

THPO Section 106 Consultation

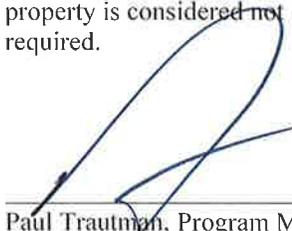

Project: Gonzaga Family Haven

Re: Documenting THPO Section 106 consultation

The City commenced Section 106 archeological consultation per NEPA for federally assisted construction to include ground disturbance. The City initiated consultation with the following four tribes identified on TDAT as having interest in the City of Spokane. Thirty days have passed since tribal receipt of consultation letters. Section 106 consultation results are as follows:

Tribe	Initiated Consultation	Consultation Received	Comment
Spokane Tribe of Indians	3/20/20	4/1/20	Requests Survey
Coeur d'Alene Tribe	3/19/20	None	None
Kalispel Tribe	3/23/20	None	None
Warm Springs Confederated Tribes	3/19/20	None	None

Considering consultation and lack of consultation to well documented tribal consultations, the City hereby determines that the property has no documented resources and is not eligible for inclusion in the National Register. The City will proceed with its NEPA review per 36 CFR 800.3(c)(4). The property is considered not eligible for inclusion in the National Register and no further review is required.
