

## Title 17H Engineering Standards

### Chapter 17H.010 Street Development Standards

#### Section 17H.010.210 Crosswalks

- A. Generally, painted crosswalks are installed only at patrolled school crossings and signalized intersections, as approved by the director of streets.
- B. Installation of painted crosswalks at other locations requires an engineering study and the approval of the director of streets. The engineering study shall identify locations where there is a substantial conflict between vehicle and pedestrian movements or where pedestrians could not otherwise recognize the proper place to cross.
- C. Any new marked crosswalk must be approved by the director of streets prior to construction.
