Meghann Steinolfson
4th Floor, 808 W Spokane Falls Blvd.
Spokane, Washington 99201

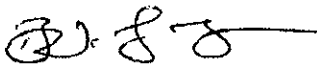

Dear Ms. Meghann Steinolfson,

I am an astute professional with over 25 years of experience in the US Marine Corps. I am driven, yet a flexible leader who thrives on challenges. I have been consistently challenged to do more with less during my career, which has elevated my creativity and out of the box thinking as hallmarks of my management style. I have a solid background in criminal justice with over 20 years of service as a military policeman with 5 additional years in the intelligence field.

When I saw the opportunity for the Interim Police Ombudsman in Spokane, I was pleased to know there was an opportunity where I could transition immediately from the military into an impact job where I could make a difference. While serving as the Marine and Naval Attaché in Amman, Jordan, I was tasked with providing ground truth reporting for national level requirements. I was very successful in this endeavor despite serving in a high stress and complex environment. While serving as Provost Marshal (Police Chief) at Marine Corps Air Station Beaufort, SC, I was specifically tasked responding to complaints against members of the police department in order to ensure that the department was responding to incidents appropriately and treating complainants with the utmost respect, while simultaneously assuaging some of the angst and negative perceptions against the police department. The work and focus it took to achieve those priorities provided some of the highest job satisfaction that I have ever enjoyed.

I strongly believe my talents and skillsets would be valuable to the Interim Police Ombudsman position. I would very much like the opportunity to meet and find out more about the position and tell you more about my experience that has been honed throughout my career. Thank you for your consideration and I look forward to hearing from you.

Sincerely,

Bart Logue
