

added area of Children of the Sun trail design build has motivated the contractor to include the community in their designs and to understand and reflect community interest.

- Rhonda Young, Bicycle Advisory Board (BAB) - Ms. Young reported that the BAB has been looking at the Transit Oriented Development study and construction detours, specifically around Upriver Drive park construction. They have also been examining the current regulations on E-Bikes and riding them in state parks and on sidewalks. The BAB Greenway study that has been going on. She also stated that although there was criticism towards the Children of the Sun Trail among the members of the BAB, she wanted to state that not all the BAB was against the project and that sometimes infighting about the financial aspect of trails gets in the way of development multimodal infrastructure and that connectivity between East Central and Chief Garry Park neighborhoods could be “game changing”.
- Charles Hansen, Whitman Neighborhood Council, PeTT Committee - Mr. Hansen reported that sidewalk construction in the Whitman Neighborhood has been completed. Also, Illinois has many potholes and patches and he suggested that it could be improved.
- Eve McMenemy, Spokane Regional Transportation Council (SRTC)- Ms. McMenemy reported that the SRTC Board will be approving the regional Transportation Improvement Plan and the final acceptance of US-195 study is coming up soon. SRTC is also working on unified list for member jurisdictions to use for legislative and congressional agendas. SRTC is going to finalize their long range plan called Horizon 2045. They will have a public meeting on Oct. 14 in evening. They are also working finalizing their public participation plan, which is currently open for public comment.
 - Rachel Callary joined the meeting at 9:15am.
