SUBJECT: SEPA Checklist for a 200,000 SF concrete tilt-up building for light industrial use. Site development includes loading docks and truck court, circulation aisles, and parking for passenger vehicles. Water, sewer, storm, power, gas, and internet utilities will also be provided with this development.

REPORT NEEDED BY: June 17, 2021. A copy of the Environmental Checklist is enclosed for your review and comment. If additional information is required or needed for your department or agency to comment, please contact the Planning and Development Department or the Applicant as soon as possible. If no comments are given by the date indicated above, we will assume that there are no comments relative to the environmental review and will base our determination on the existing information.

The lead agency is likely to issue a Determination of Non-Significance for this project. Please note that this may be the only opportunity to comment on the environmental impacts of the project. The lead agency is using the optional DNS process for this project as outlined in WAC 197-11-355.
