## WHAT IS CFTC?

*Facilitating impacts to Spokane*

Cleaning from the Corridor (CFTC) aspires to create projects that leave a lasting impression and impact on an area for those who live, work and play. Annually, 400+ volunteers work together to contribute to CFTC, and you're invited to join in the fun! This year, the focus of CFTC has planned an exciting event that incorporates placemaking, community, clean up and collaboration in the East Sprague Targeted Investment Pilot (TIP) area.
