Discussions and Presentations:

Andrew Rowles- BID presented several ideas for 2023

Spot- URL for wayfinding locations, meter parking and time stay.

Cleverciti- Works with the curb line, GIS for real- time parking (Occupancy Center)

What kind of program are we trying to solve with Park Spokane, Parking Study Update?

Our goal is to help people find parking!

Expense vs resources available. We need to resolve the funding sources, who would this be assigned to? Budget for future years. Advance the program and ensure turnover and demands with on/off street parking.

Smart/handheld wayfinding signage. How can we fund an electronic way- finding system? We don't have funds in the 2023 budget.

Pilot Ideas – downtownspokane.org website, partners, Iluvspokane website.

Feel Safe walking from downtown to events across the parks. The park is well-lit, communicate, create a video, and put a live cam feed on a website.

Have been working on wayfinding for 10+ years, why are we still struggling? How can we make it happen, realistic goals?

Parking system revenue and operations update:

The proposed pilot project in coordination with Bing and Knitting Factory

Reservation placards will be repositioned on meters to help visibility

Brow Light pilot program for better visibility in darker areas

All Day Meters- Rate Change All Day Rates on remaining meters will increase from 40 cents/hour to 50 cents/hour beginning of 2023. Follows Fee Schedule (SMC 08.02.083, Fees & Changes)
