

THPO GEO 05-05 Consultation

Project: Gonzaga Family Haven

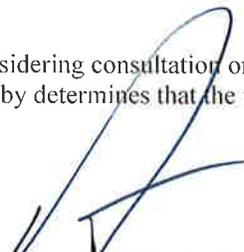

Re: Documenting GEO 05-05 consultation

The City commenced GEO 05-05 formal archeological consultation per Governor's Order 05-05 for Washington State assisted construction to include ground disturbance. The City initiated consultation with the following tribe identified by Commerce as having interest in the City of Spokane.

Thirty days have passed since tribal receipt of the consultation letter. Consultation results are as follows:

Tribe	Initiated Consultation	Consultation Received	Comment
Confederated Tribes and Bands the Yakama Nation	4/6/20	None	None

Considering consultation or lack of consultation to well documented tribal consultations, the City hereby determines that the property has no tribal-documented resources.
