1. **Roll Call**: Bob Anderson

The meeting was called to order at 3:34 p.m. See above for attendance.

2. Additions or deletions to the agenda:

- A. There were two amendments to the order of business for this meeting.
 - 1) Introduction of Doug Kelley, new Park Board member

Doug is a life-long resident of Spokane. Doug holds a degree in commercial recreation and comes to us with 40 years' experience working with Avista and involvement with City parks as customers. Doug was the first Race Director for Bloomsday and served on the Spokane County Park Board and the Spokane County Planning Commission. He also served 17 years on the Sports Commission and looks forward to continuing his passion for the outdoors in his role with the Spokane City Park Board.

Public comments related to the special discussion/action item occurred following the staff presentation.

3. Public comments:

A. Michael Coan commented in protest of the new dog park at 63rd & Regal, citing child safety and lack of public outreach as main concerns.

It was noted that Greg Forsyth, Director of Capital Projects for Spokane Public Schools, will be meeting with area citizens on October 25 to discuss the dog park and design guidelines.

4. Consent agenda:

- A. Administrative and committee-level items
 - 1) September 14, 2023, regular Park Board meeting minutes
 - 2) Claims September 2023
 - 3) Bacon Concrete, Inc. Change Order 1 / Wildhorse Park playground renovation project (\$16,137.00 plus applicable taxes) Berry Ellison
 - 4) Shamrock Paving, Inc. Change Order #1 / Susie's Trail Pedestrian Pathway (\$6,317.14 plus tax) Nick Hamad
 - 5) ACI Northwest, Inc. construction project/Esmeralda golf course furnace replacement project (\$82,938.55, tax inclusive) Mark Poirier

Doug Kelley questioned the reasoning behind the 80% efficiency furnace (consent item #5) versus a high efficiency furnace. As Mark Poirier was not present, Nick Hamad, who worked on the project with Mark, stated he would gather the information and follow up with Doug following the meeting.

Motion No. 1: Bob Anderson moved to approve consent agenda items #1 - #5, as presented. Jennifer Ogden seconded.

Motion passed with unanimous consent (9-0)

5. Special guests

A. None

- 4. Financial report and budget update Rich Lentz presented the September financial report and budget update.
 - A. Park Fund: The September operating expenditures for the Park Fund are approximately \$1.51 million more than the historic budget average. Year-to-date revenues are about \$1.47 million above the budget average. Revenues are exceeding expenditures nearly \$670,000.
 - B. Golf Fund: The September operating expenditures for the Golf Fund are about \$114,000 less than the budget average. Year-to-date revenues are below the budget average approximately \$671,000. Revenues are exceeding expenditures about \$1.57 million year-to-date.

5. **Special discussion/action items**:

A. Resolution adopting a citywide investment in neighborhood parks & recommending City Council place a levy measure on the February 2024 ballot – Nick Hamad

Nick Hamad presented a detailed overview of a proposed program to make significant citywide investment in neighborhood parks as well as a park board resolution which adopts the program, recommends City Council place a levy measure on the February 2024 ballot to fund the program (attached, link above), and recommends the development of a potential public education & outreach partnership with another agency for future consideration by the Park Board. The presentation included background on the city park system, the current need for system capital and maintenance improvements, and the lack of current resources to fund those improvements. This neighborhood park improvement program & associated levy ballot measure, titled "Healthy Neighborhood, Healthy Parks", seeks to satisfy those capital and maintenance improvements by funding major investments for improvement of park service throughout neighborhoods citywide. It proposes to:

- Renovate & Replace Aging Parks, Trailheads & Park Amenities
- Acquire and develop new neighborhood parks and natural lands within identified gaps in the park system

 Enhance the park user experience by improvement daily park maintenance and implementing safety initiatives

Public comments:

Karen Mobley, Sam Mace, and Jeff Lambert provided public comment in support of the proposed levy; however, they each stated their thoughts that the proposed funding towards natural land preservation & acquisition is insufficient. Sam Mace also voiced her desire for additional public engagement. Jeff Lambert feels there needs to be more input from a party with regular involvement in natural lands.

Bob Anderson informed everyone that the Healthy Parks, Healthy Neighborhoods document has been reviewed by members of Park Board and City Council in small group meetings. He questioned the Board whether they were comfortable voting on the resolution today or delaying until the special meeting later this month. He also stated for it to be on the February ballot, the measure needs to appear before Council in November. He asked each member for their input.

Barb Richey and Sally Lodato stated they felt comfortable voting today.

Greta Gilman asked for clarification that neighborhood engagement will be conducted as individual projects move forward. Bob confirmed. Secondly, Greta requested additional information regarding the Natural Lands Management and Acquisition program. Garrett Jones stated the Board approved a resolution, earlier in the year, which indicated the timing and details of the Management plan and designated sections of Lincoln and Underhill parks as conservation natural areas. It also outlined the criteria, the environmental impact, and in which areas we ought to invest. Having received further information, Greta stated she felt comfortable voting today.

Gerry Sperling iterated that the Master Plan has been studied and there has been public outreach. She feels we have listened to the citizens' input and feels ready to vote today.

Nick Sumner stressed reason for the levy is the need for additional funds to adhere to the Master Plan. He also understands the obligation to extend the funding across multiple necessities. He stated he is comfortable with voting today.

Jennifer Ogden clarified this is only the beginning step and without the levy, Parks will be unable to make significant improvements and repairs as there are insufficient funds and the guidelines have yet to be developed. She is ready to vote today.

Kevin Brownlee agreed with Jennifer and feels the levy is a necessary step. He is prepared to vote today.

Doug Kelley expressed understanding that it may not be an ideal time for a levy request; however, there will never be a perfect time. He is an advocate for Maintenance and Operations and is in favor of voting today.

Councilman Bingle is happy to see the investments in northeast Spokane; however, he is concerned with the timing considering the City's financial position overall. With the considerable budget shortfall next year, he feels a much larger levy discussion for the City overall is needed to maintain essential services. With several additional measures to be on the

November ballot, namely jail, schools, and libraries, he feels the Parks levy may fall short of passing. As the City Council liaison on the board, he has some concerns with placing the measure on the ballot but is ready to vote.

Bob stated that the Executive Committee discussed all these concerns, but all agreed that Parks needs additional dollars to move forward with much needed projects. The committee unanimously felt they would like to vote on the resolution and explore further partnerships.

Motion No. 2: Bob Anderson moved to approve the resolution adopting a citywide investment in neighborhood parks & recommending City Council place a levy measure on the February 2024 ballot.

Gerry Sperling seconded.

Motion passed (9-1)

6. **Committee reports**:

Urban Forestry Tree Committee: October 3, 2023 – Kevin Brownlee

A. Action items: None

Urban Forestry received a \$6M competitive grant from the US Forest Service. The grant will provide a five-year funding for planting and maintenance of trees on Spokane public lands and tree education programs. The Spokane Conservation District was also awarded \$6M which benefits Urban Forestry as well. Implementation is slated to begin next year.

Nancy MacKerrow reported on the dedication of Phase 1 of Susie's Trail.

Kris Neely reported that the UFCAC is now fully appointed.

The annual Fall Leaf Festival will be held at Finch Arboretum on October 28th, from 11:00 a.m. to 2:00 p.m. It is a free event with live music, coffee, hot cocoa, free kettle corn and Spokane's larges leaf pile.

B. The next scheduled meeting is 4:15 p.m. October 31, 2023, in the Hive events room 'B', and virtually via WebEx.

Land Committee: October 4, 2023 – Greta Gilman

A. Action items: Two of two action items were presented on the consent agenda.

Friends of the Rockwood Triangle would like to see the Lower Rockwood Triangle, currently owned by Streets, taken on by Parks. The committee will hold further discussions on this topic.

The committee also discussed an easement request near Grant Park. There will be further discussions on this topic.

B. The next scheduled meeting is 3:30 p.m. November 1, 2023, at Liberty Park Library events room, and virtually via WebEx.

Recreation Committee: The October 4, 2023, meeting was canceled. – Sally Lodato

- A. Action items: None
- B. The next scheduled meeting is 5:15 p.m. November 1, 2023, at Liberty Park Library events room, and virtually via WebEx.

Riverfront Park Committee: October 9, 2023 - Gerry Sperling

A. Action items:

1) 2024 Riverfront Events fees and charges – Jonathan Moog

There are no proposed changes for attractions rates. The proposed changes are to bring event and rental prices in line with comparable venues in the region by:

- Implementing a food and beverage impact fee
- Offering hourly rates for Pavilion meeting rooms
- Offering birthday and wedding packages
- Implementing a 10% rate increase for the US Pavilion
- Increasing rates for walks/runs
- Reducing community events discounts by 5%
- · Offering add-ons such as outdoor space or equipment

Motion No. 3: Gerry Sperling moved to approve the 2024 Riverfront Events fees and charges. Kevin Brownlee seconded.

Motion passed with unanimous consent (9-0; CM Bingle absent for this vote.)

Jonathan Moog also presented an RFP Operations recap. Highlights included: 1) Discounted Unlimited Ice Passes are for sale through November 17th; 2) an annual pass encompassing all attractions year round is in the works and hopes to launch before the holidays; 3) Pig Out in the Park brought Riverfront into September; 4) the Modest Mouse/Pixies concert was the largest of the concert season in both attendance and sales, and utilized the technology to sync the light blades with the performance; 5) the Submission Challenge Brazilian Jiu Jitsu Tournament was held in the Pavilion amphitheater with the closing matches being a ticketed event under the Pavilion lights (this event showcased the flexibility of the Pavilion for different types of use); and 6) Fall Fest closed out the month in partnership with River Park Square and the DSP, having a larger footprint downtown.

B. The next scheduled meeting is 4:00 p.m. November 6, 2023, Pavilion conference room, Riverfront Park, and virtually via WebEx.

Golf Committee: October 10, 2023 – Nick Sumner

A. Action items: The action item was presented on the consent agenda.

Golf is up over 5,000 rounds compared to last year to date.

The committee discussed the necessity for additional equipment and the supply chain issues that continue to create difficulty. Golf is considering exploring opportunities with lease returns or different vendors.

The upcoming golf show will be in February. Golf was not present last year; however, the committee feels it's a good opportunity to be visible to the community and share information regarding golf in Spokane.

B. The next scheduled meeting is 8:00 a.m. November 6, 2023, at The Hive events room 'B', and virtually via WebEx.

Finance Committee: October 10, 2023 – Bob Anderson

A. Action items:

1) 2024 Parks and Golf Budget Proposals – Rich Lentz

The attached budget proposals, with minor changes made, were presented to both the Finance Committee and Park Board in September as a discussion item. This request is to approve both the Parks and Golf proposed budgets as presented, to be brought in front of City Council for incorporation into the city budget.

Motion No. 4: Bob Anderson moved to approve the 2024 Parks and Golf Budget proposals. Nick Sumner seconded.

Motion passed with unanimous consent (10-0)

Temp seasonal employees' salaries were separated from the wages & salaries line in the September financials, as requested. By doing this, the committee may better understand the impact of each on the operational expenses.

Year-to-date, overall Parks revenues have increased approximately \$1M while operating expenses have increased \$1.6M. The golf fund revenues increased \$260,000 with expenses up \$293,000. This reiterates the need for additional funding through the levy.

B. The next scheduled meeting is 3:00 p.m. November 6, 2023, in the Library Park Library events room, and virtually via WebEx.

Development & Volunteer Committee / Citizens Advisory Committee: September 20, 2023 – Jennifer Ogden

A. Action items: None

Fianna introduces Mels Felton, Parks' new Inclusion and Grants Coordinator.

The committee discussed Basecamp, an online project management vehicle used by the Expo+50 team and could be used by the DVC/CAC committees to for information sharing.

Jennifer and Kelly met with Stephen Williams who will be in charge of Spokane Disc Golf and joining the CAC as a Friends Group representative.

Doug Kelley, our newest Park Board member will be a member of the DVC and joining in the October 18th meeting.

The next regularly scheduled Development & Volunteer Committee / Citizen Advisory Committee meeting is 4:00 p.m. October 18, 2023, in City Hall Conference Room 5A, and virtually via WebEx.

8. **Reports**

Mike-

Updated. I split the difference on the additional fill and then revised the curb credit \$5/LF to account for the air spading that I had figured that we didn't do. Let me know if that works. Thanks,

Cody Rettke

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Business Auto Coverage Form Motor Carrier Coverage Form

A. Amended Who Is An Insured

- The following is added to the Who Is An Insured Provision in Section II Covered Autos Liability Coverage:
 The following are also "insureds":
 - **a.** Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow for acts performed within the scope of employment by you. Any "employee" of yours is also an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.
 - **b.** Anyone volunteering services to you is an "insured" while using a covered "auto" you don't own, hire or borrow to transport your clients or other persons in activities necessary to your business.
 - c. Anyone else who furnishes an "auto" referenced in Paragraphs A.1.a. and A.1.b. in this endorsement.
 - d. Where and to the extent permitted by law, any person(s) or organization(s) where required by written contract or written agreement with you executed prior to any "accident", including those person(s) or organization(s) directing your work pursuant to such written contract or written agreement with you, provided the "accident" arises out of operations governed by such contract or agreement and only up to the limits required in the written contract or written agreement, or the Limits of Insurance shown in the Declarations, whichever is less.
- 2. The following is added to the **Other Insurance** Condition in the Business Auto Coverage Form and the **Other Insurance Primary and Excess Insurance Provisions Condition** in the Motor Carrier Coverage Form:

Coverage for any person(s) or organization(s), where required by written contract or written agreement with you executed prior to any "accident", will apply on a primary and non-contributory basis and any insurance maintained by the additional "insured" will apply on an excess basis. However, in no event will this coverage extend beyond the terms and conditions of the Coverage Form.

B. Amendment - Supplementary Payments

Paragraphs a.(2) and a.(4) of the Coverage Extensions Provision in Section II – Covered Autos Liability Coverage are replaced by the following:

- (2) Up to \$5,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

C. Fellow Employee Coverage

The Fellow Employee Exclusion contained in Section II – Covered Autos Liability Coverage does not apply.

D. Driver Safety Program Liability and Physical Damage Coverage

1. The following is added to the Racing Exclusion in Section II – Covered Autos Liability Coverage:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

2. The following is added to Paragraph 2. in the Exclusions of Section III – Physical Damage Coverage of the Business Auto Coverage Form and Paragraph 2.b. in the Exclusions of Section IV – Physical Damage Coverage of the Motor Carrier Coverage Form:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

E. Lease or Loan Gap Coverage

The following is added to the Coverage Provision of the Physical Damage Coverage Section:

Lease Or Loan Gap Coverage

In the event of a total "loss" to a covered "auto", we will pay any unpaid amount due on the lease or loan for a covered "auto", less:

- a. Any amount paid under the Physical Damage Coverage Section of the Coverage Form; and
- **b.** Any:
 - (1) Overdue lease or loan payments at the time of the "loss";
 - (2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
 - (3) Security deposits not returned by the lessor;
 - (4) Costs for extended warranties, credit life insurance, health, accident or disability insurance purchased with the loan or lease; and
 - (5) Carry-over balances from previous leases or loans.

F. Towing and Labor

Paragraph A.2. of the Physical Damage Coverage Section is replaced by the following:

We will pay up to \$75 for towing and labor costs incurred each time a covered "auto" of the private passenger type is disabled. However, the labor must be performed at the place of disablement.

G. Extended Glass Coverage

The following is added to Paragraph **A.3.a.** of the **Physical Damage Coverage** Section:

If glass must be replaced, the deductible shown in the Declarations will apply. However, if glass can be repaired and is actually repaired rather than replaced, the deductible will be waived. You have the option of having the glass repaired rather than replaced.

H. Hired Auto Physical Damage – Increased Loss of Use Expenses

The Coverage Extension for Loss Of Use Expenses in the Physical Damage Coverage Section is replaced by the following:

Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver under a written rental contract or written rental agreement. We will pay for loss of use expenses if caused by:

- (1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
- (2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto"; or
- (3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is \$100 per day, to a maximum of \$3000.

I. Personal Effects Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Personal Effects Coverage

- **a.** We will pay up to \$750 for "loss" to personal effects which are:
 - (1) Personal property owned by an "insured"; and
 - (2) In or on a covered "auto".
- **b.** Subject to Paragraph **a.** above, the amount to be paid for "loss" to personal effects will be based on the lesser of:
 - (1) The reasonable cost to replace; or
 - (2) The actual cash value.
- **c.** The coverage provided in Paragraphs **a.** and **b.** above, only applies in the event of a total theft of a covered "auto". No deductible applies to this coverage. However, we will not pay for "loss" to personal effects of any of the following:
 - (1) Accounts, bills, currency, deeds, evidence of debt, money, notes, securities, or commercial paper or other documents of value.
 - (2) Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry, watches, precious or semi-precious stones.
 - (3) Paintings, statuary and other works of art.
 - **(4)** Contraband or property in the course of illegal transportation or trade.
 - (5) Tapes, records, discs or other similar devices used with audio, visual or data electronic equipment.

Any coverage provided by this Provision is excess over any other insurance coverage available for the same "loss".

J. Tapes, Records and Discs Coverage

- 1. The Exclusion in Paragraph B.4.a. of Section III Physical Damage Coverage in the Business Auto Coverage Form and the Exclusion in Paragraph B.2.c. of Section IV Physical Damage Coverage in the Motor Carrier Coverage Form does not apply.
- 2. The following is added to Paragraph 1.a. Comprehensive Coverage under the Coverage Provision of the Physical Damage Coverage Section:

We will pay for "loss" to tapes, records, discs or other similar devices used with audio, visual or data electronic equipment. We will pay only if the tapes, records, discs or other similar audio, visual or data electronic devices:

- (a) Are the property of an "insured"; and
- **(b)** Are in a covered "auto" at the time of "loss".

The most we will pay for such "loss" to tapes, records, discs or other similar devices is \$500. The **Physical Damage Coverage Deductible** Provision does not apply to such "loss".

K. Airbag Coverage

The Exclusion in Paragraph **B.3.a.** of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph **B.4.a.** of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply to the accidental discharge of an airbag.

L. Two or More Deductibles

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

If an accident is covered both by this policy or Coverage Form and by another policy or Coverage Form issued to you by us, the following applies for each covered "auto" on a per vehicle basis:

- 1. If the deductible on this policy or Coverage Form is the smaller (or smallest) deductible, it will be waived; or
- 2. If the deductible on this policy or Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

M. Physical Damage - Comprehensive Coverage - Deductible

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

Regardless of the number of covered "autos" damaged or stolen, the maximum deductible that will be applied to Comprehensive Coverage for all "loss" from any one cause is \$5,000 or the deductible shown in the Declarations, whichever is greater.

N. Temporary Substitute Autos – Physical Damage

1. The following is added to **Section I – Covered Autos**:

Temporary Substitute Autos – Physical Damage

If Physical Damage Coverage is provided by this Coverage Form on your owned covered "autos", the following types of vehicles are also covered "autos" for Physical Damage Coverage:

Any "auto" you do not own when used with the permission of its owner as a temporary substitute for a covered "auto" you do own but is out of service because of its:

- 1. Breakdown;
- 2. Repair;
- 3. Servicing;
- 4. "Loss": or
- 5. Destruction.
- 2. The following is added to the Paragraph A. Coverage Provision of the Physical Damage Coverage Section:

Temporary Substitute Autos – Physical Damage

We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

O. Amended Duties In The Event Of Accident, Claim, Suit Or Loss

Paragraph a. of the Duties In The Event Of Accident, Claim, Suit Or Loss Condition is replaced by the following:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any

agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

- (1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

P. Waiver of Transfer Of Rights Of Recovery Against Others To Us

The following is added to the Transfer Of Rights Of Recovery Against Others To Us Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

Q. Employee Hired Autos - Physical Damage

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

R. Unintentional Failure to Disclose Hazards

The following is added to the Concealment, Misrepresentation Or Fraud Condition:

However, we will not deny coverage under this Coverage Form if you unintentionally:

- (1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or
- (2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

S. Hired Auto – World Wide Coverage

Paragraph 7a.(5) of the Policy Period, Coverage Territory Condition is replaced by the following:

(5) Anywhere in the world if a covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less,

T. Bodily Injury Redefined

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

U. Expected Or Intended Injury

The **Expected Or Intended Injury** Exclusion in Paragraph **B. Exclusions** under **Section II – Covered Auto Liability Coverage** is replaced by the following:

Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

V. Physical Damage – Additional Temporary Transportation Expense Coverage

Paragraph A.4.a. of Section III - Physical Damage Coverage is replaced by the following:

4. Coverage Extensions

a. Transportation Expenses

We will pay up to \$50 per day to a maximum of \$1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

W. Replacement of a Private Passenger Auto with a Hybrid or Alternative Fuel Source Auto

The following is added to Paragraph A. Coverage of the Physical Damage Coverage Section:

In the event of a total "loss" to a covered "auto" of the private passenger type that is replaced with a hybrid "auto" or "auto" powered by an alternative fuel source of the private passenger type, we will pay an additional 10% of the cost of the replacement "auto", excluding tax, title, license, other fees and any aftermarket vehicle upgrades, up to a maximum of \$2500. The covered "auto" must be replaced by a hybrid "auto" or an "auto" powered by an alternative fuel source within 60 calendar days of the payment of the "loss" and evidenced by a bill of sale or new vehicle lease agreement.

To qualify as a hybrid "auto", the "auto" must be powered by a conventional gasoline engine and another source of propulsion power. The other source of propulsion power must be electric, hydrogen, propane, solar or natural gas, either compressed or liquefied. To qualify as an "auto" powered by an alternative fuel source, the "auto" must be powered by a source of propulsion power other than a conventional gasoline engine. An "auto" solely propelled by biofuel, gasoline or diesel fuel or any blend thereof is not an "auto" powered by an alternative fuel source.

X. Return of Stolen Automobile

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

All other terms, conditions, provisions and exclusions of this policy remain the same.

Additional Insured – Automatic – Owners, Lessees Or Contractors

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.			
Policy No. GLA 0398381-06	Effective Date: 03/31/2023		

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

- A. Section II Who Is An Insured is amended to include as an additional insured any person or organization whom you are required to add as an additional insured under a written contract or written agreement executed by you, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" and subject to the following:
 - 1. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:
 - a. The Insurance Services Office (ISO) ISO CG 20 10 (10/01 edition); or
 - **b.** The ISO CG 20 37 (10/01 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only to the extent that "bodily injury", "property damage" or "personal and advertising injury" arises out of:

- (1) Your ongoing operations, with respect to Paragraph 1.a. above; or
- (2) "Your work", with respect to Paragraph 1.b. above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 1., insurance afforded to such additional insured:

- (a) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement; and
- **(b)** Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.
- 2. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:
 - a. The Insurance Services Office (ISO) ISO CG 20 10 (07/04 edition); or
 - **b.** The ISO CG 20 37 (07/04 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only to the extent that "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part, by:

- (1) Your acts or omissions; or
- (2) The acts or omissions of those acting on your behalf,

in the performance of:

- (a) Your ongoing operations, with respect to Paragraph 2.a. above; or
- **(b)** "Your work" and included in the "products-completed operations hazard", with respect to Paragraph **2.b.** above.

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 2., insurance afforded to such additional insured:

- (i) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement; and
- (ii) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.
- **3.** If neither Paragraph **1.** nor Paragraph **2.** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:
 - a. Under the ISO CG 20 10 (04/13 edition, any subsequent edition or if no edition date is specified); or
 - **b.** With respect to ongoing operations (if no form is specified),

such person or organization is then an additional insured only to the extent that "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part by:

- (1) Your acts or omissions; or
- (2) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations, which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 3., insurance afforded to such additional insured:

- (a) Only applies to the extent permitted by law;
- **(b)** Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and
- (c) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement.
- **4.** If neither Paragraph **1.** nor Paragraph **2.** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:
 - a. Under the ISO CG 20 37 (04/13 edition, any subsequent edition or if no edition date is specified); or
 - b. With respect to the "products-completed operations hazard" (if no form is specified),

such person or organization is then an additional insured only to the extent that "bodily injury" or "property damage" is caused, in whole or in part by "your work" and included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 4., insurance afforded to such additional insured:

- (1) Only applies to the extent permitted by law;
- (2) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured:
- (3) Only applies if the "bodily injury" or "property damage" occurs during the policy period and subsequent to your execution of the written contract or written agreement; and
- (4) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

B. Solely with respect to the insurance afforded to any additional insured referenced in Section **A.** of this endorsement, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

- 1. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- 2. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. Solely with respect to the coverage provided by this endorsement, the following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – Commercial General Liability Conditions:

The additional insured must see to it that:

- (1) We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
- (2) We receive written notice of a claim or "suit" as soon as practicable; and
- (3) A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.
- **D.** Solely with respect to the coverage provided by this endorsement:
 - The following is added to the Other Insurance Condition of Section IV Commercial General Liability Conditions:

Primary and Noncontributory insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- **b.** You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.
- 2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition under Section IV Commercial General Liability Conditions:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and noncontributory basis.

- **E.** This endorsement does not apply to an additional insured which has been added to this Coverage Part by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.
- **F.** Solely with respect to the insurance afforded to an additional insured under Paragraph **A.3.** or Paragraph **A.4.** of this endorsement, the following is added to Section **III Limits Of Insurance**:

Additional Insured - Automatic - Owners, Lessees Or Contractors Limit

The most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the written contract or written agreement referenced in Section A. of this endorsement; or
- **2.** Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

All other terms, conditions, provisions and exclusions of this policy remain the same.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us Condition**:

If you are required by a written contract or agreement, which is executed before a loss, to waive your rights of recovery from others, we agree to waive our rights of recovery. This waiver of rights shall not be construed to be a waiver with respect to any other operations in which the insured has no contractual interest.

DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s): ANY CONSTRUCTION PROJECT EXCEPT A CONSTRUCTION PROJECT FOR WHICH A CONSOLIDATED (WRAP-UP) OR SIMILAR INSURANCE PROGRAM HAS BEEN PROVIDED.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I Coverage A, and for all medical expenses caused by accidents under Section I Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
 - A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 - 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "productscompleted operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - **c.** Persons or organizations making claims or bringing "suits".

- 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
- 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I Coverage A, and for all medical expenses caused by accidents under Section I Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
 - Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 - 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.

- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of Section III Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

ADDITIONAL INSURED – ENGINEERS, ARCHITECTS OR SURVEYORS NOT ENGAGED BY THE NAMED INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name(s) Of	Additional	Insured I	Engineer(s),	Architect(s)	Or Su	ırveyor(s)	Not Engaged	By The	Named
Insured:									

ANY ENGINEERS, ARCHITECTS OR SURVEYORS WHILE NOT ENGAGED BY YOU, TO WHOM OR TO WHICH YOU ARE REQUIRED TO PROVIDE ADDITIONAL INSURED STATUS IN A WRITTEN CONTRACT OR WRITTEN AGREEMENT EXECUTED PRIOR TO THE LOSS.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II Who Is An Insured is amended to include as an additional insured the architects, engineers or surveyors shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - 1. Your acts or omissions; or
 - The acts or omissions of those acting on your behalf:

in the performance of your ongoing operations performed by you or on your behalf.

Such architects, engineers or surveyors, while not engaged by you, are contractually required to be added as an additional insured to your policy.

However, the insurance afforded to such additional insured:

- 1. Only applies to the extent permitted by law; and
- Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

- **B.** With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:
 - This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services, including:
 - The preparing, approving, or failing to prepare or approve, maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or
 - Supervisory, inspection or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional services.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the contract or agreement; or
- **2.** Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

Commercial Umbrella Liability Policy

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine your rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the **Named Insured** shown in the Declarations, and any other person or organization qualifying as a **named insured** under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word insured means any person or organization qualifying as such in **SECTION V. DEFINITIONS** of this policy.

Words and phrases that are printed in bold-face type are defined in this policy. These definitions are found in **SECTION V. DEFINITIONS** of this policy or in the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations and in accordance with the provisions of this policy we agree with you to provide coverage as follows:

Insuring Agreements

SECTION I. COVERAGE

A. Coverage A - Excess Follow Form Liability Insurance

Under **Coverage A**, we will pay on behalf of the **insured** those damages covered by this insurance in excess of the total applicable limits of **underlying insurance**. With respect to **Coverage A**, this policy includes:

- 1. The terms and conditions of **underlying insurance** to the extent such terms and conditions are not inconsistent or do not conflict with the terms and conditions referred to in Paragraph 2. below; and
- 2. The terms and conditions that apply to Coverage A of this policy.

Notwithstanding anything to the contrary contained above, if **underlying insurance** does not apply to damages, for reasons other than exhaustion of applicable Limits of Insurance by payment of **loss**, then **Coverage A** does not apply to such damages. Also, **Coverage A** does not apply to any form of **casualty business crisis expense** insurance even if such insurance is afforded under **underlying insurance** or would have been afforded except for the exhaustion of the Limits of Insurance of **underlying insurance**.

B. Coverage B - Umbrella Liability Insurance

Under **Coverage B**, we will pay on behalf of the **insured** those damages the **insured** becomes legally obligated to pay by reason of liability:

- 1. Imposed by law because of **bodily injury**, **property damage**, or **personal and advertising injury**; or
- 2. Assumed under an insured contract because of bodily injury or property damage;

covered by this insurance but only if the injury, damage or offense arises out of your business, takes place during the policy period of this policy and is caused by an **occurrence** happening anywhere. We will pay such damages in excess of the **Retained Limit** specified in Item **5.** of the Declarations or the amount payable by **other insurance**, whichever is greater.

Coverage B does not apply to any **loss**, claim or **suit** for which insurance is afforded under **underlying insurance** or would have been afforded except for the exhaustion of the Limits of Insurance of **underlying insurance**.

The amount we will pay for **loss** under **Coverage A** or **Coverage B** is limited as described in **SECTION II. LIMITS OF INSURANCE**.

We have no obligation under Coverage A and/or Coverage B with respect to any settlement made without our consent.

The insurance afforded under **Coverage A** and **Coverage B** applies to **bodily injury** or **property damage** only if prior to the policy period, no **designated insured** knew that the **bodily injury** or **property damage** had occurred, in whole or in part. If such a **designated insured** knew, prior to the policy period, that the **bodily injury** or **property damage** occurred, then any continuation, change or resumption of such **bodily injury** or **property damage** during or after the policy period will be deemed to have been known prior to the policy period.

- c. The duties and requirements imposed upon any insured under this policy will not apply to any non-admitted jurisdiction. However, with respect to any claims made or suits brought in a non-admitted jurisdiction, it will be the duty of the first Named Insured to do or cause the applicable qualified entity to do such things as would be required of such qualified entity if Coverage A applied directly to such claim or suit, including:
 - (1) Make such investigation, defense or settlement as we deem reasonable;
 - (2) Obtain our approval for any payment; and
 - (3) Effect approved payments to others, in accordance with the terms and conditions of this insurance.
- **d.** Under **Coverage B**, this policy does not apply to any liability, damage, **loss**, cost or expense arising out of any operations or activities of a **qualified entity**.
- e. We will promptly pay the first Named Insured at the mailing address listed in Item 2. of the Declarations the amount of damages covered under the terms of this policy. If the first Named Insured or any qualified entity recovers from any third party all or part of any amount that we have paid pursuant to this insurance, the first Named Insured will promptly reimburse the amount of any such recovery to us.

10. Legal Action Against Us

There will be no right of action against us under this insurance unless:

- a. You have complied with all the terms of this policy; and
- **b.** The amount you owe has been determined by settlement with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a party in an action against you to determine your liability.

11. Maintenance of Underlying Insurance

During the period of this policy, you agree:

- a. To keep the policies listed in the Schedule of Underlying Insurance in full force and effect;
- b. That the Limits of Insurance of the policies listed in the Schedule of Underlying Insurance will be maintained except for any reduction or exhaustion of limits by payment of claims or suits for damages covered by underlying insurance;
- **c.** The policies listed in the Schedule of Underlying Insurance may not be canceled or not renewed by you without notifying us, and you agree to notify us in the event an insurance company cancels or declines to renew any policy listed in the Schedule of Underlying Insurance; and
- **d.** Renewals or replacements of the policies listed in the Schedule of Underlying Insurance will not be materially changed without our agreement.

If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

12. Miscellaneous Unintentional Errors and Omissions

Any unintentional error or omission in the description of, or failure to describe completely, any premises or operations intended to be covered by this policy, shall not invalidate or affect the coverage for those operations or premises. However, the **insured** must report such error or omission to the company as soon as practicable after its discovery.

13. Other Insurance

If **other insurance** applies to damages that are also covered by this policy, this policy will apply excess of the **other insurance**. However, this provision will not apply:

- a. If the other insurance is written to be excess of this policy; or
- b. With respect to Coverage A only, if the named insured has agreed in a written contract to carry insurance to apply prior to and be non-contributory with that of another person or organization's insurance, but only as respects damages arising out of insured operations or work on behalf of the named insured performed under such written contract. The limits available to the other person or organization will be the lesser of the policy limits or the minimum limits required by such written contract. In that case, other insurance of that person or organization will apply as excess and not contribute prior to the insurance afforded by this policy.

Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance.

14. Premium

The premium for this policy as stated in Item **6.** of the Declarations is a flat premium. It is not subject to adjustment unless an endorsement is attached to this policy.

15. Separation of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned to the first **Named Insured**, this insurance applies:

- a. As if each named insured were the only named insured; and
- **b.** Separately to each **insured** against whom claim is made or **suit** is brought.

16. Terms Conformed to Statute

The terms of this policy which are in conflict with the statutes, laws, ordinances or regulations in any country, jurisdiction, state or province where this policy is issued are amended to conform to such statutes, laws, ordinances or regulations. If we are prevented by law or statute from paying on behalf of the **insured**, then we will, where permitted by law or statute, indemnify the **insured**.

17. Transfer of Rights of Recovery Against Others to Us

a. If the insured has rights to recover all or part of any payment we have made under this insurance, those rights are transferred to us. The insured must do nothing after the loss to impair them. At our request, the insured will bring suit or transfer those rights to us and help us enforce them.

However, if any **insured** is required by a written contract or agreement which is executed before a **loss** to waive their rights of recovery from others, we agree to waive our rights of recovery. This waiver of rights shall not be construed to be a waiver with respect to any other operations for which the **insured** has not waived their rights of recovery by contract.

b. Any amount recovered will be apportioned in the inverse order of payment of **loss** to the extent of actual payment. The expenses of all such recovery proceedings will be apportioned in the ratio of respective recoveries.

18. Transfer of Your Rights and Duties

Your rights and duties under this insurance may not be transferred without our written consent. If you die, then your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having temporary custody of your property will have your rights and duties but only with respect to that property.

19. When Loss is Payable

Coverage under this policy will not apply until the **insured**, or the **insured**'s underlying insurer has paid or is legally obligated to pay the full amount of the Underlying Limits of Insurance or **Retained Limit**.

When the amount of **loss** is determined by an agreed settlement or on a final judgment against an **insured** obtained after an actual trial, we will promptly pay on behalf of the **insured** the amount of **loss** covered under the terms of this policy. The first **Named Insured** will promptly reimburse us for any amount within the **Retained Limit** paid by us.

20. Violation of Economic or Trade Sanctions

If coverage for a claim or **suit** under this policy is in violation of any economic or trade sanctions of the United States of America then coverage for that claim or **suit** will be null and void.

B. The following Condition is applicable to Coverage A and Coverage B:

1. Notice of Occurrence, Claim or Suit

a. You must see to it that we are notified as soon as practicable of an **occurrence** which may result in damages covered by this policy.

To the extent possible, notice will include:

(1) How, when and where the **occurrence** took place;

City of Spokane Parks And Recreation Department

PUBLIC WORKS CONTRACT

Title: ESMERALDA GOLF COURSE FURNACE REPLACEMENT PROJECT

This Contract is made and entered into by and between the CITY OF SPOKANE PARKS AND RECREATION DEPARTMENT as ("City"), a Washington municipal corporation, and ACI NORTHWEST, INC., whose address is 6600 North Government Way, Dalton Gardens, Idaho 83815 as ("Contractor"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the purpose of this Contract is for the Esmeralda Golf Course Furnace Replacement Project; and

WHEREAS, the Contractor was selected from IPWQ 5982-23issue by the City; and

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Contractor mutually agree as follows:

- 1. <u>TERM OF CONTRACT</u>. The term of this Contract begins on October 13, 2023, and ends on November 6, 2023, unless amended by written agreement or terminated earlier under the provisions.
- 2. <u>TIME OF BEGINNING AND COMPLETION</u>. The Contractor shall begin the work outlined in Contractor's Quote ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Contract shall not be extended because of delays for which the Contractor is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Contractor's control.
- 3. <u>SCOPE OF WORK</u>. The Contractor's General Scope of Work for this Contract is described in Contractor's Response to IPWQ, which is attached as Exhibit B and made a part of this Contract. In the event of a conflict or discrepancy in the Contract documents, this City Public Works Contract controls. The Contractor will do all work, furnish all labor, materials, tools, construction equipment, transportation, supplies, supervision, organization and other items of work and costs necessary for the proper execution and completion of the work described in the specifications entitled **Esmeralda Golf Course Furnace Replacement Project**

The Work is subject to City review and approval. The Contractor shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed Work) requested by the City to determine the adequacy of the Work or Contractor's progress.

4. <u>COMPENSATION</u>. Total compensation for Contractor's services under this Contract shall be a maximum amount not to exceed **SEVENTY-SIX THOUSAND NINE HUNDRED FORTY-FIVE AND NO/100 DOLLARS (\$76,945.00)**, not including applicable taxes, unless modified by a written

amendment to this Contract. This is the maximum amount to be paid under this Contract for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

5. <u>PAYMENT</u>. The Contractor will send its applications for payment to the Parks and Recreation Department, 808 West Spokane Falls Blvd., Fifth Floor, Spokane, Washington 99201. All invoices should include the Department Contract No. "OPR XXXX-XXXX" and an approved L & I Intent to Pay Prevailing Wage number. The final invoice should include an approved Affidavit of Wages Paid number. Payment will not be made without this documentation included on the invoice. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Company's application except as provided by state law. Five percent (5%) of the Contract price may be retained by the City, in accord with RCW 60.28 for a minimum of forty five (45) days after final acceptance, as a trust fund for the protection and payment of: the claims of any person arising under the Contract; and the State with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from the Contractor.

6. <u>STATEMENT OF INTENT TO PAY PREVAILING WAGES TO BE POSTED.</u>

The Contractor and each subcontractor required to pay the prevailing rate of wages shall post in a location readily visible at the job site: (1) a copy of a "Statement of Intent to Pay Prevailing Wages" approved by the industrial statistician of the Washington State Department of Labor and Industries (L & I); and (2) the address and telephone number of the industrial statistician of the Department of Labor and Industries where a complaint or inquiry concerning prevailing wages may be made.

- 7. <u>STATE PREVAILING WAGES</u>. The Contractor and all subcontractors will submit a "Statement of Intent to Pay Prevailing Wages" certified by the industrial statistician of the Department of Labor and Industries, prior to any payments. The "Statement of Intent to Pay Prevailing Wages" shall include: (1) the Contractor's registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by the Contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the "Statement(s) of Intent to Pay Prevailing Wages" on file with the City. Prior to the payment of funds held under RCW 60.28, the Contractor and subcontractors must submit an "Affidavit of Wages Paid" certified by the industrial statistician.
- 8. <u>RETAINAGE IN LIEU OF BOND</u>. The Contractor may not commence work until it obtains all insurance, permits and bonds required by the contract documents and applicable law. In lieu of a one hundred percent (100%) payment/performance bond, in accord with RCW 39.08.010, the City shall retain ten percent (10%) of the contract sum for thirty (30) days after date of final acceptance or until receipt of required releases and settlement of any liens filed under Chapter 60.28 RCW, whichever is later.
- 9. <u>PUBLIC WORKS REQUIREMENTS</u>. The Contractor and each subcontractor are required to fulfill the Department of Labor and Industries Public Works and Prevailing Wage Training Requirement under RCW 39.04.350. The contractor must verify responsibility criteria for each first tier subcontractor, and a subcontractor of any tier that hires other subcontractors must verify the responsibility criteria listed in RCW 39.04.350(1) for each of its subcontractors. Verification shall include that each subcontractor, at the time of subcontract execution, meets the responsibility criteria. This verification requirement, as well as responsibility criteria, must be included in every public works contract and subcontract of every tier.
- 10. <u>INDEMNIFICATION</u>. The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the

Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

- 11. <u>INSURANCE</u>. During the period of the Contract, the Contractor shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to Title 48 RCW:
- A. Worker's Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of \$1,000,000:
- B. General Liability Insurance on an occurrence basis, with a combined single limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Contract. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Contractor's services to be provided under this Contract;
 - i. Acceptable supplementary Umbrella insurance coverage combined with Company's General Liability insurance policy must be a minimum of \$1,000,000, in order to meet the insurance coverage limits required in this Contract; and
- C. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles; and
- D. Property Insurance if materials and supplies are furnished by the Contractor. The amount of the insurance coverage shall be the value of the materials and supplies of the completed value of improvement. Hazard or XCU (explosion, collapse, underground) insurance should be provided if any hazard exists.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without sixty (60) days written notice from the Consultant or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Consultant shall furnish acceptable Certificates of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Consultant's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the sixty (60) day cancellation clause, and the deduction or retention level. The Consultant shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

12. <u>CONTRACTOR'S WARRANTY</u>. The Contractor's warranty for all work, labor and materials shall be in accordance with the contract documents.

13. SUBCONTRACTOR RESPONSIBILITY.

- A. The Contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. Upon request of the City, the Contractor shall promptly provide documentation to the City demonstrating that the subcontractor meets the subcontractor responsibility criteria below. The requirements of this section apply to all subcontractors regardless of tier.
- B. At the time of subcontract execution, the Contractor shall verify that each of its first tier subcontractors meets the following bidder responsibility criteria:
 - 1. Have a current certificate of registration in compliance with chapter 18.27 RCW, which must have been in effect at the time of subcontract bid submittal;
 - 2. Have a current Washington Unified Business Identifier (UBI) number;
 - 3. If applicable, have:
 - Have Industrial Insurance (workers' compensation) coverage for the subcontractor's employees working in Washington, as required in Title 51 RCW:
 - b. A Washington Employment Security Department number, as required in Title 50 RCW;
 - c. A Washington Department of Revenue state excise tax registration number, as required in Title 82 RCW;
 - d. An electrical contractor license, if required by Chapter 19.28 RCW;
 - e. An elevator contractor license, if required by Chapter 70.87 RCW.
 - 4. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065 (3).
- C. All Contractors and subcontractors are required to comply with the Spokane Municipal Code (SMC). In accordance with Article X, 7.06 SMC, Public Works Apprentice Program, for public works construction projects as defined in RCW 39.04.010 with an estimated cost of six hundred thousand dollars (\$600,000.00) or more, at least fifteen (15%) percent of the total contract labor project (all contractor and subcontractor hours) shall be performed by apprentices enrolled in a state-approved apprenticeship program.
 - 1. The utilization percentage requirement of apprenticeship labor for public works construction contracts shall also apply to all subcontracts which value exceeds one hundred thousand dollars (\$100,000), provided there is a state-approved apprenticeship program for the trade for which a subcontract is issued (see, SMC 7.06.510).
 - 2. Each subcontractor which this chapter applies is required to execute a form, provided by the city, acknowledging that the requirements of Article X 07.06 SMC are applicable to the labor hours for the project.
 - 3. Each subcontractor is required to submit by the 15th of each month, a City of Spokane Statement of Apprentice/Journeyman Participation form for worked performed the previous month.

14. <u>NONDISCRIMINATION</u>. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Contractor agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Contractor.

15. EXECUTIVE ORDER 11246.

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to insure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include but not be limited to the following: employment upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- B. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- C. The Contractor will send each labor union, or representative of workers with which it has a collective bargaining contract or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- D. The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- E. The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- F. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- G. The Contractor will include the provisions of paragraphs A through G in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: PROVIDED, HOWEVER, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as the

result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

- 16. <u>DEBARMENT AND SUSPENSION</u>. The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.
- 17. <u>ASSIGNMENTS</u>. The Contractor may not assign, transfer or sublet any part of the work under this Contract, or assign any monies due, without the written approval of the City, except as may be required by law. In the event of assignment of accounts or monies due under this Contract, the Contractor specifically agrees to give immediate written notice to the City Administrator, no later than five (5) business days after the assignment.
- 18. <u>ANTI-KICKBACK</u>. No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in the Contract. Contractor will comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor Regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States").
- 19. <u>COMPLIANCE WITH LAWS</u>. Each party shall comply with all applicable federal, state, and local laws and regulations that are incorporated herein by reference.
- 20. <u>DISPUTES</u>. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.
- 21. <u>SEVERABILITY</u>. In the event any provision of this Contract should become invalid, the rest of the Contract shall remain in full force and effect.
- 22. <u>AUDIT / RECORDS</u>. The Contractor and its subcontractors shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Contract. The Contractor and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.
- 23. <u>BUSINESS REGISTRATION REQUIREMENT</u>. Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Contractor shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.
- 24. <u>CONSTRUAL</u>. The Contractor acknowledges receipt of a copy of the contract documents and agrees to comply with them. The silence or omission in the contract documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

- 25. <u>MODIFICATIONS</u>. The City may modify this Contract and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the Director of Engineering Services, and the Contract time and compensation will be adjusted accordingly.
- 26. <u>INTEGRATION</u>. This Contract, including any and all exhibits and schedules referred to herein or therein set forth the entire Agreement and understanding between the parties pertaining to the subject matter and merges all prior agreements, negotiations and discussions between them on the same subject matter.
- 27. <u>FORCE MAJEURE</u>. Neither party shall be liable to the other for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, due to: (1) acts of God or public enemy, acts of government, riots, terrorism, fires, floods, strikes, lock outs, epidemics, act or failure to act by the other party, or unusually severe weather affecting City, Contractor or its subcontractors, or (2) causes beyond their reasonable control and which are not foreseeable (each a "Force Majeure Event"). In the event of any such Force Majeure Event, the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay.

EXHIBIT A CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

- 1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
 - d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.
- 2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.
- 3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

- 1. The lower tier contractor certified, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- 2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.
- 4. I understand that a false statement of this certification may be grounds for termination of the contract.

Amount of Proposed Expenditure: ~100,000 - \$150,000 Is this against a master agreement? If yes, please provide the number:

Funding Source Golf Capital

Please verify correct funding sources. Indicate breakdown if more than one funding source.

Why is this expenditure necessary now?

Esmeralda golf course has a boiler system that is well past its life expectancy. The current boiler needs to be decommissioned, and a new furnace set in place. We are quickly approaching fall/winter season and need a reliable heat source for the building before winter.

What are the impacts if expenses are deferred?

If this project is deferred, we will not have a reliable heat source this fall/winter. The potential of water pipes freezing are high, and without a heat source exposing the building to additional expenses and repairs and, will greatly effect our winter business to serve our customers during winter months of retail sales and simulator leagues.

What alternative resources have been considered?

We have considered multiple different types of heat source replacements. Such as, but not limited to: Steam boiler system

Electric furnace Mini split system

Description of the goods or service and any additional information?

Three 4 ton Lennox gas 80% furnaces and coils

Remove and dispose of existing air handler. Install 4-ton Lennox Merit system natural gas furnaces and coils. Install new transition duct work connecting new system to existing ducts. Includes all labor needed for installation and new gas lines to each unit. Exhaust venting outside for each unit, along with disconnecting and reconnecting electrical circuts. Install a new thermostat for each unit, and three wall mounted electrical heaters to the basement area. Includes all permits needed to complete job, but does not include code updates.

Additional Comments:

Added narrative from Rich Lentz, Parks Director of Finance/Budget: Golf is an enterprise fund. Golf has adequate expense authority within the 2023 budget for this expense. Golf revenue is ahead of budget YTD and is planning greens fee increases in 2024 to accommodate for additional capital expenses required in 2024. Jason Conley, interim Parks Director, and I, both recommend this purchase.

 Additional Insureds - Automatic Status for 13 Additional Insured Types

Section II - Who Is An Insured is amended to include the following as additional insureds when you have agreed to add that person or organization as an Additional Insured on your policy in a written contract or written agreement with that person or organization, or because of a permit issued by a state or political subdivision; provided the injury or damage occurs subsequent to the execution of the contract or agreement or issuance of the permit and while the contract, agreement or permit remains in effect.

- A. Owners, Lessees Or Contractors -Automatic Status When Required In A Written Construction Agreement With You
 - A person or organization with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - a. Your acts or omissions; or
 - **b.** The acts or omissions of those acting on your behalf;
 - in the performance of your ongoing operations for the additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

- a. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - 2. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

- **b.** "Bodily injury" or "property damage" occurring after:
 - All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - 2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

- B. Owners, Lessees Or Contractors -Automatic Status When Required In Written Construction Agreement With You (Completed Operations)
 - 1) Any person(s) or organization(s) with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" performed for that additional insured and included in the "products-completed operations hazard", but only when that portion of the "products-completed operations hazard" is not excluded by endorsement.
 - 2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to:

"Bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- **b.** Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. State or Governmental Agency or Subdivision or Political Subdivision - Permits or Authorizations

Any state or governmental agency or subdivision or political subdivision, subject to the following provisions:

- This insurance applies only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued a permit or authorization.
- 2) This insurance does not apply to:

Parks Financials

Key Concepts:

- Parks has spent 73% of all budgeted expenses and has earned 76% of all budgeted revenues.
- YTD revenues are ahead of expenses by \$667,323.
- Parks staff has shown tremendous discipline relative to expense control the past 60 days to get back in alignment with our annual budget. September operating expenses were less than last September, and we are now matching 2022 expenditures as a % of budget.

Golf Financials

Key Concepts:

- YTD, golf has spent 79% of total budgeted expenditures (74% last September). Operating expenses as a % are lower than last year, but expenses including capital are higher.
- YTD, golf has earned 105% of total budgeted revenues.
- Golf has revenues exceeding expenditures by \$1.1 million excluding the facility improvement fee and corresponding debt service payment (\$1.57 million including both with the second debt service payment of \$308,666 due in December).

Background/history: The 'Healthy Parks, Healthy Neighborhoods' program and funding recommendation represent the culmination of over 2.5 years of planning, public outreach, technical analysis, committee review & discussion, financial analysis, and park board and council action. It proposes investing approximately \$11.25M in capital improvement and operational enhancements into the park system annually over twenty years to improve the existing parks and add new parks where needed. Implementing this program requires a vote of public, and proposes a levy rather than bond in order to enable hiring maintenance staff in addition to just capital repair & improvements. In February of 2021, parks asked the Spokane community, "What should we do next?" After significant public outreach and participation, Spokane answered, "Invest in our neighborhoods" - invest in the parks we use regularly. The 2022 adopted park plan established this neighborhood vision for parks, and this program proposes significant action to implement the 'Top priority' actions from that plan.

CITY OF SPOKANE PARK BOARD RESOLUTION

A RESOLUTION Adopting a citywide investment in neighborhood parks & recommending City Council place a levy funding measure on the February 2024 ballot.

WHEREAS, the City of Spokane owns and operates 3,900+ acres of parks & natural lands within and outside of the City of Spokane; and

WHEREAS, the Park Board is empowered by the City Charter with exclusive jurisdiction and control to lay out, establish, procure, purchase, accept, and have the care, management control and improvement of, all parks and grounds used for park purposes, all boulevards and parkways, and connecting parks and structures thereon located both within and outside of the City of Spokane; and

WHEREAS, annual city funding for parks and recreation has steadily declined from 2.63% of all city expenses in 2000 to 2.32% of city expenses in 2021, resulting in fewer resources to maintain and repair parks citywide; and

WHEREAS, there has been no substantial citywide investment in the City's neighborhoods parks since 1999 and neighborhood park conditions have slowly deteriorated as a result; and

WHEREAS, recent park bond investments have been directed primarily into 'special use facilities' (Riverfront Park, aquatic facilities, sports complexes and bridges); and

WHEREAS, upon the successful completion of the Riverfront Park Bond improvements, the Park Board commissioned a new assessment of the city's park system and formation of a system-wide park master plan to guide future park system investment; and

WHEREAS, in June of 2022 the Park Board adopted the 2022 Parks and Natural Lands Master Plan (OPR 2022-0454 / RES 2022-0090), which outlined a strategic vision for investing in the city park system over the next ten+ years to implement needed repairs, update recreational offerings, and improve park user experience citywide; and

WHEREAS, the resulting 2022 Parks and Natural Lands Master Plan, compiled by park staff and project consultants, is the direct result of recommendations from Spokane City residents, technical assessments, the Park Board, and city staff; and

WHEREAS, the adopted master plan recommends specific 'Action Items' to accomplish the park system improvements outlined in the plan. These action items are categories by 'capital investment', 'operational shifts', and 'policy changes' and are prioritized into 'priority tiers', with 'first tier' priorities being the most important to accomplish quickly; and

WHEREAS, the adopted master plan recognizes that additional funding beyond current city general fund contribution is required to implement recommended action items contained within the plan; and

WHEREAS, the Park Board formed an ad-hoc 'Citywide Neighborhood Park Executive Committee' to further refine park master plan action items into a specific citywide park investment program which best satisfies the highest priority master plan implementation recommendations and identifies a funding source and amount to accomplish these recommendations; and

WHEREAS, the 'Citywide Neighborhood Park Executive Committee' consists of representatives from Park Board, City Council, the Mayor's office, park staff, and subject matter experts; and

WHEREAS, after four working meetings and on August 23, 2024, the Executive Committee approved recommending a specific citywide neighborhood park investment program for Park Board adoption titled, "Healthy Parks, Healthy Neighborhoods",

WHEREAS, the program cost is estimated to cost up to \$225 million dollars, and improvements are proposed to be implemented over the course of 20 years; and

WHEREAS, the "Healthy Parks, Healthy Neighborhoods" program, a copy of which is attached to this resolution, is based directly on the top priority action item recommendations of the adopted park master plan and proposes to renovate and replace aging parks, trailheads and park amenities, enhance park user experience through better maintenance and safety initiatives, acquire and develop new neighborhood parks, acquire and protect natural lands, and provide administration and project management services to implement proposed improvements; and

WHEREAS, in order to minimize any new taxes to the greatest extent possible while still making needed park system improvements, the Executive Committee approved the 'least cost' program option and rejected all higher cost program options; and

WHEREAS, the Executive Committee approved a specific funding recommendation for Park Board consideration to fund the "Healthy Parks, Healthy Neighborhoods" program by seeking a temporary single year levy lid lift of approximately \$0.29/1,000 of assessed valuation in February of 2024; and

WHEREAS, if approved by public vote in 2024, the levy would begin in 2025 and continue for twenty years through 2045; and

WHEREAS, the Executive Committee recommended Parks partner with either a public safety ballot measure, a public education ballot measure, or a public library ballot measure when developing and distributing public education & outreach materials for the "Healthy Parks, Healthy Neighborhoods" program; and

NOW, THEREFORE,

BE IT RESOLVED by the Park Board to adopt the "Healthy Parks, Healthy Neighborhoods" park investment program as recommended by the Citywide Neighborhood Park Executive Committee and attached to this resolution; and

BE IT FURTHER RESOLVED by the Park Board to recommend City Council place a single year levy lid lift measure of approximately \$0.29/1,000 of assess valuation on the February 13, 2024 ballot to fund the adopted citywide park capital and operational improvements.

BE IT FURTHER RESOLVED by the Park Board that the Parks Director and staff develop a potential partnership with Spokane Public Schools, Spokane Library, or a public safety measure to develop and distribute public education & outreach materials for the levy measure and return to present the partnership opportunity to Park Board for future consideration.

Land Acknowledgment

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial. As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit. We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives. We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021 via Resolution 2021-0019

Acknowledgments

Thank you to the citizens of Spokane who in 2021 & 2022 provided the input and direction that directly informed this citywide park improvement levy. The issues, opportunities and desires identified by citizens in the '2022 parks and natural lands master plan' provide the background and basis for all aspects of this proposed park investment.

Thank you also to the members of the 'Citywide Neighborhood Park Investment Executive Committee', which directed the formation of this specific citywide park improvement levy. Over the course of 4 months in the spring & summer following the approval of the park master plan, these individuals defined the specific program scope, program elements, funding source and funding duration for a citywide neighborhood park investment. At its final meeting in August of 2023, the executive committee recommended this investment to the City of Spokane Park Board consideration and adoption.

Executive Summary

What Should We Do Next

In 2020, with the 2014 Riverfront Park Renovation bond project nearing completion, Spokane Parks began a new project to assess the entirety of the City's park system. At its core, this project intended to answer one question, "What should we do next?" For the next 2 years, park staff and consultants listened to the community and formed a master plan directly from this input. This 'Parks and Natural Lands Master Plan' outlined a vision to 'Preserve and Play' by both preserving and restoring current park lands and assets while also updating the park amenities and adding new parks in neighborhoods which lack access.

So, when we asked "What should we do next?", what did we hear? Simply put, "Invest in our neighborhoods".

Renovate parks which are aging. Replace old and broken playgrounds. Renovate and replace old restrooms - clean them more often and ensure they stay open. Enhance day to day park maintenance. Upgrade sprinklers to improve water efficiency and eliminate daytime watering. Add new parks on city land within neighborhoods which don't have parks nearby. Enhance security in parks which don't always feel safe. Acquire and preserve natural lands. Improve trailheads to provide better access to those lands. And update parks to provide the modern amenities residents want – like pickleball, pump tracks, disc golf, splash pads, and others. Invest in us, where we live every day, because Healthy Parks make for Healthy Neighborhoods.

Is it Really Needed? And why Neighborhoods?

Since 1999, Spokane residents have approved (3) park bond investments. In 1999, the community invested in 3 new parks and repaired a portion of the deferred park maintenance citywide. In 2007 the community chose to invest in new outdoor pools, splash pads and sports complexes. In 2014 the community invested in Riverfront Park. These previous investments have built excellent special use facilities in which we can be proud and which are the envy of many nearby communities.

However, during these same 24 years, the percentage of city funds allocated to parks has steadily decreased from 2.6% in 2000 to 2.3% of all city expenses in 2022. That reduction totaled approximately \$2,600,000 in 2022, and is roughly 10% of the entire Parks Division budget. As a result, nearly half of the city's neighborhood parks have not received any capital investment in over 20 years. These parks have aged and many are in need of significant repair to ensure they can continue to serve current and future generations. It has become increasingly clear that regular, ongoing capital repair and maintenance is needed for neighborhood parks to continue. Capital bonds alone provide temporary fixes, but do not allow for the hiring of staff and therefore do not improve the long term daily maintenance within parks. But there is a practical solution to update aging parks while also improving daily maintenance.

Neighborhood Park Levy

A park improvement levy, if approved by voters, allows not only for capital repair and construction but also the hiring of additional maintenance / safety staff as well as the purchase of needed maintenance equipment and vehicles. This approach can improve the condition of our parks for the long term. The following document outlines a citywide park improvement levy based directly on the adopted park master plan and tailored by an executive committee consisting of representatives from City Council, the Mayor's Administration, the Park Board, retired city financial and public work management, and city park staff. This program exists specifically to improve the quality of, access to, and amenities within parks citywide. Park staff asked, "what should we do next?" The Spokane community answered, "Invest in our neighborhoods". If approved, this citywide park improvement levy provides the means and methods for Spokane City Parks to deliver the first-tier park system improvements desired by the Spokane community.

How to use this document

This is an interactive document, intended to be viewed both digitally and printed.

There are four program categories as part of this document, each with various project summaries called **cut sheets**. The cut sheets provide details on specific projects within the overall program. Cut sheets span broadly within the Parks and Recreation realm, meaning users from various backgrounds will likely be interested in just one or a few specific cut sheets.

As a digital copy, users can navigate through the document by using the clickable Contents page. By clicking on specific cut sheets or chapter titles, users will be linked to the page they click on. By clicking the central footer 'Healthy Parks, Healthy Neighborhoods' users will be linked back to the Contents Page for easy navigation.

As a printed copy, users can 'cut out' an individual cut sheet. This provides users with the flexibility to take one sheet (or a few) with them as talking points in a meeting for example, rather than carrying around the full document.

We hope this document provides you with the tools to engage in meaningful discussions that will help shape healthy parks, and healthy neighborhoods in Spokane.

CHAPTER 1

Program Overview

Program Overview

General Overview

This Program was developed to improve the access to, condition of, and infrastructure / amenities within the City's Park system over a period of 20 years. To ensure responsible use to taxpayer funding and consistency with high priority community desires, the program draws directly from the 'First Priority Tier' recommendations of the adopted '2022 Park and Natural Lands Master Plan', with little exception.

- Approximately 81% of program investment is dedicated to the renovation, physical improvement, and daily maintenance enhancement of aging neighborhood parks, trailheads and natural lands community wide and the addition of a new park safety / visitor experience initiative.
- Approximately 12% of program investment is dedicated to the acquisition and development of new neighborhood parks within rapidly developing portions of the city as well as the acquisition of natural land and the improvement of trails and trailheads.
- Approximately 7% of program investment is dedicated to the project planning, construction management, and administration of the capital program and levy compliance.

The four major program categories are outlined in general detail below:

Renovate & Replace Aging Parks, Trailheads, and Amenities

Provide Park lands and assets citywide by conducting (3) major park renovations, replacing all playgrounds with significant deferred maintenance citywide, replacing approximately 50% of all park restrooms citywide and performing minor repairs to remaining restrooms, replacing all (14) racquet sport courts citywide, renovating (2)-(3) trailheads, adding (4)-(6) new artificial,

all-weather surface fields, developing (1) new paved park access trail, renovating the boulder beach water access point, and creating an ongoing annual minor park repair & security improvement fund.

Enhance Park User Experience

- Improve general park maintenance, functionality, and cleanliness by hiring +/-(14) new park maintenance FTE staff, including (12) added maintenance staff dedicated to maintenance of the City's neighborhood parks, pools and sports complexes and (2) added maintenance staff dedicated to the city's park natural lands. Replace and augment antiquated maintenance equipment and vehicles to improve maintenance quality & efficiency.
- Expand park safety initiatives to neighborhood parks by hiring an additional (4) Park Ranger staff dedicated to the City's parks outside of Riverfront Park & provide vehicles and equipment as required.

Acquire & Develop New Neighborhood Parks and Natural Lands

 Develop (3) new neighborhood parks within rapidly developing portions of the City, acquire land for park development in (1) high need location, create a 'Natural Lands Acquisition and Management Plan' to prioritize future natural land acquisition and management, and create an ongoing, annual fund for the acquisition of priority natural lands.

Administration & Project Management

 Hire (6) project management, accounting, planning and design staff to manage implementation of capital improvements and associated activities, retain legal and audit consulting services to ensure levy compliance.

Financial Overview

Recommended funding source for proposed park operational and capital improvements is a single-year Levy Lid lift assessing \$0.29/1,000 of assessed property value. If passed, this assessment increases overall city levy assessment just less than 5% totaling approximately \$10.12 per month for the median homeowner in the City of Spokane. The levy lid lift is planned for a duration of 20 years and is estimated to generate approximately \$225,000,000 over that time. Levy value & duration was determined by majority vote of the Citywide Neighborhood Park Executive Committee and Park Board adoption of the levy measure is planned in October 2023.

Statement of Assumptions

- 1. City General Fund contribution to City Parks and Recreation will remain as outlined in current City Charter and will not be reduced as an overall percentage of City spending. Any reduction in the contribution from City General Fund to Parks & Recreation will directly reduce the intended impact of this program.
- 2. By intent, all modeling uses escalation rates for both wages and project cost inflation that are slightly above historical actuals. This conservative approach is designed to not only ensure commitments can be met, but to account for and offset for both direct (i.e. increased water usage) and indirect overhead costs (i.e. interfund allocations for city service departments) that are difficult to forecast and/or trace back to individual projects.
- 3. All operational and administrative staffing costs were projected using 2023 wage and overhead rates. Operational and administrative staffing costs include 4% compounding annual cost escalation, from 2024 until 2044.
- 4. All estimated capital project costs were projected using 2023 pricing information. Projects include 3.5% compounding annual cost escalation from 2024 until the anticipated time of project construction.
- 5. Annual construction cost increase of 3.5% was based on 20-year historical average inflation as obtained from the 'Engineering News-Record Construction Cost Index History' from 2002-2022.
- 6. All major park renovation and new park construction capital project costs anticipate additional State and/or Federal grants totaling 20% of overall project cost.
- 7. Capital project costs represent total cost to implement projects, and include allowances for design & engineering services, permitting, construction administration, and Washington State Retail Sales Tax at a rate of 9%.
- 8. Project scheduling and implementation shall be reviewed annually by park staff with annual project implementation to be determined by park planning and development manager, park operations director, and park director.

Enhance Park User Experience

Scope of Work: Park Rangers Location: Citywide

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: First

Master Plan Goal: Goal J. Co-existence

Master Plan Objective: Objective 2. Park Design for Positive Interactions

Project Description

Approximately 2/3 of Spokane residents surveyed as a part of the 2022 parks and natural lands master plan believe "The City needs to do more to make parks and programs welcoming and accessible". Many residents throughout public engagement commented about not feeling welcome or safe in parks due to trash, drug use, and encampments. Public spaces are inherently contested space as they are shared by all types of people. This initiative was formed to support coexistence within parks by addressing conflict between park users through adding staff trained on trauma-informed approaches for interacting with users of park spaces.

This initiative will receive a dedicated percentage of levy funds allocated to improvement park safety and improve visitor experience. These additional funds will support hiring additional staff, purchasing and maintaining specialty equipment and vehicles as outlined below:

- Hire additional park ranger staff dedicated to expanding the park ranger program outside of Riverfront Park to provide a physical presence within neighborhood parks where there is high risk of conflict between park users or the park space is contested and unwelcoming. Add approximately (4) FTE, (1) park ranger supervisor, and (3) full time park rangers. It is anticipated that the park rangers will move from park to park in response to the greatest need for their presence. Specific positions will be determined by park ranger supervisor in coordination with the park director.
- Allocate \$40k in annual funding dedicated to purchase & maintain park ranger vehicles and specialty equipment.

based on physical need

Project Description

'Improving daily maintenance and management of existing parks' was viewed as important or essential by 2/3 of residents surveyed as a part of the 2022 parks and natural lands master plan. Over the past 20 years, the percentage of city funds spent on parks has consistently decreased, declining by 0.3% during that time (totaling \$2.6m in 2021 alone). 6 in 10 residents also felt the city should seek additional funding to maintain its existing offerings. To better meet community expectations for park maintenance and management, additional funds must be dedicated for that purpose.

To improve park operations and maintenance citywide, it is intended that the current park fund contribution to park maintenance and operations remains without being reduced while being augmented with a dedicated percentage of levy funds allocated for park maintenance and operations enhancements. These additional funds will support hiring additional staff, purchasing and maintaining equipment and vehicles as outlined below:

Hire additional park maintenance staff to maintain developed park grounds, facilities, pools and splash pads citywide. Add approximately (12) FTE, (10) dedicated to maintaining park facilities and grounds citywide and (2) dedicated to maintaining recreation facilities. Specific positions may include (1) foreperson, (1) program specialist, (2) irrigation specialist, (1)

equipment operator, (1) gardener, (1) tree worker, (3) laborers, (2) park caretakers, and temp seasonal staff (budget dependent). Specific positions will be determined by park operations director in coordination with park director.

- Hire additional staff dedicated to maintenance of park natural lands. Add approximately (2) FTE, including (1) program specialist / trails coordinator, and (1) caretaker. Specific positions will be determined by assistant director of natural resources in coordination with park operations director.
- Allocate \$300k annual funding to replace depreciated fleet of park maintenance equipment. Purchase and maintenance equipment used to maintain parks and natural lands (trip-plex mowers, heavy equipment, small power equipment, specialty tools, etc.)
- Allocate \$200k annual funding to replace depreciated fleet of park vehicles and purchase / lease new vehicles for added employees. Funding dedicated to purchase / lease of light trucks, heavy trucks, and crew vehicles. (1/2-ton & 3/4-ton pickups, Kodiaks, etc.)

Master Plan Goal: Goal K. Maintain and Care

Master Plan Objective: Objective 1. Replace Aged Facilities

Project Description

'Playgrounds' were identified by citizens during the 2022 park and natural lands master plan as the highest priority asset to upgrade within existing parks. A detailed condition rating of all city park playgrounds found nearly 60% of all city park playgrounds have aged beyond their design life, contain major damage, or are no longer functional and require complete replacement to restore proper functionality. Community input received also indicates that caregivers and residents desire more accessible playgrounds than currently offered.

This project will replace all park playgrounds which are rated with a physical condition of 3.0 or higher. This includes replacement of approximately (32) playgrounds citywide, including all (10) large (community) park playgrounds within the city and approximately (22) smaller playgrounds within neighborhood parks citywide. All playground replacements will include dedicated play equipment for both the 2-5 and 5-12 age groups, inclusive play features, and enhanced ADA pathways to the playgrounds from the surrounding park. Large (community) playgrounds will include additional play features and new rubberized play surfacing instead of wood fiber surfacing to further enhance accessibility and quality. Replacement locations & priorities will be determined annually by physical condition.

Playground Physical Condition Rating

All larger (community) parks listed below receive major playground replacement **regardless of rating**.

A.M. Cannon Park, Audubon Park, Comstock Park, Mission Park, Shadle Park, Sky Prairie Park, Thornton Murphy Park, and Underhill Park.

All smaller (neighborhood) park playgrounds **rated 3.0 to 5.0** receive complete playground replacement.

All smaller (neighborhood) park playgrounds **rated 1.0 to 3.0** receive enhanced maintenance repair.

Project Description

The 2022 park and natural lands master plan identified restrooms as the highest priority asset to upgrade and add within city parks. Lack of consistent restroom access & quality were considered a problem by 7 in 10 residents. The large majority of all park restrooms do not meet current ADA accessibility requirements & building code regulations, are easily vandalized or damage, are difficult to repair once damaged, and are in need of significant repair or replacement to reduce future maintenance burden and meet community expectation.

This project will replace approximately 50% of all park restrooms citywide, totaling approximately (40) individual restrooms buildings. Replacement restrooms will meet modern building code regulation and ADA access requirements and will include enhance ADA pathways to the restrooms from the surrounding park.

The remaining 50% of city restrooms will receive minor upgrades, including fixture replacements, paint, and other minor repairs as required to ensure functionality. Replacement & repair locations & priorities will be determined annually by physical condition.

Master Plan Goals & Objectives

Goal F. Improve Water Use Efficiency

Objective 1. Reduce Water Needs

Objective 2. Improve City-Wide Water Management Practices

Goal K. Maintain and Care

Objective 1. Replace Aged Facilities

Project Description

City of Spokane Parks is the largest single municipal user of city water, consuming approximately 4% of all water pumped citywide to irrigate park lands throughout the community. Numerous park irrigation systems are antiquated and require 'manual operation', ie. maintenance staff must physically 'plug-in' each sprinkler daily to operate the systems. These systems are inefficient, beyond their design lives, labor intensive, and expensive to operate. Additionally, in the 1970's and 1980's, numerous 'manual' systems were retrofitted with 'hydraulic control systems', which rely on highly unreliable components which are no longer manufactured and require replacement to ensure continued operation.

This project replaces approximately 175 acres of antiquated irrigation systems within approximately (13) parks, replaces all 'manual' irrigation systems and several of the most unreliable 'hydraulic' irrigation systems. New irrigation systems will be fully automated, high-efficiency, and include water saving accessories and sensors to further increase watering efficiency. Once complete, irrigation system upgrades significantly reduce labor resources required to complete basic watering, increase watering efficiency, and eliminate the regular need for daytime watering within parks. Landscape conversions from turfgrass to more drought tolerant meadow landscape will be considered for implementation with irrigation upgrades on a case-by-case, site-by-site basis.

Project Description

Community survey conducted during the 2022 park and natural lands master plan identified several community desires for park amenity improvements – better racquet sport courts, including dedicated courts for pickleball, pump tracks / BMX facilities, disc golf courses, dog parks, and picnic areas were the most requested amenities citywide.

In response to these community desires, this project will:

- Replace all (14) existing racquet sport courts citywide, adding dedicated courts for pickleball as well as tennis.
- Add (4)-(6) new artificial turf, all weather surface multi-use sports fields, (2)-(4) located at former Joe Albi Stadium site adjacent Dwight Merkel Sports Complex, and (2) located at Southeast Sports Complex.
- Construct (1) new disc golf course, at a location to be determined.
- Design (1) new pump track, and seek state grant / partner funding for construction of, preferably in District 1.
- Replace and add site furnishings & picnic tables throughout the city to improve picnic area amenities within parks.

Goal L. Funding Futures

Master Plan Objective: Objective 1. Pursue Additional Funding Sources

Project Description

Over the course of several bond projects, Spokane City Parks has effectively focused investment into targeted 'special use facilities' & amenities. As these large 'one-time' investments have occurred, the Parks Division has not been able to dedicate ongoing funds for regular capital to properly maintain various park assets. Regular minor repair of these park assets throughout the city have therefore been consistently deferred for several decades. Despite this deferral, many minor park amenities and infrastructure still require repair and have not been included within a larger project in this program. It is intended that this fund shall be used to 'fill the gaps' to improve the general condition of minor park assets citywide, and not be utilized to augment the budget of larger projects identified within this program.

This project funding will be dedicated for minor park repairs on an ongoing, annual basis for the upkeep, repair, and minor component replacement of park facilities. These minor repairs may include repair and replacement of playground components, park building & gazebo roofs & windows, parking lots (sealing, striping, repair, etc), park walkways & sidewalks, mechanical systems (boilers/hvac), pool & splash pad components (pumps/pool buildings/slides/pool decks), sewer and water utility lines, lighting systems, and other miscellaneous park features which may not warrant a dedicated project. Specific minor projects will be determined by physical need on an annual basis by the park operations director in coordination with the park planning manager and support staff.

Goal C. Preserve Our Wild

Objective 1. Initiate Framework For Natural Land Acquisition Decision Making Objective 5. Enhance Our Natural Lands With Projects To Restore Ecologies And Build Resilience To Natural Disasters

Project Description

'Trailheads' & 'Trails' were identified by citizens during the 2022 park and natural lands master plan as a top tier community desire. Community input received indicates preference for renovation of existing trailheads prior to the construction of new trailheads, with Districts (1) & (3) expressing stronger preference for trailhead improvements than District (2). Community input also expressed preference for both paved and unpaved trails citywide.

In response to community desire, this project replace and improve trailheads and construct new trail as outlined below:

- Replace the existing trailhead at Palisades Park, near district 3 and develop an additional trailhead to access the newly acquired Rimrock to Riverside portion of Palisades Park.
- Provide supplemental accessory improvements to the newly renovated Beacon Hill trailheads currently being improved near district 1.
- Improve new 'Class 1' paved access trail from Cliff Drive through Edwidge Woldson Park to 7th avenue in district 2 to provide an ADA accessible trail connection to expand walkable park and school access and provide a safer alternative to the 'Tiger Trail'.
- Improve trailhead and trail access to the High Drive Bluff at appropriate location(s), which may include 'Rocket Gulch', or other locations as determined through collaboration with the Friends of the Bluff.
- Allocate a portion of the funding required to complete the Fish Lake
 Trail Gap @ 'U.P. Junction'. It is not intended that this project fund
 implementation in its entirety, but rather serve as matching funds for use in
 partnership with other agencies and grants to complete the connection.

Project Description

Minnehaha Park is the City's only large (community) park east of Freya and serves residents east of the new North-South Freeway (NSC) who have been adversely impacted by its construction. The park is currently in poor to failing condition, lacks recent investment, is located within the highest social and environmental park equity priority zone, and requires substantial redevelopment to restore its functionality. It is one of three parks identified specifically within the 2022 park and natural lands master plan for major replacement. An initial park renovation concept plan has already been generated with the community.

The planned project will include design, public outreach, and construction phases. Proposed improvements include renovation of up to 10 acres of park area, a large (community) playground, restroom upgrades, splash pad, paved off-street parking lot, neighborhood dog park, paved pathways, ADA improvements, irrigation system, multi-purpose field, connection to existing soft surface trails, landscape restoration, and if budget allows, either a pumptrack or a sport court complex (depending on community preference).

CITY OF SPOKANE

Project Description

Spokane's East Central & Lincoln Heights neighborhoods are located within medium and high social and environmental park equity priority zones and are home to several developed parks within the western neighborhood reaches. While residents West of Ray Street enjoy easy access to these facilities, residents living east of Freya & Ray Streets face a significant barrier crossing this high-capacity roadway to access existing park lands. As a result, more than 2,600 neighborhood households lack walkable access to a park, and the 2022 park and natural lands master plan identified acquiring land to improve park access for residents as a priority need for this area.

The planned project will include land acquisition only. Target land acquisition should be approximately 1-2 acres in size and may be either undeveloped or developed. Land acquired should be east of Freya Street between Hartson and 21st Street, with walkable access to as many homes as possible. Land acquired will be held in its acquired state until future park development funding is secured in the future.

Master Plan Priority Tier: First

Master Plan Goal: Goal E. Care for and Activate the Spokane River
Master Plan Objective: Develop additional universally
accessible water access points

Project Description

According to survey & market analysis from the 2022 park and natural lands master plan, 'fishing' / 'freshwater access' is one of the top five local activities by number of participants. As a result, increasing opportunities to access the Spokane river was identified as a tier 1 community priority. Particularly, the plan recommends 'developing additional universally accessible water access points for fishing access, including non-motorized boat launch, SUP & kayaking with adequate parking'. Access points should incorporate ADA design best practices for developing water access points.

The planned project will include:

- Design and construction phases for water access improvements a boulder beach near District 1 to expand ADA access and provide additional parking on the north side of Upriver Drive.
- Design only for a new ADA accessible non-motorized boat access point on the 'Three Islands' property within District 3 near the west end of the TJ Meenach bridge. Design will conceptualize a new paved parking lot / trailhead, ADA accessible trail, non-motorized boat access ramp, and potential swimming area. Construction funding for this property will need to be secured via grants and partnerships in the future to implement these improvements.

Master Plan Goals & Objectives

Goal C. Preserve Our Wild

Objective 1. Initiate Framework For Natural Land Acquisition Decision Making

Objective 2. Further Regional Partnerships For Land Acquisitions.

Objective 3. Initiate Interdisciplinary Partnerships For Land Management.

Project Description

According to community survey during the 2022 park and natural lands master plan, 93% of Spokane residents desire to protect wildlife habitat, conserve native plants, sensitive landscape and forests and preserve areas with beautiful or unique natural habitat. Despite rapid development of natural land within and immediately adjacent the City of Spokane, City Parks does not have a comprehensive strategy for the acquisition and maintenance of park natural lands, nor does it allocate dedicated funding to acquiring additional natural lands for preservation.

In response to community affinity for natural land, this program element will:

- Fund creation of a citywide 'Natural Lands Acquisition and Management Plan'. The plan shall include significant community input from subject matter experts, partner agencies (Spokane County, WDFW, etc.), citizen scientists, and community members.
- Create a dedicated fund for acquisition of priority natural lands identified within the acquisition and management plan, allocating approximately \$125,000 annually plus yearly escalation for property acquisition.

Master Plan Priority Tier: First

Goal A. Serving the Under-resourced Master Plan Goal:

Master Plan Objective: Objective 1. Address Geographic Gaps in Park Provision

Project Description

Meadowglen Park consists of +/-30 acres of city owned land which sits undeveloped within Spokane's rapidly developing North Indian Trail Neighborhood. More than 2,800 of neighborhood households lack walkable access to a park, making the neighborhood's 'park walkability' score the worst in the city. Developing Meadowglen Park significantly improves park access for residents within this neighborhood by creating walkable access to a developed park for over 650 households. It is one of three parks identified specifically within the 2022 park and natural lands master plan for major replacement and has been a primary desire for the neighborhood for over two decades. An initial park renovation concept plan has already been generated with the community.

The planned project will include design, public outreach, and construction phases. Proposed improvement includes new development of up to 14 acres of park area and preservation of at least 16 acres of property as natural land. Proposed improvements include a new neighborhood playground, restroom and associated utilities, pavilion / gazebo structure, paved off-street parking lot, sport court, paved pathways, ADA improvements, irrigation system, multipurpose turf field, connection to existing soft surface trails, and landscape improvements. It is envisioned that this project will consciously limit the amount of turfgrass and include large portions of 'meadow landscape'. Should funding permit, neighborhood dog park and/or splash pad may also be included.

CITY OF SPOKANE

Project Description

The Shiloh Hills neighborhood, located in Northeast Spokane, is home to a large number of apartment homes, is highly socially vulnerable, is located within the highest social and environmental park equity priority zone, and more than 1,820 of neighborhood households lack walkable access to a park. In particular, residents east of Nevada Street have no walkable access to a park. Acquisition and development of a park in this vicinity is one of three priority 'new park development' projects identified specifically within the 2022 park and natural lands master plan and is listed as a 'very high priority'.

The planned project will include land acquisition, planning, design, public outreach, and construction phases. The priority for land acquisition is undeveloped property located north of Francis Street, East of Nevada Street, with walkable access to as many apartment homes as possible. Target land acquisition size is between 5-10 acres in size. Proposed improvements include a new neighborhood playground, restroom, sport court, paved pathways, ADA improvements, irrigation system, multipurpose turf field, and landscape improvements. Should funding permit a splash pad may also be included.

Proposed Park Size: Up to 15 acres

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: First

Master Plan Goal: Goal A. Serving the Under-resourced

Master Plan Objective: Objective 3. Address Geographic Gaps in Park Provision

Project Description

Qualchan Hills Park consists of +/-16 acres of city owned land which sits undeveloped within Spokane's rapidly developing Latah Hangman Neighborhood. More than 2,100 neighborhood households lack walkable access to a park, making the neighborhood's 'park walkability' score the second worst in the city. Despite rapid residential planned-unitdevelopment which includes privately maintained parks for nearby residents, no developed public park land exists east of Highway 195. Developing Qualchan Hills Park significantly improves park access for residents within this neighborhood by creating public park access for PUD & non-PUD residents alike. It is one of three parks identified specifically within the 2022 park and natural lands master plan for new park development. The property sits adjacent to school district lands - making a joint development of a school & park a possibility.

The planned project will include design, public outreach, and construction phases. Proposed improvements include new development of up to 10 acres of park area, including a new large (community) playground, restroom and associated utilities, pavilion / gazebo structure, splash pad, paved off-street parking lot, sport court, paved pathways, ADA improvements, irrigation system, multi-purpose turf field and landscape improvements, and if desired by the community, a potential neighborhood dog park. It is envisioned that this project will consciously limit the amount of turfgrass and include large portions of 'meadow landscape' and will plant an 'enhanced buffer landscape' along Hangman Creek.

Administration & Project Management

Scope of Work: Project Administration, Management & Support

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: N/A Master Plan Goal: N/A Master Plan Objective: N/A

Project Description

Approximately 63% of all levy program funding is allocated to capital improvement, physical repair, and land acquisition within the city's park system. Successful implementation of the proposed capital improvements required detailed planning, public engagement, scheduling, management, design, bidding and construction administration, as well as accounting, audit and legal consultation. In lieu of retaining expensive project management consulting services, this program element expands the park planning group, which oversees and implements park capital projects and associated planning work. Hiring additional 'in-house' engagement, project management, and accounting staff enhances familiarity with the park system, reduces overall cost of administration, and retains only a limited amount of specialty professional services.

These funds will support hiring additional staff and providing the miscellaneous office equipment and supplies required by these staff as outlined below:

- Hire additional program management to implement, oversee and support implementation of the proposed capital program. Add approximately (6) FTE within the park administration division. Specific positions may include (1) project managers, (1) landscape architect or planner, (1) capital project accountant, (2) park planning technicians, and (1) clerk 2. Specific positions will be determined by park planning and development manager in coordination with the park director.
- Create allowance for legal and audit consulting services to ensure levy funds are appropriately allocated and administered.

Voter Fact Sheet

What would the levy fund, if approved?

In our 2022 master plan, we asked, "What should Parks do next?" The community directed our focus to neighborhood park improvements:

- New playgrounds
- More restrooms, open more frequently
- New parks in growing neighborhoods
- New artificial surfaced / all-weather field
- Additional conservation lands
- Trail and trailhead upgrades
- Improved maintenance
- Safety initiatives

The aim is to touch every neighborhood with park improvements identified from community feedback.

How much would it cost?

29 cents per \$1,000 assessed property value

- \$6.04 per month for owner of home valued at \$250,000
- \$10.12 per month for owner of home valued at \$418.000 (median assessed home value within City limits)
- \$13.29 per month for owner of home valued at \$550,000

Why is levy funding necessary for these improvements?

Parks & Recreation can provide the current level of service with our existing budget, but to do more, it would require new funding sources.

The Parks division receives approximately 2.3% of the City's budget (representing 8% of the general fund's expenditures). Program revenues and grants bring in additional money. Combined, the annual Parks & Recreation budget is about \$24 million. These funds allow us to steward nearly 4,000 acres of public land and offer hundreds of free and low-cost recreation programs.

Additional funding would renovate and replace aging neighborhood park amenities, build new parks for a growing population, enhance our trail system, and support more maintenance and security.

When would improvements be seen?

Beginning in 2025, through 2045. The first major park renovations would occur in 2026/2027.

Revenue Discussion Points

- Program revenue increases in Recreation (Cost Recovery Model) and Riverfront.
- Healthy increase in general fund transfer contributes to 10% overall revenue increase.

Expense Discussion Points

- Combined 6% increase in salaries and benefits.
- Largest increase in temp/seasonal expenses were in Recreation under Athletics and Aquatics. Aquatics is the single largest consumer of temp/seasonal wages with a \$650,000 budget next year.
- A large number of service department interfund expenses decreased from 2023. The increase shown is driven entirely by the large increase in Risk Management. Parks leadership continues to work with the new city Risk Manager as allocation methodology is scheduled to change in 2024.
- The transfers out include the Merkel turf and the new Zamboni debt service payments. The transfer to capital was increased from \$750k in 2023 to \$916k in 2024 to keep capital improvements as a budget priority.
- This budget includes \$100k for Expo50 and \$100k for the cost of a ballot measure.

Revenue Discussion Points

- Established baseline revenues used 2022 actuals and 2-year averages for total rounds played.
- Revenues shown include the approved fee increases for golf (green fees and passes).

Expense Discussion Points

- Combined increase of 6% for salaries and benefits.
- The increase in services and charges includes an added \$60,000 for landscaping/grounds maintenance and \$60,000 for minor building repairs/maintenance.
- Other substantial service charge increases were water and bank fees, which were underbudgeted for 2023.
- Due to the increased capital needs in golf, the primary driver for the greens fee increase was to cover the cost of capital improvements. Budgeted capital improvements increased from \$410,00 in 2023 (which actuals will exceed) to \$714,650 in 2024.

Budget Risks

Parks

- Continued inflationary pressure on all expenses.
- Overall city expense cutting measures will impact the 2025 budget and beyond.
- Expo50 is a rather large budget expense with unknown impacts to both revenue and expenses.
- Pavilion naming rights income is included in the budget (20% deduction for a finder's fee commission).

Golf

- The recent stress testing of golf demonstrated the sensitivity of the budget. Extended closures for smoke or minor decreases in rounds played have magnified impacts on the overall budget.
- One large, unplanned capital expense (like pine beetles) can quickly devour a planned capital budget.
