

## **CITY COUNCIL MEETINGS RULES – PUBLIC DECORUM**

**Strict adherence to the following rules of decorum by the public will be observed and adhered to during City Council meetings, including open forum, public comment period on legislative items, and Council deliberations:**

- 1. No Clapping!**
- 2. No Cheering!**
- 3. No Booing!**
- 4. No public outbursts!**
- 5. Three-minute time limit for comments made during open forum and public testimony on legislative items!**
- 6. No person shall be permitted to speak at open forum more often than once per month. In addition, please silence your cell phones when entering the Council Chambers!**

Further, keep the following City Council Rules in mind:

### **Rule 2.2 Open Forum**

- D. The open forum is a limited public forum; all matters discussed in the open forum shall relate to the affairs of the City. No person shall be permitted to speak regarding items on the current or advance agendas, pending hearing items, or initiatives or referenda in a pending election. Individuals speaking during the open forum shall address their comments to the Council President and shall not use profanity, engage in obscene speech, or make personal comment or verbal insults about any individual.
- E. To encourage wider participation in open forum and a broad array of public comment and varied points of view, no person shall be permitted to speak at open forum more often than once per month. However, there is no limit on the number of items on which a member of the public may testify, such as legislative items, special consideration items, hearing items, and other items before the City Council and requiring Council action that are not adjudicatory or administrative in nature, as specified in Rules 5.3 and 5.4.

### **Rule 5.4 Public Testimony Regarding Legislative Agenda Items – Time Limits**

- A. 5.4.1 The City Council shall take public testimony on all matters included on its legislative agenda, with those exceptions stated in Rule 5.4(B). Public testimony shall be limited to the final Council action. Public testimony shall be limited to three (3) minutes per speaker, unless, at his or her discretion, the Chair determines that, because of the number of speakers signed up to testify, less time will need to be allocated per speaker in order to accommodate all of the speakers. The Chair may allow additional time if the speaker is asked to respond to questions from the Council.
- B. No public testimony shall be taken on consent agenda items, amendments to legislative agenda items, or procedural, parliamentary, or administrative matters of the Council.
- C. For legislative or hearing items that may affect an identifiable individual, association, or group, the following procedure may be implemented:
  1. Following an assessment by the Chair of factors such as complexity of the issue(s), the apparent number of people indicating a desire to testify, representation by designated spokespersons, etc., the Chair shall, in the absence of objection by the majority of the Council present, impose the following procedural time limitations for taking public testimony regarding legislative matters:
    - a. There shall be up to fifteen (15) minutes for staff, board, or commission presentation of background information, if any.
    - b. The designated representative of the proponents of the issue shall speak first and may include within his or her presentation the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. Up to thirty (30) minutes shall be granted for the proponent's presentation. If there be more than one designated representative, they shall allocate the 30 minutes between or among themselves.

- c. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the proponent's position.
  - d. The designated representative, if any, of the opponents of the issue shall speak following the presentation of the testimony of expert witnesses, visual displays, and any other reasonable methods of presenting the case. The designated representative(s) of the opponents shall have the same time allotted as provided for the proponents.
  - e. Three minutes shall be granted for any other person not associated with the designated representative who wishes to speak on behalf of the opponents' position.
  - f. Up to ten minutes of rebuttal time shall be granted to the designated representative for each side, the proponents speaking first, the opponents speaking second.
- 2. In the event the party or parties representing one side of an issue has a designated representative and the other side does not, the Chair shall publicly ask the unrepresented side if they wish to designate one or more persons to utilize the time allotted for the designated representative. If no such designation is made, each person wishing to speak on behalf of the unrepresented side shall be granted three minutes to present his/her position, and no additional compensating time shall be allowed due to the fact that the side has no designated representative.
  - 3. In the event there appears to be more than two groups wishing to advocate their distinct positions on a specific issue, the Chair may grant the same procedural and time allowances to each group or groups, as stated previously.
- D. The time taken for staff or Council member questions and responses thereto shall be in addition to the time allotted for any individual or designated representative's testimony.

- BLS Index: PCU3152

**8. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.**

- 8.1. **MASTER CONTRACT SALES REPORTING.** Contractor shall report total Master Contract sales quarterly to Enterprise Services, as set forth below.
- (a) **Master Contract Sales Reporting System.** Contractor shall report quarterly Master Contract sales in Enterprise Services' Master Contract Sales Reporting System. Enterprise Services will provide Contractor with a login password and a vendor number. The password and vendor number will be provided to the Sales Reporting Representative(s) listed on Contractor's Bidder Profile.
  - (b) **Data.** Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized purchasers specified herein during the term of the Master Contract. If there are no Master Contract sales during the reporting period, Contractor must report zero sales.

- (c) Due dates for Master Contract Sales Reporting. Quarterly Master Contract Sales Reports must be submitted electronically by the following deadlines for all sales invoiced during the applicable calendar quarter:

FOR CALENDAR QUARTER ENDING	MASTER CONTRACT SALES REPORT DUE
March 31:	April 30
June 30:	July 31
September 30:	October 31
December 31:	January 31

- 8.2. **VENDOR MANAGEMENT FEE.** Contractor shall pay to Enterprise Services a vendor management fee ("VMF") of 1.50 percent on the purchase price for all Master Contract sales (the purchase price is the total invoice price less applicable sales tax).

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

Amount owed to Enterprise Services = Total Master Contract sales invoiced (not including sales tax) x .0150.

- (b) The VMF must be rolled into Contractor's current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services will invoice Contractor quarterly based on Master Contract sales reported by Contractor. Contractors are not to remit payment until they receive an invoice from Enterprise Services. Contractor's VMF payment to Enterprise Services must reference this Master Contract number, work request number (if applicable), the year and quarter for which the VMF is being remitted, and the Contractor's name as set forth in this Master Contract, if not already included on the face of the check.
- (d) Failure to accurately report total net sales, to submit a timely usage report, or remit timely payment of the VMF, may be cause for Master Contract termination or the exercise of other remedies provided by law. Without limiting any other available remedies, the Parties agree that Contractor's failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums. The sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.
- (e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Master Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

- 8.3. **ANNUAL MASTER CONTRACT SALES REPORT.** Contractor shall provide to Enterprise Services a detailed annual Master Contract sales report. Such report shall include, at a minimum:

Product description, manufacturer, part number or other Product identifier, per unit quantities sold, and Master Contract price. This report must be provided in an electronic format that can be read by MS Excel.

- 8.4. **QUARTERLY REPORT OF SMALL AND DIVERSE BUSINESS INCLUSION.** Quarterly, Contractor shall report to Enterprise Services its small and diverse business inclusion results pertaining to this Master Contract. For this Master Contract and Contractor's utilization of small businesses (see RCW 39.26.010 (definition of 'small business')) and Washington State certified diverse businesses (i.e., woman-owned, minority-owned, and veteran-owned), such report shall detail which, if any, small and diverse businesses Contractor has utilized for purposes of this Master Contract and whether such subcontractor(s) meet the applicable Washington State criteria to be either a 'small business' or a 'diverse business', and report the amount paid to each such subcontractor. Contractor shall maintain records supporting such report in accordance with this Master Contract's records retention requirements.

## **9. RECORDS RETENTION & AUDITS.**

- 9.1. **RECORDS RETENTION.** Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Contract and orders placed by Purchasers under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Master Contract or final payment for any order placed by a Purchaser against this Master Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 9.2. **AUDIT.** Enterprise Services reserves the right to audit, or have a designated third party audit, applicable records to ensure that Contractor has properly invoiced Purchasers and that Contractor has paid all applicable contract management fees. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Contract or orders placed by a Purchaser under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Master Contract or final payment for any order placed by a Purchaser against this Master Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 9.3. **OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES.** Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Master Contract or orders, at a rate of 125% of such overpayments, found as a result of the examination of the Contractor's records; and (b) reimburse Enterprise Services for any underpayment of fees, at a rate of 125% of such fees found as a result of the examination of the Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services  $\$500 \times 1.25 = \$625$ ).

## **10. INSURANCE.**

- 10.1. **REQUIRED INSURANCE.** During the Term of this Master Contract, Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit C – Insurance Requirements*.

This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. In addition, Contractor waives its immunity under RCW Title 51 to the extent it is required to indemnify, defend, and hold harmless the State of Washington and its agencies, officials, agents, or employees.

## **11. CLAIMS.**

- 11.1. **ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES.** Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees, and agents in connection with Contractor's operations under this Master Contract. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchaser's property resulting directly or indirectly from its acts or omissions under this Master Contract, even if not attributable to negligence by Contractor or its agents.
- 11.2. **THIRD-PARTY CLAIMS; INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless Enterprise Services and any Purchaser and their employees and agents from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "claims") arising from any act or omission of Contractor or its successors, agents, and subcontractors under this Master Contract, except claims caused solely by Enterprise Services or any Purchasers' negligence. Contractor shall take all steps needed to keep Purchaser's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed.

- 12. **DISPUTE RESOLUTION.** The parties shall cooperate to resolve any dispute pertaining to this Master Contract efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior manager of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

## **13. SUSPENSION & TERMINATION; REMEDIES.**

- 13.1. **SUSPENSION & TERMINATION FOR DEFAULT.** Enterprise Services may suspend Contractor's operations under this Master Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services' reasonable

satisfaction; *Provided*, however, that, if after thirty (30) days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Master Contract. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Master Contract, until such obligations have been fulfilled.

13.2. **DEFAULT.** Each of the following events shall constitute default of this Master Contract by Contractor:

- (a) Contractor fails to perform or comply with any of the terms or conditions of this Master Contract including, but not limited to, Contractor's obligation to pay vendor management fees when due;
- (b) Contractor breaches any representation or warranty provided herein; or

- (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers replacement goods. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Master Contract price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.

13.4. **LIMITATION ON DAMAGES.** Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for exemplary or punitive damages.

13.5. **GOVERNMENTAL TERMINATION.**

- (a) **Termination for Withdrawal of Authority.** Enterprise Services may suspend or terminate this Master Contract if, during the term hereof, Enterprise Services' procurement authority is withdrawn, reduced, or limited such that Enterprise Services, in its judgment, would lack authority to enter into this Master Contract; *Provided*, however, that such suspension or termination for withdrawal of authority shall only be effective upon twenty (20) days prior written notice; and *Provided further*, that such suspension or termination for withdrawal of authority shall not relieve any Purchaser from payment for goods already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such suspension or termination for withdrawal of authority, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- (b) **Termination for Public Convenience.** Enterprise Services, for public convenience, may terminate this Master Contract; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any

Purchaser from payment for goods already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.

- 13.6. **TERMINATION PROCEDURE.** Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to Purchasers all goods that are complete (or with approval from Enterprise Services, substantially complete) and Purchasers shall inspect, accept, and pay for the same in accordance with this Master Contract and the applicable Purchase Order. Unless directed by Enterprise Services to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.

- 14.5. **AUTHORITY.** Each party to this Master Contract, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Master Contract and that its execution, delivery, and performance of this Master Contract has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 14.6. **NO AGENCY.** The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Master Contract. Neither party is an agent of the other party nor authorized to obligate it.
- 14.7. **ASSIGNMENT.** Contractor may not assign its rights under this Master Contract without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor provides written notice to Enterprise Services within thirty (30) days, Contractor may assign its rights under this Master Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Master Contract notwithstanding any prior assignment of its rights.
- 14.8. **BINDING EFFECT; SUCCESSORS & ASSIGNS.** This Master Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

- 14.10. **ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS/SERVICES.** Contractor irrevocably assigns to Enterprise Services, on behalf of the State of Washington, any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws in connection with any goods provided in Washington for the purpose of carrying out the Contractor's obligations under this Master Contract, including, at Enterprise Services' option, the right to control any such litigation on such claim for relief or cause of action.
- 14.11. **FEDERAL FUNDS.** To the extent that any Purchaser uses federal funds to purchase goods pursuant to this Master Contract, such Purchaser shall specify, with its order, any applicable requirement or certification that must be satisfied by Contractor at the time the order is placed or upon delivery.

- 14.13. **WAIVER.** Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this Master Contract, nor shall any purported oral modification or rescission of this Master Contract by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.

U.S. Department of Justice

Washington, DC 20531

September 17, 2019

The Honorable David A. Condon  
City of Spokane  
808 W Spokane Falls Blvd  
Spokane, WA 99201-3301

Dear Mayor Condon:

Congratulations on your recent award! The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), 42.205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Sincerely,

The Honorable David A. Condon  
City of Spokane

Spokane, WA 99201-3301

Dear Mayor Condon:

On behalf of Attorney General William P. Barr, it is my pleasure to inform you that the Office on Violence Against Women has approved your application for funding under the Improving Criminal Justice Responses Program in the amount of \$750,000 for City of Spokane. The Improving Criminal Justice Responses Program encourages state, local, and tribal governments, and courts to treat domestic violence, dating violence, sexual assault, and stalking as serious violations of criminal law requiring the coordinated involvement of the entire criminal justice system.

Enclosed you will find the award package. This award is subject to all administrative and financial requirements, including the timely submission of all financial and programmatic reports, resolution of all interim audit findings, and the maintenance of a minimum level of cash-on-hand. Should you not adhere to these requirements, you will be in violation of the terms of this agreement and the award will be subject to termination for cause or other administrative action as appropriate.

If you have questions regarding this award, please contact Brenda Auterman at (202) 616-3851. The Improving Criminal Justice Responses to Domestic Violence, Dating Violence, Sexual Assault, and Stalking Program is authorized by the Violence Against Women Act, as reauthorized, codified at 34 U.S.C. 10461-10465, and implemented through regulations at 28 C.F.R. Part 90, Subpart D. The program enhances victim safety and offender accountability in cases of domestic violence, dating violence, sexual assault, and stalking by encouraging jurisdictions to work collaboratively with community partners to identify problems and share ideas that will result in effective responses to these crimes. An integral component of this program is the creation and enhancement of a coordinated community response that brings together criminal justice agencies, victim services providers, and community organizations that respond to sexual assault, domestic violence, dating violence, and stalking.

The City of Spokane, in collaboration with its victim service partner YWCA Spokane, will use this award to expand coordinated, multi-disciplinary responses to domestic violence. Specifically, this project will: 1) expand coordinated, multi-disciplinary responses at the Spokane Family Justice Center; 2) continue use of the

Eastern Washington Lethality Assessment Program to assess lethality and link high-risk victims to immediate crisis intervention services; 3) coordinate information sharing in criminal and civil courts to help enforce orders to surrender weapons; 4) employ a full-time Spokane Police Department domestic violence officer; and 5) support a full-time legal advocate to provide assistance in obtaining civil orders for protection and educate victims about the criminal justice process.

The timing for performance of this award is 36 months.

***SPECIAL CONDITIONS***

**1. Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. OVW also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

**2. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide**

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

**3. Requirement to report potentially duplicative funding**

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2). 13. Potential imposition of additional requirements

14. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

15. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Among other things, 28 C.F.R. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

16. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

17. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field in GMS.

35. Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports to OVW through the Grants Management System (GMS) (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at <https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortBy=1>), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

36. Program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Adjustment Notice (GAN) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAN must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAN by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

37. FFATA reporting subawards and executive compensation

The recipient agrees to comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the Federal Funding Accountability and Transparency Act of 2006 (FFATA) Subaward Reporting System (FSRS). The details of recipient obligations, which derive from FFATA, are posted on the OVW web site at <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

*Office on Violence Against Women*

*Washington, D.C. 20531*

**Memorandum To:** OVW Award Recipient

**From:** Marnie Shields, Attorney Advisor

**Subject:** Categorical Exclusion for City of Spokane

The Improving Criminal Justice Responses to Sexual Assault, Domestic Violence, Dating Violence, and Stalking Grant Program implements certain provisions of the Violence Against Women Act, which was enacted in September 1994 as Title IV of the Violent Crime Control and Law Enforcement Act of 1994, and reauthorized in the Violence Against Women Acts of 2000, 2005, and 2013. The program enhances victim safety and offender accountability in cases of sexual assault, domestic violence, dating violence, and stalking by encouraging jurisdictions to work collaboratively with community partners to identify problems and share ideas that will result in effective responses to these crimes. An integral component of the program is the creation and enhancement of a coordinated community response that includes criminal justice agencies, victim services providers, and community organizations that respond to sexual assault, domestic violence, dating violence and stalking.

Renovations and construction are unallowable under this grant, and therefore none of the following activities will be conducted under the OVW federal action (i.e., the OVW-funded grant project) or a related third-party action:

1. New construction.
2. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species.
3. A renovation which will change the basic prior use of a facility or significantly change its size.
4. Research and technology whose anticipated and future application could be expected to have an effect on the environment.
5. Implementation of a program involving the use of chemicals.

In addition, the OVW federal action is neither a phase nor a segment of a project that, when reviewed in its entirety, would not meet the criteria for a categorical exclusion.

Consequently, the subject federal action meets the Office on Violence Against Women's criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations (adopted by OVW at 28 CFR § 0.122(b)). Also, no further analysis is required under the National Historic Preservation Act or other related statutes and regulations.

48. Limitation on use of funds for direct legal representation

The recipient agrees not to use grant funds to provide legal representation in civil or criminal matters, such as family law cases (divorce, custody, visitation, and child support), housing cases, consumer law cases and others. Grant funds may be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, or stalking only in the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas).

49. Prohibition on public awareness activities

The recipient agrees that grant funds will not be used to conduct public awareness or community education campaigns or related activities. Grant funds may be used to support, inform, and conduct outreach to victims about available services.

50. Conditional clearance with release of TA funds

The recipient's budget is pending review and approval. The recipient may obligate, expend, and draw down only funds for travel-related expenses up to \$10,000 to attend OVW-sponsored technical assistance events, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds, in which case the condition prohibiting any obligation, expenditure, or drawdown of funds will control. Remaining funds will not be available for drawdown until OVW's Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice (GAN) has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the GAN when the budget is approved.

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a Grant Adjustment Notice (GAN) and attach a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

44. Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

45. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

46. Required SAM and FAPIIS reporting

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW web site at: <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

47. Compliance with certifications

40. Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. \_\_\_\_\_ awarded by the Office on Violence Against Women, U.S. Department of Justice. The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

41. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

## MEMORANDUM OF UNDERSTANDING

### **1a. Partners**

This memorandum of understanding (MOU) is made and entered into by the following partners:

- City of Spokane (lead agency)
- City of Spokane Police Department
- City of Spokane Prosecutor's Office
- Spokane County Sheriff's Office
- Office of the Spokane County Prosecuting Attorney
- YWCA Spokane

The partners listed above compose the Spokane Regional Domestic Violence Team (SRDVT), the Eastern Washington Lethality Assessment Program (EWLAP), and the Spokane Family Justice Center (SFJC) as described in this MOU.

### **Recitals**

WHEREAS, the YWCA Spokane (YWCA), Spokane County Sheriff's Office, Office of the Spokane County Prosecuting Attorney, City of Spokane Police Department, and City of Spokane Prosecutor's Office have each contributed to a coordinated community response to domestic violence, known as the Spokane Regional Domestic Violence Team (SRDVT), in Spokane County, Washington, since 1997;

WHEREAS, for over twenty years, SRDVT partners have each demonstrated their expertise in working with victims of intimate partner domestic violence and related crimes and have worked collaboratively on a coordinated community response that meaningfully involves local, tribal, educational, and military partnerships among victim advocates, civil legal representatives, law enforcement, prosecutors, and civil and criminal courts to improve the capacity of the community to hold offenders accountable for their crimes;

WHEREAS, SRDVT partners created the Spokane Family Justice Center (SFJC), accredited in October 2018, to provide comprehensive services to domestic violence victims, including crisis intervention, safety planning, community-based advocacy, legal advocacy, court assistance, and ongoing participation in regional and statewide task forces, trainings, partners' meetings, and collaborations to address intimate partner domestic violence and related crimes of sexual assault, dating violence, and stalking;

WHEREAS, the **City of Spokane Police Department** is a member of the SFJC and has supported the SRDVT since its inception and is the lead law enforcement agency in the City of Spokane;

WHEREAS, the **City of Spokane Prosecutor's Office** has been charged with protecting the public by investigating and prosecuting criminal conduct, and staff are trained to provide support for victims and assistance with dispositions of criminal complaints consistent with the goals of ensuring victim safety and holding offenders accountable for their criminal conduct;

WHEREAS, the **Spokane County Sheriff's Office** is a member of the SFJC and has supported the SRDVT since its inception and is the lead law enforcement agency responsible for the investigation and enforcement of crimes and offenses committed in Spokane County;

## MEMORANDUM OF UNDERSTANDING

WHEREAS, the **Office of the Spokane County Prosecuting Attorney** protects the public by providing competent and ethical prosecution, superior victim services, and seeking justice in every case, and attorneys, support staff and victim-witness staff appreciate the significance of the threat posed by intimate partner violence and the need for providing enhanced efforts to ensure victim safety, offender accountability, and swift justice;

WHEREAS, the **YWCA** is the only state-recognized, nonprofit agency responsible for providing trauma-informed services (e.g., victim advocacy, legal services and support, counseling, shelter, housing, job readiness) to victims of intimate partner domestic violence and related crimes of sexual assault, dating violence, and stalking for victims from the City of Spokane and Spokane County;

WHEREAS, centralized and coordinated pro-arrest programs, including policies for protection order violations and enforcement of protection orders, have been implemented by both the **Spokane County Sheriff's Office** and **Spokane Police Department** in specialized domestic violence teams;

WHEREAS, core funding is necessary to plan, develop, and establish comprehensive victim service centers;<sup>1</sup>

NOW, THEREFORE, in consideration of the foregoing premises, the partners desire to set forth the nature of the services that will be provided with funding secured via the OVW FY 2019 Improving Criminal Justice Responses (ICJR) to Sexual Assault, Domestic Violence, Dating Violence, and Stalking Grant Program.

### **1b. Brief History of Partnership**

#### **SRDVT and SFJC**

In the early 1990s, Spokane experienced a 350% increase in homicides that were directly related to domestic violence. In a single 12-month period, the Spokane Police Department and Spokane County Sheriff's Office responded to, on average, more than 900 domestic violence calls for service per month.<sup>2</sup> The size and scope of the project overwhelmed law enforcement, as well as the local prosecuting authorities and court systems.

Governmental and nonprofit victim service providers had no formal agreements or policies in place for the sharing of information and resources. Communication among jurisdictions and their respective agencies was minimal or nonexistent. As a result, domestic violence victims had to advocate for themselves and navigate the legal complexities of their own cases. These circumstances increased the probability of re-offense and the danger of escalating violence.

To improve this situation, in 1997 Spokane City and County law enforcement and criminal justice agencies and Spokane's nonprofit victim services providers applied for and received a

## MEMORANDUM OF UNDERSTANDING

grant from the U.S. Department of Justice (DOJ). The partners created the region's first coordinated response to violence against women, the objectives of which included arrest, successful prosecution, and strict offender accountability, as well as victim safety and advocacy.

Since the late 1990s, SRDVT has continued its collaboration to improve victim safety and hold DV offenders accountable. Key events include:

- In 2006, SRDVT was denied DOJ continuation funding. To supplement this part of the team's \$2.5 million budget, Spokane City and County allocated additional funds from their own budgets.
- By 2008, most of the team was co-located in the Spokane County Court complex.
- In 2010, 4 of the 5 SRDVT partners moved to the 4<sup>th</sup> floor of the Spokane Regional Health District Building. (The City of Spokane Prosecutor's Office remained in the court complex.)
- With the Spokane County Sheriff's Office acting as lead, FY 2011 and 2013 OVW funding was secured for implementation of the EWLAP project (discussed below) and additional SRDVT training and coordination of services.
- With the approval of SRDVT partners, the YWCA built-out 2,900 square feet of unimproved space in its main offices in 2014, with the intent of creating a Spokane Family Justice Center.
- In February 2015, all SRDVT partners occupied their new home. Modeled on the Family Justice Center concept, this new configuration created a one-stop, victim-friendly location.
- Over the next 3 years, SRDVT created policies and procedures consistent with best practices for family justice centers and comprehensive victim services. In October 2018, the SFJC was accredited by the Alliance for Hope International.

As of the writing of this MOU, SFJC is comprised of the following team members: 7 City of Spokane Police Department employees; 4 City of Spokane Prosecutor's Office employees; 2 Spokane County Sheriff's Office detectives; 4 employees of the Office of the Spokane County Prosecuting Attorney; 2 Spokane County Clerk's Office employees; 1 City of Spokane Clerk's Office employee; 1 YWCA Legal Services Director, and 6 advocates (5 YWCA community-based advocates and 1 Spokane County Systems Advocate assigned to felony cases).

Through this MOU and the securing of an OVW FY 2019 ICJR Grant, SFJC partners agree to use our newly created Center to streamline case coordination, increase safety for victims, improve offender accountability, and enforce existing laws.

### **History of EWLAP**

The Spokane County Sheriff's Office and the YWCA submitted an FY 2011 OVW Grants to Encourage Arrest Grant application to implement a lethality assessment program, patterned after the Maryland Model, in Spokane County. The application was selected for funding, and the two partner agencies set about creating EWLAP, the implementation of which increased protection for victims of intimate partner domestic violence and related crimes of sexual assault, dating violence, and stalking who were at risk of being seriously injured or killed by their partners.

In 2013, the two partners applied for DOJ continuation funding so that they could expand the

## **MEMORANDUM OF UNDERSTANDING**

reach of EWLAP. Continued funding allowed the Spokane County Sheriff's Office and the YWCA to continue developing and presenting trainings. Trainings conducted in Spokane County have provided first responders with the tools needed to assess the victims' lethality potential and connect them immediately with local safety planning services. Survivors now have immediate access to comprehensive YWCA domestic violence wrap-around services to assist in safety planning.

Prior to the commencement of lethality assessment trainings in Spokane County, the following necessary tasks were completed:

- A round-the-clock crisis line was selected for screened-in victims to call (YWCA's 24-hour crisis line was selected)
- A full-service domestic violence service provider (YWCA) was selected
- The selected domestic violence service provider (YWCA) drafted guidelines for communication protocols to assist staff in implementing the lethality assessment program
- All participating first-responder agencies signed an agreement to encourage victims in high-danger to speak on the phone with the crisis line staff member from the scene of a domestic call for service or the screener's location
- Spokane County Sheriff's Office, YWCA, and participating law enforcement agencies/first responders signed agreements to execute the main objectives of the lethality assessment program and to encourage victims in high-risk to use appropriate domestic violence services

Since 2011, lethality assessment training has been provided to the following Spokane County agencies, organizations, and entities:

- City of Airway Heights Police Department
- City of Cheney Police Department
- City of Deer Park Police Department
- City of Liberty Lake Police Department
- City of Medical Lake Police Department
- City of Spokane Police Department
- City of Spokane Valley Police Department
- Eastern Washington University Police Department
- Fairchild Air Force Base Security Forces
- Spokane County Sheriff's Office commissioned personnel, including those whose assignments include the small towns and cities to which the Sheriff's Office provides law enforcement services via contract

In 2016, YWCA was awarded an OVW ICJR Grant, to collaborate with the Spokane County Sheriff's Office, Alternatives to Violence of the Palouse, City of Pullman Police Department, and Whitman County Sheriff's Office to expand EWLAP into Whitman County, Washington. Additionally, the City of Spokane Police Department fully adopted and implemented EWLAP.

### **History of Washington Legislation on Domestic Violence and Weapon Possession**

The Washington State legislature has passed several laws to prohibit domestic violence perpetrators from legally possessing weapons. Key legislation includes:

## MEMORANDUM OF UNDERSTANDING

- ESHB 1840: In 2014, the Washington State legislature unanimously passed this bill to add Orders to Surrender Weapons (OTSW) to Protection Orders.
- I-1491: In 2016, voters passed this initiative, which allows for Extreme Risk Protection Orders and creates a process for law enforcement officers, family members, and other to ask a judge to keep firearms out of the hands of individuals who pose a danger to themselves or others.
- SB 5381 and HB 1448: Also called “Sheena’s Law” to honor Sheena Henderson who was shot and killed in 2014 by her estranged husband at a local Spokane hospital, HB 1448 enables law enforcement to report mental health crises and SB 5381 creates a protocol for the return of firearms in the possession of law enforcement agencies
- HB 1501: Passed in 2017, this law requires law enforcement to notify victims if their perpetrator tries to purchase a weapon.

Though not an exhaustive list, the laws listed above show that Washington State has the legislative landscape necessary to increase victim safety and improve offender accountability. A key challenge remains for the state to create funding streams necessary to enforce existing laws. Positions funded through this OVW ICJR grant will be the first step toward creating the necessary staffing infrastructure in Spokane County.

### **3. Review and Agreement of Budget**

Each partner that is a signatory to this MOU has reviewed the proposed budget and is aware of the total amount requested and the funding requested by each project partner. Within the proposed budget, not every partner is allocated to receive funding because some partners are state or local governmental agencies and the partnership duties described in the narrative proposal will be conducted within the course of the agency's regular scope of work.

### **4. Meaningful Partnership**

This MOU affirms the mutual support and shared responsibility that each agency/organization will provide to achieve the following four objectives over the course of the 3-year funding period:

Objective #1: SFJC will continue to develop and expand services to reach 11,700 victims

Objective #2: Law enforcement will screen 3,000 DV victims for EWLAP and connects them to comprehensive victim services and criminal or civil justice systems

All signing partners intend to pursue these objectives and related activities through intentional collaboration that leverages our existing capacities and expertise across the DV response continuum.

### **5. Partner Participation in Developing the Application**

The collaborative relationship between the project partners has existed on a formal and informal basis for many years. For this funding opportunity, the executive agents and/or program directors/managers of these agencies have been meeting on a regular basis to discuss service issues and barriers, the possibilities regarding shared resources, and how the agencies will collaborate to implement the FY 2019 OVW ICJR Grant Program.

In developing this application, all partners discussed and reviewed the OVW solicitation and conversed about strengths and potential challenges of a joint application. All partners agreed that pursuing this funding was in their individual and collective best interests. The City of Spokane played a lead role in coordinating the development of the proposal. Partners provided detailed information about their specific areas of expertise and were responsible for providing feedback regarding the proposed project, as well as the budget and budget narrative.

## **INTERAGENCY AGREEMENT**

**BETWEEN THE**

**Washington Traffic Safety Commission**

**AND**

**Spokane Police Department**

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and Spokane Police Department, hereinafter referred to as "SUB-RECIPIENT."

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the parties mutually agree as follows:

### **1. PURPOSE OF THE AGREEMENT:**

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listing/Catalog of Federal Domestic Assistance (CFDA) #20.600/20.608, for traffic safety grant project 2020-AG-3583-DUI Enforcement.

### **2. PERIOD OF PERFORMANCE**

The period of performance of this Agreement shall commence upon the date of execution by both parties, but not earlier than October 1, 2019, and remain in effect until September 30, 2020 unless terminated sooner, as provided herein.

### **3. STATEMENT OF WORK**

The SUB-RECIPIENT shall carry out the provisions of the traffic safety project described here as the Statement of Work (SOW).

#### **3.1 SCOPE OF WORK**

Project Summary:

During the 5 year period 2007-2011, Spokane Police averaged 580 DUI related arrests per year. In the last 5 years, 2012-2016, the average has dropped to 368 DUI related arrests per year, a 36.5% reduction. During the same time frames, DUI related arrests in Spokane County have remained relatively constant with only a drop of 4.5% in the last 5 years. The data seems to indicate that the Spokane Police Department, due to low staffing levels and a higher volume of call loads, has not had the resources to devote to proactive self-initiated enforcement resulting in less traffic stops and ultimately a reduction in DUI arrests. Spokane Police Department will be addressing impaired driving by dedicating two law enforcement officers to conduct around the clock DUI enforcement. This will support the candidate DUI Court at the City of Spokane, assist in the training and proficiency of officers conducting DUI arrests, address Target Zero and ultimately make the streets safer for drivers, bicyclists,

and pedestrians.

#### **Project Goals:**

The goal of this grant is to help support WTSC's overall Target Zero goals. The grant will fund approximately 2,040 hours of an officer's time to find and remove impaired drivers from the roads within the jurisdiction of the Spokane Police Department. The officer chosen for this must be proficient in DUI enforcement and should understand and work to advance the larger goals of the Washington Traffic Safety Commission.

Coordinate with DUI Courts that treat repeat DUI offenders by addressing their long term issues such as addiction and or mental health problems so they do not re-offend

Implement campaigns that expose the positive community norms within our communities so that more Washingtonians embrace sober driving and intervene if they observe the risk of impaired driving

Enforcement to remove impaired drivers from the road and leads to successful prosecution to prevent these drivers from re-offending

Through full time, dedicated enforcement of DUI laws in pursuing Target Zero goals and objectives, we aim to reduce fatal and serious injury collisions by 10% by 09/30/2020

#### **Project Objectives/Deliverable/Measures**

Objective: 1. Conduct sustained impaired driving traffic enforcement in Spokane with a goal of 150 DUI related arrests during the performance period.

Deliverable 1a: Assign an officer to conduct sustained impaired driving enforcement who is a trained and current Drug Recognition Expert (DRE).

Deliverable 2a: Establish a contact per hour goal that will maximize the impact of the officer's time on driver behaviors. WTSC proposes that the default response of the officer when encountering high risk driving behaviors will be a citation or arrest.

Deliverable 3a: Establish a monthly and quarterly DUI goal by extrapolating the hourly contact goal, with consideration for limiting factors such as leave and holidays.

Deliverable 4a: Identify and Conduct patrols in areas with a high concentration of DUI related collisions.

Deliverable 5a: Support surrounding jurisdictions who request DRE assistance.

#### **Objective 1: Measures**

Number of DUI arrests by officer per month

Number of DRE evaluations or consultations by officer per month

Number of blood search warrants written by officer

Number of DUI arrests in high DUI collision locations in the Spokane area.

Objective: 2. Conduct a Public Awareness and education campaign that influences driver behavior and community norms surrounding impaired driving. Collaborate with the Spokane media to maximize your reach and effectiveness.

Deliverable 2a: Create a media PSA and other education materials in collaboration with the WTSC that will deter impaired driving and grow bystander intervention. Materials must be designed for the target populations.

Deliverable 2b: Create and disseminate news releases detailing the program to local media and providing periodic updates on the progress of the program.

Deliverable 2c: Invite media to ride along with program officers.

Deliverable 2d: Purchase media strategically to distribute messages through channels that will reach the target audiences.

Deliverable 2e: Conduct outreach with diverse community groups and education institutions by making presentations when requested.

**Objective 2: Measures**

Number of PSAs purchased and aired

Number of earned media opportunities reported by local media

Number of presentations and education opportunities conducted by officers

**Objective: 3: Train new recruits on DUI arrests and processes so that they will be proficient in recognizing impaired driving and a greater understanding of the DUI arrest process.**

Deliverable 3a: Provide mentoring to New officers/recruits through all means necessary including ride alongs to increase their proficiency in the DUI arrest process so that they can reliably make one DUI arrest per shift when patrolling on their own.

Deliverable 3b: Provide instruction to new recruits on the blood search warrant and reporting process during ride alongs such that they are proficient at the process and are capable of carrying it out when they are patrolling on their own.

**Objective 3: Measures**

Number of ride alongs conducted with new recruits

Number of DUI arrests made by new recruits after training

Number of blood search warrants written by new recruits after training

Number of mentored recruits that are making a DUI arrest every shift following their training.

**Objective: 4. Support City of Spokane DUI Court**

Deliverable 4a: Attend one training that supports and furthers the goals of City of Spokane DUI Court

Deliverable 4b: Attend team meetings as determined necessary by the DUI Court Team

Deliverable 4c: Conduct home visits as determined necessary by the DUI Court team

**Objective 4: Measures**

Number of Officers who attended training

Number of site visits performed

**Objective 5: Increase DUI Training to SPD Patrol Officers.**

Deliverable 5a: Continue using and training officers on the established standardized Process on Electronic DUI Package.

Deliverable 5b: Conduct Roll Call Training for all patrol teams at least yearly

**Objective 5: Measures**

Number of roll call trainings done

Number of officers trained at roll call

Number of DUI arrests made by patrol after training

**Budget Summary:**

Employees' Activity: \$125,024.25

The officer's activity paid for by grant funds will be dedicated to full time enforcement of DUI laws in pursuing Target Zero goals and objectives. The grant will fund approximately 2,040 hours of an officer's time to find and remove impaired drivers from the roads within the jurisdiction of the Spokane Police Department. This comprehensive coverage will allow the Spokane Police Department to reduce fatal and serious injury collisions by 10% by the projects end date of 09-30-2020.

Contract Services: \$15,000

Grant funds will be used to develop a public information campaign along with 2-3 PSA's based on Target Zero goals and objectives that address the dangers of impaired driving, specially alcohol impaired driving or ride home alternatives. Additionally, grant funds will be used to purchase air time for the PSA's as well as additional messaging materials that further the objectives and mission of the grant such as coasters, posters, etc. Local procurement processes will be observed.

Note: this grant is funded out of FAST ACT 405d and 164 Transfer Funds. This project is split 50/50 with \$70,012 allocated out of each fund.

WTSC reserves the right to delay the processing of invoices until activity reports required by Section 4 of this agreement, are received and approved.

## **11. CONFIDENTIALITY/SAFEGUARDING OF INFORMATION**

The SUB-RECIPIENT shall not use or disclose any information concerning the WTSC, or information which may be classified as confidential, for any purpose not directly connected with the administration of this Agreement, except with prior written consent of the WTSC, or as may be required by law.

## **12. COST PRINCIPLES**

Costs incurred under this Agreement shall adhere to provisions of 2 CFR Part 200 Subpart E.

## **13. COVENANT AGAINST CONTINGENT FEES**

The SUB-RECIPIENT warrants that it has not paid, and agrees not to pay, any bonus, commission, brokerage, or contingent fee

to solicit or secure this Agreement or to obtain approval of any application for federal financial assistance for this Agreement. The WTSC shall have the right, in the event of breach of this section by the SUB-RECIPIENT, to annul this Agreement without liability.

#### **14. DISPUTES**

14.1. Disputes arising in the performance of this Agreement, which are not resolved by agreement of the parties, shall be decided in writing by the WTSC Deputy Director or designee. This decision shall be final and conclusive, unless within 10 days from the date of the SUB-RECIPIENT's receipt of WTSC's written decision, the SUB-RECIPIENT furnishes a written appeal to the WTSC Director. The SUB-RECIPIENT's appeal shall be decided in writing by the Director or designee within 30 days of receipt of the appeal by the Director. The decision shall be binding upon the SUB-RECIPIENT and the SUB-RECIPIENT shall abide by the decision.

14.2. Performance During Dispute. Unless otherwise directed by WTSC, the SUB-RECIPIENT shall continue performance under this Agreement while matters in dispute are being resolved.

#### **15. GOVERNANCE**

15.1. This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.

15.2. In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

15.2.1. Applicable federal and state statutes and rules

15.2.2. Terms and Conditions of this Agreement

15.2.3. Any Amendment executed under this Agreement

15.2.4. Any SOW executed under this Agreement

15.2.5. Any other provisions of the Agreement, including materials incorporated by reference

#### **16. INCOME**

Any income earned by the SUB-RECIPIENT from the conduct of the SOW (e.g., sale of publications, registration fees, or service charges) must be accounted for, reported to WTSC, and that income must be applied to project purposes or used to reduce project costs.

#### **17. INDEMNIFICATION**

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or

subcontractors.

17.2. The SUB-RECIPIENT waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the WTSC, its officers, employees, or agents.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

#### **18. INDEPENDENT CAPACITY**

The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

#### **19. INSURANCE COVERAGE**

19.1. The SUB-RECIPIENT shall comply with the provisions of Title 51 RCW, Industrial Insurance, if required by law.

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

#### **20. LICENSING, ACCREDITATION, AND REGISTRATION**

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

#### **21. RECORDS MAINTENANCE**

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving them a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

#### **22. RIGHT OF INSPECTION**

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations

enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

## **23. RIGHTS IN DATA**

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

## **24. SAVINGS**

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30 day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

## **25. SEVERABILITY**

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

## **26. SITE SECURITY**

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

## **27. TAXES**

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

## **28. TERMINATION FOR CAUSE**

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may

terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

## **29. TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Agreement, either party may terminate this Agreement, without cause or reason, with 30 days written notice to the other party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

## **30. TREATMENT OF ASSETS**

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

## **31. WAIVER**

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

## **32. BUY AMERICA ACT**

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification,

and which is approved by the Secretary of Transportation.

### **33. DEBARMENT AND SUSPENSION**

#### **Instructions for Lower Tier Certification**

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 33.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

#### **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions**

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred,

suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

#### **34. THE DRUG-FREE WORKPLACE ACT OF 1988 (41 U.S.C. 8103)**

34.1. The SUB-RECIPIENT shall:

34.1.1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace, and shall specify the actions that will be taken against employees for violation of such prohibition.

34.1.2. Establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace; the SUB-RECIPIENT's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed upon employees for drug violations occurring in the workplace.

34.1.3. Make it a requirement that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph 34.1.1. of this section.

34.1.4. Notify the employee in the statement required by paragraph 34.1.1. of this section that, as a condition of employment under the grant, the employee will abide by the terms of the statement, notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction, and notify the WTSC within 10 days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 34.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

#### **35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)**

In accordance with FFATA, the SUB-RECIPIENT shall, upon request, provide WTSC the names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in federal awards, received \$25,000,000 or more in annual gross revenues from federal awards, and if the public does not have access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.

#### **36. FEDERAL LOBBYING**

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any

federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

36.1.2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

36.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grant, loans, and cooperative agreements), and that all sub-recipients shall certify and disclose accordingly.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

### **37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)**

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

37.1.2. Not to participate directly or indirectly in the discrimination prohibited by any federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR Part 21 and herein.

37.1.3. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA.

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

37.1.5. To insert this clause, including all paragraphs, in every sub-contract and sub-agreement and in every solicitation for a sub-contract or sub-agreement that receives federal funds under this program.

### **38. POLITICAL ACTIVITY (HATCH ACT)**

The SUB-RECIPIENT will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

### **39. PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE**

The SUB-RECIPIENT will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists. This Agreement does not include any aspects or elements of helmet usage or checkpoints, and so fully complies with this requirement.

### **40. STATE LOBBYING**

None of the funds under this Agreement will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any state or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

**41. DESIGNATED CONTACTS**

The United States National POW MIA Recognition Day is observed across the nation on the third Friday of September each year. Americans take time to remember those who were prisoners of war and those who are missing in action as well as their families. Ensign John R. Monaghan, Post 51, Veterans of Foreign Wars, has recognized that 83,000 American service personnel are still missing in action. These service men and women are assumed dead, but are still unaccounted for. Ensign John R. Monaghan shall observe the 20<sup>th</sup> of September 2019 as the day to pause to remember the sacrifices and service of those who were prisoner of war, as well as those who are missing in action. The proclamation encourages all citizens to join in remembering the sacrifices and service of those who were prisoners of war, as well as those who are missing in action.

Council Member Fagan commented that if anyone is interested in seeing a POW MIA table ritual and a setting ceremony, he noted he will be presiding over such a thing this Friday as the Post Commander of the Hillyard VFW located at 2902 E. Diamond at 4:30 p.m.

NOW, THEREFORE, IT IS HEREBY RESOLVED BY THE SPOKANE CITY COUNCIL:

1. Notice is hereby given that the assessment rolls for businesses and properties prepared under Ordinance C35377, as codified and amended in Chapter 4.31C SMC, will be on file in the Office of the City Clerk on November 8, 2019, and are open for public inspection.
2. The City Council has fixed December 9, 2019 at 6:00 p.m., or as soon thereafter as practicable in the City Council Chambers of the Municipal Building, W. 808 Spokane Falls Blvd., Spokane, Washington, as the time and place for hearing upon said assessment rolls.
3. The City Council declares its intent to impose special assessment in a manner that measures special benefits from each of the purposes set forth in Ordinance C35377, as codified and amended in Chapter 4.31C SMC. The special assessments will finance the PBIA (BID) budgets and programs approved by the City Council.
4. All persons who may desire to object to the assessment roll shall make their objections in writing and file them with the City Clerk at or prior to the date fixed for hearing.

At the time and place fixed, and at such other times as the hearing may be continued to, the City Council will consider the assessment roll as a board of equalization for the purpose of considering objections or comments made thereto, or any part thereof,

and may correct, revise, raise, lower, change or modify such roll, or any part thereof, or set aside such roll and order that such assessment be made de novo, or take such other action as the circumstances may warrant, including confirmation of the assessment rolls.

This is the only hearing held on the assessment roll, and it will be final unless appealed according to City Ordinance C35377, as codified and amended in Chapter 4.31C SMC.

5. The City's Finance and Administration Department is directed to mail, at least fifteen days before the date fixed for hearing, a notice to the business and property owners identified in the assessment rolls setting forth the date and time of public hearing, including the amount of special assessment.
6. The City clerk is directed to publish notice of the hearing on the assessment rolls in the Official Gazette for two consecutive weeks, the last publication being fifteen days before the date fixed for public hearing.

ADOPTED by the City Council this \_\_\_\_ day of September, 2019.

SOLE-SOURCE RESOLUTION

A RESOLUTION declaring Rockwell Automation/Allen Bradley as a sole source provider of software, hardware and services for equipment at various City Utility Division sites and authorizing its purchase from Columbia Electric Supply of Spokane, Washington, for a five (5) year period without public bidding at an approximate annual cost of \$2,000,000.

WHEREAS, Rockwell Automation/Allen Bradley products are proprietary and already in use at the Water & Hydroelectric Department, Wastewater Maintenance Department, Riverside Park Water Reclamation Facility and Waste to Energy Facility; and

WHEREAS, Because these products are proprietary, use of another manufacturer's product could result in use of questionable data or require replacement of all existing inventory and extensive staff training at tremendous cost to the City; and

WHEREAS, Over the last five years, the Departments have investigated other manufacturers' electrical, PLC and variable speed drive systems and Rockwell Automation/Allen Bradley is the sole provider of the patented systems that are compatible with existing equipment, inventory and process communication systems; and

WHEREAS, The Departments can minimize spare equipment inventory and reduce inventory costs by utilizing one manufacturer and local distributor inventory; and

WHEREAS, Any problems with the equipment and the software have historically been resolved with exceptional assistance of the vendor's local customer support group and the local distributor's excellent training opportunities in their training center; and

WHEREAS, Each department has been sole-sourcing these products at the department level, but by centralizing this sole source acquisition, the full amount of citywide procurement will be better understood, which should facilitate Purchasing being in a better negotiating position; and

WHEREAS, The Departments anticipate the purchase of miscellaneous hardware/software and support to be approximately \$2,000,000 annually, which exceeds the 2019 public bid limit of \$50,000 for goods;

-- Now, Therefore,

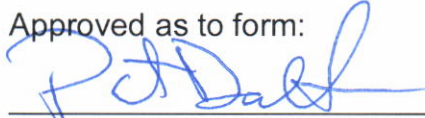

BE IT RESOLVED by the City Council for the City of Spokane that it hereby declares the purchase of the Rockwell Automation/Allen Bradley hardware/software and support to be a sole-source purchase through Columbia Electric Supply of Spokane, Washington; and

BE IT FURTHER RESOLVED that the City Council authorizes a five (5) year value blanket order for the purchase of Rockwell Automation/Allen Bradley products/services at up to \$2,000,000 annually without public bidding.

## **SOLE SOURCE JUSTIFICATION FORM**

**Description of Product/Service:** Rockwell Automation/Allen-Bradley Hardware, Software, and Support Services

**Estimated amount of this purchase:** \$2,000,000 annually, including tax

**Contract Period:** Five (5) Years

**Department:** 4100 Water & Hydroelectric Services, 4310 Wastewater Maintenance, 4320 Riverside Park Water Reclamation Facility, 4500 Waste to Energy Facility

**Contact Person:** Thea Prince

**Phone:** 509.625.6403

*Please provide the following information in order to document justification of a sole source purchase.*

- 1. Explain why the product/service requested is the only product/service that can satisfy your requirements, and explain why alternatives are unacceptable. Be specific with regard to specifications, features, characteristics, requirements, capabilities, and compatibility. Describe what steps have been undertaken to make this determination.**

Rockwell Automation/Allen-Bradley products are proprietary and already in use at these departments in conjunction with the City's Supervisory Control and Data Acquisition (SCADA) system. As these products are patented and proprietary, use of another manufacturer's product would at best result in questionable data and at worst would require replacement of all existing inventory and extensive staff retraining.

- 2. Explain why this service provider, supplier, or manufacturer is the only practicably available source from which to obtain this product or service, and describe the efforts that were made to verify and confirm whether, or not, this is so. (Obtain and include a letter from the manufacturer confirming claims made by distributors or exclusive distributorships regarding the product or service, if that is cited as a reason for this Sole Source.)**

Columbia Electric Supply (CES) is the only authorized distributor for our region per the attached letter from the manufacturer.

- 3. Will this purchase obligate us to a particular supplier for future purchases (either in terms of maintenance that only this supplier will be able to perform and/or if we purchase this item, will we need more "like" items in the future to match this one)?**

In so long as the manufacturer maintains a sole authorized distributor for their product, yes. As the standardization of this product has been conducted with assistance from City legal and resolved in the past (see RES 2016-0058 and 2017-0093), this sole source is consistent with procurement planning and supports efficient use of Council and department personnel time.

- 4. Explain why the price for this product or service is considered to be fair and reasonable.**

Each of these departments has previously been sole sourcing these products at the department level. By centralizing this sole source, Purchasing should have increased visibility to the full volume of citywide procurement, which should facilitate a better negotiating position for department purchases.

**5. Describe the negotiation efforts, if any, that have been made with the supplier to obtain the best possible price.**

Purchases will be negotiated on an as-needed basis. Discounts will be obtained wherever possible.

**6. Explain the consequence(s) to the city or public, including a dollar estimate of the financial impact, if this Sole Source is not approved.**

In light of the aforementioned product replacements required if a new product were to be implemented, failure to approve this sole source could cost the City tens of millions of dollars, even beyond the planned purchases facilitating the estimate for this agreement. Furthermore, forcing each department to pursue individual sole sources as needed would waste countless labor hours for City staff.

**Requested Supplier:** Columbia Electric Supply (CES)

**Supplier's Address:** 5818 E. Broadway Avenue, Spokane Valley, WA 99212

**Supplier Contact:** Brent Steinhart

**Phone:** 509.325.4500

If the cost of the sole source procurement is greater than the appropriate procurement threshold for department action, immediately contact the Purchasing Division or City Attorney's Office as appropriate.

My department's recommendation for sole source is based upon an objective review of the good/service being required and appears to be in the best interest of the City. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favor, or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.

***Re: Street Vacation Request***

Dear Mr. Brown:

This letter accompanies the Application to vacate a portion of Granite Street between East Upriver Drive and the north right-of-way line of vacated Ross Court. As we have discussed, the primary reason to vacate this street is to allow Riverview to develop vacant property with a future multistory building to seniors with assisted living and independent living service into the existing campus and further the care and resources for our residents. Enclosed is a Resolution from the Riverview Board of Directors requesting the street vacation. The Application shows that Riverview owns all property adjacent to Granite Street. At this point, Granite operates as a limited access street given its connection to East North Crescent Avenue.

We are aware that Avista (our neighbor) is proposing to vacate a portion of East Upriver Drive from Indiana to Mission Avenue. This would result in westbound drivers on Upriver Drive turning north on Indiana Avenue to continue their travel into Spokane. As a practical matter, if Granite Street remains in its present configuration, our retirement community is likely to experience additional vehicle traffic from persons who attempt to proceed north toward their destination.

**Reasons for the Street Vacation**

As you know, in 2016 through a street vacation process Riverview acquired Ross Court, a small street segment internal to the Riverview campus. This vacation also allowed for consolidation of Riverview property, since it owned the properties on both sides of Ross Court. For a considerable period of time, Riverview has planned to locate its future building for assisted and independent living residents on the vacated Ross Court, and on the requested vacated portion of Granite Street, to join the remaining Riverview property that is adjacent to East Upriver Drive. For Riverview internal circulation and building placement, a product of its master planning process, is vital to resident safety and "on-campus" services.

We have discussed with Avista the vacation of a segment of East Upriver Drive to further their existing campus development. Their expansion will abut the west edge of the Riverview property and result in a new right turn (with associated improvements) at East Upriver Drive and Indiana. Given that both of these streets are minor arterials, the improvements will accommodate traffic proceeding faster than typically experienced on residential streets. We also understand that this vacation will prevent traffic from entering the intersection of East Upriver Drive and Mission, and thus make the primary ingress and egress from the northwest, Indiana Avenue. With proper planning and coordination of property interests, we believe both the vacation of Granite Street and a part of East Upriver Drive will benefit this area.

### **Public Benefits**

The public will benefit from this vacation by creating an internally consistent circulation system for the Riverview residents, care-providers and visitors that supports the existing and to-be constructed buildings and improvements. The elimination of the part of Granite Street where it connects with East Upriver Drive will reduce unnecessary traffic and turning movements for persons whose destination is not Riverview. The remaining portion of North Granite Street will contain City utilities, provide for fire and emergency services, assist vendors, residents and visitors who are moving about and between the campus buildings. Finally, North Granite will become a safer street and be returned to the City, County and State tax rolls.

### **Conclusion**

Riverview, through its master planning process and acquisition of property, is prepared to finance and construct a future \$40 million building. This will offer state-of-the-art housing and care solutions for seniors from our region who are looking for independent and assisted living services in a location that is close to the rich cultural, recreational, medical and educational opportunities that Spokane has to offer. Since 1958 Riverview has supported, provided care and made investments for its residents at its present location. Given the redevelopment of this area and the proposed changes to the street system by Avista, Riverview respectfully requests that Granite Street, as set forth in the attached application, be vacated.

Thank you for your consideration.

Very truly yours,

- (a) A new irrigation system and new HVAC at Indian Canyon Golf Course (Indian Canyon Phase);
- (b) A new irrigation and new HVAC system at Esmerelda Golf Course (Esmerelda Phase);
- (c) A new irrigation system at Downriver Golf Course (Downriver Phase); and
- (d) A new irrigation system at the Creek at Qualchan Golf Course (Qualchan Phase) (collectively, the "Project").

The Project will be undertaken in up to four phases, with each phase being financed through separate five-year limited tax general obligation bonds of the City to be purchased by the SIP, in accordance with specifications and contracts for acquisition approved by the Mayor, Council or their designees from time to time.

It is hereby provided that the Project shall be subject to such changes and additions as may be authorized by the Council during the annual budget process. Presently, the estimated total cost of the Project does not exceed \$7,500,000. The costs of the Esmerelda Phase of the Project are estimated at \$2,500,000.

Section 3. Authorization and Description of Bond. To finance the costs of the Esmerelda Phase, the City shall issue a Limited Tax General Obligation ("LTGO") bond of the City to the SIP in the aggregate principal amount of not to exceed \$2,500,000 (the "Bond") to establish an interfund loan facility with the SIP of not to exceed \$2,500,000; provided that the principal amount due and owing thereunder shall be measured by the total Drawings made for the Esmerelda Phase, as evidenced by the Loan Draw Record attached to the Bond. The Bond

shall be dated as of the date of delivery to the SIP, shall be in the denomination of not to exceed the amount of a Draw, shall be fully registered as to principal and interest, shall be numbered in such manner and with any additional identification as the Bond Registrar deems necessary for identification, and shall mature on the Maturity Date. Principal and interest shall be amortized over a period fifteen years from the date of the initial Draw and the payment schedule may include a balloon payment due on the Maturity Date.

Section 4.     Sale of Bond.

(a)     *Approval of Sale.* The City Council hereby approves the SIP's offer to purchase the Bond and establish an interfund loan for the benefit of City's Parks and Recreation department for the Esmerelda Phase of the Project and on the terms set forth in this resolution. The proper City officials are hereby authorized and directed to do everything necessary for the prompt execution and delivery of the Bond to the City of Spokane for the benefit of the Spokane Investment Pool.

(b)     *Draws on the Interfund Loan Facility.* During the Draw Period, requests for draws on the interfund loan facility established hereunder may be made in writing in a form provided by or acceptable to the Chief Finance Officer of the City and shall provide SIP with no less than thirty (30) days' notice of the intent to draw on the facility.

At no time shall the Outstanding Principal Balance exceed \$2,500,000 and only the Outstanding Principal Balance shall be used for purposes of determining compliance with the diversification requirements set forth in Section 5.11 of the City's Investment Policy.

(d)     *Option to Terminate Draw Period.* At its sole discretion, the SIP may terminate the Draw Period on August 1 of any year. The SIP must give notice to the City by July 1 of each year, beginning July 1, 2020, if it intends to terminate the Draw Period on the succeeding

August 1 (the “Early Termination Date”). The Outstanding Principal Balance as of the Early Termination Date may be paid in full on the Early Termination Date or may be converted to a Term Loan in accordance with the provisions of this resolution, at the option of the City.

Section 5. Application of Bond Proceeds; Draws. The proceeds of draws on the Bond shall be expended solely to pay the costs of the portion of the Project allocable to the Esmerelda Phase and to pay the costs of issuing the Bond, as authorized herein. Following the execution and delivery of the Bond, the City shall notify the SIP in writing each time that a Draw is required to pay costs of the portion of the Project allocable to the Esmerelda Phase. The SIP will then notify the Treasurer of its intent to transfer a Draw (including the dollar amount of the Draw and the date on which the Draw amount will be transferred to the City). Draws can be made on the Bond for a period of five years after the effective date of this resolution.

There has previously been created in the office of the Treasurer a special fund known as the Asset Management Fund (the “Project Fund”). The proceeds of draws on the Bond shall be paid into the Project Fund to provide for the payment of costs of the portion of the Project allocable to the Esmerelda Phase and the payment of expenses incidental thereto. The Treasurer may invest any funds in the Project Fund temporarily in Permitted Investments that will mature prior to the date on which such money shall be needed. Earnings on such investments shall accrue to the benefit of the Project Fund. The proceeds of any Draw shall be expended solely to pay the costs of the portion of the Project allocable to the Esmerelda Phase or pay costs of issuance of the Bond.

The Bond is not intended to be a revolving obligation; the aggregate principal amount outstanding under the Bond may never exceed \$2,500,000, and principal amounts repaid may

not be reborrowed. The available principal of the Bond shall be disbursed as borrowings from time to time by the SIP upon request from the City (each such disbursement herein referred to as a “Draw”), as provided in this resolution. Draws shall be recorded on the Loan Draw Record attached to the Bond, or in such other form as the City and the SIP may agree.

Section 6. Pledge of Funds and Credit. To pay principal of and interest on the Bond as the same shall become due, the City hereby irrevocably covenants that it will deposit the proceeds of the Facility Improvement Fee and other available City funds into in the Asset Management Fund in amounts sufficient to pay the principal of and interest on the Bond. The full faith, credit and taxing power of the City are hereby irrevocably pledged for the prompt payment of such principal and interest.

Section 7. Registration and Payments. The Treasurer shall act as authenticating agent, paying agent and registrar for the Bond (collectively, the “Bond Registrar”). Both principal of and interest on the Bond shall be payable in lawful money of the United States of America. Payments of principal of and interest on the Bond shall be paid by interfund transfer, check, wire or electronic transfer. Final payment of all principal of and interest on the Bond shall be paid upon presentation and surrender of the Bond to the Bond Registrar. The Bond is not transferable.

Section 8. Prepayment. At the option of the City, the Outstanding Principal Balance may be prepaid, in whole or in part, at any time, with prepayments to apply first to interest and then to principal.

Section 9. Execution and Authentication of Bond. The Bond shall be executed on behalf of the City with the manual or facsimile signature of the Mayor and attested by the manual signature of the City Clerk, and the seal of the City shall be impressed thereon. In case

any of the officers who shall have signed or attested the Bond shall cease to be such officer before such Bond has been actually issued and delivered, such Bond shall be valid nevertheless and may be issued by the City with the same effect as though the persons who had signed or attested such Bond had not ceased to be such officers.

Only a Bond that bears a Registration Certificate in the form set forth in Section 10 hereof, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this resolution. Such Registration Certificate shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered hereunder and is entitled to the benefits of this resolution.

In case either of the officers who shall have executed the Bond shall cease to be an officer or officers of the City before the Bond shall have been authenticated or delivered by the Bond Registrar, or issued by the City, such Bond may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the City as though those who signed the same had continued to be such officers of the City. The Bond may also be signed and attested on behalf of the City by such persons as at the actual date of execution of the Bond shall be the proper officers of the City although at the original date of the Bond any such person shall not have been such officer of the City.

#### **Executive Summary:**

Currently, the Fire Code Appeals and Advisory Board hears appeals related to the Fire Code and decisions by the Fire Marshal's Office. However, the board has not been active for a few years due to volunteers' terms expiring and the difficulty in recruiting new volunteers with the requisite expertise and who live and work within the City limits. Maintaining the FCAAB requires some effort. The FAAB is made up of five board members who meet regularly. In the last 10 years that the board was active, we have had one appeals request. Despite the fact that there are not many appeals, citizens deserve a means for appealing decisions by the Fire Marshal's Office and a new pathway needs to be created. We have been working with Mike Piccolo who has created an ordinance modifying the sections of the Spokane Municipal Code related to the Fire Code Advisory and Appeals Board and the Hearing Examiner's duties. We are appealing to the City Council to direct the Hearing Examiner to hear Fire Code-related appeals.

Filing a suit or action in court does not stay the final decision unless and until the court, pursuant to RCW 36.70C.100, issues an order.
