

CITY COUNCIL MEETINGS RULES – PUBLIC DECORUM

Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

- 1. No Clapping!**
- 2. No Cheering!**
- 3. No Booing!**
- 4. No public outbursts!**
- 5. Three-minute time limit for comments made during open forum and public testimony on legislative items!**
- 6. No person shall be permitted to speak at open forum more often than once per month. In addition, please silence your cell phones when entering the Council Chambers!**

Further, keep the following City Council Rules in mind:

Rule 2.2 Open Forum

- D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.
- E. To encourage wider participation in open forum and a broad array of public comment and varied points of view, no person shall be permitted to speak at open forum more often than once per month. However, there is no limit on the number of items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 5.4 Public Testimony Regarding Legislative Agenda Items – Time Limits

- A. 5.4.1 The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at his or her discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will need to be allocated per speaker in order to accommodate all of the speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.
- B. No public testimony shall be taken on consent agenda items, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council.
- C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:
 1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within his or her presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the 30 minutes between or among themselves.

- c. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same time allotted as provided for the proponents.
 - e. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the opponents' position.
 - f. Up to ten minutes of rebuttal time shall be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
- 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three minutes to present his/her position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
 - 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.

THE CITY OF SPOKANE

ADVANCE COUNCIL AGENDA

MEETING OF MONDAY, MAY 21, 2018

MISSION STATEMENT

**TO DELIVER EFFICIENT AND EFFECTIVE SERVICES

CITY COUNCIL BRIEFING SESSION

Council will adopt the Administrative Session Consent Agenda after they have had appropriate discussion. Items may be moved to the 6:00 p.m. Legislative Session for formal consideration by the Council at the request of any Council Member.

SPOKANE CITY COUNCIL BRIEFING SESSIONS (BEGINNING AT 3:30 P.M. EACH MONDAY) AND LEGISLATIVE SESSIONS (BEGINNING AT 6:00 P.M. EACH MONDAY) ARE BROADCAST LIVE ON CITY CABLE CHANNEL FIVE AND STREAMED LIVE ON THE CHANNEL FIVE WEBSITE. THE SESSIONS ARE REPLAYED ON CHANNEL FIVE ON THURSDAYS AT 6:00 P.M. AND FRIDAYS AT 10:00 A.M.

The Briefing Session is open to the public, but will be a workshop meeting. Discussion will be limited to Council Members and appropriate Staff and Counsel. There will be an opportunity for the expression of public views on any issue not relating to the Current or Advance Agendas during the Open Forum at the beginning and the conclusion of the Legislative Agenda.

ADDRESSING THE COUNCIL

- No one may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet as a condition of recognition.
- Each person speaking at the public microphone shall print his or her name and address on the sheet provided at the entrance and verbally identify him/herself by name, address and, if appropriate, representative capacity.
- If you are submitting letters or documents to the Council Members, please provide a minimum of ten copies via the City Clerk. The City Clerk is responsible for officially filing and distributing your submittal.
- In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, modes of expression such as demonstration, banners, applause and the like will not be permitted.
- A speaker asserting a statement of fact may be asked to document and identify the source of the factual datum being asserted.

SPEAKING TIME LIMITS: Unless deemed otherwise by the Chair, each person addressing the Council shall be limited to a three-minute speaking time.

CITY COUNCIL AGENDA: The City Council Advance and Current Agendas may be obtained prior to Council Meetings from the Office of the City Clerk during regular business hours (8 a.m. - 5 p.m.). The Agenda may also be accessed on the City website at www.spokanecity.org. Agenda items are available for public review in the Office of the City Clerk during regular business hours.

AMERICANS WITH DISABILITIES ACT (ADA) INFORMATION: The City of Spokane is committed to providing equal access to its facilities, programs and services for persons with disabilities. The Spokane City Council Chamber in the lower level of Spokane City Hall, 808 W. Spokane Falls Blvd., is wheelchair accessible and also is equipped with an infrared assistive listening system for persons with hearing loss. Headsets may be checked out (upon presentation of picture I.D.) at the City Cable 5 Production Booth located on the First Floor of the Municipal Building, directly above the Chase Gallery or through the meeting organizer. Individuals requesting reasonable accommodations or further information may call, write, or email Human Resources at 509.625.6383, 808 W. Spokane Falls Blvd, Spokane, WA, 99201; or msteinolfson@spokanecity.org. Persons who are deaf or hard of hearing may contact Human Resources through the Washington Relay Service at 7-1-1. Please contact us forty-eight (48) hours before the meeting date.

If you have questions, please call the Agenda Hotline at 625-6350.

<u>Bid #</u>	4109-15
<u>Requisition #</u>	VALUE BLANKET
<u>Agenda Item Name</u>	4100 - VALUE BLANKET RENEWAL - NEPTUNE TECHNOLOGY GROUP, INC.

Agenda Wording

Renewal of existing value blanket order with Neptune Technology Group, Inc. (Tallassee, AL) for an estimated annual expenditure of \$1,000,000.00.

Summary (Background)

Bid #4109-15 was awarded in 2015 to Neptune Technology Group, Inc. for an annual supply of Neptune water meters, registers, and parts on an as-needed basis via value blanket order. The bid allowed for four (4) one-year renewals at mutual agreement, of which this is the third. The attached price list reflects the current Neptune product mix, but otherwise reflects no change in cost. Products may be added to support current design at no change to estimated annual expenditure.

Agenda Item Name	0440 - FIRE DEPT PURCHASE OF FORD ESCAPES		

Agenda Wording

Approve purchase of three(3) 2018 4WD Ford Escapes for Fire Prevention from Columbia Ford (Longview, WA) by accessing Wa State Contract #05916 - for an amount not to exceed \$75,000.00 including tax.

Summary (Background)

This purchase was put out for Quotes and one response was received besides the Wa State Contract. The Wa State Contract was low bid so staff recommends purchase of these three vehicles from Columbia Ford.

Briefing Paper

(Public Safety and Community Health)

Division & Department:	Fire
Subject:	Purchase Approval for (3) Staff vehicles for the SFD Fire Prevention Division
Date:	7 May 2018
Contact (email & phone):	dstockdill@spokanecity.org 435-7080
City Council Sponsor:	CM Kinnear
Executive Sponsor:	Schaeffer
Committee(s) Impacted:	Public Safety and Community Health
Type of Agenda item:	<input checked="" type="checkbox"/> Consent <input type="checkbox"/> Discussion <input type="checkbox"/> Strategic Initiative
Alignment: (link agenda item to guiding document – i.e., Master Plan, Budget, Comp Plan, Policy, Charter, Strategic Plan)	Capital Improvement Plan, FD Strategic Plan Goal #7 <i>Provide a high state of readiness of apparatus and equipment to ensure response to the needs of our customers in a safe and efficient manner</i>
Strategic Initiative:	Public Safety and Community Health
Deadline:	Within 60-120 days
Outcome: (deliverables, delivery duties, milestones to meet)	Delivery of (3) new staff vehicles to the Prevention Division.
Background/History: The Spokane Fire Department Prevention Division is in need of replacement vehicles for its Fire Inspectors. The last significant new vehicle purchase for this Division was in 2001. The 2001 model vehicles, which are all scheduled for surplus, have temporarily been replaced with repurposed, 2003 era vehicles until new vehicles could be acquired. A trial purchase of (1) 2017 Ford Escape was made last year and it has been determined to be a very capable, safe and fuel efficient vehicle that meets the needs of the Prevention Division.	
Executive Summary: <ul style="list-style-type: none"> • Request for Quotes -- A Request for Quotes bid opening will occur on Tuesday, 1 May. Exact pricing information for this purchase will not be available until the bid opening. However, exact pricing information will be available in time for the OnBase agenda deadline and the subsequent Council advance agenda meeting. The cost for the (1) 2017 Escape was approximately \$24,000 before taxes. It is expected that the current purchase request for (3) identically equipped 2018 vehicles will be approximately \$75,000 prior to tax. If The Committee would prefer to have exact pricing information prior to giving approval, this purchase can be delayed until next month. However, there is a risk that the current model year will then be out of production which would further delay the purchase until the 2019 model year was available.

Agenda Wording

Contract Renewal with United States Electric Corporation for electrical, technical and maintenance support services. Contract will begin on 5/1/2018 and run through 4/30/2019 for \$90,000.00.

Summary (Background)

The Waste to Energy Facility at times has need for electrical technical and maintenance services to maintain continuous operations. RFP #4077-14 was issued and US Electric Corporation was awarded the contract in January of 2015. The contract terms in the RFP allowed for 4 one-year extensions/renewals. This will be the 3rd of those extensions/renewals. This renewal will allow for the needed electrical, technical and maintenance work to be performed during scheduled outages at the WTE in 2018.

CONTRACT EXTENSION (3 OF 4)

Title: **ELECTRIC MAINTENANCE AND
SUPPORT SERVICES TO THE CITY'S WASTE
TO ENERGY FACILITY (WTE)**

This Contract Extension is made and entered into by and between the **City of Spokane** as ("City"), a Washington municipal corporation, and **United States Electric Corporation of Washington, Inc.**, whose address is PO Box 87, Olympia, Washington, 98507 as ("Contractor"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the parties entered into a Contract wherein the Contractor agreed to provide for the City electrical technical and maintenance support services for the City's Waste To Energy Facility (WTE), in response to a formal City solicitation; and

WHEREAS, the original contract provided for 4 additional one-year extensions, with this being the 3rd of those extensions; and

-- NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.

The original Contract executed by the parties on May 5, 2015 and May 28, 2015, any previous amendments, addendums and / or extensions / renewals thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE DATE.

This Contract Extension shall become effective upon signatures of the parties.

3. EXTENSION.

The Contract Extension is hereby extended and shall run through April 30, 2019.

4. COMPENSATION.

The City shall pay an additional amount not to exceed **NINETY THOUSAND AND NO/100 DOLLARS (\$90,000.00)** for everything furnished and done under this Contract Extension. This is the maximum amount to be paid under this Extension, and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this document.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Extension by having legally-binding representatives affix their signatures below.

City of Spokane

PUBLIC WORKS CONTRACT

Title: **DEMOLITION, ASBESTOS REMOVAL
AND DISPOSAL**

This Contract is made and entered into by and between the **City of Spokane** as ("City"), a Washington municipal corporation, and **ROB'S DEMOLITION**, whose address is 8420 East Woodland Park Drive, Spokane, Washington 99217 as ("Contractor"), individually hereafter referenced as a "party", and together as the "parties".

The parties agree as follows:

1. **PERFORMANCE**. The Contractor will do all work, furnish all labor, materials, tools, construction equipment, transportation, supplies, supervision, organization and other items of work and costs necessary for the proper execution and completion of the work described in the specifications entitled **Demolition, asbestos removal, and disposal of fire damage building and debris at 3011 E Wellesley**.
2. **CONTRACT DOCUMENTS**. The contract documents are this Contract, the RFP No. SW58-18, and the Contractor's completed bid proposal form. These contract documents are on file in the Office of Neighborhood Services-Code Enforcement Department and are incorporated into this Contract by reference as if they were set forth at length. In the event of a conflict, or to resolve an ambiguity or dispute, federal and state requirements supersede this Contract, and this Contract supersedes the other contract documents.
3. **TIME OF PERFORMANCE**. The term of this contract begins upon signature of the parties and ends on August 31, 2018, unless amended by written agreement of the parties.
4. **LIQUIDATED DAMAGES**. Liquidated damages shall be in accordance with the contract documents.
5. **TERMINATION**. Either party may terminate this Contract by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Contractor for all work previously authorized and performed prior to the termination date.
6. **COMPENSATION**. Total compensation for Contractor's services under this Agreement shall not exceed **THREE HUNDRED THIRTY SIX THOUSAND SIX HUNDRED FIFTY AND NO/100 DOLLARS (\$336,650.00)**, not including taxes, if applicable, which includes a \$100 credit for salvage, unless modified by a written amendment to this Agreement.

7. PAYMENT. The Contractor will send its applications for payment to the Office of Neighborhood Services & Code Enforcement, 808 West Spokane Falls Blvd., 6th Floor, Spokane, Washington 99201 **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Company's application except as provided by state law. Five percent (5%) of the Contract price may be retained by the City, in accord with RCW 60.28 for a minimum of forty five (45) days after final acceptance, as a trust fund for the protection and payment of: the claims of any person arising under the Contract; and the State with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from the Contractor.

8. INDEMNIFICATION. The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

9. BONDS. The Contractor may not commence work until it obtains all insurance, permits and bonds required by the contract documents and applicable law. This includes the execution of a performance bond and a payment bond on the forms attached, each equal to one hundred percent (100%) of the contract price, and written by a corporate surety company licensed to do business in Washington State.

10. INSURANCE. During the period of the Agreement, the Contractor shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW 48:

A. Worker's Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of \$1,000,000;

B. General Liability Insurance on an occurrence basis, with a combined single limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Contractor's services to be provided under this Agreement;

i. Acceptable supplementary Umbrella insurance coverage combined with Company's

General Liability insurance policy must be a minimum of \$1,000,000, in order to meet the insurance coverage limits required in this Agreement; and

C. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without sixty (60) days written notice from the Contractor or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Contractor shall furnish acceptable Certificates Of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Contractor's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the sixty (60) day cancellation clause, and the deduction or retention level. The Contractor shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

11. CONTRACTOR'S WARRANTY. The Contractor's warranty for all work, labor and materials shall be in accordance with the contract documents.

12. WAGES. The Contractor and all subcontractors will submit a "Statement of Intent to Pay Prevailing Wages" certified by the industrial statistician of the Department of Labor and Industries, prior to any payments. The "Statement of Intent to Pay Prevailing Wages" shall include: (1) the Contractor's registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by the Contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the "Statement(s) of Intent to Pay Prevailing Wages" on file with the City. Prior to the payment of funds held under RCW 60.28, the Contractor and subcontractors must submit an "Affidavit of Wages Paid" certified by the industrial statistician.

13. STATEMENT OF INTENT TO PAY PREVAILING WAGES TO BE POSTED. The Contractor and each subcontractor required to pay the prevailing rate of wages shall post in a location readily visible at the job site: (1) a copy of a "Statement of Intent to Pay Prevailing Wages" approved by the industrial statistician of the State Department of Labor and Industries; and (2) the address and telephone number of the industrial statistician of the Department of Labor and Industries where a complaint or inquiry concerning prevailing wages may be made.

14. FEES. Reimbursement for the fees paid by the Contractor for the approval of "Statements of Intent to Pay Prevailing Wages" and certification of "Affidavits of Wages Paid" by the industrial statistician of the State Department of Labor and Industries will be added to the amounts due the Contractor. The Contractor will remain responsible for the actual submittal of the documents to the industrial statistician. In order to receive this reimbursement the Contractor will be required to submit to the City, prior to final acceptance of the work, a list of its subcontractors at all tiers and have their "Statements of Intent to Pay Prevailing Wages" on file with the City.

15. SUBCONTRACTOR RESPONSIBILITY.

A. The Contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section

in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. Upon request of the City, the Contractor shall promptly provide documentation to the City demonstrating that the subcontractor meets the subcontractor responsibility criteria below. The requirements of this section apply to all subcontractors regardless of tier.

B. At the time of subcontract execution, the Contractor shall verify that each of its first tier subcontractors meets the following bidder responsibility criteria:

1. Have a current certificate of registration in compliance with chapter 18.27 RCW, which must have been in effect at the time of subcontract bid submittal;
2. Have a current Washington Unified Business Identifier (UBI) number;
3. If applicable, have:
 - a. Have Industrial Insurance (workers' compensation) coverage for the subcontractor's employees working in Washington, as required in Title 51 RCW;
 - b. A Washington Employment Security Department number, as required in Title 50 RCW;
 - c. A Washington Department of Revenue state excise tax registration number, as required in Title 82 RCW;
 - d. An electrical contractor license, if required by Chapter 19.28 RCW;
 - e. An elevator contractor license, if required by Chapter 70.87 RCW.
4. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065 (3).

16. NONDISCRIMINATION. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Contractor agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Contractor.

17. DEBARMENT AND SUSPENSION. The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

18. ASSIGNMENTS. The Contractor may not assign, transfer or sublet any part of the work under this Contract, or assign any monies due, without the written approval of the City, except

as may be required by law. In the event of assignment of accounts or monies due under this Contract, the Contractor specifically agrees to give immediate written notice to the City Administrator, no later than five (5) business days after the assignment.

19. ANTI-KICKBACK. No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in the Contract.

20. COMPLIANCE WITH LAWS. Each party shall comply with all applicable federal, state, and local laws and regulations that are incorporated herein by reference.

21. DISPUTES. This Contract shall be performed under the laws of the State of Washington. Any litigation to enforce this Contract or any of its provisions shall be brought in Spokane County, Washington.

22. SEVERABILITY. In the event any provision of this Contract should become invalid, the rest of the Contract shall remain in full force and effect.

23. AUDIT / RECORDS. The Contractor and its subcontractors shall maintain for a minimum of three (3) years following final payment all records related to its performance of the Contract. The Contractor and its subcontractors shall provide access to authorized City representatives, at reasonable times and in a reasonable manner to inspect and copy any such record. In the event of conflict between this provision and related auditing provisions required under federal law applicable to the Contract, the federal law shall prevail.

24. BUSINESS REGISTRATION REQUIREMENT. Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Contractor shall be responsible for contacting the State of Washington Business License Services at <http://bls.dor.wa.gov> or 1-800-451-7985 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

25. CONSTRUAL. The Contractor acknowledges receipt of a copy of the contract documents and agrees to comply with them. The silence or omission in the contract documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

26. MODIFICATIONS. The City may modify this Contract and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the Director of Engineering Services, and the Contract time and compensation will be adjusted accordingly.

27. INTEGRATION. This Contract, including any and all exhibits and schedules referred to herein or therein set forth the entire Agreement and understanding between the parties pertaining to the subject matter and merges all prior agreements, negotiations and discussions between them on the same subject matter.

28. FORCE MAJEURE. Neither party shall be liable to the other for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, due to: (1) acts of God or public enemy, acts of government, riots, terrorism, fires, floods, strikes, lock outs, epidemics, act or failure to act by the other party, or unusually severe weather affecting City, Contractor or its subcontractors, or (2) causes beyond their reasonable control and which are not foreseeable (each a "Force Majeure Event"). In the event of any such Force Majeure Event, the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay.

PAYMENT BOND

We, ROB'S DEMOLITION, as principal, and _____, as surety, are held and firmly bound to the City of Spokane, Washington, in the sum of **THREE HUNDRED THIRTY SIX THOUSAND SIX HUNDRED FIFTY AND NO/100 DOLLARS (\$336,650.00)**, for the payment of which, we bind ourselves and our legal representatives and successors, jointly and severally by this document.

The principal has entered into a contract with the City of Spokane, Washington, to do all work and furnish all materials for the **Demolition, asbestos removal, and disposal of fire damage building and debris at 3011 E Wellesley**. If the principal shall:

- A. pay all laborers, mechanics, subcontractors, material suppliers and all person(s) who shall supply such person or subcontractors; and pay all taxes and contributions, increases and penalties as authorized by law; and
- B. comply with all applicable federal, state and local laws and regulations;

then this obligation shall be null and void; otherwise it shall remain in full force and effect.

The Surety for value received agrees that no change, extension of time, alteration or addition to the terms of the Contract, the specifications accompanying the Contract, or to the work to be performed under the Contract shall in any way affect its obligation on this bond, except as provided herein, and waives notice of any change, extension of time, alteration or addition to the terms of the Contract or the work performed. The Surety agrees that modifications and changes to the terms and conditions of the Contract that increase the total amount to be paid the Principal shall automatically increase the obligation of the Surety on this bond and notice to Surety is not required for such increased obligation. Any judgment obtained against the City, which relates to or is covered by the contract or this bond, shall be conclusive against the principal and the surety, as to the amount of damages, and their liability, if reasonable notice of the suit has been given.

PERFORMANCE BOND

We, ROB'S DEMOLITION, as principal, and _____, as Surety, are held and firmly bound to the City of Spokane, Washington, in the sum of **THREE HUNDRED THIRTY SIX THOUSAND SIX HUNDRED FIFTY AND NO/100 DOLLARS (\$336,650.00)**, for the payment of which, we bind ourselves and our legal representatives and successors, jointly and severally by this document.

The principal has entered into a Contract with the City of Spokane, Washington, to do all the work and furnish all materials for the **Demolition, asbestos removal, and disposal of fire damage building and debris at 3011 E Wellesley**. If the principal shall:

- A. promptly and faithfully perform the Contract, and any contractual guaranty and indemnify and hold harmless the City from all loss, damage or claim which may result from any act or omission of the principal, its agents, employees, or subcontractors; and
- B. comply with all applicable federal, state and local laws and regulations;

then this obligation shall be null and void; otherwise it shall remain in full force and effect.

The Surety for value received agrees that no change, extension of time, alteration or addition to the terms of the Contract, the specifications accompanying the Contract, or to the work to be performed under the Contract shall in any way affect its obligation on this bond, except as provided herein, and waives notice of any change, extension of time, alteration or addition to the terms of the Contract or the work performed. The Surety agrees that modifications and changes to the terms and conditions of the Contract that increase the total amount to be paid the Principal shall automatically increase the obligation of the Surety on this bond and notice to Surety is not required for such increased obligation. Any judgment obtained against the City, which relates to or is covered by the Contract or this bond, shall be conclusive against the principal and the Surety, not only as to the amount of damages, but also as to their liability, if reasonable notice of the suit has been given.

EXHIBIT B

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
 - d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.
2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.
3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

1. The lower tier contractor certified, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, person, primary covered transaction, principal, and voluntarily excluded, as used in this exhibit, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The undersigned may contact the City for assistance in obtaining a copy of these regulations.
5. I understand that a false statement of this certification may be grounds for termination of the contract.

Briefing Paper

Public Safety and Community Health

Division & Department:	Business & Developer Services
Subject:	Demolition of structure(s) at 3011 E Wellesley
Date:	March 28, 2018
Contact (email & phone):	Melissa Wittstruck, Neighborhood and Housing Specialist mwittstruck@spokanecity.org 509.625.6087
Director:	Heather Trautman
Committee(s) Impacted:	Public Safety and Community Health, Finance and Administration
Type of Agenda item:	<input checked="" type="checkbox"/> Consent <input type="checkbox"/> Discussion <input type="checkbox"/> Strategic Initiative
Alignment: (link agenda item to guiding document – i.e., Master Plan, Budget, Comp Plan, Policy, Charter, Strategic Plan)	Strategic Plan to create a community so that all people can feel safe, empowered, and welcome. Additionally, the policy that the Building Official or Hearing Examiner may determine that the building/structure is unfit for human habitation and orders demolition if any of the substandard conditions listed in SMC 17F.070.400 are found to exist to such an extent as to be dangerous or injurious to the health or safety of the buildings occupants or community.
Strategic Initiative:	Safe and Healthy
Deadline:	April 23 Council consideration of contract. Successful bidder notified. This is an emergency order of the Building Official to demolish the structures.
Outcome: (deliverables, delivery duties, milestones to meet)	Demolish fire damaged, asbestos contaminated nuisance property that is a public safety hazard and negatively impacts the surrounding neighborhood.
<p>Background/History: This is a substandard and abandoned commercial property that has been in the Building Official Hearing Process since April of 2016. Major fire occurred November 7, 2017 causing substantial damage. The Building Official subsequently issued a Summary Order to demolish all structures at the property. The property owner failed to take action to demolish and did not respond to contact attempts. Spokane Regional Clean Air (SRCAA) requested the city to secure the right of way and abate the asbestos contamination for public safety; STA was forced to move a high traffic bus stop at the corner of Wellesley and Haven.</p> <p>Code Enforcement undertook the right of way abatement beginning December 18. The 45 day demolition order expired on December 25, 2017 with no contracts in place or permits obtained by the owner for the demolition. Right of way clean-up and asbestos abatement cleared asbestos from the sidewalk, street, and planting strips, and fencing placed to open the right of way for just under \$35,000. These costs are a lien on the property taxes. The initial bid process yielded one bid of \$336,650.00. Due to contamination of fire debris the entire site must be treated as asbestos, increasing the costs of demolition. Re-bidding yielded an additional and significantly higher bid.</p> <p>On February 14, 2018 Code Enforcement staff met with SRCAA, EPA, and owner Ivan Kriger. Kriger was non-committal regarding demolition or timelines, even suggesting the City purchase the property. Kriger stated he had insurance or a construction loan that could be tapped for the demolition. City staff advised Kriger that city demolition would result in project costs placed as liens on the property taxes. EPA indicated that if the City requested assistance with the demolition, the agency would take over the project and seek cost recovery from Kriger. Kriger indicated he understood all of this. Kriger stated that he would provide proof of insurance on the property by February 20; no documentation or further communication has been received from Kriger. On March 12, 2016 city staff again met with Kriger to go over any potential timeline or funding. A March 16 deadline was provided for Kriger to bring in a signed demolition contract, SRCAA permits, and SEPA</p>	

documents. A single contractor contacted Code Enforcement for information on these requirements after close of business March 15. The March 16 deadline also passed and Kriger was informed the City had moved forward with demolition plan.

Bids for demolition and disposal of the asbestos contaminated site at 3011 E Wellesley were higher than expected. City Council was briefed January 22, 2018. Dawn Kinder and Administration were briefed February 25 regarding demolition costs and possible request to EPA for financial assistance with demolition and disposal. EPA has indicated this is not a grant program; available City funding should be included in any request, and if successful, EPA would assume control of the project, resulting in significantly higher costs.

Both Wellesley and the Market/Haven couplet are high traffic count transportation routes and pedestrian corridor in the Hillyard Neighborhood and a future NSC interchange nearby is also possible.

Executive Summary:

- *There are fire damaged commercial structures with asbestos contamination at this property.*
- *Inactive and unresponsive property owner who has failed to comply with Orders of the Building Official and failed to follow Spokane Clean Air regulations despite many discussions and numerous opportunities for compliance.*
- *Owner has failed to pay for temporary fencing to keep the site secure and Code Enforcement is working with American On-Site, paying for fencing to remain in place, \$310.08 per month.*
- *Owner failed to abate fire debris on public rights of way and planting strips, which was potentially contaminated with asbestos. This was one of the orders of the Building Official which was sent to the property owner on November 10, 2017 following the fire. After no activity by the property owner regarding the right of way abatement, Code Enforcement conducted an abatement of the Right of Way.*
- *The owner failed to provide a plan for demolition of the structures or begin work at the property by the deadline as detailed in the November 10, 2017 Building Official Summary Order.*
- *The high cost of the demolition bids are due to treating the debris entirely as asbestos, using an "alternate means work plan" that will have to be approved by Spokane Clean Air.*
- *The current Code Enforcement budget for demolition is exceeded by the successful bid; SBO would be needed to fund the costly demolition of the fire damaged and hazardous structure.*
- *The City may submit a letter of request for financial assistance for demolition and clean up to EPA. Staff contacted EPA for Letter of Request specifics.*
- *Seasonal weather conditions will increase hazards associated with blowing contaminated dust and potential airborne fire debris such as sheets of corrugated metal roofing.*

Budget Impact:

Approved in current year budget? ☐ Yes ☒ No ☐ N/A

Annual/Reoccurring expenditure? ☐ Yes ☒ No ☐ N/A

If new, specify funding source:

Other budget impacts: (revenue generating, match requirements, etc.) Match requirement, to be determined.

Operations Impact:

Consistent with current operations/policy? ☒ Yes ☐ No ☐ N/A

Requires change in current operations/policy? ☐ Yes ☒ No ☐ N/A

Specify changes required: Council budget approval.

Known challenges/barriers: Asbestos contamination, nuisance property with history of transient activity. An additional fire occurred November 14, 2017 and transient access continues, despite fencing. Seasonal weather conditions will increase hazards associated with blowing contaminated dust and potential airborne fire debris such as sheets of corrugated metal roofing.

**RE: BUILDING OFFICIAL'S SUMMARY HEARING OF FIRE-DAMAGED AND SUBSTANDARD
STRUCTURES AT 3011 E WELLESLEY, SPOKANE, WASHINGTON 99217**

PARCEL NO: 36343.3007

LEGAL DESCRIPTION: HILLYARD ALL L7TO9;W27 FT L10 B23

#E1600905BLDG

This letter serves as notice that a Summary Hearing was held before me on November 9, 2017 the Acting Building Official for the City of Spokane, regarding the aforementioned property. At the Summary Hearing, Code Enforcement staff presented evidence of ownership and conditions of this property. The City Fire Marshal, Building Inspector Supervisor, and Code Enforcement Supervisor were present. The following are the findings of facts that resulted in inspection of the property by Spokane Fire Department on November 7, 8, and 9, 2017, Acting Building Official on November 7, 2017, Code Enforcement staff on November 8, 2017, and Building Inspector Supervisor on November 8, 2017.

On November 9, 2017 Acting Building Official Dean Giles, Deputy Building Official Dan Skindzier, City Fire Marshal Mike Miller, and Code Enforcement staff reviewed the Substandard Building File on record for the property at 3011 E. Wellesley as a result of the catastrophic fire that occurred on November 7, 2017. The fire caused significant damage to major portions of the structure, and nearly claimed the lives of apparent transients occupying the building. The building is now completely open to the elements with fire debris scattered around the property and including the public right of ways on all sides.

At this review all city staff present concluded that the building should be summarily demolished under the provision outlined in Spokane Municipal Code 17F.070.470 (2)(E), "Compliance with order". Considerations made were:

- A rehabilitation plan was submitted and approved. However, you have failed to keep the building secure as attested to in the accepted rehabilitation plan, as evidenced by frequent transient use, and clearly the recent fire which put the lives of transients, general public, and first responders in imminent danger. In addition Code Enforcement has had to secure openings on an occasion where you had been notified more than once, and failed to take action.

In its current state, the building is completely open and is a hazard to the public, even as a fire damaged building. There is seen to be loose metal roofing, and extensive fire debris, likely to be disturbed by typical high wind events that occur this time of year. As a result, the public may be in danger of asbestos contaminated air as well as flying debris that may cause traffic accidents and other hazards.

FINDINGS

VIOLATION OF SMC 17F.070.400 SUBSTANDARD BUILDING

- A. Dilapidation: exterior decay, water damage. Findings: The central area of the building's wood frame roof section and brick walls were dilapidated and is now substantially fire-damaged. Cinderblock walls had multiple small holes throughout the building and are heavily scorched interior. Three ladder trucks poured water into the buildings during the November 7, 2017 firefighting efforts, as seen in SFD drone footage and media reports.
- B. Structural defects: foundation, wall and roof framing. Findings: Roof and interior wall framing is severely charred and damaged by the fire and collapsing in many locations.
- D. Defective/inoperable plumbing. Findings: Water off since January 25, 2012, therefore there was no water for sanitation and all plumbing is now fire-damaged and collapsing.
- E. Inadequate weatherproofing: siding, roofing, glazing. Findings: Severe damage to several areas of roof, corrugated roofing peeled back or fallen into the fire-damaged buildings, glass windows blown out, doors burnt out, and holes in concrete block walls.
- F. No activated utility service for one year. Findings: City water was shut off January 25, 2012. There was no power to the building since 2015 per SPD inspection.
- G. Inoperable or inadequate heating system. Findings: There was no power to the building and heating systems are severely fire-damaged and collapsed throughout.
- I. Structure has been boarded more than one year and no approved rehabilitation plan. Findings: The rehabilitation plan submitted in August 2017 is void as the plan cannot be carried out now as it was originally submitted.
- K. Fire-damaged structure. Findings: The complex of structures was severely fire-damaged November 7, 2017 requiring significant firefighting response for several hours 20171107SFDNFIRS Incident Report.
- L. Defects increasing the hazards of fire, accident or other calamity. Findings: Property appears to be abandoned due to noted conditions. The buildings had frequently attracted transients; transients were present in the building when the fire was started November 7, 2017. Corrugated metal roofing is hanging off the north side of the building and may become airborne in wind conditions, posing hazards to pedestrians, vehicular traffic, and other structures. Fire debris is heavy inside and outside the structure and may be also become airborne in wind conditions. The structures were boarded for over three years and now openings to the roof, blown windows, and doors are not secure, although fencing is present; due to heavy and consistent transient activity the heavily fire-damaged interior is an attractive nuisance, may contain asbestos contamination, and presents significant hazards of falling charred rafters, stud walls, and other framing members. Exterior stairwells to lower level entrances frequently attract garbage and transient activity. Frequent target for graffiti. These defects increase the hazards of fire, accident or other calamity.

ABANDONED SMC 17F.070.030

The building is also found to be abandoned as defined by Section of the Spokane Municipal Code due to:

- giving indications that no one is currently in possession, such as by the disconnection of utilities, accumulation of debris, uncleanness, disrepair, and other circumstances.

UNFIT SMC 17F.070.410

The building is unfit due to quantity and extent of substandard conditions. The building official or hearing examiner may determine that the building/structure is unfit for human habitation and order demolition if any of the substandard conditions listed in SMC 17F.070.400 are found to exist to such an extent as to be dangerous or injurious to the health or safety of the building's

occupants or community.

BUILDING OFFICIAL'S ORDER

1. **Immediate action is to occur to abate all loose debris** around the property and in public areas such as sidewalks, parking lots, grassy areas, curbs and streets. Spokane Regional Clean Air (S.R.C.A.) must be contacted before clean up to determine if there is an asbestos hazard and follow their guidelines for removal. S.R.C.A has already been contacted about the issues on this site and our concerns.
2. **All loose roofing materials must be secured immediately 48 hours of receipt of this letter to prevent public harm during wind events.**
3. **ORDER TO KEEP SECURE All openings of the building must be boarded up to prevent the spread of debris or asbestos during wind events within 48 hours of receipt** of this letter. You are hereby ordered to keep the building secure when not undergoing rehabilitation, demolition, or investigation. The property owner or their contractor may enter to make repairs.
4. Fencing must completely surround the property until demolition occurs or the building has been made completely secure of all access.
5. Fencing must be removed from the Sidewalk and other areas where it infringes on the public Right of Way unless an obstruction Permit is approved and obtained from the City of Spokane Engineering Department.
6. The rehabilitation plan originally submitted is considered null and void as the plan cannot occur now as originally submitted.
7. The Building Permit and associated plans of Permit #B1712964BLDC is now considered void.
8. **ORDER TO DEMOLISH ALL STRUCTURES ON SITE** Demolition can be ordered as it is so dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary, or otherwise unfit for human habitation or occupancy, and that it is unreasonable to repair the structure, to demolish and remove such structure per Spokane Municipal Code Section 17F.070.470 (2) (E).
You are ordered to completely demolish all said structures on the site within 45 days via the proper permitting process, along with the associated 10 day processing period for notification of the neighborhood, and any guidelines identified by S.R.C.A., unless an emergency demolition order is given. City standards are: Remove any foundation to grade elevation. Fill any hole to grade with suitable materials and remove all debris from the premises immediately after demolition. Commercial contractors must remove waste to the Northside Landfill. Minor demolition waste by private owners can be brought to the transfer stations at Sullivan Road or Colbert (Elk Chattaroy Road), or the Waste to Energy Plant at Geiger Boulevard. Asbestos waste is disposed of at Graham Road Recycling and Disposal Facility, call 244-0151 for details and costs. If the demolition is not completed per this order, the City will proceed with demolition at city expense. Such costs shall be assessed as a lien against the property.
9. **A DO NOT OCCUPY ORDER** remains in effect until substandard conditions have been alleviated.
10. These orders supersede orders given at the previous Building Official Hearing occurring on August 29, 2017 and provided in the letter dated September 7, 2017.
11. Failure to meet the deadlines noted above will result in the City initiating the necessary cleanup and demolition actions and placing liens on the property for all associated costs.
12. Please contact Code Enforcement at 625-6083 to verify receipt and your intentions to comply with the orders.

13. Further instructions: Obtain permits where required prior to beginning such work and call for inspections. We will monitor your progress. **A Building Official Administrative hearing is scheduled for December 5, 2017 as a result of these summary orders.** The hearing will be held at 1:30 p.m. in the Council Briefing Center, Lower Level, Spokane City Hall, 808 W. Spokane Falls Blvd., Spokane, WA. Note: the City has implemented new security procedures. You must enter the building on the Post Street side and stop at the front desk for a temporary ID badge.

As an owner or a party of interest you are permitted to present testimony or evidence at the hearing as to why the Building Official should not order the structure(s) demolished.

The property owner's testimony at this hearing must provide sufficient evidence that the structure is capable of being made safe by repairs and rehabilitation and fit for human habitation or occupancy and to show that the quantity and extent of substandard conditions do not warrant demolition. Documentation can be, but is not limited to the following:

- Pictures - Receipts
- Contracts - Financial Statements

Please call with any questions or concerns. Our phone number is 625-6083.

Please note: Prior to any demolition activity, contact Spokane Regional Clean Air Agency at (509) 477-4727. The inspection results are required by the Washington State Department of Labor and Industries to be maintained on file and available upon request by the Department of Labor and Industries (WAC 296-62-07721).

Agenda Wording

Contract with Clearwater Construction for the removal and installation of a lime slurry tank at the Waste To Energy Facility in 2018. The cost of the project is \$77,792.00, taxes included.

Summary (Background)

The existing Lime Slurry Tank at the Waste to Energy Facility is over 25 years old; installed as part of the original construction. There have been only minor repairs made to the tank since that time. This tank is where the mixing of hydrated lime and water takes place to produce the slurry that is injected into the flue gas stream of the boiler, as part of the emission control system. The continued degradation of the tank is requiring its replacement.

Deadline:	
Outcome: (deliverables, delivery duties, milestones to meet)	Council approval to proceed with a contract with Clearwater Construction to remove and install the lime slurry tank at the WTE Facility for \$77,792.00.
Background/History: <p>The existing Lime Slurry Tank at the Waste to Energy Facility is over 25 years old; installed as part of the original construction. There have been only minor repairs made to the tank since that time. This tank is where the mixing of hydrated lime and water takes place to produce the slurry that is injected into the flue gas stream of the boiler, as part of the emission control system. The continued degradation of the lower section of the coated tank and the unknown condition of the tank base is requiring the tank to be replaced.</p> <p>RFB # 4448-18 was released to solicit bids to remove the old tank and install the new tank, of which was bid under a separate RFB. As a result of the competitive bidding process (2) two responses were received with Clearwater Construction deemed to be the lowest responsible bidder. The cost for the removal and installation of the Lime Slurry Tank is \$77,792.00 including taxes.</p>	
Executive Summary: <ul style="list-style-type: none"> Removal and installation of the Lime Slurry Tank at the WTE Facility. The tank is required as part of the facility's emission control system. Two competitive bids were received under RFB #4448-18. The lowest responsive bidder was Clearwater Construction of Spokane, WA. Total cost of the project is \$77,792.00 including taxes. Fabrication of the tank was bid separately under RFB #4447-18.

City of Spokane

PUBLIC WORKS CONTRACT

Title: **LIME SLURRY TANK REMOVAL
AND INSTALLATION**

This Contract is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **CLEARWATER CONSTRUCTION & MANAGEMENT LLC**, whose address is 5711 West Garden Spring Road, Spokane, Washington 99224 as ("Contractor"). Individually hereafter referenced as a "party", and together as the "parties".

*WHEREAS, the purpose of this Contract is **REMOVAL AND INSTALLATION OF THE LIME SLURRY TANK AT THE WTE**; and*

WHEREAS, the Contractor was selected through RFB No. 4448-18 issued by the City.

-- NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Contractor mutually agree as follows:

1. TERM OF CONTRACT.

The term of this Contract begins on May 1, 2018 and ends on December 31, 2018, unless amended by written agreement or terminated earlier under the provisions.

2. TIME OF BEGINNING AND COMPLETION.

The Contractor shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Contract shall not be extended because of delays for which the Contractor is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Contractor's control.

3. SCOPE OF WORK.

The Contractor's General Scope of Work for this Contract is described in Exhibit A, which is attached to and made a part of this Contract. In the event of a conflict or discrepancy in the Contract documents, this City Public Works Contract controls. The Contractor will do all work, furnish all labor, materials, tools, construction equipment, transportation, supplies, supervision, organization and other items of work and costs necessary for the proper execution and completion of the work described in the specifications entitled **LIME SLURRY TANK REMOVAL AND INSTALLATION, RFB No. 4448-18.**

The Work is subject to City review and approval. The Contractor shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed Work) requested by the City to determine the adequacy of the Work or Contractor's progress.

4. COMPENSATION / PAYMENT.

Total compensation for Contractor's services under this Contract shall be a maximum amount not to exceed **SEVENTY SEVEN THOUSAND SEVEN HUNDRED NINETY TWO AND NO/100 DOLLARS (\$77,792.00)**, including tax, unless modified by a written amendment to this Contract. This is the maximum amount to be paid under this Contract for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Contract.

The Contractor shall submit its applications for payment to Director of Solid Waste Disposal, 2900 South Geiger Boulevard, Spokane, Washington 99224. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Contractor's application except as provided in RCW 39.76. Five percent (5%) of the Contract price may be retained by the City, in accord with RCW 60.28 for a minimum of forty five (45) days after final acceptance, as a trust fund for the protection and payment of: the claims of any person arising under the Contract; and the State with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from the Contractor. If the City objects to all or any portion of the invoice, it shall notify the Company and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

5. CONTRACT DOCUMENTS.

The contract documents are this Contract, the Contractor's completed bid proposal form, contract provisions, contract plans, standard specifications, standard plans, addenda, various certifications and affidavits, supplemental agreements, change orders, and subsurface boring logs (if any). Federal and state requirements and the terms of this Contract, respectively, supersede other inconsistent provisions. These contract documents are on file in the Asset Management Department, and are incorporated into this Contract by reference, as if they were set forth at length.

6. BONDS.

The Contractor may not commence work until it obtains all insurance, permits and bonds required by the contract documents and applicable law. This includes the execution of a payment / performance bond on the form attached, equal to one hundred percent (100%) of the contract price, and written by a corporate surety company licensed to do business in Washington State.

7. STATEMENT OF INTENT TO PAY PREVAILING WAGES TO BE POSTED. The Contractor and each subcontractor required to pay the prevailing rate of wages shall post in a location readily visible at the job site: (1) a copy of a "Statement of Intent to Pay Prevailing Wages" approved by the industrial statistician of the Washington State Department of Labor and Industries (L & I); and (2) the address and telephone number of the industrial statistician of the Department of Labor and Industries where a complaint or inquiry concerning prevailing wages may be made.

8. FEES.

Reimbursement for the fees paid by the Contractor for the approval of "Statements of Intent to Pay Prevailing Wages" and certification of "Affidavits of Wages Paid" by the industrial statistician

of the State Department of Labor and Industries will be added to the amounts due the Contractor. The Contractor will remain responsible for the actual submittal of the documents to the industrial statistician. In order to receive this reimbursement the Contractor will be required to submit to the City, prior to final acceptance of the work, a list of its subcontractors at all tiers and have their "Statements of Intent to Pay Prevailing Wages" on file with the City.

9. STATE PREVAILING WAGES.

The Contractor and all subcontractors will submit a "Statement of Intent to Pay Prevailing Wages" certified by the industrial statistician of the Department of Labor and Industries, prior to any payments. The "Statement of Intent to Pay Prevailing Wages" shall include: (1) the Contractor's registration number; and (2) the prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by the Contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the "Statement(s) of Intent to Pay Prevailing Wages" on file with the City. Prior to the payment of funds held under RCW 60.28, the Contractor and subcontractors must submit an "Affidavit of Wages Paid" certified by the industrial statistician.

10. TAXES, FEES AND LICENSES.

- A. Contractor shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Contract. It is the Contractor's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.
- B. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Contract shall be included in the project budgets.

11. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Contractor shall be responsible for contacting the State of Washington Business License Services at <http://bls.dor.wa.gov> or 1-800-451-7985 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

12. SOCIAL EQUITY REQUIREMENTS / NON-DISCRIMINATION.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Contractor agrees to comply with, and to require that all subcontractors comply with, federal, state and local nondiscrimination laws, including but not limited to: the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and the American's With Disabilities Act, to the extent those laws are applicable.

13. DEBARMENT AND SUSPENSION.

The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or

ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

14. INDEMNIFICATION.

The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor's negligence or willful misconduct under this Agreement, including attorneys' fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Contractor's own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

15. INSURANCE.

During the period of the Contract, the Contractor shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW 48:

A. **Worker's Compensation Insurance** in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of \$1,000,000;

B. **General Liability Insurance** on an occurrence basis, with a combined single limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this Contract. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Contractor's services to be provided under this Contract;

- i. Acceptable **supplementary Umbrella insurance** coverage combined with Company's General Liability insurance policy must be a minimum of \$1,000,000, in order to meet the insurance coverage limits required in this Contract; and

C. **Automobile Liability Insurance** with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles; and

C. **Property Insurance** if materials and supplies are furnished by the Contractor. The amount of the insurance coverage shall be the value of the materials and supplies of the completed value of improvement. Hazard or XCU (explosion, collapse, underground) insurance should be provided if any hazard exists.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Contractor or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Contractor shall furnish acceptable Certificates of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall specify the City of Spokane as "Additional Insured" specifically for Contractor's services under this Agreement, as well as all of the parties who are additional insureds, and include applicable policy endorsements, the thirty (30) day cancellation clause, and the deduction or retention level. The Contractor shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

16. SUBCONTRACTOR RESPONSIBILITY.

- A. The Contractor must verify responsibility criteria for each first tier subcontractor, and a subcontractor of any tier that hires other subcontractors must verify responsibility criteria for each of its subcontractors. Verification shall include that each subcontractor, at the time of subcontract execution, meets the responsibility criteria listed in RCW 39.04.350. The responsibility criteria are listed in the request for bids document. The Contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. Upon request of the City, the Contractor shall promptly provide documentation to the City demonstrating that the subcontractor meets the subcontractor responsibility criteria below. The requirements of this section apply to all subcontractors regardless of tier.
- B. At the time of subcontract execution, the Contractor shall verify that each of its first tier subcontractors meets the following bidder responsibility criteria:
 - 1. Have a current certificate of registration in compliance with chapter 18.27 RCW, which must have been in effect at the time of subcontract bid submittal;
 - 2. Have a current Washington Unified Business Identifier (UBI) number;
 - 3. If applicable, have:
 - a. Have Industrial Insurance (workers' compensation) coverage for the subcontractor's employees working in Washington, as required in Title 51 RCW;
 - b. A Washington Employment Security Department number, as required in Title 50 RCW;
 - c. A Washington Department of Revenue state excise tax registration number, as required in Title 82 RCW;
 - d. An electrical contractor license, if required by Chapter 19.28 RCW;
 - e. An elevator contractor license, if required by Chapter 70.87 RCW.
 - 4. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065 (3).

17. INDEPENDENT CONTRACTOR.

The Contractor is an independent Contractor. This Contract does not intend the Contractor to act as a City employee. The City has neither direct nor immediate control over the Contractor nor the right to control the manner or means by which the Contractor works. Neither the Contractor nor any Contractor employee shall be an employee of the City. This Contract prohibits the Contractor to act as an agent or legal representative of the City. The Contractor is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Contractor shall pay all income and other taxes as due.

18. ASSIGNMENT AND SUBCONTRACTING.

The Contractor shall not assign or subcontract its obligations under this Contract without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Contractor shall incorporate by reference this Contract, except as otherwise provided. The Contractor shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the Contractor from liability or any obligation within this Contract, whether before or after City consent, assignment or subcontract.

19. TERMINATION.

Either party may terminate this Contract, with or without cause, by ten (10) days written notice to the other party. In the event of such termination, the City shall pay the Contractor for all work previously authorized and performed prior to the termination date.

20. STANDARD OF PERFORMANCE.

The standard of performance applicable to Contractor's services will be the degree of skill and diligence normally employed by professional contractors in the region performing the same or similar Contracting services at the time the work under this Contract are performed.

21. ANTI KICK-BACK.

No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this Contract shall have or acquire any interest in the Contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this Contract.

22. CONSTRUAL.

The Contractor acknowledges receipt of a copy of the Contract documents and agrees to comply with them. The silence or omission in the Contract documents concerning any detail required for the proper execution and completion of the work means that only the best general practice is to prevail and that only material and workmanship of the best quality are to be used. This Contract shall be construed neither in favor of nor against either party.

23. CONTRACTOR'S ACKNOWLEDGEMENT AND WARRANTY.

The Contractor acknowledges that it has visited the site of the work, has examined it, and is qualified to perform the work required by this Contract.

The Contractor guarantees and warranties all work, labor and materials under this Contract shall be in accord with the Contract documents. If any unsatisfactory condition or defect develops within that time, the Contractor will immediately place the work in a condition satisfactory to the City and repair all damage caused by the condition or defect. The Contractor will repair or restore to the City's satisfaction, in accordance with the contract documents and at its expense, all property damaged by his performance under this Contract. This warranty is in addition to any manufacturers' or other warranty in the Contract documents.

24. MISCELLANEOUS PROVISIONS.

- A. **Amendments/Modifications:** The City may modify this Contract and order changes in the work whenever necessary or advisable. The Contractor will accept modifications when ordered in writing by the City, and the Contract time and compensation will be adjusted accordingly.
- B. The Contractor, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers.
- C. This Contract shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in a court of competent jurisdiction, located in Spokane County, Washington.
- D. **Captions:** The titles of sections or subsections are for convenience only and do not define or limit the contents.
- E. **Severability:** If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Contract shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
- F. **Waiver:** No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Contractor after the time the same shall have become due nor payment to the Contractor for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- G. **Entire Agreement:** This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Contractor. If conflict occurs between Contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this Contract to afford the City the maximum benefits.
- H. **No personal liability:** No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Contract, whether expressed or implied, nor for any statement or representation made or in any connection with this Contract.
- I. Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act* [PRA]) all materials received or created by the City of Spokane are **public records** and are available to the public for viewing via the City Clerk's Records (online) or a valid Public Records Request (PRR).

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract by having legally-binding representatives affix their signatures below.

PAYMENT / PERFORMANCE BOND

We, **CLEARWATER CONSTRUCTION & MANAGEMENT LLC**, as principal, and _____, as Surety, are held and firmly bound to the City of Spokane, Washington, in the sum of **SEVENTY SEVEN THOUSAND SEVEN HUNDRED NINETY TWO AND NO/100 DOLLARS (\$77,792.00), including tax**, for the payment of which, we bind ourselves and our legal representatives and successors, jointly and severally by this document.

The principal has entered into a contract with the City of Spokane, Washington, to do all work and furnish all materials for the **LIME SLURRY TANK REMOVAL AND INSTALLATION, RFB No. 4448-18**. If the principal shall:

- A. promptly and faithfully perform the Contract and any contractual guaranty, and indemnify and hold harmless the City from all loss, damage, or claim which may result from any act or omission of the principal, its agents, employees, or subcontractors; and
- B. comply with all federal, state and local laws and regulations; and
- C. pay all laborers, mechanics, subcontractors, material suppliers and all person(s) who shall supply such person or subcontractors, and pay all taxes and contributions, increases and penalties as authorized by law;

then this obligation shall be null and void; otherwise it shall remain in full force and effect.

The Surety for value received agrees that no change, extension of time, alteration or addition to the terms of the Contract, the specifications accompanying the Contract, or to the work to be performed under the Contract shall in any way affect its obligation on this bond, except as provided herein, and waives notice of any change, extension of time, alteration or addition to the terms of the Contract or the work performed. The Surety agrees that modifications and changes to the terms and conditions of the Contract that increase the total amount to be paid the Principal shall automatically increase the obligation of the Surety on this bond and notice to Surety is not required for such increased obligation. Any judgment obtained against the City, which relates to or is covered by the contract or this bond, shall be conclusive against the principal and the Surety, as to the amount of damages, and liability, if reasonable notice of the suit has been given.

ATTACHMENT B

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
INELIGIBILITY AND VOLUNTARY EXCLUSION**

1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and,
 - d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.
2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.
3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

1. The lower tier contractor certifies, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, person, primary covered transaction, principal, and voluntarily excluded, as used in this exhibit, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The undersigned may contact the City for assistance in obtaining a copy of these regulations.
5. I understand that a false statement of this certification may be grounds for termination of the contract.

Contract Amendment adding additional work at a cost of \$15,200.00. This amount brings the contract total from \$52,017.50 to \$67,200.00. The increase is due to additional design and construction support services requested by the City.

Summary (Background)

Additional works includes: Redesign the power conduit to consolidate the connections at the Kiosk; add a generator plug in to allow for temporary power to drain the tank in case of an outage; lighting re-design in the Plaza to support the landscaping and artwork; lighting design for a bike boulevard and dog park along Riverside Avenue; design for PLC controllers to allow for communication between the pumps that drain the tank and the flow regulator. The PLC will also allow future system

WITH COSTS**
CSO Basin 24 Control Facility

THIS CONTRACT AMENDMENT is between the CITY OF SPOKANE, a Washington State municipal corporation, as ("City"), and **TRINDERA ENGINEERING**, whose address is 1875 North Lakewood Drive Suite 201, Coeur d'Alene, Idaho 83814, as ("CONSULTANT"). Individually hereafter referenced as a "party", and together as the "parties"

WHEREAS, the parties entered into a Contract wherein the Consultant agreed to ELECTRICAL DESIGN, BID PHASE AND CONSTRUCTION SUPPORT; and

WHEREAS, the City has requested additional design and construction support.

-- Now, Therefore, the parties agree as follows:

1. **DOCUMENTS.** The original Contract dated August 18, 2016, any previous amendments and/or extensions/renewals thereto are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.
2. **EFFECTIVE DATE.** This Contract Amendment shall become effective upon execution by all parties.
3. **AMENDMENT.** The Scope of Work in the original contract is expanded to include the following additional work:

Redesign the power conduit to consolidate the connections at the kiosk; add generator plug in to allow for temporary power to drain the tank in case of an outage; lighting re-design in the Plaza to support the landscaping and artwork; lighting design for a bike boulevard and dog park along Riverside Avenue; design for PLC controllers to allow for communication between the pumps that drain the tank and the flow regulator. The PLC will also allow future system optimization between the CSO 24 and CSO 26 tanks and construction support during installation of the added design items.

4. COMPENSATION. The City shall pay Consultant a maximum amount not to exceed **FIFTEEN THOUSAND TWO HUNDRED AND NO/100 DOLLARS, (\$15,200.00)** for everything furnished and done under this Contract Amendment.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Amendment by having legally-binding representatives affix their signatures below.

Project Scope dated February 26, 2018

February 26, 2018

City of Spokane – Department of Engineering Services
808 W. Spokane Falls Blvd.
Spokane, WA 99201

Attention: Cindy Kinzer, P.E.

Subject: CSO 24

Dear Cindy:

In response to our recent conversation regarding the direction of your project, we are submitting this letter to clarify our understanding of project changes, and to identify the impact these changes will have on our estimated fees.

Trindera Engineering understands this change in project scope involves the following three categories:

1. Plaza kiosk and electrical room changes to account for electric power service to support the STA depot.
2. CTI vault secondary stormwater level detection.
3. Expanded plaza electrical design to traffic island north of Sprague Ave., in between Riverside Ave. and Adams St.

Trindera Engineering understands our scope of service for the additional work shall include the following tasks:

1. For category 1 above, revision to construction documents has already taken place and was captured with construction change document WCD #1 issued on 9/14/2017. Electric power delivery to support STA Depot electrical loads resulted in re-design of the plaza Kiosk, additional coordination with Avista, changes to ductbank trenching dimensions, and revisions to the electrical room equipment layout plan. **A request for equitable adjustment is being made for \$3,300.**
2. For category 2 above, design criteria for lift pump on/off control were to be per wet well level detection and flow monitor #7. It was realized after bidset deliverables were issued that flow monitor #7 does not have the accuracy necessary to provide reliable stormwater level feedback for the CTI vault. CTI vault stormwater level detection is to now be derived primarily from the electroslide ultrasonic level transducer and secondarily from tuning fork level detection. Wet well lift pump control logic will need to be re-designed to capture this change in design criteria. **The fee estimate for this scope of work is \$6,800.**
3. For category 3 above, the plaza space will now extend north to the traffic island as previously mentioned. The traffic island will require pedestrian lighting, convenience power, and irrigation control. This will require an update to the plaza electrical plans

to capture conduit and wire design to support the aforementioned design features.
The fee estimate for this scope of work is \$5,100.

Authorization of additional scope will have the following impacts on our authorized fees as follows:

	Current Authorized Total	Amended Authorized Total
Design:	\$35,298	No Change
Bid:	\$3,610	No Change
Construction:	\$13,028	\$28,228
TOTAL:	\$52,000	\$67,200

After you have had a chance to review this proposal information, we would be happy to meet with you to discuss any questions, comments or concerns you may have. Please do not hesitate to contact me if you have any questions.

Sincerely,

Zach McMackin, P.E.
Trindera Engineering, Inc.

City of Spokane
CONTRACT AMENDMENT #2
WITH COSTS

Central Avenue Well #2
Rehabilitation

THIS CONTRACT AMENDMENT is between the CITY OF SPOKANE, a Washington State municipal corporation, as ("City"), and MURRAYSMITH, INC., whose address is 421 West Riverside Avenue, Suite 762, Spokane, Washington 99201, as ("Consultant"). Individually hereafter referenced as a "party", and together as the "parties"

WHEREAS, the parties entered into a Contract wherein the Consultant agreed to ***assist the City in planning the replacement of one of the two well pumps at the Central Avenue site***; and

WHEREAS, additional work has been requested, thus the original Contract needs to be formally amended by this written document.

-- Now, Therefore, the parties agree as follows:

1. **DOCUMENTS.** The original Contract dated June 5, 2017, any previous amendments and/or extensions/renewals thereto are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.
2. **EFFECTIVE DATE.** This Contract Amendment shall become effective upon execution.
3. **AMENDMENT.** Contract is being amended to add the following:

Expanding construction management services to include but is not limited to, project management coordination; change orders; site visits; and coordination of building permit and special inspections.
4. **COMPENSATION.** The City shall pay Consultant a maximum amount not to exceed FIFTY FIVE THOUSAND NINE HUNDRED AND NO/100 DOLLARS, (\$55,900.00) for everything furnished and done under this Contract Amendment.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Amendment by having legally-binding representatives affix their signatures below.

MURRAYSMITH, INC.
PROPOSED SCOPE AND FEE FOR
THE CENTRAL AVENUE WELL #2 PUMP STATION REPLACEMENT PROJECT
FOR
CITY OF SPOKANE

Murraysmith, Inc. has developed the following scope of work for engineering services for the Central Avenue Well #2 Pump Station Replacement project. This scope of services has been developed based on the design services provided by Murraysmith for the Central Avenue Well #1 Pump Station Replacement project, which includes review of the current design documents, existing facility documents, and discussion with City of Spokane (City) staff.

PROJECT BACKGROUND AND ASSUMPTIONS

The Central Avenue Well #1 Pump Station Replacement (Well #1) project construction is nearly completion and the City's Water Department is planning the replacement of the second of the two well pump stations at the Central Avenue site. Each well pump station consists of a hand dug 8-foot diameter caisson type well, approximately 270 feet deep. Currently Well #2 has two submersible pumps installed, each with a capacity of 4,200 gpm at 355 feet total dynamic head (TDH). The piping and associated valves for each well are in a below ground concrete vault. The electrical and chlorine disinfection equipment for each pump station are in a separate existing above ground building. The electrical equipment was partially replaced as part of the Well #1 project and additional electrical system improvements to be installed as part of this project.

The Central Avenue Well #2 Pump Station Replacement project is a similar facility upgrade to Well #1 project, which includes relocation of the well discharge head to above ground in a new concrete masonry unit (CMU) building. The approximate dimensions of the building will be 16 feet wide by 30 feet long and with 10-foot high walls. The existing submersible pumps will be replaced with a new vertical lineshaft turbine pump that has an approximate capacity of 8,000 gpm. The project will address setback and building height considerations per approach for Well #1 to successfully permit the building in a residential neighborhood.

For the development of this scope of services, and the associated fee estimate, the following project assumptions are defined:

- Anticipate Notice to Proceed (NTP) on June 5, 2017.
- Project design duration approximately 2.5 months, with planned bid dated in early August 2017.
- The City's previous site survey for Well #1 will be used, including the adjacent street and ally.

- The Well #1 project architectural, structural, and mechanical drawings and specifications will be similar for those used for the Central Avenue Well #2 Pump Station Replacement project where practical.
- Extensive updates to the Well #1 project drawings are planned for only the civil site plan and piping drawings.
- No structural issues are assumed for the Well #2 caisson and vault structure similar to Well #1.
- The City's arborist will assess the protection and health of existing trees on site.
- The City will lead permitting, environmental review and public meetings and assumed no revisions through the review process based on approval of Well #1.
- The City has completed the SEPA process with a final determination of non-significance (DNS) for the project.
- With limited increase in impervious area on the site, which is a non-pollution generating surface, a site drainage report will not be required for the drainage design.
- Development of a screen and buffering landscape will be included as part of this project scope of services similar to the Well #1 project.
- The well pump and motor selection and specification will be completed under a separate contract with the City. This includes hydraulic analysis of the discharge piping and water distribution system.
- A new discharge flow meter will be installed as part of this project, before the connection to the transmission main in N Normandie St.
- Pressure valve waste line will be directed by gravity down N Normandie St to the existing 24-inch storm drain pipeline in W Central Avenue.
- The existing disinfection system will not be updated as part of this project.

SCOPE OF WORK

The work shall be completed by tasks outlined as follows:

Task 1 – Project Management

Under this task, Murraysmith will manage all aspects of the project scope, schedule and budget. Project management services include:

- 1.1 Staff and Subconsultant Management
- 1.2 Budget and Schedule Management

Deliverables:

- Monthly progress reports, invoices and schedule updates.

Task 2 – Site Investigation and Structural Assessment

Under this task, the project team will kick-off the project, investigate the existing well station vault and site, and note any dimensional or configuration variations from existing conditions at Well #1.

2.1 – Project Kick-off Meeting

A kick-off meeting will be planned at the beginning of the project to cover the City's key objectives and review lessons learned from design and construction of the previously replaced Well #1 project. Any additional data requests will be discussed as part of this meeting. A meeting agenda and summary will be provided.

2.2 – Site Visit and Data Collection

Murraysmith's team will make a site visit review the site and to confirm and visually assess existing concrete structure. Noting any dimensional or configuration variations from existing conditions at Well #1. It assumed that all pertinent data associated with the existing well station, including past reports, studies, facility design drawings, and new site survey information is already available through the Well #1 project.

2.3 – Site Geotechnical Investigation

Central Avenue Well #2 Pump Station will be replaced in a similar way to the Well #1 project. Well #2 is on the same parcel, but is located on the opposite side in the northeast portion site. It is understood that the caisson and vault are of similar size and depth. The existing geotechnical borings are relevant due to their proximity, so additional deep borings are not anticipated to be required. A small amount of additional field exploration is proposed, using light-weight dynamic cone penetrometer (DCP) equipment to probe the conditions in the upper 5 to 10 feet of the surface, where most of the existing fill is likely present and where loose soil at the surface would be most likely to impact the construction work. In particular, existing fill is likely to be associated with construction of the existing vault. The two DCP tests will be conducted at opposite corners of the vault. The results of DCP tests will be presented in plots of those values versus depth. An interpretation of those tests and description of their relevance to the proposed design in a memorandum, referencing the original geotechnical report.

2.4 – Structural Assessment

Portions of the existing vault, which include the concrete pump pad, concrete floor, and lower vault room level will be visually assessed to determine structural integrity. This is to confirm approach for extending the pump pedestal to the ground surface and the ability of the existing structure to support new well station structure. This is a visual assessment of the vault and full depth of existing brick caisson and will not include destructive testing. A summary of the of the visual assessment will prepared presenting conclusions and recommendations.

Deliverables:

- Project kick-off meeting agenda and minute, draft and final

- Draft and final geotechnical report
- Draft and final letter report presenting structural assessment conclusions and recommendations for inclusion into final design

Task 3 – Permitting

Murraysmith will provide assistance to the City in obtaining the building permits and approvals for the project as required. As part of this task, Murraysmith will assist the City with coordinating with the Design Review Board (DRB) review. It is anticipated that all permit and approval fees will be paid by the City. The Project Report will be developed by the City with assistance from Murraysmith and submitted by the City to Washington State Department of Health for review and approval.

3.1 – Project Report Assistance

To meet the requirements of the State of Washington Administrative Code (WAC), the City will prepare and submit a Project Report for the new well station as required by WAC 246-290-130. The Murraysmith will provide design information as required to complete the Project Report.

3.2 – Building Permit

It is anticipated that the City will secure the building permits (building, electrical, plumbing, mechanical, etc.). Murraysmith will assist the City in coordinating the necessary resources and information for the building permit approval requirements and DRB review. These include structural calculations, NREC review form, and pump station rendering. Murraysmith will attend the Intake Meeting with the City at the Planning and Development Department at the completion of the 90% Design Submittal.

Deliverables:

- Partially complete Commercial/Industrial/Multi-Family Building & Parking Lot Permit Application for City completion
- Submit up to three (3) stamped and signed design drawings
- NREC Code Form
- Signed structural calculations
- One pump station building rendering

Task 4 – Final Design and Contract Documents

This task will produce final plans and specifications for the new pump station improvements using the Well #1 project contract documents as a basis. Addenda, change orders, and clarifications during construction from the Well #1 project will be incorporated. Plans and specifications will be presented at the 90% and 100% completion level for technical review by the City. Final (100%) bid-ready plans and specifications will incorporate all prior review comments and will be suitable for bidding.

Murraysmith will use the Well #1 project standard construction contract and front end administration specifications, with the City's standard special provisions being used as the basis for the technical specifications with, Murraysmith's technical Construction Specification Institute (CSI) specifications integrated as technical specifications for more specialized project elements of the project. The electrical design will be completed by the City's electrical design consultant. Murraysmith will coordinate directly with the electrical designer during the design process. Murraysmith will incorporate the electrical design consultant's drawings and specifications into the contract documents.

The pump station facility conceptual design developed in the previous tasks will be further refined to develop the final design plan set. The plan set is anticipated to include the following 24 sheets, which will be ARCH D (24x36):

- G-1 Cover sheet
- G-2 Symbols, Legend, and Abbreviations
- C-1 Existing Site Plan, Site Demolition and Staging Areas
- C-2 Existing Vault Demolition Plan and Section
- C-3 Existing Well Demolition Section
- C-4 Site Plan
- C-5 Site Piping and Water Pipe Profile
- C-6 Well Profile
- C-7 Civil Details - 1
- C-8 Civil Details - 2
- A-1 Architectural Plans
- A-2 Exterior Elevations
- A-3 Architectural Sections
- A-4 Architectural Details
- S-1 General Structural Notes, Abbreviations and Legend
- S-2 Typical Details
- S-3 Foundations Plan and Details
- S-4 Roof Framing Plan and Details
- S-5 Sections and Details
- M-1 Mechanical Piping/Plumbing Plan and Section
- M-2 HVAC Plan and Schedule
- M-3 Mechanical Details – 1
- L-1 Landscape Plan
- L-2 Landscape Details

The following defines the effort for each of the packages:

4.1 - 90% Plans and Contract Documents

The Well #1 project design drawings will be revised and further developed to incorporate addenda, change orders and clarifications during construction to a 90% completion level. Submit 90% packages for City review and conduct a 90% review meeting with staff to review submittals and receive comments.

4.2 - 100% Plans and Contract Documents

The 90% design packages will be revised and further developed to incorporate comments from the City's review of the 90% submittals to produce the plans and contract documents to a 100% completion level for both the pump station improvements projects.

4.3 - Opinion of Construction Cost

Prepare engineer's opinion of probable construction cost at each submittal milestone (90% and 100%). The 90% and final (100%) Engineer's Opinion of Cost will be formatted to reflect the corresponding bid items in the bid schedules of the Bidding/Contract Documents.

4.4 – Final Design Review

Plans, specifications, and will be submitted to the City for review at the 90% design package. Meet with the City to receive and review comments. Comments received will be incorporated into subsequent design submittals in the final design phase of the project.

Deliverables:

- Submit up to five (5) sets of the 90% complete final plans and specifications to the City for distribution to project participants for review.
- Submit one (1) 100% final reproducible set of the contract documents (specifications, 11x17 drawings on bond and 24x36 on Mylar).
- Submit the 90% and 100% engineer's opinion of cost.

Task 5 – Bidding Assistance

This task provides assistance to the City during the bidding through contract award phase of this project.

5.1 – Assistance with Bidding

Under this subtask Murraysmith will provide on-call support during bidding of the project as requested by the City. On-call support bidding activities are anticipated to include answering bidding questions and issuing addenda based on the following assumptions:

- The City will coordinate the reproduction of the final contract documents to be bid.
- The City will distribute the contract documents to prospective bidders, subcontractors, equipment suppliers and other vendors upon request.

- The City will maintain a list of plan holders.
- The City will collect bidders' questions, coordinating and providing responses and addenda as necessary.
- Murraysmith will maintain a written record of any communications regarding any questions.
- Murraysmith will assist the City in the issuance of addenda as necessary to clarify the contract documents. It is anticipated that two (2) addenda will be issued.
- The City will coordinate the pre-bid meeting with assistance from Murraysmith.
- Murraysmith will evaluate bids using City criteria summarized in a checklist the City will provide and recommend successful bidder to the City's project manager.

Murraysmith has included an estimated budget of \$5,000 for this task, based on Murraysmith's Schedule of Charges. If additional effort is requested, Murraysmith will proceed with the work only upon authorization by the City.

Task 6 – Construction Services

Not included as part of this scope of services and will be contracted later.

PROPOSED PROJECT FEE

Murraysmith will perform this work on a time and expenses basis with a total not to exceed amount of \$63,500 for Tasks 1 through 6 in accordance with the firm's current standard rate schedule.

Project expenses incurred in-house that are directly attributable to the project will be invoiced at actual cost. These expenses include the following:

Mileage	Current IRS Rate
Postage and Delivery Services	At Cost
Printing and Reproduction	At Cost
Travel, Lodging and Subsistence	At Cost

Outside technical, professional and other services will be invoiced at actual cost plus 4 percent to cover administration and overhead. The table below presents a breakdown of the proposed fee estimate.

Task	Budget
Task 1 – Project Management	\$ 4,450
Task 2 – Site Investigation and Structural Assessment	\$ 5,650
Task 3 – Permitting and Public Meeting	\$ 6,600
Task 4 – Final Design and Contract Documents	\$ 41,800
Task 5 – Bidding Assistance	\$ 5,000
Total Fee Estimate	\$ 63,500

PROPOSED PROJECT SCHEDULE

It is anticipated that this work be completed within three (3) months of receiving Notice to Proceed, barring any significant delays by other parties. Design services to be complete by August 4, 2017, bidding services to be complete by August 31, 2017 and construction services will be complete by December 31, 2018.

**MURRAYSMITH, INC.
PROPOSED AMMENDED SCOPE AND FEE FOR
THE CENTRAL AVENUE WELL #2 PUMP STATION REPLACEMENT PROJECT
FOR
CITY OF SPOKANE**

Murraysmith, Inc. has developed the following scope of work amendment for construction engineering services for the Central Avenue Well #2 Pump Station Replacement project. This scope of services has been developed based on the design services provided by Murraysmith for the Central Avenue Well #2 Pump Station Replacement project.

PROJECT BACKGROUND AND ASSUMPTIONS

The Central Avenue Well #1 Pump Station Replacement (Well #1) project construction is nearly completion and the City's Water Department is planning the replacement of the second of the two well pump stations at the Central Avenue site. Each well pump station consists of a hand dug 8-foot diameter caisson type well, approximately 270 feet deep. Currently Well #2 has two submersible pumps installed, each with a capacity of 4,200 gpm at 355 feet total dynamic head (TDH). The piping and associated valves for each well are in a below ground concrete vault. The electrical and chlorine disinfection equipment for each pump station are in a separate existing above ground building. The electrical equipment was partially replaced as part of the Well #1 project and additional electrical system improvements to be installed as part of this project.

The Central Avenue Well #2 Pump Station Replacement project is a similar facility upgrade to Well #1 project, which includes relocation of the well discharge head to above ground in a new concrete masonry unit (CMU) building. The approximate dimensions of the building will be 16 feet wide by 30 feet long and with 10-foot high walls. The existing submersible pumps will be replaced with a new vertical lineshaft turbine pump that has an approximate capacity of 8,000 gpm. The project will address setback and building height considerations per approach for Well #1 to successfully permit the building in a residential neighborhood.

For the development of this amended scope of services, and the associated fee estimate, the following project assumptions are defined:

- Anticipate construction Notice to Proceed (NTP) by end of January 2018.
- Project construction duration approximately 6 months.
- Construction management and field inspection services performed by the City.

SCOPE OF WORK

The following scope identifies the amended tasks Murraysmith agrees to furnish the City related to Central Avenue Well #2 Pump Station Replacement Project. These amended services are categorized in the following project task:

Task 6 – Construction Services

The City will lead construction management activities, performing field inspection, administration, and startup activities for the project. As requested, Murraysmith will support the City's construction engineering services. On call activities are anticipated to include review and make recommendation for approval of shop drawings and submittals, samples and other data. Additional on-call support activities may include the interpretation and clarification of the contract documents, assistance in preparing work change directives, change orders, and site visits.

PROPOSED PROJECT FEE

Murraysmith will perform this work on a time and expenses basis with a total not to exceed amount of \$25,000 for Task 6 in accordance with the current standard rate schedule defined in the agreement. Total project amended fee is \$88,500. If additional effort is requested, Murraysmith will proceed with the work only upon authorization by the City.

Project expenses incurred in-house that are directly attributable to the project will be invoiced at actual cost. These expenses include the following:

Mileage	Current IRS Rate
Postage and Delivery Services	At Cost
Printing and Reproduction	At Cost
Travel, Lodging and Subsistence	At Cost

Outside technical, professional and other services will be invoiced at actual cost plus 4 percent to cover administration and overhead.

PROPOSED PROJECT SCHEDULE

It is anticipated that construction services will be complete by December 31, 2018.

PROPOSED AMMENDED SCOPE AND FEE THE CENTRAL AVENUE WELL #2 PUMP STATION REPLACEMENT PROJECT CITY OF SPOKANE

Murraysmith, Inc. has developed the following scope of work amendment for construction management services for the Central Avenue Well #2 Pump Station Replacement project. This scope of services has been developed based on the design services provided by Murraysmith for the Central Avenue Well #2 Pump Station Replacement project.

Scope Amendment Assumptions

For the development of this amended scope of services, and the associated fee estimate, the following project assumptions are defined:

- Construction Notice to Proceed (NTP), April 23, 2018.
- Construction contract duration 90 days with an anticipated construction management activities duration of approximately 6 months.
- Field inspection services will be performed by the City, which includes development of Inspector Daily Reports (IDRs).
- The City's Construction Management Department will process pay applications based on Quantity Sheet provided by Murraysmith at the end of each month.
- The City will maintain the Weekly Working Day Summary with input from Murraysmith.
- Special inspection services provided by Budinger & Associates.
- Building inspection provided by the City's Business & Development Division.
- This scope of services will supplement the previous construction services on call contract amendment.

Scope of Work

The following scope identifies the amended tasks Murraysmith agrees to furnish the City related to Central Avenue Well #2 Pump Station Replacement Project. These amended services are categorized in the following amended project tasks:

Task 6 Construction Services

Murraysmith will provide construction management services to support the City during construction of the well station replacement project. These services will be provided from the NTP of the construction contract until the final acceptance of the project, which is anticipated to be a 6-month duration. The City will lead field inspection activities and startup activities for the project. Additionally, the City will provide administration activities, which includes maintaining documentation of IDRs, working days report, and pay application processing. Murraysmith along with its team members will assist the City during construction and will provide the following services.

6.1 Construction Project Management and Coordination

Murraysmith will act as the City's representative and manage construction services for the project and will be the primary point of contact for the prime contractor on all construction related issues and tasks. Murraysmith will coordinate all inspections required, which is anticipated to include City Water inspections, City Public Works inspections, Building Department inspections, and Special Inspections by Budinger & Associates. The level of effort anticipated for this subtask is 24 hours per month for the duration of the construction.

6.2 Project Meetings

- **Pre-Construction Conference Meetings** – Completed February 1, 2018 by the City.
- **Progress Meetings** – Conduct construction progress meetings at a location to be determined, approximately once per week as the work permits, throughout the duration of active construction, which is an anticipated duration of 4 months. The purpose of these progress meetings is to identify potential field problems and other issues regarding the project, as well as to review the project progress versus the project schedule. Up to 16 progress meetings are anticipated with an estimated of 4 hours of activity required per meeting.

6.3 Document Reviews

Review of construction submittals and shop drawings for conformance with project documents, as well as providing design clarifications are included in the previous contract amendment and no additional budget has been included in this scope of services. The following are additional documents requiring coordination during the duration of the construction.

- **RFI Reviews and Responses** – Provide assistance in coordination and responding to requests for information (RFI). It is anticipated that there will be no more than 15 RFIs and 4 hours per RFI is estimated to respond and maintain an up to date log.
- **Pay Request Reviews** – Review applications for payment with contractor for compliance with the established procedure in the Contract Documents and forward with

recommendations to the City, noting particularly the relationship of the payment requested relative to the schedule of values, work completed, and materials and equipment delivered at the site, but not incorporated in the work. It is anticipated that there will be 6 pay requests, 4 hours per pay request is estimated.

6.4 Change Order Requests

Provide services related to the review and development of change orders as directed by the City and/or contractor. These include preparation of Field Orders and Work Change Directives, development of change order proposal description and justification documentation, assistance with negotiation of the change with the Contractor, making recommendations to the City regarding any change orders, and processing the formal change order documents. It is anticipated that there will be no more than 3 change orders, 6 hours per change order is estimated.

6.5 Site Visits

Periodic visits to the site will be conducted as warranted by the progression of work or as requested by the City's inspector. This will include site visits by subconsultants as necessary to observe specific elements of the work. Site visits will be coordinated with progress meetings to the greatest extent possible to take advantage of team member time and efficiencies. It is anticipated that there will be 4 site visits at 2 hours each beyond the planned progress meetings.

6.6 Building Permit and Special Inspections

Murraysmith will coordinate with the City's building inspection for required building permit inspections. Additionally, Murraysmith will coordinate with independent testing laboratory (Budinger & Associates) to perform the special inspection services identified in the project Contract Documents. The City will contract directly with Budinger & Associates for these services. Estimated level of effort is 20 hours.

6.7 Pump Station Startup

The City's operations staff will lead the start of the pump station with support from Murraysmith. This effort will be coordinated with the contractor and the City's electrical consultant, who is responsible for the instrumentation and control design aspects of the pump station. Murraysmith will observe and provide technical assistance as requested during the startup and functional testing of the station. Estimated level of effort is 24 hours.

6.8 Operations and Maintenance Manual

Work under this subtask will include reviewing operations and maintenance manuals submitted by the contractor in conformance with the Contract Documents. These manuals will include manufacturers' literature identifying all installation, operation, maintenance, handling, storage, assembly and other pertinent equipment information for all equipment, systems, subsystems,

appliances, materials, finishes and other material furnished and/or installed on the project. Estimated level of effort is 16 hours.

6.9 Project Close-Out

- **Issuance of Substantial Completion** - Assist in the determination of Substantial Completion and the preparation of lists of items to be completed or corrected.
- **Punch List Preparation** - Participate in a visit to the project in the company of the contractor and prepare a final list of items to be completed and deficiencies to be remedied.
- **Final Completion** - Determine if items on the final list have been completed or corrected and make recommendations to the City concerning acceptance.
- **Record Drawings** - Prepare record drawings based on information provided by contractor and City inspector. One (1) hard copy of the record drawings will be developed and one (1) copy in digital PDF format on CD-ROM with redline markups of noted field changes.

Proposed Project Fee

Murraysmith will perform this work on a time and expenses basis with a total not to exceed amount of \$55,900 for Task 6 in accordance with the current standard rate schedule defined in the agreement. Total project amended fee is \$144,400. If additional effort is requested, Murraysmith will proceed with the work only upon authorization by the City.

Project expenses incurred in-house that are directly attributable to the project will be invoiced at actual cost. These expenses include the following:

Mileage	Current IRS Rate
Postage and Delivery Services	At Cost
Printing and Reproduction	At Cost
Travel, Lodging and Subsistence	At Cost

Outside technical, professional and other services will be invoiced at actual cost plus 4 percent to cover administration and overhead.

Proposed Project Schedule

It is anticipated that construction services will be complete by December 31, 2018.

Personnel:

Labor will be invoiced by staff classification at the following hourly rates, which are valid from June 1, 2017 to December 31, 2018. After this period, the rates are subject to adjustment.

Principal Engineer IV	\$213.00
Principal Engineer III	\$204.00
Principal Engineer II	\$197.00
Principal Engineer I	\$186.00
Professional Engineer IX	\$172.00
Professional Engineer VIII	\$156.00
Professional Engineer VII	\$151.00
Professional Engineer VI	\$141.00
Professional Engineer V	\$126.00
Professional Engineer IV	\$120.00
Professional Engineer III	\$114.00
Engineering Designer III	\$112.00
Engineering Designer II	\$101.00
Engineering Designer I	\$92.00
Technicians IV	\$123.00
Technicians III	\$109.00
Technicians II	\$91.00
Technicians I	\$81.00
Administrative III	\$94.00
Administrative II	\$78.00
Administrative I	\$54.00

Project Expenses:

Expenses incurred in-house that are directly attributable to the project will be invoiced at actual cost. These expenses include the following:

Mileage	Current IRS Rate
Postage and Delivery Services	At Cost
Printing and Reproduction	At Cost
Travel, Lodging and Subsistence	At Cost

Outside Services:

Outside technical, professional, and other services will be invoiced at actual cost plus 4 percent to cover administration and overhead.

Agenda Wording

Low Bid of (to be determined at bid opening to be held on May 14, 2018 for Sharp Avenue Stormwater Improvements - \$_____. An administrative reserve of \$_____, which is 10% of the contract price plus tax, will be set aside.

Summary (Background)

All information will be provided prior to the May 21, 2018 meeting. On May 14, 2015 bids were opened for the above project. The Engineers Estimate for this project is \$3,431,859.00. The low bid was from (to be determined at bid opening) in the amount of \$_____, which is \$_____ or _____% over/under the Engineer's Estimate; other bids were received as follows:

<u>Fiscal Impact</u>	Grant related? YES	<u>Budget Account</u>

Briefing Paper

Public Safety & Health

Division & Department:	Public Works, Engineering
Subject:	Engineering Project No. 2014040 - Sharp Avenue Stormwater Improvements
Date:	May 7, 2018
Contact (email & phone):	Dan Buller(dbuller@spokanecity.org 625-6391)
City Council Sponsor:	
Executive Sponsor:	Scott Simmons
Committee(s) Impacted:	PIES
Type of Agenda item:	<input checked="" type="checkbox"/> Consent <input type="checkbox"/> Discussion <input type="checkbox"/> Strategic Initiative
Alignment: (link agenda item to guiding document – i.e., Master Plan, Budget , Comp Plan, Policy, Charter, Strategic Plan)	This project is in the 6 year sewer plan
Strategic Initiative:	Innovative Infrastructure
Deadline:	
Outcome: (deliverables, delivery duties, milestones to meet)	Approval of construction contract
Background/History:	
<ul style="list-style-type: none"> The project purpose is to substantially reduce stormwater discharges to the Spokane River 	
Executive Summary:	
<ul style="list-style-type: none"> This project includes a full rebuild of the pavement on Sharp Ave. from Lidgerwood St. to Hamilton St. Along with rebuilding the roadway it will construct stormwater treatment and infiltration facilities using permeable pavements and center median swales. Permeable pavement types will include both porous asphalt and pervious concrete to test treatment capabilities, durability and maintenance requirements. The lanes will be reconfigured from 4 lanes with parking to 2 lanes with bike lanes and parking. The project also includes replacing a 10" water main with a 12" main from Lidgerwood St. to Hamilton St. Because this project has a lengthy construction window, we would like to get it started ASAP and so will include a blank advanced agenda item on the same day the project opens. 	
Budget Impact:	
Approved in current year budget? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A Annual/Reoccurring expenditure? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A If new, specify funding source: Other budget impacts: (revenue generating, match requirements, etc.)	
Operations Impact:	
Consistent with current operations/policy? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A Requires change in current operations/policy? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A Specify changes required: Known challenges/barriers:

Agenda Wording

On April 18, 2018 bids were received for roof repairs on three fire stations. The low bid was from Specialty Roofing LLC in the amount of \$86,630.00.

Summary (Background)

Asset Management in conjunction with Fire leadership has identified 11 fire stations that require new roofs and HVAC systems due to both systems reaching end of life after 25 years of usage. The roof repairs will be for fire stations numbers 2, 7 and 13 at a cost of \$86,630.00 (\$28,876.67 each).

BID PROPOSAL

TO: CITY OF SPOKANE, WASHINGTON

PROJECT NAME: Fire Station Roof Replacement at Station #2, #7 and #13

The undersigned Bidder has examined the site, read and understands the specifications for the above project and agrees to comply with all applicable federal, state and local laws and regulations. The Bidder is advised that by signature of this bid proposal it has acknowledged all bid requirements and signed all certificates contained herein. The price(s) listed in this bid proposal is tendered as an offer to furnish all labor, materials, equipment and supervision required to complete the proposed project in strict accordance with the contract documents. The Bidder proposes to do the project at the following price:

Base Bid \$ 86,630.00 (Eighty-six thousand six hundred thirty dollars)

A. Provide cost for labor per hour and material for replacing substrate and structural framing that may need to be replaced per square foot:

Labor per hour: \$ 80.00

Material Cost per Square Foot: \$ 1.50

These costs are not to be included in Base Bid.

B. Provide cost for labor per hour and material for replacing fascia boards that may need to be replaced per square foot:

Labor per hour: \$ 80.00

Material Cost per Square Foot: \$ 3.00

These costs are not to be included in Base Bid.

C. Provide cost for labor per hour and material for replacing gutters that are currently damaged that may need to be replaced per square foot:

Labor per hour: \$ 100.00

Material Cost per Square Foot: \$ 3.00

These costs are not to be included in Base Bid.

The Bidder acknowledges receipt of addendum number 1,2, and 3 and agrees that its requirements have been included in this Bid.

CONTRACTOR RESPONSIBILITY.

Washington State Contractor's Registration No. SPECIRL860J3
(must be in effect at time of bid submittal)

U.B.I. Number 603-393-220

Washington Employment Security Department Number 000-016319-00-4

Washington Excise Tax Registration Number 603-393-220

City of Spokane Business Registration Number 603393220-001-0001
(The successful Bidder and all subcontractors shall be licensed or have applied for a license to do business in the City of Spokane prior to proceeding with the proposed project.)

BY SUBMITTING THEIR BID, BIDDER CERTIFIES IT IS NOT ON THE STATE OR FEDERAL DEBARRED LIST AND WILL NOT CONTRACT WITH CONTRACTORS THAT ARE ON THE STATE OF FEDERAL DEBARRED LIST. BIDDER ALSO AFFIRMS AND CERTIFIES THAT IT WILL COMPLY WITH AND NOTIFY ITS PRINCIPALS AND SUBCONTRACTORS OF THE PROVISIONS OF THE SPOKANE FAIR ELECTIONS CODE, CHAPTER 01.07, SMC.

BID SECURITY.

A bid security in the amount of FIVE PERCENT (5%) of the total project bid as indicated above, is attached to this bid proposal. If the Bidder is awarded the contract and fails to enter into a construction contract and/or furnish payment / performance bond(s) and proof of insurance within the required time period, the bid security shall be forfeited to the City of Spokane.

NON-COLLUSION.

The undersigned authorized representative of the undersigned firm, being first sworn on oath, certifies that the firm has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the project for which this bid proposal is submitted.

COMPLETION TIME. The Bidder agrees to start the work under this contract within ten (10) days of the Notice to Proceed and to substantially complete the specified work within one hundred and ten (110) working days after the project start date is given.

LIQUIDATED DAMAGES. If the work is not completed within the stated completion time, the Contractor agrees to pay to the City liquidated damages in the amount of \$100.00 for each and every day the work remains uncompleted.

For Contracts up to \$150,000.00 including tax, the Contractor may request for ten percent (10%) Statutory Retainage in lieu of Bond. _____ YES _____ **X** _____ NO

CERTIFICATION OF WAGE COMPLIANCE.

The undersigned Bidder hereby certifies that, within the three-year period immediately preceding the bid solicitation date for this Project, the bidder is not a "willful" violator, as defined in RCW 49.48.082, of any provision of chapters 49.46, 49.48, or 49.52 RCW, as determined by a final and binding citation and notice of assessment issued by the Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

SECTION I. BID PREPARATION AND EVALUATION

1. **MANDATORY PRE-BID CONFERENCE.** Due to safety and workspace issues the determination has been made that the Pre-Bid Conference will be mandatory. The Pre-Bid Conference will be held on Tuesday, April 10, 2018 at 9:00 a.m. The location will be Fire Station #13 at 1118 W. Wellesley, Spokane, WA and then will continue at Fire Station #2 1001 E. North Foothills Drive, Spokane, WA. Meet outside the front doors at 1118 W. Wellesley.
2. **BID PREPARATION.** Bids shall be typed or printed in ink, prepared on the form furnished by the City of Spokane and signed by an authorized representative of the Contractor's Firm. If errors are made, the corrections shall be initialed by the Firm's representative signing the bid. If the bid contains any omission, erasures, alterations, additions, or items not called for in the proposal, or contains irregularities of any kind, it may constitute sufficient cause for rejection. Corrections and/or modifications received after bid opening will not be accepted.
3. **SUBMISSION OF BIDS.** Submit one copy of the bid by 10:00 a.m. on Tuesday, April 17th, 2018 to City of Spokane Purchasing, 808 W. Spokane Falls Blvd., Spokane, WA 99201. Bids may be submitted by hand, mail or email to cwahl@spokanecity.org. **It is the responsibility of the Contractor to make sure bids are received before the due date and time.** A delivery confirmation receipt generated from your original email is not a guaranteed confirmation of receipt. If you do not receive an email confirmation sent directly by Purchasing, it is recommended that you call (509) 625-6411 to confirm receipt. Emailed, mailed and hand delivered Bids must be labeled with Bid #, Title and Due date/time.
4. **BIDDER REPRESENTATION.** The Bidder by making its bid represents that it has read and understands the specifications; and has visited the site and familiarized itself with the local conditions under which the work is to be performed. Bidder further warrants through this representation, it is capable of fully performing and executing the type of Work being solicited via this City Request for Bids.
5. **CONFIRMATION OF CAPACITY.** Prior to the award of contract, the Bidder shall be required to submit evidence of sufficient facilities, equipment, experience and financial ability to insure completion of the Work, unless waived by the City.
6. **BID SECURITY.** The bid shall be accompanied by cash, a bid bond, certified or cashier's check payable to the order of the City of Spokane, in an amount of not less than five percent (5%) of the total bid amount. Bid bonds must be by a surety company authorized to do business as a surety in Washington State. As soon as the bid prices have been compared, the City will release the bid security of all except the three (3) lowest responsible Bidders. When the construction agreement is signed and returned with executed payment and performance bonds, the other bid security will be released.
7. **AWARD OF CONTRACT.** Award of contract, when made by the City, will be to low responsive responsible Bidder. Unsuccessful Bidders will not automatically be notified of results. **THE CITY RESERVES THE RIGHT TO ACCEPT EITHER THE BASE BID PER PLANS AND SPECIFICATION OR ALTERNATIVE PROPOSALS WHEN IN THE BEST INTEREST OF THE CITY.**
8. **PAYMENT.** Payment will be made via direct deposit/ACH after receipt of the Contractor's application except as provided by state law. A completed ACH application is required before a City Order will be issued. If the City objects to all or any portion of the invoice, it shall notify the Contractor and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

9. REJECTION OF BIDS. The City reserves the right to reject any or all Bids, to waive minor deviations from the specifications, to waive minor informalities and immaterial variances in Bid process whenever it is in the City's best interest, and to accept or reject all or part of this Request for Bids, at the prices shown.

10. CONTRACTOR REGISTRATION. The Contractor shall be a Washington State registered or licensed contractor at time of Bid submittal.

11. RECIPROCAL PREFERENCE FOR RESIDENT CONTRACTORS

- A. In accordance with RCW 39.04.380 effective *March 30, 2012* the City of Spokane is enforcing a Reciprocal Preference for Resident Contractors. Any public works bid received from a nonresident contractor from a state that provides an in-state percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. A nonresident contractor from a state that provides a percentage bid preference means a contractor that: a) is from a state that provides a percentage bid preference to its resident contractors bidding on public works contracts; and b) at the time of bidding on a public works project, does not have a physical office located in Washington.
- B. The state of residence for a nonresident contractor is the state in which the contractor was incorporated or, if not a corporation, the state where the contractor's business entity was formed. All nonresident contractors will be evaluated for out of state Bidder preference. If the state of the nonresident contractor provides an in-state contractor preference, a comparable percentage disadvantage will be applied to their bid prior to contract award.
- C. This section does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280, or any other procurement exempt from competitive bidding.

12. PUBLIC WORK REQUIREMENTS. The Scope of Work for this project constitutes a Public Work under state law. Contractors are warned to take into consideration statutory legal requirements, particularly, the payment of prevailing wages, payment/performance bonds and sales tax implications in making their bids. A BID BOND AND PERFORMANCE BOND IS REQUIRED.

13. PROJECT CONTACT.

The project contact for the City of Spokane (Owner) is:

Name: Ernest Wickert
Department: Asset Management
Phone: 625-7788
Email: ewickert@spokanecity.org

14. BIDDER RESPONSIBILITY CRITERIA (MANDATORY). Before award, the Bidder must meet the following mandatory bidder responsibility criteria to be considered a responsible Bidder. The Bidder may be required by the Owner to submit documentation demonstrating compliance with the criteria. The Bidder must:

- A. Have a current certificate of registration as a contractor in compliance with chapter 18.27 RCW, which must have been in effect at the time of Bid submittal;
- B. Have a current Washington Unified Business Identifier (UBI) number;
- C. If applicable:
 - 1) Have Industrial Insurance (workers' compensation) coverage for the Bidder's employees working in Washington, as required in title 51 RCW;
 - 2) Have a Washington Employment Security Department number, as required in title 50 RCW;
 - 3) Have a Washington Department of Revenue state excise tax registration number, as required in title 82 RCW.
- D. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3).
- E. Before award of a public works contract, the bidder under consideration for award of a public works project must submit to the public agency a sworn statement that they have not willfully violated wage payment laws within the past three years in order to be considered a responsible bidder. (See RCW 39.04.350 as modified by SSB 5301, Laws of 2017, ch. 258.). This form is titled "Certification of Compliance with Wage Payment Statutes". This form must be submitted upon request by City.
- F. Shall affirm and certify that they will not violate any local, state, or federal labor laws or standards during the course of performing work under the City contract.
- G. Shall affirm and certify that the bidder will comply with and notify its principals and subcontractors of the provisions of the Spokane Fair Elections Code, chapter 01.07, SMC

15. BIDDER RESPONSIBILITY CRITERIA (SUPPLEMENTAL).

A Bidder will be deemed not responsible if:

- A. the Bidder does not meet the mandatory bidder responsibility criteria in SMC 7.06.500 and RCW 39.04.350(1), as amended; or
- B. the Bidder does not meet the supplemental bidder responsibility criteria as shown in these bid specifications. The Bidder may be required by the City to submit documentation demonstrating compliance with the criteria.

If a potential Bidder believes that the supplemental bidder responsibility criteria will exclude it from bidding, it may request the City to consider modifying the criteria. Any request shall be submitted to the Purchasing Section of the Accounting Department no later than five (5) days before the bid opening. The City shall evaluate any such request, and if a decision is made by the City to modify the criteria, the modification shall be communicated to all Bidders and plan holders via the issuance of an addendum to the bidding documents. Likewise, in the event the City decides not to modify the criteria, it will endeavor to notify the requesting Bidder of its decision.

As evidence that the Bidder meets the supplemental bidder responsibility criteria, the apparent lowest Bidder shall submit to the City within twenty four (24) hours of the notification time the completed supplementary bidder responsibility form with any required documentation. The City reserves the right to request this documentation from other Bidders as well, and to request further documentation as needed to assess the Bidder's responsibility.

Note a minimum requirement of:

- **Two (2) completed projects of similar size and scope in the last five (5) years. Evidence shall be submitted using the supplemental bidder responsibility criteria form attached to this Request for Bids.**

The basis for evaluation of Bidder compliance with the supplemental criteria shall be any documents or facts obtained by the City (whether from the Bidder or third parties) which any reasonable owner would rely on for determining compliance. Determinations of responsibility or non-responsibility of a Bidder due to the supplemental criteria shall be based on a review of all the supplemental criteria factors as a whole with no single item being determinative.

If the City determines the low Bidder does not meet either the mandatory bidder criteria or the supplemental bidder criteria and is therefore not a responsible Bidder, the Contracting Agency shall notify the Bidder in writing with reasons for the determination. If the Bidder disagrees with this determination, it will have a minimum of three (3) business days from receiving the determination to submit additional written information to the City. The City will consider any timely submitted additional information received from the Bidder before issuing its subsequent determination. If the Bidder disagrees with the City's subsequent determination it may appeal the determination to the Mayor or designee in writing within two (2) business days of receiving the City's determination. If the final appeal affirms that the Bidder is not responsible, the City will not execute a contract with any other Bidder until at least two (2) business days after the Bidder determined to be not responsible has received the final determination.

SECTION II. GENERAL REQUIREMENTS

AIA DOCUMENT A201

"GENERAL CONDITIONS OF THE CONTRACT FOR CONSTRUCTION"

By reference, the printed document "General Conditions of the Contract for Construction, AIA Document A201, 2007 edition, is hereby included and shall be part of the Contract Documents. Copies of AIA Document A201 are available for review at the offices of the Owner. Copies may also be purchased from the American Institute of Architects or its local distributor.

SUPPLEMENTARY GENERAL CONDITIONS OF THE CONTRACT

The following supplements modify the "General Conditions of the Contract for Construction," AIA Document A201, 2007. Where a portion of the General Conditions is modified or deleted by these Supplementary Conditions, the unaltered portions of the General Conditions shall remain in effect.

ARTICLE 3 - CONTRACTOR

3.5.1 Add a subparagraph 3.5.1 to read:

GUARANTY. The Contractor guarantees all work, labor and materials for one year following final acceptance of the Work. If any unsatisfactory condition or defect develops within that time, the Contractor shall immediately place the Work in a satisfactory condition and repair all damage caused by the condition or defect at its sole expense. This guarantee shall not apply to Work, which has been abused or neglected by the City. This guaranty shall be in addition to any standard warranty or service guaranty offered by the Contractor.

3.6 TAXES:

3.6.1 Add a subparagraph 3.6.1 to read:

WASHINGTON STATE RETAIL SALES TAX FOR GENERAL CONSTRUCTION. Retail sales tax, when applicable, will be paid as a separate item, and shall not be included in the bid price. Sales tax shall be added on the amounts due the Contractor and the Contractor shall be responsible for making payment to the State. The Owner reserves the right to claim any exemption authorized by law.

3.7 PERMITS, FEES AND NOTICES

3.7.1 Add the following to subparagraph 3.7.1:

The Contractor shall be responsible for obtaining at its expense all permits required by regulatory agencies. Below is a list of permits that may be required on typical projects, and where they may be obtained. The list is included for the Contractor's benefit and is not considered exhaustive:

Building Permit, Building Services	625-6300
Electrical Permit, Building Services	625-6300
City Business License, Taxes and Licenses	625-6070
Hydrant Permit, Hydrant Foreman	625-7800
Hydrant Permit, Engineering Services	625-6300
Obstruction Permit, Engineering Services	625-6300
Sewer Permit, Engineering Services	625-6300
Water Service Application, Engineering Services	625-6300

3.7.6 Add a subparagraph 3.7.6 to read:

The Contractor and every subcontractor (and suppliers when legally required) shall obtain a City business license prior to beginning their work.

3.7.7 Add a subparagraph 3.7.7 to read:

The Contractor shall pay for the use of municipal or private property for storage of materials, parking, temporary obstructions, enclosures, opening and patching of streets, etc., off of the property arising from construction and completion of work.

3.18 INDEMNIFICATION

3.18.2 Add the following to subparagraph 3.18.2:

The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation.

ARTICLE 5 - SUBCONTRACTORS

5.2 AWARD OF SUBCONTRACTS AND OTHER CONTRACTS FOR PORTIONS OF THE WORK

5.2.1 Delete subparagraph 5.2.1 and replace with:

The Contractor shall at time of bid submittal submit the names of the subcontractors with whom the Contractor, if awarded the contract, will subcontract for performances of the work. As circumstances change during the Work, the Contractor shall submit the names of all person or entities (including those who are to furnish materials or equipment fabricated to a special design).

ARTICLE 8 - TIME

8.4 Add a new section to read:

8.4 LIQUIDATED DAMAGES

Because the Owner finds it impractical and extremely difficult to calculate the actual damages which will be suffered by the Owner as a result of the Contractor's failure to complete the work on time, the Owner has adopted liquidated damages for this Work as set forth in the bid proposal.

ARTICLE 9 - PAYMENTS AND COMPLETION

9.3 APPLICATIONS FOR PAYMENT

9.3.4 Add a subparagraph 9.3.4 to read:

The Owner will pay ninety-five percent (95%) of the amount due the Contractor on account of progress payments. Five percent (5%) will be held as retainage pursuant to chapter 60.28 RCW. Ten percent (10%) can be requested to be withheld in lieu of Performance/Payment Bond for projects \$150,000.00 and under.

9.4 CERTIFICATES FOR PAYMENT

9.4.2 Add the following to subparagraph 9.4.2:

Payment will not constitute a waiver of any claims by the Owner that the Work fails to comply with the Contract Documents.

9.6 PROGRESS PAYMENTS

9.6.8 Add a subparagraph 9.6.8 to read:

Pursuant to chapter 60.28 RCW there will be reserved and retained from monies earned by the Contractor on estimates during the progress of the Work a sum not to exceed five percent (5%) (or ten percent (10%) without Performance/Payment Bond) of the monies earned by the Contractor. The retainage shall be used as a trust fund for the protection and payment: (1) to the State with respect to taxes imposed pursuant to Title 82, RCW which may be due from such Contractor, and (2) of any person or persons, mechanic, subcontractor or material supplier who shall perform any labor upon the contract or the doing of the Work, and all persons who shall supply such person or persons or subcontractor with provisions or supplies for carrying on the work. Release of retainage will be made a minimum of forty five (45) days following final acceptance of the work provided the following conditions are met:

- a. The City has received from the Contractor and each subcontractor a copy of a "Statement of Intent to Pay Prevailing Wages" and an "Affidavit of Wages Paid", approved by the State Department of Labor and Industries.
- b. On contracts greater than \$35,000, the City has received a release of liability from the State Department of Employment Security.
- c. On contracts greater than \$35,000, the City has received a release of liability from the State Department of Labor and Industries.
- d. On contracts greater than \$35,000, the City has received a release from the State Department of Revenue.
- e. No claims, as provided by law, have been filed against the retainage.

In the event a claim is filed, the Contractor shall be paid a portion of the retainage which is less an amount sufficient to pay the claim and potential legal costs.

9.6.9 Add a subparagraph 9.6.9 to read:

Before payment is made, the Owner shall require the Contractor and each subcontractor to submit a Statement of Intent to Pay Prevailing Wages to the Owner's Accounting Department which has been approved by the State Department of Labor and Industries before submittal. Unless otherwise authorized by the Department of Labor and Industries, each voucher claim (invoice) submitted by a Contractor for payment on a project estimate shall have a certification which states that the prevailing wages have been paid in accordance with the prefilled Statement(s) of Intent to Pay Prevailing Wages.

The fee for the approval of Statements of Intent to Pay Prevailing Wages and Affidavits of Wages Paid is forty dollars (\$40.00) for each form. The Contractor is responsible for payment of these fees and shall make all application directly to the Department of Labor and Industries. Reimbursement for the fees paid by the Contractor will be added to the amounts due the Contractor; provided the Contractor has submitted to the Owner prior to final acceptance of the Work a list of its subcontractors at all tiers and have their Statements of Intent to Pay Prevailing Wages on file with the Owner.

ARTICLE 10 - PROTECTION OF PERSONS AND PROPERTY

10.1 SAFETY PRECAUTIONS AND PROGRAMS

10.1.1 Add a subparagraph 10.1.1 to read:

If the Work involves trench excavation which will exceed a depth of four feet, the Contractor shall provide adequate safety systems for the trench excavation that meet the requirements of the Washington industrial safety and health act (chapter 49.17 RCW).

10.2 SAFETY OF PERSONS AND PROPERTY

10.2.4 Add the following to subparagraph 10.2.4:

The Contractor shall give the Owner reasonable advance notice of the use or storage.

ARTICLE 11 – INSURANCE AND BONDS

11.1 CONTRACTOR'S LIABILITY INSURANCE

11.1 Delete paragraph 11.1 and replace with:

During the term of the contract, the Contractor shall maintain in force at its own expense, the below insurance:

- a. Worker's Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability or Stop Gap Insurance in the Amount of \$1,000,000; and
- b. General Liability Insurance on an occurrence basis, with a combined single limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. It shall include premises and operations, independent contractors, products and completed operations, personal injury liability and contractual liability coverage for the indemnity provided under the contract. It shall provide that the City, its officers, and employees and the Architect are additional insureds but only with respect to the Contractor's services to be provided under the contract; and
- c. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.

There shall be no cancellation, material change, reduction of limits or intent not to renew insurance coverage(s) without thirty (30) days written notice from the Contractor or its insurer(s) to the City. The Contractor shall furnish acceptable insurance certificates to the City at the time it returns the signed contract. The certificate shall specify all of the parties who are additionally insured; and include applicable policy endorsements and the deduction or retention level. Insuring companies or entities are subject to City acceptance.

11.3 PROPERTY INSURANCE

11.3.1 Revise "Owner" to "Contractor" in subparagraph 11.3.1.

11.3.1.2 Delete subparagraph 11.3.1.2.

11.3.1.3 Revise "Owner" to "Contractor" in subparagraph 11.3.1.3.

11.4 PERFORMANCE AND PAYMENT BOND

11.4 Delete entirely and revise to read:

The Contractor shall furnish at its sole cost, a performance bond and a payment bond to the Owner on the form to be provided by the Owner, each equal to one hundred percent (100%) of the contract price. On contracts \$150,000.00 and under, ten percent (10%) retainage can be requested to be held in lieu of performance/payment bond. The bonds are to insure faithful and complete performance of the contract and payment of all obligations to laborers and material men arising from the project. The bonds are to be executed by a surety company authorized to do business as a surety in Washington State, and shall remain in effect for one (1) year following the Owner's final acceptance of the Work. Unless approved by the Owner, the surety's name shall appear on the United States Treasury Department's list of authorized sureties - Circular 570 as amended.

ARTICLE 13 - MISCELLANEOUS PROVISIONS

13.5.1 Add the following to subparagraph 13.5.1:

The Owner shall employ and pay for the services of an independent agency, testing laboratory or other qualified firm to perform services which are the Owner's responsibility as defined by the International Building Code and the "Special Inspection Manual" for the International Building Code.

13.8 Add a paragraph 13.8 to read:

NONDISCRIMINATION. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Contract because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. The Vendor agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Vendor.

13.9 Add a paragraph 13.9 to read:

ANTI-KICKBACK. No officer or employee of the City of Spokane, having the power or duty to perform an official act or action related to this agreement shall have or acquire any interest in the agreement, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in this agreement.

13.10 Add a paragraph 13.10 to read:

PREVAILING WAGES - LOCAL AND STATE ASSISTED CONSTRUCTION.

- A. The prevailing rate of wages to be paid to all workmen, laborers or mechanics employed in the performance of any part of this contract shall be in accordance with the provisions of Chapter 39.12 of the Revised Code of Washington (RCW) and the rules and regulations of the Washington State Department of Labor and Industries.
- B. The State of Washington prevailing wage rates applicable for this public works project, which is located in Spokane County, may be found at the following website address of the Department of Labor and Industries:
<https://fortress.wa.gov/lni/wagelookup/prvWagelookup.aspx>.
Based on the bid submittal deadline for this project, the applicable effective date for prevailing wages for this project is April 17, 2018. Upon request, the City will mail a hard copy of prevailing wages for this project.
- C. If apprentices are to be used, they must be registered with the State Apprenticeship Council; otherwise, they are to be paid prevailing journeyman wages.

END OF SUPPLEMENTARY GENERAL CONDITIONS

SECTION III. TECHNICAL REQUIREMENTS

- 1. PERFORMANCE. Unless otherwise stated, the Contractor will be responsible for the furnishing of labor, supervision, materials, tools, construction equipment, transportation, and other items of work and costs necessary for the proper performance and completion of the described Work. The apparent silence or omission as to any detail of any Work to be done or materials to be furnished and required for the proper performance of the Work, shall be regarded as meaning that the best general practice is to prevail, and that material and workmanship of the best quality are to be used, and interpretation of the scope of work shall be made upon this basis.
- 2. SCOPE OF WORK.
 - A. Contractor will be responsible for properly removing and disposing of all existing equipment being replaced.
 - B. Install 95% efficient 80 KBTU single stage "Trane" furnaces and 14 SEER 3 ton "Trane" air conditioners
 - C. Repurpose refrigerant line sets as per manufactures guide lines to ensure they meet manufactures warranty.
 - D. Replace economizer motor and controls.
 - E. Remove existing and install new humidifiers.
 - F. Replace thermostats with Honeywell brand thermostats

G. Replace 300,000 BTU shop heaters with like and kind.

~~H. Everything is to be installed to code.~~

I. Contractor will be responsible for all permits and must keep walkways and driveways open at all times, these are active fire stations.

J. Contractor will need to post a safety plan.

K. Contractor is responsible for securing all materials and equipment.

BID PROPOSAL

TO: CITY OF SPOKANE, WASHINGTON

PROJECT NAME: Fire Station #2 and #13 HVAC Replacement

The undersigned Bidder has examined the site, read and understands the specifications for the above project and agrees to comply with all applicable federal, state and local laws and regulations. The Bidder is advised that by signature of this bid proposal it has acknowledged all bid requirements and signed all certificates contained herein. The price(s) listed in this bid proposal is tendered as an offer to furnish all labor, materials, equipment and supervision required to complete the proposed project in strict accordance with the contract documents. The Bidder proposes to do the project at the following price:

Base Bid \$106,905.00 (ONE HUNDRED SIX THOUSAND, NINE HUNDRED FIVE)

The Bidder acknowledges receipt of addendum number 2 and agrees that its requirements have been included in this Bid.

CONTRACTOR RESPONSIBILITY.

Washington State Contractor's Registration No. RRHEAA*106BW
(must be in effect at time of bid submittal)

U.B.I. Number 601541026

Washington Employment Security Department Number 631452000

Washington Excise Tax Registration Number 91-1404688

City of Spokane Business Registration Number T11103855BUS
(The successful Bidder and all subcontractors shall be licensed or have applied for a license to do business in the City of Spokane prior to proceeding with the proposed project.)

BY SUBMITTING THEIR BID, BIDDER CERTIFIES IT IS NOT ON THE STATE OR FEDERAL DEBARRED LIST AND WILL NOT CONTRACT WITH CONTRACTORS THAT ARE ON THE STATE OF FEDERAL DEBARRED LIST. BIDDER ALSO AFFIRMS AND CERTIFIES THAT IT WILL COMPLY WITH AND NOTIFY ITS PRINCIPALS AND SUBCONTRACTORS OF THE PROVISIONS OF THE SPOKANE FAIR ELECTIONS CODE, CHAPTER 01.07, SMC.

A bid security in the amount of FIVE PERCENT (5%) of the total project bid as indicated above, is attached to this bid proposal. If the Bidder is awarded the contract and fails to enter into a construction contract and/or furnish payment / performance bond(s) and proof of insurance within the required time period, the bid security shall be forfeited to the City of Spokane.

The undersigned authorized representative of the undersigned firm, being first sworn on oath, certifies that the firm has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the project for which this bid proposal is submitted.

LIQUIDATED DAMAGES. If the work is not completed within the stated completion time, the Contractor agrees to pay to the City liquidated damages in the amount of \$100.00 for each and every day the work remains uncompleted.

CERTIFICATION OF WAGE COMPLIANCE.

The undersigned Bidder hereby certifies that, within the three-year period immediately preceding the bid solicitation date for this Project, the bidder is not a "willful" violator, as defined in RCW 49.48.082, of any provision of chapters 49.46, 49.48, or 49.52 RCW, as determined by a final and binding citation and notice of assessment issued by the Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction. I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

BID BOND

We, _____ as Principal,

and _____ as Surety,
are held and firmly bound unto the CITY OF SPOKANE, a Washington State municipal corporation, in the penal sum of FIVE PERCENT (5%) OF THE TOTAL AMOUNT BID, for the payment of which we jointly and severally bind ourselves, and our legal representatives and successors.

THE CONDITIONS OF THE OBLIGATION are that if the City of Spokane shall make timely award to the Principal for the Fire Station #2 and #13 HVAC Replacement according to the terms of the bid made by the Principal; and the Principal shall, within the specified time, enter into a contract with the City of Spokane and furnish bond(s) acceptable to the City, if required, then this obligation shall be null and void; otherwise it shall remain in full force and effect; but in no event will the surety's liability exceed this bond's face amount.

The Surety for value received agrees that no change, extension of time, alteration or addition to the terms of the Contract, the specifications accompanying the Contract, or to the work to be performed under the Contract shall in any way affect its obligation on this bond, except as provided herein, and waives notice of any change, extension of time, alteration or addition to the terms of the Contract or the work performed. The Surety agrees that modifications and changes to the terms and conditions of the Contract that increase the total amount to be paid the Principal shall automatically increase the obligation of the Surety on this bond and notice to Surety is not required for such increased obligation.

Rev. 10-1-2014

City of Spokane, Washington Supplemental Bidder Responsibility Criteria

After bid opening and prior to award, the apparent low Bidder shall complete, sign and submit this form with attachments to the City (See instructions at the end of this form). The form shall be submitted within twenty four (24) hours after the notification, unless a different time and date is required by the specifications or otherwise mutually agreed upon.

Project Name: Fire Station #2 and #13 HVAC Replacement

Project #: **SW59-18**

Part A: General Company Information

Company Name: R&R HEATING & AIR CONDITIONING, INC.

Address: 5202 N FLORIDA ST., SPOKANE, WA 99217

Contact Name and Title: ROBERT DIXON, PROJECT MANAGER

Contact Phone: 509-289-5560

Contact E-mail: RDIXON@RANDRHEATING.COM

Years in business as a Prime Contractor: 33

Years in business as a sub-contractor: 33

Years in business under present Name: 33

List any former company names under which the company, its owners, and/or its principals has operated in the past five (5) years:

Explain reason for name change(s) in the past five (5) years:

Part B: Work Experience

If the request for bids has project specific criteria, including work experience, list at least the requested number of construction projects completed within the required time frame on the attached Project Experience form which are similar in type, size and scope of work required for this project.

Minimum number of completed construction projects required for SW59-18 project is:

- **A minimum of two (2) projects in the last five (5) years consisting of projects similar in size and scope.**

Part C: Performance Evaluation

Under past or present names does the Bidder have a history of receiving "deficient" or "inadequate" evaluations on two (2) or more contracts from the City or other municipalities or another governmental agency on a public works project within the last five (5) years?

☐ Yes ☒ No

If "Yes" attach a separate, signed / dated statement listing the projects and an explanation.

Part D: Record of Debarment / Disqualification

Has the Bidder (including the primary contractor, any firm with which any of the primary contractor's owners, officers, or partners was associated) been debarred, disqualified, removed or has been otherwise prevented from bidding on, or completing any governmental agency or public works projects, including debarment by the federal, state or other municipal government during the last five (5) years?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement listing any debarments, disqualifications, removal, etc. from any governmental public works project and the basis for the action.

Part E: Safety

In the last five (5) years, has the Bidder received willful or repeat violations of safety or health regulations by the OSHA or other agencies responsible for safety oversight?

☐ Yes ☒ No

If "Yes," attach a separate signed /dated statement describing each willful or repeat violation, including information about the dates and nature of the violations, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed and a decision has been issued, state the case number and the date of the decision.

Part F: Environmental

In the last five (5) years, has the Bidder received serious citations from government environmental enforcement agencies on projects for which the Bidder was the contractor?

☐ Yes ☒ No

If "Yes," attach a separate signed / dated statement describing each serious citation, including information about the dates of the citations, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed and a decision has been issued, state the case number and the date of the decision.

Part G. Utilization Requirements

In the last five (5) years, has it been determined by a government agency that the Bidder did not comply with disadvantaged business enterprises, apprenticeship or other similar utilization requirements on public works projects?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement listing the violations or failures to meet utilization requirements along with a detailed explanation of the extenuating circumstances surrounding the violation and/or failure.

Part H: Discrimination

Has the Bidder or any of its owners, officers or partners been found guilty of violating or failing to comply with discrimination laws in contracting, employment or provision of public services?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement identifying the type of violation, who was involved, the name of the public agency, year of the investigation, the resolution in court or administrative process, and the grounds for the findings.

Part I. Prevailing Wage

In the last five (5) years, has the Bidder received prevailing wage violations as determined by the applicable state or federal government agency monitoring prevailing and/or Davis Bacon wage compliance?

☐ Yes ☒ No

If "Yes," attach a separate signed/dated statement listing the prevailing wage violations, along with an explanation of each violation and how it was resolved. The City shall evaluate these explanations and the resolution of each violation to determine whether the violations demonstrate a pattern of failure to pay prevailing wages to workers unless there are extenuating circumstances acceptable to the City.

Part J: Public Bidding Crime (Criminal Convictions)

Has the Bidder been convicted of a crime involving bidding on a public works contract within the last five (5) years?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement listing the dates of conviction(s), the offense(s) convicted of, the punishment, and a brief statement of the facts underlying the conviction(s)

Part K. Claims Against Retainage and Bonds

Does the Bidder have a record of multiple claims filed against the retainage or payment bonds for public works projects during the previous three (3) years?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement listing the claims filed against the retainage and/or payment bond for any completed public works projects and include for each project a written explanation of the circumstances surrounding the claim and the ultimate resolution of the claim. The City shall evaluate the statement to determine if it demonstrates a lack of effective management by the Bidder of making timely and appropriate payments, unless there are extenuating circumstances acceptable to the City in its sole discretion.

Part L. Termination for Cause

Has the Bidder had any public works contract terminated for cause by any government agency during the previous five (5) years?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement listing each contract terminated, the government agency terminating the contract and the circumstances involving the termination for cause. The City will determine if there are extenuating circumstances acceptable to the City in its sole discretion.

Part M: Litigation

Has the Bidder been involved in lawsuits (or arbitrations for those instances where arbitration is completed in lieu of a lawsuit) with judgments entered against the Bidder for failure to meet terms on contracts in the previous five (5) years?

☐ Yes ☒ No

If "Yes", attach a list of lawsuits and/or arbitrations with judgments / arbitration awards entered against the Bidder along with a written explanation of the circumstances surrounding each lawsuit and/or arbitration. The City will evaluate the explanations to determine whether the lawsuits and/or arbitrations demonstrate a pattern of failing to meeting terms of conditions of contracts, unless there are extenuating circumstances acceptable to the City in its sole discretion.

Part N: Delinquent State Taxes

Does the Bidder owe delinquent taxes to the Washington State Department of Revenue without a payment plan approved by the Department before the date of contract award?

☐ Yes ☒ No

If "Yes", attach a separate signed / dated statement describing the circumstances and stating that the Bidder is not on the Washington State Department of Revenue's "Delinquent Taxpayer List".

Part O: Subcontractor Responsibility

Does the Bidder's standard subcontract form include the subcontractor language required by RCW 39.06.020? Does the Bidder have an established procedure which it uses to validate the responsibility of each of its subcontractors? Does the subcontract form require that each of the Bidder's subcontractors have and document a similar procedure for sub-tier subcontractors?

☒ Yes ☐ No

If "Yes" or "No", provide a copy of its standard subcontract form and a copy of the procedures used to validate the responsibility of subcontractors.

Instructions for the Supplemental Bidder Responsibility Form

After bid opening and prior to award, the apparent low Bidder shall complete, sign and submit this form with attached documentation to the City of Spokane Purchasing Section by one of the methods listed below within twenty four (24) hours of notification.

The City's evaluation may include further investigations to establish the responsibility, qualifications, financial resources and experience of a Bidder to complete the work of this contract. The City may contact previous owners or others to validate the information provided by the Bidder. The City will assess the information provided and other information gathered in determining whether a Bidder is responsible. List all information you feel is relevant to the City making an informed decision. The City reserves the right to request additional information from the Bidder.

For criteria with check boxes, the Bidder will check either "Yes" or "No. " For each "Yes" answer on the form, the Bidder shall provide a signed and dated statement providing the project information requested and explaining the extenuating circumstances.

Form Submittal:

Submit this form to Purchasing Section of the City of Spokane Accounting Department by one of the following methods within twenty four (24) hours after the time of notification (unless the specifications provide a different time or date)

Email	purchasinghelp@spokanecity.org
With the Email Subject line:	Supplemental Bidder Form for Fire Station #2 and #13 HVAC Replacement

We, SPECIALTY ROOFING, LLC as Principal,

and LEXON INSURANCE COMPANY as Surety, are held and firmly bound unto the CITY OF SPOKANE, a Washington State municipal corporation, in the penal sum of FIVE PERCENT (5%) OF THE TOTAL AMOUNT BID, for the payment of which we jointly and severally bind ourselves, and our legal representatives and successors.

THE CONDITIONS OF THE OBLIGATION are that if the City of Spokane shall make timely award to the Principal for Fire Station Roof Replacement at Station #2, #7 and #13 according to the terms of the bid made by the Principal; and the Principal shall, within the specified time, enter into a contract with the City of Spokane and furnish bond(s) acceptable to the City, if required, then this obligation shall be null and void; otherwise it shall remain in full force and effect; but in no event will the surety's liability exceed this bond's face amount.

The Surety for value received agrees that no change, extension of time, alteration or addition to the terms of the Contract, the specifications accompanying the Contract, or to the work to be performed under the Contract shall in any way affect its obligation on this bond, except as provided herein, and waives notice of any change, extension of time, alteration or addition to the terms of the Contract or the work performed. The Surety agrees that modifications and changes to the terms and conditions of the Contract that increase the total amount to be paid the Principal shall automatically increase the obligation of the Surety on this bond and notice to Surety is not required for such increased obligation.

POWER OF ATTORNEY

LX- SCP2577

Lexon Insurance Company

KNOW ALL MEN BY THESE PRESENTS, that **LEXON INSURANCE COMPANY**, a Texas Corporation, with its principal office in Louisville, Kentucky, does hereby constitute and appoint: SHELLIE DUNCAN its true and lawful Attorney(s)-In-Fact to make, execute, seal and deliver for, and on its behalf as surety, and as its act and deed a BID BOND under bond or undertaking number SCP2577 issued on behalf of SPECIALTY ROOFING, LLC as principal in the penal sum not to exceed \$ 250,000.00.

This authority is made under and by the authority of a resolution which was passed by the Board of Directors of **LEXON INSURANCE COMPANY** on the 1st day of July, 2003 as follows:

Resolved, that the President of the Company is hereby authorized to appoint and empower any representative of the Company or other person or persons as Attorney-In-Fact to execute on behalf of the Company any bonds, undertakings, policies, contracts of indemnity or other writings obligatory in nature of a bond not to exceed \$ 250,000.00 dollars, which the Company might execute through its duly elected officers, and affix the seal of the Company thereto. Any said execution of such documents by an Attorney-In-Fact shall be as binding upon the Company as if they had been duly executed and acknowledged by the regularly elected officers of the Company. Any Attorney-In-Fact, so appointed, may be removed for good cause and the authority so granted may be revoked as specified in the Power of Attorney.

Resolved, that the signature of the President and the seal of the Company may be affixed by facsimile on any power of attorney granted, and the signature of the Assistant Secretary, and the seal of the Company may be affixed by facsimile to any certificate of any such power and any such power or certificate bearing such facsimile signature and seal shall be valid and binding on the Company. Any such power so executed and sealed and certificate so executed and sealed shall, with respect to any bond of undertaking to which it is attached, continue to be valid and binding on the Company.

IN WITNESS THEREOF, **LEXON INSURANCE COMPANY** has caused this instrument to be signed by its President, and its Corporate Seal to be affixed this 5th day of August, 2015.

ADDENDUM NO. 2

REQUEST FOR BIDS #SW60-18 – Fire Station Roof Replacement at Station #2, #7 and #13

This Addendum 2 is being issued to provide a letter from the Spokane Regional Clean Air Agency and to answer a question received. Question is identified with "Q". Answer is identified with "A" and red text.

1. Note Attachment "Spokane Regional Clean Air Agency Asphalt Shingle Test Info".

2. **Q:** Why the asphalt shingle was not included in asbestos test?

A: The Spokane Regional Clean Air Agency excluded asphalt shingles as a Suspect Asbestos Containing Material in 9/2/2014. See attachment from the Spokane Regional Clean Air Agency that has that statement and a definition of what an asphalt shingle is. The asphalt felt was tested to ensure there was no other asbestos in the roofing systems. That was provided in the RFB packet.

ADDENDUM NO. 3

REQUEST FOR BIDS #SW60-18 – Fire Station Roof Replacement at Station #2, #7 and #13

This Addendum 3 is being issued to change a requirement in the Scope of Work and answer a question. Question is identified with "Q". Answer is identified with "A" and red text.

1. Note change to Scope of Work. Remove 10 year craftsmanship warranty of 10 years in Section III "Technical Requirements", Paragraph 3 "Scope of Work", Line I. Line I will now be as follows:

I. Have a 40 year prorated factory warranty on materials.

2. **Q:** In reviewing the bid documents, it appears that the warranty for labor is requested to be 10 years; Bonding companies won't permit a 10 year labor warranty for the project as required in the project scope. What should be included for warranty? Other projects have changed this requirement to 1 year.

A: The 10 year craftsmanship warranty has been removed. Language as defined in Paragraph 3.5.1 designating Contractor guarantee of work, labor and materials for one year following final acceptance of Work will apply.

Amending Ordinance No. C-35565, passed the City Council December 11, 2017, and appropriating funds in Development Services, FROM: Unappropriated Reserves, \$366,276; TO: Contractual Services, same amount.

Summary (Background)

A demolition has been ordered by the city Building Official for the property located at 3011 E. Wellesley. The demolition was ordered due to a fire that left the structure in an unsound and unsafe condition. This ordinance appropriates the funds needed to execute a contract for the demolition.

ORDINANCE NO C35621

An ordinance amending Ordinance No. C-35565, passed the City Council December 11, 2017, and entitled, "An ordinance adopting the Annual Budget of the City of Spokane for 2018, making appropriations to the various funds, departments, and programs of the City of Spokane government for the fiscal year ending December 31, 2018, and providing it shall take effect immediately upon passage", and declaring an emergency.

WHEREAS, subsequent to the adoption of the 2018 budget Ordinance No. C-35565, as above entitled, and which passed the City Council December 11, 2017, it is necessary to make changes in the appropriations of the Development Services Center Fund, which changes could not have been anticipated or known at the time of making such budget ordinance; and

WHEREAS, this ordinance has been on file in the City Clerk's Office for five days; - Now, Therefore,

The City of Spokane does ordain:

Section 1. That in the budget of the Development Services Center Fund, and the budget annexed thereto with reference to the Development Services Center Fund, the following changes be made:

FROM:	4700-99999	Development Services Center	
	99999-28810	Undesignated Fund Balance	<u>\$ 366,276</u>
TO:	4700-30210	Development Services Center Fund	
	24100-54201	Contractual Services	<u>\$ 366,276</u>

Section 2. It is, therefore, by the City Council declared that an urgency and emergency exists for making the changes set forth herein, such urgency and emergency arising from the need to budget for unanticipated demolition costs, and because of such need, an urgency and emergency exists for the passage of this ordinance, and also, because the same makes an appropriation, it shall take effect and be in force immediately upon its passage..

NEW CINGULAR WIRELESS FRANCHISE

Agenda Wording

An ordinance granting a non-exclusive franchise to use the public right of way to provide noncable telecommunications service to the public to New Cingular Wireless Inc, subject to certain conditions and duties as further provided.

Summary (Background)

The proposed telecommunications franchise agreement is for a 10-year term with 2 five years extensions. New Cingular Wireless is in the process of the development and implementation of the next generation of a LTE network. This new network will provide high-speed, high-capacity bandwidth in order to facilitate the next generation of devices and data-driven services and to meet the growing demand for connectivity. This network will utilize small cell technology which combines fiber, repeaters, and microwave technologies to ensure that the network is cost-efficient, low-impact to communities, and can be effectively upgraded and augmented in the future.

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Ordinance No. C35622

An ordinance granting a non-exclusive franchise to use the public right-of-way to provide noncable telecommunications service to the public to New Cingular Wireless PCS, LLC, subject to certain conditions and duties as further provided.

THE CITY OF SPOKANE DOES ORDAIN:

- Section 1. Definitions
- Section 2. Parties, grant
- Section 3. Limits on permission
- Section 4. Effective Date, Term
- Section 5. General provisions
- Section 6. Plans; Locate, Relocate
- Section 7. Grantee to restore affected areas
- Section 8. Information, good engineering, inspections
- Section 9. Limited access, no obstruction, accommodation
- Section 10. Undergrounding
- Section 11. Facilities for City Use
- Section 12. Liability; No duty
- Section 13. Insurance
- Section 14. Taxes, fees
- Section 15. Franchise administration
- Section 16. Additional

Section 1. Definitions

"City" means the City of Spokane and its legal successors.

"Administering officer" is the designee of the Mayor who administers this Franchise.

"Cable television service" means the one-way transmission to subscribers of video programming and other programming service and subscriber interaction, if any, that is required for the selection or use of the video programming or other programming service.

"Facilities" means the equipment, fixtures and appurtenances necessary for Grantee to furnish and deliver telecommunications services as provided in the Franchise. It includes poles, antennas, transmitters, receivers, equipment boxes, backup power supplies, power transfer switches, electric meters, coaxial cables, fiber optic cables, wires and conduits and related

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 2 of 17

materials and equipment, but not above ground pedestals or other special installations in the Public right-of-way absent written permission of the Administering officer.

"Municipal infrastructure" means the road bed and road area, street and sidewalk paving, curbing, utility easements (unless there are relevant use, structure or other restrictions), associated drainage facilities, combined sewer tanks, bike paths and other construction or improvements pertaining to public travel. It further includes municipal water and sewer lines or other municipal utility facilities, as well as municipal traffic signal, street lighting and communications facilities in the right-of-way or other areas or easements open for municipal use. It further includes skywalks, street trees, plants, shrubs, lawn and other ornamental or beautification installations owned by the City in the right-of-way or other ways open for public travel or municipal use, and accepted for municipal management or control as such. The definition is intended to encompass any municipal physical plant, fixtures, appurtenances or other facilities located in or near the right-of-way or areas or easements opened and accepted for municipal use.

"Public right-of-way" or "right-of-way" means land acquired by or dedicated to the City for public roads and streets, but does not include state highways; land dedicated for roads, streets, and highways not opened and not improved for motor vehicle use by the public; structures, including poles and conduits, located within the right-of-way; federally granted trust lands or forest board trust lands; lands owned or managed by the state parks and recreation commission; or federally granted railroad rights-of-way acquired under 43 U.S.C. 912 and related provisions of federal law that are not open for motor vehicle use.

"Telecommunications service" means the transmission of information by wire, radio, optical cable, electromagnetic, or other similar means for hire, sale, or resale to the general public. For the purpose of this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. For purposes of this definition, "telecommunications service" excludes the over-the-air transmission of broadcast television or broadcast radio signals and "cable service" as defined in 42 USC 522 (5) or other distribution of multichannel video programming.

Section 2. Parties, grant

TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 4 of 17

Attention: City Attorney's Office

B. In return for promises made and subject to the stipulations and conditions stated, the City grants to Grantee general permission to enter, use, and occupy (including, but not limited to, permission to relocate, install, operate, maintain, replace, relocate, excavate, repair, reinstall, restore and upgrade fiber optic cable, small cell devices) the Public right-of-way, to locate Facilities to provide telecommunications service to the public in the City of Spokane and/or to transport telecommunications services through the City and for no other purpose. This grant expressly does not include permission to use the Public right-of-way for cable service or cable television service. The grant is by way of general permission to occupy the right-of-way, and not in place of specific location permits. In accepting this Franchise, Grantee stipulates and agrees to the City's authority to issue and require the Franchise and stipulates and agrees to the other terms and conditions hereof.

Section 3. Limits on Permission

A. Should the City determine Grantee is using the Franchise beyond its purpose set forth in Section 2B above, or functioning as a cable operator or performing other business functions beyond the scope of permission extended in the Public right-of-way, the City reserves the right to cancel this Franchise and require Grantee to follow any applicable requirements to obtain a cable franchise or other franchise from the City.

B. Permission granted is in the nature of a quitclaim of any interest or authority the City has to make the grant, without warranty of authority by the City to the Grantee. It does not extend beyond the right-of-way, to areas such as buildings or private areas not reserved for general utility access. Grantee is solely responsible to make its own arrangements for any access needed to such places. Permission granted is nonexclusive. Grantee stipulates that the City may grant similar permission to others, provided that any such use by others does not unreasonably interfere with Grantee's use and placement of its Facilities in any right-of-way. The City additionally reserves the right to engage in any lawful municipal function, whether or not including any line of business engaged in by Grantee.

C. The grant of permission from the City does not extend to municipal buildings or other municipally owned or leased structures or premises held in a proprietary or ownership capacity. For such locations, Grantee should make specific written lease arrangements directly with the municipal department

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 5 of 17

controlling such building or other structure or area, all arrangements to be approved in accord with applicable requirements.

Section 4. Effective Date, Term

This Franchise is effective as of the effective date of the Ordinance ("Effective Date"); PROVIDED, that it shall not be effective unless and until the written acceptance of this ordinance by the Grantee, signed by its proper officers, shall be filed with the City Clerk within thirty (30) days of enactment. It expires at midnight ten (10) years thereafter (the "Initial Term"). Following the expiration of the Initial Term, this Franchise shall be automatically renewed for two (2) additional five (5) year periods (each a "Renewal Term"), unless Grantee provides to the City written notice of intention not to renew at least ninety (90) days prior to the expiration of the Initial Term or any Renewal Term, as applicable. This does not affect the City's right to revoke the Franchise for cause, abandonment, or because of breach of any material promise, condition or stipulation stated herein.

Section 5. General Provisions

A. Grantee is and will remain in good standing as a limited liability company registered to do business in the State of Washington, and pay all taxes or fees applicable thereto. Grantee will maintain a public telephone number 24 hours a day, seven days a week for the City's access, personally staffed at least during normal business hours. The Grantee will notify the City within five business days if Grantee's contact information changes.

B. Grantee will coordinate its activities with other utilities and users of permitted areas to avoid unnecessary cutting, damage or disturbance to the Public right-of-way and other permitted areas, and to conduct its planning, design, installation, construction and repair operations to maximize the life and usefulness of the paving and Municipal infrastructure. Grantee agrees that its uses in Franchised areas are fully subordinate to Municipal infrastructure needs and uses, the general public travel and access uses and the public convenience, except as may be otherwise required by law. Grantee promises to minimize or avoid any hazard, danger or inconvenience to Municipal infrastructure needs and uses, public travel, and the public convenience.

C. If required by applicable laws, Grantee will maintain membership with the Inland Empire Utility Coordinating Council (IEUCC) or other similar or successor organization designated to coordinate underground fixture locations

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 6 of 17

and installations. Grantee is familiar with Ch. 19.122 RCW, Washington State's "Underground Utilities" statute. Grantee will familiarize itself with local procedures, custom and practice relating to the one-call locator service program, and will see to it that its contractors or others working in the right-of-way on Grantee's behalf are similarly well informed.

Section 6. Plans; Locate, Relocate

A. Grantee's plans for construction or installation shall be submitted to the Administering officer as requested under such advance notification as the Administering officer may reasonably require, with a copy of such plans to the City's MIS ITSD Director, Developer Service Director, City Engineer, and any other information requested by the City. Grantee promises that all its installations shall be placed in the standard location for buried telecommunications fiber cable not to be less than (30) thirty inches below the paved surface and as determined by local regulation, custom and practice in effect on the date that permits or authorizations are issued for the applicable Facilities, or as designated by the Administering officer. In the event that cable is needed to be installed above ground, all above ground pedestals or other above ground structures besides telephone poles and related guy wire supports are subject to separate review and approval by the Administering officer, in addition to other Franchise requirements; provided, however, that such approval shall not be unreasonably withheld, conditioned, or delayed. If the location of the Grantee's facility is already occupied by City utilities, the Grantee is required to submit new plans showing the location that the Grantee will now be occupying. Grantee will not be considered to have breached the Franchise or acted in such a way as to terminate the Franchise if it reduces the amount of right-of-way occupied.

B. The City reserves the right to change, regrade, relocate, or vacate the Public right-of-way and/or skywalk over the right-of-way. If Grantee is required to relocate its cable, relocation costs incurred by Grantee will be reimbursed by the City and/or any other entity requiring the relocation or funding the project that is requiring the relocation, subject to the conditions set forth in Section 6. The City agrees to give Grantee preliminary notice of any such request ("initial notice date"). Grantee must submit design plans within sixty (60) days of an initial notice date, with relocation to be accomplished within one hundred and eighty (180) days of the initial notice date or thirty days of the City's final approval of Grantee's design plan, whichever is later. In addition, the City agrees to work with Grantee to give additional advance notice as may be reasonable under the circumstances or to extend additional time, considering the nature and

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 7 of 17

size of the project and other factors. Upon expiration of the time limits specified, Grantee will relocate, remove, or reroute its Facilities, as ordered by the Administering officer. This provision prevails over others in the event of conflict or ambiguity. In case of emergency, the City will provide notice as soon as reasonably practicable, giving reasonable consideration also for Grantee's needs.

C. Under the provisions of RCW 35.99.060, the Administering officer may require Grantee to relocate its Facilities within the right-of-way, when reasonably necessary for construction, alteration, repair, or improvement of the right-of-way for purposes of public welfare, health, or safety. The same terms and timelines as exists in Section 6(B) shall apply for the relocation contemplated in this Section 6(C).

D. Grantee shall complete the relocation by the date specified by the Administering officer, unless extended by said official after a showing by Grantee that the relocation cannot be completed by the date specified using best efforts and meeting safety and service requirements. As provided in RCW 35.99.60, Grantee may not seek reimbursement for its relocation expenses from the City except for City requested relocations:

1. Where Grantee has paid for the relocation cost of the same Facilities in the right-of-way at the request of the City within the past five (5) years, Grantee's share of the cost of relocation will be paid by the City when the City is requesting the relocation;

2. Where aerial to underground relocation of authorized Facilities in the right-of-way is required by the City, where Grantee has any ownership share of the aerial supporting structures, the additional incremental cost of underground compared to aerial relocation, or as provided for in the approved tariff if less, will be paid by the City requiring relocation; and

3. Where the City requests relocation in the right-of-way solely for aesthetic purposes, unless otherwise agreed to by the parties.

4. The parties agree that "relocation" refers to a permanent movement of Facilities required of Grantee by the City, and not a temporary or incidental movement of Facilities, such as a raising of lines to accommodate house moving and the like, or other revisions Grantee would accomplish without regard to Municipal request.

E. As provided by RCW 35.99.060, where a project is primarily for private benefit, the private party or parties shall reimburse the cost of relocation in the same proportion to their contribution to the costs of the project. Grantee understands however that the City has no obligation to collect such reimbursement and enforcement of any such rights shall be solely by Grantee. Upon stipulation of all parties, the Administering officer may arbitrate any dispute referenced in this subsection E or refer the matter to the Hearings Examiner, provided, costs of the same as may be assessed by the City shall be borne by the participants. Grantee is not otherwise precluded from recovering costs associated with relocation, consistent with applicable state or federal law, where it does not directly or indirectly create additional liability or expense to the City.

F. The Administering officer may require the relocation, adjustment or securing of Facilities at Grantee's expense at any location in the event of an unforeseen emergency that creates an immediate threat to the public safety, health, or welfare. Where the City determines to abandon or vacate any right-of-way or other permitted area, it is the Grantee's responsibility to resolve any question of Grantee's continued occupancy or use of such areas directly with the owner of such areas.

G. Grantee may be subject to SMC 17C.355A Wireless Communication Facilities. The Grantee is subject to all applicable zoning laws and requirements in effect on the date that the permits or authorizations are issued for the applicable Facilities, as permitted by law when installing Facilities in the Public right of way.

H. Grantee may be required to obtain a master lease agreement for attachment of telecommunications equipment or other facilities in the Public right of way.

I. The City has the right to charge the Grantee site specific charges for placement of new facilities in the right of way on structures owned by the City pursuant to RCW 35.21.860.

J. The Grantee will work with the City to provide access to conduit or other equipment the Grantee is placing in the public right of way when feasible.

Section 7. Grantee to Restore Affected Areas

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 9 of 17

Subject to Section 6 as it may apply, whenever Grantee damages or disturbs any location in or near the right-of-way or other permitted area, Grantee will promptly restore the same to original or better condition at its expense, as reasonably required by the Administering officer. Grantee will restore and patch all surfaces cut in accord with the City's generally applicable Pavement Cut Policy, on file with the Administering officer to maintain and preserve the useful life thereof. Any damage or disturbance to facilities, fixtures or equipment of the City or others shall be promptly repaired. Pavement restorations shall be maintained in good condition and repair by Grantee until such time as the area is resurfaced or reconstructed. If Grantee fails or delays for more than thirty (30) days after receipt of written notice from the City or the Administering officer in performing any obligation here or elsewhere in the Franchise following receipt of written notice of such failure or delay, the City may proceed to correct the problem and bill Grantee for the expense, upon such reasonable notice as determined by the Administering officer under the circumstances. Grantee will reimburse City within thirty (30) days following receipt of an invoice together with reasonably supporting documentation evidencing such expense.

Section 8. Information, Good engineering, Inspections

A. Not more than once annually, Grantee will supply information reasonably requested by the Administering officer such as installation inventory, location of existing or planned Facilities, maps, plans, operational data, and as-built drawings of Grantee's installations or other information reasonably related to Grantee's Facilities, unless the information is confidential and/or proprietary. The information shall be in format compatible with City operations. Grantee is responsible for defending any public record requests as it may desire.

B. Grantee property and Facilities shall be constructed, operated and maintained according to good engineering practice. In connection with the civil works of Grantee's system, such as trenching, paving, compaction and locations, Grantee promises to comply with the American Public Works Association Standard Specifications, the edition being that in current use by the City, together with the City Standard Plans and City's Supplemental Specifications thereto, all as now or hereafter amended, excluding existing non-conforming uses and other changes to the Specifications which do not apply to previously-constructed improvements and/or wireless communications facilities. Grantee promises its system shall comply with the applicable federal, state and local laws, and the National Electric Safety Code and Washington Electrical Construction Code, where applicable. Grantee will familiarize itself with the City of Spokane's Specifications and other right-of-way installation and location requirements, on

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 10 of 17

file with the Administering officer and make reasonable effort to be familiar with updates or changes thereto.

Section 9. Limited Access, No Obstruction, Accommodation

A. The City reserves the right to limit or exclude Grantee's access to a specific route, Public right-of-way or other location when, in the reasonable judgment of the Administering officer, there is inadequate space, a pavement cutting moratorium, subject to the requirements of applicable law, unnecessary damage to public property, public expense, inconvenience, interference with City utilities, or for any other reasonable cause determined by the Administering officer, provided, it shall do so consistent with the Federal Telecommunications Act of 1996 and RCW 35.99.050 as applicable.

B. Grantee must raise any concerns under the aforementioned laws or other applicable laws which it believes limit the City's authority or Grantee's obligations to the City pertaining to this Franchise at the time such issue is first known or should have been reasonably known by Grantee.

C. Grantee will not interfere with Municipal infrastructure uses of the right-of-way or other permitted areas. Grantee shall maintain a minimum underground horizontal separation of five (5) feet from City water facilities and ten (10) feet from above-ground City water facilities including sewer and storm water facilities unless modified in writing; PROVIDED, that for development in new areas, the City, together with Grantee and other utility purveyors or authorized users of the right-of-way, will develop and follow the Administering officer's reasonable determination of a consensus for guidelines and procedures for determining specific utility locations, subject additionally to this Franchise. Subject to Section 6, the City may require Grantee to make reasonable accommodation for public or third party needs in the construction of Grantee Facilities in the right-of-way as, in the reasonable judgment of the Administering officer, are necessary to preserve the condition of, or reduce the interference with, such right-of-way, and a reasonable apportionment of any expenses of any such accommodation; PROVIDED, that this Franchise creates no third party beneficial interests. Notwithstanding the foregoing, it remains the responsibility of the Grantee to anticipate and avoid conflicts with other right-of-way occupants or users, other utilities, franchisees, or permittees existing within the right-of-way as of the date of this Ordinance. The City assumes no responsibility for such conflicts.

Section 10. Undergrounding

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 11 of 17

The City reserves the right to develop a general policy on undergrounding and to require Grantee's participation therein, in coordination the City's underground program for other utility service providers, as a condition of Grantee's new installation or major maintenance or restoration construction activities of overhead facilities under this Franchise; provided, however, the City's right to require undergrounding of Grantee's Facilities shall exclude antennas, equipment cabinets, cabling and other equipment that must be above-ground to operate. The purpose of this section is to recognize and preserve the City's control over uses of the Public right-of-way, consistent with the Municipal policy favoring undergrounding of overhead lines for aesthetic reasons.

Section 11. Facilities for City Use

A. Except as covered by mutual agreement, whenever Grantee constructs, relocates or places ducts or conduits in the Public right-of-way as part of the Facilities, Grantee will provide the City where technically feasible, judged by objective engineering standards, with additional duct or conduit and related structures necessary to access the conduit at its actual incremental out-of-pocket costs plus 10% to cover all internal costs. The parties agree to execute any documents needed to satisfy RCW 35.99.070 as it may apply. The City may review supporting third party billings to support incremental cost claims. Unless otherwise agreed, the City further agrees not to resell, lease, sublease, or grant an IRU or other right to use in any Grantee Facilities provided under this paragraph, or use such Facilities to provide communications services for hire, sale or resale, to the public or any third party which is not a governmental entity. All Facilities supplied shall be maintained to technical specifications.

B. The City is permitted to attach to aerial poles for aerial fiber cabling and required mounting hardware in situations where the existing pole agreements between Grantee and the other party would not be violated by the City's attachment use of the aerial pole.

C. Grantee agrees to notify the City ITSD Director, Developer Service Director, and City Engineer at least sixty (60) days prior to opening a trench or placing overhead lines at any location to allow the parties to implement paragraph B herein as those provisions may apply. As to all matters encompassed in this Section, the parties further agree to do anything required by law to maintain the effectiveness of such arrangements and to negotiate in

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 12 of 17

good faith any matters not otherwise fully resolved. Each party acknowledges receipt of good and adequate consideration for all matters encompassed in this Section.

Section 12. Liability; No duty

A. Grantee waives all claims, direct or indirect, for loss or liability, whether for property damage, bodily injury or otherwise, against the City arising out of Grantee's enjoyment of Franchise or permit privileges. This waiver does not apply to negligent or intentional acts of the City outside a governmental or regulatory capacity, such as granting this franchise or permits. Except to the extent caused by the negligent or intentional acts of the City, Grantee will indemnify and hold the City, its boards, officers, agents and employees ("City") harmless from any and all claims, accidents, losses, or liabilities arising from or by reason of any intentional or negligent act, occurrence or omission of the Grantee, whether singularly or jointly with others, its representatives, permittees, employees or contractors, in the construction, operation, use, or maintenance of any of the Grantee's property or Facilities, and/or enjoyment of any privileges granted by this Franchise, or because of Grantee's performance or failure to perform any Franchise obligations.

B. Grantee accepts that access to any franchised area is furnished "as is". The City has made no assessment or guarantee as to its suitability for Grantee needs or compatibility of Grantee uses with other needs. Grantee waives immunity under Title 51 RCW in any cases involving the City of Spokane relating solely to indemnity claims made by the City directly against Grantee for claims made against the City by Grantee's employees and affirms that the City and Grantee have specifically negotiated this provision, as required by RCW 4.24.115, to the extent it may apply. This waiver has been mutually negotiated.

C. It is not the intent of this Ordinance to acknowledge, create, or expand any duty or liability of the City for any purpose. Any City duty nonetheless deemed created shall be a duty to the general public and not to any specific party, group, or entity.

Section 13. Insurance

A. Grantee shall furnish satisfactory evidence of commercial general liability insurance and maintain the same in good standing, with limits of one

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 13 of 17

million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) general aggregate, with the City of Spokane included as an additional insured as their interest may appear under this Agreement. Grantor's additional insured status shall (i) be limited to bodily injury, property damage or personal and advertising injury caused, in whole or in part, by Grantee, its employees, agents or independent contractors; (ii) not extend to claims for punitive or exemplary damages arising out of the acts or omissions of Grantor, its employees, agents or independent contractors or where such coverage is prohibited by law or to claims arising out of the gross negligence of Grantor, its employees, agents or independent contractors; and, (iii) not exceed Grantee's indemnification obligation under this Agreement, if any.

B. Grantee's required insurance shall be primary and non-contributory with any insurance or program of self-insurance that may be maintained by the City. On or before June 1st of each year and at the time of granting this Franchise, as a condition of Franchise validity, Grantee shall file with the City Clerk, with copy to the City Risk Manager, proof of continued insurance coverage, in the amounts required in this Section, through a Certificate of Insurance, including the blanket additional insured endorsement indicating City coverage required herein. Notwithstanding the foregoing, Grantee may self-insure any required coverage.

Section 14. Taxes, fees

A. No Franchise fee is assessed for telecommunications service providers in accord with the prohibition of state law (RCW 35.21.860). If the prohibition of telecommunications service provider franchise fees is removed or modified to allow a franchise fee, the parties agree to negotiate this provision as a material term on which agreement is required for continuation of this franchise, PROVIDED, the City must give one hundred eighty (180) days' notice to invoke this provision and any franchise fee under it shall be prospective in nature.

B. Nothing in this Franchise shall otherwise limit the City's power to tax or recover any lawful expenses in connection with this Franchise. Grantee agrees to pay all taxes as due and any lawful expenses within ninety (90) days of billing pursuant to this Franchise. Failure to pay within ninety (90) days after demand by the City and exhaustion of any applicable remedies is a material breach of this Franchise.

Section 15. Franchise Administration

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 14 of 17

Questions of application or interpretation of this Franchise are determined by the Administering officer or a court of competent jurisdiction. Said officer may issue enforcement orders, upon due notice as deemed proper, promulgate rules and procedures as deemed necessary and grant exceptions, which shall be revocable. Nothing in the Franchise limits the City's police or regulatory power in general or over its right-of-way or other franchised areas. For the performance of all franchise obligations, time is of the essence. All City acts under this Franchise are discretionary guided by considerations of the public health, safety, esthetics and convenience.

Section 16. Additional

A. Grantee may assign this Franchise or any of its rights under this Franchise or delegate any of its duties under this Franchise, with the prior written consent of the City, which consent will not be unreasonably withheld, conditioned or delayed, provided, however, that Grantee may assign this Franchise or any of its rights under this Franchise or delegate any of its duties under this Franchise to (i) any entity that it controls, is under common control with or is controlled by or (ii) any entity that is the survivor of a merger, consolidation or other business combination or that acquires all or substantially all of the assets of Grantee. The City may not assign this Franchise or any of its rights under this Franchise or delegate any of its duties under this Franchise, without the prior written consent of Grantee. Any assignment or delegation in violation of this Section is null and void.

No capital stock may ever be issued based on any permission to use or occupy the right-of-way or other permitted areas or the value thereof. The City will provide written notice of any condemnation or annexation actions that would affect Grantee's rights. In any condemnation proceeding brought by the City, Grantee shall not be entitled to receive any return thereon, except for its value.

B. This Franchise may be revoked by the City Council by resolution because of any material breach, after giving at least thirty (30) days' written notice to Grantee and opportunity to cure. Similarly, Grantee may elect to terminate this Franchise because of any material breach of the City's obligations, after giving at least thirty (30) days' written notice to the City and opportunity to cure. Except as otherwise provided for in this Franchise, and upon written notice, the defaulting party will have thirty (30) days to cure defaults under the terms of this Franchise. Neither party is in default of this Franchise if the party provided written notice commences to cure the default within the thirty (30) day period and diligently and in good faith continues to cure the default. If any

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 15 of 17

default exists after the applicable cure period, the non-defaulting party may, without prejudice to any other rights or remedies at law or in equity or under this Franchise, terminate this Franchise.

No forbearance by the City of any term or condition of this Franchise shall ever comprise a waiver or estoppel of the City's right to enforce said term or condition. Grantee may surrender its Franchise to the City upon sixty (60) days written notice to the Administering officer, subject to acceptance by the City, by a resolution of the City Council.

C. Upon termination, surrender or expiration of the Franchise, Grantee may be required to remove all its Facilities as ordered by the Administering officer or otherwise abandon the cable in place, first removing all electronics, if any, rendering the same safe. In the event removal is required, Grantee shall remove the Facilities within one hundred twenty (120) days of receipt of written notice from City. Grantee will have no further obligations under this Franchise.

D. Grantee understands that this Franchise applies to itself as well as all third party users, assigns, successors or any other entity enjoying de facto Franchise privileges derived from permission extended to Grantee herein and Grantee shall assure that any contracts with such users, assigns, successors or entities so provide. Additionally, Grantee accepts full responsibility with said users, assigns, successors, or entities, jointly and severally, to the City for full performance of all Franchise obligations.

E. This Franchise is governed by the laws of the State of Washington, and venue for any litigation arising out of or in connection with privileges extended herein is stipulated to be in Spokane County.

F. (Force Majeure) Except as otherwise provided in this Franchise, neither party hereto will be in default under this Franchise if and to the extent that any failure or delay in a party's performance of one or more of its obligations hereunder, is caused by any of the following conditions, and such party's performance is excused and extended during the period of any such delay: act of God (such as, flood, back water caused by flood, tornado, earthquake, and unforeseeably severe weather); fire; government codes, ordinances, laws, rules, regulations or restrictions not in effect at the time of execution of this Franchise (collectively, "Regulations"); war or civil disorder; or vandalism, or any other events beyond the reasonable control of the party seeking relief under this Section, provided that the party claiming relief under this Section promptly notifies the other in writing of the existence of the event

New Cingular Wireless PCS, LLC
TELECOMMUNICATIONS (NONCABLE) FRANCHISE

Page 16 of 17

relied on and the cessation or termination of the event. The party claiming relief under this Section must exercise reasonable efforts to minimize the time for any such delay.

Both parties hereto acknowledge that events under this Section may occur which are incapable of being cured so as to allow the parties to enjoy the full benefit of their rights under the Franchise. If a party is unable to conduct its business due to an event of force majeure as described in this Section, and the force majeure occurs and remains uncured after sixty (60) days, the party not claiming inability to perform under force majeure may, at its option, terminate this Franchise without further obligation.

G. (Authority to Sign) Each party hereto hereby represents and warrants to the other that the person or entity signing this Franchise on behalf of such party is duly authorized to execute and deliver this Franchise and to legally bind the party on whose behalf this Franchise is signed to all of the terms, covenants and conditions contained in this Franchise.

Agenda Wording

Intertie agreement with the City of Medical Lake to supply water in the event of shortages and emergency needs.

Summary (Background)

The City of Medical Lake requested an emergency intertie with the City of Spokane in 2009. This intertie will provide supplemental water in drought conditions during a stressed aquifer and in case of emergencies. Medical Lake will be responsible for all costs of construction and for appurtenance maintenance past the point of delivery. Usage cannot exceed 800 gallons per minute without a new agreement. Revenue estimate based on four months supplemental use and a thirty day emergency.

BRIEFING PAPER
Public Works
Water Department
September 25, 2017

Subject

Intertie agreement with the City of Medical Lake to supply water to address supplemental needs and meet demands during emergencies.

Background

In 2009, the City of Medical Lake approached the Water Department to request an emergency intertie with the City of Spokane. The intertie would provide supplemental water during drought conditions in a stressed aquifer and also provide an additional amount that could to be provided in emergency situations.

Impact

The City of Spokane would install needed water quality monitoring equipment and would have the option of installing a flow control valve to regulate the amount of water delivered. Medical Lake would be responsible for establishing the point of connection and all installation and maintenance beyond the point of delivery as outline in exhibit A.

Summary

Medical Lake will be responsible for all costs associated with construction of the intertie which includes: the General Facility Charge, tap, meter, backflow assembly, and vault. Also, they will be responsible to maintain all appurtenances past the point of delivery. The City of Spokane will be responsible for meter maintenance and all infrastructures prior to the point of delivery. In total Medical Lake could not exceed 800 gallons per minute in total without a new agreement.

Action

Recommend approval

Funding

Funding for the flow control valve and water quality monitoring equipment will be by Water Department funds.

Spokane City Clerk File No. _____
Medical Lake City Clerk File No. _____

WATER SUPPLY AGREEMENT BETWEEN MEDICAL LAKE and the CITY OF SPOKANE

THIS WATER SUPPLY AGREEMENT (“Agreement”) is entered into by THE CITY OF SPOKANE (“Spokane”), a municipal corporation of the State of Washington and First Class Charter City, with a principal place of business located at 808 West Spokane Falls Boulevard, Spokane, Washington, 99201, and the CITY OF MEDICAL LAKE (“Medical Lake”), a municipal corporation of the State of Washington and Optional Municipal Code City, with a principal place of business located at 124 S Lefevre, Medical Lake, Washington, each a “Party” and collectively the “Parties.”

RECITALS

- A. Spokane owns and operates a Chapter 70.119A Group A Public Water System (“Spokane Water System”) that supplies and distributes potable water to its own resident customers.
- B. The Spokane Water System currently has the water resources, capital facilities and infrastructure, and funding to regionally supply and distribute treated domestic water to wholesale purveyors and numerous retail customers outside the Spokane’s corporate limits, and has done so historically.
- C. Spokane owns and operates a series of wells pursuant to a series of water rights that are authorized to provide wholesale water within a regional wholesale service area, as approved in its Water System Plan (“Spokane Water System Plan”), promulgated in accordance with Chapter 43.20 RCW and entitled “City of Spokane, Comprehensive Water System Plan,” Volumes 1 and 2, dated January 12th, 2017 adopted and approved by the City of Spokane City Council by Resolution dated March 2015 and approved by the State Department of Health (“State DOH”), as said document may be amended, revised, or updated from time to time.
- D. In accordance with the planning and goals set forth in its Spokane Water System Plan, Spokane seeks to fulfill and implement its role as regional water supplier by including the City of Medical Lake as a wholesale water customer.
- E. Medical Lake, owner of its own Chapter 70.119A Group A Public Water System (“Medical Lake Water System”), seeks to supplement and stabilize its existing water supply portfolio by interconnecting to the Spokane Water System to ease Medical Lake’s service demand stress on its water supply during peak daily and seasonal timeframes.

- F. Medical Lake approached Spokane to negotiate business term parameters whereby Spokane would supply Medical Lake with drinking water to supplement Medical Lake's existing water resource portfolio.
- G. The Parties now seek to reduce their business negotiations to a formal, legally binding agreement outlining their respective rights and responsibilities.
- H. The Parties acknowledge that numerous state and local regulatory approvals will be required in addition to design and construction completion before Spokane provides and Medical Lake accepts water delivery under this Agreement.
- I. The Parties desire to form a mutually beneficial stewardship relationship to manage the water resources. The Parties agree to cooperate with each other to the greatest extent feasible to secure state and local regulatory approvals, revise respective comprehensive water plans and implement the terms of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals, incorporated herein, and the mutual promises and benefits exchanged by the parties herein, the Parties do hereby agree as follows:

1. Term.

- 1.1. This Agreement shall take effect on the date that both Parties have duly executed the Agreement. This Agreement shall remain in full force and effect for a period of twenty (20) years, unless earlier terminated (in whole or in part) ("Term"). The Parties agree to review and modify as necessary at five (5) year intervals.
- 1.2. The provisions of section 1.1 notwithstanding, the Term of this Agreement may be extended by written agreement of the Parties and by a duly executed Amendment to this Agreement. Extensions may be in five (5) year intervals or as agreed by the Parties.
- 1.3. Future Connection/Increased Capacity. Any additional capacity or terms beyond those contained in this Agreement will be through a written executed amendment to this Agreement.
- 1.4. All obligations incurred during the Term shall survive expiration or termination of the Agreement.
- 1.5. Either Party may provide notice of Termination upon six(6) months written notice to the other party.

2. Regulatory Approvals. The Parties acknowledge and agree that the following regulatory approvals and property rights are necessary before water deliveries may begin.

- 2.1. Spokane must obtain the following state and local approvals regarding this Agreement:

- 2.1.1. State Department of Health; and

- 2.1.2. State Department of Ecology.

Spokane will bear all initial costs of obtaining this regulatory approval. Spokane will keep Medical Lake informed of status, will advise Medical Lake when these approvals have been obtained, and will provide copies of these approvals to Medical Lake promptly after they have been obtained.

- 2.2. Medical Lake must obtain the following state and local approvals regarding this Agreement:

- 2.2.1. State Department of Health; and

- 2.2.2. State Department of Ecology.

Medical Lake will bear all initial costs of obtaining these regulatory approvals. Medical Lake will keep Spokane informed of status, will advise Spokane when these approvals have been obtained, and will provide copies of these approvals to Spokane promptly after they have been obtained.

- 2.3. The Parties shall collaborate on obtaining any approvals necessary from Spokane County and shall bear their own initial costs of obtaining any such approval.

- 2.4. If unanticipated permits, regulatory approvals, or property or access rights (collectively, with the approvals described in Section 2, "Regulatory Approvals") are necessary, the Parties will meet and confer in good faith to allocate costs and responsibility for the same.

3. Construction, Funding, and Responsibility for Improvements.

- 3.1. Medical Lake shall apply and pay for all Spokane Application(s) for Connection required to deliver wholesale water pursuant to this Agreement in accordance with Title 13, Chapter 13.04, Section 13.04.0502, and Applications for Connection Spokane Municipal Code ("Application for Connection"). Medical Lake shall also pay a Water General Facilities Charge as outlined in Title 13 Chapter 13.04, Section 13.04.2042 E-1.

- 3.1.1. Medical Lake shall purchase a backflow prevention device or assembly consistent with Chapter 246.290 WAC, from and approved by Spokane, designed and tested to counteract back pressure and back siphonage ("Medical Lake Backflow Prevention Device"). Medical Lake shall have

the Medical Lake Backflow Prevention Device tested by a certified Backflow Assembly Tester, approved by the Water Department for compliance with Legal Requirements. A copy of each year's test along with a certification that the backflow assembly complies with Legal Requirements and is in good working condition shall be provided to Spokane each year.

- 3.1.2. Medical Lake shall purchase from Spokane a tap ("Tap") and initial master meter ("Initial Master Meter") in accordance with Spokane Municipal Code Title 13, Chapter 13.04, Section 13.04.0602 A, including, any initial testing and/or inspection fees required by Spokane.
- 3.1.3. Medical Lake shall purchase/construct a vault of adequate dimension to accommodate the initial master meter, the backflow assembly and the flow regulating valve.
- 3.1.3 Spokane will design and construct a Flow Control Valve. Said design and construction shall be at the sole discretion of Spokane. Spokane shall bear all costs associated with the design and construction of the Flow Control Valve.
- 3.1.4 Spokane shall install the Medical Lake Backflow Prevention Device, the Initial Master Meter, the Flow Regulating Valve, the Tap, and perform the initial backflow assembly test.
- 3.2. The Parties agree that additional improvements are required to effectuate the terms of this Agreement. The Improvements' general location and layout are shown and described on Exhibit "A". The Parties shall design and construct their respective improvements in a manner that is consistent with the provisions of all applicable local, state, and federal law, permits, regulatory approvals, manufacturers' specifications and in a good and workman-like manner.
- 3.3. The Parties agree to allocate cost for the additional improvements' design and construction as follows.
 - 3.3.1. Medical Lake agrees to full and complete responsibility for the design and construction of the following Improvements ("Medical Lake Improvements"). All costs associated with the Medical Lake Improvements shall be borne by Medical Lake.
 - 3.3.1.1. Medical Lake shall submit to Spokane for review, revision, and approval of designs, specifications, and construction schedule for all Medical Lake Improvements ("Medical Lake Plans") required to effectuate the delivery of wholesale water pursuant to this Agreement except as otherwise provided by Section 3.4. Such plans shall include, without limit, the limits of excavation for and placement of any

vault(s). Subject to the requirements set forth in Section 3.1, the Medical Lake Improvements shall also include the Application for Connection, the Tap, and the Initial Master Meter. Medical Lake shall not commence construction of the Medical Lake Improvements until Medical Lake has received from Spokane approved Medical Lake Plans (as such documents may be revised by Spokane) and Spokane's written authorization to proceed with construction ("Notice to Proceed").

3.4. Spokane agrees to full and complete responsibility for the following improvements ("Spokane Improvements"). All costs of the Spokane Improvements shall be borne by Spokane.

3.4.1. Except as provided in Section 3.1, Spokane shall tap the Spokane transmission line necessary to deliver wholesale water pursuant to this Agreement.

3.4.2. Spokane shall timely review the Medical Lake Plans, and will not unreasonably withhold its approval of the Medical Lake Plans.

3.4.3. Spokane shall design and construct water quality monitoring equipment as shown, described, and specified in Exhibit B ("Spokane WQ Monitoring Equipment").

3.5. The "Point of Delivery" shall be that specifically identified point between transmission mains of the Parties to this Agreement where water will be transferred from one Party's system to the facilities of the other Party. The Point of Delivery is identified and described on Exhibit A.

3.6. The Parties agree that: (1) after design and construction of the Medical Lake Improvements are complete, Medical Lake will assume full and complete ownership, operation, maintenance (including testing and monitoring), and insurance responsibilities, including the costs thereof, for the Medical Lake Improvements and associated facilities consistent with water system standards and applicable laws, regulations, rules, provisions, interpretations, orders, injunctions, decrees, rulings, awards, and decisions of governmental entities, orders of governmental entities ("Legal Requirements"); and (2) after design and construction of the Spokane Improvements are complete, Spokane will assume full and complete ownership, operation, maintenance (including testing and monitoring), and insurance responsibilities, including the costs thereof, for the Spokane Improvements and associated facilities consistent with water system standards Legal Requirements except as provided in Section 3.6.1. The aforementioned sentence notwithstanding, the Parties further agree as follows:

3.6.1. Spokane shall operate and maintain the Initial Master Meter, including, without limit, any additional replacement meters.

3.6.2. Spokane shall own, operate, and maintain the Spokane WQ Monitoring Equipment. Spokane shall, in its sole discretion and at its sole expense, routinely monitor water quality using the Spokane WQ Monitoring Equipment in accordance with the Spokane Water Quality Monitoring Protocol set forth in Exhibit B.

3.6.3. If Spokane elects to construct a Spokane Flow Control Valve, Spokane shall own, operate, and maintain it.

4. **Water Delivery.** Following completion of the Spokane Improvements and Medical Lake Improvements, receipt of all Regulatory Approvals, and any other preconditions to water delivery provided in this Agreement (“Initial Delivery Date”), Spokane agrees to sell and make available to Medical Lake, and Medical Lake agrees to accept delivery of and pay for wholesale water as follows.

4.1. The wholesale water sold to Medical Lake by Spokane pursuant to this Agreement shall be water available from Spokane’s water rights. Spokane has reviewed Medical Lake’s service area as described in its approved Comprehensive Water Plan (“Medical Lake Service Area”). Spokane determines that Medical Lake may beneficially use Spokane’s water delivered pursuant to this Agreement within the Medical Lake Service Area. Medical Lake confirms the water received from Spokane is being used by Medical Lake consistent with Spokane’s water system plan. Medical Lake shall ensure any future plan amendments will comply with both Comprehensive Water System Plans and all applicable laws.

4.2. All water supplied by Spokane for use or sale by Medical Lake shall be upon the express condition that after water passes the Point of Delivery, it becomes the property and exclusive responsibility of Medical Lake. Spokane shall not be liable for any degradation of water quality, for acts of sabotage or vandalism, or for other events and resulting damages that may occur beyond the Point of Delivery and within the Medical Lake Improvements and Medical Lake Water System.

4.3. The quality of wholesale water made available to Medical Lake pursuant to this Agreement shall be of the same standard and quality as normally delivered to Spokane’s other customers and shall be in compliance with all applicable state and federal drinking water laws, regulations and standards at the Point of Delivery. Medical Lake shall be responsible for maintaining compliance with all applicable state and federal drinking water laws, regulations and standards past the Point of Delivery and within the Medical Lake Improvements and Medical Lake Water System.

4.4. From the Initial Delivery Date until the date that Spokane ceases making wholesale water sales, Spokane shall make available to Medical Lake at the Point of Delivery wholesale water in the amount not to exceed 200 gallons per minute

(GPM) for supplemental use and at a pressure meeting Legal Requirements as described in Paragraph 3.6. Requests for emergency use and amount are provided or in Section 4.8.

4.5. Spokane shall record the amounts of monthly wholesale water deliveries made to Medical Lake at the Initial Master Meter (or any replacement meter thereof).

4.5.1. Spokane will read the meter and keep records of the monthly and annual total water accepted by Medical Lake.

4.5.2. The Initial Master Meter (or any replacement meter thereof) shall at all times be accessible to Spokane personnel. If it becomes necessary for Medical Lake to place the meter under lock and key, Medical Lake shall furnish Spokane with a copy of the key.

4.6. Should Spokane determine that Medical Lake is receiving deliveries of wholesale water at the Point of Delivery in excess of the amounts set forth in section 4.4 herein, Spokane shall notify Medical Lake of the excess deliveries, and Medical Lake shall promptly take the steps necessary to reduce its deliveries accordingly. If Medical Lake has not taken action within twenty-four (24) hours of receiving notice from Spokane pursuant to Section 4.4, Spokane may take any action it deems necessary to reduce the deliveries to a level equal to Medical Lake's scheduled amounts, and charge Medical Lake for any excess deliveries made after the expiration of the twenty-four hour notice period.

4.7. Spokane's delivery of wholesale water and Medical Lake's acceptance of such delivery shall be governed by the terms of this Agreement. No future wholesale service connections shall be permissible without a subsequent and separate written agreement between the Parties. Neither Party shall be obligated to agree to or execute any agreement or permit with the other Party to construct additional wholesale service connection(s). Medical Lake shall ensure any future Water Service Plan amendments comply with both Medical Lake and Spokane's Comprehensive Water System Plans and all applicable laws.

4.8. In the event Medical Lake notifies Spokane of an emergency situation whereby they need additional capacity of water for a limited time, after consultation with the Director of Spokane's Water and Hydroelectric Department, Spokane agrees to make available to Medical Lake at the Point of Delivery wholesale water in an additional amount not to exceed six hundred (600) gallons per minute of emergency wholesale water at a pressure meeting Legal Requirements, as described Paragraph 3.6.

5. Rates, Future Capital Projects, Invoicing, and Payment.

5.1. Commencing with the month in which deliveries of wholesale water to Medical Lake pursuant to Section 4 begin, and for each month thereafter during the Term,

Medical Lake shall pay to Spokane a service fee composed of the following elements:

5.1.1.1. The amount of wholesale water delivered in such a month, as measured at the Initial Master Meter, times Outside City Rate to Other Purveyors, plus any other fees, taxes, or charges billed to other Spokane wholesale customers pursuant to the Spokane Municipal Code.

5.1.1.1.1. The term “Outside City Rate to Other Purveyors” means that rate and outside Spokane commercial monthly service charge as set forth in Title 13, Chapter 13.04, Section 13.04.2014 of the Spokane Municipal Code, or its succeeding provision(s) as such may be revised or amended through time. This rate may be periodically adjusted and shall be applicable as set forth in the rate schedule as adopted by the Public Utility Board and Spokane City Council.

5.2. Future Connection/Increased Capacity. Any additional capacity or terms beyond those contained in this Agreement, will be negotiated between the Parties and may include assessed capital fees to meet the increase in capacity prior to expansion.

5.3. Spokane shall during the Term prepare and forward to Medical Lake an invoice for the payment of any and all amounts due Spokane pursuant to this Agreement for the preceding month in accordance with Spokane’s normal business practices. Each such invoice shall set forth the payment due from Medical Lake to Spokane. Medical Lake may request from Spokane, and Spokane shall promptly provide to Medical Lake, any documentation or other information that Medical Lake may reasonably require to understand the nature of the costs contained in any invoice issued pursuant to this Section 5.

5.4. Payment of any and all invoices forwarded to Medical Lake by Spokane pursuant to this Section 5 shall be due and payable by Medical Lake on or before the Due Date, with payment to be made by wire transfer or such other means as may be agreed to in writing by the parties.

5.4.1. The term “Due Date” shall mean the date by which payment of any invoice issued pursuant to this Section of the Agreement is due to Spokane, which date shall be the close of business on the thirtieth (30th) day after an invoice is issued, provided, however, that if such thirtieth day falls on a Saturday, Sunday, or legal holiday observed by Spokane, the Due Date shall be extended until the close of business of the next regular business day of Spokane.

- 5.5. If any or the entire bill is in dispute, Medical Lake shall pay the amount as billed and the provisions of Section 11, Dispute Resolution, shall apply.
- 5.6. If Medical Lake disputes all or any portion of an invoice issued by Spokane pursuant to this Section 5, Medical Lake shall pay such invoice in full, and shall indicate in writing to Spokane the portions of the invoice that Medical Lake disputes and the reasons therefore. The Parties shall make a good faith effort to resolve such dispute. If such efforts are unsuccessful, either Spokane or Medical Lake may seek resolution of the dispute pursuant to Section 11.
- 5.7. Medical Lake hereby covenants and agrees that it shall establish, maintain, and collect rates or charges for water and other services, facilities, and commodities sold, furnished or supplied by it to its members which shall be adequate to provide revenues sufficient to enable Medical Lake to make the payments required to be made pursuant to the terms of this Agreement, and to pay all other charges and obligations payable from or constituting a charge or lien upon such revenues.

6. Conservation and Efficiency.

- 6.1. The Parties agree and acknowledge that wise stewardship of water resources through maintaining each system's operational efficiency is critically important. The Parties agree to adopt conservation plans, to be updated on an annual basis or as otherwise required by Legal Requirements, and shall coordinate regional supply scheduling and other operational programs that promote efficient use of water supplies, facilities, and financial staff resources.
- 6.2. To accomplish these goals, the Parties agree:
 - 6.2.1. To prepare and exchange conservation plans on an annual basis, at a minimum;
 - 6.2.2. To track and collect data on at least a monthly basis for each Party's operational components and to exchange the same on at least an annual basis;
 - 6.2.3. To collectively analyze the data collected pursuant to this Section and to identify potential efficiency measures that will implemented by Medical Lake under the state-mandated Water Use Efficiency requirements as required by WAC 256-290-810, or as may be subsequently revised or modified in the future.

7. Delivery Interruptions, Default and Rights of Termination.

- 7.1. The Spokane Water System shall be operated and maintained in a manner consistent with water system standards and Legal Requirements in order to

provide reliability of service to Medical Lake. However, Medical Lake understands and agrees that Spokane can make no warranty or guarantee as to pressure, quantity, or continuity of service.

- 7.2. Spokane shall have no obligation whatsoever to guarantee delivery of wholesale water pursuant to this Agreement. Medical Lake agrees that it has only a contractual right to wholesale water as set forth in Section 4 of this Agreement, and further agrees that Medical Lake has no claim or right to a supply of water from Spokane or to any water right upon the expiration or termination of this Agreement on any basis whatsoever.
- 7.3. Notwithstanding any other provisions of this Agreement, neither Spokane nor Medical Lake shall be liable to the other for indirect, incidental, special, exemplary, punitive, or consequential damages, including but not limited to damages for lost profits, revenues or benefits, loss of property use, the cost of capital, or the cost of purchased or replacement water, even if such party has been advised of the possibility or existence of such damages.
- 7.4. The Parties agree and acknowledge that Spokane shall not be liable for any losses, damages, or claims due to, caused by, relating to, or arising from events enumerated in this Section 7.4.

7.4.1. Emergency

7.4.1.1. In the event that Spokane determines, in its sole discretion, that there is a General Emergency, Spokane shall provide oral notice to Medical Lake and may temporarily interrupt or reduce deliveries of water to Medical Lake if the Spokane determines, in its sole discretion, that such interruptions and reductions are necessary or reasonable in case of such a General Emergency. Medical Lake shall assist and support Spokane to meet such a General Emergency condition, including, without limit, implementing emergency conservation measures as directed by Spokane. General Emergencies may include, but are not limited to, failure of or accidents involving Spokane's Water System infrastructure or equipment, uncontrollable forces, unforeseen or unavoidable events, legal restrictions or limitation, and/or regulatory restrictions or limitations.

7.4.1.2. In the event that Spokane determines, in its sole discretion, to institute a water rationing or water use restriction program, Spokane will institute necessary or reasonable reductions to deliveries of wholesale water made to Medical Lake pursuant to this Agreement. Such rationing or use restriction measures may be based on the specifics of the water distribution system and availability of the resource, in accordance with optimization of Spokane's water system.

7.4.2. Non-Emergency

7.4.2.1. Except in cases of emergency under Section 7.4.1, and in order that Medical Lake's operations will not be unreasonably interfered with, Spokane shall give Medical Lake seven (7) calendar days notice of any other interruptions or reduction in service, the reason therefore, and the probable duration thereof, including any interruptions or reduction in services that will be caused by the installation of equipment, repairs, replacements, investigations, inspections or other maintenance performed by the Spokane on its water system or those parts of the system supplying Medical Lake pursuant to this Agreement.

7.4.3. Regulatory

7.4.3.1. Medical Lake understands and agrees that the operation of this Agreement, and the water available from Spokane's water rights are subject to Legal Requirements as defined in section 3.6 and the proceedings, litigation, orders, rulings of courts of competent jurisdiction ("Judicial Requirements") regarding the Agreement and Spokane's water rights. Medical Lake understands and agrees that Spokane must comply with all such Legal Requirements and Judicial Requirements and that such Legal Requirements and Judicial Requirements may affect, limit, diminish or remove the ability of Spokane to fulfill its wholesale water deliveries under this Agreement.

7.4.3.2. The Parties expressly acknowledge and agree that the inability or preclusion of the City of Spokane to perform, in whole or material part, this Agreement caused by an order or directive of governmental authority or a court with jurisdiction shall constitute a force majeure or change in law event hereunder and Spokane can terminate this Agreement.

7.4.3.3. If Spokane is materially limited or prohibited from performance of this Agreement, in whole or in part, Spokane may terminate this Agreement by providing Medical Lake as much advance written notice as is mandated by Legal Requirements or Judicial Requirements under the circumstance, or six (6) months, whichever is longer, from the date of the written notice.

7.5. Medical Lake Events of Default and Spokane's Rights of Termination.

7.5.1. If Medical Lake fails to make any payment in full when due under this Agreement for a period of sixty (60) days or more after the Due Date, Spokane shall make written demand upon Medical Lake to make payment within ten (10) days of the date of such written demand. If the failure to pay is not cured with the ten (10) day time period, Medical Lake shall be deemed

to be in default of this Agreement, and then Spokane may terminate this Agreement by providing Medical Lake with written notice not less than six (6) months prior to the date of termination set forth in such written notice.

7.5.2. If Spokane determines, in its sole discretion, that Medical Lake has materially breached the terms of this Agreement, and fails to cure such a material breach within a period of sixty (60) days after Spokane provides Medical Lake written notice of the same, then Medical Lake shall be deemed to be in default of this Agreement, and then Spokane may terminate this Agreement by providing Medical Lake with written notice.

8. **Force Majeure.** Neither Medical Lake nor Spokane shall be considered to be in default in respect to any obligations hereunder if prevented from fulfilling such obligations due to conditions beyond their reasonable control including acts of God, fire, flood, earthquake, other natural disaster, acts of war, insurrection or riot, or change in the law or directive of governmental authority. If a Party is unable to perform in whole or in part because of such condition, the Party shall diligently and promptly take reasonable steps to allow it to perform.
9. **Indemnification by Spokane.** To the fullest extent permitted by law, Spokane hereby releases and agrees to indemnify, defend and hold harmless each of the Medical Lake Indemnified Parties (defined below) from and against any claim, liability, loss, expense (including but not limited to attorneys' fees and expenses), damage, demand, lawsuit, cause of action, order, strict liability claim, penalty, fine, administrative law action and/or cost of every kind and character (collectively, "Claim/Liability"), arising out of or in any way incident to the design or construction of the Spokane Improvements if due to the negligence, gross negligence, or intentional act or omission by Spokane, including in each case (but not limited to) any Claim/Liability on account of defective work, breach of contract, personal injuries, death, damage to property, damage to the environment, or infringement of any patent, trademark, copyright or other property right, regardless of whether such harm is to Spokane, its employees or officers, the Medical Lake Indemnified Parties, or any other person or entity. "Medical Lake Indemnified Parties" means, individually and collectively, Medical Lake, its officers, shareholders, and members of each of the foregoing entities. Notwithstanding any provision in this Agreement to the contrary, the Spokane's duties under this Section 9 shall survive the termination, revocation, or expiration of this Agreement.
10. **Indemnification by Medical Lake.** To the fullest extent permitted by law, Medical Lake hereby releases and agrees to indemnify, defend and hold harmless each of the Spokane Indemnified Parties (defined below) from and against any Claim/Liability arising out of or in any way incident to the use by Medical Lake of the water supplied by Spokane hereunder, or arising out of or in any way incident to the design or construction of the Medical Lake Improvements if due to the negligence, gross negligence, or intentional act or omission by Medical Lake, including in each case (but not limited to) any Claim/Liability on account of defective work, negligence,

breach of contract, personal injuries, death, damage to property, damage to the environment, or infringement of any patent, trademark, copyright or other property right, regardless of whether such harm is to Medical Lake, its members or officers, the Spokane Indemnified Parties, or any other person or entity. “Spokane Indemnified Parties” means, individually and collectively, Spokane, its elected officials, officers, employees, and agents. Notwithstanding anything in this Agreement to the contrary, Medical Lake’s duties under this Section 10 shall survive the termination, revocation, or expiration of this Agreement.

11. Dispute Resolution.

- 11.1. Except as otherwise provided in this Agreement, any and all disputes arising under this Agreement shall be resolved pursuant to this Section 11.
- 11.2. The Parties shall make good faith efforts to resolve by informal discussion any dispute arising under this Agreement.
- 11.3. If at any time during the good faith efforts to resolve any dispute arising under this Agreement either of the Parties determines that such informal discussions will not result in a resolution of the issue(s) in dispute, such dispute, upon the mutual agreement of the parties, may be submitted for resolution by mediation.
- 11.4. Disputes not resolved by Section 11.2, 11.3, or 11.4, as the case may be, shall be resolved in court per Section 12.11.
- 11.5. Except as otherwise provided by this Agreement, the Parties shall continue to fulfill their respective duties under this Agreement pending resolution of any dispute.

12. Miscellaneous Provisions.

- 12.1. Access to Records.
 - 12.1.1. Medical Lake’s Access to Spokane Records. Upon reasonable prior notice to Spokane, Medical Lake, or any consultant of Medical Lake, shall be given access during normal business hours to the books, records, and accounts related to this Agreement in the possession of Spokane at the location where such books, records, and accounts are located. Spokane shall not be obligated to collate, organize, or analyze the information sought by Medical Lake or by Medical Lake’s consultant.
 - 12.1.2. Spokane’s Access to Medical Lake Records. Upon reasonable prior notice to Medical Lake, Spokane, or any consultant of Spokane, shall be given access during normal business hours to the books, records, and accounts related to this Agreement in the possession of Medical Lake at the location

where such books, records, and accounts are located. Medical Lake shall not be obligated to collate, organize, or analyze the information sought by Spokane or by Spokane's consultant.

12.2. Notices.

12.2.1. All notices, requests, demands, waivers, consents and other communications required under this Agreement shall be in writing except as provided in Section 7.4.1, and shall be delivered by the following means: (i) by certified mail, return-receipt requested, (ii) by facsimile providing confirmation of completed transmission, or (ii) by such other means as may be approved in writing by the Parties. Service of any such notice, request, demand, waiver, consent, or other communication, shall be deemed to have been duly given and to have become effective upon receipt.

12.2.2. Any and all notices, demands, waivers, consents and other communications shall be forwarded to each of the Parties at the following addresses:

To Spokane: Director, City of Spokane Water Department
914 N Foothills Dr.
Spokane, WA 99207
Telephone: (509) 625-7800
Facsimile: (509) 625-7816

With a copy to: City Attorney
Office of the City Attorney
City of Spokane – City Hall
808 West Spokane Falls Boulevard
Spokane, WA 99201
Telephone: (509) 625-6225
Facsimile: (509) 625-6277

To Medical Lake: _____

With a copy to: _____

or to such other address as may be agreed to in writing by the Parties.

- 12.3. Assignment. Neither this Agreement nor any of the rights, interests or obligations created hereunder may be assigned, sold, or otherwise transferred in whole or in part by either Party without the prior written consent of the other Party.
- 12.4. No Third Party Beneficiaries. Nothing in this Agreement is intended to confer upon any person or entity, other than the Parties hereto, any rights, benefits, or obligations. No such third-party shall have any right to enforce any of the provisions of this Agreement. Unless expressly stated otherwise herein.
- 12.5. Medical Lake Water System – No Spokane Responsibility. It is understood that Spokane does not own or have any responsibilities outside of this Agreement whatsoever to maintain Medical Lake's Water System.
- 12.6. Compliance with Local, State, Federal Rule or Regulation. In the event Spokane is required to comply with any local, state, or federal rule or regulation governing its operation of its water rights and said rule or regulation requires the compliance of wholesale water customers of Spokane, Medical Lake agrees to comply.
- 12.7. Waiver. Except as otherwise provided herein or as agreed by the Parties, no provision of this Agreement may be waived except as documented or confirmed in writing. Any waiver at any time by a Party of its rights with respect to a default under this Agreement or with any other matter arising in connection therewith shall not be deemed a waiver with respect to any subsequent default or matter. Either Party may waive any notice or agree to accept a shorter notice than specified by this Agreement. Such waiver of notice or acceptance of shorter notice by a Party at any time regarding a notice shall not be considered a waiver with respect to any subsequent notice required by this Agreement.
- 12.8. Entire Agreement. All prior negotiations and agreements between the Parties hereto relating to the subject matter hereof are merged into and superseded by this Agreement, and shall constitute the entire agreement between Spokane and Medical Lake concerning the sale of wholesale water to Medical Lake for use as hereinbefore provided. The rights and obligations of the Parties hereunder shall be subject to and shall be governed by this Agreement.
- 12.9. Representations and Warranties. The Parties hereby represent and warrant to one another the following:
- 12.9.1. Each party is duly authorized and validly existing under the laws of, and is authorized to exercise its powers, rights, and privileges and is in good standing in, the State of Washington, and has full power and authority to carry on its business as presently conducted and execute this Agreement and perform the transactions on its part contemplated by this Agreement.

- 12.9.2. The execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby have been duly authorized by the appropriate board or council, and no other act or proceeding on the part of any Party is necessary to authorize this Agreement, or the transactions contemplated hereby.
- 12.9.3. The execution, delivery, and performance by each of the Parties of this Agreement does not: (a) contravene any law; or (b) conflict with or result in a breach of or default under any material agreement or instrument to which any Party is a party or by which it is bound.
- 12.9.4. There are no actions, suits, claims, or proceedings pending, or, to the best of each Party's knowledge, threatened against either Party that is likely to impair the consummation or the transactions contemplated hereby.
- 12.9.5. This Agreement, when executed and delivered, will constitute a valid and binding obligation of each Party, and will be enforceable against each such Party in accordance with its terms.
- 12.10. Amendments. No change, amendment or modification of any provision of this Agreement shall be valid unless set forth in a written Amendment to this Agreement signed by the Parties.
- 12.11. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington (regardless of the laws that might otherwise govern under applicable principles of conflicts of law of such state). The Parties (i) agree that any lawsuit, judicial action, or proceeding arising out of or relating to this Agreement must be heard in the Superior Court of the State of Washington in and for the County of Spokane, or in the United States District Court for the Eastern District of Washington, (ii) waive any objection to the venue of any such suit, action, or proceeding, and (iii) irrevocably submit to the jurisdiction of any such court in any such lawsuit or judicial action or proceeding.
- 12.12. Reasonable and Good Faith Efforts. Each Party will make all reasonable and good faith efforts to coordinate with the other Party to complete the Medical Lake and Spokane Improvements, to secure the Regulatory Approvals, and accomplish tasks provided for in this Agreement in a timely manner.
- 12.13. Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced, all other terms or provisions of the Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereunder is not affected in any manner or materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement

so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereunder are consummated as originally contemplated and to the greatest extent possible.

- 12.14. Rights and Remedies Cumulative. The rights and remedies available under this Agreement or otherwise available shall be cumulative of all other rights and remedies and may be exercised successively.
- 12.15. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9-25-17

IN WITNESS WHEREOF, the Parties have duly executed this Agreement on the date first above written.

ORDINANCE NO. C35623

An ordinance vacating portions of 32nd Avenue and Napa Street right-of-ways;

WHEREAS, a petition for the vacation of portions of 32nd Avenue and Napa Street right-of-ways and more particularly described below, has been filed with the City Clerk representing 93% of the abutting property owners, and a hearing has been held on this petition before the City Council as provided by RCW 35.79; and

WHEREAS, the City Council has found that the public use, benefit and welfare will best be served by the vacation of said public way; -- NOW, THEREFORE,

The City of Spokane does ordain:

Section 1. That the following right-of-ways are hereby vacated, all within the Northwest quarter of Section 33, Township 25 North, Range 43 East, Willamette Meridian. Parcel number not assigned.

32nd Avenue from the east line of Pittsburg St. to the west line of Napa Street;

Together with:

Napa Street from the south line of 32nd Avenue to 30 feet south of the south line of 31st Avenue;

Together with:

that portion of 32nd Avenue from the east line of Napa Street east 135', more or less, to its termination in the west line of Block 3 of the plat of Estate Development;

Together with:

That piece of Napa Street right-of-way beginning on a point on the east line of Napa Street that is 30 feet south of the south line of 31st; thence heading in a northwesterly direction at a bearing of N45°W to its intersection with the west line of Napa Street, thence south to a point on the west line of Napa Street that is 30 feet south of the south line of vacated 31st Avenue as vacated by City of Spokane Ordinance Number C-29539, thence easterly to the point of beginning.

REPORTS:

AVISTA UTILITIES – I have reviewed the referenced petition for vacation and Avista serves the area with electric and gas distribution. We have no further comments or concerns.

COMCAST – Comcast has reviewed the vacation request. Enclosed is a map showing our plant which is on the North side of 32nd. As long as we have access to our plant Comcast has no objection with the vacation.

CENTURYLINK – After reviewing our maps, CTL has no issues with the Vacation Map.

XO COMMUNICATIONS – XO Comm is clear and has no interest concerning this property.

INLAND POWER & LIGHT – Inland Power has no facilities within the proposed area to be vacated.

ASSET MANAGEMENT - CAPITAL PROGRAMS – The City is purchasing some parcels in this area from Andy Sonneland for a water reservoir. It looks like a conflict for the north 30 foot of Napa.

FIRE DEPARTMENT – No Objection

NEIGHBORHOOD SERVICES – No comments

PARKS DEPARTMENT - No comments

PLANNING & DEVELOPMENT – DEVELOPER SERVICES - No comments

PLANNING & DEVELOPMENT – TRAFFIC DESIGN – No comments

PLANNING & DEVELOPMENT – PLANNING – Condition the approval on the requirement to aggregate parcels so that there are no land locked parcels.

POLICE DEPARTMENT - No comments

SOLID WASTE MANAGEMENT - No comments

STREET DEPARTMENT – We have reviewed the proposed vacation of 32nd Ave from the east line of Pittsburg St to the east line of Napa St; together with the 30' wide strip of Pittsburg St. directly east of Napa St; together with Napa St from the north line of 32nd Ave to the south line of 31st Ave, and the Street Department has no objections to the proposed vacation.

WASTEWATER MANAGEMENT – Wastewater Maintenance has no assets in the proposed vacation area. Therefore, we have no objection to the vacation provided on site runoff be maintained and treated on site.

WATER DEPARTMENT - No comments

BICYCLE ADVISORY BOARD - No comments

RECOMMENDATION: That the petition be granted and a vacating ordinance be prepared subject to the following conditions:

1. Adequate emergency vehicle access shall be maintained to existing and future buildings.
2. The proponent shall pay to the City of Spokane the assessed valuation for the vacated land as defined by the latest information from the County Assessor's Office. This is calculated to be \$186,533.25 and is to be deposited to Budget Account #3200 49199 99999 39510.
3. That the final reading of the vacation be held in abeyance until all of the above conditions are met and that the above conditions are met by **December 1, 2019**.

Eldon Brown, P.E.
Principal Engineer – Planning & Development
