

CITY OF SPOKANE ETHICS COMMISSION

THOMAS BASSLER,

Complainant,

v.

BREEAN BEGGS,

Respondent

EC-22-01

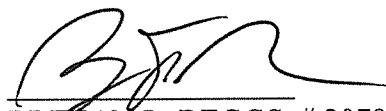

RESPONDENT'S OBJECTION TO  
EXHIBIT

Respondent objects to the admissibility of Complainant's Exhibit 5- a media advisory attempting to justify a delay in promptly moving forward with the contract for the Trent Shelter operator.

Although hearsay is not per se inadmissible, this hearsay document is particularly unreliable because the author has no purported personal knowledge of the events and on its face it conflicts with the written minutes of the CoC minutes from its 4/15 meeting offered separately by Complainant at Exhibit 2- where the minutes confirm a final vote and that the CoC is moving on from the proposals offered in search of a compromise.

Respectfully submitted this 16<sup>th</sup> day of October, 2022.
