an amount equal to the purchase price, including accrued interest. See Regulations section 1.148-4 for specific rules to figure the yield on an issue. If the issue is a variable rate issue, write “VR” as the yield of the issue. For other than variable rate issues, carry the yield out to four decimal places (for example, 5.3125%). If the issue is a lease or installment sale, enter the effective rate of interest being paid.

## Part IV—Uses of Proceeds of Bond Issue

For a lease or installment sale, write “N/A” in the space to the right of the title for Part IV.

**Line 22.** Enter the amount of proceeds that will be used to pay interest on the issue accruing prior to the date of issue. For definition of date of issue, see these instructions, line 7.

**Line 24.** Enter the amount of the proceeds that will be used to pay bond issuance costs, including fees for trustees and bond counsel. If no bond proceeds will be used to pay bond issuance costs, enter zero. Do not leave this line blank.

**Line 25.** Enter the amount of the proceeds that will be used to pay fees for credit enhancement that are taken into account in determining the yield on the issue for purposes of section 148(h) (for example, bond insurance premiums and certain fees for letters of credit).

**Line 26.** Enter the amount of proceeds that will be allocated to such a fund.

**Line 27.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any tax-exempt bonds, including proceeds that will be used to fund an escrow account for this purpose.

**Line 28.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any taxable bonds, including proceeds that will be used to fund an escrow account for this purpose.

## Part V—Description of Refunded Bonds

Complete this part only if the bonds are to be used to refund a prior issue of tax-exempt bonds or taxable bonds. For a lease or installment sale, write “N/A” in the space to the right of the title for Part V.

**Lines 31 and 32.** The remaining weighted average maturity is determined without regard to the refunding. The weighted average maturity is determined

in the same manner as on line 21, column (d).

**Line 34.** If more than a single issue of tax-exempt bonds or taxable bonds will be refunded, enter the date of issue for each refunded issue. Enter the date in an MM/DD/YYYY format.

## Part VI—Miscellaneous

**Line 35.** An allocation of volume cap is required if the nonqualified amount for the issue is more than \$15 million but is not more than the amount that would cause the issue to be private activity bonds.

**Line 36.** If any portion of the gross proceeds of the issue is or will be invested in a guaranteed investment contract (GIC), as defined in Regulations section 1.148-1(b), enter the amount of the gross proceeds so invested, as well as the final maturity date of the GIC and the name of the provider of such contract.

**Line 37.** If the issue is a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), enter the amount of the proceeds used to make loans to other governmental units, the interest on which is tax exempt.

**Line 38.** If the issue is a loan of proceeds from a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), check the box and where asked for the date of issue, EIN, and name of the issuer of the master pool bond, enter the date of issue, EIN, and name of the issuer of the pooled financing issue.

**Line 40.** Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of arbitrage rebate with this form. See Rev. Proc. 92-22, 1992-1 C.B. 736, for rules regarding the “election document.”

**Line 41a.** Check this box if the issuer has identified a hedge on its books and records according to Regulations sections 1.148-4(h)(2)(viii) and 1.148-4(h)(5) that permit an issuer of tax-exempt bonds to identify a hedge for it to be included in yield calculations for figuring arbitrage.

**Line 42.** In determining if the issuer has super-integrated a hedge, apply the rules of Regulations section 1.148-4(h)(4). If the hedge is super-integrated, check the box.

**Line 43.** If the issuer takes a “deliberate action” after the issue date that causes the conditions of the private business tests or the private loan financing test to be met, then such issue is also an issue of private

activity bonds. Regulations section 1.141-2(d)(3) defines a deliberate action as any action taken by the issuer that is within its control regardless of whether there is intent to violate such tests. Regulations section 1.141-12 explains the conditions to taking remedial action that prevent an action that causes an issue to meet the private business tests or private loan financing test from being treated as a deliberate action. Check the box if the issuer has established written procedures to ensure timely remedial action for all nonqualified bonds according to Regulations section 1.141-12 or other remedial actions authorized by the Commissioner under Regulations section 1.141-12(h).

**Line 44.** Check the box if the issuer has established written procedures to monitor compliance with the arbitrage, yield restriction, and rebate requirements of section 148.

**Line 45a.** Check the box if some part of the proceeds was used to reimburse expenditures. Figure and then enter the amount of proceeds that are used to reimburse the issuer for amounts paid for a qualified purpose prior to the issuance of the bonds. See Regulations section 1.150-2.

**Line 45b.** An issuer must adopt an official intent to reimburse itself for preissuance expenditures within 60 days after payment of the original expenditure unless excepted by Regulations section 1.150-2(f). Enter the date the official intent was adopted. See Regulations section 1.150-2(e) for more information about official intent.

**Signature and Consent**

An authorized representative of the issuer must sign Form 8038-G and any applicable certification. Also print the

name and title of the person signing Form 8038-G. The authorized representative of the issuer signing this form must have the authority to consent to the disclosure of the issuer's return information, as necessary to process this return, to the person(s) that have been designated in Form 8038-G.

**Note.** If the issuer in Part I, lines 3a and 3b, authorizes the IRS to communicate (including in writing and by telephone) with a person other than an officer or other employee of the issuer, by signing this form, the issuer's authorized representative consents to the disclosure of the issuer's return information, as necessary to process this return, to such person.

**Paid Preparer**

If an authorized officer of the issuer filled in this return, the paid preparer's space should remain blank. Anyone who prepares the return but does not charge the organization should not sign the return. Certain others who prepare the return should not sign. For example, a regular, full-time employee of the issuer, such as a clerk, secretary, etc., should not sign.

Generally, anyone who is paid to prepare a return must sign it and fill in the other blanks in the *Paid Preparer Use Only* area of the return.

- The paid preparer must:
- Sign the return in the space provided for the preparer's signature (a facsimile signature is acceptable),
  - Enter the preparer information, and
  - Give a copy of the return to the issuer.

**TERMS AND CONDITIONS**

Please read this Governmental Lease-Purchase Agreement No. 008-0676522-304 (including all attachments and schedules hereto, and any related escrow agreement, "Lease") carefully and feel free to ask US any questions YOU may have about it. Words "YOU" and "YOUR" refer to the "Lessee," and the words "WE," "US" and "OUR" refer to the "Lessor," its successors and assigns.

**1. LEASE:** WE agree to lease to YOU and YOU agree to lease from US, the equipment listed on Attachment 2: Equipment Description, including all replacement parts, repairs, additions and accessories ("Equipment") on the terms and conditions of this Lease and on any attached schedule.

**2. TERM:** This Lease is effective on the earlier of the date on which WE disburse funds to the vendor of the Equipment or the date on which WE deposit funds for the purchase of the Equipment with an escrow agent (the "Commencement Date"), which date YOU hereby authorize US to fill in on the executed Lease Payment Schedule following OUR receipt from YOU of the executed Acceptance Certificate in the form set forth as Attachment 3 hereto, and continues thereafter for an Initial Term ("Initial Term") ending at the end of YOUR budget year in effect on the Commencement Date and may be continued by YOU for additional one-year renewal terms ("Renewal Terms"), coinciding with YOUR budget year, up to the total number of months indicated above as the Maximum Lease Term; provided, however, that at the end of the Initial Term and at the end of each Renewal Term until the Maximum Lease Term has been completed, YOU will be deemed to have continued this Lease for the next Renewal Term unless YOU have terminated this Lease pursuant to Section 5 or Section 17. Lease Payments will be due as set forth on Attachment 1 until the balance of the Lease Payments and any additional Lease Payments or expenses chargeable to YOU under this Lease are paid in full. As set forth in the Lease Payment Schedule, a portion of each Lease Payment is paid as, and represents payment of, interest. YOUR obligation to pay Lease Payments and YOUR other Lease obligations are absolute and unconditional and are not subject to cancellation, reduction, setoff or counterclaim except as provided in Section 5. **THIS LEASE IS NON-CANCELABLE, EXCEPT AS PROVIDED IN SECTION 5.**

**3. LATE CHARGES.** If a Lease Payment is not made on the date when due, YOU will pay US a late charge at the rate of 10% of the amount due or the maximum amount permitted by law, whichever is less, from the due date.

**4. CONTINUATION OF LEASE TERM.** YOU currently intend, subject to Section 5, to continue this Lease, and to pay Lease Payments hereunder, through the Maximum Lease Term. YOU reasonably believe that legally available funds in an amount sufficient to make all Lease Payments during the Maximum Lease Term can be obtained. YOUR responsible financial officer will do all things lawfully within his or her power to obtain and maintain funds from which Lease Payments may be made, including making provision for Lease Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with YOUR applicable procedures and to exhaust all available reviews and appeals if that portion of the budget is not approved. Notwithstanding the foregoing, the decision whether to budget or appropriate funds and to extend this Lease for any Renewal Term is solely within the discretion of YOUR governing body.

**5. NONAPPROPRIATION.** YOU are obligated only to pay such Lease Payments under this Lease as may lawfully be made from funds budgeted and appropriated for that purpose during YOUR then current budget year. If YOU fail to appropriate or otherwise make available funds to pay the Lease Payments required to be paid in the next occurring Renewal Term, this Lease will be deemed terminated at the end of the then current Initial Term or Renewal Term. YOU agree to deliver written notice to US of such termination at least 90 days prior to the end of the then current Initial Term or Renewal Term, but failure to give such notice will not extend the term of this Lease beyond the then current Initial Term or Renewal Term. If this Lease is terminated in accordance with this Section, YOU agree, at YOUR cost and expense, to peaceably deliver the Equipment to US at the location or locations specified by US.

**6. WARRANTIES.** WE are leasing the Equipment to YOU "AS-IS" and WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. To the extent such warranties are transferrable, WE transfer to YOU, without recourse, for the term of this Lease all warranties, if any, made by the manufacturer. YOU ALSO ACKNOWLEDGE THAT NO ONE IS AUTHORIZED TO WAIVE OR CHANGE ANY TERM, PROVISION OR CONDITION OF THIS LEASE EXCEPT IN WRITING AND SIGNED BY THE PARTIES HERETO, AND, EXCEPT FOR THE MANUFACTURER WARRANTIES, MAKE ANY REPRESENTATION OR WARRANTY ABOUT THIS LEASE OR THE EQUIPMENT. WE WILL NOT BE LIABLE FOR SPECIAL, RESULTING OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFIT OCCASIONED BY ANY BREACH OF WARRANTY OR REPRESENTATION OR RESULTING FROM THE USE OR PERFORMANCE OF THE EQUIPMENT. YOUR OBLIGATION TO PAY IN FULL ANY AMOUNT DUE UNDER THE LEASE WILL NOT BE AFFECTED BY ANY DISPUTE, CLAIM, COUNTERCLAIM, DEFENSE OR OTHER RIGHT WHICH YOU MAY HAVE OR ASSERT AGAINST THE SUPPLIER OR THE EQUIPMENT MANUFACTURER.

**7. DELIVERY AND ACCEPTANCE.** YOU ARE RESPONSIBLE, AT YOUR OWN COST, TO ARRANGE FOR THE DELIVERY AND INSTALLATION OF THE EQUIPMENT (UNLESS THOSE COSTS ARE INCLUDED IN THE COSTS OF THE EQUIPMENT TO US). WHEN THE EQUIPMENT HAS BEEN DELIVERED AND INSTALLED, YOU WILL IMMEDIATELY SIGN AND DELIVER TO US A SEPARATE ACCEPTANCE CERTIFICATE IN THE FORM SET FORTH AS ATTACHMENT 3 HERETO. WE MAY, AT OUR DISCRETION, CONFIRM BY TELEPHONE THAT YOU HAVE ACCEPTED THE EQUIPMENT, AND THAT TELEPHONE VERIFICATION OF YOUR ACCEPTANCE OF THE EQUIPMENT WILL HAVE THE SAME EFFECT AS A SIGNED ACCEPTANCE CERTIFICATE.

(Terms and Conditions continued on the next page of this Lease.)

**8. TITLE, PERSONAL PROPERTY, LOCATION, INSPECTION, NO MODIFICATIONS OR ALTERATIONS.** YOU have title to the Equipment; provided that title to the Equipment will immediately and without any action by YOU vest in US, and YOU will immediately surrender possession of the Equipment to US, (a) upon any termination of this Lease other than termination pursuant to Section 17 (including but not limited to any termination pursuant to Section 5) or (b) if YOU are in default of this Lease. It is the intent of the parties hereto that any transfer of title to US pursuant to this Section will occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. YOU will, nevertheless, execute and deliver any such instruments as WE may request to evidence such transfer. As security for YOUR obligations hereunder, to the extent permitted by law, YOU grant to US a first and prior security interest in the Equipment, all cash and negotiable instruments comprising the escrow fund held under any related escrow agreement, and all proceeds of the foregoing. YOU have the right to use the Equipment during the term of this Lease, except as otherwise expressly set forth in this Lease. Although the Equipment may become attached to real estate, it remains personal property. YOU agree not to alter or modify the Equipment or permit a lien to be placed upon the Equipment or to remove the Equipment without OUR prior written consent. YOU agree to provide US with waivers of interest or liens from anyone claiming any interest in the real estate on which any items of Equipment is located. WE also have the right, at reasonable times, to inspect the Equipment.

**9. MAINTENANCE.** YOU are required, at YOUR own cost and expense, to keep the Equipment in good repair, condition and working order, except for ordinary wear and tear, and to supply all parts and servicing required. All replacement parts used or installed and repairs made to the Equipment will become OUR property. YOU acknowledge that WE are not responsible for providing any required maintenance and/or service for the Equipment. YOU will make all claims for service and/or maintenance solely to the supplier and/or manufacturer and such claims will not affect YOUR obligation to make Lease Payments.

**10. ASSIGNMENT.** YOU agree not to transfer, sell, sublease, assign, pledge or encumber either the Equipment or any rights under this Lease without OUR prior written consent. YOU agree that WE may sell, assign or transfer this Lease and, if WE do, the new owner will have the same rights and benefits, but not the obligations, that WE now have. The rights of the new owner will not be subject to any claims, counterclaims, defenses or set-offs that YOU may have against US. No assignment will be effective until YOU have received written notice from the assignor of the name and address of the assignee. YOU or YOUR agent will maintain a written record of each assignment in form necessary to comply with Section 149(a) of the Internal Revenue Code of 1986, as amended.

**11. LOSS OR DAMAGE.** YOU are responsible for the risk of loss or destruction of, or damage to, the Equipment. No such loss or damage relieves YOU from any obligation under this Lease. If any of the Equipment is damaged by fire or other casualty or if title to, or the temporary use of, any of the Equipment is taken under the exercise of the power of eminent domain, the net proceeds ("Net Proceeds") of any insurance claim or condemnation award will be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless YOU have exercised YOUR option to purchase the Equipment pursuant to Section 17. Any balance of the Net Proceeds remaining after such work has been completed will be paid to YOU.

**12. INDEMNITY.** WE are not responsible for any losses or injuries caused by the manufacture, acquisition, delivery, installation, ownership, use, lease, possession, maintenance, operation or rejection of the Equipment or defects in the Equipment. To the extent permitted by law, YOU agree to reimburse US for and to defend US against any claim for losses or injuries (including attorneys' fees and other expenses for the defense of such claim), regardless of nature, relating to the Equipment, including, without limitation, its manufacture, acquisition, delivery, installation, ownership, use, lease, possession, maintenance or operation. This indemnity will continue even after the termination of this Lease.

**13. TAXES.** YOU agree to pay any applicable license and registration fees, sale and use taxes, personal property taxes and all other taxes and charges, relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment (except those based on OUR net income). YOU agree that if WE pay any taxes or charges, YOU will reimburse US for all such payments and will pay US interest and a late charge (as calculated in Section 3) on such payments with the next Lease Payment, plus a fee for OUR collecting and administering any taxes, assessments or fees and remitting them to the appropriate authorities.

**14. INSURANCE.** During the term of this Lease, YOU will keep the Equipment insured against all risks of loss or damage in an amount not less than the replacement cost of the Equipment. YOU will also obtain and maintain for the term of this Lease, liability insurance insuring against liability for bodily injury and property damage with a minimum limit of \$1,000,000.00 combined single limit or such greater amount as may be prescribed by any applicable state law. WE will be the sole named loss payee on the property insurance and named as an additional insured on the liability insurance, and such insurance shall provide US at least thirty days written notice of cancellation. YOU will pay all premiums for such insurance and must deliver proof of insurance coverage satisfactory to US. If YOU do not provide such insurance, YOU agree that WE have the right, but not the obligation, to obtain such insurance and add an insurance fee to the amount due from you.

**15. DEFAULT.** Subject to Section 5, YOU are in default of this Lease if any of the following occurs: (a) YOU fail to pay any Lease Payment or other sum when due; (b) YOU breach any warranty or other obligation under this Lease, or any other agreement with US, (c) YOU become insolvent or unable to pay YOUR debts when due, YOU make an assignment for the benefit of creditors or YOU undergo a substantial deterioration in YOUR financial condition, or (d) YOU file or have filed against YOU a petition for liquidation, reorganization, adjustment of debt or similar relief under the Federal Bankruptcy Code or any other present or future federal or state bankruptcy or insolvency law, or a trustee, receiver or liquidator is appointed for YOU or a substantial part of YOUR assets.

**16. REMEDIES.** WE have the following remedies if YOU are in default of this Lease: WE may declare the entire balance of the unpaid Lease Payments for the then current Initial Term or Renewal Term immediately due and payable; sue for and receive all Lease Payments and any other payments then accrued or accelerated under this Lease; take whatever action at law or in equity may appear necessary or desirable to enforce OUR rights as owner of the Equipment; charge YOU interest on all monies due US at the rate of eighteen percent (18%) per year from the date of default until paid, but in no event more than the maximum rate permitted by law; charge YOU a return-check or non-sufficient funds charge ("NSF Charge") of \$25.00 for a check that is returned for any reason; and require that YOU return the Equipment to US and, if YOU fail to return the Equipment, enter upon the premises peaceably with or without legal process where the Equipment is located and repossess the Equipment. Such return or repossession of the Equipment will not constitute a termination of this Lease unless WE expressly notify YOU in writing. If the Equipment is returned or repossessed by US and unless WE have terminated this Lease, WE will sell or re-rent the Equipment to any persons with any terms WE determine, at one or more public or private sales, with or without notice to YOU, and apply the net proceeds after deducting the costs and expenses of such sale or re-rent, to YOUR obligations with YOU remaining liable for any deficiency and with any excess over the amounts described in this Section plus the then applicable Purchase Price to be paid to YOU. YOU are also required to pay (i) all expenses incurred by US in connection with the enforcement of any remedies, including all expenses of repossessing, storing, shipping, repairing and selling the Equipment, and (ii) reasonable attorneys' fees.

**17. PURCHASE OPTION.** Provided YOU are not in default, YOU will have the option to purchase all, but not less than all, of the Equipment (a) on the date the last Lease Payment is due (assuming this Lease is renewed at the end of the Initial Term and each Renewal Term), if this Lease is still in effect on that day, upon payment in full of Lease Payments and all other amounts then due and the payment of One Dollar to US; (b) on the last day of the Initial Term or any Renewal Term then in effect, upon at least 30 days' prior written notice to US and payment in full to US of the Lease Payments and all other amounts then due plus the then applicable Purchase Price set forth on the Lease Payment Schedule; or (c) if substantial damage to or destruction or condemnation of substantially all of the Equipment has occurred, on the day specified in YOUR written notice to US of YOUR exercise of the purchase option upon at least 30 days' prior notice to US and payment in full to US of the Lease Payments and all other amounts then due plus the then applicable Purchase Price set forth on the Lease Payment Schedule.

**18. REPRESENTATIONS AND WARRANTIES.** YOU warrant and represent as follows: (a) YOU are a public body corporate and politic duly organized and existing under the constitution and laws of YOUR State with full power and authority to enter into this Lease and to perform all of YOUR obligations hereunder; (b) YOU have duly authorized the execution and delivery of this Lease by proper action by YOUR governing body, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of this Lease; (c) YOU have complied with such public bidding requirements as are applicable to this Lease and the acquisition by YOU of the Equipment; (d) all authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by YOU of this Lease or in connection with the carrying out of YOUR obligations hereunder have been obtained; (e) this Lease constitutes the legal, valid and binding obligation of YOU enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally; (f) YOU have, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current budget year to make the Lease Payments scheduled to come due during the current budget year and to meet YOUR other obligations under this Lease during the current budget year, and those funds have not been expended for other purposes; (g) there is no proceeding pending or threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by this Lease or our interest in the Equipment; (h) the Equipment is essential to YOUR functions or to the services YOU provide to YOUR citizens, YOU have an immediate need for the Equipment and expect to make immediate use of the Equipment, YOUR need for the Equipment is not temporary and YOU do not expect the need for any item of the Equipment to diminish in the foreseeable future, including the Maximum Lease Term, and the Equipment will be used by YOU only for the purpose of performing one or more of YOUR governmental or proprietary functions consistent with the permissible scope of YOUR authority and will not be used in the trade or business of any other entity or person; and (i) YOU have never failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement.

**19. UCC FILINGS AND FINANCIAL STATEMENTS.** YOU authorize US to file a financing statement with respect to the Equipment. If WE feel it is necessary, YOU agree to submit financial statements (audited if available) on an annual basis.

**20. UCC – ARTICLE 2A PROVISIONS.** YOU agree that this Lease is a Finance Lease as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). YOU acknowledge that WE have given YOU the name of the Supplier of the Equipment. WE hereby notify YOU that YOU may have rights under the contract with the Supplier and YOU may contact the Supplier for a description of any rights or warranties that YOU may have under this supply contract. YOU also waive any and all rights and remedies granted YOU under Sections 2A-508 through 2A-522 of the UCC.

**21. TAX EXEMPTION.** YOU will comply with all applicable provisions of the Internal Revenue Code of 1986, as amended, and the applicable regulations thereunder to maintain the exclusion of the interest portion of the Lease Payments from gross income for purposes of federal income taxation. YOU will file all necessary informational returns with the IRS, on a timely basis, and provide US with copies of such filed returns relating to this Lease. If YOU fail to file the necessary informational returns on a timely basis, YOU authorize US, in OUR sole discretion, to engage a tax professional to complete the required returns on YOUR behalf and expense, which YOU will promptly execute and file. If it is determined that any of the interest may not be excluded from gross income, YOU agree to pay to US an additional amount determined by US for the loss of such excludability.

**22. BANK QUALIFICATION.** If this Lease has been designated a "qualified tax-exempt obligation" on the front page of this Lease, YOU and all YOUR subordinate entities will not issue in excess of \$10,000,000 of qualified tax-exempt obligations (including this Lease, but excluding private activity bonds other than qualified 501(c)(3) bonds) during the calendar year in which WE fund this Lease without first obtaining an opinion of nationally recognized counsel in the area of tax-exempt municipal obligations acceptable to US that the designation of this Lease as a "qualified tax-exempt obligation" will not be adversely affected.

**23. CHOICE OF LAW; JURY TRIAL WAIVER.** This Lease will be governed and construed in accordance with federal law and, to the extent not preempted by federal law, the laws of the state where YOU are located. To the extent permitted by law, YOU agree to waive YOUR rights to a trial by jury.

**24. ENTIRE AGREEMENT; SEVERABILITY; WAIVERS.** This Lease contains the entire agreement and understanding. No agreements or understandings are binding on the parties unless set forth in writing and signed by the parties. Any provision of this Lease which for any reason may be held unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective without invalidating the remaining provisions of this Lease.

**25. COUNTERPARTS; NOTICES; ELECTRONIC TRANSACTION.** This Lease may be simultaneously executed in counterparts, each of which will be an original and all of which will constitute but one and the same instrument. Notices hereunder shall be deemed given when delivered personally, sent via overnight courier, facsimile or e-mail (with confirmation of transmission), or certified U.S. Mail, addressed as set forth above. Copies, electronic files and other reproductions of original documents shall be deemed to be authentic counterparts for all purposes. There shall be only one original counterpart of this Lease and it shall bear OUR original ink or electronic signature and be marked "Original." To the extent that this Lease constitutes chattel paper (as that term is defined by the UCC), a security or ownership interest intended to be created through the transfer and possession of this Lease can be done only by the transfer of such original bearing OUR ink or electronic original signature. YOU consent to the use of electronic signatures on this Lease and any related documents.

**26. ROLE OF LESSOR.** WE have not acted and will not act as a fiduciary for YOU or as YOUR agent or municipal advisor. WE have not and will not provide financial, legal, tax, accounting or other advice to YOU or to any financial advisor or placement agent engaged by YOU with respect to this Lease. YOU, YOUR financial advisor, placement agent or municipal advisor, if any, shall each seek and obtain YOUR own financial, legal, tax, accounting and other advice with respect to this Lease from YOUR own advisors (including as it relates to structure, timing, terms and similar matters).

# OPINION OF COUNSEL

(To be on Attorney's Letterhead)

Date: July 21, 2021

Lessee: City of Spokane  
808 W Spokane Falls Blvd, 5th Floor City Hall  
Spokane, WA 99201

Lessor: The Huntington National Bank  
11100 Wayzata Blvd, Suite 801  
Minnetonka, MN 55305

Re: Governmental Lease-Purchase Agreement No. 008-0676522-304, dated as of July 21, 2021, by and between City of Spokane and The Huntington National Bank.

Ladies and Gentlemen:

I have acted as counsel to Lessee with respect to the Governmental Lease-Purchase Agreement described above and the related escrow agreement, if any (together, the "Lease") and various related matters, and in this capacity have reviewed a duplicate original or certified copy of the Lease and all exhibits and attachments thereto. Based upon the examination of these and such other documents as I deem relevant, it is my opinion that:

1. Lessee is a public corporation and political subdivision of the State of Washington (the "State") within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended, is duly organized, existing and operating under the Constitution and laws of the State, and has a substantial amount of the following sovereign powers: (a) the power to tax, (b) the power of eminent domain, and (c) police power. The full, true and correct legal name of Lessee is \_\_\_\_\_.
2. Lessee is authorized and has power under State law to enter into the Lease and lease the equipment with an option to purchase, and to carry out its obligations thereunder and the transactions contemplated thereby.
3. The Lease and the other documents described above have been duly authorized, approved, executed and delivered by and on behalf of Lessee, and the Lease is a valid and binding contract of Lessee enforceable in accordance with its terms, except to the extent limited by State and Federal laws affecting remedies and by bankruptcy, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights. No further approval, consent or withholding of objection is required from any federal, state or local governmental authority with respect to the entering into or performance by the Lessee of the Lease and the transaction contemplated thereby.
4. Lessee has no authority (statutory or otherwise) to terminate the Lease prior to the end of its term for any reason other than pursuant to the terms of Section 5 of the Lease.
5. The authorization, approval and execution of the Lease and all other proceedings of Lessee relating to the transactions contemplated thereby have been performed in accordance with all open meeting laws, public bidding laws and all other applicable State and Federal laws.
6. The execution of the Lease and the appropriation of moneys to pay the payments coming due under the Lease do not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.
7. There is no litigation, action, suit, or proceeding pending or before any court, administrative agency, arbitrator or governmental body that challenges the organization or existence of Lessee; the authority of the Lessee or its officers; the proper authorization, approval and execution of the Lease and the other documents described above; the

appropriation of monies to make Lease Payments under the Lease for the current fiscal year, or the ability of Lessee otherwise to perform its obligations under the Lease and the transactions contemplated thereby.

8. The equipment leased pursuant to the Lease constitutes personal property and when subject to use by Lessee will not be or become fixtures under applicable law.

9. The leasing of the equipment pursuant to the Lease is exempt from all sales, use and documentary stamp taxes against either Lessor or Lessee during the term of the Lease, and such equipment will be exempt from all state and local personal property or other ad valorem taxes.

This opinion of counsel may be relied upon by The Huntington National Bank and its successors and assigns.

Very truly yours,

# Instructions for Form 8038-G

Department of the Treasury  
Internal Revenue Service

(Rev. September 2018)

## Information Return for Tax-Exempt Governmental Bonds

Section references are to the Internal Revenue Code unless otherwise noted.

### Future Developments

For the latest information about developments related to Form 8038-G and its instructions, such as legislation enacted after they were published, go to [IRS.gov/Form8038G](https://www.irs.gov/Form8038G).

### What's New

The Tax Cuts and Jobs Act (P.L. 115-97) repealed the exclusion from gross income for interest on bonds issued to advance refund tax-exempt bonds. The repeal applies to advance refunding bonds issued after 2017. A bond is an advance refunding bond if it is issued more than 90 days before the redemption of the refunded bonds.

The Tax Cuts and Jobs Act also repealed the authority to issue tax-credit bonds and direct-pay bonds. The repeal applies to qualified forestry conservation bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, and qualified school construction bonds issued after 2017. The authority to issue recovery zone economic development bonds and build America bonds expired on January 1, 2011.

**Note.** The creation of an advance refunding escrow account to advance refund tax-credit bonds and/or direct-pay bonds may result in the reissuance of the bonds and the loss of the tax benefits.

### General Instructions

#### Purpose of Form

Form 8038-G is used by issuers of tax-exempt governmental bonds to provide the IRS with the information required by section 149(e) and to monitor compliance with the requirements of sections 141 through 150.

### Who Must File

IF the issue price (line 21, column (b)) is...	THEN, for tax-exempt governmental bonds issued after December 31, 1986, issuers must file...
\$100,000 or more	a <b>separate</b> Form 8038-G for <b>each</b> issue.
less than \$100,000	Form 8038-GC, Information Return for Small Tax-Exempt Governmental Bond Issues, Leases, and Installment Sales.

### When To File

File Form 8038-G on or before the 15th day of the 2nd calendar month after the close of the calendar quarter in which the bond is issued. Form 8038-G may not be filed before the issue date and must be completed based on the facts as of the issue date.

**Late filing.** An issuer may be granted an extension of time to file Form 8038-G under section 3 of Rev. Proc. 2002-48, 2002-37 I.R.B. 531, if it is determined that the failure to file timely is not due to willful neglect. Type or print at the top of the form "Request for Relief under section 3 of Rev. Proc. 2002-48" and attach a letter explaining why Form 8038-G was not submitted to the IRS on time. Also indicate whether the bond issue in question is under examination by the IRS. Do not submit copies of the trust indenture or other bond documents. See *Where To File* next.

### Where To File

File Form 8038-G, and any attachments, with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201.

**Private delivery services.** You can use certain private delivery services (PDS) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to [IRS.gov/PDS](https://www.irs.gov/PDS) for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to [IRS.gov/PDSstreetAddresses](https://www.irs.gov/PDSstreetAddresses).

**PDS can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.**

### Other Forms That May Be Required

For rebating arbitrage (or paying a penalty in lieu of arbitrage rebate) to the federal government, use Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate.

For private activity bonds, use Form 8038, Information Return for Tax-Exempt Private Activity Bond Issues.

### Rounding to Whole Dollars

You can round off cents to whole dollars. If you do round to whole dollars, you must round all amounts. To round, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar (for example, \$1.39 becomes \$1 and \$2.50 becomes \$3).

If two or more amounts must be added to figure the amount to enter on a line, include cents when adding the amounts and round off only the total.

### Definitions

**Bond.** This is any obligation, including bond, note, commercial paper, installment purchase agreement, or financing lease.

**Taxable bond.** This is any bond the interest on which is not excludable from gross income under section 103. Taxable bonds include tax credit bonds and direct pay bonds.

**Tax-exempt bond.** This is any obligation, including a bond, installment purchase agreement, or financial lease, on which the interest is excluded from income under section 103.

**Tax-exempt governmental bond.** A tax-exempt bond that is not a private activity bond (see next) is a tax-exempt governmental bond. This includes a bond issued by a qualified volunteer fire department under section 150(e).

**Private activity bond.** This includes a bond issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use; **and**
- More than 10% of the payment of principal or interest of the issue is **either (a)** secured by an interest in property to be used for a private business use (or

payments for such property), **or (b)** to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which **(a)** are to be used directly or indirectly to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units, and **(b)** exceeds the lesser of 5% of the proceeds **or** \$5 million.

**Issue price.** The issue price of bonds is generally determined under Regulations section 1.148-1(f). Thus, when issued for cash, the issue price is the first price at which a substantial amount of the bonds are sold to the public. To determine the issue price of a bond issued for property, see sections 1273 and 1274 and the related regulations.

**Issue.** Generally, bonds are treated as part of the same issue if they are issued by the same issuer, on the same date, and in a single transaction, or a series of related transactions (see Regulations section 1.149(e)-1(e)(2)). However, bonds issued during the same calendar year **(a)** under a loan agreement under which amounts are to be advanced periodically (a “draw-down loan”), or **(b)** with a term not exceeding 270 days, may be treated as part of the same issue if the bonds are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for bonds issued under a draw-down loan that meet the requirements of the preceding sentence, bonds issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first bond. Likewise, bonds (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first bond.

**Arbitrage rebate.** Generally, interest on a state or local bond is not tax exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

**Construction issue.** This is an issue of tax-exempt bonds that meets **both** of the following conditions.

1. At least 75% of the available construction proceeds are to be used for

construction expenditures with respect to property to be owned by a governmental unit or a section 501(c)(3) organization.

2. All the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a section 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make an irrevocable election to pay a penalty. The penalty is equal to 1½% of the amount of construction proceeds that do not meet certain spending requirements. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

**Pooled financing issue.** This is an issue of tax-exempt bonds, the proceeds of which are to be used to finance purpose investments representing conduit loans to two or more conduit borrowers, unless those conduit loans are to be used to finance a single capital project.

## Specific Instructions

### Part I—Reporting Authority

**Amended return.** An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you are filing to correct errors or change a previously filed return, check the *Amended Return* box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new or corrected information. Attach an explanation of the reason for the amended return and write across the top, “Amended Return Explanation.” Failure to attach an explanation may result in a delay in processing the form.

**Line 1.** The issuer's name is the name of the entity issuing the bonds, not the name of the entity receiving the benefit of the financing. For a lease or installment sale, the issuer is the lessee or the purchaser.

**Line 2.** An issuer that does not have an employer identification number (EIN) should apply online by visiting the IRS website at [IRS.gov/EIN](https://www.irs.gov/EIN). The organization may also apply for an EIN by faxing or mailing Form SS-4 to the IRS.

**Line 3a.** If the issuer wishes to authorize a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) to communicate with the IRS and whom the IRS may contact about this return (including in writing or by telephone), enter the name of such person here. The person listed on line 3a must be an individual. Do

not enter the name and title of an officer or other employee of the issuer here (use line 10a for that purpose).

**Note.** By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to communicate directly with the individual entered on line 3a and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

**Lines 4 and 6.** If you listed an individual on line 3a to communicate with the IRS and whom the IRS may contact about this return, enter the number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code of that person. Otherwise, enter the issuer's number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code.

**Note.** The address entered on lines 4 and 6 is the address the IRS will use for all written communications regarding the processing of this return, including any notices.

**Line 5.** This line is for IRS use only. Do not make any entries in this box.

**Line 7.** The date of issue is generally the first date on which the issuer physically exchanges any bond included in the issue for the underwriter's (or other purchaser's) funds. For a lease or installment sale, enter the date interest starts to accrue in an MM/DD/YYYY format.

**Line 8.** If there is no name of the issue, please provide other identification of the issue.

**Line 9.** Enter the CUSIP (Committee on Uniform Securities Identification Procedures) number of the bond with the latest maturity. If the issue does not have a CUSIP number, write “None.”

**Line 10a.** Enter the name and title of the officer or other employee of the issuer whom the IRS may call for more information. If the issuer wishes to designate a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) whom the IRS may call for more information about the return, enter the name, title, and telephone number of such person on lines 3a and 3b.

Complete lines 10a and 10b even if you complete lines 3a and 3b.

## Part II—Type of Issue

*Elections referred to in Part II are made on the original bond documents, not on this form.*

Identify the type of bonds issued by entering the issue price in the box corresponding to the type of bond (see *Issue price* under *Definitions*, earlier). Attach a schedule listing names and EINs of organizations that are to use proceeds of these bonds, if different from those of the issuer, include a brief summary of the use and indicate whether or not such user is a governmental or nongovernmental entity.

**Line 18.** Enter a description of the issue in the space provided.

**Line 19.** If the bonds are short-term tax anticipation notes or warrants (TANs) or short-term revenue anticipation notes or warrants (RANs), check box 19a. If the bonds are short-term bond anticipation notes (BANs), issued with the expectation that they will be refunded with the proceeds of long-term bonds at some future date, check box 19b. Do not check both boxes.

**Line 20.** Check this box if property other than cash is exchanged for the bond, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of bond is sometimes referred to as a “municipal lease.”) Also check this box if real property is directly acquired in exchange for a bond to make periodic payments of interest and principal. **Do not** check this box if the proceeds of the bond are received in the form of cash, even if the term “lease” is used in the title of the issue.

## Part III—Description of Bonds

**Line 21.** For column (a), the final maturity date is the last date the issuer must redeem the entire issue.

For column (b), see *Issue price* under *Definitions*, earlier.

For column (c), the stated redemption price at maturity of the entire issue is the sum of the stated redemption prices at maturity of each bond issued as part of the issue. For a lease or installment sale, write “N/A” in column (c).

For column (d), the weighted average maturity is the sum of the products of the issue price of each maturity and the number of years to maturity (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue (from line 21, column (b)). For a lease or installment sale, enter instead the total number of years the lease or installment sale will be outstanding.

For column (e), the yield, as defined in section 148(h), is the discount rate that, when used to figure the present value of all payments of principal and interest to be paid on the bond, produces an amount equal to the purchase price, including accrued interest. See Regulations section 1.148-4 for specific rules to figure the yield on an issue. If the issue is a variable rate issue, write “VR” as the yield of the issue. For other than variable rate issues, carry the yield out to four decimal places (for example, 5.3125%). If the issue is a lease or installment sale, enter the effective rate of interest being paid.

## Part IV—Uses of Proceeds of Bond Issue

For a lease or installment sale, write “N/A” in the space to the right of the title for Part IV.

**Line 22.** Enter the amount of proceeds that will be used to pay interest on the issue accruing prior to the date of issue. For definition of date of issue, see these instructions, line 7.

**Line 24.** Enter the amount of the proceeds that will be used to pay bond issuance costs, including fees for trustees and bond counsel. If no bond proceeds will be used to pay bond issuance costs, enter zero. Do not leave this line blank.

**Line 25.** Enter the amount of the proceeds that will be used to pay fees for credit enhancement that are taken into account in determining the yield on the issue for purposes of section 148(h) (for example, bond insurance premiums and certain fees for letters of credit).

**Line 26.** Enter the amount of proceeds that will be allocated to such a fund.

**Line 27.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any tax-exempt bonds, including proceeds that will be used to fund an escrow account for this purpose.

**Line 28.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any taxable bonds, including proceeds that will be used to fund an escrow account for this purpose.

## Part V—Description of Refunded Bonds

Complete this part only if the bonds are to be used to refund a prior issue of tax-exempt bonds or taxable bonds. For a lease or installment sale, write “N/A” in the space to the right of the title for Part V.

**Lines 31 and 32.** The remaining weighted average maturity is determined without regard to the refunding. The weighted average maturity is determined

in the same manner as on line 21, column (d).

**Line 34.** If more than a single issue of tax-exempt bonds or taxable bonds will be refunded, enter the date of issue for each refunded issue. Enter the date in an MM/DD/YYYY format.

## Part VI—Miscellaneous

**Line 35.** An allocation of volume cap is required if the nonqualified amount for the issue is more than \$15 million but is not more than the amount that would cause the issue to be private activity bonds.

**Line 36.** If any portion of the gross proceeds of the issue is or will be invested in a guaranteed investment contract (GIC), as defined in Regulations section 1.148-1(b), enter the amount of the gross proceeds so invested, as well as the final maturity date of the GIC and the name of the provider of such contract.

**Line 37.** If the issue is a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), enter the amount of the proceeds used to make loans to other governmental units, the interest on which is tax exempt.

**Line 38.** If the issue is a loan of proceeds from a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), check the box and where asked for the date of issue, EIN, and name of the issuer of the master pool bond, enter the date of issue, EIN, and name of the issuer of the pooled financing issue.

**Line 40.** Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of arbitrage rebate with this form. See Rev. Proc. 92-22, 1992-1 C.B. 736, for rules regarding the “election document.”

**Line 41a.** Check this box if the issuer has identified a hedge on its books and records according to Regulations sections 1.148-4(h)(2)(viii) and 1.148-4(h)(5) that permit an issuer of tax-exempt bonds to identify a hedge for it to be included in yield calculations for figuring arbitrage.

**Line 42.** In determining if the issuer has super-integrated a hedge, apply the rules of Regulations section 1.148-4(h)(4). If the hedge is super-integrated, check the box.

**Line 43.** If the issuer takes a “deliberate action” after the issue date that causes the conditions of the private business tests or the private loan financing test to be met, then such issue is also an issue of private

activity bonds. Regulations section 1.141-2(d)(3) defines a deliberate action as any action taken by the issuer that is within its control regardless of whether there is intent to violate such tests. Regulations section 1.141-12 explains the conditions to taking remedial action that prevent an action that causes an issue to meet the private business tests or private loan financing test from being treated as a deliberate action. Check the box if the issuer has established written procedures to ensure timely remedial action for all nonqualified bonds according to Regulations section 1.141-12 or other remedial actions authorized by the Commissioner under Regulations section 1.141-12(h).

**Line 44.** Check the box if the issuer has established written procedures to monitor compliance with the arbitrage, yield restriction, and rebate requirements of section 148.

**Line 45a.** Check the box if some part of the proceeds was used to reimburse expenditures. Figure and then enter the amount of proceeds that are used to reimburse the issuer for amounts paid for a qualified purpose prior to the issuance of the bonds. See Regulations section 1.150-2.

**Line 45b.** An issuer must adopt an official intent to reimburse itself for preissuance expenditures within 60 days after payment of the original expenditure unless excepted by Regulations section 1.150-2(f). Enter the date the official intent was adopted. See Regulations section 1.150-2(e) for more information about official intent.

**Signature and Consent**

An authorized representative of the issuer must sign Form 8038-G and any applicable certification. Also print the

name and title of the person signing Form 8038-G. The authorized representative of the issuer signing this form must have the authority to consent to the disclosure of the issuer's return information, as necessary to process this return, to the person(s) that have been designated in Form 8038-G.

**Note.** If the issuer in Part I, lines 3a and 3b, authorizes the IRS to communicate (including in writing and by telephone) with a person other than an officer or other employee of the issuer, by signing this form, the issuer's authorized representative consents to the disclosure of the issuer's return information, as necessary to process this return, to such person.

**Paid Preparer**

If an authorized officer of the issuer filled in this return, the paid preparer's space should remain blank. Anyone who prepares the return but does not charge the organization should not sign the return. Certain others who prepare the return should not sign. For example, a regular, full-time employee of the issuer, such as a clerk, secretary, etc., should not sign.

Generally, anyone who is paid to prepare a return must sign it and fill in the other blanks in the *Paid Preparer Use Only* area of the return.

- The paid preparer must:
- Sign the return in the space provided for the preparer's signature (a facsimile signature is acceptable),
  - Enter the preparer information, and
  - Give a copy of the return to the issuer.

Project: Riverfront Park Expo Butterflies Redesign  
Spokane Valley, WA

Subject: Proposal for Phase 2 Professional Engineering Services

Dear Mr. Ellison:

Coffman Engineers, Inc. (CEI) is pleased to submit this proposal for engineering services for the second phase of the redesign of the Riverfront Park Expo Butterfly Sculptures. If you find this proposal acceptable, please sign in the space at the end of this proposal and return to Coffman as written authorization to proceed. Our proposal is based on phase I project meetings with the City, stakeholders, and GuildWorks.

## **BASIC SERVICES: PHASE II**

Phase II will consist of final development of loads, design & engineering of the structure & joints, and the development of a design drawing set for the contractor addressing dimensions, materials, and intended general installation approach. To reduce costs CEI will not generate full fabrication drawings. Complex parts (such as wing connections) will be supplied in native part files or .STEP files for the contractor to utilize in developing shop drawings and fabrication. The subsequent shop drawings will be checked by CEI. GuildWorks will provide a drawing detailing the fabric covering and wing battens to the fabricated and installed butterfly.

### **Preliminary Task List:**

- Final engineering analysis and system loading
- Final development of all bearings and hinges
- Final stress calculation of all members and connection details
- Final engineering review and approval of all elements of design
- Create detail drawings for all but the most complex components of the butterfly
- Stamped drawings
- Provide general erection and lifting approach intention for contractors to develop fully.
- Create production documents for wing fabrics, including batten design and all connections as well as any more sculptural aspects of wing fabric layout and visual design

## **SCHEDULE**

In order to maintain personnel continuity, we need additional schedule to allow for Max Warthen to have paternity leave in October (approximate). We will complete as much as we can before his leave, however, the timing is uncertain and the budget is tight, which does not afford us the margin to spool up a different engineer to support the project.

1. Detailed Engineering during September – paternity leave permitting
2. Detailed Drawings 60% approximately 2 weeks after detailed engineering is complete
3. 90% drawings for contractor(s) to bid – 1 December or sooner.
4. 100% final drawings for construction – After award / comments / questions / clarifications from contractors

## **DELIVERABLES**

1. 60% design review for review with City Representative(s)
2. 90% design drawing package for bid (identifying proposed member sizes, connection approach, materials, and other information necessary for bidding)
3. IFC design drawing package, 3D models of complex components to provide to contractor awarded the fabrication and installation contract.

## **ASSUMPTIONS/CLARIFICATIONS**

Our proposal assumes the following assumptions and clarifications:

5. Costs associated with removing, inspecting, and providing guidance for repairing the existing rotor assembly are not included in the Phase II cost estimate due to the rotor assembly's state being unknown. This is an area of risk to this budget and could incur additional costs.
6. Phase 2 is developmental and subject to the limits of engineering feasibility. Coffman and GuildWorks have worked closely with the City to develop the concept and ROM cost. Any changes in approach directed by the City will incur additional costs.
7. Lighting design will be deferred to the construction phase and may be managed by the city as an entirely separate effort.
8. Final lifting plans as well as assembly ground support will be deferred to the contractor during the construction phase.
9. Detailed drawings of the complex wing connection brackets will not be provided by CEI, but CEI will supply 3D models to the awarded contractor for use in fabrication.
10. The design phase does not include construction support. The construction phase will include a CEI review of contractor shop drawings.

## ENGINEERING FEES

We propose to provide our basic services as described on a lump sum basis for phase II of \$64,500. Coffman Engineers will include copies of invoices from GuildWorks as expenses to the project with a standard 10% markup.

Coffman Design Effort	\$41,400
GuildWorks Design Effort	\$23,100
<b>Total Design Phase II Cost</b>	<b>\$64,500</b>

## REIMBURSABLE EXPENSES

Reimbursable expenses for travel, meals, and postage/delivery charges are included in our Basic Services fee above.

Thank you for this opportunity to be of service to you. If this meets with your approval, please sign and return one copy for our files.

Please call if you have any questions.

Sincerely,

The Contractor shall pay all income and other taxes as due.

## **12. ASSIGNMENT AND SUBCONTRACTING.**

The Contractor shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Contractor shall incorporate by reference this Agreement, except as otherwise provided. The Contractor shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Contractor from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

## **13. TERMINATION.**

Either party may terminate this Agreement, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Contractor for all work previously authorized and performed prior to the termination date.

## **16. CONSTRUAL.**

The Contractor acknowledges receipt of a copy of the Agreement documents and agrees to comply with them. The silence or omission in the Agreement documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

## **17. DEBARMENT AND SUSPENSION.**

The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98

## **18. CONTRACTOR'S ACKNOWLEDGEMENT AND WARRANTY.**

The Contractor acknowledges that it has visited the site of the work, has examined it, and is qualified to perform the work required by this Agreement.

The Contractor guarantees and warranties all work, labor and materials under this Agreement for two (2) years following final acceptance. If any unsatisfactory condition or defect develops within that time, the Contractor will immediately place the work in a condition satisfactory to the City and repair all damage caused by the condition or defect. The Contractor will repair or restore to the City's satisfaction, in accordance with the contract documents and at its expense, all property damaged by his performance under this Agreement. This warranty is in addition to any manufacturers' or other warranty in the Agreement documents.

- F. **Waiver:** No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Contractor after the time the same shall have become due nor payment to the Contractor for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- G. **Entire Agreement:** This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Contractor. If conflict occurs between Agreement documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Agreement to afford the City the maximum benefits.

After several attempts to repair portions of the line, the contractor has been unable to restore sewer service via repairs. Complete replacement of the sewer line is required. This emergency repair contract includes all repair and cleaning to date as well as the required complete replacement work.

*Please provide the following information in order to document justification of an emergency noncompetitive procurement.*

1. Identify which of the four circumstances listed in 2 C.F.R. § 200.320(f) justify a noncompetitive procurement:

- ☐ The item is available only from a single source
- ☐ The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation
- ☐ The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal
- ☐ After solicitation of a number of sources, competition is determined inadequate

2. Provide a brief description of the product or service being procured, including the expected amount of the procurement.
3. Explain why a noncompetitive procurement is necessary. If utilizing the exigency/emergency exception, the justification should explain the nature of the public exigency or emergency, including specific conditions and circumstances that clearly illustrate why procurement other than through noncompetitive proposals would cause unacceptable delay in addressing the public exigency or emergency. (Failure to plan for transition to competitive procurement cannot be the basis for continued use of noncompetitive procurement based on public exigency or emergency).
4. State how long the noncompetitively procured contract will be used for the defined scope of work and the impact on that scope of work should the noncompetitively procured contract not be available for that amount of time (e.g., how long do you anticipate the exigency or emergency circumstances will continue; how long will it take to identify your requirements and award a contract that complies with all procurement requirements; or how long would it take another contractor to reach the same level of competence).
5. Describe the specific steps taken to determine that full and open competition could not have been used, or was not used, for the scope of work (e.g., research conducted to determine that there were limited qualified resources available that could meet the contract provisions).
6. Describe any known conflicts of interest and any efforts that were made to identify possible conflicts of interest before the noncompetitive procurement occurred. If no efforts were made, explain why. If a conflict of interest is unavoidable, such as due to exigent/emergency circumstances, explain how it was unavoidable and any steps taken to address the impact of that conflict of interest.

# **King Cole Commemoration Project**

**KCCP Steering Committee's  
recommendation for the  
Spokane Park Board  
Sept. 9, 2021**

# Purpose of the KCCP Steering Committee

- Evaluate and recommend a prominent recognition of King Cole within Riverfront Park
- Create a working group to develop ideas for the commemoration
- Present a plan to the Park Board for recognition and fundraising to complete the project as part of the 50<sup>th</sup> anniversary of Expo '74 in 2024

# KCCP Steering Committee considered a variety of elements to commemorate King Cole:

- Designate the Howard Street Promenade walkway as King Cole Way
- Interpretive signage in Riverfront Park
- Expo '74 historical documentary video
- Expo '74 logo imprinted on the Pavilion floor
- Frieze sculpture depicting Spokane's historical events leading up to and including Expo '74
- King Cole statue

# King Cole Way

- Designate the Howard Street Promenade walkway as King Cole Way
- Along the way, interpretive signage, with possible QR codes, brings the history of Expo '74 to life.

**King Cole Way** – The walkway leads visitors from the south entrance at Rotary Fountain to the north entrance of the park.

The history of Expo '74 comes to life on King Cole Way through interpretive signage and various features commemorating the World's Fair.

As visitors proceed along King Cole Way, they discover new park features

complemented by iconic, historical features.

**King Cole Way** concludes at the north entrance of the park.

# Interpretive signage

- Interpretive signage along King Cole Way will tell the compelling story of Expo '74 and its significance to Spokane.
- This is an example of signage at Vancouver Waterfront which features the history of the region.

# Expo '74 documentary video

- The historical documentary video will tell the story of Expo '74 similar to what is depicted in the Expos at Shanghai and Spokane – [YouTube video](#). Portions of this YouTube video can be incorporated in the Expo '74 documentary.
- The documentary could include interviews of Cole and others who brought Expo to Spokane.
- A potential location for viewing the video could be the first floor of the Pavilion.

## Frieze sculpture

This artwork would honor the various citizens who supported King Cole's vision. The frieze would also celebrate Spokane's rich history and its unique natural environment which led to Expo '74 being

the first environmentally-themed World's Fair. This example shows how this type of sculpture may depict a historical event or region's history.

# King Cole statue

- The statue could portray this image of King Cole welcoming visitors to Expo '74.
- The artwork is designed to commemorate King Cole for his passion and vision which led Spokane to be the smallest city in the world to host a World's Fair.

# **KCCP Steering Committee recommends the following elements to permanently commemorate King Cole in Riverfront Park:**

- Designate the Howard Street Promenade walkway as King Cole Way
- Interpretive signage in Riverfront Park along King Cole Way
- Historical documentary video
- Frieze sculpture depicting Spokane's historical events leading up and including Expo '74
- King Cole statue

# **King Cole Commemoration Project**

## **KCCP Steering Committee Recommendation for the Riverfront Park Committee of the Park Board**

### **Sept. 2, 2021**

#### **KCCP Committee background**

The KCCP Committee was created as an ad hoc committee of the Park Board at the March 11, 2021, Park Board meeting. By unanimous consent, the board approved the creation of the committee to evaluate and recommend a prominent recognition of King Cole within Riverfront Park. Jennifer Ogden asked Chris Wright (three-term, past Park Board president) and Hal McGlathery, 14-year retired Riverfront Park manager, to spearhead the KCCP. Chris and Hal recruited members to serve on the KCCP Steering Committee, and the first meeting was held on May 25.

#### **Project goal**

The King Cole Commemoration Project goal is to evaluate and recommend a prominent recognition of King Cole within Riverfront Park, and to create a working group to develop ideas for commemoration of King Cole's passion, leadership and vision that led to his being called the "Father of Expo '74 World's Fair. The KCCP is to present the Park Board a plan for prominent recognition of King Cole and any fundraising that might be required as part of the celebration of the 50<sup>th</sup> Anniversary of Expo '74 in 2024.

#### **Developing recognition recommendation**

During the Aug. 24 KCCP meeting, the members reviewed the following options for commemoration:

1. SIGNAGE: Commemorative signage in Riverfront Park
2. VIDEO: Expo '74 historical documentary video
3. KING COLE WAY: Howard Street Promenade in Riverfront Park named King Cole Way

4. EXPO LOGO: Resurfacing the Pavilion floor with Expo '74 logo
5. FRIEZE: Expo '74 artist frieze
6. STATUE: King Cole statue near the Pavilion

### **Descriptions of elements**

1. Commemorative signage in Riverfront Park - A variety of stories being told by professionally designed signs in designated locations to portray significant Expo '74 contributions
2. Expo '74 historical documentary video to be presented likely on the first floor of the new Pavilion
3. Designating the Howard Street corridor in the Riverfront Park running from the south entrance to the north entrance as "King Cole Way."
  - a. Other commemorations such as a statue, a frieze, commemorative signs, the Expo '74 plaque, street signs, entrance sign, etc.
4. Expo '74 logo painted on the Pavilion floor that would stand out viewed from the elevations in the Pavilion.
5. An artist frieze that would honor multiple leaders whose actions supported the leadership of King Cole such as: James Cowles who negotiated with the railroad and got them to relocate around the downtown of Spokane; the seven City Council members that passed the Business and Occupations Tax 7 to 0 that provided the local funding for Expo '74 necessary for the World's Fair to happen; the committee of Senators Jackson and Magnuson, Speaker of the House Thomas Foley, Mayor David Rodgers and King Cole that got the money pledged by the Federal Government, Bill Fearn who wrote all the grants to acquire the privately owned land for Expo '74 and Riverfront Park; the Native Americans who developed the American Indian exhibit called Native American's Earth that provided the story of the people who had fished for salmon for millennia below the Spokane Falls; Jerry Quinn, the man who saved the Clocktower; U.S. Presidents Nixon and Carter who officiated at the opening of Expo '74 and dedication of Riverfront Park, etc.
6. King Cole Statue near the Pavilion that would tell the story, permanently about how King Cole was the passionate visionary that led Spokane to be the smallest city in the world to host a World's Fair that was arguably the most significant historical event in the City's history, and prompted Mayor David Rodgers to write in 2006 that the park complex "changed the entire

character of the downtown,” and continues to do so today. In other words, Expo ‘74 accomplished precisely what it was intended to accomplish, and forty years later, evidence of Expo ‘74 is easy to find. The Clocktower and the tilted dome of the Pavilion still dominates the park’s skyline.

At the Aug. 24 meeting, the Steering Committee’s eight present members discussed the various commemorative elements and agreed upon five key commemorative elements. These elements include:

1. SIGNAGE: Commemorative signage in Riverfront Park
2. VIDEO: Expo ‘74 historical documentary video
3. KING COLE WAY: Howard Street Promenade in Riverfront Park named King Cole Way
4. FRIEZE: Expo ‘74 frieze sculpture
5. STATUE: King Cole statue near the Pavilion

Note: Of the four members unable to attend, three followed up following the meeting that they support the recommendation, and one member was not able to respond.

To Whom it may concern: Parks Department's of Spokane, Spokane County and City of Spokane Valley, Airport Board members and Commissioners,

I read an article in the "Current" about Orchard Avenue Park. The article reads as follows: "Orchard Avenue Park is owned by Felts Field Airport and has been leased to Spokane County Parks through a series of lease agreements starting in 1960. The park is a 3.8 acre area bordering the east side of Felts Field airport and adjoining the established neighborhood in the City of Spokane Valley near the Town of Millwood. It contains a baseball diamond with backstop and fencing as well as a small Playground." From my understanding and records, the land was donated to Spokane to be used for a park early 1900's. In the 60's Noel Roberts and his neighbors put in a beautiful baseball diamond then petitioned the county to maintain it as a county park. Spokane County leased the land from the City of Spokane (\$1/Yr). Play ground equipment was added in the NE corner near the restrooms in the 70's then replaced in a different location in the 90's.

The park has survived throughout the years, from the park department having funds to upkeep the land, to the neighborhood stepping up to care for the land when the county was under a budget crunch. After three years of neighbors taking turns pulling around donated farm style sprinklers the county managed to put in a sprinkler system and began maintaining the park again to the satisfaction of the neighborhood. In the early 90's I went to the airport board panel to present a desire for a Girls softball field and the league maintaining the park. Judge M was on the panel and he thought it was an interesting idea since the county was not caring for the land but somehow the county decided they wanted to start taking care of the park again and there was no more discussion about the softball field. In the mid 90's the current play ground equipment, donated by owner of Dew Drop Sprinkler's, was installed upon the ground of the original Baseball diamond which was constructed by Noel Roberts and friends of the neighborhood in the early 60's. With the new equipment there was a plan for future park enhancements which included trees, baseball diamond, fencing and extended parking area; but has not happened as of yet. I have talked to my neighbors about the lease expiring in 2022 and we would like to be included in the future of this special spot on Park and Bridgeport. We need this open space for our community. We are praying there is no change in the use of this land and if there is we would like our voices to be heard. Let's keep the wish of the family who donated this piece of land for the use of a park and hopefully our taxes will pay for the county maintenance of this often used park.

As the above article reads; "Spokane County's current lease for the park expires in August of 2022. While the council was interested in the possibility of continuing the park, City Attorney Cary Driskell updated the council that his preliminary talks with the airport legal counsel indicated that the airport is not interested in renewing the lease for the park." Does the airport board make the decisions for the City of Spokane as to whether the county leases the park? Did the airport board actually purchase this land from Spokane? Does the City of Spokane Valley have any input on this matter or is it a Spokane county decision? Cary Driskell works as attorney for the City of Spokane Valley. Should not the county and the airport board be the ones making the decisions as they have been in the past? Please let us know the chain of command so we can keep informed on this matter.

Kindly, forward this email message to each Park Board members. Thanks.

To the Spokane Park Board members,

After reading this morning's Spokesman-Review article, "Spokane Park Board to hear plans for Expo '74 King Cole statue", I want to share my thoughts.

It was interesting to learn a plaque bearing Cole's name and a sign designating the wooden bridge between the First Interstate Center for the Performing Arts and Havermale Island as "King Cole Way", both installed in 2008.

First, I have NOT been pleased with the several wooden bridges around the majestic re-developed Riverfront Park. The present wood surfaces are all worn out and splintered that an accessible and inclusively designed for those with mobility issues there is greatly encouraged. No question many individuals as my wife are disabled and depending on motorized scooters, walkers, etc.

Second, I desired NOT to have a planned statue of King Cole as he is already recognized. A plaque is sufficient in describing his leadership and dedication toward the establishment of Expo 74. Same for any individual the City wanted to recognize. Riverfront Park is becoming stocked with abundant art features and what more is needed?

I am confident "humbled" King Cole would be pleased to see the re-makings of the wooden bridges, among other existing Expo icons as accessible and safe for those participating and enjoying their days with numerous activities in our community's downtown park.

Thanks for your attention.

Please be sure that each Park Board member receives this e-mail. Thank you.

To the Spokane City Park Board members,

I am vehemently opposed to a statue of King Cole or of ANY person in Riverfront Park.

If you decide to place statues there, starting with King Cole, the Tribes will want - and deserve - one of Spokane Garry; the railroad buffs will want one of Jim Hill; etc. You will be opening a can of worms.

This is in no way to slight King Cole's leadership, but I do have some personal reference to memorial statues. A group in Bellingham WA wanted to install a bust of my grandfather, Charles X Larrabee, in Fairhaven. I thanked them but said he had been a very self-effacing man & would NOT have wanted to be recognized that way. (n. b. The State Parks Commission named the state park for him AFTER his death.) The bust project went ahead... & two statues of men connected to historic Fairhaven have appeared since then. And what group will request a statue of their choosing next...?

A plaque giving the geologic & human history of Riverfront Park, including the fact that Expo '74 was under King Cole's leadership, would be appropriate & welcome,

I urge you to keep Riverfront Park free of statues of people.

Thank you.
