To participate in public comment (including Open Forum):

Testimony sign up is open from 5:00-6:00 p.m. on Monday, December 4, 2023. You must sign up by 6:00 p.m. to be called on to testify. Those wishing to give testimony virtually can sign up between 5:00-6:00 p.m. at https://forms.gle/Vd7n381x3seaL1NW6. (If you are unable to access the form by clicking the hyperlink, please copy and paste the link address into your browser window.) Instructions for participation are provided on the form when you sign up.

The Open Forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City and items of interest not relating to the Current or Advance Agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.

CITY COUNCIL MEETINGS RULES - PUBLIC DECORUM

Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

- 1. No Clapping!
- 2. No Cheering!
- 3. No Booing!
- 4. No public outbursts!
- 5. Three-minute time limit for comments made during public testimony on legislative items (two minutes for open forum)!

In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

Rule 2.2 OPEN FORUM

- A. At the 6:00 p.m. legislative session, prior to the consideration of consent or legislative items, the Council shall hold an open forum unless a majority of Council Members vote otherwise. The open forum shall have 15 (fifteen) spaces of two minutes each available and members of the public who have not spoken during open forum during that calendar month will be prioritized for spaces ahead of those who have spoken during that calendar month.
- B. Members of the public can sign up for open forum in the hour preceding the legislative session, or at the conclusion of the briefing session, whichever is later, via the virtual testimony form linked in the meeting packet or in person outside Council Chambers. Each speaker must sign themselves using their true first and last name. Members of the public who are unable to sign up during the sign up period or who attempt to sign up late will not be added to the list of speakers. The order of the speakers will be determined at the discretion of the chair. Each speaker shall be limited to no more than two minutes unless a majority of the Council Members in attendance vote on an alternate time limit.
- C. No action, other than a statement of Council Members' intent to address the matter in the future, points of order, or points of information will be taken by Council Members during an open forum.
- D. The open forum is a limited public forum and all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak in open forum regarding items on that week's current agenda or the next week's advanced agenda, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during open forum shall address their comments to the Council President and shall maintain decorum as laid out in Rule 2.15(E). Legal or personal matters between private parties that do not impact the governance of the City of Spokane are not a permissible topic of open forum testimony.

Rule 2.7 SERVICE ANIMALS AT CITY COUNCIL MEETINGS

- A. For purposes of these Rules, only dogs that are individually trained to do work or perform tasks for a person with a disability are recognized as service animals. Dogs or other animals whose sole function is to provide comfort or emotional support do not qualify as service animals under these Rules. Service animals are permitted to accompany people with disabilities in City Council meetings, as well as all areas where members of the public are allowed to go.
- B. Service animals must, at all times while present in a City Council meeting, be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices, in which case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Rule 2.15 PARTICIPATION OF MEMBERS OF THE PUBLIC IN COUNCIL MEETINGS

- A. Members of the public may address the Council regarding the following items during the Council's legislative session: the consent agenda as a whole, all first reading ordinances together (with the exception of first reading ordinances associated with Hearings, which shall be taken separately), final readings of regular and special budget ordinances, emergency ordinances, special consideration items, hearing items, and other items before the City Council requiring Council action, except those that are adjudicatory or solely administrative in nature. This rule shall not limit the public's right to speak on issues that are not part of the current or advanced agendas during open forum.
- B. No member of the public may speak without first being recognized for that purpose by the chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. Council Members must be recognized by the chair for the purpose of obtaining the floor.

- C. Each person speaking in a public Council meeting shall verbally identify themselves by true first and last name, city of residence, and, if appropriate, representative capacity.
- D. Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded, and documents submitted for the record are identified and marked by the Clerk.
- E. In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language or obscene speech, physically pounding the dais or other furniture, yelling, or personal comments or verbal insults about any individual will be permitted.
- F. A speaker asserting a statement of fact may be asked by a Council Member to document and identify the sources of the factual datum being asserted.
- G. When addressing the Council, members of the public shall direct all remarks to the Council President, shall refrain from remarks directed personally to any Council Member or any other individual, and shall confine remarks to the matters that are specifically before the Council at that time.
- H. City employees may participate in public comment, including open forum, providing they are in compliance with the City of Spokane Code of Ethics and they do the following:
 - 1. Announce at the beginning of their testimony that they are there in their personal capacity or their capacity as a member of a relevant board, commission, committee or community group;
 - 2. Protect confidential information, including, but not limited to, confidential financial information and attorney-client communications;
 - 3. Do not use, or be perceived to use, City funds, including giving testimony during paid work time or while in uniform; or City property, including using a City-issued computer or cell phone, in giving testimony.
- I. When any person, including members of the public, City staff, and others, are addressing the Council, Council Members shall observe the same decorum and process, as the rules require among the members inter se. That is, a Council Member shall not engage the person addressing the Council in colloquy but shall speak only when granted the floor by the Council President. All persons and/or Council Members shall not interrupt one another. The duty of mutual respect and avoiding unlawful harassment set forth in Rule 1.2 and the rules governing debate set forth in Robert's Rules of Order, newly revised, shall extend to all speakers before the City Council. The City Council's Director of Policy and Government Relations and/or City Attorney shall, with the assistance of Council staff, assist the Council President to ensure that all individuals desiring to speak shall be identified, appropriately recognized, and provided the opportunity to speak. All persons attending City Council Meetings or City Council sponsored meetings shall refrain from unlawfully harassing other attendees or risk being removed and/or prohibited from attending future meetings.

Rule 2.16 PUBLIC TESTIMONY REGARDING LEGISLATIVE AGENDA ITEMS – TIME LIMITS

- A. Members of the public can sign up to give testimony in the hour preceding the legislative session, or at the conclusion of the briefing session, whichever is later, via the virtual testimony form linked in the meeting packet or in person outside Council Chambers. Each speaker must sign themselves using their true first and last name. Members of the public who are unable to sign up during the sign up period or who attempt to sign up late will not be added to the list of speakers. The order of the speakers shall be determined at the discretion of the chair.
- B. The City Council shall take public testimony on all matters included on its legislative agenda as described at Rule 2.15(A), with those exceptions stated in Rule 2.16(B). Public testimony shall be limited to the final Council action, except that public testimony shall be allowed at the first reading of ordinances. Public testimony shall be limited to three (3) minutes per speaker unless the time limit is adjusted by a majority vote of the Council. The chair may allow additional time if the speaker is asked to respond to questions from the Council. Public testimony and consideration of an item may be extended to a subsequent meeting by a majority vote of the Council.
- C. No public testimony shall be taken on amendments to consent or legislative agenda items, votes to override a Mayoral veto, or solely procedural, parliamentary, or administrative matters of the Council.
- D. Public testimony will be taken on consent and legislative items that are moved to Council's regular briefing session or study session unless a majority of Council votes otherwise during the meeting in which the items are moved.
- E. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented at the discretion of the Council President:

- 1. Following an assessment by the chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within their presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes may be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the allotted time between or among themselves.
 - c. Following the presentation of the proponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the proponents who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same amount of time which was allotted to the proponents.
 - e. Following the presentation by the opponents of the issue, three (3) minutes shall be granted for any other person not associated with the designated representative of the opponents who wishes to speak on behalf of the opponents' position.
 - f. Up to ten (10) minutes of rebuttal time may be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
- 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three (3) minutes to present their position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
- 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- 4. In the event that the side for which individuals wish to speak is not identified, those wishing to give testimony shall be granted three (3) minutes to present their position after all sides have made their initial presentations and before each side's rebuttal period.
- F. The time taken for staff or Council Member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.
- G. Testimony may also be submitted by mail to City Council Office, Spokane City Hall, 808 W. Spokane Falls Blvd., Spokane, WA, 99201, by email to all Council Members, or via the Contact form on the Council's website.

COUNCIL MEMBER KAREN STRATTON
COUNCIL MEMBER ZACK ZAPPONE

CITY COUNCIL CHAMBERS
CITY HALL

808 W. SPOKANE FALLS BLVD. SPOKANE, WA 99201

LAND ACKNOWLEDGEMENT

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial.

As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit.

We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives.

We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021 via Resolution 2021-0019

BRIEFING AND LEGISLATIVE SESSIONS

The Briefing Session is open to the public, but will be a workshop meeting. Discussion will be limited to Council Members and appropriate Staff and Counsel. Pursuant to Council Rule 2.16.C, public testimony will be taken on consent and legislative items that are moved to Council's regular Briefing Session unless a majority of Council votes otherwise during the meeting in which the items are moved. The Legislative Session is also open to the public and public comment will be taken on Legislative Session items, except those that are adjudicatory or solely administrative in nature. Following the conclusion of the Legislative Agenda, an Open Forum will be held unless a majority of Council Members vote otherwise. Please see additional Open Forum information that appears at the end of the City Council agenda.

SPOKANE CITY COUNCIL BRIEFING SESSIONS (BEGINNING AT 3:30 P.M. EACH MONDAY) AND LEGISLATIVE SESSIONS (BEGINNING AT 6:00 P.M. EACH MONDAY) ARE BROADCAST LIVE ON CITY CABLE CHANNEL FIVE AND STREAMED LIVE ON THE CHANNEL FIVE WEBSITE. THE SESSIONS ARE REPLAYED ON CHANNEL FIVE ON THURSDAYS AT 6:00 P.M. AND FRIDAYS AT 10:00 A.M.

ADDRESSING THE COUNCIL

- No member of the public may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide their city of residence as a condition of recognition. Council Members must be recognized by the chair for the purpose of obtaining the floor.
- Each person speaking at the public microphone shall verbally identify themselves by their true first and last name, city of residency and, if appropriate, representative capacity.
- Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded, and documents submitted for the record are identified and marked by the Clerk. (If you are submitting letters or documents to the Council Members, please provide a minimum of ten copies via the City Clerk. The City Clerk is responsible for officially filing and distributing your submittal.)
- In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression including but not limited to demonstrations, banners, signs, applause, profanity, vulgar language, or personal insults will be permitted.
- A speaker asserting a statement of fact may be asked to document and identify the source of the factual datum being asserted.
- When addressing the Council, members of the public shall direct all remarks to the Council President, shall refrain from remarks directed personally to any Council Member or any other individual, and shall continue to the matters that are specifically before the Council at that time.
- City staff may participate in public comment, including open forum, providing they are in compliance with the City of Spokane Code of Ethics and they follow the steps outlined in the City Council Rules of Procedure.

SPEAKING TIME LIMITS: Unless the time limit is adjusted by a majority vote of the Council, each person addressing the Council shall be limited to a two-minute speaking time during Open Forum and a three-minute speaking time for other matters. The chair may allow additional time if the speaker is asked to respond to questions from the Council. Public testimony and consideration of an item may be extended to a subsequent meeting by a majority vote of the Council. Note: No public testimony shall be taken on amendments to consent or legislative agenda items, or solely procedural, parliamentary, or administrative matters of the Council, including veto overrides.

Value blanket renewal 4 of 4 with Atlas Copco Rentals, LLC (Arlington, WA) for as-needed compressor rentals at the Waste to Energy Facility from Jan 1, 2024 - Dec 31, 2024 with a cost not to exceed \$135,000.00 incl. tax.

Summary (Background)

Compressor rentals are currently required at the Waste to Energy Facility to support maintenance outages until new compressors that were recently purchased are installed. Atlas Copco Rentals was awarded a one year value blanket for these rentals based on their response to RFQ 5119-18, with the option of four (4) additional one-year renewals. This will be the final renewal.

Agenda Item Name	Value blanket renewal for compressor rentals at the WTE			
*use the Fiscal Impact box below for relevant financial information	Compressor rentals are required for the WTE to support maintenance operations during scheduled/unscheduled outages; as well as support operations in the event of a compressor failure. RFQ 5119-19 was issued for these rental services and closed to bidding on September 30, 2019. Atlas Copco of Arlington, WA was the only response received and was determined to be a responsive and responsible bidder. The initial value blanket was from January 1, 2020 spanning thru December 31, 2020 with the option of four (4) additional one-year renewals. This will be the final renewal and will span from January 1, 2024 through December 31, 2024 with an annual cost not to exceed \$135,000.00 including taxes. The facility is in the process of installing newly purchased compressors which will make it so that this expense will not be needed going forward, however, this value blanket is needed until they are operational.

The contractor is governed by WA L&I.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

The COS Procurement Policies regulate and safeguard this process.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This work supports the continued safe operation the Facility. The expenditure is supportive of the Sustainable Action Plan and the Capital Improvement Program.

Funding Source SWD Budget 4490-44100-37148-54501-34002

Please verify correct funding sources. Indicate breakdown if more than one funding source.

Why is this expenditure necessary now?

The Waste to Energy Facility has two planned maintenance outages each year. Compressor rentals are required to support maintenance operations during these outages or in the event of a compressor failure.

What are the impacts if expenses are deferred?

Without the ability to quickly have backup compressors on site during scheduled and unscheduled maintenance, costly failures that could result in extended periods of down time are possible.

What alternative resources have been considered?

The only alternative would be to purchase additional compressors, which the WTE has done recently to eliminate the need for rentals, however, this value blanket may still be needed in 2024 until the new compressors are installed and operational.

Description of the goods or service and any additional information?

This is for the last of four (4) one-year renewals of Value Blanket 301099 with Atlas Copco, for the rental of oil free compressors, dryers and associated hoses and fittings. It would commence on January 1, 2024 and run through December 31, 2024. It is an annual reoccurring expenditure that was budgeted for in 2024.

Agenda Wording

Value blanket renewal 2 of 4 with Cabot Norit Activated Carbon (Marshall, TX) for the purchase of activated carbon for use at the Waste to Energy Facility from Jan 1, 2024-Dec 31, 2024 with an annual cost not to exceed \$105,000.00 plus tax.

Summary (Background)

Activated carbon is required in the operation of the Waste to Energy Facility to comply with its Title V Air Operating Permit. On Nov 16, 2021 bidding closed on RFQ 5541-21 to procure the needed carbon for the Facility. Cabot Norit was the low cost bidder of the two responses received and awarded a one year value blanket with the possibility of four (4) additional one-year renewals. This will be the second renewal with pricing to remain unchanged at \$1.19/lb.

Revenue contract renewal/amendment 4 of 4 with American Recycling Corp. (Spokane Valley, WA) for the sale of the Waste to Energy Facility's metals ash and scrap metal from Jan 1, 2024 - Dec 31, 2024 with anticipated revenue of appox. \$300,000.00.

Summary (Background)

At the Waste to Energy Facility, ferrous metals and large metal items are removed from the ash and tipping floor prior to disposal at the landfill for recycling. American Recycling Corp. was the only respondent to RFP 5176-19 for the purchase of these metals and awarded a one year contract with the option of four (4) one-year renewals. This will be the last renewal and will also be amended to include a 40% ash weight deduction used for the purchase price calculation.

*use the Fiscal Impact box below for relevant financial information	At the Waste to Energy Facility, ferrous metals are removed from the ash for recycling prior to disposing of the ash at the landfill. Also, large metal items are removed from the waste on the tipping floor for recycling prior to incineration. This not only reduces disposal costs, but also generates revenue and increases recycling rates within the city. On November 4, 2019 bidding was closed to RFP 5176-19 for the processing, transportation and purchase of the WTEF metals. American Recycling Corporation of Spokane Valley, WA, was the only response received. The RFP stipulated that the term of the agreement would be for one year from January 1, 2020 through December 31, 2020 and may be renewed for four (4) additional one-year periods. This will be the last renewal from January 1, 2024 through December 31, 2024. The revenue received for the materials is determined by a formula based on market prices on the 15 th of the previous month. This contract renewal will also be amended to include a 40% ash weight deduction per incinerator load. Based on recent market trends, it is anticipated that this should generate approximately \$150,000.00 in annual revenue.

City of Spokane

CONTRACT RENEWAL 4 of 4

Title: REFUSE CRANE PREVENTATIVE MAINTENANCE INSPECTIONS AND SERVICE

This Contract Renewal is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **WEMCO, INC.**, whose address is 5510 West Thorpe Road, Spokane, Washington 99224 as ("Contractor"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the parties entered into a Contract wherein Contractor agreed to provide Refuse Cranes Quarterly Preventative Maintenance Inspections and Unscheduled Services for Two 9-Ton, Top Running Double Grinder (TRDG) Bridge Cranes; and

WHEREAS, the original Contract provided for four one (1) year renewals with this being the final of those renewals; and

NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.

The original Contract, dated November 8, 2019 and November 20, 2019, any previous amendments, renewals and / or extensions / thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE TERM.

This Contract Renewal shall become effective on January 1, 2024 and shall run through December 31, 2024.

3. COMPENSATION.

The City shall pay an estimated maximum annual cost not to exceed **ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000.00)** in accordance with the attached Pricing Sheet for everything furnished and done under this optional use Contract Renewal. This is the maximum amount to be paid under this Renewal, and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this Renewal document.

4. DEBARMENT AND SUSPENSION.

23-200

The Contractor has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Renewal by having legally-binding representatives affix their signatures below.

ATTACHMENT CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

- 1. The undersigned (i.e., signatory for the Subrecipient / Contractor / Consultant) certifies, to the best of its knowledge and belief, that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification: and.
 - d. Have not within a three-year period preceding this contract had one or more public transactions (federal, state, or local) terminated for cause or default.
- 2. The undersigned agrees by signing this contract that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction.
- 3. The undersigned further agrees by signing this contract that it will include the following clause, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

- 1. The lower tier contractor certified, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- 2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor shall attach an explanation to this contract.
- 4. I understand that a false statement of this certification may be grounds for termination of the contract.

Agenda Wording

Contract renewal 1 of 4 with Deeco, Inc. (Raleigh, NC) for air emissions compliance testing at the Waste to Energy Facility from Jan 1, 2024-Dec 31, 2024 with a cost not to exceed \$140,000.00 plus tax.

Summary (Background)

Annual emissions testing, including the annual Relative Accuracy Test Audit (RATA) of the continuous emission monitoring system, is required by the operating permits for the Waste to Energy Facility. In 2022, based on their response to IRFP 5616-22, Deeco, Inc. was awarded a one year contract for this testing, with the possibility of four (4) one-year renewals. This will be the first of the allowed renewals.

City of Spokane

CONTRACT RENEWAL 1 of 4

Title: AIR EMISSIONS COMPLIANCE TEST PROGRAM

This Contract Renewal is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **DEECO**, **INC.**, whose address is 3404 Lake Woodard Road, Raleigh, North Carolina 27604 as ("Consultant"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the parties entered into a Contract wherein the Consultant agreed conduct the Air Emissions Compliance Test Program at the Spokane Waste-to-Energy Facility; and

WHEREAS, the original Contract provided for four (4) one (1) year renewals with this being the first of those renewals; and

NOW, THEREFORE, in consideration of these terms, the parties mutually agree as follows:

1. CONTRACT DOCUMENTS.

The Contract, dated October 12, 2022 and October 13, 2022, any previous amendments, addendums and / or extensions / renewals thereto, are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. EFFECTIVE TERM.

This Contract Renewal shall become effective on January 1, 2024 and shall run through December 31, 2024.

3. COMPENSATION.

The City shall pay a maximum amount not to exceed **ONE HUNDRED FORTY THOUSAND AND NO/100 DOLLARS** (\$140,000.00) plus applicable tax, in accordance with Consultant's Cost Proposal attached hereto, for everything furnished and done under this Contract Renewal. This is the maximum amount to be paid under this Renewal and shall not be exceeded without the prior written authorization of the City, memorialized with the same formality as the original Contract and this document.

4. **DEBARMENT AND SUSPENSION.**

The Company has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or

ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Contract Renewal by having legally-binding representatives affix their signatures below.

Agenda Wording

Contract renewal 1 of 3 with Anatek Labs, Inc. (Spokane, WA) for as-needed analytical services for groundwater, leachate and other samples from Nov 1, 2023 through Oct 31, 2024 with an annual cost not to exceed \$50,000.00 plus tax

Summary (Background)

Testing of groundwater, leachate and other various items is a requirement for operation of the City's Waste to Energy Facility and Landfills. In July of 2021, based on their response to RFP 5480-21, Anatek Labs, Inc. was awarded a two-year contract for these services, with the option of three (3) one-year renewals. The initial contract was for \$90,000.00. This will be the first of the allowed renewals. Due to the lifetime amount of the contract of \$135,000.00, council approval is now needed.

Select Agenda Item Type			
Agenda Item Name	Contract renewal for analytical services for groundwater, leachate and other samples for the WTE and Landfills.		
*use the Fiscal Impact box below for relevant financial information	Testing of groundwater, leachate and other various items is a requirement for operation of the City's Waste to Energy Facility and Landfills. In July of 2021, based on their response to RFP 5480-21, Anatek Labs, Inc. was awarded a two-year contract for these services, with the option of three (3) one-year renewals. The initial contract award, from 11/1/2021 – 10/31/2023 was for \$90,000.00 (\$45,000.00 annually). This will be the first of the allowed		
	renewals for an estimated amount not to exceed \$45,000.00. Due to the lifetime amount of the contract being \$135,000.00, City Council approval is now needed.		
Proposed Council Action	Approval of contract renewal.		
Fiscal Impact Total Cost: \$45,000.00 Approved in current year budget?			
Operations Impacts (If N/A, please give a brief description as to why)			
What impacts would the proposal have on historically excluded communities? The work is required to maintain the Facility's ability to generate low-cost power supplied to the grid. Low-cost power is imperative to curbing the rise in cost of electricity.			
How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities? The contractor is governed by WA L&I.			
How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?			

The COS Procurement Policies regulate and safeguard this process.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This work supports the continued safe operation the Facility. The expenditure is supportive of the Sustainable Action Plan and the Capital Improvement Program.

City of Spokane

CONTRACT RENEWAL 1 of 3

Title: ANALYTICAL SERVICES

This Contract Renewal is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **ANATEK LABS, INC.**, whose address is 504 East Sprague Avenue, Spokane, Washington 99202, as ("Company"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the parties entered into a Contract wherein Company agreed to provide As Needed Analytical Services for Groundwater, Leachate and Other Samples; and

SMC 08.15 Multi- Family Housing Property Tax Exemption

A. The purposes of this chapter are to:

- 1. encourage more multi-family housing opportunities, including affordable housing opportunities, within the City;
- 2. stimulate the construction of new multifamily housing and the rehabilitation of existing vacant and underutilized buildings for multi-family housing;
- 3. increase the supply of mixed-income multifamily housing opportunities within the City;
- 4. accomplish the planning goals required under the Growth Management Act, chapter 36.70A RCW, as implemented from time to time by the City's current and future comprehensive plans;
- 5. promote community development, neighborhood revitalization, and availability of affordable housing;
- 6. preserve and protect buildings, objects, sites and neighborhoods with historic, cultural, architectural, engineering or geographic significance located within the City; and
- 7. encourage additional housing in areas that are consistent with planning for public transit systems.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

RCW 84.14.100

Report—Filing—Department of commerce audit or review—Guidance to cities and counties. (Expires January 1, 2058.)

- (1) Thirty days after the anniversary of the date of the certificate of tax exemption and each year for the tax exemption period, the owner of the rehabilitated or newly constructed property, or the qualified nonprofit or local government that will assure permanent affordable homeownership for at least 25 percent of the units for properties receiving an exemption under RCW <u>84.14.021</u>, must file with a designated authorized representative of the city or county an annual report indicating the following:
- (a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date:
- (b) A certification by the owner that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in RCW <u>84.14.020</u> since the date of the certificate approved by the city or county;
- (c) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and
- (d) Any additional information requested by the city or county in regards to the units receiving a tax exemption.
- (2) All cities or counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, must report annually by April 1st of each year, beginning in 2007, to the department of commerce. A city or county must be in compliance with the reporting requirements of this section to offer certificates of tax exemption for multiunit housing authorized in this chapter. The report must include the following information:
- (a) The number of tax exemption certificates granted;
- (b) The total number and type of units produced or to be produced;

- (c) The number, size, and type of units produced or to be produced meeting affordable housing requirements;
- (d) The actual development cost of each unit produced;
- (e) The total monthly rent or total sale amount of each unit produced;
- (f) The annual household income and household size for each of the affordable units receiving a tax exemption and a summary of these figures for the city or county; and
- (g) The value of the tax exemption for each project receiving a tax exemption and the total value of tax exemptions granted.
- (3)(a) The department of commerce must adopt and implement a program to effectively audit or review that the owner or operator of each property for which a certificate of tax exemption has been issued, except for those properties receiving an exemption that are owned or operated by a nonprofit or for those properties receiving an exemption from a city or county that operates an independent audit or review program, is offering the number of units at rents as committed to in the approved application for an exemption and that the tenants are being properly screened to be qualified for an income-restricted unit. The audit or review program must be adopted in consultation with local governments and other stakeholders and may be based on auditing a percentage of income-restricted units or properties annually. A private owner or operator of a property for which a certificate of tax exemption has been issued under this chapter, must be audited at least once every five years.
- (b) If the review or audit required under (a) of this subsection for a given property finds that the owner or operator is not offering the number of units at rents as committed to in the approved application or is not properly screening tenants for income-restricted units, the department of commerce must notify the city or county and the city or county must impose and collect a sliding scale penalty not to exceed an amount calculated by subtracting the amount of rents that would have been collected had the owner or operator complied with their commitment from the amount of rents collected by the owner or operator for the income-restricted units, with consideration of the severity of the noncompliance. If a subsequent review or audit required under (a) of this subsection for a given property finds continued substantial noncompliance with the program requirements, the exemption certificate must be canceled pursuant to **RCW 84.14.110**.
- (c) The department of commerce may impose and collect a fee, not to exceed the costs of the audit or review, from the owner or operator of any property subject to an audit or review required under (a) of this subsection.
- (4) The department of commerce must provide guidance to cities and counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, on best practices in managing and reporting for the exemption programs authorized under this chapter, including guidance for cities and counties to collect and report demographic information for tenants of units receiving a tax exemption under this chapter.
- (5) This section expires January 1, 2058.

Title 08 Taxation and Revenue

Chapter 08.15 Multiple-family Housing Property Tax Exemption

Section 08.15.100 Annual Certification and Affordability Certification

Within thirty days of the anniversary of the date the final certificate of tax exemption was recorded at the County and each year thereafter, for the tax exemption period, the property owner shall file a certification with the director, verified upon oath or affirmation, which shall contain such information as the director may deem necessary or useful, and shall include the following information:

- 1. A statement of occupancy and vacancy of the multi-family units during the previous year.
- 2. A certification that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in **SMC 8.15.090** since the date of filing of the final certificate of tax exemption, and continues to be in compliance with the contract with the City and the requirements of this chapter; and
- 3. If the property owner rents the affordable multi-family housing units, the property owner shall file with the City a report indicating the household income of each initial tenant qualifying as low and moderate-income in order to comply with the twenty percent requirement of **SMC 8.15.090(A)(2)(b)** and RCW 84.14.020(1)(ii)(B).

- a. The reports shall be on a form provided by the City and shall be signed by the tenants.
 - b. Information on the incomes of occupants of affordable units shall be included with the application for the final certificate of tax exemption, and shall continue to be included with the annual report for each property during the exemption period.
- 4. A description of any improvements or changes to the property made after the filing of the final certificate or last declaration, as applicable.
- B. Failure to submit the annual declaration may result in cancellation of the tax exemption.

(AFN 7306538)

Assessor's Parcel Number(s) 35064.3614,

commonly known as

516 W CORA AVE SPOKANE, WA.

WHEREAS, this property is located in the **Spokane Targeted Investment Area**. and is eligible to seek a Final Certificate of Tax Exemption post construction under the **8-year Market Rate Exemption**. as defined in SMC 08.15.090.

WHEREAS, the City has determined that the improvements will, if completed as proposed, satisfy the requirements for a Final Certificate of Tax Exemption; -- NOW, THEREFORE.

The City and the Owner/Taxpayer do mutually agree as follows:

- 1. The City agrees to issue the Owner/Taxpayer a Conditional Agreement subsequent to the City Council's approval of this agreement.
- 2. The project must comply with all applicable zoning requirements, land use requirements, design review recommendations and all building, fire, and housing code requirements contained in the Spokane Municipal Code at the time a complete application for a building permit is received. However, if the proposal includes rehabilitation or demolition in preparation for new construction, the residential portion of the building shall fail to comply with one or more standards of applicable building or housing codes, and the rehabilitation improvements shall achieve compliance with the applicable building and construction codes.
- 3. If the property proposed to be rehabilitated is not vacant, the Owner/Taxpayer shall provide each existing tenant with housing of comparable size, quality and price and a reasonable opportunity to relocate. At the time of an application for a Conditional Agreement, the applicant provided a letter attesting and documenting how the existing tenant(s) were/will be provided comparable housing and opportunities to relocate.
- (a). The existing residential tenant(s) are to be provided housing of a comparable size and quality at a rent level meeting the Washington State definition of affordable to their income level. Specifically, RCW 84.14.010 defines "affordable housing" as residential housing that is rented by a person or household whose monthly housing costs, including utilities other than telephone, do not exceed thirty (30) percent of the household's monthly income. The duration of this requirement will be the length of the tenant's current lease plus one year.
- 4. The Owner/Taxpayer intends to construct on the site, approximately <u>88</u> new multiple family residential housing units substantially as described in their application filed with and approved by the City. In no event shall such construction provide fewer than a total of four multiple family permanent residential housing units.
- 5. The Owner/Taxpayer agrees to complete construction of the agreed-upon improvements within three years from the date the City issues this Conditional Agreement or within any extension granted by the City.
- 6. The Owner/Taxpayer agrees, upon completion of the improvements and upon issuance by the City of a temporary or permanent certificate of occupancy, to file an application for a Final Certificate of Tax Exemption with the City's Planning and Economic Development Department, which will require the following:

- (a) a statement of the actual development cost of each multiple family housing unit, and the total expenditures made in the rehabilitation or construction of the entire property;
- (b) a description of the completed work and a statement that the rehabilitation improvements or new construction of the Owner/Taxpayer's property qualifies the property for the exemption;
- (c) a statement that the project meets the affordable housing requirements, if applicable; and
- (d) a statement that the work was completed within the required three-year period or any authorized extension of the issuance of the conditional certificate of tax exemption.
- 7. The City agrees, conditioned on the Owner/Taxpayer's successful completion of the improvements in accordance with the terms of this Conditional Agreement and on the Owner/Taxpayer's filing of application for the Final Certificate of Exemption with the materials described in Paragraph 6 above, to file a Final Certificate of Tax Exemption with the Spokane County Assessor indicating that the Owner/Taxpayer is qualified for the limited tax exemption under Chapter 84.14 RCW.
- 8. The Owner/Taxpayer agrees, that once a Final Certificate of Tax Exemption is issued, to comply with all Annual Reporting requirements set forth in SMC 8.15.100 and contained in the annual report form provided by the City. Thirteen (13) months following the first year of the exemption beginning and every year thereafter, the Owner/Taxpayer will complete and file the appropriate Annual Report required by the terms of their Final Certificate of Tax Exemption with the City's Planning and Economic Development Department. The Annual Report is a declaration verifying upon oath and indicating the following:
- (a) a statement of occupancy, use of the property/unit, income and rents for qualifying 12-year and 20-year and vacancy of the multi-family units during the previous year;
- (b) a certification that the property has not changed to a commercial use or been used as a transient (short-term rental) basis and, if applicable, that the property has been in compliance with the affordable housing income and rent requirements as described in SMC 8.15.090 since the date of the filing of the Final Certificate of Tax Exemption, and continues to be in compliance with this Agreement and the requirements of SMC Chapter 8.15;
- (c) for affordable multi-family housing units, information providing the household income, rent and utility cost, of each qualifying as low and moderate-income, which shall be reported on a form provided by the City and signed by the tenants; and
- (d) a description of any improvements or changes to the property made after the filing of the final certificate or last declaration.
- 9. The parties acknowledge that the units, including any owner-occupied units are to be used and occupied for multifamily permanent residential occupancy and use. The parties further acknowledge that the certificate of occupancy issued by the City is for multifamily residential units. The Owner/Taxpayer acknowledges and agrees that the units shall be used

primarily for multi-family housing for permanent residential occupancy as defined in SMC 8.15.020 and RCW 84.14.010 and any business activities shall only be incidental and ancillary to the residential occupancy. Any units that are converted from multi-family housing for permanent residential occupancy shall be reported to the City of Spokane's Planning and Economic Development Department and the Spokane County Assessor's Office and removed from eligibility for the tax exemption within 60 days. If the removal of the ineligible unit or units causes the number of units to drop below the number of units required for tax exemption eligibility, the remaining units shall be removed from eligibility pursuant to state law.

- 10. To qualify for the twelve-year tax exemption, the Owner/Taxpayer will be required to rent or sell at least 30%. of the multiple family housing units as affordable housing units to low and moderate-income households and will ensure that the units within the 12-yr program are dispersed throughout the building and distributed proportionally among the buildings; not be clustered in certain sections of the building or stacked; comparable to market-rate units in terms of unit size and leasing terms; and are comparable to market-rate units in terms of functionality and building amenities and access in addition to the other requirements set forth in the Agreement. The Owner/Taxpayer is further required to comply with the rental relocation assistance requirements set forth in RCW 84.14.020 (7) and (8) and in SMC 8.15.090 (D).
- 11. The Owner/Taxpayer will have the right to assign its rights under this Agreement. The Owner/Taxpayer agrees to notify the City promptly of any transfer of Owner/Taxpayer's ownership interest in the Site or in the improvements made to the Site under this Agreement.
- 12. The City reserves the right to cancel the Final Certificate of Tax Exemption should the Owner/Taxpayer, its successors and assigns, fail to comply with any of the terms and conditions of this Agreement or of SMC Chapter 8.15.
- 13. No modifications of this Conditional Agreement shall be made unless mutually agreed upon by the parties in writing.
- 14. The Owner/Taxpayer acknowledges its awareness of the potential tax liability involved if and when the property ceases to be eligible for the incentive provided pursuant to this agreement. Such liability may include additional real property tax, penalties and interest imposed pursuant to RCW 84.14.110. The Owner/Taxpayer further acknowledges its awareness and understanding of the process implemented by the Spokane County Assessor's Office for the appraisal and assessment of property taxes. The Owner/Taxpayer agrees that the City is not responsible for the property value assessment imposed by Spokane County at any time during the exemption period.
- 15. In the event that any term or clause of this Conditional Agreement conflicts with applicable law, such conflict shall not affect other terms of this Agreement, which can be given effect without the conflicting term or clause, and to this end, the terms of this Conditional Agreement are declared to be severable.
- 16. The parties agree that this Conditional Agreement, requires the applicant to file an application for the Final Certificate of Tax Exemption post the construction of the multiple family residential housing units referenced above and that the Final Certificate of Tax Exemption shall be subject to the applicable provisions of Chapter 84.14 RCW and Chapter 8.15 SMC that exist at the time this agreement is signed by the parties. The parties may agree

to amend this Conditional Agreement requirements as set forth when the applicant applies for the Final Certificate of Tax Exemption based upon applicable amendments and additions to Chapter 84.14 RCW or Chapter 8.15 SMC if the requirements change between the issuance of the Conditional Agreement and the Application for Final Tax Exemption has been submitted.

- 17. Nothing in this Agreement shall permit or be interpreted to permit either party to violate any provision of Chapter 84.14 RCW or Chapter 8.15 SMC
 - 18 This Agreement is subject to approval by the City Council.

SMC 08.15 Multi- Family Housing Property Tax Exemption

A. The purposes of this chapter are to:

- 1. encourage more multi-family housing opportunities, including affordable housing opportunities, within the City;
- 2. stimulate the construction of new multifamily housing and the rehabilitation of existing vacant and underutilized buildings for multi-family housing;
- 3. increase the supply of mixed-income multifamily housing opportunities within the City;
- 4. accomplish the planning goals required under the Growth Management Act, chapter 36.70A RCW, as implemented from time to time by the City's current and future comprehensive plans;
- 5. promote community development, neighborhood revitalization, and availability of affordable housing;
- 6. preserve and protect buildings, objects, sites and neighborhoods with historic, cultural, architectural, engineering or geographic significance located within the City; and
- 7. encourage additional housing in areas that are consistent with planning for public transit systems.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

RCW 84.14.100

Report—Filing—Department of commerce audit or review—Guidance to cities and counties. (Expires January 1, 2058.)

- (1) Thirty days after the anniversary of the date of the certificate of tax exemption and each year for the tax exemption period, the owner of the rehabilitated or newly constructed property, or the qualified nonprofit or local government that will assure permanent affordable homeownership for at least 25 percent of the units for properties receiving an exemption under RCW <u>84.14.021</u>, must file with a designated authorized representative of the city or county an annual report indicating the following:
- (a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the twelve months ending with the anniversary date:
- (b) A certification by the owner that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in RCW <u>84.14.020</u> since the date of the certificate approved by the city or county;
- (c) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and
- (d) Any additional information requested by the city or county in regards to the units receiving a tax exemption.
- (2) All cities or counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, must report annually by April 1st of each year, beginning in 2007, to the department of commerce. A city or county must be in compliance with the reporting requirements of this section to offer certificates of tax exemption for multiunit housing authorized in this chapter. The report must include the following information:
- (a) The number of tax exemption certificates granted;
- (b) The total number and type of units produced or to be produced;

- (c) The number, size, and type of units produced or to be produced meeting affordable housing requirements;
- (d) The actual development cost of each unit produced;
- (e) The total monthly rent or total sale amount of each unit produced;
- (f) The annual household income and household size for each of the affordable units receiving a tax exemption and a summary of these figures for the city or county; and
- (g) The value of the tax exemption for each project receiving a tax exemption and the total value of tax exemptions granted.
- (3)(a) The department of commerce must adopt and implement a program to effectively audit or review that the owner or operator of each property for which a certificate of tax exemption has been issued, except for those properties receiving an exemption that are owned or operated by a nonprofit or for those properties receiving an exemption from a city or county that operates an independent audit or review program, is offering the number of units at rents as committed to in the approved application for an exemption and that the tenants are being properly screened to be qualified for an income-restricted unit. The audit or review program must be adopted in consultation with local governments and other stakeholders and may be based on auditing a percentage of income-restricted units or properties annually. A private owner or operator of a property for which a certificate of tax exemption has been issued under this chapter, must be audited at least once every five years.
- (b) If the review or audit required under (a) of this subsection for a given property finds that the owner or operator is not offering the number of units at rents as committed to in the approved application or is not properly screening tenants for income-restricted units, the department of commerce must notify the city or county and the city or county must impose and collect a sliding scale penalty not to exceed an amount calculated by subtracting the amount of rents that would have been collected had the owner or operator complied with their commitment from the amount of rents collected by the owner or operator for the income-restricted units, with consideration of the severity of the noncompliance. If a subsequent review or audit required under (a) of this subsection for a given property finds continued substantial noncompliance with the program requirements, the exemption certificate must be canceled pursuant to **RCW 84.14.110**.
- (c) The department of commerce may impose and collect a fee, not to exceed the costs of the audit or review, from the owner or operator of any property subject to an audit or review required under (a) of this subsection.
- (4) The department of commerce must provide guidance to cities and counties, which issue certificates of tax exemption for multiunit housing that conform to the requirements of this chapter, on best practices in managing and reporting for the exemption programs authorized under this chapter, including guidance for cities and counties to collect and report demographic information for tenants of units receiving a tax exemption under this chapter.
- (5) This section expires January 1, 2058.

Title 08 Taxation and Revenue

Chapter 08.15 Multiple-family Housing Property Tax Exemption

Section 08.15.100 Annual Certification and Affordability Certification

Within thirty days of the anniversary of the date the final certificate of tax exemption was recorded at the County and each year thereafter, for the tax exemption period, the property owner shall file a certification with the director, verified upon oath or affirmation, which shall contain such information as the director may deem necessary or useful, and shall include the following information:

- 1. A statement of occupancy and vacancy of the multi-family units during the previous year.
- 2. A certification that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in **SMC 8.15.090** since the date of filing of the final certificate of tax exemption, and continues to be in compliance with the contract with the City and the requirements of this chapter; and
- 3. If the property owner rents the affordable multi-family housing units, the property owner shall file with the City a report indicating the household income of each initial tenant qualifying as low and moderate-income in order to comply with the twenty percent requirement of **SMC 8.15.090(A)(2)(b)** and RCW 84.14.020(1)(ii)(B).

- a. The reports shall be on a form provided by the City and shall be signed by the tenants.
 - b. Information on the incomes of occupants of affordable units shall be included with the application for the final certificate of tax exemption, and shall continue to be included with the annual report for each property during the exemption period.
- 4. A description of any improvements or changes to the property made after the filing of the final certificate or last declaration, as applicable.
- B. Failure to submit the annual declaration may result in cancellation of the tax exemption.

PLANNING & ECONOMIC DEVELOPMENT MULTIPLE FAMILY HOUSING PROPERTY TAX EXEMPTION AGREEMENT

THIS CONDITIONAL AGREEMENT is between the City of Spokane, a Washington State municipal corporation, as "City", and MINISRTY HOUSING INVESTMENT GROUP, LLC, as "Owner/Taxpayer" whose business address is PO BOX 8605, SPOKANE, WA 99203. WITNESSETH:

WHEREAS, the City has, pursuant to the authority granted to it by Chapter 84.14 RCW, designated various residential targeted areas for the provision of a limited property tax exemption for new and rehabilitated multiple family residential housing; and

WHEREAS, the City has, through Chapter 8.15 SMC, enacted a program whereby property owner/taxpayers may qualify for a Final Certificate of Tax Exemption which certifies to the Spokane County Assessor that the Owner/Taxpayer is eligible to receive the multiple family housing property tax exemption; and

WHEREAS, the Owner/Taxpayer is interested in receiving the multiple family property tax exemption for new multiple family residential housing units in a residential targeted area; and

WHEREAS, the Owner/Taxpayer has submitted to the City a complete conditional application form for no fewer than a total of four new multiple family permanent residential housing units to be constructed on property legally described as:

commonly known as

504, 506, <u>& 512 W SINTO AVE SPOKANE, WA</u>.

WHEREAS, this property is located in the <u>Spokane Targeted Investment Area</u>. and is eligible to seek a Final Certificate of Tax Exemption post construction under the <u>12-yr</u> Affordable Rentals of 4-11 Units. as defined in SMC 08.15.090.

WHEREAS, the City has determined that the improvements will, if completed as

proposed, satisfy the requirements for a Final Certificate of Tax Exemption; -- NOW, THEREFORE,

The City and the Owner/Taxpayer do mutually agree as follows:

- 1. The City agrees to issue the Owner/Taxpayer a Conditional Agreement subsequent to the City Council's approval of this agreement.
- 2. The project must comply with all applicable zoning requirements, land use requirements, design review recommendations and all building, fire, and housing code requirements contained in the Spokane Municipal Code at the time a complete application for a building permit is received. However, if the proposal includes rehabilitation or demolition in preparation for new construction, the residential portion of the building shall fail to comply with one or more standards of applicable building or housing codes, and the rehabilitation improvements shall achieve compliance with the applicable building and construction codes.
- 3. If the property proposed to be rehabilitated is not vacant, the Owner/Taxpayer shall provide each existing tenant with housing of comparable size, quality and price and a reasonable opportunity to relocate. At the time of an application for a Conditional Agreement, the applicant provided a letter attesting and documenting how the existing tenant(s) were/will be provided comparable housing and opportunities to relocate.
- (a). The existing residential tenant(s) are to be provided housing of a comparable size and quality at a rent level meeting the Washington State definition of affordable to their income level. Specifically, RCW 84.14.010 defines "affordable housing" as residential housing that is rented by a person or household whose monthly housing costs, including utilities other than telephone, do not exceed thirty (30) percent of the household's monthly income. The duration of this requirement will be the length of the tenant's current lease plus one year.
- 4. The Owner/Taxpayer intends to construct on the site, approximately **9** new multiple family residential housing units substantially as described in their application filed with and approved by the City. In no event shall such construction provide fewer than a total of four multiple family permanent residential housing units.
- 5. The Owner/Taxpayer agrees to complete construction of the agreed-upon improvements within three years from the date the City issues this Conditional Agreement or within any extension granted by the City.
- 6. The Owner/Taxpayer agrees, upon completion of the improvements and upon issuance by the City of a temporary or permanent certificate of occupancy, to file an application for a Final Certificate of Tax Exemption with the City's Planning and Economic Development Department, which will require the following:
- (a) a statement of the actual development cost of each multiple family housing unit, and the total expenditures made in the rehabilitation or construction of the entire property;
- (b) a description of the completed work and a statement that the rehabilitation improvements or new construction of the Owner/Taxpayer's property qualifies the property for the exemption;

- (c) a statement that the project meets the affordable housing requirements, if applicable; and
- (d) a statement that the work was completed within the required three-year period or any authorized extension of the issuance of the conditional certificate of tax exemption.
- 7. The City agrees, conditioned on the Owner/Taxpayer's successful completion of the improvements in accordance with the terms of this Conditional Agreement and on the Owner/Taxpayer's filing of application for the Final Certificate of Exemption with the materials described in Paragraph 6 above, to file a Final Certificate of Tax Exemption with the Spokane County Assessor indicating that the Owner/Taxpayer is qualified for the limited tax exemption under Chapter 84.14 RCW.
- 8. The Owner/Taxpayer agrees, that once a Final Certificate of Tax Exemption is issued, to comply with all Annual Reporting requirements set forth in SMC 8.15.100 and contained in the annual report form provided by the City. Thirteen (13) months following the first year of the exemption beginning and every year thereafter, the Owner/Taxpayer will complete and file the appropriate Annual Report required by the terms of their Final Certificate of Tax Exemption with the City's Planning and Economic Development Department. The Annual Report is a declaration verifying upon oath and indicating the following:
- (a) a statement of occupancy, use of the property/unit, income and rents for qualifying 12-year and 20-year and vacancy of the multi-family units during the previous year;
- (b) a certification that the property has not changed to a commercial use or been used as a transient (short-term rental) basis and, if applicable, that the property has been in compliance with the affordable housing income and rent requirements as described in SMC 8.15.090 since the date of the filing of the Final Certificate of Tax Exemption, and continues to be in compliance with this Agreement and the requirements of SMC Chapter 8.15;
- (c) for affordable multi-family housing units, information providing the household income, rent and utility cost, of each qualifying as low and moderate-income, which shall be reported on a form provided by the City and signed by the tenants; and
- (d) a description of any improvements or changes to the property made after the filing of the final certificate or last declaration.
- 9. The parties acknowledge that the units, including any owner-occupied units are to be used and occupied for multifamily permanent residential occupancy and use. The parties further acknowledge that the certificate of occupancy issued by the City is for multifamily residential units. The Owner/Taxpayer acknowledges and agrees that the units shall be used primarily for multi-family housing for permanent residential occupancy as defined in SMC 8.15.020 and RCW 84.14.010 and any business activities shall only be incidental and ancillary to the residential occupancy. Any units that are converted from multi-family housing for permanent residential occupancy shall be reported to the City of Spokane's Planning and Economic Development Department and the Spokane County Assessor's Office and removed from eligibility for the tax exemption within 60 days. If the removal of the ineligible unit or units causes the number of units to drop below the number of units required for tax exemption

eligibility, the remaining units shall be removed from eligibility pursuant to state law.

- 10. To qualify for the twelve-year tax exemption, the Owner/Taxpayer will be required to rent or sell at least 25%. of the multiple family housing units as affordable housing units to low and moderate-income households and will ensure that the units within the 12-yr program are dispersed throughout the building and distributed proportionally among the buildings; not be clustered in certain sections of the building or stacked; comparable to market-rate units in terms of unit size and leasing terms; and are comparable to market-rate units in terms of functionality and building amenities and access in addition to the other requirements set forth in the Agreement. The Owner/Taxpayer is further required to comply with the rental relocation assistance requirements set forth in RCW 84.14.020 (7) and (8) and in SMC 8.15.090 (D).
- 11. The City agrees the Wastewater General Facilities Charges under SMC 13.03.0732 and the Water General Facilities Charges under SMC 13.04.2042 shall be deferred for the life of the property tax exemption issued under this agreement. If the Owner/Taxpayer maintains qualifying status for the entire exemption period, the wastewater and water general facilities charges set out above shall be waived at the end of the exemption period. If the Owner/Taxpayer fails to maintain qualifying status for the entire exemption period, the wastewater and water general facilities charges will have to be paid in the amounts set forth in SMC 13.03.0734 Appendix A and SMC 13.04.2044 Appendix A within three months of the Owner/Taxpayer receiving notice that the exemption has been terminated.
- 12. The City reserves the right to cancel the Final Certificate of Tax Exemption should the Owner/Taxpayer, its successors and assigns, fail to comply with any of the terms and conditions of this Agreement or of SMC Chapter 8.15.
- 13. No modifications of this Conditional Agreement shall be made unless mutually agreed upon by the parties in writing.
- 14. The Owner/Taxpayer acknowledges its awareness of the potential tax liability involved if and when the property ceases to be eligible for the incentive provided pursuant to this agreement. Such liability may include additional real property tax, penalties and interest imposed pursuant to RCW 84.14.110. The Owner/Taxpayer further acknowledges its awareness and understanding of the process implemented by the Spokane County Assessor's Office for the appraisal and assessment of property taxes. The Owner/Taxpayer agrees that the City is not responsible for the property value assessment imposed by Spokane County at any time during the exemption period.
- 15. In the event that any term or clause of this Conditional Agreement conflicts with applicable law, such conflict shall not affect other terms of this Agreement, which can be given effect without the conflicting term or clause, and to this end, the terms of this Conditional Agreement are declared to be severable.
- 16. The parties agree that this Conditional Agreement, requires the applicant to file an application for the Final Certificate of Tax Exemption post the construction of the multiple family residential housing units referenced above and that the Final Certificate of Tax Exemption shall be subject to the applicable provisions of Chapter 84.14 RCW and Chapter 8.15 SMC that exist at the time this agreement is signed by the parties. The parties may agree to amend this Conditional Agreement requirements as set forth when the applicant applies for

the Final Certificate of Tax Exemption based upon applicable amendments and additions to Chapter 84.14 RCW or Chapter 8.15 SMC if the requirements change between the issuance of the Conditional Agreement and the Application for Final Tax Exemption has been submitted.

- 17. Nothing in this Agreement shall permit or be interpreted to permit either party to violate any provision of Chapter 84.14 RCW or Chapter 8.15 SMC
 - 18 This Agreement is subject to approval by the City Council.

AGREEMENT BETWEEN THE CITY OF SPOKANE AND THE NORTHEAST PUBLIC DEVELOPMENT AUTHORITY Regarding Water Transmission Line Replacement

THIS AGREEMENT ("Agreement") is entered into by and between the CITY OF SPOKANE, a Washington State municipal corporation, as ("City"), and NORTHEAST PUBLIC DEVELOPMENT AUTHORITY, a Public Development Authority established by the City and Spokane County pursuant to Washington State law, as ("NEPDA"), hereinafter referred to jointly as the "Parties".

RECITALS

WHERAS, On December 6, 2022, Spokane County Board of County Commissioners awarded NEPDA an allocation of up to \$1,500,000.00 from the American rescue Plan/Coronavirus State and Local Fiscal Recovery Funds (ARP/SLFRF) Project funding per the agreement attached as an exhibit hereto and entitled, "AGREEMENT No. 22ARP1190 BETWEEN SPOKANE COUNTY AND NORTHEAST PUBLIC DEVELOPMENT AUTHORITY IN CONJUNCTION WITH THE AMERICAN RESCUE PLAN, CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUNDS AWARD" (hereinafter referred to as the "County/NEPDA Agreement"); and

WHEREAS, the project funding allocation in the County/NEPDA Agreement is to be used to replace the existing 30" steel line between Garland and Wellesley as part of a full depth roadway reconstruction between Garland and Wellesley (Project); and

WHEREAS, the City has agreed to conduct the design work for the Project covered by the County/NEPDA Agreement, Exhibit A "Statement of Work"; and

WHEREAS, construction of the Project will be done by the contractor for the City, which was chosen through the public bidding process and is memorialized herein; and

NOW THEREFORE, the Parties agree as follows:

AGREEMENT

1. <u>BACKGROUND/SCOPE</u>. This Agreement provides for the reimbursement to City for the costs associated with the engineering, design and construction of the new 30" transmission main between Garland and Wellesley and to replace the existing 30" steel line between Garland and Wellesley as part of a full depth roadway reconstruction between Garland and Wellesley ("Project"). NEPDA has received an allocation of up to \$1,500,000.00 from Spokane County to be used towards the Project funding. Design work will be done by the City and the construction will be awarded to a contractor. Per paragraph 22.2 of the County/NEPDA Agreement, City, as subrecipient of the Project Funding awarded NEPDA under the Agreement, agrees to comply with the terms of the Agreement to the extent such

terms are applicable to the City. This NEPDA/City Agreement otherwise constitutes the entire and exclusive agreement between the Parties regarding this matter and no deviations from its terms shall be allowed unless a formal, written, mutual agreement occurs between the Parties.

- 2. <u>PAYMENT</u>. NEPDA will pay City directly towards the costs of the project. Said payment shall be made as follows:
 - A. Payment will be based on a written invoice with supporting documentation. Invoices will be generated on a quarterly basis. Within thirty (30) days of receiving the invoice, the NEPDA agrees to forward payment to City.
 - B. The Project improvements to be reimbursed shall not exceed the amount of \$1,500,000.00 as follows:
 - a. Engineering Design, Project Plans, Specifications and Estimates of \$75,000.00;
 - b. Construction Management Costs estimated at \$150,000.00; and
 - c. Construction Costs estimated at \$1,275,000.00.
- 3. <u>TERM</u>. This agreement will start in June 2023 and will terminate on December 31, 2026. This Agreement may be terminated earlier only by mutual written agreement of the Parties.
- 4. <u>LIABILITY</u>. Each Party shall be responsible for its own negligence. Neither Party assumes responsibility to the other Party for the consequences of any act or omission of any person, firm or corporation not a party to this Agreement. Per paragraph 22.3 of the County/NEPDA Agreement, the County is not liable for claims or damages arising from subcontractor City's performance of this NEPDA/City Agreement.
- 5. <u>ACCEPTANCE OF PROJECT</u>. City will ensure the Project is properly inspected and conforms will state and local rules and regulations, to include without limitation inspection of roadway improvements prior to approval of acceptance of the Project by City.
- 6. <u>DISPUTE RESOLUTION</u>. In the event that a dispute shall arise regarding the terms, conditions, or breach of this Agreement, the Parties shall, as a condition precedent to taking any action, meditate the dispute using the services of a mutually agreed upon independent mediator. Each Party shall split the expenses of the mediator and the facility for the mediation. Each Party shall otherwise pay its own expenses.
- 7. <u>ASSIGNMENT</u>. Neither Party may assign this Agreement without written consent by the other party.
- 8. <u>AMENDMENT</u>. Amendment of this Agreement may be made only by written agreement of the Parties.

- 9. <u>SEVERABILITY</u>. If any provision of this Agreement is determined to be invalid or ultra vires under any applicable statute or rule of law, it is to that extent to be deemed omitted and the balance of the Agreement shall remain enforceable.
- 10. <u>WAIVER OF BEACH/DEFAULT</u>. No waiver of any breach of any term of this Agreement shall be construed, nor shall be, a waiver of any other breach of this Agreement. No waiver shall be binding unless it is in writing and signed by the party waiving the breach.
- 11. .INSURANCE. City certifies that it is self-funded for its liability exposures including General Liability. City also carries excess General Liability Insurance to \$10 million. The combined assets of City's Risk is in excess of \$10 million which represents the financial security appropriate to provide payment for liability under City's self-insured layer. Should a covered loss occur, City's self-funded insurance program would respond accordingly.
- 12. <u>NOTICES</u>. All notices or other communications given hereunder shall be deemed given on (i) the day such notices or other communications are received when sent by personal delivery; or (ii) the third day following the day on which the same have been mailed by certified mail delivery, receipt requested and postage prepaid addressed to the Parties at the address set forth below, or at such other address as the Parties shall from time to time designate by notice in writing to the other party.

(FACE SHEET)

WHEREAS, pursuant to the provisions of the Revised Code of Washington (RCW) §36.32.120(6), the Board of County Commissioners has the care of County property and the management of County funds and business; and

WHEREAS, this AGREEMENT is made pursuant to Request for Proposal (RFP) P5001 and Resolution 2022-0813 dated December 6, 2022, as of January 1, 2023 by and between SPOKANE COUNTY, a political subdivision of the State of Washington hereinafter known as the "COUNTY" having offices for the transaction of business as listed above and the NORTHEAST PUBLIC DEVELOPMENT AUTHORITY hereinafter known as NEPDA, having offices for the transaction of business as listed above, are jointly, hereinafter referred to as the Parties; and

NOW, THEREFORE, in consideration of the mutual promises and conditions set forth herein, the Parties mutually agree as follows:

1. SERVICES

1.1. NEPDA shall provide those services set forth in the Scope of Work attached hereto as Attachment A and is incorporated herein by reference. Services provided by NEPDA shall be performed to the standard set by the County Representative, listed on the contract.

2. FINANCIAL REQUIREMENTS

2.1. NEPDA agrees to comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement, and the federal regulations and any executive orders commonly applicable to federal grants.

3. TERM

3.1. The term of this Agreement shall commence as of the start date on the FACE SHEET and shall terminate on the end date on the FACE SHEET.

4. RELATIONSHIP OF THE PARTIES

4.1. The Parties intend that an independent contracted NEPDA relationship will be created by this Agreement. NEPDA and/or employees, agents or any subrecipient to this contracted NEPDA performing under this Agreement are not employees or agents of the COUNTY in any manner whatsoever. NEPDA will not be presented as, nor claim to be, an officer or employee of the COUNTY by reason of this Agreement nor will NEPDA make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the COUNTY by reason of this Agreement, including but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

5. COMPLIANCE WITH LAWS

- 5.1. NEPDA and the COUNTY agree that all activity pursuant to this Agreement will be in accordance with all applicable current federal, state and local laws, rules and regulations. As a recipient of federal financial assistance under this Agreement, NEPDA shall comply with all applicable state and federal statutes, regulations, executive orders and guidelines, including but not limited to the following:
 - 5.1.1. NEPDA must comply with the Americans with Disabilities Act (ADA) of 1990, Public Law 101-336, 42 U.S.C. 12101 et seq. and its implementing regulations also referred to as the ADA 28 CFR Part 35. The ADA provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services and telecommunications.
 - 5.1.2. NEPDA shall solely comply with any and all applicable federal, state and local laws, regulations, executive orders, OMB Circulars and/or policies and the COUNTY will not be responsible for determining NEPDA's This obligation includes, but is not limited compliance. nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Services (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-5), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW 39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58), State Building Code (RCW 19.27), Energy Related Building Standards (RCW 19.27A), Provisions in Buildings for Aged and Handicapped Person (RCW 70.92), and safety and health regulations.
- 5.2. NEPDA shall comply with all applicable federal/state non-discrimination laws, regulations and policies and the COUNTY will not be responsible for determining NEPDA's compliance. No person shall on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded in whole or in part, under this Agreement.
- 5.3. In the event of noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy by NEPDA, the COUNTY may rescind, cancel or terminate the Agreement in whole or in part in its sole discretion. NEPDA is responsible for all costs or liability arising from its failure to comply with application laws, regulations, executive orders, OMB Circulars or policies.

6. EOUAL OPPORTUNITY TREATMENT FOR FAITH-BASED ORGANIZATIONS

6.1. NEPDA agrees to comply with the applicable requirements of 28 CFR Part 38.

7. NEW CIVIL RIGHTS PROVISION

7.1. NEPDA shall comply with the Violence Against Women Reauthorization Act of 2013 provision that prohibits recipients from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by this Agreement and the COUNTY will not be responsible for determining NEPDA's compliance.

8. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)

8.1. NEPDA must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with Limited English Proficiency (LEP) to their programs and services and the COUNTY will not be responsible for determining NEPDA's compliance. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. Department of Homeland Security (DHS) published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768 (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. Assistance and information regarding language access obligations can be accessed at DHS Recipient Guidance at https://www.dhs.gov/guidance-published-help-department-supportedorganizations-provide-meaningful-access-people-limited and additional resources on http://www.lep.gov.

9. EQUAL EMPLOYMENT OPPORTUNITY PROGRAM (EEOP)

- 9.1. NEPDA will determine whether it is required to formulate an Equal Employment Opportunity Program (EEOP), in accordance with 28 C.F.R. 42.301 et. seq. If NEPDA is not required to formulate an EEOP, it will submit a certification to the Office of Civil Rights (OCR) and the COUNTY indicating that it is not required to develop an EEOP and the COUNTY will not be responsible for determining NEPDA's compliance.
- 9.2. If NEPDA is required to develop an EEOP but not required to submit the EEOP to the OCR, NEPDA will certify in writing to the COUNTY that it has an EEOP on file which meets the applicable requirements. If NEPDA is awarded a grant of

\$500,000 or more and has 50 or more employees, it will submit a copy of its EEOP to the OCR and the COUNTY. Non-profit organizations, federally recognized Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. A copy of the certification will also be submitted to the COUNTY. Information about civil rights obligations of grantees can be found at http://www.opj.usdoj.gov/program/civil-rights/overview.

10. CERTIFICATION REGARDING DEBARMENT, SUSPENSION OR INELIGIBILITY AND VOLUNTARY EXCLUSION – PRIMARY AND LOWER TIER COVERED TRANSACTION

- 10.1. NEPDA, defined as the primary participant and its principal, certifies by signing these General Terms and Conditions that to the best of its knowledge and belief that they:
 - 10.1.1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - 10.1.2. Have not within a three-year period preceding this Agreement, been convicted of or had a civil judgement rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private Agreement or transaction, violation of Federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;
 - 10.1.3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, state, or local) with commission of any of the offenses enumerated in paragraph (A)(2) of this section; and
 - 10.1.4. Have not within a three year period preceding the signing of this Agreement had one or more public transactions (Federal, state, or local) terminated for cause of default.
- 10.2. Where NEPDA is unable to certify to any of the statements in this Agreement, NEPDA shall attach an explanation to this Agreement.
- 10.3. NEPDA agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the COUNTY.
- 10.4. NEPDA further agrees by signing this Agreement that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," as follows, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

LOWER TIER COVERED TRANSACTIONS

- 10.4.1. The lower tier grantee certifies, by signing this Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- 10.4.2. Where the lower tier grantee is unable to certify to any of the statements in this Agreement, such grantee shall attach an explanation to this Agreement.
- 10.5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, person, primary covered transaction, principal, and voluntarily excluded, as used in this section, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the COUNTY for assistance in obtaining a copy of these regulations.

11. COMPENSATION/REIMBURSEMENT/INVOICING PROCEDURES

- 11.1. The COUNTY shall reimburse NEPDA an amount up to and not exceeding One Million Five Hundred Thousand Dollars (\$1,500,000.00). This reimbursement amount is based upon the budget line items set forth in Exhibit B, attached hereto and incorporated herein by reference. There will be no initial payment.
- 11.2. The COUNTY shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. NEPDA shall not invoice the COUNTY in advance of delivery and invoicing of such goods or services.
- 11.3. NEPDA will submit monthly reimbursement requests to the COUNTY by detailing the expenditures for which reimbursement is sought. Payment for the expenditures will only occur if the request is submitted with the appropriate supporting documentation, including, but not limited to timesheets and time/effort certifications. Requests for reimbursement shall be uploaded directed to COUNTY ARP portal.
- 11.4. In conjunction with each reimbursement request, NEPDA shall certify that services performed under this Agreement do not duplicate any services charged against any other grant, subgrant, or other funding source.
- Unless otherwise set forth in the bid, quote, submittal, and accepted by the COUNTY in the Agreement, payment shall be timely if made by the COUNTY no later than thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by NEPDA.
- 11.6. The pricing submitted by NEPDA and accepted by the COUNTY is inclusive of applicable payment terms, as well as, any and all fees incurred by NEPDA in accepting payment. No additional fees or charges shall apply, unless otherwise preapproved by the COUNTY.
- 11.7. Contract pricing (fees, commissions, mark-ups, etc.) will remain firm for the duration of this Agreement.

12. RECOVERY OF FUNDS

12.1. Whenever, under the Agreement, any sum of money shall be recoverable from or payable by NEPDA to the COUNTY the same amount may be deducted from any sum due to NEPDA under the Agreement or under any other contract between NEPDA and the COUNTY including reasonable attorney fees and or any other collection costs. The rights of the COUNTY are in addition and without prejudice to and do not waive, alter or affect any other right the COUNTY may have to claim the amount of any loss or damage suffered by the COUNTY on account of the acts or omissions of NEPDA.

13. INDEPENDENT AUDIT REQUIREMENTS

- 13.1. NEPDA shall have an annual independent fiscal audit conducted of its financial statement and condition, regarding the performance of the Agreement, readily delineating ARP/SLFRF funds.
 - 13.1.1. NEPDA shall submit its audit report, including any "Management Letter" and/or all other correspondences referred to in the audit report, along with NEPDA's response to the audit and a corrective action plan, if any, no later than six (6) months after the end of NEPDA's fiscal year. NEPDA hereby consents to COUNTY's receipt and review of the independent auditor's working papers, upon request by the COUNTY.
 - 13.1.2. Failure to engage auditors and provide proof of such engagement shall be considered contractual non-performance and may result in corrective action and withholding of payment.
 - 13.1.3. If, under separate Agreement, NEPDA is required to provide a 2 CFR Part 200 annual audit, which, at a minimum, meets the requirements of this Agreement, then compliance with the other separate Agreement will also serve as compliance with the Agreement, provided that said audit is provided to the COUNTY.

14. SINGLE AUDIT ACT REQUIREMENTS

- 14.1. Non-federal entities, as subrecipients of a federal award, that expend \$750,000 or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than \$750,000 a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. The term "non-federal entity," as defined in 2 CFR Part 200, means a State, local government, Indian tribe, institution of higher education, or non-profit organization, that carries out a federal award as a recipient or subrecipient.
- 14.2. If NEPDA is required to have an audit, it must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book)

developed by the United States Comptroller General and the OMB Compliance Supplement. NEPDA has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200.425.

- 14.3. NEPDA shall maintain auditable records and accounts to facilitate the audit requirement and shall ensure that any sub-recipients to the contracted NEPDA also maintain auditable records. NEPDA is responsible for any audit exceptions incurred by its own organization or of its sub- recipients. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report.
- 14.4. NEPDA must respond to the COUNTY's requests for information or corrective action concerning audit issues or findings within thirty (30) days of the date of request. The COUNTY reserves the right to recover from NEPDA all disallowed costs resulting from the audit.
- 14.5. Once the single audit has been completed and if it includes any audit findings, NEPDA must send a full copy of the audit and its corrective action plan to the COUNTY at the following addresses no later than nine (9) months after the end of NEPDA's fiscal year(s):

Heather Arnold, Grant Administrator Spokane County 1116 W. Bradway Ave. Spokane WA. 99260

- 14.6. If NEPDA claims it is exempt from the audit requirements of 2 CFR Part 200 Subpart F, NEPDA must send a completed "2 CFR Part 200 Subpart F Audit Certification Form" to the COUNTY at the address listed above identifying this Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the NEPDA's fiscal year(s).
- 14.7. The COUNTY retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.
- 14.8. NEPDA shall include the above audit requirements in any sub-contracts.
- 14.9. Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, NEPDA's failure to comply with said audit requirements may result in one or more of the following actions in the COUNTY's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; and, the suspension of federal awards until the audit is conducted.

15. VENUE STIPULATION

15.1. This Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by the laws of the state of Washington. Venue of any suit between the Parties arising out of this Agreement shall be the Superior Court of Spokane County, Washington. NEPDA, by execution of this Agreement, acknowledges the jurisdiction of the courts of the State of Washington.

16. SEVERABILITY

16.1. If any court of rightful jurisdiction holds any provision or condition of this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

17. AMENDMENTS AND MODIFICATIONS

- 17.1. NEPDA and/or the COUNTY may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the COUNTY and NEPDA. No other understandings or agreements, written or oral, shall be binding on the Parties.
- 17.2. The COUNTY reserves the right to make changes in the Work, including alterations, reductions therein or additions thereto. Upon receipt by NEPDA of the COUNTY's notification of a contemplated change, NEPDA shall (1) if requested by the COUNTY, provide an estimate for the increase or decrease in cost due to the contemplated change, (2) notify the COUNTY of any estimated change in the completion date, and (3) advise the COUNTY in writing if the contemplated change shall affect NEPDA's ability to meet the completion dates or schedules of this Agreement.
- 17.3. If the COUNTY so instructs in writing, NEPDA shall suspend work on that portion of the Work affected by a contemplated change, pending the COUNTY's decision to proceed with the change.
- 17.4. If the COUNTY elects to make the change, the COUNTY shall issue a Contract Amendment and NEPDA shall not commence work on any such change until such written amendment has been issued and signed by each of the Parties.

18. CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

18.1. As required by 44 CFR Part 18, NEPDA hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of NEPDA to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the

making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, NEPDA will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, NEPDA will require that the language of this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

19. PERSONNEL

- 19.1. NEPDA represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Agreement. Such personnel shall not be employees of or have any contractual relationship with the COUNTY.
- 19.2. All of the services required herein shall be performed by NEPDA or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized, licensed or permitted under state and local law to perform such services.
- 19.3. Any changes or substitutions on NEPDA's key personnel as may be listed herein must be made known to the COUNTY's Contract Manager prior to execution, and written approval granted by the COUNTY before said change or substitution can become effective.
- 19.4. NEPDA warrants that all services shall be performed by skilled and competent personnel who shall meet or exceed the professional standards in the field(s) of the work and that services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the work.

20. TAXES, FEES, AND LICENSES

20.1. Unless otherwise provided in this Agreement, NEPDA shall be responsible for paying and maintaining the current status of all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for NEPDA required by statute or regulation that are applicable to the Agreement performance.

21. CONFLICT OF INTEREST

- 21.1. No officer or employee or governing body member of the COUNTY or NEPDA exercising any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.
- 21.2. The COUNTY may, in its sole discretion, by written notice to NEPDA terminate this Agreement if it is found after due notice and examination by the COUNTY that there is a violation of the conflict-of-interest provisions contained within this Agreement.
- 21.3. In the event this Agreement is terminated as provided in this conflict-of-interest clause, the COUNTY shall be entitled to pursue the same remedies against NEPDA as it could pursue in the event of a breach of the Agreement by NEPDA. The rights and remedies of the COUNTY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which the COUNTY makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this Agreement.

22. CONTRACTED FIRM SUB-RECIPEIENT

- 22.1. The NEPDA shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to the subcontracts.
- 22.2. Every subcontract prepared by NEPDA regarding this Agreement shall bind the sub-recipient to follow all applicable terms of this Agreement. NEPDA shall be responsible to the COUNTY if the sub-recipient fails to comply with any applicable term or condition of this Agreement. NEPDA shall appropriately monitor the activities of the sub-recipient to ensure fiscal conditions of this Agreement. In no event shall the existence of a subcontract operate to release or reduce the liability of NEPDA to the COUNTY for any breach in the performance of NEPDA's duties.
- 22.3. Every subcontract written related to this Agreement shall include a term that the COUNTY is not liable for claims or damages arising from a subcontractor's performance of the subcontract.

23. PROCUREMENT

23.1. NEPDA shall comply with all procurement requirements of 2 CFR Part 200.318 through 200.326 and all of NEPDA's procurement policies and procedures.

24. EQUIPMENT, REAL PROERTY, AND SUPPLY MANAGEMENT (IF APPLICABLE)

24.1. Equipment and Real Property Management. Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose, unless stated otherwise by Treasury. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or

- real property acquired using SLFRF funds shall vest in the non-Federal entity, consistent with any guidance that Treasury may issue. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.
- 24.2. NEPDA and any non-federal entity to which NEPDA makes a subaward shall comply with 2 CFR 200.318 200.326 when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
 - 24.2.1. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by NEPDA, or a recognized non-federal entity to which NEPDA has made a subaward, for which a contract, subrecipient grant Agreement, or other means of legal transfer of ownership is in place;
 - 24.2.2. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in NEPDA's inventory system;
 - 24.2.3. Inventory system records shall include:
 - 24.2.3.1. A description of the property;
 - 24.2.3.2. The manufacturer's serial number, model number, or other identification number;
 - 24.2.3.3. The funding source for the equipment, including the Federal Award Identification Number (FAIN);
 - 24.2.3.4. The Assistance Listings Number [formerly Catalog of Federal Domestic Assistance (CFDA) number)];
 - 24.2.3.5. The identity of the entity who holds the title;
 - 24.2.3.6. The acquisition date;
 - 24.2.3.7. The cost of the equipment and the percentage of federal participation in the cost;
 - 24.2.3.8. The location, use, and condition of the equipment at the date the information was reported; and
 - 24.2.3.9. The disposition data including the date of disposal and sale price of the property.
 - 24.2.4. NEPDA must take a physical inventory of the equipment, and supplies as applicable, and reconcile the results with the property records at least once every two (2) years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by NEPDA to determine the cause of the difference. NEPDA shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
 - 24.2.5. NEPDA shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment and supplies

- including all questions of liability. Further, if applicable, NEPDA shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well-maintained and kept in good operating condition.
- 24.2.6. NEPDA must develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage or theft shall be investigated and a report generated and sent to the COUNTY.
- 24.2.7. NEPDA shall obtain and maintain all necessary certifications and licenses for the equipment.
- 24.2.8. If NEPDA is authorized or required to sell the property, proper sales procedures shall be established and followed to ensure the highest possible return. For disposition, if upon termination or at the Agreement end date, when original or replacement supplies or equipment acquired under a federal award are no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, NEPDA shall comply with the following procedures:
 - 24.2.8.1. For Supplies: If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, NEPDA shall retain the supplies for use on other activities or sell them, but shall, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment.

24.2.8.2. For Equipment:

- 24.2.8.2.1. Items with a current per-unit fair-market value of \$5,000 or less may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency; or
- 24.2.8.2.2. Items with a current per-unit fair-market value in excess of \$5,000 may be retained or sold. NEPDA shall compensate the federal-sponsoring agency in accordance with the requirements of 2 CFR 200.313 (e)(2).
- 24.2.9. Records for equipment shall be retained by NEPDA for a period of six (6) years from the date of disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six (6) year period, the records shall be retained by NEPDA until all litigation, claims, or audit findings involving the records have been resolved.
- 24.3. Unless expressly provided otherwise, all equipment shall meet all mandatory regulatory and/or federal adopted standards to be eligible for purchase using Federal award funds.
- As a subrecipient of federal funds, NEPDA shall pass on equipment and supply management requirements that meet or exceed the requirements outlined above to

any non-federal entity to which NEPDA makes a subaward of federal award funds under this Agreement.

25. DISPUTE RESOLUTION

- 25.1. Except as otherwise provided in this Agreement, when a bona fide dispute arises between the Parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution panel to resolve the dispute. For the purpose of this Agreement, disputes shall not include the following: 1) failure to fulfill in a timely and proper manner the obligations contain within this Agreement, 2) financial insolvency or in a financial condition so as to endanger the performance contained within the Agreement or 3) violation of any laws or regulations that renders NEPDA unable to perform any aspect of the Agreement. A request for a dispute resolution panel shall be in writing, shall state the disputed issue(s), shall state the relative positions of the Parties and shall be sent to all Parties. The panel shall consist of a representative appointed by the COUNTY, a representative by NEPDA and a third party mutually agreed upon by both Parties, who shall be a member in good standing of the Washington State Bar Association with a minimum of ten (10) years' relevant experience. In the event that the Parties are unable to reach agreement on the third panel member the dispute over such member the appointment issue shall be submitted to the Spokane County Superior whom shall have the authority to appoint any person as the third panel member with relevant experience and licensure as set forth above. The panel shall by majority vote, resolve the dispute. Each party shall bear the cost for its panel member and its own attorney fees and costs and
- share equally the cost of the third panel member. The decision of the Panel shall be final and binding upon the Parties. The Panel shall be governed by the duly promulgated rules and regulations of the American Arbitration Association or its successor, and RCW 7.04A. The situs of any proceeding before the panel shall occur in Spokane County, Washington. The decision of the panel may be entered as a judgment in any court of the State of Washington or elsewhere.

26. INDEMNIFICATION

- 26.1. The COUNTY shall protect, defend, indemnify, and hold harmless NEPDA while acting within the scope of this Agreement as such, from any and all costs, claims, judgments, and/or awards of damages (both to persons and/or property). The COUNTY will not be required to indemnify, defend, or save harmless NEPDA if the claim, suit, or action for injuries, death, or damages (both to persons and/or property) is caused by the sole negligence of NEPDA. Where such claims, suits, or actions result from the concurrent negligence of both Parties, the indemnity provisions provided herein shall be valid and enforceable only to the extent of each Party's own negligence.
- 26.2. NEPDA agrees to protect, defend, indemnify, and hold harmless the COUNTY, its officers, officials, employees, and agents while acting within the scope of their employment as such, from any and all costs, claims, judgments and/or awards of damages (both to persons and/or property). NEPDA will not be required to indemnify,

- defend, or save harmless the COUNTY if the claim, suit, or action for injuries, death, or damages (both to persons and/or property) is caused by the sole negligence of COUNTY. Where such claims, suits, or actions result from the concurrent negligence of both Parties, the indemnity provisions provided herein shall be valid and enforceable only to the extent of each Party's own negligence.
- 26.3. The COUNTY and NEPDA agree that the obligations under this section extend to any claim, demand and/or cause of action brought by, or on behalf of, any COUNTY employees or agents or NEPDA while performing work authorized under this Agreement. For this purpose, the COUNTY and NEPDA, by mutual negotiation, hereby waive any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions of chapter 51.12 RCW.
- 26.4. These indemnifications and waiver shall survive the termination of this Agreement.

27. SUCCESORS AND ASSIGNS

- 27.1. The COUNTY and NEPDA each bind itself and its partners, successors, executors, administrators, and assigns to the other party of this Contract and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement. Except as above, neither the COUNTY nor NEPDA shall assign, sublet, convey, or transfer its interest in this Agreement without the written consent of the other.
- 27.2. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the COUNTY which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the COUNTY and NEPDA.

28. EXECUTION AND APPROVAL

28.1. The signatories to this AGREEMENT represent that they have the authority to bind their respective organizations to this Agreement. Only the Parties' authorized representatives shall have the express, implied or apparent authority to alter, amend, modify or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both Parties' authorized representatives. Further, only the Authorized Signature representatives or the designee of the Authorized Signature representative shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans and other requests, and certifications and documents authorized by or required under this Agreement.

29. LOSS OR REDUCTION OF FUNDING

29.1. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the COUNTY may unilaterally reduce the scope of work and

budget or unilaterally terminate this Agreement in whole or in part by providing thirty (30) calendar days' written notice, beginning on the third day after mailing to NEPDA as a "Termination for Cause" without providing NEPDA an opportunity to cure. Alternatively, the Parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the COUNTY has no obligation to do so.

30. NONASSIGNABILITY

30.1. Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by NEPDA.

31. NOTICES

31.1. Except as provided to the contrary herein, all notices or other communications given hereunder shall be deemed given on: (i) the day such notices or other communications are received when sent by personal delivery; or (ii) the third day following the day on which the same have been mailed by first class delivery, postage prepaid addressed to the COUNTY or NEPDA at the address set forth on the FACE SHEET of this Agreement for such Party, or at such other address as either Party shall from time-to-tine designate by notice in writing to the other Party.

32. POLITICAL ACTIVITY

32.1. No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

33. RECORDS

- NEPDA agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect NEPDA's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").
- NEPDA's records relating to this Agreement and the projects funded may be inspected and audited by the COUNTY and/or its designee, by the Office of the State Auditor, or by other state or federal officials authorized by law, for the purposes of determining compliance by NEPDA with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.
- 33.3. The records shall be made available by NEPDA for such inspection, and audit together with suitable space for such purpose, at any and all times during NEPDA's normal working day.
- 33.4. NEPDA shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. If any litigation, claim, or audit is

started before the expiration of the six (6) year period, the records shall be retained by NEPDA until all litigation, claims, or audit findings involving the records have been resolved.

34. CONFIDENTIALITY/SAFEGUARDING OF INFORMATION

- 34.1. Confidential Information" as used in this section includes:
 - 34.1.1. All material provided to NEPDA by the COUNTY that is designated as "confidential" by the COUNTY;
 - 34.1.2. All material produced by NEPDA that is designated as "confidential" by the COUNTY; and
 - 34.1.3. All personal information in the possession of NEPDA that may not be disclosed under state or federal law. "Personal information" includes but is not limited to information related to a person's name, date of birth, health, finances, education, business, use of government services, addresses, telephone numbers, social security number, driver's license number and other identifying numbers, and "Protected Health Information" under the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA).
- 34.2. NEPDA shall comply with all state and federal laws related to the use, sharing, transfer, sale, or disclosure of Confidential Information. NEPDA shall use Confidential Information solely for the purposes of this Agreement and shall not use, share, transfer, sell or disclose any Confidential Information to any third party except with the prior written consent of the COUNTY or as may be required by law. NEPDA shall take all necessary steps to assure that Confidential Information is safeguarded to prevent unauthorized use, sharing, transfer, sale or disclosure of Confidential Information or violation of any state or federal laws related thereto. Upon request, NEPDA shall provide the COUNTY with its policies and procedures on confidentiality. The COUNTY may require changes to such policies and procedures as they apply to this Agreement whenever the COUNTY reasonably determines that changes are necessary to prevent unauthorized disclosures. NEPDA shall make the changes within the time period specified by the COUNTY. Upon request, NEPDA shall immediately return to the COUNTY any Confidential Information that the COUNTY reasonably determines has not been adequately protected by NEPDA against unauthorized disclosure, and NEPDA shall ensure destruction of any and all retained copies of such CONFIDENTIAL materials after the period of retention of records required herein.
- 34.3. Unauthorized Use or Disclosure. NEPDA shall notify the COUNTY within five (5) working days of any unauthorized use or disclosure of any confidential information, and shall take necessary steps to mitigate the harmful effects of such use or disclosure.

35. PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

35.1. The funds provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the Grant which is the basis of funding this Agreement or any other approval or concurrence under this Agreement. Provided, however, that reasonable fees for bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as costs.

36. PUBLICITY

36.1. NEPDA agrees not to publish or use any advertising or publicity materials in which the COUNTY's name is mentioned, or language used from which the connection with the COUNTY's name may reasonably be inferred or implied, without the prior written consent of the COUNTY.

37. TERMINATION FOR CONVENIENCE

- Notwithstanding any provisions of this Agreement, NEPDA may terminate this Agreement by providing written notice of such termination to the COUNTY's Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.
- 37.2. Except as otherwise provided in this Agreement, the COUNTY, in its sole discretion and in the best interests of the COUNTY, may terminate this Agreement in whole or in part by providing thirty (30) calendar days' written notice, beginning on the third day after mailing to NEPDA. Upon notice of termination for convenience, the COUNTY reserves the right to suspend all or part of the Agreement, withhold further payments pending calculation of any amounts owed NEPDA pursuant to Section No. 38 below, or prohibit NEPDA from incurring additional obligations of funds. In the event of termination, NEPDA shall be liable for all damages as authorized by law. The rights and remedies of the COUNTY provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

38. TERMINATION OR SUSPENSION FOR CAUSE

- 38.1. In the event the COUNTY, in its sole discretion, determines NEPDA has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that renders NEPDA unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the COUNTY has the right to immediately suspend or terminate this Agreement in whole or in part.
- 38.2. The COUNTY shall, except as otherwise provided herein, notify NEPDA in writing of the need to take corrective action and provide a period of time in which to cure. The COUNTY is not required to allow NEPDA an opportunity to cure if it is not feasible as determined solely within the COUNTY'S discretion. Any time allowed

for cure shall not diminish or eliminate NEPDA's liability for damages or otherwise affect any other remedies available to the COUNTY. If the COUNTY allows NEPDA an opportunity to cure, the COUNTY shall notify NEPDA in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the COUNTY, or if such corrective action is deemed by the COUNTY to be insufficient, the Agreement may be terminated in whole or in part.

38.3. The COUNTY reserves the right to suspend all or part of the Agreement, withhold further payments, pending calculation of any amounts owed NEPDA pursuant to Section No. 39 below, or prohibit NEPDA from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by NEPDA, if allowed, or pending a decision by the COUNTY to terminate the Agreement in whole or in part. In the event of termination for cause, NEPDA shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the COUNTY provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law. If it is determined that NEPDA: (1) was not in default or material breach, or (2) failure to perform was outside of NEPDA's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience."

39. TERMINATION PROCEDURES

- 39.1. In addition to the procedures set forth below, if the COUNTY terminates this AGREEMENT, NEPDA shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the COUNTY may require NEPDA to deliver to the COUNTY any property specifically produced or acquired for the performance of such part of this Agreement.
- 39.2. If the termination is for convenience, the COUNTY shall pay to NEPDA an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the COUNTY prior to the effective date of Agreement termination, in the amount agreed upon by NEPDA and the COUNTY for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the COUNTY, (iii) other work, services and/or equipment or supplies and services which are accepted by the COUNTY, and (iv) necessary for the protection and preservation of property.
- 39.3. Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the COUNTY shall determine the extent of the liability of the COUNTY. The COUNTY shall

have no other obligation to NEPDA for termination. The COUNTY may withhold from any amounts due to NEPDA such sum as the COUNTY determines to be necessary to protect the COUNTY against potential loss or liability. The rights and remedies of the COUNTY provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

- 39.4. After receipt of a notice of termination, and except as otherwise directed by the COUNTY in writing, NEPDA shall:
 - 39.4.1. Stop work under the Agreement on the date, and to the extent specified, in the notice;
 - 39.4.2. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Agreement except as may be necessary for completion of such portion of the work under the Agreement as is not terminated;
 - 39.4.3. Assign to the COUNTY, in the manner, at the times, and to the extent directed by the COUNTY, all of the rights, title, and interest of NEPDA under the orders and sub-contracts so terminated, in which case the COUNTY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;
 - 39.4.4. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the COUNTY to the extent the COUNTY may require, which approval or ratification shall be final for all the purposes of this clause;
 - 39.4.5. Complete performance of such part of the work not having been completed may be completed by the COUNTY, or its assigns, at COUNTY's discretion, in compliance with all contractual requirements. Further, COUNTY may, at its discretion, allow for NEPDA to complete any parts or portions of the Agreement not terminated by COUNTY to be completed by NEPDA; and
 - 39.4.6. Take such action as may be necessary, or as the COUNTY may require, for the protection and preservation of the property related to this Agreement which is in the possession of NEPDA and in which the COUNTY has or may acquire an interest.

40. WAIVER

40.1. No conditions or provisions to this Agreement can be waived unless approved in advance in writing. Either PARTY's failure to insist upon strict performance of any provision of the Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Agreement.

41. UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

41.1. NEPDA is encouraged to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Agreement. NEPDA may set utilization standards, based upon local conditions or may utilize the state of Washington MWBE goals, as identified in the Washington Administrative Code (WAC) 326-30-041.

42. INSURANCE

- 42.1. NEPDA shall furnish and maintain all insurance as required herein and comply with all limits, terms and conditions stipulated therein, at their expense, for the duration of the Agreement. The following is a list of the required Agreement coverage requirements:
 - 42.1.1. GENERAL LIABILITY INSURANCE: NEPDA shall have Commercial General Liability with limits of \$1,000,000.00 per occurrence, which includes general aggregate, products, completed operation(s), personal injury and fire damage.
 - 42.1.2. AUTOMOBILE LIABILITY INSURANCE with a combined single limit, or the equivalent of not less than \$1,000,000.00 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.
 - 42.1.3. ADDITIONAL INSURED ENDORSEMENT: General Liability Insurance must provide that SPOKANE COUNTY, it's officers, agents and employees, and any other entity specifically required by the provisions of this Agreement will be specifically named as additional insured(s) for all coverage provided by this policy of insurance and shall be fully and completely protected by this policy from all claims. Language such as the following should be used "Spokane County, Its' Officers, Agents and Employees Are Named As An Additional Insured As Respects To AGREEMENT BETWEEN SPOKANE COUNTY AND NORTEAST PUBLIC DEVELOPMENT AUTHORITY, IN CONJUNCTION WITH THE AMERICAN RESCUE PLAN, CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUND AWARD".
 - 42.1.4. WORKERS COMPENSATION: If NEPDA has employees, it shall show proof of Worker's Compensation coverage effective in Washington State by providing its State Industrial Account Identification Number. Provision of this number will be NEPDA's assurance that coverage is in effect.
 - 42.1.5. PROFESSIONAL LIABILITY INSURANCE: NEPDA shall provide errors & omissions coverage in the form of Professional liability insurance coverage in the minimum amount of \$1,000,000.00.
- 42.2. Any exclusion to NEPDA's insurance policies that may restrict coverage required in the Agreement's insurance requirements must be pre-approved by the Spokane

County Risk Management Department. NEPDA's insurer shall have a minimum A.M. Best's rating of A-VII and shall be authorized to do business in the State of Washington. Evidence of such insurance shall consist of a completed copy of the certificate of insurance, signed by the insurance agent for NEPDA and either the additional insured policy language or a copy of any required endorsement(s) and returned to the Spokane County Risk Manager. The insurance policy or policies will not be canceled, materially changed or altered without forty-five (45) days prior notice submitted to the COUNTY. The policy shall be endorsed and the certificate shall reflect that the COUNTY is named as an additional insured on NEPDA's general liability policy with respect to activities under the Agreement. The policy shall provide and the certificate shall reflect that the insurance afforded applies separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability.

- 42.3. The policy shall be endorsed and the certificate shall reflect that the insurance afforded therein shall be primary insurance and any insurance or self-insurance carried by the COUNTY shall be excess and not contributory insurance to that provided by NEPDA.
- 42.4. Failure of NEPDA to fully comply with the insurance requirements set forth herein, during the term of the Agreement, shall be considered a material breach of contract and cause for immediate termination of the Agreement at the COUNTY's discretion.
- 42.5. Providing coverage in the above amounts shall not be construed to relieve NEPDA from liability in excess of such amounts.

43. MONITORING

- 43.1. The COUNTY will monitor the activities of NEPDA from the award date to closeout. The goal of the monitoring activities will be to ensure that NEPDA, as an agency receiving federal pass-through funds, is in compliance with the federal grant award requirements as well as federal/state audit requirements. To document compliance with the 2 CFR Part 200 Subpart F requirements, NEPDA shall complete and return to the COUNTY the attached Audit Certification Form which is incorporated herein and made part of this Agreement. The Audit Certification Form must be signed each fiscal year thereafter until the completion of this Agreement.
- 43.2. Monitoring activities performed by the COUNTY may include, but are not limited to:
 - 43.2.1. Review of financial and performance reports; and
 - 43.2.2. Review of reimbursement requests and supporting documentation, including time sheets as well time and effort certifications to ensure compliance with federal rules and regulations.
- 43.3. NEPDA is required to pass on this monitoring language in all subcontract awards and to perform all monitoring activities regarding any sub-recipient.

44. NON-SOLICITATION AGREEMENT

44.1. Each Party understands that the other Party's individual employees are some of the most valuable assets within their organization, responsible for the creative forces behind each Party's advancements in technology and business development. Recognizing the value each Party places on its individual employees and each Party's interest in retaining its employees, it is agreed that during the term of this Agreement, neither Party shall, directly or indirectly, induce or try to induce any employee of the other Party to leave the employment of the other Party or that of any of its subsidiaries or affiliates to work for another person or company that does or may be expected to compete with the non-soliciting Party or any of its subsidiaries or affiliates.

45. EXCUSABLE DELAYS

45.1. NEPDA shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond NEPDA's control and without its fault or negligence. Such causes may include, but are not limited to: acts of God; the COUNTY's omissive and commissive failures; natural or public health emergencies; labor disputes; freight embargoes; and severe weather conditions.

46. ANTI-KICKBACK

- 46.1. No officer or employee of the COUNTY, having the power or duty to perform an official act or action related to this Agreement, shall have or acquire any interest in this Agreement, or have solicited, accepted or be granted a present or future gift, favor, service, or other thing of value from or to any person involved in this Agreement.
- 46.2. NEPDA warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for NEPDA to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or NEPDA, other than a bona fide employee working solely for NEPDA any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement.

47. PRECEDENCE

- 47.1. Contract Documents: The Contract Documents consist of this Agreement and the other documents listed below and all modifications and modifications issued subsequent thereto. These form a contract and all are as fully a part of the contract as if attached to this Agreement or repeated herein. In the event of any inconsistency between the provisions of this Agreement and the documents listed below, the provisions of this Agreement will control and the order of precedence will be in the order listed. An enumeration of the contract documents is set forth below:
 - 47.1.1. Modifications; and
 - 47.1.2. This Agreement; and

- 47.1.3. The Request For Proposal P5001 ARP; and
- 47.1.4. NEPDA Response to the Request for Proposal.

EXHIBIT A STATEMENT OF WORK

On December 6, 2022 the Spokane Board of County Commissioners approved an allocation of up to \$1,500,000.00 to the NORTHEAST PUBLIC DEVELOPMENT AUTHORITY (NEPDA) for Drinking Water: Transmission & Distribution (5.11) eligible category from the ARP/SLFRF PROJECT funding. That allocation resulted from Spokane County releasing RFP No. P5001ARP released on October 7, 2022, NEPDA was selected by the scoring committee and then confirmed by the Spokane Board of County Commissioners as a successful bidder for the Transmission Line Project. The funding allocated to NEPDA will be used for eligible costs identified in section 602(b) and 603(b) of the Social Security Act, as added by section 9901 of the American Rescue Plan Act ("ARP Act").

Examples of the allowable expenditures include, but are not limited to:

A. CATEGORY: Water and Sewer Infrastructure: Drinking Water Transmission and Distribution

The US Treasury Final Rule issued by the Treasury aligned eligible Water and Sewer Infrastructure projects with the eligibility requirements of the EPA's Clean Water State Revolving Fund (CWSRF) or Drinking Water State Revolving Fund (DWSRF). These projects are presumed eligible, with the exception of projects for the rehabilitation of dams and reservoirs. DWSRF includes projects that, per the EPA website, "construct, improve, or repair drinking water treatment plants, fix leaky or old pipes, improve source of water supply, replace or construct water storage tanks, or protect public health." Subcategories of DWSRF include:

- Drinking Water Treatment
- Drinking Water Transmission and Distribution
- Lead Remediation
- New Drinking Water Sources
- Drinking Water Storage
- Green Infrastructure
- Purchase of Water Systems and Interconnection of Systems
- New Community Water Systems
- Other Water Infrastructure

NEPDA will only use the awarded Spokane County ARP funds to install a new 30" transmission main between Wellesley and Francis, and to replace and existing 30" steel line between Garland and Wellesley as part of a full depth roadway reconstruction between Garland and Francis. This project is part of the City's effort to increase overall resiliency and redundancy in the water systems and encourage business development within the NEPDA.

EXHIBIT D

2 CFR Part 200 Subpart F Audit Certification Form

Audits of States, Local Governments, Indian Tribes and Non-Profit Organizations

Contact Information
Subrecipient Name:
Authorized Chief Financial Officer:
Address:
Email: Phone #:
Purpose: As a pass-through entity of federal grant funds, SPOKANE COUNTY is required by 2 CFR Part 200 Subpart F to monitor activities of subrecipients to ensure federal awards are used for authorized purposes and verify that subrecipients expending \$750,000 or more in federal awards during their fiscal year have met the 2 CFR Part 200 Subpart F Audit Requirements. Your entity is a subrecipient subject to such monitoring by SPOKANE COUNTY because it is a non-federal entity that expends federal grant funds received from SPOKANE COUNTY as a pass-through entity to carry out a federal program. 2 CFR Part 200 Subpart F should be consulted when completing this form.
Directions: As required by 2 CFR Part 200 Subpart F, non-federal entities that expend \$750,000 in federal awards in a fiscal year shall have a single or program-specific audit conducted for that year. If your entity is not subject to these requirements, you must complete Section A of this form. If your entity is subject to these requirements, you must sign, date and return this form with your grant agreement and every fiscal year thereafter until the grant agreement is closed. Failure to return this completed Audit Certification Form may result in delay of grant agreement processing, withholding of federal awards or disallowance of costs and suspension or termination of federal awards.
SECTION A: Entities NOT subject to the audit requirements of 2 CFR Part 200 Subpart F
Our entity is not subject to the requirements of 2 CFR Part 200 Subpart F because (check all that apply): We did not expend \$750,000 or more of <i>total</i> federal awards during the fiscal year. We are a for-profit agency. Instructions For Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

READ CAREFULLY BEFORE SIGNING THE CERTIFICATION. Federal regulations require contractors and bidders to sign and abide by the terms of this certification, without modification, in order to participate in certain transactions directly or indirectly involving federal funds.

- 1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- 3. The prospective lower tier participant shall provide immediate written notice to the department, institution or office to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- 4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- 5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under the applicable CFR, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under applicable CFR, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business activity.
- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under applicable CFR, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction
The prospective lower tier participant certifies, by submission of this proposal or contract, that neither it nor its principals
is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation
in this transaction by any Federal department or agency. Where the prospective lower tier participant is unable to certify
to any of the statements in this certification, such prospective participant shall attach an explanation to this form.

SPECIAL TERMS AND CONDITIONS OF THE CITY GRANT AGREEMENT

1. **GRANT MANAGEMENT**

The Representative for each of the parties shall be responsible for and shall be the contact person for all communications regarding the performance of this Grant.

- a. The Representative for OPD and their contact information are identified on the Face Sheet of this Grant.
- b. The Representative for the Grantee and their contact information are identified on the Face Sheet of this Grant.

2. GRANT AWARD AMOUNT

The Grantee is awarded **one hundred and eighty-six thousand dollars and 00/100 Dollars** (\$186,000.00) to be used for the purpose(s) described in the USE OF GRANT FUNDS below. One-half of the award amount shall be disbursed to Grantee in January 2024 for intended use during calendar year 2024. The remaining one-half shall be disbursed to Grantee in January 2025 for intended use during calendar year 2025. The disbursement of any grant funds is subject to the availability of funding appropriated to OPD by the Washington State Legislature.

3. PROHIBITED USE OF GRANT FUNDS (as adopted in OPD Policy County/City Use of State Public Defense Funding)

- a. Grant funds cannot be used to supplant local funds that were being spent on public defense prior to the initial disbursement of state grant funds.
- b. Grant funds cannot be spent on purely city or court administrative functions or billing costs.
- c. Grant funds cannot be used for cost allocation.
- d. Grants funds cannot be used for indigency screening costs.
- e. Grant funds cannot be used for city or court technology systems or administrative equipment.
- f. Grant funds cannot be used for city attorney time, including advice on public defense contracting.

4. USE OF GRANT FUNDS

- a. Grantee agrees to use the grant funds for the following:
 - i. Additional attorneys to reduce caseloads;
 - ii. Public defense representation at preliminary appearance calendars;
 - iii. Investigator and/or expert services.
- b. Grantee agrees to obtain OPD's written permission before funds are used for any purpose other than those listed in Section 4a above. Permission issued by electronic mail shall be sufficient for purposes of identifying other uses of grant funds not listed in section a.
- c. Grantee understands that the first disbursement of funds will be in calendar year 2024, and the second disbursement of funds will be in calendar year 2025. Grantee agrees that all disbursed funds will be used by the end of calendar year 2025. If Grantee is unable to use the funds by the end of calendar year 2025, the Grantee agrees to notify OPD to determine what action needs to be taken.
- d. Grantee agrees to deposit the grant check within fourteen days of receipt.

5. **OVERSIGHT**

- a. Grantee agrees to submit written reports to OPD. The first report shall be submitted to OPD no later than June 1, 2024 using the template found in Exhibit A. The second report shall be submitted to OPD no later than December 1, 2024 using the template found in Exhibit B. The third report shall be submitted to OPD no later than June 1, 2025 using the template found in Exhibit C. The final report shall be submitted to OPD no later than December 1, 2025 using the template found in Exhibit D. Reports must be submitted along with the Grantee City's public defense attorneys' contracts, certifications of compliance, and other required documentation.
- b. Over the duration of the grant term, OPD may conduct site visits for purposes of addressing improvements to public defense and ensuring the use of grant funds for their specified purposes. At OPD's request, Grantee will assist in scheduling such site visits and inviting appropriate attendees such as, but not limited to: public defense attorneys, judicial officers, and city representatives.

6. ORDER OF PRECEDENCE

In the event of an inconsistency in this Grant, the inconsistency shall be resolved by giving precedence in the following order:

- Applicable federal and state of Washington statutes, regulations, and court rules
- Special Terms and Conditions of the City Grant
- General Terms and Conditions of the City Grant

GENERAL TERMS AND CONDITIONS OF THE CITY GRANT AGREEMENT

1. ALL WRITINGS CONTAINED HEREIN

This Grant contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Grant shall be deemed to exist or to bind any of the parties hereto.

2. AMENDMENTS

This Grant may be amended by mutual agreement of the parties. Such amendment shall not be binding unless it is in writing and signed by personnel authorized to bind each of the parties.

3. AMERCIANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, also referred to as the "ADA" 29 CFR Part 35.

The Grantee must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunications.

4. **ASSIGNMENT**

Neither this Grant, nor any claim arising under this Grant, shall be transferred or assigned by the Grantee without prior written consent of OPD.

5. **ATTORNEY'S FEES**

Unless expressly permitted under another provision of the Grant, in the event of litigation or other action brought to enforce Grant terms, each party agrees to bear its own attorney's fees and costs.

6. **CONFORMANCE**

If any provision of this Grant violates any statute or rule of law of the State of Washington, it is considered modified to conform to that statute or rule of law.

7. ETHICS/CONFLICTS OF INTEREST

In performing under this Grant, the Grantee shall assure compliance with the Ethics in Public Service, Chapter 42.52 RCW and any other applicable court rule or state or federal law related to ethics or conflicts of interest.

8. **GOVERNING LAW AND VENUE**

This Grant shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

9. **INDEMNIFICATION**

To the fullest extent permitted by law, the Grantee shall indemnify, defend, and hold harmless the State of Washington, OPD, all other agencies of the State and all officers, agents and employees of the State, from and against all claims or damages for injuries to persons or property or death arising out of or incident to the performance or failure to perform the Grant.

10. **LAWS**

The Grantee shall comply with all applicable laws, ordinances, codes, regulations, court rules, policies of local and state and federal governments, as now or hereafter amended.

11. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

During the performance of this Grant, the Grantee shall comply with all federal, state, and local nondiscrimination laws, regulations and policies. In the event of the Grantee's non-compliance or refusal to comply with any nondiscrimination law, regulation or policy, this Grant may be rescinded, canceled or terminated in whole or in part.

12. RECAPTURE

In the event that the Grantee fails to perform this Grant in accordance with state laws, federal laws, and/or the provisions of the Grant, OPD reserves the right to recapture funds in an amount to compensate OPD for the noncompliance in addition to any other remedies available at law or in equity.

13. RECORDS MAINTENANCE

The Grantee shall maintain all books, records, documents, data and other evidence relating to this Grant. Grantee shall retain such records for a period of six (6) years following the end of the grant period. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been finally resolved.

14. RIGHT OF INSPECTION

At no additional cost all records relating to the Grantee's performance under this Grant shall be subject at all reasonable times to inspection, review, and audit by OPD, the Office of the State Auditor, and state officials so authorized by law, in order to monitor and evaluate performance, compliance, and quality assurance under this Grant. The Grantee shall provide access to its facilities for this purpose.

15. **SEVERABILITY**

If any provision of this Grant or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Grant that can be given effect without the invalid provision, if such remainder conforms to the requirements of law and the fundamental purpose of this Grant and to this end the provisions of this Grant are declared to be severable.

16. SUBJECT TO THE AVAILABILITY OF FUNDS

Any full or partial allocation of funds under this Grant is subject to the appropriation of funds by the Washington Legislature to OPD.

17. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Grant unless stated to be such in writing.

*use the Fiscal Impact box below for relevant financial information	Extension amendment for TRAC and Salvation Army for four months (January – April 2024) and inclusion of 2023 safe air and warming center costs and budget not on the original February 2023 contract. The purpose is to ensure uninterrupted emergency shelter services through winter and allow for a new transition plan to be created in 1Q 2024 that includes wind-down and transition scope and costs. Scaled to start transition mid-month April. New effort and administration priorities are required to transition to closure and movement of people and services from May through summer. This amendment includes warming center costs, summer and winter surge, and higher number at TRAC consistently (low/mid 300's to high 300s daily) which results in higher variable costs (meals, laundry, portable facilities, consumables) during the winter months. The 2023 dollars are already planned/available (not a new dollar request) and just need to be added to the existing contract. Breakdown of the funding is described below: 2023 Funding: \$380,000 Local Dollars (Local will actually increase by \$543,000, as we are using up all our local dollars and carrying forward an				
	to meet the 2024 needed funding estimates) \$730,000 for 2023 Increase. 2024 Funding: \$892,263 Commerce Inflationary Fund \$2,307,737 ARPA \$3,200,000 for 4 months of 2024				
	Total Contract increase of \$3,930,000.

City of Spokane

CONSULTANT AGREEMENT

Title: WEST CENTRAL INFRASTRUCTURE PROJECT

This Consultant Agreement is made and entered into by and between the **CITY OF SPOKANE** as ("City"), a Washington municipal corporation, and **KITTELSON & ASSOCIATES**, **INC.**, whose address is 202 East Spokane Falls Blvd., Suite 303, Spokane, Washington 99202 as ("Consultant"), individually hereafter referenced as a "party", and together as the "parties".

WHEREAS, the purpose of this Agreement is to provide the Planning and Design Services of the West Central Infrastructure Project, and

WHEREAS, the Consultant was selected from a Request for Qualifications No. 5897-23 issued by the City.

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Consultant mutually agree as follows:

1. TERM OF AGREEMENT.

The term of this Agreement begins on November 8, 2023, and ends on December 31, 2025, unless amended by written agreement or terminated earlier under the provisions. This Agreement may be renewed by agreement of the Parties.

2. TIME OF BEGINNING AND COMPLETION.

The Consultant shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Agreement shall not be extended because of delays for which the Consultant is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Consultant's control.

3. SCOPE OF WORK.

The General Scope of Work for this Agreement is attached as Exhibit B and made a part of this Agreement. In the event of a conflict or discrepancy in the contract documents, this City Agreement controls.

The Work is subject to City review and approval. The Consultant shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of

completed Work) requested by the City to determine the adequacy of the Work or Consultant's progress.

4. COMPENSATION.

Total compensation for Consultant's services under this Agreement shall not exceed **TWO HUNDRED SIXTY-SIX THOUSAND EIGHT HUNDRED FOURTEEN AND NO/100 DOLLARS** (\$266,814.00), excluding tax, if applicable, unless modified by a written amendment to this Agreement. This is the maximum amount to be paid under this Agreement for the work described in Section 3 above, and shall not be exceeded without the prior written authorization of the City in the form of an executed amendment to this Agreement.

5. PAYMENT.

The Consultant shall submit its applications for payment to Planning Services and Economic Development, Sixth Floor, 808 West Spokane Falls Boulevard, Spokane, Washington 99201. **Payment will be made via direct deposit/ACH** within thirty (30) days after receipt of the Consultant's application except as provided by state law. If the City objects to all or any portion of the invoice, it shall notify the Consultant and pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

6. REIMBURSABLES

The reimbursables under this Agreement are to be included, and considered part of the maximum amount not to exceed (above), and require the Consultant's submittal of appropriate documentation and actual itemized receipts, the following limitations apply.

- A. City will reimburse the Consultant at actual cost for expenditures that are pre-approved by the City in writing and are necessary and directly applicable to the work required by this Contract provided that similar direct project costs related to the contracts of other clients are consistently accounted for in a like manner. Such direct project costs may not be charged as part of overhead expenses or include a markup. Other direct charges may include, but are not limited to the following types of items: travel, printing, cell phone, supplies, materials, computer charges, and fees of subconsultants.
- B. The billing for third party direct expenses specifically identifiable with this project shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts, subconsultant paid invoices, and other supporting documents used by the Consultant to generate invoice(s) to the City. The original supporting documents shall be available to the City for inspection upon request. All charges must be necessary for the services provided under this Contract.
- C. The City will reimburse the actual cost for travel expenses incurred as evidenced by copies of receipts (excluding meals) supporting such travel expenses, and in accordance with the City of Spokane Travel Policy, details of which can be provided upon request.
- D. Airfare: Airfare will be reimbursed at the actual cost of the airline ticket. The City will reimburse for Economy or Coach Fare only. Receipts detailing each airfare are required.
- E. **Meals:** Meals will be reimbursed at the Federal Per Diem daily meal rate for the city in which the work is performed. *Receipts are not required as documentation.* The invoice shall state "the meals are being billed at the Federal Per Diem daily meal rate", and shall detail how many of each meal is being billed (e.g. the number of breakfasts, lunches, and dinners). The City will not reimburse for alcohol at any time.
- F. **Lodging:** Lodging will be reimbursed at actual cost incurred up to a maximum of the published General Services Administration (GSA) Index for the city in which the work is performed (the current maximum allowed reimbursement amount can be provided upon

- *request*). Receipts detailing each day / night lodging are required. The City will not reimburse for ancillary expenses charged to the room (e.g. movies, laundry, mini bar, refreshment center, fitness center, sundry items, etc.)
- G. Vehicle mileage: Vehicle mileage will be reimbursed at the Federal Internal Revenue Service Standard Business Mileage Rate in affect at the time the mileage expense is incurred. Please note: payment for mileage for long distances traveled will not be more than an equivalent trip round-trip airfare of a common carrier for a coach or economy class ticket.
- H. **Rental Car:** Rental car expenses will be reimbursed at the actual cost of the rental. Rental car receipts are required for all rental car expenses. The City will reimburse for a standard car of a mid-size class or less. The City will not reimburse for ancillary expenses charged to the car rental (e.g. GPS unit).
- I. **Miscellaneous Travel** (e.g. parking, rental car gas, taxi, shuttle, toll fees, ferry fees, etc.): Miscellaneous travel expenses will be reimbursed at the actual cost incurred. Receipts are required for each expense of \$10.00 or more.
- J. **Miscellaneous other business expenses** (e.g. printing, photo development, binding): Other miscellaneous business expenses will be reimbursed at the actual cost incurred and may not include a markup. Receipts are required for all miscellaneous expenses that are billed.

Subconsultant: Subconsultant expenses will be reimbursed at the actual cost incurred and a four percent (4%) markup. Copies of all Subconsultant invoices that are rebilled to the City are required.

7. TAXES, FEES AND LICENSES.

- A. Consultant shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. It is the Consultant's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.
- B. Where required by state statute, ordinance or regulation, Consultant shall pay and maintain in current status all taxes necessary for performance. Consultant shall not charge the City for federal excise taxes. The City will furnish Consultant an exemption certificate where appropriate.
- C. The Director of Finance and Administrative Services may withhold payment pending satisfactory resolution of unpaid taxes and fees due the City.
- D. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.

8. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Consultant shall be responsible for contacting the State of Washington Business License Services at www.dor.wa.gov or 360-705-6741 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

9. SOCIAL EQUITY REQUIREMENTS.

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this

Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. Consultant agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Consultant. Consultant shall seek inclusion of woman and minority business for subcontracting. A woman or minority business is one that self-identifies to be at least 51% owned by a woman and/or minority. Such firms do not have to be certified by the State of Washington.

10. INDEMNIFICATION.

With respect to professional services, the Consultant shall indemnify, and hold the City and its officers and employees harmless from damages, liabilities, judgments or costs, including reimbursement of reasonable attorney's fees and litigation costs, to the extent such damages, liabilities, judgements or costs are caused by the Consultant's negligent acts, errors, omissions or willful misconduct in the performance of this Agreement. The Consultant's obligation to indemnify and hold harmless the City and its officers and employees does not include a duty to defend.

With respect to liability other than that arising out of professional services, the Consultant shall defend, indemnity and hold harmless the City, its officers and employees from damages, liabilities, judgments, or costs, asserted by third parties for bodily injury (including death) and/or property damage which arise from the Consultant's negligence or other tortious acts under this Agreement, including reasonable attorneys' fees and litigation costs.

Nothing herein shall require a Consultant to indemnify the City against and hold harmless the City from damages, liabilities, judgments or costs based upon the negligence of the City, its agents, officers, and employees. If such damages, liabilities, judgments or costs are caused by or result from the concurrent negligence of the Consultant's agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Consultant, its agents or employees.

The Consultant specifically assumes liability and agrees to defend, indemnify, and hold the City harmless for actions brought by the Consultant's own employees against the City and, solely for the purpose of this indemnification and defense, the Consultant specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Consultant recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

11. INSURANCE.

During the period of the Agreement, the Consultant shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW Title 48;

A. Worker's Compensation Insurance in compliance with RCW 51.12.020, which requires subject employers to provide workers' compensation coverage for all their subject workers and Employer's Liability Insurance in the amount of \$1,000,000;

- B. General Liability Insurance on an occurrence basis, with a combined single limit of not less than \$1,000,000 each occurrence for bodily injury and property damage. It shall include contractual liability coverage for the indemnity provided under this agreement. It shall provide that the City, its officers and employees are additional insureds but only with respect to the Consultant's services to be provided under this Agreement; and
- C. Automobile Liability Insurance with a combined single limit, or the equivalent of not less than \$1,000,000 each accident for bodily injury and property damage, including coverage for owned, hired and non-owned vehicles.
- D. Professional Liability Insurance with a combined single limit of not less than \$1,000,000 each claim, incident or occurrence. This is to cover damages caused by the error, omission, or negligent acts related to the professional services to be provided under this Agreement. The coverage must remain in effect for at least two (2) years after the Agreement is completed.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without forty-five (45) days written notice from the Consultant or its insurer(s) to the City. As evidence of the insurance coverage(s) required by this Agreement, the Consultant shall furnish acceptable Certificates Of Insurance (COI) to the City at the time it returns this signed Agreement. The certificate shall include applicable policy endorsements, the forty-five (45) day cancellation clause, and the deduction or retention level. The Consultant shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

12. DEBARMENT AND SUSPENSION.

The Consultant has provided its certification that it is in compliance with and shall not contract with individuals or organizations which are debarred, suspended, or otherwise excluded from or ineligible from participation in Federal Assistance Programs under Executive Order 12549 and "Debarment and Suspension", codified at 29 CFR part 98.

13. AUDIT.

Upon request, the Consultant shall permit the City and any other governmental agency ("Agency") involved in the funding of the Work to inspect and audit all pertinent books and records. This includes work of the Consultant, any subconsultant, or any other person or entity that performed connected or related Work. Such books and records shall be made available upon reasonable notice of a request by the City, including up to three (3) years after final payment or release of withheld amounts. Such inspection and audit shall occur in Spokane County, Washington, or other reasonable locations mutually agreed to by the parties. The Consultant shall permit the City to copy such books and records at its own expense. The Consultant shall ensure that inspection, audit and copying rights of the City is a condition of any subcontract, agreement or other arrangement under which any other persons or entity may perform Work under this Agreement.

14. INDEPENDENT CONSULTANT.

A. The Consultant is an independent Consultant. This Agreement does not intend the Consultant to act as a City employee. The City has neither direct nor immediate control over the Consultant nor the right to control the manner or means by which the Consultant works. Neither the Consultant nor any Consultant employee shall be an employee of the City. This Agreement prohibits the Consultant to act as an agent or legal representative of the City. The Consultant is not granted express or implied rights or authority to assume or create any

- obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Consultant shall pay all income and other taxes as due. The Consultant may perform work for other parties; the City is not the exclusive user of the services that the Consultant provides.
- B. If the City needs the Consultant to Work on City premises and/or with City equipment, the City may provide the necessary premises and equipment. Such premises and equipment are exclusively for the Work and not to be used for any other purpose.
- C. If the Consultant works on the City premises using City equipment, the Consultant remains an independent Consultant and not a City employee. The Consultant will notify the City Project Manager if s/he or any other Workers are within ninety (90) days of a consecutive 36-month placement on City property. If the City determines using City premises or equipment is unnecessary to complete the Work, the Consultant will be required to work from its own office space or in the field. The City may negotiate a reduction in Consultant fees or charge a rental fee based on the actual costs to the City, for City premises or equipment.

15. KEY PERSONS.

The Consultant shall not transfer or reassign any individual designated in this Agreement as essential to the Work, nor shall those key persons, or employees of Consultant identified as to be involved in the Project Work be replaced, removed or withdrawn from the Work without the express written consent of the City, which shall not be unreasonably withheld. If any such individual leaves the Consultant's employment, the Consultant shall present to the City one or more individuals with greater or equal qualifications as a replacement, subject to the City's approval, which shall not be unreasonably withheld. The City's approval does not release the Consultant from its obligations under this Agreement.

16. ASSIGNMENT AND SUBCONTRACTING.

The Consultant shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Consultant shall incorporate by reference this Agreement, except as otherwise provided. The Consultant shall require that all subconsultants comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the consultant from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

17. CITY ETHICS CODE.

- A. Consultant shall promptly notify the City in writing of any person expected to be a Consultant Worker (including any Consultant employee, subconsultant, principal, or owner) and was a former City officer or employee within the past twelve (12) months.
- B. Consultant shall ensure compliance with the City Ethics Code by any Consultant Worker when the Work or matter related to the Work is performed by a Consultant Worker who has been a City officer or employee within the past two (2) years.
- C. Consultant shall not directly or indirectly offer anything of value (such as retainers, loans, entertainment, favors, gifts, tickets, trips, favors, bonuses, donations, special discounts, work or meals) to any City employee, volunteer or official that is intended, or may appear to a reasonable person to be intended, to obtain or give special consideration to the Consultant. Promotional items worth less than \$25 may be distributed by the Consultant to a City employee if the Consultant uses the items as routine and standard promotional materials. Any violation of this provision may cause termination of this Agreement. Nothing

in this Agreement prohibits donations to campaigns for election to City office, so long as the donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

18. NO CONFLICT OF INTEREST.

Consultant confirms that the Consultant or workers have no business interest or a close family relationship with any City officer or employee who was or will be involved in the consultant selection, negotiation, drafting, signing, administration or evaluation of the Consultant's work. As used in this Section, the term Consultant includes any worker of the Consultant who was, is, or will be, involved in negotiation, drafting, signing, administration or performance of the Agreement. The term "close family relationship" refers to: spouse or domestic partner, any dependent parent, parent-in-law, child, son-in-law, daughter-in-law; or any parent, parent in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

19. ERRORS AND OMISSIONS, CORRECTIONS.

Consultant is responsible for professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of the Consultant under this Agreement in the delivery of a final work product. The standard of care applicable to Consultant's services will be the degree of skill and diligence normally employed by professional engineers or Consultants performing the same or similar services at the time said services are performed. The Final Work Product is defined as a stamped, signed work product. Consultant, without additional compensation, shall correct or revise errors or mistakes in designs, drawings, specifications, and/or other consultant services immediately upon notification by the City. The obligation provided for in this Section regarding acts or omissions resulting from this Agreement survives Agreement termination or expiration.

20. INTELLECTUAL PROPERTY RIGHTS.

- A. Copyrights. The Consultant shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Consultant for the Work, whether or not the Work is completed. The Consultant grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Consultant for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials) and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.
- B. Patents: The Consultant assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Consultant created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Consultant has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.

C. The City may make and retain copies of such documents for its information and reference with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project, and the City releases the Consultant from liability for any unauthorized reuse of such documents.

21. CONFIDENTIALITY.

Notwithstanding anything to the contrary, City will maintain the confidentiality of Consultant's materials and information only to the extent that is legally allowed in the State of Washington. City is bound by the State Public Records Act, RCW Ch. 42.56. That law presumptively makes all records in the possession of the City public records which are freely available upon request by anyone. In the event that City gets a valid public records request for Consultant's materials or information and the City determines there are exemptions only the Consultant can assert, City will endeavor to give Consultant notice. Consultant will be required to go to Court to get an injunction preventing the release of the requested records. In the event that Consultant does not get a timely injunction preventing the release of the records, the City will comply with the Public Records Act and release the records.

22. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. It shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to mediation, arbitration and/or alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the Agreement. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. The City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed. Waiver of any of these rights is not deemed a future waiver of any such right or remedy available at law, contract or equity.

23. TERMINATION.

- A. For Cause: The City or Consultant may terminate the Agreement if the other party is in material breach of this Agreement, and such breach has not been corrected to the other party's reasonable satisfaction in a timely manner. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.
- B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control. Notice of termination under this Section shall be

- given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.
- C. For Convenience: Either party may terminate this Agreement without cause, upon thirty (30) days written notice to the other party.
- D. Actions upon Termination: if termination occurs not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to the actual termination date, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Consultant agrees this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.
- E. Upon termination, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Consultant harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Consultant's work product.

24. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: (a) the New Work is not reasonable to solicit separately: (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Consultant at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identified or main purposes of the Agreement. The City may make exceptions for immaterial changes, emergency or sole source conditions, or other situations required in City opinion. Certain changes are not New Work subject to these limitations, such as additional phases of Work anticipated at the time of solicitation, time extensions, Work Orders issued on an On-Call contract, and similar. New Work must be mutually agreed and issued by the City through written Addenda. New Work performed before an authorizing Amendment may not be eligible for payment.

25. MISCELLANEOUS PROVISIONS.

- A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.
- B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.
- C. Americans with Disabilities Act (ADA): Specific attention by the designer is required in association with the Americans with Disabilities Act (ADA) 42 U.S.C. 12101-12213 and 47 U.S.C. 225 and 611, its requirements, regulations, standards and guidelines, which were updated in 2010 and are effective and mandatory for all State and local government facilities and places of public accommodation for construction projects including alteration of existing facilities, as of March 15, 2012. The City advises that the requirements for accessibility

under the ADA, may contain provisions that differ substantively from accessibility provisions in applicable State and City codes, and if the provisions of the ADA impose a greater or equal protection for the rights of individuals with disabilities or individuals associated with them than the adopted local codes, the ADA prevail unless approval for an exception is obtained by a formal documented process. Where local codes provide exceptions from accessibility requirements that differ from the ADA Standards; such exceptions may not be permitted for publicly owned facilities subject to Title II requirements unless the same exception exists in the Title II regulations. It is the responsibility of the designer to determine the code provisions.

- D. The Consultant, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Consultant shall comply with the requirements of this Section.
- E. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in the Superior Court of Spokane County.
- F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.
- G. Captions: The titles of sections or subsections are for convenience only and do not define or limit the contents.
- H. Severability: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
- I. Waiver: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- J. Additional Provisions: This Agreement may be modified by additional terms and conditions ("Special Conditions") which shall be attached to this Agreement as an Exhibit. The parties agree that the Special Conditions shall supplement the terms and conditions of the Agreement, and in the event of ambiguity or conflict with the terms and conditions of the Agreement, these Special Conditions shall govern.
- K. Entire Agreement: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Consultant. If conflict occurs between contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this contract to afford the City the maximum benefits.
- L. Negotiated Agreement: The parties acknowledge this is a negotiated agreement, that they have had this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship.
- M. No personal liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

WEST CENTRAL SCOPE OF WORK

CONSULTANT TEAM

- Kittelson and Associates, Inc. (Kittelson)
- Cascadia Partners (Cascadia)
- Coffman Engineers (Coffman)
- SPVV Landscape Architects (SPVV)

CODESIGN TEAM

CO-DESIGN TEAM COMMUNICATION FRAMEWORK

The City project manager will provide regular, direct communication with Kittelson's project manager as well as final direction for the team.

PROJECT MANAGEMENT TEAM (PMT)

City Project Manager with representatives from:

- The City Planning and Economic Department
- The City Integrated capital Management Department (ICM)
- REACH West Central
- West Central Neighborhood Council (WCNC)
- West Quadrant Tax Increment Finance District Neighborhood Project Advisory Committee (NPAC)

The PMT will attend bi-weekly meetings covering project status, coordination items, and key outcomes from outreach efforts.

PUBLIC ADVISORY COMMITTEE (PAC)

Established with input from PMT to include:

- Residents
- Businesses
- Property owners
- · Neighborhood agencies
- · Non-profit organizations

The PAC will participate in collaborative work sessions that solicit local expertise and inform decisions. They will also meet to review draft deliverables and report back on how their input was incorporated.

TECHNICAL ADVISORY COMMITTEE (TAC)

Established with input from PMT to include:

- Spokane Transit Authority
- Spokane County
- Spokane Regional Transportation Council
- Staff representatives from City department

The TAC will meet at key project milestones to provide technical guidance and review deliverables.

THE NEIGHBORHOOD

We aim to reach as many people as possible by attending local events or other areas where people are already congregating, like transit stops and the community center. We will establish shared values and identify opportunities and barriers; garner feedback on proposed projects; and report back on how we incorporate their input.

OTHER AGENCIES

This will include developers and work groups. We will engage these people as necessary to share specific technical information and inform the PAC and TAC.

DECISION-MAKING BODIES

This includes the Neighborhood Project Advisory Committee, who will receive updates at key milestones as determined by the PMT.

KEY ASSUMPTIONS

- The project will be 18 months in duration.
- All work sessions will be hybrid (in-person with virtual option).
- The TAC will be invited to attend regular monthly meetings with the PMT at key milestones (called out under relevant tasks).
- PAC work sessions will be 2 hours in length.
- Utility and landscape assessments will only be conducted for the 8 to 12 concept designs as a level necessary to complete the 10% concept design.
- City will coordinate with Developer Services, Water Department, and Sewer Department to provide existing utility information (such as age, material, estimated condition) and as-built plans only within the estimated concept design limits.
- City will reserve rooms and pay any fees for in-person work sessions.

TASK 1 - PROJECT MANAGEMENT

Task Purpose: Adhere to schedule and budget and verify deliverables are meeting the needs of the community.

Kick Off Meeting. Consultant will prepare for and conduct a two-hour in-person kickoff meeting with the Project Manager and PMT. At that meeting Consultant will:

- Review and refine co-design process workflow and schedule.
- Define project limits/priority area
- Define rolls and responsibilities
- Identify members for the PAC and TAC

Work Plan/Schedule. Consultant will develop a work plan using an on-line scheduling system (Smartsheet) that identifies critical project milestones including review periods, task leads, percent complete, and any comments. The Work Plan will be developed using an on-line scheduling tool (Smartsheet) that allows all team members access to monitor progress and add comments. The work plan will be maintained and updated as necessary throughout the project. Potential changes in the project schedule will be communicated to and confirmed by the PMT as soon as Consultant is aware that they may need to occur.

Contract Administration. Consultant will hold hour long, monthly check ins with PMT covering project status, deliverables, coordination items, and key outcomes. Consultant will provide monthly invoices and progress reports to the City Project Manager.

Task 1 Deliverables:

- Kickoff meeting agenda, materials, and meeting notes.
- Draft and final work plan/schedule
- Emailed agendas and action items for PMT calls (18 1 per month 18 months)
- Monthly invoices and progress reports (18)

TASK 2 – COMMUNITY AND STAKEHOLDER ENGAGEMENT

Task 2.1 Public Involvement Plan

Consultant will develop a Public Involvement Plan (PIP) that includes activities that are commensurate with the resources available for this task. The PIP will include:

- A summary of the most recent demographic data from the US Census and the SRTC Regional Equity Index.
- A matrix identifying the types of stakeholders that will be involved in the project, their roles and responsibilities, and their anticipated levels of involvement
- Communication framework
- Engagement tools/activities and objectives for each type of engagement
- Identification of partnership opportunities with community organizations, community leaders, and other partner agencies
- Equity and social justice considerations

As part of the PIP, Consultant will develop and maintain a contact/comment database in Excel. The database will be used to distribute project information and document comments

received on the project. It will be searchable based on key characteristics including comment source, contact information, comment type, response, and locality.

Consultant will present Draft PIP to the PAC at a work session for feedback. The feedback will be incorporated into a Final PIP.

Task 2.2 – In-Person and Virtual Engagement

The scope of work includes three community outreach events. Final outreach and engagement strategies will be selected in consultation with the PMT as part of the PIP and will be commensurate with the resources available.

- Community Charrette #1. The purpose of this event will be to share key findings from the Draft Preliminary Engineering Report. This will facilitate community consensus around project locations, design element selection, and project prioritization.
- Community Outreach Event #2. The purpose of this event is to report back to the community on how their comments are reflected in the refined list of potential TIF projects and locations based on feedback gathered during the charrette. The community will help prioritize projects informed by findings from the Development Feasibility Analysis.
- Outreach Event #3. The purpose of this event is to share draft conceptual design packages of priority projects to gather feedback and help refine final concepts.

To support the selected in-person and hybrid activities, Consultant will develop the following or their equivalent:

Community Charrette #1

- Draft and Final GIS-based Story Map with feedback forms for posting to relevant PMT, PAC and TAC websites and sharing with the community
- Draft and Final Display Boards/Meeting materials
- o Draft and Final Interactive Map for community to identify "locations" of concern
- Draft and Final Feedback Form/Survey electronic and paper version
- Draft and final social media post (1) for PMT, PAC, and TAC to use to advertise outreach events
- Draft and Final Project Fact Sheet (for e-mail distribution by PMT, PAC and TAC)
- Logistics for and attendance at two (2) existing community events or pop-up events or the equivalent (2 hours each)
- Draft and Final meeting summary
- Draft and Final meeting summary

Community Outreach Event #2

- Draft and Final GIS-based Story Map with feedback forms for posting to relevant PMT, PAC and TAC websites and sharing with the community
- Draft and Final Display Boards/Meeting materials
- Draft and Final Interactive Map for community to identify "locations" of concern
- o Draft and Final Feedback Form/Survey electronic and paper version
- Draft and final social media post (1) for PMT, PAC, and TAC to use to advertise outreach events
- Draft and Final Project Fact Sheet (for e-mail distribution by PMT, PAC and TAC)
- Logistics for and attendance at two (2) existing community events or pop-up events or the equivalent (2 hours each)
- Draft and Final meeting summary

Draft and Final meeting summary

Community Outreach Event #3

- Updated Draft and Final GIS-based Story Map for posting to relevant PMT, PAC and TAC websites and sharing with the community
- o Draft and Final Feedback Form electronic and paper version
- o Draft and Final Display Boards/Meeting materials
- Draft and final social media posts (1) and press release PMT, PAC and TAC members to use to advertise outreach events
- Draft and final PowerPoint Presentation for use at outreach events
- Draft and Final Project Fact Sheet (for e-mail distribution by PMT, PAC and TAC)
- Logistics for and attendance at two (2) existing community events or pop-up meetings or the equivalent (2 hours each)

Consultant will provide a draft and final summary for each round of community engagement, highlighting key findings, for posting on the PMT, PAC and TAC relevant web page and electronic distribution.

Task 2 Deliverables

- Draft and final PIP
- Meeting agenda, presentation, and summary for one work session
- Draft and final StoryMap (3 one for each engagement phase)
- Draft and Final Display Boards/Meeting materials (3 one for each engagement phase
- Draft and final Survey
- Draft and final media posts (3)
- Draft and final PowerPoint Presentation for use at outreach events (3 one for each engagement phase)
- Draft and final Fact Sheet (3- one for each engagement phase)
- Draft and final engagement summaries (3- one for each engagement phase)

TASK 3 – PRELIMINARY DESIGN REPORT

Task 3.1 Existing Conditions

Consultant will summarize the planning history of areas within the West Quadrant Tax Increment Finance (WQTIF) district to inform development of an initial project list, project map and preliminary development of project illustrations.

Consultant will gather readily available demographic, land use, traffic, roadway, and crash data provided by the City for the study area. No new traffic counts will be collected. Using GIS, Consultant will develop the transportation network and conduct a high level multimodal technical analyses based on the data and aerial photography to include:

- A summary of available crash data (by mode of travel) by frequency and rate, highlighting locations with notable safety issues and identifying potential crash patterns and trends.
- A matrix of West Central streets including traffic volumes (daily and key peak periods),
 vehicle classifications, street widths, and speed limits, to the extent is available.

- Key destinations that generate pedestrian/bicycle volumes, especially for vulnerable users (older adults and children)
- Transit routes
- Sidewalks
- Overview of existing utilities and stormwater facilities in areas limited to identified concept
 designs. Includes site visit to each conceptual design site, research of City GIS database,
 review of City as-builts, and limited coordination with City Utility Departments and identified
 private utility purveyors.
- Overview of landscaping in area

Task 3.2 Evaluation Criteria

Consultant will develop a set of evaluation criteria to facilitate project selection and prioritization. The first set of criteria will be "fatal flaw" evaluation criteria that can efficiently rule out projects that aren't feasible and help manage community expectations, which will let the team focus on projects that can be built. Example criteria might include:

- Does not meet community goals.
- Requires significant private property acquisition.
- Requires significant utility relocation.
- Doesn't accommodate existing or future traffic.
- Creates an unsafe condition.

Remaining projects would then go through a more refined set of evaluation criteria that will be used to inform the alternative selection and project prioritization process. Criteria is expected to be a mix of quantitative and qualitative metrics related to:

- Connectivity key destinations.
- Level of stress (LTS) scores.
- Crash history.
- Roadway characteristics, such as traffic volumes and speed.
- Utilities.
- Drainage.
- Landscaping/Placemaking.
- Constructability.
- Planning-level costs.
- Operation and maintenance costs (i.e., landscaping, green infrastructure, signage, striping, and snow removal).
- Community support.

Key findings from the existing conditions analysis and the draft criteria will be reviewed at the regular PMT monthly meeting and the TAC will be invited to attend. There will also be a work session with PAC following the joint PMT/TAC meeting. Feedback from these work sessions will be used to refine finalize evaluation criteria.

Task 3.3 Develop the West Central Design Toolbox

Consultant will develop a Design Toolbox that will provide a menu of typical traffic calming and landscape elements that could be incorporated into a project. The menu of options will identify

the problem each "tool" addresses and outline its "pros" and "cons." A joint work session will be held with PMT/TAC during the regular monthly meeting on the draft toolkit before it is finalized.

Task 3.4 Initial Project List

An initial list of projects will be developed based on information from the existing conditions analysis that identifies areas with contributing risk factors and projects previously authorized by the 2007 WQTIF ordinance (Ordinance C34032). A work session with PAC will be held to refine the initial project list.

Task 3.5 Preliminary Design Report

The Preliminary Design Report will compile previous tasks into a summary narrative with a matrix of recommended projects. Draft visualizations including maps, illustrations, and diagrams will be used to support communication with community members. The Draft Design Report will be used to begin conversations with the public as part of the Community Charrette #1 to review proposed projects and identify additional projects that should be considered.

Based on the community feedback from Charrette #1, the Consultant will conduct a field visit of up to 12 project locations, inviting members from the PMT, PAC, TAC. Consultant will prepare a checklist for the field review to document observations, challenges, and opportunities that could affect the design and implementation of any recommendations. Consultant will prepare a summary map of existing issues at each project area with pavement markings, signs, gaps in sidewalks, missing wheelchair ramps, utility, drainage, and landscape related concerns for use in refining the project list and to inform Concept Design packages.

The monthly meeting with the PMT will be used to refine the project list for the final Preliminary Design Report.

Deliverables

- Draft Preliminary Design Report including initial list potential project locations and types
- Design Elements Toolbox
- Final Preliminary Design Report including refined list of potential projects

TASK 4—DEVELOPMENT FEASIBILITY ANALYSIS

Consultant will lead a development feasibility and impact analysis to determine the market response and relative economic impact of potential projects identified in the Preliminary Design Report. The analysis will include:

- A literature review to understand the property value impacts of various public infrastructure investments.
- Up to five (5) interviews with local developers or general contractors to better understand market conditions, development and construction costs, and the impacts that certain types of infrastructure or project locations have had on the value of nearby properties.
- Three (3) investment scenarios. Based on the anticipated property value impacts identified, Consultant will estimate the impact of the public investments on local property values and the subsequent impact of changed property values on redevelopment potential, likely in the form of a residual land value analysis. Such an analysis will combine information like parcel sizes, development standards, allowed uses, property values, and construction costs

as well as estimate the residual land value remaining following redevelopment, with higher values meaning higher redevelopment pressure. The redevelopment analysis will yield information about the number of workers, residents, and new public and private investment that could result from each investment scenario. Using these outputs, Consultant will run each scenario through an input-output model, such as the Bureau of Economic Analysis (BEA) Regional Input-Output Modeling System (RIMS II).

- A fiscal revenue analysis to determine potentially increased tax revenue based on assumed levels of redevelopment and creating new taxable property value. This information will be presented in a "report card" for each of the three scenarios, communicating its performance across the analyses in a visual format that can be shared with a variety of audiences.
- A list of criteria by which to score development scenarios. These criteria will be used in tandem with the outputs from the economic impact, redevelopment, and fiscal revenue analysis. The intent of this approach is to analyze potential projects, not just against their impact on redevelopment potential, but also in terms of their impact on equitable development concerns.

Information will be presented as part of the Community Engagement Event #2 to assist with the project prioritization process.

A joint work session with the PMT, PAC and TAC (in addition to the regular monthly meeting) will be held to prioritize projects.

Deliverables

Draft and Final Development Feasibility Analysis

Task 5 Draft and Final Concept Design Packages

Consultant will develop conceptual design packages for the top 8 to 12 priorities. The final number of conceptual design packages may vary slightly based on the complexity and extent of the top-ranked projects and be commensurate with the resources available for this task. Kittelson will prepare a horizontal concept plan (10% detail) using aerial photography as the base map for each improvement. The 10% concept will include a brief narrative and proposed improvements within the right of way, landscaping, utility notes, and drainage features at a level sufficient detail to provide planning-level opinion of cost estimates for each project, or grouping of projects, for incorporation into the City's Capital Facilities Plan and Six-Year Comprehensive Streets Program.

Consultant will lead a joint PMT/TAC joint work session during the regular monthly meeting to review draft conceptual design packages before finalizing.

Deliverables

 Draft and Final Conceptual Design Packages with planning level cost estimates and narratives

TASK 6—PRESENTATIONS, REPORT, AND FINAL DELIVERABLES

Kittelson will compile all previous deliverables into a concise public facing document, the Community Vision Report, with technical appendices. This report will convey the community's needs, with the intent to direct TIF money to these needs and communicate the importance to public representatives. It will also include next steps and strategies for implementing various recommendations with proposed timelines and identification of who should be responsible for each item or whose coordination is critical. Graphics and maps will clearly convey key findings from the analysis and project recommendations. The report will also include a summary of other potential funding opportunities to help accelerate implementation.

Consultant will develop a preliminary draft for review by the PMT during the regular monthly meeting. Based on feedback, a public review draft will be released. During the regular monthly meeting, a joint work session with the PMT and PAC will be held to review public comments prior to finalizing the report.

Deliverables

- Preliminary Draft
- Public Review Draft Report
- Final Report
- Draft and Final Presentation Materials
- Project Close Out Files (all files in Microsoft Word, Microsoft Excel, Adobe PDF, and CAD, as applicable)

1.2 COMMUNICATION

All communication between the Proposer and the City of Spokane shall be with the Request for Qualifications Coordinator and submitted through the 'Clarifications' tab in the City's online procurement system portal: https://spokane.procureware.com. Any communication directed to other parties is prohibited.

1.3 PURPOSE AND BACKGROUND

The City of Spokane, through its Planning and Economic Development Department (hereinafter "City"), initiates this Request for Qualifications (hereinafter "RFQu") to solicit Proposals from a Firm (Consultant Team) to provide expertise in support of the planning and design of infrastructure improvements in the West Central Neighborhood portion of the West Quadrant Tax Increment Finance District (WQTIF).

This project carries out the priorities identified for the WQTIF district in originating legislation, Ordinance C34032 in 2007 and Ordinance C35870 in 2020, guided by the West Central Neighborhood Council, REACH West Central, and the WQTIF Neighborhood Project Advisory Committee (hereinafter "NPAC").

To address the West Central Neighborhood's condition as one of the most impoverished in Spokane and the State of Washington, the City of Spokane created the WQTIF district in 2007 to raise funds for public infrastructure and community development projects. The founding legislation authorized a

series of projects focused on streetscape improvements, traffic calming, and utility upgrades designed to support economic development within the district.

In 2009, West Central residents formed the West Central Planning Group to develop the West Central Neighborhood Action Plan, with the purpose of carrying out the neighborhood improvement projects identified by the WQTIF. In April 2022, the NPAC voted to expend WQTIF funds on this project to determine the feasibility and design of infrastructure improvements. Spokane City Council voted on and passed this funding proposal on February 27, 2023.

Through this RFQu, the City requests assistance to carry out a community-guided "co-design" process to identify and prioritize streetscape, street safety, and public space improvements within the WQTIF. The proposed participatory approach centers community members and project stakeholders, including representatives of community organizations, local business, and faith institutions, in the development of project concepts.

Each project concept will address selected intersections and corridor segments within the public rightof-way, focusing on improvements such as sidewalk enhancements, crosswalk treatments, bump-outs or curb extensions, street trees and landscaping, street furniture, benches, bus shelters, pedestrian lighting, and bicycle infrastructure. Each project concept will identify opportunities to coordinate with future underground water and sewer utility upgrades.

1.4 MINIMUM QUALIFICATIONS

The selected Firm must be licensed to do business in the State of Washington. The Firm must have a minimum of five (5) years of experience in:

- Neighborhood-scale urban design and transportation planning, and
- Traffic engineering and civil engineering design work.

1.5 CONTRACT PERIOD

Any contract resulting from this RFQu will be 2 years. Contract is renewable upon mutual agreement.

1.6 ADDENDA

It is the responsibility of Proposers to check the City of Spokane's online procurement system https://spokane.procureware.com for Addenda or other additional information that may be posted regarding this Request for Qualifications.

1.7 TERMS AND CONDITIONS

Terms and Conditions applicable to this RFQu are included herein by reference and attached to this RFQu as Attachment 1.

1.8 ESTIMATED SCHEDULE OF PROCUREMENT ACTIVITIES

Question deadline	July 10, 2023 – 1:00 p.m.
Proposals due	July 24, 2023 – 1:00 p.m.
Evaluation, Negotiation, and Award	August, 2023
Begin contract work	August - September, 2023

The City reserves the right to revise the above schedule.

1.9 DEFINITIONS

Definitions for the purposes of this RFQu include:

City – The City of Spokane, a Washington State municipal corporation, the agency issuing this RFQu.

Firm – Individual or company whose Proposal has been accepted by the City and is awarded a fully executed, written contract.

Proposal – A formal offer submitted in response to this solicitation.

Proposer - Individual or Firm submitting a Proposal in order to attain a contract with the City.

Request for Qualifications (RFQu) – Formal procurement document in which a service or need is identified but no specific method to achieve it has been chosen. The purpose of an RFQu is to permit Firms to submit qualifications and, if requested, project methodology and plan for evaluation.

2. SCOPE OF SERVICES

2.1 SCOPE OF SERVICES SUMMARY

This scope of work is yet to be developed into a final version, and some of the responsibilities of the Firm in sections may be shifted in whole or in part to the City to address budget constraints, best utilize Firm resources, and maintain overall project effectiveness and integrity. Unless otherwise stated, the work contained in the Scope of Services will be the responsibility of the Firm. The final scope of this contract work will be based on the Scope of Services provided here with flexibility during contract work to transfer tasks from the Firm to the City or from the City to the Firm depending on the needs of the project.

The City is seeking assistance for project selection and conceptual design of public infrastructure projects for the West Central Neighborhood, within the boundaries of the West Quadrant Tax Increment Finance (WQTIF) district. A core goal of this project is that selection, development, and design of the proposed projects will be determined through a collaborative design, or co-design, process in partnership with community stakeholders and representatives of local agencies, businesses, residents, and neighborhood organizations including but not limited to REACH West Central and the West Central Neighborhood Council. To this end, the Firm will conduct community outreach strategies, workshops, events, and charettes to determine infrastructure improvements that most effectively combine community support, potential for economic development impact, and cost-effective use of WQTIF funding. Insights from community outreach and development feasibility analyses will inform a set of conceptual designs, at approximately 10% design, for the selected projects. The City may expand and extend the scope of this contract for additional project-related work including additional design and community engagement if it is determined to be in the best interest of the City.

More information on the West Quadrant Tax Increment Finance district is available at:

https://my.spokanecity.org/projects/west-quadrant-tax-increment-finance-district/

The City of Spokane Comprehensive Plan is available at the following link:

https://my.spokanecity.org/shapingspokane/comprehensive-plan/

2.2 SCOPE OF SERVICES

Task 1 – Project Management

Following a project kick-off meeting with the Project Management Team, including representatives from the City Planning and Economic Development Department, the City Integrated Capital Management Department (ICM), REACH West Central, the West Central Neighborhood Council (WCNC), and the West Quadrant Tax Increment Finance District Neighborhood Project Advisory Committee (NPAC), the Firm will schedule regular bi-monthly project check-in meetings with the Project Management Team to maintain consistent communication on project progress and status of deliverables. Additional meetings may be convened as necessary for detailed feedback on each task and deliverable.

Using contact information provided by the Project Management Team, the Firm will form a Public Advisory Committee and a Technical Advisory Committee. The Public Advisory Committee will consist of stakeholders including residents and representatives of businesses, property owners, neighborhood-based agencies and neighborhood non-profit organizations. The Technical Advisory Committee will consist of representatives from local government agencies such as the Spokane Transit Authority, Spokane County, and the Spokane Regional Transportation Council as well as staff representatives from City departments. Both committees will provide feedback on key deliverables throughout the duration of the project.

The Firm shall produce agendas and minutes for all Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.

The Firm shall maintain up-to-date project financial records and submit monthly invoices with an associated progress report detailing percent complete on each task for the prior month and including a brief narrative of project work completed in the invoice timeframe, following a formatted project report template to be provided by the City of Spokane.

Task 1 Deliverables:

- Conduct Project Management Team kick-off meeting.
- Schedule Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.
- Produce agendas and minutes for all Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.
- Provide monthly invoices with progress reports.

Task 2 – Community Involvement

The Firm will plan and facilitate a collaborative community planning and design process to create a shared community vision for the build-out of specific packages of projects. The community engagement process will include the selection and refinement of project design elements. A Public Involvement Plan (PIP) will guide this engagement process and related outreach activities.

Elements of the PIP should include, but not be limited to:

A charrette, or a similar strategy such as distributed charrette, following Task 2: Initial Review and Analysis. The charrette will present options for project locations and design elements to the community and facilitate community consensus around project locations, design element selection, and project prioritization. The charrette should involve strategies enabling participants to score and rank projects and associated design elements in order of importance. This process should involve project location maps and a "design element toolbox", and result in a prioritized list of projects, including 3-5 "Priority Projects" for further development.

- A public workshop following Task 5 to evaluate Priority Project selections based on information provided by the Development Feasibility Analysis conducted in Task 5.
- A third public workshop following Task 6 to review the draft Conceptual Design Packages developed for Priority Projects.
- Identification of proposed outreach strategies and materials, including but not limited to, social media
 posts, flyers, and email blasts for the charrette and subsequent public workshops. Outreach materials
 will provide materials to the Project Management Team and Public Advisory Committee to assist in
 distribution, raise community awareness, and allow ample opportunity for community participation in
 planned events.
- Production of a Community Vision document based on charrette results, with updates following subsequent public workshops. The Community Vision document will present the community's vision and goals for the projects, with a listing of projects in ranked order or a community-sourced ranking system to guide future deliverables.

Task 2 Deliverables:

- Public Involvement Plan.
- Charrette and public workshop agendas and minutes.
- Charrette and public workshop engagement materials, including maps of project locations, ranking and prioritization strategies for participants, and materials describing the Design Element Toolbox of potential treatments.
- Online outreach and engagement materials and strategies for each charrette and public workshop, including surveys, polls, or questionnaires as well as social media posts, flyers, and email blasts.
- A Community Vision document including the established project vision, associated project goals, and a prioritized set of projects with descriptions of selected design elements. The document should include justification for the inclusion of projects beyond those identified in Ordinance C34032.

Task 3 – Preliminary Design

The Firm will become familiar with the physical details and planning history of areas within the West Quadrant Tax Increment Finance (WQTIF) district to inform development of an initial project list, project map and preliminary development of project illustrations.

The starting point for Preliminary Design and a draft project list will be assessment of projects previously authorized by the 2007 WQTIF ordinance (Ordinance C34032):

These projects may be modified during the community outreach process, and possibly supplemented with additional infrastructure projects with a strong potential to foster neighborhood economic development. Any supplemental projects identified during the project must be located within the boundary of the West Central neighborhood portion of the WQTIF.

The Firm will also become familiar with information including project area geography, land use designations, and traffic counts, as well as relevant plans including the West Central Neighborhood Action Plan, the Bicycle Master Plan, the Pedestrian Master Plan, Chapter 4 – Transportation of the Comprehensive Plan, the Spokane Parks Master Plan, and the City of Spokane Six-Year Comprehensive Streets Program. The Firm will become familiar with all ordinances related to the WQTIF, such as Ordinance C34032 referenced above and Ordinance

C35879, adopted in 2020 to extend the end date of the WQTIF, and refer to these ordinances for guidance throughout the project.

Based on this background research, site visits, and initial meetings with the Project Management Team, Public Advisory Committee and Technical Advisory Committee, the Firm will produce Preliminary Design Report based on the physical conditions and planning context within the WQTIF. The Report will provide an initial list of potential projects and locations to be assessed through subsequent community engagement and further conceptual planning and design. The Preliminary Design Report will include planning-level project descriptions and draft visualizations such as maps, illustrations, and diagrams. This information will be formatted to support the community in the selection and design process.

To assist this report and facilitate subsequent community engagement around project selection and prioritization, the Report will include a list of design elements that could be combined to manifest each proposed project (a "Design Elements Toolbox"), detailing specific design treatments such as curb bulb-outs/extensions, tree planters and swales, raised crosswalks, or other traffic calming, pedestrian, bicycle, and/or transit accessibility improvements. Options included in the Design Elements Toolbox shall be informed by strategies in the National Association of City Transportation Officials' (NACTO) guidance documents, the Federal Highway Administration (FHWA) Toolbox of Individual Traffic Calming Measures, the FHWA Bikeway Selection Guide, the FHWA Separated Bike Lane Planning and Design Guide, case studies of similar communities, and other related sources. The menu of options in the Design Elements Toolbox will provide the community with the resources to inform and guide project development.

In conjunction with the Preliminary Design Report, the Firm will provide reference data to further contextualize community decision making, including demographic data, information on existing community safety and transportation issues, and other data as appropriate. This data may be delivered within the Existing Preliminary Design Report, in online workshops, and/or as printed maps, at the discretion of the Project Management Team.

Task 3 Deliverables:

- Draft Preliminary Design Report including initial list potential project locations and types.
- Design Elements Toolbox, including designs of possible project implementation elements.
- Final Preliminary Design Report including refined list of potential projects and types to info

Task 4 – Development Feasibility Analysis

To ensure that Priority Projects support private sector development, a development feasibility analysis will examine development scenarios related to the projects. The analysis will include three primary elements: a limited economic impact analysis, a redevelopment analysis, and a fiscal revenue analysis. This task will identify the improvements most likely catalyze private investment in the neighborhood.

Task 4 Deliverables:

- Development Feasibility Analysis report document
- Public outreach
- Public workshop as described in Task 3 Communication and Public Outreach Plan.

Task 5 – Draft and Final Conceptual Design Packages

Based on community prioritization and feedback from Task 2: Community Involvement, as informed by the results of the Development Feasibility Analysis, this task will translate a set of the top-ranked projects into initial design concepts at approximately 10% design level. Anticipating a set of between 8 and 12 design concepts, the final number of project concepts developed in this task will depend on the complexity and extent of the top-ranked projects. A Conceptual Design Package for each project will show sufficient detail to provide rough cost ranges for each project. Conceptual Design Packages may group a set of improvements according to type or location to assist in efficient project delivery. All Conceptual Design Packages will be of sufficient detail for

incorporation into the City's Capital Facilities Plan and Six-Year Comprehensive Streets Program, supporting the Integrated Capital Management and Engineering Departments in carrying out budgeting, funding, final engineering, and construction. A draft set of Conceptual Design Packages will be provided for community input and engagement prior to producing a set of final Conceptual Design Packages.

Task 5 Deliverables:

- Draft and Final Conceptual Design Packages, in PDF format, for a set of priority projects identified in the Development Feasibility Analysis and Community Involvement tasks.

Task 6 – Presentations, Report, and Final Deliverables

The Conceptual Design Packages, along with other project results and key deliverables, will be included in a Final Report, documenting all project processes and results.

The Firm will partner with the Project Management Team for a final public meeting presentation and final presentations to the Neighborhood Project Advisory Committee and up to two other decision-making bodies prior to release of the Final Report.

The Firm will carry out up to two rounds of revisions during this process to address feedback from final public review. The Firm will be responsible for consolidating comments into a series of action items for revisions or responses, documenting associated changes.

Conceptual Design Packages, in both PDF and CAD format, along with Word and PDF copies of all deliverables and the Final Report, will be provided to Planning and Economic Development Department and the Integrated Capital Management Department. The Final Report will include text and descriptive elements sufficient for including select projects in the City's Comprehensive Plan, Capital Facilities Plan, and Six-Year Comprehensive Streets Program.

Task 6 Deliverables:

- Presentation materials appropriate for communicating the Final Report and all associated deliverables and Conceptual Design Packages to neighborhood participants and decision-making bodies including the Neighborhood Project Advisory Committee.
- Draft Final Report containing all project deliverables.
- Revised Final Report addressing comments received during the final public review process.

3. PROPOSAL CONTENT

3.1 PREPARATION OF PROPOSAL

Proposals shall be clear, concise, in sequential order and titled as: Letter of Submittal, Technical Proposal and Management Proposal.

3.2 LETTER OF SUBMITTAL

The Letter of Submittal shall be signed and dated by a person authorized to legally bind the Firm to a contractual relationship. Include the following information about the Firm and any proposed subconsultants:

- A. Name, address, principal place of business, telephone number, and e-mail address of legal entity or individual with whom contract would be written.
- B. Legal status of the Firm (sole proprietorship, partnership, corporation, etc.) and location of the facility from which the Firm would operate.

- C. Identification of any current or former employees from the participating Agencies employed by or on the Firm's governing board as of the date of the Proposal or during the previous twelve (12) months.
- D. Identification of whether the Firm has previously been awarded a contract with the City of Spokane and/or organizations which serve the West Central neighborhood.
- E. Confirmation that the Firm meets minimum qualifications as identified in Paragraph 1.3 "Minimum Qualifications".
- F. Acknowledgement that the Firm will comply with all terms and conditions set forth in the RFQu, unless otherwise agreed by the City.

3.3 TECHNICAL PROPOSAL

Proposal content for this section shall include an understanding of the City's requirements with a comprehensive proposed approach, methodology and work plan.

- A. Demonstrate a clear and concise understanding of the project requirements along with a proposed approach and methodology for management and successful completion of the scope of services. The Firm may also present any creative approaches that may be appropriate and may provide any pertinent supporting documentation.
- B. Provide a detailed description of the work plan with all proposed tasks, services, activities, and other items necessary to accomplish the scope of the project as described in the Scope of Services section. Include a project schedule with completion dates for elements of work and deliverables. If applicable, provide name and address of any sub-consultant and what services they may provide. Include any required involvement by City staff.
- C. Elaborate the Firm's approach to community participatory design, outlining proposed methodology for participatory community engagement and specifying the proposed format and sequencing of community engagement events, providing ample support justifying the proposed process.

3.4 MANAGEMENT PROPOSAL

Proposal content for this section shall include experience, capabilities, qualifications and application of resources to convey the ability to perform the scope of services. Also include information to demonstrate that Firm meets the minimum qualifications as identified in Paragraph 1.3 "Minimum Qualifications".

A. Indicate the experience the Firm, staff and any sub-consultants have relevant to the scope of services. If applicable, describe and demonstrate experience specifically in the following areas:

- Experience working with disadvantaged communities.
- Experience facilitating participatory community planning and design
- Ability to translate neighborhood-level transportation and land use visions into pedestrian- and amenity-focused district design.
- Ability to use urban analytics and undertake development feasibility analysis as part of a community-driven design and implementation process.

Provide name, title, brief description of duties, responsibilities, qualifications, and years of pertinent experience. Provide details describing project team, team assignments, allocation of resources, lines of authority, and responsibility. Identify person within the Firm that will have prime responsibility and

authority for the work. Indicate availability for each staff member assigned to the project and include percentage of time each will be assigned to the project. Describe how the Firm will respond proactively to issues and project scope changes. Resumes may be included limited to 2 pages per person. The Firm shall commit that staff identified in its Proposal will actually perform the assigned work. Any staff substitution must have the prior approval of the City.

- B. Include a list of contracts the Firm has had during the last three (3) years up to a maximum of ten (10) contracts that relate to the Firm's ability to perform the services needed under this RFQu. Provide contract period, contact names, phone numbers and e-mail addresses. Identify three (3) specific references from this list and briefly describe the work accomplished. Do not include City staff as references. The Firm grants permission to the City to contact the list provided.
- C. If the Firm has had a contract terminated for default in the last five (5) years, describe the incident. Termination for default is defined as notice to stop performance due to the Firm's non-performance or poor performance and if the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated and such litigation determined that the Proposer was in default. Provide other party's name, address, phone number and email address. If no such termination for default has been experienced by the Firm in the past five (5) years, so indicate.

4. PROPOSAL SUBMISSION AND EVALUATION

4.1 SUBMISSION OF PROPOSALS

Proposals shall be submitted with most favorable terms that can be proposed. There will be no best and final offer procedure. Proposals shall be submitted electronically through the City of Spokane's online procurement system portal: https://spokane.procureware.com by the due date and time. Hard paper, e-mailed or faxed copies will not be accepted. Late Proposals shall not be accepted. Proposers must register if they have not done so previously and follow the steps below to enter and submit the electronic Proposal:

- 1. Click on "Bids" located on the left hand column.
- 2. Find the applicable project and click the "Project Number".
- 3. Click on the "Response" tab.
- 4. In the "Questions" tab, **answer questions and** upload required documents into the bid portal by clicking on "Browse" for each item. Note that only one document can be uploaded per question line item so combine if necessary.
- 5. Once the Questions have been entered, the yellow "Question Response" information message will change from incomplete to complete. Then the "Submit" button will become available.
- 6. Skip "Pricing Form" tab since no pricing is requested or allowed on a RFQu.
- 7. Click the "Submit Bid" button and review the terms and conditions, pop-up window that appears. If you agree to the terms and conditions, click the "I Accept and Submit this Bid" button.
- 8. If you want to remove your Proposal, click the red "Withdraw Bid" button in the "Response" tab for the applicable Proposal.

4.2 EVALUATION PROCEDURE

Responsive Proposals will be evaluated in accordance with the requirements stated in this solicitation and any addenda issued. The City, at its sole discretion, may elect to select the top-scoring Firms as finalists for an oral presentation and evaluation. Commitments made by the Firm at the oral interview

will be considered binding. The RFQu Coordinator may contact the Firm for clarification of any portion of the Firm's Proposal.

4.3 EVALUATION SCORING

The Proposal will be evaluated as follows:

TECHNICAL PROPOSAL – 50%		100 Points
Project Approach/Methodology	35 Points	
Quality of Work Plan	30 Points	
Project Schedule	15 Points	
Deliverables/Understanding	20 Points	
MANAGEMENT PROPOSAL - 50%		100 Points
Ability to conduct proposed work	25 Points	
Experience working with underserved communities	25 Points	
Key personnel experience/qualifications	50 Points	
GRAND TOTAL FOR WRITTEN PROPOSAL		200 POINTS

4.4 AWARD/REJECTION OF PROPOSAL/CONTRACT

This RFQu does not obligate the City to award a contract. Any contract awarded as a result of this procurement is contingent upon the availability of funding.

The City of Spokane reserves the option of awarding this contract in any manner most advantageous for the City and without further discussion of submitted Proposal. Failure to comply with any part of the RFQu may result in rejection of Proposal as non-responsive. The City also reserves the right, at its sole discretion, to waive minor irregularities, reject any and all Proposals received without penalty and to not issue a contract from this RFQu. More than one contract may be awarded. Contract negotiations may incorporate some or all of the Proposal.

Award of contract, when and if made, will be to the proposer whose Proposal is the most favorable to the City including consideration the evaluation criteria. Interlocal agreements accessing other agency contracts where applicable may be considered as a Proposal. Contract is optional (non-exclusive) use.

1.2 COMMUNICATION

All communication between the Proposer and the City of Spokane shall be with the Request for Qualifications Coordinator and submitted through the 'Clarifications' tab in the City's online procurement system portal: https://spokane.procureware.com. Any communication directed to other parties is prohibited.

1.3 PURPOSE AND BACKGROUND

The City of Spokane, through its Planning and Economic Development Department (hereinafter "City"), initiates this Request for Qualifications (hereinafter "RFQu") to solicit Proposals from a Firm (Consultant Team) to provide expertise in support of the planning and design of infrastructure improvements in the West Central Neighborhood portion of the West Quadrant Tax Increment Finance District (WQTIF).

This project carries out the priorities identified for the WQTIF district in originating legislation, Ordinance C34032 in 2007 and Ordinance C35870 in 2020, guided by the West Central Neighborhood Council, REACH West Central, and the WQTIF Neighborhood Project Advisory Committee (hereinafter "NPAC").

To address the West Central Neighborhood's condition as one of the most impoverished in Spokane and the State of Washington, the City of Spokane created the WQTIF district in 2007 to raise funds for public infrastructure and community development projects. The founding legislation authorized a

series of projects focused on streetscape improvements, traffic calming, and utility upgrades designed to support economic development within the district.

In 2009, West Central residents formed the West Central Planning Group to develop the West Central Neighborhood Action Plan, with the purpose of carrying out the neighborhood improvement projects identified by the WQTIF. In April 2022, the NPAC voted to expend WQTIF funds on this project to determine the feasibility and design of infrastructure improvements. Spokane City Council voted on and passed this funding proposal on February 27, 2023.

Through this RFQu, the City requests assistance to carry out a community-guided "co-design" process to identify and prioritize streetscape, street safety, and public space improvements within the WQTIF. The proposed participatory approach centers community members and project stakeholders, including representatives of community organizations, local business, and faith institutions, in the development of project concepts.

Each project concept will address selected intersections and corridor segments within the public rightof-way, focusing on improvements such as sidewalk enhancements, crosswalk treatments, bump-outs or curb extensions, street trees and landscaping, street furniture, benches, bus shelters, pedestrian lighting, and bicycle infrastructure. Each project concept will identify opportunities to coordinate with future underground water and sewer utility upgrades.

1.4 MINIMUM QUALIFICATIONS

The selected Firm must be licensed to do business in the State of Washington. The Firm must have a minimum of five (5) years of experience in:

- Neighborhood-scale urban design and transportation planning, and
- Traffic engineering and civil engineering design work.

1.5 CONTRACT PERIOD

Any contract resulting from this RFQu will be 2 years. Contract is renewable upon mutual agreement.

1.6 ADDENDA

It is the responsibility of Proposers to check the City of Spokane's online procurement system https://spokane.procureware.com for Addenda or other additional information that may be posted regarding this Request for Qualifications.

1.7 TERMS AND CONDITIONS

Terms and Conditions applicable to this RFQu are included herein by reference and attached to this RFQu as Attachment 1.

1.8 ESTIMATED SCHEDULE OF PROCUREMENT ACTIVITIES

Question deadline	July 10, 2023 – 1:00 p.m.
Proposals due	July 24, 2023 – 1:00 p.m.
Evaluation, Negotiation, and Award	August, 2023
Begin contract work	August - September, 2023

The City reserves the right to revise the above schedule.

1.9 DEFINITIONS

Definitions for the purposes of this RFQu include:

City – The City of Spokane, a Washington State municipal corporation, the agency issuing this RFQu.

Firm – Individual or company whose Proposal has been accepted by the City and is awarded a fully executed, written contract.

Proposal – A formal offer submitted in response to this solicitation.

Proposer - Individual or Firm submitting a Proposal in order to attain a contract with the City.

Request for Qualifications (RFQu) – Formal procurement document in which a service or need is identified but no specific method to achieve it has been chosen. The purpose of an RFQu is to permit Firms to submit qualifications and, if requested, project methodology and plan for evaluation.

2. SCOPE OF SERVICES

2.1 SCOPE OF SERVICES SUMMARY

This scope of work is yet to be developed into a final version, and some of the responsibilities of the Firm in sections may be shifted in whole or in part to the City to address budget constraints, best utilize Firm resources, and maintain overall project effectiveness and integrity. Unless otherwise stated, the work contained in the Scope of Services will be the responsibility of the Firm. The final scope of this contract work will be based on the Scope of Services provided here with flexibility during contract work to transfer tasks from the Firm to the City or from the City to the Firm depending on the needs of the project.

The City is seeking assistance for project selection and conceptual design of public infrastructure projects for the West Central Neighborhood, within the boundaries of the West Quadrant Tax Increment Finance (WQTIF) district. A core goal of this project is that selection, development, and design of the proposed projects will be determined through a collaborative design, or co-design, process in partnership with community stakeholders and representatives of local agencies, businesses, residents, and neighborhood organizations including but not limited to REACH West Central and the West Central Neighborhood Council. To this end, the Firm will conduct community outreach strategies, workshops, events, and charettes to determine infrastructure improvements that most effectively combine community support, potential for economic development impact, and cost-effective use of WQTIF funding. Insights from community outreach and development feasibility analyses will inform a set of conceptual designs, at approximately 10% design, for the selected projects. The City may expand and extend the scope of this contract for additional project-related work including additional design and community engagement if it is determined to be in the best interest of the City.

More information on the West Quadrant Tax Increment Finance district is available at:

https://my.spokanecity.org/projects/west-quadrant-tax-increment-finance-district/

The City of Spokane Comprehensive Plan is available at the following link:

https://my.spokanecity.org/shapingspokane/comprehensive-plan/

2.2 SCOPE OF SERVICES

Task 1 – Project Management

Following a project kick-off meeting with the Project Management Team, including representatives from the City Planning and Economic Development Department, the City Integrated Capital Management Department (ICM), REACH West Central, the West Central Neighborhood Council (WCNC), and the West Quadrant Tax Increment Finance District Neighborhood Project Advisory Committee (NPAC), the Firm will schedule regular bi-monthly project check-in meetings with the Project Management Team to maintain consistent communication on project progress and status of deliverables. Additional meetings may be convened as necessary for detailed feedback on each task and deliverable.

Using contact information provided by the Project Management Team, the Firm will form a Public Advisory Committee and a Technical Advisory Committee. The Public Advisory Committee will consist of stakeholders including residents and representatives of businesses, property owners, neighborhood-based agencies and neighborhood non-profit organizations. The Technical Advisory Committee will consist of representatives from local government agencies such as the Spokane Transit Authority, Spokane County, and the Spokane Regional Transportation Council as well as staff representatives from City departments. Both committees will provide feedback on key deliverables throughout the duration of the project.

The Firm shall produce agendas and minutes for all Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.

The Firm shall maintain up-to-date project financial records and submit monthly invoices with an associated progress report detailing percent complete on each task for the prior month and including a brief narrative of project work completed in the invoice timeframe, following a formatted project report template to be provided by the City of Spokane.

Task 1 Deliverables:

- Conduct Project Management Team kick-off meeting.
- Schedule Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.
- Produce agendas and minutes for all Project Management Team, Public Advisory Committee and Technical Advisory Committee meetings.
- Provide monthly invoices with progress reports.

Task 2 – Community Involvement

The Firm will plan and facilitate a collaborative community planning and design process to create a shared community vision for the build-out of specific packages of projects. The community engagement process will include the selection and refinement of project design elements. A Public Involvement Plan (PIP) will guide this engagement process and related outreach activities.

Elements of the PIP should include, but not be limited to:

A charrette, or a similar strategy such as distributed charrette, following Task 2: Initial Review and Analysis. The charrette will present options for project locations and design elements to the community and facilitate community consensus around project locations, design element selection, and project prioritization. The charrette should involve strategies enabling participants to score and rank projects and associated design elements in order of importance. This process should involve project location maps and a "design element toolbox", and result in a prioritized list of projects, including 3-5 "Priority Projects" for further development.

- A public workshop following Task 5 to evaluate Priority Project selections based on information provided by the Development Feasibility Analysis conducted in Task 5.
- A third public workshop following Task 6 to review the draft Conceptual Design Packages developed for Priority Projects.
- Identification of proposed outreach strategies and materials, including but not limited to, social media
 posts, flyers, and email blasts for the charrette and subsequent public workshops. Outreach materials
 will provide materials to the Project Management Team and Public Advisory Committee to assist in
 distribution, raise community awareness, and allow ample opportunity for community participation in
 planned events.
- Production of a Community Vision document based on charrette results, with updates following subsequent public workshops. The Community Vision document will present the community's vision and goals for the projects, with a listing of projects in ranked order or a community-sourced ranking system to guide future deliverables.

Task 2 Deliverables:

- Public Involvement Plan.
- Charrette and public workshop agendas and minutes.
- Charrette and public workshop engagement materials, including maps of project locations, ranking and prioritization strategies for participants, and materials describing the Design Element Toolbox of potential treatments.
- Online outreach and engagement materials and strategies for each charrette and public workshop, including surveys, polls, or questionnaires as well as social media posts, flyers, and email blasts.
- A Community Vision document including the established project vision, associated project goals, and a prioritized set of projects with descriptions of selected design elements. The document should include justification for the inclusion of projects beyond those identified in Ordinance C34032.

Task 3 – Preliminary Design

The Firm will become familiar with the physical details and planning history of areas within the West Quadrant Tax Increment Finance (WQTIF) district to inform development of an initial project list, project map and preliminary development of project illustrations.

The starting point for Preliminary Design and a draft project list will be assessment of projects previously authorized by the 2007 WQTIF ordinance (Ordinance C34032):

These projects may be modified during the community outreach process, and possibly supplemented with additional infrastructure projects with a strong potential to foster neighborhood economic development. Any supplemental projects identified during the project must be located within the boundary of the West Central neighborhood portion of the WQTIF.

The Firm will also become familiar with information including project area geography, land use designations, and traffic counts, as well as relevant plans including the West Central Neighborhood Action Plan, the Bicycle Master Plan, the Pedestrian Master Plan, Chapter 4 – Transportation of the Comprehensive Plan, the Spokane Parks Master Plan, and the City of Spokane Six-Year Comprehensive Streets Program. The Firm will become familiar with all ordinances related to the WQTIF, such as Ordinance C34032 referenced above and Ordinance

C35879, adopted in 2020 to extend the end date of the WQTIF, and refer to these ordinances for guidance throughout the project.

Based on this background research, site visits, and initial meetings with the Project Management Team, Public Advisory Committee and Technical Advisory Committee, the Firm will produce Preliminary Design Report based on the physical conditions and planning context within the WQTIF. The Report will provide an initial list of potential projects and locations to be assessed through subsequent community engagement and further conceptual planning and design. The Preliminary Design Report will include planning-level project descriptions and draft visualizations such as maps, illustrations, and diagrams. This information will be formatted to support the community in the selection and design process.

To assist this report and facilitate subsequent community engagement around project selection and prioritization, the Report will include a list of design elements that could be combined to manifest each proposed project (a "Design Elements Toolbox"), detailing specific design treatments such as curb bulb-outs/extensions, tree planters and swales, raised crosswalks, or other traffic calming, pedestrian, bicycle, and/or transit accessibility improvements. Options included in the Design Elements Toolbox shall be informed by strategies in the National Association of City Transportation Officials' (NACTO) guidance documents, the Federal Highway Administration (FHWA) Toolbox of Individual Traffic Calming Measures, the FHWA Bikeway Selection Guide, the FHWA Separated Bike Lane Planning and Design Guide, case studies of similar communities, and other related sources. The menu of options in the Design Elements Toolbox will provide the community with the resources to inform and guide project development.

In conjunction with the Preliminary Design Report, the Firm will provide reference data to further contextualize community decision making, including demographic data, information on existing community safety and transportation issues, and other data as appropriate. This data may be delivered within the Existing Preliminary Design Report, in online workshops, and/or as printed maps, at the discretion of the Project Management Team.

Task 3 Deliverables:

- Draft Preliminary Design Report including initial list potential project locations and types.
- Design Elements Toolbox, including designs of possible project implementation elements.
- Final Preliminary Design Report including refined list of potential projects and types to info

Task 4 – Development Feasibility Analysis

To ensure that Priority Projects support private sector development, a development feasibility analysis will examine development scenarios related to the projects. The analysis will include three primary elements: a limited economic impact analysis, a redevelopment analysis, and a fiscal revenue analysis. This task will identify the improvements most likely catalyze private investment in the neighborhood.

Task 4 Deliverables:

- Development Feasibility Analysis report document
- Public outreach
- Public workshop as described in Task 3 Communication and Public Outreach Plan.

Task 5 – Draft and Final Conceptual Design Packages

Based on community prioritization and feedback from Task 2: Community Involvement, as informed by the results of the Development Feasibility Analysis, this task will translate a set of the top-ranked projects into initial design concepts at approximately 10% design level. Anticipating a set of between 8 and 12 design concepts, the final number of project concepts developed in this task will depend on the complexity and extent of the top-ranked projects. A Conceptual Design Package for each project will show sufficient detail to provide rough cost ranges for each project. Conceptual Design Packages may group a set of improvements according to type or location to assist in efficient project delivery. All Conceptual Design Packages will be of sufficient detail for

incorporation into the City's Capital Facilities Plan and Six-Year Comprehensive Streets Program, supporting the Integrated Capital Management and Engineering Departments in carrying out budgeting, funding, final engineering, and construction. A draft set of Conceptual Design Packages will be provided for community input and engagement prior to producing a set of final Conceptual Design Packages.

Task 5 Deliverables:

- Draft and Final Conceptual Design Packages, in PDF format, for a set of priority projects identified in the Development Feasibility Analysis and Community Involvement tasks.

Task 6 – Presentations, Report, and Final Deliverables

The Conceptual Design Packages, along with other project results and key deliverables, will be included in a Final Report, documenting all project processes and results.

The Firm will partner with the Project Management Team for a final public meeting presentation and final presentations to the Neighborhood Project Advisory Committee and up to two other decision-making bodies prior to release of the Final Report.

The Firm will carry out up to two rounds of revisions during this process to address feedback from final public review. The Firm will be responsible for consolidating comments into a series of action items for revisions or responses, documenting associated changes.

Conceptual Design Packages, in both PDF and CAD format, along with Word and PDF copies of all deliverables and the Final Report, will be provided to Planning and Economic Development Department and the Integrated Capital Management Department. The Final Report will include text and descriptive elements sufficient for including select projects in the City's Comprehensive Plan, Capital Facilities Plan, and Six-Year Comprehensive Streets Program.

Task 6 Deliverables:

- Presentation materials appropriate for communicating the Final Report and all associated deliverables and Conceptual Design Packages to neighborhood participants and decision-making bodies including the Neighborhood Project Advisory Committee.
- Draft Final Report containing all project deliverables.
- Revised Final Report addressing comments received during the final public review process.

3. PROPOSAL CONTENT

3.1 PREPARATION OF PROPOSAL

Proposals shall be clear, concise, in sequential order and titled as: Letter of Submittal, Technical Proposal and Management Proposal.

3.2 LETTER OF SUBMITTAL

The Letter of Submittal shall be signed and dated by a person authorized to legally bind the Firm to a contractual relationship. Include the following information about the Firm and any proposed subconsultants:

- A. Name, address, principal place of business, telephone number, and e-mail address of legal entity or individual with whom contract would be written.
- B. Legal status of the Firm (sole proprietorship, partnership, corporation, etc.) and location of the facility from which the Firm would operate.

- C. Identification of any current or former employees from the participating Agencies employed by or on the Firm's governing board as of the date of the Proposal or during the previous twelve (12) months.
- D. Identification of whether the Firm has previously been awarded a contract with the City of Spokane and/or organizations which serve the West Central neighborhood.
- E. Confirmation that the Firm meets minimum qualifications as identified in Paragraph 1.3 "Minimum Qualifications".
- F. Acknowledgement that the Firm will comply with all terms and conditions set forth in the RFQu, unless otherwise agreed by the City.

3.3 TECHNICAL PROPOSAL

Proposal content for this section shall include an understanding of the City's requirements with a comprehensive proposed approach, methodology and work plan.

- A. Demonstrate a clear and concise understanding of the project requirements along with a proposed approach and methodology for management and successful completion of the scope of services. The Firm may also present any creative approaches that may be appropriate and may provide any pertinent supporting documentation.
- B. Provide a detailed description of the work plan with all proposed tasks, services, activities, and other items necessary to accomplish the scope of the project as described in the Scope of Services section. Include a project schedule with completion dates for elements of work and deliverables. If applicable, provide name and address of any sub-consultant and what services they may provide. Include any required involvement by City staff.
- C. Elaborate the Firm's approach to community participatory design, outlining proposed methodology for participatory community engagement and specifying the proposed format and sequencing of community engagement events, providing ample support justifying the proposed process.

3.4 MANAGEMENT PROPOSAL

Proposal content for this section shall include experience, capabilities, qualifications and application of resources to convey the ability to perform the scope of services. Also include information to demonstrate that Firm meets the minimum qualifications as identified in Paragraph 1.3 "Minimum Qualifications".

A. Indicate the experience the Firm, staff and any sub-consultants have relevant to the scope of services. If applicable, describe and demonstrate experience specifically in the following areas:

- Experience working with disadvantaged communities.
- Experience facilitating participatory community planning and design
- Ability to translate neighborhood-level transportation and land use visions into pedestrian- and amenity-focused district design.
- Ability to use urban analytics and undertake development feasibility analysis as part of a community-driven design and implementation process.

Provide name, title, brief description of duties, responsibilities, qualifications, and years of pertinent experience. Provide details describing project team, team assignments, allocation of resources, lines of authority, and responsibility. Identify person within the Firm that will have prime responsibility and

authority for the work. Indicate availability for each staff member assigned to the project and include percentage of time each will be assigned to the project. Describe how the Firm will respond proactively to issues and project scope changes. Resumes may be included limited to 2 pages per person. The Firm shall commit that staff identified in its Proposal will actually perform the assigned work. Any staff substitution must have the prior approval of the City.

- B. Include a list of contracts the Firm has had during the last three (3) years up to a maximum of ten (10) contracts that relate to the Firm's ability to perform the services needed under this RFQu. Provide contract period, contact names, phone numbers and e-mail addresses. Identify three (3) specific references from this list and briefly describe the work accomplished. Do not include City staff as references. The Firm grants permission to the City to contact the list provided.
- C. If the Firm has had a contract terminated for default in the last five (5) years, describe the incident. Termination for default is defined as notice to stop performance due to the Firm's non-performance or poor performance and if the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated and such litigation determined that the Proposer was in default. Provide other party's name, address, phone number and email address. If no such termination for default has been experienced by the Firm in the past five (5) years, so indicate.

4. PROPOSAL SUBMISSION AND EVALUATION

4.1 SUBMISSION OF PROPOSALS

Proposals shall be submitted with most favorable terms that can be proposed. There will be no best and final offer procedure. Proposals shall be submitted electronically through the City of Spokane's online procurement system portal: https://spokane.procureware.com by the due date and time. Hard paper, e-mailed or faxed copies will not be accepted. Late Proposals shall not be accepted. Proposers must register if they have not done so previously and follow the steps below to enter and submit the electronic Proposal:

- 1. Click on "Bids" located on the left hand column.
- 2. Find the applicable project and click the "Project Number".
- 3. Click on the "Response" tab.
- 4. In the "Questions" tab, **answer questions and** upload required documents into the bid portal by clicking on "Browse" for each item. Note that only one document can be uploaded per question line item so combine if necessary.
- 5. Once the Questions have been entered, the yellow "Question Response" information message will change from incomplete to complete. Then the "Submit" button will become available.
- 6. Skip "Pricing Form" tab since no pricing is requested or allowed on a RFQu.
- 7. Click the "Submit Bid" button and review the terms and conditions, pop-up window that appears. If you agree to the terms and conditions, click the "I Accept and Submit this Bid" button.
- 8. If you want to remove your Proposal, click the red "Withdraw Bid" button in the "Response" tab for the applicable Proposal.

4.2 EVALUATION PROCEDURE

Responsive Proposals will be evaluated in accordance with the requirements stated in this solicitation and any addenda issued. The City, at its sole discretion, may elect to select the top-scoring Firms as finalists for an oral presentation and evaluation. Commitments made by the Firm at the oral interview

will be considered binding. The RFQu Coordinator may contact the Firm for clarification of any portion of the Firm's Proposal.

4.3 EVALUATION SCORING

The Proposal will be evaluated as follows:

TECHNICAL PROPOSAL – 50%		100 Points
Project Approach/Methodology	35 Points	
Quality of Work Plan	30 Points	
Project Schedule	15 Points	
Deliverables/Understanding	20 Points	
MANAGEMENT PROPOSAL - 50%		100 Points
Ability to conduct proposed work	25 Points	
Experience working with underserved communities	25 Points	
Key personnel experience/qualifications	50 Points	
GRAND TOTAL FOR WRITTEN PROPOSAL		200 POINTS

4.4 AWARD/REJECTION OF PROPOSAL/CONTRACT

This RFQu does not obligate the City to award a contract. Any contract awarded as a result of this procurement is contingent upon the availability of funding.

The City of Spokane reserves the option of awarding this contract in any manner most advantageous for the City and without further discussion of submitted Proposal. Failure to comply with any part of the RFQu may result in rejection of Proposal as non-responsive. The City also reserves the right, at its sole discretion, to waive minor irregularities, reject any and all Proposals received without penalty and to not issue a contract from this RFQu. More than one contract may be awarded. Contract negotiations may incorporate some or all of the Proposal.

Award of contract, when and if made, will be to the proposer whose Proposal is the most favorable to the City including consideration the evaluation criteria. Interlocal agreements accessing other agency contracts where applicable may be considered as a Proposal. Contract is optional (non-exclusive) use.

Background/History:

The West Quadrant TIF encompasses parts of the West Central, Riverside, and Emerson-Garfield neighborhoods and was formed by City Council in 2007 for the purpose of incentivizing and funding, in part, public improvements in those neighborhoods.

In 2022 a local non-profit organization called REACH West Central made a proposal to the City via the City's Neighborhood Project Advisory Committee (NPAC) for the use of \$300,000 in TIF funds for "work on community outreach, design, and feasibility analysis for projects" within the TIF district. Following several months deliberation, the NPAC voted unanimously to recommend City Council allocate the requested funds to that project.

Since the vote by the NPAC, staff has coordinated between multiple departments and built a proposed process by which the money can be used to secure the services of a professional consultant(s), which will develop a number of public improvement projects in the West Central neighborhood that can be funded and implemented by TIF funding potentially in combination with other funding sources.

Executive Summary:

The original REACH West Central proposal is attached as well as a draft Resolution for consideration by City Council in a future Legislative session. The Resolution has been deemed to be acceptable to earmark these funds for the stated purpose as the City budget already includes sufficient expenditure of TIF funds to accomplish the task.

Work under this proposal would be overseen by the Planning & Economic Development department in close coordination with the Integrated Capital Management department. An RFQ is anticipated to be issued to select the appropriate firm to conduct the work once the Resolution has been approved by Council.

Note that this effort is not to exceed \$300,000, and as of the date of this the fund has a balance of \$1,478,756.36.

RESOLUTION NO. 2023-0019

A resolution acknowledging the recommendation of the Neighborhood Project Advisory Committee for the West Quadrant Tax Increment Financing district and accepting the use of \$300,000 in tax increment funding for design, planning, and implementation of public improvements in the West Central neighborhood portion of the West Quadrant Tax Increment Financing area.

WHEREAS, the City of Spokane formed a West Quadrant Tax Increment Financing ("WQTIF") area to help provide funding for public improvement projects in and around the Kendall Yards planned unit development ("PUD") area, and designated project types within the area, along with estimated costs for those projects within the life of the WQTIF; and

WHEREAS, City of Spokane Resolution 2007-0101 formed the Neighborhood Project Advisory Committee ("NPAC") to make recommendations for the use of funds received in the WQTIF area, composed of residents of the West Central, Riverside, and Emerson-Garfield neighborhoods; and

WHEREAS, the NPAC meets regularly to review fund balances, proposed projects, potential allocations and to prioritize projects; and

WHEREAS, the NPAC met on October 6, 2021 and heard a request from REACH West Central for an allocation of WQTIF funds to fund the design, planning, and implementation of public improvements in the West Central Neighborhood; and

WHEREAS, the NPAC continued to discuss and consider the proposal by REACH West Central during their regular meetings in the month of December 2021 and the months of January, February, and April 2022; and

WHEREAS, the NPAC has determined that the proposed actions are within the WQTIF project area and are among the types of projects for which allocation of the WQTIF funds is authorized by ordinance C34032, as amended by ordinance C35879, the requested allocation is an authorized use of the WQTIF funds; and

WHEREAS, the NPAC unanimously recommended the City Council approve the use of funds for the proposed project in the amount of \$300,000, and recommended expanding the possible projects to be addressed by the funds to any public improvements in the West Central neighborhood portion of the TIF.

NOW THEREFORE, BE IT RESOLVED that the Spokane City Council adopt the recommendations of the WQTIF area NPAC allocating tax increment funds for proposed design, planning, and implementation of a range of any allowed public improvements in the West Central Neighborhood portion of the TIF (see **Exhibit A**).

Subject: Proposal for West Quadrant TIF Funds

January 2022

Dear Members of the NPAC,

REACH West Central (REACH), with the support of the West Central Neighborhood Council (WCNC), has worked for more than two years on a plan for economic revitalization in the area of the West Central neighborhood that lies within the West Quadrant TIF (WQTIF) district. Our first efforts were aimed at securing a 15-year extension of the WQTIF end date, from 2032 to 2047, and the broadening of allowable funding to include permanently affordable housing in all three of the neighborhoods within the WQTIF district. As you know, the new extension ordinance was approved by the Spokane City Council in October 2020, and is awaiting approval from the Spokane County commissioners.

Those efforts have now been followed by planning for broad community outreach and feasibility analysis for the projects in West Central authorized by the 2007 WQTIF ordinance. The first phase of our work has been funded by grants to REACH from the Greenstone Foundation and the Smith-Barbieri Progressive Fund. Using this funding, in June 2021 REACH retained Woodsong Associates, a community development and planning firm, to begin this work.

The attached proposal will allow completion (with input from West Central residents and businesses, City of Spokane staff, and nonprofit agencies working in West Central) of the work on community outreach, design, and feasibility analysis for projects that have been authorized by the 2007 WQTIF. This work is both urgent and vitally important, given that the West Central neighborhood, and particularly the area covered by the WQTIF, has one of the highest levels of poverty in the state of Washington, and has suffered significant negative economic impacts from the Covid-19 pandemic in the form of job losses, family displacement, and business closures.

We thank you for your consideration of our proposal, and urge your prompt review and your recommendation to the Spokane City Council to approve this funding proposal.

Signed,

Morgan Thomas

Chair, REACH West Central

Proposal for West Quadrant TIF Funds

REACH West Central, with support from the West Central Neighborhood Council (WCNC), has prepared this proposal for funding from the West Quadrant Tax Increment Financing (WQTIF) district for approval by the Neighborhood Project Advisory Committee (NPAC).

This proposal has been created with a focus on completing the projects within West Central authorized by Ordinance C34032, in order to promote and facilitate economic growth and stability within the community, by encouraging investment in job-producing private development to expand the tax base of the neighborhood.

This proposal is for up to \$300,000 in funding for planning, concept design, feasibility studies, and community outreach required to implement projects authorized by Ordinance C34032:

1. West Broadway Neighborhood Center Streetscape Improvements

The original language from Ordinance C34032 describes this project's scope as: "Broadway, Ash to Chestnut, 4 blocks of streetscape improvements, including decorative concrete or paver sidewalks, trees, period lighting, permanent street furniture, bike and pedestrian infrastructure, underground utilities, median construction and infrastructure for future streetcar route."

2. Chestnut / Elm Streetscape Improvements

The original language from Ordinance C34032 describes this project's scope as: "Traffic calming on Elm, Cannon, and Chestnut, 3 blocks from Bridge to Dean, including crosswalk treatments, street furniture, lighting, bike and pedestrian infrastructure and improvements."

3. Maxwell & Elm Employment Center

The original language from Ordinance C34032 describes this project's scope as: "On Sinto for five blocks from Chestnut to Maple: sidewalks, bump-outs, trees, and crosswalk treatments. Also, water and sewer upgrades to current commercial and industrial standards for the incubator site."

4. Traffic calming

The original language from Ordinance C34032 describes this project's scope as: "Broadway to Nora, Maple and Ash, 4-6 blocks, including sidewalks, bump-outs, trees, crosswalk treatment, benches, and bus shelters."

The goal of the design phase of work is to identify specific project elements to recommend, and to complete initial feasibility analysis and schematic design work to allow projects to proceed to construction (i.e., "shovel-ready"), in order to produce maximum benefit for economic development purposes.

To this end, we envision the funds being expended for work including community outreach and development of feasibility analysis and schematic design for the included projects. Ideally, analysis and design would be completed in sufficient detail to allow solutions with the most potential to catalyze new development, facilitate new investment by small businesses, and expedite redevelopment of nearby sites.

To help produce a scope of work, schematic design, and feasibility analysis for each of these projects that can

achieve community revitalization goals, this funding proposal includes a suggested Public Involvement Plan (PIP), the executive summary for which is attached. The aim is to create a vision for each project, with collaborative input from the West Central community and City of Spokane staff, to identify the set of deliverables needed to advance each project from planning to implementation, including capital project design, permitting, engineering, and construction.

To ensure that funded projects will result in the desired investment in job-producing private development to expand the tax base of the neighborhood, we suggest that the scope of the feasibility analysis should also consider related community and economic development activities, including those on the other side of the property line from the public Right Of Way (ROW). This consideration may include, but is not limited to, an audit of the applicable controlling documents and an analysis of possible uses.

We believe that this preliminary feasibility and design work will enable leveraging of construction funding from outside sources, in addition to the future use of WQTIF funds.

We anticipate working with community partners such as the West Central Neighborhood Council, Community Frameworks, Habitat for Humanity, Spokane Low Income Housing Consortium (SLIHC), Spark Central, West Central Community Center, Our Place, the Native Project, and the Greenstone Corporation, as well as City of Spokane staff, to finalize and execute the Public Involvement Plan (PIP) that is summarized in Exhibit A.

The West Central neighborhood is home to many disadvantaged residents. Successful planning in the neighborhood must work closely with organizations that intimately understand the challenges residents face and that have earned their trust. In support of this reality, this funding proposal is made with the understanding that REACH West Central, with the support of the West Central Neighborhood Council (WCNC) and other West Central community partners, wishes to have an advisory role in this planning process in order to represent the voice of neighborhood residents. This could involve such activities as:

- Input into the scope of work for the request for proposals (RFP) for potential planning consultants;
- Inclusion in the process of interviewing potential planning consultants; and
- Participation in any technical committee guiding and reviewing the work of the planning consultant during the execution of the contract.

The NPAC has recently revised its Policies and Procedures document to include, among its Duties and Powers, "ensur[ing] that one or more public participation process(es)...has occurred" before neighborhood improvement projects are implemented. During the work on revising the committee's policies and procedures, the members expressed dismay that previous planning efforts in West Central had not always included a rigorous public participation process. Allowing REACH, with the support of the WCNC, to act as a neighborhood representative in this planning process would indeed ensure that residents of the neighborhood are included in decision making.

We thank you for your careful consideration of this proposal, and look forward to discussing it with you at your earliest convenience.

The Public Involvement Plan is intended to be a template for community engagement for projects within Spokane's West Central neighborhood; it can guide the process of planning for healthy, connected, and inclusive communities within the neighborhood. The intent is to ensure an open and equitable process to provide residents and other concerned parties meaningful opportunities to help shape the quality of change and growth in the West Central community.

Overview

The West Central neighborhood has suffered from underinvestment for decades, and is one of the most impoverished areas not only in the city of Spokane, but also in the state of Washington. This continues to be the case in the context of a current housing crisis. As the city of Spokane grows, more people, especially low-income communities of color, immigrants, and renters who have been disproportionately impacted by myriad socio-economic issues, will become increasingly vulnerable to displacement pressures in neighborhoods such as West Central.

The 2012 West Central Neighborhood Action Plan references the City of Spokane's Comprehensive Plan goal:

"Growth will be managed to allow a mix of land uses that fit, support, and enhance Spokane's neighborhoods, protect the natural environment, and sustain the downtown area and broaden the economic base of the community."

Despite this aspiration, little action has occurred to fulfill it in West Central in the near-decade since 2012. REACH West Central (REACH) intends to help bring catalytic funding into the neighborhood, from the West Quadrant TIF as well as from other funding sources, to achieve the goals of the 2012 Neighborhood Action Plan. These include safety improvements to the transportation system, interventions to stabilize the housing market, and initiatives to increase livability and equity outcomes in the neighborhood.

Towards this end, over the next several years REACH will help to seek funding to support the following tasks in West Central as a part of a strategic initiative:

- Plan for a healthy, connected, and inclusive community with a full range of housing choices permanently affordable to neighborhood residents; thriving business districts; healthy built environments; and strong social networks and institutions;
- Help build capacity of community-based organizations that work with low-income households and communities
 of color such as the West Central Neighborhood Council; Spark Central; Our Place; the West Central Community
 Center; and others to advise project decisions, build organizational relationships, and develop deeper ties
 among community members;
- Decrease the urban heat island effect through tree planting and other urban greening efforts;
- Plan for and implement a set of transportation interventions to calm traffic; increase the availability and safety of options for walking, bicycling, and transit riding; and support neighborhood economic development.

Project Goals

Building from the major goals of the 2012 West Central Neighborhood Action Plan and Spokane's Comprehensive Plan, the following draft project goals are proposed. These will be refined through the community engagement process.

1. Improve public health outcomes for people living and working in the neighborhood;

Exhibit A: Public Involvement Plan (PIP) Executive Summary

- 2. Plan for a safe, accessible, affordable, healthy, and socially inclusive neighborhood that allows the most vulnerable households to remain in place and build wealth;
- 3. Commit existing resources and develop new, long-term resources for permanently affordable housing;
- 4. Prevent residential and cultural displacement by preserving existing unregulated affordable rental housing, strengthening tenant protections, and providing anti-displacement services;
- 5. Increase housing choices for all household types and incomes by developing opportunity sites for new construction of equitable, pedestrian-focused development, and by regulating land use and zoning to create permanently affordable and market-rate housing;
- 6. Create conditions for more robust commercial main streets and a full range of commercial and business services in West Central;
- 7. Promote local small business opportunities in tandem with economic development efforts.

Public Involvement Plan

The goal of the Public Involvement Plan (PIP) is for communities in West Central to be stronger and more empowered to help shape growth and change than they were before the planning process began. This means providing an interactive, ongoing public discussion that will be mutually accountable, transparent, and engaging for those most vulnerable to the burdens of neighborhood change.

The finalized PIP document will help to direct a set of specific engagement practices, including:

- Distributed community charrette
- Temporary installations as community feedback loops
- Community walking tours
- Community training and dialogues on equity and fair housing
- Ongoing outreach to stakeholders
- Website and social media
- Physical notifications, meeting notices, media releases

REACH West Central sees community involvement as a partnership with the City of Spokane that values residents' wisdom, leveraging meaningful, accessible, and effective participation to deliver social justice and equity with transparency and accountability.

Conclusion

Political and community momentum has been building to see the West Central neighborhood transform into a more vibrant and accessible version of what it is today, a place that helps to unite surrounding neighborhoods. The time is now right to consider how to complete the neighborhood's transformation into a vibrant, inclusive, safe, and equitable place for people to live, work, play and learn.

What is REACH West Central?

REACH West Central is a 501c3 community development corporation that was started in 2017 by residents of West Central who were aware that the neighborhood has, at least in part, been passed over for development funding due to a lack of capacity.

Historically, it has been difficult for residents of low-income areas like West Central to make their voices heard in the decisions that affect them. One of the goals of REACH is to help create capacity, thus allowing the neighborhood to more effectively engage with the City of Spokane and with funding organizations.

Rather than duplicating the efforts of other groups, REACH's mission is to collaborate with and provide support to organizations that share our goals. To further this mission, REACH has several areas of focus:

- Fostering economic development
- Helping to create sustainable housing
- Promoting arts and culture
- Improving the environment and quality of life in West Central.

REACH is a member of the Spokane Low Income Housing Consortium and the West Central Community Coalition. We have additional partnerships with Community Frameworks and Habitat for Humanity, as well as with the West Central Community Center and Spark Central.

ORDINANCE NO C36471

An ordinance amending Ordinance No. C36345, passed by the City Council December 12, 2022, and entitled, "An ordinance adopting the Annual Budget of the City of Spokane for 2023, making appropriations in the various funds of the City of Spokane government for the year ending December 31, 2023, and providing it shall take effect immediately upon passage," and declaring an emergency.

WHEREAS, subsequent to the adoption of the 2023 budget Ordinance No. C36345, as above entitled, and which passed the City Council December 12, 2022, it is necessary to make changes in the appropriations of the General Fund, the Public Safety Personnel and Crime Reduction Fund, and the Fire/EMS Fund which changes could not have been anticipated or known at the time of making such budget ordinance; and

WHEREAS, this ordinance has been on file in the City Clerk's Office for five days; - Now, Therefore,

The City of Spokane does ordain:

Section 1. That in the budget of the General Fund, and the budget annexed thereto with reference to the Fund, the following changes be made:

- 1) Decrease revenue by \$1,400,000.
- A) Of the decreased revenue, \$1,400,000 is removed from an operating transfer-in from the Public Safety Personnel and Crime Reduction Fund to the Police department.
- 2) Decrease appropriation by \$1,460,000.
- A) Of the decreased appropriation, \$60,000 is removed from base wages in the Human Resources department.
- B) Of the decreased appropriation, \$1,000,000 is removed from social security in the Police department.
- C) Of the decreased appropriation, \$400,000 is removed from education pay in the Police department.
- 3) Increase appropriation by \$460,000.
- A) Of the increased appropriation, \$60,000 is provided solely for contractual services in the Human Resources department.
- B) Of the increased appropriation, \$400,000 is provided solely for contractual services in the CED Division department for PDA tax payments.

Section 2. That in the budget of the Public Safety Personnel and Crime Reduction Fund, and the budget annexed thereto with reference to the Fund, the following changes be made:

- 1) Decrease appropriation by \$1,400,000.
- A) Of the decreased appropriation, \$1,400,000 is removed from an operating transfer-out to the General Fund Police department.
- 2) Increase appropriation by \$1,400,000.
- A) Of the increased appropriation, \$1,400,000 is provided solely as an operating transfer-out to the Fire/EMS Fund.

Section 3. That in the budget of the Fire/EMS Fund, and the budget annexed thereto with reference to the Fund, the following changes be made:

- 1) Increase revenue by \$1,400,000.
- A) Of the increased revenue, \$1,400,000 is provided solely for an operating transfer-in from the Public Safety Personnel and Crime Reduction Fund.
- 2) Increase appropriation by \$1,400,000.
- A) Of the increased appropriation, \$1,400,000 is provided solely for uniform overtime.

Section 4. It is, therefore, by the City Council declared that an urgency and emergency exists for making the changes set forth herein, such urgency and emergency arising from the need to adjust the General Fund budget for year-end, and because of such need, an urgency and emergency exists for the passage of this ordinance, and also, because the same makes an appropriation, it shall take effect and be in force immediately upon its passage.

Summary (Background)

The City of Spokane currently levies a special excise tax on any transient accommodations as allowable by RCW 67.28.181. This tax is set to expire in 2043, unless extended by a vote of the people. The City currently uses this tax revenue to provide a portion of the funding for the Spokane Public Facilities District, which owns and operates four facilities including the Spokane Veterans Memorial Arena, the First Interstate Center for the Arts, the Spokane Convention Center, and The Podium.

Summary (Background)

The City of Spokane currently administers its own Workers' Compensation program. The purpose of the program is to provide a form of insurance for the wages and benefits of employees that are injured during the course of employment. In 2023 the Workers' Compensation insurance claims are on track to exceed the current budget of \$4,426,525 by around \$600,000. We need to increase this budget to ensure that all claims can be paid.

*use the Fiscal Impact box below for relevant financial information	It is a standard practice at all levels of government to perform a comprehensive review of the government's code/laws for consistency and conflicts within and with other levels of government. Many changes, removals, and additions to the Spokane Municipal Code (SMC) have occurred since the last time a review was completed and it is important for the City to complete a comprehensive review of the SMC within the SMC itself and in relation to state law; the Revised Code of Washington (RCW). Employees in multiple City departments will participate in this exercise, but it will also be beneficial to hire a third party to manage and oversee the review process. The City intends to contract with a vendor/firm to provide this service. It is expected that some changes will be necessary in order to maintain consistency throughout the SMC and to ensure there are no conflicting chapters/sections within the SMC itself. It will also be important to ensure that the SMC is compliant with all relevant section of the RCW. After updates are made the City Council will recodify the SMC. There are salary savings in PMO due to vacancies throughout 2023. This SBO is being created so that we can utilize the unused budget for contractual services related to the review and recodification of the SMC.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Refining the SMC aligns with all City initiatives, even if it is only indirect.

ORDINANCE NO C36474

An ordinance amending Ordinance No. C36345, passed by the City Council December 12, 2022, and entitled, "An ordinance adopting the Annual Budget of the City of Spokane for 2023, making appropriations in the various funds of the City of Spokane government for the year ending December 31, 2023, and providing it shall take effect immediately upon passage," and declaring an emergency.

WHEREAS, subsequent to the adoption of the 2023 budget Ordinance No. C36345, as above entitled, and which passed the City Council December 12, 2022, it is necessary to make changes in the appropriations of the Office of Performance Management Fund, which changes could not have been anticipated or known at the time of making such budget ordinance; and

WHEREAS, this ordinance has been on file in the City Clerk's Office for five days; - Now, Therefore,

The City of Spokane does ordain:

Section 1. That in the budget of the Office of Performance Management Fund, and the budget annexed thereto with reference to the Fund, the following changes be made:

- 1) Decrease appropriation by \$220,000.
- A) Of the decreased appropriation, \$220,000 is removed from bases wages.
- 2) Increase appropriation by \$220,000.
- A) Of the increased appropriation, \$220,000 is provided solely for contractual services.

Section 2. It is, therefore, by the City Council declared that an urgency and emergency exists for making the changes set forth herein, such urgency and emergency arising from the need to contract with a vendor to review the Spokane Municipal Code for consistency and to address conflicting Chapters and/or Sections, and because of such need, an urgency and emergency exists for the passage of this ordinance, and also, because the same makes an appropriation, it shall take effect and be in force immediately upon its passage.

Agenda Wording

Approval of this SBO to provide the budget authority needed for purchase once the loan itself is approved.

Summary (Background)

The Waste to Energy (WTE) plant relies on heavy equipment to move items around the plant. At this time a tractor and two front-end loaders are needed to do just that. Unfortunately, the Solid Waste fund has limited capacity for the purchases, so the department is seeking an internal loan from the Spokane Investment Pool (SIP).

Summary (Background)	The library has consistently played a vital role in the lives of Spokane residents by offering a broad range of services and resources that promote education, cultural enrichment, personal growth, and belonging. Over the years, we have witnessed countless success stories of individuals who have been empowered through the library's programs to achieve academic excellence, professional development, enhanced digital literacy,		
	and a greater sense of self and community. With the current library levy set to expire at the end of 2024, we recognize the significance of securing sustainable funding to maintain the high-quality and essential services we have been providing to the community.

What impacts would the propo	osal have on historically excluded communities?		
several ways:	n: We provide free access to a wide range of books, magazines,		
newspapers, and digita	l resources. Historically excluded communities often have limited access ls, so libraries help bridge this gap. They offer resources that can support		

- 2. **Digital Inclusion**: In an increasingly digital world, libraries provide access to computers and the internet, helping individuals from marginalized backgrounds participate in the digital economy, access online educational resources, and apply for jobs or government services online.
- 3. **Cultural and Historical Preservation**: Public libraries often house local history and genealogy collections, which can be vital for communities with rich but underrepresented histories. They help preserve and celebrate the cultural heritage of historically excluded groups.
- 4. **Community Gathering Spaces**: Libraries are community hubs where people can gather for events, workshops, and social interaction. For marginalized communities, our libraries are a safe and inclusive space to connect with others and build a sense of belonging.
- 5. **Educational Support**: We offer homework help, tutoring, and literacy programs that can assist students from underserved backgrounds in their educational journeys. These resources can help bridge gaps in educational attainment.
- 6. **Job Assistance**: We offer job search resources, resume-building workshops, and assistance with job applications. These services can be particularly valuable for historically excluded communities facing employment challenges.
- 7. **Early Childhood Development**: We offer early childhood programs that promote literacy and school readiness. These programs are especially beneficial for historically excluded communities to ensure children have a strong foundation for learning.
- 8. **Social Services Referrals**: We serve as a referral point for social services, connecting individuals in need to resources like food assistance, housing support, or health services.
- Language and Literacy Development: We provide resources for language learning and literacy improvement. For immigrant and non-English-speaking communities, this support is crucial for integration and communication. We are actively in conversation and partnership with Thrive International in our outreach efforts.
- 10. **Promoting Diversity and Inclusion**: We actively curate collections and host events that celebrate diversity and promote inclusion. This can help challenge stereotypes and foster a more accepting and inclusive community.
- 11. **Empowerment and Civic Engagement**: We serve as a platform to help empower historically excluded communities by providing information on voting, civic engagement, and community involvement. They can also offer resources for people looking to advocate for change.
- 12. **Reduction of the Digital Divide**: Historically excluded communities often have limited access to technology. We help reduce the digital divide by offering free access to computers and the internet, enabling individuals to participate in the digital world.

In summary, public libraries play a crucial role in addressing the information, educational, and social needs of historically excluded communities. They act as a vital resource for empowerment, inclusion, and community development, helping to bridge gaps and provide opportunities for individuals and groups who may otherwise face systemic barriers.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

In general, the data we collect on our users does not include this level of demographic data.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

The library continually evaluates its programs and services. Primarily via: Surveys and Interviews: We applicable, we periodically conduct surveys, interviews, or focus groups to collect qualitative data about the experiences, challenges, and benefits of the program from individuals.

Usage Statistics: Collect usage statistics, such as library visitation records, program attendance, and resource utilization.

We are also employing a value score calculator that helps us evaluate our programs in a dynamic way.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

- Aligns with City Policy ADMIN 0320-23-04 "City Council Rules of Procedure" RULE 4, Library is
 proposing a formal resolution filed with the Clerk's Office in the current required format for a
 vote of the Council to approve an item on the voter's ballot in February, 2024.
- Aligns with Comprehensive Plan Chapter 5, CFU 2.1 "Available Public Facilities", Library strives to maintain effective public space to meet and adapt to the needs of the community. This levy proposal will help to ensure the continuation of public services and hours available.
- Aligns with most of the Chapters within the Sustainability Action Plan, Library has implemented
 efforts to improve energy usage of our buildings (an outcome of Bond projects over the past 4
 years), we offer programs and resources to educate and promote the natural environment of
 plants and animals, we offer educational classes around gardening and health to the public to
 boost social and economic access to sustainable food, and we offer social guidance and
 resources for anyone who is in need or is seeking assistance. Additionally, the Library is a hub
 of content that also works alongside other agencies who have the same goal of providing
 effective access to resources.
- Currently the Library does not have any items in the Capital Improvement Plan. We are in an
 operations stabilization period now that we are reaching the end of our 2018 UTGO Bond
 projects.

RESOLUTION NO. 2023 - 0094

A RESOLUTION OF THE CITY OF SPOKANE PROPOSING AN INCREASE IN THE REGULAR PROPERTY TAX LEVY FOR A PERIOD OF THREE YEARS BEGINNING IN 2025 IN AN AMOUNT EXCEEDING THE LIMITATIONS OF CHAPTER 84.55 RCW TO PROVIDE FUNDING FOR LIBRARY OPERATIONS; PROVIDING FOR THE SUBMISSION OF THE MEASURE TO THE QUALIFIED ELECTORS OF THE CITY AT A SPECIAL ELECTION; REQUESTING THAT THE SPOKANE COUNTY AUDITOR HOLD A SPECIAL ELECTION FOR THE MEASURE ON FEBRUARY 13, 2024; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATED THERETO.

WHEREAS, the City of Spokane, Washington ("City") is a first-class city duly organized and existing by virtue of the Constitution and laws of the state of Washington and its city charter; and

WHEREAS, the City has authority to enact a regular annual property tax levy and such other levies as may be approved by the electorate of the City, subject to applicable limitations, as required by law; and

WHEREAS, Chapter 84.55 RCW reflects a limitation that the annual rate of increase of the dollar amount of the regular property tax levy set by the City Council may not exceed the lesser of the rate of inflation or one percent (1%), all as further reflected in Chapter 84.55 RCW; and

WHEREAS, RCW 84.55.050 permits an election to authorize a levy above the limit factor specified in Chapter 84.55 RCW upon majority approval by the voters, subject to any otherwise applicable statutory dollar rate limitation, said election to be held not more than twelve months prior to the date on which the proposed excess levy is to be made, except as further provided in said statute for multi-year levies; and

WHEREAS, in the February 2013 special election, 66% of the voters of the City of Spokane approved an increase in the regular property tax levy in the amount of \$0.07 per \$1,000 of property valuation, for the purpose of funding library operations beginning in 2014 and extending through 2017; and

WHEREAS, in the April 2017 special election, 71% of the voters of the City of Spokane approved an increase in the regular property tax levy in the amount of \$0.07 per \$1,000 of property valuation, for the purpose of funding library operations beginning in 2018 and extending through 2024; and

WHEREAS, on July 18, 2023, the Spokane Public Library Board of Trustees voted unanimously to recommend the City Council place a measure on the February 13, 2024 ballot that would allow for the renewal of the current levy lid lift in order to maintain the improvements to library services resulting from the passage of the 2017 levy lid lift and to implement new practices to make the Library more efficient and responsive to its customers' educational, business and cultural interests; and

WHEREAS, the City Council desires to continue the levy lid lift approved by the voters in April 2017 to continue funding for library operations by submitting to the voters a measure to increase the regular property tax levy in excess of the amount

permitted by state law of \$0.07 per \$1,000 of assessed valuation in 2025, which amount will be used as a base to calculate all subsequent levies for the duration of the proposed three-year levy lid lift; and

WHEREAS, it is anticipated that the levy lid lift will raise approximately \$2,500,000 in 2025, approximately \$2,525,000 in 2026; and approximately \$2,550,250 in 2027 for library operations; and

WHEREAS, pursuant to Section 84 of the City Charter, the City Council of its motion may submit to popular vote for adoption or rejection at any election any proposed ordinance or measure.

NOW, THEREFORE, BE IT RESOLVED, by the Spokane City Council that:

Section 1. The Spokane County Auditor is hereby requested pursuant to RCW 29A.04.330 to hold a special election on February 13, 2024, in conjunction with the scheduled special election for the purpose of submitting to the voters of the City of Spokane for the approval or rejection of a property tax levy to provide funding for library operations.

Section 2. The following measure shall be submitted in the following form:

CITY OF SPOKANE

MEASURE NO. 1

LIBRARY OPERATIONS LEVY

THE CITY OF SPOKANE ADOPTED RESOLUTION NO. 2023-0094 PROVIDING FOR AN INCREASE IN THE REGULAR PROPERTY TAX LEVY IN EXCESS OF STATE LAW BEGINNING IN 2025 IN WHICH THE FUNDING WOULD BE ALLOCATED ONE HUNDRED PERCENT FOR LIBRARY OPERATIONS. THIS MEASURE REPLACES AN EXPIRING LEVY AND AUTHORIZES AN INCREASE IN THE REGULAR PROPERTY TAX LEVY FOR 2025 BY \$0.07 PER \$1,000 OF ASSESSED VALUATION FOR A LEVY RATE NOT TO EXCEED \$3.60. THE INCREASE IN THE PROPERTY TAX LEVY WOULD REMAIN IN EFFECT FOR A PERIOD OF THREE YEARS.

SHOULD THIS MEASURE BE APPROVED?

YES \Box

Section 3. In the event the measure specified in Section 2 above is approved by the qualified electors of the City as required by the Constitution and laws of the state of Washington, there shall be levied and collected annual excess property tax levies in the amount as authorized by said voter approval. Such tax levies will be in excess of the regular annual tax levies permitted by law without voter approval.

Section 4. The City hereby requests pursuant to RCW 29A.04.330 the Spokane County Auditor, as *ex officio*, Supervisor of Elections of the City, to call, conduct and hold within

the City a special election on Tuesday, February 13, 2024, for the purpose of submitting to the qualified electors of the City for their approval or rejection, the proposal set forth above. The City Clerk of the City of Spokane is hereby authorized and directed to deliver a certified copy of this resolution to the Spokane County Auditor, as *ex officio* Supervisor of Elections for the City, no later than December 15, 2023.

Section 5. If any one or more of the provisions of this resolution shall be declared by any court of competent jurisdiction to be unconstitutional or invalid for any reason, then such provision shall be null and void, and shall be deemed separable from the remaining provisions of this resolution, and shall in no way affect the validity of the other provisions of this resolution.

Section 6. The levy lid lift in the property tax levy rate shall be a temporary single year increase, which shall begin in 2025 and continue through 2027.

Section 7. The City Attorney is authorized to make such minor adjustments to the wording of the measure as may be necessary to effectuate the intent of the resolution or upon recommendation of the Spokane County Auditor, as long as the intent of the measure remains clear and consistent with the intent of this resolution as approved by the City Council.

Section 8. This resolution shall take effect and be in full force immediately upon its passage.

ADOPTED by the City Council this day of	of November 13, 2023.

Ballot resolution to place a citywide park improvement levy on the February 13, 2024 ballot.

Summary (Background)

In October 2023, the Park Board voted to adopt a citywide park improvement program and recommend placing a citywide park improvement levy on the ballot to fund the program. The levy proposes an increase in regular property tax levy by \$0.29/\$1,000 beginning in 2025. If approved, the levy will generate +/-\$11.2M annually for 20 years to fund park renovations & improvements as well as additional park rangers and maintenance staff. Levy approval requires 51% affirmative vote of the public.

RESOLUTION NO. 2023 - 0095

A RESOLUTION OF THE CITY OF SPOKANE PROPOSING AN INCREASE IN THE REGULAR PROPERTY TAX LEVY FOR A PERIOD OF TWENTY YEARS BEGINNING IN 2025 IN AN AMOUNT EXCEEDING THE LIMITATIONS OF CHAPTER 84.55 RCW TO PROVIDE FUNDING FOR PARK IMPROVEMENTS AND SAFETY CITYWIDE, INCLUDING RENOVATING AGING PARKS, PLAYGROUNDS, RESTROOMS, SPORT COURTS, AND TRAILHEADS; INCREASING PARK RANGERS AND MAINTENANCE PERSONNEL; DEVELOPING NEW PARKS IN NEIGHBORHOODS WITHOUT THEM; ADDING ALL-WEATHER SPORTS FIELDS; AND PROTECTING NATURAL LANDS; PROVIDING FOR THE SUBMISSION OF THE MEASURE TO THE QUALIFIED ELECTORS OF THE CITY AT A SPECIAL ELECTION; REQUESTING THAT THE SPOKANE COUNTY AUDITOR HOLD A SPECIAL ELECTION FOR THE MEASURE ON FEBRUARY 13, 2024; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATED THERETO.

WHEREAS, the City of Spokane, Washington ("City") is a first-class city duly organized and existing by virtue of the Constitution and laws of the state of Washington and its city charter; and

WHEREAS, the City has authority to enact a regular annual property tax levy and such other levies as may be approved by the electorate of the City, subject to applicable limitations, as required by law; and

WHEREAS, Chapter 84.55 RCW reflects a limitation that the annual rate of increase of the dollar amount of the regular property tax levy set by the City Council may not exceed the lesser of the rate of inflation or one percent (1%), all as further reflected in Chapter 84.55 RCW; and

WHEREAS, RCW 84.55.050 permits an election to authorize a levy above the limit factor specified in Chapter 84.55 RCW upon majority approval by the voters, subject to any otherwise applicable statutory dollar rate limitation, said election to be held not more than twelve months prior to the date on which the proposed excess levy is to be made, except as further provided in said statute for multi-year levies; and

WHEREAS, annual city funding for parks and recreation has steadily declined from 2.63% of all City expenses in 2000 to 2.32% of City expenses in 2021, resulting in fewer resources to maintain and repair parks citywide; and

WHEREAS, there has been no substantial citywide investment in the City's neighborhood parks since 1999 and neighborhood park conditions have slowly deteriorated as a result; and

WHEREAS, on the 10th of October 2022, City Council adopted the 2022 Parks and Natural Lands Master Plan (Res 2022-0090), which outlined a strategic vision for

investing in the City park system over the next ten-plus years to implement needed repairs, update recreational offerings, and improve park user experience citywide; and

WHEREAS, in 2023 the Park Board formed an ad-hoc 'Citywide Neighborhood Park Executive Committee', consisting of representatives from Park Board, City Council, the Mayor's Office, park staff, and subject matter experts to further refine park master plan action items into a specific citywide park investment program which best satisfies the highest priority master plan implementation recommendations and identifies a property tax levy as the preferred funding source to fund to accomplish the recommendations; and

WHEREAS, after four working meetings, on August 23, 2023, the Executive Committee approved recommending a specific citywide neighborhood park investment program for Park Board adoption titled, "Healthy Parks, Healthy Neighborhoods"; and

WHEREAS, on October 12, 2023, the Spokane Park Board voted to approve a resolution adopting the "Healthy Parks, Healthy Neighborhoods" citywide park renovation and improvement program and recommend the City Council place a measure on the February 13, 2024 ballot that would allow for a new levy lid lift to fund citywide park capital and operational improvements; and

WHEREAS, the City Council desires to establish a new levy lid lift to fund the "Healthy Parks, Healthy Neighborhoods" improvement program by submitting to the voters a measure to increase the regular property tax levy of \$0.29 per \$1,000 of assessed valuation in 2025, which amount will be used as a base to calculate all subsequent property tax levies for the duration of the proposed twenty-year levy lid lift; and

WHEREAS, it is anticipated that the levy lid lift will raise approximately \$10.3 million in 2025 and approximately \$11.2 million on average annually for twenty years dedicated to citywide park renovation and improvement; and

WHEREAS, pursuant to Section 84 of the City Charter, the City Council of its motion may submit to popular vote for adoption or rejection at any election any proposed ordinance or measure.

NOW, THEREFORE, BE IT RESOLVED, by the Spokane City Council that:

Section 1. The Spokane County Auditor is hereby requested pursuant to RCW 29A.04.330 to hold a special election on February 13, 2024, in conjunction with the scheduled special election for the purpose of submitting to the voters of the City of Spokane for the approval or rejection of a property tax levy to provide funding for citywide park improvements.

Section 2. The following measure shall be submitted in the following form:

*use the Fiscal Impact box below for relevant financial information	In October of 2023, the Park Board voted to adopt a resolution which adopting a citywide neighborhood park investment and requests City Council pass a ballot resolution on the February 2024 ballot to fund the program capital and operations improvement. This agenda item overviews the recommended park investment, the park board resolution requesting the City Council placing the citywide park renovation and improvement levy on the February 2024 ballot. The 'neighborhood park improvement program' was developed directly from extensive community engagement conducted between February 2021 and June of 2022 and is designed to meet the highest community priorities and recommendations contained within the 'Park and Natural Lands Master Plan' adopted by both Park Board and City Council in June 2022. The program recommends capital projects and operational enhancements designed to improve aging parks where they are already in the community and add parks in neighborhoods which lack walkable park access. Using the highest priority park master plan recommendations as a starting point, the City formed an ad-hoc 'citywide neighborhood park executive committee' to refine master plan recommendations into the lowest cost, highest benefit program of capital projects and operational improvements to improve the park user experience and condition citywide at the lowest estimated cost. The group also worked to ensure recommended improvements are appropriately distributed throughout the Spokane Community. The executive committee consists of members from the Park Board, City Council, City Administration, subject matter experts, and park staff. In August of 2023, the committee voted to approve the capital and operational program and recommend a single-year levy lid lift to fund the improvements over a 20-year duration.

Operations Impacts (If N/A, please g	give a brief description as to why)		

What impacts would the proposal have on historically excluded communities?

If the park investment program was approved by City Council and approved by public vote, it would provide significant investment within the City's park system, prioritizing investment within parks which are in failing to poor condition, lack recent investment, and are located within Social and Environmental Equity Priority Zones. One example of this type of investment which is included in the park improvement program is the acquisition and development of a new neighborhood park in the City's 'Shiloh Hills' Neighborhood. Located within Northeast Spokane (East of Nevada and North of Francis), this neighborhood is located within the highest social and environmental park equity zone and contains more than 1,820 neighborhood households without walking access to a public park. Adding a park in this location would provide walkable park access to a significant number of our communities' most socially vulnerable population.

Another example of investment in an historically 'geographically underserved' neighborhood is the development of a new neighborhood park in the rapidly developing North Indian Trail neighborhood. Despite being an affluent neighborhood, more than 2,800 neighborhood households lack walkable access to a park, which is the highest quantity of residents without park access in the city. Development of 'Meadowglen Park' in North Indian Trail would bring more than 650 households within walkable park access and fill a significant gap for park access in the city.

Additional park improvements within historically excluded communities are included within the program, all of which are collectively intended to either enhance the condition and user experience within an existing park, enhance connectivity to an existing park, or provide park access where none currently exists.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

A report of park levy project and operational improvements will be generated annually and reported to the Park Board and City Council. This will include the location and value of capital projects, many of which will be located within Social and Environmental Park Equity Zones as defined within the adopted 2022 park and natural lands master plan.

Specifically, we intend to measure the percentage of work complete and the level of park service(s) within socially vulnerable portions of the City of Spokane. Rather that target 1 specific disparity (income, ethnicity, disability, etc.), we find the 'social vulnerability index' as aggregated by the CDC is one of the most appropriate methods for measuring social and environmental equity when evaluating and planning park improvements in the City of Spokane. As a result, we will provide a metric on the amount of work completed annually within 'high, medium, and low' social and environmental park equity zones as a percentage of the overall work completed citywide. This allows us to measure how

much work is being completed socially vulnerably portions of the community and whether that is less than, equal to, or higher than less socially vulnerable portions of the community.

Used on its own, this method provides a snapshot of work completed within certain vulnerable communities, and when combined with other planned metrics/measurables listed in response to the next question, the combined measurables provide a comprehensive view of the work completed and how it benefits the community.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

There are several types of data which can be collected and shared to measure the success of this program.

We intend to measure:

- The 'physical condition ratings' of park assets before and after projects are completed (ie. a playground /restroom which is renovated will have a much improved 'physical condition' after being replaced).
- A recreation 'level of service' measured can be provided as new recreation assets (sport courts / fields / disc golf courses / etc.) are added. This is accomplished by counting and measuring the total quantity of rec assets against the city's population after new facilities are added (by adding facilities, we provide a higher level of service).
- The quantity of city households within a 10-minute walk of a park will be measured after new
 parks are added. When each park is added, it will make a measurable positive impact to the
 park 'walkability score' by reducing the quantity of households outside a 10-minute walk of a
 park.
- Public survey will be conducted intermittently throughout the program to gauge how satisfied citizens are with park conditions.
- A 'park levy completion' report can be provided annually to document the number of improvements and labor hours completed each year. Those milestones / deliverables can be benchmarked against the overall program to provide a 'percent completion' status.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Regarding City Park System Planning Documents:

This investment is based <u>directly</u> on the specific 'Implementation Action Items', Goals and Objectives contained within the '2022 Parks and Natural Lands Management Plan' as adopted by the Park Board and City Council (OPR 2022-0454 / RES 2022-0090). Each specific project or operational enhancement within the attached 'healthy parks, health neighborhoods' program document includes specific reference to the park master plan 'priority tier' and 'goal & objective'.

Regarding City Comprehensive Plan:

This investment is consistent with:

- Policy CFU 5 Environmental Concerns 5.2
- Policy PRS 1 Preservation & Conservation 1.1, 1.3 & 1.6
- Policy PRS 2 Park & open Space System 2.1, 2.2, 2.3, 2.5, & 2.6
- Policy PRS 3 Bicycle & Pedestrian Circulation 3.1 & 3.2
- Policy PRS 4 Maintenance Program 4.1 & 4.2
- Policy PRS 5 Indoor / Outdoor Rec Program 5.1, 5.2, 5.4, 5.5 & 5.6
- Policy PRS 6 Coordination and Cooperation 6.1, 6.2 & 6.3

- Policy PRS 7 Parks Service Quality 7.1, 7.2, 7.3, 7.5, 7.6, & 7.7
- Policy N 5 Open Space 5.1, 5.2 & 5.3
- Policy N 6 The Environment 6.4
- Policy N 7 Social Conditions 7.1 & 7.2
- Policy NE 2 Sustainable Water Quality 2.1, 2.2 & 2.3
- Policy NE 6 Native Species Protection 6.3 & 6.5
- Policy NE 11 Natural Areas 11.1, 11.2, 11.3 & 11.4

Regarding 2021 Sustainability Action Plan:

- Natural Environment Goal 1, Strategy 1 NE 1.1
- Natural Environment Goal 1, Strategy 2 NE 2.2 & 2.4
- Natural Environment Goal 2, Strategy 4 NE 4.2
- Natural Environment Goal 3, Strategy 7 NE 7.2
- Water Resources Goal 2, Strategy 6 WR 6.2, 6.5, 6.7 & 6.8

Regarding Neighborhood Master Pans & Other:

- Parks frequently works with specific neighborhoods the develop park specific 'master plans'
 to guide the long-term investment in specific parks or neighborhoods. Numerous of these
 documents are already adopted and have informed this program. Good recent examples are
 the 'Coeur d Alene Park Master Plan' and 'Sky Prairie Park Master Plan'. These documents
 have previously been approved by the neighborhoods and adopted by the Park Board, and
 with funding from this program additional components of those plans can be implemented.
- We will continue to engage with each neighborhood as we plan and implement capital projects in those respective areas to ensure parks in their neighborhood best reflect their values and desires.

AGENDA ITEM NAME*

CITYWIDE INVESTMENT IN NEIGHBORHOOD PARKS LEVY MEASURE

AGENDA WORDING *

A resolution adopting a citywide investment in neighborhood parks and recommending City Council place a levy funding measure on the February 2024 ballot.

BACKGROUND*

The 'Healthy Parks, Healthy Neighborhoods' program and funding recommendation represent the culmination of over 2.5 years of planning, public outreach, technical analysis, committee review & discussion, financial analysis, and park board and council action. It proposes investing approximately \$11.25M in capital improvement and operational enhancements into the park system annually over twenty years to improve the existing parks and add new parks where needed. Implementing this program requires a vote of public, and proposes a levy rather than bond in order to enable hiring maintenance staff in addition to just capital repair & improvements.

In February of 2021, parks asked the Spokane community, "What should we do next?" After significant public outreach and participation, Spokane answered, "Invest in our neighborhoods" – invest in the parks we use regularly. The 2022 adopted park plan established this neighborhood vision for parks, and this program proposes significant action to implement the 'Top priority' actions from that plan.

Resolution #OPR 2023-1088

CITY OF SPOKANE PARK BOARD RESOLUTION

A RESOLUTION Adopting a citywide investment in neighborhood parks & recommending City Council place a levy funding measure on the February 2024 ballot.

WHEREAS, the City of Spokane owns and operates 3,900+ acres of parks & natural lands within and outside of the City of Spokane; and

WHEREAS, the Park Board is empowered by the City Charter with exclusive jurisdiction and control to lay out, establish, procure, purchase, accept, and have the care, management control and improvement of, all parks and grounds used for park purposes, all boulevards and parkways, and connecting parks and structures thereon located both within and outside of the City of Spokane; and

WHEREAS, annual city funding for parks and recreation has steadily declined from 2.63% of all city expenses in 2000 to 2.32% of city expenses in 2021, resulting in fewer resources to maintain and repair parks citywide; and

WHEREAS, there has been no substantial citywide investment in the City's neighborhoods parks since 1999 and neighborhood park conditions have slowly deteriorated as a result; and

WHEREAS, recent park bond investments have been directed primarily into 'special use facilities' (Riverfront Park, aquatic facilities, sports complexes and bridges); and

WHEREAS, upon the successful completion of the Riverfront Park Bond improvements, the Park Board commissioned a new assessment of the city's park system and formation of a system-wide park master plan to guide future park system investment; and

WHEREAS, in June of 2022 the Park Board adopted the 2022 Parks and Natural Lands Master Plan (OPR 2022-0454 / RES 2022-0090), which outlined a strategic vision for investing in the city park system over the next ten+ years to implement needed repairs, update recreational offerings, and improve park user experience citywide; and

WHEREAS, the resulting 2022 Parks and Natural Lands Master Plan, compiled by park staff and project consultants, is the direct result of recommendations from Spokane City residents, technical assessments, the Park Board, and city staff; and

WHEREAS, the adopted master plan recommends specific 'Action Items' to accomplish the park system improvements outlined in the plan. These action items are categories by 'capital investment', 'operational shifts', and 'policy changes' and are prioritized into 'priority tiers', with 'first tier' priorities being the most important to accomplish quickly; and

WHEREAS, the adopted master plan recognizes that additional funding beyond current city general fund contribution is required to implement recommended action items contained within the plan; and

WHEREAS, the Park Board formed an ad-hoc 'Citywide Neighborhood Park Executive Committee' to further refine park master plan action items into a specific citywide park investment program which best satisfies the highest priority master plan implementation recommendations and identifies a funding source and amount to accomplish these recommendations; and

WHEREAS, the 'Citywide Neighborhood Park Executive Committee' consists of representatives from Park Board, City Council, the Mayor's office, park staff, and subject matter experts; and

WHEREAS, after four working meetings and on August 23, 2024, the Executive Committee approved recommending a specific citywide neighborhood park investment program for Park Board adoption titled, "Healthy Parks, Healthy Neighborhoods",

WHEREAS, the program cost is estimated to cost up to \$225 million dollars, and improvements are proposed to be implemented over the course of 20 years; and

WHEREAS, the "Healthy Parks, Healthy Neighborhoods" program, a copy of which is attached to this resolution, is based directly on the top priority action item recommendations of the adopted park master plan and proposes to renovate and replace aging parks, trailheads and park amenities, enhance park user experience through better maintenance and safety initiatives, acquire and develop new neighborhood parks, acquire and protect natural lands, and provide administration and project management services to implement proposed improvements; and

WHEREAS, in order to minimize any new taxes to the greatest extent possible while still making needed park system improvements, the Executive Committee approved the 'least cost' program option and rejected all higher cost program options; and

WHEREAS, the Executive Committee approved a specific funding recommendation for Park Board consideration to fund the "Healthy Parks, Healthy Neighborhoods" program by seeking a temporary single year levy lid lift of approximately \$0.29/1,000 of assessed valuation in February of 2024; and

WHEREAS, if approved by public vote in 2024, the levy would begin in 2025 and continue for twenty years through 2045; and

WHEREAS, the Executive Committee recommended Parks partner with either a public safety ballot measure, a public education ballot measure, or a public library ballot measure when developing and distributing public education & outreach materials for the "Healthy Parks, Healthy Neighborhoods" program; and

NOW, THEREFORE,

BE IT RESOLVED by the Park Board to adopt the "Healthy Parks, Healthy Neighborhoods" park investment program as recommended by the Citywide Neighborhood Park Executive Committee and attached to this resolution; and

BE IT FURTHER RESOLVED by the Park Board to recommend City Council place a single year levy lid lift measure of approximately \$0.29/1,000 of assess valuation on the February 13, 2024 ballot to fund the adopted citywide park capital and operational improvements.

BE IT FURTHER RESOLVED by the Park Board that the Parks Director and staff develop a potential partnership with Spokane Public Schools, Spokane Library, or a public safety measure to develop and distribute public education & outreach materials for the levy measure and return to present the partnership opportunity to Park Board for future consideration.

Land Acknowledgment

We acknowledge that we are on the unceded land of the Spokane people. And that these lands were once the major trading center for the Spokanes as they shared this place and welcomed other area tribes through their relations, history, trade, and ceremony. We also want to acknowledge that the land holds the spirit of the place, through its knowledge, culture, and all the original peoples Since Time Immemorial. As we take a moment to consider the impacts of colonization may we also acknowledge the strengths and resiliency of the Spokanes and their relatives. As we work together making decisions that benefit all, may we do so as one heart, one mind, and one spirit. We are grateful to be on the shared lands of the Spokane people and ask for the support of their ancestors and all relations. We ask that you recognize these injustices that forever changed the lives of the Spokane people and all their relatives. We agree to work together to stop all acts of continued injustices towards Native Americans and all our relatives. It is time for reconciliation. We must act upon the truths and take actions that will create restorative justice for all people.

Adopted by Spokane City Council on the 22nd day of March, 2021 via Resolution 2021-0019

Acknowledgments

Thank you to the citizens of Spokane who in 2021 & 2022 provided the input and direction that directly informed this citywide park improvement levy. The issues, opportunities and desires identified by citizens in the '2022 parks and natural lands master plan' provide the background and basis for all aspects of this proposed park investment.

Thank you also to the members of the 'Citywide Neighborhood Park Investment Executive Committee', which directed the formation of this specific citywide park improvement levy. Over the course of 4 months in the spring & summer following the approval of the park master plan, these individuals defined the specific program scope, program elements, funding source and funding duration for a citywide neighborhood park investment. At its final meeting in August of 2023, the executive committee recommended this investment to the City of Spokane Park Board consideration and adoption.

Executive Summary

What Should We Do Next

In 2020, with the 2014 Riverfront Park Renovation bond project nearing completion, Spokane Parks began a new project to assess the entirety of the City's park system. At its core, this project intended to answer one question, "What should we do next?" For the next 2 years, park staff and consultants listened to the community and formed a master plan directly from this input. This 'Parks and Natural Lands Master Plan' outlined a vision to 'Preserve and Play' by both preserving and restoring current park lands and assets while also updating the park amenities and adding new parks in neighborhoods which lack access.

So, when we asked "What should we do next?", what did we hear? Simply put, "Invest in our neighborhoods".

Renovate parks which are aging. Replace old and broken playgrounds. Renovate and replace old restrooms - clean them more often and ensure they stay open. Enhance day to day park maintenance. Upgrade sprinklers to improve water efficiency and eliminate daytime watering. Add new parks on city land within neighborhoods which don't have parks nearby. Enhance security in parks which don't always feel safe. Acquire and preserve natural lands. Improve trailheads to provide better access to those lands. And update parks to provide the modern amenities residents want – like pickleball, pump tracks, disc golf, splash pads, and others. Invest in us, where we live every day, because Healthy Parks make for Healthy Neighborhoods.

Is it Really Needed? And why Neighborhoods?

Since 1999, Spokane residents have approved (3) park bond investments. In 1999, the community invested in 3 new parks and repaired a portion of the deferred park maintenance citywide. In 2007 the community chose to invest in new outdoor pools, splash pads and sports complexes. In 2014 the community invested in Riverfront Park. These previous investments have built excellent special use facilities in which we can be proud and which are the envy of many nearby communities.

However, during these same 24 years, the percentage of city funds allocated to parks has steadily decreased from 2.6% in 2000 to 2.3% of all city expenses in 2022. That reduction totaled approximately \$2,600,000 in 2022, and is roughly 10% of the entire Parks Division budget. As a result, nearly half of the city's neighborhood parks have not received any capital investment in over 20 years. These parks have aged and many are in need of significant repair to ensure they can continue to serve current and future generations. It has become increasingly clear that regular, ongoing capital repair and maintenance is needed for neighborhood parks to continue. Capital bonds alone provide temporary fixes, but do not allow for the hiring of staff and therefore do not improve the long term daily maintenance within parks. But there is a practical solution to update aging parks while also improving daily maintenance.

Neighborhood Park Levy

A park improvement levy, if approved by voters, allows not only for capital repair and construction but also the hiring of additional maintenance / safety staff as well as the purchase of needed maintenance equipment and vehicles. This approach can improve the condition of our parks for the long term. The following document outlines a citywide park improvement levy based directly on the adopted park master plan and tailored by an executive committee consisting of representatives from City Council, the Mayor's Administration, the Park Board, retired city financial and public work management, and city park staff. This program exists specifically to improve the quality of, access to, and amenities within parks citywide. Park staff asked, "what should we do next?" The Spokane community answered, "Invest in our neighborhoods". If approved, this citywide park improvement levy provides the means and methods for Spokane City Parks to deliver the first-tier park system improvements desired by the Spokane community.

How to use this document

This is an interactive document, intended to be viewed both digitally and printed.

There are four program categories as part of this document, each with various project summaries called **cut sheets**. The cut sheets provide details on specific projects within the overall program. Cut sheets span broadly within the Parks and Recreation realm, meaning users from various backgrounds will likely be interested in just one or a few specific cut sheets.

As a digital copy, users can navigate through the document by using the clickable Contents page. By clicking on specific cut sheets or chapter titles, users will be linked to the page they click on. By clicking the central footer 'Healthy Parks, Healthy Neighborhoods' users will be linked back to the Contents Page for easy navigation.

As a printed copy, users can 'cut out' an individual cut sheet. This provides users with the flexibility to take one sheet (or a few) with them as talking points in a meeting for example, rather than carrying around the full document.

We hope this document provides you with the tools to engage in meaningful discussions that will help shape healthy parks, and healthy neighborhoods in Spokane.

- the healthy parks, healthy neighborhoods team

CHAPTER 1

Program Overview

Program Overview

General Overview

This Program was developed to improve the access to, condition of, and infrastructure / amenities within the City's Park system over a period of 20 years. To ensure responsible use to taxpayer funding and consistency with high priority community desires, the program draws directly from the 'First Priority Tier' recommendations of the adopted '2022 Park and Natural Lands Master Plan', with little exception.

- Approximately 81% of program investment is dedicated to the renovation, physical improvement, and daily maintenance enhancement of aging neighborhood parks, trailheads and natural lands community wide and the addition of a new park safety / visitor experience initiative.
- Approximately 12% of program investment is dedicated to the acquisition and development of new neighborhood parks within rapidly developing portions of the city as well as the acquisition of natural land and the improvement of trails and trailheads.
- Approximately 7% of program investment is dedicated to the project planning, construction management, and administration of the capital program and levy compliance.

The four major program categories are outlined in general detail below:

Renovate & Replace Aging Parks, Trailheads, and Amenities

 Renovate park lands and assets citywide by conducting (3) major park renovations, replacing all playgrounds with significant deferred maintenance citywide, replacing approximately 50% of all park restrooms citywide and performing minor repairs to remaining restrooms, replacing all (14) racquet sport courts citywide, renovating (2)-(3) trailheads, adding (4)-(6) new artificial, all-weather surface fields, developing (1) new paved park access trail, renovating the boulder beach water access point, and creating an ongoing annual minor park repair & security improvement fund.

Enhance Park User Experience

- Improve general park maintenance, functionality, and cleanliness by hiring +/-(14) new park maintenance FTE staff, including (12) added maintenance staff dedicated to maintenance of the City's neighborhood parks, pools and sports complexes and (2) added maintenance staff dedicated to the city's park natural lands. Replace and augment antiquated maintenance equipment and vehicles to improve maintenance quality & efficiency.
- Expand park safety initiatives to neighborhood parks by hiring an additional (4) Park Ranger staff dedicated to the City's parks outside of Riverfront Park & provide vehicles and equipment as required.

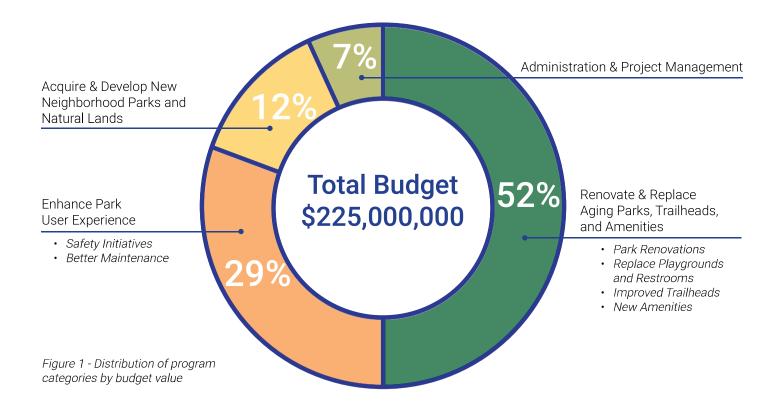

Acquire & Develop New Neighborhood Parks and Natural Lands

 Develop (3) new neighborhood parks within rapidly developing portions of the City, acquire land for park development in (1) high need location, create a 'Natural Lands Acquisition and Management Plan' to prioritize future natural land acquisition and management, and create an ongoing, annual fund for the acquisition of priority natural lands.

Administration & Project Management

 Hire (6) project management, accounting, planning and design staff to manage implementation of capital improvements and associated activities, retain legal and audit consulting services to ensure levy compliance.

Financial Overview

Recommended funding source for proposed park operational and capital improvements is a single-year Levy Lid lift assessing \$0.29/1,000 of assessed property value. If passed, this assessment increases overall city levy assessment just less than 5% totaling approximately \$10.12 per month for the median homeowner in the City of Spokane. The levy lid lift is planned for a duration of 20 years and is estimated to generate approximately \$225,000,000 over that time. Levy value & duration was determined by majority vote of the Citywide Neighborhood Park Executive Committee and Park Board adoption of the levy measure is planned in October 2023.

Statement of Assumptions

- 1. City General Fund contribution to City Parks and Recreation will remain as outlined in current City Charter and will not be reduced as an overall percentage of City spending. Any reduction in the contribution from City General Fund to Parks & Recreation will directly reduce the intended impact of this program.
- 2. By intent, all modeling uses escalation rates for both wages and project cost inflation that are slightly above historical actuals. This conservative approach is designed to not only ensure commitments can be met, but to account for and offset for both direct (i.e. increased water usage) and indirect overhead costs (i.e. interfund allocations for city service departments) that are difficult to forecast and/or trace back to individual projects.
- 3. All operational and administrative staffing costs were projected using 2023 wage and overhead rates. Operational and administrative staffing costs include 4% compounding annual cost escalation, from 2024 until 2044.
- 4. All estimated capital project costs were projected using 2023 pricing information. Projects include 3.5% compounding annual cost escalation from 2024 until the anticipated time of project construction.
- 5. Annual construction cost increase of 3.5% was based on 20-year historical average inflation as obtained from the 'Engineering News-Record Construction Cost Index History' from 2002-2022.
- 6. All major park renovation and new park construction capital project costs anticipate additional State and/or Federal grants totaling 20% of overall project cost.
- 7. Capital project costs represent total cost to implement projects, and include allowances for design & engineering services, permitting, construction administration, and Washington State Retail Sales Tax at a rate of 9%.
- 8. Project scheduling and implementation shall be reviewed annually by park staff with annual project implementation to be determined by park planning and development manager, park operations director, and park director.

Enhance Park User Experience

Scope of Work: Park Rangers Location: Citywide

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: First

Master Plan Goal: Goal J. Co-existence

Master Plan Objective: Objective 2. Park Design for Positive Interactions

Project Description

Approximately 2/3 of Spokane residents surveyed as a part of the 2022 parks and natural lands master plan believe "The City needs to do more to make parks and programs welcoming and accessible". Many residents throughout public engagement commented about not feeling welcome or safe in parks due to trash, drug use, and encampments. Public spaces are inherently contested space as they are shared by all types of people. This initiative was formed to support coexistence within parks by addressing conflict between park users through adding staff trained on trauma-informed approaches for interacting with users of park spaces.

This initiative will receive a dedicated percentage of levy funds allocated to improvement park safety and improve visitor experience. These additional funds will support hiring additional staff, purchasing and maintaining specialty equipment and vehicles as outlined below:

- Hire additional park ranger staff dedicated to expanding the park ranger program outside of Riverfront Park to provide a physical presence within neighborhood parks where there is high risk of conflict between park users or the park space is contested and unwelcoming. Add approximately (4) FTE, (1) park ranger supervisor, and (3) full time park rangers. It is anticipated that the park rangers will move from park to park in response to the greatest need for their presence. Specific positions will be determined by park ranger supervisor in coordination with the park director.
- Allocate \$40k in annual funding dedicated to purchase & maintain park ranger vehicles and specialty equipment.

Maintenance distributed citywide based on physical need

Project Description

Improving daily maintenance and management of existing parks' was viewed as important or essential by 2/3 of residents surveyed as a part of the 2022 parks and natural lands master plan. Over the past 20 years, the percentage of city funds spent on parks has consistently decreased, declining by 0.3% during that time (totaling \$2.6m in 2021 alone). 6 in 10 residents also felt the city should seek additional funding to maintain its existing offerings. To better meet community expectations for park maintenance and management, additional funds must be dedicated for that purpose.

To improve park operations and maintenance citywide, it is intended that the current park fund contribution to park maintenance and operations remains without being reduced while being augmented with a dedicated percentage of levy funds allocated for park maintenance and operations enhancements. These additional funds will support hiring additional staff, purchasing and maintaining equipment and vehicles as outlined below:

Hire additional park maintenance staff to maintain developed park grounds, facilities, pools and splash pads citywide. Add approximately (12) FTE, (10) dedicated to maintaining park facilities and grounds citywide and (2) dedicated to maintaining recreation facilities. Specific positions may include (1) foreperson, (1) program specialist, (2) irrigation specialist, (1)

equipment operator, (1) gardener, (1) tree worker, (3) laborers, (2) park caretakers, and temp seasonal staff (budget dependent). Specific positions will be determined by park operations director in coordination with park director.

- Hire additional staff dedicated to maintenance of park natural lands. Add approximately (2) FTE, including (1) program specialist / trails coordinator, and (1) caretaker. Specific positions will be determined by assistant director of natural resources in coordination with park operations director.
- Allocate \$300k annual funding to replace depreciated fleet of park maintenance equipment. Purchase and maintenance equipment used to maintain parks and natural lands (trip-plex mowers, heavy equipment, small power equipment, specialty tools, etc.)
- Allocate \$200k annual funding to replace depreciated fleet of park vehicles and purchase / lease new vehicles for added employees. Funding dedicated to purchase / lease of light trucks, heavy trucks, and crew vehicles. (1/2-ton & 3/4-ton pickups, Kodiaks, etc.)

Master Plan Objective: Objective 1. Replace Aged Facilities

Project Description

'Playgrounds' were identified by citizens during the 2022 park and natural lands master plan as the highest priority asset to upgrade within existing parks. A detailed condition rating of all city park playgrounds found nearly 60% of all city park playgrounds have aged beyond their design life, contain major damage, or are no longer functional and require complete replacement to restore proper functionality. Community input received also indicates that caregivers and residents desire more accessible playgrounds than currently offered.

This project will replace all park playgrounds which are rated with a physical condition of 3.0 or higher. This includes replacement of approximately (32) playgrounds citywide, including all (10) large (community) park playgrounds within the city and approximately (22) smaller playgrounds within neighborhood parks citywide. All playground replacements will include dedicated play equipment for both the 2-5 and 5-12 age groups, inclusive play features, and enhanced ADA pathways to the playgrounds from the surrounding park. Large (community) playgrounds will include additional play features and new rubberized play surfacing instead of wood fiber surfacing to further enhance accessibility and quality. Replacement locations & priorities will be determined annually by physical condition.

Playground Physical Condition Rating

All larger (community) parks listed below receive major playground replacement **regardless of rating**.

A.M. Cannon Park, Audubon Park, Comstock Park, Mission Park, Shadle Park, Sky Prairie Park, Thornton Murphy Park, and Underhill Park.

All smaller (neighborhood) park playgrounds **rated 3.0 to 5.0** receive complete playground replacement.

All smaller (neighborhood) park playgrounds **rated 1.0 to 3.0** receive enhanced maintenance repair.

Project Description

The 2022 park and natural lands master plan identified restrooms as the highest priority asset to upgrade and add within city parks. Lack of consistent restroom access & quality were considered a problem by 7 in 10 residents. The large majority of all park restrooms do not meet current ADA accessibility requirements & building code regulations, are easily vandalized or damage, are difficult to repair once damaged, and are in need of significant repair or replacement to reduce future maintenance burden and meet community expectation.

This project will replace approximately 50% of all park restrooms citywide, totaling approximately (40) individual restrooms buildings. Replacement restrooms will meet modern building code regulation and ADA access requirements and will include enhance ADA pathways to the restrooms from the surrounding park.

The remaining 50% of city restrooms will receive minor upgrades, including fixture replacements, paint, and other minor repairs as required to ensure functionality. Replacement & repair locations & priorities will be determined annually by physical condition.

Goal K. Maintain and Care

Objective 1. Replace Aged Facilities

Project Description

City of Spokane Parks is the largest single municipal user of city water, consuming approximately 4% of all water pumped citywide to irrigate park lands throughout the community. Numerous park irrigation systems are antiquated and require 'manual operation', ie. maintenance staff must physically 'plug-in' each sprinkler daily to operate the systems. These systems are inefficient, beyond their design lives, labor intensive, and expensive to operate. Additionally, in the 1970's and 1980's, numerous 'manual' systems were retrofitted with 'hydraulic control systems', which rely on highly unreliable components which are no longer manufactured and require replacement to ensure continued operation.

This project replaces approximately 175 acres of antiquated irrigation systems within approximately (13) parks, replaces all 'manual' irrigation systems and several of the most unreliable 'hydraulic' irrigation systems. New irrigation systems will be fully automated, high-efficiency, and include water saving accessories and sensors to further increase watering efficiency. Once complete, irrigation system upgrades significantly reduce labor resources required to complete basic watering, increase watering efficiency, and eliminate the regular need for daytime watering within parks. Landscape conversions from turfgrass to more drought tolerant meadow landscape will be considered for implementation with irrigation upgrades on a case-by-case, site-by-site basis.

Project Description

Community survey conducted during the 2022 park and natural lands master plan identified several community desires for park amenity improvements – better racquet sport courts, including dedicated courts for pickleball, pump tracks / BMX facilities, disc golf courses, dog parks, and picnic areas were the most requested amenities citywide.

In response to these community desires, this project will:

- Replace all (14) existing racquet sport courts citywide, adding dedicated courts for pickleball as well as tennis.
- Add (4)-(6) new artificial turf, all weather surface multi-use sports fields, (2)-(4) located at former Joe Albi Stadium site adjacent Dwight Merkel Sports Complex, and (2) located at Southeast Sports Complex.
- Construct (1) new disc golf course, at a location to be determined.
- Design (1) new pump track, and seek state grant / partner funding for construction of, preferably in District 1.
- Replace and add site furnishings & picnic tables throughout the city to improve picnic area amenities within parks.

Goal L. Funding Futures

Master Plan Objective: Objective 1. Pursue Additional Funding Sources

Project Description

Over the course of several bond projects, Spokane City Parks has effectively focused investment into targeted 'special use facilities' & amenities. As these large 'one-time' investments have occurred, the Parks Division has not been able to dedicate ongoing funds for regular capital to properly maintain various park assets. Regular minor repair of these park assets throughout the city have therefore been consistently deferred for several decades. Despite this deferral, many minor park amenities and infrastructure still require repair and have not been included within a larger project in this program. It is intended that this fund shall be used to 'fill the gaps' to improve the general condition of minor park assets citywide, and not be utilized to augment the budget of larger projects identified within this program.

This project funding will be dedicated for minor park repairs on an ongoing, annual basis for the upkeep, repair, and minor component replacement of park facilities. These minor repairs may include repair and replacement of playground components, park building & gazebo roofs & windows, parking lots (sealing, striping, repair, etc), park walkways & sidewalks, mechanical systems (boilers/hvac), pool & splash pad components (pumps/pool buildings/slides/pool decks), sewer and water utility lines, lighting systems, and other miscellaneous park features which may not warrant a dedicated project. Specific minor projects will be determined by physical need on an annual basis by the park operations director in coordination with the park planning manager and support staff.

Project Description

'Trailheads' & 'Trails' were identified by citizens during the 2022 park and natural lands master plan as a top tier community desire. Community input received indicates preference for renovation of existing trailheads prior to the construction of new trailheads, with Districts (1) & (3) expressing stronger preference for trailhead improvements than District (2). Community input also expressed preference for both paved and unpaved trails citywide.

In response to community desire, this project replace and improve trailheads and construct new trail as outlined below:

- Replace the existing trailhead at Palisades Park, near district 3 and develop an additional trailhead to access the newly acquired Rimrock to Riverside portion of Palisades Park.
- Provide supplemental accessory improvements to the newly renovated Beacon Hill trailheads currently being improved near district 1.
- Improve new 'Class 1' paved access trail from Cliff Drive through Edwidge Woldson Park to 7th avenue in district 2 to provide an ADA accessible trail connection to expand walkable park and school access and provide a safer alternative to the 'Tiger Trail'.
- Improve trailhead and trail access to the High Drive Bluff at appropriate location(s), which may include 'Rocket Gulch', or other locations as determined through collaboration with the Friends of the Bluff.
- Allocate a portion of the funding required to complete the Fish Lake
 Trail Gap @ 'U.P. Junction'. It is not intended that this project fund

Master Plan Priority Tier: First

Master Plan Goal: Goal K. Maintain and Care

Master Plan Objective: Objective 1. Replace Aged Facilities

Project Description

Minnehaha Park is the City's only large (community) park east of Freya and serves residents east of the new North-South Freeway (NSC) who have been adversely impacted by its construction. The park is currently in poor to failing condition, lacks recent investment, is located within the highest social and environmental park equity priority zone, and requires substantial redevelopment to restore its functionality. It is one of three parks identified specifically within the 2022 park and natural lands master plan for major replacement. An initial park renovation concept plan has already been generated with the community.

The planned project will include design, public outreach, and construction phases. Proposed improvements include renovation of up to 10 acres of park area, a large (community) playground, restroom upgrades, splash pad, paved off-street parking lot, neighborhood dog park, paved pathways, ADA improvements, irrigation system, multi-purpose field, connection to existing soft surface trails, landscape restoration, and if budget allows, either a pumptrack or a sport court complex (depending on community preference).

CITY OF SPOKANE

Project Description

Spokane's East Central & Lincoln Heights neighborhoods are located within medium and high social and environmental park equity priority zones and are home to several developed parks within the western neighborhood reaches. While residents West of Ray Street enjoy easy access to these facilities, residents living east of Freya & Ray Streets face a significant barrier crossing this high-capacity roadway to access existing park lands. As a result, more than 2,600 neighborhood households lack walkable access to a park, and the 2022 park and natural lands master plan identified acquiring land to improve park access for residents as a priority need for this area.

The planned project will include land acquisition only. Target land acquisition should be approximately 1-2 acres in size and may be either undeveloped or developed. Land acquired should be east of Freya Street between Hartson and 21st Street, with walkable access to as many homes as possible. Land acquired will be held in its acquired state until future park development funding is secured in the future.

Master Plan Priority Tier: First

Master Plan Goal: Goal E. Care for and Activate the Spokane River
Master Plan Objective: Objective 1. Develop additional universally
accessible water access points

Project Description

According to survey & market analysis from the 2022 park and natural lands master plan, 'fishing' / 'freshwater access' is one of the top five local activities by number of participants. As a result, increasing opportunities to access the Spokane river was identified as a tier 1 community priority. Particularly, the plan recommends 'developing additional universally accessible water access points for fishing access, including non-motorized boat launch, SUP & kayaking with adequate parking'. Access points should incorporate ADA design best practices for developing water access points.

The planned project will include:

- Design and construction phases for water access improvements a boulder beach near District 1 to expand ADA access and provide additional parking on the north side of Upriver Drive.
- Design only for a new ADA accessible non-motorized boat access point on the 'Three Islands' property within District 3 near the west end of the TJ Meenach bridge. Design will conceptualize a new paved parking lot / trailhead, ADA accessible trail, non-motorized boat access ramp, and potential swimming area. Construction funding for this property will need to be secured via grants and partnerships in the future to implement these improvements.

Master Plan Goals & Objectives

Goal C. Preserve Our Wild

Objective 1. Initiate Framework For Natural Land Acquisition Decision Making

Objective 2. Further Regional Partnerships For Land Acquisitions.

Objective 3. Initiate Interdisciplinary Partnerships For Land Management.

Project Description

According to community survey during the 2022 park and natural lands master plan, 93% of Spokane residents desire to protect wildlife habitat, conserve native plants, sensitive landscape and forests and preserve areas with beautiful or unique natural habitat. Despite rapid development of natural land within and immediately adjacent the City of Spokane, City Parks does not have a comprehensive strategy for the acquisition and maintenance of park natural lands, nor does it allocate dedicated funding to acquiring additional natural lands for preservation.

In response to community affinity for natural land, this program element will:

- Fund creation of a citywide 'Natural Lands Acquisition and Management Plan'. The plan shall include significant community input from subject matter experts, partner agencies (Spokane County, WDFW, etc.), citizen scientists, and community members.
- Create a dedicated fund for acquisition of priority natural lands identified within the acquisition and management plan, allocating approximately \$125,000 annually plus yearly escalation for property acquisition.

Park Size: Up to 14 acres

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: First

Master Plan Goal: Goal A. Serving the Under-resourced

Master Plan Objective: Objective 1. Address Geographic Gaps in Park Provision

Project Description

Meadowglen Park consists of +/-30 acres of city owned land which sits undeveloped within Spokane's rapidly developing North Indian Trail Neighborhood. More than 2,800 of neighborhood households lack walkable access to a park, making the neighborhood's 'park walkability' score the worst in the city. Developing Meadowglen Park significantly improves park access for residents within this neighborhood by creating walkable access to a developed park for over 650 households. It is one of three parks identified specifically within the 2022 park and natural lands master plan for major replacement and has been a primary desire for the neighborhood for over two decades. An initial park renovation concept plan has already been generated with the community.

The planned project will include design, public outreach, and construction phases. Proposed improvement includes new development of up to 14 acres of park area and preservation of at least 16 acres of property as natural land. Proposed improvements include a new neighborhood playground, restroom and associated utilities, pavilion / gazebo structure, paved off-street parking lot, sport court, paved pathways, ADA improvements, irrigation system, multipurpose turf field, connection to existing soft surface trails, and landscape improvements. It is envisioned that this project will consciously limit the amount of turfgrass and include large portions of 'meadow landscape'. Should funding permit, neighborhood dog park and/or splash pad may also be included.

Master Plan Goal: Goal A. Serving the Under-resourced

Master Plan Objective: Objective 1. Address Geographic Gaps In Park Provision

Project Description

The Shiloh Hills neighborhood, located in Northeast Spokane, is home to a large number of apartment homes, is highly socially vulnerable, is located within the highest social and environmental park equity priority zone, and more than 1,820 of neighborhood households lack walkable access to a park. In particular, residents east of Nevada Street have no walkable access to a park. Acquisition and development of a park in this vicinity is one of three priority 'new park development' projects identified specifically within the 2022 park and natural lands master plan and is listed as a 'very high priority'.

The planned project will include land acquisition, planning, design, public outreach, and construction phases. The priority for land acquisition is undeveloped property located north of Francis Street, East of Nevada Street, with walkable access to as many apartment homes as possible. Target land acquisition size is between 5-10 acres in size. Proposed improvements include a new neighborhood playground, restroom, sport court, paved pathways, ADA improvements, irrigation system, multipurpose turf field, and landscape improvements. Should funding permit a splash pad may also be included.

Proposed Park Size: Up to 15 acres

Master Plan Goal, Objective, and Strategy

Master Plan Goal: Goal A. Serving the Under-resourced

Master Plan Objective: Objective 3. Address Geographic Gaps in Park Provision

Project Description

Qualchan Hills Park consists of +/-16 acres of city owned land which sits undeveloped within Spokane's rapidly developing Latah Hangman Neighborhood. More than 2,100 neighborhood households lack walkable access to a park, making the neighborhood's 'park walkability' score the second worst in the city. Despite rapid residential planned-unit-development which includes privately maintained parks for nearby residents, no developed public park land exists east of Highway 195. Developing Qualchan Hills Park significantly improves park access for residents within this neighborhood by creating public park access for PUD & non-PUD residents alike. It is one of three parks identified specifically within the 2022 park and natural lands master plan for new park development. The property sits adjacent to school district lands – making a joint development of a school & park a possibility.

The planned project will include design, public outreach, and construction phases. Proposed improvements include new development of up to 10 acres of park area, including a new large (community) playground, restroom and associated utilities, pavilion / gazebo structure, splash pad, paved off-street parking lot, sport court, paved pathways, ADA improvements, irrigation system, multi-purpose turf field and landscape improvements, and if desired by the community, a potential neighborhood dog park. It is envisioned that this project will consciously limit the amount of turfgrass and include large portions of 'meadow landscape' and will plant an 'enhanced buffer landscape' along Hangman Creek.

Administration & Project Management

Scope of Work: **Project Administration, Management & Support**

Master Plan Goal, Objective, and Strategy

Master Plan Priority Tier: N/A Master Plan Goal: N/A Master Plan Objective: N/A

Project Description

Approximately 63% of all levy program funding is allocated to capital improvement, physical repair, and land acquisition within the city's park system. Successful implementation of the proposed capital improvements required detailed planning, public engagement, scheduling, management, design, bidding and construction administration, as well as accounting, audit and legal consultation. In lieu of retaining expensive project management consulting services, this program element expands the park planning group, which oversees and implements park capital projects and associated planning work. Hiring additional 'in-house' engagement, project management, and accounting staff enhances familiarity with the park system, reduces overall cost of administration, and retains only a limited amount of specialty professional services.

These funds will support hiring additional staff and providing the miscellaneous office equipment and supplies required by these staff as outlined below:

- Hire additional program management to implement, oversee and support implementation of the proposed capital program. Add approximately (6) FTE within the park administration division. Specific positions may include (1) project managers, (1) landscape architect or planner, (1) capital project accountant, (2) park planning technicians, and (1) clerk 2. Specific positions will be determined by park planning and development manager in coordination with the park director.
- Create allowance for legal and audit consulting services to ensure levy funds are appropriately allocated and administered.

What impacts would the proposal have on historically excluded communities? Public Works services and projects are designed to serve all residents and businesses. We strive to offer a consistent level of service to all, to distribute public investment throughout the community, and to respond to gaps in services identified in various City plans. We recognize the need to maintain affordability and predictability for utility customers. And we are committed to delivering work that is both financially and environmentally responsible. This item supports the operations of Public Works.			

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

N/A - This is a public works project and should not impact racial, gender identity, national origin, income level, disability, sexual orientation, or other existing disparity factors.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Public Works follows the City's established procurement and public works bidding regulations and policies to bring items forward, and then uses contract management best practices to ensure desired outcomes and regulatory compliance.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

This project is consistent with the City's adopted policies and programs.

RESOLUTION NO. 2023-0102

A Resolution adopting the City of Spokane's legislative agenda for the upcoming 2024 state legislative session.

WHEREAS, Spokane Municipal Code section 02.03.030 provides that "[a]ny legislative agenda to be advocated for by the City of Spokane at the state or federal level shall be adopted, and may be amended by resolution of the City Council, after consultation with the Mayor, as the official legislative agenda of the City of Spokane"; and

WHEREAS, the City Council typically identifies a list of multiple legislative goals for the coming session of the Washington Legislature as well as congressional goals, and among those goals categorizes its highest priority goals as "Tier 1 Priorities"; and

WHEREAS, the City Council has consulted with its contract lobbyists, state legislators, administration staff and interested stakeholders to form the attached initial list of Tier 1 priorities for the upcoming state legislative session(s); and

WHEREAS, the attached legislative agenda shall guide the City of Spokane's efforts at the state level for the 2024 regular legislative session and any special session(s) that may be held.

NOW, THEREFORE, BE IT RESOLVED that the Spokane City Council hereby adopts its City of Spokane 2024 State Legislative Agenda, as specified in <u>Attachment A</u> to this Resolution.

Attachment A

City of Spokane Tier 1 Legislative Priorities

Funding for homelessness, public safety, and other critical needs

- Raise the arbitrary local property tax limit from 1 to 3 percent, to account for inflation and population growth. This will help the City keep up with the rising costs of essential public services such as police, fire, streets and utilities. Adjusting this cap could generate an additional \$1.5 million to better serve Spokane.
- Expand the real estate excise tax (REET) with a local option to help fund affordable housing, behavioral health services for people experiencing homelessness, and provide seed money for a regional homeless authority. If fully utilized, REET could generate an additional \$4.5-\$5 million for these vital City services.

Addressing the growing threat of wildfires

Invest in a Latah Valley firefighting facility to serve the rapidly growing wildland-urban interface zone west of Hwy 195. This underserved area of Spokane adjoins heavily wooded state DNR and County lands that are highly susceptible to wildfire but hard to reach with emergency-response services. The City has committed significant resources including land, design, and water delivery infrastructure. An additional \$8 million is needed to speed construction of this project aimed at preventing a repeat of the deadly Gray and Oregon Road fires last summer.

Expanding opportunities to walk, bike, and play

- \$1 million to improve safety and install new play equipment, restrooms, and sports facilities at Minnehaha Park, located in the historically under-resourced Hillyard neighborhood of Spokane. Spokane Parks will secure the remaining funds for this \$8.5 million upgrade through their upcoming parks levy and \$1-\$1.5 million state Recreation & Conservation Office (RCO) grant.
- \$1 million toward connecting Spokane's Fish Lake Trail with the 130-mile Columbia Plateau Trail that runs through the heart of eastern Washington to Pasco. Since 1991, the City has paved approximately 9 miles of this trail, but a one-mile gap remains that requires a grade-separated bridge over two active rail lines. Spokane Parks will use this funding to complete detailed engineering plans, secure easement agreements with State Parks and BNSF, and engage community partners to completely finance construction.

Tougher consequences for hate crimes

- Modify the state's hate-crime law to include the damage or destruction of public property motivated by race, color, religion, ancestry, national origin, gender, gender identity or expression, sexual orientation or mental, physical or sensory disability.
- Create a hate-crime hotline in the State Attorney General's Office to connect victims with crisis intervention, information, and referrals to community service providers.

Supporting our community partners

\$2.5 million to build a childcare center in northeast Spokane dedicated to serving workers with nontraditional hours, including swing shifts and weekends. Operating costs will be supported by state programs and local employers offering childcare benefits to their employees. This public private partnership, spearheaded by Northeast Community Center/The Zone and Northeast Public Development Authority, has widespread community support.

Explanatory Statement for City of Spokane Measure No. 1. – Library Operations Levy

Measure No. 1 submits to the voters a ballot measure proposing a continuation of the increase in the regular property tax levy for Library operations for a three-year period from 2025-2027. This Library operations levy will impose an additional regular property tax levy in the amount of \$0.07 per \$1,000 of 2025 assessed value to be used exclusively for Library operations. Similar levy measures were previously submitted to and approved by the voters in 2013 and 2017 using the same \$0.07 per \$1,000 assessed value tax levy amount. It is anticipated that the levy lid lift will raise approximately \$2,500,000 in 2025, \$2,525,000 in 2026; and \$2,550,250 in 2027 for the Library's operations budget. For a home valued at \$330,000, the Library Operations Levy would add approximately \$23 per year to the property tax. This levy revenue rate has generated approximately 20% of the Library's operations budget.

If the Library Operations Levy is not reauthorized, the loss of revenue will require the Library to modify service levels to offset the loss of revenue.

Explanatory Statement for City of Spokane Measure No. 2 –Citywide Park Improvement and Safety Levy

Measure No. 2 submits to the voters a ballot measure proposing an increase in the regular property tax levy for Citywide Park Improvements and Safety for a twenty-year period beginning in 2025. This levy will impose an additional regular property tax levy in the amount of \$0.29 per \$1,000 of 2025 assessed value to be used for parks renovation and improvements in neighborhoods citywide including renovating aging parks, playgrounds, restrooms, sport courts, and trailheads; increasing park rangers and maintenance personnel; developing new parks in neighborhoods without parks; adding all-weather sports fields; and protecting natural lands. It is anticipated that the levy lid lift will initially raise approximately \$10.3M annually beginning in 2025. For a median home valued at \$330,000, this levy would add approximately \$96 per year to the property tax. This levy revenue rate will generate approximately 29% of Park's budget.

If the Parks Improvement and Safety Levy is not approved, additional safety and maintenance staff will not be added, and proposed improvements to park facilities and grounds will not be implemented.

RESOLUTION NO. 2023-0106

A resolution rescinding prior Resolution 2023-0043 referring a matter to the voters of the City of Spokane, and directing the City Clerk to advise the Spokane County Clerk to remove the proposition from the February 13, 2024, ballot, and calling for creation of a City Charter Review Committee.

WHEREAS, on July 24, 2023, the city council adopted resolution 2023-0043, a resolution requesting the Spokane County Auditor hold a special election in conjunction with the scheduled special election on February 13, 2024, to submit to the electors of the City of Spokane a proposition regarding amendments to the Spokane City Charter adding a new section 62 and repealing sections 59 and 60, all relating to the city council redistricting process; and

WHEREAS, there has not been a comprehensive review of the Spokane City Charter since creation of a City Charter Review Committee in 2008; and

WHEREAS, it is customary in other jurisdictions to review their charters every ten years for technical inconsistencies and substantive corrections; and

WHEREAS, the City Council wishes to repeal Resolution 2023-0043 to allow for more comprehensive review of technical and substantive provisions of the Spokane City Charter, in anticipation of referral of such changes to the voters of Spokane for consideration in November 2024.

NOW, THEREFORE, BE IT RESOLVED by the City Council for the City of Spokane that Resolution 2023-0043 is repealed, effective immediately, and

BE IT FURTHER RESOLVED that the City Clerk is directed to deliver a certified copy of this resolution to the Spokane County Auditor no later than December 15, 2023;

BE IT FURTHER RESOLVED that the City Council requests that there be convened a "City Charter Review Committee" consisting of City Council members, senior administration officials, and community stakeholders to review the City Charter and make recommendations for technical and substantive changes to the City Charter no later than July 1, 2024, in anticipation of referral of such changes to the voters of Spokane for consideration in November 2024.

Agenda Wording

An ordinance relating to the waiver of certain permitting fees for solar energy systems and electric vehicle charging stations set forth Spokane Municipal Code and adding fees, amending SMC 08.02.031, SMC 08.02.034, SMC 15.05.040, and SMC 15.05.05

Summary (Background)

In an effort to support and encourage renewable energy within the City of Spokane, Council approved an ordinance on March 5, 2018, which waived the building and construction permit fees related to the installation of solar energy systems. In the recent years the number of solar permits has increased significantly. This places a burden on the DSC and Fire Dept. to perform this work while not being adequately compensated.

The actual **Permit/Inspection** and **Plan Review Fees** shown in the Job Value Examples will vary in accordance with the existing sliding scale identified in SMC 08.02.031(A).

The **Flat Fee Proposal** will require updates to <u>SMC 08.02.031</u> as a separate Solar Permit/Inspection Fee does not currently exist.

- Prior to the Solar Fee Waiver adopted under <u>SMC 15.05.040</u>, building permits required in association with the Electrical Solar Permit were based on the Job Value.
- The \$75 Plan Review Fee proposed is based on the SMC 08.02.031(C)(5) for an estimated 1hr or less of plan review and the associated overhead costs determined during our 2008 Fee Study and is on par with the Residential Job Value Review Fee for the estimated average job value.
- The \$150 Permit Inspection Fee proposed would be equal to the Single-Family Residence Safety Inspection Fee for 2-or-more trade categories. (See <u>SMC 08.02.031(S)(3)</u>)
 - This fee should be sufficient for most installations and the 2-3 inspection visits likely to be required for solar installations.
 - This fee also keeps our fees completive with those of the County whose fees are \$190-\$290 depending on mounting method + a separate electrical permit applied for through L&I.

Separate Building and Electrical Inspections are required which previously involve the need for multiple permits. We have combined the Building and Electrical Permits into a single Solar Permit *similar to our Sign Permits* to provide customers with a simpler process and save them from paying the extra \$25.00 processing fee for the extra permit.

The **Energy Storage System (ESS)** Fee does not currently exist and is being requested due to increased demand for these and recognition of the need to inspect them in accordance with IRC 324 and NFPA 70. ESS may include batteries and require ventilation, protection from vehicle impact, appropriate UL Listing, and commissioning.

Staff has been working with **SolarApp+** to bring a simplified review process to our community for residential installations. This will allow residential solar contractors to apply directly to SolarApp+ for an almost instant review at a \$25 fee paid directly to SolarApp+. Once approved they will enter their approval code into our permit system, therefore bypassing plan review and going straight to inspection. No additional review fees will be required if the contractor chooses to use SolarApp+. We hope to have this live by the end of the year.

ORDINANCE NO. C36454

An ordinance relating to the waiver of certain permitting fees for solar energy systems and electric vehicle charging stations set forth in the Spokane Municipal Code and adding fees, amending SMC 08.02.031, SMC 08.02.034, SMC 15.05.040, and SMC 15.05.050.

WHEREAS, the City of Spokane's Sustainable Action Plan was adopted in 2009; and

WHEREAS, the City of Spokane's Sustainable Action Plan identifies renewable energy as a strategy to improve efficiency and sustainability; and

WHEREAS, in 2018, the City worked with local energy experts to adopt a goal of 100% renewable electricity by 2030; and

WHEREAS, the City of Spokane City Council adopted two new sections 15.05.040 and 15.05.050 of the Spokane Municipal Code with the inclusion of a fee waiver to incentive the use of renewable energy sources; and

WHEREAS, when this ordinance was considered the City Council at the time did not complete a financial impact assessment of the Development Services Center enterprise fund, or identify a funding source to make the enterprise fund whole.

NOW THEREFORE, the City of Spokane does ordain:

Section 1. That section 15.05.040 of the Spokane Municipal Code is hereby amended as follows:

Section 15.05.040 Solar Energy Systems

A. The City of Spokane is committed to increasing the use of renewable energy citywide to become more resilient and reduce reliance on fossil-fuel based energy.

((B. All City of Spokane building and construction permit fees imposed in connection with the installation of a solar energy system pursuant to chapter 08.02, SMC shall be waived until the majority of energy sourced in Washington state is derived from renewable resources. The permit fee waiver is limited to the building and construction of a solar energy system. The permit fee waiver does not apply to permits and fees not connected to the solar energy system.))

Section 2. That section 15.05.050 of the Spokane Municipal Code is hereby amended as follows:

Section 15.05.050 Electric Vehicles

A. The City of Spokane is committed to increasing the purchase, conversion to, and use of alternative vehicle fuels such as biodiesel, natural gas, and electricity.

((B. All City of Spokane building and construction permit fees required for the installation of an electric vehicle charging stations shall be waived until the majority of energy sourced in Washington state is sourced from renewable resources.))

B. The City of Spokane shall assist the Spokane Regional Transportation Council, Spokane Transit Authority, and county and regional governments to transition to electric fleet and other renewable energy-powered public transit options.

Section 3. That section 08.02.031 of the Spokane Municipal Code is hereby amended as follows:

Section 08.02.031 Building Code

A. Building Permit.

Building permit fees are based on the value of the work to be done as follows:

```

To raidations of \$600,001 and over, 1000 are calculated o

Permit Fee: Valuation multiplied by 0.0165

Plan Check Fee: 65% of permit fee.

2. Fees apply to initial submittal and one subsequent resubmittal if the initial submittal is not accepted. If the resubmittal is not accepted, the applicant will need to begin a new submittal.

3. Penalty.

Whenever any work for which a fire equipment permit is required is started without first obtaining a permit, the permit fees specified above are doubled and a Class 1 civil infraction may be issued.

4. Fee Refunds.

The fire official may authorize the refund of any fee erroneously paid or collected. The fire official may authorize the refunding of not more than eighty percent of the paid permit fee when no work has been done under an issued permit.

Valuation.

The valuation of the work done must be submitted at the time of application for a permit. The valuation is the value of the work to be done and includes all labor, material, equipment, and the like supplied and installed by the permittee to complete the work. The permittee may be asked to verify the valuation placed on the work. When the cost of any proposed work is unknown, an estimate of the cost shall be made and used to compute the permit fee. Upon completion of the work, a fee adjustment is made in favor of the City or permittee, if requested by either party.

6. Inspections.

The number of inspections for each permit is determined by the valuation, with the minimum number of inspections for a permit being two.

7. Revisions.

Fees include one revision to an approved submittal. Additional revisions will be charged at an hourly rate of one hundred five dollars.

8. Phasing

Submittals for projects that are done in phases for the construction shall follow the phasing approved as part of the building permit. Where a building permit has not been issued, the phasing shall be approved by the Fire Code Official.

C. Fire Protection System Verification.

The fee for verification that a fire protection system has been appropriately serviced by a fire department registered fire equipment servicer, for each inspection, is:

1. Thirty-eight dollars for:

- a. sprinkler systems,
- b. standpipe systems,
- c. alarm systems,
- d. rangehood systems,
- e. inert gas extinguishing systems,
- f. spray booths, and
- 2. Nineteen dollars for private fire hydrants.

D. Safety/Building & Multi-Family Inspections.

The fee for conducting safety inspections is one hundred five dollars per hour with a minimum one-hour charge, including annual life safety reviews for short-term rentals. Building and multi-family inspections will be charged according to building area per the table below:

	Building Area (sq. ft.)	Fee
A		

	0 – 1,500	
В	1,501 – 3,000	
С	3,001 – 5,000	\$44

Q	150,001 – 200,000	\$512
R	Over 200,000	

E. Reinspections.

The fee for conducting reinspections is one hundred five dollars per incident. This applies to inspection requests beyond the allowable inspections associated with an original permit. The reinspection fee will apply when an inspection is scheduled with the fire department and the following occurs:

- 1. The project or occupancy is not ready for the inspection.
- 2. Corrections that were previously identified remain uncorrected.
- 3. The site is not accessible and a return visit is required.
- F. Inspection fees as set forth in this section are appropriated for an estimated time spent equal to or less than one hour per inspection. Permitees are subject to additional inspection fees, which shall apply in a minimum of one-hour increments for each permit fee category, for additional time spent on inspection services to include code research and return site visits.

G. Solar Photovoltaics

Solar photovoltaic permits be assessed at 20% of the Chart A valuation.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution? No additional data of meetings will be collected.				
Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others? Proposal brings better transparency and communication between all aspects of the local government in order to create better overall efficiencies within the organization.				

ORDINANCE NO. C36456

An ordinance relating to budget planning and budget presentations, and amending Section 07.14.030 of the Spokane Municipal Code.

WHEREAS, pursuant to RCW 35.33.075, the City of Spokane must adopt a balanced budget each year, wherein expenditures do not exceed anticipated revenues and available funds carried forward form the prior year; and

WHEREAS, pursuant to RCW 35.33.135 and SMC 07.14.010, the mayor is to provide the city council with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with any preliminary budget prepared by the Director of Finance, Treasury and Administration; and

WHEREAS, SMC 7.14.030 requires the Finance, Treasury and Administration Division to provide to the City Council "regular, monthly, financial reports including budget-to-actual data for the General Fund and any other key fund(s)"; and

WHEREAS, development and adoption of a balanced annual city budget is a complex process that depends on regular reports as required by SMC 7.14.030 and further depends on regular and year-long communication between the administration and the city council, as well as separate projections that reflect both administrative and council views regarding both expenditures and revenues; and

WHEREAS, the city council regularly holds study sessions each Thursday for briefings on topics and issues relating to city matters.

NOW THEREFORE, the City of Spokane does ordain:

Section 1. That Section 07.14 030 of the Spokane Municipal Code is amended to read as follows:

Section 07.14.030 Budget Monitoring and Review

- A. The Finance, Treasury and Administration Division shall provide regular, monthly, financial reports including budget-to-actual data for the General Fund and any other key fund(s), as necessary. The reports will be provided to the City Council as soon as reasonably available upon the closing of the period.
 - 1. As part of the regular monthly reports, a summary of the General Fund budgeted revenue and expenditures shall be provided with estimates of beginning and ending fund balance and reserves with presumptions and trends, and, when available, council budget staff outlooks defined in the estimates.

- 2. In the month following the end of a quarter's Finance and Administration Committee Meeting, the Management and Budget Department will provide a summary of potential financial or operational issues that may impact the City's overall financial position, either positively or negatively, based on analysis of actuals relative to the approved budget.
- 3. In the month following the end of the quarter, the Management and Budget Department will provide proposed budget amendments as deemed appropriate based on operational activities, grant or contract awards, financial projections, or other relative information. City Council will determine which proposed budget amendments will proceed for the approval process via a special budget ordinance. The special budget ordinance will be scheduled for approval accordingly.
- B. The Finance, Treasury and Administration Division shall provide a pre-audit year- end financial report for the General Fund, and any other key fund deemed appropriate. The report will include relative fund/reserve balances for the General Fund. The report will be provided to the City Council as soon as reasonable and reliable financial information is available following the close of the fiscal year, but no later than the end of May.
- C. Based on analysis of financial activity from the previous fiscal year, as reported in the preaudit year-end financial report, the Finance, Treasury and Administration Division shall provide:
 - 1. An update to the General Fund Five-Year Forecast based on all known or expected revenues and expenditures. The General Fund Five-Year Forecast will include the current year's budget, current year projections, and updated projections including projections for the subsequent four years and, when available, council budget staff projections for the same periods. The report will be provided to the City Council by the May Finance and Administration Committee meeting.
 - 2. Focused discussion on current year General Fund "summary type code" accounts (both within the General Fund and supported by the General Fund) that have a materiality level of a budgeted 5% of overall expenditures and/or is projected to be +/- of \$250,000 of its annual budget allocation.
 - 3. By the May Finance and Administration Committee meeting, the Administration will provide a recommendation to the City Council which, via Special Budget Ordinance, rectifies the material budget inaccuracies identified within 07.14.030 (C)(2) to fall below thresholds identified.
 - D. The Finance, Treasury and Administration Division, and other senior administration personnel and cabinet members, shall, upon concurrence of the mayor, make themselves available for budget deliberations with the City Council on a monthly basis, or more frequently as mutually agreed with the mayor. The city council shall set aside its regular study sessions on the second Thursday of each month, if coinciding with a holiday, the third Thursday shall be set aside for budget presentations and discussions with program managers, cabinet-level department heads, and senior level administrators. The Administration should make other staff members available as necessary or beneficial to the content of the planned discussion. The monthly study sessions shall be held in a location that allows for real-time public viewing of the study

session via a live telecast or streaming in the same manner as regular briefing and legislative session of the city council.

Section 2. This ordinance shall become effective on January 1, 2024.

ORDINANCE NO. C36468

AN ORDINANCE relating to the City of Spokane's Utility Tax; amending the Spokane Municipal Code (SMC) section 08.10.030(A)(3), (4) and (7) and setting an effective date.

WHEREAS, the City of Spokane Utility Tax rate for Water, Wastewater and Solid Waste services shall be temporarily increased in the amount of One (1%) percent for a total utility tax rate of twenty-one (21%) percent, beginning January 1, 2024, through December 31, 2024; and

WHEREAS, effective January 1, 2025, the temporary increase of One (1%) shall terminate without further action by the City Council; and

WHEREAS, effective January 1, 2025, the City's Utility Tax for Water, Sewer and Solid Waste services shall revert to a total utility tax rate of twenty (20%) percent;

NOW, THEREFORE,

The City of Spokane does ordain:

Section 1: That SMC section 08.10.030 is amended to read as follows:

08.10.030 Business Activities Subject to Tax – Amounts – Effective 1/1/2024 to 12/31/24

- A. There is levied upon and shall be collected from all persons engaging in the following utility business activities a utility gross receipts tax or license fee measured by multiplying the rate specified times the gross income as follows:
 - 1. Selling, wheeling, or furnishing electric light or power: Six percent of gross income.
 - 2. Selling, brokering, or furnishing natural or manufactured gas for hire: Six percent of gross income.
 - 3. Providing solid waste collection service: ((Twenty)) <u>Twenty-One</u> percent of gross income.
 - 4. Operating a public wastewater collection and treatment system: ((Twenty)) Twenty-One percent of gross income.
 - 5. Providing telegraph service: Three and one-half percent of gross income.
 - 6. Engaging in the telephone business: Six percent.

- a. This percentage is taken of gross revenues derived from engaging in the telephone business in the City of Spokane, including one hundred percent of the total gross revenues derived from intrastate toll telephone services so long as the tax is not imposed on that portion of network telephone service, as defined in RCW 82.04.065, which represents charges to another telecommunications company, as defined in RCW 80.04.010, for connecting fees, switching charges or carrier access charges relating to intrastate toll telephone service, or for access to, or charges for interstate services, or charges for network telephone service that is purchased for the purpose of resale.
- b. With respect to any rate affecting cellular taxation, subject also to RCW 35.21.870, no change in the tax rate affects business activities occurring before the effective date of the change, and no change will take effect sooner than sixty days following enactment of any amendatory ordinance.
- c. In the case of cellular telephone service, when the service is provided to a customer roaming outside his normal use cellular network area, gross income for taxation purposes is determined consistent with the taxpayer's accounting system to the location of the originating cell site of the call, or to the location of the main cellular switching office that switched the call.
- d. In the case of cellular telephone service, payments by a customer for the telephone service for telephones without a fixed location shall be allocated among taxing jurisdictions to the location of the customer's principal service address for the period during which the tax applies. There is a presumption that the service address a customer supplies to the taxpayer is accurate and current, unless the taxpayer has knowledge or reason to know the contrary.
- e. If there is a dispute between the City of Spokane and another Washington city imposing a municipal telephone utility tax on cellular service of the same nature as imposed by this chapter, which dispute is limited only to the question of the correct allocation of municipal telephone taxes as between the City of Spokane and some other Washington city, the taxpayer may obtain exoneration from further tax liability, interest, and penalties due and owing to the City of Spokane with respect to the transactions under dispute by tendering the total amount of tax claimed due by the City of Spokane into an escrow account with the City treasurer or as established hereafter by appropriate interlocal agreements under the administrative sponsorship of the Association of Washington Cities. Under these arrangements, the taxpayer remains responsible to adjust its billing records promptly upon

notification under procedures sanctioned through the Association of Washington Cities of the resolution of any dispute encompassed within the terms of this paragraph.

- 7. Selling or furnishing water for hire: ((Twenty)) <u>Twenty-One</u> percent of gross income.
- 8. Providing cable, telecommunications, or similar type service to the public, which involves the use of the right-of-way for the installation of wires, cables, fixtures, or other equipment, where not otherwise addressed in this section or prohibited by law: Six percent of gross income.
- B. Subsections (A)(3), (A)(4), and (A)(7) of this section include, so far as permitted by law, the City of Spokane, and the fee or tax imposed applies to the specified business of the entire City service area, except that subsection (A)(3) of this section does not apply to operations or functions undertaken by the City occurring outside the City of Spokane and undertaken by the City as manager of a joint project pursuant to interlocal cooperation agreement.
- C. The taxes imposed in subsections A (1), (2), (3), (5), (6), and (8) do not apply to amounts derived from utility business activities otherwise taxable arising from providing service to customers at locations operated or managed by an airport board pursuant to interlocal agreement arising under the authority of chapter 14.08 RCW, where such locations have been annexed to the City, said annexation taking effect on or after January 1, 2012; provided further, this exclusion does not apply to revenues derived from customers operating municipal solid waste disposal facilities or revenues otherwise taxable from municipal solid waste disposal facility operations.
- D. The increased taxes imposed in sections (A)(3), (A)(4), and (A)(7) of this section are temporary increases from January 1, 2024 through December 31, 2024, after which said increases in sections (A)(3), (A)(4), and (A)(7) of this section shall revert to a total tax of twenty (20%) percent, effective January 1, 2025.

Section 2: That effective January 1, 2025, SMC section 08.10.030 is amended to read as follows:

08.10.030 Business Activities Subject to Tax – Amounts – Effective 1/1/2025

- A. There is levied upon and shall be collected from all persons engaging in the following utility business activities a utility gross receipts tax or license fee measured by multiplying the rate specified times the gross income as follows:

- 2. Selling, brokering, or furnishing natural or manufactured gas for hire: Six percent of gross income.
- 3. Providing solid waste collection service: ((Twenty-One)) Twenty percent of gross income.
- 4. Operating a public wastewater collection and treatment system: ((Twenty-One)) Twenty percent of gross income.
- 5. Providing telegraph service: Three and one-half percent of gross income.
- 6. Engaging in the telephone business: Six percent.
 - a. This percentage is taken of gross revenues derived from engaging in the telephone business in the City of Spokane, including one hundred percent of the total gross revenues derived from intrastate toll telephone services so long as the tax is not imposed on that portion of network telephone service, as defined in RCW 82.04.065, which represents charges to another telecommunications company, as defined in RCW 80.04.010, for connecting fees, switching charges or carrier access charges relating to intrastate toll telephone service, or for access to, or charges for interstate services, or charges for network telephone service that is purchased for the purpose of resale.

Subsections (A)(3), (A)(4), and (A)(7) of this section include, so far as permitted by law, the City of Spokane, and the fee or tax imposed applies to the specified business of the entire City service area, except that subsection (A)(3) of this section does not apply to operations or functions undertaken by the City occurring outside the City of Spokane and undertaken by the City as manager of a joint project pursuant to interlocal cooperation agreement.
- C. The taxes imposed in subsections A (1), (2), (3), (5), (6), and (8) do not apply to amounts derived from utility business activities otherwise taxable arising from providing service to customers at locations operated or managed by an airport board pursuant to interlocal agreement arising under the authority of chapter 14.08 RCW, where such locations have been annexed to the City, said annexation taking effect on or after January 1, 2012; provided further, this exclusion does not apply to revenues derived from customers operating municipal solid waste disposal facilities or revenues otherwise taxable from municipal solid waste disposal facility operations.

Section 3: Effective Date.

This Ordinance shall take effect and be in force on January 1, 2024.

An Ordinance changing the zone from Context Area 4 (CA4) to Residential High Density 55 (RHD-55) for property located at 802 E Sharp Ave. in the City and County of Spokane, State of Washington, by amending the Official Zoning Map.

Summary (Background)

A rezone request to change the zoning at the above addresses from CA4 to RHD-55 (Context Area 4 with a height limit of 35ft to Residential High Density with a height limit of 55ft) was approved by the Hearing Examiner on July 7, 2023. This rezone changes the allowable uses to be built in this location by removing commercial uses and allowing only residential and institutional uses. It also changes the maximum allowable height of a primary structure from 35ft to 55ft. This rezone was processed as

Relevant Facts:

In Chapter 3, Land Use, of the City's Comprehensive Plan:

*Goal LU 3 Efficient Land Use states: Promote the efficient use of land by the use of incentives, density and mixed-use development in proximity to retail businesses, public services, places of work, and transportation systems.

*Policy LU 1.4 states that higher density residential uses are encouraged closer to Centers and Corridors.

*Policy LU 3.1 encourages efficient growth and development by focusing growth in areas where adequate services and facilities exist.

*Policy H 2.4 states that housing should be located in relation to other land uses like employment, transportation, and educational uses.

*Goal LU 5 Development Character states: promote development in a manner that is attractive, complementary, and compatible with other land uses.

*Policy LU 5.5 states ensure that infill and redevelopment projects are well-designed and compatible with surrounding uses and building types.

<u>Staff Discussion:</u> The proposed development is housing for students attending Gonzaga University and is owned by the University. Increasing the height to 55 feet at this site would allow development which is compatible with similar buildings and land uses in the area. The land use designation of institutional is compatible with the proposed development. The area is built out with infrastructure and public facilities in place; also, the site is within one block of the center and corridor of Hamilton Street where retail, places of work and transportation systems are plentiful.

ORDINANCE NO. C36469

An Ordinance changing the zone from Context Area 4 (CA4) to High Density Residential 55 (RHD-55) for property located at 802 E Sharp Ave. in the City and County of Spokane, State of Washington, by amending the Official Zoning Map.

WHEREAS, the Hearing Examiner held a public hearing on this matter on May 31, 2023 on the request of the owner of certain property zoned Context Area 4 (CA4), and generally located at the southeast corner of E. Sharp Ave and N. Cincinnati St. in the City and County of Spokane, State of Washington, and on July 7, 2023, recommended approval of said zone change for said property subject to conditions; and

WHEREAS, this designation is not a major action significantly affecting the quality of the environment; and

WHEREAS, the City Council, upon public hearing, adopts the Findings, Conclusions, and Decision of the Hearing Examiner, dated July 7, 2023, and further determines that this rezone furthers the accomplishment of the Land Use Element of the Comprehensive Plan, encourages orderly development of a type and at a time that enhances the neighborhood, and does not produce adverse effects on the local environment; NOW, THEREFORE - - -

The City of Spokane does ordain that the Director of Planning Services be directed to change the Official Zoning Map adopted by Spokane Municipal Code Section 17A.040.020, so as to designate the property described as:

ORDINANCE NO. C36477

An ordinance relating to the grant acceptance process and amending SMC 07.19.010 of Title 07.19 of the Spokane Municipal Code.

WHEREAS, in 2014 the city council adopted Ordinance C-35189, adding SMC 07.19.010 to the Spokane Municipal Code and requiring city departments to secure city council approval before submitting grant applications; and

WHEREAS, the general purpose of C-35189 and SMC 07.19.010 was to ensure the City was not obligated to significant direct and indirect financial burdens associated with grants without the city council being fully informed of grant implications prior to the acceptance of funding by the city council, and to ensure the City of Spokane did not seek grants inconsistent with City of Spokane policies or legislative priorities; and

WHEREAS, SMC 07.19.010 has proved burdensome and time-consuming for city departments, especially for smaller scale grants, or grant applications with comparatively short application timelines; and

WHEREAS, the city council wishes to amend the Spokane Municipal Code so as to harmonize the sound policy decision behind SMC 07.19.010 with practical realities of grant application process, and thereby ensure that grant applications for larger grant awards continue to receive prior council review while relieving smaller grant applications of a cumbersome internal review process.

The City of Spokane does ordain:

Section 1. That SMC section 07.19.010 is amended to read as follows

Chapter 07.19.010 ((Approval of)) Grant ((Applications)) Acceptance

Section 07.19.010 ((Approval of)) Grant ((Applications)) Acceptance

((A. All applications for state or federal grants above the minor contract amount set forth in chapter 7.06 SMC submitted by or behalf of the City of Spokane shall be approved by the City Council prior to submission of the application either in conjunction with the adoption of the annual budget or subsequently as part of the city council's consent agenda.

- B. The grants shall match up the specific project with the funding source. However, the submitting department may include with the adoption of the annual budget up to five projects with unmatched grants to account for unexpected grant opportunities.
- C. The City Council may waive the requirement of having agenda items presented to City Council standing committees in order to place grant application documents on

the City Council agenda for unanticipated grants with a limited time period for acceptance.

- D. The requirements in the subsection shall not apply to:
 - loans associated with the Washington State Public Works Trust Fund or other state or federal loan programs or
 - 2. financial aid or funding programs that reimburse the City for expenses associated with the City's participation in emergency public safety programs such as reimbursements from the Federal Emergency Management Agency.))

A. For purposes of this Chapter, the following definitions apply:

- 1. The term "department" means the city department or division preparing and submitting a grant application.
- 2. The term "grant" means any opportunity for funding of City of Spokane projects and programs by federal, state, local or non-public funding sources, whether or not requiring matching or supplemental City of Spokane funds.
- 3. The term "grant amount" refers to the aggregate amount of the anticipated funding provided to the City under the grant, exclusive of any City matching amount or contribution, and regardless of the number of years of grant funding. Any grant requiring City matching amount or contribution above the minor contract amount set forth in SMC 7.06.060 shall be deemed above the minor contract amount.
- 4. The term "minor contract amount" means the maximum dollar amount to which the City may commit in any agreement without prior legislative approval, including, but not limited to, the amount set forth in SMC 07.06.060.
- 5. The term "partnership" means, regardless of how designated, any grant application in which the City (a) expects to share only a portion of the grant award, (b) expects to provide all or a portion of matching funds, including in-kind contributions and/or the use of city assets, for grant awards slated for other parties participating in the application, and/or (c) expects to provide personnel to ensure grant compliance for other parties participating in the application.
- B. A department may apply for and accept grants with a grant amount below the minor contract amount without prior city council approval.
- C. A department may apply for grants above the minor contract amount. However, each grant award above the minor contract amount must be approved by the city council before the execution of documents committing the City to grant terms,

conditions, and funding, and city council must be advised at time of council review of any city matching funds requirements. Department staff shall prepare materials necessary for council consideration and ensure that such materials are submitted consistent with city council rules of procedure.

- D. The department must provide the city council with a summary of the grant evaluation that was conducted during the application process. Various elements of a grant evaluation include any future fiscal burden or long-term expenditures, additional and/or permanent staffing, staff support, indirect costs, local funding match, or in-kind match, and any other ongoing operating and maintenance impact.
- E. Notwithstanding anything to the contrary in this section, city council approval is required prior to any grant application submitted in partnership with another organization (private or public) to obtain a letter of support. The City will not be bound by partnership grant award terms, conditions or funding not approved by the city council in advance.
- F. If a budget appropriation is required for a grant, the department shall request a corresponding special budget ordinance at the same time as presentation of the grant for city council review and approval.
- G. It is the responsibility of the department to ensure compliance with all grant terms and conditions, including, but not limited to, ensuring agreed-upon deliverables, preparing grant status reports, examining and tracking incurred costs, filing timely requests for reimbursements from grant funders, and following the specified close-out procedure provided by the grant funder. Departments shall depend on central accounting or finance for basic grant functions unless otherwise approved by the City's chief financial officer or his/her designee.

Summary (Background)	The Downtown Spokane business improvement district (Downtown BID) was established in 1995 to provide a variety of programs and services in the downtown district, including security ambassadors, marketing and promotions, parking and transportation programs, maintenance services, special events, and economic development support. The Downtown Spokane Partnership (DSP) administers and operates these programs through a contract with the City of Spokane. The BID collects an annual assessment from business and property owners within the district to provide funding for programs and services. Chapter 04.31 SMC sets forth the annual process for assessing and collecting assessments from ratepayers within the district. The annual process includes the following steps: City Council sets an assessment roll hearing date by resolution; City staff and the BID manager prepare the annual assessment roll based on tax assessment information from the Spokane County Assessor's Office and formulas established in Chapter 04.31C SMC; City staff provide mailed notice to property owners and identified on the assessment roll at least fifteen days prior to the hearing; The City Council approves an assessment roll at the hearing; The City staff carry out billing and collection of annual assessment payments.

Operations Impacts

What impacts would the proposal have on historically excluded communities? In administering the BID contract, the Downtown Spokane Partnership is tasked with assisting existing and potential businesses that want to be located with the Downtown BID, and this can include women and minority owned businesses that benefit from an entity that manages district-wide marketing and events to attract customers that support local Spokane businesses. Ratepayer Board positions are designated by geography, business, and property type to ensure that a variety of interests are well represented and guide decision making for the BID. This includes utilizing the Security Ambassadors to complete additional vehicle and e-bike patrols to monitor for possible mobility issues so that business owners, employees, and visitors are better able to access downtown.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

DSP, the BID contract manager, completes an annual management plan as part of the annual special assessment process, which includes information on how the BID serves rate payers. No specific information is broken down by racial, gender identity, or other metrics at this time. Feedback from ratepayers to the Downtown BID Ratepayer Board is one avenue through which both the City and DSP knows if ratepayers believe they are receiving services commensurate with the collected special assessment.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Hosted events, grants to new businesses, and response calls from Clean & Green and the Security Ambassadors teams, which are detailed in the BID management plan, provide data for effectiveness of the Downtown BID. The ability to maintain, or expand, services as funded through the special assessments would be a positive indicator that the BID is self-sufficient and appropriately servicing ratepayers.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

Programs administered by the DSP support several strategies in the recently updated Spokane Downtown Plan, such as energize streets and alleys that are activated for pedestrians (Live by Five, 509 Day, Welcome Back to Downtown) and supporting existing and emerging businesses downtown (Strategy LWP2.3). The Downtown BID aligns with the vision and values of Comprehensive Plan Chapter 7, Economic Development, and policy ED 1.2. This resolution sets the hearing for the ordinance that confirms and approves the special assessment for 2024, thereby ensuring the Downtown BID has the funds to provide ratepayer services established in their contract which supports economic development focused specifically on downtown, a cultural and commercial regional hub.

ORDINANCE NO. C36478

AN ORDINANCE APPROVING AND CONFIRMING THE 2024 ASSESSMENTS AND ASSESSMENT ROLL FOR THE DOWNTOWN SPOKANE PARKING AND BUSINESS IMPROVEMENT AREA, PREPARED UNDER ORDINANCE C-32923 AS CODIFIED AND AMENDED IN CHAPTER 04.31 SMC.

WHEREAS, on October 9, 2023, the Spokane City Council passed Resolution 2023–0086 which provided notice and set a date for hearing on the assessments to be levied under the above identified ordinance; and

WHEREAS, pursuant to Resolution 2023–0086, a public hearing was held on December 4, 2023 to take public testimony regarding the assessments and assessment roll for the Downtown Spokane Parking and Business Improvement Area; and

WHEREAS, the assessment roles have been on file in the Office of the City Clerk for public review and inspection; and

WHEREAS, the City Council, through this ordinance, intends to levy assessments in the Downtown Spokane Business Improvement District to provide programs and services, which will specifically benefit the businesses and properties in the District; and

THE CITY OF SPOKANE DOES ORDAIN:

Section 1. The 2024 assessments and the assessment roll of the Downtown Spokane Parking and Business Improvement Area, established under Ordinance C-32923, as codified and amended in Chapter 04.31 SMC, are hereby approved and confirmed. The assessments and assessment roll are attached hereto, available in the Office of the City Clerk and City Treasurer.

Section 2. Each of the businesses, as described in RCW 35.87A.020, lots, tracts, and parcels of land and other property, including improvements thereon, multi-family residential, mixed-use projects as described in RCW 35.87A.020(4), hotels, motels, government, and others, shown upon said rolls are hereby declared to be specially benefited by the programs authorized in Ordinance C-32923, as amended, in at least the amount levied against the same. The method of assessment is based upon the Special Assessment Formula in Appendix A.

<u>Section 3</u>. Pursuant to SMC 04.31.100, the projects, programs, activities and budget for the 2024 Downtown Parking and Business Improvement Area as presented to the City Council are hereby approved and may be revised by the City Council pursuant to a subsequent motion.

<u>Section 4</u>. The City Clerk is hereby directed to certify and transmit the assessment roll to the City Treasurer for collection, pursuant to City Ordinance and state law.

Section 5. That the assessments shown in the roll on file in the Office of the City Clerk are due on January 31, 2024. The ratepayer may elect to make payments in two installments with the first half of the assessment due and payable on the 31st day of January, 2024, and the second half of the assessment due and payable on the 31st day of July, 2024. Prior to the due date, ratepayers shall be sent a bill stating the amount of the assessment due and payable. If the assessment is not paid within thirty (30) days after its due date, a delinquency charge shall be added in the amount of ten percent (10%) of the assessment, not to exceed one hundred dollars (\$100) in addition to the processing fee. All assessments, or part thereof, shall also bear interest at the rate of twelve percent (12%) per annum, or part thereof, of delinquency. Within thirty (30) days of the due date(s), the City Treasurer or his/her designee shall send a late notice of the unpaid assessment including the assessment of appropriate interest, penalty and fees. Interest, penalties and other fees will be collected on any unpaid balance or portions thereof from the date the account became due.

Any ratepayer, aggrieved by the amount of an assessment or delinquency charge, shall request, within sixty (60) days of the assessment or charge, a meeting and/or hearing before the Ratepayer Board, and, if not satisfied with the decision of the Ratepayer Board, appeal within ten (10) days from the date of the decision, the matter de novo, to the City's Hearing Examiner, in the manner provided for in the City's Municipal Code. Failure to request a hearing shall result in a waiver of the right to challenge the assessment.

<u>Section 6</u>. This ordinance shall take effect and be in full force from and after the date of its passage.

Dear Downtown BID Ratepayer:

On behalf of the Downtown Spokane Business Improvement District Ratepayer Advisory Board, thank you for being a part of this special district. By owning property, locating your business here and/or living in downtown Spokane, you are part of the special financing district known as the Downtown Business Improvement District, or BID, administered by the City of Spokane.

Nearly 30 years ago, the BID was established by property and business owners to promote economic and community vitality in downtown Spokane through enhanced services and programs in the geographically defined BID service area. As a BID Ratepayer, you have unique access to supplemental services and programs that directly benefit you, your employees and customers. BID assessments collectively fund supplemental services and improvements that enhance—not replace—existing municipal services, including: security, maintenance, beautification and landscaping, marketing and public space activation, business support, urban planning, and transportation. The Downtown Spokane Partnership (DSP) staff work 7-days-a-week to manage these services and maintain a dynamic and safe district where Spokanites can work, live, shop and recreate. Your BID assessment is critical to achieving this.

Like the more than 1,000 similar business improvement districts across the country, BID-funded services and programs ensure that the people that work, live, visit and recreate in our district flourish. With guidance from the BID Ratepayer Advisory Board and BID Ratepayers like you, DSP constantly evaluates and adjusts services to respond to the changing needs of downtown Spokane. 2023 assessments supported:

Keeping downtown safe and clean.

- Security & Hospitality Ambassadors provided more than 6,000 combined citizens assists, responses to calls for service, and contacts to merchants and businesses.
- New supplemental evening private security services were added to extend security services during the holiday shopping season.
- Clean & Green Team Members collected more than 3,000 bags of trash and removed more than 3,000 graffiti tags while maintaining 190 garden planters and 58 hanging garden baskets that enhanced the pedestrian experience.
- Clean & Green Team Members continued regular cleaning of downtown railroad viaducts with a focus on coordination with city code enforcement to address ongoing hot spots.
- Quarterly "Point in Time" counts assessed the number of unhoused populations in the area with new social outreach training programs and staff education to support connecting individuals with housing, services and supports.

Elevating the issues affecting downtown.

- Utilized a comprehensive survey of BID ratepayers to inform vital decisions and policies for improving the experiences of workers, residents, and visitors in the BID.
- Continued to lead education around policies, development and funding that support vibrant, safe and welcoming streets and public places.

Downtown Spokane Partnership

WELCOME to the BUSINESS IMPROVEMENT DISTRICT

WHAT IS THE BUSINESS IMPROVEMENT DISTRICT? (BID)

The Downtown Spokane BID is a unique financing mechanism that helps more than 850 business owners and 350 property parcels in the 80-block BID area to collectively pool resources to provide supplemental services and improvements that enhance – not replace – existing municipal services.

Authorized by Washington state law, the BID was established by downtown property and business owners with support of the City Council in 1995 and reauthorized in 2001. The BID aids general economic development and neighborhood revitalization by focusing on key services its stakeholders (BID Ratepayers) have identified, including safety and security, cleanliness and maintenance, marketing and events, urban planning and beautification, and transportation.

WHY DOES DOWNTOWN NEED A BID?

Spokane joined more than 1,000 cities across the country when it created the Downtown Spokane BID. The BID provides a way for downtown business owners to pool financial resources to more effectively pay for enhanced services and programs to supplement the services that are provided by the City of Spokane. BID services and programs are unique and tailored to the needs of the district's business and residential community and have broad-based support for its effectiveness. As Spokane continues to grow and evolve, the demands on BID services will also grow and change. It is important that the BID and the City continue to work together to learn from each other to improve BID services and management.

HOW IS THE BID ADMINISTERED?

Downtown Spokane Partnership (DSP) is a private, not-for-profit membership organization hired by the City of Spokane to administer and manage the BID. DSP also leads planning and advocacy functions that support the development and vitality of downtown Spokane (such as the 'Downtown Plan Update'). The elected Ratepayer Advisory Board (RAB) represents Ratepayers' interests to promote and improve their district by advising the City regarding assessments, monitoring service delivery, hearing appeals of assessments brought by Ratepayers, supporting budget development, and planning for the future of the BID. Any Ratepayer in good standing can seek a nomination to the RAB.

HOW IS THE BID FUNDED?

The BID is a way for downtown to get needed services supplemental to what the City provides. When business and property owners pool their funds, the result is a strong organization with more impact than any single entity could have. The BID is funded primarily by Ratepayer assessments and private investment, including supplementary contracts, event sponsorships, grants, and other contributions. By providing a stable funding source, the BID can invest in community priorities and services equitably for the benefit of all Ratepayers within the district.

HOW ARE BID ASSESSMENTS SPENT?

The BID supports economic vitality and neighborhood beautification to encourage livability, vitality, and community. BID programs focus on key areas making downtown Spokane a more desirable place for businesses, employees, residents, shoppers, and visitors. Similar to other BIDs across the country, BID programs focus on clean, safe, marketing δ events, and business support.

clean: The Clean Team works 7-days-a-week to remove trash, leaves, graffiti, and weeds, provides common-area snow and ice removal, augments City services after large events, cleans and sterilizes railroad underpasses, and plants and maintains garden boxes and hanging baskets across the district.

safe: The Security Ambassadors provide security and hospitality services throughout BID daily. The program coordinates a collaborative network of private security with the police and provides valuable

information and assistance to visitors and workers.

marketing & events: From amplifying downtown shopping, dining, and entertainment options to coordinating events like "First Friday" and holiday programming, marketing and events help to generate traffic for businesses and make downtown a vibrant and friendly destination for residents and visitors.

business support: From supporting ribbon cuttings to business access to resources and information, business support is

economic development. Helping ground-floor and skywalk retailers thrive is critical to creating a vibrant downtown.

transportation: Parking validation (EasyPark) and satellite-parking programs like ShuttlePass are important parts of the "Park Spokane" programs managed by the BID to support finding and using downtown parking. The BID also provides advice and recommendations to support enhanced parking options, public transportation, micro-transit and road improvements.

DOWNTOWN SPOKANE BUSINESS IMPROVEMENT DISTRICT

2024 MANAGEMENT PLAN

A. Management & Administration

- Provide staff assistance to the BID Ratepayer Advisory Board, coordinating recommendations regarding the BID budget, expenditures, and programs.
- Develop annual workplan and operating budget for the BID utilizing feedback from BID Board and annual ratepayer survey to gauge priorities.
- Convene and administer an annual meeting of all ratepayers in February 2024 and facilitate all BID Board meetings.
- Maintain BID financial accounts, including liquidity, solvency and compliance with GAAP, RCW 35.87A.010, Spokane Municipal Code 04.31.030, and BID Board designated 17% risk operating reserve.
- Deliver an independent audit report of expenditures.
- Deliver quarterly reports of BID activities with YTD financials and time allocation.
- Maintain database of business and property ownership information for the purposes of City of Spokane's billing and collecting special assessments.
- Develop and propose assessment methodology and operating budget for recommended BID expansion.
- Enhance and implement priorities focused on collaboration, innovation and diversity with a focus on building and deepening relationships with other civic organizations, cultural associations and private entities.

B. Safe & Clean

- Continue to hire, train, deploy and manage Security & Hospitality Ambassadors and Clean Team members throughout the BID.
- Establish and implement optimal staffing levels for security patrols, removing graffiti, sweeping and power washing, litter/debris removal and general cleanup work as well as shoveling snow and seasonal activities.
- Maintain centralized electronic reporting for Ambassadors and Clean Team members to track and report activities, address service requests and identify trends.
- Increase ratepayer contacts and proactive security checks with ongoing CPTED evaluations and ratepayer education leveraging rebates and repair grants.
- Collaborate and communicate with SPD and private security entities in the BID, including staff assistance to the Downtown Security Collaborative.
- Increase coordination with city departments to enhance BID services and improve pedestrian-level infrastructure, including preservation, replacement and maintenance of streetlights, tree canopy, trash cans, etc.
- Support navigation to housing and services for unhoused populations in the BID.

C. Economic Vitality

- Promote businesses, events and programs in the BID to local and regional audiences in mediums that include—but are not limited to—email newsletters, social media, earned media, advertising and marketing campaigns, printed materials.
- Maintain online directory of BID business and events at DowntownSpokane.org.
- Grow and support local diverse business ownership with a focus on assistance to businesses and entrepreneurs in accessing resources, coaching and important information.
- Share up-to-date market information on downtown Spokane with new materials that communicate trends and information about investment activity, residential density, visitor traffic, business growth, demographics and more.
- Support strategic development of underused and/or underutilized properties for new creative housing, retail, and office uses.
- Maintain up-to-date information on parking rates, availability and off-street parking lease options online at ParkSpokane.org while continuing to coordinate parking validation (EasyPark, PremierPark) and promotional parking programs (ShuttlePark).
- Continue to enhance wayfinding and implementation of directional signage that identifies off-street parking facilities under the brand "Park Spokane."

D. Public Space Activation & Enhancement

- Enhance the unique identity of the places and programs in the BID with a focus
 on the image of downtown through the development of marketing materials,
 public relations campaigns and promotions.
- Support a robust, collaborative, and accessible event ecosystem in collaboration with event planners and city departments to encourage and promote events and complementary programming.
- Provide special events and ongoing activations that are oriented towards resident and employee community-building.
- Partner with community organizations on initiatives that emphasize art in public places by artists who are people of color, women and/or historically marginalized communities.
- Foster underwriting opportunities and leverage Expo +50 partnership to advance initiatives designed to activate and improve underutilized public spaces and enhance downtown programming.
- Implement aesthetic improvements to enhance landscaping, lighting and decorative programs that make Downtown more inviting, attractive and walkable.
- Continue to evaluate beautification and landscaping programs to enhance pedestrian experience while increasing sustainability.

IV. GENERAL EXEMPTIONS

The following will be exempt from special assessments:

- 1. Organizations and property owners recognized under Section 501(c)(3) of the Internal Revenue Code as a tax exempt non-profit charitable organization;
- 2. Government agencies exempt from taxation pursuant to state or federal law;
- 3. Organizations conducting business in the BID less than 30 days per year.

V. TENANT EXEMPTIONS

The following tenants will be exempt from special assessments:

1. Businesses in the district less than 30 days per year.

ASSESSMENT GUIDELINES

Chapter 4.31 of the Spokane Municipal Code (SMC), as originally adopted in Ordinance No. C-32923 and as subsequently amended by the City Council, provides for the levy of special assessments upon businesses and properties within the area designated as the Downtown Business Improvement District (BID). The BID Ratepayer Advisory Board submits to City Council an annual BID Management Plan including a proposed budget and special assessment matrix. In early December, City Council holds a public hearing to approve the next year's assessment rolls.

The following guidelines are provided as a supplement to the assessment matrix:

- Assessment rates are annual and are based upon gross leasable space (including storage) except where
 noted. If a ratepayer elects to pay the assessment in two installments there will be a \$10.00 service
 charge levied on each installment.
- A pro-rated assessment shall be available to tenant ratepayers upon request.
 - The pro-rated assessment shall be based on a full month, i.e. If a ratepayer leaves the district March 15th they will be invoiced for three full months.
 - A pro-rated assessment shall be available only to tenant ratepayers who move out of the district.
 When a tenant moves within the district, that tenant will be responsible for the assessment based on their previous location until the change is made for the next year's assessment roll.
- A pro-rated assessment shall be available to property owners upon request.
 - If the property is sold during the first half of the calendar year (Jan-Jun) the owner will be responsible for the first half assessment only.
 - If the property is sold during the second half of the calendar year (Jul-Dec) the owner will be responsible for the full year's assessment.

- Assessments are based upon four "benefit zones", each of which pays a different level of assessment based upon the services it receives.
- A minimum assessment of \$110.00 is levied for each tenant and/or property parcel.
- The following will be exempt from assessment: Organizations and property owners recognized under Section 501 (c)(3) of the Internal Revenue Code as a tax exempt non-profit charitable organization; Governmental agencies exempt from taxation pursuant to State and Federal law, and organizations conducting business in the BID less than 30 days per year.
- No historic tax credit or other exemptions that would decrease the assessed value of land or improvements will be used to calculate the annual property assessment.
- The Downtown Spokane Partnership office should be contacted immediately to discuss any situations not covered in the above guidelines.
- Manufacturing businesses should have their businesses classified, and assessments applied, consistent with
 other uses in the District. Business classifications (i.e., office/manufacturing) should not be prorated for a
 single business operation. Per Section 4, Part E, "if multiple activities or uses are undertaken in a single
 business space, the predominant activity or usage shall determine the business classification. The
 predominant usage is that use that has the greatest proportional square footage of a building compared to
 other uses.

DISPUTES

The majority of assessment questions are quickly resolved by the City of Spokane or the Downtown Spokane Partnership. If a satisfactory conclusion is not reached, a ratepayer aggrieved by the amount of an assessment or delinquency charge, shall request, within sixty (60) days of the assessment or charge, a hearing before the BID Ratepayer Advisory Board. An Assessment Resolution Policy, which fully outlines the appeal process, is available at the Downtown Spokane Partnership office.

SPECIAL ASSESSMENTS

The City of Spokane will levy a special assessment on each business, organization, building and a property within the area by applying an assessment rate according to the current assessment formula approved by City Council.

Assessment Rate Increases

Proposals with regards to assessment rate changes (including minimums, maximums, exemptions and increases) are all subject to approval by City Council per RCW 35.87A.

Subsequent increases of the amount of the special assessments for all flat-fee assessments will be adjusted based on the increase, if any, of the Consumer Price Index of the Western U.S. City Average for all urban consumers (CPI-U). The percentage increase in the assessment formula shall be computed as follows:

[(Ending CPI-U – Beginning CPI-U) \div Beginning CPI-U] x 100 = Percentage Increase [(July Present Year – July Previous Year) \div July Previous Year] x 100 = Percentage Increase

Assessment Policies

- 1. Hotels and motels will be assessed for both property and tenancy at one rate per number of rooms.
- 2. All parking that is open and accessible to the public, including hotel lots and garages, for which a fee is charged shall be assessed on the same basis as commercial parking. For purposes of this assessment, commercial parking is defined as a parking space that is open and accessible to the public for which a charge is assessed for the privilege of parking a vehicle in the parking space for a set period of time.
- 3. Public parks will be assessed for both property and tenancy at one rate per number of acres.
- 4. A minimum assessment of one hundred and ten dollars (\$110.00) will be applied to every business or property parcel within the boundaries.
- 5. Square footage will be combined for office or retail tenants occupying multiple spaces in one building.

Summary (Background)	 2024 East Sprague Business Improvement District Special Assessment The East Sprague business improvement district (ESBID) was established in 2016 to provide a variety of programs and services in the East Sprague/Sprague Union business district, including cleaning and greening, neighborhood beautification, district branding and marketing, and safety and security. The East Sprague Business Association (ESBA) administers and operates these programs through a contract with the City of Spokane. The BID collects an annual special assessment from property owners within the district to provide funding for programs and services, as outlined in Chapter 04.31C SMC. Chapter 04.31C SMC sets forth the annual process for assessing and collecting assessments from ratepayers within the district. The annual process includes the following steps: City Council sets an assessment roll hearing date by resolution; City staff and the BID manager prepare the annual assessment roll based on tax assessment information from the Spokane County Assessor's Office and formulas established in Chapter 04.31C SMC; City staff provide mailed notice to property owners and identified on the assessment roll at least fifteen days prior to the hearing; The City Council approves an assessment roll at the hearing; City staff carry out billing and collection of annual assessment payments.

Operations Impacts

What impacts would the proposal have on historically excluded communities?

In administering the BID contract, ESBA is tasked with assisting existing and potential businesses that want to be located with the East Sprague BID, and this can include women and minority owned businesses that benefit from an entity that can manage district-wide marketing and events to attract customers that support local Spokane businesses.

How will data be collected, analyzed, and reported concerning the effect of the program/policy by racial, ethnic, gender identity, national origin, income level, disability, sexual orientation, or other existing disparities?

ESBA, the BID contract manager, completes an annual management plan as part of the annual special assessment process, which includes information on how the BID serves rate payers. No specific information is broken down by racial, gender identity, or other metrics at this time. Feedback from ratepayers to the ESBID Ratepayer Board is one avenue through which both the City and ESBA knows if ratepayers believe they are receiving services commensurate with the collected special assessment.

How will data be collected regarding the effectiveness of this program, policy or product to ensure it is the right solution?

Effectiveness of the proposed changes would be collected annually during the special assessment process, and as analyzed in the annual management plan ESBA completes as the BID contract manager. The ability to maintain, or expand, services as funded through the special assessments would be a positive indicator that the BID is self-sufficient.

Describe how this proposal aligns with current City Policies, including the Comprehensive Plan, Sustainability Action Plan, Capital Improvement Program, Neighborhood Master Plans, Council Resolutions, and others?

The creation and continuation of the East Sprague BID achieves a large goal from the 2014 East Sprague Targeted Investment Pilot (TIP) Advisory Board's Implementation Plan, in alignment with the recommendations from the Smart Growth America technical assistance grant report on how to achieve an economically vibrant neighborhood through targeted public and private investments. This resolution sets the hearing for the ordinance that confirms and approves the special assessment for 2024, thereby ensuring the ESBID has the funds to provide ratepayer services established in their contract which supports economic development focused specifically on the East Sprague area, in alignment with the vision and values of Comprehensive Plan Chapter 7, Economic Development, and policy ED 1.2.

ORDINANCE NO. C36479

AN ORDINANCE APPROVING AND CONFIRMING THE 2024 ASSESSMENTS AND ASSESSMENT ROLL FOR THE EAST SPRAGUE PARKING AND BUSINESS IMPROVEMENT AREA, PREPARED UNDER ORDINANCE C35377 AS CODIFIED AND AMENDED IN CHAPTER 04.31C SMC.

WHEREAS, on October 9, 2023, the Spokane City Council passed Resolution 2023–0087, which provided notice and set a date for hearing on the assessments to be levied under the above identified ordinance; and

WHEREAS, pursuant to Resolution 2023–0087, a public hearing was held on December 4, 2023 to take public testimony regarding the assessments and assessment roll for the East Sprague Parking and Business Improvement Area; and

WHEREAS, the assessment roles have been on file in the Office of the City Clerk for public review and inspection; and

WHEREAS, the City Council, through this ordinance, intends to levy assessments in the East Sprague Business Improvement District to provide programs and services, which will specifically benefit the businesses and properties in the District; and

THE CITY OF SPOKANE DOES ORDAIN:

<u>Section 1</u>. The 2024 assessments and the assessment roll of the East Sprague Parking and Business Improvement Area, established under Ordinance C35377, as codified and amended in Chapter 04.31C SMC, are hereby approved and confirmed. The assessments and assessment roll are attached hereto, available in the Office of the City Clerk and City Treasurer.

Section 2. Each of the businesses, as described in RCW 35.87A.020, lots, tracts, and parcels of land and other property, including improvements thereon, multi-family residential, mixed-use projects as described in RCW 35.87A.020(4), hotels, motels, government, and others, shown upon said rolls are hereby declared to be specially benefited by the programs authorized in Ordinance C35377, as amended, in at least the amount levied against the same. The method of assessment is based upon the Special Assessment Formula in Appendix A.

<u>Section 3</u>. Pursuant to SMC 04.31C.100, the projects, programs, activities and budget for the 2024 East Sprague Parking and Business Improvement Area as presented to the City Council are hereby approved and may be revised by the City Council pursuant to a subsequent motion.

<u>Section 4</u>. The City Clerk is hereby directed to certify and transmit the assessment roll to the City Treasurer for collection, pursuant to City Ordinance and state law.

Section 5. That the assessments shown in the roll on file in the Office of the City Clerk are due on January 31, 2024. The ratepayer may elect to make payments in two installments with the first half of the assessment due and payable on the 31st day of January, 2024, and the second half of the assessment due and payable on the 31st day of July, 2024. Prior to the due date, ratepayers shall be sent a bill stating the amount of the assessment due and payable. If the assessment is not paid within thirty (30) days after its due date, a delinquency charge shall be added in the amount of ten percent (10%) of the assessment, not to exceed one hundred dollars (\$100) in addition to the processing fee. All assessments, or part thereof, shall also bear interest at the rate of twelve percent (12%) per annum, or part thereof, of delinquency. Within thirty (30) days of the due date(s), the City Treasurer or his/her designee shall send a late notice of the unpaid assessment including the assessment of appropriate interest, penalty and fees. Interest, penalties and other fees will be collected on any unpaid balance or portions thereof from the date the account became due.

Any ratepayer, aggrieved by the amount of an assessment or delinquency charge, shall request, within sixty (60) days of the assessment or charge, a meeting and/or hearing before the Ratepayer Board, and, if not satisfied with the decision of the Ratepayer Board, appeal within ten (10) days from the date of the decision, the matter de novo, to the City's Hearing Examiner, in the manner provided for in the City's Municipal Code. Failure to request a hearing shall result in a waiver of the right to challenge the assessment.

<u>Section 6</u>. This ordinance shall take effect and be in full force from and after the date of its passage.

2024 represents the nineth assessment year for the East Sprague BID since 2016. As per section 4.31C.040(C)(3) of the Spokane Municipal Code, for subsequent years the assessment will continue on a three-year cycle as provided by SMC 4.31C.040(C)(2). The nineth year represents the third year of a three-year cycle. To account for inflation and maintain the equivalent buying power, in 2022 the assessment rate on LSF was increased by an Inflationary Factor that was equal to the percentage change in CPI for All Urban Consumers (CPI-U) West Region since the first assessment year, and applied to 2021 property information. The TAV rate remains the same.

In 2022, City Council approved Ordinance C36255 to ensure that the annual assessment stays apace with inflation, which amended the assessment formula such that the minimum and maximum LSF amounts are adjusted annually in the same percentage and manner as determined by the Inflationary Factor.

For 2024 the assessments will equal the "fourth year" (2022) multiplied by a CPI factor that is the lesser of 6 percent or the percentage change in CPI for All Urban Consumers (CPI-U) West Region between June 2021 and June 2023.

The CPI for All Urban Consumers (CPI-U): West Region between June 2021 and June 2022 was 12.55 percent. Therefore, 2022 assessments were increased by 6.0 percent for the 2024 assessment year.

East Sprague PBIA Information

The Spokane City Council created the East Sprague Parking and Business Improvement Area (PBIA) in April 2016. This PBIA is authorized by Washington State law to aid economic development and neighborhood revitalization as well as Spokane Municipal Code SMC Chapter 4.31C.

The East Sprague BID includes 242 commercial and multifamily parcels in three benefit zones as represented in the map below.

The PBIA assessments continue to enhance the streetscape and surrounding area. The PBIA programs are: Clean and Green, Safety and Security, Marketing and Branding, and Neighborhood Beautification. These programs are critical in continuing the revitalization of the East Sprague business corridor and neighborhood. The PBIA encourages future investments by providing services to keep the district streets clean, safe, attractive, and economically vibrant.

The East Sprague PBIA Ratepayer Advisory Board and ESBA are sensitive to the needs of its varied ratepayers. The PBIA Ratepayer Advisory Board and ESBA carefully select service expansion or retraction to meet the changing demands of an East Sprague business corridor during its revitalization.

Administration

The East Spokane Business Association (ESBA) is a 501 (c) 6 Private Non-profit Membership Organization. The City of Spokane hired ESBA to administer the East Sprague PBIA. Under this agreement, ESBA oversees the implementation of enhanced public services within the PBIA. The annual management plan includes the budget and supervises the PBIA's day-to-day delivery program and various service elements.

The PBIA Ratepayer Advisory Board makes recommendations to ESBA for delivery of program services. ESBA's Board of Directors provides supplemental administration and management of the PBIA program on behalf of the ratepayers at no cost to the PBIA.

A ratepayer database has been established to maintain current ratepayer address and payment information.

PBIA Ratepayers are notified 30 days in advance of the Annual Ratepayer Meeting which is held the third Wednesday of December. The meeting location is at: Sprague Union Terrace, 1420 E Sprague, Spokane, WA 99202 at no cost to the ratepayers. Monthly/Annual reports are provided to the City of Spokane.

For a Fixed Asset List (see Attachment A.)

East Sprague PBIA Ratepayer Advisory Board

The Ratepayer Advisory Board represents the interests of Ratepayers by:

- Establishing operating procedures
- Developing budgets
- Advising the City regarding assets maintenance
- Monitoring service deliveries
- Planning for the future of the PBIA in an advisory capacity
- Reviews all assessment issues and resolutions
- Establish Partnerships

The PBIA Ratepayer Advisory Board and ESBA Board meet regularly to discuss budget, management, and program delivery issues on behalf of the PBIA ratepayers.

Advisory Board positions are designated by zone (1-3) to ensure that the PBIA's interests are well represented.

Revenue Collection

On September 17, 2022, the City of Spokane provided an online payment portal to improve Ratepayer payment processing access. That link is: https://my.spokanecity.org/assessmentpayments/ The City and ESBA have worked on past due accounts from 2020 to present. Unpaid invoices have been turned over to collections. A payment tab has also been applied to our website.

2023 East Sprague PBIA Program Summary

The PBIA has removed over 6 tons of garbage as of October 31, 2023. Our budget has been impacted with the increased sidewalk trash and weekly trash bin collection.

Landscape pruning, maintenance, and weeding has been performed on a monthly (or ongoing) basis.

• <u>District Beautification</u>:

The PBIA purchased 108 hanging flower baskets and worked with the City Water Department to ensure the health and well-being of the plants. The hanging plants were monitored. U.S. Holiday flags have been purchased and flown from May to July and October to November. **New Partnership with ESBA to purchase additional flags for the Avista poles** **New Partnership with Avista to allow flags on their poles**

We have implemented an installation schedule to provide year-round service expectations.

Marketing and Branding:

We anticipate spending our remaining Market and Branding budget for 2023 for the holiday season.

Facebook and website information is updated monthly.

The PBIA assisted the Business District to implement three "On the Ave" events for 2023. **New Partnership with Visit Spokane for Merry & Magical**

The PBIA is collecting historical information to implement a historical scavenger hunt walking map.

Safety and Security:

The PBIA has a sidewalk snow removal plan for pedestrian safety. This snow removal program goes into effect whenever the snow accumulates two inches or more.

The PBIA continues to experience unwanted camping under the viaducts which restricts pedestrian safety and encroaches on private property. This is an ongoing issue, and we continue to call 311 with these violations.

An online Graffiti removal Form is being used which allows ratepayers to notify the PBIA of graffiti on their property. PBIA Graffiti Property Abatement Form (google.com) **New Partnership with ESD101 for Graffiti Removal**

Scope of Services

Work Revitalization Program and Service Level Agreement

The East Sprague PBIA works directly with the Planning and Economic Development Department and other appropriate City Departments. (Work Plan 1.5)

The East Sprague PBIA will work to find ways to implement its beautification program that may include, (but not limited to), wayfinding and commercial district signage, permitted street tree pruning and care, seasonal or holiday banners, decorative twinkle or holiday lighting, and hanging planters/pots of seasonal plantings.

For all district beautification activities involving the installation of new permanent amenities (e.g. garbage cans, benches, and bike racks), the Association will notify the City of Spokane Planning and Economic Department to Administer the PBIA Administrating and Operations Agreement for the East Sprague PBIA. The City will be notified when affixed streetscape amenities suffer damage or need repairs, including:

- District irrigation systems
- Trash cans
- · Pedestrian or streetlights
- Traffic signage
- Stormwater facilities: grates, trees, or plant gardens, and or other amenities installed or managed by the City.

The Planning and Economic Development Department will notify the appropriate Department of the damage or items that needed work. (Work Plan 2.7)

The purpose of the East Sprague PBIA is to improve East Spokane through services including clean & green, district beautification, branding & marketing, safety & security, and administration.

PBIA Partners

The PBIA is collaborating with these Community Partners to provide quality services for our community, district, and ratepayers.
