Cycle 15 Safe Streets For All Traffic Calming Candidate Projects Hearing

Nicole White, Program Coordinator

Cycle 15 Timeline

October – Hearing – Narrowed list presented to TC based on September TC, Council, community, and staff input.

November – Transportation Commission makes final recommendation to Council.

December – Council votes on Cycle 15 projects and budget

Cycle 15

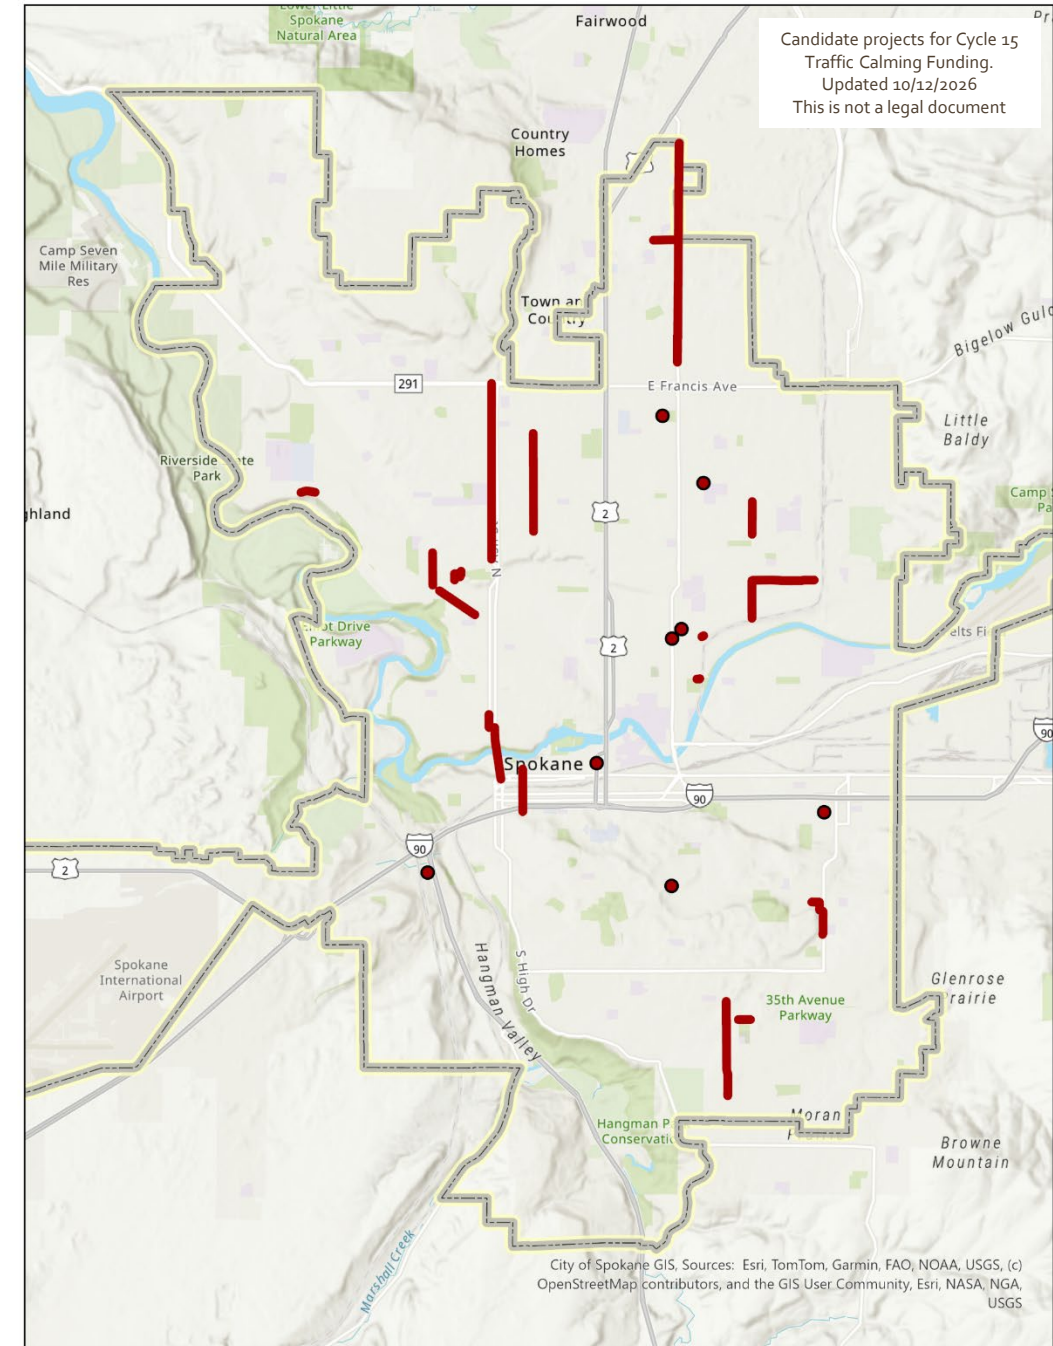

Construction Targets: 2027 and 2028

Budget: \$3.5 million

Target roughly equal funding per council district ~\$1.16 mil

**27 Projects on Narrowed List
(~\$10.8mil – \$11.6mil)**

- District 1: 14 (~\$4.5mil-\$5.3mil)
- District 2: 7 (~\$3.1mil)
- District 3: 8 (~\$3.1mil-\$3.2mil)

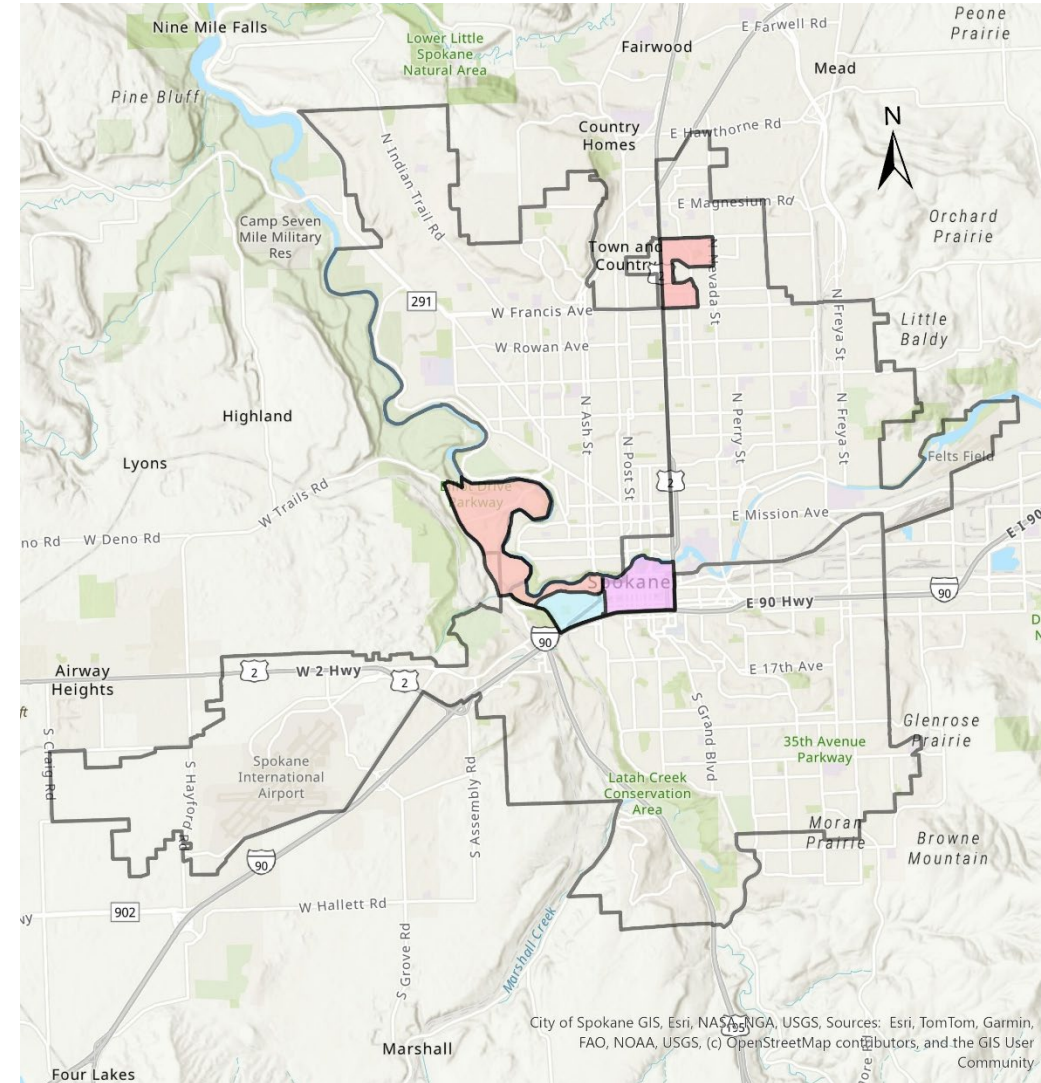

Additional Equity Considerations

RCW 46.63.220 (13)

(i)... use of revenue in census tracts of the city or county that have household incomes in the lowest quartile determined by the most currently available census data... proportionate to the share of the population of the county or city who are residents of these low-income communities ..."

5.6% allocation of \$3.5mil = \$196,000

Additional Equity and Budget Considerations

Council District	Internal ID	Candidate Project Location	Candidate Project Descriptor	Funding Request
D1	C-051	Nevada, Lyons to Hawthorne	PHB at Northpointe, St Thomas Moore Way or Sharpsburg	\$410,000-\$615,000
D1	C-111	Main at Browne	Concrete bumpouts, traffic signal modifications, stop bars, repainted crosswalks, lighting	\$ 493,000
D1/D2	N-002	Jefferson at 3rd Ave/4th Ave to Riverside	Protected Bike Lanes - Possibly funded by another funding source	\$ 750,000
D1/D3	O-001	Maple, Riverside to Broadway	Concrete stairs from Centennial Trail to Maple St Bridge sidewalk, lighting	\$ 692,000

PHB: Pedestrian Hybrid Beacon

Additional Budget Considerations

Does the Commission want to consider recommending 2 years of projects to Council?

Does the Commission want to recommend setting aside some funding to be split among districts for speed humps and painted quick-build features such as bumpouts?
