SUMMARY

- Jennifer Papich and Cindy Coleman from Spokane Public Schools, explained updates to both Parks and Recreation joint use agreements with Spokane Public Schools and Spokane Libraries.
- Carissa Ware presented a proposal for increasing tournament fees for athletic events.
- Josh Oakes shared recent participation in the Fishing Frenzy event held on April 20th at the Shadle Aquatic Center.
- Ryan Griffith, Carissa Ware, and Josh Oaks presented the May Recreation Report; reflecting the many activities currently happening and registrations for upcoming events. Fianna Dickson presented current marketing campaigns that included advertisements in local publications and Twitter hits from Parks and Recreation's website.
- Jennifer Papich concluded the meeting with review of May's financial report.

MINUTES

The meeting was called to order at 5:15 p.m. by Chair, Sally Lodato. Introductions were made.

Action Items:

None

Discussion Items:

1. Joint Use Agreement between SPS & SPRD Update
Jennifer introduced Cindy Coleman with the Spokane Public Schools, who has been working with her to revise the current joint use agreement with Spokane Parks and Recreation. Revisions to the agreement are intended to improve the utilization of joint public facilities and grounds, accommodate respective activities for the community, and minimize economic waste to taxpayers resulting from duplicate land and facilities.
2. Joint Use Agreement between Spokane Libraries & SPRD Update
The intent of the agreement with Spokane Libraries is similar to that with Spokane Public Schools, with some specifically identified; maintaining a beneficial relationship between the two agencies through good communication by scheduling regular personal meetings and dedicating an annual meeting in August for an overall review of the facilities.
3. Athletic Tournament Fees Propose Increase
Carissa reviewed the proposed tournament fees for 2020, noting the main factor for increase as the rise in minimum wage. Field maintenance is labor-intensive, and prices for treatments applied to fields are increasing also. Tournament fees have not been increased since 2014 and proposed increases will reflect the amount of maintenance required for the specific sport.
4. 2019 Aquatics Fishing Frenzy Even Review
Josh presented information on the Youth Fishing Frenzy that took place on April 20th. It's actually an event being reintroduced from a program that was offered back in 1986. The event took place at Shadle Aquatic Center and was a fun family event introducing local youth to an alternative outdoor activity. Partnerships made the event a success by distributing a new life jacket for every participating youth, providing fish, and offering volunteers.

Standing Report Items:

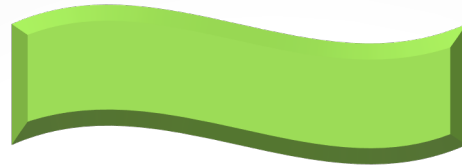

1. Recreation / Marketing Report
Ryan presented the Recreation report for May, which included the distribution of 8,500 Corbin Art Center Summer Camp brochures to local elementary schools and 15,000 Summer Camp brochures to elementary schools, libraries and community centers. In addition, an application has been submitted for a \$12,000 grant to provide youth and teen adventure camp scholarships. Josh shared activities happening in aquatics; such as the opening of splash pads on Memorial Day, new activities planned for pools, and training scheduled for staff. Carissa reported that a record number of 108 teams registered for Adult Spring Softball and 115 youth have signed up for NFL Flag Football. Fianna shared the latest marketing campaigns; advertisements in the Spokesman and *Out There* magazine, and Twitter reflecting just under 9,900 hits for various activities featured on Parks and Recreation's website.
2. Financial Report
Jennifer presented and reviewed the May Financial Report, noting that due to a change in tracking software, some figures are not reflecting the actual financial standing. Accounting is working on the inconsistencies.

Meeting adjourned at 6:30 p.m.

The next regularly scheduled meeting is at 5:15 p.m. on Monday, July 8, 2019, at the John A. Finch Arboretum.

Joint Use Agreement

The intent of the Interlocal Agreement between Spokane Public Schools and City of Spokane Parks and Recreation Department is to:

- Promote maximum public utilization of public facilities & grounds owned by the City & District within the ability of their available budgets and legal restrictions
- To best accommodate their respective activity programs & for provision of adequate facilities for the leisure, enrichment and well-being of the community
- Minimizing the economic waste of providing duplicate land & facilities at the expense of the common taxpayer.

Joint Use Agreement Update

- In 2019 SPS and SPRD have been working to revise the current joint use agreement so that it mirrors the processes that are currently taking place.
- The current leadership and process that has evolved over the last 5 years have continued to increase communication and view this agreement as a true reciprocal partnership.
 - Jennifer Papich, Director of Recreation SPRD
 - Cindy Coleman, Director of Business Services, SPS

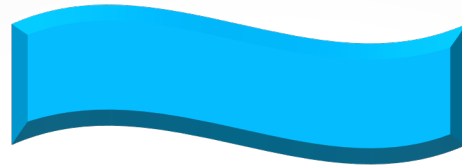

Spokane Public Schools
excellence for everyone

Agreement Modifications

- ✓ Increasing required meeting times to a minimum of 3 in person meetings per year.
 - ❖ Communication is critically important to the strength of the partnership.
- ✓ Instituted a required Annual August meeting.
- ✓ What is required of one entity is required of the other in terms of priority of use, scheduling, cancellation policies, inclement weather policies and direct costs.
- ✓ Condensed scheduling procedures to mirror current practices.
- ✓ Revised Golf Exhibit to clarify the quantity of tee times, and the time line for schedule submissions.

New Agreement Purpose

In November 2018, voters approved a \$77 million Spokane Public Library bond measure to remodel 4 existing libraries and build 3 new libraries.

- SPL and SPRD have been working together with legal to draft the joint use agreement utilizing the already existing successful agreement we have with the School District for continuity.
 - Jennifer Papich, Director of Recreation SPRD
 - Caris O'Malley, Deputy Director, SPL
- The intent and goals of this agreement are the same as the ones for the SPS and SPRD Joint Use.
 - ✓ Promote maximum public utilization of public facilities.
 - ✓ For enrichment and well-being of the community
 - ✓ Minimize duplicate land and facilities

Proposed Athletic Tournament Fee Structure

- 2018 Park Board Approved Athletic Field Use Fees for 2019
 - This did NOT include Tournament Fees
- Tournament Fees have not been increase since 2014.
- Continued increases in minimum wage & turf maintenance supplies created a need to re-evaluate our pricing of tournaments to ensure they are inline with our increased in expenses.

Next Steps

- Communicate with previous and current Tournament Directors to inform them of our proposed fee structure for 2020-2022.
- Invite user groups to attend the July Recreation Committee meeting.
- July bring fees to Recreation Committee & Park Board as an Action Item.

FISHING DERBY

SATURDAY, APRIL 12, 1986

8:00 am - 5:00 pm

WITTER SWIMMING POOL
(MISSION AVE. & UPRIVER DR.)

Are you looking for an activity that is fun and inexpensive for your group? Do you look for ways to help scouting or other groups earn merit badges and other awards? How about fishing without all of the problems of finding a boat, bait, equipment, licenses, and a way of getting to a lake? Spokane Parks and Recreation Department is sponsoring its fourth annual Fishing Derby at Witter Swimming Pool on Saturday, April 12, 8:00 am to 5:00 pm. (That's right - all of the convenience of fishing right out of a swimming pool!) The cost is just \$1.00 per person for time-limited fishing with a two fish limit and at least one Rainbow Trout guaranteed (we'll net a fish if by rare chance someone can't hook one of the thousands of hungry fish in the pool). No license is necessary and we provide everything - fishing pole and bait, nets, volunteers to help bait hooks, and ice and a bag to help you get your fish home. In addition to all of the fun of catching fish and the other activities scheduled for your entertainment, there will be dozens of prizes awarded throughout the day.

The Fishing Derby will feature tickets sold for a specific time slot. This means no waiting in long lines - just purchase your tickets and be ready to fish at your assigned time. You can purchase afternoon tickets in advance at \$1.00 per person by mailing your payment to: FISHING DERBY, SPOKANE PARKS & RECREATION DEPT., FOURTH FLOOR - CITY HALL, SPOKANE, WA 99201-3317. Requests for advance sale tickets must be received by April 7. Tickets will be mailed out prior to the Fishing Derby. Tickets can also be purchased at the Fishing Derby if you prefer, however, tickets are limited and sellouts can be avoided by purchasing in advance.

PLEASE CALL 456-2620 IF YOU HAVE ANY QUESTIONS.

Youth Fishing Frenzy Mission
