</table>

**Background/History:**

In fourth quarter 2017, discussions began with Pitney Bowes in an effort to get an idea of what modernizing the Mail Center’s technology would involve. Over the course of several meetings involving ITSD, Reprographics, and Utility Billing a solution was proposed. Because of a strong past and existing relationship with Pitney Bowes, and that this is on a state government contract, NASPO, no other bids were sought out. This contract contains Pitney Bowes Relay 7000 Tabletop Inserter, Pitney Bowes SendPro3000 Mailing Machine, Planet Press software, and File Based Processing software and all associated maintenance.

This is a modernization project to replace the aging and limited capability systems that are currently in place. The new systems have expanded capabilities that will enable the Mail Center to offer a wider variety of services to its City department customers. Furthermore, it allows piece by piece tracking of mail through the mail stream, enabling follow up with Utilities customers.

This project spans across three contracts, and between them there is a cost savings seen via eliminated maintenance costs on current equipment, lease and maintenance costs on Xerox printers from the Datacenter, as well as some replacement funds available on current equipment.

**Executive Summary:**

- Lease Contract with Pitney Bowes for Folder/Inserter, SendPro Mailing Machine, and proprietary software.
- Contract term: 5 years – August 12, 2019 through August 11, 2024
- Annual lease and maintenance cost: $45,706.56 plus $4,067.85 sales tax for an annual total of $49,774.41 (5300-73700-18880-54501 = $39,139.05; 5300-73700-18850-54804 = $7,651.84; 5300-73700-18850-54820 = $2,983.52)
- Total contract amount for five (5) years = $248,872.05 including tax.
**Budget Impact:**
- **Approved in current year budget?** [ ] Yes [ ] No
- **Annual/Reoccurring expenditure?** [ ] Yes [ ] No

If new, specify funding source: Cost offsets from replacement of older machines with lease/maintenance/replacement funds.

**Other budget impacts: (revenue generating, match requirements, etc.)**

### Background/History:

In fourth quarter 2017, discussions began with Pitney Bowes in an effort to get an idea of what modernizing the Mail Center’s technology would involve. Over the course of several meetings involving ITSD, Reprographics, and Utility Billing a solution was proposed. Because of a strong past and existing relationship with Pitney Bowes, and that this is on a state government contract, Sourcewell, no other bids were sought out. This contract contains a RISO ComColor GD9630 printer, and all associated maintenance serviced by Pitney Bowes, to be utilized primarily for the printing of utility bill cycles prior to inserting and mailing.

This is a modernization project to replace the current disjointed, and aged, systems for printing utility bills prior to mailing. This new solution has expanded interactivity with other mailing components, streamlines workflow, and enables the Mail Center to offer a wider variety of services to its City department customers.

This project spans across three contracts, and between them there is a cost savings seen via eliminated maintenance costs on current equipment, lease and maintenance costs on Xerox printers from the Datacenter, as well as some replacement funds available on current equipment.

### Executive Summary:

- Lease Contract with Pitney Bowes for RISO ComColor GD9630 Printer
  - Contract term: 5 years – July 15, 2019 through July 14, 2024
  - Annual lease and maintenance cost: $29,478.48 plus $2,623.59 sales tax for an annual total of $32,102.07 (5300-73700-18880-54501 = $24,845.54; 5300-73700-18850-54804 = $7,256.53).

**Operations Impact:**

Requires change in current operations/policy?  ■ Yes  □ No
Specify changes required: The moving of utility bill printing operations from the ITSD Datacenter to the ITSD Mail Center. Also, Reprographics will no longer be pre-printing utility bill forms.

<td>The total grant application is $18,975.83 for TAC team equipment purchase. There is no matching requirement.</td>
</tr>
</tbody>
</table>

**Background/History:**

The need for the TAC Team has increased significantly. The TAC team worked at least 25 events last year and will work at least 35 in 2019. SPD has a history of working well with protestors, but demonstrations can become violent. Political events, including those related to the upcoming Presidential election, can become especially volatile. During large events and demonstrations, officers can be injured from debris flying through the air and objects thrown at them by protestors. The equipment prevents line-of-duty injuries by providing protective cover. The TAC Team has not updated its protective equipment for over 20 years and would like to have the opportunity to apply for a grant to acquire up-to-date equipment.

**Executive Summary:**

SPD would like to submit a request for funding for protective equipment for the TAC team in the amount of $18,975.83. The funding request includes 45 protective riot suits and 20 riot shields, as well as tax and shipping charges. The Firehouse Subs Foundation program funds the total cost of the protective equipment. The equipment is a one-time cost.

Please Apply Early.
Assistance is available through foundation@firehousesubs.com until two weeks prior to the grant deadline.
Please do not contact area restaurants or Firehouse Subs Care center with grants questions.

What does the Firehouse Subs Public Safety Foundation support?
Our Mission is to impact the lifesaving capabilities, and the lives of local heroes and their communities. This is accomplished by providing lifesaving equipment and prevention education tools to first responders and public safety organizations. Requests such as event sponsorships, exercise equipment, and family support services are not supported by our Foundation. See below for more information regarding items that are not supported by our grants program.

Is this grant only available for Fire Departments?
No. Law enforcement, EMS, public safety organizations, non-profits and schools are encouraged to apply for lifesaving equipment.

If my organization has received a grant award from Firehouse Subs Public Safety Foundation in the past, when can we reapply?
We ask that grant recipients wait a minimum of two years from the time of approval before reapplying.

Does the Foundation provide reimbursements for purchased equipment?
Our program DOES NOT provide reimbursements for purchased equipment. If your organization has already purchased the equipment and is requesting reimbursement, please DO NOT apply.

What are the most common reasons a grant application is marked incomplete?
- Quote is missing vendor sales representative first and last name & vendor email address
- Quote is missing name & physical address of the applying organization, and a contact person from the organization
- Online quotes are not permissible
- Quote does not match the dollar amount or quantity requested in the grant application
- Quote includes item(s) that are not being requested in the grant
- Attachments are uploaded that don’t pertain to the grant
- Attachments are missing
- Attachments that are not saved as .doc, .pdf, .jpeg or .xlsx
- Financials are outdated or do not include both revenues and expenses
- Alternate contact information is the same contact information as the main contact information
- The requested equipment does not fall within the Foundation’s funding guidelines

Can my organization submit multiple grant applications?
No, the Foundation does not accept more than one grant request per organization.
Can an individual apply for a fire school or police academy scholarship?
No, however, the Foundation may partner with accredited schools for scholarship programs for individuals pursuing or advancing their career in the public safety sector.

Is the Firehouse Subs Public Safety Foundation grant a matching grant?
There are no matching funds involved in our organization’s grants program.

If my request is more or less than $20,000 will it be denied?
$15,000-$25,000 is a guideline. Requests exceeding $50,000 will not be accepted.

What financial information should we provide?
Submitted financials must meet the requirements below. One of the following options must be submitted. Financials must show revenue and expenses.
- A recent - within one month - Balance Sheet which consists of Assets and Liabilities
- A recent - within one month - Profit & Loss Statement also called an Income Statement
- A current year annual budget showing projected income and expenses
- A previous year audit or 990

What is needed for the required vendor quote attachment?
You must provide an official vendor quote with the following information for your grant request to be considered. Submitted quotes MUST meet the requirements below, please read carefully:
- Vendor sales representative first and last name must be included on quote
- Vendor email address must be included on quote
- The name & physical address of your organization must be included
- The name of a contact person from your organization must be included
- Only one vendor quote can be submitted, our organization no longer accepts multiple quotes.
  If more than one quote is submitted, your application will be marked incomplete

SAMPLE- Visit FirehouseSubsFoundation.org to apply online.

If my department is located more than 60 miles from a Firehouse Subs restaurant, should I still apply?

Our Foundation mainly focuses its resources in areas served by Firehouse Subs restaurants. We recognize the need of rural and volunteer departments throughout the country, and will consider applications outside of the 60 mile guideline.

When can we expect to find out if our grant has been approved or denied?

ALL applicants will be notified of a decision regarding their application within two months of the close of the grant deadline. Please do not contact restaurants or the Firehouse Subs Care Center with questions regarding your grant. For technical assistance or questions other than grant status, email foundation@firehousesubs.com. We offer assistance until two weeks before the grant deadline.

Does Firehouse Subs Public Safety Foundation fund requests for "use of force"?

As per our guidelines, Firehouse Subs Public Safety Foundation does not accept grant requests for "use of force" items such as guns or tasers.

Are there items that your Foundation does not support?

All requests must fall within our Foundation's funding guidelines which can be found on our website via firehousesubsfoundation.org/about-us/funding-areas. Examples of items that are not supported by our board of directors at this time include drones, body cameras, power load systems, exercise equipment, radar detectors, uniforms, recording devices, Narcan, safety education robots and costumes, building exhaust removal systems, security systems, and use of force equipment. The Foundation does not accept requests for refurbished, pre-owned equipment or patent-pending products.

Note: Our organization is unable to accept requests for Philips automated external defibrillator FR models at this time. All other Philips product requests are acceptable.

Does the Foundation only work with specific equipment vendors?

No, the Firehouse Subs Public Safety Foundation does not endorse any specific equipment vendor or brand. It is up to the grant applicant to submit a quote for the requested equipment which will include the brand and manufacturer. As needed, the Foundation's procurement team will evaluate pricing and reach out to other distributors of the same manufacturer and brand.

Does the Foundation fund requests for refurbished equipment?

No, our organization does not accept grant requests for refurbished or pre-owned equipment.

Does the Foundation fund request for patent-pending equipment?

No, our organization does not accept grant requests for patent-pending products.

Does the Foundation accept requests for partial funding?

The Foundation does consider request for partial funding, however, the balance of funds must already be secured and outlined within your grant request. We ask that you include a note about the project and the secured funding as part of your organization's background/history attachment if submitting a request for partial funding.

#### Background/History:

The Innovation and Technology Services Department issued RFP 4495-18 for a project to implement a new Fixed Asset System (FAS). The City’s goal was to select and implement a solution that would capture key departmental fixed asset attributes, capable of performing essential accounting functions such as depreciation, interfaces with the City’s Mitchell Humphrey’s Financial Management System, and allows the accounting team to prepare and distribute both periodic and ad hoc reports. The City chose Mitchell Humphrey’s Fixed Asset module.

#### Executive Summary:

- Contract with Mitchell Humphrey’s for one year for professional services, purchase of Fixed Asset module and annual maintenance fee.
- Requesting $74,403.00 including tax for this this contract.
- Term is June 24, 2019 – June 23, 2020

Background/History: Phase I of the Sprague Avenue Rebuild project, completed in the fall of 2017, was designed to allow for in-lane stops by STA busses for passenger pick-up and drop-off. These stops occur at the four different STA bus stops included in the project (two on each the North and South sides of the street). Numerous constituents and business owners along the E Sprague corridor complained to STA Board members that the in-lane stops of STA busses were causing traffic jams and delays on E Sprague Ave between Helena and Stone Streets. In response to these Concerns, STA Boar Member Al French proposed a motion at the STA Board meeting of April 18, 2019, calling for traffic signals along E Sprague to be prioritized in conjunction with STA bus operations to alleviate these concerns. The Board carried the motion.

Executive Summary:
- The proposal resolves that the City of Spokane supports and endorses the traffic signal prioritization concept contained in the STA Board motion for implementation at intersections along E Sprague Ave. from Division to Altamont St.
- It further resolves that City staff work with STA planning staff to formulate an implementation plan for the concept by October 1, 2019.

RESOLUTION NO. 2019-_____

A Resolution supporting traffic signal prioritization for Spokane Transit Authority buses on high-performance transit routes.

WHEREAS, at its April 18, 2019 meeting, the Spokane Transit Authority ("STA") board passed a motion which requested that STA and City staff work together to create a system for traffic signal priority in conjunction with transit bus operations on East Sprague Avenue; and

WHEREAS, this East Sprague Avenue portion of STA’s bus routes is within both a targeted investment area for the City’s infrastructure investments which support and incentivize further business investment in the area, and a High Performance Transit ("HPT") line planned and to be built by STA; and

WHEREAS, this proposal furthers the City’s Comprehensive Plan, specifically goal TR 11, by which the City commits to “[s]upport[ing] efficient transit operations through street and transit stop designs on transit priority streets that comply with standards and include transit supportive elements, such as shelters, lighting, and schedule information. [The City also commits to] [a]ssist[ing] in implementing the STA Comprehensive Plan”; and

WHEREAS, the City’s Comprehensive Plan states repeatedly the City’s desire and goal to create livable, walkable, vibrant streets and commercial districts, providing transportation choices, committing to efficient transit service, and noting the strong linkages between land use decisions and our transportation network; and

WHEREAS, the City has also invested in enhanced bus loading platforms to enable faster and more efficient loading through this corridor, with similar investments planned for construction on other HPT lines within the City, including the future Central City Line.

NOW THEREFORE, BE IT RESOLVED that the City of Spokane supports and endorses the concept contained in the motion adopted by the Spokane Transit Authority board to create traffic signal priority for high-performance transit lines at key/critical intersections in centers and corridors, starting with the East Sprague Avenue corridor, defined for the purpose of this resolution as Sprague Avenue, from Division Street to Altamont Street.

BE IT ALSO RESOLVED that City staff should coordinate with STA’s planning staff, if so requested, to determine the locations, timing, costs, and process for implementing such signal prioritization, by no later than October 1, 2019.

Passed by the City Council this ____ day of ________________, 2019.

**Background/History:** Provide brief history e.g. this is the 3rd and final 5 year extension of the contract which was put in place in 2007.

Due to the following factors there is a deficit in the Employee Benefits budget. The factors are:

- Prior to 2018 prescription rebates were recorded as a reduction to the claims cost. In a BARS training it was determined these rebates should actually be recorded as revenue. That adjustment was made in 2018. The budget adjustment for 2019 now needs to be made, therefore we are moving the estimated 2019 revenue to the proper budget code.
  - Premera - $600,000
  - Kaiser Permanente - $100,000
- A VEBA for Library employees was agreed to after the 2019 budget was approved. $40,000.00 will be moved from a City revenue fund to a City cost fund. The Library will reimburse the City for this amount.
Executive Summary:
- This request is for $300,000 from the Undesignated Employee Benefits fund in order to pay claims costs. The current balance of the Undesignated Employee Benefits fund is approximately $16 million.

ORDINANCE NO __________

An ordinance amending Ordinance No. C-35703, passed by the City Council December 10, 2018, and entitled, “An ordinance adopting the Annual Budget of the City of Spokane for 2019, making appropriations to the various funds of the City of Spokane government for the fiscal year ending December 31, 2019, and providing it shall take effect immediately upon passage”, and declaring an emergency.

WHEREAS, subsequent to the adoption of the 2019 budget Ordinance No. C-35703, as above entitled, and which passed the City Council December 10, 2018, it is necessary to make changes in the appropriations of the Employees Benefits Fund, which changes could not have been anticipated or known at the time of making such budget ordinance; and

WHEREAS, this ordinance has been on file in the City Clerk’s Office for five days; - Now, Therefore,

The City of Spokane does ordain:

Section 1. That in the budget of the Employees Benefits Fund, and the budget annexed thereto with reference to the Employees Benefits Fund, the following changes be made:

FROM:  
5830-78720-99999-36999 Employees Benefits Fund  
600,000
5830-78721-99999-37210 Employees Benefits Fund

5830-78777-99999-34896 Employees Benefits Fund  
40,000

TO:  
5830-78720-17380-54601 Employees Benefits Fund  
600,000
5830-78721-17380-54601 Employees Benefits Fund  
100,000
5830-78777-17960-54603 Employees Benefits Fund  
40,000

$ 740,000

Section 2. It is, therefore, by the City Council declared that an urgency and emergency exists for making the changes set forth herein, such urgency and emergency arising from the increased claims costs, and because of such need, an urgency and emergency exists for the passage of this ordinance, and also, because the same makes an appropriation, it shall take effect and be in force immediately upon its passage.
