

COMMUNITY, HOUSING, AND HUMAN SERVICES DEPARTMENT UPDATE – NOV. 5, 2021

Please see this week's Community, Housing, and Human Services department update.

Operational.

Status:

- NOFO is on track for completion. CoC Review Committee has ranked projects and made recommendations for funding and that information is being reviewed to ensure HUD compliance with dollar allocations. Upon completion of that review, the final ranking will be distributed to gain final approval for posting on Nov. 1. Next steps after that are to compile, prepare and enter information into eSnaps program. This will take a couple of weeks.
- COVID isolation/quarantine facility operations end Sunday at the UGM facility. A contract is being finalized with The Salvation Army for a new location with no disruption in services.
- The VOA Young Adult Shelter project continues to move forward. Subrecipient agreement is out to VOA; timeline is set. Architect needs 4-5 more weeks of work to do. February/March is current projected timeline for construction, depending on delays.
- Youth Homelessness Demonstration Program (YHDP) is being mobilized and meets weekly with national and regional cohort and technical assistance partners. Five-week series of cohort meetings were completed last week.
- CMIS team is working on submitting our annual performance report, a single report this year. We are setting up projects in our CMIS for the new projects coming on board as part of the early winter plan ramp-up, and we're gearing up for federal reporting season and this year's point-in-time count. Challenges with third-party vendor regarding CMIS HUD reporting is being mitigated with the support of HUD.
- Annual County Expenditures Report for Department of Commerce is in progress and due Nov. 9. Information has started to trickle in; deadline for submission is Friday, Oct. 29.
- Built for Zero case conferencing meeting was this week for singles and is on track for Jan-Feb for by name list.
- Five applications have been received for CHHS Board vacancies and are being reviewed. There are three vacant board positions.
- Emergency Rent Assistance Program update:
The City of Spokane and Spokane County are leading the state in distribution of ERA 1 rent assistance dollars. The Dept. of Treasury released their ERA 1 January-September spending report by jurisdiction. **As of Sept. 30, the City of Spokane is at 88% spenddown of ERA 1, second highest in the state** with Spokane County at 90% (The County program started several weeks earlier than the City's). The report can be found on [Treasury's website under September updates](#). (Note: This does not include the Dept. of Commerce T-RAP 1.0 award)
