Mr. Piccolo

Mr. Muller's claim alleges that I secured special privileges or exception is unfounded. Donation to campaigns do not constitute special treatment as many folks donated who supported and opposed the redistricting which was found legal in the courts.

This process is outlined in the City Charter. Because the outcome was not to Mr. Mullers liking does not constitute a violation. As a Council Member I did not benefit from the outcome.

Regarding Supervision, the city's HR Department conducts the employee hiring process. Mr. Carlos serves me, and supports other committees, and understands the conduct he must abide by. Admittedly there is always the need for continuing training to be provided to all employees. However, this does not constitute an Ethics Violation.

warmest regards,

Betsy Wilkerson
