Discussions and Presentations:

We're revisiting the Parking Study trying to achieve our goals.

Parking Meter Phase 1- was successful and little issues. Phase 2 is Scheduled to start North of Spokane Falls Blvd.

Park Mobile will move forward as our mobile app. Passport will not be able to fulfill RFP requirements.

LPR time-stay location pilot (Lower use locations)- if effective we will move to other locations to not use resources. We will also minimize locations of payments.

Discussed what role the City wants from the PAC. How does the city want to advise the PAC, get ideas instead of hearing after the fact. PAC wants to know if their opinion is valid.

ARPA Funding- What is the intent? We need to made while, get parking support.

Parking system revenue and operations update:

New/Old Business: The PAC has (3) vacant positions on the Committee.
