Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

1. No Clapping!
2. No Cheering!
3. No Booing!
4. No public outbursts!
5. Three-minute time limit for comments made during open forum and public testimony on legislative items!
6. No person shall be permitted to speak at open forum more often than once per month. In addition, please silence your cell phones when entering the Council Chambers!

Further, keep the following City Council Rules in mind:

Rule 2.2 Open Forum
D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.

E. To encourage wider participation in open forum and a broad array of public comment and varied points of view, no person shall be permitted to speak at open forum more often than once per month. However, there is no limit on the number of items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 5.4 Public Testimony Regarding Legislative Agenda Items – Time Limits
A. 5.4.1 The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at his or her discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will need to be allocated per speaker in order to accommodate all of the speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.

B. No public testimony shall be taken on consent agenda items, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council.

C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:

1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:

   a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.

   b. The designated representative of the proponents of the issue shall speak first and may include within his or her presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent’s presentation. If there be more than one designated representative, they shall allocate the 30 minutes between or among themselves.
c. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the proponent’s position.

d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same time allotted as provided for the proponents.

e. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the opponents’ position.

f. Up to ten minutes of rebuttal time shall be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.

2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three minutes to present his/her position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.

3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.

D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative’s testimony.

**Background/History:**  
- The project described herein is the annual grind and overlay project funded in part by the transportation benefit district.

**Executive Summary:**  
- Because of the increased size of the project this year, the project has been split into two projects, one north and one south of the river.
- Curb ramps will also be upgraded.
- Public involvement consisted of sending a letter to the property owners fronting the streets indicated on the attached exhibits during the design phase. Also, a flyer will be handed to residents or placed on their front door just prior to construction.
- Residents will have access to their homes during construction which will occur this summer
- In addition to TBD funding, these projects are funded by street maintenance dollars and are part of the push for an increased volume of grind and overlay projects in residential neighborhoods.

### Background/History:
The City receives federal funds from the U. S. Department of Housing and Urban Development (HUD) through its HOME Investment Partnerships Program (HOME), which is administered by the CHHS Dept. Eligible uses include the construction, rehabilitation, and acquisition of rental properties, which are affordable to low-income tenants. Eligible recipients include for-profit and non-profit housing providers and housing authorities. Some funding is restricted to non-profits designated as Community Housing Development Organizations (CHDO).

Following an RFP process and review by its Affordable Housing (AH) subcommittee, the CHHS Board recommends projects for allocation of HOME funds. The most recent allocations are listed in the attachment. As plans and funding sources solidify, loan documents will be bought to Council for approval.

### Executive Summary:
- In October 2017, 3 projects involving new construction were recommended for funding by the AH Committee meeting and affirmed by the CHHS Board on 11/1/17.
- Two projects will be developed by Basalt Rock, LLC (owned by the Vasilenkos). The City-owned lots at 2418 E First Ave and 2413 E 7th Ave will be transferred to Basalt Rock, LLC and it will develop a 4-plex and a duplex. The six units will be 2- and 3-bedroom units and be affordable to households with incomes at or below 30% and 50% of area median income (AMI) for at least 20 years. (For a 4-person household, 30% of AMI is $19,700 and 50% of AMI is $32,850.) These projects should come before Council this Spring.
- Spokane Housing Ventures (SHV) will develop a 48-unit apartment complex with 24 2-bedroom units, 23 3-bedroom units, and a manager’s unit. The 4 designated HOME units will be affordable to households ≤ 30% AMI and others target households with incomes ≤ 60% AMI. SHV applied for other funds, including low-income housing tax credits, bonds, and funds from the WA State Housing Trust Fund. Project timing project depends upon other funds.

Subject
Review of affordable rental housing projects, which have been allocated federal HOME funds through the Community, Housing, and Human Services (CHHS) Dept. and will come before City Council in 2017. The attached table includes projects awaiting Council approval and projects that are underway.

Background
The City receives federal funds from the U. S. Department of Housing and Urban Development (HUD) through its HOME Investment Partnerships Program (HOME), which is administered by the CHHS Dept. Eligible uses include construction, rehabilitation, and acquisition of rental properties, which are affordable to low-income tenants. Eligible recipients include for-profit and non-profit housing providers and housing authorities. Some funding is restricted to non-profits designated as Community Housing Development Organizations (CHDO).

Following an RFP process and review by its Affordable Housing subcommittee, the CHHS Board recommends projects for allocations of HOME funds. The documents for the Transitions’ cottage homes project are underway. It is expected to close on financing in August 2017. SNAP’s Resident Court project uses funds received from the repayment of HOME funds for a SNAP-owned project that did not meet its minimum affordability period. The prior project was in the path of the North/South Freeway and WA DOT purchased it before the HOME period was met. The funds need to be reinvested with a CHDO and Resident Court has needs. Five other projects have been documented and are underway or will be underway soon. IERR recently requested an increase of $45,500 to its $280,000 allocation for the Special Skills duplex. This is to cover increased project costs due to the removal of a previously undetected foundation and costs have increased since its application over a year ago. The increase is not included in the attached table.

Impact
The two pending projects include a total of 66 units and will come before the Council this summer. Transitions is developing twenty-four of the 66 units as new cottage homes for previously homeless households. A unique funding source for this project is targeted funds from the State Legislature to significantly improve the energy efficiency of some units. Ten of the 24 units will be HOME units targeting households at or below 30% of area median income (AMI). SNAP’s investment in Resident Court will extend the life and affordability of this
43-unit, occupied project, which was built in 1974. The City invested $307,500 in HOME funds when SNAP acquired Resident Court in 2000. These funds will be used for major systems and some unit updates. The project still has restrictions under prior state and City funding. This will extend the City period of affordability for all units.

Projects previously approved by Council have 89 units, of which 48 will be new or returning to the rental market and 41 are existing, occupied units. The Madelia and Scott projects are well underway. Scott project will be done before summer’s end and Madelia is expected to be complete in December 2017. The Special Skills duplex and 1st Avenue fourplex are in the early stages. Hifumi En is in the bidding process and the rehabilitation work should start within a month.

**Action**
Loan documents for the Transitions and Resident Court projects will be before Council this summer.

**Funding**
The HUD program began in 1992 and the City’s annual allocation of HOME funds ranged from $1.4 to $1.8 million from 1995 to 2011, and was reduced to under $1 million in 2012-2017. HOME’s eligible uses include: rental housing (acquisition, rehabilitation, or construction), single family housing rehabilitation, tenant-based rental assistance, and homebuyer assistance.

HOME is subject to a number of federal requirements and regulations. The catalogue of Federal Domestic Assistance Number (CFDA) is 14.239. More information is at: [http://www.hud.gov/offices/cpd/affordablehousing/programs/homel/](http://www.hud.gov/offices/cpd/affordablehousing/programs/homel/).

Most uses of HOME funds require a 25% match from non-federal sources. The match requirement is evaluated at the program level, not the level of each project. The City has sufficient accumulated match to meet current and many years of future required match.

DRAFT

B. Notwithstanding any other provision of this Loan Agreement, except as approved by the City, prior to the drawdown or disbursement of any City HOME funds hereunder, the Borrower shall provide documentation, in a form reasonably acceptable to the City, that the following actions have been taken to the City's satisfaction:

1. Recording of the Covenant Agreement and Deed of Trust.
2. The Borrower has in place all applicable construction, land use, environmental, zoning permits and/or other federal, state and local governmental approvals as necessary for undertaking the activity for which the specific draw request is to be used.
3. For projects including acquisition of land and/or buildings, an appropriate assessment of fair market value must be reviewed and approved by the City.
4. Notwithstanding any provision in this Loan Agreement, the Borrower and the City hereto agree and acknowledge that Borrower shall not be entitled to any drawdown or disbursement of funds until satisfactory completion of environmental review and receipt by the City of a release of funds from the U.S. Department of Housing and Urban Development (“HUD”) under 24 CFR Part 58. The Borrower and the City further agree that the provision of any funds to the Project shall be conditioned upon the City's determination to proceed with, modify, or cancel the project based on the results of a subsequent environmental review. The Borrower shall not spend any funds on physical or choice-limiting actions, including property acquisitions, demolition, movement, rehabilitation, conversion, repair, or construction prior to the environmental clearance as described herein. Violation of this provision may result in the denial of any funds under this Loan Agreement. The Borrower shall perform all the required mitigation measures referenced in the environmental review record completed by the City.
5. As applicable, the Borrower shall demonstrate, to the City’s satisfaction, full compliance with the minimum wage requirements set forth in Section XVIII herein below.

C. Notwithstanding the foregoing, a retainage of ten percent (10%) of the total amount allocated under this Loan Agreement shall be held by the City until all permits have been received, final inspections are complete, the Borrower accepts the work, federal requirements are fully satisfied, and all other obligations under this Loan Agreement or related agreements are carried out to the satisfaction of the Director.

VII. INCOME DETERMINATIONS

A. For purposes of this Loan Agreement, tenant “annual income” is defined pursuant to 24 CFR §92.203, and includes income from all persons in the household, less income adjustments pursuant to 24 CFR §5.611. An individual does not qualify as a low-income family if the individual is a student who is not eligible to receive Section 8 assistance under 24 CFR § 5.612.
B. Initial tenant annual income determinations shall be made by the Borrower pursuant to 24 CFR §92.203. Subsequent tenant income determinations shall be made by the Borrower pursuant to 24 CFR §92.203 and 24 CFR §92.252(h).

C. Rent increases and annual income recertifications shall be governed by the terms outlined in the Affordability Requirements below.

VIII. AFFORDABILITY REQUIREMENTS

A. HOME Affordability Period. The HOME Affordability Period, established pursuant to 24 CFR §92.252, is five (5) years, beginning after Project Completion, as determined by the Director. “Project Completion” means that all necessary title transfer requirements and construction work have been performed; the Project complies with the requirements of 24 CFR §92, including the property standards under 24 CFR §92.251; the final drawdown of HOME funds has been disbursed for the Project; and the project completion information has been entered in the disbursement and information system established by HUD, except that with respect to rental housing project completion, for the purposes of §92.502(d), Project Completion occurs upon completion of construction and before occupancy. Repayment of the loan during the HOME Affordability Period will not extinguish the requirements of the Related Documents.

B. City Affordability Period. The City Affordability Period is ten (10) years, beginning after Project Completion, as determined by the Director. The HOME Affordability Period and City Affordability Period shall run concurrently. Collectively, the two periods are hereinafter referred to as the “Affordability Period.” Upon expiration of the HOME Affordability Period, the City Affordability Period shall continue, but HUD will no longer monitor compliance with Affordability Requirements. The requirements of the Affordability Period and other conditions of the Related Documents shall apply, as long as there are funds owing under the Note.

C. Rent Limit. During the Affordability Period, rents on the thirty (30) HOME-assisted units shall not exceed thirty percent (30%) of the adjusted income of a family whose annual income equals fifty percent (50%) of Spokane area median income (“AMI”), as defined by HUD and adjusted for family size, unit size by number of bedrooms, tenant-paid utilities and tenant-supplied appliances. These units shall include seventeen (17) studio units, eight (8) one-bedroom units, and five (5) two-bedroom units. Should the HUD rents decline below the initial project rents, the Borrower’s rents do not need to be reduced below the initial rents. A table of initial HOME rents for the Project as established by HUD is attached to this Loan Agreement as Attachment 3. The adjustment for tenant-paid utilities and tenant-supplied appliances is subject to 24 CFR §92.252. New HUD requirements include that the adjustment for tenant-paid utilities and tenant-supplied appliances be based on the HUD Utility Schedule Model, twelve (12) months of documented actual utility costs as
DRAFT

acceptable to the City's Community, Housing, & Human Services Department, or other methods as determined by HUD. Currently, the HUD Utility Schedule Model can be found at: http://huduser.org/portal/resources/utilmodel.html. HUD may clarify the new requirements to allow the use (in some circumstances) of the prior requirement, which used the Section 8 existing housing allowance for tenant-furnished utilities and other services as published annually by HUD and issued by the Spokane Housing Authority.

However, any HOME-assisted unit receiving federal or state project-based rental subsidy, where the tenant pays not more than thirty percent (30%) of the household’s adjusted income as a contribution toward rent, shall be limited to the maximum rent allowed under the federal or state project-based rental assistance program.

The City will provide Borrower with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits exclusive of rent paid through project-based subsidies) in accordance with this Loan Agreement and 24 CFR §92.252(f)(2). The Borrower must annually provide the City with information on rents and occupancy of HOME-assisted units to demonstrate compliance with the Affordability Requirements of this Loan Agreement. The City will review rents for compliance and approve or disapprove them every year. The Borrower must provide tenants of HOME-assisted units written notification of rent increases no less than 30 days prior to the beginning of the month in which the increase is intended to be implemented, subject to the provisions of a tenant’s lease agreement, pursuant to 24 CFR §92.252(f)(3).

D. LIHTC Rent Clause. For tenants of low-income tax credit assisted units (if low-income housing tax credits are awarded to the Project or portions of the Project), any increases in rent associated with tenant income shall be governed solely by section 42 of the Internal Revenue Code of 1986, as amended from time to time.

E. Upon completion of the HOME Affordability Period, if the maximum rent and income limits are exceeded, the loan will be subject to repayment at the higher interest rate as provided for in Paragraph 2 of the Promissory Note.

F. Income Limit. At initial occupancy, tenants of the thirty (30) HOME-assisted units shall have incomes not greater than fifty percent (50%) of the Spokane area median income (“AMI”) as defined by HUD. If the income of a tenant of a HOME-assisted unit increases and exceeds eighty percent (80%) of AMI, then the tenant’s rent shall increase to the lesser of thirty percent (30%) of the tenant's adjusted monthly income or Fair Market Rent, subject to paragraph VIII.D hereof.

G. Income Certifications. All tenants' incomes shall be recertified annually by the Borrower. Any applicable rent increases will be effective upon the next lease renewal, and are subject to thirty (30) days' written notice.

Commented [mis]: Change from Paul: Effective 8/23/2013: HUD revised 92.252(i)(2) states tenants who are no longer low-income families must pay 30% of income or fair market rent. Also, 92.253(c) states good cause for terminating tenancy excludes increase in tenant income. HUD’s Section-by-Section guide for 92.253 expressly states increased tenant income does not constitute good cause for termination or refusal to renew a lease. Termination of tenancy is a disincentive for tenants to increase their income.
H. **Additional Affordability Requirements.** The Project must comply with the affordable housing requirements of 24 CFR §92.252.

I. **Relocation.** Tenants in occupancy prior to the Project are subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended ("URA"), 42 USC 4601 et seq. and the regulations promulgated thereunder. All relocation payments and expenses shall be borne by the Borrower.

J. **Protection of Affordability Requirements – City Purchase Option.** The Affordability Requirements may terminate upon foreclosure or transfer in lieu of foreclosure at the sole election of the Director. In the event of a pending or threatened foreclosure, the City is hereby granted an option and a right of first refusal to purchase the Project before foreclosure or deed in lieu of foreclosure to preserve affordability. The City may exercise its right to purchase the Project in any reasonable manner following the City's receipt of written notice of pending or threatened foreclosure proceedings and/or a possible deed in lieu of foreclosure, which notice Borrower hereby agrees to provide to City. The purchase price shall be the assessed value of the Project at the time of the City's exercise of its purchase rights, less any financial obligations assumed by the City at the time of the City's acquisition of the Project. Pursuant to 24 CFR §92.252(e)(3), the City further reserves the right to revive any affordability restrictions according to the original terms of this Loan Agreement if, during the HOME Affordability Period (as defined herein), the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the Project or property.

IX. **INSURANCE**

The Borrower shall keep the Project and all improvements now existing or hereafter erected thereon continuously insured as required in the Deed of Trust, the Note and the Covenant Agreement and this Loan Agreement, naming the City as mortgagee and/or loss payee. The insurance requirements apply during the Affordability Period, or during any such time as there are outstanding sums due under the Note, whichever is longer.

X. **PROPERTY STANDARDS**

A. All HOME-assisted housing under this Loan Agreement shall meet the requirements of 24 CFR §92.251, which includes all applicable Federal, State and local code requirements and housing quality standards, rehabilitation standards, ordinances and zoning ordinances at the time of Project completion and for the duration of the Affordability Period. Where relevant, the housing must be constructed to mitigate the impact of potential disasters (e.g., earthquakes, hurricanes, flooding, and wildfires), in accordance with applicable State and local codes, ordinances, or other State and local requirements, or
such other requirements as HUD may establish. The standards under 24 CFR §92.251 were modified in 2013 and implementation awaits further clarification from HUD, at this time.

B. Any accessible HOME-assisted housing units under this Loan Agreement shall, for the duration of the Affordability Period, meet the accessibility requirements at 24 CFR part 8 and the design and construction requirements at 24 CFR part 100.205.

C. The Borrower shall comply with the provisions of 24 CFR §92.251.

XI. ADDITIONAL MISCELLANEOUS COVENANTS

Borrower shall:

A. Comply with the Affordability Requirements described in this Loan Agreement and related documents.

B. Maintain all required insurance, including without limitation the insurance required by the Deed of Trust.

C. Maintain Project financial reports, Project financial records, and provide all other information and documentation that the City may reasonably request.

D. Make prompt payment of all taxes and financial liabilities.

E. Not hypothecate or encumber Project assets in any way, except to the extent provided for under this Loan Agreement or as approved of by the Director in writing. The Director may withhold such approval at his/her reasonable discretion.

F. Promptly provide (i) rent and tenant income information at initial tenant occupancy and (ii) rent, occupancy, and tenant income information annually throughout the term of this Loan Agreement, or as otherwise requested by the City. If the Project has floating HOME units, the Borrower must provide the City with information regarding the unit substitution and filling vacancies so that the Project remains in compliance with HOME rental occupancy requirements.

G. Promptly provide, upon request by the City, such documentation as is necessary (including financial statements) to enable the City to determine the financial condition and continued financial viability of the Project.

H. During the Affordability Period, prohibit occupancy of any HOME-assisted unit by Borrower (or officer, employee, agent, elected or appointed official, or consultant of the Borrower, or immediate family member or immediate family member of an officer, employee, agent, elected or appointed official, or consultant of Borrower) whether private, for-profit or nonprofit, including a
community housing development organization ("CHDO") when acting as an owner, developer or sponsor.

I. Comply with all applicable federal, state, and local regulations and requirements, including, but not limited to Uniform Administrative Requirements, Federal Labor Standards, Davis-Bacon and Related Acts, Uniform Relocation Act requirements applicable as of the date of the execution of this Loan Agreement, and the provisions of the Lead-Based Paint Poisoning Prevention Act. The City’s costs to administer Davis-Bacon Federal Labor Standards, and Related Acts shall be borne by the Borrower. When Washington State prevailing wages apply, the Borrower shall comply with all State requirements under RCW 39.12 to the satisfaction of the State of Washington. When applicable, the higher of Washington State prevailing wages or Davis-Bacon wages shall apply.

J. Comply with all HOME program project requirements pursuant to 24 CFR part 92 et seq.

K. Maintain housing in compliance with the property standards of 24 CFR §92.251 and local code requirements throughout the term of this Loan Agreement.

L. Upon Project completion, the Project shall complete the final inspections and obtain final approvals on all construction permits, meet all licensing requirements needed to operate the facility as proposed by Borrower in its various funding applications, and meet the property standards of 24 CFR §92.251, minimum rehabilitation standards, and all applicable federal, state and local codes and ordinances. New construction projects must also meet HUD, state, and local requirements relating to accessibility and disaster mitigation.

M. Cause each of the thirty (30) HOME-assisted units to be occupied by income-eligible households within eighteen (18) months after the Project is completed. If any HOME-assisted units have not been occupied by eligible tenants within 6 months following the date of Project Completion, Borrower shall submit to the City current marketing information and, if the City requests it, an enhanced marketing plan for leasing the unoccupied units as quickly as possible, which information the City will provide to HUD as required by 24 CFR §92.252. If any HOME-assisted unit has not been rented to eligible tenants within eighteen (18) months after the date of Project Completion, Borrower shall repay the City $8,333.33/unit for each such unit within thirty (30) days of the City’s written request for repayment. This reflects the proportionate per unit share of HOME funds, i.e., $250,000 HOME dollars/thirty (30) HOME units.

The Borrower shall cause the Covenant Agreement (which shall contain the foregoing covenants) to be recorded as a covenant running with the land.
DRAFT

Borrower shall pay at loan closing all costs associated with the negotiation, documentation and closing of the loan, including without limitation title premiums, escrow fees, recording fees, appraisal fees and City’s attorneys’ fees.

XII. PROJECT TIMETABLE

A. The Borrower agrees to complete work required in accordance with the timetable set forth in Attachment 5. Timely completion of the work is an integral and essential part of performance. The expenditure of HOME funds is subject to Federal deadlines and failure to meet deadlines could result in the loss of the Federal funds. By the acceptance and execution of this Loan Agreement, the Borrower agrees that the Project will be completed as expeditiously as possible and make every effort to ensure the project will proceed and will not be delayed. Failure to meet these deadlines can result in cancellation of this contract and revocation of HOME funds. Since it is mutually agreed that time is of the essence, the Borrower shall cause appropriate provisions to be included in all contracts or subcontracts relative to the work tasks in Attachment 5. It is intended that such provisions included in any subcontracts be, to the fullest extent permitted by law and equity, binding for the benefit of the City and enforceable by the City against the Borrower and its successors and assigns to the project or any part thereof or any interest therein.

B. In the event the Borrower is unable to meet the above schedule or complete the above services due to delays resulting from Acts of God, untimely review and approval by the City and other governmental authorities having jurisdiction over the Project, or other delays that are not caused by the Borrower, the City shall grant a reasonable extension of time for completion of the work. It shall be the responsibility of the Borrower to notify the City promptly in writing whenever a delay is anticipated or experienced, and to inform the City of all facts and delays related to the delay.

XIII. DEFAULT

A. The following shall be considered “Events of Default” for purposes of this Loan Agreement:

1. Failure of Borrower to make any principal and interest payment within fifteen (15) days after such payment is due.

2. Failure to perform, observe or comply with the Affordability Requirements, Income Determinations, or any other provisions, related covenants, terms, conditions or restrictions of this Loan Agreement or any agreement relating to the Project (i.e., the occurrence of an event of default under other indebtedness secured by the Project property) or any part thereof, and failure to fully cure the same within the period of time, if any, permitted for cure and, if no period for cure is otherwise provided for, within sixty (60) days of written notice from the City of such failure.
requesting the same to be remedied; provided, after a second non-compliance of any provision in a five- (5-) year period, only fourteen (14) days written notice is needed.

3. Failure to perform required maintenance or performance of any act by Borrower which would, in the City’s reasonable opinion, adversely affect the value of the Project.

4. Sale, transfer, lease, or other conveyance of the Project or any portion thereof, including assumptions and subordinations, without obtaining the prior written consent of the Director.

5. Filing a voluntary or involuntary petition not dismissed within ninety (90) days after filing under the United States Bankruptcy Code by or against the Borrower.

6. Any representation, warranty, or disclosure made to the City or any other Project lender which proves to be materially false or misleading as of the date made, whether or not such representation, warranty, or disclosure appears in this Loan Agreement.

7. Failure to maintain and keep in force adequate amounts of insurance as is usual in the business carried on by the Borrower, or as required herein.

8. Without limiting any of the foregoing, Borrower’s failure to comply with the minimum wage requirements set forth in Section XVIII of this Loan Agreement.

XIV. REMEDIES

A. Upon the occurrence of an event of default not timely cured after notice, the City may, in addition to any other remedies which the City may have hereunder or under this Loan Agreement or by law or equity, at its option and upon written notice to the Borrower, take any or all of the following actions:

1. Immediately terminate any further advance of loan funds.

2. Declare the debt incurred hereunder and under the Related Documents immediately due and payable and commence collection proceedings against the Borrower.

3. Seek judicial appointment of a receiver.

4. Foreclose under the security documents or instruments, judicially or non-judicially.

5. File suit against the Borrower.
DRAFT

6. Seek specific performance or injunctive relief to enforce performance of the undertakings, duties, and agreements provided in this Loan Agreement or any related security document or instrument, whether or not a remedy at law exists or is adequate.

B. All remedies of the City provided for herein are cumulative and shall be in addition to all other rights and remedies provided by law or in equity or by this Loan Agreement. The exercise of any right or remedy by the City shall not in any way constitute a cure or waiver of default under this Loan Agreement or any other related Project agreement, or invalidate any act done pursuant to any notice of default, or prejudice the City in the exercise of any of its rights unless, in the exercise of such rights, the City realizes all amounts owed to it by the Borrower.

C. A failure to declare or a delay in declaring a default shall not constitute a waiver of any rights or remedies or excuse any failure by the Borrower to strictly comply with its obligations under this Loan Agreement or any other related Project agreement or document.

XV. REPAYMENT

A. Payment of principal and interest shall be deferred during the HOME Affordability Period.

B. Following the HOME Affordability Period, and during the remaining City Affordability Period, this loan may be eligible for debt forgiveness. In exchange for complying with the Affordability Requirements during that period of the City Affordability that extends beyond the HOME Affordability Period (the “Forgiveness Period”), the principal and interest may be forgiven for each year of the Forgiveness Period, until it is fully forgiven or paid at the end of the Affordability Period. If, at the end of each year during Forgiveness Period, the Borrower has complied, for that year, with the Affordability Requirements of this Loan Agreement and the Covenant Agreement and is in compliance with all other provisions of this Loan Agreement and Related Documents, then the loan payments shall be forgiven for that year; provided, no payments shall be forgiven for affordability periods of less than one (1) year. The amount of the annual loan forgiveness shall be the sum of twelve monthly payments; the monthly payments will be in an amount sufficient to amortize the principal and interest over the remaining term of the Affordability Period. During the Affordability Period, Borrower shall notify the City in writing if, for any reason, the Project will not comply with the Affordability Requirements, at which time any and all outstanding balance would become immediately due and payable in full.

C. If Borrower elects not to comply with the Affordability Requirements beyond the end of the HOME Affordability Period, repayment of principal and interest shall

Commented [mls5]: We need to rework this paragraph to go along with the revised affordability period definition.
DRAFT

be made monthly in an amount sufficient to amortize the loan over the remaining term of the Affordability Period.

D. Repayment during the HOME Affordability Period described in Paragraph VIII.A of this Loan Agreement shall not extinguish the Affordability Requirements.

E. Payment of principal, interest, and fees shall be made in lawful money of the United States of America in immediately available funds to the City of Spokane, at the Community, Housing and Human Services Department, 808 W. Spokane Falls Blvd., Room 650, Spokane, WA 99201, or at such other place as the City may designate to Borrower in writing.

XVI. NONDISCRIMINATION/RENT SUBSIDY

Neither the Borrower nor any of its agents shall refuse to lease HOME-assisted units to a certificate or voucher holder under 24 CFR part 982 – Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

XVII. FAITH-BASED ACTIVITIES AND ORGANIZATIONS

A. Borrower, in providing services supported in whole or in part with HOME program funds, shall not discriminate against current or prospective program beneficiaries (i.e., tenants) on the basis of religion, a religious belief, or a refusal to attend or participate in a religious practice.

B. If Borrower engages in explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, Borrower must perform such activities and offer such services outside of and separately in time or location, from the activities or programs financed under this Loan Agreement, and participation in any such explicitly religious activities must be voluntary for the program beneficiaries of the HUD-funded programs or services (i.e., tenants).

C. Whether or not Borrower is a faith-based organization, it may use the loan proceeds provided under this Loan Agreement as provided under relevant regulations and this Loan Agreement without impairing its independence, autonomy, expression of religious beliefs, or religious character. Borrower will retain its independence from Federal, State, and local government, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct HOME funds to support or engage in any explicitly religious activities, including activities that involve overt religious content, such as worship, religious instruction, or proselytization, or any manner prohibited by law. Borrower may use space in its facilities to provide program-funded services,

without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, Borrower retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

D. The loan proceeds provided to Borrower pursuant to this Loan Agreement may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are or will be used for explicitly religious activities. Subject to other limitations in this Loan Agreement, loan proceeds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under HOME regulations. When a structure is or will be used for both eligible and explicitly religious activities, HOME funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to the HOME program. Sanctuaries, chapels, or other rooms that Borrower uses as its principal place of worship, however, are ineligible for HOME-funded improvements. Disposition of real property after the term of the loan or grant, or any change in use of the property during the term of the loan or grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

E. This limitations in this Section XVII shall apply regardless whether the loan proceeds under this Loan Agreement includes local funds that the City has voluntarily contributed to supplement federally funded activities.

XVIII. COMPLIANCE WITH LAWS

A. The Borrower shall comply with all HOME Program requirements as outlined in 24 CFR part 92 et seq., as may be amended from time to time.

C. The Borrower shall comply with the nondiscrimination and equal opportunity, disclosure requirements, debarred, suspended or ineligible contractors, and drug-free workplace, per 24 CFR §92.350.

D. The Borrower shall comply with the affirmative marketing and minority outreach program of 24 CFR §92.351, and shall further comply with the tenant selection requirements set forth in 24 CFR 92.253(d).

E. The Borrower shall comply with the National Environmental Policy Act of 1969, as outlined in 24 CFR 92.352 and Borrower agrees to implement City-identified
conditions on safeguards to protect and enhance environmental quality or minimize adverse environmental impacts.

F. Minimum Wages.

1. Federal Labor Standards/Davis-Bacon Act \[XX\] Applicable \[\] Not Applicable. If the “Applicable” box is checked, the following provisions apply:

   a. The Borrower shall pay prevailing wages, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a-276a-5), to all laborers and mechanics employed in the development of the Project; provided, in the event the Project is subject to state minimum wage requirements, and if the state minimum wage rate exceeds the Department of Labor rate, the conflict will be resolved by applying the higher rate.

   b. All contracts relating to the Project shall contain a provision requiring the payment of such wages, as predetermined by the Secretary of Labor under the Davis-Bacon Act, 40 USC 276(a) under wage decision [DECISION #], modification [MODIFICATION #], dated _____________________.

   c. The Borrower shall pay overtime, as applicable, pursuant to the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332).

   d. The Borrower shall comply with all regulations issued under the Davis-Bacon Act and the Contract Work Hours and Safety Standards Act, all Federal laws and regulations pertaining to labor standards, Federal Labor Standards, HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), and 24 CFR §92.354, as applicable.

   e. The Borrower shall provide contracts with the prime contractor and major subcontractors as soon as these contracts are available and the contracts shall evidence compliance with Federal Labor Standards.

   f. These prevailing wage requirements do not apply to volunteers or sweat equity pursuant to 24 CFR §92.354(a) and (b).

   g. The Borrower shall reimburse the City for all costs incurred by the City in administering Borrower’s compliance with applicable Davis-Bacon, Federal Labor Standards, and Related Acts.

2. Labor Standards. If applicable, the Federal Labor Standards Provisions (HUD 4010) are attached as Attachment 4.

3. State Minimum Wage. When Washington State prevailing wages apply, the Borrower shall comply with all State requirements under RCW 39.12 to the satisfaction of the State of Washington. When applicable, the higher of Washington State prevailing wages or Davis-Bacon wages shall apply. When Washington State prevailing wages apply, the contractor and all subcontractors will submit a “Statement of Intent to Pay Prevailing Wages” certified by the industrial statistician of the State Department of Labor and Industries, prior to any payments. The “Statement of Intent to Pay...
DRAFT

Prevailing Wages” shall include: (1) the contractor’s registration number; and (2) the prevailing rate of wage for each classification of workers entitled to prevailing wages under RCW 39.12.020 and the number of workers in each classification. Each voucher claim submitted by the contractor for payment on a project estimate shall state that the prevailing wages have been paid in accordance with the “Statement(s) of Intent to Pay Prevailing Wages” on file with the City. Prior to the payment of funds held under chapter 60.28 RCW, the contractor and subcontractors must submit an “Affidavit of Wages Paid” certified by the industrial statistician.

G. **Conflict of Interest.** The Borrower shall comply with the conflict of interest provisions prescribed in 24 CFR §92.356(f). During the Affordability Period, Borrower shall prohibit occupancy of any HOME-assisted unit by Borrower (or officer, employee, agent, elected or appointed official, or consultant of the Borrower, or immediate family member or immediate family member of an officer, employee, agent, elected or appointed official, or consultant of the Borrower), whether private, for-profit or nonprofit (including a community housing development organization (CHDO) when acting as an owner, developer, or sponsor).

H. The Borrower shall comply with the equal employment opportunities for low- and very low-income persons pursuant to 24 CFR part 135.

I. The Borrower shall comply with the Fair Housing Act as implemented by 24 CFR parts 100-115, as applicable.

XIX. **TENANT AND PARTICIPANT PROTECTIONS**

A. There must be a written lease between the tenant and the Borrower that complies with 24 CFR 92.253 (Tenant Protections and Selection) and that is for a period of not less than one year, unless by mutual agreement between the tenant and the Borrower a shorter period is specified.

B. Leases between the Borrower and a tenant shall not contain any of the following provisions:

   1. Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the Borrower in a lawsuit brought in connection with the lease.

   2. Agreement by the tenant that Borrower may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the Borrower and tenant. This prohibition does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. Borrower may dispose of this personal property in accordance with Washington state law.
3. Agreement by the tenant not to hold the Borrower or the Borrower’s agents legally responsible for any action or failure to act, whether intentional or negligent.

4. Agreement by the tenant that the Borrower may institute a lawsuit against a tenant or affecting a tenant’s interests without notice to tenant.

5. Agreement by the tenant that the Borrower may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the Borrower and tenant.

6. Agreement by the tenant to waive any right to a trial by jury.

7. Agreement by the tenant to waive the tenant’s right to appeal, or otherwise challenge in court, a court decision in connection with the lease.

8. Agreement by the tenant to pay attorney’s fees or other legal costs even if the tenant wins in a court proceeding by the Borrower against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

9. Agreement by the tenant (other than a tenant in transitional housing) to accept supportive services that are offered.

C. Borrower may not terminate the tenancy or refuse to renew the lease of a tenant occupying a HOME-assisted unit except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing or failure to follow any required transitional housing supportive services plan; or for other good cause. Good cause does not include an increase in the tenant's income or refusal of the tenant to purchase the housing. To terminate or refuse to renew tenancy, Borrower must serve written notice upon the tenant specifying the grounds for the action at least thirty (30) days before the termination of tenancy.

D. Borrower shall adopt and follow written tenant selection policies and criteria that:

1. Limit the HOME-assisted units to very low-income and low-income families;
2. Are reasonably related to the applicants’ ability to perform the obligations of the lease (i.e., to pay the rent, not to damage the housing, not to interfere with the rights and quiet enjoyment of other tenants);
3. Limit eligibility or give a preference to a particular segment of the population if otherwise permitted in this Loan Agreement (and only if the limitation or preference is described in the City’s consolidated plan).
E. Borrower shall select tenants from a written waiting list in the chronological order of their application, insofar as is practicable, and give prompt written notification to any rejected applicant of the grounds for any rejection.

F. Borrower shall not charge fees that are not customarily charged in rental housing (e.g., laundry room access fees), except that Borrower may charge: (i) reasonable application fees to prospective tenants; (ii) parking fees to tenants only if such fees are customary for rental projects in the neighborhood; and (iii) fees for services such as bus transportation or meals, as long as such services are voluntary and fees are charged for services provided.

XX. TENANT PARTICIPATION PLAN

If the Borrower is a Community Housing Development Organization (“CHDO”) as defined by 24 CFR 92.2, the Borrower shall adhere to a fair lease and grievance procedure approved by the City and shall provide a plan for and follow a program of tenant participation in management decisions pursuant to 24 CFR §92.303.

XXI. UNIFORM ADMINISTRATIVE REQUIREMENTS/PROJECT REQUIREMENTS

A. The Borrower shall comply with the applicable uniform administrative requirements of 24 CFR §92.505 if the Borrower is organized as a non-profit organization.

B. The Borrower shall comply with all applicable Project requirements of Subpart F of 24 CFR part 92 et seq.

C. The Borrower shall maintain all tenant and Project records for the most recent five (5)-year period until five (5) years after the Affordability Period terminates. The Borrower shall permit the Department, the HUD, and the Comptroller General of the United States, or their authorized representatives, access to all books, records, and papers of the Borrower pertinent to the Project. The Borrower shall keep and retain records sufficient to document invoices of all expenditures, project beneficiary data, and all other records required to be kept pursuant to 24 CFR §92.508.

D. The Borrower shall permit the Department, HUD, the Comptroller General of the United States, or their authorized representatives, site visits at all times upon reasonable notice throughout the Affordability Period.

XXII. TRANSFER/ASSIGNMENT

The Borrower shall not assign, transfer, subordinate or sublet any obligation of this Loan Agreement nor shall it sell or otherwise transfer any property subject to this Loan Agreement without prior written consent of the Director, who may withhold consent at his/her discretion. The provisions of this Loan Agreement shall apply to all persons or entities performing obligations set forth by this Loan Agreement, including
approved persons or entities to whom or to which the Borrower assigns, transfers, or sublets services as above. Such approved persons or entities shall be subject to the provisions for faith-based activities and organizations as outlined in this Loan Agreement, as applicable.

XXIII. HAZARDOUS SUBSTANCES/REPRESENTATIONS AND WARRANTIES

A. The Borrower shall not cause or permit the presence, use, disposal, storage, or release of any ‘Hazardous Substances’ (as defined below) on or in the Property. The Borrower shall not perform any act, nor allow, cause or permit the performance of any act, affecting the Property when such act constitutes a violation of any federal, state or local Environmental Law, ordinance or rule. As used in this provision, “Environmental Law” means federal laws, state laws and local codes, laws, and/or ordinances of the jurisdiction where the Property is located that relate to health, safety, or environmental protection.

B. The Borrower shall promptly give the City written notice of any investigation, claim, demand, lawsuit, or other action by any governmental or regulatory agency or private party involving the Property, and any hazardous substance or Environmental Law of which the Borrower has actual knowledge. If the Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the Property is necessary, the Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law and shall bear all costs and expenses thereof.

C. The Borrower hereby represents and warrants that, to the best of the Borrower’s knowledge and belief, and after reasonable investigation and inquiry, the Project has never been and is not being used to make, store, handle, treat, dispose of, generate, or transport Hazardous Substances in violation of any applicable law, which Hazardous Substances have not been or will not be abated according to all applicable law and regulations related thereto prior to tenant occupancy of the project. To the best of Borrower’s knowledge and belief, and after reasonable investigation and inquiry, there has not been a release of Hazardous Substances on, from, or near the Project, which release has not been or will not be abated to levels acceptable under all applicable law and regulations related thereto prior to tenant occupancy of the project. The Borrower has never received any notification, citation, complaint, violation, or notice of any kind from any person relating or pertaining to the making, storing, handling, treating, disposing, generating, transporting, or release of Hazardous Substances, for which there has not been or will not be abatement to levels acceptable under all applicable law and regulations related thereto prior to tenant occupancy. Borrower represents and warrants that any asbestos and lead-based paint found within the Project will be abated to levels acceptable under applicable law prior to tenant occupancy. “Hazardous Substances” means (i) any “hazardous waste” as defined by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901, et seq.), as amended from time to time, and regulations promulgated thereunder; (ii) any “hazardous
DRAFT

substance” as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. § 9601, et seq.), as amended from time to time, and regulations promulgated thereunder; (iii) “oil, petroleum products and their by-products” as defined under Washington law as amended from time to time, and regulations promulgated thereunder; (iv) any “hazardous substance” as defined under Washington law, as amended from time to time, and regulations promulgated thereunder and/or as defined by 40 C.F.R. which real property is not used principally for agricultural or farming purposes, together with all the tenements, hereditaments, easements, fixtures and appurtenances now or hereafter thereunto belonging or in any way appertaining, and the rents, issues, and profits thereof.

This Deed of Trust is for the purpose of securing performance of each agreement of Grantor herein contained and as further contained in the Loan Agreement, Covenant Agreement, and Promissory Note, secured by this Deed of Trust, and for the purpose of securing payment of the sum of TWO HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS ($250,000.00) with interest, in accordance with the terms of a Promissory Note of even date herewith, payable to Beneficiary, and made by Grantor, and all renewals, modifications, and extensions thereof, and also such further sums as may be advanced or loaned by Beneficiary to Grantor, or any of his/her/their successors or assigns, together with interest thereon at such rate as shall be agreed upon. This Deed of Trust also secures to Beneficiary: (a) the payment of other sums, with interest, advanced to protect the security of this Deed of Trust; and (b) the performance of Grantor’s covenants and agreements under this Deed of Trust and the Promissory Note, Covenant Agreement and Loan Agreement of even date herewith.

GRANTOR COVENANTS that Grantor is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property that the Property is unencumbered, except for encumbrances of record. Grantor warrants and will defend the title to the Property against all claims and demands, subject to any prior encumbrances of record.

COVENANTS: Grantor and Beneficiary covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST; PREPAYMENT AND LATE CHARGES. Grantor shall promptly pay when due the principal of and interest on the debt evidenced by the Promissory Note and any late charges due under the Promissory Note.

2. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Beneficiary under Paragraph 1 shall be applied: first, to any late charges due under the Promissory Note; second, to interest; and third, to principal due under the Promissory Note.
3. CHARGES; LIENS. Grantor shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property, which may attain priority over this Deed of Trust, including utility charges, whether or not reflected in a recorded lien. Grantor shall pay these obligations on time directly to the person or entity owed payment. Grantor shall promptly furnish to Beneficiary upon request copies of all notices of amounts to be paid under this Paragraph. If Grantor makes these payments directly, Grantor shall promptly furnish to Beneficiary upon request receipts evidencing the payments. Grantor shall promptly discharge any lien which has priority over this Deed of Trust unless: (a) Grantor agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Beneficiary; (b) Grantor contests in good faith the lien in legal proceedings, or defends against enforcement of the lien in legal proceedings, which, in the Beneficiary’s opinion, operate to prevent the enforcement of the lien; or (c) Grantor secures from the holder of the lien an agreement satisfactory to Beneficiary subordinating the lien to this Deed of Trust, or (d) Beneficiary has executed an agreement subordinating its interest. If Beneficiary determines that any part of the Property is subject to a lien, which may attain priority over this Deed of Trust, Beneficiary may give Grantor a notice identifying the lien. Grantor shall satisfy the lien or take one or more of the actions set forth above within ten business (10) days of the giving of the notice. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, recorded or unrecorded liens, encumbrances, or other charges against the Property, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the Promissory Note secured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.

4. HAZARD OR PROPERTY INSURANCE. A. Grantor shall keep the improvements now existing or hereafter erected on the Property continuously insured against loss by fire, hazards included within the term "extended coverage", and any other hazards, including floods or flooding, for which the Beneficiary requires insurance. This insurance shall be maintained in the amounts and for the periods that Beneficiary requires in order to maintain adequate protection for the Property, but no act or omission by the Beneficiary shall relieve Grantor of the primary duty to procure adequate insurance. In no event shall such insurance be less than the full replacement cost of the Property (i.e., 100% of replacement cost). The insurance carrier providing the insurance shall be chosen by the Grantor subject to Beneficiary’s approval. All policies shall be held by the Beneficiary, and have loss payable first to the Beneficiary, as its interest may appear, and then to the Grantor. If Grantor fails to maintain coverage as described above, Beneficiary may, at Beneficiary’s option, obtain coverage to protect Beneficiary’s rights in the Property in accordance with Paragraph 7.

B. All insurance policies and renewals shall be acceptable to Beneficiary and shall include a standard mortgage clause. If Beneficiary requires, Grantor shall promptly give to Beneficiary all receipts of paid premiums and renewal notices. In the event of loss, Grantor shall give prompt notice to the insurance carrier and to Beneficiary. Beneficiary may make proof of loss if not made promptly by Grantor.
C. Unless Beneficiary and Grantor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Beneficiary's security is not lessened thereby. If the restoration or repair is not economically feasible or if Beneficiary's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Grantor. If Grantor abandons the Property or does not answer within thirty (30) days’ notice from the Beneficiary that the insurance carrier has offered to settle a claim, then Beneficiary may collect the insurance proceeds. Beneficiary may, in its sole discretion, use the proceeds to restore or repair the Property or to pay sums secured by this Deed of Trust, whether or not then due. The 30-day period will begin when the notice is given. Such application of proceeds by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, all rights of the Grantor in insurance policies then in force shall pass to the purchaser at the foreclosure sale.

D. Unless Beneficiary and Grantor otherwise agree in writing, any application of insurance proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraph 1 or change the amount of the payments. If under Paragraph 20, the Property is acquired by Beneficiary, Grantor's right to any insurance policies or proceeds resulting from damage to the Property prior to the acquisition shall pass to Beneficiary to the extent of the sums secured by this Deed of Trust immediately prior to the acquisition.

5. FLOOD INSURANCE. If the Property is located in a one hundred year FEMA Flood Zone, Grantor shall maintain flood insurance throughout the term of the Loan in an amount not less than the total amount of the Loan or the maximum amount of coverage available through the National Flood Insurance Program, furnishing proof of same upon request by Beneficiary.

6. OCCUPANCY, PRESERVATION, MAINTENANCE AND PROTECTION OF THE PROPERTY; LOAN APPLICATION; LEASEHOLDS. Grantor shall cause the Property to be occupied, established, and used as decent, safe, sanitary and affordable housing for low-income families pursuant to the HOME Investment Partnerships Program (24 CFR part 92 et seq.) throughout the term of the loan as described in the Promissory Note and Covenant Agreement. Grantor covenants and agrees to keep the Property in good condition and repair, to permit no waste thereof, to complete any building, structure, or improvement being built now or hereafter thereon, to restore or replace promptly any building, structure, or improvement thereon which may be damaged or destroyed, and to comply with all laws, ordinances, regulations, covenants, conditions, and restrictions affecting the Property. Grantor shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Beneficiary's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Deed of Trust or Beneficiary's security interest. Grantor may cure such a default and reinstate, as provided in Paragraph 17 by causing the action or proceeding to be dismissed with a ruling that, in Beneficiary's good faith determination, precludes forfeiture of Grantor’s interest in the Property or other material impairment of the lien created by this Deed of Trust or Beneficiary’s security interest.
interest. Grantor shall also be in default if Grantor, during the loan application process, gave materially false or inaccurate information or statements to Beneficiary (or failed to provide Beneficiary with any material information) in connection with the loan evidenced by the Promissory Note. If this Deed of Trust is on a leasehold, Grantor shall comply with all the provisions of the lease. If Grantor acquires fee title to the property, the leasehold and the fee title shall not merge unless Beneficiary agrees to the merger in writing.

7. PROTECTION OF BENEFICIARY’S RIGHTS IN THE PROPERTY. A. If Grantor fails to perform the covenants and agreements contained in this Deed of Trust, the Loan Agreement and/or the Covenant Agreement, or there is a legal proceeding which, in the Beneficiary’s good faith judgment, may affect Beneficiary’s rights in the Property (including but not limited to proceedings in bankruptcy, probate, for condemnation or forfeiture, or to enforce laws or regulations), then Beneficiary shall have the right to take whatever action it deems reasonably necessary and appropriate to protect the value of the Property and Beneficiary’s rights in the Property. Although Beneficiary may take action under this Paragraph 7, Beneficiary is not obligated to do so.

B. Any amounts caused to be disbursed by Beneficiary under this Paragraph 7 shall become additional debt secured by this Deed of Trust. Unless Grantor and Beneficiary agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Promissory Note rate and shall be payable with interest upon notice from Beneficiary to Grantor requesting payment.

C. Grantor covenants and agrees to defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including the cost of title search and any and all attorney’s fees actually incurred, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.

D. Grantor further covenants and agrees to pay any and all costs, fees, and expenses in connection with this Deed of Trust, including the expenses of the Trustee incurred in enforcing the obligations secured hereby and Trustee’s and attorney’s fees actually incurred, as provided by statute.

8. INSPECTIONS. Beneficiary or its agent may make reasonable entries upon and inspections of the Property, subject to all applicable landlord/tenant laws. Beneficiary shall give Grantor notice at least 24 hours prior to an inspection; provided, however, such right to notice does not apply to Beneficiary when acting in its regulatory capacity or when exercising its police powers.

9. CONDEMNATION. A. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property or any part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Beneficiary. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Deed of Trust and other liens as approved by the Beneficiary, whether or not then due, with any excess paid to Grantor. In the event of a partial taking of the Property in which the fair market value of the Property
immediately before the taking is equal to or greater than the amount of the sums
secured by this Deed of Trust immediately before the taking, unless Grantor and
Beneficiary otherwise agree in writing, the sums secured by this Deed of Trust shall be
reduced by the amount of the proceeds multiplied by the following fraction: (i) the total
amount of the sums secured immediately before the taking, divided by (ii) the fair
market value of the Property immediately before the taking. Any balance shall be paid
to Grantor. In the event of a partial taking of the Property in which the fair market
value of the Property immediately before the taking is less than the amount of the
sums secured immediately before the taking, unless Grantor and Beneficiary
otherwise agree in writing or unless applicable law otherwise provides, the proceeds
shall be applied to the sums secured by this Deed of Trust whether or not the sums
are then due.

B. If the Property is abandoned by Grantor, or if, after notice by Beneficiary to
Grantor that the condemnor offers to make an award or settle a claim for damages,
and Grantor fails to respond to Beneficiary within thirty (30) days after the date the
notice is given, Beneficiary is authorized to collect and apply the proceeds, at its
option, either to restoration or repair of the Property or to the sums secured by this
Deed of Trust, whether or not then due.

C. Unless Beneficiary and Grantor otherwise agree in writing, any application of
proceeds to principal shall not extend or postpone the due date of the monthly
payments referred to in Paragraph 1 or change the amount of such payments.

10. GRANTOR NOT RELEASED; FORBEARANCE BY BENEFICIARY NOT A
WAIVER. Extension of the time for payment or modification of amortization of the
sums secured by this Deed of Trust granted by Beneficiary to any successor in interest
of Grantor shall not operate to release the liability of the original Grantor or of
Grantor's successors in interest. Beneficiary shall not be required to commence
proceedings against any successor in interest or refuse to extend time for payment or
otherwise modify amortization of the sums secured by this Deed of Trust by reason of
any demand made by the original Grantor or Grantor's successors in interest. Any
forbearance by Beneficiary in exercising any right or remedy shall not be a waiver of or
preclude the exercise of any right or remedy.

11. SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY;
CO-SIGNERS. The covenants and agreements of this Deed of Trust shall bind and
benefit the successors and assigns of Beneficiary and Grantor, except as otherwise
provided for in this Deed of Trust. Grantor’s covenants and agreements shall be joint
and several.

12. LOAN CHARGES. If the loan secured by this Deed of Trust is subject to a law
which sets maximum loan charges, and that law is finally interpreted so that the
interest or other loan charges collected or to be collected in connection with the loan
exceed the permitted limits, then: (i) any such loan charge shall be reduced by the
amount necessary to reduce the charge to the permitted limit, and; (ii) any sums
already collected from Grantor which exceeded permitted limits will be refunded to
Grantor. Beneficiary may choose to make this refund by reducing the principal owed
under the Promissory Note or by making a direct payment to Grantor. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Promissory Note.

13. NOTICES. Grantor shall promptly give Beneficiary written notice of any and all Project defaults (regardless of whether the default is related to the financing provided by Beneficiary and the various agreements governing the terms of such financing, or whether the default is related to any of the various other parties or entities providing financing to the Project under their various agreements), investigations, claims, demands, lawsuits, licensing issues relating to the operation of the building or care facility, or other actions by any governmental or regulatory agency or private party involving the Property, and any hazardous substance or Environmental Law (as defined in Paragraph 19 of this Deed of Trust) of which Grantor has actual or constructive knowledge. Any notice provided for in this Deed of Trust shall be given pursuant to the procedures outlined in the Loan Agreement.

14. GOVERNING LAW; SEVERABILITY. This Deed of Trust shall be governed by federal law and the laws of the State of Washington. In the event that any provisions of this Deed of Trust or the Promissory Note conflict with applicable law, such conflict shall not affect other non-conflicting provisions of this Deed of Trust or the Promissory Note, which shall continue in full force and effect.

15. GRANTOR'S COPY. Grantor hereby acknowledges receipt of a conformed copy of the Loan Agreement, Covenant Agreement, Promissory Note, and of this Deed of Trust.

16. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN GRANTOR. A. Except as provided in the Loan Agreement, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest of Grantor is sold or transferred and Grantor is not a natural person) without Beneficiary’s prior written consent, or if any other default occurs under this Deed of Trust, the Promissory Note, the Loan Agreement or the Covenant Agreement, Beneficiary may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by Beneficiary if exercise is prohibited by federal law as of the execution date of this Deed of Trust. By accepting payment of any sum secured by this Deed of Trust after payment is due, Beneficiary does not waive the right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

B. If Beneficiary exercises the above option, Beneficiary shall give Grantor notice of acceleration. The notice shall provide a cure period of not less than thirty (30) days from the date the notice is delivered or mailed within which Grantor must pay all sums secured by this Deed of Trust. If Grantor fails to pay these sums prior to the expiration of this period, Beneficiary may invoke any and all remedies permitted by this Deed of Trust without further notice or demand on Grantor.

17. GRANTOR'S RIGHT TO REINSTATE FOLLOWING ACCELERATION. If Grantor meets the conditions outlined in this paragraph, Grantor shall have the right to have enforcement by acceleration of this Deed of Trust discontinued at any time
prior to the earlier of: (i) 10 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Deed of Trust; or (ii) entry of a judgment enforcing this Deed of Trust. The conditions which Grantor must meet are that Grantor shall: pay Beneficiary all sums which then would be due under this Deed of Trust and the Promissory Note as if no acceleration had occurred; cure any default of any other covenants or agreements; pay all expenses incurred in enforcing this Deed of Trust, including, but not limited to, reasonable attorneys' fees, and; take such action as Beneficiary may reasonably require to assure that the lien of this Deed of Trust, Beneficiary's rights in the Property, and Grantor's obligation to pay the sums secured by this Deed of Trust continue unchanged. Upon reinstatement by Grantor, this Deed of Trust and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration caused by Grantor's selling or transferring all or any part of the Property or any interest in it (or if a beneficial interest of Grantor is sold or transferred and Grantor is not a natural person) without Beneficiary's prior written consent.

18. NO FURTHER ENCUMBRANCES. A. For the purposes of protecting Beneficiary's security and keeping the Property free from junior and subordinate financing liens, Grantor agrees and understands that any sale, conveyance, further encumbrance (including the granting of easements and any and all other matters affecting title or other transfer of title to the Property, or any interest therein (whether voluntary or by operation of law), without Beneficiary's prior written consent, shall be an Event of Default under this Deed of Trust.

B. Notice is hereby given to all third parties that any mortgage or other Deed of Trust that they may receive against the Property without the prior written approval and acknowledgment of the Beneficiary of this Deed of Trust shall be null and void and without force or effect.

19. HAZARDOUS SUBSTANCES; REPRESENTATIONS AND WARRANTY.  A. Grantor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances (as defined in this Paragraph 19) on or in the Property, except for the presence, use, storage and disposal of reasonable quantities of such Hazardous Substances as are generally used in the ordinary course of operating, maintaining or developing properties such as the Property, all of which Indemnitor represents, warrants and covenants shall be used, stored and disposed of in accordance with commercially reasonable practices and all applicable laws. Grantor shall not perform any act, nor allow, cause or permit the performance of any act, affecting the Property when such act constitutes a violation of any federal, state, or local Environmental Law, ordinance, or rule. As used in this Paragraph 19, "Environmental Law" means federal laws, state laws and local codes, laws, and/or ordinances of the jurisdiction where the Property is located that relate to health, safety, or environmental protection.

B. Grantor shall promptly give Beneficiary written notice of any investigation, claim, demand, lawsuit, or other action by any governmental or regulatory agency or private party involving the Property, and any hazardous substance or Environmental

Law of which Grantor has actual knowledge. If Grantor learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the Property is necessary, Grantor shall promptly take all necessary remedial actions in accordance with Environmental Law and shall bear all costs and expenses thereof.

C. The Grantor hereby represents and warrants that, to the best of the Grantor’s knowledge and belief, and after reasonable investigation and inquiry, the Project has never been and is not being used to make, store, handle, treat, dispose of, generate, or transport Hazardous Substances in violation of any applicable law, which Hazardous Substances have not been or will not be abated according to all applicable law and regulations related thereto prior to tenant occupancy of the rehabilitated project. To the best of Grantor’s knowledge and belief, and after reasonable investigation and inquiry, there has not been a release of Hazardous Substances on, from, or near the Property, which release has not been or will not be abated to levels acceptable under all applicable law and regulations related thereto prior to tenant occupancy of the rehabilitated project. The Grantor has never received any notification, citation, complaint, violation, or notice of any kind from any person relating or pertaining to the making, storing, handling, treating, disposing, generating, transporting, or release of Hazardous Substances, for which there has not been or will not be abatement to levels acceptable under all applicable law and regulations related thereto prior to tenant occupancy. Grantor represents and warrants that any asbestos and lead-based paint found within the Project will be abated to levels acceptable under applicable law prior to tenant occupancy of the rehabilitated project. “Hazardous Substances” means (i) any “hazardous waste” as defined by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901, et seq.), as amended from time to time, and regulations promulgated thereunder; (ii) any “hazardous substance” as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. § 9601, et seq.), as amended from time to time, and regulations promulgated thereunder; (iii) “oil, petroleum products and their by-products” as defined under Washington law as amended from time to time, and regulations promulgated thereunder; (iv) any “hazardous substance” as defined under Washington law, as amended from time to time, and regulations promulgated thereunder; (v) any “asbestos material” as defined under Washington law, as amended from time to time, and regulations promulgated thereunder and/or as defined by 40 C.F.R. Section 61.141, as amended from time to time; (vi) any “radon gas” in excess of levels recommended in U. S. Environmental Protection Agency Guidance Documents, as modified from time to time, or lower levels as provided by any applicable law or regulation now or hereafter in effect; (vii) any “infectious waste” as defined under Washington law, as amended from time to time, and regulations promulgated thereunder; (viii) any substance the presence of which on any property attributable to the operations of the Grantor is prohibited, restricted or regulated by any law or regulation similar to those laws, regulations and/or documents set forth above, including without limitation, polychlorinated biphenyls (“PCBs”) and lead-based paints; and (ix) any other substance which by law or regulation requires special handling in its collection, generation, storage, transportation, treatment or disposal.
20. ACCELERATION: REMEDIES. A. Beneficiary shall give notice to Grantor, prior to acceleration, following Grantor’s breach of any covenant or agreement noted in this Deed of Trust, the Loan Agreement, or the Covenant Agreement. The notice shall specify: (a) the nature of the default; (b) the action required to cure the default; (c) a date, not less than thirty (30) days from the date the notice is given to Grantor, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property at public auction to the highest bidder, in accordance with the Deed of Trust Act of the State of Washington (RCW 61.24 or as hereafter amended). The notice shall further inform Grantor of applicable rights to reinstate after acceleration, rights to bring a court action to assert the nonexistence of a default or any other defense Grantor wishes to assert prior to acceleration and sale, and of any other matters required by applicable law to be included in the notice. If the default is not cured on or before the date specified in the notice, Beneficiary, at its option, may require immediate payment in full of all sums secured by this Deed of Trust without further demand and may invoke the power of sale and any other remedies permitted under the Loan Agreement, the Covenant Agreement, the Promissory Note, this Deed of Trust or by applicable law. Beneficiary shall be entitled to collect from Grantor all expenses incurred in pursuing the remedies provided in this Paragraph 20, including, but not limited to, attorneys’ fees and costs of title evidence.

B. If Beneficiary invokes the power of sale, Beneficiary shall give written notice to Trustee of the occurrence of an event of default. Upon instruction from the Beneficiary to do so, Trustee shall cause the trust Property to be sold, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Beneficiary or its designee may purchase the Property at any sale. Trustee and Beneficiary shall take such action regarding notice of sale and shall give such notices to Grantor and to other persons as applicable law may require.

C. Trustee shall deliver to the purchaser a Trustee’s Deed conveying the Property without warranty, expressed or implied. The recitals in the Trustee’s deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee’s and attorneys' fees; (b) to all sums secured by this Deed of Trust; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

D. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy. Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.

21. RECONVEYANCE. Upon payment of all sums secured by this Deed of Trust, Beneficiary shall request Trustee to reconvey the Property to the person entitled thereto and shall surrender this Deed of Trust and all Promissory Notes evidencing the debt secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs.
22. **SUBSTITUTE TRUSTEE.** In the event of the death, incapacity, disability, or resignation of Trustee, or at Beneficiary’s reasonable discretion, Beneficiary may appoint in writing a successor trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. The trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of an action or proceeding in which Grantor, Trustee, or Beneficiary shall be a party unless such action or proceeding is brought by the Trustee.

23. **USE OF PROPERTY.** The Property is not used principally for agricultural or farming purposes.

24. **BINDING EFFECT.** This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on his/her/their heirs, devisees, legatees, administrators, executors, and assigns. The term “Beneficiary” shall mean the holder and owner of the Promissory Note secured hereby, whether or not named as Beneficiary herein.

25. **ORAL AGREEMENTS OR ORAL COMMITMENTS.** ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, TO EXTEND CREDIT, TO MODIFY OR AMEND ANY AGREEMENT TERMS, TO RELEASE ANY GUARANTOR, TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT OR FORBEAR FROM EXERCISING ANY REMEDIES, OR TO MAKE ANY OTHER FINANCIAL ACCOMMODATION RELATED TO THIS INSTRUMENT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.

BY SIGNING BELOW, Grantor accepts and agrees to the terms and covenants contained in this Deed of Trust and in any riders executed by Grantor and recorded with it.

IN WITNESS WHEREOF, the Parties have executed this Deed of Trust as of the day and year first written above.

I. STIPULATIONS

1. This Covenant Agreement is a condition of and part of the consideration for the financial assistance provided by the City to the Borrower for the Borrower’s rehabilitation of the Resident Court, a 43-unit apartment building, located at 1203 West 5th Avenue, Spokane, WA 99204 (the “Project”). Thirty (30) of the 43 units will be
HOME-assisted, including 17 studio units, 8 one-bedroom units, and 5 two-bedroom units.

2. This Covenant Agreement is part of a transaction further reflected in a Promissory Note (“Promissory Note”) and a HOME Program Loan Agreement (“Loan Agreement”) of even date herewith. The City’s disbursements under the Loan Agreement are further secured by a Deed of Trust (“Deed of Trust”). The terms of said documents are incorporated herein as if fully set forth herein, and together shall be referenced as the “Related Documents.” The capitalized terms in said agreements shall have the same meaning in this Covenant Agreement unless the context clearly suggests otherwise. In the event of conflict in the terms of any of these documents, the terms most favorable to the City shall apply.

3. The Project is situated in the City and County of Spokane, State of Washington, and is legally described in Attachment 1. The abbreviated legal description is:

PTN LTS 1 & 2 BLK 54 AND PTN LTS 4 & ALL LTS 5 & 6 BLK 53, 2ND ADD TO RAILROAD ADD AND VAC STS

Assessor's Parcel Number: 35192.4211
Property Address: 1203 W 5th Avenue Spokane, WA 99204

4. This Covenant Agreement shall be filed and recorded in the official public land records of Spokane County, Washington, and shall constitute a restriction upon the use of the property and Project described herein, subject to and in accordance with the terms of this Covenant Agreement during the Affordability Period described in Section IV herein below.

5. The covenants contained herein are to be taken and construed as covenants running with the land and shall pass to and be binding upon the Borrower, its successors in interest, assigns, heirs or lessees of the Project, beginning on the date this Covenant Agreement is executed. Each and every contract, deed or other instrument covering or conveying the property or Project, or any portion thereof, shall be conclusively held to have been executed, delivered and accepted subject to such covenants regardless of whether such covenants are set forth in such contract, deed or other instrument.

NOW, THEREFORE, it is hereby covenanted, that during the Affordability Period described in Section IV herein below, the Borrower agrees to the following covenants running with the land which shall bind the Borrower, its heirs, assigns, lessees and successors in interest through the Affordability Period.

II. COVENANTS

Borrower shall:
A. Comply with the Affordability Requirements described in this Covenant Agreement and Related Documents.

B. Maintain all required insurance, including without limitation the insurance required by the Deed of Trust.

C. Maintain Project financial reports, Project financial records and provide all other information and documentation that the City may reasonably request.

D. Make prompt payment of all taxes and financial liabilities.

E. Not hypothecate or encumber Project assets in any way, except to the extent provided for under the Loan Agreement or as approved of by the Director of Community, Housing, and Human Services of the City of Spokane (the "Director") in writing. The Director may withhold such approval at his/her reasonable discretion.

F. Promptly provide (i) rent and tenant income information at initial tenant occupancy and (ii) rent, occupancy, and tenant income information annually throughout the term of the Loan Agreement, in accordance with the Loan Agreement, or as otherwise requested by the City. If the Project has floating HOME units, the Borrower must provide the City with information regarding the unit substitution and filling vacancies so that the Project remains in compliance with HOME rental occupancy requirements.

G. Promptly provide, upon request by the City, such documentation as is necessary (including financial statements) to enable the City to determine the financial condition and continued financial viability of the Project.

H. During the Affordability Period, prohibit occupancy of any HOME-assisted unit by Borrower (or officer, employee, agent, elected or appointed official, or consultant of the Borrower, or immediate family member or immediate family member of an officer, employee, agent, elected or appointed official, or consultant of Borrower) whether private, for-profit or nonprofit, including a community housing development organization (“CHDO”) when acting as an owner, developer or sponsor.

I. Comply with all applicable federal, state, and local regulations and requirements, including, but not limited to, Uniform Administrative Requirements, Federal Labor Standards, Davis-Bacon and Related Acts, Uniform Relocation Act requirements applicable as of the date of the execution of this Covenant Agreement, and the provisions of the Lead-Based Paint Poisoning Prevention Act. The Federal Labor Standards Provisions with which Borrower must comply are attached to the Loan Agreement as “Attachment 4” and incorporated herein. City’s cost to administer Davis Bacon Federal Labor Standard, and Related Acts shall be borne by the Borrower. When Washington State prevailing wages apply, the Borrower shall comply with all State requirements under RCW 39.12 to the satisfaction of the State of Washington.
When applicable, the higher of Washington State prevailing wages or Davis-Bacon wages shall apply.

J. Comply with all HOME program project requirements pursuant to 24 CFR part 92 et seq.

K. Maintain housing in compliance with the property standards of 24 CFR §92.251 and local code requirements throughout the term of the Loan Agreement.

L. New construction projects must also meet HUD, state, and local requirements relating to accessibility and disaster mitigation.

M. Cause each of the thirty (30) HOME-assisted units to be occupied by income-eligible households within eighteen (18) months after the Project is completed. If any HOME-assisted units are not occupied by eligible tenants within 6 months following the date of Project Completion, Borrower shall submit to the City current marketing information and, if the City requests it, an enhanced marketing plan for leasing the unoccupied units as quickly as possible, which information the City will provide to HUD as required by 24 CFR §92.252. If any HOME-assisted unit has not been rented to eligible tenants within eighteen (18) months after the date of Project Completion, Borrower shall repay the City $8,333.33/unit for each such unit within thirty (30) days of the City’s written request for repayment. This reflects the proportionate per unit share of HOME funds, i.e., $250,000 HOME dollars/thirty (30) HOME units.

The Borrower shall cause this Covenant Agreement to be recorded as a covenant running with the land and the Project.

Borrower shall pay at loan closing all costs associated with the negotiation, documentation and closing of the loan, including without limitation title premiums, escrow fees, recording fees, appraisal fees and City’s attorneys’ fees.

III. INCOME DETERMINATIONS

A. For purposes of this Covenant Agreement, tenant “annual income” is defined pursuant to 24 CFR §92.203), and includes income from all persons in the household, less income adjustments pursuant to 24 CFR §5.611. An individual does not qualify as a low-income family if the individual is a student who is not eligible to receive Section 8 assistance under 24 CFR §5.612.
B. Initial tenant annual income determinations shall be made by the Borrower pursuant to 24 CFR §92.203. Subsequent tenant income determinations shall be made by the Borrower pursuant to 24 CFR §92.203 and 24 CFR §92.252(h).

C. Rent increases and annual income recertifications shall be governed by the terms outlined in the Affordability Requirements below.

IV. AFFORDABILITY REQUIREMENTS

A. **HOME Affordability Period.** The HOME Affordability Period, established pursuant to 24 CFR §92.252, is five (5) years, beginning after Project Completion, as determined by the Director. “Project Completion” means that all necessary title transfer requirements and construction work have been performed; the Project complies with the requirements of 24 CFR §92, including the property standards under 24 CFR §92.251; the final drawdown of HOME funds has been disbursed for the Project; and the project completion information has been entered in the disbursement and information system established by HUD, except that with respect to rental housing project completion, for the purposes of §92.502(d), project completion occurs upon completion of construction and before occupancy. Repayment of the loan during the HOME Affordability Period will not extinguish the requirements of the Related Documents.

B. **City Affordability Period.** The City Affordability Period is ten (10) years, beginning after Project completion, as determined by the Director. The HOME Affordability Period and City Affordability Period shall run concurrently. Collectively, the two periods are hereinafter referred to as the “Affordability Period.” Upon expiration of the HOME Affordability Period, the City Affordability Period shall continue, but HUD will no longer monitor compliance with affordability requirements, unless the City Affordability Period is coterminous with the HOME Affordability Period. The requirements of the Affordability Period and other conditions of the Related Documents shall apply, as long as there are funds owing under the Note.

C. **Rent Limit.** During the Affordability Period, rents on thirty (30) of the HOME-assisted units shall not exceed thirty percent (30%) of the adjusted income of a family whose annual income equals fifty percent (50%) of Spokane area median income (“AMI”), as defined by HUD and adjusted for family size, unit size by number of bedrooms, tenant-paid utilities and tenant-supplied appliances. These units shall include seventeen (17) studio units, eight (8) one-bedroom units, and five (5) two-bedroom units. Should the HUD rents decline below the initial project rents, the Borrower’s rents do not need to be reduced below the initial rents. A table of initial HUD rents for the Project is attached to the Loan Agreement as Attachment 3. The adjustment for tenant-paid utilities and tenant-supplied appliances is subject to §92.252. New HUD requirements include that the adjustment for tenant-paid utilities and tenant-supplied appliances be based on the HUD Utility Schedule Model, twelve (12) months of documented actual utility costs as acceptable to the City’s Community,
Housing, & Human Services Department, or other methods as determined by HUD. Currently, the HUD Utility Schedule Model can be found at: http://huduser.org/portal/resources/utilmodel.html. HUD may clarify the new requirements to allow the use (in some circumstances) of the prior requirement, which used the Section 8 existing housing allowance for tenant-furnished utilities and other services as published annually by HUD and issued by the Spokane Housing Authority.

However, any HOME-assisted unit receiving federal or state project-based rental assistance, where the tenant pays not more than thirty percent (30%) of the household’s adjusted income as a contribution toward rent, shall be limited to the maximum rent allowed under the federal or state project-based rental assistance program.

The City will provide Borrower with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits exclusive of rent paid through project-based subsidies) in accordance with this Loan Agreement and 24 CFR §92.252(f)(2). The Borrower must annually provide the City with information on rents and occupancy of HOME-assisted units to demonstrate compliance with the Affordability Requirements of this Loan Agreement. The City will review rents for compliance and approve or disapprove them every year. The Borrower must provide tenants of HOME-assisted units written notification of rent increases no less than 30 days prior to the beginning of the month in which the increase is intended to be implemented, subject to the provisions of a tenant’s lease agreement, pursuant to 24 CFR §92.252(f)(3).

D. **LIHTC Rent Clause.** For tenants of low-income tax credit assisted units (if low-income housing tax credits are awarded to the Project or portions of the Project), any increases in rent associated with tenant income shall be governed solely by section 42 of the Internal Revenue Code of 1986, as amended from time to time.

E. Upon completion of the HOME Affordability Period, if the maximum rent and income limits are exceeded, the loan will be subject to repayment at the higher interest rate as provided for in Paragraph 2 of the Promissory Note.

F. **Income Limit.** At initial occupancy, tenants of the thirty (30) HOME-assisted units shall have incomes not greater than fifty percent (50%) of the Spokane area median income (“AMI”) as defined by HUD. If the income of a tenant of a HOME-assisted unit increases and exceeds eighty percent (80%) of AMI, then the tenant’s rent shall increase to the lesser of thirty percent (30%) of the tenant’s adjusted monthly income or Fair Market Rent, subject to paragraph IV.D hereof.

G. **Income Certifications.** All tenants’ incomes shall be recertified annually by the Borrower. Any applicable rent increases will be effective upon the next lease renewal, and are subject to thirty (30) days’ written notice.
H. **Additional Affordability Requirements.** The Project must comply with the affordable housing requirements of 24 CFR §92.252.

I. **Relocation.** Tenants in occupancy prior to the Project are subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended (“URA”), 42 USC 4601 et seq. and the regulations promulgated thereunder. All relocation payments and expenses shall be borne by the Borrower.

J. **Protection of Affordability Requirements – City Purchase Option.** The Affordability Requirements may terminate upon foreclosure or transfer in lieu of foreclosure at the sole election of the Director. In the event of a pending or threatened foreclosure, the City is hereby granted an option and a right of first refusal to purchase the Project before foreclosure or deed in lieu of foreclosure to preserve affordability. The City may exercise its right to purchase the Project in any reasonable manner following the City’s receipt of written notice of pending or threatened foreclosure proceedings and/or a possible deed in lieu of foreclosure, which notice Borrower hereby agrees to provide to City. The purchase price shall be the assessed value of the Project at the time of the City’s exercise of its purchase rights, less any financial obligations assumed by the City at the time of the City’s acquisition of the Project. Pursuant to 24 CFR §92.252(e)(3), the City further reserves the right to revive any affordability restrictions according to the original terms of the Loan Agreement if, during the HOME Affordability Period (as defined herein), the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the Project or property.

V. **DEFAULT**

If a violation of any of the foregoing covenants occurs, the City may, after thirty (30) days written notice, the default meanwhile not having been cured, institute and prosecute any proceeding at law or in equity or as otherwise provided for in this Covenant Agreement, or Related Documents, to abate, prevent, or enjoin any such violation or to compel specific performance by the Borrower of its obligations hereunder, including, without limitation of other remedies, the exercise of the City’s purchase rights described herein. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time.

**ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, TO EXTEND CREDIT, TO MODIFY OR AMEND ANY AGREEMENT TERMS, TO RELEASE ANY GUARANTOR, TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT OR FORBEAR FROM EXERCISING ANY REMEDIES, OR TO MAKE ANY OTHER**
FINANCIAL ACCOMMODATION RELATED TO THIS AGREEMENT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.

**Background/History:** Chapter 84.14 RCW authorizes the City to create a multiple family housing property tax exemption program and to certify qualified property owners for that property tax exemption. The City Council enacted Ordinance No. C-32575, which provides for the property tax exemption program for multiple housing in residential targeted areas. Pursuant to Ordinance No. C-33079, the City Council expanded the residential targeted areas. Pursuant to Ordinance No. C-35524, the regulations were revised, allowing for rental rates of up to 115% AMI. The State statute and the City ordinance require the City to approve the application regarding the tax exemption and the necessary construction requirements. This contract authorizes the appropriate city official to enter into the Multiple Family Housing Property Tax Exemption Agreement, which will ultimately result in the issuance of a final certificate of tax exemption to be filed with the Spokane County Assessor’s Office.

MULTIPLE FAMILY HOUSING PROPERTY  
TAX EXEMPTION AGREEMENT  

THIS AGREEMENT is between the City of Spokane, a Washington State municipal corporation, as "City", and The Second Scott, LLC, as "Owner" whose business address is 2356 NW Quimby Street, Portland, OR 97210.  

W I T N E S S E T H:  

WHEREAS, The City has, pursuant to the authority granted to it by Chapter 84.14 RCW, designated various residential targeted areas for the provision of a limited property tax exemption for new and rehabilitated multiple family residential housing; and  

WHEREAS, The City has, through SMC Chapter 8.15, enacted a program whereby property owners may qualify for a Final Certificate of Tax Exemption which certifies to the Spokane County Assessor that the Owner is eligible to receive the multiple family housing property tax exemption; and  

WHEREAS, The Owner is interested in receiving the multiple family property tax exemption for new multiple family residential housing units in a residential targeted area; and  

WHEREAS, The Owner has submitted to the City a complete application form for no fewer than a total of four new multiple family permanent residential housing units to be constructed on property legally described as:  

HIGHLAND PARK HARTSONS TR E & F OF LT 8 BLK 5; SITUATE IN THE CITY OF SPOKANE, COUNTY OF SPOKANE, STATE OF WASHINGTON  

Assessor’s Parcel Number(s) 35204.0667, commonly known as 743 South Scott Street.  

WHEREAS, The City has determined that the improvements will, if completed as proposed, satisfy the requirements for a Final Certificate of Tax Exemption; -- NOW, THEREFORE;  

The City and the Owner do mutually agree as follows:  

1. The City agrees to issue the Owner a Conditional Certificate of Acceptance of Tax Exemption subsequent to the City Council’s approval of this agreement.  

2. The project must comply with all applicable zoning requirements, land use requirements, design review recommendations and all building, fire, and housing code requirements contained in the Spokane Municipal Code at the time a complete application for a building permit is received. However, if the proposal includes rehabilitation or demolition in preparation for new construction, the residential portion of the building shall fail to comply with one or more standards of applicable building or housing codes, and the
rehabilitation improvements shall achieve compliance with the applicable building and construction codes.

3. If the property proposed to be rehabilitated is not vacant, the Owner shall provide each existing tenant with housing of comparable size, quality and price and a reasonable opportunity to relocate.

4. The Owner intends to construct on the site, approximately 15 new multiple family residential housing units substantially as described in their application filed with and approved by the City. In no event shall such construction provide fewer than a total of four multiple family permanent residential housing units.

5. The Owner agrees to complete construction of the agreed-upon improvements within three years from the date the City issues the Conditional Certificate of Acceptance of Tax Exemption or within any extension granted by the City.

6. The Owner agrees, upon completion of the improvements and upon issuance by the City of a temporary or permanent certificate of occupancy, to file with the City’s Business & Development Services Department the following:

   (a) a statement of the actual development cost of each multiple family housing unit, and the total expenditures made in the rehabilitation or construction of the entire property;

   (b) a description of the completed work and a statement that the rehabilitation improvements or new construction of the Owner’s property qualifies the property for the exemption;

   (c) a statement that the project meets the affordable housing requirements, if applicable; and

   (d) a statement that the work was completed within the required three-year period or any authorized extension of the issuance of the conditional certificate of tax exemption.

7. The City agrees, conditioned on the Owner’s successful completion of the improvements in accordance with the terms of this Agreement and on the Owner’s filing of the materials described in Paragraph 6 above, to file a Final Certificate of Tax Exemption with the Spokane County Assessor indicating that the Owner is qualified for the limited tax exemption under Chapter 84.14 RCW.

8. The Owner agrees, within 30 days following the first anniversary of the County's filing of the Final Certificate of Tax Exemption and each year thereafter for a period of twelve years, to file a declaration with the City’s Business and Development Services Department, verified upon oath and indicating the following:

   (a) a statement of occupancy and vacancy of the multiple family units during the previous year;
(b) a certification that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in SMC 8.15.090 since the date of the filing of the Final Certificate of Tax Exemption, and continues to be in compliance with this Agreement and the requirements of SMC Chapter 8.15; and

(c) a description of any improvements or changes to the property made after the filing of the final certificate or last declaration.

9. The parties acknowledge that the units are to be used and occupied for multifamily residential use. The parties further acknowledge that the certificate of occupancy issued by the City is for multifamily residential units. The Owner acknowledges and agrees that the units shall be used primarily for residential occupancy and any business activities shall only be incidental and ancillary to the residential occupancy.

10. If the Owner converts to another use any of the multiple family residential housing units constructed under this Agreement, or if applicable, if the owner intends to discontinue compliance with the affordable housing requirements as described in SMC 8.15.090 or any other condition to exemption, the Owner shall notify the Spokane County Assessor and the City’s Business and Development Services Department within 60 days of such change in use.

11. The Owner will have the right to assign its rights under this Agreement. The Owner agrees to notify the City promptly of any transfer of Owner’s ownership interest in the Site or in the improvements made to the Site under this Agreement.

12. The City reserves the right to cancel the Final Certificate of Tax Exemption should the Owner, its successors and assigns, fail to comply with any of the terms and conditions of this Agreement or of SMC Chapter 8.15.

13. No modifications of this Agreement shall be made unless mutually agreed upon by the parties in writing.

14. The Owner acknowledges its awareness of the potential tax liability involved if and when the property ceases to be eligible for the incentive provided pursuant to this agreement. Such liability may include additional real property tax, penalties and interest imposed pursuant to RCW 84.14.110. The Owner further acknowledges its awareness and understanding of the process implemented by the Spokane County Assessor’s Office for the appraisal and assessment of property taxes. The Owner agrees that the City is not responsible for the property value assessment imposed by Spokane County at any time during the exemption period.

15. In the event that any term or clause of this Agreement conflicts with applicable law, such conflict shall not affect other terms of this Agreement, which can be given effect without the conflicting term or clause, and to this end, the terms of this Agreement are declared to be severable.
16. Nothing in this Agreement shall permit or be interpreted to permit either party to violate any provision of Chapter 84.14 RCW or SMC Chapter 8.15.

17. This Agreement is subject to approval by the City Council.

**Background/History:** Chapter 84.14 RCW authorizes the City to create a multiple family housing property tax exemption program and to certify qualified property owners for that property tax exemption. The City Council enacted Ordinance No. C-32575, which provides for the property tax exemption program for multiple housing in residential targeted areas. Pursuant to Ordinance No. C-33079, the City Council expanded the residential targeted areas. Pursuant to Ordinance No. C-35524, the regulations were revised, allowing for rental rates of up to 115% AMI. The State statute and the City ordinance require the City to approve the application regarding the tax exemption and the necessary construction requirements. WHEREAS, The City has determined that the improvements will, if completed as proposed, satisfy the requirements for a Final Certificate of Tax Exemption; -- NOW, THEREFORE,

The City and the Owner do mutually agree as follows:

1. The City agrees to issue the Owner a Conditional Certificate of Acceptance of Tax Exemption subsequent to the City Council’s approval of this agreement.

2. The project must comply with all applicable zoning requirements, land use requirements, design review recommendations and all building, fire, and housing code requirements contained in the Spokane Municipal Code at the time a complete application for a building permit is received. However, if the proposal includes rehabilitation or
demolition in preparation for new construction, the residential portion of the building shall fail to comply with one or more standards of applicable building or housing codes, and the rehabilitation improvements shall achieve compliance with the applicable building and construction codes.

3. If the property proposed to be rehabilitated is not vacant, the Owner shall provide each existing tenant with housing of comparable size, quality and price and a reasonable opportunity to relocate.

4. The Owner intends to construct on the site, approximately 56 new multiple family residential housing units substantially as described in their application filed with and approved by the City. In no event shall such construction provide fewer than a total of four multiple family permanent residential housing units.

5. The Owner agrees to complete construction of the agreed-upon improvements within three years from the date the City issues the Conditional Certificate of Acceptance of Tax Exemption or within any extension granted by the City.

6. The Owner agrees, upon completion of the improvements and upon issuance by the City of a temporary or permanent certificate of occupancy, to file with the City's Business & Development Services Department the following:

   (a) a statement of the actual development cost of each multiple family housing unit, and the total expenditures made in the rehabilitation or construction of the entire property;

   (b) a description of the completed work and a statement that the rehabilitation improvements or new construction of the Owner's property qualifies the property for the exemption;

   (c) a statement that the project meets the affordable housing requirements, if applicable; and

   (d) a statement that the work was completed within the required three-year period or any authorized extension of the issuance of the conditional certificate of tax exemption.

7. The City agrees, conditioned on the Owner's successful completion of the improvements in accordance with the terms of this Agreement and on the Owner's filing of the materials described in Paragraph 6 above, to file a Final Certificate of Tax Exemption with the Spokane County Assessor indicating that the Owner is qualified for the limited tax exemption under Chapter 84.14 RCW.

8. The Owner agrees, within 30 days following the first anniversary of the County's filing of the Final Certificate of Tax Exemption and each year thereafter for a period of twelve years, to file a declaration with the City's Business and Development Services Department, verified upon oath and indicating the following:
(a) a statement of occupancy and vacancy of the multiple family units during the previous year;

(b) a certification that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in SMC 8.15.090 since the date of the filing of the Final Certificate of Tax Exemption, and continues to be in compliance with this Agreement and the requirements of SMC Chapter 8.15; and

(c) a description of any improvements or changes to the property made after the filing of the final certificate or last declaration.

9. The parties acknowledge that the units are to be used and occupied for multifamily residential use. The parties further acknowledge that the certificate of occupancy issued by the City is for multifamily residential units. The Owner acknowledges and agrees that the units shall be used primarily for residential occupancy and any business activities shall only be incidental and ancillary to the residential occupancy.

10. If the Owner converts to another use any of the multiple family residential housing units constructed under this Agreement, or if applicable, if the owner intends to discontinue compliance with the affordable housing requirements as described in SMC 8.15.090 or any other condition to exemption, the Owner shall notify the Spokane County Assessor and the City's Business and Development Services Department within 60 days of such change in use.

11. The Owner will have the right to assign its rights under this Agreement. The Owner agrees to notify the City promptly of any transfer of Owner's ownership interest in the Site or in the improvements made to the Site under this Agreement.

12. The City reserves the right to cancel the Final Certificate of Tax Exemption should the Owner, its successors and assigns, fail to comply with any of the terms and conditions of this Agreement or of SMC Chapter 8.15.

13. No modifications of this Agreement shall be made unless mutually agreed upon by the parties in writing.

14. The Owner acknowledges its awareness of the potential tax liability involved if and when the property ceases to be eligible for the incentive provided pursuant to this agreement. Such liability may include additional real property tax, penalties and interest imposed pursuant to RCW 84.14.110. The Owner further acknowledges its awareness and understanding of the process implemented by the Spokane County Assessor's Office for the appraisal and assessment of property taxes. The Owner agrees that the City is not responsible for the property value assessment imposed by Spokane County at any time during the exemption period.

15. In the event that any term or clause of this Agreement conflicts with applicable law, such conflict shall not affect other terms of this Agreement, which can be
given effect without the conflicting term or clause, and to this end, the terms of this Agreement are declared to be severable.

16. Nothing in this Agreement shall permit or be interpreted to permit either party to violate any provision of Chapter 84.14 RCW or SMC Chapter 8.15.

17. This Agreement is subject to approval by the City Council.

**Background/History:** Chapter 84.14 RCW authorizes the City to create a multiple family housing property tax exemption program and to certify qualified property owners for that property tax exemption. The City Council enacted Ordinance No. C-32575, which provides for the property tax exemption program for multiple housing in residential targeted areas. Pursuant to Ordinance No. C-33079, the City Council expanded the residential targeted areas. Pursuant to Ordinance No. C-35524, the regulations were revised, allowing for rental rates of up to 115% AMI. The State statute and the City ordinance require the City to approve the application regarding the tax exemption and the necessary construction requirements. This contract authorizes the appropriate city official to enter into the Multiple Family Housing Property Tax Exemption Agreement, which will ultimately result in the issuance of a final certificate of tax exemption to be filed with the Spokane County Assessor’s Office.

**Executive Summary:**
- **Applicant applying for a conditional contract to build a new 4-plex on a lot with an existing single-family home at 1608 E Hartson. The tax exemption will only apply to the new 4-plex and will not include the existing single-family home.**

MUTIPLE FAMILY HOUSING PROPERTY
TAX EXEMPTION AGREEMENT

THIS AGREEMENT is between the City of Spokane, a Washington State
municipal corporation, as “City”, and Nick Barnes, Brook Cunningham, and Andrew Mills
(BMC, LLC), as “Owner” whose business address is 10209 North Navaho Drive, Spokane,
WA 99208.

WITNESSETH:

WHEREAS, The City has, pursuant to the authority granted to it by Chapter 84.14
RCW, designated various residential targeted areas for the provision of a limited property
tax exemption for new and rehabilitated multiple family residential housing; and

WHEREAS, The City has, through SMC Chapter 8.15, enacted a program
whereby property owners may qualify for a Final Certificate of Tax Exemption which
certifies to the Spokane County Assessor that the Owner is eligible to receive the multiple
family housing property tax exemption; and

WHEREAS, The Owner is interested in receiving the multiple family property tax
exemption for new multiple family residential housing units in a residential targeted area;
and

WHEREAS, The Owner has submitted to the City a complete application form for
no fewer than a total of four new multiple family permanent residential housing units to be
constructed on property legally described as:

THE NORTH 90 FEET OF LOTS 11 AND 12, BLOCK 1, LIBERTY PARK
ADDITION TO SPOKANE FALLS (NOW SPOKANE), AS PER PLAT
RECORDED IN VOLUME “C” OF PLATS, PAGE 28; SITUATED IN THE CITY
OF SPOKANE, COUNTY OF SPOKANE, STATE OF WASHINGTON

Assessor’s Parcel Number(s) 35213.1810, commonly known as 1608 East
Hartson Avenue.

WHEREAS, The City has determined that the improvements will, if completed as
proposed, satisfy the requirements for a Final Certificate of Tax Exemption; NOW,
THEREFORE,

The City and the Owner do mutually agree as follows:

1. The City agrees to issue the Owner a Conditional Certificate of Acceptance
   of Tax Exemption subsequent to the City Council’s approval of this agreement.

2. The project must comply with all applicable zoning requirements, land use
   requirements, design review recommendations and all building, fire, and housing code
   requirements contained in the Spokane Municipal Code at the time a complete application
for a building permit is received. However, if the proposal includes rehabilitation or demolition in preparation for new construction, the residential portion of the building shall fail to comply with one or more standards of applicable building or housing codes, and the rehabilitation improvements shall achieve compliance with the applicable building and construction codes.

3. If the property proposed to be rehabilitated is not vacant, the Owner shall provide each existing tenant with housing of comparable size, quality and price and a reasonable opportunity to relocate.

4. The Owner intends to construct on the site, approximately four new multiple family residential housing units substantially as described in their application filed with and approved by the City. In no event shall such construction provide fewer than a total of four multiple family permanent residential housing units.

5. The Owner agrees to complete construction of the agreed-upon improvements within three years from the date the City issues the Conditional Certificate of Acceptance of Tax Exemption or within any extension granted by the City.

6. The Owner agrees, upon completion of the improvements and upon issuance by the City of a temporary or permanent certificate of occupancy, to file with the City’s Business & Development Services Department the following:

   (a) a statement of the actual development cost of each multiple family housing unit, and the total expenditures made in the rehabilitation or construction of the entire property;

   (b) a description of the completed work and a statement that the rehabilitation improvements or new construction of the Owner’s property qualifies the property for the exemption;

   (c) a statement that the project meets the affordable housing requirements, if applicable; and

   (d) a statement that the work was completed within the required three-year period or any authorized extension of the issuance of the conditional certificate of tax exemption.

7. The City agrees, conditioned on the Owner’s successful completion of the improvements in accordance with the terms of this Agreement and on the Owner’s filing of the materials described in Paragraph 6 above, to file a Final Certificate of Tax Exemption with the Spokane County Assessor indicating that the Owner is qualified for the limited tax exemption under Chapter 84.14 RCW.

8. The Owner agrees, within 30 days following the first anniversary of the County’s filing of the Final Certificate of Tax Exemption and each year thereafter for a period of twelve years, to file a declaration with the City’s Business and Development Services Department, verified upon oath and indicating the following:
(a) a statement of occupancy and vacancy of the multiple family units during the previous year;

(b) a certification that the property has not changed use and, if applicable, that the property has been in compliance with the affordable housing requirements as described in SMC 8.15.090 since the date of the filing of the Final Certificate of Tax Exemption, and continues to be in compliance with this Agreement and the requirements of SMC Chapter 8.15; and

(c) a description of any improvements or changes to the property made after the filing of the final certificate or last declaration.

9. The parties acknowledge that the units are to be used and occupied for multifamily residential use. The parties further acknowledge that the certificate of occupancy issued by the City is for multifamily residential units. The Owner acknowledges and agrees that the units shall be used primarily for residential occupancy and any business activities shall only be incidental and ancillary to the residential occupancy.

10. If the Owner converts to another use any of the multiple family residential housing units constructed under this Agreement, or if applicable, if the owner intends to discontinue compliance with the affordable housing requirements as described in SMC 8.15.090 or any other condition to exemption, the Owner shall notify the Spokane County Assessor and the City’s Business and Development Services Department within 60 days of such change in use.

11. The Owner will have the right to assign its rights under this Agreement. The Owner agrees to notify the City promptly of any transfer of Owner’s ownership interest in the Site or in the improvements made to the Site under this Agreement.

12. The City reserves the right to cancel the Final Certificate of Tax Exemption should the Owner, its successors and assigns, fail to comply with any of the terms and conditions of this Agreement or of SMC Chapter 8.15.

13. No modifications of this Agreement shall be made unless mutually agreed upon by the parties in writing.

14. The Owner acknowledges its awareness of the potential tax liability involved if and when the property ceases to be eligible for the incentive provided pursuant to this agreement. Such liability may include additional real property tax, penalties and interest imposed pursuant to RCW 84.14.110. The Owner further acknowledges its awareness and understanding of the process implemented by the Spokane County Assessor’s Office for the appraisal and assessment of property taxes. The Owner agrees that the City is not responsible for the property value assessment imposed by Spokane County at any time during the exemption period.
15. In the event that any term or clause of this Agreement conflicts with applicable law, such conflict shall not affect other terms of this Agreement, which can be given effect without the conflicting term or clause, and to this end, the terms of this Agreement are declared to be severable.

16. Nothing in this Agreement shall permit or be interpreted to permit either party to violate any provision of Chapter 84.14 RCW or SMC Chapter 8.15.

17. This Agreement is subject to approval by the City Council.

Funding Board Project Agreement

Project Sponsor: City of Spokane  
Project Title: South Gorge Trail  
Project Number: 16-1471D  
Approval Date: 2/1/2018

A. PARTIES OF THE AGREEMENT

This Funding Board Project Agreement (Agreement) is entered into between the State of Washington by and through the Recreation and Conservation Funding Board (RCFB or funding board) and the Recreation and Conservation Office (RCO), P.O. Box 40917, Olympia, Washington 98504-0917 and City of Spokane (Sponsor, and primary Sponsor), 808 W Spokane Falls Blvd, Spokane, WA 99201-3317, and shall be binding on the agents and all persons acting by or through the parties.

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Per the Applicant Resolution/Authorizations submitted by all sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project, including but not limited to, full authority to: (1) sign an application to the funding board for grant assistance, (2) enter into this project agreement on behalf of the Sponsor(s) (including indemnification and waiver of sovereign immunity as provided therein), (3) enter any amendments thereto on behalf of the Sponsors, and (4) make any decisions and submissions required with respect to the project. Agreements and amendments must be signed by the Authorized Representative of all sponsors.

If a Sponsor wishes to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization, the Sponsor has the obligation to provide to RCO in writing a new Applicant Resolution/Authorization signed by its governing body. Unless a new Applicant Resolution/Authorization has been provided, RCO will be entitled to rely upon the fact that the current Authorized Representative/Agent has the authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (see Section 11. PROJECT REIMBURSEMENTS).

B. PURPOSE OF AGREEMENT

This Agreement sets out the terms and conditions by which a grant is made from the Aquatic Lands Enhancement Account and Outdoor Recreation Account of the State of Washington. The grant is administered by the Recreation and Conservation Office (RCO) to the Sponsor for the project named above per the director’s authority granted in RCW 79A.25.020.

C. DESCRIPTION OF PROJECT

The City of Spokane will use this grant for the renovation of two trailheads/parks within Spokane’s Peaceful Valley neighborhood, and construct approximately one mile of a non-motorized trail along the Spokane River between the trailheads. Additional primary scope elements include the development of the Glover Park boat slide and portions of the Peaceful Valley Conservation Area between the proposed trailheads to include picnic areas and natural landscaping. Connection to several short spur trails will provide access to the Spokane River. This trail segment will link neighborhoods, parks, other trail systems and create a new 3.5 mile loop with the Centennial Trail that can be accessed from downtown Spokane. The primary recreational opportunity created by this project is non-motorized trail access along the south shore of the Spokane River.

D. PERIOD OF PERFORMANCE

The period of performance begins on February 1, 2018 (project start date) and ends on July 31, 2019 (project end date). No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement or specifically provided for by WAC Titles 286, 420; or RCFB and/or SRFB policies published in RCO manuals as of the effective date of this agreement.

The Sponsor must request extensions of the period of performance at least 60 days before the project end date.

The Sponsor has obligations beyond this period of performance as described in Section F: Long-Term Obligations.

E. STANDARD TERMS AND CONDITIONS INCORPORATED

The Standard Terms and Conditions of the Project Agreement are hereby incorporated by reference as part of this Agreement.
F. LONG-TERM OBLIGATIONS
For this development and renovation project, the sponsor’s on-going obligations shall be in perpetuity and shall survive the completion/termination of this Project Agreement unless otherwise identified in the Agreement or as approved by the funding board. It is the intent of the funding board’s conversion policy (see Section 25: Long-Term Obligations Of The Project Sponsors) that all lands acquired and/or facilities and areas developed, renovated, or restored with funding assistance remain in the public domain in perpetuity.

G. PROJECT FUNDING
The total grant award provided by the funding board for this project shall not exceed $981,901.00. The funding board shall not pay any amount beyond that approved for grant funding of the project and within the funding board’s percentage as identified below. The Sponsor shall be responsible for all total project costs that exceed this amount. The minimum matching share provided by the Sponsor shall be as indicated below:

H. FEDERAL FUND INFORMATION
This Agreement is not a federal subaward. This Agreement is funded with a grant from the State of Washington.

I. RIGHTS AND OBLIGATIONS INTERPRETED IN LIGHT OF RELATED DOCUMENTS
All rights and obligations of the parties under this Agreement are further specified in and shall be interpreted in light of the Sponsor’s application and the project summary and eligible scope activities under which the Agreement has been approved as well as documents produced in the course of administering the Agreement, including the eligible scope activities, the milestones report, progress reports, and the final report. Provided, to the extent that information contained in such documents is irreconcilably in conflict with this Agreement, it shall not be used to vary the terms of the Agreement, unless those terms are shown to be subject to an unintended error or omission. This “Agreement” as used here and elsewhere in this document, unless otherwise specifically stated, has the meaning set forth in the definitions of the Standard Terms and Conditions.

J. AMENDMENTS TO AGREEMENT
Except as provided herein, no amendment (including without limitation, deletions) of any of the terms or conditions of this Agreement will be effective unless provided in writing signed by all parties. Extensions of the period of performance and minor scope adjustments consented to in writing (including email) by the Sponsor need only be signed by RCO’s director or designee, unless otherwise provided for in another agreement a Sponsor has with the RCO. This exception does not apply to a federal government Sponsor or a Sponsor that requests and enters into a formal amendment for extensions or minor scope adjustments.

It is the responsibility of a Sponsor to ensure that any person who signs an amendment on its behalf is duly authorized to do so, and such signature shall be binding on the Sponsor if the representative/agent signing has been authorized to do so by Applicant Resolution/Authorization provided to the RCO and such Applicant Resolution/Authorization has not been withdrawn by the governing body in a subsequent resolution.

Any amendment to this Agreement, unless otherwise expressly stated, shall be deemed to include all current federal, state, and local government laws and regulations, and funding board policies applicable and active and published in RCO manuals or on the RCO Website in effect as of the effective date of the amendment, without limitation to the subject matter of the amendment. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone.

K. COMPLIANCE WITH APPLICABLE STATUTES, RULES, AND RCFB-SRFB POLICIES
This agreement is governed by, and the Sponsor shall comply with, all applicable state and federal laws and regulations, including any applicable RCFB and/or SRFB policies published in RCO manuals or on the RCO Website as exist on the effective date of this Agreement and any amendments to this Agreement. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone.

L. SPECIAL CONDITIONS
1. Cultural Resources-Survey Required
Section 8 of this agreement requires compliance with Executive Order 05-05 and/or Section 106 of the National Historic Preservation Act. RCO has completed the initial consultation for this project and a cultural resources survey is required. The Sponsor must submit to RCO the survey and receive from RCO a Notice to Proceed before any
ground disturbing activities can begin. Construction started without a Notice to Proceed will be considered a breach of contract. In the event that archaeological or historic materials are discovered while conducting ground disturbing activities, work in the immediate vicinity must stop and the Sponsor must ensure compliance with the provisions found in Section 8 of this agreement.

All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

**SECTION 3. ASSIGNMENT**

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written consent of the RCO.

**SECTION 4. RESPONSIBILITY FOR PROJECT**

While the funding board undertakes to assist the Sponsor with the project by providing a grant pursuant to this Agreement, the project itself remains the sole responsibility of the Sponsor. The funding board undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement. The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project is Sponsored by more than one entity, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO has no responsibility for reviewing, approving, overseeing or supervising design or construction of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO will act only to confirm at a general, lay, and nontechnical level, solely for the purpose of compliance and payment and not for safety or suitability, that the project has apparently been completed as per the Agreement.

**SECTION 5. INDEMNIFICATION**

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor’s agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.
Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor’s agents, employees, contractors, subcontracts or vendors, of any tier, or any other persons for whom the Sponsor is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor’s negligence or the negligence of the Sponsor’s agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

This provision shall be included in any agreement between Sponsor and any contractors, subcontractor and vendor, of any tier.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or otherwise alleged improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor’s agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or otherwise alleged improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State’s, its agents’, officers’ and employees’ failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor’s own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

SECTION 6. INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the funding board or RCO. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of RCO, a funding board or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06 or Section 30B.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

SECTION 7. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the Sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the Sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

SECTION 8. COMPLIANCE WITH APPLICABLE LAW

The Sponsor is responsible for any and all costs or liability arising from the Sponsor’s failure to so comply with applicable law.

B. **Secular Use of Funds.** No funds awarded under this grant may be used to pay for any religious activities, worship, or instruction, or for lands and facilities for religious activities, worship, or instruction. Religious activities, worship, or instruction may be a minor use of the grant supported recreation and conservation land or facility.

C. **Wages and Job Safety.** The Sponsor agrees to comply with all applicable laws, regulations, and policies of the United States and the State of Washington or other jurisdiction which affect wages and job safety. The Sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.040. The Sponsor also agrees to comply with the provisions of the rules and regulations of the Washington State Department of Labor and Industries.

Participants are exempt from provisions related to rates of compensation only for environmental and trail maintenance work conducted pursuant to the conservation corps program.

D. **Archaeological and Cultural Resources.** RCO facilitates the review of applicable projects for potential impacts to archaeological sites and state cultural resources. The Sponsor must assist RCO in compliance with Governor’s Executive Order 05-05 or the National Historic Preservation Act before and after initiating ground-disturbing activity or construction, repair, installation, rehabilitation, renovation, or maintenance work on lands, natural resources, or structures. The funding board requires documented compliance with Executive Order 05-05 or Section 106 of the National Historic Preservation Act, whichever is applicable to the project. If a federal agency declines to consult, the Sponsor shall comply with the requirements of Executive Order 05-05. In the event that archaeological or historic materials are discovered during project activities, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification must be provided to the following: concerned Tribes' cultural staff and cultural committees, RCO, and the State Department of Archaeology and Historic Preservation. If human remains are discovered during project activity, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification provided to the concerned Tribe’s cultural staff and cultural committee, RCO, State Department of Archaeology, the coroner and local law enforcement in the most expeditious manner possible according to RCW 68.50.
E. Restrictions on Grant Use. No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature.

No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.

F. Debarment and Certification. By signing the Agreement with RCO, the Sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the Sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on Washington State Department of Labor and Industries' "Debarred Contractor List."

SECTION 9. RECORDS

A. Digital Records. If requested by RCO, the Sponsor must provide a digital file(s) of the project property and funded project site in a format specified by the RCO.

B. Maintenance. The Sponsor shall maintain books, records, documents, data and other evidence relating to this Agreement and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement. Sponsor shall retain such records for a period of six years from the date RCO deems the project complete, as defined in Section 11: PROJECT REIMBURSEMENTS. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

C. Access to Records and Data. At no additional cost, the records relating to the Agreement, including materials generated under the Agreement, shall be subject at all reasonable times to inspection, review or audit by RCO, personnel duly authorized by RCO, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. This includes access to all information that supports the costs submitted for payment under the grant and all findings, conclusions, and recommendations of the Sponsor's reports, including computer models and methodology for those models.

D. Public Records. Additionally, in compliance with RCW 77.85.130(8), Sponsor agrees to disclose any information in regards to expenditure of any funding received from the SRFB. By submitting any record to the State, Sponsor understands that the State may be requested to disclose or copy that record under the state public records law, currently codified at RCW 42.56. The Sponsor warrants that it possesses such legal rights as are necessary to permit the State to disclose and copy such document to respond to a request under state public records laws. The Sponsor hereby agrees to release the State from any claims arising out of allowing such review or copying pursuant to a public records act request, and to indemnify against any claims arising from allowing such review or copying and pay the reasonable cost of state's defense of such claims.

SECTION 10. PROJECT FUNDING
A. **Authority.** This Agreement is funded through a grant award from the recreation and conservation funding board per WAC 286 and/or the salmon recovery funding board per WAC 420. The director of RCO enters into this Agreement per delegated authority in RCW 79A.25.020 and 77.85.120.

C. **Before the Agreement.** No expenditure made, or obligation incurred, by the Sponsor before the project start date shall be eligible for grant funds, in whole or in part, unless specifically provided for by funding board policy, such as a waiver of retroactivity or program specific eligible pre-Agreement costs. For reimbursements of such costs, this Agreement must be fully executed and an original received by RCO. The dollar amounts identified in this Agreement may be reduced as necessary to exclude any such expenditure from reimbursement.

D. **Requirements for Federal Subawards.** Pre-Agreement costs before the federal award date in Section H: FEDERAL FUND INFORMATION are ineligible unless approved by the federal award agency (2 C.F.R § 200.458 (2013)).

E. **After the Period of Performance.** No expenditure made, or obligation incurred, following the period of performance shall be eligible, in whole or in part, for grant funds hereunder. In addition to any remedy the funding board may have under this Agreement, the grant amounts identified in this Agreement shall be reduced to exclude any such expenditure from participation.

**SECTION 11. PROJECT REIMBURSEMENTS**

A. **Reimbursement Basis.** This Agreement is administered on a reimbursement basis per WAC 286-13 and/or 420-12. Only the primary Sponsor may request reimbursement for eligible and allowable costs incurred during the period of performance. The primary Sponsor may only request reimbursement after (1) this Agreement has been fully executed and (2) the Sponsor has remitted payment to its vendors. RCO will authorize disbursement of project funds only on a reimbursable basis at the percentage as defined in Section G: PROJECT FUNDING. Reimbursement shall not be approved for any expenditure not incurred by the Sponsor or for a donation used as part of its matching share. RCO does not reimburse for donations. All reimbursement requests must include proper documentation of expenditures as required by RCO.

B. **Reimbursement Request Frequency.** The primary Sponsor is required to submit a reimbursement request to RCO, at a minimum for each project at least once a year for reimbursable activities occurring between July 1 and June 30 or as identified in the milestones. Sponsors must refer to the most recently published/adopted RCO policies and procedures regarding reimbursement requirements.

C. **Compliance and Payment.** The obligation of RCO to pay any amount(s) under this Agreement is expressly conditioned on strict compliance with the terms of this Agreement and other agreements between RCO and the Sponsor.

D. **Retainage Held Until Project Complete.** RCO reserves the right to withhold disbursement of the total amount of the grant to the Sponsor until the project has been completed. A project is considered "complete" when:

1. All approved or required activities outlined in the Agreement are done;
2. On-site signs are in place (if applicable);
3. A final project report is submitted to and accepted by RCO;
4. Any other required documents and media are complete and submitted to RCO;
5. A final reimbursement request is submitted to RCO;

6. The completed project has been accepted by RCO;

7. Final amendments have been processed;

8. Fiscal transactions are complete, and

9. RCO has accepted a final boundary map, if requested by RCO, for which the Agreement terms will apply in the future.

10. Notice of Grant (if applicable) filed with the county lands records office and a stamped copy received by RCO

E. Requirements for Federal Subawards: Match. The Sponsor’s matching share must comply with 2 C.F.R. § 200.306 (2013). Any shared costs or matching funds and all contributions, including cash and third party in-kind contributions, can be accepted as part of the Sponsor’s matching share when such contributions meet all of the following criteria:

1. Are verifiable from the non-Federal entity’s (Sponsor’s) records;

2. Are not included as contributions for any other Federal award;

3. Are necessary and reasonable for accomplishment of project or program objectives;

5. Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;

7. Conform to other provisions of 2 C.F.R. Part 200, Subpart D—Post Federal Award Requirements (2013), as applicable.

F. Requirements for Federal Subawards: Close out. Per 2 C.F.R § 200.343 (2013), the non-Federal entity (Sponsor) must:

1. Submit, no later than 90 calendar days after the end date of the period of performance, all financial, performance, and other reports as required by the terms and conditions of the Federal award. The Federal awarding agency or pass-through entity (RCO) may approve extensions when requested by the Sponsor.

2. Liquidate all obligations incurred under the Federal award not later than 90 calendar days after the end date of the period of performance as specified in the terms and conditions of the Federal award.

3. Refund any balances of unobligated cash that the Federal awarding agency or pass-through entity (RCO) paid in advance or paid and that are not authorized to be retained by the non-Federal entity (Sponsor) for use in other projects. SECTION 12. ADVANCE PAYMENTS

Advance payments of or in anticipation of goods or services are not allowed unless approved by the RCO director and are consistent with legal requirements and Manual 8: Reimbursements. See WAC 420-12.

SECTION 13. RECOVERY OF PAYMENTS

A. Recovery for Noncompliance. In the event that the Sponsor fails to expend funds under this Agreement in accordance with state and federal laws, and/or the provisions of the Agreement, or meet its percentage of the project total, RCO reserves the right to recover grant award funds in the amount equivalent to the extent of noncompliance in addition to any other remedies available at law or in equity.

B. Overpayment Payments. The Sponsor shall reimburse RCO for any overpayment or erroneous payments made under the Agreement. Repayment by the Sponsor of such funds under this recovery provision shall occur within 30 days of demand by RCO. Interest shall accrue at the rate of twelve percent (12%) per annum from the time that payment becomes due and owing.

C. Requirements for Federal Subawards. RCO, acting as a pass-through entity, may impose any of the remedies as authorized in 2 C.F.R §§ 200.207 Specific conditions and/or 200.338 Remedies for noncompliance (2013).

SECTION 14. COVENANT AGAINST CONTINGENT FEES

The Sponsor warrants that no person or selling agent has been employed or retained to solicit or secure this Agreement on an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agents maintained by the Sponsor for the purpose of securing business. RCO shall have the right, in the event of breach of this clause by the Sponsor, to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement grant amount or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

SECTION 15. INCOME (AND FEES) AND USE OF INCOME

RCFB Projects. See WAC 286-13-110 for additional requirements for projects funded from the RCFB.

A. Income.

1. Farm and Forest Account (Farmland and Forestland Preservation Grants). Excepted from this section is income generated and fees paid on/for properties which received funds from the Farm and Forest Account (RCW 79A.15.130).

2. Firearms and Archery Range Recreation Projects. Excepted from this section are safety classes (firearm and/or hunter) for which a facility/range fee must not be charged (RCW 79A.25.210).

3. Compatible source. The source of any income generated in a funded project or project area must be compatible with the funding source and the Agreement and any policies adopted by the RCFB or SRFB.
B. **Use of Income.** Subject to any limitations contained in applicable state or federal law and applicable rules and policies, income or fees generated at a project work site (including entrance, utility corridor permit, cattle grazing, timber harvesting, farming, etc.) during or after the reimbursement period cited in the Agreement, must be sed to offset:

1. The Sponsor’s matching resources;

2. The project’s total cost;

3. The expense of operation, maintenance, stewardship, monitoring, and/or repair of the facility or program assisted by the funding board grant;

4. The expense of operation, maintenance, stewardship, monitoring, and/or repair of other similar units in the Sponsor’s system;

5. Capital expenses for similar acquisition and/or development and renovation; and/or

6. Other purposes explicitly approved by RCO

C. **Fees.** User and/or other fees may be charged in connection with land acquired or facilities developed, maintained, renovated, or restored with funding board grants if the fees are consistent with the:

1. Grant program laws, rules, policies, and funding board policies;

2. Value of any service(s) furnished;

3. Value of any opportunities furnished; and

4. Prevailing range of public fees in the state for the activity involved.

**SECTION 16. PROCUREMENT REQUIREMENTS**

A. **Procurement Requirements.** If the Sponsor has, or is required to have, a procurement process that follows applicable state and/or federal law or procurement rules and principles, it must be followed, documented, and retained. If no such process exists the Sponsor must follow these minimum procedures:

1. Publish a notice to the public requesting bids/proposals for the project;

2. Specify in the notice the date for submittal of bids/proposals;

3. Specify in the notice the general procedure and criteria for selection; and

4. Sponsor must contract or hire from within its bid pool. If bids are unacceptable the process needs to be repeated until a suitable bid is selected.

5. Comply with the same legal standards regarding unlawful discrimination based upon race, gender, ethnicity, sex, or sex-orientation that are applicable to state agencies in selecting a bidder or proposer.

Alternatively, Sponsor may choose a bid from a bidding cooperative if authorized to do so.
This procedure creates no rights for the benefit of third parties, including any proposers, and may not be enforced or subject to review of any kind or manner by any entity other than the RCO. Sponsors may be required to certify to the RCO that they have followed any applicable state and/or federal procedures or the above minimum procedure where state or federal procedures do not apply.

B. Requirements for Federal Subawards.

2. For RTP subawards, Sponsors follow such policies and procedures allowed by the State when procuring property and services under a Federal award (2 C.F.R § 1201.317 (2013)). State procurement policies are in subsection A of this section.

SECTION 17. TREATMENT OF EQUIPMENT AND ASSETS

Equipment shall be used and managed only for the purpose of this Agreement, unless otherwise provided herein or in published funding board policies, or approved by RCO in writing.

A. Discontinued Use. Equipment obtained under this Agreement shall remain in the possession of the Sponsor for the duration of the project, or RULES of applicable grant assisted program. When the Sponsor discontinues use of the equipment for the purpose for which it was funded, RCO may require the Sponsor to deliver the equipment to RCO, or to dispose of the equipment according to RCO published policies.

B. Loss or Damage. The Sponsor shall be responsible for any loss or damage to equipment.

C. Requirements for Federal Subawards. Except in the RTP, procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a Federal award or match for the award, until disposition takes place will, at a minimum, meet the following requirements (2 C.F.R § 200.313 (2013)):

1. Property records must be maintained that include a description of the property, a serial number or other identification number, the source of funding for the property (including the Federal Award Identification Number), who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the project costs for the Federal award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

2. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

3. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.

4. Adequate maintenance procedures must be developed to keep the property in good condition.

5. If the non-Federal entity is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

D. Requirements for RTP Subawards.

1. The subrecipient (Sponsor) shall follow such policies and procedures prescribed by and allowed by the State, as well as federal law and federal rules issued by the Federal Highways Administration and 2 CFR 200.
2. Sponsor may be required to pay prevailing wage rates as required by the Davis Bacon Act as amended.

SECTION 18. RIGHT OF INSPECTION

The Sponsor shall provide right of access to the project to RCO, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, long-term obligations, compliance, and/or quality assurance under this Agreement.

If a landowner agreement or other form of control and tenure as described in Section 23.C: Control and Tenure has been executed, it will further stipulate and define the funding board and RCO's right to inspect and access lands acquired or developed with funding board assistance.

SECTION 19. STEWARDSHIP AND MONITORING

Sponsor agrees to perform monitoring and stewardship functions as stated in funding board policy, this Agreement, or as otherwise directed by RCO consistent with existing policies. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the funding board.

SECTION 20. PREFERENCES FOR RESIDENTS

Sponsors shall not express a preference for users of grant assisted projects on the basis of residence (including preferential reservation, membership, and/or permit systems) except that reasonable differences in admission and other fees may be maintained on the basis of residence. Fees for nonresidents must not exceed twice the fee imposed on residents. Where there is no fee for residents but a fee is charged to nonresidents, the nonresident fee shall not exceed the amount that would be imposed on residents at comparable state or local public facilities.

SECTION 21. ACKNOWLEDGMENT AND SIGNS

A. Publications. The Sponsor shall include language which acknowledges the funding contribution of the applicable grant program to this project in any release or other publication developed or modified for, or referring to, the project during the project period and in the future.

B. Signs.

1. During the period of performance through the period of long-term obligation, the Sponsor shall post openly visible signs or other appropriate media at entrances and other locations on the project area that acknowledge the applicable grant program's funding contribution, unless exempted in funding board policy or waived by the director; and

2. During the period of long-term obligation, the Sponsor shall post openly visible signs or other appropriate media at entrances and other locations to notify the public of the availability of the site for reasonable public access.

C. Ceremonies. The Sponsor shall notify RCO no later than two weeks before a dedication ceremony for this project. The Sponsor shall verbally acknowledge the applicable grant program's funding contribution at all dedication ceremonies.

D. Federally Funded Projects. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing a project funded in whole or in part with federal money provided for in this grant, Sponsors shall clearly state:

1. The fund source;

2. The percentage of the total costs of the project that is financed with federal money;
3. The dollar amount of federal funds for the project; and

4. The percentage and dollar amount of the total costs of the project that is financed by nongovernmental sources.

SECTION 22. PROVISIONS FOR BOATING PROJECT GRANTS

If requested by RCO, or required per state or federal law or rule with respect to any project or project element that supports recreational boating, Sponsor shall manage the project or project element per federal rules to include 2 C.F.R. Part 200, and place a United States Coast Guard (or other federal agency) logo and funding program information at the project site.

SECTION 23. PROVISIONS APPLYING TO DEVELOPMENT, MAINTENANCE, RENOVATION, AND RESTORATION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is for construction of land or facilities in a development, maintenance, renovation or restoration project:

A. Operations and Maintenance. Properties, structures, and facilities developed, maintained, or operated with the assistance of money granted by the board and within the project area shall be built, operated, and maintained according to applicable regulations, laws, building codes, and health and public safety standards to assure a reasonably safe condition and to prevent premature deterioration (WAC 286.13.130). It is the Sponsor's sole responsibility to ensure the same are operated and maintained in a safe and operable condition. The RCO does not conduct safety inspections or employ or train staff for that purpose.

B. Document Review and Approval. Prior to commencing construction or finalizing the design, the Sponsor agrees to submit one copy of all construction and restoration plans and specifications to RCO for review solely for compliance with the scope of work to be identified in the Agreement. RCO does not review for, and disclaims any responsibility to review for safety, suitability, engineering, compliance with code, or any matters other than the scope so identified. Although RCO staff may provide tentative guidance to a Sponsor on matters related to site accessibility by persons with a disability, it is the Sponsor's responsibility to confirm that all legal requirements for accessibility are met even if the RCO guidance would not meet such requirements.

1. Change orders that impact the amount of funding or changes to the scope of the project as described to and approved by the funding board or RCO must receive prior written approval of the board or RCO.

C. Control and Tenure. The Sponsor must provide documentation that shows appropriate tenure (such as landowner agreement, long-term lease, easement, or fee simple ownership) for the land proposed for construction. The documentation must meet current RCO requirements identified in the appropriate grant program policy manual as of the effective date of this Agreement and determines the long-term compliance period unless otherwise approved by the board.

D. Nondiscrimination. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project:

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."

SECTION 24. PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is an acquisition project (including projects with any acquisition component):

A. Evidence of Land Value. Before disbursement of funds by RCO as provided under this Agreement, the Sponsor agrees to supply documentation acceptable to RCO that the cost of the property rights acquired has been established according to funding board policy.

B. Evidence of Title. The Sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.

C. Legal Description of Real Property Rights Acquired. The legal description of the real property rights purchased with funding assistance provided through this Agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be delivered to RCO before final payment.

D. Conveyance of Rights to the State of Washington. When real property rights (both fee simple and lesser interests) are acquired, the Sponsor agrees to execute an appropriate document conveying certain rights and responsibilities to RCO, on behalf of the State of Washington. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The Sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the funding board project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.

1. Deed of Right. The Deed of Right conveys to the people of the state of Washington the right to preserve, protect, access, and/or use the property for public purposes consistent with the funding source and project agreement. See WAC 286 or 420. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the Sponsor has acquired a perpetual easement for public purposes.

2. Assignment of Rights. The Assignment of Rights document transfers certain rights to RCO and the state such as public access, access for compliance, and enforcement. Sponsors shall use this document when an easement or lease is being acquired under this Agreement. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.

3. Easements and Leases. The Sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; Sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.
E. **Real Property Acquisition and Relocation Assistance.**

1. **Federal Acquisition Policies.** When federal funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 84 Stat. 1894 (1970)—Public Law 91-646, as amended, and applicable regulations and procedures of the federal agency implementing that Act.

2. **State Acquisition Policies.** When state funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policy of the State of Washington, Chapter 8.26 RCW, and Chapter 468-100 WAC.

3. **Housing and Relocation.** In the event that housing and relocation costs, as required by federal law set out in subsection (1) above and/or state law set out in subsection (2) above, are involved in the execution of this project, the Sponsor agrees to provide any housing and relocation assistance required.

F. **Buildings and Structures.** In general, grant funds are to be used for outdoor recreation, conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsor must consult with RCO regarding treatment of such structures and compliance with Section 8.D Archeological and Cultural Resources.

G. **Hazardous Substances.**

1. **Certification.** The Sponsor shall inspect, investigate, and conduct an environmental audit of the proposed acquisition site for the presence of hazardous substances, as defined in RCW 70.105D.020(13), and certify:

   a. No hazardous substances were found on the site, or

   b. Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."

2. **Responsibility.** Nothing in this provision alters the Sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.

3. **Hold Harmless.** The Sponsor will defend, protect and hold harmless the State and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the Sponsor is acquiring, except to the extent, if any, that the State, its officers and agents caused or contributed to the release. The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

H. **Requirements for Federal Subawards.** The non-federal entity (Sponsor) must submit reports at least annually on the status of real property in which the federal government retains an interest, unless the federal interest in the real property extends 15 years or longer. In those instances where the federal interest attached is for a period of 15 years or more, the federal awarding agency or the pass-through entity (RCO), at its option, may require the Sponsor to report at various multi-year frequencies (e.g., every two years or every three years, not to exceed a five-year reporting period; or a federal awarding agency or RCO may require annual reporting for the first three years of a federal award and thereafter require reporting every five years) (2 C.F.R § 200.329 (2013)).
A. **Long-Term Obligations of RCFB Projects.** Sponsor shall comply with WAC 286-13-160, 170, and 180.

B. **Long-Term Obligations of SRFB Projects.** Sponsor shall comply with WAC 420.

C. **Perpetuity.** For acquisition, development, and restoration projects, or a combination thereof, unless otherwise allowed by policy, program rules, or this Agreement, or approved in writing by RCO or the funding board, RCO requires that the project area continue to function as intended after the period of performance in perpetuity.

D. **Conversion.** The Sponsor shall not at any time convert any real property (including any interest therein) or facility acquired, developed, renovated, and/or restored pursuant to this Agreement, unless provided for in applicable statutes, rules, and policies. Conversion includes, but is not limited to, putting such property to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. Also see WAC Title 286 or 420 and applicable policies. All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policy or unless a transfer or change in use is approved by the funding board through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon this Agreement, applicable law and RCFB/SRFB policies.

For acquisition projects that are expressly term limited in the Agreement, such as one involving a lease or a term-limited restoration, renovation or development project or easement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided in this Agreement, by funding board policy, other RCO approved written documents, or required by applicable state or federal law.

When a conversion has been determined to have occurred, the Sponsor is required to remedy the conversion per established funding board policies, and the board or RCO may pursue such remedies as are allowed by law and board policies, and/or this Agreement.

**SECTION 26. CONSTRUCTION, OPERATION, USE AND MAINTENANCE OF ASSISTED PROJECTS**

The following provisions shall be in force only if the project described in this Agreement is an acquisition, development, maintenance, renovation, or restoration project:

A. **Property and facility operation and maintenance.** Sponsor must ensure that properties or facilities assisted with funding board funds, including undeveloped sites, are built, operated, used, and maintained:

1. According to applicable federal, state, and local laws and regulations, including public health standards and building codes;

2. In a reasonably safe condition for the project’s intended use;

3. Throughout its estimated useful service life so as to prevent undue deterioration;

4. In compliance with all federal and state nondiscrimination laws, regulations and policies.

B. **Open to the public.** Unless otherwise specifically provided for in the Agreement of funding board policies, and in compliance with applicable statutes, rules, and funding board policies, facilities must be open and accessible to the general public, and must:
1. Be constructed, maintained, and operated to meet or exceed the minimum requirements of the most current guidelines or rules, local or state codes, Uniform Federal Accessibility Standards, guidelines, or rules, including but not limited to: the International Building Code, the Americans with Disabilities Act, and the Architectural Barriers Act, as amended and updated.

2. Appear attractive and inviting to the public except for brief installation, construction, or maintenance periods.

3. Be available for appropriate use by the general public at reasonable hours and times of the year, according to the type of area or facility, unless otherwise stated in RCO manuals, by a decision of the board, or by RCO in writing. Sponsor shall notify the public of the availability for use by posting and updating that information on its website and by maintaining at entrances and/or other locations openly visible signs with such information.

SECTION 27.  RECORDED NOTICE OF GRANT

At the request of RCO, Sponsor shall record a notice of grant on the property and shall submit to the RCO a recorded and registry stamped copy of such notice. The purpose of the notice of grant is to ensure that the present and future use of the facility is and shall remain subject to the terms and conditions described in this Agreement. The notice of grant shall be in a format specified by RCO.

SECTION 28.  PROVISIONS RELATED TO CORPORATE (INCLUDING NONPROFIT) SPONSORS

A corporate Sponsor, including any nonprofit Sponsor, shall:

   A. Maintain corporate status with the state, including registering with the Washington Secretary of State’s office, throughout the Sponsor’s obligation to the project as identified in the Agreement.

   B. Notify RCO before corporate dissolution at any time during the period of performance or long-term obligations. Within 30 days of dissolution the Sponsor shall name a qualified successor that will agree in writing to assume any on-going project responsibilities, and transfer all property and assets to the successor. A qualified successor is any party eligible to apply for funds in the subject grant program and capable of complying with the terms and conditions of this Agreement. RCO will process an amendment transferring the Sponsor’s obligation to the qualified successor if requirements are met.

   C. Maintain sites or facilities open to the public and may not limit access to members.

SECTION 29.  PROVISIONS FOR FEDERAL SUBAWARDS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded with a federal subaward as identified in Section H: FEDERAL FUND Information:

   A. **Sub-Recipient** (Sponsor) must comply with the cost principles of 2 C.F.R. Part 200 Subpart E (2013). Unless otherwise indicated, the cost principles apply to the use of funds provided under this Agreement to include match and any in-kind matching donations. The applicability of the cost principles depends on the type of organization incurring the costs.

   B. **Binding Official.** Per 2 CFR 200.415, Sponsor certifies through its actions or those of authorized staff, at the time of a request for reimbursement, the following: “To the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

1. Federally Assisted Construction Contract. The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

2. Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

D. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities (Sponsors) must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity (Sponsor) must report all suspected or reported violations to the federal awarding agency identified in Section H: Federal Fund Information.

The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S. C. 3145), as supplemented by Department of Labor regulations (29 C.F.R Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient (Sponsor) must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity (Sponsor) must report all suspected or reported violations to the Federal awarding agency identified in Section H: Federal Fund Information.
E. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-federal entity (Sponsor) in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

F. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 C.F.R § 401.2(a) and the recipient or subrecipient (Sponsor) wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient (Sponsor) must comply with the requirements of 37 C.F.R Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

G. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as Amended.** Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency identified in Section H: Federal Fund Information and the Regional Office of the Environmental Protection Agency (EPA).

H. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** By signing this Agreement, the Sponsor certifies (per the certification requirements of 31 U.S.C.) that none of the funds that the Sponsor has (directly or indirectly) received or will receive for this project from the United States or any agency thereof, have been used or shall be used to engage in the lobbying of the Federal Government or in litigation against the United States. Such lobbying includes any influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this project. Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

J. **Required Insurance.** The non-federal entity (Sponsor) must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with federal funds as provided to property owned by the non-federal entity. C. **Length of Insurance.** The policy, endorsement or other addition, or a similar liability insurance policy meeting the requirements of this section, shall be kept in force throughout the Sponsor’s obligation to the project as identified in this Agreement in Section F. **LONG-TERM OBLIGATIONS.**

D. **Notice of Cancellation.** The policy, as modified by any endorsement or other addition, shall provide that the issuing company shall give written notice to RCO not less than thirty (30) calendar days in advance of any cancellation of the policy by the insurer, and within ten (10) calendar days following any termination of the policy by the Sponsor.

E. **Government Agencies.** The requirement of Subsection A through D above shall not apply if the Sponsor is a federal, state, or municipal government which has established a program of self-insurance or a policy of self-insurance with respect to claims arising from its facilities or activities generally, including such facilities as firearms or archery ranges, when the applicant declares and describes that program or policy as a part of its application to the funding board.

F. **Sole Duty of the Sponsor.** By this requirement, the funding board and RCO does not assume any duty to any individual person with respect to death, injury, or damage to property which that person may suffer while present at, or in the vicinity of, the facility to which this grant relates. Violation of this requirement may be grounds for terminating this Agreement. This section shall not be the basis for any enforcement responsibility by RCO.
SECTION 35. PROVISIONS FOR PUGET SOUND ACQUISITION AND RESTORATION PROJECTS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded in part or wholly from the Puget Sound Acquisition and Restoration program.

The Sponsor agrees to the following terms and conditions:

A. Cost Principles/Indirect Costs For State Agencies. GRANT RECIPIENT agrees to comply with the cost principles of 2 CFR 200 Subpart E as appropriate to the award. In addition to the US Environmental Protection Agency’s General Terms and Conditions “Indirect Cost Rate Agreements,” if the recipient does not have a previously established indirect cost rate, it agrees to prepare and submit its indirect cost rate proposal in accordance with 2 CFR 200 Appendix VII.

B. Credit and Acknowledgement. In addition to Section 21: Acknowledgement and Signs, materials produced must display both the Environmental Protection Agency (EPA) and Puget Sound Partnership (PSP) logos and the following credit line: “This project has been funded wholly or in part by the United States Environmental Protection Agency. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.” This requirement is for the life of the product, whether during or after the Agreement period of performance.

C. Hotel Motel Fire Safety Act. Sponsor agrees to ensure that all conference, meeting, convention, or training space funded in whole or part with federal funds, complies with the federal Hotel and Motel Fire Safety Act (PL 101-391, as amended). Sponsors may search the Hotel-Motel National Master List @ http://www.usfa.dhs.gov/applications/hotel to see if a property is in compliance or to find other information about the Act.

D. Drug Free Workplace Certification. Sub-recipient (Sponsor) shall make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in 2 C.F.R. Part 1536 Subpart B. Additionally, in accordance with these regulations, the recipient organization shall identify all known workplaces under its federal awards, and keep this information on file during the performance of the award. Sponsors who are individuals must comply with the drug-free provisions set forth in 2 C.F.R. Part 1536 Subpart C. The consequences for violating this condition are detailed under 2 C.F.R. Part 1536 Subpart E.

E. Management Fees. Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to the expenses added to direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities or for other similar costs that are not allowable. Management fees or similar charges may not be used to improve or expand the project funded under this Agreement, except for the extent authorized as a direct cost of carrying out the scope of work.

F. Trafficking in Persons and Trafficking Victim Protection Act of 2000 (TVPA). This provision applies only to a sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor), if any. Sub-recipient (Sponsor) shall include the following statement in all sub-awards made to any private entity under this Agreement.

"You as the sub-recipient, your employees, sub-awardees under this award, and sub-awardees’ employees may not engage in severe forms of trafficking in persons during the period of time that the award is in effect; procure a commercial sex act during the period of time that the award is in effect; or use forced labor in the performance of the award or sub-awards under this Award."

The sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor) must inform RCO immediately of any information you receive from any source alleging a violation of this prohibition during the award term.
The federal agency funding this Agreement may unilaterally terminate, without penalty, the funding award if this prohibition is violated, Section 106 of the Trafficking Victims Protection Act of 2000, as amended.

G. **Lobbying.** The chief executive officer of this recipient agency (Sponsor) shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States, unless authorized under existing law. The recipient (Sponsor) shall abide by its respective Cost Principles (OMB Circulars A-21, A-87, and A-122), which generally prohibits the use of federal grant funds for litigation against the United States, or for lobbying or other political activities.

The Sponsor agrees to comply with 40 C.F.R. Part 34, New Restrictions on Lobbying. Sponsor shall include the language of this provision in award documents for all sub-awards exceeding $100,000, and require that sub-awardees submit certification and disclosure forms accordingly.

In accordance with the Byrd Anti-Lobbying Amendment, any Sponsor who makes a prohibited expenditure under 40 C.F.R. Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each expenditure.

All contracts awarded by Sponsor shall contain, when applicable, the anti-lobbying provisions as stipulated in the Appendix at 40 C.F.R. Part 30.

Pursuant to Section 18 of the Lobbying Disclosure Act, Sponsor affirms that it is not a non-profit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986; or that it is a non-profit organization described in Section 501(c)(4) of the code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act.

H. **Reimbursement Limitation.** If the Sponsor expends more than the amount of RCO funding in this Agreement in anticipation of receiving additional funds from the RCO, it does so at its own risk. RCO is not legally obligated to reimburse the Sponsor for costs incurred in excess of the RCO approved budget.

I. **Disadvantaged Business Enterprise Requirements.** The Sponsor agrees to comply with the requirements of EPA's Utilization of Small, Minority and Women's Business Enterprises in procurements made under this award.

J. **Minority and Women's Business Participation.** Sponsor agrees to solicit and recruit, to the maximum extent possible, certified minority owned (MBE) and women owned (WBE) businesses in purchases and contracts initiated after the effective date of this Agreement.

These goals are expressed as a percentage of the total dollars available for purchase or agreement and are as follows:

- Purchased Goods 8% MBE 4% WBE
- Purchased Services 10% MBE 4% WBE
- Professional Services 10% MBE 4% WBE

Meeting these goals is voluntary and no agreement award or rejection shall be made based on achievement or non-achievement of the goals. Achievement of the goals is encouraged, however, and Sponsor and ALL prospective bidders or people submitting qualifications shall take the following affirmative steps in any procurement initiated after the effective date of this Agreement:

1. Include qualified minority and women’s businesses on solicitation lists.
2. Assure that qualified minority and women’s business are solicited whenever they are potential sources of services or supplies.
3. Divide the total requirements, when economically feasible, into smaller tasks or quantities, to permit maximum participation by qualified minority and women’s businesses.

4. Establish delivery schedules, where work requirements permit, which will encourage participation of qualified minority and women’s businesses.

5. Use the services and assistance of the State Office of Minority and Women’s Business Enterprises (OMWBE) and the Office of Minority Business Enterprises of the U.S. Department of Commerce, as appropriate.

K. MBE/WBE Reporting. In accordance with the deviation from 40 C.F.R. §33.502, signed November 8, 2013, DBE reporting is limited to annual reports and only required for assistance agreements where one or more of the following conditions are met:

1. There are any funds budgeted in the contractual/services, equipment or construction lines of the award;

2. $3,000 or more is included for supplies; or

3. There are funds budgeted for subawards or loans in which the expected budget(s) meet the conditions as

4. Described in items (a) and (b).

When completing the form, recipients (Sponsors) should disregard the quarterly and semi-annual boxes in the reporting period Section 1B of the form. For annual submissions, the reports are due by October 30th of each year or 90 days after the end of the project period, whichever comes first.

The reporting requirement is based on planned procurements. Recipients (Sponsors) with funds budgeted for non-supply procurement and/or $3,000 or more in supplies are required to report annually whether the planned procurements take place during the reporting period or not. If no procurements take place during the reporting period, the recipient should check the box in Section 5B when completing the form.

MBE/WBE reports should be sent to the DBE Coordinator in the Sponsor’s region. Contact information can be found at http://www.epa.gov/osbp/contactpage.htm. The coordinators also can answer any questions.

Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. To be in compliance with regulations, the Sponsor must submit a final MBE/WBE report. Non-compliance may impact future competitive grant proposals. The current EPA Form 5700-52A can be found at the EPA Office of Small Business Program’s Home Page at http://www.epa.gov/osbp/dbe_reporting.htm.

L. Procurement involving an EPA Financial Assistance Agreement. Pursuant to 40 C.F.R. § 33.301, the Sponsor agrees to make the following six good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to require that sub-recipient (Sponsors), and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

1. Ensure Disadvantaged Business Enterprise (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government Sponsors, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.

3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government Sponsors, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.

4. Encourage contracting with a consortium of DBEs when an agreement is too large for one of these firms to handle individually.

5. Use the services and assistance of the Small Business Administration (SBA) and the Minority Business Development of the Department of Commerce.

6. If the Sponsor awards subcontracts, require the Sponsor to take the steps in paragraphs (a) through (e) of this section.

M. **Lobbying & Litigation.** By signing this Agreement, the Sponsor certifies that none of the funds received from this Agreement shall be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

The chief executive officer of this Sponsor agency shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. The Sponsor shall abide by its respective Attachment in 2 C.F.R. Part 200, which prohibits the use of federal grant funds for litigation against the United States or for lobbying or other political activities.

For subawards exceeding $100,000, EPA requires the following certification and disclosure forms:

3. Legal expenses required in the administration of Federal programs are allowable. Legal expenses for prosecution of claims against the Federal Government are unallowable.

N. **Payment to Consultants.** EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by recipients (Sponsors) or by recipients' (Sponsor's) contractors or subcontractors shall be limited to the maximum daily rate for Level IV of the Executive Schedule (formerly GS-18), to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed (the recipient will pay these in accordance with his/her normal travel reimbursement practices).

Subagreements with firms for services that are awarded using the procurement requirements in 40 C.F.R. Parts 30 or 31, are not affected by this limitation unless the terms of the contract provide the recipient (Sponsor) with responsibility for the selection, direction and control of the individual who will be providing services under the contract at an hourly or daily rate of compensation. See 40 C.F.R. § 30.27(b) or 40 C.F.R. § 31.369(j), as applicable, for additional information.

As of January 1, 2014, the limit is $602.24 per day $75.28 per hour.
O. **Peer Review.** Where appropriate, prior to finalizing any significant technical products the Principal investigator (PI) of this project must solicit advice, review, and feedback from a technical review or advisory group consisting of relevant subject matter specialists. A record of comments and a brief description of how respective comments are addressed by the PI will be provided to the Project Monitor prior to releasing any final reports or products resulting from the funded study.

P. **International Travel (Including Canada).** All International Travel must be approved by the US Environmental Protection Agency’s Office of International and Tribal Affairs (OITA) BEFORE travel occurs. Even a brief trip to a foreign country, for example to attend a conference, requires OITA approval. Please contact your Partnership Project manager as soon as possible if travel is planned out of the country, including Canada and/or Mexico, so that they can submit a request to the EPA Project Officer if they approve of such travel.

Q. **Unliquidated Obligations (ULO).** Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

**SECTION 36. ORDER OF PRECEDENCE**

This Agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the Agreement shall be construed to conform to those laws. In the event of a direct and irreconcilable conflict between the terms of this Agreement and any applicable statute, rule, or policy or procedure, the conflict shall be resolved by giving precedence in the following order:

1. Federal law and binding executive orders;
2. Code of federal regulations;
3. Terms and conditions of a grant award to the state from the federal government;
4. Federal grant program policies and procedures adopted by a federal agency that are required to be applied by federal law;
5. State law (constitution, statute);
6. Washington Administrative Code;
7. Funding board or RCO policies.

**SECTION 37. LIMITATION OF AUTHORITY**

Only RCO’s Director or RCO’s delegate by writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

**SECTION 38. WAIVER OF DEFAULT**

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director’s designee, and attached as an amendment to the original Agreement.

**SECTION 39. APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH**
The funding board and RCO rely on the Sponsor’s application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SECTION 40. SPECIFIC PERFORMANCE

The funding board and RCO may enforce this Agreement by the remedy of specific performance, which usually will mean completion of the project as described in this Agreement and/or enforcement of long-term obligations. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the funding board or RCO shall be deemed exclusive. The funding board or RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

SECTION 41. TERMINATION AND SUSPENSION

The funding board and RCO will require strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules and all funding board and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by the funding board. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

1. The funding board or the director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
   a. If the Sponsor breaches any of the Sponsor’s obligations under this Agreement;
   b. If the Sponsor fails to make progress satisfactory to the funding board or director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
   c. If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;

2. Prior to termination, the RCO or the funding board shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director or board approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.

3. RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a “Termination for Convenience” if it is determined that:

1. The Sponsor was not in default; or

2. Failure to perform was outside Sponsor’s control, fault or negligence.
C. Rights of Remedies of the RCO.

1. The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.

2. In the event this Agreement is terminated by the funding board or director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the funding board or director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

1. Suspension: The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

SECTION 42. DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the funding board, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

A. The disputed issues;

B. The relative positions of the parties;

C. The Sponsor's name, address, project title, and the assigned project number,

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the third person shall be chosen by the funding board's chair.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the decision of the disputes panel, unless the remedy directed by that panel shall be without the authority of either or both parties to perform, as necessary, or is otherwise unlawful.
Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

SECTION 43. ATTORNEYS’ FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

SECTION 44. GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.

SECTION 45. PROVISIONS APPLICABLE ONLY IF FEDERALLY RECOGNIZED INDIAN TRIBE IS THE SPONSOR

In the cases where this Agreement is between the funding board (which includes the State of Washington for purposes of this Agreement) and a federally recognized Indian Tribe, the following terms and conditions apply, but only between those parties:

A. Notwithstanding the above venue provision, if the State of Washington intends to initiate legal action against a federally recognized Indian tribe relating to the performance, breach, or enforcement of this Agreement, it shall so notify the Tribe. If the Tribe believes that a good faith basis exists for subject matter jurisdiction of such an action in federal court, the Tribe shall so notify the State within five days of receipt of such notice and state the basis for such jurisdiction. If the Tribe so notifies the State, the State shall bring such action in federal court, otherwise the State may sue the Tribe in the Thurston County Superior Court, or such other superior court where venue is proper, if not proper in Thurston County. Interpretation of the Agreement shall be according to applicable State law, except to the extent preempted by federal law. In the event suit is brought in federal court and the federal court determines that it lacks subject matter jurisdiction to resolve the dispute between the State and Tribal Party, then the State may bring suit in Thurston County Superior Court or such other superior court where venue is proper, if not proper in Thurston County.

B. Any judicial award, determination, order, decree or other relief, whether in law or equity or otherwise, resulting from such actions under subsection A above, shall be binding and enforceable on the parties. Any money judgment or award against a Tribe, tribal officers, or employees, or the State of Washington, its agencies, or its officers and employees may exceed the amount of funding awarded under this Agreement.

C. As requested by RCO, the Tribe shall provide to RCO its governing requirements and procedures for entering into Agreement with RCO and waiving its sovereign immunity. In addition, the tribe shall provide to RCO all authorizations the Tribe requires to authorize the person(s) signing the Agreement on the Tribe’s behalf to bind the Tribe and waive the Tribe’s sovereign immunity as provided herein.
D. The Tribe hereby waives its sovereign immunity for suit in federal and state court for the limited purposes of allowing the State to bring and prosecute to completion such actions relating to the performance, breach, or enforcement of this Agreement as provided in subsection A above, and to bring actions to enforce any judgment arising from such actions. This waiver is not for the benefit of any third party and shall not be enforceable by any third party or by any assignee of the parties. In any enforcement action, the parties shall bear their own enforcement costs, including attorneys’ fees.

For purposes of this provision, the State includes the funding board, the RCO, and any other state agencies as the term “agency” is broadly understood to include, but not be limited to, departments, commissions, boards, divisions, bureaus, committees, offices, councils, societies, etc.

SECTION 46. SEVERABILITY

Subject:
2018 citywide facility parking lot repair and maintenance project

Background:
The City of Spokane owns a wide variety of facilities across the City. These facilities range from city libraries, parks, utility locations, and community centers to police precincts and City Hall. Approximately 75 of these facilities have paved parking areas. These parking areas are currently in various conditions of disrepair and are in need of differing levels of preventative maintenance.

In 2017 City staff oversaw pavement repair and maintenance efforts at 12 of the 75 facilities across the community. This work was completed under a $200,000 master contract in coordination with each of the affected departments such as Fire, Police, Library, and Parks.

Funding has been identified to allow for the completion of an additional $200,000 worth of paving maintenance during the 2018 paving season. City staff intends to release an RFP for the completion of the work in early 2018, for work to be completed throughout the 2018 paving season. The request for bids will identify a list of the various common work items and associated unit costs for each. This format allows for the development of individual scopes of work for each unique location.

This contract will be developed in a master contract format, providing the flexibility necessary to complete as much work as possible at a wide variety of locations during the paving season, while working around various public events at these locations and accounting for the differing levels of work needed at each site.

Each of the City parking areas were audited in 2014 and ranked based on the condition of the pavement. It is the intent of staff to utilize this data to create individual task assignments for work to be completed in 2018 beginning with paved areas with the worst condition rankings that remain after the work completed in 2017.

For further information on this subject contact Ed Lukas, Asset Management Director, x6286
Impact:
While paved parking areas see a much lower rate of wear and tear compared to city arterials and residential streets, all pavement requires maintenance to extend wear life. The majority of City parking lots have had maintenance deferred for many years. This contract bid process is anticipated to be repeated over multiple years to establish a program of continual maintenance of our paved areas. This effort will rebuild deficient areas and provide additional life for newer lots before they begin to break down.
This Contract is made and entered into by and between the CITY OF SPOKANE as (“City”), a Washington municipal corporation, and ARROW CONCRETE AND ASPHALT SPECIALTIES, INC., whose address is PO Box 11133, Spokane Valley, Washington 99211 as (“Contractor”), individually hereafter referenced as a “party”, and together as the “parties”.

If the City objects to all or any portion of the invoice, it shall notify the Company and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

5. CONTRACT DOCUMENTS.
The contract documents are this Contract, the Contractor’s completed bid proposal form, contract provisions, contract plans, standard specifications, standard plans, addenda, various certifications and affidavits, supplemental agreements, change orders, and subsurface boring logs (if any). Federal and state requirements and the terms of this Contract, respectively, supersede other inconsistent provisions. These contract documents are on file in the Asset Management Department, and are incorporated into this Contract by reference, as if they were set forth at length.

6. BONDS.

The Contractor will remain responsible for the actual submittal of the documents to the industrial statistician. In order to receive this reimbursement the Contractor will be required to submit to the City, prior to final acceptance of the work, a list of its subcontractors at all tiers and have their “Statements of Intent to Pay Prevailing Wages” on file with the City.

14. INDEMNIFICATION.
   The Contractor shall defend, indemnify, and hold the City and its officers and employees harmless from all claims, demands, or suits at law or equity asserted by third parties for bodily injury (including death) and/or property damage which arise from the Contractor’s negligence or willful misconduct under this Agreement, including attorneys’ fees and litigation costs; provided that nothing herein shall require a Contractor to indemnify the City against and hold harmless the City from claims, demands or suits based solely upon the negligence of the City, its agents, officers, and employees. If a claim or suit is caused by or results from the concurrent negligence of the Contractor’s agents or employees and the City, its agents, officers and employees, this indemnity provision shall be valid and enforceable to the extent of the negligence of the Contractor, its agents or employees. The Contractor specifically assumes liability and agrees to defend,
indemnity, and hold the City harmless for actions brought by the Contractor’s own employees against the City and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the Washington State industrial insurance law, or Title 51 RCW. The Contractor recognizes that this waiver was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. The indemnity and agreement to defend and hold the City harmless provided for in this section shall survive any termination or expiration of this agreement.

15. INSURANCE.
During the period of the Contract, the Contractor shall maintain in force at its own expense, each insurance noted below with companies or through sources approved by the State Insurance Commissioner pursuant to RCW 48:

The amount of the insurance coverage shall be the value of the materials and supplies of the completed value of improvement. Hazard or XCU (explosion, collapse, underground) insurance should be provided if any hazard exists.

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days written notice from the Consultant or its insurer(s) to the City. CITY OF SPOKANE

Title: AMENDMENT NO. 11 TO COMMUNITY-MINDED ENTERPRISES (CME) CABLE CHANNEL FRANCHISE AGREEMENT

This Amendment No. 11 to Agreement is between the CITY OF SPOKANE, a Washington State municipal corporation, as "City," and COMMUNITY-MINDED ENTERPRISES, whose address is 25 West Main Avenue, Suite 310, Spokane, Washington 99201, as "CME."

WHEREAS, the City has previously entered into an Agreement dated February 6, 2007, with Community Minded Enterprises (CME), a not for profit corporation organized under the laws of the State of Washington, wherein the City provided certain capital grant funds from "PEG" fees from the City's cable franchise (C-33571), together with limited operational support; and

WHEREAS, "CME" agreed to provide community programming on the cable channel designated for that purpose; and,

WHEREAS, the City has proposed and "CME" has accepted a capital grant fund reimbursement for 2018 from Comcast PEG monies, with the grant not involving funds other than PEG fees dedicated to such purposes under the Comcast franchise; and,

WHEREAS, "CME" has agreed to continue to provide community access cable programming and the continued operation of CME as Community Channel Manager is in the public interest;

-- NOW, THEREFORE, the parties agree as follows:

1. DOCUMENTS. The Agreement dated February 6, 2007, any previous amendments and/or extensions/renewals thereto are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.
2. **AMENDMENT No. 11**: Section 3 of the Agreement is amended to include the following:

**2018 CAPITAL FUNDING.** Subject to applicable Franchise requirements as provided in the cable franchise between the City and the Comcast cable company (C-33571) for PEG Fee source expenditures, the City agrees to pay CME from the “PEG Fee” resource identified in Section 19 J of the franchise, a grant up to **ONE HUNDRED TWENTY-EIGHT THOUSAND AND 00/100 DOLLARS ($128,000.00)** for capital expenditures for the calendar year 2018. Future grant funding at this value is not a guarantee, and is subject to change on a yearly basis.

A. “CME” agrees to continue to present community programming on the cable channel designated for this purpose and represents to the City that it has adequate operational funding and other resources necessary to accomplish this function; and

B. “CME” understands its obligation to be sure that all expenditures of PEG fee grant monies are consistent with any Comcast franchise restrictions for use of said monies. “CME” shall furnish the City with reasonable proof, upon request, that its use meets cable franchise requirements. In the event “CME” cannot do so to City’s satisfaction, “CME” is responsible to reimburse the City any reduction in PEG funding obligations by Comcast under Section 19 J (4). “CME” further agrees to indemnify and hold harmless the City from any other loss or liability for failure to the City from failure to satisfy Comcast; and

C. This is a grant from PEG fee resources only. Under no circumstances shall the City be independently liable to CME for payment of any sums under this agreement, directly or indirectly by way of reduction of other monies due and payable by Comcast.

3. **FUNDING APPROVAL.** PEG funds and expenses will be approved upon submission of expense receipts to the City.

Title: AMENDMENT NO. 8 TO CABLE ACCESS AGREEMENT BETWEEN FRIENDS OF KSPS AND CITY OF SPOKANE

THIS AGREEMENT is between the CITY OF SPOKANE, a Washington State municipal corporation, as "City," and Friends of KSPS, whose address is 3911 South Regal Street, Spokane, Washington 99223, as "KSPS."

WHEREAS, the City entered into an Agreement dated February 6, 2007, with Spokane School District 81 that provided PEG monies to KSPS for public educational programming, and the above mentioned agreement has been assigned from Spokane School District 81 to KSPS in 2013; and

WHEREAS, KSPS has agreed to continue to provide public educational television on the cable channel designated for that purpose; and

WHEREAS, City staff has proposed and KSPS has accepted capital grant fund reimbursement for 2018 needs from Comcast PEG monies with the grant not involving funds other than PEG fees dedicated to such purposes under the Comcast franchise; and

WHEREAS, KSPS has agreed to continue to public educational television programming and the continued operation of the channel is in the public interest;

-- Now, Therefore,

The parties agree as follows:

1. DOCUMENTS. The Agreement dated February 6, 2007, any previous amendments and/or extensions/renewals thereto are incorporated by reference into this document as though written in full and shall remain in full force and effect except as provided herein.

2. 2018 CAPITAL FUNDING. Subject to applicable Franchise requirements as provided in the cable franchise between the City and the Comcast cable company (C-33571) for PEG Fee source expenditures, the City agrees to pay KSPS from the "PEG Fee" resource identified in Section 19 J of the franchise, a grant up to SIXTY THREE THOUSAND FOUR HUNDRED FIFTEEN DOLLARS
($63,415.00) for capital expenditures for the calendar year 2018. Future grant funding at this value is not a guarantee, and is subject to change on a yearly basis.

A. KSPS agrees to continue to present community public programming on the cable channel designated for this purpose and represents to the City that it has adequate operational funding and other resources necessary to accomplish this function; and

B. KSPS understands its obligation to be sure that all expenditures of PEG fee grant monies are consistent with any Comcast franchise restrictions for use of said monies. KSPS shall furnish the City with reasonable proof, upon request, that its use meets cable franchise requirements. In the event KSPS cannot do so to City’s satisfaction, KSPS is responsible to reimburse the City any reduction in PEG funding obligations by Comcast under Section 19 J (4). CKSPS further agrees to indemnify and hold harmless the City from any other loss or liability for failure to the City from failure to satisfy Comcast; and

C. This is a grant from PEG fee resources only. Under no circumstances shall the City be independently liable to KSPS for payment of any sums under this agreement, directly or indirectly by way of reduction of other monies due and payable by Comcast.

3. **FUNDING APPROVAL.** PEG funds and expenses will be approved upon submission of expense receipts to the City.

Addendum to Value Blanket Contract with Linn Machine and Manufacturing, Inc. (Spokane Valley, WA) to refurbish additional metal refuse/recycling containers and roll off boxes -- estimated expenditure $150,000 (including tax).

**Summary (Background)**

The Solid Waste Collection (SWC) Department owns, maintains and operates an inventory of metal refuse/recycling containers and roll off boxes. Refurbishing containers extends the useful life of these existing containers and saves valuable resources. SWC is currently utilizing the first extension provided for in the original contract which expires August 31, 2018. The original extension requested $300,000 but due to an increase in commercial container services that amount has been exhausted.

**Background/History:** Current contract extension expires August 31, 2018. This addendum would allow additional metal dumpsters and roll off containers (collectively referred to as “dumpsters”) to be refurbished until the contract can be extended. Additional expenditure requested -- $150,000 (including tax).

**Executive Summary:**
- Refurbishing worn dumpsters uses fewer resources which has a positive impact on the environment and extends their useful life.
- Solid Waste Collection has purchased less newly manufactured dumpsters over the past several years. Refurbishing costs less than new dumpsters.
- The City has had a contract with Linn Machine & Manufacturing since 2016 with highly satisfactory results; dumpsters are returned in a “like new” condition.
- Permanent and temporary dumpster services have increased tremendously over the past several years due to a good economy, real estate market, construction and annexations.
- This addendum will ensure that Solid Waste Collection has enough dumpsters available for our customers and special events.
- Solid Waste Collection is having Linn Machine & Manufacturing pick up dumpsters from the Marietta site, refurbish them and return them to the Spokane Central Service Center so they are in usable condition as we work on vacating the Marietta site.

PURCHASE AND SALE AGREEMENT
Normandie Site

This Agreement is entered into as of ________________ (the “Effective Date”), by and between the CITY OF SPOKANE, a Washington municipal corporation (“Seller”), and LIQUIDATION HOLDINGS COMPANY LLC, a Washington limited liability company and or assigns (“Buyer”).

Whereas, the parties are desirous of entering into an agreement whereby the Buyer will purchase property owned by the Seller, consistent with Buyer’s Proposal.

NOW, THEREFORE, in consideration of the respective agreements set forth below and for valuable consideration, the receipt and sufficiency of which is acknowledged, Seller and Buyer agree as follows:

1. **Sale of Property.** Seller agrees to sell and convey to Buyer and Buyer agrees to purchase from Seller, subject to the terms and conditions set forth in this Agreement, a portion of the real property commonly known as the Normandie Site, consisting of approximately 5.3 acres, situated at 127 W. Mission Avenue, in the City and County of Spokane, State of Washington, and legally described in Exhibit “A” hereto, together with all of Seller’s right, title and interest in and to any rights, licenses, privileges, reversions and easements pertinent to the real property, including, without limitation, all minerals, oils, gas and other hydrocarbon substances on and under the real property as well as all development rights, air rights, water rights, water and water stock relating to the real property and any other easements, rights of way or appurtenances used in connection with the beneficial use and enjoyment of the real property (collectively, the “Property”).

2. **Earnest Money.** Within five (5) working days of the execution of this Agreement by both Seller and Buyer, Buyer shall deliver to Spokane County Title Company in Spokane, Washington (“Title Company”), as escrow agent for the closing of this transaction, Fifty Thousand and 00/100 Dollars ($50,000.00), to be paid or delivered as earnest money (the “Earnest Money”) in part payment for the Purchase Price of the Property. The Title Company will hold the Earnest Money for the benefit of the parties pursuant to the terms of this Agreement. Interest will accrue on the Earnest Money for the benefit of Buyer; provided, however, that if Buyer forfeits the Earnest Money to Seller
pursuant to the terms of this Agreement, then all interest accrued on the Earnest Money will be paid to Seller.

3. **Purchase Price.** The purchase price for the Property (the "Purchase Price") will be Two Million Seven Hundred Thousand and 00/100 Dollars ($2,700,000.00), of which the Earnest Money is a part. The Purchase Price, including the Earnest Money, will be paid to Seller in cash through escrow at closing.

4. **Title to the Property.**

4.1 **Conveyance.** At closing Seller shall convey to Buyer fee simple title to the Property by a duly executed and acknowledged statutory warranty deed (the "Deed"), free and clear of all defects and encumbrances and subject only to those exceptions that Buyer approves pursuant to Section 4.2 below (the "Permitted Exceptions").

4.2 **Preliminary Commitment.** Seller shall order a preliminary commitment for an owner's standard coverage policy of title insurance in the amount of the Purchase Price to be issued by the Title Company and accompanied by copies of all documents referred to in the commitment (the "Preliminary Commitment"). Within fifteen (15) days of Seller's delivery of a copy of the Preliminary Comment to Buyer, Buyer shall advise Seller by written notice of the exceptions to title, if any, that are disapproved by Buyer ("Disapproved Exceptions"). All monetary encumbrances other than nondelinquent ad valorem property taxes will be deemed to be disapproved. Seller will have ten (10) days after receipt of Buyer's notice to give Buyer notice that (i) Seller will remove Disapproved Exceptions or (ii) Seller elects not to remove Disapproved Exceptions. If Seller fails to give Buyer notice before the expiration of the ten (10) day period, Seller will be deemed to have elected not to remove Disapproved Exceptions. Notwithstanding anything to the contrary in this Agreement, Seller shall remove from title on or before the Closing Date all monetary encumbrances other than those approved by Buyer.

If Seller elects not to remove any nonmonetary Disapproved Exceptions, Buyer will have until the expiration of the Feasibility Study Period to notify Seller of Buyer's election either to proceed with the purchase and take the Property subject to those exceptions, or to terminate this Agreement. If Seller gives notice that it will cause one or more nonmonetary exceptions to be removed but fails to remove any of them from title on or before the Closing Date, Buyer will have the right to either (i) elect to terminate this Agreement by written notice to Seller or (ii) proceed with the purchase, with an abatement of the Purchase Price equal to the actual cost of removing from title those exceptions not approved by Buyer, and to take the Property subject to those exceptions. If Buyer elects to terminate this Agreement under this Section 6.2, the escrow will be terminated, the Earnest Money shall be returned
immediately to Buyer, all documents and other funds will be returned to the party who deposited them, and neither party will have any further rights or obligations under this Agreement except as otherwise provided in this Agreement. If this Agreement is terminated through no fault of Seller, then Seller and Buyer shall share equally any costs of terminating the escrow and any cancellation fee for the Preliminary Commitment.

4.3 **Title Policy.** Seller shall cause Title Company to issue to Buyer at closing a standard coverage owner's policy of title insurance insuring Buyer's title to the Property in the full amount of the Purchase Price subject only to the Permitted Exceptions (the "Title Policy"). The Title Policy must be dated as of the Closing Date.

5. **Conditions to Closing.**

5.1 **Due Diligence Materials.** Seller shall provide to Buyer, or make available to Buyer for inspection, as soon as possible (but in any event no later than fifteen (15) days after the Effective Date) all materials relating to the Property specified in this Section 5.1 that exist and that are in Seller's actual possession or that Seller knows exist and to which Seller has access (collectively, the "Due Diligence Materials"). If Seller thereafter discovers any additional items that should have been included among the due diligence materials, Seller shall promptly deliver them to Buyer. Due Diligence Materials will include:

5.1.1 copies of any existing and proposed easements, covenants, restrictions, agreements or other documents that, to Seller's knowledge, affect title to the Property and that are not disclosed by the Preliminary Commitment;

5.1.2 all surveys, plats or plans relating to the Property;

5.1.3 all leases for the Property, or any portion thereof, if any, which remain in effect;

5.1.4 all existing service contracts pertaining to items such as janitorial, trash removal, maintenance, snow removal, laundry service, extermination and similar services, if any;

5.1.5 all labor contracts affecting the Property, if any;

5.1.6 all warranties and guarantees affecting any portion of the Property;
5.1.7 notice of any existing or threatened litigation affecting or relating to the Property and copies of any pleadings with respect to that litigation;

5.1.8 (i) all governmental permits and approvals obtained or held by Seller and relating to (A) the construction, operation, use or occupancy of any part of the Property or (B) zoning, land-use, subdivision, environmental, building and construction laws and regulations restricting, regulating or otherwise affecting the use, occupancy or enjoyment of the Property (collectively, “Permits”) and (ii) any notices of violation of any Permits, or of any of the laws and regulations described in this Section 5.1.8; and

5.1.9 (i) all environmental assessment reports with respect to the Property that were performed or that are being performed by or for Seller and remain in the possession of or reasonably available to Seller, (ii) any raw data that relates to the environmental condition of the Property, (iii) any governmental correspondence, orders, requests for information or action and other legal documents that relate to the presence of Hazardous Material (as defined in Section 13 below) on, in or under the Property, and (iv) any other information material to the environmental condition or potential contamination of the Property.

5.2 Feasibility Study.

5.2.1 Ninety-day period. During the period ending on the date which is ninety (90) days following the Effective Date or such earlier date upon the Buyer giving Seller written notice that it waives any further feasibility (the “Feasibility Study Period”), Buyer may conduct a review with respect to the Property and satisfy itself with respect to the condition of and other matters related to the Property and its suitability for Buyer's intended use (the “Feasibility Study”).

The Feasibility Study may include all inspections and studies Buyer deems necessary or desirable, in its sole discretion. Buyer and Buyer's agents, representatives, consultants, architects and engineers will have the right, from time to time, during the Feasibility Study Period to enter onto the Property and make borings, drive test piles and conduct any other test and studies that may be necessary or desirable to ascertain the condition and suitability of the Property for Buyer's intended use. Such tests and inspections are to be performed in a manner not disruptive to tenants or to the operation of the Property. Buyer shall protect, defend and indemnify Seller from and against any construction or other liens or encumbrances arising out of or in connection with its exercise of this right of entry and shall cause any such liens or encumbrances to be promptly released.
5.2.2 Extension of feasibility study period. Buyer will have the right, at Buyer’s sole option, to extend the Feasibility Study Period for one Ninety (90) day period (the “Extension Period”). Buyer’s right to extend must be exercised by providing written notice to Seller on or before the expiration of the Feasibility Study Period. Upon providing such notice to Seller, the Earnest Money shall become a nonrefundable fee earned by Seller; provided, the Earnest Money will be applied against the Purchase Price at closing. Notwithstanding anything herein to the contrary, the Feasibility Study Period, as extended, will in any event not extend past the date which is one hundred and eighty (180) days following the Effective Date.

5.2.3 Termination of Agreement. Buyer will have the right to terminate this Agreement if, in Buyer’s good faith judgment, the Property is not suitable for Buyer’s intended use or does not meet Buyer’s intended investment objectives. Buyer’s right to terminate must be exercised by delivering written notice of its election to Seller on or before the expiration of the Feasibility Study Period, or the Extension Period if exercised. Notwithstanding the foregoing, if Buyer elects not to purchase the Property, and if Seller requests copies of the written reports and studies prepared for Buyer in connection with its Feasibility Study, then Buyer will deliver to Seller copies of the final reports and studies. WHEREAS, this ordinance has been on file in the City Clerk’s Office for five days; - Now, Therefore,

Alignment: (link agenda item to guiding document – i.e., Master Plan, Budget, Comp Plan, Policy, Charter, Strategic Plan) Strategic Plan – Urban Experience
Strategic Initiative: Advancing Downtown – Clean/Safe
Deadline: N/A
Outcome: (deliverables, delivery duties, milestones to meet) Approve contract for up DSP cleaning equipment

Background/History: The DSP manages the BID contract for completing clean and safe work in the downtown core. In the early part of 2018 the City installed Big Belly trash and recycle compactors and took over the solid waste collection form these receptacles freeing up responsibilities, and therefore time, for the DSP/BID Clean & Safe Team. Through the process of realigning BID work to match contract expectations the following items were added to the BID contract:

In consideration of the City relieving DSP of its duty to empty trash containers under its Clean Team Scope of Services, DSP will deploy the equivalent resources previously deployed for emptying trash containers first to cleaning the downtown railway viaducts from Division Street west to Cedar, and after those are clean, devote any remaining resources to
enhancing sidewalk cleaning in the BID, expanded planter maintenance and graffiti removal along with other items in the existing Clean Team Scope of Services. Cleaning the railway viaducts, as allowed by BSNF, shall include graffiti removal, trash and litter pick up, and cleaning of sidewalks and gutters.

Executive Summary:
Changing the BID contract to include the viaduct, graffiti, and enhanced sidewalk cleaning requires the purchase of equipment which will allow the BID to efficiently and effectively meet these requirements:
• 1 gator
• 1 walk behind sidewalk cleaner with trailer
Maximum cost amount of $101,000.00 for one time purchase of equipment.

RESOLUTION NO. 2018-0037

A Resolution regarding City policy for approval of special event permits.

WHEREAS, the City Council has the duty to ensure that conditions within the City of Spokane are conducive and supportive of new and expanded economic and cultural activity and to enhance the quality of life of Spokane’s residents; and

WHEREAS, the City’s Comprehensive Plan requires the City to “[p]romote downtown Spokane as the economic and cultural center of the region (goals ED 3.10 and N 1.1), “[i]ncrease the number of public gathering spaces within neighborhoods” (goal N 7.1), “[p]romote actions designed to increase pedestrian use of streets, especially downtown, thereby creating a healthy street life in commercial areas” (goal DP 4.2), “[e]ncourage public and private participation in and support of arts and cultural events in recognition of their contribution to the physical, mental, social, and economic wellbeing of the community” (goal SH 3.1), and “[s]upport celebrations that enhance the community’s identity and sense of place” (goal SH 3.8); and

WHEREAS, the City’s strategic plan states the City’s goals to “[i]ncrease and embrace diversity,” “[m]arket Spokane’s urban advantages and experiences”, “[a]dvance downtown as [the] region’s largest and strongest center,” “[s]upport arts and cultural activities,” and to increase our City’s social capital, all of which are advanced by encouraging and supporting all special events in Spokane; and

WHEREAS, special events are a very good way to attract visitors to Spokane, but they are also crucial components of the kind of increased vitality and type of urban experience we seek for our residents as well; and

WHEREAS, Spokane is the urban hub of the region, and people come to Spokane for an urban experience, which means that the City of Spokane has a unique role to play; and

WHEREAS, annual special events such as Hoopfest, parades, Terrain, Bloomsday, and many others, make vast positive contributions to the high quality of life we enjoy in Spokane; and

WHEREAS, this high quality of life and increasing urban vitality and energy are key competitive advantages as Spokane seeks to attract new investment, new visitors and conventions, and new and expanded business and cultural activity within the City of Spokane which can spur additional economic growth, improve neighborhoods, increase property values, increase tax collections, and raise wages and median income; and

WHEREAS, it is essential to ensure that special events are permitted in a streamlined, fair, and publicly accessible manner which encourages and fosters innovative and creative ways for people to enjoy the highest possible quality of life and the very best cultural and recreational opportunities available anywhere.
NOW, THEREFORE, BE IT RESOLVED that it is the policy of the City of Spokane that the City’s special events permitting process shall put all of the following principles into action:

- All special event permit requests shall be considered under the same criteria, regardless of size, length of tenure in Spokane, type of activity (i.e., arts, culture, athletic, recreational, etc.), or sponsoring entity.

- The City will make reasonable attempts to accommodate street closure requests from all special public events taking into account safety needs, public access disruption and the impact of traffic flow relative to the expected significance of the event.

- All City-imposed event fees and charges, including police and other public safety services, shall be reduced below City cost for all events that are open to the public, on a non-discriminatory basis, regardless of the size of the event.

- Additionally, events will qualify for larger cost reductions if:
  - The sponsoring or organizing entity is a non-profit
  - The sponsor or organizer has demonstrated organizational ability to work collaboratively and effectively with city departments
  - The event will exceed basic standards of environmental responsibility, such as the availability of recycling and bicycle parking, the encouragement of the use of transit and biking and walking to the event, etc.
  - The event can demonstrate significant economic impact for the region; if so, larger City fee and charges discounts should be provided to reflect increased tax revenues generated by the event for the City that offsets the additional costs to the City which are attributable to the event.

BE IT ALSO RESOLVED that the Council requests that City staff produce an ordinance or set of ordinances for Council adoption which implement these principles.

Passed by the City Council this ____ day of _______________, 2018.

During its 6:00 p.m. Legislative Session held Monday, March 26, 2018, City Council held a hearing on the vacation of the alley between Sinto Avenue and Sharp Avenue, from South Riverton Avenue to Helena Street; and the east 15 feet of South Riverton Avenue from Sinto Avenue to Sharp Avenue, as requested by owners having an interest in real estate abutting the above right-of-way. Right of Way Description:
Vacation of the alley between Sinto and Sharp, from South Riverton to Helena; and the east 15 feet of South Riverton from Sinto to Sharp
STREET VACATION REPORT
January 31, 2018

LOCATION: East 15 feet of S. Riverton from Sinto to Sharp; and the alley between Sinto and Sharp, from South Riverton to Helena.

PROPOSENT: Yolanda Jones

PURPOSE: Increase lot size for development.

HEARING: March 26, 2018

REPORTS:

AVISTA UTILITIES – I have reviewed the proposed vacation and Avista has facilities in the area to be vacated. Avista is requesting a 16’ wide easement in the vacated area to be reserved as indicated by the attached map.

COMCAST – Comcast has reviewed the vacation request. Enclosed is a map showing our cable plant in this area. As long as we have access to our plant, we have no problem with the vacation.

ZAYO COMMUNICATIONS GROUP – There are no Integra/ELI Facilities in your proposed work area.

CENTURYLINK – CenturyLink has an aerial attachment to an Avista Power pole in the alley that we would like to retain an easement for.

XO COMMUNICATIONS – XO Comm. is clear and has no interest concerning this property.

INLAND POWER – Inland Power has no utility facilities within the proposed area to be vacated.

ASSET MANAGEMENT - CAPITAL PROGRAMS – We would like to retain space along South Riverton Drive. The right of way is not consistent, but I think we would want a 50 feet width.

FIRE DEPARTMENT - No comments
NEIGHBORHOOD SERVICES - No comments

PARKS DEPARTMENT - No comments

PLANNING & DEVELOPMENT – DEVELOPER SERVICES – We typically only vacated that portion of the ROW which will leave an equal portion on the other side and still leave our minimum ROW (60’). South Riverton has a ROW of 75’, that would mean typically we could only vacate 15’ of ROW (7.5’ on each side). However in this case the City owns the adjacent parcel to the west, so I guess we might be able to vacate 15 feet on the east side of the ROW bearing in mind that his puts the center line 7.5 feet closer to the river. There are no city utilities in the proposed vacation area.

PLANNING & DEVELOPMENT – TRAFFIC DESIGN – I see no issues with the vacation request.

PLANNING & DEVELOPMENT – PLANNING – No concerns

POLICE DEPARTMENT - No comments

SOLID WASTE MANAGEMENT - No comments

STREET DEPARTMENT – The City of Spokane Street Department does not have any objection to the vacation of the alley right of way. The City of Spokane Street Department does have concerns about the vacation of the street right of way for South Riverton. Vacation of right of way in this manner makes for an inconsistent right of way width, which can affect future plans and/or needs. Street Department asks that other, such as Planning, strongly consider any future needs that may apply to this location, especially since it is adjacent to the Spokane river and may apply to potential trail needs.

WASTEWATER MANAGEMENT – As typical with any vacation, on site run off for any vacated property must be maintained and treated on site. For this request specifically, the city maintains significant large storm and sewer mains in South Riverton. The sewer main is 42” and the storm main is 27”. Before we would approve any such vacation, the exact location of each line should be determined. Because of the limited access presented by the river and the steep bank along the west side of these lines, combined with the depth of the mains, we would be opposed to any vacation that encroaches less than 30’ on the east side of these mains. The vacation of the alley section is acceptable provided that all of the above criteria are followed.

WATER DEPARTMENT - No comments

BICYCLE ADVISORY BOARD - No comments

RECOMMENDATION: That the petition be granted and a vacating ordinance be prepared subject to the following conditions:
1. An easement as requested by Century Link and Comcast, across, over, and through the alley in Block 26 of the Subdivision of School Section 16 shall be retained to protect existing and future utilities.

2. An easement as requested by Avista, across, over, and through the alley in Block 26 of the Subdivision of School Section 16 along with the extension of the alley extended west from the east line of Block 26 West 15 feet shall be retained to protect existing and future utilities.

3. Plans for termination and closure of the alley must be submitted to Planning & Development for review and accepted and the closure work must be completed.

4. The proponent shall pay to the City of Spokane the assessed valuation for the vacated land as defined by the latest information from the County Assessor’s Office. This is calculated to be $12,040.74 and is to be deposited to Budget Account #3200 49199 99999 39510.

5. That the final reading of the vacation be held in abeyance until all of the above conditions are met and that the above conditions are met by January 1, 2019.

An ordinance relating to future and renewed water intertie agreements; enacting a new Chapter 13.045 to the Spokane Municipal Code.

**Summary (Background)**
Discussions around upcoming new and renewal intertie agreements brought up concerns from the public regarding sustainable water access for the people of Spokane as well as for our natural resources (river, fish, etc.). This ordinance will codify guidelines for intertie agreements with a focus on sustainable water usage and emergency water access for people in surrounding communities.
ORDINANCE NO. C 35630

An ordinance relating to future and renewed water intertie agreements; enacting a new Chapter 13.045 to the Spokane Municipal Code.

WHEREAS, the City of Spokane is a regional water purveyor pursuant to the Spokane County Coordinated Water System, Washington State Department of Health, the City of Spokane Comprehensive planning documents and state law; and

WHEREAS, wholesale water supply exchanges between local water purveyors are anticipated by the Washington State Department of Health’s Office of Drinking Water, the Spokane County Coordinated Water System, the City of Spokane Comprehensive Plan, and the City of Spokane Comprehensive Water System Plan; and

WHEREAS, state law provides that such wholesale water supply where appropriate can be used for: long-term water supply, to supplement a limited supply of water, to provide water when there is limited capacity, to provide water to meet a peak, or to assist during an emergency situation; and

WHEREAS, state law requires that a coordinated water resource and system plan for an area “shall provide for maximum integration and coordination of public water system facilities consistent with the protection and enhancement of the public health and well-being;” and

WHEREAS, neighboring water purveyors can protect the public by establishing intertie agreements to help ensure the continuous availability of a safe and reliable drinking water supply to all customers; and

WHEREAS, the City currently has intertie agreements with six water purveyors identified within the County Coordinated Water System; these agreements will need to be updated over time, and the potential for other interties exists; and

WHEREAS, the City of Spokane is the largest water purveyor with the most complex system in the region and, as such, has the ability to efficiently and effectively provide water to adjoining purveyors that is safe, reliable, and protects the national resource and environment, allowing the City to assist its smaller water system neighbors; and

WHEREAS, the City is committed to good stewardship practices for its water resources to protect not only the quantity but the quality of water in our region; the City also has identified a strategy and goal around “Smart Use of Water Resources for Economic Growth” as part of its City Council adopted Joint Administration-Council 6-Year Strategic Plan; and

WHEREAS, the City also is committed to enhancing resiliency, and through its Comprehensive Plan, encourages working with adjacent jurisdictions and other water purveyors to facilitate consistent provision of water services and coordinated responses to emergencies; and
WHEREAS, the City recognizes that it derives 100% of its water from the Spokane Valley Rathdrum Prairie Aquifer (“SVRPA”); and

WHEREAS, pumping from the SVRPA may, at certain low flow times of the year, reduce water in the form of ground (aquifer) water inputs to the Spokane River in gaining reaches; and

WHEREAS, aquifer inflow into the Spokane River is important for maintaining the health, wellbeing and viability of the Spokane River and the overall water resource; and,

WHEREAS, an increasing population and climate variability creates competition for scarce water resources that would normally flow through the Spokane River; and

WHEREAS, reducing or limiting new well development that taps into the Aquifer will preserve ground water and prevent contamination of the water supply which is a benefit of providing wholesale water supply to neighboring purveyors; and

WHEREAS, the City recognizes the importance of encouraging and implementing long term conservation measures to support and protect the water resource as well as the health of the Spokane River; where such flows support related wildlife, recreational, and economic activity associated with the River; and

WHEREAS, the City is pursuing its goal to support sufficient flows in the Spokane River during certain low flow times of the year and encourages prudent conservation measures that will provide resiliency to all water supplies in the greater Spokane region; and

WHEREAS, the City also strives to have consistent and understandable policies when dealing with neighboring jurisdictions and water purveyors.

NOW, THEREFORE, the City of Spokane does ordain:

Section 1. That there is adopted a new Chapter 13.045 of the Spokane Municipal Code to read as follows:

Chapter 13.045 Intertie Agreements and Water Rights

Section 13.045.010 Purpose

The purpose of this Chapter is to codify a consistent and predictable approach to renewed, revised or new water intertie agreements to ensure ongoing conservation and protection of water resources, especially in the Spokane Valley and Rathdrum Prairie Aquifer.

Section 13.045.020 Definitions

A. “Emergency Water Supply” means unanticipated or unexpected and sudden event requiring additional short term supply of water from the City of Spokane
under terms and conditions as specified in the Agreement between the parties as
to duration and volume.
B. “In-stream Flow Rule” means the Instream Flow rule for the Spokane River as
established by Washington State Department of Ecology in Chapter 173- 557
WAC.
C. “Supplemental Water Supply” means long term supply of water which is an
addition to a wholesale water purveyor’s existing water supply to provide
additional water on a routine basis.

**Section 13.045.030 Intertie Guidelines**

All renewed, revised or new water intertie agreements shall include the following
provisions:

A. A maximum term no longer than twenty years for supplemental supply and five
years for emergency supply, inclusive of renewal options;

B. Required five year agreement reviews within any term for supplemental supply
and two years for any emergency supply;

C. Definition of maximum water flow rates and maximum annual water volumes for
supplemental and emergency water supply;

D. Provisions regarding sale of wholesale water to other water purveyors for
municipal purposes, as applicable.

E. Provisions regarding collaboration on system loss and efficiency measures within
the wholesale customer’s infrastructure that meets state standards;

F. All Parties will have a written water conservation plan with specific reasonable
goals and are required to implement and maintain annual water conservation,
reduction of system loss in accordance with Chapter 246-290 WAC and
efficiency measures with a goal of reducing the annual amount of water
consumed per capita year over year especially during Summer and early Fall.
The plan will include program effectiveness consultations at least every three
years, including documentation of changes in total gallons and per capita use on
an annual and seasonal basis;

G. All Parties shall participate in any drought response water conservation
measures triggered by weather conditions and/or Spokane River flows as may be
developed and adopted by the City for all retail and wholesale customers with a
methodology for reasonable notice included in the contract; and

H. An acknowledgement by customers that the wholesale water supply may be
curtailed or interrupted due to drought, low flows in the Spokane River, or
shortage consistent with city code or adopted plans, and such reasonable rules
or measures adopted by the water department.
Section 13.045.040 Water Charges

A. Charges for water will be as established by the wholesale purveyor rate set out in SMC 13.04.2014.

B. Intertie agreements shall include clear delineation of costs that are the responsibility of the customer, including capital and construction costs, and those that are the responsibility of the City of Spokane.

Section 13.045.050 Water Rights and Seasonal Flow Goals

A. The City of Spokane shall not sell or transfer any water rights without the approving vote of City Council. The City upon approval of City Council may purchase available water rights if it would be prudent to do so for the purpose of protecting the resource for system resiliency purposes, and/or operational efficiency as provided by Chapter 35.21 RCW.

B. The City Council will use the best available evidence and science to set written appropriate minimum seasonal river flow goals for the portion of the Spokane River flowing through the City of Spokane in respect to City operations only. Appropriate minimum flow goals set by the City Council may exceed the minimum standard as established by Washington State Department of Ecology in Chapter 173-557 WAC. Such goals are not intended to overlap the legal jurisdiction of the State of Washington.

C. The City is committed through its policies and environmental sustainability plan to substantially conserve water and reduce per capita consumption across the City’s water distribution system as set out in the City’s Water System Plan and water use efficiency goals that are established by City Council Resolution. In order to achieve the City’s water use efficiency goals, the City will provide budget support for the following operational and maintenance efforts and policy framework that will improve and protect the regional delivery system’s natural water resources, efficiency and effectiveness, including flows in the Spokane River:

1. Conservation educational programming and technical advice;
2. Implementation of conservation measures on city owned property;
3. Programs supporting water conservation equipment and irrigation reduction for all customers;
4. Water re-use programs;
5. Seasonal irrigation efficiency and reduction measures; and
6. Other innovations that will support water conservation goals and increased flows in the Spokane River.

D. The City’s policy is to adhere to its river flow goals by following its conservation measures and efficiency plans developed by the water department, which may include implementing seasonal irrigation measures in accordance with the City’s policies and procedures. The City shall develop and periodically update a
comprehensive plan and clear policies and procedures applicable to all customers and classes to achieve its water conservation goals.

**Section 13.045.060 Reporting**

The Water Department shall provide a written report each February to the City Council that provides for the previous five years, the total number of gallons pumped by the City, the total number of gallons provided by intertie agreements, the revenue from intertie agreements collected and associated costs, the amount of money spent on conservation, the estimated number of gallons of water saved on an annual basis from new City of Spokane conservation efforts, the percentage and number of gallons lost by the water distribution system, the per capita consumption for all customers of the City’s water service, and other information that will assist the Council in evaluating the goals of increasing river flows and decreasing the amount of water consumed per capita each year across the City of Spokane’s water distribution system.

### Agenda Wording
An ordinance relating to the rates of public utilities and services, amending Section 13.03.1208 of the Spokane Municipal Code.

### Summary (Background)
A gap was discovered in the City's policy of offering legacy commercial sewer rates to redeveloped buildings when it was discovered that the rates were not offered when it was an entire property that was redeveloped for low income housing. Legacy rates are important to incentivize growth of low housing income on lots that currently hold dilapidated commercial structures.

An ordinance relating to the rates of public utilities and services, amending Section 13.03.1208 of the Spokane Municipal Code.

WHEREAS, the City of Spokane seeks to revitalize vacant legacy commercial buildings and recoup prior utility investments made in connection with those buildings, generate revenue in support of operations, and increase operational efficiencies; and

WHEREAS, the City has already established a successful incentive program for remodeling vacant legacy commercial buildings that provides for charging the utility commercial rate if there is only one water meter in the remodeled building; and

WHEREAS, the City desires to improve the existing incentive program by expanding it to the replacement of vacant legacy commercial buildings where the primary new use of the building is for low income housing; and

WHEREAS, supporting the replacement of vacant legacy commercial buildings will increase revenues and support efficient operations of city utilities; and

WHEREAS, replacing vacant legacy commercial buildings with low income housing will increase economic vitality and reduce crime and the need for publicly funded emergency services within the City; and

WHEREAS, low income housing projects are operationally amenable to using only one meter for domestic water service; and

WHEREAS, the property owner would be responsible for any and all costs associated with reconnecting the replacement building to the water system; and

WHEREAS, the expansion of this program to include replacement for low income housing is consistent with the City’s strategic plan.

NOW, THEREFORE, the City of Spokane does ordain:

Section 1: That SMC Section 13.03.1208 is amended to read as follows:

Section 13.03.1208 Combination Domestic/Commercial

A. Unless the domestic units qualify for another billing category, upon application, consistent with city policy, new redeveloped domestic units located in a commercial, centers and corridor, or downtown zone previously billed commercial, in combination with commercial user facilities, where the account is metered and paid as one account ((to)) in the utilities billing ((division)) system, shall be billed at the commercial rate as provided in chapter 13.03 SMC.
B. Effective June 1, 2018, properties which would otherwise qualify under section A, which are located in a commercial, centers and corridor, or downtown zone and were previously billed commercial, which building structures have been demolished after September 30, 2015, and are being or have been redeveloped as a Low Income Domestic Housing complex with units in combination with or without commercial user facilities, where the account is metered and paid as one account in the utilities billing system, shall be billed at the commercial rate as provided in Chapter 13.03 SMC as long as it operates as a Low Income Domestic Housing complex.

1. For purposes of this section, Low Income Domestic Housing Complex shall be defined as having units with an overall average rent that is affordable to residents at 60% or less of Area Median Income (AMI) as determined by HUD’s most recent income limits for Spokane County. Overall average rent shall be calculated following the income averaging rules of the Low Income Housing Tax Credit (LIHTC) program.

C. All costs of further installation or upgrade to existing infrastructure, including fire flow systems and sewer connections, shall be borne by the property owner, without eligibility for waiver.

Urban Utility Installation Program established to provide funding to mitigate the cost of the installation of new or upgrades to city-owned public utility infrastructures in the city right-of-way which is associated with the redevelopment of existing properties.

**Summary (Background)**

The Urban Utility Installation Incentive Pilot, created in 2015 was used in partnership with private sector development/investment. Public dollars were invested in ROW improvements of City infrastructure, so the private investor had the infrastructure available to modernize the building-meeting life safety code requirements. The outcome of this private/public venture is more modern properties being better used.

Background/History: Provide brief history e.g. this is the 3rd and final 5 year extension of the contract which was put in place in 2007.

The Urban Utility Installation Incentive Pilot, created in 2015 was used in partnership with private sector development/investment. Public dollars were invested in ROW improvements of City infrastructure, so the private investor had the infrastructure available to modernize the building—meeting life safety code requirements. The outcome of this private/public venture is more modern properties being better used.

Executive Summary:

A Project Team of subject matter experts led by: Gavin Cooley, Scott Simmons, and Jonathan Mallahan and then Dawn Kinder set out to review the incentive’s effectiveness and make recommendations on its continuation.

Outcomes following the last Urban Experience Committee Briefing 11/13/2017:

- Administration and Council identified the first $500,000 for implementation through the development of the Strategic Plan and onetime funding,
- The team has devised an implementation strategy to minimize costs and increase certainty
- May 2018 present an amended ORD for Council consideration and adoption--draft attached
  - An Administrative Policy and Council Resolution with ORD amendments in May. The program will be administered by the Planning Economic Development team and will include:
    - A pre application similar to projects of City Wide Significance (CWS)
    - Developer type agreement, again similar to CWS
    - Post construction reimbursement to the developer, similar to CWS
  Requires no City procurement/bidding: allows the developer to utilize one contractor, adhere to their timeline, assures project completion, and doesn’t require contract amendments due to overruns or change orders.

WHEREAS, the PRA allows cities to respond to public records requests by posting responsive records on a public website and directing the requestor to that website in lieu of providing the records directly; and

WHEREAS, investigations of officer involved deaths, shootings and internal affairs complaints are matters of great public interest and regularly attract multiple requests for records for the same incident; and
WHEREAS, responding to multiple requests with one web-posting will save money and personnel resources and create more consistent responses; and

WHEREAS, the City Council has committed to providing dedicated funding for an employee to redact and post investigation reports and body camera footage to the City’s website.

NOW, THEREFORE, the City of Spokane does ordain:

Subject
Intertie agreement with the City of Medical Lake to supply water to address supplemental needs and meet demands during emergencies.

Background
In 2009, the City of Medical Lake approached the Water Department to request an emergency intertie with the City of Spokane. The intertie would provide supplemental water during drought conditions in a stressed aquifer and also provide an additional amount that could be provided in emergency situations.

Impact
The City of Spokane would install needed water quality monitoring equipment and would have the option of installing a flow control valve to regulate the amount of water delivered. Medical Lake would be responsible for establishing the point of connection and all installation and maintenance beyond the point of delivery as outline in exhibit A.

Summary
Medical Lake will be responsible for all costs associated with construction of the intertie which includes: the General Facility Charge, tap, meter, backflow assembly, and vault. Also, they will be responsible to maintain all appurtenances past the point of delivery. The City of Spokane will be responsible for meter maintenance and all infrastructures prior to the point of delivery. In total Medical Lake could not exceed 800 gallons per minute in total without a new agreement.

Action
Recommend approval

Funding
Funding for the flow control valve and water quality monitoring equipment will be by Water Department funds.

WATER SUPPLY AGREEMENT BETWEEN
MEDICAL LAKE and the CITY OF SPOKANE

THIS WATER SUPPLY AGREEMENT ("Agreement") is entered into by THE
CITY OF SPOKANE ("Spokane"), a municipal corporation of the State of Washington
and First Class Charter City, with a principal place of business located at 808 West
Spokane Falls Boulevard, Spokane, Washington, 99201, and the CITY OF MEDICAL
LAKE ("Medical Lake"), a municipal corporation of the State of Washington and
Optional Municipal Code City, with a principal place of business located at 124 S
Lefevre, Medical Lake, Washington, each a "Party" and collectively the "Parties."

RECITALS

A. Spokane owns and operates a Chapter 70.119A Group A Public Water System
("Spokane Water System") that supplies and distributes potable water to its own
resident customers.

B. The Spokane Water System currently has the water resources, capital facilities
and infrastructure, and funding to regionally supply and distribute treated
domestic water to wholesale purveyors and numerous retail customers outside the
Spokane’s corporate limits, and has done so historically.

C. Spokane owns and operates a series of wells pursuant to a series of water rights
that are authorized to provide wholesale water within a regional wholesale service
area, as approved in its Water System Plan ("Spokane Water System Plan"),
promulgated in accordance with Chapter 43.20 RCW and entitled "City of
Spokane, Comprehensive Water System Plan," Volumes 1 and 2, dated January
12th, 2017 adopted and approved by the City of Spokane City Council by
Resolution dated March 2015 and approved by the State Department of Health
("State DOH"), as said document may be amended, revised, or updated from time
to time.

D. In accordance with the planning and goals set forth in its Spokane Water System
Plan, Spokane seeks to fulfill and implement its role as regional water supplier by
including the City of Medical Lake as a wholesale water customer.

E. Medical Lake, owner of its own Chapter 70.119A Group A Public Water System
("Medical Lake Water System"), seeks to supplement and stabilize its existing
water supply portfolio by interconnecting to the Spokane Water System to ease
Medical Lake’s service demand stress on its water supply during peak daily and
seasonal timeframes.
F. Medical Lake approached Spokane to negotiate business term parameters whereby Spokane would supply Medical Lake with drinking water to supplement Medical Lake’s existing water resource portfolio.

G. The Parties now seek to reduce their business negotiations to a formal, legally binding agreement outlining their respective rights and responsibilities.

H. The Parties acknowledge that numerous state and local regulatory approvals will be required in addition to design and construction completion before Spokane provides and Medical Lake accepts water delivery under this Agreement.

I. The Parties desire to form a mutually beneficial stewardship relationship to manage the water resources. The Parties agree to cooperate with each other to the greatest extent feasible to secure state and local regulatory approvals, revise respective comprehensive water plans and implement the terms of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals, incorporated herein, and the mutual promises and benefits exchanged by the parties herein, the Parties do hereby agree as follows:

1. Term.

1.1. This Agreement shall take effect on the date that both Parties have duly executed the Agreement. This Agreement shall remain in full force and effect for a period of twenty (20) years, unless earlier terminated (in whole or in part) (“Term”). The Parties agree to review and modify as necessary at five (5) year intervals.

1.2. The provisions of section 1.1 notwithstanding, the Term of this Agreement may be extended by written agreement of the Parties and by a duly executed Amendment to this Agreement. Extensions may be in five (5) year intervals or as agreed by the Parties.

1.3. Future Connection/Increased Capacity. Any additional capacity or terms beyond those contained in this Agreement will be through a written executed amendment to this Agreement.

1.4. All obligations incurred during the Term shall survive expiration or termination of the Agreement.

1.5. Either Party may provide notice of Termination upon six(6) months written notice to the other party.

2. Regulatory Approvals. The Parties acknowledge and agree that the following regulatory approvals and property rights are necessary before water deliveries may begin.
2.1. Spokane must obtain the following state and local approvals regarding this Agreement:

2.1.1. State Department of Health; and

2.1.2. State Department of Ecology.

Spokane will bear all initial costs of obtaining this regulatory approval. Spokane will keep Medical Lake informed of status, will advise Medical Lake when these approvals have been obtained, and will provide copies of these approvals to Medical Lake promptly after they have been obtained.

2.2. Medical Lake must obtain the following state and local approvals regarding this Agreement:

2.2.1. State Department of Health; and

2.2.2. State Department of Ecology.

Medical Lake will bear all initial costs of obtaining these regulatory approvals. Medical Lake will keep Spokane informed of status, will advise Spokane when these approvals have been obtained, and will provide copies of these approvals to Spokane promptly after they have been obtained.

2.3. The Parties shall collaborate on obtaining any approvals necessary from Spokane County and shall bear their own initial costs of obtaining any such approval.

2.4. If unanticipated permits, regulatory approvals, or property or access rights (collectively, with the approvals described in Section 2, “Regulatory Approvals”) are necessary, the Parties will meet and confer in good faith to allocate costs and responsibility for the same.

3. **Construction, Funding, and Responsibility for Improvements.**

3.1. Medical Lake shall apply and pay for all Spokane Application(s) for Connection required to deliver wholesale water pursuant to this Agreement in accordance with Title 13, Chapter 13.04, Section 13.04.0502, and Applications for Connection Spokane Municipal Code (“Application for Connection”). 3.1.1. Medical Lake shall purchase a backflow prevention device or assembly consistent with Chapter 246.290 WAC, from and approved by Spokane, designed and tested to counteract back pressure and back siphonage (“Medical Lake Backflow Prevention Device”). Medical Lake shall have
the Medical Lake Backflow Prevention Device tested by a certified Backflow Assembly Tester, approved by the Water Department for compliance with Legal Requirements. A copy of each year’s test along with a certification that the backflow assembly complies with Legal Requirements and is in good working condition shall be provided to Spokane each year.

3.1.2. Medical Lake shall purchase from Spokane a tap (“Tap”) and initial master meter (“Initial Master Meter”) in accordance with Spokane Municipal Code Title 13, Chapter 13.04, Section 13.04.0602 A, including, any initial testing and/or inspection fees required by Spokane.

3.1.3. Medical Lake shall purchase/construct a vault of adequate dimension to accommodate the initial master meter, the backflow assembly and the flow regulating valve.

3.1.3 Spokane will design and construct a Flow Control Valve. Said design and construction shall be at the sole discretion of Spokane. Spokane shall bear all costs associated with the design and construction of the Flow Control Valve.

3.1.4 Spokane shall install the Medical Lake Backflow Prevention Device, the Initial Master Meter, the Flow Regulating Valve, the Tap, and perform the initial backflow assembly test.

3.2. The Parties agree that additional improvements are required to effectuate the terms of this Agreement. The Improvements’ general location and layout are shown and described on Exhibit “A”. The Parties shall design and construct their respective improvements in a manner that is consistent with the provisions of all applicable local, state, and federal law, permits, regulatory approvals, manufacturers’ specifications and in a good and workman-like manner.

3.3. The Parties agree to allocate cost for the additional improvements’ design and construction as follows.

3.3.1. Medical Lake agrees to full and complete responsibility for the design and construction of the following Improvements (“Medical Lake Improvements”). All costs associated with the Medical Lake Improvements shall be borne by Medical Lake.

3.3.1.1. Medical Lake shall submit to Spokane for review, revision, and approval of designs, specifications, and construction schedule for all Medical Lake Improvements (“Medical Lake Plans”) required to effectuate the delivery of wholesale water pursuant to this Agreement except as otherwise provided by Section 3.4. Such plans shall include, without limit, the limits of excavation for and placement of any
vault(s). Subject to the requirements set forth in Section 3.1, the Medical Lake Improvements shall also include the Application for Connection, the Tap, and the Initial Master Meter. Medical Lake shall not commence construction of the Medical Lake Improvements until Medical Lake has received from Spokane approved Medical Lake Plans (as such documents may be revised by Spokane) and Spokane’s written authorization to proceed with construction (“Notice to Proceed”).

3.4. Spokane agrees to full and complete responsibility for the following improvements (“Spokane Improvements”). All costs of the Spokane Improvements shall be borne by Spokane.

3.4.1. Except as provided in Section 3.1, Spokane shall tap the Spokane transmission line necessary to deliver wholesale water pursuant to this Agreement.

3.4.3. Spokane shall design and construct water quality monitoring equipment as shown, described, and specified in Exhibit B (“Spokane WQ Monitoring Equipment”).

3.5. The “Point of Delivery” shall be that specifically identified point between transmission mains of the Parties to this Agreement where water will be transferred from one Party’s system to the facilities of the other Party. The Point of Delivery is identified and described on Exhibit A.

3.6. The Parties agree that: (1) after design and construction of the Medical Lake Improvements are complete, Medical Lake will assume full and complete ownership, operation, maintenance (including testing and monitoring), and insurance responsibilities, including the costs thereof, for the Medical Lake Improvements and associated facilities consistent with water system standards and applicable laws, regulations, rules, provisions, interpretations, orders, injunctions, decrees, rulings, awards, and decisions of governmental entities, orders of governmental entities (“Legal Requirements”); and (2) after design and construction of the Spokane Improvements are complete, Spokane will assume full and complete ownership, operation, maintenance (including testing and monitoring), and insurance responsibilities, including the costs thereof, for the Spokane Improvements and associated facilities consistent with water system standards Legal Requirements except as provided in Section 3.6.1. Spokane shall, in its sole discretion and at its sole expense, routinely monitor water quality using the Spokane WQ Monitoring Equipment in accordance with the Spokane Water Quality Monitoring Protocol set forth in Exhibit B.

3.6.3. If Spokane elects to construct a Spokane Flow Control Valve, Spokane shall own, operate, and maintain it.

4. **Water Delivery.** Following completion of the Spokane Improvements and Medical Lake Improvements, receipt of all Regulatory Approvals, and any other preconditions to water delivery provided in this Agreement (“Initial Delivery Date”), Spokane agrees to sell and make available to Medical Lake, and Medical Lake agrees to accept delivery of and pay for wholesale water as follows.

4.1. The wholesale water sold to Medical Lake by Spokane pursuant to this Agreement shall be water available from Spokane’s water rights. Spokane has reviewed Medical Lake’s service area as described in its approved Comprehensive Water Plan (“Medical Lake Service Area”). Spokane determines that Medical Lake may beneficially use Spokane’s water delivered pursuant to this Agreement within the Medical Lake Service Area. Medical Lake confirms the water received from Spokane is being used by Medical Lake consistent with Spokane’s water system plan. Medical Lake shall ensure any future plan amendments will comply with both Comprehensive Water System Plans and all applicable laws.

4.2. All water supplied by Spokane for use or sale by Medical Lake shall be upon the express condition that after water passes the Point of Delivery, it becomes the property and exclusive responsibility of Medical Lake. Spokane shall not be liable for any degradation of water quality, for acts of sabotage or vandalism, or for other events and resulting damages that may occur beyond the Point of Delivery and within the Medical Lake Improvements and Medical Lake Water System.

4.3. The quality of wholesale water made available to Medical Lake pursuant to this Agreement shall be of the same standard and quality as normally delivered to Spokane’s other customers and shall be in compliance with all applicable state and federal drinking water laws, regulations and standards at the Point of Delivery. Medical Lake shall be responsible for maintaining compliance with all applicable state and federal drinking water laws, regulations and standards past the Point of Delivery and within the Medical Lake Improvements and Medical Lake Water System.

4.4. From the Initial Delivery Date until the date that Spokane ceases making wholesale water sales, Spokane shall make available to Medical Lake at the Point of Delivery wholesale water in the amount not to exceed 200 gallons per minute
9-25-17

(GPM) for supplemental use and at a pressure meeting Legal Requirements as described in Paragraph 3.6. Requests for emergency use and amount are provided or in Section 4.8.

4.5. Spokane shall record the amounts of monthly wholesale water deliveries made to Medical Lake at the Initial Master Meter (or any replacement meter thereof).

4.5.1. Spokane will read the meter and keep records of the monthly and annual total water accepted by Medical Lake.

4.5.2. The Initial Master Meter (or any replacement meter thereof) shall at all times be accessible to Spokane personnel. If it becomes necessary for Medical Lake to place the meter under lock and key, Medical Lake shall furnish Spokane with a copy of the key.

4.6. Should Spokane determine that Medical Lake is receiving deliveries of wholesale water at the Point of Delivery in excess of the amounts set forth in section 4.4 herein, Spokane shall notify Medical Lake of the excess deliveries, and Medical Lake shall promptly take the steps necessary to reduce its deliveries accordingly. If Medical Lake has not taken action within twenty-four (24) hours of receiving notice from Spokane pursuant to Section 4.4, Spokane may take any action it deems necessary to reduce the deliveries to a level equal to Medical Lake’s scheduled amounts, and charge Medical Lake for any excess deliveries made after the expiration of the twenty-four hour notice period.

4.7. Spokane’s delivery of wholesale water and Medical Lake’s acceptance of such delivery shall be governed by the terms of this Agreement No future wholesale service connections shall be permissible without a subsequent and separate written agreement between the Parties. Neither Party shall be obligated to agree to or execute any agreement or permit with the other Party to construct additional wholesale service connection(s). Medical Lake shall ensure any future Water Service Plan amendments comply with both Medical Lake and Spokane’s Comprehensive Water System Plans and all applicable laws.

4.8. In the event Medical Lake notifies Spokane of an emergency situation whereby they need additional capacity of water for a limited time, after consultation with the Director of Spokane’s Water and Hydroelectric Department, Spokane agrees to make available to Medical Lake at the Point of Delivery wholesale water in an additional amount not to exceed six hundred (600) gallons per minute of emergency wholesale water at a pressure meeting Legal Requirements, as described Paragraph 3.6.

5.1. Commencing with the month in which deliveries of wholesale water to Medical Lake pursuant to Section 4 begin, and for each month thereafter during the Term,
Medical Lake shall pay to Spokane a service fee composed of the following elements:

5.1.1.1. The amount of wholesale water delivered in such a month, as measured at the Initial Master Meter, times Outside City Rate to Other Purveyors, plus any other fees, taxes, or charges billed to other Spokane wholesale customers pursuant to the Spokane Municipal Code.

5.1.1.1.1. The term “Outside City Rate to Other Purveyors” means that rate and outside Spokane commercial monthly service charge as set forth in Title 13, Chapter 13.04, Section 13.04.2014 of the Spokane Municipal Code, or its succeeding provision(s) as such may be revised or amended through time. This rate may be periodically adjusted and shall be applicable as set forth in the rate schedule as adopted by the Public Utility Board and Spokane City Council.

5.2. Future Connection/Increased Capacity. Any additional capacity or terms beyond those contained in this Agreement, will be negotiated between the Parties and may include assessed capital fees to meet the increase in capacity prior to expansion.

5.3. Spokane shall during the Term prepare and forward to Medical Lake an invoice for the payment of any and all amounts due Spokane pursuant to this Agreement for the preceding month in accordance with Spokane’s normal business practices. Each such invoice shall set forth the payment due from Medical Lake to Spokane. Medical Lake may request from Spokane, and Spokane shall promptly provide to Medical Lake, any documentation or other information that Medical Lake may reasonably require to understand the nature of the costs contained in any invoice issued pursuant to this Section 5.

5.4. Payment of any and all invoices forwarded to Medical Lake by Spokane pursuant to this Section 5 shall be due and payable by Medical Lake on or before the Due Date, with payment to be made by wire transfer or such other means as may be agreed to in writing by the parties.

5.4.1. The term “Due Date” shall mean the date by which payment of any invoice issued pursuant to this Section of the Agreement is due to Spokane, which date shall be the close of business on the thirtieth (30th) day after an invoice is issued, provided, however, that if such thirtieth day falls on a Saturday, Sunday, or legal holiday observed by Spokane, the Due Date shall be extended until the close of business of the next regular business day of Spokane.
5.5. If any or the entire bill is in dispute, Medical Lake shall pay the amount as billed and the provisions of Section 11, Dispute Resolution, shall apply.

5.6. If Medical Lake disputes all or any portion of an invoice issued by Spokane pursuant to this Section 5, Medical Lake shall pay such invoice in full, and shall indicate in writing to Spokane the portions of the invoice that Medical Lake disputes and the reasons therefore. The Parties shall make a good faith effort to resolve such dispute. If such efforts are unsuccessful, either Spokane or Medical Lake may seek resolution of the dispute pursuant to Section 11.

5.7. Medical Lake hereby covenants and agrees that it shall establish, maintain, and collect rates or charges for water and other services, facilities, and commodities sold, furnished or supplied by it to its members which shall be adequate to provide revenues sufficient to enable Medical Lake to make the payments required to be made pursuant to the terms of this Agreement, and to pay all other charges and obligations payable from or constituting a charge or lien upon such revenues.

6.1. The Parties agree and acknowledge that wise stewardship of water resources through maintaining each system’s operational efficiency is critically important. The Parties agree to adopt conservation plans, to be updated on an annual basis or as otherwise required by Legal Requirements, and shall coordinate regional supply scheduling and other operational programs that promote efficient use of water supplies, facilities, and financial staff resources.

6.2. To accomplish these goals, the Parties agree:

6.2.1. To prepare and exchange conservation plans on an annual basis, at a minimum;

6.2.2. To track and collect data on at least a monthly basis for each Party’s operational components and to exchange the same on at least an annual basis;

6.2.3. To collectively analyze the data collected pursuant to this Section and to identify potential efficiency measures that will implemented by Medical Lake under the state-mandated Water Use Efficiency requirements as required by WAC 256-290-810, or as may be subsequently revised or modified in the future.

7. Delivery Interruptions, Default and Rights of Termination.

7.1. The Spokane Water System shall be operated and maintained in a manner consistent with water system standards and Legal Requirements in order to
provide reliability of service to Medical Lake. However, Medical Lake understands and agrees that Spokane can make no warranty or guarantee as to pressure, quantity, or continuity of service.

7.2. Spokane shall have no obligation whatsoever to guarantee delivery of wholesale water pursuant to this Agreement. Medical Lake agrees that it has only a contractual right to wholesale water as set forth in Section 4 of this Agreement, and further agrees that Medical Lake has no claim or right to a supply of water from Spokane or to any water right upon the expiration or termination of this Agreement on any basis whatsoever.

7.3. Notwithstanding any other provisions of this Agreement, neither Spokane nor Medical Lake shall be liable to the other for indirect, incidental, special, exemplary, punitive, or consequential damages, including but not limited to damages for lost profits, revenues or benefits, loss of property use, the cost of capital, or the cost of purchased or replacement water, even if such party has been advised of the possibility or existence of such damages.

7.4. The Parties agree and acknowledge that Spokane shall not be liable for any losses, damages, or claims due to, caused by, relating to, or arising from events enumerated in this Section 7.4.

7.4.1. Emergency

7.4.1.1. In the event that Spokane determines, in its sole discretion, that there is a General Emergency, Spokane shall provide oral notice to Medical Lake and may temporarily interrupt or reduce deliveries of water to Medical Lake if the Spokane determines, in its sole discretion, that such interruptions and reductions are necessary or reasonable in case of such a General Emergency. Medical Lake shall assist and support Spokane to meet such a General Emergency condition, including, without limit, implementing emergency conservation measures as directed by Spokane. General Emergencies may include, but are not limited to, failure of or accidents involving Spokane’s Water System infrastructure or equipment, uncontrollable forces, unforeseen or unavoidable events, legal restrictions or limitation, and/or regulatory restrictions or limitations.

7.4.1.2. In the event that Spokane determines, in its sole discretion, to institute a water rationing or water use restriction program, Spokane will institute necessary or reasonable reductions to deliveries of wholesale water made to Medical Lake pursuant to this Agreement. Such rationing or use restriction measures may be based on the specifics of the water distribution system and availability of the resource, in accordance with optimization of Spokane’s water system.
7.4.2. Non-Emergency

7.4.2.1. Except in cases of emergency under Section 7.4.1, and in order that Medical Lake’s operations will not be unreasonably interfered with, Spokane shall give Medical Lake seven (7) calendar days notice of any other interruptions or reduction in service, the reason therefore, and the probable duration thereof, including any interruptions or reduction in services that will be caused by the installation of equipment, repairs, replacements, investigations, inspections or other maintenance performed by the Spokane on its water system or those parts of the system supplying Medical Lake pursuant to this Agreement.

7.4.3. Regulatory

7.4.3.1. Medical Lake understands and agrees that the operation of this Agreement, and the water available from Spokane’s water rights are subject to Legal Requirements as defined in section 3.6 and the proceedings, litigation, orders, rulings of courts of competent jurisdiction (“Judicial Requirements”) regarding the Agreement and Spokane’s water rights. Medical Lake understands and agrees that Spokane must comply with all such Legal Requirements and Judicial Requirements and that such Legal Requirements and Judicial Requirements may affect, limit, diminish or remove the ability of Spokane to fulfill its wholesale water deliveries under this Agreement.

7.4.3.2. The Parties expressly acknowledge and agree that the inability or preclusion of the City of Spokane to perform, in whole or material part, this Agreement caused by an order or directive of governmental authority or a court with jurisdiction shall constitute a force majeure or change in law event hereunder and Spokane can terminate this Agreement.

7.4.3.3. If Spokane is materially limited or prohibited from performance of this Agreement, in whole or in part, Spokane may terminate this Agreement by providing Medical Lake as much advance written notice as is mandated by Legal Requirements or Judicial Requirements under the circumstance, or six (6) months, whichever is longer, from the date of the written notice.

7.5. Medical Lake Events of Default and Spokane’s Rights of Termination.

7.5.1. If Medical Lake fails to make any payment in full when due under this Agreement for a period of sixty (60) days or more after the Due Date, Spokane shall make written demand upon Medical Lake to make payment within ten (10) days of the date of such written demand. If the failure to pay is not cured with the ten (10) day time period, Medical Lake shall be deemed
to be in default of this Agreement, and then Spokane may terminate this Agreement by providing Medical Lake with written notice not less than six (6) months prior to the date of termination set forth in such written notice.

7.5.2. If Spokane determines, in its sole discretion, that Medical Lake has materially breached the terms of this Agreement, and fails to cure such a material breach within a period of sixty (60) days after Spokane provides Medical Lake written notice of the same, then Medical Lake shall be deemed to be in default of this Agreement, and then Spokane may terminate this Agreement by providing Medical Lake with written notice.

8. **Force Majeure.** Neither Medical Lake nor Spokane shall be considered to be in default in respect to any obligations hereunder if prevented from fulfilling such obligations due to conditions beyond their reasonable control including acts of God, fire, flood, earthquake, other natural disaster, acts of war, insurrection or riot, or change in the law or directive of governmental authority. If a Party is unable to perform in whole or in part because of such condition, the Party shall diligently and promptly take reasonable steps to allow it to perform.

9. **Indemnification by Spokane.** To the fullest extent permitted by law, Spokane hereby releases and agrees to indemnify, defend and hold harmless each of the Medical Lake Indemnified Parties (defined below) from and against any claim, liability, loss, expense (including but not limited to attorneys’ fees and expenses), damage, demand, lawsuit, cause of action, order, strict liability claim, penalty, fine, administrative law action and/or cost of every kind and character (collectively, “Claim/Liability”), arising out of or in any way incident to the design or construction of the Spokane Improvements if due to the negligence, gross negligence, or intentional act or omission by Spokane, including in each case (but not limited to) any Claim/Liability on account of defective work, breach of contract, personal injuries, death, damage to property, damage to the environment, or infringement of any patent, trademark, copyright or other property right, regardless of whether such harm is to Spokane, its employees or officers, the Medical Lake Indemnified Parties, or any other person or entity. “Medical Lake Indemnified Parties” means, individually and collectively, Medical Lake, its officers, shareholders, and members of each of the foregoing entities. Notwithstanding any provision in this Agreement to the contrary, the Spokane’s duties under this Section 9 shall survive the termination, revocation, or expiration of this Agreement.

10. **Indemnification by Medical Lake.** To the fullest extent permitted by law, Medical Lake hereby releases and agrees to indemnify, defend and hold harmless each of the Spokane Indemnified Parties (defined below) from and against any Claim/Liability arising out of or in any way incident to the use by Medical Lake of the water supplied by Spokane hereunder, or arising out of or in any way incident to the design or construction of the Medical Lake Improvements if due to the negligence, gross negligence, or intentional act or omission by Medical Lake, including in each case (but not limited to) any Claim/Liability on account of defective work, negligence,
breach of contract, personal injuries, death, damage to property, damage to the environment, or infringement of any patent, trademark, copyright or other property right, regardless of whether such harm is to Medical Lake, its members or officers, the Spokane Indemnified Parties, or any other person or entity. “Spokane Indemnified Parties” means, individually and collectively, Spokane, its elected officials, officers, employees, and agents. Notwithstanding anything in this Agreement to the contrary, Medical Lake’s duties under this Section 10 shall survive the termination, revocation, or expiration of this Agreement.

11. Dispute Resolution.

11.1. Except as otherwise provided in this Agreement, any and all disputes arising under this Agreement shall be resolved pursuant to this Section 11.

11.2. The Parties shall make good faith efforts to resolve by informal discussion any dispute arising under this Agreement.

11.3. If at any time during the good faith efforts to resolve any dispute arising under this Agreement either of the Parties determines that such informal discussions will not result in a resolution of the issue(s) in dispute, such dispute, upon the mutual agreement of the parties, may be submitted for resolution by mediation.

11.4. Disputes not resolved by Section 11.2, 11.3, or 11.4, as the case may be, shall be resolved in court per Section 12.11.

11.5. Except as otherwise provided by this Agreement, the Parties shall continue to fulfill their respective duties under this Agreement pending resolution of any dispute.

12.1.1. Medical Lake’s Access to Spokane Records. Upon reasonable prior notice to Spokane, Medical Lake, or any consultant of Medical Lake, shall be given access during normal business hours to the books, records, and accounts related to this Agreement in the possession of Spokane at the location where such books, records, and accounts are located. Spokane shall not be obligated to collate, organize, or analyze the information sought by Medical Lake or by Medical Lake’s consultant.

12.1.2. Spokane’s Access to Medical Lake Records. Upon reasonable prior notice to Medical Lake, Spokane, or any consultant of Spokane, shall be given access during normal business hours to the books, records, and accounts related to this Agreement in the possession of Medical Lake at the location
where such books, records, and accounts are located. Medical Lake shall not be obligated to collate, organize, or analyze the information sought by Spokane or by Spokane’s consultant.

12.3. **Assignment.** Neither this Agreement nor any of the rights, interests or obligations created hereunder may be assigned, sold, or otherwise transferred in whole or in part by either Party without the prior written consent of the other Party.

12.4. **No Third Party Beneficiaries.** Nothing in this Agreement is intended to confer upon any person or entity, other than the Parties hereto, any rights, benefits, or obligations. No such third-party shall have any right to enforce any of the provisions of this Agreement. Unless expressly stated otherwise herein.

12.5. **Medical Lake Water System – No Spokane Responsibility.** It is understood that Spokane does not own or have any responsibilities outside of this Agreement whatsoever to maintain Medical Lake’s Water System.

12.6. **Compliance with Local, State, Federal Rule or Regulation.** In the event Spokane is required to comply with any local, state, or federal rule or regulation governing its operation of its water rights and said rule or regulation requires the compliance of wholesale water customers of Spokane, Medical Lake agrees to comply.

12.7. **Waiver.** Except as otherwise provided herein or as agreed by the Parties, no provision of this Agreement may be waived except as documented or confirmed in writing. Any waiver at any time by a Party of its rights with respect to a default under this Agreement or with any other matter arising in connection therewith shall not be deemed a waiver with respect to any subsequent default or matter. Either Party may waive any notice or agree to accept a shorter notice than specified by this Agreement. Such waiver of notice or acceptance of shorter notice by a Party at any time regarding a notice shall not be considered a waiver with respect to any subsequent notice required by this Agreement.

12.8. **Entire Agreement.** All prior negotiations and agreements between the Parties hereto relating to the subject matter hereof are merged into and superseded by this Agreement, and shall constitute the entire agreement between Spokane and Medical Lake concerning the sale of wholesale water to Medical Lake for use as hereinbefore provided. The rights and obligations of the Parties hereunder shall be subject to and shall be governed by this Agreement.

12.9. **Representations and Warranties.** The Parties hereby represent and warrant to one another the following:

12.9.1. Each party is duly authorized and validly existing under the laws of, and is authorized to exercise its powers, rights, and privileges and is in good standing in, the State of Washington, and has full power and authority to carry on its business as presently conducted and execute this Agreement and perform the transactions on its part contemplated by this Agreement.
12.9.2. The execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby have been duly authorized by the appropriate board or council, and no other act or proceeding on the part of any Party is necessary to authorize this Agreement, or the transactions contemplated hereby.

12.9.3. The execution, delivery, and performance by each of the Parties of this Agreement does not: (a) contravene any law; or (b) conflict with or result in a breach of or default under any material agreement or instrument to which any Party is a party or by which it is bound.

12.9.4. There are no actions, suits, claims, or proceedings pending, or, to the best of each Party’s knowledge, threatened against either Party that is likely to impair the consummation or the transactions contemplated hereby.

12.9.5. This Agreement, when executed and delivered, will constitute a valid and binding obligation of each Party, and will be enforceable against each such Party in accordance with its terms.

12.10. Amendments. No change, amendment or modification of any provision of this Agreement shall be valid unless set forth in a written Amendment to this Agreement signed by the Parties.

12.11. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington (regardless of the laws that might otherwise govern under applicable principles of conflicts of law of such state). The Parties (i) agree that any lawsuit, judicial action, or proceeding arising out of or relating to this Agreement must be heard in the Superior Court of the State of Washington in and for the County of Spokane, or in the United States District Court for the Eastern District of Washington, (ii) waive any objection to the venue of any such suit, action, or proceeding, and (iii) irrevocably submit to the jurisdiction of any such court in any such lawsuit or judicial action or proceeding.

12.12. Reasonable and Good Faith Efforts. Each Party will make all reasonable and good faith efforts to coordinate with the other Party to complete the Medical Lake and Spokane Improvements, to secure the Regulatory Approvals, and accomplish tasks provided for in this Agreement in a timely manner.

12.13. Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced, all other terms or provisions of the Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereunder is not affected in any manner or materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement
so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereunder are consummated as originally contemplated and to the greatest extent possible.

12.14. Rights and Remedies Cumulative. The rights and remedies available under this Agreement or otherwise available shall be cumulative of all other rights and remedies and may be exercised successively.

12.15. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
IN WITNESS WHEREOF, the Parties have duly executed this Agreement on the date first above written.
