CITY COUNCIL MEETINGS
RULES – PUBLIC DECORUM

Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

1. **No Clapping!**
2. **No Cheering!**
3. **No Booing!**
4. **No public outbursts!**
5. **Three-minute time limit for comments made during open forum and public testimony on legislative items!**
6. **No person shall be permitted to speak at open forum more often than once per month.**

In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

Rule 2.2 Open Forum

2.2.4 The open forum is a limited public forum and all matters discussed shall relate to affairs of the City. No person may use the open forum to speak on such matters and in such a manner as to violate the laws governing the conduct of municipal affairs. No person shall be permitted to speak on matters related to the current or advance agendas, potential or pending hearing items, or ballot propositions for a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not make personal comment or verbal insults about any individual.

2.2.6 In an effort to encourage wider participation in open forum so that the Council can hear a wide array of citizen comment, no person shall be permitted to speak at open forum more often than once per month. However, this limitation has no effect on the public comment rules concerning items on the Council's current legislative agenda, special consideration items, hearing items, and other items before the City Council requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 5.4 Public Testimony Regarding Legislative Agenda Items – Time Limits

5.3.1 Members of the public may address the Council regarding items on the Council's legislative agenda, special consideration items, hearing items and other items before the City Council requiring Council action that are not adjudicatory or administrative in nature. This rule shall not limit the public's right to speak during the open forum.

5.3.2 No one may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet and provide his or her address as a condition of recognition. In order for a council member to be recognized by the Chair for the purpose of obtaining the floor, the council member shall either raise a hand or depress the call button on the dais until recognized by the Council President.

5.3.3 Each person speaking at the public microphone shall verbally identify him(her)self by name and, if appropriate, representative capacity.

5.3.4 Each speaker shall follow all written and verbal instructions so that verbal remarks are electronically recorded and documents submitted for the record are identified and marked by the Clerk.

5.3.5 In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, no modes of expression not provided by these rules, including but not limited to demonstrations, banners, applause, profanity, vulgar language, or personal insults will be permitted.

5.3.6 A speaker asserting a statement of fact may be asked to document and identify the source of the factual datum being asserted.

5.3.7 When addressing the Council, members of the public shall direct all remarks to the Council President and shall confine remarks to the matters that are specifically before the Council at that time.

5.3.8 When any person, including members of the public, City staff and others are addressing the Council, council members shall observe the same decorum and process, as the rules require among the members inter se. That is, a council member shall not engage the person addressing the Council in colloquy, but shall speak only when granted the floor by the Council President. All persons and/or council members shall not interrupt one another. The duty of mutual respect set forth in Rule 1.2 and the rules governing debate set forth in *Robert's Rules of Order* shall extend to all speakers before the City Council. The council president pro-tem shall be charged with the task of assisting the council president to insure that all individuals desiring to speak, be they members of the public, staff or council members, shall be identified and provided the opportunity to speak.

CITY COUNCIL BRIEFING SESSION

Council will adopt the Administrative Session Consent Agenda after they have had appropriate discussion. Items may be moved to the 6:00 p.m. Legislative Session for formal consideration by the Council at the request of any Council Member.

SPOKANE CITY COUNCIL BRIEFING SESSIONS (BEGINNING AT 3:30 P.M. EACH MONDAY) AND LEGISLATIVE SESSIONS (BEGINNING AT 6:00 P.M. EACH MONDAY) ARE BROADCAST LIVE ON CITY CABLE CHANNEL FIVE AND STREAMED LIVE ON THE CHANNEL FIVE WEBSITE. THE SESSIONS ARE REPLAYED ON CHANNEL FIVE ON THURSDAYS AT 6:00 P.M. AND FRIDAYS AT 10:00 A.M.

The Briefing Session is open to the public, but will be a workshop meeting. Discussion will be limited to Council Members and appropriate Staff and Counsel. There will be an opportunity for the expression of public views on any issue not relating to the Current or Advance Agendas during the Open Forum at the beginning and the conclusion of the Legislative Agenda.

ADDRESSING THE COUNCIL

- No one may speak without first being recognized for that purpose by the Chair. Except for named parties to an adjudicative hearing, a person may be required to sign a sign-up sheet as a condition of recognition.
- Each person speaking at the public microphone shall print his or her name and address on the sheet provided at the entrance and verbally identify him/herself by name, address and, if appropriate, representative capacity.
- If you are submitting letters or documents to the Council Members, please provide a minimum of ten copies via the City Clerk. The City Clerk is responsible for officially filing and distributing your submittal.
- In order that evidence and expressions of opinion be included in the record and that decorum befitting a deliberative process be maintained, modes of expression such as demonstration, banners, applause and the like will not be permitted.
- A speaker asserting a statement of fact may be asked to document and identify the source of the factual datum being asserted.

SPEAKING TIME LIMITS: Unless deemed otherwise by the Chair, each person addressing the Council shall be limited to a three-minute speaking time.

CITY COUNCIL AGENDA: The City Council Advance and Current Agendas may be obtained prior to Council Meetings from the Office of the City Clerk during regular business hours (8 a.m. - 5 p.m.). The Agenda may also be accessed on the City website at www.spokanecity.org. Agenda items are available for public review in the Office of the City Clerk during regular business hours.

Subject
Renewal of Value Blanket with Northstar Chemical of Tualatin, OR, for purchase of Hydrochloric Acid per request for bids #4059-14. Not to exceed $31,088.20, tax included.

Background
Hydrochloric acid is required for the operation of the waste to energy facility. On October 20, 2014, the City received 3 bids in response to RFB#4059-14. Northstar Chemical was the lowest cost bidder.

The original request for bids allowed for a 1-year agreement, with 4 additional 1-year renewals. This is the first of those renewals.

Impact
Renewal of this value blanket will allow for the uninterrupted operation of the WTE.

Action
Recommend approval.

Funding
Funding for this value blanket is included in the 2016 operations budget.

BRIEFING PAPER
Public Works Committee
Solid Waste Disposal
January 11, 2016

Subject
Extension of Contract with Safway Services, LLC, of Spokane, for removal and replacement of insulation and cladding for boiler walls and piping and fabrication and installation of removable of insulation blankets at the WTE. February 1, 2016, to January 31, 2017. $100,000.00 including taxes if applicable.

Background
During outages at the WTE removal of insulation and cladding for boiler walls and other areas is needed to allow access. Replacement of the insulation and piping and fabrication and installation of removable insulation blankets is also required. Removal and replacement of damaged or worn insulation may also be required on an as-needed basis.

The City issued RFP #4082-14 and received 3 proposals: DKP Inc., of Pasco, WA; Hudson Bay Insulation Co., of Seattle, and Safway Services LLC, of Spokane. Safway Services LLC was the most responsive and lowest cost proposer.

The term of the original contract was through January 31, 2016, with 4 additional one-year extensions. This is the first of those extensions.

Impact
Insulation and cladding of various types is required throughout the plant to allow the WTE to operate properly, and maintain a safe working environment. This contract extension will allow for that insulation to be removed and replaced from time to time allowing the facility to be maintained and repaired.

Action
Approval of this contract extension is recommended.

Funding
Funding is included in the 2016 operation and maintenance budget.

City Legal/City Prosecutor's Office
2015 Relicensing Program Interlocal
February 1, 2016

Subject

Interlocal Agreement with Spokane County and Spokane County Prosecutor to fund and staff the Relicensing Program for 2015.

Background

This regional program was re-established in 2008 for the purpose of enhancing collection of traffic fine revenue and reducing the impact on the criminal justice system of the charge of driving while license suspended in the 3rd degree.

Impact

- Reduces number of unlicensed and uninsured drivers
- Reduces docket case loads for Municipal and District Court
- Generates revenue via affordable monthly payment plans

Action

Recommendation of the Public Safety Committee for City Council approval of the 2015 Relicensing Program Interlocal Agreement (January 1, 2015 – December 31, 2015).

Funding

City funds for this interlocal agreement are available in the City's 2015 annual budget.

RELICENSING PROJECT INTERLOCAL AGREEMENT
(January 1, 2015-December 31, 2015)

THIS AGREEMENT entered into among the CITY OF SPOKANE, a Washington State municipal corporation, having offices for the transaction of business at 808 West Spokane Falls Boulevard, Spokane, Washington 99201, herein after referred to as "CITY," SPOKANE COUNTY, a Washington State political subdivision, having offices for the transaction of business at 1116 West Broadway Avenue, Spokane, Washington 99260, herein after referred to as "COUNTY," and the SPOKANE COUNTY PROSECUTING ATTORNEY, having offices for the transaction of business at 1100 West Mallon, Avenue, Spokane Washington, 99260, hereinafter referred to as "PROSECUTOR," hereinafter individually referred to as a "PARTY" and collectively referred to as the "PARTIES."

W I T N E S S E T H:

WHEREAS, pursuant to the provisions of RCW 36.32.120(6), the Board of County Commissioners has the care of COUNTY property and management of COUNTY funds and business; and

WHEREAS, pursuant to RCW 36.27.020, the PROSECUTOR shall prosecute all criminal and civil actions in which the state or the county may be a party; and

WHEREAS, pursuant to the provisions of chapter 39.34 RCW, two or more public entities may jointly cooperate between each other to perform functions which each may individually perform.

NOW THEREFORE, the PARTIES agree as follows:

SECTION NO. 1: PURPOSE.

The purpose of this Interlocal Agreement is to set forth the terms under which the PARTIES will cooperatively participate in the Relicensing Project ("RP").

SECTION NO. 2: TERM.

This Agreement shall begin on January 1, 2015 and continue until December 31, 2015. Any PARTY may terminate this Agreement at any time upon thirty (30) days written notice to each of the other PARTIES.

SECTION NO. 3: SCOPE OF PARTICIPATION / FUNDING.

Each PARTY shall, either as a direct or in-kind contribution, provide resources to the RP as summarized below and detailed on the attached Schedule "A."

A. General:

1. Although it is anticipated the RP will generate sufficient revenue through the collection of an administrative fee to offset the majority of the expenses associated with its operation, the PARTIES acknowledge that funds and other resources will have to be advanced by the PARTIES to provide for the expenses associated with operation of the RP.

2. Each PARTY shall advance certain resources to the RP as are summarized below and detailed on the attached Schedule "A."

3. All contributions by the PARTIES to the RP, whether direct or in-kind and whether provided in accordance with or in addition to this Agreement, shall be deemed to constitute an advance to the RP against anticipated revenue generated by the RP administrative fee. All such contributions shall be recoverable by the advancing PARTY in accordance with Section 4-B of this Agreement.

B. Employees/Salary.

1. The CITY shall contribute and directly pay one hundred percent (100%) of the salary for the Assistant City Prosecutor assigned the RP. The term "salary" shall include all benefits such as medical, dental, life insurance and disability.

2. The COUNTY shall contribute and directly pay one hundred percent (100%) of the salaries for the PROSECUTOR'S Paralegal II, Legal Office Assistant 1 and Cashier or equivalent positions. The term "salaries" shall include all benefits such as medical, dental, life insurance and disability.

C. Office Space.

1. The RP will be located at the offices of the Spokane City Prosecutor at 909 West Mallon Avenue, Spokane, Washington. The CITY shall contribute the office space for the RP.

D. Office Furniture, Supplies and Equipment.

1. The CITY shall contribute office furniture, computer and telecommunication equipment for all CITY and PROSECUTOR staff provided to the RP, as identified herein. The CITY will contribute individual productivity equipment for the desks of CITY staff assigned to RP, including stapler, 2-hole punch, tape dispenser, scissors, as well as other such items as the CITY may deem appropriate. The PROSECUTOR will contribute individual productivity equipment for the desks of PROSECUTOR staff assigned to RP, including stapler, 2-hole punch, tape dispenser, scissors, as well as other such items as the PROSECUTOR may deem appropriate.

2. The CITY will contribute supplies for RP, which will be directly purchased by the CITY.

3. The CITY will contribute the use of photo-duplication and facsimile transmission equipment.

4. The PROSECUTOR will contribute the use of an additional photo copier.

E. Operational Expenses.

1. The CITY shall contribute the expenses associated with photo-duplication and facsimile transmissions.

2. The PROSECUTOR shall contribute the costs associated with the additional photo copier.

3. The CITY shall contribute the expenses associated with telecommunication line and long distance charges.

4. The CITY shall contribute the expenses associated with postage.

5. The CITY shall contribute fifty percent (50%) of the expenses associated with the educational component of RP.

6. The PROSECUTOR shall contribute fifty percent (50%) of the expenses associated with the educational component of RP.

7. The CITY will contribute computer network access for CITY and PROSECUTOR employees.

8. The COUNTY will contribute the costs associated with revenue collection.

9. The CITY and COUNTY will contribute the costs associated with clerical support from their respective court clerk's offices.

SECTION NO. 4: FINANCING

A. Budgeting:

The PARTIES acknowledge that the COUNTY and PROSECUTOR have agreed only to participate in the Agreement through December 31, 2015. At the end of the term, the COUNTY and PROSECUTOR agree to review continued participation in the Relicensing Program. Each PARTY shall advise the other PARTIES, by October 1, 2015, of its intent to participate in this Agreement in calendar year 2016 and any proposed budget changes affecting this Agreement for calendar year 2016. However, the Parties recognize that any intent to continue participation in 2016 is dependent on final budget adoption by COUNTY and CITY which does not occur until December 2015 for 2016. Each PARTY shall be responsible for the financing of its contractual obligations under its normal budgetary process.

B. Revenue:

1. The RP will require the payment of a one hundred dollar ($100.00) administrative fee by each participant in the program.

2. The Spokane County Prosecutor's Office, Discovery Unit, will collect the program administrative fee and post such fees to a segregated revenue line item for RP.

3. Within thirty (30) days of the end of the first three (3) calendar quarters (March 31, June 30, and September 30) of 2015, the funds collected via the RP administrative shall be dispersed, with fifty percent (50%) of the funds being dispersed to the CITY and fifty percent (50%) of the funds being dispersed to the COUNTY. These percentage splits between the PARTIES are based upon a proposed budget for 2015 showing that the CITY advances approximately fifty three and thirty six hundredths percent (53.36%) of budgeted costs of RP and the COUNTY advances forty six and sixty four hundredths percent (46.64%) of the budgeted costs of RP. The PARTIES recognize that these percentages will be adjusted consistent with paragraphs 4 and 5 herein.

4. In January 2016, the CITY and COUNTY/PROSECUTOR shall agree upon the amount each PARTY'S actual contribution to RP from January 1, 2015

through December 31, 2015 and from there determine and agree upon each PARTY'S percent of contribution to the total budget of RP for this time frame as projected and summarized in Schedule "A." The PARTIES understand that Schedule "A" will be revised to show actual expenditures and when revised will be used as the basis for determining each PARTY'S January 1, 2015 through December 31, 2015 contribution.

5. Using the same percent of contribution determined in paragraph 4, the PARTIES shall compute the actual amount of revenue that should be dispersed to each PARTY for the time frame from January 1, 2015 through December 31, 2015. The proceeds from the administrative fee collected during October, November and December of 2015 shall be allocated and disbursed so as to reconcile the actual amount of distributions for the time frame from January 1, 2015 through December 31, 2015 to those determined under the terms of paragraph 4.

6. Payments from participants related to fines, costs, penalties and assessments previously imposed by the Spokane County District and the Spokane Municipal Court shall not be considered revenue for the purposes of this Agreement. Such funds will be collected and disbursed by the entity that imposed such fines, costs, penalties and assessments in accordance with such entity's internal policies.

SECTION NO. 5: EMPLOYMENT

A. The CITY shall be responsible for all employment matters regarding the Assistant City Prosecutor.

B. The PROSECUTOR shall be responsible for all employment matters regarding the legal and clerical support staff positions. The RP Project Coordinator shall advise PROSECUTOR on matters concerning the work performance of PROSECUTOR employees.

SECTION NO. 6: LIABILITY

A. The COUNTY shall defend, indemnify and hold harmless the CITY, its officers, employees and agents, from any claim, damage, loss, liability, injury, cost and expense arising out of the negligence of the COUNTY/PROSECUTOR, their officers, employees and agents in connection with the Agreement, except to the extent of the negligence of the CITY, its officers, employees and agents. If an action, claim or proceeding instituted by a third party is directed at work or action taken by the CITY solely on behalf of the COUNTY/PROSECUTOR in connection with this Agreement, the COUNTY shall defend, indemnify and hold harmless the CITY from any expenses connected with the defense, settlement, or monetary judgment ensuing from the actions, claims, or proceedings.

B. Except as provided above, the CITY shall defend, indemnify and hold harmless the COUNTY/PROSECUTOR, their officers, employees and agents, from any claim, damage, loss, liability, injury, cost and expense arising out of the negligence of the CITY, its officers, employees and agents in connection with the Agreement, except to the extent of the negligence of the COUNTY/PROSECUTOR. If an action, claim or proceeding instituted by a third party is directed at work or action taken by the COUNTY/PROSECUTOR solely on behalf of the CITY, its officers, employees and agents under the terms of this Agreement, the CITY shall defend, indemnify and hold harmless the COUNTY/PROSECUTOR from any expenses connected with the defense, settlement, or monetary judgment ensuing from the actions, claims, or proceedings.

C. For the purposes of this section, the RP Project Coordinator shall be deemed to be an agent of both the CITY and the COUNTY/PROSECUTOR.

D. All PARTIES waive immunity under Title 51 RCW. Industrial Insurance and only as necessary to make this indemnity provision enforceable with respect to claims relating to the death or injury of CITY and/or COUNTY employees acting within the scope of this Agreement. All PARTIES have specifically negotiated this provision.

Re: Universal Transit Access Pass Program Renewal

Dear Ms. Lowe:

In accordance with the UTAP Contract between the City of Spokane and Spokane Transit Authority which was executed on March 20, 2013, this letter represents the "Not to Exceed" contract price for the period of January 1, 2016 through December 31, 2016. This contract renews automatically effective January 1, 2016 with the Not to Exceed Fee of $56,295.

In addition, please see the 2015-2016 Direct Utility Rate Schedule atttached as Exhibit A. This Exhibit A provides notice to you of the new Direct Utility Rate Schedule in effect for the upcoming agreement.

As we noted in our recent discussions, the Average Per Trip Utility Rate is $0.92.

Here is to another great year!

Sincerely,

Beth Bousley
Director of Communications and Customer Service
Spokane Transit Authority

City of Spokane

CONSULTANT AGREEMENT

Title: **UPRIVER DAM SPILLWAY REHABILITATION PHASE III A, B AND C – ENGINEERING REVIEW, PERMITTING ASSISTANCE AND CONSTRUCTION MANAGEMENT**

This Agreement is made and entered into by and between the City of Spokane as ("City"), a Washington municipal corporation, and **Hatch Ltd.**, whose address is 6 Nickerson Street, Suite 101, Seattle, Washington, 98109 as ("Consultant").

WHEREAS, the purpose of this Agreement is for the City of Spokane to perform the necessary Spillway Rehabilitation at the City's Upriver Dam; and

WHEREAS, the Consultant was selected from a competitive City Procurement, more specifically a Request for Qualifications (RFQ #4022-14 _____).

-- NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and Consultant mutually agree as follows:

1. TERM OF AGREEMENT.
The term of this Agreement begins on December 8, 2015, and ends on December 31July 31, 20162017, unless amended by written agreement or terminated earlier under the provisions.

2. TIME OF BEGINNING AND COMPLETION.
The Consultant shall begin the work outlined in the "Scope of Work" ("Work") on the beginning date, above. The City will acknowledge in writing when the Work is complete. Time limits established under this Agreement shall not be extended because of delays for which the Consultant is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the Consultant's control.

3. SCOPE OF WORK.
The General Scope of Work for this Agreement is described in Exhibit A – Consultant's General Scope of Work dated December 8, 2015, which is attached to and made a part of this Agreement.

The Work is subject to City review and approval. The Consultant shall confer with the City periodically, and prepare and present information and materials (e.g. detailed outline of completed Work) requested by the City to determine the adequacy of the Work or Consultant's progress.

4. PAYMENT.
Total compensation for Consultant's services under this Agreement shall not exceed **TWO HUNDRED AND FORTY THOUSAND AND NO/100 DOLLARS ($240,000.00)**, unless modified by a written amendment to this Agreement.

5. REIMBURSABLES
If the Agreement specified reimbursables to be compensated by the City, the following limitations apply. If no travel or direct charges are identified and allowed in the Agreement, the City shall provide no reimbursement.

A. City will reimburse the Consultant at actual cost for expenditures that are pre-approved by the City in writing and are necessary and directly applicable to the work required by this Contract provided that similar direct project costs related to the contracts of other clients are consistently accounted for in a like

manner. Such direct project costs may not be charged as part of overhead expenses or include a markup. Other direct charges may include, but are not limited to the following types of items: travel, printing, cell phone, supplies, materials, computer charges, and fees of subconsultants.

B. The billing for third party direct expenses specifically identifiable with this project shall be an itemized listing of the charges supported by copies of the original bills, invoices, expense accounts, subconsultant paid invoices, and other supporting documents used by the Consultant to generate invoice(s) to the City. The original supporting documents shall be available to the City for inspection upon request. All charges must be necessary for the services provided under this Contract.
C. The City will reimburse the actual cost for travel expenses incurred as evidenced by copies of receipts (excluding meals) supporting such travel expenses, and in accordance with the City of Spokane Travel Policy, details of which can be provided upon request.
D. **Airfare**: Airfare will be reimbursed at the actual cost of the airline ticket. The City will reimburse for Economy or Coach Fare only. Receipts detailing each airfare are required.
E. **Meals:** Meals will be reimbursed at the Federal Per Diem daily meal rate *(excluding the "Incidental" portion of the published CONUS Federal M&I Rate)* for the city in which the work is performed. *Receipts are not required as documentation.* The invoice shall state "the meals are being billed at the Federal Per Diem daily meal rate", and shall detail how many of each meal is being billed (e.g. the number of breakfasts, lunches, and dinners). The City will not reimburse for alcohol at any time.
F. **Lodging:** Lodging will be reimbursed at actual cost incurred up to a maximum of the published General Service Administration (GSA) Cost Index for the city in which the work is performed (*the current maximum allowed reimbursement amount can be provided upon request*). Receipts detailing each day / night lodging are required. The City will not reimburse for ancillary expenses charged to the room (e.g. movies, laundry, mini bar, refreshment center, fitness center, sundry items, etc.)
G. **Vehicle mileage**: Vehicle mileage will be reimbursed at the Federal Internal Revenue Service Standard Business Mileage Rate in affect at the time the mileage expense is incurred (currently that rate is 56.5 cents per mile.) Please note: payment for mileage for long distances traveled will not be more than an equivalent trip round-trip airfare of a common carrier for a coach or economy class ticket.
H. **Rental Car:** Rental car expenses will be reimbursed at the actual cost of the rental. Rental car receipts are required for all rental car expenses. The City will reimburse for a standard car of a mid-size class or less. The City will not reimburse for ancillary expenses charged to the car rental (e.g. GPS unit).
I. **Miscellaneous Travel** (e.g. parking, rental car gas, taxi, shuttle, toll fees, ferry fees, etc.): Miscellaneous travel expenses will be reimbursed at the actual cost incurred. Receipts are required for each expense of $10.00 or more.
J. **Miscellaneous other business expenses** (e.g. printing, photo development, binding): Other miscellaneous business expenses will be reimbursed at the actual cost incurred and may not include a mark up. Receipts are required for all miscellaneous expenses that are billed.

Subconsultant: Subconsultant expenses will be reimbursed at the actual cost incurred and may not include a mark up. Copies of all Subconsultant invoices that are rebilled to the City are required

6. PAYMENT PROCEDURES.

The Consultant may submit invoices to the City as frequently as once per month during progress of work, for partial payment for work completed to date. Payment shall be made by the City to the Consultant upon the City's receipt of an invoice containing the information listed below.

Invoices shall be submitted to:
CITY OF SPOKANE WATER AND HYDROELECTRIC SERVICES DEPARTMENT 914 East Foothills Drive Spokane, WA 99207

Invoices under this Contract shall clearly display the following information (sub-consultants' invoices shall also include this information):
• Invoice Date and Invoice Number • WATER AND HYDROELECTRIC SERVICES DEPARTMENT • Project Coordinator: Steve Burns (Please do not put name in the address portion of the invoice) • Department Contract No. OPR #_____ • Contract Title: **UPRIVER DAM SPILLWAY REHABILITATION PHASE III A, B AND C – ENGINEERING REVIEW, PERMITTING ASSISTANCE AND CONSTRUCTION MANAGEMENT** • Period covered by the invoice • Project Title = A Project is described as listed on the six (6) year Capital • Employee's name and classification • Employee's all-inclusive hourly rate excluding fixed fee and # of hours worked • Total labor costs per Project • Itemization of direct, non-salary costs (per Project, if so allocated) • The following Sub-Consultant payment information will be provided [*if needed*] (attach Sub-Consultant invoices as backup): ○ Amount Paid to all Sub-Consultants for the invoice period (list separate totals for each Sub-Consultant). ○ Cumulative To-Date amount paid to all Sub-Consultants (list separate totals for each Sub-Consultant). • Cumulative costs per Project and for the total Agreement

7. TAXES, FEES AND LICENSES.

A. Consultant shall pay and maintain in current status, all necessary licenses, fees, assessments, permit charges, etc. necessary to conduct the work included under this Agreement. It is the Consultant's sole responsibility to monitor and determine changes or the enactment of any subsequent requirements for said fees, assessments, or changes and to immediately comply.

B. Where required by state statute, ordinance or regulation, Consultant shall pay and maintain in current status all taxes necessary for performance. Consultant shall not charge the City for federal excise taxes. The City will furnish Consultant an exemption certificate where appropriate.

C. The Director of Finance and Administrative Services may withhold payment pending satisfactory resolution of unpaid taxes and fees due the City.

D. The cost of any permits, licenses, fees, etc. arising as a result of the projects included in this Agreement shall be included in the project budgets.

8. CITY OF SPOKANE BUSINESS LICENSE.

Section 8.01.070 of the Spokane Municipal Code states that no person may engage in business with the City without first having obtained a valid annual business registration. The Consultant shall be responsible for contacting the State of Washington Business License Services at http://bls.dor.wa.gov or 1-800-451-7985 to obtain a business registration. If the Contractor does not believe it is required to obtain a business registration, it may contact the City's Taxes and Licenses Division at (509) 625-6070 to request an exemption status determination.

9. ADDRESSES FOR NOTICES AND DELIVERABLE MATERIALS.

Deliver all official notices under this Agreement to:

If to the City:	**If to the Consultant:**
Water & Hydroelectric Services Department - City of Spokane	Hatch Ltd. 6 Nickerson Street, Suite 101

914 East Foothills Drive Spokane, WA 99207	Seattle, Washington, 98109

10. SOCIAL EQUITY REQUIREMENTS.

A. No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this Agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation including gender expression or gender identity, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities. Consultant agrees to comply with, and to require that all subcontractors comply with, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as applicable to the Consultant. Consultant shall seek inclusion of woman and minority business for subcontracting. A woman or minority business is one that self-identifies to be at least 51% owned by a woman and/or minority. Such firms do not have to be certified by the State of Washington.

11. INDEMNIFICATION.

The Consultant shall indemnify and hold the City and the State and their officers and employees harmless from all claims, demands, or suits at law or equity, including but not limited to attorney's fees and litigation costs asserted by third parties for bodily injury (including death) and/or property damage which arise from the Consultant's negligence or willful misconduct under this Agreement; provided that nothing herein shall require a Consultant to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the conduct of the City, its agents, officers and employees and provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Consultant's agents or employees and (b) the City, its agents, officers and employees, this indemnity provision with respect to (1) claims or suits based upon such negligence, (2) the costs to the City of defending such claims and suits, etc.; shall be valid and enforceable only to the extent of the negligence of the Consultant, its agents or employees. The Consultant specifically assumes potential liability for actions brought by the Consultant's own employees against the City and, solely for the purpose of this indemnification and defense, the Consultant specifically waives any immunity under the state industrial insurance law, or Title 51 RCW. The Consultant recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnification provided for in this section shall survive any termination or expiration of this Agreement.

The parties agree that the City is fully responsible for its own negligence, including negligent plant operations controlled by the City, and for its material breaches of this Contract. It is not the intent of this Section to limit this understanding.

12. INSURANCE.

The Consultant shall comply with all federal, state and local laws and ordinances applicable to the work to be done under this Agreement. This Agreement shall be interpreted and construed in accord with the laws of Washington.

The Contractor represents that it and its employees, agents and subcontractors, in connection with the Contract, are protected against the risk of loss by the insurance coverages required in the contract documents. The policies shall be issued by companies that meet with the approval of the City Risk Manager. The policies shall not be canceled without at least minimum required written notice to the City as Additional Insured.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without sixty (60) days written notice from the Consultant or its insurer(s) to the City. As evidence of the insurance coverages required by this Agreement, the Consultant shall furnish acceptable insurance certificates to the City at the time it returns the signed Agreement. The certificate shall specify all of the parties who are additional insureds, and include applicable policy endorsements, the sixty (60) day cancellation clause, and the deduction or retention level. The Consultant shall be financially responsible for all pertinent deductibles, self-insured retentions, and/or self-insurance.

13. AUDIT.
Upon request, the Consultant shall permit the City and any other governmental agency ("Agency") involved in the funding of the Work to inspect and audit all pertinent books and records. This includes work of the Consultant, any subconsultant, or any other person or entity that performed connected or related Work. Such books and records shall be made available upon reasonable notice of a request by the City, including up to three (3) years after final payment or release of withheld amounts. Such inspection and audit shall occur in Spokane County, Washington, or other reasonable locations mutually agreed to by the parties. The Consultant shall permit the City to copy such books and records at its own expense. The Consultant shall ensure that inspection, audit and copying rights of the City is a condition of any subcontract, agreement or other arrangement under which any other persons or entity may perform Work under this Agreement.

14. INDEPENDENT CONSULTANT.
A. The Consultant is an independent Consultant. This Agreement does not intend the Consultant to act as a City employee. The City has neither direct nor immediate control over the Consultant nor the right to control the manner or means by which the Consultant works. Neither the Consultant nor any Consultant employee shall be an employee of the City. This Agreement prohibits the Consultant to act as an agent or legal representative of the City. The Consultant is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment. The Consultant shall pay all income and other taxes as due. The Consultant may perform work for other parties; the City is not the exclusive user of the services that the Consultant provides.
B. If the City needs the Consultant to Work on City premises and/or with City equipment, the City may provide the necessary premises and equipment. Such premises and equipment are exclusively for the Work and not to be used for any other purpose.
C. If the Consultant works on the City premises using City equipment, the Consultant remains an independent Consultant and not a City employee. The Consultant will notify the City Project Manager if s/he or any other Workers are within ninety (90) days of a consecutive 36-month placement on City property. If the City determines using City premises or equipment is unnecessary to complete the Work, the Consultant will be required to work from its own office space or in the field. The City may negotiate a reduction in Consultant fees or charge a rental fee based on the actual costs to the City, for City premises or equipment.

15. KEY PERSONS.
The Consultant shall not transfer or reassign any individual designated in this Agreement as essential to the Work, without the express written consent of the City, which shall not be unreasonably withheld. If any such individual leaves the Consultant's employment, the Consultant shall present to the City one or more individuals with greater or equal qualifications as a replacement, subject to the City's approval, which shall not be unreasonably withheld. The City's approval does not release the Consultant from its obligations under this Agreement.

16. ASSIGNMENT AND SUBCONTRACTING.
The Consultant shall not assign or subcontract its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Consultant shall incorporate by reference this Agreement, except as otherwise provided. The Consultant shall ensure that all subconsultants comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract does not release the consultant from liability or any obligation within this Agreement, whether before or after City consent, assignment or subcontract.

17. CITY ETHICS CODE.
A. Consultant shall promptly notify the City in writing of any person expected to be a Consultant Worker (including any Consultant employee, subconsultant, principal, or owner) and was a former City officer or employee within the past twelve (12) months.

B. Consultant shall ensure compliance with the City Ethics Code by any Consultant Worker when the Work or matter related to the Work is performed by a Consultant Worker who has been a City officer or employee within the past two (2) years.
C. Consultant shall not directly or indirectly offer anything of value (such as retainers, loans, entertainment, favors, gifts, tickets, trips, favors, bonuses, donations, special discounts, work or meals) to any City employee, volunteer or official that is intended, or may appear to a reasonable person to be intended, to obtain or give special consideration to the Consultant. Promotional items worth less than $25 may be distributed by the Consultant to a City employee if the Consultant uses the items as routine and standard promotional materials. Any violation of this provision may cause termination of this Agreement. Nothing in this Agreement prohibits donations to campaigns for election to City office, so long as the donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

18. NO CONFLICT OF INTEREST.

Consultant confirms that the Consultant or workers have no business interest or a close family relationship with any City officer or employee who was or will be involved in the consultant selection, negotiation, drafting, signing, administration or evaluation of the Consultant's work. As used in this Section, the term Consultant includes any worker of the Consultant who was, is, or will be, involved in negotiation, drafting, signing, administration or performance of the Agreement. The term "close family relationship" refers to: spouse or domestic partner, any dependent parent, parent-in-law, child, son-in-law, daughter-in-law; or any parent, parent in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

19. ERRORS AND OMMISSIONS, CORRECTIONS.

Consultant is responsible for professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of the Consultant under this Agreement in the delivery of a final work product. The standard of care applicable to Consultant's services will be the degree of skill and diligence normally employed by professional engineers or Consultants performing the same or similar services at the time said services are performed. The Final Work Product is defined as a stamped, signed work product. Consultant, without additional compensation, shall correct or revise errors or mistakes in designs, drawings, specifications, and/or other consultant services immediately upon notification by the City. The obligation provided for in this Section regarding acts or omissions resulting from this Agreement survives Agreement termination or expiration.

20. INTELLECTUAL PROPERTY RIGHTS.

A. Copyrights. The Consultant shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Consultant for the Work, whether or not the Work is completed. The Consultant grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Consultant for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials) and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.
B. Patents: The Consultant assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Consultant created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Consultant has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.
C. The City may make and retain copies of such documents for its information and reference with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the

City or others, on extensions of the project or on any other project, and the City releases the Consultant from liability for any unauthorized reuse of such documents.

21. CONFIDENTIALITY.

Under Washington State Law (reference RCW Chapter 42.56, the *Public Records Act*) all materials received or created by the City of Spokane are ***public records***. These records include but are not limited to bid or proposal submittals, agreement documents, contract work product, or other bid material. Some records or portions of records are legally *exempt from disclosure* and can be redacted or withheld. The Public Records Act (RCW 42.56 and RCW 19.10) describes those exemptions. Consultant must familiarize themselves with the Washington State Public Records Act (PRA) and the City of Spokane's process for managing records.

The City will try to redact anything that seems obvious in the City opinion for redaction. For example, the City will black out (redact) Social Security Numbers, federal tax identifiers, and financial account numbers before records are made viewable by the public. However, this does not replace your own obligations to identify any materials you wish to have redacted or protected, and that you think are so under the Public Records Act (PRA).

Protecting your Materials from Disclosure (Protected, Confidential, or Proprietary): You must determine and declare any materials you want exempted (redacted), and that you also believe are eligible for redaction. This includes but is not limited to your bid submissions, contract materials and work products.

Contract Work Products: If you wish to assert exemptions for your contract work products you must notify the City Project Manager at the time such records are generated.

Please note the City cannot accept a generic marking of materials, such as marking everything with a document header or footer, page stamp, or a generic statement that a document is non-disclosable, exempt, confidential, proprietary, or protected. You may not exempt an entire page unless each sentence is entitled to exemption; instead, identify paragraphs or sentences that meet the RCW exemption criteria you are relying upon.

City's Response to a Public Records Act Requests: The City will prepare two versions of your materials:

Full Redaction: A public copy that redacts (blacks out) both the exemptions (such as social security numbers) identified by the City and also materials or text you identified as exempt. The fully redacted version is made public upon contract execution and will be supplied with no notification to you.

Limited Redaction: A copy that redacts (blacks out) only the exemptions (such as social security numbers) identified by the City. This does not redact (black out) exemptions you identified. The Limited Redaction will be released only after you are provided "third party notice" that allows you the legal right under RCW 42.56.540 to bring a legal action to enjoin the release of any records you believe are not subject to disclosure.

If any requestor seeks the Limited Redacted or original versions, the City will provide you "third party notice", giving ten business days to obtain a temporary restraining order while you pursue a court injunction. A judge will determine the status of your exemptions and the Public Records Act.

22. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. It shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to mediation, arbitration and/or alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the Agreement. Notwithstanding all of the above, if the City believes in good faith that

some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. The City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed. Waiver of any of these rights is not deemed a future waiver of any such right or remedy available at law, contract or equity.

23. TERMINATION.

A. For Cause: The City or Consultant may terminate the Agreement if the other party is in material breach of this Agreement, and such breach has not been corrected to the other party's reasonable satisfaction in a timely manner. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.

B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than thirty (30) business days prior to the effective date of termination.

C. For City's Convenience: The City may terminate this Agreement without cause and including the City's convenience, upon written notice to the Consultant. Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than ninety (90) business days prior to the effective date of termination.

D. Actions upon Termination: if termination occurs not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to the actual termination date, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Consultant agrees this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.

E. Upon termination, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Consultant harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Consultant's work product.

24. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: (a) the New Work is not reasonable to solicit separately; (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Consultant at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identified or main purposes of the Agreement. The City may make exceptions for immaterial changes, emergency or sole source conditions, or other situations required in City opinion. Certain changes are not New Work subject to these limitations, such as additional phases of Work anticipated at the time of solicitation, time extensions, Work Orders issued on an On-Call contract, and similar. New Work must be mutually agreed and issued by the City through written Addenda. New Work performed before an authorizing Amendment may not be eligible for payment.

25. MISCELLANEOUS PROVISIONS.

A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.

B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.

C. Americans with Disabilities Act (ADA): Specific attention by the designer is required in association with the Americans with Disabilities Act (ADA) 42 U.S.C. 12101-12213 and 47 U.S.C. 225 and 611, its requirements, regulations, standards and guidelines, which were updated in 2010 and are effective and mandatory for all State and local government facilities and places of public accommodation for construction projects including alteration of existing facilities, as of March 15, 2012. The City advises that the requirements for accessibility under the ADA, may contain provisions that differ substantively from accessibility provisions in applicable State and City codes, and if the provisions of the ADA impose a greater or equal protection for the rights of individuals with disabilities or individuals associated with them than the adopted local codes, the ADA prevail unless approval for an exception is obtained by a formal documented process. Where local codes provide exceptions from accessibility requirements that differ from the ADA Standards; such exceptions may not be permitted for publicly owned facilities subject to Title II requirements unless the same exception exists in the Title II regulations. It is the responsibility of the designer to determine the code provisions.

D. The Consultant, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Spokane; and rules, regulations, orders and directives of their administrative agencies and officers. Without limiting the generality of this paragraph, the Consultant shall comply with the requirements of this Section.

E. This Agreement shall be construed and interpreted under the laws of Washington. The venue of any action brought shall be in the Superior Court of Spokane County.

F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.

G. Captions: The titles of sections or subsections are for convenience only and do not define or limit the contents.

H. Severability: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.

I. Waiver: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.

J. Additional Provisions: This Agreement may be modified by additional terms and conditions ("Special Conditions") which shall be attached to this Agreement as Exhibit D. The parties agree that the Special Conditions shall supplement the terms and conditions of the Agreement, and in the event of ambiguity or conflict with the terms and conditions of the Agreement, these Special Conditions shall govern.

K. Entire Agreement: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Consultant. If conflict occurs between contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this contract to afford the City the maximum benefits.

L. Negotiated Agreement: The parties acknowledge this is a negotiated agreement, that they have had this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship.

M. No personal liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Contract, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

Stephen M. Burns, P.E.
City of Spokane
Water Department-Upriver Dam
914 E North Foothills Drive
Spokane, WA 99207

Dear Stephen:

Subject: Upriver Dam Spillway Rehabilitation Phase III A, B and C - Engineering Review, Permitting Assistance and Construction Management

The attached Offer for Engineering and Consultancy Services outlines the proposed scope and budget to complete hydraulic and geotechnical analyses, permitting assistance and construction management support for the Upriver Dam Spillway Rehabilitation Project (herein referred to as Project). This comprises our commercial offer for our services.

The overall cost is estimated to be $239,281 on a reimbursable cost basis for Phase IIIA – Engineering Review, Phase IIIB – Permitting Assistance and Phase IIIC – Construction Engineering Support. Hatch will perform the work outlined in this Offer for Engineering and Consultancy Services in accordance with the existing Professional Services Terms and Conditions that were established for Phase II A agreement dated September 24, 2014. This letter, the attached Statement of Work, Commercial Offer and Rate Schedule, and the established Standard Terms and Conditions would form the whole agreement between the City of Spokane and Hatch.

If this offer is acceptable to City of Spokane, please prepare the consulting agreement for our signature. We will plan to mobilize the team to start to undertake this work for you as soon the agreement is executed. If you would like to clarify or further discuss any aspect of this offer, please call me at 206-288-2911.

Yours faithfully,

James H. Rutherford, P.E.

Scope of Work

CITY OF SPOKANE

UPRIVER SPILLWAY REHABILITATION PHASE III ENGINEERING REVIEW AND PERMITTING ASSISTANCE

PHASE III A – ENGINEERING REVIEW

Task 1 – Hydraulic Analysis

1. Prepare a Computational Fluid Dynamics (CFD) Model of the existing and proposed spillway and baffle block configuration. A three-dimensional model of the spillway monolith primary apron and baffle blocks was prepared as part of the pier stability analysis conducted during Task 5 of Phase II B. This model will be extended to include the secondary apron and baffle blocks and downstream subsurface conditions for use in the CFD model. Bathymetric survey data downstream of the secondary spillway apron will be required to allow the model to be extended to the control section on the left abutment. We have assumed that the City of Spokane survey crews will perform a baseline survey of this area, with coordination from Hatch. The Hatch hydraulics engineer responsible for the CFD analysis will visit the site for a day to identify the extent of the required survey including cross sections.

2. a) Perform CFD model runs for normal flow and normal maximum flow with the existing spillway without the apron topping slab in place. Develop baseline hydraulic performance parameters to determine forces acting upon the spillway apron.
b) Perform CFD model runs for the normal flow, normal maximum flow, and spillway design flood with pre-construction arrangement of baffle blocks without the apron topping slab in place. Investigate the location of the hydraulic jump in the tailrace/apron and determine tailrace velocities.

3. Perform CFD model runs for the normal flow, normal maximum flow, and spillway design flood with the apron topping slab (nominal 6”) in place and the apron baffle blocks reconstructed per the current contract drawings for the Upriver Dam Spillway Rehabilitation Project Phase II. Based on observed energy dissipation performance with the changes to apron, determine if any hydraulic modifications are required to the spillway baffle blocks to ensure containment of the hydraulic jump on the apron and to ensure tailrace velocities do not increase risk of bank erosion.

4. Optional Task 1.3a – If adverse hydraulic conditions are noted with the proposed changes to the apron, develop two alternative baffle block geometries and arrangements in the three dimensional model and test their performance relative to the existing spillway and the spillway with the modified apron. Perform CFD model runs for the normal flow, normal maximum flow, and spillway design flood to determine if the energy dissipation efficiency is improved by either or both of the baffle block arrangements selected. Assume two additional runs are required to refine the hydraulic design.

5. Prepare a technical memorandum documenting the results of the CFD modeling and any recommendations of spillway baffle block modifications to meet or exceed pre-construction apron and tailrace energy dissipation performance.

Deliverables:

- *TM III A.1 – Spillway Stilling Basin and Tailrace Hydraulic Analysis*

Task 2 – Geotechnical and Dam Stability Review

1. Perform a revised pier stability analysis based on recent, corrected piezometer readings (received September 23, 2015).

2. Perform a site visit to investigate piezometers. Provide recommendations for piezometer remediation, repairs and/or replacement.

3. Prepare a revised TM 4.1 – Spillway Potential Failure Modes Documentation and Evaluation of Spillway Stability initially drafted during Phase 2. This revised technical memorandum will include results of stability analysis with the corrected piezometric pressures accounted for in the analysis and recommendations for piezometer remediation, repairs and/or replacement.

Deliverables:

- *Revised Phase IIC - TM 4.1 - Spillway Potential Failure Modes Documentation – Evaluation of Spillway Stability.*

Task 3 – Issued for Construction Contract Documents

1. Incorporate all addenda items into the contract documents (drawings and specifications). Revise drawings based on results and recommendations of Tasks 1 and 2.

2. Prepare a final Issued for Construction set of drawings and specifications and submit to City of Spokane. Assume City will submit to FERC.

Deliverables:

- *Issued for Construction Drawings and Specifications.*

Task 4 – Final Design Calculation Package

1. Revise design calculations based on results of Phase IIIA, Tasks 1 and 2.
2. Prepare a Final Design Calculation package and submit to City of Spokane. Assume City will submit to FERC.

   Deliverables:

   - *Final Design Calculation Package.*

PHASE III B – PERMITTING ASSISTANCE

Task 5 – Permitting Assistance

During Phase II of the project the City prepared and submitted the Joint Aquatic Resources Permit Application (JARPA) to Washington Department of Ecology. On September 22, 2015 the City received a letter from FERC PRO detailing the documents required for submittal at least 60 days prior to construction. These required documents include Plans, specifications and design calculations (Included in Tasks 3 and 4); Quality Control and Inspection Plan (QCIP); Sediment and Erosion Control Plan (SECP); Temporary Emergency Action Plan (TCEAP); list of permits obtained (these will include permits from the JARPA); and a cofferdam plan. The letter also requested a plan for dewatering and bypass flow at least 30 days prior to construction. As described in Addendum No 2, the Contractor will be required to submit the SECP, TCEAP and Dewatering and Water Control Plan within 20 days of Notice to Proceed (NTP).

1. Hatch will assist the City with any revisions to the JARPA based on agency comments as necessary.
2. Prepare a QCIP and submit to the City. The QCIP will include a description and frequency of planned materials testing and inspection tasks. The plan will also describe the construction management organizational structure. It is assumed that after plan review, the City will prepare the submittal of the QCIP to FERC.
3. As described in Addendum No 2, the Contractor will be required to submit the SECP, TCEAP and Dewatering and Water Control Plan within 20 days of Notice to Proceed (NTP). Hatch will perform review of these plans and provide comment. After any necessary revisions, these plans will be assumed to be submitted by the City.
4. Additional permitting assistance will be performed by Marcelle Van Houten of Marmot Environmental Services, LLC as necessary.

   Deliverables:

   - *Quality Control and Inspection Plan.*

PHASE III C – CONSTRUCTION ENGINEERING SUPPORT

Task 6 – Preconstruction Meeting and Contractor Negotiations

The City plans to award McMillen (Contractor) the contract for construction of the Project in November 2015 and the anticipated issuance of Notice to Proceed (NTP) is in December, 2015. The preconstruction meeting is planned to be held within approximately one month of the NTP issuance. The Contractor is required to submit their Work Plan, which includes a detailed Project Construction Schedule, site-specific Health and Safety Plan and a Schedule of Values (SOV) within 20 days of NTP or at least 5 days prior to the preconstruction meeting. Hatch will provide submittal review and conduct the preconstruction meeting.

1. Prior to the preconstruction meeting Hatch will perform a review of Contractor's submitted Work Plan, Project Construction Schedule, Health and Safety Plan and SOV. All comments will be sent to the City prior to the preconstruction meeting and it is planned that Hatch and the City would have a conference call to review and discuss the comments. If time permits these comments will be sent to the Contractor prior to the pre-construction meeting, otherwise they will be reviewed with the Contractor at the meeting.

2. The preconstruction meeting is planned to be held at the Upriver Dam Operations Building and the Project Manager, Project Engineer, and Steve Goebel (construction review subconsultant) would attend the meeting. Hatch will conduct the meeting jointly with the City. The meeting will be used to provide discussion of the Work Plan items and identify major item milestone target dates; review permitting requirements; review construction approach and resolve Contractor questions and comments; establish a submittal and RFI procedures and project meeting requirements; establish normal working hours; and to review site-specific items such as project access, staging areas and traffic control. Hatch will establish a submittal and RFI website for allowing Contractor submittal and Engineer review and comment.

3. Hatch will assist the City with any Contractor negotiations prior to issuance of the NTP.

Task 7 – Construction Management

Construction is planned for the 2016 low flow period, which is assumed to be from mid-July to end of October. Hatch would provide full-time office support and part-time field construction management support on an as-needed basis. The work items do not appear to warrant a full-time field presence by Hatch. Day-today, full-time site inspection will be performed by City staff. Materials testing services will be performed by a third party, hired under separate contract by the City. Hatch will assist with coordination of materials testing.

Copyright © 2015 Hatch Ltd. All rights reserved, including all rights relating to the use of this document or its contents.

1. Office Engineering Support will include submittal and request for information (RFI) review, progress payment and change order review, and preparation of any design change notices (DCNs). Hatch will perform the initial review of the Contractor's monthly progress payments and will provide recommendations to the City for payment or requests to the Contractor for additional documentation of pay items. Typically the office engineering tasks require greater effort during the initial months of the project. Hatch will work to perform all reviews of submittals and RFIs and provide responses to the Contractor in a timely manner. It is assumed that on average the office engineering support will require approximately 10 hours for the Project Engineer, 2 hours for the Project Manager, and 2 hours for an administrative assistant on average per week for the duration of the project.

2. Project meetings will be conducted on a weekly basis at the Operations Control Building. Hatch will plan to attend these meetings in person if Hatch staff are on-site for field engineering support. Otherwise the Project Manager and Project Engineer will join the meetings via conference call.

3. Field Engineering Support will include site visits by the Project Engineer and/or Project Manager on an as-needed basis based on the work items being performed. We have assumed weekly 1-day site visits for the Project Engineer and monthly 2-day (one night) visits by the Project Manager. Daily site inspections will be performed by City of Spokane staff. Hatch will communicate with inspection staff and will coordinate inspection tasks as required to address specific technical issues.. The inspectors will prepare daily inspection reports that document the day's work activities and include photographs of construction. Hatch will prepare a sample daily inspection report form for the City to use.

4. Support preparation of monthly FERC Construction reports that summarize the construction activities performed during that work period and include all inspection and testing results. These reports will be sent to the City for review and it is assumed that the City will submit to FERC.

5. Prepare the Final Construction Report as required by FERC. The report will follow the FERC required format and will summarize all aspects of construction including any testing as part of the quality control and assurance.

6. Compile a set of record drawings and specifications upon project completion conforming to information furnished to Hatch by the Contractor. This does not include revisions of the original construction drawings in CAD. The Contractor is required to maintain a working set of "As-Built" Drawings during construction that document all deviations from the design drawings and will submit these drawings at project completion. Hatch will incorporate all changes into the drawing and specification set and issue a final set of record documents to the City. This does not include edits to documents submitted to FERC exhibit drawings.. (Note that preparation of record drawings in CAD is not included in this scope.)

7. Upon successful project completion, Hatch will prepare a Construction Certificate to the City that the project was constructed in accordance with the design intent. We assume that the City will be responsible for certification that the inspection and testing results are in compliance with contract specifications. The City will submit the certificates to FERC.

Commercial Offer

The overall cost for Phases III A,B and C is estimated to be $ 239,281 on a reimbursable cost basis. Hatch's 2015 rates were used to estimate the cost of engineering services. Our rates will be revised on January 1, 2016.

Hatch will perform the work outlined in this Offer for Engineering and Consultancy Services (Phases III A, B and C) in accordance with the existing Professional Services Terms and Conditions. This letter, the Statement of Work, and Hatch Standard Terms and Conditions form the whole agreement between City of Spokane and Hatch.

This offer remains valid for a period of 30 days from the date of this letter.

Invocation
Police Chaplain Ed Hoffman provided the invocation.

Pledge of Allegiance
The Pledge of Allegiance was led by Council President Stuckart.

PROCLAMATION
January 24-30, 2016 *Certified Registered Nurse Anesthetists Week*

Council Member Kinnear read the proclamation and presented it to representatives present on behalf of the proclamation. The proclamation encourages citizens to honor the certified registered nurse anesthetists of our community and our country and the important work they do.

COUNCIL SALUTATION
National Mentoring Month
Council President Stuckart read a Council Salutation in recognition of National Mentoring Month. The goals of National Mentoring Month are to raise awareness of mentoring, recruit individuals to mentor, and encourage organizations to engage and integrate quality mentoring into their efforts. A mentor is a caring consistent presence who devotes time to a young person to help that young person discover personal strength and achieve their potential through a structured and trusting relationship. Quality mentoring encourages positive choices, promotes self-esteem, supports academic achievement and introduces young people to new ideas. Mentoring Programs have shown to be effective in combatting school violence and discipline problems, substance abuse, incarceration, and truancy. The City Council salutes the following organizations for their participation in National Mentoring Month in Spokane: Big Brothers and Big Sisters, Communities in Schools, College Success Foundation, U-District Foundation, Gonzaga and Whitworth University, Goodwill and the Salvation Army Kroc Center.

ADMINISTRATIVE REPORT

Riverfront Park Update

Chris Wright, Park Board President, and Parks Director Leroy Eadie provided an update on Riverfront Park, which consists of 100 acres of land and water in the center of the City. It has an important history to our community between the Native Americans, the Pioneers who settled here, the railroad history, Expo '74, and it's been a gathering place for the community. Riverfront Park hasn't had any major investment in the structures for nearly 40 years, and there hasn't been any major overhaul of the park and it is showing its age. Mr. Wright noted that is the message that was communicated to the public in 2014 when we went out for a bond request and asked voters to approve a $64.3 million bond. He advised that, in 2015, the Park Board has been doing a lot of pre-design work and studies (soil, geotechnical, utility, water, etc.). Meanwhile, he noted the Park Board has been hiring design teams. Mr. Wright provided an overview of the redevelopment of Riverfront Park, which is composed of five major design elements that the design teams will be focusing on, as outlined in the Master Plan: (1) design of public spaces and grounds (landscape), (2) recreational rink/skyride facility, (3) Loof Carrousel building, (4) pavilion/shelters, and (5) regional playground. Mr. Eadie spoke regarding the park creation process and noted the process of creating a park and the centerpiece of our community for the next 20 years takes time and attention to detail. He provided an overview of the design work and construction timelines.

Bicycle Advisory Board 2015 Review

Ryan Patterson, Bicycle Advisory Board Chair, and Board Member Betsy Lawrence, provided an overview of the Bicycle Advisory Board's work for the past year. The Board uses what is known as the 5 E's that are consistent in making great places for bicycling: Engineering, Education, Encouragement, Enforcement, and Evaluation. She then proceeded to provide an overview for each of the 5 E areas.

CITY COUNCIL COMMITTEE REPORTS

Planning and Economic Development Committee

Council Member Mumm reported on the Planning and Economic Development Committee meeting held earlier today (January 25, 2016). Minutes of the Planning and Economic Development Committee meeting are filed with the City Clerk's Office and are available for review following approval by the Planning and Economic Development Committee.

Public Works Committee

Council Member Waldref reported on the Public Works Committee meeting held earlier today (January 25, 2016). Minutes of the Public Works Committee meeting are filed with the City Clerk's Office and are available for review following approval by the Public Works Committee.

APPOINTMENTS

Board of Health (CPR 1981-0393)

Motion by Council Member Mumm, seconded by Council Member Waldref, **to appoint** Council President Ben Stuckart, to the Board of Health; **carried unanimously.**

Northeast Public Development Authority (CPR 2012-0032)
Upon Unanimous Voice Vote, the City Council **confirmed** the reappointment of Craig Riley to the Northeast Public Development Authority for a term of December 12, 2015 to December 11, 2018.

Historic Landmarks Commission (CPR 1981-0122)
Upon Unanimous Voice Vote, the City Council **confirmed** the appointment of Dr. Larry Cebula to the Historian position on the Spokane City/County Historic Landmarks Commission.

Plan Commission (CPR 1981-0295)
Upon 2-4 (Council President Stuckart and Council Member Fagan voting "aye" and Council Members Kinnear, Mumm, Stratton, and Waldref voting "no"), the City Council **rejected** the reappointment of Evan Verduin to the Plan Commission for a term of December 31, 2015 to December 31, 2018.

TOWN HALL FORUM

Alan McDowell thanked Council Member Stratton for meeting with him today. He commented about having a scheduler at the front desk. He also commented on Police and spoke regarding the "augment filer" that describes what you feel about incident reporting.

Henry Valder displayed a video and indicated it was for troops overseas. He commented on PTSD and veterans and the Veterans Garage.

Steve Black commented on support of the Second Amendment and to not allow any legislation to usurp this amendment. He noted he is against the sanctuary city and believes it needs to be put on the ballot. In addition, he stated he is appalled at the support for Planned Parenthood; is against photo red; against STA putting in large electric buses; and against taxies, levies and fees. He encouraged de-legislation for small businesses.

Carol Black commented in support of the petition for sanctuary city and encouraged Council to put it on the ballot.

Kathy Tham, Community Minded Enterprises and CM-TV14, provided an overview of upcoming shows that will be airing. Ms. Tham noted that CM-TV is a public access channel and what better way to support our community then to allow citizens to speak their mind. She noted that starting on February 11, CM-TV will open its studio to anyone in the community who would like to speak their mind and offer an opinion on any topic

they choose. She also noted that in the spring, another episode of "Successful Aging" will be launched through the generous support of the Common Wealth Agency Board.

George McGrath commented on Planned Parenthood and a recent Supreme Court ruling.

Rick Bocook stated he has been doing public records requests on our skywalks and stated some have easements on them. He stated they are public access and a pedestrian right of way, which means that we have a certain amount of constitutional rights on the skywalks.

George Taylor thanked City Council for passing the legislation to mandate up to three days of earned paid sick leave to most employees of businesses in the City of Spokane. He urged the City Council to override the Mayor's veto of the legislation for the public good.

NEIGHBORHOOD REPORTS

Heather Trautman, Director of the Office of Neighborhood Services (ONS) and Code Enforcement, provided introductory and welcoming remarks. She noted ONS and Code Enforcement will be a part of the new division which includes Planning, Economic Development, Building, Community Centers, and Community Development as we move forward in 2016. She noted there will be seven neighborhoods present this evening, one community center and a COP Shop. She noted Spokane is one of the only cities in which by charter we formally recognize neighborhood organizations by ordinance and facilitate communication with them; and they communicate with us on what the neighborhood's needs are, what are the challenges, and development and implement very specific programs. Ms. Trautman then introduced Rod Minarik of Neighborhood Services and Code Enforcement who facilitated introduction and presentation of neighborhood reports, as follows:

1. Council President Stuckart noted that Gary Pollard of the Riverside Neighborhood was unable to make it tonight. Mr. Minarik thanked Gary and his Board for all the work they have done in the Riverside Neighborhood.
2. Bridget Walden reported on West Hills.
3. Joy Sheikh reported on Grandview/Thorpe.
4. Rick Biggerstaff reported on Browne's Addition.
5. Heleen Dewey reported on Latah/Hangman Valley.
6. Patrick Striker, Spokane COPS Director, and Madison Garner, Social Media Coordinator, reported on Greater Spokane COPS.
7. Patricia Hansen reported on Cliff/Cannon.
8. Jan Loux reported on Peaceful Valley.
9. Mark Reilly, Director, reported on Southwest Spokane Community Center.

Mr. Minarik provided closing remarks and thanked all of the neighborhoods for their work tonight.

Roll Call
Council President Stuckart and Council Members Fagan, Kinnear, Mumm, Stratton, and Waldref were present.

LEGISLATIVE AGENDA

There were no **Emergency Budget Ordinances.**

There were no **Emergency Ordinances.**

RESOLUTIONS
Resolution 2016-0009 (OPR 2016-0027)—Zonar Systems, Inc.
Upon Unanimous Roll Call Vote, the City Council **adopted Resolution 2016-0009** declaring Zonar Systems, Inc. (Seattle, WA) a sole manufacturer and supplier of GPS systems for the Solid Waste Collection Department for the purpose of vehicle tracking and maintenance record keeping and authorizing GPS system data acquisition services from Zonar Systems, Inc. without public bidding—$51,457.15 (incl. tax).

Resolution 2016-0010—2016 Legislative Agenda
Upon 5-1 Roll Call Vote (Council Member Fagan voting "no"), the City Council **adopted Resolution 2016-0010** amending the City of Spokane's 2016 Legislative Agenda (to include UDDA operating funds to catalyze and leverage strategic investments).

For Council Action on Resolution 2016-0008, see section of minutes under 3:30 p.m. Administrative Session.

FINAL READING ORDINANCE
Final Reading Ordinance C35352 Relating to Pretreatment Requirements
Upon Unanimous Roll Call Vote, the City Council **passed Final Reading Ordinance C35352** relating to the pretreatment requirements; amending SMC sections 13.03A.0203, 13.03A.0204, 13.03A.0210, 13.03A.0406, 13.03A.0408, 13.03A.0409, 13.03A.0502, and 13.03A.0801 of the Spokane Municipal Code; and setting an effective date.

CONSIDERATION OF MAYORAL VETO OF ORDINANCE C35300—SICK AND SAFE LEAVE
Council President Stuckart requested a motion to suspend the Council Rules to add C35300 to the City Council's agenda. Subsequently, the following action was taken:

Motion by Council Member Waldref, seconded by Council Member Stratton, **to suspend** the Council Rules; **carried 5-1 (Council Member Fagan voting "no").**

Motion by Council Member Waldref, seconded by Council Member Stratton, **to add** Ordinance C35300 to the (Legislative) Agenda (for consideration of the Mayor's Veto); **carried 5-1 (Council Member Fagan voting "no").**

Council President Stuckart noted that Ordinance C35300 is the sick and safe leave ordinance that was passed on January 11, 2016. He noted the City Council received the Mayor's veto of the ordinance today (January 25), and he called for public testimony on the matter. Public testimony was received and Council commentary held. Subsequently, the following action was taken:

Upon 5-1 Roll Call Vote (Council Member Fagan voting "no"), the City Council **approved an override** of the Mayor's Veto of Ordinance C35300 (relating to earned sick and safe leave in the City of Spokane; creating a new Title 9 to the Spokane Municipal Code; amending section 1.05.170 and 4.04.50 of the Spokane Municipal Code).

ORDINANCE NO. C35363

An ordinance carrying over from the 2015 fiscal year and re-appropriating various funds for the use of certain departments and divisions of the City government and the budgeting of various outstanding grants, both revenues and expenses, of the City of Spokane, and thereby amending Ordinance No. 35322, passed November 23, 2015, and entitled “An ordinance adopting the Annual Budget of the City of Spokane for 2016, making appropriations to the various funds, departments and programs of the City of Spokane government for the fiscal year ending December 31, 2016, and providing it shall take effect immediately upon passage.” and declaring an emergency.

WHEREAS, at the end of the 2015 fiscal year there were various unexpended appropriations for uncompleted programs, improvements in progress, unfilled orders for material, equipment and supplies and unfulfilled contracts for personal services, all properly budgeted and contracted for, and various outstanding grants, bond projects, and capital projects; and

WHEREAS, in order to complete such programs and pay such claims it is necessary that the various funds be re-appropriated in the 2016 budget; and

WHEREAS, this ordinance has been on file three days;

NOW, THEREFORE,

The City of Spokane does ordain;

RESOLUTION 2016-0012

WHEREAS, on **October 27, 2015**, the Spokane City Council received a petition for the vacation of the south 30 feet of Rosewood Avenue from 225 feet east of the east line of Helena Street to the west line of Pittsburg Street in Section 28, T26N, R43E, W.M., Spokane Washington (thereinafter "Rosewood") from owners having an interest in real estate abutting the above right-of-way; and

WHEREAS, it was determined that the petition was signed by the owners of more than two-thirds of the property abutting the south 30 feet of Rosewood Avenue from 225 feet east of the east line of Helena Street to the west line of Pittsburg Street; and

WHEREAS, the City Council desires to set a time and date through this resolution to hold a public hearing on the petition to vacate the above property in the City of Spokane;

NOW, THEREFORE,

The City Council does hereby resolve the following:

That hearing on the petition to vacate the south 30 feet of Rosewood Avenue 225 feet west from the east line of Helena Street to the west line of Pittsburg Street will be held in front of the City Council at 6:00 P.M. or as soon thereafter as possible on **March 14, 2016**, and the City Clerk of the City of Spokane is instructed to proceed with all proper notice according to State law.

ADOPTED by the Spokane City Council, this _____ day of _____, 2016.

Agenda Wording

This resolution calls for the signing of the International Charter for Compassionate Communities.

Summary (Background)

Currently, 325 cities, counties, states, provinces, and countries are either organizing to become, or have been recognized as, Compassionate Communities. Thirty U.S. cities have signed CCI's Charter for Compassion - a requirement for being recognized as a Compassionate Community - including Seattle, Lacey and Lake Forest Park in Washington. Potential Compassionate Campaign activities that could be undertaken by the City under the Spokane Gives initiatives include highlighting Spokane's efforts to assist our community's youth and advocacy for Spokane's veterans as well as fostering volunteerism and nonprofit capacity building within the Inland Northwest. This resolution has been recommended by the Spokane Interfaith Council, the Spokane Human Rights Commission, and the Mayor's Advisory Committee on Multicultural Affairs.

RESOLUTION NO. 2016-0014

A resolution expressing the desire of the Spokane City Council that the City of Spokane sign the International Charter for Compassionate Communities and thereby designate the City of Spokane a Compassionate Community.

WHEREAS, choosing to uphold the principles of compassion is central to a community's ability to create a caring and inclusive culture and climate; and

WHEREAS, the City of Spokane, its citizens, and businesses have a long history of demonstrating outstanding support toward the development of local compassion-based programs and services that benefit our youth, senior, and Veteran populations; and

WHEREAS, the City of Spokane supports fostering of compassion in practical, specific ways through compassion-driven initiatives in neighborhoods, businesses, schools, healthcare, the arts, local governments, and faith congregations; and

WHEREAS, the City of Spokane supports the goal of developing a diverse network of residents and businesses from every sector who will take responsibility for igniting the compassion of the general community; and

WHEREAS, as a part of the Ten-Year Campaign for Compassionate Cities, there will be opportunities to connect organizations that are in need of resources and volunteers with community members who can assist them; and

WHEREAS, today, over 80 cities from Atlanta, Georgia to Seattle, Washington are participating in the Campaign for Compassionate Cities; and

WHEREAS, the U.S. Conference of Mayors passed a resolution in June, 2013 to endorse the Campaign for Compassionate Cities; and

WHEREAS, by becoming part of a compassionate city, region, or nation, citizens become empowered to develop a sense of cooperation and reinvigorated hope; and

WHEREAS, the City of Spokane desires to achieve and maintain Charter for Compassion International recognition as a Compassionate Community;

NOW, THEREFORE, BE IT RESOLVED BY THE SPOKANE CITY COUNCIL, That the City Council hereby adopts the International Charter for Compassionate Communities, attached hereto, and urges the Mayor to sign on to the Charter, thereby making the City a signatory and a Compassionate Community.

BE IT ALSO RESOLVED, That the City Council supports the planning and implementation of the City of Spokane's Spokane Gives initiatives in partnership with

local nonprofit, business, education, arts, and faith communities in order to identify and assess existing and potential initiatives and resources that will instill compassion as a clear, luminous, and dynamic force in our community through educational efforts and deliberate actions.

AND BE IT FURTHER RESOLVED, that the City Council hereby encourages residents, students, businesses, and clubs and organizations to support and participate in the local Spokane Gives initiatives, and to embrace behaviors and activities that promote the spirit and values of compassion.

International Charter for Compassionate Communities

The principle of compassion lies at the heart of all religious, ethical and spiritual traditions, calling us always to treat all others as we wish to be treated ourselves.

Compassion impels us to work tirelessly to alleviate the suffering of our fellow creatures, to dethrone ourselves from the center of our world and put another there, and to honor the inviolable sanctity of every single human being, treating everybody, without exception, with absolute justice, equity and respect.

It is also necessary in both public and private life to refrain consistently and empathically from inflicting pain.

To act or speak violently out of spite, chauvinism, or self-interest, to impoverish, exploit or deny basic rights to anybody, and to incite hatred by denigrating others—even our enemies—is a denial of our common humanity.

We acknowledge that we have failed to live compassionately and that some have even increased the sum of human misery in the name of religion.

We therefore call upon all men and women:
• To restore compassion to the center of morality and religion
• To return to the ancient principle that any interpretation of scripture that breeds violence, hatred or disdain is illegitimate
• To ensure that youth are given accurate and respectful information about other traditions, religions and cultures
• To encourage a positive appreciation of cultural and religious diversity
• To cultivate an informed empathy with the suffering of all human beings—even those regarded as enemies

We urgently need to make compassion a clear, luminous and dynamic force in our polarized world.

Rooted in a principled determination to transcend selfishness, compassion can break down political, dogmatic, ideological and religious boundaries.

Born of our deep interdependence, compassion is essential to human relationships and to a fulfilled humanity.

It is the path to enlightenment, and indispensable to the creation of a just economy and a peaceful global community.

RESOLUTION 2016-0017

A Resolution updating the Spokane Internal Lending Program ("SILP") Underwriting Guidelines, and providing for regular review and update as necessary, and rescinding and replacing Resolution 2014-0101 in its entirety.

WHEREAS, the City established the Spokane Investment Pool ("SIP") in October, 2007; and

WHEREAS, the City has identified the SIP as an appropriate vehicle for providing internal financing for accomplishing certain City strategic goals and opportunities based upon a variety of factors including the SIP's low cost of capital (relative to alternative SIP investments) and minimal issuance and administration costs; and

WHEREAS, beginning in June, 2010, the City commenced the SILP to facilitate certain strategic projects and initiatives of the City which required up-front capital and which met certain criteria; and

WHEREAS, in October, 2014, the City Council passed Resolution 2014-0101 establishing the SILP Underwriting Guidelines; and

WHEREAS, it is necessary for City Administration and City Council to jointly and regularly review the SILP Underwriting Guidelines to identify needed updates including amendments to assure compliance with all governing statutes, regulations, and policies and all other requirements as identified; and

WHEREAS, following review and discussion between City Administration and City Council, certain changes to the SILP Underwriting Guidelines are now proposed;

NOW, THEREFORE,

BE IT RESOLVED BY THE SPOKANE CITY COUNCIL that the SILP Underwriting Guidelines are amended and revised as follows:

- The current limit for City of Spokane Bonds under the City's Investment Policy, is 15%; the City may wish to consider raising or lowering this percent in the future, depending upon the opportunities for strategic lending under the SILP and other lending considerations.

  The two key considerations beyond 'strategic opportunity' in raising or lowering the SIP limits are risk and liquidity. The risk to the City's General Fund of lending under the SILP is directly tied to the credit quality of the loans made under the program. The liquidity consideration is tied to the fundamental illiquidity of the City of Spokane Bonds; therefore the amount

of SILP loans outstanding at any time should never limit the SIP portfolio's ability to meet the City's projected cash flow needs.

- Anticipated outcomes of projects and initiatives for which loans are requested, must be deemed consistent with the City of Spokane's strategic goals including tactical objectives.

  Inasmuch as not all strategic objectives of the City are specifically set forth, this is a facts and circumstances requirement that is deemed satisfied through the exchange of information between Administration and City Council implicit in the process for proposing loan requests under the SILP and the required passage by City Council.

- All loan requests must provide absolute assurance of payback.

  Note that in the event of a default by a borrower under the SILP, the City has pledged, through its issuance of 'General Obligation Bonds' to fund the loans at inception, to use all legally available resources, including tax revenues, to repay bonds. In other words, the General Fund of the City will become generally liable for immediate repayment of any SILP loan in default.

- Loans shall be internal (i.e. interfund loans within the City organization).

  In the event the City identifies internal loan opportunities on projects or proposals involving other governmental organizations (e.g. City of Spokane PDAs, Spokane County or other partner governmental organizations), an amendment to this resolution allowing external loans will be required together with such other actions as may be required to assure statutory compliance and other requirements for providing such financing.

- In addition to being consistent with City strategic goals, proposals that improve the efficiency and effectiveness of City operations will be given priority under the SILP.

  To the extent efficiency/effectiveness proposals result in personnel reductions, strong efforts shall be made to mitigate impacts on individuals thus affected. Mitigation may include, but is not limited to, relying on attrition or placement within other areas of the City to avoid layoffs.

- Loans must be consistent with the City's Investment Policy.

Loan maturities generally shall be made for periods not to exceed five years. Renewals may be agreed to by the parties for periods not to exceed five years for each renewal; however such renewals must be negotiated and agreed to following the initial loan term, and in accordance with these Guidelines. (Note that an exception may be made if the loan/bond can be matched to a particular City liability; Investment Policy Section 5.12.1a provides that "Funds may be invested in securities exceeding five years if the maturity of such investments is made to coincide as nearly as practicable with the expected use of the identifiable funds".)

Depending upon the need of the borrower and other considerations, the structure of the loan may provide for level or other pay down (e.g. balloon payment) as agreed to by the parties, and consistent with prudent lending practice.

Loans may be disbursed in lump sum or as a series of Term Bonds for creation of a loan facility with a stated 'not to exceed' amount of borrowing (e.g. $25m Public Safety Equipment Bonds issued in August, 2014).

- All loans shall be underwritten, structured, documented, and administered to assure compliance with all governing statutes, regulations, policies, and other requirements as identified.

- The City's CFO or a designee shall provide a detailed update of all SILP lending as a part of the regular financial update at each open meeting of the City Council's Finance Committee, generally held monthly, to allow the City Council to perform its regular and formal review of all material aspects of the SILP activity and administration.

- Inasmuch as all loans made under the SILP statutorily constitute short-term interfund loans (generally three years or less), all such loans shall therefore be subject to an extraordinary call provision whereby a loan may be called for redemption by the joint decision-making of the City's Chief Financial Officer or a designee (recommendation to call) and the City Council (approval of that recommendation) at anytime and without restriction. To assure no permanent diversion of dollars from any lending fund constituting the SIP occurs, or in the event a borrower is unable to meet the terms of repayment and/or redemption of any loan, the City's General Fund shall be ultimately liable for all SILP loan repayments.

- Due to the fact that loans granted under the SILP have little or no liquidity in the outside financial markets, requests under the SILP must be consistent with the City's projected cash flow needs.

  City Finance, in conjunction with the Treasurer's Office, conducts regular review of the City's near-, medium-, and long-term cash flow needs, and makes investment decision consistent therewith.

- The interest rate earned by the SIP on Bonds issued under the SILP must equal or exceed the yields available on similar investments available to the SIP or to the individual funds whose dollars constitute the SIP, thereby assuring that one City fund is not benefitting from another.

  Generally, the SIP will require an interest rate equal to the U.S. Treasury Rate for like maturity plus 75 basis points (the addition of 75 basis points is to generally account for the lack of liquidity, credit quality differential and costs of administration).

- These SILP Underwriting Guidelines shall adhere to such other principles and guidelines as may be deemed relevant and consistent with those stated above and consistent with prudent lending practices.

- These SILP Underwriting Guidelines shall be reviewed jointly by City Administration and City Council at least annually for necessary amendments to assure continued compliance with the goals and provisions provided herein. Resolution 2014-0101 is hereby rescinded and revoked in its entirety as of the date of adoption of this resolution.

BE IT ALSO RESOLVED, that Resolution 2014-0101 is hereby rescinded and revoked in its entirety as of the date of adoption of this Resolution.

RESOLUTION NO. 2016-0018

A Resolution expressing the intention of the City Council to designate an additional residential targeted area and setting a public hearing.

WHEREAS, Chapter 84.14 RCW authorizes cities to enact multifamily housing property tax incentive programs by designating residential targeted areas within urban centers;

WHEREAS, the City of Spokane exercised its authority under Chapter 84.14 RCW by enacting Ordinance No. C-32575, codified as Chapter 8.15 SMC, which provides a property tax incentive for multifamily housing in urban centers by establishing a methodology for granting such incentives and designating the urban centers and residential targeted areas;

WHEREAS, the City Council later modified, by adopting Ordinance No. C-34909 on September 24, 2012, the existing residential targeted areas; and

WHEREAS, the City Council wishes to revise the residential targeted areas to include an area referred to as the "Lower South Hill" area to be added to SMC 8.15.030, as shown in attachment A to this Resolution; and

WHEREAS, RCW 84.14.040 requires public notice and a hearing before the City designates residential targeted areas.

NOW, THEREFORE, be it is resolved by the Spokane City Council that it is the intent of the City of Spokane to designate the Lower South Hill residential targeted area as set forth in Ordinance No. C-35362, amending SMC 8.15.030.

BE IT ALSO RESOLVED, that the City of Spokane shall conduct a public hearing on February 29, 2016 beginning at 6:00 pm at the City Council Chambers at City Hall, West 808 Spokane Falls Blvd., Spokane, Washington, to take public testimony and consider adding the Lower South Hill residential targeted area as set forth above.

BE IT FURTHER RESOLVED, that the City Council shall also consider adoption of Ordinance No. C-35362, amending SMC 8.15.030 to designate the Lower South Hill residential targeted area subsequent to the hearing called for in this Resolution.

An ordinance amending the City of Spokane Comprehensive Plan Land Use Map to include the Spokane Housing Ventures Annexation area. (Testimony will be taken on February 8, 2016/Action March 14, 2016).

Summary (Background)

The City's Comprehensive Plan includes areas the City reasonably expects to annex into the City in the future, including the Spokane Housing Ventures Annexation Area. On December 9, 2015, the Spokane Plan Commission held a public hearing on the proposed annexation and voted to recommend that the City Council approve the annexation and assign appropriate Comprehensive Plan Land Use Map designations to the area, provided that parcels 34031.0459 and 34031.5201 east of Freya Street be removed from

ORDINANCE NO. C35359

AN ORDINANCE relating to the pending Spokane Housing Ventures Annexation and amending the Spokane Comprehensive Plan Land Use Plan Map, Map LU 1 to include updated land use designations for the area within the pending Spokane Housing Ventures Annexation.

WHEREAS, a portion of the Urban Growth Area located on the southern boundary of the City of Spokane's corporate limits known as the Spokane Housing Ventures Annexation Area is proposed to be annexed into the City of Spokane; and

WHEREAS, State law authorizes local jurisdictions to prepare a proposed Comprehensive Plan Land Use Plan to become effective upon the annexation of any area which might reasonably be expected to be annexed; and

WHEREAS, the City of Spokane Comprehensive Plan policy - LU 10.3 Existing Plans states, "*Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed,"* and

WHEREAS, the proposed amendment to the Comprehensive Plan Land use Plan map converts the existing Spokane County Comprehensive Plan Land Use designations for the Spokane Housing Ventures Annexation Area to the closest corresponding City of Spokane Comprehensive Plan Land Use Plan Map designations; and

WHEREAS, the Washington State Department of Commerce and appropriate state agencies were given the required 60-day notice before adoption of proposed changes to the Comprehensive Plan on October 30, 2015; and

WHEREAS, the City of Spokane Plan Commission held workshops on the proposed Comprehensive Plan Land Use and Zoning map amendments on October 14, October 28, and November 11, 2015; and

WHEREAS, A State Environmental Policy Act (SEPA) Environmental Checklist was completed and a Determination of Non-significance issued for the proposal on October 19, 2015. The determination was circulated to agencies with jurisdiction and parties of interest. Notice of the determination was published in the Spokesman Review on October 19, 2015; and

WHEREAS, Notice of the proposal and of the Plan Commission's December 9, 2015 hearing was published in the Spokesman Review on November 25, 2015 and December 2, 2015. Adjacent jurisdictions and other interested agencies and parties were also sent email and mailed notifications of the hearing; and

WHEREAS, Spokane Municipal Code (SMC) Section 17G.020.010 "Comprehensive Plan and Development Standard Amendment Process" identifies terms and conditions for Comprehensive Plan amendments and Comprehensive Plan emergency amendments, and specifically recognizes that annexations will require amendment of the Comprehensive Plan land use map outside of the annual comprehensive plan amendment cycle; and

WHEREAS, after consideration of the issues and public testimony that is a part of the record and summarized in the Plan Commission Findings of Fact, Conclusions, and Recommendations adopted on December 9, 2015, the Plan Commission has forwarded its recommended amendments to the Comprehensive Plan and zoning map; and

WHEREAS, notices of the City Council's hearings have been posted in the Spokesman Review and the City's official Gazette; -- Now, Therefore,

The City of Spokane does ordain:

Section 1. That the City of Spokane Comprehensive Plan Land Use Plan Map, Map LU 1 is amended to include updated land use designations for the area within the pending Spokane Housing Ventures Annexation Area as shown on the attached map.

Spokane City Plan Commission
Findings of Fact, Conclusions, and Recommendations
Spokane Housing Ventures Annexation

A recommendation of the City Plan Commission relating to the proposed Spokane Housing Ventures Annexation and related zoning map and Comprehensive Plan land use map designations for proposed annexation area.

Findings of Fact:

A. The City of Spokane, pursuant to chapter 35.13 RCW, is authorized to annex land within an urban growth area and contiguous to the City's municipal boundary.

B. The owners of certain property situated within the Spokane Housing Ventures Annexation Area filed a proper and sufficient Notice of Intent to commence annexation proceedings with the City.

C. Following its receipt of said notice, the City Council held a public meeting with the owners and determined by Resolution 2015-0031 that the City would geographically modify the proposed annexation area to include the property lying between Regal Street on the west, Palouse Hwy on the east, 53rd Avenue on the North, and 55th Avenue on the South, as shown in the Spokane House Ventures Annexation Parcel Map attached hereto as Exhibit "A".

D. Thereafter, a sufficient petition for annexation was filed with the City pursuant to RCW 35.13.130, signed by the owners of not less than 60 percent in value, according to the assessed valuation for general taxation, of the property for which annexation is petitioned, seeking annexation to the city of Spokane of an approximately 42-acrea area within an urban growth area and contiguous to the City's southern municipal boundary, otherwise referred to as the Spokane Housing Ventures Annexation Area (the "Petition").

E. On December 9, 2015, the Plan Commission held a hearing to obtain public comments on the annexation and the proposed land use and zoning designations for the Spokane Housing Ventures Annexation Area.

F. The City of Spokane Comprehensive Plan policy LU 9, Annexation Areas, encourages the annexation of areas that are logical extensions of the City, and further encourages the use of readily identifiable boundaries, such as highways, to define annexation areas where possible. The Spokane Housing Ventures Annexation Area, as modified by City Council resolution 2015-0031, is a logical extension of the City's corporate boundaries and uses streets to make the new boundaries readily identifiable. Based on testimony by Fire District 8 and the owners of property on the east end of the modified annexation area (i.e., parcel no. 34031.0459), the western edge of Freya Street also provides a readily identifiable and logical corporate boundary.

G. The City of Spokane Comprehensive Plan policy - LU 10.3, Existing Plans states, "*Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.*"

H. Consistent with LU 10.3, and in the context of annexation of new areas to the City, proposed amendments to the City's Comprehensive Plan Land Use Map and Zoning Map should convert the existing Spokane County Comprehensive Plan Land Use designations and zoning for the Spokane Housing Ventures Annexation area to the closest corresponding City of Spokane land use and zoning designations.

I. The existing Spokane County Comprehensive Plan Land Use Map and Zoning Map designations are illustrated on Exhibit "B". The City of Spokane Comprehensive Plan Land Use Map and Zoning Map designations reflected in Exhibit "C" are consistent with the City of Spokane Comprehensive Plan and particularly LU 10.3 relating to recognition of existing plans, and most closely match the land use and zoning designations currently in effect for the Spokane Housing Ventures Annexation Area in Spokane County.

J. A State Environmental Policy Act (SEPA) Environmental Checklist was completed and a Determination of Non-significance issued for the proposal on October 19, 2015. The determination was circulated to agencies with jurisdiction and parties of interest. Notice of the determination was published in the Spokesman Review on October 19, 2015.

K. Notice of the proposal and of the Plan Commission's December 9, 2015 hearing was published in the Spokesman Review on November 25, 2015 and December 2, 2015. Adjacent jurisdictions and other interested agencies and parties were also sent email notifications of the hearing.

L. Spokane Municipal Code (SMC) Section 17G.020.010 "Comprehensive Plan and Development Standard Amendment Process" identifies terms and conditions for Comprehensive Plan amendments and Comprehensive Plan emergency amendments, and specifically recognizes that annexations will require amendment of the Comprehensive Plan land use map outside of the annual comprehensive plan amendment cycle.

Conclusions:

A. The Plan Commission has reviewed all public comments and testimony received during the public hearing.

B. Based on testimony from Fire District 8 and the owner of parcel no. 34031.0459, and based on the review of maps of the proposed annexation area, the western edge of Freya Street would provide a readily identifiable and logical corporate boundary.

C. The City of Spokane Comprehensive Plan Land Use and Zoning designations set forth in Exhibit "C" are consistent with the goals and policies of the City of Spokane Comprehensive Plan, and particularly LU 10.3 relating to recognition of existing plans, and most closely match the land use and zoning designations currently in effect for the Spokane Housing Ventures Annexation Area in Spokane County

D. All State and local public notice and participation requirements have been satisfied.

Recommendations:

By a vote of 5 to 1, and subject to the proviso set forth below, the Spokane City Plan Commission recommends that the City Council approve the Spokane Housing Ventures Annexation, as previously modified by the City Council, and that the City Council adopt the land use and zoning designations for the annexation area as are set forth in Exhibit "C" hereto, provided that parcels 34031.0459 and 34031.5201 be removed from the annexation area, and that the western edge of the Freya Street right-of-way form the eastern end of the annexation area.

By a similar vote, the Plan Commission also recommends that if the City Council is inclined to consider imposing center and corridor zoning on those western areas of the annexation area designated for community business zoning in Exhibit "C", then the City Council instead zone such property Community Business, subject to a development agreement between the City and the owner of such property imposing agreed upon design standards that shall apply to and govern development of the property.

Re: Spokane Housing Ventures
Parcel Numbers 34032.0409, 34032.0492, and 34032.0489

Dear Mr. President and Plan Commission Members:

This letter is intended to provide background and information concerning the above annexation.

A. BACKGROUND.

1. Summer 2011, SHV and partnerships make request to be annexed to the City.
2. November 2011, matter deferred by City Council to allow City administration to evaluate boundaries for the annexation.
3. May 29, 2012, Mayor Condon recognizes partnerships affordable housing projects, but "rejects annexation at this time."
4. February 12, 2015, letter to Council President Ben Stuckart requesting annexation and providing background concerning installation of City water, sanitary sewer, and public street development to include execution of Connection/Annexation Agreements and payment of connection fees to the City.
5. April 20, 2015, Resolution No. 2015-0031. This City Council Resolution geographically modified the annexation proposal to include a statement that the City of Spokane will pursue this annexation in accordance with the direct petition method described in RCW 35.13.
6. August 26, 2015, letter to Interim Planning Director requesting that this annexation be placed before the City Plan Commission for consideration.

At the October 14, 2015, Plan Commission Meeting, City staff presented information suggesting that this annexation would not result in positive cash flow to the City general, EMS and utility funds. This was due in large part to the difference between the "in city" utility fees versus the

"out of city" utility fees. Notably, this exact same information was presented to the City Council.

Once again, the City presentation failed to take into consideration the significant capital investment by the proponent, which amounts to approximately $1,027,281.00. See Attachment A. This constructed public infrastructure, city utilities and streets, was required by the City, in order benefit, support, and expand planned growth of the urban area. There is no doubt this infrastructure allows the City to collect additional connection fees, service charges, and other costs in the operation of its public utilities. Not to mention, additional sales and property tax will be generated from these properties following the annexation.

B. THE CITY COMPREHENSIVE PLAN.

Goal LU 9 entitled "Annexation Areas" states that the City supports annexations that support logical boundaries and reasonable service areas within the City's urban grow area, where the city has the fiscal capacity to provide services. LU 9.6 qualifies the "negative fiscal impact on the city" with regard to utilities and states

> Property owners in annexing areas should fund the public utility improvements necessary to serve new development in a manner that is consistent with applicable City of Spokane policies and regulations.

It is without question that this annexation has satisfied the goals and policies of annexation set forth in the City Comprehensive Plan. See Attachment B.

The Spokane Housing Ventures annexation also fulfills policies in the housing chapter of the Comprehensive Plan that recognizes "few new housing units are developed that are affordable to lower income households." H-19. Special needs populations to include the physically disabled are in great need of affordable and subsidized housing located throughout the community. H 2.6, SH 4.2, and SH 4.2. Along with the affordable housing studies cited in the February 12, 2015 letter to Ben Stuckart, this annexation supports the Comprehensive Plan's affordable housing goals.

Finally, this annexation supports the City's affordable housing studies conducted pursuant to HUD regulations, and compliance with five goals set forth in the November 2014 "talking points on needs" for the "Spokane Consolidated Plan 2015-2020."

C. CONCLUSION.

It is requested on behalf of Spokane Housing Ventures that the Plan Commission forward to the City Council a recommendation to approve the Spokane Housing Ventures annexation.

Very truly yours,

WITHERSPOON • KELLEY

Develop a broad, community-based process that periodically reevaluates and directs city policies and regulations consistent with the Visions and Values.

LU 7.3 Historic Reuse

Allow compatible residential or commercial use of historic properties when necessary to promote preservation of these resources.

Discussion: Preservation of historic properties is encouraged by allowing a practical economic use, such as the conversion of a historic single-family residence to a higher density residential or commercial use. A public review process should be required for conversions to a use not allowed in the underlying zoning district. Special attention should be given to assuring that the converted use is compatible with surrounding properties and the zone in which the property is located. Recommendations from the Historic Landmarks Commission and the Historic Preservation Officer should be received by any decision-maker before a decision is made regarding the appropriateness of a conversion of a historic property.

LU 7.4 Sub-Area Planning Framework

Use the Comprehensive Plan for overall guidance and undertake more detailed sub-area and neighborhood planning in order to provide a forum for confronting and reconciling issues and empowering neighborhoods to solve problems collectively.

LU 8 URBAN GROWTH AREA

Goal: Provide an urban growth area that is large enough to accommodate the expected population growth for the next 20 years in a way that meets the requirements of the CWPPs.

Policies

LU 8.1 Population Accommodation

Accommodate the majority of the county's population and employment in urban growth areas in ways that ensure a balance between livability, preservation of environmental quality, open space retention, varied and affordable housing, high quality cost-efficient urban services, and an orderly transition from county to city jurisdiction.

LU 8.2 Urban Growth Area Planning

Plan with Spokane County for the unincorporated portions of the urban growth area.

Discussion: Planning for the urban growth area should include the adoption of consistent land use designations, policies, and development standards, as well as the identification and preservation of natural environmental features.

LU 8.3 Growth Boundary Establishment

Establish an urban growth area boundary, consistent with the CWPPs, that provides enough land to accommodate the urban growth area's projected growth for the next 20 years.

LU 8.4 Urban Land Supply

Regularly monitor the relationship between land supply and demand to ensure that the goals of the comprehensive plan are met.

Discussion: To assure that land supply is adequate, the land supply should be regularly monitored. Particularly important at the onset of the identification of an urban growth boundary, regular monitoring can allow the city and Spokane County to make adjustments as necessary.

LU 8.5 Growth Boundary Review

Review the urban growth area boundary at least once every five years relative to the current Office of Financial Management's twenty-year population forecast and make adjustments, as warranted, to accommodate the projected growth.

❑ LU 9 ANNEXATION AREAS

Goal: Support annexations that create logical boundaries and reasonable service areas within the city's urban growth area, where the city has the fiscal capacity to provide services.

Policies

LU 9.1 Logical Boundaries

Encourage the annexation of areas that are logical extensions of the city.

Discussion: As much as possible, the city should avoid annexations that create "peninsulas" of unincorporated land within the city limits. The following policies shall apply to the size of an annexation and the location of boundaries:

A. The City Council will decide whether to require increases in the size of proposed annexations on a case-by-case basis.

B. City staff may recommend expansion of a proposed annexation prior to the first meeting with property owners required under RCW 35A.14.120. The City Council will consider whether a requirement that the initiator expand the proposed annexation up to the maximum allowed under state law would meet any of the following criteria:
   1. The expanded annexation would create logical boundaries and service areas.
   2. Without the proposed annexation, the area to be added would not likely be annexed within the foreseeable future.
   3. The area to be added would eliminate or reduce an unincorporated county peninsula.

C. If the City Council concludes that any of the criteria applies to a specific annexation proposal, it will require the initiator to expand the boundaries of the proposed annexation to the extent allowed by law and deemed appropriate by the City Council.

D. Service delivery should be a criteria in the formation of boundaries. Annexations should attempt to maximize efficiencies of urban services.

LU 9.2 Peninsula Annexation

Encourage and assist property owners in existing unincorporated "peninsulas" in the city's urban growth area to annex to the city.

Discussion: Unincorporated "peninsulas" are land areas of any size that are located outside of the city limits that have at least eighty percent of their boundaries contiguous to the city. RCW 35.13.182, allows the cities to resolve to annex such areas (in existence before June 30, 1994) subject to referendum for forty-five days after passage following the adoption of the annexation ordinance.

LU 9.3 City Utilities

Require property owners requesting city utilities to annex or sign a binding agreement to annex when requested to do so by the city.

LU 9.4 Readily-Identifiable Boundaries

Use readily identifiable boundaries, such as lakes, rivers, streams, railroads, and highways, to define annexation areas wherever possible.

Discussion: Permanent physical features provide city limit boundaries that are easy to identify and understand. Streets or roads may be used where appropriate. However, streets and roads are generally less suitable boundaries because of utility access issues.

LU 9.5 Community Impacts

Evaluate all annexations on the basis of their short and long-term community impacts and benefits.

Discussion: If the annexation includes proposed development, consideration of the proposal should include an analysis of the short and long-term impacts on the neighborhood and city in terms of all services required, including water, sewer, urban runoff, roads, schools, open space, police and fire protection, garbage collection, and other services.

LU 9.6 Funding Capital Facilities in Annexed Areas

Ensure that annexations do not result in a negative fiscal impact on the city.

Discussion: In general, property owners in annexing areas should fund the public facility improvements necessary to serve new development in a manner that is consistent with applicable City of Spokane policies and regulations. If an area annexing to Spokane requires public facility improvements to correct health and safety related problems, the property owners within the annexed area should fund these improvements. If an area annexing to Spokane has public facilities that do not meet City of Spokane standards and the property owners or residents want to improve the facilities to meet city standards, the property owners should fund those improvements, or the proportion of those improvements, that do not have a citywide benefit. Public facility improvements within annexed areas that have a citywide benefit should be considered for funding through city revenues as part of the Spokane capital facilities and improvements planning processes.

LU 9.7 City Construction Standards

Require utilities, roads, and services in the city's urban growth area to be built to city standards.

Discussion: Interlocal agreements are a mechanism that should be used to apply these standards to the urban growth area. Requiring these facilities to be built to city standards will assure that they meet city standards at the time of annexation of these areas to the city.

LU 9.8 City Bonded Indebtedness

Require property owners within an annexing area to assume a share of the city's bonded indebtedness.

Discussion: When property is annexed to the city, it becomes subject to all city laws. It is also assessed and taxed in the same way as the property already in the city. As a result, annexed areas are required to help pay for the outstanding indebtedness of the city approved by voters prior to the effective date of the annexation.

LU 10 JOINT PLANNING

Goal: Support joint growth management planning and annexation requests, which best meet the Comprehensive Plan's development goals and policies.

Policies

LU 10.1 Land Use Plans

Prepare land use plans in cooperation with Spokane County for the urban growth area to ensure that planned land uses are compatible with adopted city policies and development standards at the time of annexation.

LU 10.2 Special Purpose Districts

Confer with affected special purpose districts and other jurisdictions to assess the impact of annexation prior to any annexation.

Discussion: Where possible, boundaries should be mutually resolved by the jurisdictions involved before any final action is taken on a formal annexation petition.

LU 10.3 Existing Plans

Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.

LU 10.4 Permitted Uses

Discourage annexations when the sole purpose is to obtain approval of uses not allowed by county regulations unless the proposal is consistent with an adopted joint plan and with city standards and policies.

LU 10.5 UGA Expansion

Establish a forty-year planning horizon to address eventual expansion of UGAs beyond the twenty-year boundary required by the Growth Management Act.

Discussion: The purpose of the longer planning period is to ensure the ability to expand urban governmental services and avoid land use barriers to future expansion of the twenty-year UGA boundary. Within the urban reserve areas, densities and land use patterns should be established that do not preclude later subdivision to urban densities.

To identify urban reserve areas, it is necessary for the city and Spokane County to work together to identify the amount of land necessary to support the next 40 years of growth. Factors that need to be considered include the ability to provide public services and facilities and carrying capacity issues, such as water quantity and air quality.

RE: Annexation Proposal

We are the owners of About Space Storage located at 3715 E 55th Ave, in Spokane County. This 3 acre parcel is located at the east end of the proposed annexation into the city. It is a triangular property surrounded by the Palouse Hwy., 55th Ave., and Freya. It is zoned Community Commercial. We have owned the property since 2002.

While we receive city water and sewer services, all other services i.e., fire protection, roads, snow removal; Sheriff, etc. are provided by Spokane County. Over the past couple of weeks, we have been in contact with many city and county departments trying to determine the impact the proposed annexation would have on our business. No one has been able to give us a definitive answer other than we would be required to obtain a city business license, that the tax levy rate probably would be about the same and that some of the city water fees would be reduced but other fees would be added to make that a draw. We have not been able to form a conclusion on the immediate financial impact based on the information we have received.

The one long term issue that we have researched and have formed an opinion on is zoning. If the annexation is approved we definitely want the property to be zoned General Commercial. This is a small family business which supports 4 families, in addition to ours, and it has been our hope for it to support us throughout our lives. A change to a more restricted zoning, such as center and corridors, would have a negative financial impact on our long term goals.

Thank you for considering our concerns.

Re: Proposed City of Spokane Comprehensive Plan Land Use and Zoning Amendments for the Spokane Housing Ventures Annexation
Public Comments of The Moody Bible Institute of Chicago

Dear Ms. Wright:

On behalf of The Moody Bible Institute of Chicago ("Moody"), I submit this public comment in response to the Notice of SEPA Determination and Proposed City of Spokane Comprehensive Plan Land Use and Zoning Amendments for the Spokane Housing Ventures Annexation.

Moody is a non-profit Christian organization which operates a ministry in several states. This ministry includes religious higher education, operation of Christian radio stations, and operation of a Christian publisher. As part of its ministry, Moody owns and operates a radio tower and station located at 5408 S. Freya Street just outside the City's boundaries on the South Hill. Moody owns approximately 9 acres of land at this address consisting of parcel numbers 34032.0405; 34032.0432; and 34032.0433. Moody has operated this station for more than forty (40) years.[1]

Under the Spokane County Zoning Code, Moody's property is zoned Low Density Residential ("LDR"). In the proposed annexation, the City has stated it plans to zone the property as Residential Single Family ("RSF"). This change of zoning will restrict the range of uses for which this property can be used more than the current zoning under the Spokane County Zoning Code, and eliminate some entities who may otherwise have been interested in purchasing the land.

The specific uses that are allowed under the current County LDR zoning that will no longer be allowed under the City's RSF zoning are as follows:

[1] Moody also operates two (2) branches of its post-secondary higher education program in Spokane, WA where students can earn a four (4) years bachelor's degree in multiple disciplines.

- Community residential facilities;
- Crisis residential center;
- Row housing;
- Family day-care provider;
- Child day-care center;
- Garden sales;
- Golf course;
- Home industry;
- Home profession; and
- Transit facilities.

As a non-profit religious organization, Moody relies heavily on donations and maintaining the value of its assets in order to fund its ministry. The proposed RSF zoning the City plans to impose through the annexation will negatively impact the value of Moody's property, and have a corresponding detrimental impact on Moody's ministry.

It is important to also note that the Spokane Transit Authority ("STA") recently contacted Moody to indicate that it is exploring potential acquisition of the Moody property as a terminal for "park and ride" bus service. While Moody understands that STA is only in the preliminary planning phases for this project and no offer has been made to Moody regarding the acquisition of its property, we wish to make you aware that STA would be prevented from proceeding with this project under the proposed RSF zoning classification.

Upon review the City's proposed annexation as a whole, it is readily apparent that the ministry's parcels are the only property in the annexation area that will be zoned RSF. The other properties along 55th Avenue between Regal Street and Freya Street (as well as the parcel at the east corner of 55th Avenue and Freya Street) are zoned primarily Community Business ("CB") and the parcel immediately adjacent to Moody's land is zoned Residential Multi-Family ("RMF"). In other words, its RSF property will be sandwiched between RMF and CB on one side, and CB on the other side. It will be an island of RSF zoning stuck in a sea of CB and RMF properties. Moody submits that as part of the annexation, all three Moody parcels should receive similar zoning (i.e. either RMF or CB) consistent with the other properties impacted by

the annexation. Alternatively, Moody requests that the City exclude the Moody parcels from the annexation so that it can keep the current County zoning classification.

The current zoning of LDR will be restricted by a change to RSF. However, the next higher land use zone, RMF, will allow Moody all the uses it is currently allowed under the LDR zoning. For example, duplexes, community residential facilities, outdoor recreation (i.e. golf courses), and limited office (currently allowed under the current LDR zone) would all be allowed under the RMF zone, but not allowed under the RSF zone. Per Moody's real estate broker, zoning the land RMF upon annexation will maintain the current value of Moody's property.

This is consistent with the County's current comprehensive plan. The County's plan provides for Low Density Residential uses of the Moody property – its current zoning. Zoning the property as RMF will enable Moody to benefit from all the uses allowed under the County's comprehensive plan, whereas the proposed RSF designation will not.

Similarly, zoning the property as RMF is consistent with the City's Comprehensive Plan ("Comp Plan") policies. There are no provisions in the Comp Plan which prevent the City from zoning Moody's property as either RMF or CB. Indeed, DP 1.4 of the Comp Plan states the "development needs to take into account the context of the area and should result in an improvement to the surrounding neighborhood." This policy supports comparable uses of property within the annexed zone. Having an RSF zone between lands zoned as CB on both sides of the Moody parcels is out of context with the CB zones.

Finally, this is consistent with the Revised Code of Washington. Pursuant to RCW 35.14.177, Spokane City can develop a comprehensive land use plan for areas outside the City limits, but inside its Urban Growth Area, to be effective upon annexation. In this case, it does not appear the City has gone through this procedure for the Moody property. Enclosed as **Attachment A** is that portion of the City's Land Use Plan map which depicts the proposed annexation area (i.e. 55th Avenue between Regal Street and Freya Street). As can be seen, while the most western section of the annexed area has a pre-planned zoning designation, the remainder of the property inside the annexed area does not. There is no barrier to the City zoning the Moody property as either RMF or CB.

For the foregoing reasons, Moody Bible Institute respectfully requests the City of Spokane Planning Commission and City Council to allow for RMF or CB zoning for its land within the proposed area to be annexed into the City limits. Such zoning will enable Moody to maintain the value of an important asset, and will enable it to make all the uses currently available to it under the County's current zoning. Alternatively, Moody requests the City to exclude the Moody parcels from the annexation.

Very truly yours,

KELLY E. KONKRIGHT

RE: Comprehensive Plan Land Use Map and Zoning Map Changes

Jo Ann, thank you for chatting with me briefly on the phone this morning regarding the hearing status of the above referenced application.

Spokane County Engineering has no specific comments regarding the Planning Commission consideration of Comprehensive Plan and Zoning Map changes should the proposed area be annexed into the City of Spokane.

Spokane County Engineering would like to comment for the record that should the City of Spokane proceed with the annexation application, that the adjacent streets and roads surrounding the proposed area also be included as part of the final annexation. Specifically, the adjacent streets and roads surrounding the proposal are the Palouse Highway, 55th Avenue and Regal Street.

It is my understanding that there will be additional opportunity to comment on the annexation application as the process continues.

Comments from the Southgate Neighborhood Council

The Area

Land Use

One area of concern we have is the differentiation of the Land Use and Zoning designations in the alternative plan. The large CC parcels already in Southgate are designated CC-Core for Land Use and CC2-DC for zoning. We are wondering why the city-proposed alternative splits the Land Use and Zoning designations into General Commercial and CC2-DC. We would like to see them match the other CC zones in our neighborhood to maintain uniformity in their development. During discussions that led to the creation of the Southgate District Center back in 2005/06, it was explained to the Southgate Neighborhood Council that that city would not be creating any more General Commercial areas in Spokane and that dense, commercial development would happen only within the Center and Corridor designation. Why has the policy changed? When did it change?

Zoning

In an email on May 18, 2015, Acting Planning Director Louis Meuler stated that the department's intention was to use Spokane Comprehensive Plan policy LU 10.3 as guidance when considering the zoning designation for these properties.

> ***LU 10.3 – Existing Plans***
> *Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.*

Southgate finds it appropriate to follow this policy as the city considers how to integrate these properties into the Southgate neighborhood. The mix of developing mixed use, established community commercial, and open low-density designated parcels provides a good blend of new land to our neighborhood. Given that the majority of the proposed annexed area is currently in the County's Mixed Use zoning, Southgate believes that the city should seek to maintain that designation as this land becomes part of our neighborhood.

According to County Zoning Code Chapter 14.608.100, the intent of Mixed Use zoning is to, "implement the Mixed-use Area, Community Center and Urban Activity Center categories of the Comprehensive Plan. These mixed-use categories encourage development that fosters pedestrian activity, supports transit, and provides for a mix of diverse land uses. **The Mixed-use zone supports many activities of daily life that can occur within easy walking distance, giving independence to those who do not drive.** Mixed-use areas support higher intensity

development, but compatibility of uses is ensured through special design standards. Mixed-use areas often provide a central focus point with transportation linkages to the broader community."

When you compare this intent with the various zoning classifications in the Spokane Municipal Code (SMC) you see that it aligns most directly with our Center and Corridor Zoning as outlined in SMC 17C.122.010, "The intent of center and corridor regulations is to implement the goals and policies of the comprehensive plan for centers and corridors. These areas are **intended to bring employment, shopping, and residential activities into shared locations** and encourage, through new development and rehabilitation, new areas for economic activity. New development and redevelopment is encouraged in these areas that promotes a relatively cohesive development pattern with a mix of uses, higher density housing, buildings oriented to the street, screened parking areas behind buildings, **alternative modes of transportation with a safe pedestrian environment**, quality design, smaller blocks and relatively narrow streets with on-street parking."

It is Southgate's view that designating the Land Use and Zoning Center and Corridor is the best way to meet the intent of the Comp Plan policy cited by Mr. Meuler.

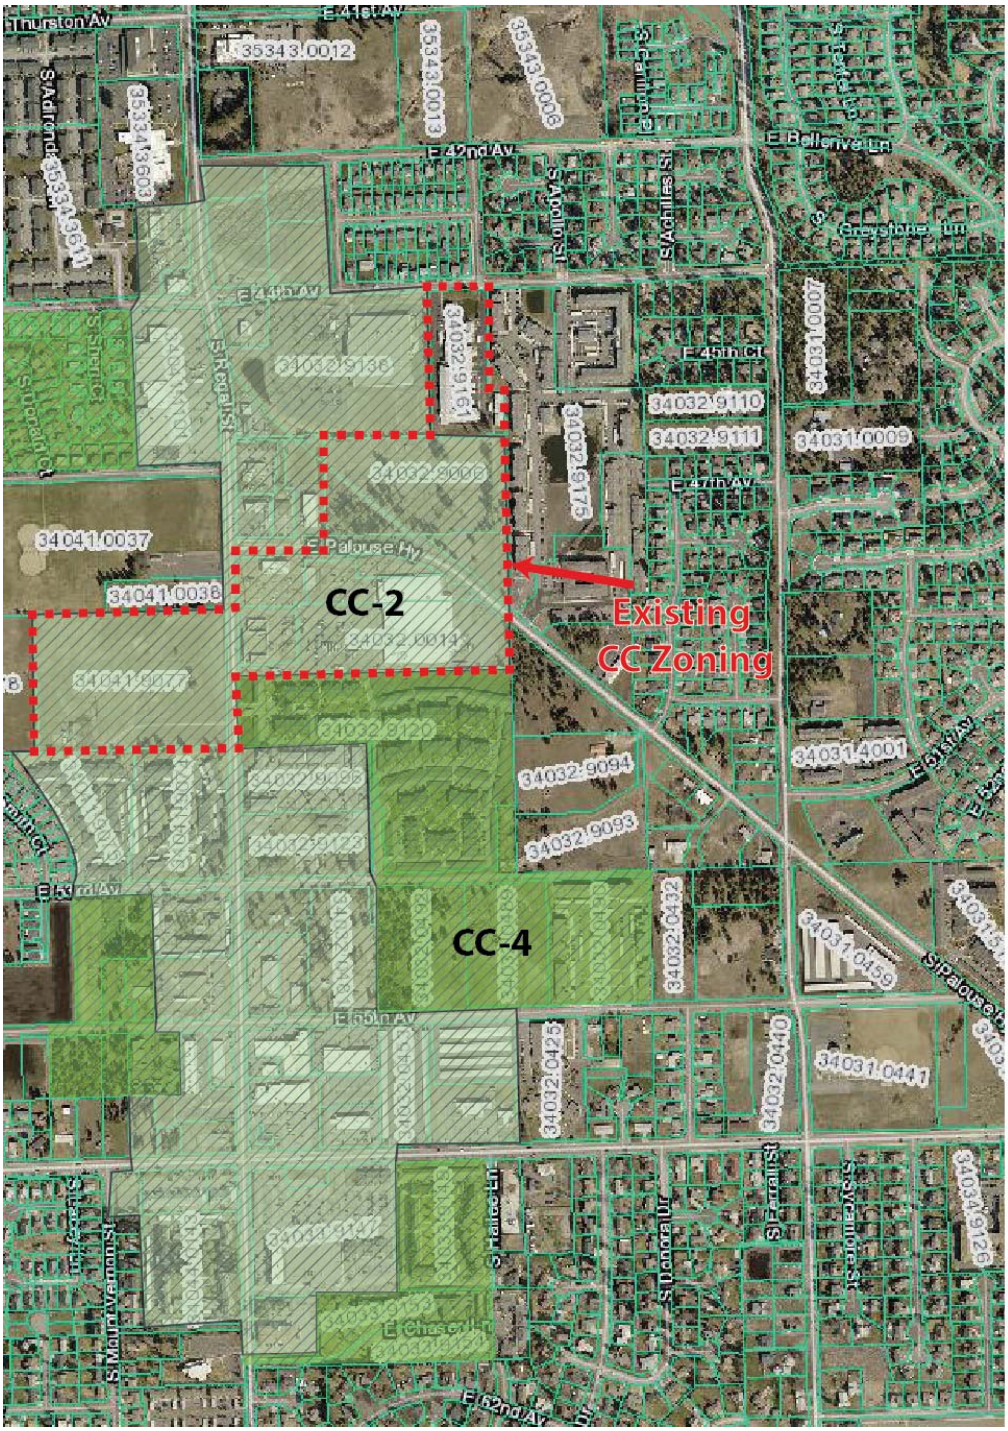
The Vision

In early September, the neighborhood met with city staff to discuss the annexation and proposed the following zoning for the parcels (see image below). The city can annex the Mixed Use properties and designate them as a combination of CC-2 and CC-4 to meet the intent of the County zoning and the reality of the projects in development. The CC-2 pedestrian enhanced/auto-accommodating zoning will encourage the development of pedestrian-oriented commercial projects in the 8-acres adjacent to Regal Street and the CC-4 zoning for the apartment parcels will accommodate those projects as well. This vision has been modified and incorporated into the City's "alternative" option.

The total area of these CC designated parcels (27 acres) are larger than the CC zones found at 29th and Grand Ave., the Perry District, and 14th and Grand Ave. This area has the potential to align with our Comprehensive Plan's vision for a high-density, mixed-use area. To zone it as purely commercial and residential is to violate LU 10.3 and fall short of the standards we have set for ourselves as a community.

A Bigger Vision

Beyond the current annexation question, Southgate would suggest the city expand its vision to look at the Southgate/Moran Prairie area as a whole. There are already three designated District Centers along Regal Street within 2 miles of each other: Lincoln Heights, Southgate, and 57th and Regal Street. The annexation of the properties at the southern edge of our neighborhood point to a need for broader planning for the future annexation of the land already in the Urban Growth Area which extends clear to 65th Ave. to the south and Glenrose Road to the east. In this immediate case, the city should look to see how these three Centers are connected or can be connected with a comprehensive and holistic plan that enacts the vision of our city as state in the Comprehensive Plan.



Two Alternatives

The city planning staff is proposing two alternatives to the land use and zoning of the proposed annexed area. One would create a Community Business zone along Regal Street, the other would reflect a version of the thoughts laid out by Southgate Neighborhood Council above which includes creating Center and Corridor zoning along Regal Street. The Southgate Neighborhood Council would recommend the Plan Commission and City Council adopt the "alternative" plan being proposed by the City. The Center and Corridor zoning is more in line with the intent of the County's Mixed Use zoning (as outlined above). It could even recommend revising the Land Use and Zoning to match the mixed CC-2/CC-4 zoning the neighborhood proposed back in September.

The Center and Corridor Land Use and Zoning is also better aligned with the city-adopted Southgate Neighborhood Connectivity Plan and would provide a better neighborhood commercial development for the large number of high-density residential developments nearby (over a dozen within a quarter mile). Pedestrian-oriented land use and zoning could help create the type of vibrant, walkable neighborhood that is the goal of the Spokane Comprehensive Plan and the stated goal of such lauded developments as Perry Street, Kendall Yards, and the East Sprague Redevelopment Project. In either case, the neighborhood urges the city to include ADA/Pedestrian access along 53rd and 55th clear to Regal Street. As the design stands right now, there is limited access along those streets for residents of the apartments along 55th to the transit corridor on Regal Street.

Creating desirable, livable neighborhoods is an intentional exercise, it cannot be achieved by maintaining or accepting the status quo. Pedestrian-oriented development at this location can be built up over time to connect with the growing Southgate District Center and the Comp Plan-designated Center at 57th and Regal Street. We thank you for your time and consideration and look forward to continued dialogue and input with the city as we work to implement our neighborhood plans.

Thank you,

Re: Cyrus Vaughn and Vaughn's 57th Avenue, LLC v. City of Spokane

ER 408 COMMUNICATION

Dear Mayor Condon, Ms. Isserlis, and Ms. Wright:

We represent Cyrus Vaughn and his company, Vaughn's 57th Avenue, LLC, with regard to the City's threatened regulatory taking of his company's commercial retail property located at Regal and 57th Avenue. The City of Spokane has recently announced plans to hold a hearing to change land use zoning designations relating to the proposed annexation of land parcels in Spokane County to the City of Spokane. This proposed annexation includes property of Spokane Housing Ventures and property owned by Vaughn's 57th Avenue, LLC, bounded by the Palouse Highway and Regal Street to the east and west, and 53rd Avenue and 55th Avenue to the north and south.

As you are aware, Mr. Vaughn's company owns 8 acres of commercial property within the proposed annexation area. His company's land currently has a Spokane County land use designation of Mixed Use. This of course allows Mr. Vaughn and his company to develop their property free of significant restrictions, including free of restrictions on where drive-through facilities can be located. This zoning designation and capability is critical to attracting tenants that require easy access and high-visibility from the street. Such capabilities and facilities are necessary to attract highly-desirable and profitable tenants such as fast-food restaurants and cafes, as well as other high-rent, major retailers eager to capitalize on the foot and vehicle traffic generated by such establishments.

The current land use and zoning designation allowing Mr. Vaughn and Vaughn's 57th Avenue, LLC to develop such drive-through facilities was thus critical and foremost to Mr. Vaughn and his company's original decision to acquire this property. In direct reliance on this capability, Vaughn's 57th Avenue, LLC proceeded to purchase the property located at 5311 South Regal Street on October 29, 2013 for $685,000. Shortly thereafter on November 1, 2013, Mr. Vaughn's company also purchased parcel numbers 34032.0412, 34032.0446, 34032.0447, and 34032.0481 located along 57th Avenue for the amount of $2,8253,000. The total purchase price for the aggregated parcels of property came to $3,510,000. Mr. Vaughn and his company thereafter proceeded to invest an additional $2,125,559.88 in developing this property for its intended retail use, again in direct reliance on the ability to develop the property in a manner consistent with the needs of the intended retail tenants requiring property that could accommodate drive-through facilities between the street and buildings.

Upon learning in April of this year that the City of Spokane was contemplating annexation including the property owned by Mr. Vaughn's company, Mr. Vaughn immediately had his land use attorney contact the City of Spokane to inquire into whether and how any potential future annexation of the property might affect the property's land use and zoning designation with respect to its intended retail uses. He was assured by City officials that if annexation were to be approved, his company's property would be zoned for General Commercial or Community Business use, both of which he was advised would afford similar capabilities. He was also told neither designation would impact or restrict his ability to locate and develop any planned drive-through facilities.

Mr. Vaughn has invested nearly $6,000,000 in acquiring and developing this property in reliance on the uses permitted under the property's current County zoning, including the ability to locate drive-throughs between the buildings and street. Mr. Vaughn and his company have further relied upon the City's representations and

promises that any zoning change caused by a future annexation would have no significant effect on their development plans with respect to this capability. Now, the City of Spokane has recently advised Mr. Vaughn that the proposed Spokane Housing Ventures annexation may in fact result in a Centers and Corridors Type 2 ("CC-2") City zoning designation change. This is directly contrary to how he was told the property's current County designation of Mixed Use would be addressed. Unlike the current designation or the General Commercial or Community Business designations which the City had assured Mr. Vaughn would result from any annexation involving his company's property, a CC-2 designation drastically alters development plans prohibiting the location of drive-throughs between buildings and the street.

This newly-proposed restriction is entirely unacceptable to our clients and to the prospective tenants they seek to attract, as it deprives them of the uses for which they originally purchased and invested in developing this property. Indeed, already, the mere threat that this designation may be applied to the land owned by Vaughn's 57th Avenue, LLC has resulted in the loss of two prospective tenants unwilling to run the risk of even considering leasing property that may be subject to drive-through restrictions as proposed by a CC-2 designation. Mr. Vaughn has been further advised that absent the ability to attract such tenants and establishments, other highly desirable and lucrative tenants will likewise look to lease elsewhere. It is expected the direct result of a land use change to a CC-2 zoning designation will be to diminish the value of Mr. Vaughn and his company's investment and improvements by approximately 50%.

Should the City of Spokane use this alternative proposed zoning designation of CC-2 or otherwise zone or regulate Vaughn's 57th Avenue, LLC's land so as to restrict uses, and especially the location of drive-through facilities, this constitutes an unconstitutional taking of Mr. Vaughn and his company's property. This threatened regulatory taking is not only ill-advised, but there is also simply no need for this restrictive designation with regard to the proposed annexation area. There is no factual or legal justification for depriving Mr. Vaughn and his company of the property they purchased and the value of the investments they have made in direct reliance on the current use permitted, which the City subsequently assured them would not be affected or hindered by any proposed annexation.

Accordingly, enclosed you will find a Claim for Damages identifying Mr. Vaughn and Vaughn's 57th Avenue, LLC's demand for just compensation in the amount of not less than $3,500,000 for the taking and damaging of their property implicated by the City's threatened annexation and alternative zoning designations. This claim obviously becomes moot and will be withdrawn if the City simply confirms in writing that

Vaughn's 57th Avenue, LLC's property will remain zoned consistent with its present designation, and the City's prior representations that in the event of annexation, development will still be allowed in accordance with the same uses and capabilities permitted under the current Mixed Use County designation. If Mr. Vaughn does not receive these assurances by 12:00 p.m. on Monday, December74, 2015, he will be forced to proceed accordingly.

An Ordinance relating to zoning for the area within the pending Spokane Housing Ventures Annexation and authorizing amendments to the City of Spokane Official Zoning Map. (Testimony will be taken on February 8, 2016/Action March 14, 2016.)

Summary (Background)

The City's Comprehensive Plan includes areas the City reasonably expects to annex into the City in the future, including the Spokane Housing Ventures Annexation area. On December 9, 2015, the Spokane Plan Commission held a public hearing on the proposed annexation and voted to recommend that the City Council approve the annexation and assign appropriate Zoning Map designations to the area, provided that parcels 34031.0459 and 34031.5201 east of Freya Street be removed from the annexation area.

ORDINANCE NO. C35360

AN ORDINANCE relating to zoning for the area within the pending Spokane Housing Ventures Annexation and authorizing amendments to the City of Spokane Official Zoning Map.

WHEREAS, a portion of the Urban Growth Area located on the southern boundary of the City of Spokane's corporate limits known as the Spokane Housing Ventures Annexation Area is proposed to be annexed into the City of Spokane; and

WHEREAS, State law authorizes local jurisdictions to prepare a proposed Comprehensive Plan Land Use Plan to become effective upon the annexation of any area which might reasonably be expected to be annexed; and

WHEREAS, the City of Spokane Comprehensive Plan policy - LU 10.3 Existing Plans states, "*Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed,"* and

WHEREAS, the proposed amendment to the City of Spokane Official Zoning Map converts the existing Spokane County zoning designations for the Spokane Housing Ventures Annexation Area to the closest corresponding City of Spokane zoning designations; and

WHEREAS, the Washington State Department of Commerce and appropriate state agencies were given the required 60-day notice before adoption of proposed changes to the zoning map on October 30, 2015; and

WHEREAS, the City of Spokane Plan Commission held workshops on the proposed Zoning map amendments on October 14, October 28, and November 11, 2015; and

WHEREAS, A State Environmental Policy Act (SEPA) Environmental Checklist was completed and a Determination of Non-significance issued for the proposal on October 19, 2015. The determination was circulated to agencies with jurisdiction and parties of interest. Notice of the determination was published in the Spokesman Review on October 19, 2015; and

WHEREAS, Notice of the proposal and of the Plan Commission's December 9, 2015 hearing was published in the Spokesman Review on November 25 and December 2, 2015. Adjacent jurisdictions and other interested agencies and parties were also sent email and mailed notifications of the hearing; and

WHEREAS, after consideration of the issues and public testimony that is a part of the record and summarized in the Plan Commission Findings of Fact, Conclusions,

and Recommendations adopted on December 9, 2015, the Plan Commission has forwarded its recommended amendments to the Comprehensive Plan and zoning map; and

WHEREAS, notices of the City Council's hearings have been posted in the Spokesman Review and the City's official Gazette; -- Now, Therefore,

The City of Spokane does ordain:

Section 1. That the Official Zoning Map is amended to include the zoning designations for the area within the pending Spokane Housing Ventures Annexation Area as shown on the attached map, and that the Director of Planning Services shall update the Official Zoning Map consistent with this amendment.

Spokane City Plan Commission
Findings of Fact, Conclusions, and Recommendations
Spokane Housing Ventures Annexation

A recommendation of the City Plan Commission relating to the proposed Spokane Housing Ventures Annexation and related zoning map and Comprehensive Plan land use map designations for proposed annexation area.

Findings of Fact:

A. The City of Spokane, pursuant to chapter 35.13 RCW, is authorized to annex land within an urban growth area and contiguous to the City's municipal boundary.

B. The owners of certain property situated within the Spokane Housing Ventures Annexation Area filed a proper and sufficient Notice of Intent to commence annexation proceedings with the City.

C. Following its receipt of said notice, the City Council held a public meeting with the owners and determined by Resolution 2015-0031 that the City would geographically modify the proposed annexation area to include the property lying between Regal Street on the west, Palouse Hwy on the east, 53rd Avenue on the North, and 55th Avenue on the South, as shown in the Spokane House Ventures Annexation Parcel Map attached hereto as Exhibit "A".

D. Thereafter, a sufficient petition for annexation was filed with the City pursuant to RCW 35.13.130, signed by the owners of not less than 60 percent in value, according to the assessed valuation for general taxation, of the property for which annexation is petitioned, seeking annexation to the city of Spokane of an approximately 42-acrea area within an urban growth area and contiguous to the City's southern municipal boundary, otherwise referred to as the Spokane Housing Ventures Annexation Area (the "Petition").

E. On December 9, 2015, the Plan Commission held a hearing to obtain public comments on the annexation and the proposed land use and zoning designations for the Spokane Housing Ventures Annexation Area.

F. The City of Spokane Comprehensive Plan policy LU 9, Annexation Areas, encourages the annexation of areas that are logical extensions of the City, and further encourages the use of readily identifiable boundaries, such as highways, to define annexation areas where possible. The Spokane Housing Ventures Annexation Area, as modified by City Council resolution 2015-0031, is a logical extension of the City's corporate boundaries and uses streets to make the new boundaries readily identifiable. Based on testimony by Fire District 8 and the owners of property on the east end of the modified annexation area (i.e., parcel no. 34031.0459), the western edge of Freya Street also provides a readily identifiable and logical corporate boundary.

G. The City of Spokane Comprehensive Plan policy - LU 10.3, Existing Plans states, "*Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.*"

H. Consistent with LU 10.3, and in the context of annexation of new areas to the City, proposed amendments to the City's Comprehensive Plan Land Use Map and Zoning Map should convert the existing Spokane County Comprehensive Plan Land Use designations and zoning for the Spokane Housing Ventures Annexation area to the closest corresponding City of Spokane land use and zoning designations.

I. The existing Spokane County Comprehensive Plan Land Use Map and Zoning Map designations are illustrated on Exhibit "B". The City of Spokane Comprehensive Plan Land Use Map and Zoning Map designations reflected in Exhibit "C" are consistent with the City of Spokane Comprehensive Plan and particularly LU 10.3 relating to recognition of existing plans, and most closely match the land use and zoning designations currently in effect for the Spokane Housing Ventures Annexation Area in Spokane County.

J. A State Environmental Policy Act (SEPA) Environmental Checklist was completed and a Determination of Non-significance issued for the proposal on October 19, 2015. The determination was circulated to agencies with jurisdiction and parties of interest. Notice of the determination was published in the Spokesman Review on October 19, 2015.

K. Notice of the proposal and of the Plan Commission's December 9, 2015 hearing was published in the Spokesman Review on November 25, 2015 and December 2, 2015. Adjacent jurisdictions and other interested agencies and parties were also sent email notifications of the hearing.

L. Spokane Municipal Code (SMC) Section 17G.020.010 "Comprehensive Plan and Development Standard Amendment Process" identifies terms and conditions for Comprehensive Plan amendments and Comprehensive Plan emergency amendments, and specifically recognizes that annexations will require amendment of the Comprehensive Plan land use map outside of the annual comprehensive plan amendment cycle.

Conclusions:

A. The Plan Commission has reviewed all public comments and testimony received during the public hearing.

B. Based on testimony from Fire District 8 and the owner of parcel no. 34031.0459, and based on the review of maps of the proposed annexation area, the western edge of Freya Street would provide a readily identifiable and logical corporate boundary.

C. The City of Spokane Comprehensive Plan Land Use and Zoning designations set forth in Exhibit "C" are consistent with the goals and policies of the City of Spokane Comprehensive Plan, and particularly LU 10.3 relating to recognition of existing plans, and most closely match the land use and zoning designations currently in effect for the Spokane Housing Ventures Annexation Area in Spokane County

D. All State and local public notice and participation requirements have been satisfied.

Recommendations:

By a vote of 5 to 1, and subject to the proviso set forth below, the Spokane City Plan Commission recommends that the City Council approve the Spokane Housing Ventures Annexation, as previously modified by the City Council, and that the City Council adopt the land use and zoning designations for the annexation area as are set forth in Exhibit "C" hereto, provided that parcels 34031.0459 and 34031.5201 be removed from the annexation area, and that the western edge of the Freya Street right-of-way form the eastern end of the annexation area.

By a similar vote, the Plan Commission also recommends that if the City Council is inclined to consider imposing center and corridor zoning on those western areas of the annexation area designated for community business zoning in Exhibit "C", then the City Council instead zone such property Community Business, subject to a development agreement between the City and the owner of such property imposing agreed upon design standards that shall apply to and govern development of the property.

Re: Spokane Housing Ventures
Parcel Numbers 34032.0409, 34032.0492, and 34032.0489

Dear Mr. President and Plan Commission Members:

This letter is intended to provide background and information concerning the above annexation.

A. BACKGROUND.

1. Summer 2011, SHV and partnerships make request to be annexed to the City.
2. November 2011, matter deferred by City Council to allow City administration to evaluate boundaries for the annexation.
3. May 29, 2012, Mayor Condon recognizes partnerships affordable housing projects, but "rejects annexation at this time."
4. February 12, 2015, letter to Council President Ben Stuckart requesting annexation and providing background concerning installation of City water, sanitary sewer, and public street development to include execution of Connection/Annexation Agreements and payment of connection fees to the City.
5. April 20, 2015, Resolution No. 2015-0031. This City Council Resolution geographically modified the annexation proposal to include a statement that the City of Spokane will pursue this annexation in accordance with the direct petition method described in RCW 35.13.
6. August 26, 2015, letter to Interim Planning Director requesting that this annexation be placed before the City Plan Commission for consideration.

At the October 14, 2015, Plan Commission Meeting, City staff presented information suggesting that this annexation would not result in positive cash flow to the City general, EMS and utility funds. This was due in large part to the difference between the "in city" utility fees versus the

"out of city" utility fees. Notably, this exact same information was presented to the City Council.

Once again, the City presentation failed to take into consideration the significant capital investment by the proponent, which amounts to approximately $1,027,281.00. See Attachment A. This constructed public infrastructure, city utilities and streets, was required by the City, in order benefit, support, and expand planned growth of the urban area. There is no doubt this infrastructure allows the City to collect additional connection fees, service charges, and other costs in the operation of its public utilities. Not to mention, additional sales and property tax will be generated from these properties following the annexation.

B. THE CITY COMPREHENSIVE PLAN.

Goal LU 9 entitled "Annexation Areas" states that the City supports annexations that support logical boundaries and reasonable service areas within the City's urban grow area, where the city has the fiscal capacity to provide services. LU 9.6 qualifies the "negative fiscal impact on the city" with regard to utilities and states

> Property owners in annexing areas should fund the public utility improvements necessary to serve new development in a manner that is consistent with applicable City of Spokane policies and regulations.

It is without question that this annexation has satisfied the goals and policies of annexation set forth in the City Comprehensive Plan. See Attachment B.

The Spokane Housing Ventures annexation also fulfills policies in the housing chapter of the Comprehensive Plan that recognizes "few new housing units are developed that are affordable to lower income households." H-19. Special needs populations to include the physically disabled are in great need of affordable and subsidized housing located throughout the community. H 2.6, SH 4.2, and SH 4.2. Along with the affordable housing studies cited in the February 12, 2015 letter to Ben Stuckart, this annexation supports the Comprehensive Plan's affordable housing goals.

Finally, this annexation supports the City's affordable housing studies conducted pursuant to HUD regulations, and compliance with five goals set forth in the November 2014 "talking points on needs" for the "Spokane Consolidated Plan 2015-2020."

C. CONCLUSION.

It is requested on behalf of Spokane Housing Ventures that the Plan Commission forward to the City Council a recommendation to approve the Spokane Housing Ventures annexation.

Very truly yours,

WITHERSPOON • KELLEY

Develop a broad, community-based process that periodically reevaluates and directs city policies and regulations consistent with the Visions and Values.

LU 7.3 Historic Reuse

Allow compatible residential or commercial use of historic properties when necessary to promote preservation of these resources.

Discussion: Preservation of historic properties is encouraged by allowing a practical economic use, such as the conversion of a historic single-family residence to a higher density residential or commercial use. A public review process should be required for conversions to a use not allowed in the underlying zoning district. Special attention should be given to assuring that the converted use is compatible with surrounding properties and the zone in which the property is located. Recommendations from the Historic Landmarks Commission and the Historic Preservation Officer should be received by any decision-maker before a decision is made regarding the appropriateness of a conversion of a historic property.

LU 7.4 Sub-Area Planning Framework

Use the Comprehensive Plan for overall guidance and undertake more detailed sub-area and neighborhood planning in order to provide a forum for confronting and reconciling issues and empowering neighborhoods to solve problems collectively.

LU 8 URBAN GROWTH AREA

Goal: Provide an urban growth area that is large enough to accommodate the expected population growth for the next 20 years in a way that meets the requirements of the CWPPs.

Policies

LU 8.1 Population Accommodation

Accommodate the majority of the county's population and employment in urban growth areas in ways that ensure a balance between livability, preservation of environmental quality, open space retention, varied and affordable housing, high quality cost-efficient urban services, and an orderly transition from county to city jurisdiction.

LU 8.2 Urban Growth Area Planning

Plan with Spokane County for the unincorporated portions of the urban growth area.

Discussion: Planning for the urban growth area should include the adoption of consistent land use designations, policies, and development standards, as well as the identification and preservation of natural environmental features.

LU 8.3 Growth Boundary Establishment

Establish an urban growth area boundary, consistent with the CWPPs, that provides enough land to accommodate the urban growth area's projected growth for the next 20 years.

LU 8.4 Urban Land Supply

Regularly monitor the relationship between land supply and demand to ensure that the goals of the comprehensive plan are met.

Discussion: To assure that land supply is adequate, the land supply should be regularly monitored. Particularly important at the onset of the identification of an urban growth boundary, regular monitoring can allow the city and Spokane County to make adjustments as necessary.

LU 8.5 Growth Boundary Review

Review the urban growth area boundary at least once every five years relative to the current Office of Financial Management's twenty-year population forecast and make adjustments, as warranted, to accommodate the projected growth.

❑ LU 9 ANNEXATION AREAS

Goal: Support annexations that create logical boundaries and reasonable service areas within the city's urban growth area, where the city has the fiscal capacity to provide services.

Policies

LU 9.1 Logical Boundaries

Encourage the annexation of areas that are logical extensions of the city.

Discussion: As much as possible, the city should avoid annexations that create "peninsulas" of unincorporated land within the city limits. The following policies shall apply to the size of an annexation and the location of boundaries:

A. The City Council will decide whether to require increases in the size of proposed annexations on a case-by-case basis.

B. City staff may recommend expansion of a proposed annexation prior to the first meeting with property owners required under RCW 35A.14.120. The City Council will consider whether a requirement that the initiator expand the proposed annexation up to the maximum allowed under state law would meet any of the following criteria:
   1. The expanded annexation would create logical boundaries and service areas.
   2. Without the proposed annexation, the area to be added would not likely be annexed within the foreseeable future.
   3. The area to be added would eliminate or reduce an unincorporated county peninsula.

C. If the City Council concludes that any of the criteria applies to a specific annexation proposal, it will require the initiator to expand the boundaries of the proposed annexation to the extent allowed by law and deemed appropriate by the City Council.

D. Service delivery should be a criteria in the formation of boundaries. Annexations should attempt to maximize efficiencies of urban services.

LU 9.2 Peninsula Annexation

Encourage and assist property owners in existing unincorporated "peninsulas" in the city's urban growth area to annex to the city.

Discussion: Unincorporated "peninsulas" are land areas of any size that are located outside of the city limits that have at least eighty percent of their boundaries contiguous to the city. RCW 35.13.182, allows the cities to resolve to annex such areas (in existence before June 30, 1994) subject to referendum for forty-five days after passage following the adoption of the annexation ordinance.

LU 9.3 City Utilities

Require property owners requesting city utilities to annex or sign a binding agreement to annex when requested to do so by the city.

LU 9.4 Readily-Identifiable Boundaries

Use readily identifiable boundaries, such as lakes, rivers, streams, railroads, and highways, to define annexation areas wherever possible.

Discussion: Permanent physical features provide city limit boundaries that are easy to identify and understand. Streets or roads may be used where appropriate. However, streets and roads are generally less suitable boundaries because of utility access issues.

LU 9.5 Community Impacts

Evaluate all annexations on the basis of their short and long-term community impacts and benefits.

Discussion: If the annexation includes proposed development, consideration of the proposal should include an analysis of the short and long-term impacts on the neighborhood and city in terms of all services required, including water, sewer, urban runoff, roads, schools, open space, police and fire protection, garbage collection, and other services.

LU 9.6 Funding Capital Facilities in Annexed Areas

Ensure that annexations do not result in a negative fiscal impact on the city.

Discussion: In general, property owners in annexing areas should fund the public facility improvements necessary to serve new development in a manner that is consistent with applicable City of Spokane policies and regulations. If an area annexing to Spokane requires public facility improvements to correct health and safety related problems, the property owners within the annexed area should fund these improvements. If an area annexing to Spokane has public facilities that do not meet City of Spokane standards and the property owners or residents want to improve the facilities to meet city standards, the property owners should fund those improvements, or the proportion of those improvements, that do not have a citywide benefit. Public facility improvements within annexed areas that have a citywide benefit should be considered for funding through city revenues as part of the Spokane capital facilities and improvements planning processes.

LU 9.7 City Construction Standards

Require utilities, roads, and services in the city's urban growth area to be built to city standards.

Discussion: Interlocal agreements are a mechanism that should be used to apply these standards to the urban growth area. Requiring these facilities to be built to city standards will assure that they meet city standards at the time of annexation of these areas to the city.

LU 9.8 City Bonded Indebtedness

Require property owners within an annexing area to assume a share of the city's bonded indebtedness.

Discussion: When property is annexed to the city, it becomes subject to all city laws. It is also assessed and taxed in the same way as the property already in the city. As a result, annexed areas are required to help pay for the outstanding indebtedness of the city approved by voters prior to the effective date of the annexation.

LU 10 JOINT PLANNING

Goal: Support joint growth management planning and annexation requests, which best meet the Comprehensive Plan's development goals and policies.

Policies

LU 10.1 Land Use Plans

Prepare land use plans in cooperation with Spokane County for the urban growth area to ensure that planned land uses are compatible with adopted city policies and development standards at the time of annexation.

LU 10.2 Special Purpose Districts

Confer with affected special purpose districts and other jurisdictions to assess the impact of annexation prior to any annexation.

Discussion: Where possible, boundaries should be mutually resolved by the jurisdictions involved before any final action is taken on a formal annexation petition.

LU 10.3 Existing Plans

Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.

LU 10.4 Permitted Uses

Discourage annexations when the sole purpose is to obtain approval of uses not allowed by county regulations unless the proposal is consistent with an adopted joint plan and with city standards and policies.

LU 10.5 UGA Expansion

Establish a forty-year planning horizon to address eventual expansion of UGAs beyond the twenty-year boundary required by the Growth Management Act.

Discussion: The purpose of the longer planning period is to ensure the ability to expand urban governmental services and avoid land use barriers to future expansion of the twenty-year UGA boundary. Within the urban reserve areas, densities and land use patterns should be established that do not preclude later subdivision to urban densities.

To identify urban reserve areas, it is necessary for the city and Spokane County to work together to identify the amount of land necessary to support the next 40 years of growth. Factors that need to be considered include the ability to provide public services and facilities and carrying capacity issues, such as water quantity and air quality.

RE: Annexation Proposal

We are the owners of About Space Storage located at 3715 E 55th Ave, in Spokane County. This 3 acre parcel is located at the east end of the proposed annexation into the city. It is a triangular property surrounded by the Palouse Hwy., 55th Ave., and Freya. It is zoned Community Commercial. We have owned the property since 2002.

While we receive city water and sewer services, all other services i.e., fire protection, roads, snow removal; Sheriff, etc. are provided by Spokane County. Over the past couple of weeks, we have been in contact with many city and county departments trying to determine the impact the proposed annexation would have on our business. No one has been able to give us a definitive answer other than we would be required to obtain a city business license, that the tax levy rate probably would be about the same and that some of the city water fees would be reduced but other fees would be added to make that a draw. We have not been able to form a conclusion on the immediate financial impact based on the information we have received.

The one long term issue that we have researched and have formed an opinion on is zoning. If the annexation is approved we definitely want the property to be zoned General Commercial. This is a small family business which supports 4 families, in addition to ours, and it has been our hope for it to support us throughout our lives. A change to a more restricted zoning, such as center and corridors, would have a negative financial impact on our long term goals.

Thank you for considering our concerns.

Re: Proposed City of Spokane Comprehensive Plan Land Use and Zoning Amendments for the Spokane Housing Ventures Annexation
Public Comments of The Moody Bible Institute of Chicago

Dear Ms. Wright:

On behalf of The Moody Bible Institute of Chicago ("Moody"), I submit this public comment in response to the Notice of SEPA Determination and Proposed City of Spokane Comprehensive Plan Land Use and Zoning Amendments for the Spokane Housing Ventures Annexation.

Moody is a non-profit Christian organization which operates a ministry in several states. This ministry includes religious higher education, operation of Christian radio stations, and operation of a Christian publisher. As part of its ministry, Moody owns and operates a radio tower and station located at 5408 S. Freya Street just outside the City's boundaries on the South Hill. Moody owns approximately 9 acres of land at this address consisting of parcel numbers 34032.0405; 34032.0432; and 34032.0433. Moody has operated this station for more than forty (40) years.[1]

Under the Spokane County Zoning Code, Moody's property is zoned Low Density Residential ("LDR"). In the proposed annexation, the City has stated it plans to zone the property as Residential Single Family ("RSF"). This change of zoning will restrict the range of uses for which this property can be used more than the current zoning under the Spokane County Zoning Code, and eliminate some entities who may otherwise have been interested in purchasing the land.

The specific uses that are allowed under the current County LDR zoning that will no longer be allowed under the City's RSF zoning are as follows:

[1] Moody also operates two (2) branches of its post-secondary higher education program in Spokane, WA where students can earn a four (4) years bachelor's degree in multiple disciplines.

- Community residential facilities;
- Crisis residential center;
- Row housing;
- Family day-care provider;
- Child day-care center;
- Garden sales;
- Golf course;
- Home industry;
- Home profession; and
- Transit facilities.

As a non-profit religious organization, Moody relies heavily on donations and maintaining the value of its assets in order to fund its ministry. The proposed RSF zoning the City plans to impose through the annexation will negatively impact the value of Moody's property, and have a corresponding detrimental impact on Moody's ministry.

It is important to also note that the Spokane Transit Authority ("STA") recently contacted Moody to indicate that it is exploring potential acquisition of the Moody property as a terminal for "park and ride" bus service. While Moody understands that STA is only in the preliminary planning phases for this project and no offer has been made to Moody regarding the acquisition of its property, we wish to make you aware that STA would be prevented from proceeding with this project under the proposed RSF zoning classification.

Upon review the City's proposed annexation as a whole, it is readily apparent that the ministry's parcels are the only property in the annexation area that will be zoned RSF. The other properties along 55th Avenue between Regal Street and Freya Street (as well as the parcel at the east corner of 55th Avenue and Freya Street) are zoned primarily Community Business ("CB") and the parcel immediately adjacent to Moody's land is zoned Residential Multi-Family ("RMF"). In other words, its RSF property will be sandwiched between RMF and CB on one side, and CB on the other side. It will be an island of RSF zoning stuck in a sea of CB and RMF properties. Moody submits that as part of the annexation, all three Moody parcels should receive similar zoning (i.e. either RMF or CB) consistent with the other properties impacted by

the annexation. Alternatively, Moody requests that the City exclude the Moody parcels from the annexation so that it can keep the current County zoning classification.

The current zoning of LDR will be restricted by a change to RSF. However, the next higher land use zone, RMF, will allow Moody all the uses it is currently allowed under the LDR zoning. For example, duplexes, community residential facilities, outdoor recreation (i.e. golf courses), and limited office (currently allowed under the current LDR zone) would all be allowed under the RMF zone, but not allowed under the RSF zone. Per Moody's real estate broker, zoning the land RMF upon annexation will maintain the current value of Moody's property.

This is consistent with the County's current comprehensive plan. The County's plan provides for Low Density Residential uses of the Moody property – its current zoning. Zoning the property as RMF will enable Moody to benefit from all the uses allowed under the County's comprehensive plan, whereas the proposed RSF designation will not.

Similarly, zoning the property as RMF is consistent with the City's Comprehensive Plan ("Comp Plan") policies. There are no provisions in the Comp Plan which prevent the City from zoning Moody's property as either RMF or CB. Indeed, DP 1.4 of the Comp Plan states the "development needs to take into account the context of the area and should result in an improvement to the surrounding neighborhood." This policy supports comparable uses of property within the annexed zone. Having an RSF zone between lands zoned as CB on both sides of the Moody parcels is out of context with the CB zones.

Finally, this is consistent with the Revised Code of Washington. Pursuant to RCW 35.14.177, Spokane City can develop a comprehensive land use plan for areas outside the City limits, but inside its Urban Growth Area, to be effective upon annexation. In this case, it does not appear the City has gone through this procedure for the Moody property. Enclosed as **Attachment A** is that portion of the City's Land Use Plan map which depicts the proposed annexation area (i.e. 55th Avenue between Regal Street and Freya Street). As can be seen, while the most western section of the annexed area has a pre-planned zoning designation, the remainder of the property inside the annexed area does not. There is no barrier to the City zoning the Moody property as either RMF or CB.

For the foregoing reasons, Moody Bible Institute respectfully requests the City of Spokane Planning Commission and City Council to allow for RMF or CB zoning for its land within the proposed area to be annexed into the City limits. Such zoning will enable Moody to maintain the value of an important asset, and will enable it to make all the uses currently available to it under the County's current zoning. Alternatively, Moody requests the City to exclude the Moody parcels from the annexation.

Very truly yours,

KELLY E. KONKRIGHT

RE: Comprehensive Plan Land Use Map and Zoning Map Changes

Jo Ann, thank you for chatting with me briefly on the phone this morning regarding the hearing status of the above referenced application.

Spokane County Engineering has no specific comments regarding the Planning Commission consideration of Comprehensive Plan and Zoning Map changes should the proposed area be annexed into the City of Spokane.

Spokane County Engineering would like to comment for the record that should the City of Spokane proceed with the annexation application, that the adjacent streets and roads surrounding the proposed area also be included as part of the final annexation. Specifically, the adjacent streets and roads surrounding the proposal are the Palouse Highway, 55th Avenue and Regal Street.

It is my understanding that there will be additional opportunity to comment on the annexation application as the process continues.

Comments from the Southgate Neighborhood Council

The Area

Land Use

One area of concern we have is the differentiation of the Land Use and Zoning designations in the alternative plan. The large CC parcels already in Southgate are designated CC-Core for Land Use and CC2-DC for zoning. We are wondering why the city-proposed alternative splits the Land Use and Zoning designations into General Commercial and CC2-DC. We would like to see them match the other CC zones in our neighborhood to maintain uniformity in their development. During discussions that led to the creation of the Southgate District Center back in 2005/06, it was explained to the Southgate Neighborhood Council that that city would not be creating any more General Commercial areas in Spokane and that dense, commercial development would happen only within the Center and Corridor designation. Why has the policy changed? When did it change?

Zoning

In an email on May 18, 2015, Acting Planning Director Louis Meuler stated that the department's intention was to use Spokane Comprehensive Plan policy LU 10.3 as guidance when considering the zoning designation for these properties.

> ***LU 10.3 – Existing Plans***
> *Recognize the interests of the residents of the annexing area and, in the absence of specific policies and standards adopted by the city, honor the intent of adopted county plans and ordinances for areas proposed to be annexed.*

Southgate finds it appropriate to follow this policy as the city considers how to integrate these properties into the Southgate neighborhood. The mix of developing mixed use, established community commercial, and open low-density designated parcels provides a good blend of new land to our neighborhood. Given that the majority of the proposed annexed area is currently in the County's Mixed Use zoning, Southgate believes that the city should seek to maintain that designation as this land becomes part of our neighborhood.

According to County Zoning Code Chapter 14.608.100, the intent of Mixed Use zoning is to, "implement the Mixed-use Area, Community Center and Urban Activity Center categories of the Comprehensive Plan. These mixed-use categories encourage development that fosters pedestrian activity, supports transit, and provides for a mix of diverse land uses. **The Mixed-use zone supports many activities of daily life that can occur within easy walking distance, giving independence to those who do not drive.** Mixed-use areas support higher intensity

development, but compatibility of uses is ensured through special design standards. Mixed-use areas often provide a central focus point with transportation linkages to the broader community."

When you compare this intent with the various zoning classifications in the Spokane Municipal Code (SMC) you see that it aligns most directly with our Center and Corridor Zoning as outlined in SMC 17C.122.010, "The intent of center and corridor regulations is to implement the goals and policies of the comprehensive plan for centers and corridors. These areas are **intended to bring employment, shopping, and residential activities into shared locations** and encourage, through new development and rehabilitation, new areas for economic activity. New development and redevelopment is encouraged in these areas that promotes a relatively cohesive development pattern with a mix of uses, higher density housing, buildings oriented to the street, screened parking areas behind buildings, **alternative modes of transportation with a safe pedestrian environment**, quality design, smaller blocks and relatively narrow streets with on-street parking."

It is Southgate's view that designating the Land Use and Zoning Center and Corridor is the best way to meet the intent of the Comp Plan policy cited by Mr. Meuler.

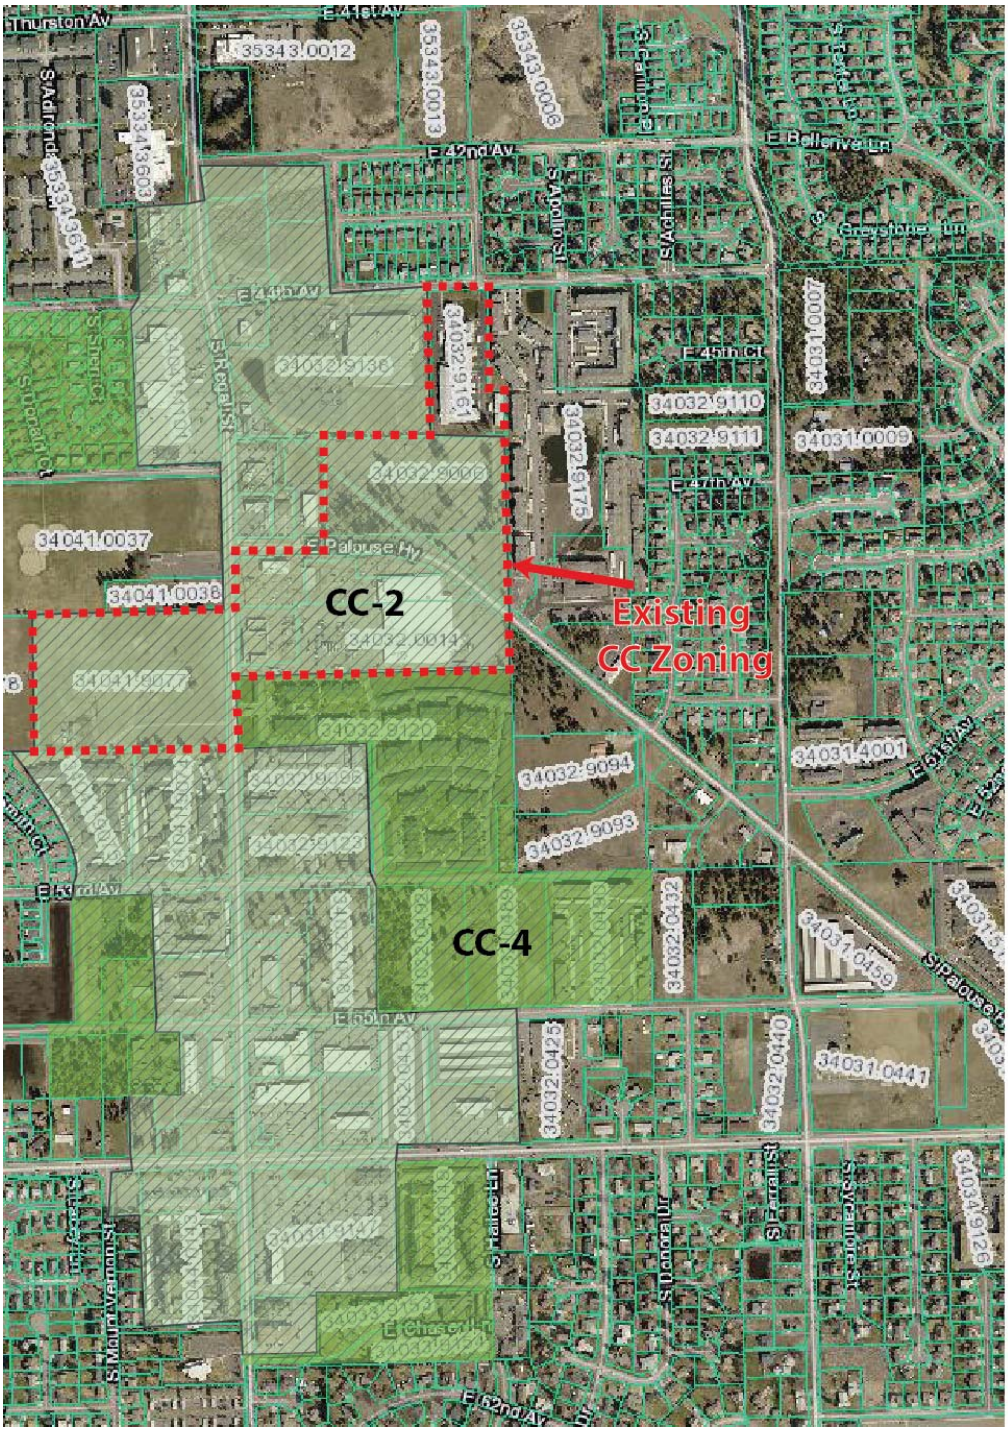
The Vision

In early September, the neighborhood met with city staff to discuss the annexation and proposed the following zoning for the parcels (see image below). The city can annex the Mixed Use properties and designate them as a combination of CC-2 and CC-4 to meet the intent of the County zoning and the reality of the projects in development. The CC-2 pedestrian enhanced/auto-accommodating zoning will encourage the development of pedestrian-oriented commercial projects in the 8-acres adjacent to Regal Street and the CC-4 zoning for the apartment parcels will accommodate those projects as well. This vision has been modified and incorporated into the City's "alternative" option.

The total area of these CC designated parcels (27 acres) are larger than the CC zones found at 29th and Grand Ave., the Perry District, and 14th and Grand Ave. This area has the potential to align with our Comprehensive Plan's vision for a high-density, mixed-use area. To zone it as purely commercial and residential is to violate LU 10.3 and fall short of the standards we have set for ourselves as a community.

A Bigger Vision

Beyond the current annexation question, Southgate would suggest the city expand its vision to look at the Southgate/Moran Prairie area as a whole. There are already three designated District Centers along Regal Street within 2 miles of each other: Lincoln Heights, Southgate, and 57th and Regal Street. The annexation of the properties at the southern edge of our neighborhood point to a need for broader planning for the future annexation of the land already in the Urban Growth Area which extends clear to 65th Ave. to the south and Glenrose Road to the east. In this immediate case, the city should look to see how these three Centers are connected or can be connected with a comprehensive and holistic plan that enacts the vision of our city as state in the Comprehensive Plan.



Two Alternatives

The city planning staff is proposing two alternatives to the land use and zoning of the proposed annexed area. One would create a Community Business zone along Regal Street, the other would reflect a version of the thoughts laid out by Southgate Neighborhood Council above which includes creating Center and Corridor zoning along Regal Street. The Southgate Neighborhood Council would recommend the Plan Commission and City Council adopt the "alternative" plan being proposed by the City. The Center and Corridor zoning is more in line with the intent of the County's Mixed Use zoning (as outlined above). It could even recommend revising the Land Use and Zoning to match the mixed CC-2/CC-4 zoning the neighborhood proposed back in September.

The Center and Corridor Land Use and Zoning is also better aligned with the city-adopted Southgate Neighborhood Connectivity Plan and would provide a better neighborhood commercial development for the large number of high-density residential developments nearby (over a dozen within a quarter mile). Pedestrian-oriented land use and zoning could help create the type of vibrant, walkable neighborhood that is the goal of the Spokane Comprehensive Plan and the stated goal of such lauded developments as Perry Street, Kendall Yards, and the East Sprague Redevelopment Project. In either case, the neighborhood urges the city to include ADA/Pedestrian access along 53rd and 55th clear to Regal Street. As the design stands right now, there is limited access along those streets for residents of the apartments along 55th to the transit corridor on Regal Street.

Creating desirable, livable neighborhoods is an intentional exercise, it cannot be achieved by maintaining or accepting the status quo. Pedestrian-oriented development at this location can be built up over time to connect with the growing Southgate District Center and the Comp Plan-designated Center at 57th and Regal Street. We thank you for your time and consideration and look forward to continued dialogue and input with the city as we work to implement our neighborhood plans.

Thank you,

Re: Cyrus Vaughn and Vaughn's 57th Avenue, LLC v. City of Spokane

ER 408 COMMUNICATION

Dear Mayor Condon, Ms. Isserlis, and Ms. Wright:

We represent Cyrus Vaughn and his company, Vaughn's 57th Avenue, LLC, with regard to the City's threatened regulatory taking of his company's commercial retail property located at Regal and 57th Avenue. The City of Spokane has recently announced plans to hold a hearing to change land use zoning designations relating to the proposed annexation of land parcels in Spokane County to the City of Spokane. This proposed annexation includes property of Spokane Housing Ventures and property owned by Vaughn's 57th Avenue, LLC, bounded by the Palouse Highway and Regal Street to the east and west, and 53rd Avenue and 55th Avenue to the north and south.

As you are aware, Mr. Vaughn's company owns 8 acres of commercial property within the proposed annexation area. His company's land currently has a Spokane County land use designation of Mixed Use. This of course allows Mr. Vaughn and his company to develop their property free of significant restrictions, including free of restrictions on where drive-through facilities can be located. This zoning designation and capability is critical to attracting tenants that require easy access and high-visibility from the street. Such capabilities and facilities are necessary to attract highly-desirable and profitable tenants such as fast-food restaurants and cafes, as well as other high-rent, major retailers eager to capitalize on the foot and vehicle traffic generated by such establishments.

The current land use and zoning designation allowing Mr. Vaughn and Vaughn's 57th Avenue, LLC to develop such drive-through facilities was thus critical and foremost to Mr. Vaughn and his company's original decision to acquire this property. In direct reliance on this capability, Vaughn's 57th Avenue, LLC proceeded to purchase the property located at 5311 South Regal Street on October 29, 2013 for $685,000. Shortly thereafter on November 1, 2013, Mr. Vaughn's company also purchased parcel numbers 34032.0412, 34032.0446, 34032.0447, and 34032.0481 located along 57th Avenue for the amount of $2,8253,000. The total purchase price for the aggregated parcels of property came to $3,510,000. Mr. Vaughn and his company thereafter proceeded to invest an additional $2,125,559.88 in developing this property for its intended retail use, again in direct reliance on the ability to develop the property in a manner consistent with the needs of the intended retail tenants requiring property that could accommodate drive-through facilities between the street and buildings.

Upon learning in April of this year that the City of Spokane was contemplating annexation including the property owned by Mr. Vaughn's company, Mr. Vaughn immediately had his land use attorney contact the City of Spokane to inquire into whether and how any potential future annexation of the property might affect the property's land use and zoning designation with respect to its intended retail uses. He was assured by City officials that if annexation were to be approved, his company's property would be zoned for General Commercial or Community Business use, both of which he was advised would afford similar capabilities. He was also told neither designation would impact or restrict his ability to locate and develop any planned drive-through facilities.

Mr. Vaughn has invested nearly $6,000,000 in acquiring and developing this property in reliance on the uses permitted under the property's current County zoning, including the ability to locate drive-throughs between the buildings and street. Mr. Vaughn and his company have further relied upon the City's representations and

promises that any zoning change caused by a future annexation would have no significant effect on their development plans with respect to this capability. Now, the City of Spokane has recently advised Mr. Vaughn that the proposed Spokane Housing Ventures annexation may in fact result in a Centers and Corridors Type 2 ("CC-2") City zoning designation change. This is directly contrary to how he was told the property's current County designation of Mixed Use would be addressed. Unlike the current designation or the General Commercial or Community Business designations which the City had assured Mr. Vaughn would result from any annexation involving his company's property, a CC-2 designation drastically alters development plans prohibiting the location of drive-throughs between buildings and the street.

This newly-proposed restriction is entirely unacceptable to our clients and to the prospective tenants they seek to attract, as it deprives them of the uses for which they originally purchased and invested in developing this property. Indeed, already, the mere threat that this designation may be applied to the land owned by Vaughn's 57th Avenue, LLC has resulted in the loss of two prospective tenants unwilling to run the risk of even considering leasing property that may be subject to drive-through restrictions as proposed by a CC-2 designation. Mr. Vaughn has been further advised that absent the ability to attract such tenants and establishments, other highly desirable and lucrative tenants will likewise look to lease elsewhere. It is expected the direct result of a land use change to a CC-2 zoning designation will be to diminish the value of Mr. Vaughn and his company's investment and improvements by approximately 50%.

Should the City of Spokane use this alternative proposed zoning designation of CC-2 or otherwise zone or regulate Vaughn's 57th Avenue, LLC's land so as to restrict uses, and especially the location of drive-through facilities, this constitutes an unconstitutional taking of Mr. Vaughn and his company's property. This threatened regulatory taking is not only ill-advised, but there is also simply no need for this restrictive designation with regard to the proposed annexation area. There is no factual or legal justification for depriving Mr. Vaughn and his company of the property they purchased and the value of the investments they have made in direct reliance on the current use permitted, which the City subsequently assured them would not be affected or hindered by any proposed annexation.

Accordingly, enclosed you will find a Claim for Damages identifying Mr. Vaughn and Vaughn's 57th Avenue, LLC's demand for just compensation in the amount of not less than $3,500,000 for the taking and damaging of their property implicated by the City's threatened annexation and alternative zoning designations. This claim obviously becomes moot and will be withdrawn if the City simply confirms in writing that

Vaughn's 57th Avenue, LLC's property will remain zoned consistent with its present designation, and the City's prior representations that in the event of annexation, development will still be allowed in accordance with the same uses and capabilities permitted under the current Mixed Use County designation. If Mr. Vaughn does not receive these assurances by 12:00 p.m. on Monday, December74, 2015, he will be forced to proceed accordingly.

Very truly yours,

Mr. Vaughn and his company thereafter proceeded to invest an additional $2,125,559.88 in developing this property for its intended retail use, again in direct reliance on the ability to develop the property in a manner consistent with the needs of the intended retail tenants requiring property that could accommodate drive-through facilities between the street and buildings.

Upon learning in April of this year that the City of Spokane was contemplating annexation including the property owned by Mr. Vaughn's company, Mr. Vaughn immediately had his land use attorney contact the City of Spokane to inquire into whether and how any potential future annexation of the property might affect the property's land use and zoning designation with respect to its intended retail uses. He was assured by City officials that if annexation were to be approved, his company's property would be zoned for General Commercial or Community Business use, both of which he was advised would afford similar capabilities. He was also told neither designation would impact or restrict his ability to locate and develop any planned drive-through facilities.

Mr. Vaughn has invested nearly $6,000,000 in acquiring and developing this property in reliance on the uses permitted under the property's current County zoning, including the ability to locate drive-throughs between the buildings and street. Mr. Vaughn and his company have further relied upon the City's representations and

promises that any zoning change caused by a future annexation would have no significant effect on their development plans with respect to this capability. Now, the City of Spokane has recently advised Mr. Vaughn that the proposed Spokane Housing Ventures annexation may in fact result in a Centers and Corridors Type 2 ("CC-2") City zoning designation change. This is directly contrary to how he was told the property's current County designation of Mixed Use would be addressed. Unlike the current designation or the General Commercial or Community Business designations which the City had assured Mr. Vaughn would result from any annexation involving his company's property, a CC-2 designation drastically alters development plans prohibiting the location of drive-throughs between buildings and the street.

This newly-proposed restriction is entirely unacceptable to our clients and to the prospective tenants they seek to attract, as it deprives them of the uses for which they originally purchased and invested in developing this property. Indeed, already, the mere threat that this designation may be applied to the land owned by Vaughn's 57th Avenue, LLC has resulted in the loss of two prospective tenants unwilling to run the risk of even considering leasing property that may be subject to drive-through restrictions as proposed by a CC-2 designation. Mr. Vaughn has been further advised that absent the ability to attract such tenants and establishments, other highly desirable and lucrative tenants will likewise look to lease elsewhere. It is expected the direct result of a land use change to a CC-2 zoning designation will be to diminish the value of Mr. Vaughn and his company's investment and improvements by approximately 50%.

Should the City of Spokane use this alternative proposed zoning designation of CC-2 or otherwise zone or regulate Vaughn's 57th Avenue, LLC's land so as to restrict uses, and especially the location of drive-through facilities, this constitutes an unconstitutional taking of Mr. Vaughn and his company's property. This threatened regulatory taking is not only ill-advised, but there is also simply no need for this restrictive designation with regard to the proposed annexation area. There is no factual or legal justification for depriving Mr. Vaughn and his company of the property they purchased and the value of the investments they have made in direct reliance on the current use permitted, which the City subsequently assured them would not be affected or hindered by any proposed annexation.

Accordingly, enclosed you will find a Claim for Damages identifying Mr. Vaughn and Vaughn's 57th Avenue, LLC's demand for just compensation in the amount of not less than $3,500,000 for the taking and damaging of their property implicated by the City's threatened annexation and alternative zoning designations. This claim obviously becomes moot and will be withdrawn if the City simply confirms in writing that

Vaughn's 57th Avenue, LLC's property will remain zoned consistent with its present designation, and the City's prior representations that in the event of annexation, development will still be allowed in accordance with the same uses and capabilities permitted under the current Mixed Use County designation. If Mr. Vaughn does not receive these assurances by 12:00 p.m. on Monday, December74, 2015, he will be forced to proceed accordingly.

Very truly yours,

Agenda Wording

A resolution setting a hearing before the City Council for March 14, 2016 for the proposed Spokane Housing Ventures Annexation and amending the City of Spokane Comprehensive Plan Land Use Map and Zoning Map to include the Spokane Housing Ventures

Summary (Background)

In February 2015, the City received a request to annex certain property located south of 53rd Avenue. Thereafter, by resolution 2015-0031, the City Council geographically modified the proposed annexation to include an area, approximately 42-acres, referred to as the Spokane Housing Ventures Annexation Area. Thereafter, a sufficient petition for annexation was filed with the City signed by the owners of not less than 60 percent in value of the property within the annexation area. The attached

annexation. (Action on this item will be deferred to the February 8, 2016 City Council meeting.)

Summary (Background)

resolution schedules a hearing on that petition. At the hearing, the City Council will also consider appropriate land use and zoning designations for the Spokane Housing Ventures Annexation Area. The City's Comprehensive Plan includes areas the City reasonably expects to annex into the City in the future, including the Spokane Housing Ventures Annexation area. On December 9, 2015, the Spokane Plan Commission held a public hearing on the proposed annexation and voted to recommend that the City Council approve the proposed annexation and assign appropriate Comprehensive Plan Land Use Map and Zoning Map designations to the area, provided that parcels 34031.0459 and 34031.5201 east of Freya Street be removed from the annexation area.

RESOLUTION NO. 2016-0011

A RESOLUTION SETTING HEARING BEFORE THE CITY COUNCIL FOR MARCH 14, 2016 FOR THE PROPOSED SPOKANE HOUSING VENTURES ANNEXATION AND AMENDING THE CITY OF SPOKANE COMPREHENSIVE PLAN LAND USE MAP AND ZONING MAP TO INCLUDE THE SPOKANE HOUSING VENTURES ANNEXATION.

WHEREAS, petitioners, the owners of property constituting not less than 10 percent in assessed value, according to the assessed valuation for general taxation of the property for which annexation is petitioned, prior to initiation of their petition, notified the City Council of their intention to commence annexation proceedings for the area described below, and the City Council met with said initiating owners and determined by resolution 2015-0031 that the City would geographically modify the proposed annexation to include an approximately 42-acre area subject to specified conditions; and

WHEREAS, thereafter a sufficient petition for annexation was filed with the City Council pursuant to RCW 35.13.130, signed by the owners of not less than 60 percent in value, according to the assessed valuation for general taxation, of the property for which annexation is petitioned, seeking annexation to the City of Spokane of an approximately 42-acre area contiguous to the City, otherwise referred to as the "Spokane Housing Ventures Annexation Area" (the "Petition"); and

WHEREAS, the City desires to conduct a public hearing on the Petition and on the amendment of the City of Spokane Comprehensive Plan Land Use Map and Zoning Map to include the Spokane Housing Ventures Annexation Area.

NOW, THEREFORE, THE CITY OF SPOKANE DOES RESOLVE AS FOLLOWS:

Section 1: Publication and Posting of Notice. The Council hereby directs the City Clerk, or a duly authorized designee of the City Clerk, to cause to be published in the Spokesman Review, a legal newspaper of general circulation within the Spokane Housing Ventures Annexation Area, the Notice of Public Hearing described below and to cause the Notice of Public Hearing to be posted in at least three (3) conspicuous public places located in the Spokane Housing Ventures Annexation Area.

Section 2: Form of Notice. The Council hereby approves the form of Notice of Public Hearing attached as **Exhibit A** to this Resolution and finds that the Notice conforms with the requirements of Washington law.

Section 3: Public Hearing. The Council hereby declares its intent to hold the Public Hearing on Monday, March 14, 2016, at 6:00 p.m., in the City Council Chambers, Municipal Building, 808 West Spokane Falls Blvd, Spokane, Washington, subject to continuance or adjournment from time to time until completed.
