

TBD – Sidewalk Program 2027 Construction Locations

City of Spokane – Division of Public Works – Integrated Capital Management Dept.

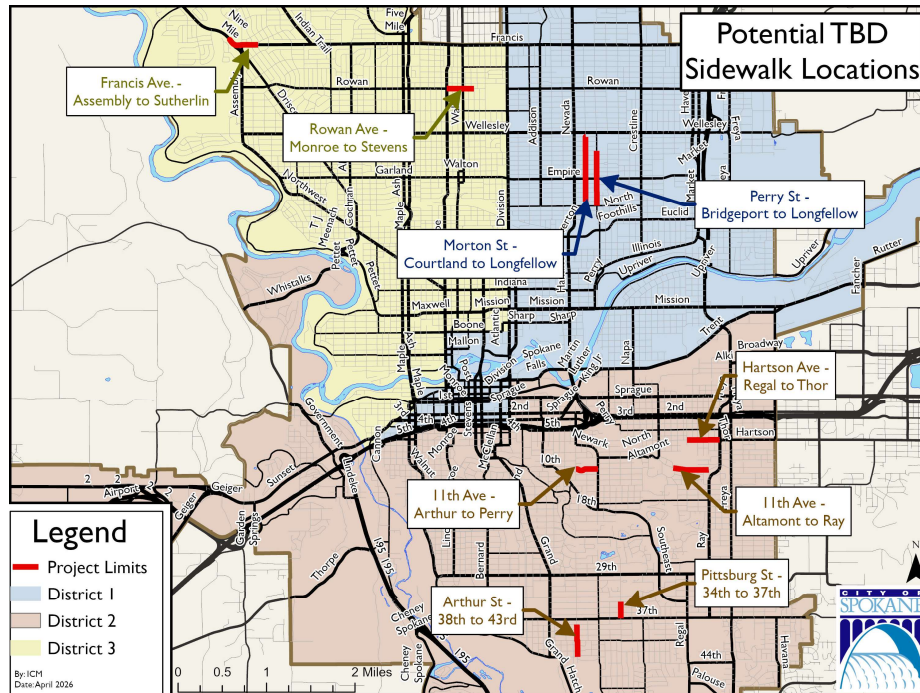

TBD Sidewalk Program Selection for 2027

- The Transportation previously recommended selection of two locations in Council District 2 for 2027 Construction:
 - 11th Ave. – Arthur to Perry (@ Grant Park)
 - Pittsburg St. – 34th Ave. to 37th Ave.
- The Parks Dept. has a future project planned at Grant Park
- Recommend delaying the 11th Ave. location and replacing with an alternative location.
 - Hartson Ave. – Fiske to Thor → same neighborhood (E. Central) as 11th Ave. and similar in size and consistent with the 5th Ave. planning study.

Potential Project Locations:

**Replace 11th Ave.
with Hartson Ave.**

Typical Funding Range:
\$350-400k/yr
