6. Special discussion/action items:

A. Resolution withdrawing the previous selection of Upriver Park as the location for a new Community Dog Park, and selecting High Bridge Park as the location for investment in a Community Dog Park (no cost) – Nick Hamad

Over the past 12-15 months, Spokane Parks Division has been in search of a suitable location in which to build a community dog park, specifically to replace the unofficial South Hill dog park which is being displaced due to the construction of a new middle school. 42 properties were originally identified. All the proposed properties on the South Hill and in North Spokane encountered similar criticisms, comments, and reasons for neighbors opposing these locations. After a second round of searches and outreach, Upriver Park and High Bridge Parks were named the top two suitable properties, and the Park Board approved a resolution selecting Upriver Park which was supported by the Minnehaha Neighborhood Council, many District 1 neighborhood councils, and several park user groups, but opposed by adjacent neighbors and South Hill users uninterested in traveling north. With the selection of Upriver Park, the Parks staff was required to conduct a neighborhood workshop to gather preferred design solutions to best mitigate impacts on neighbors. Feedback received throughout this process informed Parks that Minnehaha Neighborhood Council was no longer in support of the resolution, and most workshop participants were opposed to all improvements regardless of size or form citing more concern for natural land preservation than dog park improvement. Adjacent neighbors also opposed this location.

Permitting regulations were evaluated and found that shoreline regulations require the parking lot be placed outside the shoreline buffer, significantly reducing the site area available for dog park use. Also, shoreline replanting requires water for establishment, which is unavailable at the site, and frontage improvements would be required along upriver drive which would significantly increase cost.

Permitting and environmental constraints currently restrict the option of building on the south side landfill. Parks will continue to investigate the possibility of developing a dog park on the south side or north side landfill in the future.

Taking all the acquired information into account, the Parks Division recommended a resolution withdrawing the selection of Upriver Park and selecting High Bridge Park for an investment in a community dog park. Though selecting High Bridge Park will not provide a new community dog park site, it does address Upriver neighborhood concerns and feedback regarding all previously proposed locations and significantly improves the functionality of the existing High Bridge neighborhood dog park without neighborhood opposition.

If the Park Board approves this resolution Parks staff will engage partners and neighbors in the design process, whether through public open houses, online surveys, other means, or a

combination of methods.

President Bob Anderson clarified that there is the opportunity to build only one dog park which is being funded by the school district based on an agreement with the South Hill dog park users. Parks does not currently have funds to build more dog parks elsewhere. Councilman Bingle relayed the northeast neighborhoods' opposition to the Upriver dog park his hope that the vote would be in favor of the High Bridge Park selection.

Vice President Gerry Sperling spoke of the controversy surrounding the High Bridge Park being the park has very few users and mentioned that bringing the new dog park would invite positive activity which then discourages negative activity.

Bob stressed his desire to hear directly from the surrounding neighborhoods to ensure they are in support of the High Bridge Park location and will continue to support the selection. He suggested a tentative motion to say we will investigate but not commit at this time. Garrett reminded the Board of the advantage being this would not be a change of use as there is currently a dog park at that site which was supported by the neighbors. Parks will continue to work with neighbors to determine the amenities the neighborhoods would prioritize.

Since all the public comments would pertain to the dog park resolution, President Anderson moved the public comment period to follow this presentation and board members' comments.

Public comments:

William Hagy, West Hills Neighborhood Council chair, expressed appreciation for the Parks staff's hard work. The West Hills Neighborhood Council and its constituents feel this resolution would bring a positive influx to the area, as well as addressing public health and safety concerns and much-needed improvements in the dog park and within High Bridge Park in general. He feels there would be a tremendous amount of support from this neighborhood.

Leonard Selvaggio expressed support for the resolution and appreciation for the opportunity to be listened to and heard by Park staff and Councilman Bingle. He submitted a letter of support from the Upriver neighbors.

Judith Gammon urged the board to pass the resolution, stating she feels it is the best solution for a very difficult problem.

Melissa Wittstruck spoke of the South Hill dog park users' suggestion of using the additional buffer area next to the landfill.

Jill Jenkins also spoke of using landfill buffer area for a future dog park. She told of a dog park in Thurston County which was repurposed form a landfill. She has spoken with the Department of Ecology, and they feel the South landfill is ready for something like this. She volunteered to assist in investigating this option.

Board member Jennifer Ogden asked what the timeframe is for the South landfill being a usable area for a dog park. Nick stated that in his conversations with the Public Works director and the Solid Waste leadership, many reasons for not being able to build on the landfill were given. He did not wish to misquote these reasons and offered to provide documentation if necessary.

Jennifer also asked if there is a time limit on selecting a site to take advantage of the public

schools' generous funding offer. Nick responded the timeline was initially October of 2022 and stated we'd like to select a site and pursue completion as expeditiously as possible, as Spokane Schools has generously offered to keep a temporary dog park site open until we build a permanent one. To honor that agreement, they have delayed construction of their new play fields for a year and will school in the fall without them.

Motion No. 2: Jennifer Ogden the moved that the Park Board select High Bridge Park as the location for the investment in the community dog park from the Spokane Public Schools' generous donation with a caveat that it meets with public approval, and not pursue Upriver Drive as a site.

Jonathan Bingle seconded. Motion passed with unanimous consent (9-0)

B. Resolution supporting the implementation of the Avista Corporation 'Metro to Sunset Transmission Rebuild Project' across High Drive Park – Melanie Rose / Todd McLaughlin / Aaron Tremayne / Nick Hamad

Melanie Rose, Todd McLaughlin, and Aaron Tremayne, from Avista, gave a presentation on the Metro – Sunset Transmission Line Project. The transmission line will extend two miles along the Bluff from 11th Avenue to Sunset Substation, paralleling the railroad. The project will replace 13 wood transmission structures with steel, upgrade aging infrastructure, expand electrical capacity to serve growth, install additional communication cable, enhance wildfire resiliency, and deliver safe and reliable power. The timeline is September 5th through October 20th, 2023, with restoration to begin in November 2023.

Outreach was performed from December 2022 – March 2023. This included five community meetings with email follow-up, two postcard mailings to 7,844 residences, project updates sent via email and posted on the web page, and addition outreach with Friends of the Bluff. General feedback from the outreach effort expressed concern about the impacts to the natural beauty of the bluff. Among the concerns were slopes, erosion, noxious weeds, tree replacement, and construction during wildfire season.

The original approach was to construct roads and pads to reach and replace structures. A hybrid approach would minimize disturbance using tracked wheel equipment, one pad vs. two, and helicopters for select structures. The final approach was to minimize disturbance with the softest, lightest touch possible using specialized equipment called Kaiser Allroad Excavators, aka "Spiders", which would not require the construction of roads, hand digging, or helicopters. Since the Avista has not previously utilized the Spiders, the extent of the restoration that will be needed is unknown. They plan to seed, fertilize, perform erosion control with blankets, silt fencing and biodegradable fiber wattles, and limit site access with gates and/or boulders. They will also work with Parks for tree removal and replacement, noxious weed control and monitoring, and monitoring of restoration.

Avista will continue to coordinate with the Parks Division throughout construction.

Motion No. 3: Bob Anderson moved to adopt a resolution supporting the implementation of the Avista Corporation Metro to Sunset Transmission Rebuild Project across High Drive Park.

Councilman Bingle seconded.

President Anderson allowed an additional public comment: Jeff Lambert, Friends of the Bluff

President, spoke in favor of this project and offered to assist with the restoration once the project is complete.

Motion passed with unanimous consent (9-0)

C. Park Rules – Mary Maramatsu/Jason Conley

Jason Conley provided the history leading up to the resolution. Last summer, in the wake of several violent occurrences within Spokane parks, Spokane Police Department approached the Park Board with a request to change the park rules and enhance the penalty for being in a park after hours from an infraction to a misdemeanor. Following careful consideration, the Park Board passed a resolution and sent the request to Council, asking for a change in the Municipal Code. The item went to Council on June 26, where it was decided to increase the penalty but not for the entire period the parks are closed; therefore, the Council have asked the Park Board to consider changing the park hours. This was brought to the Finance Committee where it was heavily discussed, and the committee requested a resolution to be presented to the Park Board, not to change the park hours as requested.

Mary Maramatsu from SPD added that Council had modified the penalty, but also modified the hours so that whereas parks were closed from 10 p.m. to 6 a.m. – except for RFP which was closed from 12 a.m. to 6 a.m. – now they are closed from 11 p.m. to 5 a.m. – except for RFP which is closed from 12 a.m. to 5 a.m. The dilemma is that only the Park Board can change the park hours. Park staff has expressed concerns over the noise ordinance which begins at 10 p.m. and the cost involved with changing the park hours.

Councilman Bingle noted that the Council had been advised by SPD that most of the illegal activity happens between the hours of 11 p.m. and 5 a.m. which is why the amendment was made. As a representative of the City Council, Jonathan noted that some of his colleagues on the Council disagree with the resolution and his vote will reflect this.

This resolution only addresses park hours, NOT the infraction vs. misdemeanor penalties. The misdemeanor penalties would be enforced during all hours the parks are closed, and would not be separated out between the hours of 10 p.m. and 11 p.m. or between 5 a.m. and 6 a.m.

The Board discussed the possibility of joggers/dog walkers being charged while exercising early in the morning, most members concluding that the police are not likely to cite someone under those circumstances, and likely would not be aware of such activity as they would not patrol the parks throughout the night.

Motion No. 3: Bob Anderson moved to approve a resolution asking the City Council to amend SMC 12.06A.040.J.4 to restore the park hours lawfully established by the Park Board pursuant to its charter authority, as presented.

Hanna Kitz seconded. Motion passed (8-1)

 - 1) Riverfront Park Zamboni Spokane Investment Pool (SIP) Loan Resolution (\$159,295 plus applicable taxes) Rich Lentz
 - a. Riverfront Park owns and operates a 2012 Olympia Millennium ice resurfacer. In May 2023, Park Board approved purchase of a Zamboni 450 with the financing option through NCL Government Capital. At the recommendation of the Finance Department, Parks and Recreation is requested to pursue the Spokane Investment Pool (SIP) rather than private financing. The attached resolution requests City Council to approve funding from the SIP. Park Board approval of this resolution also authorizes Parks to place a temporary encumbrance on the Park Reserve Fund until SIP funds are drawn in order to submit a purchase order to Zamboni and retain Park's manufacturing time slot. Requested funding includes Zamboni 450 with freight, and applicable taxes and loan fees.

Motion No. 4: Bob Anderson moved to approve the SIP loan resolution and advance to City Council.

Gerry Sperling seconded.

Motion passed with unanimous consent (8-0)

- 2) 2024 Calendar and Budget Priorities Rich Lentz and Jason Conley
 - a. The proposed timeline for the 2024 Parks and Recreation budget was informally discussed at both the May and June Park Board meetings. The documentation lining out the timeline along with the division budget priorities were formally presented at the June Finance Committee. The goal of the budget calendar is to provide awareness to ensure all committees have adequate time to prepare their 2024 budgets, while the goal of the budget priorities is to ensure the focused efforts for 2024 are in alignment with the goals of the Park Board and in alignment with the Parks and Recreation Master Plan. 2024 Budget Assumptions included the following:
 - Approximate General Fund growth of 8%.
 - Salaries and wages, benefits, services, and charges will increase (5%-10%).
 - Review fund balance for one-time capital investments.
 - Continue the core service budgeting model.

- Balance growing staffing costs (temporary/full-time) with programming and operational priorities.
- Continued investments in capital improvements that add efficiencies, access, and value across our community.
- Continued investments in partnerships and collaborations with local businesses, organizations, volunteers, sponsors, and donors.
- b. Operating divisions, each with their own priority plans, were reviewed and included: Administration, Marketing/Communications, Golf, Operations, Riverfront and Recreation.

This vote addresses only the budget calendar and priorities; it is not an approval of the budget.

Motion No. 5: Bob Anderson moved to approve 2024 budget calendar and budget priorities as presented.

Greta Gilman seconded.

Bylaws Committee: July 6, 2023 – Hanna Kitz

- A. Action items: None
- B. Discussion items:
 - 1) Park Board Bylaws amendment 1st reading Hannah Kitz
 - a. On June 8, 2023, the "Unfinished Business Discussion" was held at a meeting of the Park Board in response to reoccurring feedback from Park Board members that certain discussion or action items presented at Park Board Committee meetings had not been addressed or resolved at Park Board meetings. During this discussion, members also raised concerns regarding the timing and structure of the Public Comments period.
 - b. To address this feedback and these concerns, the Park Board requested the Bylaws Committee to prepare a draft amendment to the Bylaws. Language for the proposed amendment was discussed, and a proposed amendment was prepared, by the Bylaws Committee at the Bylaws Committee meeting held July 6, 2023.
 - c. The proposed amendment:
 - Modifies the order of agenda items in Section 3, such that Public Comments is held prior to the Consent Agenda
 - Adds language to Section 3 to establish content and time limitations on public comments and empowers the President to accept public comments related to a specific action item, instead of during the Public Comments period
 - Adds language to Section 17.3, whereby Committee Chairs must consult with the director of Parks and Recreation to establish agenda items related to unfinished business
 - Fixes formatting errors
 - Adds a table of contents

The board discussed submission of non-agenda related public comments via email or mail versus in-person. I was decided that email or mail was preferred, in which case the comment would be directed to the appropriate subcommittee; however, the President has the discretion to be flexible on a case-by-case basis.

2) A final vote for adoption will take place following a second reading of the draft bylaws at the August 10 Park Board meeting.

Development & Volunteer Committee: The June 21, 2023, meeting was canceled. – Jennifer Ogden

- A. Action items: None
- B. DVCAC update Kelly Brown
 - DVCAC met on Thursday, June 22^{nd.} The committee discussed fundraising procedures for newer, less experienced groups, and shared ways to engage with donors and potential sponsor organizations. The group is actively pursuing additional committee members and have been tasked with reaching out to neighborhood councils for prospects. The DVCAC and DVC meetings will be combined to simplify and avoid overlap.
- C. The next regularly scheduled Development & Volunteer Committee meeting is 4:00 p.m. July 19, 2023, in the Liberty Park Library events room, and virtually via WebEx.

COMMERCIAL LIABILITY – UMBRELLA COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy the words **you** and **your** refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words **we**, **us** and **our** refer to the Company providing this insurance.

The word insured means any person or organization qualifying as such under SECTION II – WHO IS AN INSURED.

Other words and phrases that appear in bold font have special meaning. If not defined in the section in which they first appear, refer to **SECTION VII – DEFINITIONS.**

In return for the payment of premium, and subject to all the terms of this policy, we agree with you to provide the insurance as stated in this policy.

INSURING AGREEMENTS

SECTION I - COVERAGES

1. We will pay on behalf of the insured those sums in excess of the retained limit that the insured becomes legally obligated to pay as damages because of bodily injury, property damage or personal and advertising injury to which this insurance applies. In addition, we will pay those sums in excess of the retained limit that the insured becomes legally obligated to pay as damages because of a negligent act, error or omission committed in the administration of the Named Insured's employee benefit program, to which this insurance applies.

The amount we will pay for damages is limited as described in SECTION III - LIMITS OF INSURANCE.

- 2. With respect to **bodily injury**, **property damage** or **personal and advertising injury**, this insurance applies only if:
 - a. The bodily injury or property damage occurs during the policy period, or the personal and advertising injury is caused by an offense arising out of your business but only if the offense was committed during the policy period;
 - **b.** The **bodily injury**, **property damage** or **personal and advertising injury** is caused by an **occurrence** that takes place anywhere; and
 - c. Prior to the policy period, no insured listed under Paragraph 3. of SECTION II WHO IS AN INSURED or any employee who has been authorized by you to give or receive notice of an occurrence or claim, knew that the bodily injury or property damage had occurred, in whole or in part.
- Bodily injury or property damage will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 3. of SECTION II – WHO IS AN INSURED, or any employee authorized by you to give or receive notice of an occurrence or claim:
 - a. Reports all, or any part of, such bodily injury or property damage to us or any other insurer;
 - b. Receives a written or oral demand or claim for damages because of such bodily injury or property damage; or
 - c. Becomes aware by any other means that **bodily injury** or **property damage** has occurred or has begun to occur.

If such a listed insured or authorized **employee** knew, prior to the **policy period**, that the **bodily injury**, or **property damage** had occurred, then any continuation, change or resumption of such **bodily injury**, or **property damage** during or after the **policy period** will be deemed to have been known prior to the **policy period**.

- 4. Bodily injury or property damage which occurs during the policy period and which was not, prior to the policy period, known to have occurred or to have begun to occur by any insured listed under Paragraph 3. of SECTION II WHO IS AN INSURED or any employee authorized by you to give or receive notice of an occurrence or claim, includes any continuation, change or resumption of that bodily injury or property damage after the end of the policy period.
- 5. If we are prevented by law or statute from directly paying damages covered by this policy on behalf of the insured, then we will, where permitted, indemnify the Named Insured for those sums paid in excess of the retained limit.

As used in Paragraphs 2.c., 3. and 4. above, an insured listed under Paragraph 3. of SECTION II – WHO IS AN INSURED does not include a stockholder who is not otherwise an insured.

SECTION II - WHO IS AN INSURED

- 1. The first named insured is an insured.
- 2. Any organization that is a subsidiary of the first named insured and over which you maintain ownership or majority interest as of the effective date of this policy, provided such organization was made known to us by the effective date of this policy and is included as an insured in underlying insurance. Coverage under this policy will be no broader than that provided by underlying insurance.
- 3. If you are designated in the Declarations as:
 - a. An individual, you and your **spouse** are insureds, but only with respect to the conduct of a business of which you are the sole owner.
 - **b.** A partnership or joint venture, you are an insured. Your members, your partners, and their **spouses** are also insureds, but only with respect to the conduct of your business.
 - **c.** A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
 - d. An organization other than a partnership, joint venture, or limited liability company, you are an insured. Your executive officers and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.
 - e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.
- 4. Each of the following is also an insured:
 - a. Your volunteer workers but only while performing duties related to the conduct of your business, your employees, other than either your executive officers (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these employees or volunteer workers are insureds for:
 - (1) Bodily injury or personal and advertising injury:
 - (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-employee in the course of his or her employment or performing duties related to the conduct of your business or to your other volunteer workers while performing duties related to the conduct of your business;

- (b) To the **spouse**, child, parent, brother or sister of that co-**employee** or **volunteer worker** as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (1)(b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

However, Paragraphs (1)(a), (1)(b) and (1)(c) do not apply to the extent **underlying insurance** provides coverage for such person(s). Coverage under this policy will be no broader than that provided by **underlying insurance**.

Insurance provided by this policy for **bodily injury** to a co-**employee** or **volunteer worker** will not apply if the injured co-**employee's** or **volunteer worker's** sole remedy for such injury is provided under a workers' compensation law or any similar law.

- (2) Property damage to property:
 - (a) Owned, occupied, used by;
 - (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your **employees**, **volunteer workers**, any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).

- b. Any person (other than your employee) or any organization while acting as your real estate manager.
- c. Any person or organization having proper temporary custody of your property if you die, but only:
 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.
- d. Your legal representative, if you die, but only with respect to duties as such. That representative will have all your rights and duties under this policy.
- e. Any person or organization included as an additional insured in **underlying insurance**. Coverage under this policy will be no broader than that provided by **underlying insurance**.

However:

- (1) The insurance afforded to such additional insured only applies to the extent permitted by law; and
- (2) If coverage provided to the additional insured is required by a contract or agreement, this insurance will be no broader than that which you are required by the contract or agreement to provide for such additional insured.

The Limits of Insurance applicable to the additional insured are included within, and are not in addition to, the Limits of Insurance shown in the Declarations.

- f. Any person while using with your permission a **covered auto** and any person or organization legally responsible for its use, but only if that person is an insured with respect to liability arising out of the ownership, maintenance, use or entrustment to others of **covered autos**.
- 5. Any organization you newly acquire or form, other than a partnership, joint venture, or limited liability company, and over which you maintain ownership or majority interest, will qualify as an insured under this policy if there is no other similar insurance available to that organization and that organization qualifies as an insured in **underlying insurance.** However:

PROPRIETARY AND CONFIDENTIAL

- a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the **policy period**, whichever is earlier. However, such coverage will be provided for no longer than that provided by **underlying insurance**; and
- **b.** Coverage does not apply to any liability that occurred or offense committed before you acquired or formed the organization.

Except as provided in Paragraph **5.** above, no person or organization is an insured with respect to the conduct of any current or past partnership, joint venture, or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

- 1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or suits brought;
 - c. Persons or organizations making claims or bringing suits; or
 - d. Coverages provided under this policy.
- 2. The General Aggregate Limit is the most we will pay for the sum of all damages covered under this policy, except:
 - a. Damage included in the products-completed operations hazard; and
 - **b.** Damage covered by **underlying insurance** to which no aggregate limit applies.

The General Aggregate Limit applies separately and in the same manner as the aggregate limits in the **underlying insurance**.

- 3. The Products-Completed Operations Aggregate Limit is the most we will pay for the sum of all damages because of **bodily injury** and **property damage** included in the **products-completed operations hazard**.
- 4. Subject to Paragraphs 2. and 3. above, if either applies, the Each Occurrence Limit is the most we will pay for the sum of all damages covered under this policy arising out of any one occurrence.
- 5. If the applicable limits of insurance of **underlying insurance** or **other insurance** providing coverage to the insured are reduced or exhausted by payments of damages, subject to the terms and conditions of this policy, we will:
 - a. In the event of reduction, pay in excess of the reduced applicable limits of **underlying insurance** or **other insurance**; or
 - **b.** In the event of exhaustion, continue in force as **underlying insurance**, but for no broader coverage than is available under this policy.

The **retained limit** will not be reduced or exhausted by defense costs, loss adjustment expenses, supplementary payments or similar amounts that reduce or exhaust the policy limits of **underlying insurance** or **other insurance**.

6. If any **underlying insurance** has a limit of insurance greater than the amount shown in the Schedule of Underlying Insurance this policy will apply in excess of the greater amount.

14. Terms Conformed to Statute

The terms of this policy which are in conflict with the statutes, laws, ordinances or regulations of the state or jurisdiction where this policy is issued are amended to conform to such statutes, laws, ordinances or regulations.

15. Trade or Economic Sanctions

This insurance applies except to the extent coverage is in violation of any trade or economic sanction, embargo or similar regulation imposed by the United States of America.

16. Transfer of Rights of Recovery Against Others to Us

a. If any insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured will do all that is necessary to secure such rights and must help us enforce them. The insured will do nothing after loss to prejudice such rights.

We have the right to recover our payments from anyone liable for injury or damage covered by this policy. We waive any right of recovery we may have against a person or organization, if you waive any right of recovery against such a person or organization in a written contract, but only if such contract was executed prior to injury or damage.

b. Any recoveries shall be applied as follows:

- (1) Any person or organization, including the insured, that has paid an amount in excess of the applicable Limits of Insurance of this policy will be reimbursed first;
- (2) We then will be reimbursed up to the amount we have paid; and
- (3) Lastly, any person or organization, including the insured, that has paid an amount over which this policy, is excess is entitled to claim the remainder.

Expenses incurred by us in the exercise of the rights of recovery shall be apportioned among the persons or organizations, including the insured, in the ratio of their respective recoveries as finally settled.

17. Transfer of Your Rights and Duties

Your rights and duties under this policy may not be transferred without our written consent.

If you die or are legally declared bankrupt, your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property. However, in such event, notice of cancellation of this policy sent to the **first named insured** and mailed to the last mailing address known to us will be sufficient notice to effect cancellation of this policy.

18. Unintentional Failure to Disclose

There will be no coverage under this policy for hazards you fail to disclose at the inception of the **policy period**, except that unintentional failure of the Named Insured to disclose all hazards existing at the inception of this policy shall not be a basis for denial of any coverage afforded by this policy. However, you must report the hazard to us as soon as practical after discovering the failure to disclose.

19. When Loss is Payable

Coverage under this policy will not apply unless and until the insured or the **underlying insurer** has paid or is obligated to pay the full amount of the **retained limit**. However, when an agreed settlement or final judgment has been determined, we will promptly pay on behalf of the insured those sums falling within the terms of this policy.

- **d.** The total applicable limits of all **underlying insurance** do not decrease, except for any reduction or exhaustion of aggregate limits by payment of judgments or settlements; and
- e. You notify us in writing, as soon as practicable, if any underlying insurance is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any underlying insurance is changed.

Failure to comply with these requirements will not invalidate this insurance. However, in the event of such failure, we will only be liable to the same extent that we would have been, had you fully complied with these requirements.

10. Named Insureds

- a. The first named insured is authorized to act and agrees to act on behalf of all persons or organizations insured under this policy with respect to all matters pertaining to the insurance afforded by the policy.
- b. Each Named Insured is jointly and severally liable for:
 - (1) All premiums due under this policy; and
 - (2) Any other financial obligations of any Named Insured to us arising out of any agreements contained in this policy.

11. Other Insurance

This insurance is excess over, and will not share or contribute with any other insurance whether primary, excess, contingent or on any other basis.

However, this insurance will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured on such other insurance;
- **b.** You have agreed in a written contract or agreement with the additional insured that this insurance would not seek contribution from any **other insurance** available;
- c. Underlying insurance includes the person or organization as an additional insured; and
- d. Underlying insurance provides coverage to the person or organization on a primary and noncontributory basis.

12. Representations

By accepting this policy, you agree:

- **a.** The statements in the Declarations are accurate, complete and based on information and representations you provided or made to us;
- b. We have issued this policy in reliance upon your information and representations.

13. Separation of Insureds

Except with respect to the Limits of Insurance of this policy and any rights or duties specifically assigned to the **first named insured**, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or suit is brought.

Item 1. Blanket Additional Insured Where Required By Written Agreement

Paragraph 2. of Section II – Who Is An Insured is amended to add the following:

Additional Insured By Written Agreement

The following are insureds under the Policy when you have agreed in a written agreement to provide them coverage as additional insureds under your policy:

Lessors of Leased Equipment: The person(s) or organization(s) from whom you lease equipment, but only
with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in
whole or in part, by your maintenance, operation or use of equipment leased to you by such person(s) or
organization(s).

This insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

2. Managers or Lessors of Premises: Any manager(s) or lessor(s) of premises leased to you in which the written lease agreement obligates you to procure additional insured coverage.

The coverage afforded to the additional insured is limited to liability in connection with the ownership, maintenance or use of the premises leased to you and caused, in whole or in part, by some negligent act(s) or omission(s) of you, your "employees", your agents or your subcontractors. There is no coverage for the additional insured for liability arising out of the sole negligence of the additional insured or those acting on behalf of the additional insured, except as provided below.

If the written agreement obligates you to procure additional insured coverage for the additional insured's sole negligence, then the coverage for the additional insured shall conform to the agreement, but only if the applicable law would allow you to indemnify the additional insured for liability arising out of the additional insured's sole negligence.

This insurance does not apply to:

- a. Any "occurrence" which takes place after you cease to be a tenant in that premises or to lease that land;
- **b.** Structural alterations, new construction or demolition operations performed by or on behalf of that manager or lessor; or
- c. Any premises for which coverage is excluded by endorsement.
- **3.** Mortgagees, Assignees or Receivers: Any person(s) or organization(s) with respect to their liability as mortgagee, assignee or receiver and arising out of your ownership, maintenance or use of the premises.

This insurance does not apply to structural alterations, new construction and demolition operations performed by or on behalf of such person(s) or organization(s).

4. Owners, Lessees or Contractors: Any person(s) or organization(s) to whom you are obligated to procure additional insured coverage, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your act(s) or omission(s) or the act(s) or omission(s) of your "employees", your agents, or your subcontractors, in the performance of your ongoing operations.

This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of "your work" included in the "products-completed operations hazard" unless you are required to provide such coverage for the additional insured by the written agreement, and then only for the period of time required by the written agreement and only for liability caused, in whole or in part, by your act(s) or omission(s) or the act(s) or omission(s) of your "employees", your agents, or your subcontractors.

There is no coverage for the additional insured for liability arising out of the sole negligence of the additional insured or those acting on behalf of the additional insured, except as provided below.

If the written agreement obligates you to procure additional insured coverage for the additional insured's sole negligence, then the coverage for the additional insured shall conform to the agreement, but only if the applicable law would allow you to indemnify the additional insured for liability arising out the additional insured's sole negligence.

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:

- **a.** The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or failure to render any professional services.

- 5. Architects, Engineers or Surveyors: Any architect, engineer, or surveyor engaged by you but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your act(s) or omission(s) or the act(s) or omission(s) of those acting on your behalf:
 - a. In connection with your premises; or
 - **b.** In the performance of your ongoing operations.

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or failure to render any professional services by or for you, including:

- **a.** The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or failure to render any professional services by or for you.

- 6. Any Person or Organization Other Than a Joint Venture: Any person(s) or organization(s) (other than a joint venture of which you are a member) for whom you are obligated to procure additional insured coverage, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your act(s) or omission(s) or the act(s) or omission(s) of those acting on your behalf:
 - a. In the performance of your ongoing operations; or
 - **b.** In connection with premises owned by or rented to you.

This insurance does not apply to:

- a. Any person(s) or organization(s) more specifically covered in Paragraphs 1. through 5. above;
- **b.** Any construction, renovation, demolition or installation operations performed by or on behalf of you, or those operating on your behalf; or
- c. Any person(s) or organization(s) whose profession, business or occupation is that of an architect, surveyor or engineer with respect to liability arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving or failing to prepare or approve, maps, drawings, opinions, reports, surveys, field orders, change orders, designs and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or failure to render any professional services by or on behalf of you, or those operating on your behalf.

The insurance afforded to any person(s) or organization(s) as an insured under this Item 1.:

- 1. Applies to the extent permitted by law;
- 2. Applies only to the scope of coverage and the minimum limits of insurance required by the written agreement, but in no event exceeds either the scope of coverage or the limits of insurance provided by this Policy;
- 3. Does not apply to any person(s) or organization(s) for any "bodily injury", "property damage" or "personal and advertising injury" if any other additional insured endorsement attached to this Policy applies to such person(s) or organization(s) with regard to the "bodily injury", "property damage" or "personal and advertising injury";
- 4. Applies only if the "bodily injury" or "property damage" occurs, or the offense giving rise to the "personal and advertising injury" is committed, subsequent to the execution of the written agreement; and
- 5. Applies only if the written agreement is in effect at the time the "bodily injury" or "property damage" occurs, or at the time the offense giving rise to the "personal and advertising injury" is committed.

Item 2. Blanket Additional Insured – Grantor Of Permits

Paragraph 2. of Section II - Who Is An Insured is amended to add the following:

Any state, municipality or political subdivision that has issued you a permit in connection with any operations performed by you or on your behalf, or in connection with premises you own, rent or control, and to which this insurance applies, but only to the extent that you are required to provide additional insured status to the state, municipality or political subdivision as a condition of receiving and maintaining the permit. Such state, municipality or political subdivision that has issued you a permit is an insured only with respect to their liability as grantor of such permit to you.

However, with respect to the state, municipality or political subdivision:

- 1. Coverage will be no broader than required; and
- 2. Limits of insurance will not exceed the minimum limits of insurance required as a condition for receiving or maintaining the permit;

but neither the scope of coverage nor the limits of insurance will exceed those provided by this Policy.

This insurance does not apply to:

- 1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the state, municipality or political subdivision;
- 2. Any "bodily injury" or "property damage" included within the "products-completed operations hazard", except when required by written agreement initiated prior to loss; or
- **3.** "Bodily injury", "property damage" or "personal and advertising injury", unless negligently caused, in whole or in part, by you or those acting on your behalf.

Item 3. Other Insurance Amendment

If you are obligated under a written agreement to provide liability insurance on a primary, excess, contingent, or any other basis for any person(s) or organization(s) that qualifies as an additional insured on this Policy, this Policy will apply solely on the basis required by such written agreement and Paragraph 4. Other Insurance of Section IV – Commercial General Liability Conditions will not apply. Where the applicable written agreement does not specify on what basis the liability insurance will apply, the provisions of Paragraph 4. Other Insurance of Section IV – Commercial General Liability Conditions will apply. However, this insurance is excess over any other insurance available to the additional insured for which it is also covered as an additional insured for the same "occurrence", claim or "suit".

- b. this coverage shall expire at the end of the Policy Period or within ninety (90) days of such formation or acquisition of the entity, whichever is earlier, unless you submit written notice to us providing detailed information concerning the newly formed or acquired entity, confirmed by us by endorsement, and provided that you pay any applicable additional premium requested by us;
- Any Insured with regard to its participation in a legal entity including a limited liability company or joint venture, but only to the extent of the Insured's legal liability for its rendering of Professional Activities and Duties and/or Contracting Activities under the respective legal entity or joint venture;
- 8. With regard to Section 1: What We Cover D.1., the **Client**, but only:
 - a. if the you are required to include the Client as an additional Insured in a written contract in effect during the Policy Period and signed by the you prior to the first commencement of the Pollution Condition; and
 - b. with respect to the **Client**'s vicarious liability resulting from your **Contracting Activity**.
- With regard to Section 1: What We Cover D.1., all persons or organizations, other than a Client, as required by a written contract executed by the Named Insured, but only for:
 - a. a **Pollution Condition** caused by your **Contracting Activity**; and
 - b. the vicarious liability of the person or organization that results from the performance of your **Contracting Activity**

provided that such written contract is signed by the **Named Insured** prior to the commencement of the **Pollution Condition**.

Insured Contract L. means that part of any written contract or written agreement under which you assume the Tort Liability of another party to pay compensatory damages for Bodily Injury or Property Damage, to a third person or organization, provided that such written contract or written agreement is signed by you prior to the Bodily Injury or Property Damage. Tort Liability means a liability that would be imposed by law in the absence of any contract or agreement.

Design Professional's Insurance	Н.	The Insured shall require that each Design Professional under written contract to it evidence professional liability insurance.

Limitation of Liability	K.	Under Protective Loss Coverage, the Insured shall not accept any limitation of liability from a Design Professional other than to insurance proceeds, without our express written consent.			
Other Insurance	L.	Where other valid and collectible insurance is available to the Insured , in addition to Design Professional's Insurance , our obligations to the Insured are as follows:

		2. This insurance is excess over any other valid and collectible insurance available to the Insured under a project specific insurance policy, contractor-controlled insurance program, owner-controlled insurance program, consolidated (wrap-up) insurance program or any other similar insurance or program, whether such other insurance or program is stated to be primary, contributory, excess, contingent or otherwise.			
		3. This insurance is excess over any other valid and collectible Design Professional's Insurance whether such other insurance is stated			

to be primary, contributory, excess, contingent or otherwise.

DESIGNATED CONSTRUCTION PROJECT OR DESIGNATED LOCATION COMBINED AGGREGATE LIMITS – WITH TOTAL AGGREGATE LIMIT FOR ALL PROJECTS AND LOCATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I - Coverage C, which can be attributed only to ongoing operations at a single designated construction project or a single designated "location":
 - 1. A separate Designated General Aggregate Limit applies to each designated construction project and to each designated "location", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 - The Designated General Aggregate Limit is the most we will pay for the sum of all damages under Section I
 - Coverage A, except damages because of "bodily injury" or "property damage" included in the
 "products-completed operations hazard", and for medical expenses under Section I Coverage C
 regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 - 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated General Aggregate Limit for that designated construction project or designated "location". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated General Aggregate Limit for any other designated construction project or designated "location".
 - 4. The limits shown in the Declarations for Each Occurrence, Damage to Premises Rented to You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated General Aggregate Limit and the Total Aggregate Limit for all Projects and Locations.
 - 5. The Total Aggregate Limit for all Projects and Locations shown in the Schedule of this endorsement is the most we will pay for the sum of all damages caused by "occurrences" under Section I Coverage A and all medical expenses caused by accidents under Section I Coverage C which can be attributed only to ongoing operations at a designated construction project or designated "location" shown in the Schedule of this endorsement, regardless of the number of construction projects, "locations", "occurrences" or accidents.
 - 6. Each Designated General Aggregate Limit is subject to the Total Aggregate Limit for all Projects and Locations shown in the Schedule of this endorsement.
- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I - Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project or single designated "location":

- 1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
- 2. Such payments shall not reduce any Designated General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated General Aggregate Limit.
- D. If the applicable construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. For the purposes of this endorsement, the Definitions Section is amended by the addition of the following definition:

"Location" means any premise that you occupy for permanent operations as part of your business, but does not include any premises at which you are performing operations as part of a construction project. All premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad shall be considered a single "location".

F. The provisions of Section III - Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

Schedule

Designated Construction Project(s) or Designated Location(s):

All "locations" and all construction projects at which you are performing ongoing operations.

Paragraph D. in SECTION III - PHYSICAL DAMAGE COVERAGE is amended to add:

Any Comprehensive Coverage Deductible shown in the Declarations will be reduced by 50% for any "loss" caused by theft if the vehicle is equipped with a vehicle tracking device such as a radio tracking device or a global positioning device and that device was the method of recovery of the vehicle.

However, you must report the undisclosed exposure or hazard to us as soon as reasonably possible after its discovery.

XV. WORLDWIDE LIABILITY COVERAGE - HIRED AND NONOWNED AUTOS

Condition **B.7.** in **SECTION IV - BUSINESS AUTO CONDITIONS** is amended to add the following:

For "accidents" resulting from the use or operation of covered "autos" you do not own, the coverage territory means all parts of the world subject to the following provisions:

a. If claim is made or "suit" is brought against an "insured" outside of the United States of America, its territories and possessions, Puerto Rico and Canada, we shall have the right, but not the duty to investigate, negotiate, and settle or defend such claim or "suit".

If we do not exercise that right, the "insured" shall have the duty to investigate, negotiate, and settle or defend the claim or "suit" and we will reimburse the "insured" for the expenses reasonably incurred in connection with the investigation, settlement or defense. Reimbursement will be paid in the currency of the United States of America at the rate of exchange prevailing on the date of reimbursement.

The "insured" shall provide us with such information we shall reasonably request regarding such claim or "suit" and its investigation, negotiation, and settlement or defense.

The "insured" shall not agree to any settlement of the claim or "suit" without our consent. We shall not unreasonably withhold consent.

b. We are not licensed to write insurance outside of the United States of America, its territories or possessions, Puerto Rico and Canada.

We will not furnish certificates of insurance or other evidence of insurance you may need for the purpose of complying with the laws of other countries relating to auto insurance.

 - b. The actual cash value of such covered "auto" at the time of the "loss".
- 2. An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".
- **3.** We may deduct for betterment for parts normally subject to repair and replacement during the useful life of the "auto". In this event, deductions shall be limited to the lesser of:
 - **a.** An amount equal to the proportion that the expired life of the part to be repaired or replaced bears to the normal useful life of that part; or
 - **b.** The amount which the resale value of the "auto" is increased from the repair or replacement.
- **B.** For each covered "auto", our obligation to pay for, repair, return or replace the covered "auto" will be reduced by any deductible shown in the Declarations that applies to private passenger "autos" that you own. If no applicable deductible is shown in the Declarations, the deductible will be \$250.

If the Declarations show other deductibles for Physical Damage Coverages for Hired or Borrowed Autos, this Section XVI of this endorsement does not apply.

C. Paragraph A.4.b. of SECTION III - PHYSICAL DAMAGE COVERAGE is replaced by the following:

b. Loss of Use Expenses

For Hired Auto Physical Damage provided by this endorsement, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a private passenger vehicle rented or hired without a driver, under a written rental contract or agreement. We will pay for loss of use expenses caused by:

- (2) Specified Causes of Loss only if the Declarations indicate that Specified Causes of Loss Coverage is provided for any covered "auto"; or

For any covered "loss", the Limit of Insurance for Auto Medical Payments will be double the limit shown in the Declarations if the "insured" was wearing a seat belt at the time of the "accident". This is the maximum amount we will pay for all covered medical expenses, regardless of the number of covered "autos", "insureds", premiums paid, claims made, or vehicles involved in the "accident".

If no limit of insurance for Auto Medical Payments is shown on the Declarations, this paragraph Section XVII of this endorsement does not apply.

Park Board Financials June 2023

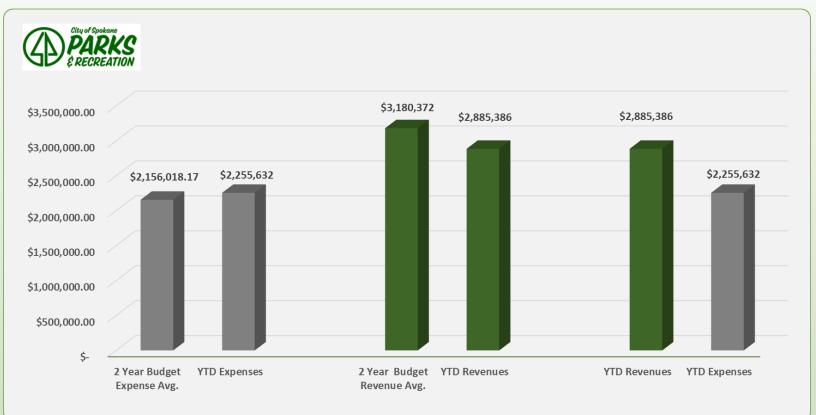

Parks Fund Financials

Key Concepts:

- Salaries and wages are the primary driver for the increase in expenses in the cost of labor, increased temp/seasonal work and June being a 3 pay day month.
- Parks revenue is well ahead of the 2-year budget average due to increased revenue in both Recreation and Riverfront, and an increase in the general fund transfer in June for the 3 pay day month.
- YTD revenues are ahead of YTD expenses by \$1.35 million.

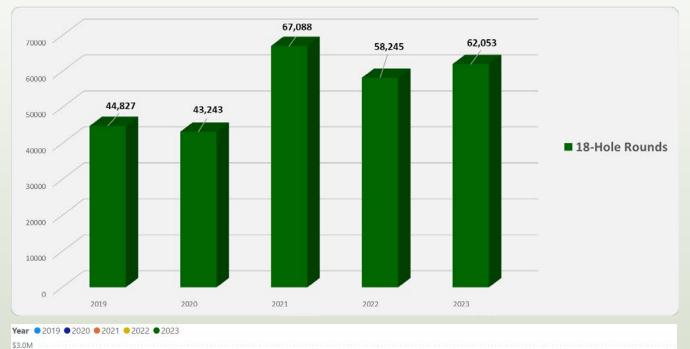

Golf Fund – Financials

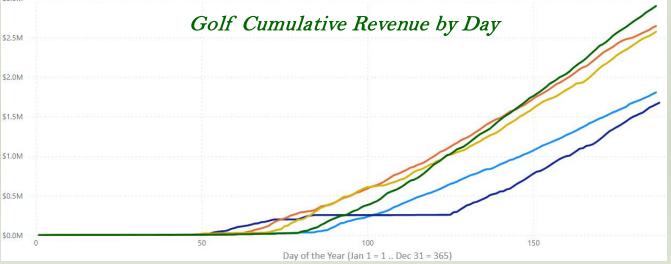

Key Concepts:

- Golf is in alignment with budget expense averages despite the large capital expense for the tree removals.
- Golf had a record setting June with \$946,550 in revenue (including the FIF), which was a \$237,044 increase over last June.
- Golf has revenues exceeding expenditures by \$527,712 excluding the facility improvement fee and debt service payment (\$629,754 including both).

Resolution #_____

CITY OF SPOKANE PARK BOARD RESOLUTION

A RESOLUTION withdrawing the previous selection of Upriver Park as the location for a new Community Dog Park, and selecting High Bridge Park the location for investment in a Community Dog Park

WHEREAS, the Park Board is empowered by the City Charter with exclusive jurisdiction and control to lay out, establish, procure, purchase, accept, and have the care, management control and improvement of, all parks and grounds used for park purposes, all boulevards and parkways, and connecting parks and structures thereon located both within and outside of the City of Spokane; and

WHEREAS, in May of 2023, the Park Board previously approved a resolution (OPR 2023-0556) selecting Upriver Park as the location for a new community Dog Park so long as Parks conducts an additional Minnehaha Neighborhood workshop to evaluate potential Upriver dog park concepts and generate a preferred design solution with workshop participants which best mitigates potential impacts on adjacent neighbors; and

WHEREAS, Parks has conducted an additional Minnehaha Neighborhood workshop to evaluate potential concepts for an Upriver Park dog park, receiving significant neighborhood feedback opposing such an improvement in that location; and

WHEREAS, neighborhood feedback expressed concerns regarding the dog park's potential impact on adjacent traffic, pedestrian safety, wildlife & the natural environment, and adjacent private properties; and

WHEREAS, despite community feedback received during recent park system planning which supports more 'off-leash' dog park facilities (OPR 2022-0137), residents and citizens adjacent to all proposed Community Dog Park locations consistently oppose such an improvement, regardless of the specific location; and

WHEREAS, Parks significantly values citizen and neighborhood feedback received during public outreach for all proposed park improvements; and

WHEREAS, in addition to soliciting additional public feedback, Parks has attended a pre-development conference to determine specific development and permitting requirements for an Upriver Park dog park; during which it was determined a 'Shoreline Conditional Use Permit' would be required to implement a dog park at Upriver Park; and

WHEREAS, the permitting requirements applicable to Upriver Park dog park require significant alteration to the proposed dog park designs, resulting in far less space useable for dog park development than is required for a community dog park; and

WHEREAS, due to current neighborhood opposition to a dog park at the proposed Upriver Park location, and due to extensive permit restrictions associated with that location, park staff recommend withdrawing the previous selection of Upriver Park as the new community dog park; and

WHEREAS, Spokane School District 81 and the Park Board mutually agree the renovation of an existing Community Dog Park within High Bridge Park to improve its functionality and increase its use, together with the previously approved addition of a Neighborhood Dog Park in the immediate vicinity of Carla Peperzak Middle School, Mullan Road Elementary, and the site of the former "Unofficial South Hill Dog Park" collectively satisfy the intent of the Official Dog Park MOU (OPR2022-0137) and deliver significant recreational benefit to the Spokane community; and

NOW, THEREFORE,

BE IT RESOLVED by the Park Board to withdraw the previous selection of Upriver Park as the location for a new Community Dog Park due to public concerns and significant permit restrictions which alter the function of proposed improvement; and

BE IT FURTHER RESOLVED by the Park Board to select High Bridge Park as the location for an investment in a community dog park so long as the property is improved in a manner consistent with the recommendations of the citywide dog park guidelines at no cost to the Park Board.

Background/history: Avista Corporation is planning to conduct necessary improvements to electric transmission utility infrastructure by replacing transmission poles and cables from its 'sunset' substation to its 'metro' substation. A portion of this work crosses High Drive Park (the high drive bluff), which requires construction work on park land. The City granted Avista a 'Right of Way Easement' in 1944 to construct, reconstruct, and maintain the electric transmission line, and no additional development agreement is required for Avista to conduct the work. In recognition that a portion of the work is planned on City park land, and in recognition of Avista's significant effort to connect with the stakeholders & public who use High Drive Park, this resolution is being brought for board consideration. CITY OF SPOKANE PARK BOARD RESOLUTION

A RESOLUTION supporting the implementation of the Avista Corporation 'Metro to Sunset Transmission Rebuild Project' across High Drive Park

WHEREAS, the Park Board is empowered by the City Charter with exclusive jurisdiction and control to lay out, establish, procure, purchase, accept, and have the care, management control and improvement of, all parks and grounds used for park purposes, all boulevards and parkways, and connecting parks and structures thereon located both within and outside of the City of Spokane; and

WHEREAS, since 2022, Avista Corporation has been actively preparing to construct a project named the 'Metro to Sunset Transmission Rebuild Project', which shall conduct necessary upgrades to electric transmission utility infrastructure within the City of Spokane, from the 'Sunset' substation to the 'Metro' substation; and

WHEREAS, a portion of the required project work is planned to occur on public park land within High Drive Park (commonly referred to as the High Drive Bluff); and

WHEREAS, on May 13, 1944 the City of Spokane granted a Right of Way Easement to Avista Corporation (then Washington Water Power Company) for "the right to erect, construct, reconstruct and maintain an electric transmission line and telephone system attached to the transmission line poles or structures, to be located over, along and across [City] property"; and

WHEREAS, a copy of said easement is recorded in book 512, page 380 records of Spokane County; and

WHEREAS, Avista Corporation has provided briefings to the Park Board Land Committee on multiple occasions to inform the Park Board of the proposed improvements and gather Park Board concerns and input; and

WHEREAS, Avista Corporation has conducted extensive community engagement to inform the public of the planned project, including but not limited to numerous presentations to neighborhood councils proximal to the planned work, presentations to the 'Friends of the Bluff', a private non-profit organization which actively cares for and maintains trails and associated improvements atop High Drive Park, attendance at several public open houses, and the creation and maintenance of the project specific website; and

WHEREAS, staff from Avista Corporation and City of Spokane Parks have walked the site of the proposed improvements and discussed proposed methods for constructing the utility improvements and discussed acceptable landscape restoration techniques upon completion of utility improvements; and

WHEREAS, having heard concerns from the public and the Park Board regarding the potential for construction activity to impact the park property, Avista Utilities and its agents have selected to use specialized construction equipment called "spiders" to significantly reduce the amount of grading and disturbance to the property required to construct the proposed utility improvements; and

WHEREAS, Avista Utilities has committed to a multi-year 'restoration plan' to ensure any remaining impact to the property from construction activity shall be reasonably mitigated, with a goal of restoring the area to pre-construction conditions; and

WHEREAS, Avista Utilities has committed to taking specific measures to protect the general public from construction activity and has committed to reducing closure of public park lands and trails to the least amount possible to safely accommodate construction activity; and

NOW, THEREFORE,

BE IT RESOLVED by the Park Board to authorize Avista Utilities and its agents to implement the portions of the 'Metro to Sunset Transmission Rebuild Project' located upon the High Drive Bluff, so long as Avista and its agents restore all park lands disturbed by construction activity as close as practicable to a pre-construction condition and comply with all requirements from authorities having jurisdiction.

Spokane Park Board

RESOLUTION

A Resolution of the Spokane Park Board regarding the City Council's request to update the Park hours of operation pursuant to ORD C36394.

WHEREAS, pursuant to the City of Spokane Charter, Section 48, "[t]he park board shall have power . . . [t]o make rules and regulations for the use of parks and provide for the enforcement of such rules and regulations . . .; and

WHEREAS, based on the City's Charter and relevant Washington case law, City of Spokane Park Board has the sole authority to establish park rules and regulations and to provide for the enforcement of such rules and regulations; and

WHEREAS, pursuant to park rules established by the Spokane Park Board and codified in SMC 12.06A.040J.4, most city parks are currently closed from 10:00pm to 6:00am, and Riverfront Park is closed from 12:00am to 6:00am; and

WHEREAS, on Monday, June 26, 2023, the Spokane City Council considered ORD C36394, a revision to SMC 12.06A.040.J.4 that would increase the penalty for being in a city park after the hours of closure from a civil infraction to a misdemeanor; and

WHEREAS, an amendment to ORD C36394 was offered which proposed to change the hours when parks are closed so that closure would be from 11 p.m. to 5 a.m., and midnight to 5 a.m. in Riverfront Park; and

WHEREAS, the Council discussion of the amendment included recognition of the Park Board's sole authority to establish Park Rules as well as an acknowledgement of the procedural requirement to bring park rule changes before the Park Board for approval; and

WHEREAS, Council members acknowledged that their action to adopt the amendment would take things out of order procedurally, and therefore added a final "whereas" to the prefatory recitals of ORD C36394, formally seeking the Park Board's agreement to this rule change ("WHEREAS, the Spokane City Council requests the Spokane Park Board update the park hours to reflect the hours listed in this ordinance"); and

WHEREAS, The Council thereafter unanimously adopted the amendment and proceeded to a vote on the substantive ordinance, which narrowly passed by a vote of 4 to 3. (See ORD C36394, Exhibit A, attached.); and

WHEREAS, the City has an important governmental interest in closing public parks at night and in setting a nighttime deadline when all activities must cease and members of the community must leave, and which recognizes the responsibility of local government to promote the safety and protection of the public during times when parks are not patrolled and to ensure that community members in the surrounding neighborhoods are able to avail themselves of quiet enjoyment at times when most people go to sleep; and

WHEREAS, after much community input, the Spokane Parks Department previously adopted a ten-p.m. closure time for most city parks and a midnight closure time for Riverfront Park; and that these times were established to help facilitate the efficient management of city parks and to align with neighborhood concerns about activities that affect quiet enjoyment during late-night hours and enforcement of Spokane's Noise Ordinance; and

WHEREAS, the community has benefitted from the alignment of the current park hours of operation and the City's noise ordinance, which was intended to mitigate public disturbances caused by sound generated after ten p.m.; and which arise out of late-night park activity, adversely affecting residential neighborhoods where after-hours noise interrupts sleep and peace; and

WHEREAS, the Spokane City Council now asks the Spokane Park Board to consider a change in the hours of closure in order to address violent crime, including documented shootings which have been occurring in the parks overnight, with the enhanced penalty of a misdemeanor, but only during more limited hours; and

WHEREAS, changing the hours of closure would require the Parks Department to incur significant costs, including thousands of dollars in expenses not currently in the Parks budget; these include the replacement of over one thousand signs in parks throughout the city which could yield a cost tens of thousands of dollars; and

WHEREAS, a change in Park hours of operation will also require that the Parks Department incur costs associated with staff time to re-educate the public about the change as well as costs associated with payroll for the increased workloads of Park Rangers to patrol the extra hours and park maintenance staff to address trash and vandalism in city parks; and

WHEREAS, the Park Board must prioritize its budgeted projects and first consider the fiscal needs of Park operations, understanding that the Parks Department is already short on funds to accomplish all that it needs to and lacks adequate funding to accommodate this unsolicited change; and

WHEREAS, Section 48 of the Spokane City Charter gives the Park Board sole authority to make rules and regulations for the use of parks and to provide for the enforcement of such rules and regulations, thereby preempting City Council action on matters relating to the Park hours of operation; and **WHEREAS,** SMC 04.11.010 reaffirms this authority, held exclusively by the Park Board, consistent with the charter and ordinances of Spokane, to adopt, promulgate and enforce rules and regulations respecting the management, control and use of the parks; and

WHEREAS, the Park Board appreciates its partnership with the City Council and its mutual interest in public safety through the stewardship required of each entity in their respective roles; and hopes the City Council will respect and accept that the Park Board has a responsibility to maintain the current park hours of operation for the reasons previously stated;

NOW, THEREFORE, BE IT RESOLVED that the Spokane Park Board respectfully declines City Council's request to change the park hours of operation in City parks.

BE IT FURTHER RESOLVED that the Spokane Park Board respectfully asks the City Council to amend SMC 12.06A.040.J.4 to restore the park hours lawfully established by the Park Board pursuant to its charter authority.

City Council Requests Action by the Spokane Park Board

Background

On Monday, June 26, 2023, the Spokane City Council considered ORD C36394, a revision to SMC 12.06A.040.J.4 that would increase the penalty for being in a city park after the hours of closure from a civil infraction to a misdemeanor. This was a long-anticipated code revision that had been discussed for well over a year.

In an attempt to compromise, Council Member Zappone offered an amendment to ORD C36394 to change the hours when parks are closed. Echoing concerns that the increased penalty might negatively impact innocent persons (such as late night joggers or early morning dog walkers), CM Zappone proposed that parks be closed from 11 p.m. to 5 a.m., and midnight to 5 a.m. in Riverfront Park. He noted that Captain Hendren's concerns were primarily focused on violence, which reportedly occurs during a more narrow timeframe, such as 11 p.m. to 5 a.m.

Earlier discussions by the Council had considered other amendments, including but not limited to requiring a warning before enforcement could occur and applying the misdemeanor penalty only to groups of five or more. Discussions also included adding a sunset clause or a creating a pilot program that would enact the misdemeanor penalty for six or twelve months. The Council also discussed running this as an emergency ordinance to enable enforcement to begin immediately and therefore allow police to enforce throughout the summer months as crime increases in city parks at night. Ultimately there were not enough votes to pass any of the above-mentioned previously proposed amendments or to run this as an emergency ordinance.

Significantly, Monday's discussion of the last-minute Zappone amendment included recognition of the Park Board's sole authority to establish Park Rules as well as an acknowledgement of the procedural requirement to bring park rule changes before the Park Board for approval. In this discussion, Council members appeared to acknowledge that their action to adopt the Zappone amendment would take things out of order procedurally, and they consequently added a final "whereas" to the prefatory recitals of ORD C36394, formally seeking the Park Board's agreement to this rule change ("WHEREAS, the Spokane City Council requests the Spokane Park Board update the park hours to reflect the hours listed in this ordinance;"). They indicated that the Park Board would be meeting again in July and could take up this request to update the park hours consistent with the amendment.

The Council thereafter unanimously adopted the Zappone amendment and proceeded to a vote on the substantive ordinance, which narrowly passed by a vote of 4 to 3. (See *ORD C36394*, Exhibit A, attached.) The language of ORD C36394, as amended and substituted, now reads as follows:

No person may be in a City park <u>or on park property</u> during the hours of closure without the express permission of the director of the parks department or his or her designee. ((All City parks shall be closed from ten p.m. to six a.m., except Riverfront Park, which shall be closed from midnight to six a.m. throughout the year.)) All City parks shall be closed from eleven p.m to five a.m., except Riverfront Park, which shall be closed from twelve a.m. to five a.m. A violation of this section is an unlawful park trespass and shall be punishable as a misdemeanor.

ORD C36394 is now in a posture to be signed by the Mayor and to go into effect thirty (30) days after it receives the Mayor's signature. This places the effective date sometime in early August, assuming the park Board agrees to update the park hours as requested.

Analysis

The Park Board's authority over park rules and regulations is not in question.¹ The quagmire presented by this situation is perhaps one that has been created by procedural defect, and it raises the novel question of what must occur if the Park Board does not agree to update the Park hours of operation as requested by the City Council. Depending upon how that is answered, it may also present an opportunity for the ordinance to be further amended to reconcile any conflict that may exist between the Council's action and the decision of the Park Board.

The Park Board should confer and either communicate to the Council by Resolution its agreement to update the park hours consistent with the Council's request; or alternatively, the Park Board could decline to change the hours of operation in city parks. The Park Board could also offer some form of compromise to address the Council's concern while maintaining the current hours of operation.

¹ Section 48 of the Spokane City Charter states: "The Park Board shall have power:... [t]o make rules and regulations for the use of parks and provide for the enforcement of such rules and regulations[.] (Ordinance C28870 Section 1, effective date November 1987)." Additionally, SMC 04.11.010 provides: "The park board has authority, consistent with the charter and ordinances of Spokane, to adopt, promulgate and enforce rules and regulations respecting the management, control and use of all public squares and parks, park drives, parkways, boulevards, play and recreation grounds and facilities, including the fixing and collecting of fees, rents and charges."

EXHIBIT A

ORDINANCE NO. C36394

An ordinance relating to Parks; amending Section 12.06A.040 of the Spokane Municipal Code concerning park rules and regulations.

WHEREAS, there has been a significant increase in after-hour incidents in city parks, which incidents have frequently escalated into altercations, felony assaults, and shootings, and which incidents often involve the unlawful use of drugs; and

WHEREAS, the current punishment for violation of the park hours rules is a nontraffic civil infraction, and pursuant to RCW 7.80.060 a person who is unable or unwilling to reasonably identify himself or herself to an enforcement officer may be detained for a period of time not longer than is reasonably necessary to identify the person for purposes of issuing a civil infraction; and

WHEREAS, elevating the penalty for unlawful presence in a city park after hours to a misdemeanor allows law enforcement officers to investigate, check for warrants and pat down for weapons, as is constitutionally authorized; and

WHEREAS, the City seeks to enhance the enforcement options for law enforcement personnel with respect to illegal and after-hour activity in city parks; and

WHEREAS, the City has an important governmental interest in protecting the health, safety and lives of its residents and in reducing the community impact of drug possession and drug use; and that under its Article XI section 11 police powers, the City is authorized to act in the interest of public safety and welfare; and

WHEREAS, the Spokane City Council requests the Spokane Park Board update the park hours to reflect the hours listed in this ordinance; and

SPOKANE PARK BOARD MEMBER DUTIES AND RESPONSIBILITIES FORM

Congratulations on your nomination to the Spokane Park Board. We hope you find your term on the Board rewarding. The Park Board is one of the most demanding and fulfilling board appointments in the City of Spokane. For this reason, we ask that you review and acknowledge the following "Member Duties and Responsibilities." Knowing these duties and responsibilities will ensure that you are aware of your commitments to the Board and the expectations associated with your membership on the Spokane Park Board.

- A. <u>The Spokane City Charter</u>: Your appointment to the Park Board is pursuant to Article V of the Spokane City Charter. In accepting your appointment, you are presumed to have read Article V in its entirety and learned from it the scope of the Board's responsibilities. While not exhaustive, the following highlights some of the key provisions of the Charter relating to the Board's responsibilities:
 - Complete control over expenditures from the Spokane Park Fund and expenditures from related park funds, such as the Golf Fund and Urban Forestry Fund: Typically this means an overall annual operating budget in excess of \$20 million, plus additional expenditures related to capital bond projects. The scope of this budget alone demands that members devote considerable time outside the regular meetings and committee meetings, so as to stay informed of Board activities.
 - The formulation and adoption of rules and regulations relating to Spokane Parks and Recreation facilities: By Charter the Park Board establishes policies and rules relating to park facilities, such as the Tobacco-Free Zones, sets pricing and fees for a variety of park facilities, etc.
 - T-Regular attendance at the required monthly and special meetings of the Spokane Board: Each Board member is expected to attend regular and special meetings of the Board, unless excused in advance by the President. Exhibit A – Spokane Park Board Member Duties and Responsibilities

SPOKANE PARK BOARD MEMBER DUTIES AND RESPONSIBILITIES FORM

Congratulations on your nomination to the Spokane Park Board. We hope you find your term on the Board rewarding. The Park Board is one of the most demanding and fulfilling board appointments in the City of Spokane. For this reason, we ask that you review and acknowledge the following "Member Duties and Responsibilities." Knowing these duties and responsibilities will ensure that you are aware of your commitments to the Board and the expectations associated with your membership on the Spokane Park Board.

- A. <u>The Spokane City Charter</u>: Your appointment to the Park Board is pursuant to Article V of the Spokane City Charter. In accepting your appointment, you are presumed to have read Article V in its entirety and learned from it the scope of the Board's responsibilities. While not exhaustive, the following highlights some of the key provisions of the Charter relating to the Board's responsibilities:
 - Complete control over expenditures from the Spokane Park Fund and expenditures from related park funds, such as the Golf Fund and Urban Forestry Fund: Typically this means an overall annual operating budget in excess of \$20 million, plus additional expenditures related to capital bond projects. The scope of this budget alone demands that members devote considerable time outside the regular meetings and committee meetings, so as to stay informed of Board activities.
 - The formulation and adoption of rules and regulations relating to Spokane Parks and Recreation facilities: By Charter the Park Board establishes policies and rules relating to park facilities, such as the Tobacco-Free Zones, sets pricing and fees for a variety of park facilities, etc.
 - Regular attendance at the required monthly and special meetings of the Spokane Board: Each Board member is expected to attend regular and special meetings of the Board, unless excused in advance by the President. The Spokane Park Board is scheduled for the second Thursday of each month at 3:30 p.m. unless otherwise posted. As a matter of practice, any absence is deemed excused so long as the President or Secretary is alerted in advance to your absence. There is no recent memory of a Board member being formally admonished for unexcused absenteeism, but it should be understood that continual absences may prompt the President to declare your absences unexcused, and three unexcused absences constitute grounds for removal from the Board.

- B. <u>Park Board Bylaws</u>: By Charter the Board is authorized to adopt bylaws relating to governance of the Board and its committees. The Bylaws were last revised and adopted October 2019, and are included in this Park Board Toolkit. By signing this form you acknowledge that you have read the Bylaws and understand them. A brief overview of these rules follows:
 - There are nine Standing Committees of the Park Board. With Board consent, the President annually assigns Board members to committees and designates the chairs of those committees. Board members typically are assigned to at least three committees, and often serve as chair of at least one of those committees. Committees meet once per month, typically one to two weeks before the regular Park Board meeting. Depending on a given agenda item for the committee, Board members can expect to spend as much as one hour or more reviewing materials related to committee meetings and up to two hours at the committee meeting. Average monthly time commitment, excluding special Park Board meetings, ad hoc committees and special events, is 11-12 hours.
- C. <u>Additional Board Member Responsibilities</u>: Board Members are additionally responsible for the following duties:
 - New board members participate in an orientation provided by the director of Parks and Recreation, and the Board President. This is about a two-hour, one-time only meeting.
 - Board members are called upon to attend additional special Parks and Recreation special events. A special event might include a site visit, a dedication event, public meetings, etc. These events are typically one hour long and will occur about two to three times a year.

<u>Acknowledgement</u>: As respect to the Spokane Park Board, as a member of the Spokane Park Board, I acknowledge that:

- I have read and understand the Member of the Board duties and responsibilities;
- I am responsible, collectively and with my fellow Board members, for ensuring effective governance, stewardship and strategic direction of the Spokane Parks and Recreation, and the Spokane Park Board;
- I understand and accept the time commitment involved as a Board member of the Spokane Park

Board;

• I generally accept the duties and responsibilities of a Boardmember;

• In signing this document, I understand that no rigid standards of measurement and achievement are being formed.

Park Board Members,

We, the neighbors of Upriver Drive, who have strongly opposed the Upriver Dog Park, are in total agreement with the resolution proposed today by your staff to withdraw the selection of Upriver Park as the location for a new dog park and develop High Bridge Park instead.

We appreciate the Park Board listening to our concerns and input throughout this process, and look forward to your help in preserving this natural area.

Thank you,

Good Afternoon Park Board Members,

I wanted to reach out in support of the letter from Garrett Jones requesting a pause on the Upriver Dog Park proposal as many valid concerns have been brought to light regarding this location.

We are understanding that the public opinion according to surveys is that many residents prefer smaller dog park options located within current parks.

Minnehaha Neighborhood has spoke at length with Nick Hamad regarding the location and design for the dog park currently in the plans for the redesign of Minnehaha Park. This option meets the opinions of those who gave input on the parks survey.

We encourage the park board to continue to look at smaller dog park options that will align with the public's request.
