

City of Spokane Emergency Management

Quarterly Update to City Council
June 2026

Emergency Management Program Goals Overview

Four strategic pillars for an emergency management program against a white background. Each pillar is color-coded and numbered, with a small icon at the top and bold black text describing a core goal.

Goals 1&2: Establish the Program & Build Capabilities

- **SMC 02.04 Update:** Emergency Management Sections Updated
- **Communications & Marketing Division** Tabletop Exercise
- **City Emergency Operations Center (EOC)** Tabletop Exercise
- **Annual Neighborhood Wildfire Evacuation Drill:** Latah-Hangman/Eagle Ridge (After Action Report forthcoming)

A photo of motor vehicles queued on the street in a residential area, on a partly cloudy spring day.

Goals 3&4: Foster Resilience & Support Collaboration

- **Community Workshop:** Disaster Preparedness for Immigrant Communities
- **Community Workshop Partnership:** Disaster Preparedness for the Deaf and Hard of Hearing
- **Latah Valley Community Open House**
- **Black Earth Day**
- **Neighborhood Council Presentations:**
 - January and March- Latah/Hangman
 - April- Indian Trail

An audience seated inside a building, observing a presentation by a standing speaker accompanied by a seated American sign language interpreter.

Upcoming Work

- **Annual City Hall Fire Drill to test the City Hall Emergency Action Plan**
- **Wildfire Evacuation Planning Project (Ladris)**
- **Maddie's Place Emergency Operations Plan Tabletop Exercise**
- **New Emergency Action Plan (EAP) for City's Nelson Campus & Fire Drill**
- **FIFA World Cup City Emergency Operations Center (EOC) Activations**
- **EOC readiness for summer events:** Juneteenth Celebrations, Hoopfest, Spokane Pride, 4th of July Celebrations,
