Discussions and Presentations:

Parking Services became its division in December 2021

Phase 1- Meters were installed starting week 5/16/22. Poles will be left in place for now but will be removed and then reinstalled in Phase 2 to avoid customer confusion. We'll be painting the poles black and re-purposing excess poles to make bike racks.

During rollout week Parking Enforcement was doing light enforcement of the new meters, education, and warnings. We will move into tickets the week of 5/30.

Phase 2 (June/July) will be delayed due to shipping, phase 2 should be a smoother rollout. Park Mobile will also roll out in phase 2 with the Fleet option.

Recalled 2nd Meter Bag- April 18th, 2022

Discussion of review presentation:

We need to have PAC recruitment in writing.

Downtown Resident- Vacant applications need to be sent to Council

Small Business Owner- Vacant

Recommendations to have an open house to discuss the new meters, commercial loading zones, parking revisions

We are changing multiple 10 minute meter zones and commercial loadings zone; more information in the next two months.

Parking system revenue and operations update:

New/Old Business: The PAC has (3) vacant positions on the Committee.

The meeting adjourned at: 3:15
