SUBRECIPIENT RELATIONSHIP WITH THE CITY OF SPOKANE

The City of Spokane will enter into a subrecipient agreement with successful applicants. The City defines a Subrecipient as an entity that receives a subaward from a pass-through entity (City of Spokane) to carry out eligible activities as defined in federal, state, or local regulatory guidance.

GENERAL REQUIREMENTS

- Proposals must be for warming centers as defined in the project type
- Agencies awarded funds will maintain an active City of Spokane business license and provide a copy of this license with the application
- Agencies awarded funds will maintain an active Universal Entity Identifier (UEI) number (see below) and provide the UEI number in the application.
- Agencies awarded funds will maintain the following minimum insurance thresholds and submit proof of insurance with the application:
 - General Liability Insurance on an occurrence basis with a combined single limit of not less than \$1,500,000.00 each occurrence for Bodily Injury and Property Damage. Supplemental umbrella insurance coverage combined with the General Liability Insurance of not less than \$1,500,000.00 each occurrence for Bodily Injury and Property Damage is also acceptable. It shall provide that the CITY, its agents, officers and employees are Additional Insureds but only with respect to the GRANTEE's services to be provided under this Agreement; and
 - Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000.00 each accident for Bodily Injury and Property Damage, including coverage for owned, hired or non-owned vehicles.
- Agencies awarded funds will not sub-award funds to any other entity.
- Awarded funds will be paid to Subrecipient for eligible expenses on a **reimbursement** basis.

Note: Beginning on April 4, 2022, as part of the federal government's transition for all federal awards, all entities doing business with the federal government will use the Universal Entity Identifier (UEI) assigned by the General Services Administration (GSA) through the System for Award Management (SAM.gov). Therefore, the U.S. Department of the Treasury (Treasury) will no longer be able to accept a Data Universal Numbering System (DUNS) number as a valid identification number.

What is the UEI?

Beginning April 4, 2022, the federal government will stop using the DUNS number issued by Dun & Bradstreet to uniquely identify entities. At that point, entities doing business with the federal government will use a Unique Entity Identifier (UEI) assigned in [SAM.gov](https://sam.gov) and will no longer use a third-party website to obtain their identifier. Entities are able to manage organizational information, such as legal business name and physical address associated with a UEI, directly from [SAM.gov](https://sam.gov).

What does this mean for Recipients?

No action is required if you have an existing and active registration in [SAM.gov](https://sam.gov). If you are registered in [SAM.gov](https://sam.gov), your UEI has already been assigned and is viewable in your [SAM.gov](https://sam.gov) account. Your UEI is located below the DUNS number on your entity registration record. Please ensure your legacy DUNS number is accessible in a recipient's records for historical reference where needed, as the DUNS number will no longer be visible to users in [SAM.gov](https://sam.gov) after April 4.

New [SAM.gov](https://sam.gov) registrants will be assigned a UEI as part of their SAM registration. More information about the UEI

transition is available through the U.S. General Services Administration's [website](#) . If you are a new applicant for federal funds, you must register in SAM and obtain a UEI beginning on April 4, 2022. You may continue using your DUNS number for applications submitted prior to that date. Beginning on April 4, you will be required to list your UEI in lieu of the DUNS number on all submissions.

Again, Recipients may continue registering for and using the DUNS number up through April 3, 2022. On and after April 4, 2022, all recipients will need to apply for a UEI as part of the SAM registration process, regardless of any applications for a DUNS number pending with Dun and Bradstreet.

Where can I get more information?

Questions about the conversion from DUNS to UEI should be directed to GSA. Information about the UEI transition can be found on GSA's webpage, [here](#) .
