WHEREAS, the City of Spokane Comprehensive Plan designates downtown as the City's only Regional Center and directs resources towards planning the growth and development of this center; and

WHEREAS, this update to the City's downtown specific plan is intended to stimulate economic activity by providing guidance for future development and design, support an active community through the provision of pedestrian and bicycle facilities, create new housing choices to attract population growth, preserve and enhance historic character, enhance economic, social, and cultural opportunities for the city and region, and work towards sustainable growth for Downtown; and

WHEREAS, the downtown planning area boundary has been expanded to the east to include all portions of the 2020 South University District Subarea Plan under Ordinance C35925 and Resolution 2020-0060; and

WHEREAS, in 2019, the City of Spokane and the Downtown Spokane Partnership ("DSP") agreed to replace "Fast Forward Spokane: Downtown Plan Update" providing a vision and a new set of goals and recommendations for Downtown in a manner consistent with public input; and

WHEREAS, as outlined in RCW 36.70A.035 the public participation requirements of the GMA were met through information provided to the community through postings on the City's website; through the formation of a steering committee comprised of business representatives, residents, downtown employees, community organizations, and others with known interests in the Downtown; through public hearings, open houses, workshops,

WHEREAS, on April 13, 2021 the Washington State Department of Commerce and appropriate state agencies were given the required 60-day notice before adoption of proposed changes to the Comprehensive Plan, per RCW 36.70A.106; and

WHEREAS, prior to the Plan Commission hearing, staff requested comments from agencies and departments and the required public notice was published in the Spokesman-Review on Wednesday, April 28, 2021, and May 5, 2021, giving notice of the May 12 Plan Commission public hearing and SEPA Checklist and DNS; and

WHEREAS, on May 12, 2021, the City Plan Commission held a public hearing on the proposed subarea plan, where the Plan Commission heard testimony from the public; and

WHEREAS, consistent with Spokane Municipal Code 17G.020.030, the Plan Commission found that the proposed "Spokane Downtown Plan" meets the decision criteria for Comprehensive Plan Amendments; and

WHEREAS, the Plan Commission deliberated on consistency of the proposal, adoption of the Spokane Downtown Plan, amendment to the Comprehensive Plan by its adoption, and repeal of the 2008 plan, on May 12, 2021; and

WHEREAS, during the deliberations held on May 12, 2021, the Plan Commission voted to modify the proposal to add two new actions proposed by the DSP: one related to police presence Downtown (described in the hearing as Action PS1.3), and another related to monitoring housing and shelter for low-income residents and residents experiencing homelessness (described in the hearing as Action WO1.5); and

WHEREAS, by a vote of 6 to 0, with one member abstention, the Plan Commission recommended approval with modification to the proposal of the "Spokane Downtown Plan" proposed amendment to the Comprehensive Plan, as amended to include the additions of PS1.3 action and WO1.5 action as presented by the DSP; and

WHEREAS, the Plan Commission's Findings of Fact, Conclusions, and Recommendations regarding the "Spokane Downtown Plan," and the related files are hereby incorporated into this ordinance; and

WHEREAS, the Plan Commission further recommends that the City Council take simultaneous legislative action to repeal the 2008 plan and that all City policy documents and Spokane Municipal Code citations pointing to the repealed document be construed to reference the 2021 "Spokane Downtown Plan" until such time as policy and codes can be updated with the rewritten document title; -- Now, Therefore,

The Growth Management Act provides that proposed amendments to a comprehensive plan may be considered by the governing body of a city no more frequently than once per year, but further provides that, so long as a subarea plan clarifies, supplements, or implements city-wide comprehensive plan policies, and so long as the cumulative impacts of the proposed subarea plan are addressed by appropriate environmental review under chapter 43.21C. RCW, the initial adoption of a subarea plan may occur outside of this annual process.
- C. The City of Spokane Comprehensive Plan has identified downtown Spokane as the Regional Center and directs resources towards planning the growth and development of this center.
- D. In 2019, the City of Spokane and the Downtown Spokane Partnership agreed to replace "Fast Forward Spokane: Downtown Plan Update" providing a vision and a new set of goals and recommendations for Downtown in a manner consistent with public input. The City Council established the Downtown Plan as part of the Plan Commission's 2019-2020 work program on February 25, 2019, under Resolution 2019-0010.

- J. Outreach and public communication beginning in September 2019 included a project web page, three online surveys on issues and priorities for the subarea, a recorded video about the subarea planning process replayed on City Cable 5 and the City's web page, appearances at public events, email updates to interested parties, and a mailing of more than 4,600 brochures to all property owners and taxpayers of record, as shown by the most recent Spokane County Assessor's record, and occupants of addresses of property located within the expanded Downtown Planning Area announcing key events and opportunities to provide input on the planning process.
- K. On October 22, 2019, City Planning Department and Downtown Spokane Partnership staff and consultants from the firm Framework of Seattle, Washington, held a Public Workshop following a series of stakeholder focus groups to involve a wide range of participants with distinct interests to share their insights about the subarea and help shape a vision statement and policy framework for development of a more focused proposal.
- The draft *Spokane Downtown Plan*, prepared by Framework, includes a vision, goals, and policies that outline the future of growth and development desired in the Downtown subarea, based on a review of existing adopted policies and regulations relating to development in the subarea and input from stakeholders and the public at large.
- M. From October 2019 to April 2021, staff gave more than 20 presentations on the draft subarea plan and received feedback from interested groups such as property owners, business associations, neighborhood councils, civic groups,

- City departments and agency representatives on a technical work group, and the Spokane Design Review Board.
- N. Staff hosted additional public meetings in February 2020 and March 2021 to receive feedback on a draft vision statement, goals, and policies and draft concepts for development regulation changes in the subarea. The City provided notice of the open house meetings by advertising on its website and via email notice to neighborhood councils and interested parties.

- P. On January 17, 2021, the Plan Commission established a Downtown Plan subcommittee. Three Plan Commissioners and a Design Review Board member participated in two virtual meetings on February 17, 2021 and March 3, 2021, and issued a report and recommendation to the Plan Commission on March 17, 2021.
- Q. On April 13, 2021, pursuant to RCW 36.70A.106, the City notified the Washington Department of Commerce of its intent to adopt the subarea plan as a Comprehensive Plan amendment. The same day, the City received an acknowledgement letter from the Department of Commerce.
- R. On April 28, 2021, the responsible official issued a State Environmental Policy Act (SEPA) Determination of Non-Significance for the proposed amendments to the Comprehensive Plan. The public comment period for the SEPA determination ended on May 12, 2021.
- S. On May 5, 2021, the City caused notice of the proposed subarea plan and associated Comprehensive Plan amendment application, notice of SEPA determination, and announcement of the Plan Commission's May 12, 2021 hearing to be published in the City's Official Gazette. The Notice and announcement was also published in the Spokesman-Review on April 28, 2021 and May 5, 2021.
- T. On May 12, 2020, the City Plan Commission held a public hearing on the proposed subarea plan and Comprehensive Plan amendment, where the Plan Commission heard testimony.

- U. During the deliberations held on May 12, 2021, the Plan Commission voted to modify the proposal to add two new actions proposed by the Downtown Spokane Partnership: one related to police presence Downtown (described in the hearing as Action PS1.3), and another related to monitoring housing and shelter for low-income residents and residents experiencing homelessness (described in the hearing as Action WO1.5).
- V. As a result of the City's efforts, pursuant to the requirements of SMC 17G.020.070, the public has had extensive opportunities to participate throughout the process and persons desiring to comment were given an opportunity to comment.
- W. The Plan Commission finds that the proposal meets the decision criteria established by SMC 17G.020.030, as described in the Staff Report.
- X. Except as otherwise indicated herein, the Plan Commission adopts the findings and analysis set forth in the Staff Report prepared for the proposal.

CONCLUSIONS:

Based upon the application materials, staff analysis (which is hereby incorporated into these findings, conclusions, and recommendation), SEPA review, agency and public comments received, and public testimony presented regarding the proposed subarea plan, as modified during deliberations, the Plan Commission makes the following conclusions with respect to the review criteria outlined in SMC 17G.020.030:

- 1. The draft *Spokane Downtown Plan* reflects stakeholder priorities for subareaspecific implementation of land use, transportation, economic development, and social health goals adopted in the Comprehensive Plan.
- 2. The proposed subarea plan amendment to the Comprehensive Plan implements the recommendations of a subarea planning process that clarifies, supplements, or implements city-wide comprehensive plan policies as described in RCW 36.70A.130.
- Interested agencies and the public have had extensive opportunities to participate throughout the process and persons desiring to comment have been given that opportunity to comment.
- 4. The proposal is consistent with the goals and purposes of the Growth Management Act.

- 5. Any potential infrastructure implications associated with the proposal will either be mitigated through projects reflected in the City's relevant six-year capital improvement plans or through enforcement of the City's development regulations at time of development.
- 6. As outlined in above in the Findings of Fact, the proposal is internally consistent within the meaning of SMC 17G.020.030(E).
- 7. The proposal is consistent with the Countywide Planning Policies for Spokane County, the comprehensive plans of neighboring jurisdictions, applicable capital facilities plans, the regional transportation plan, and official population growth forecasts.
- 8. The proposal has been evaluated by geographic sector and land use type in order to facilitate the assessment of the cumulative impacts.
- 9. SEPA review was completed for the proposal, and pursuant to SEPA, any adverse environmental impacts associated with the proposal will be mitigated by enforcement of the City's development regulations.
- 10. The proposal will not adversely affect the City's ability to provide the full range of urban public facilities and services citywide at the planned level of service, or consume public resources otherwise needed to support comprehensive plan implementation strategies.
- 11. The proposed land use designation is in conformance with the appropriate location criteria identified in the comprehensive plan (e.g., compatibility with neighboring land uses, proximity to arterials, etc.).
- 12. The new subarea plan is designed to provide correction and additional guidance so the community's original visions and values can better be achieved as described in the staff report.
- 13. The proposal includes guidance for future development regulation changes, but acknowledges those changes would occur as part of a future process with further study and analysis before implementation, thereby preserving consistency between the comprehensive plan and supporting development regulations.

RECOMMENDATIONS:

In the matter of Downtown subarea planning, requests by the City of Spokane to adopt an ordinance amending the City of Spokane's Comprehensive Plan by repealing "Fast Forward Spokane Downtown Plan Update" passed on December 22, 2008; and adopting a new subarea plan, "Spokane Downtown Plan."

As based upon the above listed findings and conclusions, by a vote of 6 to 0, with one abstention, the Plan Commission takes the following actions:

- (1) Recommends to City Council the **APPROVAL WITH MODIFICATION** to the proposal of the requested amendment to the City's Comprehensive Plan, as amended during deliberations to include the additions of PS1.3 Action and WO1.5 Action as presented by the Downtown Spokane Partnership; and
- (2) Authorizes the President to prepare and sign on the Commission's behalf a written decision setting forth the Commission's findings, conclusions, and recommendation on the proposal.

Council Member Kinnear's Proposed Additions to the Downtown Plan:

Add the following Action under Strategy PS1:

PS1.3 ACTION: Continue the presence of a fully staffed, centralized downtown precinct.

The City should continue to encourage officer visibility and outreach downtown to further the implementation of community-oriented policing. Implementing neighborhood and community-oriented policing is a value established in Chapter 10 of the City of Spokane's Comprehensive Plan. Continuing to maintain an accessible downtown precinct is key to successful implementation of this Comprehensive Plan value.

Add the following Action under Strategy W01:

W01.5 ACTION: Monitor housing and shelter for low-income residents and residents experiencing homelessness.

Encouraging housing for the low-income and homeless throughout the entire city is a value established in Chapter 6 of the City of Spokane's Comprehensive Plan. To implement this value downtown, the City and the DSP should coordinate with public and private agencies and other appropriate entities to evaluate existing needs, facilities, and programs relative to health and human services downtown.

5. AMENDMENT.

SECTION NO. 8 (B) 3 – PAYMENT PROCEDURES. The original Agreement is amended as follows:

The CITY shall pay the GRANTEE only for actual costs upon presentation of accurate and complete forms as provided by the CITY in Attachment B Attachment 2, and approved by the CITY. Only those allowable costs directly related to this Agreement shall be paid. The amount of each request must be limited to the amount needed for payment of eligible costs.

Requests for payment by GRANTEE shall be submitted no more than twice per month (unless prior written approval by CITY is obtained by GRANTEE) on or before the 10th of each month and the 24th of each month for the appropriate pay period costs, using the forms provided by the CITY in Attachment B Attachment 2. For expenses incurred during the month of December, the payment request shall be submitted on or before the 8th of January and for expenses incurred during the month of June, the payment request shall be submitted on or before the 8th of July. In conjunction with each

payment request, GRANTEE shall certify that services to be performed under this Agreement do not duplicate any services to be charged against any other grant, subgrant or other founding source. GRANTEE shall submit payment requests to the CITY's Contract Representative designated on the Face Sheet of this Agreement either by mail to the address listed above or by e-mail to chhsreports@spokanecity.org.

GRANTEE shall submit the billing form and a payroll summary report to the CITY's Contract Representative on the 10th of the month and on the 24th of the month for the appropriate pay period. The GRANTEE shall expend all payments received from the CITY for services provided under this Agreement on the regularly scheduled pay date of the 5th of the month or the 20th of the month, whichever is appropriate. Proof of expenditure, including a copy of the general ledger report and time and effort tracking, shall be submitted to and accepted by the CITY's Contract Representative before a subsequent payment can be requested by the GRANTEE. Requests for payment shall not exceed the amount as outlined in Section 3 of this Agreement.

Payment will be made via check or direct deposit/ACH in a timely manner to ensure that the GRANTEE can issue payment to employees on the regular scheduled pay date. If the CITY objects to all or any portion of the invoice, it shall notify the GRANTEE and reserves the right to only pay that portion of the invoice not in dispute. In that event, the PARTIES shall immediately make every effort to settle the disputed amount.

In the event that the CITY determines any funds were expended by the GRANTEE for unauthorized or ineligible purposes, or the expenditures constitute disallowed costs in any other way, the CITY may order repayment of the same. The GRANTEE shall remit the disallowed amount to the CITY within thirty (30) days of written notice of the disallowance.

- a. The GRANTEE agrees that funds determined by the CITY to be surplus upon completion of the Agreement will be subject to cancellation by the CITY;
- b. The CITY shall be relieved of any obligation for payments if funds allocated to the CITY cease to be available for any cause other than misfeasance of the CITY itself; and
- c. The CITY reserves the right to withhold payments pending timely delivery of Program reports or documents as may be required under this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement Amendment by having legally-binding representatives affix their signatures below.

Information & Instructions for Completing Grantee Billing Form & Itemized Expense Reports

A reimbursement request, otherwise known as a bill or invoice, consists of a Grantee Billing Form, Payee Expense Report, Staff Expense Report and detailed documentation of the expenses. The billing form includes the approved budget categories and amounts during the active performance period of the Agreement. The Payee Expense Report and Staff Expense Report should be completed to detail each itemized expense being requested on the billing form in the Current Expense Request in Column B in aggregate value for each Approved Budget Category for the current expense period.

You should bill monthly for expenditures. If there have been no expenditures paid for the previous month, an invoice is not required. Please submit a final reimbursement request with all required documentation by the identified date in your Agreement. A final program report will be required to be submitted as well. You will not be paid until all documentation and final reports are received. HMIS Data MUST be electronically posted in the HMIS database before invoices will be paid.

Complete the Staff Expense Report for each employee you are requesting reimbursement of salary and fringe benefits based on the allowed activity and amount of actual time spent performing that activity. Record the employee Name, allowed Activity being funded, the Expense Category of the approved budget applicable to the activity, Total Hours Worked, Hours Worked on Listed Activity, and Total Salary & Fringe paid during the Expense Period. If you are claiming indirect costs, indicate whether or not each expense is included in your indirect cost base. Total Salary and Fringe should be reflected as the monthly amount. If your grant supports more than one project, complete the Project Name column to clearly associate each expense with a single project.

Complete the Payee Expense Report for the project expenses that are not staff salary/benefits or housing assistance. Record the Payee (who you paid), Expense Category (Rapid Re-Housing, Emergency Shelter or Administration), Expenditure Type (Rent, Housing Stabilization, Program Operations, etc.), Total Bill (total amount of expense). If you are claiming indirect costs, indicate whether or not each expense is included in your indirect cost base. If your grant supports more than one project, complete the Project Name column to clearly associate each expense with a

Complete the Housing Assistance Detail Report for each housing assistance expense (rental application fees, rental assistance, security deposits, etc.) you are claiming reimbursement for. Record the HMIS client ID number, housing assistance expense type (application fee, security deposit, rent assistance, etc.) unit/FMR info if known, client lease information if known, and reimbursement information. If your grant is providing housing assistance through two or more projects, complete a Housing Assistance Detail Report for each one. If needed, complete the Housing Assistance Adjustment Report to explain changes to previously reported housing assistance expenses charged to the grant including Adjustment Reason.

Complete the Match Report for any project requiring a match contribution in accordance with the Agreement. Record the expense, match type, and cost information and submit it in conjunction with the reimbursement request on the schedule as listed in the Agreement. Do not submit the Match Report if you are not claiming match.

Complete the Program Income Report for any program income earned by the project. Record the expense information, amount, and any notes in the report and submit it in conjunction with the reimbursement request. Do not submit the Program Income Report if the project did not earn program income.

The billing form and itemized expense reports MUST be signed in ink. The formulas should not be changed or adjusted in the form(s).

Sign in ink, provide title, date, email address and telephone number before sending for approval and payment processing to City of Spokane Community, Housing, and Human Services Department.

Documentation Required for Billing Forms:

All requests for reimbursement must be supported by documentation necessary to show that the costs charged to the grant funds were incurred during the active performance period of the Agreement, were actually paid out, were allowable items and have been approved by the responsible official within the organization. For example:

Salary and Fringe – receipts, payroll reports, timesheets signed by the employee and the immediate supervisor, letters of employment that include rate of pay, benefits and employee withholdings. For staff directly charged to a grant funded program or project time and attendance records should be included as well. Other sources of documentation might include, canceled checks from employees, insurance provider, etc. or evidence of direct deposits which document outlay of expenses. 100% of the time daily must be recorded for all hours worked by activity performed. This is required for all federally funded grant positions.

Rent/Utilities – proof of payment to vendor, rental or lease agreement, utility bills. If the cost of the space or utilities is split between grant funded and other sources, there must be a reasonable method in place to allocate the charges fairly among the sources and the method provided.

Supplies and Materials (all Goods) – proof of payment to vendor, purchase orders, requisition forms, receipts, and invoices from vendors. It's also helpful to keep information regarding where the supplies are stored and for what program or project are they being used in the organizations' internal file.

Equipment – proof of payment to vendor, purchase orders, requisition forms, receipts, and invoices from vendors. Packing slips are only proof of delivery and do not act as an invoice from the vendor. If the item received is an inventorial piece of equipment, the serial number, model, and inventory tag should be noted on the purchase order or invoice from the vendor.

Other – proof of payment, receipts, invoices from vendor. Please contact the City for specific questions on required documentation.

Admin/Indirect Costs – methodology of application applied in accordance with Federal Guidance on allocation of direct costs for non-profits using the base most appropriate (for federally funded agreements) or applied in accordance with a methodology that the City has approved the use of (for agreements funded with non-federal sources).

If you are allocating either direct expenses or indirect expenses using a rate other than a federally negotiated rate or the deminimis rate (10% MTDC) the use of your allocation plan must be approved by the City prior to you charging the grant program. The allocation should consist of your pooled costs or cost basis and the narrative for the methodology applied to determining the calculated rate or percentage. Direct expenses allocated usually include utilities, rent, agency liability insurance, and may include staff paid time allocated as well.
