COUNCIL ACTION MEMORANDUM

RE: EMERGENCY BUDGET ORDINANCE C35162 TRANSFERRING FUNDS FROM GENERAL FUND OFFICE MANAGER AND GENERAL FUND ENGINEERING TECH III TO GENERAL FUND BDS SYSTEMS AND SERVICES MANAGER

During its 6:00 p.m. Legislative Session held Monday, October 13, 2014, the Spokane City Council considered Emergency Budget Ordinance C35162. There was an opportunity for public testimony, with no individuals requesting to speak. During Council commentary, Council Member Stratton indicated this Emergency Budget Ordinance has generated quite a bit of discussion among council members and staff, and there are still council members with questions. She further stated, in light of the fact there are two council members missing tonight, she is not sure there are enough votes to pass the ordinance; and she requested a motion to defer the matter for two weeks. Subsequently, the following action was taken:

Motion by Council Member Stratton, seconded by Council Member Mumm, to **defer** Emergency Budget Ordinance C35162 for two weeks (to October 27, 2014) so all council members have the opportunity to get their questions answered and their concerns answered, and the Council can look at it in two weeks and take it from there; **carried unanimously (Council Members Allen and Waldref absent).**

WHEREAS, the City of Spokane, Washington (the "City") now owns and operates a combined system of water supply and distribution and wastewater treatment and disposal (the "System") which is in need of additions, improvements and betterments; and

WHEREAS, the planned additions, improvements and betterments to the System will improve the health of the Spokane River and other surface water bodies by reducing flows of stormwater and wastewater into these water bodies and improve the quality of the effluent discharged from the City's wastewater treatment plant; and

WHEREAS, the Spokane River is one of the regional bodies of water that recharges the Spokane-Rathdrum Prairie aquifer (the "Aquifer") and also receives discharges from the System; and

WHEREAS, the Aquifer provides the sole source of drinking water for the City and more than a half million people in the Spokane region; and

WHEREAS, the planned additions, improvements and betterments to the System will protect the Aquifer by protecting wellhead influence zones, ensuring the integrity of

underground wastewater infrastructure, and employing green infrastructure techniques to treat stormwater runoff; and

WHEREAS, the City is authorized to issue revenue bonds for the purpose of paying the cost of additions, improvements and betterments to the System; and

WHEREAS, to provide funds to pay part of the costs of such improvements, it is deemed necessary and advisable that the City now issue and sell its water and wastewater system revenue bonds (the “Bonds”); and

WHEREAS, the City has no outstanding water and wastewater revenue obligations payable from revenues of the System except for Government Loans; and

Section 2. Authorization of Projects. The Bonds are being issued to pay the costs of acquiring, constructing and installing certain additions and betterments to and extensions of the City’s System, including improvements identified in its Integrated Clean Water Plan, its Wastewater Six-Year Capital Plan, or its Water System Plan (together, the “Plans”) addressing the needs of the City’s System for managing wastewater and stormwater (the “Projects”). The

Projects that may be paid in part or in full by Bond proceeds that are identified in the Plans include, but are not limited to:

- Construction of a tertiary wastewater treatment filtration system at the City's wastewater treatment plant;
- Construction of a solids digester at the City's wastewater treatment plant;
- Construction of a primary clarifier to add capacity at the City's wastewater treatment plant;
- Addition of underground concrete holding tanks to control overflows during large storms and meet current regulations;
- Green infrastructure projects in sewer basins to manage overflows to the Spokane River;
- Stormwater management from the Cochran Basin on Spokane's North Side; and
- Replacement, addition or improvement of pipes, transmission mains, catch basins, source well stations, well pumps, pumps at booster stations, and other basic infrastructure within the City's collection and treatment systems.

The City shall provide all equipment, connections and appurtenances together with all work as may be incidental and necessary to complete the Projects. The Project facilities shall be integrated into the System as required to provide a fully operational facility.

The City may make such changes in or additions to the Projects or in the construction or design of other facilities of the System as may be found necessary or desirable. Implementation or completion of any specified improvement shall not be required if the Council determines that, due to substantially changed circumstances, it has become advisable or impractical. If the Projects have either been completed, or its completion duly provided for, or their completion found to be impractical, the City may apply the Bond proceeds or any portion thereof to other improvements to the System, as the Council in its discretion shall determine or as approved in the Six Year Capital Facilities Plans. In the event that the proceeds of sale of the Bonds, plus any other moneys of the City legally available, are insufficient to accomplish all of the Projects

provided by this section, the City shall use the available funds for paying the cost of those improvements for which such Bonds were approved, deemed by the Council most necessary and to the best interest of the City.

The City shall acquire by purchase, lease or condemnation, all property, both real and personal, or any interest therein, or rights-of-way and easements that may be found necessary to acquire, construct and install the Projects.

Section 3. Authorization of Bonds and Bond Details.

(a) *Bonds.* For the purpose of paying costs of the Projects, funding the Reserve Requirement and paying the costs of issuance related thereto, the City shall issue in one or more series its water and wastewater system revenue bonds (the “Bonds”).

(b) *Bond Details.* The Bonds shall be designated as the City of Spokane, Washington, Water and Wastewater System Revenue Bonds, 2014, with an appropriate series designation, if applicable, shall be dated as of their date of delivery; shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 each, or any integral multiple thereof, provided that no Bond shall represent more than one maturity; shall be numbered separately in such manner and with any additional designation as the Registrar deems necessary for purposes of identification; and shall bear interest from their date payable commencing no later than one year following the date of issuance and shall mature on the dates and in the principal amounts as approved by the Designated Representative pursuant to Section 15. The Bonds of a series of any of the maturities may be combined and issued as term bonds, subject to mandatory redemption as provided in the Bond Purchase Contract or the Notice of Sale for such Bonds and the Approved Bid.

The Bonds shall be obligations only of the Revenue Bond Fund and shall be payable and secured as provided herein. The Bonds shall not be general obligations of the City.

Section 4. Registration, Exchange and Payments.

(a) *Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of state fiscal agencies. The City shall cause a bond register to be maintained by the Registrar. So long as any Bonds of a series remain outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration or transfer of such Bonds at its principal corporate trust office. The Registrar may be removed at any time at the option of the Designated Representative upon prior notice to the Registrar and a successor Registrar appointed by the Designated Representative. No resignation or removal of the Registrar shall be effective until a successor shall have been appointed and until the successor Registrar shall have accepted the duties of the Registrar hereunder. The Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Registrar's powers and duties under this ordinance. The Registrar shall be responsible for its representations contained in the Certificate of Authentication of such Bonds.

(b) *Registered Ownership.* The City and the Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in Section 17 of this ordinance), and neither the City nor the Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(h) hereof, but such Bond may be transferred as herein provided. All such

payments made as described in Section 4(h) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of “Cede & Co.”, as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be

transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Designated Representative pursuant to subsection (2) below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Designated Representative to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Designated Representative may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Registrar shall, upon receipt of all outstanding Bonds, together with a written request of the Designated Representative, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Designated Representative.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Designated Representative determines that it is in the best interest of the beneficial owners of the Bonds of a series that such owners be able to obtain such bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully-immobilized form. The Designated Representative shall deliver a written request to the Registrar, together with a supply of

definitive Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Registrar of all then outstanding Bonds of a series together with a written request of the Designated Representative to the Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.*

The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding any interest payment or principal payment date any such Bond is to be redeemed.

(f) *Registrar's Ownership of Bonds.* The Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to

act as member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Tax-Exempt Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are in fully immobilized form, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds of a series are no longer in fully immobilized form, interest on such Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the fifteenth day of the month preceding the interest payment date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds (received by the Registrar at least 15 days prior to the applicable payment date), such payment shall be made by the Registrar by wire transfer to the account within the continental United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Registrar.

Section 5. Redemption; Purchase of Bonds.

(a) *Optional or Extraordinary Redemption.* The Bonds of a series shall be subject to optional and/or extraordinary redemption on the dates, at the prices and under the terms set forth

in the Bond Purchase Contract or the Notice of Sale approved by the Designated Representative pursuant to Section 15 of this ordinance.

(b) *Mandatory Redemption.* The Bonds of a series shall be subject to mandatory redemption to the extent, if any, set forth in the Bond Purchase Contract or the Approved Bid and as approved by the Designated Representative pursuant to Section 15 of this ordinance.

(c) *Purchase of Bonds for Retirement.* The City further reserves the right to use at any time any surplus Revenue of the System available after providing for the payments required by paragraphs First, through Sixth of Section 6(b) of this ordinance, or other available funds, to purchase any of the Bonds that are offered to the City at any price deemed appropriate by the City. Any purchase of Bonds may be made with or without tender of Bonds and at either public or private sale.

(d) *Effect of Purchase.* To the extent that the City shall have purchased any term bonds or Balloon Maturity Bonds since the last scheduled mandatory redemption of such term bonds, the City may reduce the principal amount of the term bonds or Balloon Maturity Bonds to be redeemed in like principal amount. Such reduction may be applied in the year specified by the Designated Representative.

(e) *Selection of Bonds for Redemption.* If Bonds of a series are called for optional redemption, the maturities of Bonds to be redeemed shall be selected by the Designated Representative. If any Bonds to be redeemed (optional or mandatory) then are held in book-entry-only form, the selection of Bonds to be redeemed within a maturity shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds to be redeemed are no longer held in book-entry-only form, the selection of such Bonds to be redeemed shall be made in the following manner. If the City redeems at any one time fewer than

all of the Bonds having the same maturity date, the particular Bonds or portions of Bonds and maturity to be redeemed shall be selected by lot utilizing a random selection process (reasonably determined by the Registrar) in increments of \$5,000. In the case of a Bond of maturity in a denomination greater than \$5,000, the City and Registrar shall treat each Bond of that maturity as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond of that maturity by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the principal office of the Registrar there shall be issued to the Registered Owner, without charge therefor, for the then-unredeemed balance of the principal sum thereof a Bond or, at the option of the Registered Owner, Bonds of like maturity and interest rate in any of the denominations herein authorized.

(f) *Notice of Redemption.* Written notice of any redemption of Bonds prior to maturity, which notice may be conditional, shall be given by the Registrar on behalf of the City by first class mail, postage prepaid, not less than 20 days nor more than 60 days before the date fixed for redemption to the Registered Owners of Bonds that are to be redeemed at their last addresses shown on the Bond Register. This requirement shall be deemed complied with when notice is mailed to the Registered Owners at their last addresses shown on the Bond Register, whether or not such notice is actually received by the Registered Owners.

So long as the Bonds are in book-entry only form, notice of redemption shall be given to Beneficial Owners of Bonds to be redeemed in accordance with the operational arrangements then in effect at DTC, and neither the City nor the Registrar shall be obligated or responsible to confirm that any notice of redemption is, in fact, provided to Beneficial Owners.

Each notice of redemption prepared and given by the Registrar to Registered Owners of Bonds shall contain the following information: (1) the proposed redemption date, (2) the redemption price, (3) if fewer than all outstanding Bonds of a series are to be redeemed, the identification by maturity (and, in the case of partial redemption, the principal amounts) of the Bonds to be redeemed, (4) that on the date fixed for redemption the redemption price will become due and payable upon each Bond or portion called for redemption, and that interest shall cease to accrue from the date fixed for redemption (unless the notice of redemption is a conditional notice, in which case the notice shall state that interest shall cease to accrue from the date fixed for redemption if and to the extent that funds have been provided to the Registrar for the redemption of Bonds), (5) that the Bonds are to be surrendered for payment at the principal office of the Registrar, (6) the CUSIP numbers of all Bonds being redeemed, (7) the dated date of the Bonds being redeemed, (8) the rate of interest for each Bond being redeemed, (9) the date of the notice, and (10) any other information deemed necessary by the Registrar to identify the Bonds being redeemed.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(g) *Effect of Redemption.* Unless the City has revoked a notice of redemption (or unless the City provided a conditional notice and the conditions for redemption set forth therein are not satisfied), the City shall transfer to the Registrar amounts that, in addition to other money, if any, held by the Registrar for such purpose, will be sufficient to redeem, on the date fixed for redemption, all the Bonds to be redeemed. If, and to the extent that, funds have been provided to the Registrar for the redemption of Bonds then such Bonds shall become due and payable on the

date fixed for redemption and interest on such Bond shall cease to accrue from and after such date.

(h) *Amendment of Notice Provisions.* The foregoing notice provisions of this section, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

Section 6. Revenue Fund; Priority of Payments from Revenue Fund; Coverage Stabilization Account.

(a) *Revenue Fund.* A special fund of the City known as the “Water-Wastewater Fund” (including subaccounts therein, the “Revenue Fund”) has heretofore been established into which shall be deposited the Revenue of the System as collected. The Revenue Fund shall be held separate and apart from all other funds and accounts of the City.

(b) *Priority of Payments from the Revenue Fund.* The Revenue of the System deposited in the Revenue Fund shall be used only for the following purposes and in the following order of priority:

First, to pay the Costs of Maintenance and Operation;

Second, to make all payments required to be made into the Revenue Bond Fund to pay the interest on any Parity Bonds, including reimbursements to the issuer of a Credit Facility if the Credit Facility secures the payment of interest on Parity Bonds and the ordinance authorizing such Parity Bonds provides for such reimbursement;

Third, to make all payments required to be made into the Revenue Bond Fund to pay the principal of any Parity Bonds, including reimbursements to the issuer of a Credit Facility if the

Credit Facility secures the payment of principal of Parity Bonds and the ordinance authorizing such Parity Bonds provides for such reimbursement;

Fourth, to make all payments required to be made into any sinking fund account hereafter created to provide for the payment of the principal Balloon Maturity Bonds;

Fifth, to make all payments required to be made into the Reserve Account for Covered Bonds and to any reserve account created in the future for the payment of debt service on Future Parity Bonds;

Sixth, to make all payments required to be made into any revenue debt redemption fund, debt service account, reserve account or sinking fund account created to pay and secure the payment of the principal of and interest on Government Loans and any revenue bonds, or revenue warrants or other revenue obligations of the City having a lien upon the Revenue of the System junior and inferior to the lien thereon for the payment of the principal of and interest on the Parity Bonds; and

Seventh, to retire by redemption or purchase on the open market any outstanding water and wastewater system revenue bonds or revenue warrants of the City, to make necessary additions, betterments, improvements and repairs to or extensions and replacements of the System, or for any other lawful City purposes.

The City may transfer any money from any funds or accounts of the System legally available therefor, except bond redemption funds, refunding escrow funds or defeasance funds, to meet the required payments to be made into the Revenue Bond Fund. Money in the Revenue Fund may be invested by the City in any investment that is a legal investment for the City.

(c) *Coverage Stabilization Account.* A Coverage Stabilization Account shall be established within the Revenue Fund at the option of the Designated Representative. The City

hereby determines that the maintenance of a Coverage Stabilization Account will moderate fluctuations in Net Revenues and help to alleviate the need for short-term rate adjustments. Money in the Coverage Stabilization Account will be transferred as determined from time to time by the City. The City may make payments into the Coverage Stabilization Account from the Revenue Fund at any time. Money in the Coverage Stabilization Account may be withdrawn at any time and used for the purpose for which the Revenue of the System may be used. Amounts withdrawn from the Coverage Stabilization Account shall increase Revenue of the System for the period in which they are withdrawn, and amounts deposited in the Coverage Stabilization Account shall reduce Revenue of the System for the period during which they are deposited for purposes of measuring compliance with the Rate Covenant. Credits to or from the Coverage Stabilization Account that occur within 90 days after the end of a fiscal year may be treated as occurring within such fiscal year. Earnings on the Coverage Stabilization Account shall be credited to the Revenue Fund.

Section 7. Payments into Revenue Bond Fund. A special account of the City known as the “Water and Wastewater Fund – Bond Redemption Subaccount” (the “Revenue Bond Fund”) has been created for the sole purpose of paying and securing the payment of Parity Bonds.

(a) *Payments into Revenue Bond Fund.* As long as the Bonds remain outstanding, the City hereby irrevocably obligates and binds itself to set aside and pay from the Revenue Fund into the Revenue Bond Fund on or before the date due those amounts necessary, together with ULID Assessments deposited and such other money as is on hand and available therefor in the Revenue Bond Fund, to pay the interest or principal and interest next coming due on the Bonds.

As long as the Parity Bonds remain outstanding, the City hereby irrevocably covenants and agrees to pay the ULID Assessments into the Revenue Bond Fund.

Notwithstanding anything in Section 7(d) hereof to the contrary, money in the Revenue Bond Fund may be used to pay any arbitrage rebate, if any, to the extent the rebate is attributable to earnings on money in the Revenue Bond Fund.

(b) *Payments into Reserve Account.* The City hereby agrees that a special account to be known as the “Water-Wastewater Bond Fund Reserve Account” (the “Reserve Account”) shall be maintained for the purpose of securing the payment of the principal of and interest on all Covered Bonds. The Bonds shall be Covered Bonds, secured by the Reserve Account. At the closing and delivery of the Bonds, the City shall not be obligated to fund the Reserve Requirement. If, however, in any fiscal year, Net Revenue is not at least equal to 150% of the amounts required in such fiscal year to be paid as scheduled debt service (principal and interest) on all Parity Bonds, subtracting from scheduled debt service the amount of ULID Assessments collected in such year, (allowing for the same adjustments described in the definition of Rate Covenant), the City shall be required to fund the Reserve Requirement within three years. The payments into the Reserve Account may be made from the proceeds of Future Parity Bonds, Revenue of the System, or ULID Assessments (or, at the option of the City, out of any other funds on hand and legally available therefor) in approximately equal additional annual installments so that within three years following the fiscal year in which the foregoing minimum coverage requirement was not met there will have been paid into the Reserve Account an amount that, together with the money already on deposit therein, will be at least equal to the Reserve Requirement. Such annual payments into the Reserve Account shall be made not later than December 20 of each year. Provided, if the City adopts rates and charges or takes such other

action to ensure that the foregoing minimum coverage requirement is met, the City will not be required to maintain a balance in the Reserve Account.

The following provisions of this subsection 7(b) shall become effective only after the City is obligated to fund the Reserve Requirement.

The City covenants and agrees that when the required deposits have been made into the Reserve Account for Covered Bonds, it will at all times maintain therein an amount at least equal to the Reserve Requirement except for withdrawals therefrom authorized hereinafter, at all times for so long as any Covered Bonds remain outstanding. Whenever there is a sufficient amount in the Revenue Bond Fund, including all accounts therein, to pay the principal of, premium, if any, and interest on all outstanding Parity Bonds, the money in the Reserve Account may be used to pay the principal of, premium, if any, and interest on the Parity Bonds secured thereby. Money in the Reserve Account may also be withdrawn to redeem and retire, and to pay the premium, if any, and interest due to such date of redemption, on the outstanding Parity Bonds, as long as the money remaining on deposit in the Reserve Account is at least equal to the Reserve Requirement determined with respect to the Covered Bonds then outstanding.

In the event there shall be a deficiency in the Revenue Bond Fund to meet maturing installments of either interest on or principal of and interest on any Covered Bonds, such deficiency shall be made up from the Reserve Account by the withdrawal of money therefrom. Cash and investments shall be drawn upon prior to any drawing upon a surety bond. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up out of Revenue of the System or ULID Assessments within one year after making necessary provision for the payments required to be made by subparagraphs First through Fourth, inclusive, of Section 6(b) of this ordinance.

If a Credit Event occurs, the Reserve Requirement shall be satisfied (A) within one year after the occurrence of such Credit Event with other Qualified Insurance or another Qualified Letter of Credit, or (B) within three years (in three approximately equal annual installments) after the occurrence of such Credit Event, out of Revenue of the System or ULID Assessments after making necessary provision for the payments required to be made by subparagraphs First through Fourth, inclusive, of Section 6(b) of this ordinance.

In the event the City issues any Future Parity Bonds that are Covered Bonds, it will include in the ordinance authorizing the issuance of such Future Parity Bonds the covenants set forth in the first paragraph of this subsection 7(b).

Notwithstanding anything in this Section 7 to the contrary, the City may fund the Reserve Requirement, in whole or in part, through a surety bond issued by a Qualified Insurer. The amount payable by the Qualified Insurer under such surety bond shall be credited against the amounts otherwise required to be accumulated and maintained in the Reserve Account.

The Reserve Requirement may be maintained by deposits of cash. As used herein, the term “cash” shall include U.S. currency, cash equivalents and evidences thereof, including demand deposits, certified or cashier’s check; and the deposit to the Reserve Account may be satisfied initially by the transfer of qualified investments to such account.

(c) *Priority of Lien of Payments into Revenue Bond Fund.* The amounts so pledged to be paid into the Revenue Bond Fund from the Revenue Fund are hereby declared to be a lien and charge upon the Revenue of the System junior in lien to the Costs of Maintenance and Operation and equal to the lien of the charges upon such Revenue of the System and ULID Assessments that may hereafter be made upon the Revenue of the System and ULID

Assessments to pay and secure the payment of the principal of and interest on any Future Parity Bonds, and prior and superior to all other charges of any kind or nature whatsoever.

(d) *Application and Investment of Money in Revenue Bond Fund.* Money in the Revenue Bond Fund and the Reserve Account shall be invested in any legal investment for City funds. Investments in the Revenue Bond Fund shall mature prior to the date on which such money shall be needed for required interest or principal payments. Investments in any Reserve Account shall mature not later than the last maturity of the Parity Bonds secured thereby.

(e) *Sufficiency of Revenues.* The Council hereby finds and declares that in fixing the amounts to be paid into the Revenue Bond Fund out of the Revenue of the System, it has exercised due regard for the Costs of Maintenance and Operation and has not obligated the City to set aside and pay into such Fund a greater amount of such Revenue than in its judgment will be available over and above the Costs of Maintenance and Operation.

Section 8. Bond Covenants.

(a) *Maintenance and Operation.* The City shall at all times maintain, preserve and keep the properties of the System in good repair, working order and condition and will from time to time make all necessary and proper repairs, renewals, replacements, extensions and betterments thereto, so that at all times the business carried on in connection therewith will be properly and advantageously conducted, and the City will at all times operate or cause to be operated said properties of the System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) *Rate Covenant.* The City will establish, maintain and collect such rates and charges, which shall be fair and nondiscriminatory, for service of its System as will maintain the Rate Covenant for so long as any Parity Bonds are outstanding.

(c) *Maintain Revenue Fund Balance.* After making or providing for the payments from the Revenue Fund as required by Section 6(b) hereof, there shall be maintained in the Revenue Fund sufficient money to enable the City to meet the Costs of Maintenance and Operation of the System on a current basis.

(d) *Sale or Disposition of the System.* The City will not sell or otherwise dispose of the System in its entirety unless simultaneously with such sale or other disposition, provision is made for the payment into the Revenue Bond Fund of cash or Government Obligations sufficient together with interest to be earned thereon to pay the principal of and interest on the then-outstanding Parity Bonds, nor will it sell or otherwise dispose of any part of the useful operating properties of the System unless such facilities are replaced or provision is made for payment into the Revenue Bond Fund of the greatest of the following:

(1) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (defined as the total amount of the Parity Bonds less the amount of cash and investments in the Revenue Bond Fund and accounts therein) that the Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Revenue for such period; or

(2) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the Net Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue for such period; or

(3) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the depreciated cost value of the facilities

sold or disposed of bears to the depreciated cost value of the entire System immediately prior to such sale or disposition.

The proceeds of any such sale or disposition of a portion of the properties of the System (to the extent required above) shall be paid into the Revenue Bond Fund.

Notwithstanding any other provision of this subsection (d), the City may sell or otherwise dispose of any of the works, plant, properties and facilities of the System or any real or personal property comprising a part of the same which shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the System, or no longer necessary, material to or useful in such operation, without making any deposit into the Revenue Bond Fund.

(e) *Liens or Encumbrances.* The City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the System or the Revenue of the System, or any part thereof, prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Revenue of the System, or any part thereof, or upon any funds in the hands of the City, prior to or superior to the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

(f) *Insurance.* The City will keep the works, plants and facilities comprising the System insured, and will carry such other insurance, with responsible insurers, with policies payable to the City, against risks, accidents or casualties, at least to the extent that insurance is usually carried by private corporations operating like properties, or will implement a self-insurance program with reserves adequate, in the judgment of the Council, to protect the City and the holders of Parity Bonds against loss. In the event of any loss or damage, the City

will promptly repair or replace the damaged portion of the insured property and apply the proceeds of any insurance policy for that purpose; or in the event the City should determine not to repair or reconstruct such damaged portion of the properties of the System, the proceeds of such insurance shall be paid into any Reserve Account to the extent that such transfer shall be necessary to make up any deficiency in said Reserve Account and the balance, if any, shall, at the option of the City, be used either for repairs, renewals, replacements, or capital additions to the System, for the redemption of Parity Bonds, or for deposit into the Revenue Bond Fund.

(g) *Books and Accounts.* The City shall keep proper books of account in accordance with any applicable rules and regulations prescribed by the State of Washington. The City shall prepare, and any owner or holder of Parity Bonds may, upon written request, obtain copies of, balance sheets and profit and loss statements showing in reasonable detail the financial condition of the System as of the close of each year, and the income and expenses of such year, including the amounts paid into the Revenue Fund, the Revenue Bond Fund, and into any and all special funds or accounts created pursuant to the provisions of this ordinance, and the amounts expended for maintenance, renewals, replacements, and capital additions to the System.

(h) *Additions and Improvements.* The City will not expend any of the revenues derived by it from the operation of the System or the proceeds of any indebtedness payable from the Revenue of the System for any extensions, betterments or improvements to the System that are not legally required or economically sound, and that will not properly and advantageously contribute to the conduct of the business of the System in an efficient manner.

(i) *Collection and Application of ULID Assessments.* As long as the Parity Bonds remain outstanding, all ULID Assessments shall be paid into the Revenue Bond Fund and shall be used to pay and secure the payment of the principal of and interest on the Parity Bonds.

Nothing in this ordinance or this section shall be construed to prohibit the City from issuing water, wastewater or water and wastewater system revenue bonds junior in lien to the Bonds and pledging as security for their payment assessments levied in any ULID which may have been specifically created to pay part of the cost of improvements to the System for which those junior lien bonds were specifically issued.

(j) *Collection of Delinquent ULID Assessments.* The City will, on or before April 1 of each calendar year, determine all ULID Assessments or installments thereof that are delinquent and will take all necessary action to enforce payment of such ULID Assessments, including real property foreclosure actions pursuant to applicable law, or its successor statute, if any, against the property owners whose ULID Assessments are delinquent.

(k) *No Free Service.* Unless permitted by law or City policy, the City will not furnish or supply or permit the furnishing or supplying of any commodity, service or facility furnished by or in connection with the operation of the System, free of charge to any person, firm or corporation, public or private, so long as any Bonds are outstanding and unpaid.

Section 9. Issuance of Future Parity Bonds.

(a) *Conditions upon the Issuance of Future Parity Bonds.* The City hereby reserves the right to issue Future Parity Bonds, which shall constitute a charge and lien upon the Revenue of the System equal to the lien thereon of the Bonds. Except as provided in subsection (c) below, the City shall not issue any series of Future Parity Bonds or incur any additional indebtedness with a parity lien or charge on Net Revenues (*i.e.*, on a parity of lien with Parity Bonds at the time outstanding) unless:

(1) the City shall not have been in default of its Rate Covenant for the immediately preceding fiscal year, without regard to transfers from the Coverage Stabilization Account;

(2) the ordinance authorizing the issuance of such Future Parity Bonds shall include the covenants provided in Section 8(b) hereof; and

(3) there shall have been filed a certificate (prepared as described in subsection (c) or (d) below) demonstrating fulfillment of the Parity Requirement, commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued no longer will be paid from the proceeds of such series of Future Parity Bonds.

(b) *No Certificate Required.* The certificate described in the foregoing subsection (a)(3) shall not be required as a condition to the issuance of Future Parity Bonds:

(1) if the Future Parity Bonds being issued are for the purpose of refunding outstanding Parity Bonds as long as the final maturity is not extended and the Annual Debt Service in any year does not increase by more than \$5,000; or

(2) if the Future Parity Bonds are being issued to pay costs of construction of facilities of the System for which Future Parity Bonds have been issued previously and the principal amount of such Future Parity Bonds being issued for completion purposes does not exceed an amount equal to an aggregate of 15% of the principal amount of Future Parity Bonds theretofore issued for such facilities and reasonably allocable to the facilities to be completed as shown in a written certificate of the Designated Representative, and there is delivered a Designated Representative's certificate stating that the nature and purpose of such facilities has not materially changed.

(c) *Certificate of the City Without A Consultant.* If required pursuant to the foregoing subsection (a)(3), a certificate may be delivered by the City (executed by the Designated Representative) without a Consultant if Net Revenues for the Base Period (confirmed by an audit) conclusively demonstrate that the Parity Requirement will be fulfilled commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued will not be paid from the proceeds of such series of Future Parity Bonds.

(d) *Certificate of a Consultant.* Unless compliance with the requirements of subsection (a)(3) have been otherwise satisfied (as provided in (b) or (c) above), compliance with the Parity Requirement shall be demonstrated conclusively by a certificate of a Consultant.

In making the computations of Net Revenues for the purpose of certifying compliance with the Parity Requirement, the Consultant shall use as a basis the Net Revenues (which may be based upon unaudited financial statements of the City if the audit has not yet been completed) for the Base Period. Such Net Revenues shall be determined by adding the following:

(1) The historical net revenue of the City for the Base Period being issued as determined by a Consultant.

(2) The net revenue derived from those customers of the City that have become customers during such 12-month period or thereafter and prior to the date of such certificate, adjusted to reflect a full year's net revenue from each such customer to the extent such net revenue was not included in (1) above.

(3) The estimated annual net revenue to be derived from any person, firm, association, private or municipal corporation under any executed contract for service, which net revenue was not included in any of the sources of net revenue described in this subsection (d).

(4) The estimated annual net revenue to be derived from the operation of any additions or improvements to or extensions of the City under construction but not completed at the time of such certificate and not being paid for out of the proceeds of sale of such Future Parity Bonds being issued, and which net revenue is not otherwise included in any of the sources of net revenue described in this subsection (d).

(5) The estimated annual net revenue to be derived from the operation of any additions and improvements to or extensions of the City being paid for out of the proceeds of sale of such Future Parity Bonds being issued.

In the event the City will not derive any revenue as a result of the construction of the additions, improvements or extensions being made or to be made to the System within the provisions of subparagraphs (4) and (5) immediately above, the estimated normal Costs of Maintenance and Operation (excluding any transfer of money to other funds of the City and license fees, taxes and payments in lieu of taxes payable to the City) of such additions, improvements and extensions shall be deducted from estimated annual net revenue.

The words “historical net revenue” or “net revenue” as used in this subsection (d) shall mean the Revenue or any part or parts thereof less the normal expenses of maintenance and operation of the System or any part or parts thereof, but before depreciation.

Such “historical net revenue” or “net revenue” shall be adjusted to reflect the rates and charges effective on the date of such certificate if there has been any change in such rates and charges during or after such 12-consecutive-month period.

(e) *Junior Liens.* Nothing herein contained shall prevent the City from issuing revenue bonds or other obligations that are a charge upon the Revenue of the System junior or inferior to the payments required by this ordinance to be made out of such Revenue into the

Revenue Bond Fund and accounts therein to pay and secure the payment of any outstanding Parity Bonds.

(f) *Refunding to avoid default.* Nothing herein contained shall prevent the City from issuing revenue bonds to refund maturing Parity Bonds for the payment of which money is not otherwise available.

Section 10. Tax Covenants. With respect to Bonds issued as Tax-Exempt Bonds, the City covenants that it will not take or permit to be taken on its behalf any action that would adversely affect the exemption from federal income taxation of the interest on the Tax-Exempt Bonds and will take or require to be taken such acts as may reasonably be within its ability and as may from time to time be required under applicable law to continue the exemption from federal income taxation of the interest on the Tax-Exempt Bonds.

(a) *Arbitrage Covenant.* Without limiting the generality of the foregoing, the City covenants that it will not take any action or fail to take any action with respect to the proceeds of sale of the Tax-Exempt Bonds or any other funds of the City which may be deemed to be proceeds of the Tax-Exempt Bonds pursuant to Section 148 of the Code and the regulations promulgated thereunder which, if such use had been reasonably expected on the dates of delivery of the Tax-Exempt Bonds to the initial purchasers thereof, would have caused the Tax-Exempt Bonds as “arbitrage bonds” within the meaning of such term as used in Section 148 of the Code.

The City represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer whose arbitrage certifications may not be relied upon. The City will comply with the requirements of Section 148 of the Code and the applicable regulations thereunder throughout the term of the Tax-Exempt Bonds.

(b) *Private Person Use Limitation for Tax-Exempt Bonds.* The City covenants that for as long as the Tax-Exempt Bonds are outstanding, it will not permit:

(1) More than 10% of the Net Proceeds of the Tax-Exempt Bonds to be used for any Private Person Use; and

(2) More than 10% of the principal or interest payments on the Tax-Exempt Bonds in a Bond Year to be directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use.

The City further covenants that, if:

(3) More than five percent of the Net Proceeds of the Tax-Exempt Bonds are to be used for any Private Person Use; and

(4) More than five percent of the principal or interest payments on the Tax-Exempt Bonds in a Bond Year are (under the terms of this ordinance or any underlying arrangement) directly or indirectly:

(A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or

(B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use, then,

(i) any Private Person Use of the Projects financed or refinanced with the proceeds of the Tax-Exempt Bonds or Private Person Use payments described in subsection (4) hereof that is in excess of the five percent limitations described in such subsections (3) or (4) will be for a Private

Person Use that is related to the state or local governmental use of the Projects financed or refinanced with the proceeds of the Tax-Exempt Bonds, and (ii) any Private Person Use will not exceed the amount of Net Proceeds of the Tax-Exempt Bonds used for the state or local governmental use portion of the Projects financed or refinanced with the proceeds of the Tax-Exempt Bonds to which the Private Person Use of such portion of the Projects financed or refinanced with the proceeds of the Tax-Exempt Bonds relates. The City further covenants that it will comply with any limitations on the use of the Projects by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to preserve the tax exemption of the interest on the Tax-Exempt Bonds. The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Tax-Exempt Bonds.

(c) *Designation under Section 265(b) of the Code.* The Designated Representative is authorized to determine whether the Tax-Exempt Bonds may be qualified under Section 265(b) of the Code and to designate the series of the Tax-Exempt Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b) of the Code for investment by financial institutions.

(d) *Modification of Tax Covenants.* The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Tax-Exempt Bonds. To that end, the provisions of this section may be modified or eliminated without any requirement for formal amendment thereof upon receipt of an opinion of the City’s bond counsel that such modification or elimination will not adversely affect the tax exemption of interest on any Tax-Exempt Bonds.

Section 13. Defeasance. In the event that the City, in order to effect the payment, retirement or redemption of any Bond, sets aside in the Revenue Bond Fund or in another special account, cash or noncallable Government Obligations, or any combination of cash and/or noncallable Government Obligations, in amounts and maturities which, together with the known earned income therefrom, are sufficient to redeem or pay and retire such Bond in accordance with its terms and to pay when due the interest and redemption premium, if any, thereon, and such cash and/or noncallable Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Revenue Bond Fund for the payment of the principal of and interest on such Bond. The owner of a Bond so provided for shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive payment of principal, premium, if any, and interest from such special account, and such Bond shall be deemed to be not outstanding under this ordinance.

The Registrar shall provide notice of defeasance of Bonds to Registered Owners and to each party entitled to receive notice in accordance with Section 17 of this ordinance.

Section 15. Delegation of Authority; Sale of Bonds.

(a) *Delegation of Authority.* The City has determined that it would be in the best interest of the City to delegate to the Designated Representative the authority to approve the manner of sale, the number of series, the series designation, the final principal amounts of the Bonds (within the parameters established herein), date of the Bonds, tax status of each series, interest rates, payment dates, redemption provisions, maturity dates of such Bonds, and other terms and conditions of the Bonds in the manner provided hereafter so long as:

- (1) the aggregate principal amount of the Bonds does not exceed \$210,000,000;
- (2) the final maturity of each series of the Bonds does not exceed 21 years; and
- (3) the true interest cost of each series of the Bonds does not exceed 4.00%.

In determining the manner of sale, number of series, the taxable or tax-exempt status of each series, the series designation, the final principal amounts of the Bonds (within the

parameters above), date of the Bonds, interest rates, payment dates, redemption provisions, and maturity dates of such Bonds, the Designated Representative, in consultation with City staff and the City's financial advisor, shall take into account those factors that, in the Designated Representative's judgment, will result in the lowest true interest cost on the applicable series of the Bonds to their maturity, including, but not limited to current financial market conditions and current interest rates for obligations comparable in tenor and quality to the applicable series of the Bonds.

(b) *Bond Sale.* The Designated Representative is hereby authorized to determine whether the Bonds shall be sold by Negotiated Sale or by a Competitive Sale. Upon the selection of one or more underwriters, the Designated Representative shall negotiate the terms of sale for the Bonds, including the terms described in this section, in a contract of sale (a "Bond Purchase Contract").

If the Bonds are sold by Competitive Sale, the Designated Representative or his designee shall: (a) establish the date of the public sale; (b) establish the criteria by which the successful bidder will be determined; (c) request a good faith deposit from the Successful Bidder; (d) cause notice of the public sale to be given (the "Notice of Sale"); and (e) provide for such other matters pertaining to the public sale as he deems necessary or desirable. The Designated Representative shall cause notice of the public sale to be given and provide for such other matters pertaining to the public sale as she deems necessary or desirable.

Upon the date and time established for the receipt of bids for the Bonds, the Designated Representative or his designee shall open the bids and shall cause the bids to be mathematically verified. The Designated Representative will approve the bid offering to purchase the Bonds at the lowest true interest cost to the City at such price as shall be determined at the time of sale by

the Designated Representative, plus accrued interest to the date of delivery, on all the terms and conditions set out in the applicable Notice of Sale.

All bids submitted for the purchase the Bonds shall be as set forth in the applicable Notice of Sale or otherwise as established by the Designated Representative which will be furnished upon request made to the Designated Representative. Such successful bidder shall, within three hours of the award of the Bonds, make a good faith deposit by federal wire or by a cashier's or certified check, made payable to the order of the City in an amount determined by the Designated Representative. The good faith deposit of the successful bidder shall be security for the performance of its bid and shall be held as liquidated damages in case the successful bidder fails to take up and pay for the applicable series of the Bonds within 45 days if tendered for delivery. All bids submitted shall be opened (but not read publicly) by the City. The City reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

Subject to the terms and conditions set forth in this section, the Designated Representative is hereby authorized to accept an Approved Bid in a Competitive Sale and/or execute the final form of a Bond Purchase Contract in a Negotiated Sale, upon his approval of the number of series, the series designation, the final principal amounts of the Bonds (within the parameters established in this section), date of the Bonds, interest rates, payment dates, redemption provisions, and maturity dates of such bonds set forth therein. Following the sale of the Bonds of a series, the Designated Representative shall provide a report to the Council, describing the final terms of such Bonds approved pursuant to the authority delegated in this section.

(b) *Delivery of Bonds; Documentation.* Upon the passage and approval of this ordinance, the proper officials of the City including the Designated Representative, are authorized and directed to undertake all action necessary for the prompt execution and delivery of the Bonds to the successful bidder thereof and further to execute all closing certificates and documents required to effect the closing and delivery of the Bonds. In furtherance of the foregoing, the Designated Representative is authorized to approve and enter into agreements for the payment of costs of issuance, including underwriter's discount, the fees and expenses specified in the Bond Purchase Contract or Notice of Sale, including fees and expenses of underwriter and other retained services, including Bond Counsel, financial advisor, rating agencies, fiscal agency, and other expenses customarily incurred in connection with issuance and sale of bonds.

(c) *Preliminary and Final Official Statements.* The Designated Representative is hereby authorized to deem final the preliminary Official Statement relating to the Bonds for the purposes of the Rule. The Designated Representative is further authorized to ratify and to approve for purposes of the Rule, on behalf of the City, the Official Statement relating to the issuance and sale of the Bonds and the distribution of the Official Statement pursuant thereto with such changes, if any, as may be deemed by him to be appropriate.

Section 16. Disposition of Bond Proceeds.

(a) *Reserve Account.* The portion of the Bonds, if any, designated by the Designated Representative shall be deposited into the Reserve Account which shall be sufficient to meet the Reserve Requirement.

(b) *2014 Construction Account.* An account shall be established and designated as the "2014 Construction Account" within the Water and Wastewater Fund, into which the balance

of the net proceeds of the Bonds shall be deposited. Money on hand in the 2014 Construction Account shall be used to pay the costs of or reimbursement for the costs of the Projects and costs of issuance of the Bonds. The City hereby declares its official intent to reimburse itself for any expenditures that it makes on the Project prior to issuing the Bonds. The City understands that proceeds of the Bonds may only be used to reimburse expenditures paid no earlier than sixty (60) days prior to the date of the adoption of this ordinance. The City further understands that the use of proceeds of the Bonds to reimburse an expenditure may occur no later than eighteen (18) months after the date of such expenditure.

Money in the 2014 Construction Account shall be invested in such obligations as may now or hereafter be permitted to the City by law and City policies. Any part of the proceeds of the Bonds remaining in the 2014 Construction Account after all costs of the Projects have been paid (including costs of issuance) shall be transferred to the Revenue Bond Fund for the uses and purposes therein provided.

(c) The proceeds of the Bonds are restricted for use solely as stated herein and as such are not eligible appropriations subject to the one percent for arts appropriation pursuant to SMC 7.06.420.

Section 17. Undertaking to Provide Ongoing Disclosure. The Designated Representative is hereby authorized to enter into a written undertaking for the benefit of the owners of the Bonds as required by Section (b)(5) of the Rule (the “Continuing Disclosure Agreement”). The Continuing Disclosure Agreement constitutes the City's written undertaking for the benefit of the owners (including Beneficial Owners) of the Bonds as required by Section (b)(5) of the Rule.

Section 18. Amendments.

(a) The Council from time to time and at any time may pass an ordinance or ordinances supplemental hereof, which ordinance or ordinances thereafter shall become a part of this ordinance, for any one or more or all of the following purposes:

(1) To add to the covenants and agreements of the City in this ordinance, other covenants and agreements thereafter to be observed, which shall not adversely affect the interests of the holders of any Parity Bonds, or to surrender any right or power herein reserved.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance or any ordinance authorizing future Parity Bonds in regard to matters or questions arising under such ordinances as the Council may deem necessary or desirable and not inconsistent with such ordinances and which shall not adversely affect, in any material respect, the interest of the holders of Parity Bonds.

Any such supplemental ordinance may be adopted without the consent of the holders of any Parity Bonds at any time outstanding, notwithstanding any of the provisions of subsection (b) of this section.

(b) With the consent of the holders of not less than 60% in aggregate principal amount of the Parity Bonds at the time outstanding, the Council may pass an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall:

(1) Extend the fixed maturity of any Parity Bonds, or reduce the rate of interest thereon, or extend the time of payment of interest from their due date, or reduce the

amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the holder of each bond so affected; or

(2) Reduce the aforesaid percentage of bondholders required to approve any such supplemental ordinance, without the consent of the holders of all of the Parity Bonds then outstanding.

It shall not be necessary for the consent of bondholders under this subsection (b) to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

For the purpose of consenting to amendments under this Section 18(b) except for amendments that alter the interest rate on any Parity Bonds, the maturity date, interest payment dates, purchase upon tender or redemption of any Parity Bonds, the issuer of a Credit Facility shall be deemed to be the sole Registered Owner of the Parity Bonds that are payable from such Credit Facility and that are then outstanding.

(c) Upon the passage of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this ordinance and all holders of Parity Bonds outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendments, and all terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this ordinance for any and all purposes.

Section 19. Severability. If any provision in this ordinance is declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void and shall

be deemed separable from the remaining provision of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.

Section 20. Effective Date. The Council hereby finds and determines that the issuance and sale of the Bonds at this time will benefit the City by allowing the City to take advantage of current interest rates for tax-exempt bonds. In making such finding and determination, the Council has given consideration to the interest that will be payable on the Bonds through the maturity of the Bonds, the costs of issuance of the Bonds and the income that will be earned from investing the portion of the proceeds of the sale of the Bonds until applied to pay Project costs. In order to take advantage of current interest rates, it is essential to accept the Bond Purchase Contract or Approved Bid to purchase the Bonds as quickly as possible. Based upon said facts, an emergency and urgency is declared and found to exist as necessary for the immediate support of City government and its existing public institutions. Based upon said emergency and urgency, this ordinance shall become effective immediately upon its passage.

The obligation provided for in this Section regarding acts or omissions resulting from this Agreement survives Agreement termination or expiration.

21. INTELLECTUAL PROPERTY RIGHTS.

- A. Copyrights. The Consultant shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Consultant for the Work, whether or not the Work is completed. The Consultant grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Consultant for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.
- B. Patents: The Consultant assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Consultant created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Consultant has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.
- C. The City may make and retain copies of such documents for its information and reference with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project.

22. CONFIDENTIALITY.

Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act*) all materials received or created by the City of Spokane are **public records**. These records include but are not limited to bid or proposal submittals, agreement documents, contract work product, or other bid material. Some records or portions of records are legally *exempt from disclosure* and can be redacted or withheld. The Public Records Act (RCW 42.56 and RCW 19.10)8 describes those exemptions. Consultant must familiarize themselves with the Washington State Public Records Act (PRA) and the City of Spokane's process for managing records.

The City will try to redact anything that seems obvious in the City opinion for redaction. For example, the City will black out (redact) Social Security Numbers, federal tax identifiers, and financial account numbers before records are made viewable by the public. However, this does not replace your own obligations to identify any materials you wish to have redacted or protected, and that you think are so under the Public Records Act (PRA).

Protecting your Materials from Disclosure (Protected, Confidential, or Proprietary): You must determine and declare any materials you want exempted (redacted), and that you also believe are eligible for redaction. This includes but is not limited to your bid submissions, contract materials and work products.

Contract Work Products: If you wish to assert exemptions for your contract work products you must notify the City Project Manager at the time such records are generated.

Please note the City cannot accept a generic marking of materials, such as marking everything with a document header or footer, page stamp, or a generic statement that a document is non-disclosable, exempt, confidential, proprietary, or protected. You may not exempt an entire page unless each sentence is entitled to exemption; instead, identify paragraphs or sentences that meet the RCW exemption criteria you are relying upon.

City's Response to a Public Records Act Requests: The City will prepare two versions of your materials:

Full Redaction: A public copy that redacts (blacks out) both the exemptions (such as social security numbers) identified by the City and also materials or text you identified as exempt. The fully redacted version is made public upon contract execution and will be supplied with no notification to you.

Limited Redaction: A copy that redacts (blacks out) only the exemptions (such as social security numbers) identified by the City. This does not redact (black out) exemptions you identified. The Limited Redaction will be released only after you are provided "third party notice" that allows you the legal right under RCW 42.56.540 to bring a legal action to enjoin the release of any records you believe are not subject to disclosure.

If any requestor seeks the Limited Redacted or original versions, the City will provide you "third party notice", giving ten business days to obtain a temporary restraining order while you pursue a court injunction. A judge will determine the status of your exemptions and the Public Records Act.

23. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. It shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the Agreement. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. The City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed.

24. TERMINATION.

- A. For Cause: The City may terminate the Agreement if the Consultant is in material breach of this Agreement, and such breach has not been corrected to the City's reasonable satisfaction in a timely manner.
- B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control.
- C. For City's Convenience: The City may terminate this Agreement without cause and including the City's convenience, upon written notice to the Consultant.
- D. Notice: Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.
- E. Actions upon Termination: if termination occurs not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to termination, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Consultant agrees this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes

and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.

- F. Upon termination, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Consultant harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Consultant's work product.

25. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: (a) the New Work is not reasonable to solicit separately; (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Consultant at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identified or main purposes of the Agreement. The City may make exceptions for immaterial changes, emergency or sole source conditions, or other situations required in City opinion. Certain changes are not New Work subject to these limitations, such as additional phases of Work anticipated at the time of solicitation, time extensions, Work Orders issued on an On-Call contract, and similar. New Work must be mutually agreed and issued by the City through written Addenda. New Work performed before an authorizing Amendment may not be eligible for payment.

26. MISCELLANEOUS PROVISIONS.

- A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.
- B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.
- C. Americans with Disabilities Act (ADA): Specific attention by the designer is required in association with the Americans with Disabilities Act (ADA) 42 U.S.C. 12101-12213 and 47 U.S.C. 225 and 611, its requirements, regulations, standards and guidelines, which were updated in 2010 and are effective and mandatory for all State and local government facilities and places of public accommodation for construction projects including alteration of existing facilities, as of March 15, 2012. The City advises that the requirements for accessibility under the ADA, may contain provisions that differ substantively from accessibility provisions in applicable State and City codes, and if the provisions of the ADA impose a greater or equal protection for the rights of individuals with disabilities or individuals associated with them than the adopted local codes, the ADA prevail unless approval for an exception is obtained by a formal documented process. Where local codes provide exceptions from accessibility requirements that differ from the ADA Standards; such exceptions may not be permitted for publicly owned facilities subject to Title II requirements unless the same exception exists in the Title II regulations. It is the responsibility of the designer to determine the code provisions.
- D. The Consultant, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Consultant shall comply with the requirements of this Section.
- E. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in the Superior Court of Spokane County.
- F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.
