

CITY COUNCIL MEETINGS RULES – PUBLIC DECORUM

Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:

- 1. No Clapping!**
- 2. No Cheering!**
- 3. No Booing!**
- 4. No public outbursts!**
- 5. Three-minute time limit for comments made during open forum and public testimony on legislative items!**
- 6. No person shall be permitted to speak at open forum more often than once per month. In addition, please silence your cell phones when entering the Council Chambers!**

Further, keep the following City Council Rules in mind:

Rule 2.2 Open Forum

- D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.
- E. To encourage wider participation in open forum and a broad array of public comment and varied points of view, no person shall be permitted to speak at open forum more often than once per month. However, there is no limit on the number of items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

Rule 5.4 Public Testimony Regarding Legislative Agenda Items – Time Limits

- A. 5.4.1 The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at his or her discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will need to be allocated per speaker in order to accommodate all of the speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.
- B. No public testimony shall be taken on consent agenda items, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council.
- C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:
 1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
 - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
 - b. The designated representative of the proponents of the issue shall speak first and may include within his or her presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the 30 minutes between or among themselves.

- c. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the proponent's position.
 - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same time allotted as provided for the proponents.
 - e. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the opponents' position.
 - f. Up to ten minutes of rebuttal time shall be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
- 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three minutes to present his/her position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
 - 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.

Outcome:	Improve quality of existing rental housing by offering property improvement loans to owners of small rental properties serving low-income renters.
Background/History: The CHHS Board has approved a CDBG-funded Rental Repair Pilot program to provide repair loans to owners of small rental properties. HUD requires that repaired properties serve low-income renters at affordable rents. This program is an extension of the longstanding Single Family Rehabilitation loan program. This program will be delivered by SNAP.	
Executive Summary: CHHS staff, Board, and Affordable Housing Committee have created the Rental Repair loan product for repairs to small rental properties in the City of Spokane. These loans will improve housing quality, tenant safety, energy efficiency, and appearance of 1 – 7 unit rental properties. This program utilizes CDBG funds which triggers certain federal regulations, including: prevent tenant displacement, repair hazardous lead-based paint, serve low-income renters, and charge affordable rent. Additional restrictions were added, such as: prioritized repairs, borrower eligibility, property eligibility, and loan provisions. The Rental Repair Pilot program outline is attached.

Rental Repair Pilot

Sub-Program of Single Family Rehabilitation

Program Outline

BACKGROUND and PURPOSE

Since 1978, the City of Spokane Single Family Rehabilitation program has provided over 3,400 loans to low-income homeowners for needed in-home health and safety repairs. This program received a 1998 HUD John J. Gunther Blue Ribbon Practices in Housing award. The City has delivered this program under contracts with various professional program managers. From 2004-2013, this program expanded to include a Rental Improvement Program offering loans up to \$10,000 repaid at 3% interest over 10 years for privately-owned 1-4 unit rental properties. This program was underutilized at about 20 loans over 9 years.

Given renewed interest in both homeowner and renter housing quality, this 2019 Rental Repair Pilot will provide loans to owners of small rental properties to improve housing quality, tenant safety, energy efficiency, and appearance. Each property must meet minimum HUD standards and compliance including: Uniform Relocation Act (URA); HUD Title X Lead Based Paint; at least 51% of occupants at/below 80% of Area Median Income (AMI); and all units renting at/below HUD Fair Market Rent (FMR) for 5 years.

PROGRAM ELIGIBILITY

ELIGIBLE PROPERTY

Program Manager will determine eligible rental properties based on the following criteria:

- At minimum, 51% of units are rented by tenants at/below 80% AMI
- All units have monthly rent at/below HUD FMR (determined the affordable rent standard)
- Property will be operated as rental housing for at least 5 years
 - Property has 7 or fewer units
 - All Mandatory repairs can be completed at project completion within available loan funds
 - The property cannot be for sale

ELIGIBLE BORROWER

Borrowers must be eligible, responsible, businesslike, and creditworthy. An eligible borrower will be the legal owner of the rental property and shall agree to meet all HUD and Pilot program requirements. A responsible borrower will have no unresolved Fair Housing complaint, Code Enforcement complaint, or Building Official substandard property listing. A businesslike borrower will demonstrate pride of ownership, competent property management, unit leasing in compliance with the Washington State Landlord-Tenant Act, adequate property records, and ability to pay all rental-property expenses (including this loan) from rent proceeds. A creditworthy borrower will be current on property taxes, hazard insurance, and any mortgage payments; have a good credit; have good payment history on any mortgage or lien; no unresolved judgement or lien; no Chapter 7 bankruptcy that is not discharged; and no Chapter 13 bankruptcy not current on payments.

ELIGIBLE REPAIRS

This program is funded with HUD CDBG funds that cannot be used for luxury improvements (e.g. non-standard work, air conditioning (unless medically required), new housing construction, or building footprint expansion (e.g. accessory dwellings or additions). All repairs must be program-

and CDBG-eligible. Repairs can be applied to rental unit interiors, building exteriors, and tenant common areas. This program includes Mandatory, Priority, and Secondary repairs.

Mandatory Repairs:

All Mandatory repairs must be completed at the completion of a Rental Repair Pilot project so that no rental property or unit within that property is partially safe at project completion.

Mandatory repairs include building components that:

- Violates HUD Housing Quality Standards (HQS)
- Must be addressed under HUD Title X Lead Based Paint regulation
 - Declared noncompliant by City Code Enforcement and/or Building Official
 - Failing Orangeburg sewer pipe (if present)
 - Roofing with less than 5 years of useful life

Priority Repairs:

Priority repairs are eligible and suggested but not required. Priority repairs include:

- Security (e.g., CPTED, lighting, new locks, security cameras)
- Improve interior health (e.g., manage excess water/moisture, ventilate, replace carpet with hard surface flooring, paint all surfaces, pest management)
- Improve handicap accessibility in at least 1 unit
- Improve energy efficiency (e.g., insulation, low-flow plumbing, new furnace)

Secondary Repairs:

Secondary repairs are eligible and optional to borrowers seeking additional repairs within available loan funds. A borrower must demonstrate that Priority repairs are satisfied before expanding a scope of work to include Secondary repairs. Secondary repairs include:

- Update aged/damaged fixtures (e.g., cabinets, countertops plumbing fixtures)
- Improve exterior appearance (e.g., siding, painting, sidewalk repair, and xeriscape if a demonstrated need)

All program-funded repairs shall be completed under a general construction contract between the borrower and a program-approved contractor that is facilitated by the Program Manager.

Property owners cannot perform program-funded repairs. Permits must be purchased and final inspections passed.

Rental Repair Pilot

Sub-Program of Single Family Rehabilitation

Program Outline

BACKGROUND and PURPOSE

Since 1978, the City of Spokane Single Family Rehabilitation program has provided over 3,400 loans to low-income homeowners for needed in-home health and safety repairs. This program received a 1998 HUD John J. Gunther Blue Ribbon Practices in Housing award. The City has delivered this program under contracts with various professional program managers. From 2004-2013, this program expanded to include a Rental Improvement Program offering loans up to \$10,000 repaid at 3% interest over 10 years for privately-owned 1-4 unit rental properties. This program was underutilized at about 20 loans over 9 years.

Given renewed interest in both homeowner and renter housing quality, this 2019 Rental Repair Pilot will provide loans to owners of small rental properties to improve housing quality, tenant safety, energy efficiency, and appearance. Each property must meet minimum HUD standards and compliance including: Uniform Relocation Act (URA); HUD Title X Lead Based Paint; at least 51% of occupants at/below 80% of Area Median Income (AMI); and all units renting at/below HUD Fair Market Rent (FMR) for 5 years.

PROGRAM ELIGIBILITY

ELIGIBLE PROPERTY

Program Manager will determine eligible rental properties based on the following criteria:

- At minimum, 51% of units are rented by tenants at/below 80% AMI
- All units have monthly rent at/below HUD FMR (determined the affordable rent standard)
- Property will be operated as rental housing for at least 5 years
 - Property has 7 or fewer units
 - All Mandatory repairs can be completed at project completion within available loan funds
 - The property cannot be for sale

ELIGIBLE BORROWER

Borrowers must be eligible, responsible, businesslike, and creditworthy. An eligible borrower will be the legal owner of the rental property and shall agree to meet all HUD and Pilot program requirements. A responsible borrower will have no unresolved Fair Housing complaint, Code Enforcement complaint, or Building Official substandard property listing. A businesslike borrower will demonstrate pride of ownership, competent property management, unit leasing in compliance with the Washington State Landlord-Tenant Act, adequate property records, and ability to pay all rental-property expenses (including this loan) from rent proceeds. A creditworthy borrower will be current on property taxes, hazard insurance, and any mortgage payments; have a good credit; have good payment history on any mortgage or lien; no unresolved judgement or lien; no Chapter 7 bankruptcy that is not discharged; and no Chapter 13 bankruptcy not current on payments.

ELIGIBLE REPAIRS

This program is funded with HUD CDBG funds that cannot be used for luxury improvements (e.g. non-standard work, air conditioning (unless medically required), new housing construction, or building footprint expansion (e.g. accessory dwellings or additions). All repairs must be program-

and CDBG-eligible. Repairs can be applied to rental unit interiors, building exteriors, and tenant common areas. This program includes Mandatory, Priority, and Secondary repairs.

Mandatory Repairs:

All Mandatory repairs must be completed at the completion of a Rental Repair Pilot project so that no rental property or unit within that property is partially safe at project completion.

Mandatory repairs include building components that:

- Violates HUD Housing Quality Standards (HQS)
- Must be addressed under HUD Title X Lead Based Paint regulation
 - Declared noncompliant by City Code Enforcement and/or Building Official
 - Failing Orangeburg sewer pipe (if present)
 - Roofing with less than 5 years of useful life

Priority Repairs:

Priority repairs are eligible and suggested but not required. Priority repairs include:

- Security (e.g., CPTED, lighting, new locks, security cameras)
- Improve interior health (e.g., manage excess water/moisture, ventilate, replace carpet with hard surface flooring, paint all surfaces, pest management)
- Improve handicap accessibility in at least 1 unit
- Improve energy efficiency (e.g., insulation, low-flow plumbing, new furnace)

Secondary Repairs:

Secondary repairs are eligible and optional to borrowers seeking additional repairs within available loan funds. A borrower must demonstrate that Priority repairs are satisfied before expanding a scope of work to include Secondary repairs. Secondary repairs include:

- Update aged/damaged fixtures (e.g., cabinets, countertops plumbing fixtures)
- Improve exterior appearance (e.g., siding, painting, sidewalk repair, and xeriscape if a demonstrated need)

All program-funded repairs shall be completed under a general construction contract between the borrower and a program-approved contractor that is facilitated by the Program Manager.

Property owners cannot perform program-funded repairs. Permits must be purchased and final inspections passed.

PROGRAM MANAGEMENT

The procured Program Manager will manage the Rental Repair Pilot program in tandem with the related Single Family Rehabilitation Program. The Program Manager will determine eligible properties, borrowers, tenants, and rents; develop the construction scope of work; calculate maximum loan amount; document appropriate rents and tenant incomes; determine necessary tenant

relocation and notice; close and document loans; and facilitate repairs in accordance with program and CDBG guidelines.

This program is available citywide. For this initial offering, the Pilot program will be target-marketed to the West Central Neighborhood and The Zone. This provides initial preference for areas having high concentration of rental properties and older homes in below-average condition.

Program Manager may administratively close-out a project for borrower or tenant persistent noncooperation with program requirements.

DOCUMENTATION REQUIREMENTS

The Program Manager will collect the following documentation:

- Occupancy documentation including self-certified tenant incomes where at least 51% of current tenants are at/below 80% AMI and all monthly rents are at/below FMR
- Evidence of delivery of required URA tenant notice(s)
- Pro forma projecting positive cash flow over the loan term (typically a 1.2 Debt Coverage Ratio)
- Demonstrated fiscal viability by Profit & Loss Statement, most recent tax return, or similar
- Borrower's agreement to 1 year of no rent increase and 5-years of affordable housing compliance (51% of renters served at/below 80% AMI and all rents at/below FMR)
- Program loan agreements including a Promissory Note and recorded Deed of Trust
- Written agreements for program-funded construction and loan disbursements

THE LOAN

LOAN AMOUNT

The loan amount will be the total of Rental Repair-paid construction costs. Program Manager, loan closing, recording, appraisal, and program-mandated testing costs will not be added to the loan.

The minimum loan amount is \$10,000. The maximum loan is the lesser of \$15,000 per-unit or 100% combined loan-to-value (CLTV). CLTV includes all existing loans plus the Rental Repair program loan. Property value is calculated by adding 25% of the Rental Repair loan amount to the greater of a) the current Spokane County assessed value, b) averaged Spokane County Assessor comparable sales for last 12 months excluding high and low sales, or c) appraisal needed to reasonably establish sufficient equity.

LOAN TERMS

Loans accrue interest and must be repaid in monthly installments. Loans accrue 3% interest amortized over a 10 year repayment period. CHHS can authorize Program Manager to extend the amortizing loan repayment period up to 20 years at 3.5% interest provided that the additional repayment time is reasonable, required to accomplish adequate debt coverage ratio, and does not exceed the lifespan of program-funded repairs. CHHS can declare loan default for borrower's failure to provide 51% of units serving renters at/below 80% AMI and/or failure to rent all units at/below FMR.

SECURED LOANS

All Rental Repair loans shall be secured with a recorded Deed of Trust upon the property which can be in subordinate lien position. However, all superior loans must be acceptable mortgage debt (e.g., no variable interest rate, no balloon payment within Rental Repair loan term). Program Manager will consider loan risk if the property has cross-collateralized debt.

MANDATORY TENANT PROTECTIONS

FAIR HOUSING & AFFIRMATIVE MARKETING

Borrower must affirmatively market vacant rental units to low-income renters who might not otherwise apply, use the Equal Opportunity Housing logo in advertisements, and display a Fair Housing poster onsite. No applicant can be excluded or denied benefits or subject to discrimination due to federal or state protected class.

UNIFORM RELOCATION ACT (URA)

Borrower must provide required URA notices to tenants. Borrower must maintain reasonable occupancy conditions during construction. Borrower must, at borrower's expense, accommodate URA-required temporary tenant moves (an eligible loan expense). Borrower cannot evict a tenant or refuse to renew a lease to meet or avoid compliance with a HUD requirement. Borrower cannot increase rent during the first year following project completion.

PROVIDE AFFORDABLE RENTAL HOUSING

Following loan execution: For 5 years, borrower must agree to annually report to City CHHS tenant occupancy data demonstrating at least 51% of tenants are at/below 80% AMI and all units are rented at/below HUD FMR.

LOAN SERVICING and COMPLIANCE

The City of Spokane services all loans including: loan payments, payoff, subordination, and refinance requests. The City will enforce loan requirements and can declare an event of default. Events of default can include borrower's failure to: adequately maintain the property; make loan payments; pay hazard insurance and property taxes; and/or satisfy 5-year affordable rental housing requirements.

ⁱ 51% of Units: For duplexes, at least one unit must be occupied by a low-income renter. For triplexes, at least two units must be occupied by low-income renters. For larger properties, 51% of units shall be rounded-up to the next whole number of units. Multiple building rental properties located on the same or contiguous property and under common ownership and management may be considered as "one building" where 51% of all units in that presumed "one building" must be occupied by low-income renters.

The GRANTEE will be responsible for administering a CDBG Year 2018 Rental Repair Pilot Program (Program) in a manner satisfactory to the CITY and consistent with any standards required as a condition of providing these funds. Such program will include the following activities eligible under the Community Development Block Grant program:

1) Program Delivery.

Activity #1 Provide rental repair loans that improve housing quality, tenant safety, energy efficiency, and appearance to owners of small (1 to 7 unit) rental properties where at least 51% of renters in each property are below 80% of Area Median Income.

Activity Location(s): Various locations within the City of Spokane.

GRANTEE shall perform activities outlined in the Rental Repair Program Outline; governed by its Single Family Rehabilitation Program Management Services Proposal submitted to the City of Spokane November 24, 2014, as incorporated herein by reference; and in accordance with the Single Family Home Rehabilitation Program Guidelines maintained by GRANTEE, also incorporated herein by reference.

2) General Administration.

B. NATIONAL OBJECTIVES.

1) All activities funded with CDBG funds must meet one (1) of the CDBG program's National Objectives: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency, as defined in 24 CFR 570.208.

2) The GRANTEE certifies that the activity(ies) carried out under this Agreement will meet the specific National Objective: to benefit low- and moderate-income persons. This will be accomplished by providing loans to repair rental units occupied by low- and moderate-income households.

C. LEVELS OF ACCOMPLISHMENT – GOALS AND PERFORMANCE MEASURES.

Substandard performance as determined by the CITY will constitute noncompliance with this Agreement and shall result in action which may include, but is not limited to: the GRANTEE being required to submit and implement a corrective action plan, payment suspension, funding rejection, or grant termination. If action to correct such substandard performance is not taken by the GRANTEE within a reasonable period of time after being notified by the CITY, Agreement suspension or termination procedures will be initiated.

At least once annually, the CITY will perform onsite interviews and file review to verify GRANTEE, contractor, project and program compliance with CITY requirements.

SECTION NO. 2: TIME OF PERFORMANCE

The term of this Agreement shall commence as of the date on the FACE SHEET and shall terminate on the termination date on the FACE SHEET, unless earlier terminated upon mutual agreement of the PARTIES, or upon termination of the CITY's CDBG Program as funded by HUD. The GRANTEE shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The CITY shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the GRANTEE is an independent contractor.

G. AMENDMENTS.

The CITY or GRANTEE may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing and signed by a duly authorized representative of each organization. Such amendments shall not invalidate this Agreement, nor relieve or release the CITY or GRANTEE from its obligations under this Agreement. **All amendments to this agreement must be requested in writing by the GRANTEE and shall be submitted to the CITY's Contract Representative.** Requests for amendments to the budget must be submitted in writing as set forth in Section No. 3 of this Agreement.

Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the GRANTEE has control over CDBG funds, including program income.

6) Audits & Inspections

All GRANTEE records with respect to any matters covered by this Agreement shall be made available the CITY, HUD or its agent, or other authorized Federal officials, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

If this Agreement is funded by Federal sources as identified on the FACE SHEET, the GRANTEE that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with 2 CFR 200 Subpart F. The CITY reserves the right to require special procedures which are more limited in scope than a full audit for those GRANTEES expending less than \$750,000 in Federal funds. The GRANTEE that does not receive a financial audit shall submit financial statements within ninety (90) calendar days of GRANTEE's fiscal year end to the CITY's Contract Representative by mail to the address listed above, or to chhsreports@spokanecity.org.

The GRANTEE shall maintain its records and accounts so as to facilitate the audit requirement and shall ensure that Subcontractors also maintain auditable records in the same manner. The CITY has the right to audit the finances of the GRANTEE to ensure that actual expenditures remain consistent with the spirit and intent of this Agreement.

The GRANTEE is responsible for any audit expenses incurred by its own organization or that of its Subcontractors and the CITY reserves the right to recover from the GRANTEE all disallowed costs resulting from the audit.

Failure of the GRANTEE to comply with the audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

All unexpended program income shall be returned to the CITY at the end of the Agreement period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account *is not program income* and *shall be remitted promptly to the CITY*.

Indirect costs shall be applied in accordance with 2 CFR Part 200 Subpart E and 24 CFR 578.63

3) Payment Procedures

The CITY shall reimburse the GRANTEE only for actual incurred costs upon presentation of accurate and complete reimbursement forms as provided by the CITY in Attachment B and approved by the CITY. Payment will be made via direct deposit/ACH within thirty (30) days after receipt of the GRANTEE's application except as provided by state law. If the CITY objects to all or any portion of the invoice, it shall notify the GRANTEE and reserves the right to only pay that portion of the invoice not in dispute. In that event, the parties shall immediately make every effort to settle the disputed amount.

In the event that the CITY or HUD determines that any funds were expended by the GRANTEE for unauthorized or ineligible purposes or the expenditures constitute disallowed costs in any other way, the CITY or HUD may order

repayment of the same. The GRANTEE shall remit the disallowed amount to the CITY within thirty (30) days of written notice of the disallowance.

- a. The GRANTEE agrees that funds determined by the CITY to be surplus upon completion of the Agreement will be subject to cancellation by the CITY.
- b. The CITY shall be relieved of any obligation for payments if funds allocated to the CITY cease to be available for any cause other than misfeasance of the CITY itself.
- c. The CITY reserves the right to withhold payments pending timely delivery of program reports or documents as may be required under this Agreement.

If the GRANTEE fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the GRANTEE shall pay the CITY an amount equal to the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the CITY. The GRANTEE may retain real property acquired or improved under this Agreement after the expiration of the five-year period; and

- 3) In all cases in which equipment acquired, in whole or in part, with funds under this Agreement and then sold, those proceeds shall be program income (prorated to reflect the extent that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the GRANTEE for activities under this Agreement shall be (a) transferred to the CITY for the CDBG program or (b) retained after compensating the CITY an amount equal to the current fair market value of the equipment, less the percentage of non-CDBG funds used to acquire the equipment.

The GRANTEE shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3) “Section 3” Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon the CITY, the GRANTEE and any of the GRANTEE’s subrecipients and subcontractors. Failure to fulfill these requirements shall subject the CITY, the GRANTEE and any of the GRANTEE’s subrecipients and subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which Federal assistance is provided. The GRANTEE certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The GRANTEE further agrees to comply with these “Section 3” requirements and to include the following language in all subcontracts executed under this Agreement:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the

Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

The GRANTEE further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction projects to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The GRANTEE certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

The GRANTEE agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker’s representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Subcontracts

The GRANTEE will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the grantor agency. The GRANTEE will not subcontract with any entity where it has notice or

Information & Instructions for Completing Grantee Billing Form & Itemized Expense Reports

A reimbursement request, otherwise known as a bill, consists of a Grantee Billing Form, Payee Expense Report, Staff Expense Report and detailed documentation of the expenses. The billing form includes the approved budget categories and amounts during the active performance period of the Agreement. The Payee Expense Report and Staff Expense Report should be completed to detail each itemized expense being requested on the billing form in the Current Expense Request in Column B in aggregate value for each Approved Budget Category for the current expense period.

You should bill monthly for expenditures. If there have been no expenditures paid for the previous month, an invoice is not required. Please submit a final reimbursement request with all required documentation by the identified date in your Agreement. A final program report will be required to be submitted as well. You will not be paid until all documentation and final reports are received. HMIS Data MUST be electronically posted in the HMIS database before invoices will be paid.

Complete the Staff Expense Report for each employee you are requesting reimbursement of salary and fringe benefits based on the allowed activity and amount of actual time spent performing that activity. Record the employee Name, allowed Activity being funded, the Expense Category of the approved budget applicable to the activity, Total Hours Worked, Hours Worked on Listed Activity, and Total Salary & Fringe paid during the Expense Period. If you are claiming indirect costs, indicate whether or not each expense is included in your indirect cost base. Total Salary and Fringe should be reflected as the monthly amount. If your grant supports more than one project, complete the Project Name column to clearly associate each expense with a single project.

Complete the Payee Expense Report for the project expenses that are not staff salary/benefits or housing assistance. Record the Payee (who you paid), Expense Category (Rapid Re-Housing, Emergency Shelter or Administration), Expenditure Type (Rent, Housing Stabilization, Program Operations, etc.), Total Bill (total amount of expense). If you are claiming indirect costs, indicate whether or not each expense is included in your indirect cost base. If your grant supports more than one project, complete the Project Name column to clearly associate each expense with a

Record the HMIS client ID number, housing assistance expense type (application fee, security deposit, rent assistance, etc.) unit/FMR info if known, client lease information if known, and reimbursement information. If your grant is providing housing assistance through two or more projects, complete a Housing Assistance Detail Report for each one. If needed, complete the Housing Assistance Adjustment Report to explain changes to previously reported housing assistance expenses charged to the grant including Adjustment Reason.

The voucher and itemized expense reports MUST be signed in ink. The formulas should not be changed or adjusted in the form(s).

Completing the Grantee Billing Form:

- ☐ Name and address of your organization requesting reimbursement.
- ☐ Expense Period (should bill as monthly expenses, January, February, etc.)
- ☐ Enter total amount of Monthly Actual in Column B to represent the amount requested for reimbursement for the current period in the line item category of the approved budget (i.e. - Rapid Re-Housing, Emergency Shelter and Administration) and should reflect the total of itemized expenses on the Payee Expense and Staff Expense Reports. The Payee Expense and Staff Expense Reports must be completed and submitted with the billing form. You may not transfer funds between approved categories without written preapproval from the City.

☐ Enter Total Previously Requested in Column C, as applicable to each line item in the approved category of the budget. The amount entered should reflect all previously requested amounts except the current monthly amount. This must be completed and updated each time you prepare the form to request reimbursement of expenses. (The documents' formulas will calculate totals and update remaining Budget Balance in Column D to ensure reconciliation and budget tracking for both the agency and the City).

☐ Ensure all back up documentation is included for payment processing if you are using any type of the allocation for direct or indirect expenses please send the allocation plan to the City for review and approval if it has not already been provided.

☐ Sign in ink, provide title, date, email address and telephone number before sending for approval and payment processing to City of Spokane Community, Housing, and Human Services Department.

Documentation Required for Billing Forms:

All requests for reimbursement must be supported by documentation necessary to show that the costs charged to the grant funds were incurred during the active performance period of the Agreement, were actually paid out, were allowable items and have been approved by the responsible official within the organization. For example:

Salary and Fringe – receipts, payroll reports, timesheets signed by the employee and the immediate supervisor, letters of employment that include rate of pay, benefits and employee withholdings. For staff directly charged to a grant funded program or project time and attendance records should be included as well. Other sources of documentation might include, canceled checks from employees, insurance provider, etc. or evidence of direct deposits which document outlay of expenses. **100% of the time daily must be recorded for all hours worked by activity performed. This is required for all federally funded grant positions.**

Rent/Utilities – proof of payment to vendor, rental or lease agreement, utility bills. If the cost of the space or utilities is split between grant funded and other sources, there must be a reasonable method in place to allocate the charges fairly among the sources and the method provided.

Supplies and Materials (all Goods) – proof of payment to vendor, purchase orders, requisition forms, receipts, and invoices from vendors. It's also helpful to keep information regarding where the supplies are stored and for what program or project are they being used in the organizations' internal file.

Equipment – proof of payment to vendor, purchase orders, requisition forms, receipts, and invoices from vendors. Packing slips are only proof of delivery and do not act as an invoice from the vendor. If the item received is an inventorial piece of equipment, the serial number, model, and inventory tag should be noted on the purchase order or invoice from the vendor.

Other – proof of payment, receipts, invoices from vendor. Please contact the City for specific questions on required documentation.

Admin/Indirect Costs – methodology of application applied in accordance with Federal Guidance on allocation of direct costs for non-profits using the base most appropriate (for federally funded agreements) or applied in accordance with a methodology that the City has approved the use of (for agreements funded with non-federal sources).

If you are allocating either direct expenses or indirect expenses using a rate other than a federally negotiated rate or the de minimis rate (10% MTDC) the use of your allocation plan must be approved by the City prior to you charging the grant program. The allocation should consist of your pooled costs or cost basis and the narrative for the methodology applied to determining the calculated rate or percentage. Direct expenses allocated usually include utilities, rent, agency liability insurance, and may include staff paid time allocated as well.

**INTERLOCAL COOPERATION AGREEMENT
BETWEEN
SPOKANE COUNTY AND THE CITY OF SPOKANE
FOR HEARING EXAMINER SERVICES**

THIS AGREEMENT is between **SPOKANE COUNTY**, a political subdivision of the State of Washington, as ("County"), and the **CITY OF SPOKANE**, a Washington municipal corporation, as ("City"); jointly referred to hereinafter as the "parties", and individually a "party".

RECITALS

WHEREAS, pursuant to RCW 39.34.080, the County and the City may contract with each other to perform any governmental service which each may legally perform; and

WHEREAS, the County has a full-time Hearing Examiner to conduct quasi-judicial hearings on land use matters involving County government, and the City has a full-time Hearing Examiner to conduct administrative or quasi-judicial hearings on land use matters and other regulatory matters involving City government; and

WHEREAS, the City and County wish to make use of the other party's Hearing Examiner to hear designated administrative or quasi-judicial matters when the requesting party's Hearing Examiner is absent, has a conflict of interest, or is unable to timely process matters; and

WHEREAS, the City and County have each adopted ordinances that authorize their respective legislative bodies to appoint a Hearing Examiner pro-tem to perform the duties of the Hearing Examiner when such Hearing Examiner is absent, has a conflict of interest or other reason; and

WHEREAS, David W. Hubert is a County employee and currently serves as the Spokane County Hearing Examiner; Brian McGinn is a City employee and currently serves as the City of Spokane Hearing Examiner; and both Hearing Examiners are duly admitted members of the Washington State Bar Association and are knowledgeable on land use and other local government matters;

-- In consideration of the above recitals and the terms specified below, County and City hereby agree as follows:

1. **PURPOSE.** This Agreement is to provide a mechanism whereby the County and the City can respectively use the services of the other party's Hearing Examiner pro-tem to conduct

administrative and quasi-judicial hearings, as directed respectively by the Board of County Commissioners of Spokane County and the Spokane City Council.

2. PAYMENT. The County and the City may exchange Hearing Examiner services on an in-kind basis, or agree to pay for such services at the rate **ONE HUNDRED TWENTY SIX AND 43/100 DOLLARS (\$126.43) per hour**, or such other rate or sum as the parties may negotiate. The party offering services under this Agreement shall submit an invoice for reimbursement to the party requesting services after such services have been rendered. Each Hearing Examiner shall keep a log of the number of hours worked, and nature of the work performed for each hearing item, regardless of whether services are being reimbursed on an in-kind or hourly basis. The parties understand and acknowledge that their respective Hearing Examiners shall not be considered an employee, agent, or representative of the other party when performing services pursuant to this Agreement.

Payment shall be made payable to Spokane County and remitted to the Hearing Examiner, Third Floor, County Public Works Building, 1026 West Broadway Avenue, Spokane, Washington, 99260-0245. **Payment shall be made payable to the City of Spokane** and remitted to the Office of the Hearing Examiner, Sixth Floor, City Hall, 808 West Spokane Falls Boulevard, Spokane, Washington, 99201.

3. AGREEMENT NOT EXCLUSIVE. The County's Hearing Examiner is hereby appointed as a Hearing Examiner pro-tem for the City of Spokane and the City's Hearing Examiner is hereby appointed as a Hearing Examiner pro-tem for Spokane County. This Agreement is not exclusive and each party may designate other Hearing Examiner pro-tems to hear similar matters as authorized by local ordinance or resolution.

4. DURATION. This Agreement shall begin January 1, 2019, and run through December 31, 2019, unless terminated sooner. The parties acknowledge that the availability of their respective Hearing Examiners is contingent upon the amount of work and the number of hearings which must be held by a party's Hearing Examiner. Neither party guarantees that its respective Hearing Examiner will be available at all times requested by the other party.

5. DECISIONS. Each Hearing Examiner pro-tem shall comply with the requirements of federal, state and local law, relating to the matter being considered by the examiner, including the ordinances and resolutions of the party requesting services under this Agreement. If there is no applicable time period under statute or local ordinance or resolution for issuance of the Hearing Examiner's decision, the examiner shall exercise his best efforts to render a written decision with findings and conclusions within thirty (30) calendar days of concluding the hearing. If the Hearing Examiner's written decision is appealed, the Hearing Examiner shall review and certify the record from the hearing to the appropriate body after preparation of the record by the requesting party.

6. ADMINISTRATIVE SUPPORT. The offering party shall supply its own necessary administrative support services for the requesting party's hearing. The requesting party shall supply the hearing room, recording equipment, notifications, and copies of applicable regulations, policies, and reports. The offering party shall prepare and certify a transcript and/or copy of the record of any proceedings conducted by its Hearing Examiner, if required for an appeal; subject to reimbursement for the costs of preparing such documents from the appealing party as provided by law or ordinance. 7. AGREEMENT ADMINISTRATION. No new or separate legal entity or administrative entity is formed by this Agreement. No property will be acquired, held or disposed of.

8. INDEMNIFICATION.

- A. The County shall indemnify, defend and hold harmless the City, its officers and employees from all claims, demands, or suits in law or equity arising from the County's intentional or negligent acts or breach of its obligations under the Agreement. The County's duty to indemnify shall not apply to loss or liability caused by the intentional or negligent acts of the City, its officers and employees.
- B. The City shall indemnify, defend and hold harmless the County, its officers and employees from all claims, demands, or suits in law or equity arising from the City's intentional or negligent acts or breach of its obligations under the Agreement. The City's duty to indemnify shall not apply to loss or liability caused by the intentional or negligent acts of the County, its officers and employees.
- C. If the comparative negligence of the parties and their officers and employees is a cause of such damage or injury, the liability, loss, costs, or expense shall be shared between the parties in proportion to their relative degree of negligence and the right of indemnity shall apply to such proportion.
- D. Where an officer or employee of a Party is acting under the direction and control of the other Party, the Party directing and controlling the officer or employee in the activity and/or omission giving rise to liability shall accept all liability for the other Party's officer or employee's negligence.
- E. Each Party's duty to indemnify shall survive the termination or expiration of the Agreement.
- F. Each Party waives, with respect to the other Party only, its immunity under RCW Title 51, Industrial Insurance. The parties have specifically negotiated this provision.

9. TERMINATION. Either party may terminate this Agreement upon five (5) days written notice to the other party. PROCLAMATIONS

March 2019 *Women's History Month*

Council Member Burke read the proclamation. Two Representatives of the YWCA accepted the proclamation. Since 1988, Women's History Month has been annually celebrated in March in conjunction with Women's Day, both recognizing the great contributions that women have made to our nation. Since the founding of our nation, women have played an integral part in the American innovation and productivity while simultaneously raising generations of lively children and providing leadership in their local communities. Women have spurred change in our community, overcome adversity and lead the charge for a fair more inclusive society especially in the enrichment of the Spokane business environment by strengthening and promoting economic development, entrepreneurship and leadership.

March 2019 *American Red Cross Month*

Council Member Stratton read the proclamation. Leslie Czernik accepted the proclamation. The congruence with the tradition of recognizing and celebration the service provided to the People of the United States of America by the American Red Cross, which was instituted by President Franklin D. Roosevelt in 1943 and continued by our nation's leaders today. Throughout its 103 year history, the American Red Cross serving the Greater Inland Northwest has supported the needs of the citizens of this community by providing critical aid to victims of disaster, from house fires to wind storms, teaching tens of thousands the skills that save lives, providing international connection services, and supporting service members, military families and veterans through outreach and engagement activities. The American Red Cross through its dedicated network of volunteers, donors, and partners will continue to respond to challenges at home and abroad with compassion and generosity, ensuring that help and hope is available to all who turn to the red cross during their time of need.

March 2019 *Problem Gambling Awareness Month*

Council Member Mumm read the proclamation. Georgia Butler from the Recovery Café, Spokane, accepted the proclamation. Research indicates that approximately six million American adults and an additional one million youth are addicted to gambling. The Evergreen Council on Problem Gambling is a nonprofit organization to increase public awareness of problem gambling, to train treatment providers, and gambling industry personnel to address it to enhance the availability of treatment services for problem gamblers and to conduct youth based prevention programs. It is important that the gambling industry and the mental health, primary care, and recovery communities join together to increase public awareness of problem gambling and its high occurrence with

things like anxiety and substance use disorders and to take measures to address this addiction.

COUNCIL SALUTATION

Council Member Kinnear read the salutation. A representative of WSU Spokane accepted the Council Salutation. National Education for Women's Leadership also known as NEW Leadership is an intensive nonpartisan six day residential program designed to train collegiate women to become effective leaders from academia to their professions to social and political activism. The flagship program for national education for women's leadership is based out of the center for women and politics at Rutgers University in New Jersey and is now represented across the nation at over 20 universities including Washington State University – Spokane. National Education for Women's Leadership is once again being offered in Spokane this year through Washington State University's Health Sciences. National Education for Women's Leadership is open to women who are either Washington State residents attending any college or university or enrolled at a Washington State School with any academic discipline who are entering at least their sophomore year of college. Participants in the National Education for Women's Leadership Program will meet local and regional leaders and develop leadership skills through workshops, interactive panel discussions and hands on projects. One defining piece of the National Education for Women's Leadership Program is the Political Action Project where participants must conduct in-depth research, collaborate, develop, and represent a realistic solution to pressing issues such as fair housing and health care access. LEGISLATIVE AGENDA

SPECIAL BUDGET ORDINANCES

Special Budget Ordinance C35743

The City Council considered Special Budget Ordinance C35743. Public testimony was received from one individual and Council commentary ensued. Council President Stuckart stated he would be voting “no” on the ordinance. He stated that positions shouldn't be added to the budget outside of the budget process and noted the City Council just went through the budget process. He further stated that, in recent months, the reserves have been depleted down by \$1.3 million on the warming centers, which was unbudgeted. Council President Stuckart remarked that for every \$100,000 that is depleted from the reserves here on out is a layoff in the next two years, and he doesn't agree that this should be done outside of the budget process, and it should be sustainable. Other Council commentary followed, with Council Members supporting the need for the position but expressing concern with using unappropriated reserves. Council Member Kinnear noted she is uncomfortable as well using unappropriated reserves and stated she thinks administration would like to dig a little deeper to see if they have a vacant position they could appropriate money from that. Council Member Beggs noted there are lots of vacant positions but they are currently listed as a budget item expenditure, and he stated he thinks the City Council should cancel some of those vacant positions and sweep through the budget and find all the vacant positions and end them and put them back into reserves and replenish it (the reserves) and create more options for the City's priorities. Council Member Mumm stated she liked Council Member Beggs idea and will work with him on the Finance Committee to perform the budget overview. Council Member Stratton also

concurred with Council Member Beggs' remarks but also asked that City Council continue to look at the budget because there are project after project positions that are being hired in the City, and they are not permanent. She stated she is a believer that if it is a great job, we should offer it to somebody; they have a future here; they can build a career here; they can raise their families on a good wage and benefits; and that is what the City should be employing. Following Council commentary, the following action was taken:

Upon 0-7 Roll Call Vote (all Council Members voting "no"), the City Council **rejected Special Budget Ordinance C35743** amending Ordinance No. C35703 passed by the City Council December 10, 2018, and entitled, "An Ordinance adopting the Annual Budget of the City of Spokane for 2019, making appropriations to the various funds, departments and programs of the City of Spokane government for the fiscal year ending December 31, 2019, and providing it shall take effect immediately upon passage," and declaring an emergency and appropriating funds in:

<p>Background/History: <i>The bikeshare pilot in 2018 quickly became a very popular transportation option in the community. City staff have engaged a stakeholder group to advise policy updates. The stakeholders have met and discussed many aspects of the subject ordinances. A “Policy Partner” tool was used to record and validate helmet safety discussions. Ordinance amendments are required before Shared Mobility vendors can legally operate in Spokane. With a goal of rebooting in spring 2019, these amendments must be accomplished in a short timeframe.</i></p> <p><i>During the last several months a stakeholder group has met to help shape these updates along with city staff from multiple departments (Engineering, ICM, Planning, etc.). Staff have presented the proposed amendments in general to the Community Assembly Land Use Subcommittee and multiple neighborhood councils. Furthermore, a comprehensive survey was issued following the successful pilot project in 2018. The majority of responses to the program have been positive, both among users of the pilot program and non-users.</i></p>	
<p>Executive Summary:</p> <ul style="list-style-type: none"> <i>In order to have a Shared Mobility program operational by May, only essential code amendments are being sought at this time. Once the program is operational, additional amendments that may take time to vet with the Council and the community such as further amendments to the helmet law or shared mobility specific items may be considered.</i> <i>The “Bikeshare” program – to be known as “Shared Mobility Program” requires some base ordinance amendments to be able to reboot in 2019, including changes to the following sections of the Spokane Municipal Code:</i> <ul style="list-style-type: none"> <i>10.17 – Definitions, Helmet Requirements, Penalties</i> <i>16A.62 – Definitions, Personal Transportation Devices, Rental of Motorized Personal Transportation Devices (new section), Prohibited Areas</i> 	

- *The proposed amendments are attached to this briefing paper for your review prior to the hearing.*
- *Following direction and comment from Council at the Public Safety Committee Meeting on March 4, 2019, the proposed ordinance includes language exempting riders of application-based shared mobility devices from the requirement to wear a helmet in Spokane.*

Senator Andy Billig
PO Box 40403
Olympia, Washington 98504

Dear Senator Billig,

WSU Spokane's Elson S. Floyd College of Medicine is a growing hub for medical education in the State of Washington and in the Intermountain West. WSU Spokane's medical education program supports better access to healthcare for Eastern Washington and serves as an economic growth engine for Spokane and the entire metropolitan area.

We are impressed and grateful for the impact the medical school students are having in our community. The community health assessment work conducted by these medical students has helped identify healthcare gaps and quality of life barriers facing our constituents. Furthermore, the participation of medical students in local projects like the City's Sustainability Action Subcommittee add a critical lens of health and health access to our continuous improvement strategies.

WSU has fulfilled its commitment to educate Washington students in a community-based model that will help meet the growing healthcare needs of all Washingtonians. As such, we fully support WSU's biennial request of \$14.4 million to further medical education opportunities by enrolling 80 students in the next two classes and supporting the current two classes for their third and fourth years.

We look forward to continued growth of the Elson S. Floyd College of Medicine. Please let us know how we can assist with the school's growth at the local level.

Sincerely,
