Background and Purpose

Spokane Tourism and Cultural Investment (TACI) grants are a funding pool for organizations working to bolster Spokane's tourist and cultural environment. The fund comes from state law RCW 67.28.1817, which creates a lodging excise tax that is paid per bed stay at a hotel. Revenue from that tax is then used to fund opportunities that increase tourism. Awarded funds should bring more tourists to the city and promote Spokane's overall cultural environment. Additionally, the TACI committee is most interested in funding new and innovative events and/or events that have been traditionally under-resourced. Organizations that apply should anticipate getting established and eventually decreasing their reliance on these funds over time.

TACI grants will be for events held between Jan 1st, 2027, and Dec 31st, 2027

Grant Application Opens: September 15th, 2026,

Deadline for Questions: September 30th, 2026

Application Deadline: October 15th, 2026

Notification of Award: Nov 6th, 2026
