## Key Takeaways

- Transitional Housing interventions have improved long term outcomes for permanent housing placement and retention.
- Those placed into permanent housing have a 96% retention rate.
- Our projects with actual beds attached (i.e. not eviction prevention) served over 6,400 individuals in 2025 and this is a fraction of those we serve.
  - With only 4% of those served returning

## Areas of Focus

- Ongoing support and refinement of outreach and navigation programs
- Seeking opportunities to expand access to transitional housing
- Continued upstream work to stabilize households at risk of homelessness
