To: Sydney Hanson, MA / Transportation Archaeologist

This letter is in reference to the agency comments received by the City of Spokane regarding the SEPA for AJ Development Commercial Development at 6219 N Myrtle St.

As the lead agency for this SEPA process, the City of Spokane's role is to review the application and relevant comments and uphold the applicable laws in a consistent, predictable, and reliable manner.

Thank you for your comments regarding the SEPA for this project. We have reviewed all the letters and forwarded them to the applicant, Paul Harrington of South Henry Studios. These comments will become part of the record and will be taken into consideration before a final determination is made regarding this project's environmental significance.

Thank you for your time and input regarding this matter. If you have additional questions, you can contact me at (509) 625-6992.

Best Regards,
