Lime Contract Renewal
2027 - 2028

Urban Experience
May 18, 2026

The City of Choice

Contract Renewal

- Contract terms:
 - Initial term: 2024-2026
 - Two optional 2-year extensions
- We are using the 1st of the optional 2-year extensions with Lime
- Currently working on contract amendments

The City of Choice

Proposed Contract Amendments

1. Winter Operations- reduced fee during winter
2. Lime Gliders- seated scooter
3. Increase of fleet cap to 2,000 devices in 2026

The City of Choice

2025-2026 Winter Operations

November 1 – March 30

In 2025-2026, due to mild winter conditions Lime was able to continue service throughout the winter months.

Resulting in:

- 113,828 total trips
- 558 median trips per day
- January 8 had the fewest trips of the winter: 84
- March 7 had the most trips of the winter: 2720
- Q1 2026 total trips: 63,000

The City of Choice

Enforcement

Doubled number of warnings and fines for improperly parked scooters/bikes or bad ridership.

Example of an improperly parked scooter.

The City of Choice

Lime Vision

- Sidewalk riding mapping and detection technology
- Lime is working on implementation in Spokane. Using Scooter with cameras to map the sidewalks and roads.
- This technology reminds users to stay off restricted sidewalks
