*Spokane Leads*

Cycle 14 included:

Quickbuilds for 2026

Construction for 2027

Near complete funding for the 27x2027 network

Started 2026 off with intent to hash out a timeline- less than a month after last cycle was approved;

Shared with Community Assembly 1/8/2026; PIES 1/12/2026; Bicycle Advisory Board 1/20/2026; Transportation Commission 1/21/2026;

PeTT committee of the Community Assembly on 1/27

Review timeline in your packet...

## The public engagement process:

Includes **projects that didn't get selected** in the last rounds;

Includes a window (February and March) for **new projects**;

Includes **opportunities to comment on “network” projects** selected by Council and staff;

Includes an **ongoing** opportunity for submission.

# Thank you!

*Spokane Leads*
