

# MAKE A DIFFERENCE

# Join the Park Board!

## IMPACT YOUR COMMUNITY

- Be involved in major projects that change the landscape of our city like the Riverfront Park Redevelopment, or projects that change lives like the Mission Park Ability Field.
- The Park Board has been helping shape the City of Spokane Parks & Recreation for over 100 years. Before the Park Board was formed, Spokane only had 173 acres of park space. Spokane is now home to more than 4,100 acres of protected green space.
- The Board drives continued efforts to expand low cost / no cost opportunities for families, and the addition of protected green spaces, conservation areas and trails - adding to the vibrancy of our city.

## ABOUT 10 HOURS A MONTH

- Time commitment involves 1 Board meeting and 2-5 committee meetings per month.
- Board members receive free parking and can conference call into committee meetings.

## LEAVE A LEGACY
